

True God 2661

Chapter 2661 impact felt by everyone

"hi, look at this" Ye Chen said to Xuan Mei, he told Xuan Mei to take a look too.

Xuan Mei came over, she saw what Ye Chen was going to do, to be honest, she was quite curious about the picture inside.

This guy intends to draw the sword, he looks animated.

Ye Chen and Xuan Mei felt the sword intent, even though it was just a picture left, even so Ye Chen and Xuan Mei could feel it.

"what's that ?" Xuan Mei asked Ye Chen, she saw a picture that puzzled her.

"It seems that he is giving an example" Ye Chen said to Xuan Mei, he told her that maybe this person was giving an example.

"Give an example ?" Xuan Mei saw more clearly about what Ye Chen said.

"The two are watching carefully, they are making sure what is in front of their eyes" they see what is in front of their eyes.

"I can't see it" Ye Chen said to Chu Yuechan, he couldn't see this guy swinging his sword, he didn't seem to be doing something.

"I can't see it either" Chu Yuechan said to Ye Chen, she didn't see it either, probably because it was too fast that even Chu Yuechan couldn't see it.

if Chu Yuechan alone couldn't do it, then Ye Chen and Xuan Mei wouldn't be able to do it either.

Ye Chen took a good look, he figured out what happened just now.

The person inside the imaging stone made a few moves, he did a few movements and started to slow down a bit.

Ye Chen and Xuan Mei took a good look, the two of them seemed unwilling to miss what would happen next.

After a period of time it completely stopped, until now Xuan Mei still doesn't understand, she still doesn't understand what happened just now.

"Hmmm, what happened just now, I don't understand at all" Xuan Mei said to Ye Chen.

Ye Chen thought, he might be a little familiar with what happened just now, he could see it, maybe he should practice and try it himself.

Some time later, the stone in Ye Chen's hand burst out a force.

"master, is bad" Chu Yuechan said to Ye Chen.

"what's the matter?" Ye Chen asked Chu Yuechan.

"Quickly throw that thing away and quickly leave this place," Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to leave this place.

Ye Chen threw down the imaging stone that was in his hand, he just went straight away and picked up Xuan Mei who was beside him.

Ye Chen didn't have time to go upstairs, he could only use teleportation to leave this place.

Ye Chen took Xuan Mei, he took her teleportation from this place.

Xuan Mei didn't know what happened, suddenly she was picked up by Ye Chen.

It was shocking enough once for Xuan Mei, she didn't know what happened just now, everything was so fast and she didn't know what happened just now.

When Xuan Mei came to her senses, they were already outside, they were in a place a little far away.

"what are you doing" Xuan Mei asked Ye Chen, she wanted to know what Ye Chen was doing.

"duck" Ye Chen said to Xuan Mei, he told Xuan Mei to look down.

"what exactly happened?" Xuan Mei said to Ye Chen, she didn't know what happened.

"Look carefully" Ye Chen told Xuan Mei to see clearly, what would happen next.

Xuan Mei looked, she could see with a powerful explosion from the front, an unusually large force burst out.

A huge explosion occurred in the temple, this explosion rose upwards and made a tremendous impact.

Ye Chen and Xuan Mei looked at the resulting impact, they saw that the sky was split into two parts, the distant stars and rocks were impacted.

"What kind of power is that" Xuan Mei asked Ye Chen, she could clearly see a terrifying power.

"That is a terrible power," Ye Chen said to Xuan Mei.

"If we stay there, we will definitely not survive" If Ye Chen hadn't timely taken them out, then their fate would really be terrible.

"Fortunately, you took us out" Xuan Mei was grateful that Ye Chen brought them out, that way they could survive.

"um. . ." Ye Chen understood, he was doing this for safety from Xuan Mei.

"let's take a look" Ye Chen said to Xuan Mei, she wanted to see what happened to the temple.

The two of them went to see it, when they both went to see it, both found that the building was completely destroyed.

"It's really ruined" Xuan Mei said to Ye Chen, there was no residue that Ye Chen could find, it was like being swept away from this world.

"It's a pity" Xuan Mei said to Ye Chen, even though they didn't understand it yet, but it was already gone from this world.

"It's okay, I have memorized it, we should still be able to learn it" Ye Chen said that he had learned it.

"seriously?" Xuan Mei was taken aback when she listened to what Ye Chen said, she didn't expect that Ye Chen did it.

"Of course" Ye Chen nodded, he had indeed done it.

"it's too great" Xuan Mei said to Ye Chen, what Ye Chen did was too great.

"Let's go back, there is nothing else we can do in this place" Ye Chen said to Xuan Mei.

Ye Chen and Xuan Mei decided to leave, the two left and returned to the Sect.

.

.

The shock wave reached almost all corners of the Supreme God Realm, obviously this was extraordinarily high power.

What happened before made everyone shocked, those with a high level of cultivation could feel the power of the sword intent that was overwhelming could be powerful.

"Who is the capable person to burst out this kind of power?" Chen Xing felt an amazing power, this power is very powerful and may be the pinnacle in the world.

People with this kind of strength should not exist in this world anymore, is there anyone who has awakened the inheritance of one of the powerful cultivators in the past.

Chen Xing is of course curious, she will probably come and see it.

In addition to Chen Xing, there are many people who decide to come, such a huge force will naturally attract quite a lot of powerful cultivators.

On the way back, Ye Chen saw so many people, it seemed that they were people with high cultivation.

"Where do they want to go?" Xuan Mei saw that so many strong people suddenly came out of their hiding places, it meant that something happened.

"It is very likely that this happened because of the explosion just now" Ye Chen guessed what happened.

"You mean they went ruins of the ruined temple," Xuan Mei said to Ye Chen.

"yes, that is the biggest possibility I can think of" Ye Chen said to Xuan Mei, it was one that Ye Chen could think of.

"Aren't they probably targeting us," Xuan Mei said to Ye Chen.

"They shouldn't know, but they will probably look for our traces, maybe we should cover our traces" Ye Chen said to Xuan Mei.

Ye Chen decided to change the route, they must not return to the sect because that would turn the sect into a chaotic place.

Xuan Mei knew what Ye Chen was thinking, she thought Ye Chen was doing the right thing.

Xuan Mei came with Ye Chen, they changed the route and started to go to other places.

Chapter 2662 meeting of two of the 10 goddess list

They changed direction, they headed towards a place far away from the Sect.

Ye Chen and Xuan Mei looked for a distant place, they looked for a place far enough away and would not be found.

The two must erase the traces, that way no one will pursue them.

"I didn't expect that the situation would turn out to be like that" Ye Chen didn't expect that the situation would turn out to be like that.

"We're in trouble, but we haven't even gotten something yet," Xuan Mei said.

Xuan Mei was quite disappointed, they hadn't gained anything yet, it was unexpected that the situation would turn out to be like that, and they had to hide from the strong people out there.

"This is the right time" Ye Chen said to Xuan Mei.

"what are you going to do?" Xuan Mei asked Ye Chen, what Ye Chen was going to do.

"I'll do it" Ye Chen said to Xuan Mei, he would do it.

"Ye Chen, what do you want to do ?" Xuan Mei asked Ye Chen again, she didn't understand what Ye Chen was trying to do.

"I will try to practice what I saw before" Ye Chen said to Xuan Mei.

Ye Chen will try it, he will try to practice what he learned.

"Are you sure you can do that ?" Xuan Mei asked Ye Chen, if Ye Chen was sure that she could do just that.

"We wouldn't know if we hadn't tried it" Ye Chen said to Xuan Mei, he told her that they wouldn't know before trying it.

Xuan Mei felt that if it would be a difficult thing, she felt that Ye Chen would not be able to do it.

Xuan Mei herself knew that it would be very difficult to do, neither of them would be able to learn such a technique to a higher level, because it was very difficult to do at their current level.

Unlike Xuan Mei, Ye Chen is confident, he is confident in the abilities he has, which is why he believes that he is able to do it.

Ye Chen has enough experience, which is why he can be confident in his abilities.

It should be with that experience that Ye Chen is able to master it.

Ye Chen is an unyielding person, he will definitely master that powerful technique.

If Ye Chen can master it, the sword ability possessed by Ye Chen will become stronger and stronger.

"it's up to you alone" Xuan Mei had already reminded Ye Chen, which is why there was no reason to remind Ye Chen again.

"I'm going to start fighting" Ye Chen said to Xuan Mei, she started practicing in this remote place, while Xuan Mei decided to find a quiet place and start cultivating while waiting for conditions to become calmer.

.

.

Meanwhile in the temple that had been razed to the ground, there were countless people who gathered and witnessed what happened, they saw the origin of the tremendous power just now.

Chen Xing came, she only needed a few minutes to move to this place.

Chen Xing saw what happened, he saw that so many people in this place, there were so many people who had already gathered around to see what happened.

"See the goddess appear" people saw the arrival from Chen Xing, beautiful women will naturally easily attract people's attention.

The beauty possessed by Chen Xing made everyone noisy, they all became noisy and began to look at Chen Xing.

Chen Xing is indeed very beautiful, she flew beside everyone elegantly and beautifully.

"It's so beautiful" people can only admire Chen Xing, they admire the beauty possessed by Chen Xing.

Everyone here was fascinated by the beauty possessed by Chen Xing, they were speechless and speechless when they saw Chen Xing.

it is not strange that she is a list of beautiful women, everyone becomes like a statue when they see Chen Xing.

Chen Xing ignored everyone, she went downstairs and saw what happened in this place just now.

"what's going on in this place" Chen Xing asked one of the people in this place.

Chen Xing wanted to know what happened in this place, that's why he asked everyone in this place.

"Let me explain it" these people tried to explain to Chen Xing, all of them in this place wanted to be remembered by Chen Xing.

Chen Xing looked at the commotion that was going on, to be honest, he didn't really like what was going on right now.

"Don't make a fuss" Chen Xing said to everyone.

Chen Xing was very beautiful to listen to, everyone immediately shut up and obeyed what Chen Xing said.

"I will choose one of you," Chen Xing said that she would choose one of them.

Everyone became nervous, they all wanted to know who Chen Xing would choose.

"I can explain for you" a handsome man appeared, he said to Chen Xing.

Chen Xing saw who was talking, she looked at the acquaintances in front.

Chen Xing's face changed instantly when she saw who was talking, it was very likely that she was not very happy to meet this person.

"I didn't talk to you" Chen Xing said that she didn't talk to the man in front of her.

"My goddess, please don't be rude like that, I'm trying to help you" this man said to Chen Xing, he asked Chen Xing not to be rude to himself.

this man's name is Tu Ginzu, he is one of the palace lords in the Four-sided Immortal Palace, from his position alone it can be ascertained that he is great, he is one of the people with high power.

"Let's be honest, I don't need help from you" Chen Xing was quite honest, he honestly and resolutely refused the help of the other party.

Chen Xing was tired of being gentle, that's why he did this thing.

Tu Ginzu did not flinch or did not give up, it seemed that he would not leave Chen Xing.

"You are stubborn" Tu Ginzu said that Tu Ginzu was stubborn.

"You already know me, so give up" Tu Ginzu said to Chen Xing.

Tu Ginzu told Chen Xing to give up and become a life partner.

"How many million times have I said it, I'm not interested, don't you listen to me" Chen Xing said.

Chen Xing had rejected Tu Ginzu so much, strangely this man did not want to give up and remained hard to pursue him.

"I won't give up" Tu Ginzu said that if he won't give up, he won't give up on getting his love.

Tu Ginzu was helpless, it seemed that he couldn't do something about this matter.

"You guys, what are you doing?, quarrel as usual, don't you get tired of doing that thing every time" a bed with mosquito nets appeared, this naturally made Tu Ginzu and Chen Xing look at it.

Everyone wanted to know who it was, to be honest they couldn't see inside, it was obvious that mosquito nets covered them and made them unable to see inside.

People don't know who this is, they still guess it.

Tu Ginzu and Chen Xing seemed to already know who was inside, inside there was a super seductive woman full of mature charm that neither men nor women would be able to resist.

This is Ling Shu's second-order beauty, she did this thing because she was lazy to show herself in front of people.

Ling Shu was quite lazy, she used the flying bed that belonged to her to go to see.

Others would definitely not do what Ling Shu did.

Chapter 2663 Lazy Ling Shu

2663 Lazy Ling Shu

There are so many people who are curious about Ling Shu, it's a pity that they can't see what Ling Shu looks like.

"I didn't expect that you would go out, it's quite rare to see you want to go out and leave your comfortable place, how long have I not seen you" Ling Shu spoke to Chen Xing.

Chen Xing usually rarely goes out, this woman will rarely go out and choose to stay where she is.

Chen Xing is one of the legends, it is rare to see her outside her place.

"A long-lost ancient technique has appeared, I am naturally a little interested" Chen Xing said to Ling Shu.

Chen Xing told the reason, she had a reason to come to this place.

Chen Xing was attracted by the technique that had just appeared, it was a powerful ancient technique and she was very interested in such a thing.

"so that's it" Ling Shu understood, it seems that the purpose of them is almost the same.

"So what happened to this place?" Ling Shu asked Chen Xing, she wanted to know what happened to this place.

"I'm curious about it too" Chen Xing said that she was also curious about the matter.

Ling Shu understood, it seemed that Chen Xing had also just come and didn't know.

Now she can only ask Tu Ginzu, he probably knows about what happened.

"You can you tell me what's going on" Ling Shu asked Tu Ginzu.

"I'll explain it" the attitude of Tu Ginzu was very different from that of Chen Xing.

It seemed that he was more afraid of Ling Shu than Chen Xing.

To be honest, Tu Ginzu is indeed afraid of Ling Shu, this woman is quite troublesome, she has quite a lot of connections and it would be troublesome to offend a woman like this.

In addition, this woman's ability to control people is terrifying, to be honest, Tu Ginzu does not want to be controlled by this woman, that's why she is vigilant and uses full defense to resist attacks that might be released by Ling Shu.

"I heard that this place was destroyed as a result of the previous explosion, no trace can be found, everything is destroyed, maybe the person who found this place was also destroyed and did not have time to come out" The explosion was so big and so powerful, it was impossible for anyone to survive at close range.

"Are you sure, is there no trace" Ling Shu asked again.

"No trace can be found, there is only trace of entry, no trace of exit," Tu Ginzu said.

They found no trace of exit, that means the person who found is still inside.

Fortunately, Ye Chen used teleportation, which is why he was able to cover the traces at hand.

They must think Ye Chen doesn't exist, it's because Ye Chen can seal the traces well and can't be found by others.

"You did it right, didn't you" Ling Shu asked Tu Ginzu.

"We did it right" Tu Ginzu said to Ling Shu.

"Thank you very much for this information, it is quite useful for me" Ling Shu had already got enough information.

"What are you waiting for, quickly leave here," Chen Xing said to Tu Ginzu.

Chen Xing drove Tu Ginzu away, Tu Ginzu had no choice but to leave.

Tu Ginzu left with a dissatisfied face, he was not happy with what happened.

"You are really something," Ling Shu said to Chen Xin.

"Don't you like him?" Ling Shu asked.

"Don't like it, he bothers me" Chen Xing said the reason that belongs to her.

"So that's it, like you're really bothered by it" Ling Shu said.

"I wonder who discovered this place, to be honest that person must be very awesome" Ling Shu said.

"how do you know" Chen Xing asked Ling Shu.

"I feel it, there is a trace of extremely pure and strong Yang Qi that I have never felt" Ling Shu said.

Ling Shu felt Ye Chen's Yang Qi, although this was faint, she could clearly feel it.

Ling Shu was terrible, only then could she know the whereabouts of Ye Chen, it seemed that this woman was someone to avoid.

"He probably won't be able to get out of there," Chen Xing said to Ling Shu.

"It's possible, but I'm sure that person might come out" Ling Shu said.

Her intuition said this, which is why Ling Shu was convinced.

Ling Shu's intuition is very strong, so it is not strange that she believes in her intuition.

"Then I will tell them to look for that person" Ling Shu decided to tell her people to look for Ye Chen.

Chen Xing saw Ling Shu, how come this woman is so confident in it.

"what are you going to do" Chen Xing asked Ling Shu.

"I, of course looking for it, it would be a great thing to find a person with such pure Yang Qi, I might like it" Ling Shu said.

Chen Xing shook her head, it seemed that she knew the purpose of Ling Shu.

This woman is eyeing the person who opened the ancient inheritance, she is not interested in ancient techniques at all.

"You are alone, are you not interested" Ling Shu asked Chen Xing.

"I don't know" Chen Xing said to Ling Shu, she told her that she didn't know what to do.

"Aren't you interested in looking like everyone else," Ling Shu said.

"I'm interested, but I feel that it will be difficult" Chen Xing said.

"So that's it, then I'll go first, I need a nap" Ling Shu said to Chen Xing.

Ling Shu left, she wanted to take a nap.

Ling Shu is indeed too, she can be very relaxed once in this kind of state.

"see you later" Ling Shu said to Chen Xing, she left this place.

All the troubles had already been given to the children, so Ling Shu left this place and no longer thought about anything else.

Chen Xing looked at Ling Shu, she was speechless when she saw Ling Shu, the woman was too relaxed in all kinds of things, she was probably the laziest among the 10 beauties.

Chen Xing looked at the ruined temple, she really wanted to know who did it.

"About who did it" Chen Xing was curious, she hoped that she could meet that person.

"It seems that I won't find it, I'd better just go back" Chen Xing decided to go back.

.

.

Ye Chen himself was practicing, it was quite difficult to perform the movements he had previously seen.

"It's harder than learning the Dao sword," Ye Chen said to Chu Yuechan.

"What did you expect, the person who abandoned the technique is stingy, he only left a few words, how did you do it" Chu Yuechan replied to Ye Chen.

"Can't you help me ?" Ye Chen asked Chu Yuechan.

"No way" Chu Yuechan said to Ye Chen, she wouldn't be able to help Ye Chen.

"You should solve it yourself, I won't be able to help, the conditions are absolutely impossible" Chu Yuechan said.

Chu Yuechan informed that if the conditions were impossible, there was no way for Chu Yuechan to help Ye Chen.

Ye Chen saw Xuan Mei, it seemed that she was cultivating and couldn't be disturbed.

Chapter 2664 Xuan Mei found a group of evil people

Waiting was indeed very boring, which was why Xuan Mei decided to practice until the outside situation got better.

Ye Chen sent Clone to find out what happened, from the information, it seemed that there were quite a few people looking for Ye Chen, they were interested in the ancient sword techniques.

And they are looking for traces of Ye Chen, so for the time being Ye Chen will stay here.

"the person who left behind this technique is so unreasonable, he didn't even give this technique a name" Ye Chen said.

Ye Chen was a little frustrated, the person who left this technique was really something else for Ye Chen.

This guy didn't even give his technique a name, it was so ridiculous.

"Maybe you should rest for a bit" Chu Yuechan said to Ye Chen, she told Ye Chen to take a rest soon.

Ye Chen had been fighting hard, which was why Chu Yuechan had told him to rest first.

"You are absolutely right" Ye Chen needs to rest, he will rest for a while

Ye Chen left, he went and started to take a short nap on the tree.

"He thought things through in his head, maybe Ye Chen could find the answer to the question he had.

Ye Chen slept, he started imagining the previous technique, that sword move, that posture, and that calm, Ye Chen should be able to master it.

Ye Chen started to blend in with nature around him, he subconsciously started to sleep.

Xuan Mei was a little tired of waiting here, to be honest she didn't like hiding like she is now.

Xuan Mei really wanted to return to the Sect now.

"what is he doing now ?" Xuan Mei wanted to see what Ye Chen was doing, she wanted to know what Ye Chen was doing right now.

Xuan Mei went to look for Ye Chen, it seemed that Ye Chen was not at the training ground anymore.

"About where did he go?" Xuan Mei started looking, she started looking for the whereabouts of Ye Chen.

After searching for some time, Xuan Mei found Ye Chen, she found Ye Chen who was currently sleeping.

"he is sleeping, so cute" Xuan Mei felt that Ye Chen was cute, he seemed to be tired after practicing.

Xuan Mei didn't want to disturb Ye Chen, that's why she observed Ye Chen from afar.

"he is really cute when he is sleeping" Xuan Mei felt happy when she saw Ye Chen, she completely liked seeing Ye Chen sleeping.

According to Xuan Mei, seeing Ye Chen like this was really very pleasant, her heart felt satisfied when she saw Ye Chen.

"He is younger than me, but he is very experienced." Xuan Mei looked at Ye Chen, she had to admit that Ye Chen was experienced and extraordinary.

It was as if Ye Chen could do whatever he wanted.

It was the attraction that Xuan Mei saw in Ye Chen, that was why she could be attracted to Ye Chen.

Xuan Mei looked at Ye Chen for a while, before she went to take a look around.

"I better start looking around" Xuan Mei wants to look around, she wants to look around.

Xuan Mei wandered around, when she did just that, she found a few people camping.

Xuan Mei didn't know that there were people in this place, she was quite surprised when she saw that there were quite a few people in this place.

"Who are they?" Xuan Mei wanted to see who these people were, it looked like they were dangerous people.

Xuan Mei saw that this group brought several monsters such as earth dragons, lightning lizards, snow rhinos and there were still many rare monsters that they brought with them.

Xuan Mei looked around, she could see what they were carrying.

"They are hunters" Xuan Mei realized that they might be hunters, something Xuan Mei didn't need to worry about.

Xuan Mei looked around, she saw a small earthen dragon, a rare monster that was probably worth millions of profound crystals.

"a very rare monster" Xuan Mei was quite surprised that they could get a baby from a earth dragon, it is a rare species and very difficult to tame as an adult.

"everyone quickly work, we must immediately leave this place" they started packing, they wanted to leave this place.

Seeing that this person was not a threat, Xuan Mei decided to leave this place.

"Help. . ." just as Xuan Mei was about to leave, she heard a voice asking for help, this made her stop for a while.

"what is that ?" Xuan Mei originally wanted to leave, but she stopped when she heard the person who needed help.

Xuan Mei actually wasn't too suspicious of this group, she started to get suspicious when she heard some people asking for help.

"I have to find out" Xuan Mei decided to find out, she came in and decided to find out what happened.

When Xuan Mei sneaked in, she found several forced laborers, they were men and women, they were forced to transport the caught animals.

If they didn't do that, they would be whipped harshly, they were covered in wounds, blood was all over their bodies and the clothes they were wearing, from a glance it looked hideous.

"please have mercy on me, I am tired" he asks to feel sorry for himself, he is tired from working all day and needs rest.

"a boy doesn't deserve to say that, work fast until all your energy is used up, after that we will throw you out" the head of the worker at this place said.

This person didn't care about workers who were tired and might die from exhaustion, they had to deliver everything on time.

They almost don't care about the lives of people who are made into slaves, As long as the job is done, they can throw it away and replace it with a new one.

Xuan Mei would not have the heart to see what happened, she would of course save them.

"those are shameless people, I won't spare them" Xuan Mei was a pure soul, she wouldn't just let them go.

Xuan Mei came in, she was trying to help them.

Xuan Mei drew a sword, with just one stroke, she managed to take down several people at once.

Everything went fast, Xuan Mei knocked them all down.

"are you all okay ?" Xuan Mei asked, she wanted to know their condition.

"we are fine" they tell that they are fine.

"You guys can leave this place" Xuan Mei ordered them all to leave this place.

"That's impossible, we all have a contract, if you leave without permission, we will die" they said to Xuan Mei.

They all had contracts in their bodies, if they dared to escape, then death would await them.

Xuan Mei raised her eyebrows, she didn't seem too happy when she heard this.

"Looks like I won't be able to make them leave, I have to defeat the owner of this place first" Xuan Mei decided to defeat the person behind all of this.

"You guys wait here, I'll be back" Xuan Mei said to everyone.

Xuan Mei left, she was looking for the person in charge of this place.

Chapter 2665 Ouyang Yun

"I can't let them" Xuan Mei will not be able to allow such an inhuman crime, since she is here, she will end everything.

Xuan Mei searched for the strongest person, using spirit sense, she found the strongest person.

"meet" Xuan Mei found him, she found the most powerful person in this place, did not expect that she would meet so easily.

Xuan Mei left, she went to the biggest tent.

Xuan Mei paralyzed all the guards around, she did it quickly and without being noticed.

"now no one will stand in my way" no one will hinder Xuan Mei, she will meet the person behind all this.

Xuan Mei came in, she saw a man with a big body sitting and surrounded by Sexy women who were pouring wine for him.

"master this is for you" they women were pouring wine for their master, they seemed to be pretty slaves forced to serve tall men with scary looks.

"you, everyone beautiful" this man said to the beauties who were around.

"Sir, you are very handsome, are you interested in spending the night with you" they teased the man, they tried to get a lot of benefits by flirting with the man.

"today we will go, we will get out of this place and have fun in the city, we have got enough" he said to the sexy women who were around.

This man had finished, he had completed what he needed to be in this place, he had gotten so many monsters to sell, it was an extraordinary feat for him.

With that kind of money, he could have fun and start to gamble, it was his hobby.

This man was Ouyang Yun who was ruthless and did as he pleased.

Ouyang Yun didn't really care about what was going on around him. As long as he was happy, he would do whatever he wanted.

Even if it means killing other people and getting their treasure.

His hobbies are gambling and playing with beautiful women, he is too easily tricked by using beautiful women.

Xuan Mei looked at Ouyang Yun, there was a strong disgust when she saw what was happening before her eyes.

"This shameless man" Xuan Mei said in her heart.

He saw the shameless act that Ouyang Yun was doing.

To be honest, Xuan Mei didn't really like it when she saw what Ouyang Yun was doing.

"I hate that person" Xuan Mei felt that she hated Ouyang Yun.

"Master, let's have fun" all the women kept on snaring Ouyang Yun, they were snaring Ouyang Yun and doing lewd things.

Ouyang Yun enjoyed it, he enjoyed the services provided by the women around him.

When Ouyang Yun was enjoying time with beauties, Xuan Mei walked in.

Xuan Mei walked in and stood in front of Ouyang Yun.

Seeing the strangers who came inside, Ouyang Yun immediately stood up, he pushed aside all the women around him.

"Who are you?" Ouyang Yun asked Xuan Mei.

"I am the one who will end all your cruelty" Xuan Mei said to Ouyang Yun.

"What are you saying, crazy woman" Ouyang Yun said to Xuan Mei.

Xuan Mei raised an eyebrow when she heard what Ouyang Yun said.

Xuan Mei disliked Ouyang Yun even more.

Xuan Mei drew her sword, she was ready to beat Ouyang Yun.

"guard quickly arrest this crazy woman" Ouyang Yun called everyone outside.

When Ouyang Yun did that, no one bothered to answer Ouyang Yun.

No help came to help Ouyang Yun.

"what happened" Ouyang Yun was confused, why no help came.

"feel strange, I have already crippled all of them, no one will come to help you" Xuan Mei said to Ouyang Yun.

Xuan Mei has already crippled everyone, now there is no more help for Ouyang Yun.

"Damn, this bitch" Ouyang Yun gritted his teeth, he was not happy with what was going on.

Xuan Mei had destroyed a place that belonged to him, Ouyang Yun would not forgive this woman.

"I will start to beat you after that I will rape you" Ouyang Yun said to Xuan Mei.

Ouyang Yun had an evil thought, he wanted something from Xuan Mei.

Ouyang Yun wanted to get Xuan Mei, he wanted to get a beautiful woman like Xuan Mei.

Compared to the women he had bought with money, Xuan Mei was even more beautiful.

So it wasn't strange that Ouyang Yun had bad thoughts towards Xuan Mei, he did so because he had never seen a woman as beautiful as Xuan Mei.

"Clang . . ." Xuan Mei started to fight, they crossed swords and knocked each other down.

Ouyang Yun was quite strong, he was able to match Xuan Mei's strength.

Even though Ouyang Yun was capable of doing that, Xuan Mei was still in the lead here, she cornered Ouyang Yun.

"Ahh. . ." the woman beside Ouyang Yun left, they were looking for a place that was safe from the ongoing battle.

"Clang . . ., Clang . . ., Clang . . ., Clang . . .," Xuan Mei continued to corner Ouyang Yun.

"Who are you?" Ouyang Yun asked Xuan Mei, the other party seems to be strong, that means Xuan Mei is not just anyone.

"why are you asking, let's solve this quickly" Xuan Mei said to Ouyang Yun.

Xuan Mei didn't want to waste words for Ouyang Yun, she didn't want to reveal her own name to trash like Ouyang Yun.

"Bastard" Ouyang Yun swung his sword, he used the bigger sword to destroy Xuan Mei.

Xuan Mei took advantage of the opportunity Ouyang Yun gave her.

Xuan Mei saw an opening that could be used to attack Ouyang Yun.

"you opened your defense" Xuan Mei said to Ouyang Yun.

"damn it" Ouyang Yun screamed, he just talked about Xuan Mei getting into his own defense.

Xuan Mei made good use of this opportunity, she stabbed Ouyang Yun in the chest with a sword.

"uhhhh" Ouyang Yun was stabbed in the middle, of course he spurted blood when that happened.

The battle took place quickly, only in a matter of minutes the winner was determined.

Ouyang Yun is not an opponent comparable to Xuan Mei, Ouyang Yun has a strength gap with Xuan Mei.

"damn" Ouyang Yun said to Xuan Mei.

"that's a reward for you" Xuan Mei said to Ouyang Yun.

When Ouyang Yun was on the verge of defeat, he stretched out his hand and blocked Xuan Mei's sword.

"Do it" Ouyang Yun said to the women around, he gave orders to the boy to do his job.

Because they have a contract, they cannot put up a fight.

They helped Ouyang Yun to deal with Xuan Mei.

These women used a powder on Xuan Mei, they did this out of necessity.

"what are you guys doing ?" Xuan Mei screamed, she couldn't move in the current situation.

Xuan Mei's body became weak, she was unable to make the final attack on Ouyang Yun.

"Hahahaha" Ouyang Yun got up, he immediately seized the opportunity to fight back.

"Damn bitch, you almost killed me" Ouyang Yun said to Xuan Mei, she almost killed him.

Xuan Mei stepped back for a moment, she clutched her hot chest.

"you shameless man" Xuan Mei said to Ouyang Yun.

Ouyang Yun is a shameless man.

Xuan Mei's condition was definitely not fine, she might be in trouble.

Chapter 2666 Xuan Mei Was In Trouble

"now you are in trouble, who will save you ?" Ouyang Yun said to Xuan Mei, now there will be no one to save Xuan Mei.

"I have to retreat first" Xuan Mei decided to retreat, she wouldn't be able to fight in her current state.

"Where are you going, I won't let you go." Ouyang Yun immediately stopped Xuan Mei.

He didn't let Xuan Mei leave this place, Ouyang Yun restrained Xuan Mei from leaving.

"This poison is annoying" Xuan Mei tried to chase Ouyang Yun away, it was a pity that the poison entered quickly, Xuan Mei didn't even have the chance to hold it back and she lost quite a lot of strength.

Due to Xuan Mei's weakened strength, Ouyang Yun could easily cripple her.

Xuan Mei was paralyzed by Ouyang Yun, Xuan Mei fainted on the spot after being punched in the neck by Ouyang Yun.

"Take her away for me, I'll take care of her after taking care of the injuries I have" Ouyang Yun said to the female slaves around.

They left immediately, they took Xuan Mei away from this place.

Meanwhile Ouyang Yun tended to his wounds which were caused by the attack from Xuan Mei.

"What a troublesome woman, where did she come from, I will make her regret for daring to injure me"
Ouyang Yun said.

.

.

Ye Chen woke up, he just got a little hint to use his sword.

"I did it" Ye Chen said to Chu Yuechan.

He managed to do very well once, he found the problem, it seemed that Ye Chen just needed to rest to find it.

"You found it ?" Chu Yuechan was shocked when she heard this, to be honest Chu Yuechan didn't expect Ye Chen to be able to do such a thing.

"I will start" Ye Chen said to Chu Yuechan, he will start to try it.

Ye Chen didn't know if he would succeed, maybe it would fail again like before.

Ye Chen didn't expect too much, he only hoped that he could use it to the best of his ability.

Ye Chen used the Divine Yin Yang Sword, he immediately practiced it using the Divine Yin Yang Sword.

Chu Yuechan came out, she looked beside Ye Chen, this time she wanted to see for herself what Ye Chen could do.

"I'll start" Ye Chen said to Chu Yuechan, he told Chu Yuechan to hide this place in case something happened.

Ye Chen started to focus, his whole body focused and he started to fuse with the sword, Ye Chen wanted to fuse with Yin Ying'er.

"Ying'er don't refuse it" Ye Chen said to Yin Ying'er, he told Yin Ying'er not to refuse him.

"I understand" Yin Ying'er understands, she will not reject Ye Chen, she is trying to unite her mind with Ye Chen.

If Ye Chen's guess was correct, this technique required a living sword, that meant a spirit sword was needed once.

It wouldn't be strange if Ye Chen failed, he really had misunderstood what happened, it got him into trouble for a few days.

This technique was a powerful technique, if Ye Chen was right, then Ye Chen didn't need to bother with a sword, he could counter the enemy with just sword intent and it could become a powerful and intense slash.

Chu Yuechan looked from the side, she had already set up a huge and super strong barrier, wondering if Ye Chen would succeed.

Chu Yuechan still didn't understand, she still didn't understand how Ye Chen had learned it.

"Slashes. . ." A powerful slash was sent out by Ye Chen upwards, it was so powerful that it made Chu Yuechan recoil from the overwhelming impact.

"Wait, what was that just now, I didn't see it at all." Chu Yuechan didn't see it at all, she didn't see what just happened at all.

Everything was fast and made Chu Yuechan not know what just happened.

The barrier that Chu Yuechan had created was hollow, obviously it was so strong that it could punch a hole in her own barrier.

"what was that just now" Chu Yuechan directly asked Ye Chen, she asked Ye Chen. I think you should take a look at

Ye Chen lowered his head, he looked exhausted after using such a powerful slash.

Ye Chen was sweating from using too much force.

Ye Chen needed a little rest, after a little rest, he should be fine

"It's indeed powerful, but it takes quite a lot of energy to use it, at my current level it's probably only 2x" said Ye Chen.

"I ask you, don't ignore me" Chu Yuechan said to Ye Chen, she scolded Ye Chen for ignoring her.

"I think I know the basics" Ye Chen said to Chu Yuechan.

Ye Chen explained to Chu Yuechan, he told the basic of the technique.

Ye Chen had been wrong all along, that technique was a sword technique that didn't need to be drawn quickly, it only needed a slight movement to produce a terrifying impact damage.

It was a technique of using the intention of the sword to destroy all things.

That technique was indeed formidable, but it was a shame that the consumption of profound energy was large, Ye Chen could only use it a few times.

This could be a technique to defeat a truly strong enemy, an ace to defeat an opponent far stronger compared to Ye Chen.

"This technique doesn't have a name yet, maybe you can give it a name." Chu Yuechan said to Ye Chen, she asked Ye Chen to give a name to the technique she had just perfected.

"Hmmm, let me think about it" Ye Chen wanted to think about it, he thought of a good name and made people tremble just by listening to it.

"Divine Sword Intent" Ye Chen thought of a good name.

"That might work" Chu Yuechan said to Ye Chen, what Ye Chen did might work.

"Alright, it's decided" Ye Chen said to Chu Yuechan.

"This will be Divine Sword Intent, I will refine it with my own hands, a great ancient technique" Ye Chen said.

"Applause" Chu Yuechan clapped her hands, she admitted that Ye Chen was really great.

"Hehehe, time to show it to Xuan Mei, how will she react" Ye Chen said.

"she's probably Go" Chu Yuechan said.

"Go?, where did she go?, don't tell me that she left me" said Ye Chen.

"no, she should be around this place" Chu Yuechan said that Xuan Mei was around this place.

"Then I'll look for her" Ye Chen decided to look for Xuan Mei, where did she go now.

"I will help you" Chu Yuechan said to Ye Chen, she wanted to help Ye Chen find Xuan Mei.

The two set off, they went to look for Xuan Mei, Xuan Mei should be around this place.

Ye Chen used his strength, that way he could find Xuan Mei.

"I found it" Chu Yuechan said to Ye Chen , she told Ye Chen that she found it.

"where ?" Ye Chen asked Chu Yuechan.

Chu Yuechan was much better than Ye Chen at finding things, why was Chu Yuechan's ability so much better than Ye Chen's.

"over there" Chu Yuechan said to Ye Chen.

Ye Chen immediately went to the place Chu Yuechan pointed at, he found the existence of a group that was doing packing.

"what group is this, a hunter" Ye Chen said to Chu Yuechan.

"a group of hunters, and it seems she is in this place" Chu Yuechan said.

"I will look for her" Ye Chen decided to find Xuan Mei's whereabouts, he used God Eyes to find Xuan Mei's whereabouts.

Chapter 2667 Divine Sword Intent

Ye Chen Using God Eyes to see through everything, he looked for Xuan Mei.

Ye Chen found Xuan Mei, he managed to find the whereabouts of Xuan Mei.

"found" Ye Chen found Xuan Mei, she was currently sleeping in a bed.

"why is she sleeping in this place instead, is she missing a bed in Sect" Ye Chen searched for a decent excuse.

"master, your reason is so unreasonable" Chu Yuechan said to Ye Chen, she told Ye Chen's reason was unreasonable.

"Then, can you explain it?" Ye Chen said to Chu Yuechan.

"to find out quickly meet her" she told Ye Chen to meet Xuan Mei.

"I will go" Ye Chen was about to do it, he went towards Xuan Mei's place.

Ye Chen drew closer, when he approached Xuan Mei, he could see that there was someone trying to enter inside the room from Xuan Mei.

Ye Chen saw this quite clearly, this person probably had a bad thought towards Xuan Mei.

"Who is that person?" Ye Chen didn't know, he didn't know much about the person who appeared just now.

Ye Chen didn't know Ouyang Yun, so it wasn't strange that he didn't know.

Ouyang Yun had recovered, he used pills to heal himself.

"What a troublesome woman" Ouyang Yun said to Xuan Mei, he was troubled when fighting Xuan Mei.

Xuan Mei was indeed difficult, she caused Ouyang Yun serious trouble.

Xuan Mei's injuries were quite severe, Ouyang Yun needed quite a bit of time to recover from them.

"Now is the time for revenge" Ouyang Yun wanted to take revenge, he wanted to avenge what Xuan Mei had done.

He touched Xuan Mei's body with his finger.

Xuan Mei's body was quite good, though not as mature as Jia Li's.

It's still so good, men will definitely drool when they see it.

That was no exception to Ouyang Yun who was a wicked man who only knew to have fun.

Ouyang Yun drew closer, he drew closer and started to touch Xuan Mei's body.

Ye Chen saw who it was, he felt that this person was not good enough.

Ye Chen couldn't let Ouyang Yun do this, Ye Chen decided to kick Ouyang Yun who was currently doing bad things to Xuan Mei.

Ouyang Yun just felt happy, he got a beautiful toy, when he was happy, someone kicked his body and bounced, this of course made Ouyang Yun shocked.

"Bastard, who is that?" Ouyang Yun shouted, he was angry at the person who kicked him.

Ouyang Yun just wanted to have fun, to think that someone would kick him onto the floor.

"keep your dirty hands away" Ye Chen said to Ouyang Yun.

He told Ouyang Yun to stay away from Xuan Mei, Ye Chen didn't like seeing Ouyang Yun touch Xuan Mei.

"Damn brat, where did you come from" Ouyang Yun said to Ye Chen, he asked where Ye Chen came from, why did Ye Chen bother himself, it made Ouyang Yun feel annoyed.

"I came to save her" Ye Chen said to Ouyang Yun.

"so you came to save her, then I will kill you here" Ouyang Yun said to Ye Chen.

Ouyang Yun looked at Ye Chen's cultivation.

Using his current strength and cultivation, Ouyang Yun could easily kill Ye Chen.

Ye Chen was only at the Immortal Refine Soul Realm stage, meanwhile Ouyang Yun was at the peak level of the Immortal sky Realm.

From this alone it is clear the difference in strength they have.

Ye Chen would not be able to win and survive an attack from Ouyang Yun

It seemed that Ouyang Yun would only use one strike to defeat Ye Chen, in Ouyang Yun's opinion one strike was enough to crush and kill Ye Chen.

"don't be arrogant ugly man" Ye Chen said to Ouyang Yun.

Ouyang Yun's face turned black when he heard the words spoken by Ye Chen. I think you should take a look at

He was angry at what Ye Chen had said.

"still dare to mock me, I will make you regret it, I will chop you" said Ouyang Yun.

Ouyang Yun stepped forward, he directly attacked Ye Chen using his full strength.

When Ouyang Yun used his full strength, there this place started to shake.

The earth shook violently when Ouyang Yun displayed his own ability.

"I will beat you" Ouyang Yun stepped towards Ye Chen, he drew his weapon towards Ye Chen.

"This is a pretty good time" Ye Chen wanted to try his own technique, this was the best time to test his strength.

Ye Chen took out the Divine Yin Yang Sword, he wanted to use the Divine Sword Intent.

Ouyang Yun ignored what Ye Chen was doing, he just continued forward and prepared to slash Ye Chen.

Ouyang Yun's goal was to kill Ye Chen, he didn't care about anything else.

For Ouyang Yun Ye Chen was not a worthy enemy, so Ouyang Yun was not wary of Ye Chen.

"die" Ouyang Yun shouted at Ye Chen, he told Ye Chen to die right now.

Ouyang Yun did, he slashed at Ye Chen using his full strength.

Where is this strength enough to easily kill a person at Ye Chen's realm.

"Slashes . . ." when Ouyang Yun's attack was about to hit Ye Chen, Ye Chen used Divine Sword Intent.

A light slash was launched by Ye Chen directly in front of Ouyang Yun.

A super powerful and super terrifying slash flew Ouyang Yun.

Ouyang Yun was completely unconscious, he didn't feel any attack from Ye Chen.

"slash . . ." the body of Ouyang Yun flew up, it disappeared into the sky.

The tent shattered and split into two pieces, everything around was crushed by the impact of Ye Chen's attack.

Ye Chen looked at the impact damage caused around him, it was much stronger than before.

"I'm out of profound energy" Ye Chen was out of profound energy, this drained all of his strength dry.

Ye Chen had already used Divine Sword Intent twice, it seemed that Ye Chen had reached his limit.

He could no longer use it, he was running out of profound energy.

"You do it, maybe he is destroyed" Chu Yuechan said to Ye Chen, with the power of Divine Sword Intent, Ouyang Yun may be destroyed, or the one who is dying.

"The important thing is that he has disappeared" Ye Chen said to Chu Yuechan.

Ye Chen didn't care about what happened to Ouyang Yun, now his focus was on Xuan Mei.

Ye Chen saw the condition of Xuan Mei, he drew closer and started to take a look at the condition.

What Ouyang Yun had done to Xuan Mei, Ye Chen was finding out.

"it seems to be a poison to an aphrodisiac" Chu Yuechan said to Ye Chen.

Ye Chen nodded, he and Chu Yuechan had the same answer.

"Even though she was only gone for a while, who knew that she would become like this" Ye Chen said.

"Are you going to save her or not?" Chu Yuechan asked Ye Chen.

"of course, would I have the heart to let her be like this" Ye Chen was going to save Xuan Mei.

Ye Chen took Xuan Mei away from this place, Ye Chen should find a safe place for Xuan Mei.

When Ye Chen came out, he saw that there were several people waiting, they had come to fight Ye Chen.

Ye Chen looked around, he saw that outside there were several people trying to restrain Ye Chen.

"Step aside" Ye Chen said to the people surrounding him.

Chapter 2668 Xuan Mei Needed Ye Chen (1)

"stop there and surrender yourselves" they said to Ye Chen, they told Ye Chen to surrender.

"Didn't you guys listen to what I said, go now" Ye Chen looked angry, he looked angry with what was in front of his eyes.

These people were just annoying, he was in a hurry to help Xuan Mei.

"If you don't listen to us, we will defeat you" they charged towards Ye Chen.

"Yuechan can help me" Ye Chen asked for help from Chu Yuechan.

Ye Chen's condition wasn't very good, which was why he had Chu Yuechan come over to help.

"Oh my, how could you run out of power" said Chu Yuechan.

Chu Yuechan was helpless when she said this.

"what else" Ye Chen said helplessly.

"Alright, I'll help you" Chu Yuechan was going to help Ye Chen.

Chu Yuechan decided to help Ye Chen, she came out and appeared in front of everyone.

Everyone saw the appearance of Chu Yuechan, they rarely saw a fairy race like Chu Yuechan.

"wow, how beautiful" they looked at Chu Yuechan, this woman is really beautiful.

Chu Yuechan smiled at everyone, she was like an innocent and innocent goddess.

"do it quickly" Ye Chen said to Chu Yuechan, he told Chu Yuechan to do it quickly.

"I'm having fun here" Chu Yuechan said to Ye Chen.

Chu Yuechan was enjoying this momentum.

"I don't have time for that" Ye Chen pointed out that he didn't have time for this kind of thing.

Xuan Mei needed Ye Chen even more right now.

"understood" Chu Yuechan understood, she would end quickly.

"Sorry, but I have to chase you all away." Chu Yuechan used a wave.

When Chu Yuechan used that thing, everyone flew up.

All of them were sent flying far enough by Chu Yuechan, they might never return to this place.

"it's over, they won't come again" Chu Yuechan said to Ye Chen, he told Ye Chen that they won't come again.

"That's great, please take care of the rest here for me, it looks like the monsters here need to be released to their original places" Ye Chen said to Chu Yuechan.

"Understood, I will do it" Chu Yuechan understood, she would do as Ye Chen said.

Chu Yuechan went to do the work Ye Chen ordered her to do, meanwhile Ye Chen brought Xuan Mei back to their place.

Ye Chen just left immediately, he brought Xuan Mei back.

There were no huts here, Ye Chen could only find a cave that Xuan Mei had previously used.

"It seems that it's fine here." Ye Chen felt that it would be fine here, it should be safe here.

Xuan Mei opened her eyes, the first thing Xuan Mei saw was Ye Chen.

"uh, Ye Chen you are here" Xuan Mei said to Ye Chen.

"Yes, I'm here" Ye Chen announced that he was here.

"what happened?" Xuan Mei said to Ye Chen.

Xuan Mei was still half awake, so she asked what happened to Ye Chen.

"You went and had an accident" Ye Chen informed Xuan Mei.

"is it like that." Xuan Mei looked very dizzy, she couldn't think as usual.

"are you okay" Ye Chen asked Xuan Mei, he wanted to know her condition and how she was feeling right now.

"hot" Xuan Mei said that she felt hot, all over her body felt hot. I think you should take a look at

And this is very uncomfortable, Xuan Mei feels very uncomfortable with what is happening right now.

"Don't worry, you'll be fine" Ye Chen told Xuan Mei.

Xuan Mei didn't listen to Ye Chen, she started to take off her dress.

"Looks like it started reacting, the body of Xuan Mei reacted and did such a thing.

Ye Chen was truly in trouble, he was in trouble when he saw what Xuan Mei was trying to do.

"don't do that thing" Ye Chen said to Xuan Mei.

If it continued like that, then Ye Chen might not be able to stand it.

"What is it?" Xuan Mei asked Ye Chen, she seemed innocent when she did such a thing.

"please don't do that kind of thing" Ye Chen said to Xuan Mei.

"but this is very inconvenient" Xuan Mei said to Ye Chen, she told Ye Chen that it was very inconvenient.

"You should be able to endure it" Ye Chen said to Xuan Mei, he told Xuan Mei to endure it.

"Xuan Mei understands, she will try to endure it, she doesn't know if she can do this thing, it feels uncomfortable.

Ye Chen was trying to help Xuan Mei, it was possible that Ye Chen could help Xuan Mei by using his hands.

Ye Chen's hand touched Xuan Mei, when Ye Chen did that, Xuan Mei started screaming.

"ah . ." Xuan Mei let out a seductive voice, to think that a heroic woman like Xuan Mei could do this kind of thing.

Xuan Mei was now nothing more than an ordinary woman in trouble, she was no longer a formidable fighter.

"ahhh, that's too good, it feels so comfortable" Xuan Mei said to Ye Chen, she told him that it felt very comfortable.

"Nothing can beat the feeling given by Ye Chen, this feeling feels so comfortable for Xuan Mei.

Ye Chen's hand moved, Ye Chen started looking for Xuan Mei's weak point.

Ye Chen observed Xuan Mei's reaction, that way he could know Xuan Mei's feelings right now.

Xuan Mei showed a satisfied face to Ye Chen, she seemed very satisfied with what Ye Chen was doing.

"this is very comfortable, I like it" Xuan Mei said to Ye Chen, she told Ye Chen that she was very satisfied with what Ye Chen did.

Xuan Mei couldn't take it anymore, she took off her clothes and started to show off her beautiful body.

Ye Chen is really helpless, in front of such an incredible thing, Ye Chen will not stand it.

Xuan Mei's body was toned, it seemed it was because she practiced a lot, finally got a moderately toned body.

Ye Chen couldn't help but stretched out his hand, he stretched out his hand towards Xuan Mei and started touching her.

"ummm . . ." Ye Chen touched Xuan Mei's double peaks, when Ye Chen did that, Xuan Mei made a super seductive moaning sound.

he seems to be enjoying this more than ever.

"that's great, touch me again" Xuan Mei said to Ye Chen.

"You won't mind ?" Ye Chen asked Xuan Mei.

"If it's you, I won't mind" Xuan Mei told him that she didn't mind, as long as it was Ye Chen she would take it well.

Xuan Mei's words were so moving, these were the words every man wished for.

"good words, I will do it" Ye Chen said to Xuan Mei.

Ye Chen touched Xuan Mei's double peaks, he touched and squeezed it firmly.

"Emmmm, kyah. . ." Xuan Mei's voice naturally leaked out, she let out a beautiful and melodious voice, a voice that made men get excited.

It was unexpected that Xuan Mei had such a strong charm, as a man Ye Chen would not be able to stand what Xuan Mei did.

"There's no way I can put up with this thing." Ye Chen said to Xuan Mei, the Xuan Mei in front of him was very tempting.

I'm only active in webnovel, other than that it's not me

Chapter 2669 Xuan Mei Needed Ye Chen (2)

Ye Chen became more and more aggressive, he didn't hold back anymore, Ye Chen now couldn't hold on anymore after coming this far.

"Come on, are you afraid" Xuan Mei said to Ye Chen, she asked Ye Chen to do it immediately, she wanted Ye Chen.

Ye Chen saw what Xuan Mei was doing, to be honest she was so tempting and Ye Chen wouldn't be able to beat this kind of temptation.

Xuan Mei knows how to flirt, she does it really well and can't be held back.

Ye Chen's hands were actively massaging Xuan Mei's, two rather decent mountain peaks were in Ye Chen's hands.

Ye Chen enjoyed this well, he touched Xuan Mei using feeling "Honestly Xuan Mei wouldn't be able to endure.

she was already on the verge of being defeated by Ye Chen, Ye Chen was almost unrivaled, his ability was too strong for Xuan Mei.

"Moreover, I like this" Xuan Mei said to Ye Chen, she told Ye Chen that she liked what Ye Chen did.

what Ye Chen did was very enjoyable, it was not strange that Xuan Mei liked this and asked Ye Chen for more.

Ye Chen was not very satisfied when he only touched Xuan Mei, he decided to start kissing Xuan Mei.

"ummm" Xuan Mei lips pecked by Ye Chen, Ye Chen pecked Xuan Mei lips.

"Chuuuu. ." Xuan Mei resisted a bit, she was unfamiliar with this feeling.

Ye Chen restrained Xuan Mei, that way Xuan Mei wouldn't be able to escape.

"you won't be able to for you" Ye Chen said to Xuan Mei,

After saying that, Ye Chen kissed Xuan Mei again.

Xuan Mei could only accept what Ye Chen did, she could only surrender when Ye Chen kissed her.

Some time later Xuan Mei felt comfortable with the feeling of a kiss given by Ye Chen, to be honest the feeling of kissing Ye Chen felt good.

"follow me" Ye Chen said to Xuan Mei.

Ye Chen said to follow himself, he wanted Xuan Mei to imitate what Ye Chen did.

their tongues intertwined, they began to entangle and do a beautiful adult kiss.

Xuan Mei quickly learned from Ye Chen, she copied Ye Chen's moves and started to do the same.

Ye Chen was satisfied, it seemed that there was nothing to teach Xuan Mei, Xuan Mei already knew what to do.

So Ye Chen only needed to enjoy it.

Both of them do mature kiss in some time.

"I want to do it" Xuan Mei said to Ye Chen, she climbed on Ye Chen's body.

It looked like Xuan Mei couldn't wait to do it, she really was an aggressive woman.

This time it was Xuan Mei's turn to touch Ye Chen, Xuan Mei touched Ye Chen with her hand.

Using her hand, she touched Ye Chen's body.

Xuan Mei opened Ye Chen's body, she saw that Ye Chen had a perfect and beautiful body.

"your body is perfect, you must have trained it well" Xuan Mei said to Ye Chen.

"I trained it well, it should be able to make women like it" Ye Chen said to Xuan Mei.

"Women would definitely like it" Xuan Mei agreed with what Ye Chen said, women would definitely like this kind of thing.

Xuan Mei was the same as Jia Li, Ye Chen didn't need to teach her, it seemed she already knew what to do in their current situation.

Xuan Mei took off Ye Chen's clothes, she only needed a few seconds to take off everything that belonged to Ye Chen.

"um, it's big" Xuan Mei said to Ye Chen, she told that Ye Chen has something big down here.

Xuan Mei felt shocked, this was the first time she had seen this kind of thing, Ye Chen was probably the greatest among men. I think you should take a look at

Xuan Mei was curious about this, she touched Ye Chen's and started holding it.

Ye Chen felt comfortable when Xuan Mei touched his thing, Xuan Mei's sense of touch was so comfortable, Ye Chen liked this thing well.

"It's only getting louder" Xuan Mei said to Ye Chen, she told him that it was getting louder and louder.

It was because of Xuan Mei, Xuan Mei was the one who made Ye Chen what she is now, if it wasn't for Ye Chen, Ye Chen probably wouldn't be like this.

Because Xuan Mei teased Ye Chen, Ye Chen decided to flirt back, he touched Xuan Mei who was in front of him, he again touched Xuan Mei's Double peak.

With that Xuan Mei groaned again, she felt good when she was touched by Ye Chen.

"no" Xuan Mei said to Ye Chen, she couldn't stand it and let out a cute voice.

Ye Chen liked Xuan Mei's cute voice, he was getting harder and harder in squeezing Xuan Mei's double peaks.

Xuan Mei couldn't stand it, she fell on top of Ye Chen's body, the feeling was pleasant and she couldn't hold on anymore.

"too fun, I can't stand it" Xuan Mei said to Ye Chen.

It seemed that Xuan Mei had just reached the peak, which made her fall down and helpless.

"pleasant ?" Ye Chen said to Xuan Mei.

"um" Xuan Mei nodded, she told Ye Chen that this felt quite pleasant, she liked the feeling that Ye Chen gave her.

"then make me comfortable too" Ye Chen said to Xuan Mei.

Xuan Mei understood, she started to go downstairs.

Xuan Mei caressed every inch of Ye Chen's body, she made Ye Chen feel as comfortable as possible.

Xuan Mei has pretty good techniques, it seems her knowledge is pretty good.

Since Xuan Mei had lived for a long time, she of course knew the basic techniques for dual cultivation, it would not be strange for her to be a bit experienced compared to women who had never done it.

Xuan Mei started to open her mouth, she served little brother Ye Chen.

Ye Chen felt comfortable, he just felt a warmth in his body.

Ye Chen knows what Xuan Mei is doing, Xuan Mei is doing it, she is doing very well, Ye Chen is happy with what Xuan Mei is doing.

Xuan Mei's technique could be said to be still quite an amateur, she didn't know how to quickly make Ye Chen comfortable.

Even so, Ye Chen still appreciated it, he appreciated what Xuan Mei did, in his opinion, what Xuan Mei did felt very comfortable.

Xuan Mei liked this feeling, she liked when she ate Ye Chen's big thing.

"It's delicious" Xuan Mei said in her heart, the taste is too pleasant.

"Slurp . . ." Xuan Mei made a lewd sound, to think that she would make such a sound.

Xuan Mei couldn't help herself, she couldn't help herself and tried to suck Ye Chen dry.

Ye Chen himself was trying to defend against Xuan Mei's attack.

Ye Chen felt that Xuan Mei was getting better, somehow she was getting better and better, it was probably because Xuan Mei learned from her mistakes and tried to do her best.

Ye Chen didn't know that Xuan Mei could do this, he was really spoiled by Xuan Mei.

"Ummm. . . very good" Xuan Mei said to Ye Chen, she told Ye Chen that this is comfortable.

"I also feel the same way" Ye Chen said to Xuan Mei.

Both of them felt the same way, they were both happy.

I'm only active in webnovel, besides that it's not me

Chapter 2670 Dual Cultivation With Xuan Mei

Ye Chen enjoyed it, Xuan Mei did very well.

Ye Chen held Xuan Mei's head.

He wanted to make Xuan Mei move faster.

Xuan Mei was forced by Ye Chen, she could only do what Ye Chen told her to do.

Xuan Mei's movement became faster, it was faster and made Ye Chen feel more comfortable.

Xuan Mei could only surrender, she moved her head even faster.

Ye Chen was satisfied, he felt the comfort from Xuan Mei, a feeling that Ye Chen was really addicted to.

"This is for you" Ye Chen said to Xuan Mei, Ye Chen gave a gift to Xuan Mei.

Ye Chen gave a good thing to Xuan Mei.

Xuan Mei didn't know what would happen, her experience had not reached this point yet, so when Ye Chen was about to give his Yang Qi, Xuan Mei didn't know anything about this matter.

"mmmm" Xuan Mei felt something coming out, it filled her.

Xuan Mei intended to retreat, but Ye Chen stopped her, Ye Chen's hand made Xuan Mei unable to retreat, she could only endure this thing, there was nothing Xuan Mei could do about this matter.

"Glup. ." Xuan Mei could only drink it all, after everything was finished Ye Chen let go of Xuan Mei.

"cough . ." Xuan Mei slightly choked lightly.

"very convenient" Ye Chen said to Xuan Mei.

"That was suffocating me just now" Ye Chen said to Xuan Mei.

"don't you like it" Ye Chen said to Xuan Mei.

Xuan Mei turned red and fell silent when she heard what Ye Chen said.

"Hahahaha" Ye Chen chuckled, it seems that Xuan Mei is embarrassed, it is so funny.

Seeing Xuan Mei embarrassed was so cute to Ye Chen, Ye Chen liked seeing her like that.

Xuan Mei recovered, she really liked the previous feeling, it was too delicious just now.

The Yang Qi that Ye Chen possessed was too rich, it was very suitable for Dual Cultivation.

Ye Chen held the body of Xuan Mei, he was ready to do it.

"what are you going to do" Xuan Mei asked Ye Chen, she wanted to know what Ye Chen would do.

"let's do just that" Ye Chen whispered in Xuan Mei's ear.

"ahhh. ." Xuan Mei became weak, Ye Chen made her weak by Ye Chen's breath.

Her body was getting weaker, she was currently in Ye Chen's arms.

"ready ?" Ye Chen said to Xuan Mei.

"let's do this" Xuan Mei said to Ye Chen, it seems that the poison has reached its peak, Xuan Mei can no longer hold back the passion she feels.

Ye Chen could understand what Xuan Mei was feeling, that's why Ye Chen made Xuan Mei feel as comfortable as possible before getting her.

Ye Chen used his big thing, Xuan Mei honey cave was ready to welcome Ye Chen's arrival.

"It's ready" Ye Chen asked again.

"Go on, don't scare me" Xuan Mei said to Ye Chen.

"understood" Ye Chen understood, he started.

Ye Chen entered, he visited a place that no one had ever been to.

"ummm. . ." Xuan Mei was trying to endure it, she was trying to resist the invasion of foreign bodies.

It's quite painful, I didn't think it would hurt so much.

Xuan Mei seemed to be able to withstand it quite well, she could hold it very well, so Ye Chen didn't need to hesitate anymore.

"then I'll start" Ye Chen said to Xuan Mei.

"Um, slow down, I'm not used to it yet" Xuan Mei said to Ye Chen, she hugged Ye Chen with both arms of hers.

"Of course, I will do it slowly" Ye Chen understands, he understands what Xuan Mei feels, because of that Ye Chen will be a little slow. I think you should take a look at

Ye Chen moved, he pumped lightly.

Xuan Mei felt something strange, an inexplicable feeling, it was comforting to her brain, every part of her body was enjoying this.

"So nice" Xuan Mei already liked it, she forgot the first time feeling.

"ahhh, more, baby" Xuan Mei said to Ye Chen.

In just a short moment, Xuan Mei had given up, she had given up and was easily captured by Ye Chen's strength.

Ye Chen of course started to get rougher, he moved faster and stronger.

"Ahh. ." It touched the very edge, every time it moved, Xuan Mei felt that she was going crazy.

Xuan Mei's moans became louder and louder, indicating that she was satisfied with what Ye Chen was doing.

"do me baby" Xuan Mei said to Ye Chen.

"I see, so you like being abused" Ye Chen said to Xuan Mei.

"harder, it's fun" Xuan Mei said to Ye Chen.

she liked it when Ye Chen was rough, it felt really comfortable when Ye Chen was rough.

Ye Chen became more and more rude, he liked to do it hard and didn't hold back.

If this wasn't Xuan Mei, surely they wouldn't be able to stand Ye Chen's strength.

It was fortunate that Xuan Mei was strong, she had put in a lot of physical training, that was why she was able to survive.

Xuan Mei's stamina seemed to be equally strong, so there was no need to worry about what would happen next.

Several minutes later Xuan Mei had already reached her limit, she had gotten Ye Chen's pleasure.

Ye Chen still continued, he ignored Xuan Mei and kept moving.

This of course made Xuan Mei even more happy, the feeling she got was too strong.

Every bone in Xuan Mei's body trembled, the pleasure she got was too strong for Xuan Mei.

"This is bad, but I like it" Xuan Mei felt that this was bad and she probably wouldn't survive, even so she was happy with what Ye Chen was doing.

Xuan Mei couldn't stand it, she did it with Ye Chen for more than one whole day.

Xuan Mei's technique might be ordinary, but Xuan Mei's endurance was truly extraordinary.

Ye Chen had done it several times, this was probably the fifth time he had done it.

Every time Ye Chen finished, they would continue again and Ye Chen was squeezed by Xuan Mei.

"This is so bad, I can't stand it" Ye Chen said to Xuan Mei, it seemed that he had also reached his limit for the fifth time.

"do it, give it to me" Xuan Mei wanted to, it seemed that she liked doing it with Ye Chen, she was happy when Ye Chen poured her own essence, it was really convenient.

"arghhhhh" Ye Chen gave it to Xuan Mei, Xuan Mei fully accepted it, she also reached the limit.

"ahhhhhh " Xuan Mei was completely satisfied, they did it again and again, it made Xuan Mei unbearable and filled by Ye Chen

Xuan Mei had already reached her limit, it looked like she was sleeping because she was tired.

Ye Chen was also quite tired, even though he had run out of profound energy earlier, it was unexpected that he could still do that.

Ye Chen looked at Xuan Mei, it seemed that Xuan Mei was completely tired.

Ye Chen covered the body of Xuan Mei, it seemed that Xuan Mei needed a proper rest.

Ye Chen hugged her, the two of them slept together inside a dark and slightly damp place.

Meanwhile Chen Xing felt something happening, she felt a similar power as before, the difference was so slight that it would probably be hard to find.

"I didn't expect that woman was right, it seems that person is still alive and around, maybe I should look for her" Chen Xing tried to look for Ye Chen.

It would seem that Yin Zeniyu was right about what just happened, that person was still alive and somewhere.
