Chapter 2651 Ye Chen Taught Xuan Mei Sword Techniques

"Why should I do it, I'm busy here" Ye Chen told him that he was busy right now and couldn't do it.

παΠdasNovel.com "I won't let you go before showing it to me" Xuan Mei said that if she would not let Ye Chen go, she needed Ye Chen to show what could be done.

Xuan Mei looked serious, she would not let Ye Chen go easily.

Ye Chen tried to retreat, he kept a distance from Xuan Mei.

Xuan Mei didn't let Ye Chen escape, she blocked Ye Chen's road, Ye Chen would not be able to escape.

"Want to escape, to be honest you won't be able to do that" Xuan Mei said to Ye Chen, she told Ye Chen that she would not let Ye Chen go.

She was going to force Ye Chen to do it, it seemed that Xuan Mei was a woman who liked to do things without thinking.

Ye Chen wouldn't be able to run, he could only do what Xuan Mei wanted.

"Well, I'll show it to you" Ye Chen told her that he would show it.

Ye Chen did this thing because he was forced, he was forced by Xuan Mei to do it, this is really an irony.

"I'm happy to listen that" Xuan Mei happy to listen Ye Chen word, she will see what Ye Chen can do.

"Let's go find a place that is not very conspicuous" Ye Chen asked Xuan Mei to find an inconspicuous place.

"Come with me " Xuan Mei took Ye Chen, she took Ye Chen to go to a quiet place.

Xuan Mei wanted to see for the strength and ability possessed by Ye Chen.

They came to a deserted mountain, this was a place a little far away from the Sect, a place filled with magical beasts and dangers.

"we are here, no one will see if here" Xuan Mei blessed Ye Chen.

Xuan Mei found a quiet place, so no one would disturb them.

"very good place" Ye Chen said to Xuan Mei, he told Xuan Mei that this is a good place.

"let's show me" Xuan Mei said to Ye Chen, she told Ye Che to show it.

"I'll do it, so take a good look" Ye Chen said to Xuan Mei.

Xuan Mei understood, she would take a good look at what Ye Chen was going to do.

Xuan Mei wanted to see what Ye Chen could do, which is why she took a good look.

Ye Chen exposed the movements of the celestial sword motion art from beginning to end.

"That move, it's so perfect" Xuan Mei looked at Ye Chen's movements, she could be sure that Ye Chen made a perfect and beautiful move.

"how did he do it" Xuan Mei didn't know Ye Chen's way of doing it, it was really very incredible for her to master the celestial sword motion art.

When Ye Chen had already reached the middle, Xuan Mei saw an incredible movement, she saw Ye Chen move with a movement that Xuan Mei didn't know.

"Wait a minute, what is it, is it a move I don't know, how far has he progressed?" Xuan Mei looked surprised when she saw Ye Chen, to be honest, what was in front of her was something that surprised once for and probably the first time for Xuan Mei.

Xuan Mei became excited when she saw Ye Chen using celestial sword motion art, she had never been excited like this when seeing others using celestial sword motion art.

Some time later, Ye Chen finally finished presenting, he showed all the results of the exercises that had been done to become what they are today.

"how did you do it?" Xuan Mei asked Ye Chen.

"With practice" Ye Chen told Xuan Mei that she did this using practice. I think you should take a look at pandasnovel.com

"Practice alone will not be enough" Xuan Mei said to Ye Chen, she told Ye Chen that practice alone would not be enough, she was sure that Ye Chen was hiding something.

"Why, haven't you mastered to that level" Ye Chen asked Xuan Mei.

"That's . . ." Xuan Mei was silent and looked confused in answering the questions held by Ye Chen, she was speechless when listening to what Ye Chen said.

Xuan Mei seemed unwilling to admit it, she didn't want to admit that she couldn't do it.

Ye Chen smiled, as Ye Chen guessed, Xuan Mei still hadn't reached the same level as Ye Chen, she must still be halfway through and still confused by the rest that was not even in the book.

"do you want me to teach" Ye Chen asked Xuan Mei, he asked if Xuan Mei was willing to be taught by Ye Chen.

"please teach me" Xuan Mei said to Ye Chen, she wanted Ye Chen to teach herself.

Xuan Mei may have to throw away her status as a faction chief, she should focus more on improving her strength and training celestial sword motion art to a higher level,

Ye Chen had it, so Xuan Mei could only ask Ye Chen to teach herself to use celestial sword motion art to the highest level.

"Then we practice here, I first want to ask you, have you mastered the sword Dao?" Ye Chen asked Xuan Mei.

Ye Chen wanted to know if Xuan Mei could use Dao Sword.

"of course I can, I am a sword master who has practiced long enough" Xuan Mei said.

Xuan Mei of course can, otherwise she wouldn't be the leader of the sword Faction.

Xuan Mei spent enough time herself to be able to master the Dao sword, she spent 1/2 of her existing life mastering it.

"Let's show me, I want to see it" Ye Chen said to Xuan Mei.

"Of course" Xuan Mei said that she would show what she could do.

Xuan Mei entered into the sword Dao mode, she began to show strong sword intent.

"Slash" Xuan Mei did a slash, she did a slash and split the sky above.

Xuan Mei's sword is a high-level sword, she can split the sky with it.

Ye Chen looked at the abilities possessed by Xuan Mei, he could tell that Xuan Mei had the ability.

"how about it, isn't it great ?" Xuan Mei said to Ye Chen, she told Ye Chen that she was great.

"Very good, now use this" Ye Chen said to Xuan Mei, Ye Chen handed Xuan Mei a wooden branch and told her to use it.

"? ? ? ?" Xuan Mei said to Ye Chen, she looked confused about what Ye Chen wanted.

"What do you want to do with this thing" Xuan Mei said to Ye Chen, she wanted to know what Ye Chen was trying to do using a wooden branch.

"Do what you did before" Ye Chen said to Xuan Mei, he told Xuan Mei to do what she had done before.

"what? ? ?" Xuan Mei said to Ye Chen, she was naturally surprised when she listened to this.

"why?" Ye Chen asked Xuan Mei.

"It's impossible, I can't do this thing, if it cuts down trees or hard objects I might be able to, but if it does the previous thing, it's impossible" Xuan Mei said to Ye Chen.

"Give it to me, let me set an example for you" Ye Chen said to Xuan Mei.

Xuan Mei gave a tree branch to Ye Chen, she wanted to know what Ye Chen could do by using the tree branch.

Chapter 2652 It's So Troublesome, I'd Rather Be With A Beautiful Woman Like You

Ye Chen began to show Xuan Mei how to use it, he showed Xuan Mei his own abilities.

"Slash . . ." Ye Chen showed his ability, he did the same as Xuan Mei did, and it only used a fragile branch

"Ehh . . . ! ! !" Xuan Mei was speechless when she saw what happened, she was speechless again when she saw what happened just now.

"What happened just now?" Xuan Mei didn't believe what happened just now, she didn't believe what Ye Chen had just done.

"How do you do that?" Xuan Mei asked Ye Chen, she wanted to know Ye Chen's way of doing it.

Just like you, I can already use Dao Sword.

"Huh? ?" Xuan Mei's eyes widened when she listened to what Ye Chen said, she was speechless and became slow to react, all the words possessed by Xuan Mei were stuck in the throat.

Xuan Mei was obviously aware that Ye Chen's mastery of Dao Sword was so high, it was completely different compared to hers now.

This is a stark difference once, to be honest, Xuan Mei is embarrassed to admit this matter.

"What's the matter, why is your reaction weird?" Ye Chen asked Xuan Mei, he wanted to know why Xuan Mei reacted like that.

"Are you serious, you're not joking with me, are you?" Xuan Mei asked Ye Chen.

"I'm serious," Ye Chen told her that he was serious.

παΠdasNovel com "How old are you?" Xuan Mei asked Ye Chen, she wanted to know Ye Chen's age today.

"Almost 24 years old" Ye Chen said to Xuan Mei.

Xuan Mei fell when listening to this, she was no longer speechless when listening to what Ye Chen said.

24 years old, that's crazy, no one would believe what Ye Chen said, even Xuan Mei took a long time to get to the stage now.

Xuan Mei felt that if all the efforts she made were in vain, she really wasted time just to be able to master the early stage of Dao Sword, it was nothing compared to Ye Chen.

The sword intent possessed by Ye Chen was really so powerful, Xuan Mei could easily feel it.

"are you okay ?" Ye Chen approached Xuan Mei, he asked if Xuan Mei was okay.

"You give me a headache" Xuan Mei said to Ye Chen, she told Ye Chen that she gave her a headache.

Xuan Mei really had a headache, she was speechless by what happened just now, what happened just now could not be said using words.

Ye Chen just smiled when listening to what Xuan Mei said.

"You are really crazy, where did you come from" Xuan Mei said to Ye Chen.

Xuan Mei was speechless, where did Ye Chen come from, such a talent was definitely something Xuan Mei couldn't imagine.

"I only come from a small place" Ye Chen told me that he came from a small place.

"Uh, such a small place, it's so surprising" Xuan Mei said to Ye Chen.

Ye Chen didn't lie, the God Realm was indeed small compared to this place, this place itself was much bigger compared to the Supreme God Realm.

"Let's continue our learning" Ye Chen said to Xuan Mei, he told Xuan Mei to study again.

"I was thinking that if I could teach you, who would have thought that you would teach me" Xuan Mei said to Ye Chen.

Xuan Mei thought that she could teach Ye Chen, but now she is the one taught by Ye Chen.

"You have helped me enough already, it is my turn to help you" Ye Chen said to Xuan Mei.

Ye Chen helped Xuan Mei, he taught Xuan Mei well and made Xuan Mei more and more familiar with her own technique.

"You are quite smart in teaching people, why don't you just be an elder" Xuan Mei said to Ye Chen. I think you should take a look at padasnovel.com

"That's so troublesome" Ye Chen said to Xuan Mei, he felt that it was so troublesome.

"So you don't like troublesome things" Xuan Mei finally understood, it seemed that Ye Chen didn't like troublesome things.

"That's absolutely true, I would rather be with a beautiful woman like you" Ye Chen said to Xuan Mei.

"what? ? ?" Xuan Mei stammered and was not prepared for what Ye Chen said, she was not prepared when listening to what Ye Chen said.

what Ye Chen said was surprising, it was not strange that Xuan Mei was surprised when listening to this matter.

No one praises Xuan Mei like this, it is rare for anyone to dare to praise Xuan Mei like this.

On the other hand, Jia Li was flooded with compliments, and sometimes it made Xuan Mei feel uncomfortable.

"You are serious about what you say?" Xuan Mei asked Ye Chen.

"Of course" Ye Chen said that he was serious.

Xuan Mei is indeed beautiful, if she is willing to wear a beautiful dress she will look very beautiful.

Xuan Mei was so happy, this made her heart happy and happy.

A thing that made Xuan Mei feel good, she was very happy to listen to what Ye Chen said and she was comfortable with Ye Chen's praise.

"I'm so happy, it's my first time" Xuan Mei said to Ye Chen, she said these things in a low voice.

Ye Chen couldn't listen to what Xuan Mei said, Xuan Mei's voice was too low, Ye Chen couldn't listen to it.

"what did you just say?" Ye Chen asked Xuan Mei.

"It's nothing, let's continue practicing" Xuan Mei said to Ye Chen, she told Ye Chen to continue practicing.

"okay" Ye Chen understood, they began to continue their practice together.

Ye Chen trained Xuan Mei hard, while Xuan Mei herself was able to do so because she was a hard worker.

Xuan Mei took Ye Chen to fight, in Xuan Mei's strength held back and began to fight evenly with Ye Chen.

"Your strength improved rapidly, in just a few months you got to the early level of the Immortal Refine Soul Realm it was shocking" Xuan Mei said that it was shocking once.

"I practiced hard, and there were some people who helped me" Ye Chen said to Xuan Mei, she told her that she could be like this because of everyone's help.

"Who did help you ?" Xuan Mei asked Ye Chen.

She was curious who helped Ye Chen, there must be someone who helped Ye Chen to what she is today.

"there are Jia Li, Shi Lin, Wu Ziyi, and Chu Peng helping me" Ye Chen said to Xuan Mei.

"that woman helped you ?" Xuan Mei asked Ye Chen, she didn't expect that Jia Li would help Ye Chen.

"That's right, she helped me a lot" Ye Chen told me that Jia Li helped quite a lot.

Ye Chen got enough benefits from Jia Li, he was able to get to this point because Jia Li gave her body to Ye Chen.

Xuan Mei's expression was a little unscrupulous to look at, it seemed that she was not very happy when she saw Jia Li helping Ye Chen.

"That woman, she must be targeting her, she is one step ahead compared to me" Xuan Mei really didn't accept.

Jia Li was always one step ahead of her, it made Xuan Mei upset.

The female fox was cunning, she knew Ye Chen's talent and immediately tried to get it.

Chapter 2653 Talk To Zhang Ein Inside The Fairy Gate Bath (1)

Xuan Mei will not lose, she will not lose to Jia Li and will prove that she is better.

Maybe Xuan Mei should give something to repay Ye Chen, she will think about this for a while.

"Let's continue the practice" Ye Chen said to Xuan Mei, he took Xuan Mei to continue her practice.

"I understand" Xuan Mei understood, the two continued to practice hard.

Ye Chen helped Xuan Mei and refined the Dao Sword and also the sword technique she possessed.

Using the help and understanding possessed by Ye Chen, Xuan Mei could finally use the Dao Sword even better.

"It's so easy, why do I feel so easy when taught by him" Xuan Mei felt that she could understand more easily when taught by Ye Chen.

She found it easier to understand everything when studying with Ye Chen.

Xuan Mei made a rapid progress, she advanced rapidly and fully.

A tremendous progress, she was able to do very well.

The practice continued until the afternoon, they practiced together and Ye Chen also trained himself well.

Ye Chen grew up when practicing with Xuan Mei, he felt that Xuan Mei could bring benefits.

"Little brother Ye Chen, do you have time tomorrow" Xuan Mei asked Ye Chen, she wanted to take Ye Chen over.

"I have time, what's the matter ?" Ye Chen is free, he feels free tomorrow.

παΠdasNovel.com "Then come with me" Xuan Mei said to Ye Chen, she told Ye Chen to come with her.

"Okay" Ye Chen nodded in agreement.

"Then see you tomorrow, I'll be back" Xuan Mei said to Ye Chen, she said that she would go back.

Xuan Mei came back first, after which Ye Chen also decided to go back.

"So tired, I want to take a bath" Ye Chen felt that he wanted to take a bath.

Ye Chen came back, he opened the door of the house that belonged to him.

When Ye Chen did just that, he found Zhang Ein was in a house that belonged to him.

"Ein, it's been a long time" Ye Chen said to Zhang Ein, it's been a long time since Ye Chen saw Zhang Ein.

Ye Chen hadn't seen Zhang Ein for about 1 week, this woman disappeared and returned in Ye Chen's sight.

"I just came back and brought some delicious food for you, do you want to" Zhang Ein asked Ye Chen.

"A souvenir?, of course I want" Ye Chen said that if he wanted to, it was impossible for Ye Chen to refuse the kindness of Zhang Ein who had taken good care of him.

"Come with me" Zhang Ein prepared for Ye Chen, she asked Ye Chen to come to the dining room.

Ye Chen followed Zhang Ein, he saw some luxurious food taken out by Zhang Ein.

"Isn't this quite expensive" Ye Chen said to Zhang Ein, he felt that this was expensive.

"No, it's not expensive, you can rest assured" Zhang Ein said to Ye Chen.

For Zhang Ein, this is not expensive, she can still buy it with the money she has.

"Is that so?" Ye Chen asked Zhang Ein.

"Young Master, the food here is not very valuable, so the price will not be too high" Zhang Ein said to Ye Chen.

In the Supreme God Realm, there are not many people who spend money on meals if they don't entertain important guests, cultivation resources are more important than food, because they can still live by relying only on dry rations that are cheap and easy to obtain.

"It seems that this is indeed the case" Ye Chen probably agreed, he felt that the food here was very cheap compared to resources such as pills, weapons, herbs and techniques. I think you should take a look at pa11dasnovel.com

For everyone who exists, cultivation is more beneficial and more prominent.

"I'm glad you can enjoy this, where people have started to get no interest in this and focus on training and training until there is nothing that matters where they are except strength," Zhang Ein said.

Ye Chen stopped eating when listening to what Zhang Ein said.

Zhang Ein is absolutely right, everyone pursues strength, they even ignore all the important things they have.

Even Ye Chen might be too, he became hungry for strength and pushed himself too much.

"Young master, you have become stronger, you are doing well and quickly, I just advise not to change even if you pursue greater power" Zhang Ein said to Ye Chen.

"I'll try it, I won't change and become myself, I still need to learn a lot and make good use of time" Ye Chen said.

Ye Chen will stay like this, he doesn't want to be controlled by force and ignores everything around and what he has now.

Ye Chen took Zhang Ein to eat together, it would be boring if Ye Chen ate alone.

Zhang Ein obeyed, she had a meal together with Ye Chen.

It would be nice if Jia Li, Shi Lin and Wu Ziyi could join them.

It's a pity that they were training and Jia Li took the two away to a training ground a little far away.

They may leave in the future, so Ye Chen was alone in this place, and there were only a few customers who came and asked Ye Chen for help.

"The food is all delicious, I enjoyed it" Ye Chen said to Zhang Ein.

Zhang Ein sorted out the dishes and table, she did the thing quickly.

The table was clean again and all the dirty dishes had been swept and cleaned.

"I'm going to take a bath" Ye Chen said that if he was going to take a bath, he would take a bath inside the fairy gate.

"I understand" Zhang Ein understood, she nodded a few times to Ye Chen.

Ye Chen walked into the fairy gate, he used the bathhouse inside the fairy gate.

"It's been a long time" Ye Chen felt that if he hadn't used the baths inside the fairy gate for a long time, this felt very comfortable.

"young master" Zhang Ein walked in, she walked in and went inside.

Zhang Ein used a towel, she walked in and joined Ye Chen.

The body of Zhang Ein is very slender and small, it gives Ye Chen its own impression, a temptation for Ye Chen.

"you go in" Ye Chen said to Zhang Ein, he didn't expect that Zhang Ein would go inside.

"Of course, I want to help you" Zhang Ein told him that she wanted to help Ye Chen.

"huh" Ye Chen asked Zhang Ein.

"I heard from sister Shen Niang that in the world you servants do this for their masters," Zhang Ein said to Ye Chen.

"what?" Ye Chen said to Zhang Ein.

"how is it possible" Ye Chen said to Zhang Ein.

"Look at this carefully" Zhang Ein took out a book, she took it out and showed it to Ye Chen.

Ye Chen saw that this was a book, it seemed that Shen Niang gave it to Zhang Ein as a gift.

Ye Chen once heard from Chu Yuechan that Shen Niang was very interested in what was on earth, she even spent a lot of time researching all things on earth.

Chapter 2654 Talk To Zhang Ein Inside The Fairy Gate Bath (2)

"How could she give something like that" Ye Chen didn't expect that Shen Niang would give such a gift to Zhang Ein.

"Is this not true?" Zhang Ein asked Ye Chen, she wanted to know from Ye Chen.

"It does exist, but not everyone can do that, only lucky people can do it" Ye Chen said to Zhang Ein.

"Then I can do it, right, you can be a lucky person" Zhang Ein said to Ye Chen.

Zhang Ein wanted to try it, that's why she wanted to do it and help Ye Chen rub Ye Chen's body.

Ye Chen was speechless when he listened to what Zhang Ein said.

Zhang Ein was serious about what she said, she now wanted to make Ye Chen comfortable.

As Ye Chen's maid, Zhang Ein wanted to give Ye Chen an impression that Ye Chen would not forget, she wanted to make Ye Chen remember about her.

"understand, please guide me" Ye Chen said to Zhang Ein.

Zhang Ein was naturally happy when she listened to this, she started to the back and began to help Ye Chen to take a bath.

Zhang Ein took a foam and began to help Ye Chen.

Ye Chen's body was cleaned up by Zhang Ein, Zhang Ein did it so well and gently, it made Ye Chen feel at ease

"Young master, I heard that you had a feud with a woman from the upper class and had a terrible talent" Zhang Ein said to Ye Chen.

"So you're about it" Ye Chen didn't expect that Zhang Ein would know.

"Of course I know, I have a pretty good network" Zhang Ein said to Ye Chen.

"what do you think" Ye Chen asked Zhang Ein.

He wanted to know Zhang Ein's opinion on another 3-year battle with Yin Zeniyu.

"I think it's a bit reckless, Yin Zeniyu is a direct disciple of one of the lords of the four palaces, it is a position below that of the supreme leader and has countless benefits" Zhang Ein said to Ye Chen.

Zhang Ein told the information about Yin Zeniyu.

"that woman?" Ye Chen asked Yin Zeniyu.

"Of course, she has such a good talent, it's not strange that one of the palace lords would take her and make her a direct disciple" Zhang Ein said to Ye Chen.

"It's not strange that she is so arrogant, it turns out to be the reason" Ye Chen now understands why Yin Zeniyu is arrogant.

The person behind the scenes who provided support was very strong, with that alone she could of course do all the things she wanted without anyone daring to resist.

"she is one example of some people who want to be the newest candidate for power," Zhang Ein said.

Yin Zeniyu has a thing to become the new lord of one of the palaces, it is a high position and is adored by many people.

One sentence is enough to destroy a small Realm and all living things in it, a position that everyone in this world wants.

"It would be a problem if such a woman became the ruler, a woman with such a nature was not worthy of such an important position" Ye Chen said.

"Everyone there has similar traits to Yin Zeniyu, it is a prestigious place, only those with outstanding talents are worthy to enter there and become a leader" Zhang Ein said.

The Four-sided Immortal Palace had a reputation among the great powers, so it wasn't strange that those who joined forces dared to be arrogant and step on others.

Ye Chen understood a little bit from Zhang Ein's explanation, it was not a good place and was only filled with people like Yin Zeniyu.

"Ein, aren't you interested in joining" Ye Chen asked Zhang Ein.

With Zhang Ein's strength, she should be able to easily join one of the forces that are at the peak.

"Not interested, I'm not interested in what they do, they just pursue power, I don't really like it" Zhang Ein said.

Zhang Ein is not very interested in power, she prefers to live with a clear purpose in life by helping others.

"It was a pretty good decision, I myself would probably do the same if I were you" Ye Chen said to Zhang Ein.

If Ye Chen had a peaceful life, he would definitely live it well, he liked the quiet life and spent time with everyone he loved.

Zhang Ein paused for a while while she listened to what Ye Chen said.

"So you think that way," Zhang Ein said to Ye Chen.

"Of course" Ye Chen said that he really wanted to be like that.

"It seems that I didn't make the wrong decision, thank you very much" Zhang Ein said to Ye Chen, she told Ye Chen that she did not make a wrong decision from the beginning.

It was the best decision she ever made in this life, and Zhang Ein doesn't regret it.

Zhang Ein came back to help Ye Chen, she came back to help Ye Chen and began to wash and treat as well as possible.

"Young Master, I think you are also special, you have a special and perfect special body" Zhang Ein said that Ye Chen is also special, she can feel that Ye Chen is special because he has an extraordinarily good special body.

"That's also a problem for me," Ye Chen told her that he was having trouble with this.

"Yes, it's probably true, at least it will help you, just for example if I tell the world about this, they are likely to deteriorate you" Zhang Ein said to Ye Chen.

Zhang Ein believes that there will be many people who start to come when they know the secrets possessed by Ye Chen.

"Don't do it, it will be a big trouble for me" Ye Chen said to Zhang Ein, it would be a pretty serious problem for Ye Chen.

"Even though there will be a beautiful goddess-class woman coming, it is possible that one of the 10 beauties in the Supreme God Realm will come to you" Zhang Ein said to Ye Chen.

"is there such a thing too" Ye Chen said to Zhang Ein.

"Of course there is, in every era there is also such a thing" Zhang Ein said to Ye Chen.

"Did you get in one of them" Ye Chen asked Zhang Ein.

He wanted to know if Zhang Ein got into one of them.

"No" Zhang Ein said to Ye Chen, she told him that she was not included.

"how come" Ye Chen deeded to Zhang Ein, how could Zhang Ein not enter.

"Even though you are beautiful" Ye Chen told Zhang Ein, he told that Zhang Ein was beautiful.

"Thank you for the compliment" Zhang Ein seemed pleased with the compliment given by Ye Chen.

"I may be beautiful, but in terms of charm, I am not very good, one of the criteria of beauty is three, first is the charm, strength and also beauty, and I am the least good in terms of charm" Zhang Ein said.

Zhang Ein told her that she is not very good at charm, which is why she would not be on such a list of 10 beauties.

"Hmmm . . ." Ye Chen looked towards Zhang Ein, he saw that Zhang Ein might not show her charm, she always wore maid clothes so that maybe others regarded her as a waiter and didn't pay much attention to her.

If only she was willing to shine, then she would definitely be a beautiful woman.

"why don't you tell me who they are, I'm a little interested, is it possible for Shen Niang to come in" Ye Chen asked Zhang Ein.

Chapter 2655 The Goddess Of Beauty In The Supreme God Realm

"If you are really interested, I can tell you a little bit" Zhang Ein told Ye Chen, she told Ye Chen.

Ye Chen nodded, he wanted to listen directly from Zhang Ein, he was interested in this matter.

Zhang Ein explained to Ye Chen.

"The first rank now is Shen Xinyue, she is the first in terms of charm and beauty" she is recognized by the world for her beauty, it is said that she is comparable to Shen Niang" Zhang Ein said.

"She has the same surname as Shen Niang, could it be that she has a relationship with Shen Niang?" Ye Chen asked Zhang Ein.

"Don't know, she appeared several hundred thousand years ago, she appeared and shook the world with her strength and beauty, many powerful people tried to target her, I myself did not meet her and can only give a little idea about her" Zhang Ein said.

Zhang Ein has never met that person, she has never met Shen Xinyue.

she only knew that women were beautiful and not easy to approach.

"Does she have any relationship with a force like the Four-sided Immortal Palace" Ye Chen asked Zhang Ein.

"Nothing" Zhang Ein told Ye Chen, Shen Xinyue has no attachment to the powers in this world and she is her own individual who has her own strength.

"It's quite surprising to see that she can survive like that" Ye Chen said to Zhang Ein.

"she is liked by some powerful people, if they do a bad thing, it might become a war," Zhang Ein said.

"As the old saying goes, right, beauty can trigger wars between nations," Ye Chen said to Zhang Ein.

"It can happen," Zhang Ein said that it could happen.

"Second is Ling Shu, a woman full of extremely powerful charm."

"It is said that just one blink of an eye can make a cultivator at the top of the world kneel under her feet, she can get all the things she wants, a woman who is dangerous to approach because she can make men into slaves" Zhang Ein said.

"It seems that the second one is a bit more awesome than the first," Ye Chen said.

"Maybe, but she is too strong, it is not easy for men to master her, maybe you will fall if you try to get close to her" Zhang Ein said.

"I will remember this well," Ye Chen said.

Ye Chen will remember what Zhang Ein said.

"Third there is Chen Xing, she is the oldest and probably has the same era as Shen Ning, one of the women with the most beautiful voice and is looking forward to by everyone" Zhang Ein said.

"I think she is friends with Shen Niang," Zhang Ein said to Ye Chen.

"old friend" Ye Chen asked Zhang Ein.

"Um" Zhang Ein nodded, she told her that they had a relationship.

Ye Chen nodded, he remembered this.

Zhang Ein told the rest, she told the rest of the beauties who had the title of the most beautiful goddess.

"The tenth rank has just been changed, I heard that there is a beautiful woman who has just appeared, her age will probably not be far from you and she is so young" Zhang Ein said to Ye Chen.

"Who is it, it looks interesting" Ye Chen likes this news, it is possible that they will meet.

"her name is Yu Muyin," Zhang Ein said.

"But I heard that she disappeared for several months and is in pursuit," Zhang Ein said.

"why?, is there anything that makes her in pursuit" Ye Chen asked Zhang Ein.

"I think there were people who were after her, they might be after her and wanted to get her, that's why she went and tried to escape from the Sect, I don't think anyone could protect her, that's why she decided to run and be in pursuit" Zhang Ein said.

"It seems that it is so troublesome for her" Ye Chen said to Zhang Ein.

"That's absolutely true, I haven't seen it either, I can't give you details" Zhang Ein said to Ye Chen.

"It doesn't matter, this information is enough for me, I will remember this, and maybe in the future it will be very useful for me" Ye Chen said to Zhang Ein.

After that Ye Chen and Zhang Ein came out of the bathroom, Zhang Ein took a new suit of clothes for Ye Chen, it seemed that she made it herself to be suitable for Ye Chen to use.

Zhang Ein can indeed do all things, she is able to make things that are necessities.

"I made it myself, I hope it suits you" Zhang Ein said to Ye Chen.

"This is good" Ye Chen said to Zhang Ein, he liked this robe and it matched Ye Chen very well.

"I have measured carefully and full of calculations, it will definitely be convenient for you" Zhang Ein said to Ye Chen, she was sure that Ye Chen would be comfortable in that shirt.

"Thank you, for bothering you" Ye Chen said to Zhang Ein.

"no problem, I'm happy to do it" Zhang Ein said to Ye Chen.

"It seems that she is too good to you" Chu Yuechan said to Ye Chen, she told him that Zhang Ein was very good.

"Hem?" Ye Chen asked Chu Yuechan, he wanted to know the meaning of Chu Yuechan's words.

"she gave you a shirt made using the leather parts of the Great Salamander, it must be worth a fortune and can protect you well" Chu Yuechan said to Ye Chen.

"So this is a good thing, it's not strange that it's so comfortable when I wear it" Ye Chen felt very comfortable, he felt very comfortable with this thing

"It can easily protect you" Chu Yuechan said to Ye Chen, she told Ye Chen that it could easily protect Ye Chen from enemy attacks.

It was like an armor that could save Ye Chen from enemy attack or from danger.

"I am very grateful for the gift given" Zhang Ein is really too good.

Ye Chen seemed to understand where Zhang Ein was going, it seemed that she bothered to make this for Ye Chen.

She spent 1 week to make this thing for Ye Chen, all this was to protect Ye Chen.

And Ye Chen was grateful for What Zhang Ein gave.

Ye Chen spent time inside the fairy gate for practice and practice, he did his best.

Zhang Ein looked towards Ye Chen, there was nothing to do but watch Ye Chen practice.

She would occasionally help Ye Chen find faults in practice, she also prepared all the things needed by Ye Chen.

"The next day comes" Ye Chen walked out of the fairy gate, he had an appointment with Xuan Mei.

"Hmmm, why does she want to meet me in the city" Ye Chen wanted to know why Xuan Mei wanted to meet him in the city, about what Xuan Mei was going to do.

Ye Chen waited for 30 minutes, it seemed that Xuan Mei was very late and hadn't arrived yet.

Fortunately, Ye Chen patiently waited, he patiently waited for Xuan Mei's arrival.

Chapter 2656 Xuan Mei Looked Different From Usual

Ye Chen encountered a little trouble when he was outside, too many girls greeted Ye Chen and asked Ye Chen to go on a date.

Ye Chen was just happy about this, he greeted and treated them well, he refused everyone's invitation.

They may be disappointed, but they don't want to give up and try anyway.

Ye Chen had a headache when he saw this, all the women here were too bold and unyielding.

"have you been waiting for me for a long time ?" Ye Chen finally saw her, he saw Xuan Mei who finally came.

Xuan Mei came to Ye Chen, she came over and greeted Ye Chen.

"No, I just arrived" Ye Chen said to Xuan Mei, he had just arrived at this place.

"I'm sorry to keep you waiting" Xuan Mei apologized, she apologized to Ye Chen for making Ye Chen wait.

"no problem" Ye Chen said to Xuan Mei, she didn't mind this.

Ye Chen looked at Xuan Mei, he could see that Xuan Mei was wearing different clothes and styles compared to before.

Xuan Mei wore a pretty good dress, her hair tied in a ponytail came off, now it is loose and looks very beautiful.

"You changed the appearance you had" Ye Chen said to Xuan Mei.

Ye Chen could easily see that Xuan Mei changed her appearance.

"I think change the appearance for today" Xuan Mei said to Ye Chen, she told Ye Chen that she changed her appearance.

"what do you think ?" Xuan Mei asked Ye Chen, she wanted to know the opinions that Ye Chen had these days.

"so beautiful" Ye Chen said to Xuan Mei.

He told that Xuan Mei looks beautiful, she looks beautiful and charming.

Xuan Mei was very happy when she listened to what Ye Chen said.

She was so happy with the compliment given by Ye Chen, it felt like flowers were blooming in her heart.

"So where are we going ?" Ye Chen asked Xuan Mei.

Ye Chen wanted to know their destination, roughly where they were going.

"we'll go to buy something" Xuan Mei said to Ye Chen, she told Ye Chen that they were going to buy something.

"Come with me" Xuan Mei said to Ye Chen, she told Ye Chen to come along with her.

Ye Chen followed, he precisely dragged by Xuan Mei towards a fairly large place in the city.

Xuan Mei took Ye Chen to go to a large store selling all kinds of things, ranging from medicinal equipment, cores and others.

"This is such a big store, what do you want to buy ?" Ye Chen asked Xuan Mei, he wanted to know what Xuan Mei wanted to buy.

"I want to buy you something" Xuan Mei said to Ye Chen.

"why ?" Ye Chen asked Xuan Mei.

"That's to repay for teaching me" Xuan Mei said to Ye Chen, she wanted to repay Ye Chen who had taught her.

Xuan Mei got a great benefit when studying with Ye Chen, it was a great benefit and made Xuan Mei feel happy.

Xuan Mei felt happy when she was with Ye Chen, which was why she wanted to repay Ye Chen in her own way.

Since Jia Li helped Ye Chen a lot, then Xuan Mei can also do it, she can to help Ye Chen to.

"I don't think it's necessary" Ye Chen said to Xuan Mei.

"Don't be so, I owe you enough" Xuan Mei said to Ye Chen, she told her that she owed Ye Chen a lot.

Ye Chen tried to resist it, it was a pity that Xuan Mei forced and made Ye Chen unable to retreat.

They finally walked into the store and started to look around.

"Miss Xuan Mei, what do you need in my shop" a man came over, he asked Xuan Mei.

"I want to see the good things you have" Xuan Mei said to the proprietress. I think you should take a look at

The person who greeted them was the direct owner, she did this thing because Xuan Mei was special.

With Xuan Mei's status, she is indeed worthy of this kind of treatment from the shopkeeper.

"please come with me" the proprietress said to Ye Chen, she told Ye Chen to come with her.

Ye Chen left directly, he followed the shopkeeper and Xuan Mei.

"This is the best shop there is" Xuan Mei said to Ye Chen, she told Ye Chen that this place is the best, no one can beat this place because this place is the best.

"So this is the best place" Ye Chen understood, maybe he could find something interesting.

"Yuechan" Ye Chen said to Chu Yuechan, he asked Chu Yuechan to help.

"I see" Chu Yuechan understood, she was going to help Ye Chen to look around.

The shop owner showed everything he had, he showed Xuan Mei the best he had.

He hoped that Xuan Mei would be interested and would buy them all.

"is there anything you are interested in" Xuan Mei asked Ye Chen, she wanted to know if there was anything Ye Chen was interested in.

"Wait a minute" Ye Chen said to Xuan Mei, he was searching with Chu Yuechan.

"Master, you saw that piece of metal," Chu Yuechan said to Ye Chen.

"I saw it" Ye Chen told Chu Yuechan, he saw what Chu Yuechan was showing.

Ye Chen felt that there was a force enveloping the object, the piece of metal was hiding something.

"There is something behind that piece of metal," Ye Chen said to Chu Yuechan.

"It might be a technique or an important piece of writing," Chu Yuechan said to Ye Chen.

"Could it be a map" Ye Chen felt excited when listening to this.

"That's for sure, let's make sure" Chu Yuechan said to Ye Chen.

Ye Chen just left directly, he approached and saw it more clearly.

He confirmed it himself, he used the ability to see what was hidden.

"A map" Ye Chen said that there is a map and a word of wisdom behind the iron plate.

Ye Chen wanted to break the barrier with dimensional power, but it would be conspicuous, so he wouldn't.

Xuan Mei saw Ye Chen, she saw Ye Chen go to a place.

Xuan Mei wanted to know what Ye Chen was interested in, she approached and saw Ye Chen looking at some objects.

"what are you looking at ?" Xuan Mei asked Ye Chen, she wanted to know what Ye Chen wanted.

"I'm a little interested in this item" Ye Chen said to Xuan Mei.

"It's just a piece of metal, do you want to make a weapon with it" Xuan Mei felt that Ye Chen wanted to make a weapon using it.

"Of course, I want this" Ye Chen said to Xuan Mei.

"Huh?" Xuan Mei was taken aback as she listened to Ye Chen choosing an low-grade item.

"There are so many good things in this place, why did you choose something like this" Xuan Mei said to Ye Chen.

"I just like it" Ye Chen said to Xuan Mei.

Xuan Mei didn't understand, she didn't understand the way of thought possessed by Ye Chen.

"Owner, how much is it ?" Xuan Mei asked.

"It's a cheap item, you can get it at the price of a Divine Rainbow Crystal" the shop owner said to Xuan Mei.

It's just an ordinary iron that's rusted a bit, it's been in this place for so long, almost no one has ever glanced at that thing, that's why the owner gave the price of 1 Divine Rainbow Crystal.

Chapter 2657 Superior Earth Realm

"You are sure of this thing" Xuan Mei asked Ye Chen, she asked if Ye Chen was sure of this.

"Of course" Ye Chen said to Xuan Mei.

Ye Chen would not hesitate, this is a good thing, he must know what this is.

"Huft . . . Xuan Mei sighed, she didn't understand Ye Chen's thoughts.

It's too complicated and unreasonable, when there are many good things around, why did he choose something like that.

It was really unreasonable for Xuan Mei, she still had a headache when she saw what Ye Chen did.

"I'll wrap it up for you" the shop owner said to Xuan Mei, he was going to wrap it up for Ye Chen.

"You are" Xuan Mei said to Ye Chen, among everyone, Ye Chen was probably the first to do this item.

although Xuan Mei wanted to buy a good item, Ye Chen was instead something ordinary and the price was very cheap.

Ye Chen couldn't help but smile as he listened to this, it seemed that no one was sober, no one was aware of what Ye Chen and Chu Yuechan saw.

Xuan Mei looked around, she wanted to buy a good thing, they went around for a while, after being satisfied enough, they went out.

Ye Chen held the iron plate, he just looked directly at the contents inside.

Xuan Mei was curious about what Ye Chen did, what Ye Chen did made Xuan Mei curious.

"What do you want with that thing?" Xuan Mei asked Ye Chen.

"I'm currently trying to open it" Ye Chen said to Xuan Mei.

"opened it?" Xuan Mei didn't understand, what did he want to open from that thin iron.

"What a powerful seal" Ye Chen said to Chu Yuechan.

"Use all the power you have" Chu Yuechan said to Ye Chen, she told Ye Chen to use all the strength to open the thing.

Ye Chen used the power that belonged to him, he used dimensional power to break the seal and destroy it.

"Crack . . ." a voice was heard by Ye Chen and Xuan Mei.

Xuan Mei saw Ye Chen, she saw that something was shattered just now.

A light appeared, Ye Chen accepted it and opened the contents inside.

"It looks like this is a bunch of information," Ye Chen said to Chu Yuechan.

"A hidden place?" Chu Yuechan said to Ye Chen.

"That's absolutely true," Ye Chen said to Chu Yuechan.

"what is it?" Xuan Mei asked Ye Chen, what Ye Chen had just done, and what it was just now.

Xuan Mei was curious about this matter.

"you know this place" Ye Chen asked Xuan Mei, she saw a beautiful lake scene full of neatly arranged and beautiful hills.

"Oh, I'm familiar with this place, it's in a place not far away, if I'm not mistaken, it falls into the territory of the superior Earth Realm that is still neighboring us" Xuan Mei said to Ye Chen.

"Then we go there now" Ye Chen asked Xuan Mei to accompany herself to go towards the superior Earth Realm.

"Ehhhh . . . , why are we going there" Xuan Mei asked Ye Chen, she needed Ye Chen's explanation about it.

"This thing told us to go there, so we will go there" Ye Chen said to Xuan Mei.

"Wait a minute, it's possible that it's just a person trying to deceive you" Xuan Mei said to Ye Chen.

"That's impossible" Ye Chen said to Xuan Mei, this is impossible to deceive her.

"but" Xuan Mei said to Ye Chen, she still tried to stop Ye Chen. I think you should take a look at

"Look, this thing has an extraordinary and powerful high-level seal that you can't even see or open" Ye Chen said to Xuan Mei.

"There must be something interesting over there, even if it's not good, let's go there and see it for ourselves" Ye Chen said to Xuan Mei.

Ye Chen tried to convince Xuan Mei to come with him.

"Well, I'll take you there" Xuan Mei was about to drive Ye Chen towards the superior Earth Realm.

Ye Chen nodded with satisfaction, he successfully made Xuan Mei convinced, now they only need to go there and take a look.

They went there, Xuan Mei drove Ye Chen, they flew at the highest speed.

"how long will we be there" Ye Chen asked Xuan Mei.

"2 days at the earliest" Xuan Mei said to Ye Chen, she told him that they would be there in 2 days.

"Then we must not waste time, use full speed" Ye Chen said to Xuan Mei.

Ye Chen took Xuan Mei to use full speed, so they could save more and more time.

It took Ye Chen and Xuan Mei more than one on the way, it took them a long time to get to the superior Earth Realm.

The superior Earth Realm was quite far away, Ye Chen thought it was close and it only took a little time, it turned out to be quite far away.

Ye Chen felt like he was going back and forth between end to end of the God Realm.

"we're almost there" Xuan Mei said to Ye Chen, she told Ye Chen that they were almost there.

"Finally, it's really tiring once" Ye Chen said to Xuan Mei.

"I told you before" Xuan Mei said to Ye Chen, she told Ye Chen that this might just be a prankster.

"Didn't you say that it's close," Ye Chen said to Xuan Mei.

"This includes close, it's just a two-day trip, not too far" Xuan Mei said to Ye Chen.

For Xuan Mei, it's not far away at all, it's just two days where there are still other places that take longer to get there.

"This place is too big" Ye Chen said helplessly, although they have used the flow of dimensional space, they still need that long, it can be seen that this is indeed far away.

"But we're here, let's go" Xuan Mei said to Ye Chen.

"Come on" they have arrived, so the long journey has paid off.

Ye Chen and Xuan Mei just went straight to the lake in the picture, they came to and saw a remote lake.

"This place is indeed nice and beautiful, it is more lively than the one in the hologram" Ye Chen said.

"Here comes the place, what are you going to do next ?" Xuan Mei asked Ye Chen.

Ye Chen used God Eyes to see, he saw in front of his eyes, there was a huge barrier ahead there, it hid a huge building inside.

"a temple" Ye Chen's saw a temple, or maybe a training ground that was behind an ancient and super strong barrier.

"Do you think dimensional power can break that ancient barrier" Ye Chen asked Chu Yuechan.

"I don't know, I can't confirm it" Chu Yuechan said to Ye Chen, she couldn't be sure.

It was A very ancient barrier once, so Chu Yuechan did not know if it could be destroyed.

"There is nothing here, why don't we go back" Xuan Mei said to Ye Chen.

Xuan Mei couldn't see what Ye Chen saw, so she thought that there was nothing in this place.

Ye Chen advanced, he came forward, Ye Chen touched this barrier, he tried to break the complicated barrier ahead.

Chapter 2658 An Ancient Temple

Xuan Mei followed Ye Chen, to be honest, she didn't really know what Ye Chen was doing, she felt unfamiliar and didn't understand what Ye Chen was doing.

In Xuan Mei's eyes, what Ye Chen did looked strange, so Xuan Mei didn't understand what happened here.

Ye Chen concentrated, he opened the barrier by using the abilities he possessed.

He tried to open and break the array of barriers that were in front of him, he was confident that he could do it.

Xuan Mei didn't understand, she was still trying to find a reasonable excuse about what Ye Chen did.

"I don't understand, this is too mysterious for me" Xuan Mei felt that if this was too mysterious for her, she still didn't know what happened.

"Crack . . ." a crack appeared, Xuan Mei instantly saw what happened.

Xuan Mei saw that in front of Ye Chen a crack appeared, a huge crack appeared in front of Ye Chen.

Xuan Mei's curiosity began to be answered, she began to see what was in front of her eyes.

Ye Chen began to let go of the barrier, a rumbling and rough voice sounded when Ye Chen did just that.

Some time later, a huge building appeared, a huge building appeared before Xuan Mei's eyes.

"what is it?" Xuan Mei was shocked and fascinated by what was in front of her eyes, she didn't realize that there was an ancient building hidden in a place like this.

Xuan Mei was silent for a while, she was speechless again when she saw what was ahead.

"Little brother Ye Chen, what is that?" Xuan Mei asked Ye Chen.

"I don't know enough" Ye Chen told Xuan Mei, he didn't know either.

What's inside there, maybe there is something inside the temple, Ye Chen and Xuan Mei have to find out about this matter.

"let's go in and start to find out" Ye Chen said to Xuan Mei, he took Xuan Mei to go in and started to find out the contents inside.

"Got it" Xuan Mei understood, in directly picking up a sword and being alert to what was in front of her eyes, no one knew what was ahead, being alert was the best choice in the current situation.

Ye Chen also became vigilant, he installed all the protection that belonged to him and strode inside.

As they began to enter, they felt a strong pressure, a strong ancient pressure felt by Ye Chen and Xuan Mei.

"an extraordinary aura" Xuan Mei said to Ye Chen, she could feel that this place had been here for a long time and was hidden.

The ancient aura in this place is really very strong and very extraordinary, it must be a strong person living in this place.

"I don't feel any signs of life in there" Ye Chen said to Xuan Mei.

"I don't feel it either" Xuan Mei felt the same way Ye Chen felt, she didn't feel anyone living in there.

Ye Chen and Xuan Mei walked in, they were very vigilant and made sure everything was safe.

Until now, Ye Chen and Xuan Mei are still safe, there is not a trap left in this place.

"This place is clean, there are no traps I can find" Ye Chen said to Xuan Mei.

Xuan Mei lowered her guard, she became more relaxed compared to before.

After entering, they were greeted with a spacious hall, a spacious hall that was usually used for practice.

Although it looks old-fashioned from the outside, this place still looks clean, everything is still comfortable to look at.

"This is a training ground?" Xuan Mei summed it up, she felt that this was a training ground.

"The wall in this place is very strong and solid, even a sword will be difficult to scratch" Ye Chen said.

Ye Chen has already seen it, this is built with scratch-resistant materials, Ye Chen doesn't know what method they use, but this can resist slashing well.

"do you think this is a sword training ground" Xuan Mei asked Ye Chen.

"It is very likely that it did happen, from the traces, this place was used for sword mastering practice" Ye Chen said that it might happen.

"Then I'll try it" Xuan Mei was curious about what Ye Chen said, she wanted to try what Ye Chen said.

Xuan Mei began to draw the sword and used powerful techniques.

"slash" the sword from Xuan Mei danced and slashed at the walls and pillars in this place.

The slash is obviously powerful, it is the full power possessed by Xuan Mei, of course it can easily split the mountain with just one slash alone.

"Really not scratched" Xuan Mei finally believed what Ye Chen said.

"I told you at the beginning" Ye Chen said to Xuan Mei.

Xuan Mei nodded, she believed more and more what Ye Chen said.

"Let's look around and stay careful" Ye Chen said to Xuan Mei, he asked Xuan Mei to stay careful when stepping in this place.

Xuan Mei understood, she would listen to what Ye Chen said.

Xuan Mei was so amazed by Ye Chen, she became amazed after seeing everything that happened just now.

Xuan Mei had never heard or seen anything like this, it was the first time she saw what Ye Chen did.

Ye Chen observed and searched for a clue, he wanted to know the secrets that existed in this place.

"I feel a spirit below" Chu Yuechan said to Ye Chen.

Chu Yuechan felt a sword spirit, she could feel a spirit under Ye Chen.

"an artifact spirit" Ye Chen said to Chu Yuechan.

"That's absolutely true," Chu Yuechan said to Ye Chen.

"Do you feel it too" Chu Yuechan asked Ye Chen, she wanted to know if Ye Chen felt it too.

Ye Chen said to Chu Yuechan, he could feel what Chu Yuechan felt.

"The problem is, we have to find a way down," Chu Yuechan said to Ye Chen.

Ye Chen said to Chu Yuechan, he wanted to try to find a way to get down, that way he could see it.

While Xuan Mei looked around, there were several kinds of objects here that made Xuan Mei feel interested.

"This place is still amazing, it seems to be the training ground of great people in ancient times" Xuan Mei felt that this place was a training ground for strong people who existed in ancient times.

Xuan Mei wanted to know their secrets, she was curious about the secrets they had to be able to become so strong.

"This wall looks weird" Xuan Mei saw that there was a strange wall.

Xuan Mei took a closer look, she touched it and fingered the wall.

"Click" without Xuan Mei knowing, she just pressed something.

"I pressed something" Xuan Mei said to Ye Chen, she told Ye Chen that she had just pressed something.

"what are you pressing ?" Ye Chen asked Xuan Mei, he wanted to know what Xuan Mei had just pressed.

"I don't know" Xuan Mei said to Ye Chen, she told Ye Chen that she didn't know what she had just pressed.

"rumble" a staircase door appeared, this appeared in front of Ye Chen and Xuan Mei's eyes.

"A road" Xuan Mei and Ye Chen saw a road ahead.

Chapter 2659 Sword Grave

Xuan Mei and Ye Chen looked at each other, they all looked at each other when they saw the open road in front of them.

"It seems that we have found it" Ye Chen said to Xuan Mei.

"shall we go down and check it out" Xuan Mei asked Ye Chen.

"Of course, we have to go down and check it out" Ye Chen said to Xuan Mei.

"Then you first" Xuan Mei said to Ye Chen, she told Ye Chen to go down first.

"Aren't you stronger than me ?" Ye Chen said to Xuan Mei.

Ye Chen told Xuan Mei to come forward first, she was much stronger compared to Ye Chen.

"You seem to know this place much better compared to me, so you used to come in, I will guard you from behind" Xuan Mei said to Ye Chen.

"are you afraid" Ye Chen asked Xuan Mei, it was possible that Xuan Mei was afraid to go in first.

"No way, I can't be afraid of something like that" Xuan Mei denied it, she couldn't be afraid of such a thing.

Ye Chen couldn't help but let out a long sigh, there was nothing Ye Chen could do, it seemed that he could only come forward first.

Ye Chen came forward, he just went straight downstairs together with Xuan Mei.

Xuan Mei followed behind Ye Chen's body, she guarded Ye Chen's body from behind, so Ye Chen could rest assured.

The two finally came to the very bottom, Ye Chen turned on the lights to illuminate the road.

"What do you think is down there" Xuan Mei asked Ye Chen.

"do you want to know what's down there" Ye Chen said to Xuan Mei.

"Of course" Xuan Mei wanted to know, if she knew then it would be fine.

"ghost" Ye Chen said to Xuan Mei.

"Don't say those things, we just go back, it's troublesome to deal with them" Xuan Mei said.

"hahahaha, so you are afraid of such a thing" Ye Chen laughed, it seems that Xuan Mei is afraid of such a thing.

The face from Xuan Mei turned flushed, it seemed that Ye Chen had discovered the secret that she had.

"I've had a bad experience with them," Xuan Mei said to Ye Chen.

Xuan Mei has a bad experience with ghosts, which is why she doesn't like to deal with them very much.

"So that's it, it's not strange" Ye Chen understood, it was not strange that Xuan Mei seemed to hesitate when entering here.

"Inside is the spirit of the artifact" Ye Chen said to Xuan Mei.

"a treasure" Xuan Mei's knew that spirit artifacts were extremely rare, they were really too rare and had a high level of value.

"Don't know, that's why I want to make sure" Ye Chen told her that he wanted to confirm it.

"understood" Xuan Mei understood, she seemed to have begun to understand the purpose possessed by Ye Chen.

The two finally entered, they both came to a place full of swords.

"A sword tomb?" Ye Chen saw that there were a lot of swords, all these swords were obviously of high quality.

"This is amazing" Xuan Mei said to Ye Chen, she told Ye Chen that this was amazing.

"There are so many high-quality and rare swords in this place, there are even legend swords, what kind of place is this?" Xuan Mei said to Ye Chen.

Xuan Mei wanted to pick it up, she was interested in what was in this place.

"Wait a minute" Ye Chen immediately stopped Xuan Mei, he forbade Xuan Mei to take it.

"why" Xuan Mei asked Ye Chen, she naturally wanted to know the reason Ye Chen stopped her.

"Don't be greedy" Ye Chen reminded Xuan Mei not to be greedy.

"Oh. . ." Xuan Mei seemed to understand, Ye Chen tried to remind Xuan Mei not to be greedy.

"We'll do it slowly, find out in advance what kind of place this is" Ye Chen said to Xuan Mei.

"Di understood" Xuan Mei understood, she fully listened to what Ye Chen said.

It was very funny to see a student of an outside court giving an order to a faction leader.

Xuan Mei didn't care much about this matter, she just wanted to survive and be able to get out of this place.

Ye Chen came forward, when Ye Chen did those things, the sword in front of him shook and seemed to be about to come out.

"Be careful" Xuan Mei said to Ye Chen, she told Ye Chen to be careful.

Ye Chen understood, he directly retreated and kept a safe distance from the surroundings.

After a while, the swords in this place changed, they changed and became a huge and powerful-looking monster spirit.

"So that's the spirit you're referring to," Ye Chen looked towards Chu Yuechan.

"It seems so" Chu Yuechan said to Ye Chen, it seemed that was what she meant.

"Are they going to attack us" Ye Chen asked Chu Yuechan.

"They do not recognize you and regard you as an enemy," Chu Yuechan said.

"Then there is no way but to defeat them and advance," Ye Chen said to Chu Yuechan.

"Prepare yourself, we are going to battle" Ye Chen said to Xuan Mei.

"There are too many of them, it would be a troublesome thing once" Xuan Mei said to Ye Chen, she told Ye Chen that it would be a troublesome thing.

"everything will be fine?" Ye Chen said to Xuan Mei, she told her that if everything would be fine, they would definitely be able to win.

Xuan Mei felt scared, they might be more troublesome than one could imagine.

"Go forward" Ye Chen said to Xuan Mei, he told Xuan Mei to come forward.

Xuan Mei came forward, she began to fight with the monster spirit that was in front of them, the battle became fierce between Ye Chen and Xuan Mei Vs the monster spirit.

"Bang . . ., Bang . . ., Bang" Ye Chen tried to attack, when he tried to attack, he found that the monsters around were so hard as an iron, Ye Chen couldn't break through the defenses they had.

"so hard" Ye Chen retreated, he wouldn't be able to beat them using his bare hands.

"they are strong" Xuan Mei said to Ye Chen.

Even Xuan Mei, who is strong and has a high level of cultivation, finds it difficult when she has to fight a bunch of monsters.

Ye Chen began to think, how did he beat them.

"Master, I'll help, I don't like them" Yin Ying'er said to Ye Chen.

She told her that she wanted to help Ye Chen.

Yin Ying'er didn't like the monster spirits around, she was not happy at all and didn't like them.

"Well, I understand" Ye Chen understood, he was going to use Yin Ying'er to defeat them.

Using Yin Ying'er, Ye Chen should be able to easily defeat them all.

Yin Ying'er came out and became a sword, Ye Chen used it and began to advance to fight.

Xuan Mei tried to defend, she did her best to defend against the enemy at hand.

"It's so difficult" Xuan Mei felt that it was very difficult, to be honest, it was not easy to defend against so many monsters.

Chapter 2660 stone sword monument

"I'm going to fight them" Ye Chen said to Xuan Mei.

"Huh?" Xuan Mei saw Ye Chen, she saw Ye Chen flying over and began to fight the enemy ahead.

"Wait a minute, what are you trying to do?" Xuan Mei said to Ye Chen, she tried to stop Ye Chen who wanted to break into the enemy's nest.

If Ye Chen went in there, it would be a really bad thing and Xuan Mei would find it difficult to help.

"I'll solve this problem" Ye Chen said to Xuan Mei, she told her that she would solve this problem alone.

Ye Chen swung the sword in his hand, he slashed all the enemies using the sword in his hand.

Using the sword in his hand, Ye Chen began to fight.

"Slash . . ." using the Divine Yin Yang Sword, Ye Chen slashed out and began to destroy the spirit ahead.

"Arghhhhh . . ."they all retreated, they knew that Ye Chen was dangerous and they all decided to retreat.

"it worked, he did it" Xuan Mei saw that Ye Chen had succeeded, she had succeeded in doing it very well.

The monster spirits began to retreat, they knew that Ye Chen was strong and decided to retreat.

Ye Chen continued to attack, he eradicated everything by using the Divine Yin Yang Sword.

With the help of the Divine Yin Yang Sword, everything felt so easy, it seemed that the Divine Yin Yang Sword was still the strongest.

place.

It was still the strongest and defeated all the spirit swords in this place.

"That's great" Xuan Mei said to Ye Chen, she told her that Ye Chen was really very great.

"They are troublesome, fortunately I have a sword" Ye Chen said to Xuan Mei.

"So it's a weapon you have?" Xuan Mei looked at Ye Chen's weapon, she saw that Ye Chen had a good weapon.

"That's right" This is Ye Chen's main weapon, the most powerful weapon possessed by Ye Chen.

"They returned to the sword form," Xuan Mei said to Ye Chen.

"It seems that they have given up and will no longer fight us," Ye Chen said.

"Are you sure about what you said" Xuan Mei asked Ye Chen again.

"Of course, just believe me" Ye Chen said to Xuan Mei, he told Xuan Mei to believe in her.

Ye Chen confirmed it himself, and they would no longer fight Ye Chen and Xuan Mei.

"let's go forward" Ye Chen said to Xuan Mei, he took Xuan Mei forward.

Xuan Mei followed behind Ye Chen, she went along and walked behind Ye Chen.

"Because of the previous incident, Xuan Mei has become very vigilant once, she is still wary of the possibility that happened.

"Some time later they came to a stone monument, the two of them went straight away and took a look.

"About what the writing and carvings in it are" Xuan Mei asked Ye Chen.

"can't you read it" Ye Chen asked Xuan Mei, he wanted to know if Xuan Mei couldn't read it.

"No, I can't do that, this writing looks very old and old-fashioned, I don't know" Xuan Mei said to Ye Chen, she told her that she didn't know.

"It's so strange, you live in this place, how can you not know about this kind of thing" Ye Chen said to Xuan Mei.

Xuan Mei's face turned flushed, she was not very good at this, she was only good at combat alone.

"Sorry, I only know fighting, admit that I don't really understand something like this" Xuan Mei said to Ye Chen.

Xuan Mei apologized, she apologized to Ye Chen.

"yes, no problem" Ye Chen said to Xuan Mei, he didn't mind this kind of little thing too much.

"Then I'll read it for you" Ye Chen said to Xuan Mei, he told Xuan Mei that he would read it.

"You can read it" Xuan Mei asked Ye Chen.

"Don't underestimate me, of course I can do it" Ye Chen said to Xuan Mei, she can of course read it easily.

"The sword world is a long and aimless world, I wrote this thing for people who can understand it and are worthy of the way of the sword, this is a guideline to reach the highest level in the science of the sword" Ye Chen began to read the initial line.

Xuan Mei's eyes lit up as she listened to this, it seemed that she seemed happy and enjoying this.

"You infer too fast" Ye Chen said to Xuan Mei, he told her that Xuan Mei concluded too quickly.

"so it's not ?" Xuan Mei said to Ye Chen, she asked if this was true or not.

"I'm not finished yet, why don't you finish it first before summing it up" Ye Chen said to Xuan Mei.

"Then quickly solve it, I want to know" Xuan Mei told Ye Chen, she told Ye Chen to solve it as soon as possible.

"Be patient a little bit, there are some unclear writings" Ye Chen said to Xuan Mei.

He needs time to read it, it is an ancient writing and probably not many people know.

Ye Chen was fortunate that Shen Niang had taught enough, so it would be useful in the situation like it is today.

"This technique combines the heart, mind, body, and also the sword into one, this will make the user invincible when holding the sword" Ye Chen said to Xuan Mei.

"then" Xuan Mei asked Ye Chen, she wanted to know how it went.

"Here it is only written how to make the heart into a sword, we have to practice it ourselves, we both have been able to use sword intent, so it shouldn't be difficult, we just have to try it using our heart, body and mind" Ye Chen said to Xuan Mei.

"-_- " Xuan Mei's face looked weird when Ye Chen said these things, to be honest, it's a little difficult

"obviously it's difficult, who the left something like this, it's obviously very difficult" Xuan Mei said.

Xuan Mei complained, obviously this is going to be difficult.

Ye Chen just smiled, he knew that this was indeed a little difficult.

"master, what do you think ?" Chu Yuechan asked Ye Chen.

"This possibility is an advanced level of Dao sword, I'm interested" Ye Chen said to Chu Yuechan.

It is possible that this is a continuation of the Dao Sword, which is why Ye Chen wanted to try it.

"It's probably going to be difficult," Chu Yuechan said to Ye Chen.

"no problem" Ye Chen said to Chu Yuechan, he informed him that he had no problem with something like this.

Ye Chen is used to this kind of thing, and he will struggle to master it.

"click." something came out of the stone monument, this is an imaging stone.

Ye Chen picked it up, he looked at the contents inside.

"what is this" Ye Chen wanted to know, he wanted to know what the content was inside, this possibility is a good thing, Ye Chen must not miss this thing.

Ye Chen took it, he saw the contents inside, it might be a clue or something.

Ye Chen opened it, he saw a picture inside the imaging stone, someone was holding a sword, this guy seemed to be about to show his ability.
