

True God 2711

Chapter 2711 Bai Yuli

"You are right, I will keep this thing" Ye Chen agreed, he will keep this thing for himself to use.

Ye Chen kept the pendant, after that Ye Chen proceeded to find an inn because he was lazy to return to the Sect.

Ye Chen found a pretty good inn, tonight Ye Chen can spend the night in this place for a while.

Ye Chen was lying on the bed, he was enjoying his own time quite well.

Ye Chen tried to sleep, too bad he still couldn't because he was thinking about something, he was thinking about what Xuan Mei and Jia Li were doing.

Ye Chen wished that they didn't fight as usual.

"I hope they are okay" Ye Chen hoped that they were okay.

"Why didn't I see the pendant I got, I wonder what it is" Ye Chen decided to look at the pendant he had gotten, he wanted to know what Ye Chen got.

Ye Chen took it and started to look at it, Ye Chen realized that there was something hidden inside.

Ye Chen decided to open it, when he opened it, he saw a beautiful female figure inside the pendant.

Ye Chen said honestly, the woman in the photo was indeed very beautiful, Ye Chen would not be able to refute it.

The carvings inside are lifelike, this is like a beautiful goddess descending from the sky.

"Is this just a picture or the real owner, I want to take a look" Ye Chen wants to see the owner, is this his or not.

"You think the owner is a beautiful woman" Chu Yuechan appeared, she asked Ye Chen.

"Of course, she must be a woman, there's no way a man would keep something as pretty as this" Ye Chen said.

"You're right too." Chu Yuechan agreed with what Ye Chen said, there was no way a man would wear such a thing.

"Well, I hope to meet the owner, we can't keep other people's things" Ye Chen said.

"It's up to you, I want to rest" Chu Yuechan said.

Chu Yuechan rested, she put on the bed beside Ye Chen.

It just so happened that Ye Chen ordered a double bed, because this was the only thing there was.

Ye Chen felt that it was a waste of time to find another place to stay the night, so he decided to take this room for a small extra price on expenses.

Ye Chen decided to rest, rest was very important for Ye Chen's body that had just recovered.

.

.

Meanwhile, the owner of the pendant that Ye Chen was currently wearing was confused, she was at a loss to find the whereabouts of the item that belonged to her that was currently in Ye Chen's hands.

"Did you find it?" the beautiful woman asked the maid who was looking for her locket.

"Young lady, this is very difficult for us, we have been looking for it, but there is no result" they gave a report.

"what should I do to find my item" she looked already desperate, this beautiful woman was already desperate when she heard this, it seemed there was no chance for her.

"How about we just make a competition, that will make it easier for us, with Miss ability, everyone will definitely want to help" the maid told what they could do.

"That's a pretty good idea to do, then I'll try that way" she will try the idea.

"The woman said she would give it a try, it was quite a precious item, she would not let something like that disappear because it was priceless.

"This woman is one of the beauties, even if she isn't one of the 10 beautiful goddesses, she can still be on par with them, and has a delicate and feminine face.

Her name is Bai Yuli, the woman of the family who is talented and has excellent literature.

Bai Yuli had an excellent reputation, she was skilled in literature and respected by many, she was one of those women that many men wanted.

If Bai Yuli wanted to ask for help, she could easily do just that.

Bai Yuli decided to ask everyone for help, only then, would she be able to get her pendant back.

"Tell this to everyone present, if they can find my pendant, I will invite them to eat with me" she said to the waiter to continue what she said.

The maid and guards were shocked when they heard this, they did not expect that young miss would give gifts like this, there would definitely be a lot of people joining if they heard this.

"do it quickly" Bai Yuli told to do it quickly.

"we understand" they understood, they immediately left to pass on Bai Yuli's orders.

The news about Bai Yuli attracted the attention of many people, that very night the surroundings of the city immediately became lively and everyone went to look for pendants.

Everyone immediately left the city, they all left the city to look for Bai Yuli's items.

Obviously everyone would be interested in trouble, this was a good situation because they could be together with Bai Yuli, having dinner with Bai Yuli was something that ordinary people probably wouldn't imagine, so it wouldn't be strange for everyone to try to go and try their luck.

Bai Yuli quite famous, it's not strange that everyone in this place wants to be with her, she's a star to everyone.

Because of what happened, the city became quite deserted, the bustling city became deserted because of what was happening right now.

They all went out of town to get the pendant from Bai Yuli that was missing.

The search will continue until morning, they will not give up before they get it.

It's going to be a long night for everyone, they should be able to get their hands on the item before the others do.

.

.

Morning finally came, Ye Chen woke up and started to stretch his body.

Ye Chen didn't see Chu Yuechan, probably she had already returned inside the fairy gate.

Ye Chen opened the window, he wanted to look outside and get some fresh air.

When Ye Chen looked out the window, he found that the streets were very quiet, barely anyone passing by.

"eh, why is it so quiet?" Ye Chen didn't find anyone around, only a few carts that had been abandoned by their owners since the night.

"Hmmm, you are absolutely right, it is very quiet, there are only a few people around, what happened to this town" Chu Yuechan said.

Chu Yuechan only found a few people around them, it seemed that they were all as ignorant as Ye Chen.

"I will find out" Ye Chen decided to find out what happened.

Ye Chen came down, he immediately went to meet the inn keeper, Ye Chen wanted to know what happened.

"It just so happened that there was only one person working, while the others had gone to look for Bai Yuli's pendant.

"Hey, what's going on, why is the city so quiet, wasn't there a lot of people last night?" Ye Chen asked.

"don't you know?" he asked Ye Chen.

Chapter 2712 Bai Yuli Went Into The Forest

"I don't know anything, can you explain it to me" Ye Chen asked for an explanation, he didn't know anything.

"Last night there was a contest to find Bai Yuli's pendant, everyone was out of town looking for it"

"Who is it, who is Bai Yuli?" Ye Chen didn't know who it was, he had never heard of such a name.

"You don't know, have you never gone out and lived in a cave" he asked Ye Chen.

His reaction was obvious, he questioned Ye Chen.

Ye Chen was only a few months old, so it wasn't strange that many of him didn't know of this place.

"To be honest I don't know about it, I'm still new here and have undergone quite a long and hard training" Ye Chen informed that he was still new and an amateur.

"It's not strange that you don't know about it, I can understand" He finally understood why Ye Chen could not know about this matter.

"so can you explain it to me" Ye Chen asked, he was interested when he listened to Bai Yuli.

"Bai Yuli is a beautiful woman, she is an expert in poetry and composes beautiful words, quite a lot of people like her, plus she can also sing quite beautifully" he said to Ye Chen.

The innkeeper told Ye Chen what Bai Yuli could do.

"Bai Yuli is a woman who can do everything, she is a great woman who is proficient in languages, her stature is also beautiful, she can be compared to the list of beautiful goddesses" the inn keeper said to Ye Chen.

"Plus he just made a contest for the person who can find his pendant, I heard that the one who can will have the chance to have dinner with such a beautiful woman, how jealous" he said enviously to the person who could do it.

"You are not going" Ye Chen asked.

"No, I know what skills I have, it's better to work and earn more, there are a lot of strong people out there looking, there might be a war if someone finds them" he said to Ye Chen.

They will definitely fight, there will be a war if anyone finds him.

Ye Chen finally realized what could happen, this might become a pretty bad situation.

"master, wouldn't this be a bad thing for you" Chu Yuechan said to Ye Chen.

He told Ye Chen that this would probably be a bad thing.

"That's right, maybe I should hide, otherwise I will be caught by them" Ye Chen said.

Ye Chen understood the current situation, he might be targeted for bringing Bai Yuli's pendant.

"I will return it when the situation improves" Ye Chen announced that he would return Bai Yuli's when the situation improves.

Ye Chen decided to go further training, around town was not a safe place for Ye Chen right now.

Everyone kept looking day and night, they didn't know that it was in Ye Chen's hands and they were just wasting their time looking for it.

Ye Chen himself trained in the deeper forest fighting monsters, he got stronger and stronger when fighting enough monsters.

He spent time in that place up to several days.

Many people were still looking for Bai Yuli's pendant, while many people had given up and decided to return to their jobs, they still had to work to live in this harsh world.

Bai Yuli was confused, it had been a few days, but there was no good news, as if everyone couldn't find it.

With everyone Bai Yuli had mobilized, she should be able to easily get her pendant back, but the results were poor and she didn't get what she was looking for.

"Young lady, no results, do we need to stop this search" the guards asked Bai Yuli, they had searched for quite a while and couldn't find it, it was probably already lost and would never be found. I think you should take a look at

"I still haven't given up" Bai Yuli still didn't give up, but people and everyone seemed to have grown tired of searching.

"then tell everyone to take a break, they seem to be looking too hard." Bai Yuli said to let people rest, they need it.

"Got it" they were happy, they finally got to rest and everyone made good use of it.

Because everyone was tired, Bai Yuli decided to look for it herself, she wanted to look for her own thing.

Bai Yuli went out, she was looking for her own pendant, she didn't want to bother others anymore.

With Bai Yuli's ability, she could easily leave this place, she didn't need any guards to guard her.

Bai Yuli went into the forest, before she went there to look for something, maybe it fell there.

Bai Yuli entered the forest, she took a risk to enter this place.

"Boom. . ." As Bai Yuli went deeper, she heard a sound of fighting, it seemed that there were other people in this forest.

"There is someone else, is they fighting?" Bai Yuli was curious, who was here.

pandasnovel.com she drew closer towards the source of the sound, she followed the sound and finally arrived at the scene of the battle.

Bai Yuli saw a person fighting against a huge snake, a huge snake with three heads attacked the person.

The person who was fighting was Ye Chen, coincidentally Ye Chen found a suitable monster to fight with.

"take this" Ye Chen attacked using physical strength, Ye Chen's attack made the defense of the three headed snake collapse.

The snake possessed a tough scale to defend against, it was a pity that it was easily crushed by Ye Chen's powerful attack filled with terrifying power.

"Bam . . ." Ye Chen hit the snake, he made the snake into a punching bag.

From afar, Bai Yuli saw what Ye Chen was doing, she saw Ye Chen fighting recklessly.

"he was too reckless in battle" Bai Yuli gave an opinion on Ye Chen's way of fighting, against such powerful monsters without sufficient defense.

This monster has a rather strong poison, if it gets hit, then it will be a dangerous thing, especially if Ye Chen is alone in the forest, so it will endanger Ye Chen's life.

Even so Ye Chen was still very relaxed, he didn't find it difficult to fight against the monsters in front of him, poison wouldn't be able to hurt Ye Chen either.

"Blam . . ." Ye Chen continuously threw powerful punches, he threw super strong punches at the enemy, with that he continuously made the enemy retreat.

The snake monster's body was already badly damaged, it was already damaged too much and it wouldn't last long to resist Ye Chen's attack.

"die" Ye Chen decided to use the last strike against the monsters, time to finish the snake monsters.

When Ye Chen was about to smash, the monster spat poison venom towards Ye Chen, it seemed that he would not accept defeat easily.

"Be careful" Bai Yuli was worried about Ye Chen, she was worried about Ye Chen's current state, the current Ye Chen was in danger.

Ye Chen didn't dodge, he just needed to charge forward to defeat the enemy.

What Ye Chen was doing was too reckless and reckless, Bai Yuli didn't dare to look at what Ye Chen was doing.

Ye Chen advanced and penetrated through the poison, the poison from the enemy was unable to injure Ye Chen.

The poison was quite strong, it could even melt the ground easily and make a hole in the ground.

Chapter 2713 Ye Chen Met Bai Yueli

"I will beat you" Ye Chen stepped forward, he fought the snake in front using his full strength.

Ye Chen's "boom" smashed the enemy into pieces, the snake monster was broken into pieces by Ye Chen's attack.

pandasnovel.com With that the battle was won by Ye Chen, Ye Chen won easily and was unscathed.

"That was pretty hard" Even though it looked easy to beat, the previous monster had a hard and tough skin.

"It's good for practice" Chu Yuechan said, Chu Yuechan told Ye Chen that it was good for practice.

"This place is really very good, it seems that I will be in this place for a long time." Ye Chen continued to train in this place, he was almost close to breaking through to the next realm.

"I'm happy to hear that, but there is a visitor for you" Chu Yuechan said to Ye Chen, she told Ye Chen that there was a visitor for her.

"visitor ?" Ye Chen's just realized about this, he just realized that someone is coming.

"who is it" Ye Chen tried to figure out who it was, when Ye Chen was looking around, he saw a beautiful female figure far behind.

"a beautiful woman, why didn't you tell me earlier" Ye Chen said to Chu Yuechan.

"Look at your eyes, they immediately shine when they see beautiful women" Chu Yuechan said to Ye Chen.

"This is a normal man's reaction when he sees a beautiful woman" Ye Chen said to Chu Yuechan.

"Is that so" Chu Yuechan said to Ye Chen.

Chu Yuechan didn't seem too happy about this.

Ye Chen ignored Chu Yuechan, he had to greet the other party.

There was no way Ye Chen would ignore the beautiful woman coming towards him.

"Hello there, why don't you come out" Ye Chen said to the other party.

"eh? ? ?" Bai Yuli was shocked when she found out that if Ye Chen found her, she had hidden herself well and there was no way for Ye Chen to find her.

"What's going on in this place?" Bai Yuli didn't understand, she didn't understand what was happening here, what happened here was quite confusing.

It's not strange for Bai Yuli to be confused with Ye Chen, it's because she doesn't know the method Ye Chen used to find her, what Ye Chen used to find Bai Yuli's whereabouts.

"he found me, I should probably leave this place" Bai Yuli decided to leave this place, she didn't seem to want to see Ye Chen.

"Uh, why did she leave?" Ye Chen saw that Bai Yuli left.

"Maybe she's afraid of you, you look like you're going to kidnap her" Chu Yuechan said jokingly to Ye Chen.

"That's impossible, my appearance doesn't look like a villain" Ye Chen said.

Ye Chen didn't look like a criminal, so there was no way he would kidnap women.

"want to chase her?" Chu Yuechan said to Ye Chen.

"Of course why not, we should at least get acquainted, he is also familiar to me." Ye Chen naturally wanted to chase after her, he chased after Bai Yuli quickly.

With that Ye Chen chased after Bai Yuli, he chased after the fleeing Bai Yuli.

Ye Chen used his top speed to catch up to Bai Yuli, with that Ye Chen quickly caught up with Bai Yuli.

Ye Chen finally arrived in front of Bai Yuli, he stopped Bai Yuli who was running away.

"Hey miss, why did you run away" Ye Chen asked Bai Yuli.

Bai Yuli was shocked when she saw Ye Chen already in front of her, since when had Ye Chen been in front of her.

"since when were you there ?" Bai Yuli asked Ye Chen, since when was Ye Chen there.

"Since earlier" Ye Chen informed that he had been there since earlier.

"eh? ? ??" Bai Yuli was of course shocked when she heard this. She didn't know how fast Ye Chen was, how Ye Chen caught up with her so quickly. I think you should take a look at

"no way" Bai Yuli said to Ye Chen, Ye Chen couldn't possibly chase her.

Bai Yuli looked confused when she saw Ye Chen, she didn't understand about Ye Chen.

"Hehehehe" Ye Chen smiled, he smiled when he saw what happened.

Ye Chen looked Bai Yuli up and down, he saw that this woman was quite beautiful with straight long black hair that looked shiny, she also wore some flower ornaments on her hair and wore a beautiful and patterned dress.

It could be said that Bai Yuli's appearance was beautiful, Ye Chen would give Bai Yuli's appearance a high score.

"I didn't expect that there would be such a beautiful woman in the forest" Ye Chen said to Bai Yuli.

"what's wrong?, have you never seen a beautiful woman?" Bai Yuli said to Ye Chen.

"Of course I've seen it, that's why I said you're beautiful" Ye Chen said.

Ye Chen was good at praising, it naturally made Bai Yuli happy.

"This forest is quite dangerous, what are you doing in this place?" Ye Chen asked Bai Yuli.

Ye Chen wanted to know why Bai Yuli came to a place like this, this kind of place was not suitable for Bai Yuli.

"I'm looking for something" Bai Yuli said.

Bai Yuli saw that Ye Chen didn't know about her, this was the first time she saw someone who didn't know anything about Bai Yuli.

"So you're looking for something, then I might be able to help you." Ye Chen said to Bai Yuli.

"I'm afraid it will be troublesome for you" Bai Yuli did not like Ye Chen, she didn't want to bother Ye Chen.

"No problem, I'm also practicing here," Ye Chen said to Bai Yuli.

Ye Chen said that he was training in this place, so it would be fine if he helped.

Bai Yuli had no more reason to refuse, she couldn't refuse Ye Chen.

"Am I unable to refuse him?" Bai Yuli had to find a good reason to reject Ye Chen.

"but I have to go back" Bai Yuli said to Ye Chen.

Bai Yuli decided to find a reason to escape, she could escape with one.

"Too bad" Ye Chen said to Bai Yuli.

Bai Yuli saw Ye Chen, it seemed that Ye Chen was disappointed.

Bai Yuli may be a little interested in Ye Chen, she is an attractive man and has a very good appearance, it can be said that Ye Chen is a handsome person according to Bai Yuli.

"Then I'll go" said Bai Yuli, Bai Yuli decided to leave.

Bai Yuli stepped forward and was about to leave, when she was about to leave this forest, she bumped into something.

"Ouch . ." Bai Yuli didn't see and didn't know what had just blocked her path.

"What is this?" Bai Yuli wanted to know what it was, what was blocking it.

When Bai Yuli touched it, she felt something extremely hard, it felt like a wall.

"What's this?" Bai Yuli didn't remember something like this existing, she didn't know that something like this existed in front of her.

This was the dimensional wall created by Ye Chen, it might still not be as strong as the Sage God could create but even so, it was enough to stop Bai Yuli.

Ye Chen's aim was very clear, he stopped Bai Yuli from leaving this place, he didn't want Bai Yuli to leave this place.

Ye Chen knew that Bai Yuli was avoiding him, that's why he built a wall to block Bai Yuli's escape route.

"Maybe this is a barrier, I will destroy it." Bai Yuli decided to destroy the wall in front of her.

Chapter 2714 Prevented Bai Yueli From Escaping

Bai Yuli thought that this was just an ordinary barrier, so she thought that she could break it easily.

Bai Yuli used her own ability, she tried to destroy the barrier that was in front of her.

Using all the abilities she had now, she might be able to do it.

"wait first" Ye Chen said to Bai Yuli, he told Bai Yuli to stop.

Bai Yuli didn't listen to what Ye Chen said, she concentrated all her strength in her palm and started to attack the wall ahead.

"Boom" an explosion occurred, an explosion occurred when Bai Yuli tried to destroy the dimensional wall created by Ye Chen.

Bai Yuli used her bare hands, she used her bare hands to smash the barrier.

"Ouch . . ." Bai Yuli's hand was injured, she didn't know what was ahead, but it was extremely strong and indestructible.

Even Bai Yuli's hand was hurt because of that.

"What is this, this is so hard" Bai Yuli didn't know what kind of thing it was, it was so hard that it made Bai Yuli's hand hurt.

Ye Chen only smiled when he saw what Bai Yuli was trying to do.

Ye Chen wanted to stop what Bai Yuli was doing, too bad Ye Chen was too late.

And Bai Yuli didn't seem to be listening to what Ye Chen said.

"Don't do anything reckless, look at you get hurt" Ye Chen said to Bai Yuli.

Ye Chen took a hand from Bai Yuli, he started to apply the ointment to Bai Yuli.

Bai Yuli was surprised by what Ye Chen did, this was the first time someone had done that to Bai Yuli.

This was Bai Yuli's first time, she was the first time allowing someone other than her own family to do this.

Ye Chen gave medicine to Bai Yuli, Bai Yuli didn't resist and let Ye Chen do it.

Ye Chen admired Bai Yuli's hand, it felt soft to the touch, it was very comfortable to touch something like this.

"ummm. . . ." Bai Yuli groaned when Ye Chen touched her, the feeling of being touched by Ye Chen was too comfortable.

Bai Yuli felt comfortable, for some reason she didn't feel pain when touched by Ye Chen, instead she enjoyed what Ye Chen did, the feeling of being touched by Ye Chen was too comfortable for her.

Bai Yuli was happy, she enjoyed what Ye Chen was doing.

Ye Chen treated Bai Yuli very well, he ensured that Bai Yuli felt comfort from his technique.

she liked this feeling well, she probably wouldn't forget this feeling.

"There's something wrong with her" Ye Chen saw something wrong with Bai Yuli, it seems that her living condition is very weak.

Ye Chen didn't find an illness, so that meant this was purely Bai Yuli's weak vitality.

Ye Chen didn't know what happened, it was possible that Bai Yuli was hiding something from him.

"Your body's condition is a little strange." Ye Chen said to Bai Yuli.

Bai Yuli finally came to her senses, she realized when she heard what Ye Chen said.

Bai Yuli was shocked when she found out that Ye Chen had already realized what had happened.

"You know my condition" Bai Yuli asked Ye Chen, she was aware of Ye Chen's current condition.

"Of course, I am aware of your current state." Ye Chen was aware of Bai Yuli's condition.

Bai Yuli was shocked when he heard this, how could Ye Chen know what happened.

"I see" Bai Yuli said to Ye Chen.

Bai Yuli couldn't hide anymore, Ye Chen already knew everything.

"So what about you" Ye Chen asked Bai Yuli, he wanted to know what happened to Bai Yuli.

"I've been in this condition since I was young, it's probably because when I was little I got a strange injury and my vitality became what it is today," said Bai Yuli.

Bai Yuli had told him that she was like this because of a past injury, that was a long time ago.

"wound ?" Ye Chen saw that Bai Yuli's condition was fine, her entire body was fine, there was nothing wrong with Bai Yuli's body.

"Master, it's not her body that's injured, one could say it's the soul within her body that's injured and can't be healed" Chu Yuechan said.

"That's really hard, if it's like that, it will be a problem" Ye Chen said to Chu Yuechan.

Ye Chen himself probably couldn't do something about the matter.

"Items needed to perform healing" Chu Yuechan said.

"items?" Ye Chen finally knew what it was, he knew what Bai Yuli needed.

"It seems you have your own problems." Ye Chen said to Bai Yuli.

"of course, I have my own concerns about it." Bai Yuli had her own concerns about matters.

"This is a serious matter and may be quite difficult" Bai Yuli said to Ye Chen.

"You need an item to heal yourself, and it will definitely be hard to find," Ye Chen said to Bai Yuli.

extremely difficult, such an item was extremely rare and wouldn't be sold if someone found it, they would definitely use it themselves, because it strengthened the soul and made the user stronger mentally and mentally as well.

Ye Chen himself had never seen that thing before, it was a soul strengthening pearl, an item that could help Bai Yuli.

"I won't give up, I will definitely get it" said Bai Yuli.

Bai Yuli still has the spirit, she will not give up, she wants to live on.

"I hope you find it" Ye Chen said to Bai Yuli.

Ye Chen smiled at Bai Yuli, which made Bai Yuli blush slightly.

"ahem, how long are you going to touch me" Bai Yuli asked Ye Chen, she wanted to know when Ye Chen would let go of himself.

"Oh, I forgot" Ye Chen said to Bai Yuli, he almost forgot and kept holding Bai Yuli's hand.

Ye Chen couldn't help but have to let go of this woman.

Ye Chen was a bit reluctant to do so, but he had to do so because Bai Yuli kept looking at him with a rather sharp gaze.

Bai Yuli immediately withdrew her hand, she could still feel a strange feeling from Ye Chen.

A feeling he had never felt and felt quite strange for Bai Yuli.

"What exactly is that, I've never heard of this before." Bai Yuli was curious about what was blocking her.

"It's nothing, it will disappear after some time, why don't we go look for what you're looking for, weren't you looking for something before" Ye Chen said.

Ye Chen hastily changed the topic of the conversation they were having, he wanted to make Bai Yuli forget about what happened just now.

Bai Yuli would not be able to get out of this place, right now there was nothing Bai Yuli could do.

"You might be right" Bai Yuli said to Ye Chen, Ye Chen might be right about what he said.

"Then let's go" Bai Yuli asked Ye Chen to go, she finally agreed to be with Ye Chen.

Ye Chen took this opportunity to ask, he didn't know who Bai Yuli was yet.

"I don't know who you are yet" Ye Chen said to Bai Yuli.

He asked Bai Yuli, he wanted to know who Bai Yuli was, he didn't know anything about Bai Yuli yet.

"I'm Bai Yuli" Bai Yuli told Bai Yuli.

"Ehhhhh . . ." Ye Chen looked Bai Yuli up and down, he finally realized who he was talking to.

Chapter 2715 If You Can Find It, I'll Give You A Kiss

"eh, you are Bai Yuli, that's surprising, I didn't expect that it was you."

"I thought that if you don't know me, I can see clearly from your face," said Bai Yuli.

Bai Yuli had known from the start, Ye Chen knew absolutely nothing about her.

this was quite an irony for Bai Yuli who had such a famous name, apparently some people still didn't know about her.

Her journey is still long enough to be known by everyone there.

"You really are amazing, being able to get everyone moving and make the whole city go blank" Ye Chen said.

Ye Chen saw that Bai Yuli possessed extraordinary strength, she was able to make the entire city move according to her will.

"That's nothing extraordinary." Bai Yuli said that it was nothing extraordinary, that was normal for Bai Yuli.

"So you don't want to admit it" Ye Chen saw that Bai Yuli didn't want to admit this, she didn't want to admit what happened.

"Okay, let's go, please don't bring up the matter anymore." Bai Yuli said to Ye Chen, she told Ye Chen not to ask too many questions about the matter, she was embarrassed to listen to it.

"understood" Ye Chen understood, Ye Chen will no longer talk about the matter again.

"So what are you looking for?" Ye Chen asked Bai Yuli.

"Don't you know what I'm looking for, you don't listen to that stuff" Bai Yuli said to Ye Chen.

"Your pendant that happened" Ye Chen said to Bai Yuli.

"of course" Bai Yuli nodded at Ye Chen.

"what can I get if I find it" Ye Chen asked Bai Yuli.

"have dinner with me" Bai Yuli said to Ye Chen.

"That is what they want, they will definitely be satisfied" Bai Yuli said to Ye Chen.

"That's less interesting" Ye Chen said to Bai Yuli.

Bai Yuli was speechless when she heard what Ye Chen said.

Bai Yuli looked towards Ye Chen with a strange look.

"then what do you think about it" Bai Yuli asked Ye Chen.

"if you change the conditions, it will definitely be very good" Ye Chen to Bai Yuli.

"changing the conditions, what can be done about the matter" Bai Yuli asked Ye Chen.

"Such as giving a kiss to the person who found it" Ye Chen said to Bai Yuli.

Bai Yuli's face turned red when she heard what Ye Chen said.

"Shameless" Bai Yuli said to Ye Chen, she was quite red when talking to Ye Chen.

Ye Chen smiled, he was enjoying this quite well, he was teasing Bai Yuli and it was so much fun.

Bai Yuli didn't talk to Ye Chen anymore, she seemed to be angry with Ye Chen.

"What a funny reaction, I just want to tease you, why are you so angry." Ye Chen said to Bai Yuli.

"You are quite naughty, trying to tease others like that" said Bai Yuli.

Bai Yuli finally realized that Ye Chen only wanted to tease her, this guy was actually quite naughty.

This became entertainment for Ye Chen, so it wasn't strange that he enjoyed teasing Bai Yuli.

Bai Yuli can't let Ye Chen, she can't lose to Ye Chen.

"How about this, if you can help me, I will give you a special gift," Bai Yuli said to Ye Chen.

This time it was Bai Yuli's turn to play Ye Chen, she wanted to play Ye Chen and make Ye Chen work hard.

Let this man work hard to find her item.

Ye Chen wouldn't find it anyway.

"what is it, you should explain it in detail so that I know" Ye Chen said.

Ye Chen told Bai Yuli to explain in more detail what Bai Yuli would give him.

"As per your request, I will give you a kiss if you can do it" said Bai Yuli.

"seriously" Ye Chen said to Bai Yuli.

"Of course, I'm serious, there's no way I would lie" Bai Yuli said.

Because Bai Yuli was sure that Ye Chen would not be able to find her, she made an exception for Ye Chen.

"Hehehehe, so lucky, I didn't expect that I would get such a thing" Ye Chen said to Bai Yuli.

"Don't be too confident, you have enough competitors, you won't have the chance to do it, it will be a dream for you" Bai Yuli said.

"So you don't believe in the abilities that I have?" Ye Chen asked Bai Yuli.

"To be honest I don't believe in the abilities you have" Bai Yuli said to Ye Chen.

she didn't believe in Ye Chen's abilities, that's why she was confident in her words.

"Are you sure?" Ye Chen asked Bai Yuli again.

"Of course I'm sure, I won't lie, it would be a taboo if I lied to you," said Bai Yuli.

"Perhaps you should look into this thing a bit." Ye Chen said to Bai Yuli.

"what do you want me to see . . ." Bai Yuli was speechless when she saw what Ye Chen had.

Bai Yuli made a face of shock and disbelief, she couldn't believe what Ye Chen showed.

Bai Yuli was speechless again, her mind was completely muddled when she saw what Ye Chen was holding.

Ye Chen held the object that she was looking for, this man kept and held the object that Bai Yuli had been looking for.

Ye Chen smiled at Bai Yuli, he smiled when he saw the cute reaction shown by Bai Yuli.

For Ye Chen, the reaction shown by Bai Yuli was very funny.

Bai Yuli must have no more words to say to Ye Chen.

"Why is it in your hand?" after a while shocked Bai Yuli came to her senses, she directly asked Ye Chen, she wanted to know why it was in Ye Chen's hands.

"I just find it" Ye Chen said to Bai Yuli.

"You survivors kept it, why don't you directly return it to me" Bai Yuli asked Ye Chen, she interrogated Ye Chen.

"I'm currently busy training here, so don't have a chance to return it to you" Ye Chen informed that he didn't have a chance because he was busy.

"-_- " Bai Yuli made a strange face, she no longer knew what to do, Ye Chen was too unreasonable for Bai Yuli.

"So according to the previous agreement" Ye Chen said to Bai Yuli.

Bai Yuli was framed, everything was well planned by Ye Chen, this man was much smarter than anyone expected.

"I didn't expect that I would fall into the plan that you had." Bai Yuli said to Ye Chen, she fell into the plan that Ye Chen had.

"It's your own fault, I just wanted to tease, who told you to be serious, and now you must regret it," Ye Chen said to Bai Yuli.

"That's right, I really regret it." Bai Yuli regretted this decision, she regretted the decision she made.

"can you give that" Bai Yuli asked Ye Chen.

"as promised in advance" said Ye Chen to Bai Yuli.

Ye Chen refused, he asked Bai Yuli to keep her promise.

Bai Yuli had a headache, why did she have to meet Ye Chen, this really made her feel stressed.

Chapter 2716 Why Don't You Faint, You're Not Normal

"don't want to do it?" Ye Chen said to Bai Yuli.

"I" Bai Yuli seems to be confused, she doesn't know what to do to face Ye Chen, the current situation is so complicated.

"If you don't want to, I'll keep this thing for the time being" Ye Chen said that he would save this first until Bai Yuli agreed.

Bai Yuli wanted to stop Ye Chen, but she didn't have a proper reason to do so.

"Hehehehehe" Ye Chen chuckled, he managed to win and left Bai Yuli helpless.

Bai Yuli was helpless, but it couldn't be helped, she was unable to snatch it away from Ye Chen.

"I will wait for the right time." Bai Yuli decided to wait for the right time.

she would snatch it away from Ye Chen when she had the chance.

Bai Yuli would definitely do it, she would not let her precious item fall into Ye Chen's hands.

Ye Chen kept Bai Yuli's pendant, Bai Yuli looked sullen when she saw that.

"How long are you going to seduce this woman?" Chu Yuechan said to Ye Chen.

"Until I'm satisfied" Ye Chen told that he would do it until he was satisfied.

"You are ruthless enough" Chu Yuechan said to Ye Chen, Ye Chen was ruthless enough to Bai Yuli.

"It doesn't matter. . . , she doesn't mind" Ye Chen said to Chu Yuechan.

"Look at that, she looks annoyed, she might pounce on you" Chu Yuechan said to Ye Chen.

"If that happens, I will take care of it" Ye Chen said that he would take care of Bai Yuli.

"you" Chu Yuechan was helpless, it was useless to give Ye Chen a warning.

"Just do as you please, I'll just have a look" Chu Yuechan said to Ye Chen.

Bai Yuli tried to find ways, she thought of all kinds of ways to try to snatch her away from Ye Chen.

"Maybe I should take it by force using a bit of force, I should be able to immobilize it easily" Bai Yuli had already made up her mind, she had already made up her mind to do just that.

Bai Yuli was behind Ye Chen, she reached out and started hitting Ye Chen.

Bai Yuli intended to hit Ye Chen on the back of the neck and stun him for a while.

Bai Yuli started, she started to stun Y Chen using light knocks.

"Pahhh" Bai Yuli hit Ye Chen, Ye Chen was hit from the back by Bai Yuli.

"What are you doing ?" Ye Chen did not faint, instead he asked Bai Yuli.

pandasnovel.com " ? ? ? ? ?" Bai Yuli was confused when she saw what happened, she looked confused when she saw what happened to Ye Chen.

"Why didn't he faint ?" Bai Yuli didn't understand, why didn't Ye Chen faint after receiving such an attack, it was really unreasonable.

Ye Chen should have fainted when he received such an attack, that's why Bai Yuli looked flustered.

"it's okay" Bai Yuli said to Ye Chen, she nervously hid what happened.

"Don't do anything weird" Ye Chen said to Bai Yuli.

After that Ye Chen continued on his way back like nothing had happened to him.

Bai Yuli was still confused, how could Ye Chen survive, that should be enough to bring Ye Chen down.

"again with more force" Bai Yuli decided to use more force, she used more and more force on Ye Chen.

Ye Chen was completely unaffected by Bai Yuli's attack, Ye Chen's physical strength was already strong enough to survive Bai Yuli's direct attack.

"Why doesn't it work?" Bai Yuli didn't understand, Ye Chen couldn't be hit, all of her attacks had no effect on Ye Chen. I think you should take a look at

Ye Chen was as if invulnerable and couldn't be hurt by any attacks, all the attacks launched by Bai Yuli, couldn't make Ye Chen faint.

"what you're doing, it won't work" Ye Chen said to Bai Yuli.

Ye Chen told her that it wouldn't work against him.

Such a technique wouldn't work to defeat Ye Chen, so Bai Yuli wasted her time and effort.

"You are not normal" Bai Yuli said that Ye Chen was not normal, why was Bai Yuli's attack unable to destroy Ye Chen, this was obviously very strange and unreasonable for him.

"Indeed, do you have a problem if you are not normal" Ye Chen said that he was a little less normal compared to ordinary people, Ye Chen's physique was too strong to be penetrated by Bai Yuli's attack.

"So don't do anything weird to me" Ye Chen said to Bai Yuli, he told Bai Yuli not to do anything unreasonable because it might make Ye Chen angry.

"Hmppppp" Bai Yuli snorted coldly, there was nothing Bai Yuli could do about this matter.

"So what are we going to do next?" Bai Yuli asked Ye Chen, she wanted to know what Ye Chen would do.

"how about we look for soul strengthening pearls, maybe we get lucky and find them" Ye Chen said.

"Why are you bothering, it's really hard to find the thing, don't waste time" Bai Yuli said to Ye Chen.

"You should be happy because I want to help you" Ye Chen said to Bai Yuli.

Bai Yuli didn't know what Ye Chen was planning, Ye Chen was so mysterious and made Bai Yuli feel confused about what was planned.

"Are you serious about helping her, you know that finding that item would be a very difficult thing to do" Chu Yuechan said to Ye Chen.

"It doesn't matter, if it's impossible, then forget it." Ye Chen said to Chu Yuechan.

Ye Chen would help as best he could, if he couldn't then that was fine, it couldn't be helped, the important thing was that Ye Chen had good intentions to help Bai Yuli.

"So it's like that" Chu Yuechan understood, she was going to help Ye Chen.

Ye Chen and Chu Yuechan teamed up, both of them trying to find soul strengthening pearls.

With that the search started, the two of them searched around this place, hoping to find what they were looking for.

"roughly where is the ideal location for a soul strengthening pearl" Ye Chen asked Chu Yuechan.

"Hmmm, in fresh water or river and sea, the three most suitable places to find soul strengthening pearls" Chu Yuechan said to Ye Chen.

"We are in the forest, so it's impossible to find the ocean, so can only search in the river" Ye Chen said to Chu Yuechan.

Ye Chen immediately understood, he immediately understood what to do now.

Ye Chen searched with God Eyes, finding rivers and lakes around.

There is no lake, only a stream in this place.

"So we only need to search the river" Ye Chen told Chu Yuechan.

"You are absolutely right" Chu Yuechan agreed with Ye Chen, there was only that in this place.

Bai Yuli didn't understand Ye Chen, what did Ye Chen think, on the one hand Ye Chen wanted to take advantage of him, but on the other hand Ye Chen wanted to help, this made Bai Yuli feel dizzy.

she didn't understand Ye Chen's train of thought.

A thought that Bai Yuli found complicated and absurd would be for her.

Ye Chen immediately headed towards the river, he pulled Bai Yuli by force.

Bai Yuli couldn't fight back and only followed Ye Chen.

"where are you going to take me away" Bai Yuli asked Ye Chen, she wanted to know where Ye Chen was going to take her.

Chapter 2717 I'm Still An Amateur In Literature

"go to the river that is near this place" Ye Chen told that he was going to go to the river that is at this place, he was really interested in going there to find the soul strengthening pearl.

"what do you want to do, don't tell me that you want to do bad things to me" Bai Yuli said to Ye Chen.

"Don't think like that, if I want to, now I can do it, no need to go to the river." Ye Chen said to Bai Yuli.

Ye Chen could do it, he could do it if he wanted to, it was a shame he didn't and chose to help Bai Yuli find the soul strengthening pearl.

"You may be right" Bai Yuli felt that Ye Chen was right, if Ye Chen wanted to, he would have done it.

"We are going to look for soul strengthening pearls, in the river, that is the place to look for them" Ye Chen said to Bai Yuli.

Bai Yuli still didn't understand, why Ye Chen was so insistent on searching for soul strengthening pearls, she was curious about it.

"Why did you do that, it's no good for you" Bai Yuli said to Ye Chen.

"I just want to help, is it okay to help people?" Ye Chen replied.

Ye Chen only wanted to help out.

"You are a very strange person" Bai Yuli said to Ye Chen, she told him that Ye Chen was strange.

"Why do you say that I'm weird, I'm still normal" Ye Chen said to Bai Yuli.

"That's because you're weird." Bai Yuli said that Ye Chen was weird, so it wasn't weird for her to say that to Ye Chen.

Ye Chen might be weird and Bai Yuli first came across someone like Ye Chen.

"Is that so?" Ye Chen only nodded as he listened to what Bai Yuli said, he didn't feel strange about this kind of thing.

Ye Chen and Bai Yuli finally encountered a monster, the two of them encountered a forest guardian and started fighting.

There are many monsters around this place, both of them have to fight them to advance.

"Blam . . ." Bai Yuli used wind attacks to attack all of them, with a simple wave of her hand, she knocked the enemy out from a distance.

When Bai Yuli waved her hand, a wind blade appeared, sharp enough to slice open the body of the enemy in front of them.

Ye Chen used physical strength, he increased physical strength to fight monsters.

pandasnovel.com "Super celestial punch technique", Ye Chen swept all the enemies using Super celestial punch technique.

All the enemies were swept away easily by Ye Chen's attack, none of them could survive the Super celestial punch technique attack.

"great" Bai Yuli was shocked by Ye Chen's strength, she had just seen Ye Chen's strength which was really very strong.

"He has a strong physique, it's not strange that I can't take him down." Bai Yuli finally knew that Ye Chen had a strong physique, so it wasn't strange that she couldn't be crippled.

"They're just disturbing" Ye Chen said, Ye Chen felt that the monsters around were disturbing Ye Chen and Bai Yuli's time together.

"Monsters are like that, they want to eat you" Bai Yuli said to Ye Chen, Bai Yuli told them that they were like that.

"So, what can you do, I heard that you are very good at literature" Ye Chen said to Bai Yuli.

"Sure, want to listen to it?" Bai Yuli said to Ye Chen, she didn't mind showing off her skills on this trip.

"Of course, go ahead" Ye Chen invited Bai Yuli, he told Bai Yuli to do it.

Bai Yuli started to show what ability she had, she showed Ye Chen ability in poetry and storytelling, she was quite good at it and she did very well, it's no wonder that many people like her.

"that's great" Ye Chen said to Bai Yuli, he told that Bai Yuli was quite great.

"thank you very much" Bai Yuli thanked Ye Chen, she was happy to hear Ye Chen praise her.

"besides, what else can you do, you can definitely do more things" Ye Chen said. I think you should take a look at

"Besides, I can write well," said Bai Yuli, Bai Yuli has good writing, many people are happy with Bai Yuli's writing.

"It looks like you can do all of that" Ye Chen said.

"Of course, you yourself, can you?" Bai Yuli asked Ye Chen.

"I'm just an amateur" Ye Chen said to Bai Yuli, he would not be as good and good as Bai Yuli.

"Oh, so you can have a little, why not show it to me, I want to listen to it." Bai Yuli said.

Bai Yuli didn't mind, she probably wanted to take a little look at Ye Chen's abilities.

Ye Chen wasn't that good, he was rarely interested in literature while at school, he only knew a few words from the wise men of the past.

Ye Chen searched through his memories, he might find one that wasn't so bad.

After he found one, he started to say it to Bai Yuli.

Ye Chen used an ancient poem that he knew, it had the meaning of life and lived life like tomorrow was the end of the world.

"Life is a priceless gift, don't regret this life later. . . ." Ye Chen started to settle things down.

Bai Yuli started listening to every word Ye Chen said.

Bai Yuli was silent for a while, she was quite surprised by Ye Chen's ability, Ye Chen's ability was too great, how could he have such ability, it was shocking.

"Wait a minute, you said you are an amateur, that is better than me, what does that mean, you are trying to be modest" Bai Yuli said.

Bai Yuli felt offended when she heard Ye Chen say that she was an amateur, if Ye Chen was an amateur, then what about Bai Yuli, she was the same as a beginner.

"I'm not really interested in it, it's just something I learned in class" Ye Chen said to Bai Yuli.

"Where are you from, I didn't know there was such a great class, why don't you tell me, I might be able to apply there" Bai Yuli said.

Bai Yuli was interested, she wanted to apply there and improve her skills.

"That place is far away, you won't be able to get there" Ye Chen said.

Ye Chen told Bai Yuli, Bai Yuli wouldn't be able to go there because it was too far away.

"cheeky" Bai Yuli realized that Ye Chen didn't want to tell, it seemed like Ye Chen was trying to hide it.

Bai Yuli kept trying to guess where Ye Chen was from, she really wanted to know about Ye Chen.

This was Bai Yuli's first time being interested in the opposite sex and trying to find out.

"Where are you from?" Bai Yuli asked Ye Chen.

"From a faraway place and will not be found" said Ye Chen.

"What kind of place is that?" Bai Yuli asked again.

"a modern and nice place" Ye Chen said to Bai Yuli.

"Then what's there, how are the skills of the people there?" Bai Yuli asked Ye Chen.

"There aren't many strong people there, they use their minds to create new things that help them" Ye Chen said.

"Then . . ." Bai Yuli kept asking Ye Chen questions, meanwhile Ye Chen answered all the questions Bai Yuli threw casually.

of all the features that Ye Chen said, Bai Yuli still couldn't answer him, she didn't know such a place existed.

"That . . ." Bai Yuli wanted to ask again.

Chapter 2718 Ye Chen Peeked At Bai Yuli

"Here, just read it and don't ask too many more questions" Ye Chen gave the school book to Bai Yuli, he told Bai Yuli not to ask Ye Chen too many more questions.

Ye Chen felt that he was like a fugitive, that's why he told Bai Yuli to read what he had in the past.

Bai Yuli received a gift from Ye Chen, she happily accepted it and read it.

When Bai Yuli read it, she became very interested, She discovered something new that she had never seen before.

"What is this?, this is really beautiful" Bai Yuli was like finding a treasure, she saw what Ye Chen gave and was quickly attracted by what Ye Chen gave, according to Bai Yuli, what Ye Chen gave was really great and extraordinary.

This is a textbook that belongs to Ye Chen, there are many things that Bai Yuli can pick up, from ancient and modern poetry to there, of course it makes people like Bai Yuli interested and want to have it.

Ye Chen managed to bribe Bai Yuli, with that Bai Yuli no longer asked Ye Chen and focused more on the book Ye Chen gave her, she looked serious about what was in her hand, this was a new thing that Bai Yuli had to learn.

While Bai Yuli was busy reading a book, Ye Chen decided to use God's Eyes to find a soul strengthening pearl.

the soul strengthening pearl was underwater, so Ye Chen used that thing to find it.

Ye Chen focused, he could do this for a few tens of minutes and take a short break to recover himself.

Ye Chen repeated that over and over until he found a good thing that was down there.

And Ye Chen didn't find anything good, he found nothing down there, no sign of any soul strengthening pearls.

On the side, Bai Yuli was still focusing on the book Ye Chen gave her, she was still focusing on studying it, this was a new thing for Bai Yuli.

"How long are you planning to smile to yourself like that?" Ye Chen said to Bai Yuli.

Ye Chen had seen Bai Yuli several times, he had seen Bai Yuli several times who was smiling like that continuously.

"ah . . ." Bai Yuli finally came back to herself, she really did, she forgot where she was and didn't realize that Ye Chen was still beside her.

"I almost forgot where we are now, this is too good, I like this" Bai Yuli said to Ye Chen.

she told that she liked what Ye Chen gave her.

Bai Yuli decided to put it away, she would read it later, she couldn't wait for it.

"You better return it when you're done" Ye Chen said to Bai Yuli.

"You won't give it to me." Bai Yuli asked Ye Chen, she thought that Ye Chen gave it to her.

"no, I didn't give it to you" Ye Chen said that he didn't give it to her.

"You are cheapskate" Bai Yuli said to Ye Chen, she resisted when she heard what Ye Chen said.

Bai Yuli didn't accept it, she wanted to have the thing that belonged to Ye Chen, this was a good book and she had to get it from Ye Chen.

"It was my mine from the start" Ye Chen said that it was his book from the start, so Bai Yuli had to return it to Ye Chen.

Bai Yuli pouted, this was her first time having someone like Ye Chen, she had never met someone like Ye Chen, this was such a pain.

there are so many people who want to give gifts to Bai Yuli, it's a pity that not all gifts will be accepted by Bai Yuli, she will accept what she thinks is good and reject what is not good.

And now Bai Yuli felt that what Ye Chen gave was very good and she received it well.

"so give that thing back" Ye Chen said to Bai Yuli a second time.

"don't want, this is mine, don't you give it away" Bai Yuli refused to give it to Ye Chen.

"If you don't want to you have to pay for it, it will be worth a heavy price" Ye Chen said.

"You, why is it always like that" Bai Yuli said to Ye Chen.

Bai Yuli only pouted when she heard what Ye Chen said, she wanted to squeeze Ye Chen for being so annoying.

Ye Chen enjoyed teasing Bai Yuli, it was really fun to tease Bai Yuli.

The two continued walking, the two of them still haven't found the soul strengthening pearl they were looking for.

"How long are we going to go down the river?" Bai Yuli asked Ye Chen, they had just been walking by the river and not doing anything.

"Didn't you see that I was looking" Ye Chen said to Bai Yuli.

"You are looking, can you see inside, it is quite dark" Bai Yuli said.

Bai Yuli doubted that Ye Chen could see what was ahead, it was quite dark ahead, even Bai Yuli was unable to see through it.

"Don't underestimate me" Ye Chen said not to underestimate himself.

"I don't believe your words, you often lie" Bai Yuli said to Ye Chen, she told him that she didn't believe what Ye Chen could do.

"then I will prove it to you" Ye Chen was going to prove his own ability.

He used God Eyes to look directly at Bai Yuli.

When Ye Chen looked at Bai Yuli, he could see through Bai Yuli's clothes, he saw Bai Yuli who was wearing a black underwear under her white clothes.

"This girl, she's quite bold" Ye Chen didn't expect that Bai Yuli would wear Sexy underwear, it was quite tempting.

"I seem to have mistaken you" Ye Chen said to Bai Yuli.

"What do you mean by that?" Bai Yuli didn't understand, she still didn't understand what Ye Chen meant.

Bai Yuli didn't understand at all that Ye Chen had just peeked, so it wouldn't be strange for her to be confused.

"Using something black, you are quite bold" Ye Chen said to Bai Yuli.

"ehhhh . . . ?" Bai Yuli immediately stopped in place when she heard what Ye Chen said, she was completely shocked when she heard what Ye Chen said.

"What! ! ! !" Bai Yuli screamed, she screamed when she knew what was going on.

"How did you know, when you peeked me" Bai Yuli immediately covered her body with her hands.

"I can see it clearly from here" Ye Chen said to Bai Yuli.

"What ? ? ?, how is that possible?" Bai Yuli said to Ye Chen, she still couldn't believe what Ye Chen said, she didn't believe that Ye Chen could do such an unreasonable thing.

"Hehehehe, don't you believe what I'm saying" Ye Chen said to Bai Yuli.

"You pervert, I won't let you go" Bai Yuli won't let Ye Chen go, Ye Chen has seen her, so Bai Yuli won't let Ye Chen go because of this.

Ye Chen decided to run away, it seemed that Bai Yuli was angry at Ye Chen because of what happened.

Bai Yuli was hunting Ye Chen, she was trying to catch Ye Chen.

Ye Chen ran quickly, Bai Yuli wouldn't be able to catch up.

Bai Yuli used all her strength to run and chase after Ye Chen, it was a pity she couldn't catch up to Ye Chen and their distance didn't change.

Chapter 2719 River Diving

The two of them ran in the middle of the forest, they both seemed to be playing a game of chase.

Bai Yuli was tired, she still couldn't catch Ye Chen, Ye Chen was too fast for Bai Yuli to catch.

"He's fast, I won't be able to catch him." Bai Yuli realized that she wouldn't be able to catch Ye Chen, Ye Chen was too fast for Bai Yuli to catch.

After trying several times and failing, Bai Yuli finally gave up and did not continue to catch Ye Chen.

"Given up already, you give up too easily" Ye Chen said to Bai Yuli.

Ye Chen appeared in front of Bai Yuli, he told Bai Yuli that he gave up too easily.

Bai Yuli gritted her teeth, she wasn't too happy when she heard what Ye Chen said.

"You're such an annoying man" Bai Yuli said to Ye Chen.

"Hehehehehe" Ye Chen chuckled, he was enjoying the moment when he heard Bai Yuli's words.

"I am just like this, if you want you can catch me." Ye Chen said to Bai Yuli.

Ye Chen told Bai Yuli to catch him.

Bai Yuli couldn't do that, she knew that Ye Chen would not be caught by Bai Yuli.

Even if Bai Yuli had tried to use all of her strength, she wouldn't be able to catch Ye Chen.

"So annoying" Bai Yuli felt stressed when she found out she couldn't catch Ye Chen, it made Bai Yuli feel annoyed because she couldn't catch Ye Chen.

Ye Chen played around with Bai Yuli, he enjoyed playing with Bai Yuli and teasing her.

"master" Chu Yuechan said to Ye Chen.

"What is it?" Ye Chen answered Chu Yuechan, he wanted to know what Chu Yuechan wanted to say.

"I have good news for you" Ye Chen said to Chu Yuechan.

"a good news" Ye Chen was interested when he heard this.

"say it quickly, don't make others curious" Ye Chen said.

Ye Chen told Chu Yuechan to quickly tell what he had.

Ye Chen was curious about what Chu Yuechan found, Chu Yuechan must have found something good.

"There is a somewhat hidden place, it seems that there is something hidden in that place" Chu Yuechan said to Ye Chen, she told YE Chen that there was something good in that place.

Ye Chen was interested when listening to that, he checked himself using his ability.

Using God's Eyes, Ye Chen found a rather large underground passage, it seemed to be a rather large and quite deep passage.

The waterway clearly led to a place, just as Chu Yuechan had said, Ye Chen had to find it.

"I guess I have to find out." Ye Chen decided to find out.

Ye Chen dismounted, he approached and took Bai Yuli by force.

"what are you trying to do, release me" Bai Yuli told Ye Chen to release her.

"You shut up and come with me" Ye Chen told Bai Yuli, he told Bai Yuli to just come with Ye Chen, Ye Chen will take Bai Yuli to a secret place.

pandasnovel.com "I don't want to come with you" Bai Yuli spoke to Ye Chen, she said that she didn't want to come with Ye Chen.

"You don't have a choice" Ye Chen pointed out that Bai Yuli had no choice.

Bai Yuli was still struggling, it was a pity that she was tightly hugged by Ye Chen, it made her unable to escape and could only be dragged by Ye Chen.

Ye Chen dragged Bai Yuli to the riverside, when he felt that this was the place, Ye Chen threw Bai Yuli in.

"Wait, what are you doing?" Bai Yuli asked Ye Chen, she wanted to know what Ye Chen wanted to do. I think you should take a look at

"quickly get into the water" Ye Chen said to Bai Yuli.

"don't, wait" Bai Yuli said to Ye Chen, she told Ye Chen to stop.

Ye Chen didn't stop, he took Bai Yuli inside.

Bai Yuli was afraid of the water, she tried to resist and tried to leave, too bad it was too late and they got into the water.

"No, I hate swimming" Bai Yuli said to Ye Chen.

Bai Yuli hates swimming, she is not good at swimming in water.

Ye Chen saw that Bai Yuli was not good at it, couldn't help Ye Chen helping Bai Yuli, and took her with him.

Now that Bai Yuli had become quite obedient to Ye Chen, she had become obedient for fear of being dropped by Ye Chen.

They dive deep enough, they go over 1 mile under water.

"The river is quite deep, they have to go deep enough to find a way out.

This place is getting darker and darker, not much light is coming into this place.

"Why don't we just go back, there's nothing good in this place" Bai Yuli said to Ye Chen, she told Ye Chen that there's nothing good here.

"Shhhh. . ." Ye Chen said to Bai Yuli, he told Bai Yuli to be quiet and not make a fuss, Ye Chen felt that they were being watched.

Ye Chen looked around to find who was watching them, he saw that there was a water monster watching them.

"There is a huge water monster here." Ye Chen said to Bai Yuli.

"What monsters?" Bai Yuli asked Ye Chen.

"Maybe a reptile like a big crocodile" Ye Chen said.

Ye Chen saw that this might be some kind of crocodile that had a strong and hard body plus great strength.

"don't tell me it's a predatory crocodile" said Bai Yuli.

"maybe" Ye Chen said to Bai Yuli.

"It's dangerous, let's go back, the monster will be very strong in the water." Bai Yuli gave a warning to Ye Chen, she told Ye Chen that the monster is said to be very strong and not easy to deal with.

Predatory crocodiles will be strong when they are in the water, so this will be a problem for Ye Chen and Bai Yuli.

"You can rest easy, I will take care of you" Ye Chen said to Bai Yuli.

Ye Chen told that if he will take care of Bai Yuli, he will make Bai Yuli safe.

Bai Yuli felt a bit of a sense of security when she heard Ye Chen's words, she felt very safe when she heard Ye Chen say that to her.

"no, don't be fooled, this is a dangerous situation" Bai Yuli can't be fooled, she won't be fooled by Ye Chen's good looks.

Even though Bai Yuli said that, the fact was that she couldn't look away, she really felt at ease when she was with Ye Chen.

"squeak . . ." A sound of water sounded all around, it seemed the predator had finished and started attacking.

"It started attacking us" Bai Yuli said to Ye Chen, she saw a huge crocodile about 5 meters in body and fifty meters in length.

The monster had large teeth with the size of a human's body, it could easily crush a human into pieces and chew them up.

"The predator moved towards Ye Chen and Bai Yuli, the monster was extremely fast and directly targeted Ye Chen and Bai Yuli.

"let's go quickly, our lives will be in danger" Bai Yuli said to Ye Chen.

Bai Yuli knew how strong the monster in front of them was, he was the lord of the waters, it would be difficult to fight against such monsters in water domain.

They would become food for the monsters if they didn't leave this place quickly.

Chapter 2720 Find Soul Strengthening Pearls

"Don't worry, it's just a tame monster, it won't dare to attack us" Ye Chen said to Bai Yuli.

"Huh?, tame, have you gone crazy, he is a dangerous monster, many people have fallen" said Bai Yuli.

Bai Yuli told and tried to explain to Ye Chen, he said that this monster was terrible and strong.

"Take a good look at how I take care of the monster" Ye Chen said that he would take care of the monster, Ye Chen only needed a little time to take care of the monster.

"Wait a minute, let's just run away, it will be safer for us" Bai Yuli said that it would be safer for both of them.

Bai Yuli was quite worried about Ye Chen, that's why she asked Ye Chen to go and protect themselves.

"don't worry, everything will be fine, trust me" Ye Chen said to Bai Yuli.

He tells Bai Yuli to believe in him, Ye Chen will show who is the boss in this place.

Bai Yuli was still worried, if anything happened to Ye Chen, then she would also be in the same trouble, this made Bai Yuli dizzy and didn't want to see what happened.

Ye Chen went head-to-head with a monster that looked like a crocodile, This monster was like a crocodile in the historical era that existed on earth with a muzzle like a sword and had super-terrifying sharp teeth.

The monster locked Ye Chen, he intended to lock Ye Chen and finish Ye Chen on the spot quickly.

The monster didn't know that Ye Chen was such a powerful and terrifying person, he would not survive Ye Chen's powerful attack and would be quickly defeated by Ye Chen.

Ye Chen stepped forward, he used his arm prepared to beat the monster.

The monster was getting closer to Ye Chen, it would immediately crush Ye Chen in a matter of seconds.

Ye Chen's hand advanced and started to block the incoming attack, using his bare hand to block the attack from the monster.

Ye Chen held the crocodile's two muzzles, he held it down with both of his hands.

It's quite big, so Ye Chen has a problem with this, he has to use more strength.

"roar" The monster made a sound, it seemed that it refused to lose to Ye Chen.

He didn't want to lose to Ye Chen and wanted to fight Ye Chen using his full strength.

Ye Chen endured quite a bit, Ye Chen's physical strength was formidable and he could withstand it.

Ye Chen tried to break it, he wanted to break the jaws of the monster with all his strength.

Ye Chen mustered all his strength to break it and rotated it clockwise.

"cracks . . ." With that, Ye Chen crushed the monster using one move .

Bai Yuli saw how Ye Chen did it, this fellow was quite strong, how did he have such strength, even his cultivation was still low compared to Bai Yuli.

Bai Yuli had felt strange from the first time she saw Ye Chen, Ye Chen's strength and ability were really too strong, he was able to beat her who was on a different level, it was simply unreasonable for Bai Yuli.

"finish quickly" Ye Chen told Bai Yuli that he was done.

"You're so great, how did you get that kind of power?" Bai Yuli asked Ye Chen, she wanted to know how Ye Chen got that much power.

"Of course with hard training" Ye Chen told that he got this strength from hard training.

"How hard is training?" Bai Yuli asked.

"Quite hard, want to try it" Ye Chen asked Bai Yuli, who knows Bai Yuli wants to try it.

"No, I'm not interested in that." Bai Yuli was not interested, she believed that Ye Chen's training would be very hard and she chose not to try it because she knew the limits of her current physical strength.

"let's go, we have to find item" Ye Chen said to Bai Yuli, he told Bai Yuli to go forward and find their destination. I think you should take a look at

With that the two of them continued again, they encountered lots of monsters that did live and live in this place.

Bai Yuli wasn't good at fighting underwater, so everything was left to Ye Che, Ye Chen defeated all the monsters by himself without any help from Bai Yuli.

Some time later, they finally arrived at a cave-like place, there was still a stream of water under their feet and it was flowing swiftly.

Ye Chen and Bai Yuli decided to take flight, they dodged the water and started advancing deeper.

After coming out of the water, Bai Yuli became even more lively, now she was able to fight and help Ye Chen.

Ye Chen knows Bai Yuli's weakness, this woman is afraid of water, it seems that Ye Chen can take advantage of it when the time comes.

As they progressed, the cave became smaller and smaller, of course, causing them to experience quite serious problems.

"It's getting smaller, what can we do" Bai Yuli asked Ye Chen.

"Keep advancing, we have both come this far, there is no turning back" Ye Chen said to Bai Yuli.

Ye Chen told them that they had no way of turning back.

Right now they can only forge ahead and find their own way out.

The two of them finally arrived at the main cave, which was full of water, there was a small pond in this place with beautiful crystals above.

"Beautiful place" saw that this place was so beautiful, he liked this place.

"You are right, this is a beautiful place." Ye Chen had to admit that this was a beautiful place.

"Master, there is something ahead that you are looking for" Chu Yuechan said to Ye Chen, he told Ye Chen that there is something ahead that Ye Chen has been looking for.

"that's it, the soul strengthening pearl we're looking for" Ye Chen said to Bai Yuli.

Ye Chen told that it was what they had been looking for.

Bai Yuli couldn't believe what she was seeing right now, she couldn't believe that she would find a soul strengthening pearl, she had been looking for this for so long and finally found one.

"This is very extraordinary." Bai Yuli said to Ye Chen, she told Ye Chen that this was an extraordinary thing, she did not expect that Ye Chen could find soul strengthening pearls.

Bai Yuli was very happy, she hugged Ye Chen because she was too happy with this result, according to Bai Yuli, this was a great achievement for her.

An accomplishment that made Bai Yuli feel happy.

Ye Chen was also happy, Bai Yuli finally hugged him and Ye Chen hugged Bai Yuli back.

Bai Yuli was still too happy. She didn't care about anything else and let Ye Chen.

Ye Chen naturally got a good thing, he got Bai Yuli's pure Yin Qi.

Ye Chen's hand started to move, he started to move and started to touch the back of Bai Yuli.

Bai Yuli's body trembled when she felt Ye Chen's touch, Ye Chen's touch was so comfortable.

"no, don't do that" Bai Yuli said to Ye Chen.

"why, even though you were the first to hug me" Ye Chen said to Bai Yuli, he told that Bai Yuli was the first party to hug Ye Chen.

Even so, Bai Yuli didn't let Ye Chen move too far, she still put up a barrier for Ye Chen.

Bai Yuli still refuses, this is not good for Ye Chen.
