Chapter 2731 Battle Against The Leader Of The Evil Mountain Sect

Ye Chen collected the person's body, he could use it to find more information.

Xuan Mei and Jia Li had also finished, they had both finished paralyzing the nearby enemies.

Xuan Mei and Jia Li were so passionate about fighting the enemy, they seemed to be taking their anger out on the enemy.

"I have caught one, we can get information from him" Ye Chen said that they can get information.

Ye Chen directly used force to find out the opponent's memory, that way he could find information about the enemy.

"found" Ye Chen found it, now they just have to move and start it.

"You found it" Xuan Mei and Jai Li asked Ye Chen.

"I've found it" Ye Chen announced that he had found it.

He knew the safest route to attack the enemy.

With that the three of them moved, they passed everyone present and easily entered the enemy's hideout.

Xuan Mei and Jia Li were shocked when they saw Ye Chen was able to see what was going on, she didn't expect that Ye Chen could let them in so easily, even though they had difficulty getting in there.

"You are so great, letting us in easily, even though we have tried several times" Xuan Mei said to Ye Chen.

she told Ye Chen that she had tried and could not go any deeper.

"Fortunately I have a great ability, it helps quite a lot" replied Ye Chen.

Ye Chen had the ability, otherwise he would also find it difficult to fight against existing enemies.

Even the enemy would have a hard time against Ye Chen, because Ye Chen could see their hiding place easily and quite clearly.

After passing through so many enemies and small narrow passages, Ye Chen, Jia Li and Xuan Mei finally arrived at their hideout, they found a place with several bamboo houses.

"This is their place, and they don't seem to have noticed that we arrived at this place." Xuan Mei saw that the enemy had not yet noticed the arrival of Ye Chen, Xuan Mei and Jia Li.

"in that case, we will give a good welcome to all of them" Ye Chen said to Xuan Mei and Jia Li.

Xuan Mei saw Ye Chen, she wanted to know what Ye Chen would do.

Jia Li could already guess what Ye Chen could do, she could easily guess what Ye Chen would do.

Ye Chen created a fairly large and wide amount of lightning, he would drop the lightning towards the enemy.

Ye Chen wanted to see whether or not they could survive the attack.

"rumble . . ." lightning fell and struck every place, everyone in the hut was hit by the attack.

Ye Chen's attack was successful, every place that was there was not spared from Ye Chen's attack.

Xuan Mei and Jia Li also got ready, they were ready to fight against the enemies that would come out.

You could say they were advancing to the front lines to fight the enemy.

Because of Ye Chen's attack, the enemy just rushed out, they came out and immediately attacked Ye Chen.

Xuan Mei and Jia Li didn't let them attack Ye Chen.

The two of them protected Ye Chen from enemy attacks, they repelled any troops that tried to attack Ye Chen.

With the three of them joining the battle, it made the battle even more fierce, everyone tried their best to beat Ye Chen, Jia Li and Xuan Mei.

"Bastard, who dares to attack" finally the leaders and ancestors of the Evil Mountain Sect came out, they saw the attack that took place and were angry.

The leaders and ancestors of the Evil Mountain Sect looked quite pale, they looked like living corpses and had a terrifying aura of death.

"Even though they look like that, in reality they are extremely powerful and possess a domineering aura, they are too strong to be feared by all the members of the Evil Mountain Sect.

"hurray, Sect leader and ancestor has finally come out" they were overjoyed when they saw the leader and ancestor of the Evil Mountain sect come out. I think you should take a look at

It seemed that the course of the battle would change when these two forces came out and showed themselves.

Ye Chen saw the strong people that appeared, they were the strongest.

"you guys, if you can beat them we will win" Ye Chen spoke to Xuan Mei and Jia Li.

Jia Li and Xuan Mei understood, they saw an opportunity to win, congratulations on defeating the ancestor of the Evil Mountain Sect, they will win.

"Leave the rest here to me, I will overcome them" Ye Chen said to Xuan Mei and Jia Li.

Xuan Mei and Jia Li understood, they would hand over to Ye Chen, meanwhile they would face the leader of the Evil Mountain Sect.

"You go forward" Ye Chen told everyone to go forward.

"let's beat that brat, but the two of them he is nothing" to them Ye Chen was nothing, they were only afraid of Jia Li and Xuan Mei.

"You will soon realize that you have picked up the wrong opponent," Ye Chen said to the members of the Evil Mountain Sect.

They accepted the challenge from Ye Chen.

They started attacking Ye Chen using deadly black lightning strikes.

Ye Chen stretched out his hand forward, he endured every attack that was launched towards him.

Ye Chen tried to block the attack and return it to the enemy.

The enemy was still unaware of this, he was unaware of what was happening at this moment.

They continuously attacked Ye Chen and they didn't realize that Ye Chen would use the attacks they had.

They felt that they had already won, there was no way Ye Chen could survive the crushing attack they launched, it was a super powerful and terrifying attack that Ye Chen would not be able to easily endure.

Ye Chen condensed the enemy's attacks, hundreds of enemy attacks condensed into a small ball.

"is that all you can do beat me" they all paused when they saw what Ye Chen did, they couldn't believe what happened when they saw Ye Chen endure all the attacks.

No way, what exactly is going on here" they don't understand, they don't understand what is happening in this place.

"You will soon find out what happened to this place".

With that, Ye Chen threw the attack back at the Evil Mountain Sect group.

"Boom. ." A huge explosion occurred and it swept away everyone within the Evil Mountain Sect.

All the members of the Evil Mountain Sect were easily crushed by Ye Chen, they had no resistance and were crushed by their attacks.

"this is over quickly" Ye Chen finished, now it remains only to defeat their leader.

Jia Li and Xuan Mei tried to do it, they tried to do it by attacking the enemy.

"You guys can't win" the leader of the Evil Mountain Sect said to Xuan Mei and Jia Li.

"Don't underestimate us, we can beat you easily" said Jia Li.

"Are you sure you can beat them easily" Xuan Mei asked Jia Li.

"Of course, I'm not as weak as you, I can beat them" said Jia Li.

Xuan Mei wasn't happy about this, she was just as strong.

The two adult women are fighting again, they are like small children and fighting for no apparent reason.

The ancestor and leader of the Evil Mountain Sect was shocked by the scene ahead, Xuan Mei and Jia Li were too relaxed to face them.

"You two, don't underestimate us" they got angry and attacked Xuan Mei and Jia Li.

"step aside" Xuan Mei and Jia Li used their strength and directly knocked out the leader and ancestor of the Evil Mountain Sect.

Chapter 2732 Xuan Mei And Jia Li Fight Together Against Two Enemies From An Evil Sect

Jia Li and Xuan Mei used their strength, they knocked the enemy away so easily, the leader and ancestor of the Evil Mountain Sect was blown away.

"Impossible" they couldn't believe what happened, they were so easily sent flying by Xuan Mei and Jia Li.

"damn it, the two of them" were both angry, they had to be serious in dealing with Xuan Mei and Jia Li.

Lightning enveloped their bodies, they combined forces to defeat Xuan Mei and Jia Li.

"Thunder Evil Arrow" They attacked Xuan Mei and Jia Li with countless lightning arrow attacks, the number of attacks was nearly hundreds of millions and appeared as dense as a terrifying flash.

Xuan Mei and Jia Li saw that, they saw that the other side wanted to attack them.

Jia Li used his fire power and burned all the lightning arrows.

On the other hand Xuan Mei slashed all the arrows with her blade.

With that, the two of them crushed the enemy's attacks easily.

The attack was dissipated by the attacks from Xuan Mei and Jia Li.

The ancestor and leader of the clan were shocked when they saw what happened, they couldn't believe what happened.

"No way, this can't be happening" They were silent for a while, they couldn't believe what had just happened right now.

"there is no way that such a strong attack could be stopped by them" They couldn't believe that such an attack could be easily stopped by Xuan Mei and Jia Li.

Even though they had combined forces, who would have thought that Xuan Mei and Jia Li could easily withstand such a thing.

"we postpone our battle, let's finish them first" Jia Li said to Xuan Mei.

"of course, let's end this quickly" Xuan Mei agreed with what Jia Li said.

They decided to work together, with that they started to defeat the enemy in front of them.

Jia Li and Xuan Mei were finally willing to get serious, both of them finally got serious and showed their strength.

Xuan Mei used her finest sword, meanwhile Jia Li used the eternal spark furnace.

The two of them stepped forward and started attacking the enemy.

The eternal spark furnace was a weapon that could sense flames and encircle the enemy. Jia Li controlled it and directly attacked the ancestor of the Evil Mountain Sect.

"Damn woman, want to attack me with that toy" The ancestor of the Evil Mountain Sect underestimated the power of Jia Li, he underestimated the eternal spark furnace too much.

Jia Li continued to advance, she charged at the enemy in front of him with heavy and powerful fire shots.

The Evil Mountain Sect's ancestor extended his hand forward, lightning flashed from his palm and he prepared to destroy the eternal spark furnace.

This fellow didn't know what would happen next, he was too confident in his own way.

He attacked the eternal spark furnace with his bare hands and didn't know that something bad was about to happen.

"Burnt" when he attacked the eternal spark furnace, he was burned, his body was directly burned by the intense flames from the eternal spark furnace.

"arghhh . ." The ancestor of the Evil Mountain Sect retreated, his arm burned and shattered, he was forced to cut off his arm to prevent the flames from spreading.

He finally realized that Jia Li was so strong with the furnace, it was a terrible weapon and could destroy.

"too stupid, do you think you can beat me with your hands" said Jia Li.

"Shut up, I'll send me to another realm soon" he was missing an arm, but it didn't really matter to him.

The ancestor of the Evil Mountain Sect finally took out a weapon, he took out a terrifying scythe. I think you should take a look at

After taking out the scythe weapon, he turned into a black cloaked monster, he looked like a grim reaper if one looked closely.

When he transformed, of course his body could recover, it was the power of those who had the art to transform bodies, it increased their regeneration.

And that allowed the ancestors of the Evil Mountain Sect to recover quickly.

Jia Li saw that, the only way now was to destroy it with his own enhanced strength.

"die bitch" he swung the scythe and intended to cut Jia Li in half.

Jia Li dodged, she created flower fire petals and started counterattacking.

Sparks scattered and started to burn the ancestors of the Evil Mountain Sect.

His body and robes were burnt by the fire and he became even creepier.

The ancestor of the Evil Mountain Sect didn't really care about this matter. He still went ahead and fought against Jia Li, He ignored the damage on his body, The wounds on his body would definitely heal quickly, There is nothing to worry about.

The black lightning hit Jia Li, the attacks from the ancestors of the Evil Mountain Sect did not stop against Jia Li.

"So stubborn, rest here." Jia Li used the Big Flower Flame area, she exploded the ancestors of the Evil Mountain Sect with that technique, with that technique the ancestors of the Evil Mountain Sect exploded.

"arghh . ." With Jia Li's strength being so strong, she would have been able to destroy the ancestor of the Evil Mountain Sect.

"Hot, my body, why?, I can't die, why?" he still couldn't believe that he would be melted by Jia Li's flames.

"You will be destroyed right now." Jia Li increased her strength and the body of the ancestor of the Evil Mountain Sect completely melted into a ghastly black liquid.

The battle progressed swiftly, it only took a few minutes for Jia Li to win.

.

.

On the other hand Xuan Mei was fighting directly with the leader of the Evil Mountain Sect.

They both use swords, this will be a fairly balanced battle because they use swords.

"Slashes. . ." the enemy attacked Xuan Mei first, meanwhile Xuan Mei endured the attack.

Xuan Mei still endured the attack, she didn't directly attack the enemy in front of her.

"What's wrong?, can't fight back, a weak woman like you can't win against us" the leader of the Evil Mountain Sect said.

He felt that he had won because he managed to restrain and corner Xuan Mei to the end.

Xuan Mei was still silent, after a slight pause, she started to launch thrusting attacks towards the enemy's head.

It directly injured the cheek of the Evil Mountain Sect leader.

The leader of the Evil Mountain Sect was unable to see through Xuan Mei's attack, it was too fast and could not be seen with the eye.

damn it, he cursed loudly, he was angry because of what happened just now.

Xuan Mei's "Slash" attacked again, she didn't give the enemy a chance and directly slashed the body of the enemy in front of her.

The enemy's body was injured, there was a fairly wide slash wound in the leader's chest Evil mountain sect.

The leader of the Evil mountain sect had been injured, blood was gushing out quite profusely.

He became flustered, he didn't see the arrival of the previous attack, the attack became fast and he didn't see the attack.

Chapter 2733 Completely Defeat The Evil Sect

"It's time for you to return." Xuan Mei said to the leader of the Evil Mountain Sect.

"No, I won't come back, I will destroy you." He said that he would destroy Xuan Mei

This person changed shape, eight new arms appeared on the back of his body, right now he had quite a lot of hands and his eyes were like a spider's.

The transformation of this person is similar to that of a spider, he has the strength to wield more weapons to defeat Xuan Mei.

"Right now I can see every attack you throw at me" the leader of the Evil Mountain Sect said that he could see every move of Xuan Mei.

His eyes became numerous and he could see every attack that would come his way.

He picked up the eight golden swords, now was the time to take revenge on Xuan Mei who had injured him.

With many hands, he started to attack Xuan Mei, he attacked Xuan Mei with many slashes that could not be seen by ordinary people's eyes.

The speed of the slash was so fast because there were so many swords, it made him invincible from wielding ten swords at once.

Xuan Mei was still calm, she was still very relaxed when facing attacks from opponents.

"why, why is it wrong ?" He was surprised when he saw that Xuan Mei was able to resist every available attack, every available attack was easily resisted by Xuan Mei.

"You are not that strong" Xuan Mei said that the enemy was not that strong, the enemy was just trying to bluff, he was not strong at all and could easily be dealt with by Xuan Mei.

Xuan Mei dealt with the enemy, she used a special attack to deal with the enemy.

"Slash . ." Xuan Mei started slashing at the enemy, with a light slash, she destroyed the enemy's sword so easily.

The leader of the Evil Mountain Sect could only remain silent when he saw Xuan Mei destroy all the weapons he had, Xuan Mei did it so easily, it was like he was cutting a soft object.

"There's no way I'll lose to someone like her, she's just a faction leader" He couldn't believe losing to someone at the level of a faction leader, it was ridiculous to lose to a faction leader.

The faction leader's level was only that of an elder, so there was no way he would lose,

He didn't want to accept this result, that's why he took out a new, even more powerful weapon to fight Xuan Mei.

"There's no point in taking a new, stronger weapon, this fight will end soon" Xuan Mei informed that the battle would end soon.

He would immediately get serious and fight the enemy using his full strength.

Xuan Mei used sword intent, she displayed her terrifying abilities and strength.

The sword intent that Xuan Mei possessed was so great, after training together with Ye Chen, she became very strong and very terrifying.

"It will end, prepare yourself well" she said to prepare yourself because it will end soon.

Xuan Mei was not joking with her words, she started to attack the enemy leader using sword intent, countless sword attacks were launched by Xuan Mei, she destroyed the enemy in front of her with hundreds of slashes that were almost impossible to see.

With that many slashes, it was impossible for the enemy to survive, he would not be able to survive and would be directly destroyed by Xuan Mei.

The enemy tries to recover by regenerating, those from the evil sect are experts in regenerating and making the enemy experience problems.

Since Xuan Mei already knew her enemy's abilities, she could easily anticipate it in her own way.

Xuan Mei used a fire slash to destroy the enemy, she used a fire slash towards the leader of the Evil mountain sect.

"The slash destroyed the leader of the Evil Mountain Sect, the leader of the Evil Mountain Sect was destroyed when he received the slash from Xuan Mei.

"damn you" He cursed Xuan Mei before disappearing from this world, Xuan Mei's attack had made him disappear from this world. I think you should take a look at

"I don't need your words, rest in peace" Xuan Mei said to the leader of the Evil Mountain Sect.

With that, the leader who was the pillar of the Evil Mountain Sect had been destroyed, Xuan Mei and Jia Li had destroyed them.

"It's finished" Ye Chen came, he asked Xuan Mei and Jia Li.

"It's finished, what about you, are you finished" the two asked Ye Chen.

"I'm done too, let's go back" Ye Chen said to Xuan Mei and Jia Li.

Ye Chen had also finished, so he invited them to go back.

Xuan Mei and Jia Li agreed with what Ye Chen said.

They both agreed to return, that way they finally completed their mission.

They had succeeded in defeating the Evil Mountain Sect and became the savior for everyone there.

News of the defeat of the Evil Mountain Sect spread quickly, it made the remnants of the Evil Mountain Sect give up and decided to no longer resist and chose to flee.

Xuan Mei and Jia Li were flooded with praise, they received quite a lot of praise for having succeeded.

Ye Chen kept it a secret that he interfered, this was to keep her safe and let Xuan Mei and Jia Li get the benefits.

"Why don't you want to come along and be the center of people's attention" said Xuan Mei to Ye Chen.

"That's troublesome, I'm not really interested" said Ye Chen.

Ye Chen had enemies, so he had to be careful in every action, it was better not to be too obvious and just be an ordinary person.

"so you didn't know that he had a strong enemy, it was a good act you know" Jia Li said to Xuan Mei.

"I don't really know about this, you never explained it to me" Xuan Mei said that Ye Chen never explained it.

"Then please explain to her" Ye Chen asked Xuan Mei to help explain.

"Why should I" Xuan Mei asked Ye Chen, why did she have to explain this matter.

"Because you two will become close sisters," Ye Chen said to Xuan Mei and Jia Li.

"Who is close sister, we are not that close" Both of them immediately denied what Ye Chen said.

they protest that they are close people.

"I really believe that you two can be close, so I beg you," Ye Chen said to Xuan Mei and Jia Li.

Ye Chen wanted the two to become closer, so he had to do something to make them closer again.

"It will be a difficult thing" Xuan Mei and Jia Li answered Ye Chen, they both told Ye Chen that it would be a difficult thing.

"You two, why are you two still like this over and over again, this will be a problem for me" Ye Chen said to Xuan Mei and Jia Li.

Xuan Mei and Jia Li did not answer, the two of them were indeed difficult to get along with.

Ye Chen thought of a good way to make the two of them get along.

Chapter 2734 Repairing Jia Li And Xuan Mei's Relationship (1)

Maybe Ye Chen should take them on a date somewhere that would improve their relationship.

"Is there a good place here or not" Ye Chen wanted to know if there was a good place around this place.

"Yuechan, can you help me?" Ye Chen asked Chu Yuechan.

"Why don't you take them to a romantic place, I might be interested if I were them" said Chu Yuechan.

"a romantic place" Ye Chen thought of a romantic place, a nice and beautiful place that would make them happy.

Ye Chen finally had an idea, he looked for the best place in the Supreme God Realm.

He might have to use the best approach to make the two closer.

"Come with me" Ye Chen said to Xuan Mei and Jia Li, he wanted to take them to a nice place.

"to where?" the two asked Ye Chen, they wanted to know where Ye Chen would take them.

"You will soon know" Ye Chen said that Xuan Mei and Jia Li would soon find out.

The three of them finally left, they immediately went to the best place in the Supreme God Realm.

Luckily Ye Chen knew some good places because of studying, so Ye Chen knew his goal now.

Xuan Mei and Jia Li could only come with Ye Chen, they didn't know where Ye Chen would go.

Some time later, they arrived at a beautiful place filled with luxurious goods.

"This, isn't this the luxury goods district" Xuan Mei said to Ye Chen.

Xuan Mei of course knew about this, this was a very luxurious and expensive place that only a few people came to.

"what are you going to do, bringing us to a place like this" Jia Li asked Ye Chen.

Even from here, she still didn't know what Ye Chen's goal was.

"I want to show you around this place, I hope you two don't mind that" Ye Chen said to Xuan Mei and Jia Li.

"We won't mind" they said that they wouldn't mind this problem, they were actually happy with this.

Ye Chen started to bring them in, they were allowed in because Ye Chen and Xuan Mei's appearance was very nice and classy.

This place is really very classy, ??there are so many handsome men and beautiful women around this place, they are people who come from high society and have lived a good life.

So it's not strange that they have good looks, it's because they come from rich and prominent families.

"let's try to book a private place" Ye Chen said to Xuan Mei and Jia Li.

"This place is so crowded, there are so many people" Jia Li didn't feel very good, there were too many people here.

"It's okay, just ignore them, you two are very beautiful, so just ignore those who look at you" Ye Chen said to Xuan Mei and Jia Li.

"We already ignored them, they are useless to look at" Xuan Mei and Jia Li ignored them, they started to go and rent a private place.

Ye Chen went to rent a private place, he rented the place with his considerable savings.

"Sir, what do you need right" the waiter greeted Ye Chen nicely.

"I need a special room that is big and good for three people to use, and please prepare the best food for us" Ye Chen told his destination.

"Before that, please pay the down payment up front" she said to Ye Chen to pay the down payment up front, so that nothing untoward happened.

"of course, I will pay for it" Ye Chen will pay, this is not difficult for Ye Chen who has quite a lot of pocket money, taking his woman to a luxurious place is not a bad thing.

With that Ye Chen finished everything and immediately left this place, he quickly went to the rented place.

Here the rental system is a building, and Ye Chen rented a building that was quite good and that they could use.

"This may not be the best in this place, but it doesn't matter for Ye Chen because this is enough, it's better not to be too conspicuous because at the top it will definitely be filled with strong people and they will be suspicious and find out about Ye Chen.

"You rented a really nice place" Jia Li said to Ye Chen.

Jia Li was pleased with the view here, there were mountains and sea on two sides of this place.

They can look out to sea and look at beautiful mountains.

At night, this place will become even more beautiful and they can enjoy their time in this place.

Ye Chen and the others waited for the food to arrive, it arrived just in time for dinner with dishes and candles to accompany them.

The atmosphere in this place was so romantic and Ye Chen was together with Xuan Mei and Jia Li.

Xuan Mei and Jia Li came to this place for the first time, usually they could only pass by and couldn't come because they didn't want to waste money on coming to a super expensive place.

And today was the time for them to try it, they would eat together with Ye Chen and enjoy their time in this place wholeheartedly.

"The food arrived, after the food arrived, the waiter left the table and left Ye Chen, Xuan Mei and Jia Li alone.

"This food is luxurious" said Xuan Mei.

The food at this place looks good, and the portions are small, that's because it's luxury food.

"let's try" Ye Chen said to Xuan Mei and Jia Li.

With that they started eating dinner, they started eating dinner slowly.

Jia Li and Xuan Mei were on Ye Chen's left and right, they approached and tried to help Ye Chen with all their heart.

They filled Ye Chen's plate with the delicious food that was in front of him.

Ye Chen was of course happy when he saw two beautiful women paying attention to him.

"Come on, open your mouth" Jia Li was an open person, so she wanted to feed Ye Chen.

"Huh?" Xuan Mei was shocked when she saw what happened, she was so shocked when she saw what Jia Li did.

Jia Li wore a triumphant smile, she was already one step ahead compared to Xuan Mei.

"husband, this is for you, come on you have to open your mouth" Xuan Mei said to Ye Chen, she didn't want to lose and started to be even more aggressive.

"Who will you choose" Jai Li asked Ye Chen.

"that's right, who will you choose, me or her" Xuan Mei said to Ye Chen.

It was as if Ye Chen was being held at gunpoint using two weapons, he was told to choose which one was best.

"Your plan isn't working, they still don't want to cooperate" Chu Yuechan said to Ye Chen.

Ye Chen's plan failed, he was completely unsuccessful.

"Isn't this your idea" Ye Chen said to Chu Yuechan, this was the idea that Chu Yuechan had.

"Fufufufufu" Chu Yuechan giggled, she enjoyed seeing Ye Chen in trouble.

"I will use my own way" Ye Chen decided to use his own way, that way he could make both of them calmer.

"Then I will choose both of you" Ye Chen said that he would choose both of them.

Chapter 2735 Repairing Jia Li And Xuan Mei's Relationship (2)

Xuan Mei and Jia Li were shocked when they found out Ye Chen chose the two of them, they didn't expect that this would happen.

Ye Chen ate the menu offered by Xuan Mei and Jia Li.

He enjoyed this deliciously and without any worry that they would be angry.

"This is delicious, why don't you try it" Ye Chen is now trying to feed Xuan Mei and Jia Li, he is feeding these two beautiful women.

Xuan Mei and Jia Li accepted this, they opened their mouths like birds being fed.

Ye Chen enjoyed this, he gave food to Xuan Mei and Jia Li.

Xuan Mei and Jia Li enjoyed to, they also helped Ye Chen by giving her food.

They started to get along, they no longer fought and started to get closer to each other.

After dinner, they looked outside, the view here was quite good for the price offered.

"This place is so beautiful, what can we do tomorrow" Jia Li asked Ye Chen.

"What do you want to do, do you want to go to the mountains or play on the beach" Jia Li.

"Just go to the beach, I want to go there and play," said Jia Li.

Jia Li said that she wanted to go to the beach and play, it was a beautiful and nice place.

"Let's just go to the mountains, this place might be much fresher," said Xuan Mei.

On the other hand, Xuan Mei wanted to go to the mountains, she felt that it would be a comfortable and fresh place for them.

"Sea" Jia Li said to Xuan Mei.

she wanted to go to the sea, she was bored because their place was full of mountains.

"Not just the mountain, it's more comfortable and quiet." Xuan Mei said that it was quieter there, so she wanted to go to the mountain.

"You two, please calm down, don't do bad things like that, it will be a problem for us" said Ye Chen.

"How about this, we will visit both places, it will be easy for us" Ye Chen said to Xuan Mei and Jia Li.

Ye Chen decided to find a middle ground, why don't they go to two places at once.

"fine, I will agree" after quite a discussion, they finally agreed.

"Very good, I like that" Ye Chen said that he liked that.

Ye Chen immediately hugged them, finally he could make them calm down for a while.

Now was the right time to do it, Ye Chen took Xuan Mei and Jia Li to sit on the super big bed, he wanted to ask them.

"Tell me honestly, why are you like this" Ye Chen asked Xuan Mei and Jia Li.

Ye Chen wanted to know why they were like this, what made them become like this.

"What do you mean" Xuan Mei and Jia Li asked Ye Chen, they didn't know what Ye Chen meant.

"This is about the two of you, you two fight continuously and continuously" Ye Chen said to Xuan Mei and Jia Li.

"That's for a reason, we are rivals" said Xuan Mei to Ye Chen.

Xuan Mei replied, she was a rival.

"Isn't that because you don't want to lose to me" said Jia Li.

Jia Li explains that Xuan Mei doesn't want to lose, that's why she has been fighting Jia Li until now.

"I have never lost to you" Xuan Mei said that she had never lost.

"I also never lost to you" Jia Li also refused to lose, she never lost to Xuan Mei.

"start again" Ye Chen said to Xuan Mei and Jia Li, they both started again. I think you should take a look at

"Why don't you forget the past and start with something new, aren't you bored, and what will you get if you continue to be enemies like that?" Ye Chen gave advice, he gave advice to Xuan Mei and Jia Li.

Jia Li and Xuan Mei thought about what Ye Chen said, after thinking about what Ye Chen said, they finally understood what Ye Chen was trying to mean.

There was nothing they would gain from fighting, and Ye Chen was right about this matter.

Xuan Mei and Jia Li started to think for a while, they started to think about why they were doing this in the first place.

"Just say it from the start if you want to be recognized by the other party" Ye Chen said to Xuan Mei and Jia Li, he told them that they both only wanted to be recognized by each other.

Xuan Mei and Jia Li were shocked when they listened to what Ye Chen said.

It seemed like Ye Chen had known this from the start.

"I realized this from you guys, just tell me honestly, is what I said true" Ye Chen said to Xuan Mei and Jia Li.

Xuan Mei and Jia Li fell silent as they listened to what Ye Chen said.

It seemed like what Ye Chen said was very true, the two of them did that just to be acknowledged.

"I'm right, aren't I" Ye Chen said to Xuan Mei and Jia Li.

"You, how do you know about that" Jia Li and Xuan Mei asked Ye Chen, why did Ye Chen know about that matter.

"Of course I know about this matter, do you think I don't know, I'm quite close to you and you are my women, I take good care of you" Ye Chen said to Jia Li and Xuan Mei.

Jia Li and Xuan Mei were happy when they heard this, they were really very happy to hear what Ye Chen said.

They were touched because Ye Chen took good care of them, they were really lucky because Ye Chen took good care of them.

"so let's stop this now, let's start a new life" said Ye Chen.

Ye Chen asked Jia Li and Xuan Mei wholeheartedly, he wanted them to start new and forget the old.

After listening to Ye Chen's words, Jia Li and Xuan Mei were finally willing.

"I'm sorry" they both apologized to each other, they apologized to each other.

Ye Chen smiled, it seemed like this would work, this time he would definitely succeed.

"we should thank him" Jia Li whispered something to Xuan Mei.

Xuan Mei listened to what Jia Li said.

Xuan Mei understood, she understood what Jia Li wanted.

"how?" Jia Li asked Xuan Mei.

"it's embarrassing, but I'll try, I'll make him happy" Xuan Mei said to Jia Li.

"Very good, I enjoy listening to it" Jia Li enjoyed hearing this.

"Then let's start, as long as we work together, we will be invincible" Jia Li said to Xuan Mei.

As long as the two of them worked together, Ye Chen was not a threat to them.

Both of them are too confident, they are too confident in their abilities.

Jia Li and Xuan Mei pounced on Ye Chen, this was the perfect time to defeat Ye Chen.

"Hey wife, what are you doing?" Ye Chen asked Xuan Mei and Jia Li.

"We've decided, it's time to return the favor" Jia Li said to Ye Chen.

"That's absolutely right, you have to be ready" Xuan Mei said to Ye Chen, she told Ye Chen to get ready because they were about to start.

Ye Chen is currently being grabbed by two beautiful and mature women, what can they do to Ye Chen.

Chapter 2736 Ye Chen, Xuan Mei And Jia Li (1)

"Wait a minute, what do you want to do?" Ye Chen said to Xuan Mei and Jia Li.

"Let's start beating him, last time I lost to him quite badly" said Jia Li.

"I'm the same, he's too strong, if we work together, we can defeat him.

Jia Li and Xuan Mei intended to defeat Ye Chen, both of them wanted to defeat Ye Chen using their skills and abilities.

Coincidentally, Jia Li had gained good knowledge from Chu Yuechan, she shared this with Xuan Mei.

Xuan Mei got it, she got a new technique from Jia Li.

Finally they were able to work together to fight Ye Chen and defeat Ye Chen's dominance.

Jia Li and Xuan Mei seemed quite confident in their abilities.

They were confident enough in their abilities to defeat Ye Chen.

With the abilities they have, they should be able to defeat Ye Chen.

Xuan Mei and Jia Li started to take off their clothes charged by Ye Chen, they quickly took off the clothes.

They saw Ye Chen's body which was good and perfect, Ye Chen trained his body well, he could say every inch of her body was so good.

"Good muscles, you must train your body well" Xuan Mei likes this, she likes men who train their bodies well.

"He trains hard, it's not surprising that he is able to have a good body shape," said Jia Li.

"We will enjoy this, we can't waste it" Xuan Mei said to Jia Li, she told them that they shouldn't waste this.

"You're right, we shouldn't waste this opportunity," Jia Li said to Xuan Mei.

They had captured Ye Chen and were now the controlling party, they could do all the things they wanted.

They are quite confident in their abilities, they are confident that they can beat Ye Chen.

Ye Chen was still relaxed when he was pressured by Xuan Mei and Jia Li, he was still quite confident in his abilities.

Ye Chen has good abilities and is confident in his strength, he wants to see if Jia Li and Xuan Mei are able to win.

The rooms in this house had been well isolated, so no outsiders would see what was going on done by them.

This made Xuan Mei and Jia Li not hold back, they could not hold back if they wanted to defeat Ye Chen.

Xuan Mei and Jia Li started it, they started to stimulate Ye Chen.

Both stimulate Ye Chen's body, their techniques and abilities can is said was so kind and seductive, it was impossible to survive such temptation so easily.

Jia Li used her tongue to tease Ye Chen, meanwhile Xuan Mei used her hands and touched every inch of Ye Chen's body.

Jia Li teased Ye Chen, and Xuan Mei admired every inch of Ye Chen's body.

Ye Chen's body started to become hot when he was stimulated, this made Ye Chen very excited.

"they are serious, their abilities are very good" Ye Chen had to admit that Xuan Mei and Jia Li had abilities, it felt so beautiful when they served Ye Chen.

"you better be careful, we will not hold back" they told Ye Chen, they told that the two of them will not hold back and will defeat Ye Chen.

"My beautiful wife, show me the abilities you have" Ye Chen told them, he told them to show their abilities.

They agreed to Ye Chen's challenge, they immediately grabbed Ye Chen's weak point.

Xuan Mei and Jia Li knew that this was a man's weak point and the most important part in every individual's life.

"This is already quite lively" said Jia Li.

"why is it hard" Xuan Mei was much more innocent, she felt embarrassed when she touched Ye Chen's.

"You guys are still asking, it's because of your actions, so take responsibility as best you can" Ye Chen asked for accountability from Xuan Mei and Jia Li, those who had made Ye Chen the way he is now.

"Giggled" they enjoyed it, they had never felt this good before.

With that the two of them started to open up to Ye Chen's little brother. I think you should take a look at

Ye Chen's right now was in front of Jia Li and Xuan Mei.

"Big" Xuan Mei gulped when she saw Ye Chen's.

Honestly this is big and super long, this is sure to conquer any woman quickly.

"just seeing him for the first time, he has good things here, he is blessed" Jia Li said to Xuan Mei.

Jia Li already knew this, she had felt this way several times.

Xuan Mei nodded, she was surprised to see it, this was an extraordinary thing.

"then let's get started" Jia Li said to Ye Chen.

Jia Li gave an example, she used her hands to help Ye Chen.

By using Jia Li's hand to help Ye Chen, Jia Li's hand began to move to help Ye Chen's younger brother who was below.

Jia Li knew how to use her hands well, it felt comfortable when she did.

Ye Chen felt very happy, the feeling of being helped by Jia Li was so beautiful.

Xuan Mei saw Jia Li, she saw Jia Li from the side and intended to try it too.

Xuan Mei stretched out her hand, she imitated what done by Jia Li.

Xuan Mei felt that Jia Li's technique was much better than her own, so it wasn't strange if she copied Xuan Mei's technique.

With that the two of them helped Ye Chen, they used their hands and moved up and down.

Ye Chen had quite a big thing down there, so one hand from Jia Li and Xuan Mei would be hard-pressed to hold it all.

Jia Li was happy, meanwhile Xuan Mei still couldn't believe what was in her hands.

They both had their own things and the way they treated Ye Chen was different.

Xuan Mei was more aggressive, while Jia Li was gentler in dealing with Ye Chen.

That's why Ye Chen felt different things at the same time.

"How about it, is it comfortable" Jia Li asked Ye Chen, she was more active in asking Ye Chen compared to Xuan Mei.

Jia Li was more skilled at flirting, while Xuan Mei was not very good at flirting with men.

"You still ask, of course very comfortable" Ye Chen told Xuan Mei, he told her that this was comfortable.

"Fufufufu, looks like we managed to make you comfortable" said Jia Li.

"Is this enough" Xuan Mei asked Ye Chen.

"Of course this is enough, you did very well" Ye Chen said to Xuan Mei.

Ye Chen praised Xuan Mei, she did quite well.

Xuan Mei naturally felt happy about this.

Jia Li and Xuan Mei helped Ye Chen for a while, they made Ye Chen feel comfortable by using their hands.

"why is it still not down" Xuan Mei asked Jia Li.

they had helped Ye Chen and that should be enough to make Ye Chen feel comfortable.

"You know if he's strong, this won't be enough" Jia Li said to Xuan Mei.

"then what should we do, this must be uncomfortable for him" Xuan Mei asked Jia Li.

"This is something that can make men happy, we will use our tongue," said Jia Li.

"Huh?" Xuan Mei looked surprised by this.

Jia Li had already expected that, so she decided to start first and leave Xuan Mei alone

Chapter 2737 Ye Chen, Xuan Mei And Jia Li (2)

Seeing Jia Li who had stolen the start first, Xuan Mei decided to come too, she decided to come along and started to do the same thing, she used her tongue to tease Ye Chen's little brother.

Ye Chen had a big thing, so the two of them worked together to help Ye Chen by using their tongues and small mouths.

"ummm . . ., chuuu . ." they started to become aggressive in helping Ye Chen, they wanted to make Ye Chen comfortable.

Ye Chen enjoyed it, he was served well by Xuan Mei and Jia Li, this was a really very pleasant feeling.

"very good, do more" Ye Chen said to Xuan Mei and Jia Li.

Xuan Mei and Jia Li became even more enthusiastic.

They shared Ye Chen and took turns serving Ye Chen.

Sometimes Jia Li will be on top and sometimes Xuan Mei will be on the bottom.

They made Ye Chen comfortable with their techniques.

Ye Chen enjoyed it well, both of them made Ye Chen feel comfortable, they helped Ye Chen quite well.

Jia Li was already improving, while Xuan Mei was still trying to get better, it could be said that they were all getting better and better.

Both of them got better when they helped Ye Chen.

They helped Ye Chen for a while, after a while Ye Chen couldn't survive the teasing from Jia Li and Xuan Mei.

"oh . ." Ye Chen finally reached the limit, he gave Yang Qi to Jia Li and Xuan Mei.

"Ahhhh . . ." they screamed when they received the Yang Qi from Ye Chen, it made them shocked.

"hot" Jia Li and Xuan Mei said to Ye Chen, they felt hot when they received Ye Chen's Yang Qi.

Jia Li tried this pure Yang Qi, it felt really comfortable.

Xuan Mei did it too, she felt that it was delicious.

"ahhh, how refreshing, I like husband" Jia Li said to Ye Chen, she felt happy with Ye Chen.

Jia Li felt happy with Ye Chen, Ye Chen's essence was so good.

"You two" Jia Li and Xuan Mei are so tempting, a young man like Ye Chen wouldn't be able to survive their teasing.

"You two are too tempting" Ye Chen said to Jia Li and Xuan Mei, they were both too tempting.

Ye Chen took Jia Li and Xuan Mei, he immediately hugged them both and started touching them.

"Ahhh . . "Xuan Mei and Jia Li groaned when Ye Chen did that, they groaned when they received the touch from Ye Chen.

"This is so comfortable" Xuan Mei and Jia Li felt that this was so comfortable, the feeling given by Ye Chen was too comfortable.

"Husband, this is so comfortable" both of them said to Ye Chen, they told him that this felt very comfortable for them.

"How about it, do you guys like it" Ye Chen said to Xuan Mei and Jia Li.

"we like it" they said to Ye Chen, they told that they liked the touch that Ye Chen did.

Ye Chen's touch felt so comfortable for them, they liked it.

Ye Chen touched the double peaks of Xuan Mei and Jia Li, he enjoyed touching the double peaks of Jia Li and Xuan Mei, the feeling of touching this thing was too comfortable and soft.

Jia Li may be bigger in size, but Xuan Mei is not inferior, she has quite a big thing when touched by Ye Chen.

The voices of Xuan Mei and Jia Li became louder and louder compared to before, they used louder voices compared to before.

"Ahhhhhhhhhhh . . ., No . . ." they quickly reached the peak, the touch that Ye Chen gave was so comfortable for both of them.

"sigh. . . ." Both of their breaths became irregular because of pleasure, the pleasure given by Ye Chen made them too comfortable and they forgot about everything that existed.

Xuan Mei and Jia Li had really gotten too excited, they were already quite wet and ready.

"Why are you weak, don't you want to beat me" Ye Chen spoke to Xuan Mei and Jia Li.

Xuan Mei and Jia Li were still tired, they didn't remember their goal of defeating Ye Chen.

"You wait a minute, we will immediately refill our strength to defeat you" Jia Li said to Ye Chen.

she needed rest to recover her strength.

Once her strength recovered, she would fight Ye Chen wholeheartedly.

Xuan Mei also felt the same way, she needed to restore her strength to restore her own energy.

Ye Chen decided to give them a chance, he gave Xuan Mei and Jia Li a chance, he wanted to do it together with them with optimal conditions.

Xuan Mei and Jia Li had finally finished recovering their strength, it was time to retaliate.

"who will go first" Jia Li and Xuan Mei decided to confer, they both conferred to determine who would fight Ye Chen.

"I will go first" after a brief discussion, Jia Li decided to be the first, she wanted to teach Xuan Mei.

Xuan Mei will study what Jia Li does, she can't wait to see the performance Jia Li will show.

"Husband, it's me, please treat me well" Jia Li said to Ye Chen, she asked Ye Chen to treat her well. I think you should take a look at

"Of course, I will treat you well" Ye Chen told him that he would treat Jia Li well.

They started, Ye Chen hugged Jia Li, meanwhile Jia Li sat on Ye Chen's lap, they started to come together, Ye Chen's entered.

"umm. . ." Jia Li groaned, even though she had done it with Ye Chen, this feeling was still too strong for Jia Li.

"big, this fills me" Jia Li felt that this filled her, a feeling that was very full from Ye Chen.

"this is not yet this will be even bigger" Ye Chen said to Jia Li.

With that Ye Chen started to move and make Jia Li feel comfortable.

Jia Li felt comfortable, the feeling given by Ye Chen was too strong for her.

"Ahhhh . . ." Jia Li started to become uncontrollable, she felt satisfied with Ye Chen's abilities.

Ye Chen was able to make Jia Li feel comfortable and feel very good.

Xuan Mei looked at Jia Li and Ye Chen, she could clearly see that the two of them were like hard and Ye Chen was going at it hard.

"Will she be okay?" Jia Li was worried that Xuan Mei wouldn't be able to survive.

Jia Li felt comfortable with what Ye Chen was doing, she was so comfortable with Ye Chen.

"More, husband please" Jia Li said to Ye Chen, she wanted more from Ye Chen.

"Of course, I will give more to you" Ye Chen told that he would give more to Jia Li.

They became more enthusiastic and Ye Chen no longer held back, he no longer held back and performed with all his might and made Jia Li happy.

Jia Li could last 30 minutes, which was already extraordinary.

Jia Li felt Ye Chen was heavier, it seemed like he wouldn't be able to anymore.

"I give up" Jia Li finally gave up, Ye Chen was stronger than usual.

"What's wrong, have given up" said Ye Chen.

"You are stronger than usual, what happened ?" Jia Li said to Ye Chen, she told him that Ye Chen was much stronger than before.

she had problems when fighting Ye Chen because Ye Chen was so strong and aggressive.

"Now you know the power I have" Ye Chen told Jia Li.

Jia Li should already know Ye Chen's true strength.

"You are so strong now, why did you suddenly become so strong" said Jia Li.

"To be honest, I wasn't serious when facing you, Wu Ziyi and Shi Lin," Ye Chen told Jia Li.

"What?" Jia Li finally knew, she finally knew why she lost to Ye Chen.

"you, you are still holding back, how strong are you ?" Jia Li asked Ye Chen.

"Strong enough, you will soon feel the power I have" Ye Chen said to Jia Li.

Ye Chen said that Jia Li would soon know Ye Chen's true strength.

Ye Chen moved again, which surprised Jia Li.

"no, I won't stand it, nooooooooooooo" Jia Li said to Ye Chen, she won't stand it if Ye Chen is rude enough.

Jia Li had reached her limit, she would not be able to continue the battle against Ye Chen.

30 minutes later Jia Li fell, now there was Xuan Mei alone watching.

"You must be waiting" Ye Chen was still quite excited, meanwhile Jia Li had collapsed and looked helpless.

"no, I'm not waiting" Xuan Mei said to Ye Chen, she told that she wasn't waiting,

Xuan Mei felt a little anxious when she saw Jia Li become like that, if Jia Li could be like that, then she might experience the same problems as Jia Li experienced.

Ye Chen could see that Xuan Mei was a little afraid, most likely she wasn't ready to do it.

"Don't worry, everything will be fine" Ye Chen said to Xuan Mei.

"You were quite aggressive before, so this should be fine" Ye Chen whispered, he teased Xuan Mei and reminded her that Xuan Mei was quite aggressive when they did it.

Xuan Mei's face turned red as she listened to what Ye Chen said.

It made her embarrassed to show such a shameful side to Ye Chen.

"don't discuss that again, it's embarrassing" Xuan Mei said to Ye Chen, she told Ye Chen that it was really embarrassing.

Ye Chen smiled, it was fun to make Xuan Mei feel embarrassed.

He continued to tease Xuan Mei using all kinds of cunning tricks.

With a cunning trick, he made Xuan Mei blush like an apple.

Chapter 2738 Date With Jia Li And Xuan Mei

"Don't tease me anymore, it's very embarrassing" Xuan Mei told Ye Chen.

She told Ye Chen not to tease her anymore, Xuan Mei was more shy compared to Jia Li, just a little teasing would make her shy.

"Hehehehehe" Ye Chen chuckled when he heard Xuan Mei word, it seemed like Xuan Mei was completely embarrassed when being teased by Ye Chen.

"Okay, I won't tease you anymore" Ye Chen told her that he would no longer tease Xuan Mei.

"Then I want to get you" Ye Chen said that he wanted to get Xuan Mei.

Ye Chen started to do it with Xuan Mei, he took Xuan Mei up and did the same with Jia Li.

Xuan Mei felt a little afraid to do so, whether she was able to survive or not.

"You are strong, you should be able to endure more" said Ye Chen.

Ye Chen was confident that with Xuan Mei's abilities, she should be able to survive better than Jia Li.

Xuan Mei often does physical training, she should be able to endure it easily.

Xuan Mei was already quite excited when she saw Ye Chen and Jia Li, so she should be fine without having to warm up.

Ye Chen helped, he helped and just broke in.

Jia Li endured, it hurt a little more compared to before, it felt a little uncomfortable the first time.

Ye Chen knew that Xuan Mei was still not used to it, so he let Xuan Mei get used to it first.

"feeling good already ?" Ye Chen asked Xuan Mei.

He wanted to know if Xuan Mei was feeling better.

"I feel better" Xuan Mei said that she felt better than before.

After Xuan Mei got used to Ye Chen, she finally started to do so and started to advance forward.

"ahhh" Xuan Mei made a cute sound, she made a cute sound when she was with Ye Chen.

Ye Chen listened to Xuan Mei's voice, he was happy when he listened to Xuan Mei's voice, Xuan Mei's voice was so good and made Ye Chen excited.

Xuan Mei felt it, she felt Ye Chen's strong and huge possession, her body and mind were quite quickly defeated by Ye Chen, the feeling given by Ye Chen was too strong for Xuan Mei.

"Husband" what Xuan Mei said to Ye Chen was very rude, she felt that Ye Chen was rude.

"Doesn't the dictionary like the rude" Ye Chen said to Xuan Mei.

"even so, it is too strong" Xuan Mei said to Ye Chen.

Xuan Mei finally knew and understood what Jia Li felt.

Now she understood why Jia Li couldn't stand it, it was because Ye Chen was like that

strong and caused his problems.

Ye Chen was indeed strong, Ye Chen's strength was so great and made Xuan Mei reach the peak in a very short time.

In a fairly short time, Xuan Mei had reached her limit, the pleasure given by Ye Chen was so strong that she couldn't hold on any longer.

Ye Chen didn't let Xuan Mei rest, he continued to do Xuan Mei until Xuan Mei was almost unconscious.

After Xuan Mei fell, Jia Li got up again, she got up again and prepared to fight Ye Chen again.

"I haven't lost yet, do it again" Jia Li said to Ye Chen, she told Ye Chen that she still hasn't lost.

Jia Li is still trying to fight, she refuses to lose to Ye Chen.

His enthusiasm to defeat Ye Chen was still high enough that she challenged Ye Chen again and again.

"What a good spirit" Ye Chen saw that Jia Li's enthusiasm was too great, it seemed he had to welcome this enthusiasm with full strength.

Ye Chen took Jia Li, he started the second round with Jia Li.

With that the fighting started again, they again made noise on the bed.

Ye Chen and Xuan Mei tried various new moves, they tried various new moves and Jia Li lost again.

When Jia Li had lost, Xuan Mei would help, she replaced and made Ye Chen restless.

By doing that, the two of them hoped to be able to defeat Ye Chen, they could definitely defeat Ye Chen in that way.

The battle lasted for several hours, both of them finally collapsed and could not continue.

Meanwhile Ye Chen was still quite enthusiastic and still wanted more.

"So tired, this is so tiring" Jia Li and Xuan Mei collapsed on the spot, they felt tired and unable to continue.

"isn't he too strong" said Xuan Mei.

Xuan Mei, who was a fighter, also felt tired, she was no longer able to do it.

"have given up" Ye Chen asked Xuan Mei and Jia Li.

"we surrender" they finally admitted their defeat, they couldn't continue fighting and surrendered.

Ye Chen became the winner, he became the winner and defeated Jia Li and Xuan Mei. I think you should take a look at

"I won again" Ye Chen said to Xuan Mei and Jia Li.

"Too strong, you never seem to get tired, how many times have you vented" Jia Li said to Ye Chen.

Ye Chen had vented several times, strangely she couldn't beat Ye Chen, Ye Chen quickly recovered as if nothing had happened.

"That's because I've trained enough" Ye Chen said that he had trained enough, so it's not surprising that he was able to win.

"how many women do you have ?" Xuan Mei was curious about this matter, a man as strong as Ye Chen definitely had more than ten women.

"let me count it" Ye Chen started counting, he counted the numbers.

Jia Li and Xuan Mei knew that might be a lot, so they didn't need to know.

"already, you don't need to tell me" Jia Li said to Ye Chen.

she told Ye Chen not to tell them because it would be troublesome for them if they knew about it.

"When the time comes, I will introduce to all of you" Ye Chen said to Xuan Mei and Jia Li.

"we understand" Xuan Mei and Jia Li understood, they could finally make peace and rest.

Ye Chen hugged Xuan Mei and Jia Li, they slept together and Ye Chen pulled the blanket to cover himself and the two women in his arms.

.

.

They slept, after some time, they finally woke up and immediately went to take a shower.

Ye Chen, Xuan Mei and Jia Li cleaned themselves up, they cleaned themselves up and went straight out.

They would first go to the mountains and enjoy some gun time in the sea.

Ye Chen, Xuan Mei and Jia Li went towards the mountain, the peacock went towards the mountain by flying.

In this place there are so many animals that live, they live and live in this place.

"this place is so refreshing" Xuan Mei said to Jia Li and Ye Chen.

This is a good place for their health.

"Nice place, you can rest in this place to recover from mental fatigue" Jia Li felt calmer in this place.

The fatigue when doing it with Ye Chen was quickly relieved.

"This place is really nice, I like this place" Ye Chen said that he liked it, there were various things they could do in this place, from climbing cliffs, feeding animals, playing in the river, seeing the whole forest from the tree house and there are still many things they can do here.

Ye Chen took Jia Li and Xuan Mei to the tree house, there weren't too many people here and there were only a few people sitting and ordering tea to enjoy on the sunny morning.

Ye Chen ordered the same thing, he ordered tea for himself, Xuan Mei and Jia Li.

After ordering, they enjoyed it and looked at the scenery around, Ye Chen looked for a good place for their date later.

There are not too many people selling here, so Ye Chen has to be picky in this matter.

"How about after this we look for food, it looks like there are lots of good things around" Ye Chen said to Jia Li and Xuan Mei.

"um, I want to try a lot of new things" Jai Li was excited.

"No objection, as long as it can be eaten" Xuan Mei was also interested and wanted food that could be eaten.

"it's been decided, we will do it" Ye Chen said to Xuan Mei and Jia LI, he told them that they will do it.

Jia Li and Xuan Mei had fun and started chatting, there were so many things they could talk about now.

It seemed like what happened last night made them closer, with that they became like sisters who got along well.

Ye Chen saw this, he finally succeeded in his mission.

"You do it" Chu Yuechan said to Ye Chen.

Chu Yuechan saw that Ye Chen could do it, she had managed to do it well.

"Luckily I have the ability" Ye Chen said to Chu Yuechan, if he had gone along with Chu Yuechan's plan, this situation would not have happened.

"Don't make fun of me, I'm not as good as you" Chu Yuechan said to Ye Chen, she told Ye Chen that she was not that good.

"I understand, I understand, you are trying to avoid this problem" Ye Chen said to Chu Yuechan.

"fufufufu, that's really true, I'm lazy to think about it" Chu Yuechan said to Ye Chen.

"You are" Ye Chen saw Chu Yuechan, he was helpless when he saw Chu Yuechan.

"husband, let's go there" Jia Li said to Ye Chen, she invited Ye Chen to look for the best food and take a walk around.

Ye Chen understood, he left and immediately followed behind Jia Li and Xuan Mei.

The three of them walked around this place for a while and enjoyed the atmosphere in this place which was so cool and comfortable.

Jia Li bought some stir-fried food and spicy food, it seemed like she liked things like that.

Meanwhile, Xuan Mei likes things that are a little sweet, she likes cakes that are sweet and look good.

Chapter 2739 Making The Game Owner Bankrupt

"There is a game there, do you want to try it" Xuan Mei said to Jia Li and Ye Chen.

"What's that?" Ye Chen saw what Xuan Mei was showing, he saw a game of shooting with arrows to get a prize.

"I'm not too sure that the game will be easy" Jia Li said to Xuan Mei.

"What's wrong?, Is the game difficult?" Ye Chen asked Jia Li.

"It's difficult, it's a game of throwing a thread to hit a super fast and small flying ball, it's very difficult to hit it because it's too small" Jia Li said to Ye Chen.

"It looks like an interesting game" said Ye Chen.

"that's right, let's try first" Xuan Mei said to Ye Chen and Jia Li.

"come on, you don't mind right?" Ye Chen asked Jia Li.

"no problem" Jia Li will follow, he has no problem with the game.

After discussion, they finally left, they went and tried the game.

There are some people who try, they want to see their abilities and luck.

Ye Chen looked at the person at the side, he could clearly see what could be done.

The person was throwing a drat and trying to target a flying ball that was super fast and impossible to see easily.

"That's fast" Jia Li and Xuan Mei felt that it was fast.

"it was indeed fast" Ye Chen had to admit that it was fast, it was very fast and difficult to hit.

Even though everyone was a great cultivator, they would still encounter problems when trying to do this.

That was quite a difficult thing for them to overcome.

"damn" so many people fail and don't get the prizes they want.

There are various prizes here, there are souvenirs and various kinds of weapons that you can get if you are lucky.

"okay, let's try" Ye Chen said to Xuan Mei and Jia Li.

"That's absolutely right, let's try it" Xuan Mei and Jia Li agreed, they wanted to try it.

With that they try it, they pay and start trying it.

"don't hold back" the game owner said to Ye Chen.

He told Ye Chen, Xuan Mei and Jia Li not to hold back and use all their abilities.

Xuan Mei was the first to do it, she threw the thread towards a target she could see.

The moment Xuan Mei did that, the ball dodged, it was like it had the awareness to dodge the attack.

And Xuan Mei's drat could easily be avoided by the ball.

"missed" Xuan Mei didn't expect that her throw wouldn't hit.

"Come on, use all your abilities" the game owner said to Xuan Mei, he told Xuan Mei to be serious.

Xuan Mei tried again, she was more serious compared to before, she used all her abilities and focus.

Using that, Xuan Mei hoped that she would be able to do it.

Xuan Mei was so focused, she was so focused on doing it.

Jia Li and Ye Chen looked from the side, they saw from the side what Xuan Mei was doing.

Xuan Mei made a second try, when she did, she missed again.

Xuan Mei didn't accept it, she tried again and again up to 5 times in a row.

And everything is off target.

"I can't how could I lose" Xuan Mei couldn't believe that she missed, even with her current cultivation she still couldn't do it.

"Then I'll try it" This time Jia Li tried it, she tried it and wanted to get the prize.

Jia Li tried it, she threw it and the result was almost the same as what Xuan Mei got.

"It's impossible" Jia Li didn't think that he would have the same fate as Xuan Mei.

she was also defeated on the spot and couldn't hit the target.

Xuan Mei and Jia Li suffered absolute defeat, they were unable to win.

"This is very difficult" Xuan Mei and Jia Li felt that this was very difficult, they couldn't win.

"are you guys okay" Ye Chen asked Xuan Mei and Jia Li, he wanted to know if they were okay.

"husband, this is so difficult, why don't you try it, aren't your skills so good" Jia Li said to Ye Chen, he told Ye Chen to try it.

she believed that Ye Chen could do it.

"Okay, I'll try it" Ye Chen said that he would try it, he wanted to try and feel it.

Ye Chen paid and started to try it, he took the drat and threw it.

The first throw didn't hit and went quite far, the ball didn't even avoid it.

Xuan Mei and Jia Li were disappointed when they saw that, even Ye Chen didn't succeed either. I think you should take a look at

Ye Chen deliberately missed the mark, he was trying to feel what Jia Li and Xuan Mei felt.

"So this thing is alive, it knew I was going to attack that part and didn't dodge.

"The mechanism will activate if you attack it" Chu Yuechan said to Ye Chen.

Chu Yuechan explained to Ye Chen about the mechanism quite clearly.

Ye Chen should be able to easily find out about it.

"Then it's time to use my abilities" Ye Chen decided to use his abilities.

Ye Chen used Time Vision and immediately started throwing.

He was able to know where the enemy was going and immediately attacked the enemy.

Ye Chen's throw was quite different from before, he used a strange throw to hit the ball.

Ye Chen's throw wasn't straight, it deviated again, but strangely it was able to turn and hit the target.

"Ding. . ." The ball ended up on the wall, Ye Chen's throw was successful.

"You succeeded, that's great" Xuan Mei said to Ye Chen.

Ye Chen did it, he did it quite well.

"It looks like I succeeded" Ye Chen saw that he had succeeded in hitting the target.

The game owner was shocked by what happened, he really did.

"You are really great" Jia Li was happy when she saw this, Ye Chen had succeeded in doing it very well.

Ye Chen rubbed his nose, he had succeeded.

"There are still three more, we will probably get them all" Ye Chen said to Xuan Mei and Jia Li.

"You want to get everything?" Xuan Mei and Jia Li were shocked when they heard this.

"of course, I will do it" Ye Chen said to Xuan Mei and Jia Li.

Ye Chen will do it, he will get it all.

Jia Li and Xuan Mei saw Ye Chen, they felt that Ye Chen would be able to do it.

Ye Chen tried again, he succeeded again for the second, third, fourth and so on.

The owner of the game was only silent when he saw what Ye Chen was doing, he couldn't stop Ye Chen.

It was clear that he couldn't stop Ye Chen, that was because he couldn't lose his job because there were some people watching too.

The person could only swallow all his words, today would probably be the unluckiest day.

Ye Chen tried dozens of times and only missed a few, he of course got quite a reward.

Ye Chen bought up a lot of gifts, he did it quite easily and without any problems.

"let's go" after Ye Chen got the gift, he took Xuan Mei and Jia Li to leave.

Ye Chen took them away, the game owner could only surrender when Ye Chen took half of the prizes in this place.

"You are really too much, look at the face of the owner of the place, he looks like he just ate shit" Xuan Mei said to Ye Chen.

"That's true" said Jia Li to Ye Chen.

"Why are you feeling sorry, that person is a fraud, you will never be able to find out about this, it has been set up as well as possible," said Ye Chen.

"In setting, what do you mean?" Jia Li asked Ye Chen, she didn't understand what Ye Chen said.

Ye Chen started to explain, he started to explain to Xuan Mei about what happened.

"What a bad person" Jia Li said, Jia Li finally understood, it turned out to be like that.

The game is by design, the owner is free to control who can get it, so even if they try, they won't be able to win.

"Why didn't you tell me from the start, if I knew I would have told you to spend all the gifts there" said Xuan Mei.

If Xuan Mei had known from the start, she would have had Ye Chen finish it off.

"That's absolutely right, you should spend it all," said Jia Li.

"that's impossible, look there, he's already gone" Ye Chen said to Jia Li and Xuan Mei.

He said that the game owner had already left and was packing things, he was probably afraid that Ye Chen would come back again.

"He ran away, really shameless" Xuan Mei saw that the person had run away, it seemed like he didn't want to lose and chose to run away.

"let's let him go, and let's go to continue, there are a lot of gifts here, we can sell them to buy some food and a place here".

With that, Xuan Mei and Jia Li were treated by Ye Chen, they asked for everything in this place.

Without them realizing it was already midday, they had to quickly go to the beach.

"Let's go down and go to the beach" said Ye Chen.

Ye Chen invited them to go down to the beach, they still had half the time left.

Chapter 2740 Applied Sunscreen To Jia Li

"Come on" they finally got off, they got off and went to the beach.

When they went to the beach, they saw quite a lot of people in this place, they saw that there were so many people in this place.

This place is clearly more crowded than the mountain, there are so many people here and they are enjoying the sun, sea breeze and refreshing sea water.

Everyone here wore casual clothes, almost no one wore swimsuits that were too revealing, there were only a few women and men who wore clothes that were slightly revealing and showed a little of their skin.

"This place is much busier than the forest" said Jia Li, there were so many people and everyone was sunbathing here, they were having a good time

There are beautiful women and handsome men here, they are from the upper class and looking for prey.

Xuan Mei and Jia Li decided to go change clothes, she decided to change clothes and just put on something more casual.

Ye Chen himself took off his robe and changed into a more relaxed and open one, he felt comfortable with things like this.

"Hey handsome you have time" there were several mature women with nice bodies coming to Ye Chen, they tried to catch Ye Chen with their charm.

They were quite confident with their appearance, so it wasn't strange that they approached Ye Chen.

"Hello ladies, what do you want" Ye Chen asked, he wanted to know what they wanted.

Seeing Ye Chen answer, they looked happy, it seemed like they could be together with Ye Chen.

"If you have time, why not go with us" they said to Ye Chen, they wanted Ye Chen to go with them.

"I want to do it, but . ." Ye Chen didn't feel comfortable rejecting this invitation from the mature woman in front.

"Have you been waiting for a long time" when Ye Chen was in trouble, Xuan Mei and Jia Li finally came, they came and hugged Ye Chen right and left.

The women saw Jia Li and Xuan Mei, they felt inferior when they saw Jia Li and Xuan Mei, obviously they would not be able to win against Xuan Mei and Jia Li in terms of beauty.

Their differences were so stark, so they wouldn't have a chance of winning against Jia Li and Xuan Mei.

"who are they ?" Xuan Mei asked Ye Chen, she wanted to know who they were.

"We're just passing by, please enjoy your time" they hurriedly left, they didn't want to deal with Xuan Mei and Jia Li.

Xuan Mei and Jia Li smiled when they saw what happened, they had chased away two mature women with their beauty.

"It's fortunate that you came" Ye Chen said to Xuan Mei and Jia Li, fortunately they came to save Ye Chen.

"That's because you are too handsome, they almost kidnapped you" Jia Li said to Ye Chen.

Jia Li felt that Ye Chen was so handsome, it wasn't strange that many women wanted to get him.

"we can't be late, if we are late, someone will steal it" said Xuan Mei.

Xuan Mei can't be late, if they are late, then Ye Chen will steal from them.

"You are absolutely right" Jia Li agreed, they shouldn't be careless because there are many women in this place who will target Ye Chen.

"You two are too panicked, no one will steal me from you" Ye Chen told them that no one would steal Ye Chen from them.

"We're still worried about that problem" Jia Li and Xuan Mei said that they were still worried about this problem, it could be that Ye Chen was kidnapped by a rich woman in this place.

that's why they better be careful and stay alert to what might happen.

Ye Chen just smiled, Xuan Mei and Jia Li were so cute.

"Let's play in the sea" Ye Chen took Xuan Mei and Jia Li to go to the sea, they could play there.

They went, they went and went into the water.

There were so many people at sea, so they decided to look for a place a little further away.

Ye Chen, Xuan Mei and Jia Li arrived at a place that was a little far away, they looked for a place that was a little quieter so they could enjoy it.

By going to a quieter place, they get their own pleasure.

"Let's dive in" Jia Li was excited, she hadn't been on holiday for a long time, every day she just made medicine and pills, it was very boring for Jia Li.

Xuan Mei didn't want to be outdone, she also swam and began to show off her abilities.

"Let's compete" Jia Li said to Xuan Mei, she invited Xuan Mei to compete.

"Of course, whoever gets there first wins, it is forbidden to use profound energy," said Xuan Mei.

"Of course" Jia Li understood, they didn't use force and only relied on physical strength.

They started, they swam towards the farther part.

Ye Chen is currently preparing a place on the coast, he prepared the place and started to put out the grill for the party later.

Ye Chen looked at Xuan Mei and Jia Li, he could see what they were doing right now.

It was a beautiful sight to see Xuan Mei and Jia Li competing, Ye Chen used the abilities he had to see what Xuan Mei and Jia Li were doing.

"wow, the double peaks are swaying" Ye Chen could see the two double peaks swaying when they swam, it was clearly visible using God Eyes.

This view is truly very beautiful, anyone would like to see this view. I think you should take a look at

Jia Li and Xuan Mei almost didn't realize what Ye Chen was doing.

They focus on being the best in this competition.

Xuan Mei and Jia Li almost had the same physical strength, so the two of them were evenly matched and competed quite fiercely.

Xuan Mei used all her strength, she swam quickly like a shark.

Jia Li also did not want to lose, she became even faster than before.

The finish line was only 100 meters ahead, they would arrive in a matter of seconds.

Jia Li and Xuan Mei arrived at the same time, they reached the finish line together.

"who won ?" Xuan Mei and Jia Li didn't know who was the winner, they arrived at the same time and didn't know who was the winner.

"what if we ask the husband, he saw us earlier" Jia Li said to Xuan Mei.

"That's absolutely true" the two of them went to meet Ye Chen, they asked Ye Chen who was the winner.

"husband, you must have seen it, who reached the finish line first" Jia Li asked Ye Chen.

Ye Chen of course saw the previous match, he saw clearly when Xuan Mei and Jia Li swam.

It's a shame that Ye Chen was so focused on what was swaying that he didn't know who reached the finish line.

"You two reach the finish line together" said Ye Chen.

In order to find peace, Ye Chen told that the two of them reached the finish line together.

"So it's a draw" Xuan Mei and Jia Li just believed what Ye Chen said.

They believed in what Ye Chen said.

"want to do it again ?" Jia Li and Xuan Mei had fun, they wanted to do it again.

"Sure, why not, let's do it again" they did it again, this was their second match.

Ye Chen saw the fight that was happening, they started again and Ye Chen could only watch.

Ye Chen had other tasks, he had to quickly prepare everything so they could enjoy food in the afternoon.

Ye Chen did everything alone, when Xuan Mei and Jia Li were tired, they finally came back and decided to help Ye Chen.

The three of them worked together, with that their place was ready and they set up a tent and there were also some chairs and a grill.

Once they are done, they immediately bask in the sun, this will be good for their skin.

"I want to help" Ye Chen said to Jia Li.

"what's that?" Jia Li asked Ye Chen, she didn't know what Ye Chen brought.

"This is sunscreen that I can use for sunbathing, it will protect your skin from burning" said Ye Chen.

"Of course, I want to try it" after Jia Li found out, she immediately wanted to try it and feel what sunscreen was.

Ye Chen was happy to help, he would help Jia Li use it.

Ye Chen rubbed it all over Jia Li's skin on her hands and feet.

"Ummm. . , husband . ." Jia Li said to Ye Chen, she felt a smooth feeling from Ye Chen's hand.

"how, do you like this feeling" Ye Chen asked Jia Li.

"This feels strange" Jia Li told Ye Chen, she said that this feeling was very strange.

"don't you like it ?" said Ye Chen.

Ye Chen saw that Jia Li liked it, she seemed to like the feeling that Ye Chen gave her.

Ye Chen also made Jia Li comfortable, she was confident in her skills.

Jia Li felt pleasure when she was touched by Ye Chen, a very comfortable feeling when she was touched by Ye Chen.

"no, this is too comfortable" Jia Li couldn't stand it, this feeling was so comfortable, her body became hot when touched by Ye Chen.

After doing quite a lot with Ye Chen, Jia Li became more sensitive when she was touched by Ye Chen.

The touch made by Ye Chen was too strong and Jia Li wouldn't be able to resist it.

she easily fell and was helpless by the pleasure Ye Chen gave her.

Ye Chen quickly finished, he helped Jia Li quite quickly.

Jia Li was limp, she had just gotten another pleasure from Ye Chen.

"husband, you are naughty teasing me again, was last night still not enough for you ?" said Jia Li.
