

True God 2631

Chapter 2631 Attending The Desire Sky Villa Event (1)

Shi Lin could feel the difference in her body, she could feel that her body felt more different compared to before.

It seemed like Wu Ziyi was not lying about what she said, the effect was very real and could be felt by Shi Lin.

"Feeling better already?" Ye Chen asked Shi Lin.

"I feel very good" Shi Lin told him that she felt very good, she felt very good after taking a shower and clearing her mind.

"Let's go out" Ye Chen said to Shi Lin, he invited Shi Lin to go out.

"Let's go" Shi Lin nodded in agreement, he followed Ye Chen out of the room.

When they came out, they found Wu Ziyi and Jia Li practicing, it looked like they were training to increase their strength.

Shi Lin tried to hide herself behind Ye Chen, she didn't want to be seen by Wu Ziyi and Jia Li.

"You guys woke up quite early" Ye Chen said to Wu Ziyi and Jia Li.

"Of course, we have rested very well, we rested well in our room" Wu Ziyi said that they had rested quite well, now they were in peak condition after recovering their strength.

"That's great" Ye Chen was happy to listen, it seemed like they were all better, Ye Chen could feel calmer when he saw Wu Ziyi and Jia Li improving.

"Last night we heard some disturbing sounds, I think it was from your room" Jia Li said to Ye Chen, she said that Ye Chen was noisy.

"uh. . ." Shi Lin's face turned red as she listened to what Jia Li said, it seemed that Jia Li had heard what Shi Lin and Ye Chen were doing.

This room didn't have good soundproofing, there was still a bit of sound that could come out, a person with good hearing like Jia Li would easily be able to hear it.

In addition, Shi Lin made a loud noise, so people around could hear it.

"That was embarrassing" Shi Lin said to herself, she felt that it was embarrassing.

"What else can I do, I can't sleep" Ye Chen said to Jia Li and Wu Ziyi, he tried to cover up the problem from the two of them.

"We have an invitation to Desire Sky Villa" Jai Li said to Ye Chen, she wanted to invite Ye Chen, Wu Ziyi and also Shi Lin to go to Desire Sky Villa, there was an invitation waiting for them.

"Let's go" Ye Chen just agreed, he set off together with Shi Lin, Jia Li and Wu Ziyi.

Shi Lin looked more silent compared to usual, it was probably because he was shy and didn't want to talk to them.

"Today you are a bit more silent, are you not feeling well ?" Wu Ziyi said to Shi Lin, she told Shi Lin that she was more silent compared to before.

"No, I'm fine, I'm in very good condition" Shi Lin told Wu Ziyi that she was fine, she was just a little embarrassed to be with Wu Ziyi.

Shi Lin was thinking, how will they be together from now on, this would be a complicated matter.

" ? ? ? " Wu Ziyi was confused, she didn't understand how Shi Lin reacted like that.

"Did he succeed last night or not?" Wu Ziyi wanted to know this matter, whether the plan she had prepared with Jia Li succeeded or not.

Wu Ziyi wanted to know that, but it seemed quite difficult to get the answer because Shi Lin was more reserved than usual.

Wu Ziyi might not get a verbal answer from Shi Lin, even so she felt that Shi Lin had changed a bit and maybe that was enough to answer the questions Wu Ziyi had.

"Here we are" Jia Li said to Ye Chen, Shi Lin and Wu Ziyi, she informed that they had all arrived at Desire Sky Villa. I think you should take a look at

"wow it's so big" Wu Ziyi saw it for the first time, she was a little surprised when she saw the huge villa full of rooms that she couldn't count.

"so crowded" Ye Chen looked at the sea of people, it seemed like they all came because there was an important event.

"There will be an important event, they will of course come, be careful, there will be many strong people in this place, there might be some villains coming" Jia Li said to Ye Chen and Wu Ziyi.

"Eh, there are also criminals?" Wu Ziyi did not expect that.

"Of course there are, there are so many people in this place, there is no way they can keep an eye on everyone, plus they must be using a disguise" Ye Chen said.

Ye Chen gave an explanation to Wu Ziyi, he told Wu Ziyi about what could happen in this place.

"Then this place is a bit dangerous" Wu Ziyi said to Ye Chen and the others.

"It might be, but no problem, I will ensure your safety" Jia Li would ensure everyone's safety, she would guarantee the safety of everyone here.

"There will be many strong people here, you better be careful" Jia Li said to everyone, she told Ye Chen.

Jia Li gave Ye Chen a warning, she told Ye Chen not to cause any trouble.

"Understood" Ye Chen, Wu Ziyi and Shi Lin could only nod and obey what Jia Li said.

"Let's go in" Jia Li invited everyone in, all of them immediately went inside.

This group attracted the attention of the people around, it was probably because they contained a beautiful man and three beautiful women.

So it was not strange that Ye Chen's group could easily become the center of attention.

Jia Li led everyone, she decided to ignore everyone's gazes and look for the best place available.

"Where are we going?" Wu Ziyi asked, where are they going.

"Let's go see Du Rao first" Shi Lin told Wu Ziyi, they should probably meet Du Rao first.

"I totally agree, he invited us to this place" Jia Li felt that they should meet Du Yao.

Du Yao seemed to be busy receiving important guests, he told Shi Lin and the others to wait for a while.

They could only wait their turn, after which they got a ticket that would give them a slight discount when looking at the good stuff around.

"It's like an event, they opened this place to the public" Ye Chen saw that they opened this place to the public, everything in this place was free to use.

"That's right, you can use all the things in this place, all the things in this place will be free to use, even the training grounds that are usually rented out will be free, except for medicine, weapons, techniques and special items, they are all free to use for everyone".

"It's not strange that they come to this place, they are loyal customers" Wu Ziyi said.

"That's right, they are all colleagues who usually come to do business, this time there is something free, of course they will come in droves".

"There are tons of other Sect disciples from inside and outside the Realm here, there might be some great geniuses we can meet" Shi Lin said to Ye Chen and Wu Ziyi.

"I can't wait for that" Ye Chen might be able to see something new, that's why he couldn't wait to see the geniuses in this place.

"Let's first take a tour of this place, we're going to try out the entire training grounds, maybe you guys can give it a try" Jia Li said to Ye Chen and Wu Ziyi.

Chapter 2632 Attending The Desire Sky Villa Event (2)

Ye Chen, Shi Lin, Wu Ziyi and Jia Li scatter, all of them trying out tons of new things around.

"There are so many training centers here" Wu Ziyi said to Ye Chen, she invited Ye Chen to look at each one and try them out.

"Let's try it" Ye Chen agreed, he followed Wu Ziyi and started queuing.

It wasn't just Ye Chen here, so inevitably, they all had to wait their turn.

Wu Ziyi invited Ye Chen to try a place to practice dodging attacks, here there are a lot of logs arranged neatly and the appropriate length, they must be able to pass without touching the wood, because the wood rotates and will hit people who try to pass it.

"You want to try it?" Wu Ziyi asked Ye Chen, whether Ye Chen wanted to try it or not.

"Hmmm, I might want to try it, how about it?" Ye Chen said that he wanted to try it.

"I'll try it first" Wu Ziyi told Ye Chen, she would try first.

Wu Ziyi had practiced very hard, she wanted to try it out and show Ye Chen her training.

"You can try it first, be careful" Ye Chen said to Wu Ziyi, he told Wu Ziyi to try it and show the skills she had practiced.

Wu Ziyi came forward, some people were curious and wanted to know the results obtained by Wu Ziyi.

They wanted to see the results of the young woman who was about to perform.

Among all the people who tried it, most of them could only take a few steps forward, and the best could get halfway through.

"Do your best, I will support you from this place" Ye Chen said to Wu Ziyi, he will support Wu Ziyi from behind.

"Um, look at me carefully" Wu Ziyi said to Ye Chen, she wanted Ye Chen to pay attention to her.

Ye Chen looked at Wu Ziyi well.

Wu Ziyi began, she began to show her abilities, she began to move quickly and agilely dodging all the attacks that came blocking her way forward.

Wood began to spin and block the path of Wu Ziyi, it attacked Wu Ziyi from all directions.

Wu Ziyi had to dodge everything, otherwise she would get into trouble.

Because of the training given by Jia Li, Wu Ziyi started to become more aware of her surroundings, she was able to dodge all kinds of attacks coming from all directions.

"Good, avoid everything, you did well" Ye Chen said to Wu Ziyi, he told Wu Ziyi to avoid everything.

Wu Ziyi did so, she used agile movements to dodge everything.

"That's great" Many people were surprised by Wu Ziyi's skills, they were surprised by Wu Ziyi's dodging skills.

Wu Ziyi had done her best to keep practicing and getting better, so it wasn't strange that she could reach this stage.

Moments later, Wu Ziyi successfully passed all the obstacles and reached the finish line.

"I did it" Wu Ziyi said to Ye Chen, she told Ye Chen that she did it.

"applause" many people clapped, they recognized the ability that Wu Ziyi had, they all had to admit that Wu Ziyi was a decent and capable woman.

"Congratulations" Ye Chen congratulated her, Wu Ziyi had done her best to reach the finish line.

"Congratulations young lady, here is a gift for you for succeeding" a waiter gave a gift to Wu Ziyi, this was a form of appreciation to those who succeeded to be the one who completed the challenge during the event.

"Thank you very much" Wu Ziyi felt happy, she was very happy because she managed to get a prize.

"Come on, now it's your turn to try it" Wu Ziyi said to Ye Chen, she told Ye Chen to try it.

"okay, I'll try it" Ye Chen will do it, he will try the training ground in front of him.

Ye Chen started, this time he would do the same thing Wu Ziyi did.

"He won't be able to do it, his body is a bit tall and big" some people commented on Ye Chen for having a tall and slightly big body.

This obstacle course is suitable for people with short and small bodies, they will get an advantage when trying to pass the obstacle course.

So here Ye Chen was already unlucky for having a tall and slightly large body.

It was a glaring weakness that could be seen by everyone.

Ye Chen didn't mind this too much, he could still get through everything by using speed.

Speed was everything, Ye Chen was confident that he could do it.

"Looks like I'll use full speed" Ye Chen decided to take off the ballast he was using, he wanted to use the full speed he had.

Ye Chen was not practicing, this was more like a challenge than a practice.

"Alright, I'll start" Ye Chen prepared at the starting line, he was about to start.

The people around were watching Ye Chen, they were trying to guess the result Ye Chen had.

"start" Ye Chen went straight ahead using lightning-like speed.

"Wush. . ., Wush . . . Wush . . . Wush. . . Wush. . ." Ye Chen passed through all of them, he did so using such incredible speed that many people could not see Ye Chen's movements.

"So fast, what is it?" They tried to figure it out, Ye Chen's movements were too fast for them to see.

Ye Chen was indeed too fast, they couldn't see Ye Chen moving past all the obstacles.

Ye Chen only needed a matter of seconds to pass through all of them, no wood managed to touch his body, his body was completely clean.

Many people were speechless when they saw what happened, they were rendered speechless by what had just happened.

They underestimated Ye Chen too much, they finally realized that Ye Chen was extremely fast.

"You did it" Wu Ziyi said to Ye Chen, she saw that Ye Chen did it, even Ye Chen was much better compared to Wu Ziyi.

Ye Chen was indeed much better, he won in speed compared to Wu Ziyi, Ye Chen's speed was too fast compared to what Wu Ziyi had.

"Congratulations, you managed to break the existing record" the waiter said to Ye Chen, Ye Chen had managed to break the existing record, he did very well.

"What! ! !" People were even more surprised, Ye Chen broke the record, this would probably be a new thing for everyone.

"This is your gift" because Ye Chen had broken the record, he got a gift that was much better than the one Wu Ziyi got.

Ye Chen received it, there were some profound crystals and also some objects that were given as gifts.

"Let's find another place, there are still many things I want to try" Ye Chen said to Wu Ziyi, he still wanted to try more things around this place.

"Of course" Wu Ziyi understood, she along with Ye Chen tried various training grounds, they all wanted to try the results of their training.

Jia Li and Shi Lin walked together, they were currently heading to the medicine and pill exhibition.

The two of them looked around, if there were any good ones, they would buy them for themselves.

Chapter 2633 Attending The Desire Sky Villa Event (3)

"There are tons of acquaintances around this place" Shi Lin could clearly see that there were tons of acquaintances around this place.

Here were many acquaintances they had, even the figure of Hu Yan was in this place.

"Isn't that Hu Yan, the rival you have" Jia Li saw Hu Yan's figure, he was the rival of Shi Lin, and was an eternal enemy to Shi Lin.

"It seems like he also came to this place, last time me and Ye Chen beat him soundly and made him lose quite a lot of face" Shi Lin said.

Hu Yan was completely defeated by Ye Chen and Wu Ziyi, it was quite a slap for Hu Yan.

It seems like this time he came together with his master, I remember that Hu Yan's master was one of the people who tried to chase after Jia Li.

That guy's name should be Yun Yon, he's a high-level alchemist who's been after Jia Li for a long time.

"So that annoying guy also came here, how very unpleasant" Jia Li was not in the mood when she saw who came, she was not too happy when she saw who came to her.

"Hello, hello" Yun Yon said to Jia Li, he came and spoke to Jia Li.

"What do you want from me?" Jia Li said to Yun Yon, she didn't look too happy when she saw Yun Yon coming towards her.

"You're still like that, always rejecting me, even though I came with good intentions" Yun Yon said in a disappointed tone, he was still being ignored by Jia Li.

"You better leave, I don't like being bothered by you" Jia Li said to Yun Yon, she didn't want to be bothered and wanted to enjoy her precious time.

"We are already here, we should start walking together" Yun Yon said to Jia Li.

"No thank you, I don't need that" Jia Li said that she didn't need that, she didn't need to walk together with Yun Yon.

Yun Yon could still show a smile, the corner of his mouth twitched several times as he listened to what Jia Li said.

Jia Li immediately rejected Yun Yon, she did that ruthlessly and mercilessly, Jia Li did not let Yun Yon because it would make trouble for her and Shi Lin.

"Let's go" Jia Li invited Shi Lin to leave, it's better to go and leave these two people.

Shi Lin left, she went and started to leave this place with Jia Li.

Yun Yon and Hu Yan followed behind Jia Li and Shi Lin, it seemed like Yun Yon was still unwilling to surrender to Jia Li.

Hu Yan could only follow his master, he had no choice but to follow behind Yun Yon.

Hu Yan himself was also lazy, even so he had no choice but to follow his master, he had no right to protest.

They kept following behind the bodies of Jia Li and Shi Lin, it made Jia Li and Shi Lin feel uncomfortable and uneasy.

"Why do you guys keep following us" Shi Lin couldn't stand it anymore, she couldn't stand it when she saw them following behind, they were really very troublesome.

"We're just walking around, wherever we want to go, you have no right to forbid us" Yun Yon told Shi Lin, wherever they wanted to go, it was their own thing.

This was a public place, they naturally had the right to go and walk wherever they wanted, no one had the right to reprimand them.

Even Shi Lin did not have the right to reprimand them, she could not reprimand them because this was a public place.

"Just let them be" Jia Li said to Shi Lin, she told Shi Lin to let them be, there was nothing they could do now, they could only hope that they would get bored following behind.

Shi Lin could only resign herself to the situation, she had nothing to do and could not drive them out of this place.

"This might be annoying, but you have to endure it" Jia Li said to Shi Lin, she told Shi Lin to endure this and not do anything that would make Yun Yon happy.

Yun Yon felt victorious, he felt that if he won, Jia Li and Shi Lin would not be able to get rid of him, he was invincible and he was smarter than Jia Li and Shi Lin.

.

.

On the other side.

Ye Chen and Wu Ziyi were having the time of their lives, they were enjoying their time and solving all the obstacles.

"This place is a really fun place to show the results of training" Wu Ziyi said to Ye Chen, she told him that this place was really fun.

"You're right, there are quite a few training grounds we've tried, they're all fun, and we got a lot of great prizes".

Ye Chen and Wu Ziyi bought all the prizes, Ye Chen himself broke several records, he was able to do well and became the best among everyone in this place.

Because of what Ye Chen and Wu Ziyi did, many people in this place started to know about Ye Chen and Wu Ziyi, they regarded this couple as a strong couple.

Wu Ziyi and Ye Chen had completed a lot of training, they were tired and decided to find a place to rest and eat.

The food and resting place here were free, everyone could eat and didn't need to pay.

It just so happened that cultivators rarely enjoyed food, so this place wasn't too crowded with people, they weren't too interested in the food as the taste didn't really appeal to them.

Perhaps there should be a big enough change that they would be more interested in the food.

Ye Chen and Wu Ziyi were instead happy that this place was quiet, so they could eat without anyone disturbing them.

Ye Chen ordered some food, while Wu Ziyi ordered everything that caught her eye.

"It's all free, I'll try everything" Wu Ziyi wanted to try everything, since everything was free, Wu Ziyi didn't hold back and decided to eat everything.

"You are too greedy" Ye Chen said to Wu Ziyi.

"It doesn't matter, it's all free, there's no harm in us trying, they have nothing to lose in the anyway" Wu Ziyi said to Ye Chen.

Wu Ziyi was sure that they would not lose even if Wu Ziyi spent it all, this place was richer than Wu Ziyi could imagine.

Ye Chen just smiled when he heard this, Wu Ziyi was quite cute, she had a cute attitude and made Ye Chen happy.

"By the way, where did the two of them go ?" Wu Ziyi wanted to know Shi Lin and Jia Li, they left and just disappeared, Wu Ziyi didn't realize.

"They are probably looking at the exhibition, they might be buying or selling" Ye Chen said to Wu Ziyi.

Shi Lin and Jia Li probably went to look around and do business in this place, they would not miss the opportunity to get goods and profits in a big event like this.

"You don't want to sell yourself?" Wu Ziyi asked Ye Chen, she wanted to know whether Ye Chen wanted to sell or not.

"Hemmmm. . I want to try to sell some of the tools that I made, it will definitely sell well here." Ye Chen felt that he could sell the handmade items that he had.

"Then we will go after eating" Wu Ziyi said to Ye Chen, they would go after eating, Wu Ziyi wanted to accompany Ye Chen.

Chapter 2634 Attending The Desire Sky Villa Event (4)

The order finally arrived, the order arrived and Ye Chen immediately ate all the food that arrived at this place.

Wu Ziyi also did the same as Ye Chen, she did the same and ate all the food she ordered.

"Ummm, this is pretty good, there are a lot of sweets" Wu Ziyi said to Ye Chen.

Wu Ziyi liked it, it felt quite comfortable to taste the food in this place.

"It's not bad, it's pretty good, but still below average" Ye Chen told Wu Ziyi.

"Compared to Sister Ein's, it looks worse" Wu Ziyi told Ye Chen.

"You are absolutely right" Ye Chen agreed with what Wu Ziyi said, Zhang Ein's cooking was indeed the best, she had the best cooking ever.

"But free food is still good" Wu Ziyi said to Ye Chen.

"You are" Ye Chen shook his head, he was helpless as he listened to what Wu Ziyi said.

Although what Wu Ziyi said was true, free food was the best, no one would deny that.

The two of them finished the food, they started to eat everything and left nothing behind.

When alone together with Ye Chen, Wu Ziyi was much freer, she no longer held back and ate everything without restraint.

"It's so nice, I'm grateful that I can still enjoy it" Wu Ziyi said to Ye Chen.

"We should continue to be grateful" Ye Chen told her that they should continue to be grateful for what happened.

"Let's go to the weapons and items sales section, I want to sell" Ye Chen told Wu Ziyi.

Wu Ziyi was immediately excited when she heard this, she was very excited when listening to Ye Chen.

"I will help sell the items you have" Wu Ziyi told Ye Chen.

"Do you know how to sell it?" Ye Chen asked Wu Ziyi, he wanted to know if Wu Ziyi could sell it.

"I don't know, I just know that you made a great thing, even the weapon you gave is very strong and easy to use" Wu Ziyi said to Ye Chen, she told Ye Chen that the weapon she gave was very easy to use.

Wu Ziyi who is still very unfamiliar can easily use it, she can easily use it by using the abilities she has.

Ye Chen just shook his head when listening to this, how Wu Ziyi would sell in such a way, it was quite difficult to convince people in this place.

"Come with me, I will teach you a bit about trading" Ye Chen said to Wu Ziyi.

This was what Ye Chen was looking forward to, he wanted to teach Wu Ziyi how to sell things and make transactions.

Wu Ziyi would definitely be great at making pills, that's why he would teach her how to trade and do business, it seemed like Wu Ziyi needed that.

She looked innocent in this, so Ye Chen would make Wu Ziyi more familiar, it would definitely help quite a lot.

"um" Wu Ziyi understood, she would see Ye Chen and learn from Ye Chen, she wanted to learn from Ye Chen.

Ye Chen and Wu Ziyi left, the two left and headed straight to the sales place.

Here there were tons of people, everyone was naturally looking and selling their goods, after all this was a cast where everyone could sell goods and also buy.

Because this was an event, people were allowed to set up a small shop, they were free to buy and sell in this place.

There were no restrictions and they could do whatever they wanted in this place.

"Alright, it looks really good here" Ye Chen felt that he could earn quite a lot in this place, this was the time to start.

Ye Chen didn't set up shop, he took out a weapon and started to show his sword a bit.

"Clank" Ye Chen made a sound, it attracted the attention of the people around. I think you should take a look at

"What is it?" everyone was interested, they were all interested in what Ye Chen was doing.

They immediately gathered near Ye Chen, they wanted to know what Ye Chen was doing.

When they gathered, they found out that Ye Chen was selling weapons.

"Go ahead" Ye Chen told everyone to take a look.

They looked at the things Ye Chen was carrying, they honestly wanted to know what Ye Chen was carrying.

"What is this, there are some strange weapons with new designs that they have rarely seen" Ye Chen felt that there were many strange things that they had never seen.

"What is this?" they asked Ye Chen, they wanted to know what Ye Chen had.

"It is a flying spear, the shape may be strange, it is a powerful weapon and is able to penetrate the enemy's defense easily" Ye Chen said.

"But the shape is strange, are you sure it can be used well" the buyers asked Ye Chen.

"Why don't you try it, you know what will happen" Ye Chen said to the person in front.

"No, we have to show it to us, they want to see Ye Chen use it." Ye Chen said to the person in front.

"Then let me show you guys" Ye Chen decided to show a bit of the flying spear that he had made.

Ye Chen showed the ability of the flying spear he made, all eyes looked at it and tried to see its power.

Ye Chen showed the power of the spear in his hand, a tremendous force was released and the spear flew over everyone's heads.

Ye Chen controlled the spear, he used his abilities to control the spear and show what it could do.

After spinning a few times, Ye Chen pulled back and placed it in front of everyone.

"How about it, are you guys interested" Ye Chen asked, whether they would be interested or not.

"Is it strong?" they asked Ye Chen, they wanted to know its strength.

"This spear is equivalent to Tier 10 high level weapon, please try its power, using your weapons" Ye Chen said to everyone.

"okay, I'll give it a try" one of the people decided to give it a try, he pulled out his sword and started to slash at the spear in front of him.

"Clank. .." The two weapons collided and made a loud sound and a tremendous impact.

This person had just used a Tier nine weapon to test Ye Chen's spear, he wanted to prove the strength of the weapon Ye Chen was going to sell.

This person's weapon shattered while trying to destroy the flying spear.

"What, my weapon is broken?" He was shocked when he saw his favorite weapon broken.

"How, isn't this quite powerful, if you fight with a weapon that is inferior compared to this, that's what will happen" Ye Chen said to everyone in this place.

"They started to become interested, they all became interested when Ye Chen set an example for them.

There are a lot of people here who use a spear, they naturally want one like the one in front of them.

"Say the price, I will buy it" one of the people asked Ye Chen, he would buy it from Ye Chen.

"If I say the price, you won't be able to buy it" Ye Chen said that they probably wouldn't be able to buy it.

"Don't underestimate me" he said to Ye Chen, he was not happy when he saw Ye Chen underestimating him.

"I see, then the price is three million" Ye Chen revealed the price, when Ye Chen revealed the price, it was obvious that everyone was a little surprised.

Chapter 2635 Teaching Wu Ziyi How To Do Business

"What, are you out of your mind, it doesn't make sense" they were all obviously shocked as they all listened to what Ye Chen had to say, they were all naturally shocked by the starting price Ye Chen had opened up.

"Whatever if you don't want it, I'm not forcing you to accept it" Ye Chen told them all.

This was one of the best things Ye Chen made, there was no way Ye Chen would give this away cheaply, he would increase the price to the highest level.

"Pay close attention" Ye Chen said to Wu Ziyi, he told Wu Ziyi to pay close attention to what he was going to do.

"I understand, I will pay attention to you" Wu Ziyi said to Ye Chen, she would pay attention to Ye Chen.

Wu Ziyi was interested in this matter, she was interested when she saw Ye Chen arguing with them.

"Don't show weakness, they are people who need us, if you don't want to ignore them" Ye Chen told Wu Ziyi.

Ye Chen taught Wu Ziyi that she was much needed than these people needed Ye Chen.

"That's right" Wu Ziyi understood, she understood what Ye Chen said, she said that Ye Chen was a great person, he taught Wu Ziyi an important lesson.

"So what are you going to do, are you going to miss this opportunity" Ye Chen said to everyone, they might not get something like this.

Although this was Tier 10, it was already the same as an Earth Tier level weapon, the price would be very high and there would be many people fighting over it.

Many people were interested in this, it was a pity that they didn't have many profound crystals to buy it.

"Let me buy it" one decided to buy it, he didn't seem to hesitate when saying this.

"He is clearly a spear user with a tall body and also long arms, from this alone, Ye Chen can confirm that he is a spear user.

"What a good choice, you won't regret it" Ye Chen said that he wouldn't regret the decision he currently made.

"Wait a minute" someone else started bidding, he wouldn't just let that thing go.

"I want it too" he said to Ye Chen.

"Sorry, there is only one, I only have one, it's hard to make another one like this" Ye Chen said that it would be very difficult to make another one and he could only make one.

Besides the super expensive and hard to find materials, Ye Chen also used quite a lot of energy to make it, so it was not strange that he could only make one, this was the only weapon he made.

Hearing this, then they had to fight in price, they would compete to get this weapon.

"Then I will raise the price to two hundred thousand, so three million two hundred thousand" he said to Ye Chen.

"Then I will sell it to you" Ye Chen would of course sell to the person who bid higher, he would be happy to sell this thing.

"I'll add one hundred thousand" on the other hand, he didn't want to lose and decided to raise the price, he didn't want to lose one of the good weapons like the one Ye Chen made.

The battle started to happen, they started to show the best battle there was.

People could only watch the two rich men fight, they wouldn't be able to join in because the price went up from three million to four million.

What an incredible price increase, they were competing for the best for future investment.

They want to be the best, they want to get what they think is good. I think you should take a look at pandasnovel.com

pandasnovel.com After a long struggle, Ye Chen finally got a decent price, he got an asking price of four million two hundred, this was already far from the initial price.

Ye Chen just gave it away, he sold the goods and got a lot of profound crystals.

The profound crystals here were much more numerous compared to the God Realm, so selling at a high price would not be a problem.

"Too great" Wu Ziyi's eyes lit up when she saw Ye Chen managed to sell the flying spear at a very high price.

Ye Chen had just earned a lot of profit, to Wu Ziyi it was extraordinary.

Wu Ziyi should be able to do the same as Ye Chen did, she should be able to become a person like Ye Chen where she can earn quite a lot from selling high level and high quality pills.

Ye Chen continued to sell, here he could easily earn a lot of money, when compared to the Sect, this was definitely an advantage for Ye Chen.

"Hehehehe, I earned quite a lot of profit" Ye Chen earned quite a lot for, he was quite happy with the profit he earned.

Now he was one of the rich people who could buy everything.

"hello sir, do you have anything good that can protect someone from danger" a young lady came towards Ye Chen, she seemed to be interested in Ye Chen's goods.

Ye Chen looked, he saw a beautiful young lady in front of his eyes, a young lady wearing white clothes decorated with beautiful flowers.

This woman was wearing a head covering with a hood, her figure could be said to be not too clearly seen by Ye Chen.

"I have it, but what for?" Ye Chen asked, he wanted to know what this woman wanted to do, what she needed.

"To protect myself" She told him that she needed a tool to protect herself.

"Let me take a look first" Ye Chen looked, he wanted to find an item used for protection.

"How about this" Ye Chen picked up a ring with a red ruby on it.

"What is the function of this thing?" he asked Ye Chen, he wanted to know what this thing could do.

"It can protect you, it contains fire that will appear as a shield, it can be used about 15x times to protect yourself and make the enemy stop chasing you." The woman looked at and held the ring.

This woman looked and held the ring in Ye Chen's hand, it seemed like this was the thing she was looking for.

"How much is it?" she asked Ye Chen, how much is the price of this thing.

"Because this is an object that will be destroyed once it is used, I can't sell at too high a price, but with the function of maintaining the user's life, then I will give a discount of one million" Ye Chen gave a discount, he gave a discount to the woman in front of him.

"Good price, we have a deal" she said to Ye Chen.

"This is for you. . ." she bought it, without bargaining and just left.

"What's wrong with that woman, she seems to be in trouble, could it be that she's being chased?" Ye Chen felt that he might be being chased..

"That woman is so weird, she really doesn't make sense" Wu Ziyi said to Ye Chen.

"It's okay, it's none of our business, we already got the money, so there's no other reason" Ye Chen told Wu Ziyi.

Ye Chen earned a lot of profit, he managed to earn a lot from selling things in this place.

"Go away, you two are making me uncomfortable" a familiar voice was heard by Ye Chen and Wu Ziyi, both of them could immediately tell who this was.

"This voice" Wu Ziyi immediately realized that it was Shi Lin and Jia Li, it seemed like they were having a bit of trouble.

"What are they doing?" Ye Chen wanted to know what Shi Lin and Jia Li were doing, they seemed to be having an argument with someone.

Shi Lin and Jia Li were currently trying to drive Yun Yon and Hu Yan away, these two people were really annoying.

Shi Lin and Jia Li felt troubled, both of them felt uncomfortable when they were followed by Yun Yon and Hu Yan.

"Huh?" Yun Yon and Hu Yan were surprised when they saw Jia Li doing that, Yun Yon did not expect that Jia Li would hug a handsome young man.

Hu Yan himself was shocked when he saw Ye Chen being hugged by Jia Li, his head really hurt when he saw that this was the enemy who had defeated him and embarrassed him.

The people around glared when they saw a beautiful mature woman hugging Ye Chen.

"Damn, so lucky, I feel envious" they all complained, Ye Chen was too lucky, they felt very envious of Ye Chen because they were unable to get one like Ye Chen.

"What's wrong?" Ye Chen asked Jia Li, why did Jia Li do this.

"There are people bothering me, help me get rid of them" Jia Li said to Ye Chen, she whispered the problem she had.

"Who dares to bother you?" Ye Chen was angry when he heard that someone dared to disturb Jia Li, he would not let anyone disturb Jia Li.

"he's over there" Jia Li said to Ye Chen, she told him that Yun Yon and Hu Yan had made trouble.

"Isn't this Hu Yan, you still dare to come after everything that happened" Ye Chen said to Hu Yan.

"Damn it" Hu Yan said to Ye Chen, he said swear words to Ye Chen.

"who is this brat, tell me" Yun Yon asked Hu Yan, he wanted to know who this brat was.

"He is Ye Chen, he is the person who I told you about and once defeated me" Hu Yan told who Ye Chen is, he told that Ye Chen is the person who once defeated him and embarrassed him in the medicine pavilion.

"So this is the guy you told me about, his appearance is not bad, but he is enough to make my eyes hurt" Yun Yon said to Ye Chen.

"Who is this guy, he looks old" Ye Chen asked Jia Li, he wanted to know who this guy was.

"He is Yun Yon, one of the great alchemists just like me" Jia Li told Ye Chen, she told Ye Chen the person in front of her.

"Who would do that, I am not that stupid" Ye Chen said to Yun Yon.

Ye Chen was not that stupid, he would not do such a thing and saluted Yun Yon.

"You, how dare you" Yun Yon said to Ye Chen, he gave Ye Chen a warning.

Yun Yon was a great and powerful person, he had great influence and could have used his acquaintances to defeat Ye Chen.

Weren't you the one who originally sought trouble with me" Ye Chen said to Yun Yon, he told that Yun Yon sought trouble with him and that made Ye Chen feel angry and upset.

Ye Chen didn't like it when Yun Yon bothered Jia Li, that's why he got angry and challenged Yun Yon.

"Son of a bitch" Yun Yon got angry, he got angry at Ye Chen and started to let out a blue flame.

"That" everyone looked at Yun Yon, they could clearly see that Yun Yon was letting out flames with a unique color.

"Isn't that blue snake fire, he got that, how rare" They naturally knew what Yun Yon was using.

It was a blue fire that came from a snake, to get it was very difficult, it was unexpected that Yun Yon could get it.

"You will see the power I have" he said to Ye Chen, he told Ye Chen that he would soon see the power he had.

A large blue snake appeared behind Yun Yon's body, it was like a guard ready to do all the orders given by Yun Yon.

Ye Chen waved his hand, he extinguished Yun Yon's fire with a single wave of his hand.

"Eh? ? ?" Yun Yon looked shocked when he saw what happened, he was rendered speechless by what Ye Chen did.

"What just happened?" Yun Yon did not understand, he did not understand what just happened, he did not understand what Ye Chen did, it was complicated and he did not understand at all.

"Gah. . ." Yun Yon tried again, he tried again and took out his power.

Ye Chen again used his power to eliminate Yun Yon's ability.

Yun Yon couldn't understand why his ability wouldn't come out, it didn't make sense.

Every time Yun Yon used his power, Ye Chen would immediately extinguish it, he controlled the fire and could easily extinguish it.

Yun Yon's face turned black, all of his facial veins came out when he tried to bring out his strength.

Yun Yon's strength never appeared, he embarrassed himself in public.

"It doesn't make sense, why isn't my power appearing?" Yun Yon tried to figure it out, he still did not know why his strength did not appear.

Yun Yon looked at Ye Chen, he could clearly see the smile on Ye Chen's face, Ye Chen was teasing him who was now a clown.

"Is this his doing, what has he done to me" Yun Yon wanted to know what Ye Chen had done.

Yun Yon checked his body, he checked if he had been poisoned by Ye Chen.

After doing various checks on his body, Yun Yon did not find anything strange, he was not poisoned and everything went smoothly without any problems.

Chapter 2637 Yun Yon's Fall

"What have you done to me?" Yun Yon asked Ye Chen what Ye Chen had done to him.

"I didn't do anything to you" Ye Chen told him that he didn't do anything to Yun Yon.

"You must be lying, you must have done something to me" Yun Yon did not believe it, he was sure that Ye Chen had done something to him.

"What did I do, didn't you see that I stood in this place from the beginning and didn't do anything" Ye Chen told Yun Yon.

"You must be lying to me" Yun Yon said to Ye Chen, he continued to accuse Ye Chen of cheating by poisoning him.

"Geez, this fool, what's in his mind" Ye Chen said to Yun Yon.

"I am not a fool, you fool" Yun Yon said to Ye Chen.

"Master, just let me fight him" Hu Yan said to Yun Yon.

It looked like Yun Yon would lose face when he tried to attack Ye Chen, that's why Hu Yan volunteered to fight Ye Chen.

pandasnovel.com Hu Yan had a grudge against Ye Chen, he wanted to avenge his grudge against Ye Chen.

"Alright, then I will hand him over to you" Yun Yon handed Ye Chen over, let Hu Yan go and tackle Ye Chen.

"Your opponent is me, I will defeat you by using my hands" Hu Yan said to Ye Chen, he told him that he will defeat Ye Chen.

"oh, so you still don't accept the defeat in the past" Ye Chen said to Hu Yan.

"It was just luck for you, this time is different from before, I will show your strength" Hu Yan said to Ye Chen.

"Everything will be the same, nothing will be different from before" Ye Chen told him that nothing will be different.

Everything will remain the same as before.

"This time I will fight you using my full strength" Hu Yan said to Ye Chen, he intended to fight with Ye Chen using his strength.

Hu Yan came forward, he directly attacked Ye Chen who was in front of him.

Hu Yan didn't think much, he directly attacked Ye Chen using the full power he had.

Ye Chen only needed to use one hand, it was enough to overcome Hu Yan.

"Die" Hu Yan said to Ye Chen, he intended to kill Ye Chen with one strike.

"What a fool, pah. . ." Ye Chen slapped Hu Yan, Ye Chen's slap landed on Hu Yan's face and made him spin in the air before hitting the wall.

People around were rendered speechless by what happened, the battle ended so quickly and they couldn't imagine what just happened.

Yun Yon was the most shocked when he saw what happened, he was speechless when he saw what had just happened.

"No way, this can't be happening, he lost in one step?" Yun Yon couldn't think straight, Ye Chen only needed one step to defeat Hu Yan.

It was like he was swatting an attack that flew in front of his eyes, the strength and ability of Hu Yan was nothing in front of Ye Chen.

Jia Li and Shi Lin were quite surprised by Ye Chen's strength, Ye Chen only needed one slap to make Hu Yan faint.

"Annoying person, you'd better stay there" Ye Chen said to Hu Yan.

Ye Chen took one step and Hu Yan had already fainted, his face clearly swollen when he received a slap from Ye Chen.

An extraordinary thing that could easily be felt by everyone in this place.

Yun Yon looked at Ye Chen, this person's strength could be said to be very strong, he was able to defeat Hu Yan and probably became one of the core disciples in the Sect.

"I can't let this kid embarrass me further, if he can't handle it, I will handle it myself" Yun Yon decided to tackle Ye Chen by using his own hands.

Yun Yon advanced, he aimed at Ye Chen who was in front of him, his hands advanced and prepared to attack Ye Chen.

"This man is at the fourth level of Immortal sky Realm, his strength can be said to be high and is not a comparable opponent for Ye Chen.

Ye Chen can only use vein power to compete, only that can make himself able to fight against a person in the realm of an Immortal sky Realm.

"Stop there, you are shameless" Jia Li would not allow the battle to continue, in the battle that their strength was already unbalanced, this would put Ye Chen in trouble.

Jia Li waved her hand, petals of sparks flew and directly attacked Yun Yon.

"Uh... . ." Yun Yon's body was on fire, he rolled on the ground and started to put out the flames on his body.

Jia Li was already at the Immortal Rebirth God Realm, a power that could be said to be one of the highest powers here, someone like Yun Yon was no problem for her.

"No... . ." Yun Yon shouted, he was in pain and felt his body melting with heat.

"Stop it. ." Yun Yon begged Jia Li, he asked Jia Li to stop right now.

"I won't stop before you apologize properly, what you have done is really not good" Jia Li said to Yun Yon, she told him to apologize.

"Okay, okay, I will" Yun Yon said to Jia Li, he told her that he would do what Jia Li wanted.

"I hope you do, don't let me turn you into ashes" Jia Li told Yun Yon.

She told Yun Yon to do it immediately, otherwise she would be even angrier.

Jia Li was already unhappy with Yun Yon, she was going to make him regret looking for unnecessary trouble with them.

Yun Yon got up, he finally apologized to Ye Chen.

Yun Yon's appearance was really bad, his clothes turned black and his face also turned black, he was now a different person than before.

"I'm sorry" Yun Yon apologized, he apologized to Ye Chen who was in front of him.

"Very good, you know the mistakes you have, don't repeat such mistakes" Ye Chen said to Yun Yon.

Ye Chen gave Yun Yon a chance, he told him not to repeat what happened now, because Ye Chen did not like what happened.

"I understand, so please let me go" Yun Yon understood, he asked Ye Chen and Jia Li to let him go.

Ye Chen and Jia Li looked at each other, they had to let go of Yun Yon and Hu Yan.

"Go, before I change my mind" Jia Li said to Yun Yon, she told Yun Yon to leave, or else Jia Li would change her mind.

Yun Yon immediately carried the unconscious Hu Yan, he immediately left from this place.

If Jia Li changed her mind, it would be a problem for him.

Problem solved, they could drive Yun Yon and Hu Yan away by using everyone's strength.

"What are you guys doing in this place?" Jia Li asked Ye Chen, she wanted to know what Ye Chen was doing.

Chapter 2638 Zhang Ein Eliminates Yun Yon And Hu Yan

"Trying my luck" Ye Chen told her that he was trying his luck.

"He is so good, he managed to earn so much in just a few hours" Wu Ziyi told Jia Li and Shi Lin.

"So then, it's not strange that you like being in this place" Jia Li finally understood, it was not strange that Ye Chen was here and not looking for them.

"It's really good here, I should get a lot of benefits here" Ye Chen said to Jia Li and Shi Lin.

"You are" Shi Lin said to Ye Chen, Ye Chen was indeed like this.

"Come help me" Ye Chen said to Jia Li and Shi Lin.

"Why should we help" Shi Lin said to Ye Chen.

"If it was you guys, then it would have been easy to do" Ye Chen said to Jia Li and Shi Lin.

Ye Chen wanted to use Jia Li and Shi Lin's help for marketing, he was confident that it would work.

"Alright, we will help" Everyone said that they would help, they would all help Ye Chen well.

Shi Lin and Jia Li finally agreed, they started to help Ye Chen and Ye Chen also started to sell.

Using the help provided by Jia Li and Shi Lin, Ye Chen was able to quickly sell.

"You made an insane profit, this is much more than selling hundreds of high-level pills" Jia Li said to Ye Chen, honestly she couldn't believe the results Ye Chen had gotten.

"We managed to get quite a lot" Ye Chen told her that they had managed to get quite a lot, Ye Chen was happy for coming to this event.

"Do you want to look around" Jia Li said to Ye Chen, did Ye Chen want to look here.

"We are here, let's look again" Ye Chen said to Jia Li, Shi Lin and Wu Ziyi.

"Is there not going to be an auction?" Ye Chen asked Jia Li.

"Honestly, this place isn't like that, they only do buying and selling, there are no auctions in this place" Jia Li told Ye Chen.

"It's like a central store, they only sell and buy according to the market price, there are no auctions because it's not profitable for them.

Desire Sky Villa is already big, without having to conduct an auction, they have already earned a tremendous profit.

"That's a pity" Ye Chen said to Jia Li.

"Even so, you can still get a lot of things here, do you want to buy anything?" Jia Li said to Ye Chen.

"Of course, I want to buy something, I need some herbs and also magical beast fangs, cores and claws" Ye Chen told her the needs he had.

"You have earned a lot from selling your goods, you should go and buy them" Jia Li said.

"Of course, come with me" Ye Chen said to Jia Li, he told Jia Li and the others to accompany him.

"It seems like you should buy us something with the profound crystal you got" Jia Li said to Ye Chen.

"Of course, I will buy you guys something" Ye Chen said to Jia Li.

"Hurray" Shi Lin and Wu Ziyi looked excited when they heard this.

Ye Chen, Shi Lin, Wu Ziyi and Jia Li left, they went on an adventure together to look for Ye Chen's needs.

.

.

Meanwhile.

Yun Yon and Hu Yan were currently leaving the city, they had to return to their places and recover their injuries. I think you should take a look at pandasnovel.com

"Damn it, that boy, I won't forget what happened" Yun Yon couldn't possibly forget what happened, he wouldn't forget everything that happened today.

Ye Chen had humiliated him, there was no way Yun Yon would stay silent after this incident.

"Master" Hu Yan said to Yun Yon.

Hu Yan's condition was just as bad as Yun Yon's, he had suffered severe injuries from Ye Chen.

"We will retaliate, I will start gathering the best people I have and ask them to help fight that person" Yun Yon wanted to fight Ye Chen, he would gather the best people he had to fight Ye Chen.

Yun Yon can be said to rarely do things like this, but this time is different, he has to do it, he can't let Ye Chen humiliate him, this is about his reputation, no one can make him a clown like Ye Chen.

"I will also help" Hu Yan will also help, he will help to defeat Ye Chen, he will not calm down before Ye Chen is defeated.

The two of them left the city, they both seemed to be having a hard time when using the small boat.

Just as they were about to leave the city, there was a figure in front of them.

A figure floated in front of them and blocked the way.

A woman in maid clothes appeared in front of them, she looked through Yun Yon and Hu Yan.

"Who are you, get out of the way" Yun Yon said to the woman in front of him.

The woman in front of him opened her eyes, she was Zhang Ein.

"I won't get out of the way" Zhang Ein told him that she won't get out of the way, she had important business so she blocked the road.

"Little girl, I am not in a good mood, don't make me angrier, otherwise you will be broken into pieces" Yun Yon gave a warning to Zhang Ein, he told Zhang Ein to get out of the way immediately.

Zhang Ein did not say anything, she looked at Yun Yon with a disgusted look.

pandasnovel.com "You have made a mistake and are not willing to repent, then I will delete you" Zhang Ein said that she would finish Yun Yon.

Zhang Ein could not let Yun Yong go, she could not let this guy go and find more trouble for Ye Chen, this guy would definitely bring more people to attack Ye Chen.

That's why she had to solve this problem quickly.

"Hahahahaha" Yun Yon laughed, he laughed when listening to what Zhang Ein said.

"Don't joke short girl" Yun Yon said, Yun Yong did not take Zhang Ein's words to heart, he was still arrogant.

The lessons learned from Ye Chen and Jia Li seemed to have gone unused and this person was still arrogant.

Zhang Ein didn't really like this kind of person, to be honest she didn't really like those like that.

Zhang Ein reached forward, she opened and gripped her palm.

A huge wind pressed down on the ship, the entire ship instantly crumbled into smaller pieces.

Yun Yon and Hu Yan did not have time to feel pain or put up a fight, their bodies crushed together with the ship they were using.

"I honestly don't really like doing this kind of work, but this is all for the sake of master, I won't let you guys do anything bad" Zhang Ein didn't really like doing this, she did this because she had to so that there would be no problems in the future.

Even if Zhang Ein let Yun Yon go, the man would definitely find other ways to deal with Ye Chen, he is an alchemist with great connections, it would be easy for him to hire and bribe people using the pills he made.

So there were not many choices Zhang Ein could make, she could only destroy the two of them so that they would no longer make trouble in the future.

Zhang Ein threw the wreck into the air, it was thrown far enough and no one would know where it would land.

After finishing the business, she left directly, she covered the trail very well without anyone noticing.

Chapter 2639 The Attack Of The Seven Evil Shadows

Back to Ye Chen, Wu Ziyi, Shi Lin and Jia Li, they finally finished and they just went straight to Shi Lin's house.

"All the money I got has been spent" Ye Chen felt guilty, all the money he had was used up very quickly, in just a matter of hours, it was all used up.

"I lost all things in just a short time" Ye Chen lost all the profound crystals, he exhausted it all in a short time.

Take what they want, and Ye Chen has to pay for it all.

"Don't complain so much, men must be strong and give women a good thing" Shi Lin said to Ye Chen.

Shi Lin seemed to enjoy it, she really enjoyed when draining Ye Chen's wallet.

"You really enjoyed it" Ye Chen was helpless, he was speechless when listening to this thing.

As they chatted, Jia Li felt something was wrong around this place, she felt something was wrong around

"something is wrong" Jia Li said to Ye Chen, Shi Lin and also Wu Ziyi.

"You're right, I feel something is wrong in this place" Ye Chen felt it, himself feeling the same as Jia Li.

Someone obviously set up a barrier for them, what was their purpose, why did they set up a barrier for Ye Chen, Wu Ziyi, Shi Lin and Jia Li.

"Yuechan" Ye Chen said to Chu Yuechan, he told Chu Yuechan to find out what was around.

"understood" Chu Yuechan helped Ye Chen, she just went straight to search for the whereabouts of the enemies who were around.

"There are seven people, they are strong and are far above you" Chu Yuechan said to Ye Chen.

"What exactly are they" Ye Chen asked Chu Yuechan.

Chu Yuechan said to Ye Chen, she was telling her that they were similar to the evil shadows Ye Chen had previously encountered.

"It looks like they are indeed the same" Ye Chen confirmed that using God Eyes, he saw seven people with similar clothes and the same figure.

"It looks like this is a group from the Evil mountain sect," Ye Chen told Jia Li.

"Have you confirmed it?" Jia Li asked Ye Chen, whether Ye Chen had confirmed it or not.

"I have confirmed it" Ye Chen told her that he had confirmed it.

"So that's it, they decided to make a move and fight us, it seems that their target is me" Jia Li said to Ye Chen.

"They are all obviously eyeing the Eternal Spark Furnace" Ye Chen said to Jia Li, he was aware of what they had been eyeing all along.

"It seems that they are indeed targeting her" Chu Yuechan also agreed, she agreed with what Ye Chen said.

Jia Li is aware of this, they are indeed eyeing the eternal spark furnace.

"Come out, I've seen you guys" Ye Chen said to the seven evil shadows that were around.

"So you guys are already aware of our existence" Seven evil shadows appeared, they appeared on the roof and looked towards Ye Chen, Wu Ziyi, Shi Lin and Jia Li.

They surrounded Ye Chen Wu Ziyi, Shi Lin and Jia Li, they would not let Wu Ziyi, Shi Lin and Jia Li loose casually.

"It's so troublesome" Jia Li saw that if they had been surrounded, it would be a problem because they were under siege.

"You all please stand behind me, I will protect you" Jia Li said to Ye Chen, Wu Ziyi and Shi Lin.

"Understand" Shi Lin and Wu Ziyi went directly behind Jia Li's body, they took refuge behind Jia Li.

"Ye Chen, what do you want to do?" Jia Li asked Ye Chen, she told Ye Chen to hide because this would be a tough battle.

"I will try to help you, they use tricks against you, you will have trouble" Ye Chen said to Jia Li.

Ye Chen decided to help, he could help a little bit Jia Li deal with them all.

"You can rest assured, they are problematic and not easy to deal with" Jia Li said to Ye Chen, telling him that they were very difficult to deal with because they had tricks in their hands.

"It's okay, I can take care of this matter quickly" Ye Chen told Jia Li that he could take care of this matter.

"well" Jia Li would believe in Ye Chen, in this situation it would indeed be difficult for her to fight while protecting three people at once.

"Give up and leave the eternal spark furnace to us" Su Denzi told Jia Li to hand over the eternal spark furnace.

"That's not going to happen," Jia Li told him that the eternal spark furnace would not be handed over.

He would not hand over an item as important as the eternal spark furnace to Su Denzi.

"Then we have no choice but to take it from your body" Su Denzi raised a hand and signaled the others to attack.

"Take Jia Li down first, they are just ants" Su Denzi told to paralyze Jia Li, others were just useless ants and they couldn't resist.

They moved, an Array appeared and began to exert pressure on Jia Li.

"they used the Array formation to weaken me" Jia Li saw their purpose, they used the Array Formation to weaken Jia Li.

"Take it easy, I can destroy it" Ye Chen told her that he could destroy all existing Arrays.

"Then please help" Jia Li said to Ye Chen, she asked Ye Chen to help herself.

Ye Chen and Jia Li began to divide the tasks, they divided the tasks and began to cooperate.

Ye Chen used the ability of Invisible Body Art, he disappeared and attacked the enemy from the shadows.

The enemy didn't care about Ye Chen, they focused more on Jia Li, it was because Jia Li was much stronger and more dangerous compared to Ye Chen.

As long as they can defeat and take down Jia Li, then everything will be done.

"They don't regard you as a threat" Chu Yuechan could see that the enemy did not regard Ye Chen as a threat.

"That's great news, they will regret it quickly" Ye Chen said that they would regret not considering himself an enemy.

Ye Chen took the Divine Yin Yang Sword, he started to attack the opponent from the rear and made their formation chaotic.

"Slash . . ." Ye Chen attacked, he attacked and directly knocked down one of the opponents and made the formation chaotic.

"Uh." an open wound on the opponent's back, the Divine Yin Yang Sword was able to injure the opponent easily.

It was a good thing that Ye Chen had a Divine Yin Yang Sword, so he easily injured a much stronger and much more powerful opponent.

"good job" Jia Li saw that Ye Chen succeeded in messing with the enemy, he was able to do it and it was really very great.

"Then I will defeat them too" Jia Li used her own power, she took out her own power and knocked all the enemies away.

With the new power that exists at the level of the Immortal Rebirth God Realm.

Jia Li felt the benefits of doing Dual Cultivation with Ye Chen, she made it to this level and became extremely powerful.

Chapter 2640 Ye Chen Vs Su Denzi (1)

Jia Li started to get more serious, she began to fight Su Denzi by using much stronger attacks.

"Big flower Flame area" a huge flower appeared, Jia Li intends to blow them all up.

"Get ready, I will eliminate you all" Jia Li said that she would eliminate them all.

"If you do that, everyone around will die" Su Denzi said to Jia Li.

Su Denzi reminded Jia Li that if they were still in the middle of the city and there were many people around, they could all be directly killed by the huge explosion that was about to occur.

Jia Li stopped, she had no choice but to stop and began to use force with complete control.

"Why has she become so powerful?" Su Denzi looked surprised by the strength shown by Jia Li, he didn't seem to expect that Jia Li could burst out such a powerful force.

"You will all regret what happened," Jia Li said that they would regret what happened.

"quickly kill her" Su Denzi gave an order, he told them all to kill Jia Li immediately, it would be dangerous if they didn't.

παΠδσNovel com They tried again, with their strength only at the level of Immortal sky Realm and Immortal sovereign Realm, they were definitely not comparable opponents for Jia Li.

Jia Li started to drive them all away, she used her power to destroy them all.

Using his fire abilities and attack speed, Jia Li began to take them down one after another.

Su Denzi saw what Jia Li did, it was really bad because they started to be destroyed one after another by Jia Li.

Others began to hesitate to resist, Jia Li, they all doubted whether they could win against such a powerful Jia Li.

"Damn it, what's going on, why did she become this strong, is she really that strong" Su Denzi didn't know what happened to Jia Li, but they were not opponents worthy of Jia Li.

Ye Chen himself helped behind, he attacked the enemy and disappeared.

Ye Chen continued to do this thing to make the enemy confused and not to become chaotic.

"where is that boy, he attacked me" they started looking for Ye Chen, they all looked annoyed when they saw Ye Chen attacking them and getting them in trouble.

Ye Chen's attack may not be very strong, even so, they all still suffered injuries from Ye Chen's attack, and it irritated them.

"Catch me if you can" Ye Chen said to Su Denzi and the others.

"I'll take care of it, you all take care of Jia Li for me" Su Denzi said that he would take care of Ye Chen.

Su Denzi began to chase Ye Chen, he began to chase Ye Chen and intended to kill him.

"Master, someone is chasing you" Chu Yuechan said to Ye Chen, she informed that Su Denzi started chasing at full speed.

"Then I will fight him" Ye Chen told him that he would fight Su Denzi.

"Are you sure about it ?" Chu Yuechan said to Ye Chen.

"Are you willing to help" Ye Chen said to Chu Yuechan.

"Alright, I'll help you a little bit" Chu Yuechan said to Ye Chen.

She was going to help Ye Chen to fight Su Denzi and beat this guy.

"Stop running, and accept your fate" Su Denzi said to Ye Chen, he told Ye Chen to stop right away.

"Hahahaha, so stupid, do you think I will obey your orders" Ye Chen said to Su Denzi.

"Damn it. . ." Su Denzi was so angry, Ye Chen played tricks on himself again.

Ye Chen drew the Divine Yin Yang Sword and attacked Su Denzi using the celestial sword motion art.

"slash. . ." he tried to injure Su Denzi by using a powerful slashing technique.

"What kind of technique is that?" Su Denzi didn't understand the technique used by Ye Chen, it was too powerful and capable of hurting himself.

Ye Chen shouldn't be able to hurt Su Denzi, he could do that because he had above-average strength and technique, plus the Divine Yin Yang Sword was a powerful weapon and could hurt opponents easily.

Su Denzi felt that if Ye Chen had a strange technique, he could see that Ye Chen had a strange and unreasonable technique.

"want to give up now" Ye Chen said to Su Denzi, he asked Su Denzi to surrender.

"Don't you realize who you are talking to now, there is no way I will surrender to you" Su Denzi said that if he would not surrender to Ye Chen, he refused to surrender to Ye Chen and wanted to continue fighting.

"Just because you can hurt me with a small injury, doesn't mean you can win against me" Su Denzi said to Ye Chen.

Su Denzi told that he would not lose to Ye Chen, he refused to lose to Ye Chen and would win against Ye Chen.

"If it is a decision you have, I will fight back using full force" Ye Chen started to use Heavenly Silver Flame, it had been a long time since Ye Chen used Heavenly Silver Flame.

"That?" the exit of the Heavenly Silver Flame made Su Denzi startled, he was shocked when he saw what was in sight.

Su Denzi never saw Heavenly Silver Flame, he thought this was one of the flames of legend that had long since disappeared and had never been seen again.

"You have a Heavenly Silver Flame, a rare and extraordinary item, hahahaha, that's great, it looks like we're going to get something good" Su Denzi looked happy when he saw this, they would get more and more from Ye Chen and Jia Li.

"You are happy too soon" Ye Chen said to Su Denzi.

Su Denzi was happy too quickly, as if he could win against Ye Chen.

"First I will paralyze you" Su Denzi said to Ye Chen, he told him that he wanted to paralyze Ye Chen.

"Azure Domain" Ye Chen's opened the Azure Domain, he opened and an ancient aura suppressed the body of Su Denzi.

"uh . . ." Su Denzi couldn't move, he had trouble with this strong pressure.

"Ancient Fuse Domain Art" Ye Chen's used a new technique, he wanted to use it and open up some Domains.

Ye Chen now only had Two Domains that he could use, one was the Azure Domain and also the Hios Vortex Domain

Ye Chen decided to merge the two domains, roughly what will happen next.

The two domains merge into one and create an extraordinary effect of pressure and destructiveness.

"Slash . . ." The strong wind swirled and began to destroy the clothes worn by Su Denzi.

"damn" Hios Vortex Domain kept Su Denzi in trouble, he was trapped and couldn't get out.

"Let's end him" Ye Chen said to Chu Yuechan, it's time to solve Su Denzi.
