

True God 2751

Chapter 2751 Must Become Stronger To Take The Inheritance

After Ye Chen entered, he took out the key he got.

"I still don't know what the function of this thing is" Ye Chen said to Chu Yuechan.

Ye Chen was still finding out what the function of this key in his hand was.

Ye Chen looked around, the inside was better compared to the outside, this place still looked good.

Ye Chen continued to advance inside, he advanced and went straight to the bottom.

Because there were no traps in this place, Ye Chen could go down easily and quickly, there were no problems when Ye Chen went down.

"so easy" Ye Chen was happy with this situation, he was happy because he could go down so easily.

Ye Chen finally arrived at the bottom, more precisely Ye Chen arrived at the center.

Ye Chen saw a gate with a keyhole, this matched the key in his hand.

"oh, so this is the function" Ye Chen finally found it.

Ye Chen started, he started to open the door with the key,

"vibrating" after Ye Chen opened the gate, the door began to open for Ye Chen.

Ye Chen looked inside, inside there was a beautiful flower garden.

"flower garden?, a small world?" Ye Chen said.

There are flower gardens around this place, here there are beautiful flowers and a tall tower in the middle.

Ye Chen went straight away, he went to see what was in the middle of this place.

Ye Chen entered the tower, Ye Chen was curious about what was inside this place.

The moment Ye Chen entered, the door outside closed, it closed and Ye Chen was trapped inside this place.

Ye Chen continued to climb upwards, he wanted to climb to the very top.

This place was only filled with books, Ye Chen took a glance and knew that this was a fairly ancient and rare technique.

"no one takes care of this place" said Ye Chen.

Ye Chen didn't see a guard, there was hardly anyone guarding this place and this place was so clean.

"It's quite strange, a place full of extraordinary things, why is there no one guarding this place.

"Maybe what makes this place too confident is the defense outside.

"That's why the person who created this place didn't put a defense into this room" Ye Chen concluded what might have happened.

"but it is still quite risky" Chu Yuechan said.

Even though Chu Yuechan admitted that Ye Chen was right, there would still be people who came in here.

"We have entered here, we have to enjoy what we have got" Ye Chen said to Chu Yuechan.

Ye Chen told them that they had to enjoy it.

Chu Yuechan understood what Ye Chen said.

Ye Chen arrived at the very top, when Ye Chen reached the very top, Ye Chen saw that there was a pool and also a book in this place.

"There is only a pool and one book in this place" Ye Chen didn't find anything else, there was only one book in this place.

"you are absolutely right" Chu Yuechan let out, she also looked at the book in front of them.

There is only one book in this place, there is a pool with energy that is so pure and full of life.

"This pool is amazing, if you train here for some time, you can gain quite a lot of strength" said Chu Yuechan.

Chu Yuechan confirmed what was in the pool, she could feel that in the pool there was pure energy that would help Ye Chen break through quickly.

"let's see what it is over there" Ye Chen said to Chu Yuechan.

Ye Chen flew, he took the book in front of him.

Ye Chen wanted to know, Stone God's words made him curious about the book stored in this place. I think you should take a look at

When Ye Chen took it, he felt an extraordinary power.

For some reason, this book has an extraordinarily strong power and Ye Chen couldn't take it.

Ye Chen stepped back, his strength couldn't take the object.

"I can't take it, it's too strong for me" Ye Chen said to Chu Yuechan.

Chu Yuechan understood, Chu Yuechan also did the same thing as Ye Chen did.

The difference was that when Chu Yuechan was about to take this thing, he immediately backed away.

Chu Yuechan hadn't even touched and was still several meters away from the book.

"It seems like it gives me a stronger rejection" Chu Yuechan said to Ye Chen.

Chu Yuechan was completely rejected, it was even worse than Ye Chen.

"So what to do" Ye Chen said to Chu Yuechan.

"Maybe you're not strong enough" Chu Yuechan said to Ye Chen, Chu Yuechan told him that Ye Chen wasn't strong enough, it wasn't strange if the book rejected Ye Chen.

"Not strong enough, so I have to become stronger to be able to take it" Ye Chen looked at the book in front of him, if it was like that, he had to become even stronger.

"If it's like that, I have to become stronger" Ye Chen understood, he would try to become stronger again and again.

"I can use the pool to become strong" Ye Chen said to Chu Yuechan.

Ye Chen will train here until he is strong enough to get the book.

The secret inside can definitely change everything in this world.

Ye Chen started to practice, meanwhile Chu Yuechan started to look around

Chu Yuechan went downstairs, she was curious about the secret in this place.

"This place is full of mysteries, I will see everything" Chu Yuechan wanted to see everything.

With that the two of them started to separate and Ye Chen continued to practice.

Ye Chen practiced peacefully inside, he absorbed the pure energy in the pool.

Even though Ye Chen had absorbed quite a lot of energy inside, strangely the energy in the pool did not decrease and continued to be strong.

This of course felt quite strange for Ye Chen.

"The energy in the pool becomes bigger when I suck it in, this is impossible" said Ye Chen.

If it was like this, Ye Chen's training speed would be much faster.

Ye Chen knew that Chu Yuechan was below, it seemed like she was doing something down there.

"I will focus on breaking through first" Ye Chen decided to focus on training first, soon he will break through to a higher level again and again.

In just a few days Ye Chen had risen several levels, now he was at the fifth level of the Immortal Earth Realm.

If it continues like this Ye Chen will very quickly become strong.

Ye Chen didn't know if there would be any reaction from doing this, what was certain was that Ye Chen had to keep going and moving forward.

Time passed quickly, several weeks passed quickly and Ye Chen was still in the process of intense training.

During these few weeks, Ye Chen almost never left this place, he continued to stay in the pool and practice.

Chu Yuechan had finished looking, now she was by Ye Chen's side and looking at Ye Chen.

"master, how is your condition" Chu Yuechan asked Ye Chen.

Ye Chen opened his eyes, his body now felt so strong and all the strength was flowing in his body.

"I feel so good" Ye Chen said that he felt so good, he had never felt this good.

Ye Chen decided to take a break, he needed a short rest and sat beside Chu Yuechan.

Chu Yuechan looked at Ye Chen, there seemed to be changes in Ye Chen's body after practicing.

Chapter 2752 Time Together With Chu Yuechan

"It looks like you got a lot of benefits," Chu Yuechan said to Ye Chen.

"Of course I get quite a lot of benefits from this place, look at my body getting better" Ye Chen said to Chu Yuechan.

Ye Chen told Chu Yuechan, he told her that he had received extraordinary benefits.

Ye Chen showed off his body to Chu Yuechan.

Chu Yuechan smiled when she saw this, Ye Chen was so good, Chu Yuechan liked that.

Ye Chen did several poses and Chu Yuechan liked it.

"Okay, time to try again" Ye Chen tried again, he might succeed this time.

with that, Ye Chen tried again, he tried again to take the book.

Ye Chen took the book, with his current abilities, whether Ye Chen would succeed or not.

"boom" Ye Chen tried again, in this second try Ye Chen bounced again.

"Still not enough" Ye Chen said to himself, according to Ye Chen this is still not strong.

"You are better than the first time" Chu Yuechan said.

Chu Yuechan told him that he was better than the first time.

"Stop, I know that I'm still not that good" Ye Chen said to Chu Yuechan.

Chu Yuechan smiled hearing this, it seemed like Ye Chen knew that he wasn't that good yet.

"Practice harder" Chu Yuechan said to Ye Chen, she told Ye Chen to train harder.

"It's easy to say that" Ye Chen said to Chu Yuechan.

It's easy for Chu Yuechan to say that, in reality this is very difficult for Ye Chen.

Ye Chen thought for a while, Chu Yuechan might be able to help him.

Ye Chen looked Chu Yuechan up and down.

"What's wrong?, why are you looking at me like that" Chu Yuechan asked Ye Chen.

He wanted to know why Ye Chen looked at him in that way.

"Dear Yuechan, why don't you help me" Ye Chen said to Chu Yuechan.

"Help doing what?" Chu Yuechan asked Ye Chen, she didn't know about something like that.

"you must know what I mean" Ye Chen said to Chu Yuechan.

Chu Yuechan began to understand what Ye Chen meant, she began to understand what Ye Chen wanted.

"No . . ." Chu Yuechan rejected Ye Chen, she rejected Ye Chen clearly and openly.

Ye Chen was disappointed when he heard this, he still couldn't convince Chu Yuechan.

"It's still too early for you" Chu Yuechan said to Ye Chen.

"Hey, you dare to underestimate me" Ye Chen said to Ye Chen.

Ye Chen was better, it was time to show Chu Yuechan some time.

Ye Chen stretched out his hand towards Chu Yuechan, he immediately touched Chu Yuechan who was in front of him.

"Ahhh, master, what do you want" Chu Yuechan said to Ye Chen.

Ye Chen started his action, he showed his abilities and strength.

"I will show my abilities, I hope you are ready" Ye Chen said to Chu Yuechan.

"Not stopping there" Chu Yuechan probably wouldn't be able to survive, she wouldn't be able to survive if Ye Chen used the Passion Goddess technique.

Ye Chen didn't care too much, he used the Passion Goddess technique on Chu Yuechan.

Ye Chen closed Chu Yuechan's escape route, Chu Yuechan would not be able to run away from Ye Chen again.

"Ahhh, master" Chu Yuechan felt a wonderful feeling from Ye Chen.

Every time Ye Chen touched her, she would feel a wonderful feeling.

The feeling given by Ye Chen was so beautiful, she felt such a good feeling from Ye Chen. I think you should take a look at

Ye Chen touched Chu Yuechan's double peaks, it was so round and so perfect.

"ahhhhhhh . ." Chu Yuechan groaned, she couldn't stand what Ye Chen was doing.

Ye Chen was too strong, Chu Yuechan couldn't stand it anymore and she became excited.

"no, this feeling, it's too strong, I won't be able to survive it" Chu Yuechan felt that she wouldn't be able to survive this feeling.

In just a matter of seconds, Chu Yuechan had lost to Ye Chen, she had been dominated by Ye Chen.

Ye Chen was proud when he saw Chu Yuechan helpless, Ye Chen had succeeded in showing who he was to Ye Chen.

"I managed to show who I am, how is it now" Ye Chen said to Chu Yuechan.

"don't stop" Chu Yuechan said to Ye Chen.

she tells Ye Chen not to stop, she wants Ye Chen again and again.

"Didn't you refuse earlier, why is it now like that" Ye Chen said to Chu Yuechan.

Chu Yuechan had previously refused, but now she wanted and wanted more from Ye Chen.

Chu Yuechan's face turned red when she listened to what Ye Chen said.

"Please don't tease me anymore" Chu Yuechan said to Ye Chen, she told Ye Chen not to tease her anymore.

"what's wrong, are you embarrassed" Ye Chen said to Chu Yuechan.

It was cute to see Chu Yuechan embarrassed like that.

Chu Yuechan stretched out her hand, she pinched Ye Chen who was in front of her.

"Hey, it hurts" Ye Chen said to Chu Yuechan.

What Chu Yuechan did was quite painful, it seemed like she used quite a lot of force on Ye Chen.

"It's your fault" Chu Yuechan said to Ye Chen.

Chu Yuechan blamed Ye Chen, this was all Ye Chen's fault, if it weren't for Ye Chen she wouldn't be like she is today.

"But you enjoy it, for example this, this is a sensitive place that you have," said Ye Chen.

Ye Chen touched Chu Yuechan's sensitive part, Chu Yuechan had a sensitive part on her chest.

"no, how do you know that" Chu Yuechan said to Ye Chen.

Chu Yuechan didn't know how Ye Chen knew this, how did Ye Chen know that it was his weak part.

"You are already together with me, don't you know me" Ye Chen said to Chu Yuechan.

Ye Chen and Chu Yuechan have known each other for a long time, so Chu Yuechan should already know that.

Chu Yuechan underestimated Ye Chen too much, she too underestimated Ye Chen's abilities, the current Ye Chen was no longer a child.

If it was at the God Realm, it was clear that Ye Chen would not have a chance to win over Chu Yuechan, but now he had the ability, so he could tease Chu Yuechan.

"ummmm . . ." Chu Yuechan couldn't stand it anymore, she could no longer survive Ye Chen.

"master, this is too comfortable for me, no, stop" Chu Yuechan couldn't, she couldn't fight anymore, this was too strong for her.

"Aren't you enjoying this" Ye Chen said to Chu Yuechan.

"But that can't be done" Chu Yuechan said to Ye Chen.

Chu Yuechan became innocent, she became innocent when talking to Ye Chen.

Ye Chen didn't care even though Chu Yuechan asked him, he still continued and made Chu Yuechan comfortable.

Lust had controlled Chu Yuechan's body and mind, Chu Yuechan would not be able to hold on any longer and she became a woman filled with passion.

"My sanity is starting to disappear, this is too comfortable and too intense" Chu Yuechan said.

Chu Yuechan wouldn't be able to survive, she wouldn't possibly be able to survive this kind of thing again.

Ye Chen took off Chu Yuechan clothes, saw Chu Yuechan's body which was beautiful and so clean.

"perfect" Ye Chen said to Chu Yuechan, Chu Yuechan looked so perfect.

"umm. ." Chu Yuechan panted, she was too comfortable and couldn't fight anymore.

Chapter 2753 Ye Chen & Chu Yuechan (1)

Ye Chen touched Chu Yuechan's body, this beautiful body would belong to Ye Chen, this of course made Ye Chen very happy.

Ye Chen touched and squeezed Chu Yuechan's, two towering and clean peaks were squeezed by Ye Chen.

Chu Yuechan squirmed, this feeling was so strong, she would not be able to survive the feeling given by Ye Chen.

Ye Chen already knew Chu Yuechan's weaknesses, so he could easily fight Chu Yuechan.

"no, I can't stand it if you continue like that" Chu Yuechan said to Ye Chen.

she wouldn't be able to stand it if it continued like this, she had truly fallen and could no longer fly.

Ye Chen continued to attack, he made Chu Yuechan feel more and more comfortable.

Ye Chen started more and more, he touched the part that belonged to Chu Yuechan.

Ye Chen touched Chu Yuechan's wings, the wings were touched and Chu Yuechan of course felt uncomfortable.

"Emmmm . . ." This is one of Chu Yuechan's weak points, she really doesn't like other people touching her wings.

"master, don't go there" Chu Yuechan said to Ye Chen, she told Ye Chen not to attack that place, because it was an uncomfortable thing for Chu Yuechan.

"Is this uncomfortable, but you look red when I touch this" said Ye Chen.

Ye Chen said that Chu Yuechan looked red, she looked red when Ye Chen touched her wings

Chu Yuechan had to do something, maybe she had to hide her wings from Ye Chen.

Ye Chen didn't let Chu Yuechan do that, he continued to touch and stimulate Chu Yuechan's breasts.

Chu Yuechan finally lost, she reached the top first by Ye Chen's touch.

"I can't stand it" Chu Yuechan said to Ye Chen.

It was clear that Chu Yuechan would not be able to survive, she would not be able to survive such a thing.

Chu Yuechan was already very excited, Ye Chen couldn't just let this opportunity go.

"I will do it" Ye Chen himself also couldn't stand it, he couldn't stand what was in front of his eyes.

Chu Yuechan was so seductive and so beautiful, there was no way Ye Chen would stand it when he saw something like that.

Ye Chen lifted his body from Chu Yuechan, he kissed Chu Yuechan who was in front of his eyes.

"master" Chu Yuechan said to Ye Chen, she followed Ye Chen, she kissed Ye Chen and it became a passionate kiss.

Chu Yuechan no longer held back, she no longer held back when she was provoked by Ye Chen.

"Chuuuu, ummmmmmm" Ye Chen and Chu Yuechan kissed passionately, they kissed full of love.

"Yuechan I want" Ye Chen said to Chu Yuechan, he told Chu Yuechan that he wanted.

"um, I want too" Chu Yuechan said to Ye Chen, she told him that she also wanted to do it with Ye Chen.

They had all come this far, there was no way they would come back again, feelings like this they couldn't just ignore.

Ye Chen took off all the clothes he had, he took off all the clothes he had.

Chu Yuechan saw Ye Chen, Ye Chen's good body was clearly visible.

Chu Yuechan had seen this many times, but now she was so excited and wanted to have Ye Chen.

Chu Yuechan touched Ye Chen, she tried to use her skills.

Due to having so many techniques and knowledge, Chu Yuechan could easily find Ye Chen's weak points.

"You should be careful, I've been with you for a long time, so I know all the things about you" Chu Yuechan said to Ye Chen.

Chu Yuechan said that she already knew quite a lot about Ye Chen.

"are you confident enough to beat me" Ye Chen said to Chu Yuechan. I think you should take a look at

"Of course, I'm confident, are you ready" Chu Yuechan said to Ye Chen.

she squeezed Ye Chen's thing with a little force.

"oh . . ., don't be too hard, it could destroy it" Ye Chen said to Chu Yuechan.

Ye Chen said to Chu Yuechan, he told Chu Yuechan not to do that.

"Fufufufufu" Chu Yuechan seemed to enjoy this, she enjoyed when Ye Chen complained.

"That's a little punishment for you" Chu Yuechan said to Ye Chen.

After doing that, Chu Yuechan helped Ye Chen using her hands.

Chu Yuechan used her fingers and hands to help Ye Chen, with that, Chu Yuechan made Ye Chen comfortable.

Chu Yuechan's technique cannot be underestimated, this woman already has too strong knowledge of all Ye Chen's women.

So she knew what to do to make Ye Chen feel comfortable.

"how?, don't I have a good technique" Chu Yuechan said to Ye Chen.

Chu Yuechan was quite confident in her technique.

"um, you do have good technique, I have to admit it" Ye Chen admitted that Chu Yuechan had good technique.

"be prepared to lose" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to prepare, she wouldn't just let Ye Chen go.

"I will also do my best" Ye Chen will also do his best, he will do to survive.

With that their match started, Ye Chen defended and Chu Yuechan attacked.

Chu Yuechan might have done well, even though she had done quite well, in reality she would not be able to win against Ye Chen.

"master, he is so strong" Chu Yuechan said in her heart, Chu Yuechan had to admit that Ye Chen was strong, he was a strong person and able to survive something like this.

"I have to admit the ability you have" Chu Yuechan wouldn't win if she only used her hands.

There would be no chance of Chu Yuechan winning if she only relied on something like that.

Chu Yuechan used two double peaks to make Ye Chen submit, she showed the ability to serve Ye Chen by using two mountains that had developed well.

Ye Chen's was now being squeezed by two tenderness, a feeling that was so comfortable for Ye Chen.

What Chu Yuechan had done had succeeded, she had succeeded in making Ye Chen feel comfortable.

With that Chu Yuechan provided services for Ye Chen.

Chu Yuechan did this well, she moved up and down and provided comfort for Ye Chen.

"I'm sure that you won't be able to survive" Chu Yuechan believed that Ye Chen wouldn't be able to survive.

There would be no guarantee for Ye Chen to survive Chu Yuechan.

Ye Chen tried to hold on, Chu Yuechan's current technique was so good and Ye Chen felt so comfortable.

"This is so comfortable, she has such a good technique" it seemed Chu Yuechan got the technique from Chi Shui.

Among all the women Ye Chen had, Chi Shui was almost the best, she had the best technique and could make Ye Chen comfortable, it seemed she had very good capital.

"You don't need to hold back, you can give it all to me" Chu Yuechan said to Ye Chen, she told Ye Chen to give it all.

Ye Chen listened to words filled with charm, Chu Yuechan tried to make Ye Chen unable to stand it with soft and passionate words.

Chu Yuechan should be able to make Ye Chen lose, this is the right momentum.

Ye Chen quickly reached the limit, Chu Yuechan's technique was so good and beautiful.

Chapter 2754 Ye Chen & Chu Yuechan (2)

"why is the technique you have so good" Ye Chen said to Chu Yuechan, Chu Yuechan has such a good technique.

Chu Yuechan just smiled when she listened to what Ye Chen said.

It seemed like Ye Chen had recognized Chu Yuechan's technique.

It's not strange that Ye Chen recognizes Chu Yuechan's technique, Chu Yuechan's technique is so good and so comfortable for Ye Chen.

Ye Chen was satisfied with what Chu Yuechan did.

And Ye Chen had reached his limit, he couldn't stand what was happening anymore.

Chu Yuechan was aware of what happened next, she could feel that Ye Chen was at his limit.

"Wait a minute, don't do that again" Chu Yuechan said to Ye Chen.

Chu Yuechan said to Ye Chen, she told Ye Chen not to do it again.

Chu Yuechan didn't really like it when Ye Chen made herself dirty that's why she told Ye Chen to stop.

Ye Chen didn't listen to what Chu Yuechan said.

Finally Chu Yuechan couldn't help but use her small mouth.

"Ummmm" Chu Yuechan held back that, she accepted Ye Chen's.

"Glupp . . ." Chu Yuechan swallowed it all, she liked this taste.

"Luckily" Chu Yuechan was happy that she could endure that.

"Yuechan, you are too tempting, I can't stand it" Ye Chen said to Chu Yuechan.

The current Chu Yuechan was too seductive, Ye Chen wouldn't stand it when he saw Chu Yuechan like that.

Ye Chen lifted the body from Chu Yuechan, he prepared to do it with Chu Yuechan.

"master" Chu Yuechan felt that Ye Chen was too hasty, Ye Chen was too fast and wanted to do it with Chu Yuechan.

Chu Yuechan is a beautiful woman, this beautiful fairy is too seductive, it's not strange that Ye Chen is attracted to her.

"I will start" Ye Chen said to Chu Yuechan, he told Chu Yuechan that he would start.

"Please take it slow" Chu Yuechan said to Ye Chen, she told Ye Chen to do it slowly.

Chu Yuechan was still afraid, especially since Ye Chen had something quite big, it wasn't strange that Chu Yuechan was still afraid of this.

Ye Chen barged in, he felt a very comfortable feeling from Chu Yuechan.

Chu Yuechan's was really excellent and very powerful.

Chu Yuechan felt the pain, even though she was prepared, in reality this was still quite painful for Chu Yuechan.

"I told you to slow down" Chu Yuechan said to Ye Chen, she felt difficult because of Ye Chen.

"I'm sorry, this is too comfortable, I can't stand it, I'll start" Ye Chen informed that he was going to start.

"No wait a minute" Chu Yuechan tried to stop Ye Chen.

Ye Chen was a naughty man, he wouldn't listen to what Chu Yuechan said.

With that he started to move and made Chu Yuechan feel comfortable.

"ahh . ." Chu Yuechan groaned, the large object engaging her body and mind.

"Too comfortable, this is bad I won't be able to survive" Chu Yuechan was unable to anticipate this, her self-confidence was immediately destroyed when she felt the feeling given by Ye Chen.

The feeling Ye Chen gave her was too good, she wouldn't be able to resist it.

All her knowledge seemed useless in front of Ye Chen's powerful dominance.

Ye Chen moved stronger and faster, he got to the core and made Chu Yuechan comfortable.

"master" Chu Yuechan said to Ye Chen, she said that this was extraordinary, she felt happy and floated on the clouds.

That feeling became stronger as time went by.

Pleasure after pleasure made Chu Yuechan what she was today. I think you should take a look at

A feeling that was so beautiful and so comfortable for Chu Yuechan.

Chu Yuechan's artifact was so good, its tortuous and powerful force was so extraordinary for Ye Chen.

Ye Chen as a veteran had to admit this.

"Too strong, she didn't let go of me" Ye Chen saw that Chu Yuechan didn't want to let go, she really couldn't let go of Chu Yuechan.

Ye Chen and Chu Yuechan did it with passion, both of them didn't stop here and tried quite a lot of moves.

They did dual cultivation and felt the benefits from each other.

Ye Chen could get quite a lot of benefits when doing it with Chu Yuechan, Chu Yuechan's pure Yin Qi was so rich and extraordinary.

With this, Ye Chen should be able to break through so easily and so quickly.

Ye Chen and Chu Yuechan did this for some time, they were both quite strong and Chu Yuechan was able to survive better than some of Ye Chen's women.

This can be seen from the fact that he only fell a few times and was able to get up again.

"I've reached this point" Ye Chen said to Chu Yuechan.

"give it to me, i want you" Chu Yuechan said to Ye Chen, she wanted Ye Chen.

Ye Chen answered the request given by Chu Yuechan, he gave Chu Yuechan his Yang Qi which had been held for several weeks.

Ye Chen had quite a lot of Yang Qi in his body and Ye Chen gave that to Chu Yuechan.

Chu Yuechan took it all in, she felt warm and comfortable.

"This is so great, with this I might be able to break through" Chu Yuechan might be able to become even stronger, Ye Chen's Yang Qi would benefit her.

"more" Ye Chen said to Chu Yuechan, he wanted more.

"master, you" Chu Yuechan was helpless when listening to what Ye Chen said.

"You already know me right, this won't be enough, let's do it again and again, I want you" Ye Chen said to Chu Yuechan.

With that Chu Yuechan was dragged into another battle, she was dragged into the second battle by Ye Chen.

The two of them did it over and over again, they didn't stop and kept doing it dozens of times.

Chu Yuechan could defend quite well against Ye Chen, that made her a quite strong woman.

"That's enough, it's very tiring" Chu Yuechan said to Ye Chen.

After quite a long time, Chu Yuechan finally gave up, she was unable to hold on and decided to give up.

"I admit defeat, you are too strong" Chu Yuechan said to Ye Chen.

"Do you now know the power I have" Ye Chen said to Chu Yuechan.

Ye Chen said confidently, he was finally able to defeat Chu Yuechan.

"I believe, so please let me go" Chu Yuechan asked Ye Chen, she asked Ye Chen to let go.

Chu Yuechan couldn't stand it anymore, if it continued like this she would be in danger.

"I will grant my beautiful fairy's wish" Ye Chen said that he would let Chu Yuechan go.

After doing Dual Cultivation with Chu Yuechan, Ye Chen continued his practice, he still had a strong spirit to continue practicing.

On the other hand, Chu Yuechan wanted to rest, she decided to rest and recover.

"master, you better go downstairs, there are so many interesting things below" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen, she told him that there were so many interesting things down there.

"Then I will see it" Ye Chen said to Chu Yuechan, he told her that he would see it himself.

Ye Chen went downstairs, he looked around and read so many books in this place.

There are so many interesting things in this place, not just techniques, but a lot of knowledge.

"A way to become stronger, why didn't I see it from the start" Ye Chen finally found a method that was suitable for himself to use.

Chapter 2755 True God Power

Ye Chen was interested in studying it, apart from having benefits, this was also very good for Ye Chen.

Ye Chen spent time in this place practicing and studying, there are so many things that can be obtained from this place and it will be very useful for Ye Chen.

Ye Chen spent his time in this place, he trained and continued to train in this place to become stronger and better.

Time passed for months, until now only Chu Yuechan accompanied Ye Chen.

The two of them would do Dual Cultivation once a month, that was because Chu Yuechan wouldn't be able to do it alone, that's why he said to do it once a month for her safety.

Apart from that Ye Chen continued to train, he became stronger and stronger.

"Even though Ye Chen has become stronger and stronger, he is still unable to pick up the books on the top floor, that sometimes makes Ye Chen stressed.

"Yuechan how long have we been here" Ye Chen said to Chu Yuechan, how long they had been in this place, Ye Chen almost didn't remember.

"Maybe almost 2 years" Chu Yuechan said to Ye Chen.

Chu Yuechan said that they had been here for almost 2 years.

"It's been 2 years, I didn't expect it to be that fast" Ye Chen said to Chu Yuechan.

"This is an irony, I have been in this place for 2 years and haven't been able to take this thing away," said Ye Chen.

Ye Chen had spent quite a lot of time and still couldn't take the book.

This was the most difficult part Ye Chen had ever experienced.

"Even though you are already in the initial realmImmortal Rebirth God Realm" by Chu Yuechan.

Ye Chen had been developing for 2 years, he had reached a fairly high realm of practice and resources that could be used in this place.

The problem was that Ye Chen still couldn't take that thing.

It made Ye Chen annoyed, he even almost gave up because he couldn't get it.

"want to surrender" Chu Yuechan said to Ye Chen, she wanted to know if Ye Chen was willing to surrender.

"there is no word surrender in my dictionary" Ye Chen said that he will not surrender.

Ye Chen will continue to fight, he cannot give up.

There was still so much time, he would not give up so easily.

"stubborn" Chu Yuechan said to Ye Chen.

Ye Chen was so stubborn, even though he couldn't get it.

"I will keep trying and trying again" Ye Chen said to Chu Yuechan, he would keep trying.

Ye Chen tried it again, this time he used the vein's ability and increased the strength he had.

Ye Chen didn't care too much, what he wanted right now was to take what was in front of him.

Ye Chen started to move forward, he stretched out his hand towards the book

There was still quite a strong resistance, it made Ye Chen unable to pull it out.

"I can't give up, keep holding on" Ye Chen didn't want to give up, he kept trying to pull him.

Ye Chen used all the abilities he had, he used everything and showed the abilities he had.

With all the abilities that Ye Chen possessed and Ye Chen's persistent efforts, Ye Chen began to pull things out little by little.

"it's moving" Chu Yuechan saw that the book could move, it could move when pulled by Ye Chen.

Even though it was moving, Ye Chen had trouble pulling it any further, Ye Chen's hand even hurt when he tried.

"I can't give up" Ye Chen couldn't possibly give up, he kept trying even though his hand was quite badly injured.

With that, Ye Chen started to use all the abilities he had.

He pulled it even though his hand was injured.

"this is it, this will definitely work" Ye Chen will definitely succeed, he will definitely succeed in pulling it out. I think you should take a look at

Ye Chen started releasing the book, Ye Chen managed to release the book with his own efforts.

Ye Chen bounced, he managed to pull it and his hand was injured quite badly.

"Your hand is injured" Chu Yuechan said to Ye Chen, she told Ye Chen that her hand was quite badly injured.

"It's okay, it's not a big problem for me" Ye Chen said to Chu Yuechan.

Chu Yuechan helped Ye Chen's wounds, she helped treat Ye Chen's wounds.

"I succeeded" Ye Chen thanks Chu Yuechan, he told Chu Yuechan that he had succeeded.

"You are great" Chu Yuechan said to Ye Chen, she admitted that Ye Chen was great.

Ye Chen treated his wound first. After the wound was treated, Ye Chen immediately saw what he had gotten.

"Yuechan, let's see what we got" Ye Chen said to Chu Yuechan, he wanted to know what they got.

"come see, you have put in a lot of effort to take it" Chu Yuechan said to Ye Chen.

Ye Chen had tried quite hard to retrieve it, so he told Ye Chen to take a look.

Ye Chen took a look, he opened it and read it.

"an ancient writing" Ye Chen said to Chu Yuechan.

This was an ancient manuscript, it seemed like Ye Chen had to decipher it first before knowing what this was.

"come help me" Ye Chen said to Chu Yuechan, he told Chu Yuechan to help.

"Okay, I will help you" Chu Yuechan helped Ye Chen, she started to solve things with Ye Chen.

After several days of work, Ye Chen and Chu Yuechan finally knew what this was.

"True God power" say Ye Chen.

"A limitless power that can make you immune from all attacks and provide invincible power, isn't this too excessive" Chu Yuechan said to Ye Chen.

"this is not too much, this is an extraordinary strength" Ye Chen said to Chu Yuechan.

Ye Chen told that this is an extraordinary strength.

With this, Ye Chen was able to gain extraordinary power.

"I think this will be difficult to learn" Chu Yuechan said to Ye Chen.

Chu Yuechan said that this would be difficult to learn.

"We won't know until we try" Ye Chen said that they wouldn't know until they tried.

"You want to try it" Chu Yuechan said to Ye Chen.

"Of course, I want to try it" Ye Chen said that he wanted to try it.

Ye Chen studied True God power, he learned this gradually.

As Chu Yuechan said, this is indeed very difficult to learn, Ye Chen will have problems learning it.

"I need more time" Ye Chen said to Chu Yuechan, he told her that he needed more time to study it.

"Good luck, I won't bother you" Chu Yuechan said to Ye Chen, she told him that she wouldn't bother Ye Chen.

Ye Chen continued his practice, he began to gradually learn True God power.

There is only one part of this technique. Even though there is only one part, the level of difficulty in learning it is so great and so difficult.

This technique converts profound energy into True God power, something that is quite difficult for even Ye Chen to do.

"It didn't work, I still haven't felt the benefits" Ye Chen said to himself.

He still didn't feel the benefits of using True God power.

Either Ye Chen's method was wrong or Ye Chen's way was wrong, he tried to improve himself.

Chapter 2756 Ye Chen And Chu Yuechan Came Out

Ye Chen tried continuously, he didn't want to give up because this technique would be useful for him.

After hundreds of long and painstaking trials, Ye Chen was finally able to unlock a little of the power of True God power.

A transparent force enveloped Ye Chen and it was so powerful.

"Yuechan" Ye Chen said to Chu Yuechan.

"what's wrong" Chu Yuechan asked Ye Chen.

He wanted to know what desired by Ye Chen.

"help me, attack me" Ye Chen said to Chu Yuechan.

"master, I'm not sure about that" Chu Yuechan said to Ye Chen, she wasn't sure about what is said by Ye Chen.

"Let's do it quickly" Ye Chen said to Chu Yuechan, he told Chu Yuechan to do it.

Ye Chen didn't really care about this problem, he told Chu Yuechan to do it.

"Okay, if that's what you want" Chu Yuechan would do it.

Chu Yuechan attacked Ye Chen, she used a little force to hurt Ye Chen.

With that power launched by Chu Yuechan, it could hurt Ye Chen.

Just as it was about to reach Ye Chen, an invisible aura immediately moved and destroyed the attack from Chu Yuechan.

"Ehh? ? ?" Chu Yuechan was shocked when she saw her attack dissolved just like that, more precisely it was destroyed when it was about to reach Ye Chen.

"what happened ?" Chu Yuechan didn't understand, why it was destroyed just like that.

"It worked" Ye Chen said to Chu Yuechan, he told Chu Yuechan that this worked.

"What works, why don't you explain it to me" Chu Yuechan said to Ye Chen.

"I managed to master it, this is only the beginning" Ye Chen said to Chu Yuechan.

Ye Chen told her that he had succeeded, this was only the beginning, Ye Chen might be able to develop it.

"You did it, seriously?" Chu Yuechan said to Ye Chen.

"of course I'm serious" Ye Chen said to Chu Yuechan.

He had succeeded, he had managed to master the initial stages of True God power.

Chu Yuechan didn't expect that Ye Chen would be able to do it, to be honest, it surprised Chu Yuechan when she saw Ye Chen could master True God power.

"You saw it too, didn't you, that I succeeded" Ye Chen said to Chu Yuechan, he told her that he had succeeded.

"master is indeed the best" Chu Yuechan said to Ye Chen.

Chu Yuechan had to admit that Ye Chen was great, he was able to do it so well.

"Hehehehe" Ye Chen chuckled, he was proud of himself, he managed to do it.

"I will continue practicing, after that we will get out of this place, we have been practicing in this place for quite a long time" Ye Chen said to Chu Yuechan.

Ye Chen and Chu Yuechan had been trapped in this place for a long time, they needed to get out quickly.

"I have a bit of bad news for you, the door outside is closed and we might have difficulty getting out" said Chu Yuechan.

Chu Yuechan said that it would be difficult for them to get out.

"why, what happened ?" Ye Chen said to Chu Yuechan.

"I don't know either" Chu Yuechan said that she also didn't know about this matter.

"Don't worry, we can still use the teleportation power that I have" Ye Chen said to Chu Yuechan.

"Are you still able to use it" said Chu Yuechan.

"It should be possible" said Ye Chen.

Ye Chen said that he should still be able to use it. I think you should take a look at

"that's good, then we still have a chance to get out" Chu Yuechan said to Ye Chen.

Chu Yuechan happy to hear this, therefore they still have a chance to get out of this place.

Ye Chen practiced and continued to practice to perfect the power that belonged to him should can be used to perfect the power of True God power.

In just a few days Ye Chen had become better than before, he already knew and was able to use it quickly and without being seen by others.

"I succeeded" Ye Chen said to Chu Yuechan.

Ye Chen said that he had succeeded, he had graduated and finished studying True God power.

"good, let's get out of this place" Chu Yuechan said to Ye Chen.

"of course, let's get out of this place" Ye Chen said to Chu Yuechan.

He invited Chu Yuechan to get out of this place.

With that the two of them left this place, they went out and headed straight to the entrance gate.

"so this is what you mean" Ye Chen said to Chu Yuechan.

"Of course, this is what I meant" Chu Yuechan said to Ye Chen, she told him that this was what she meant.

"This is easy to do" Ye Chen said to Chu Yuechan.

Ye Chen would use his power to penetrate this object.

Ye Chen used the teleportation ability, when Ye Chen was about to move, he hit a wall.

"Ehhhh?" Chu Yuechan didn't think that this could happen, to be honest, she didn't expect that Ye Chen would fail.

"Why did I fail?" Ye Chen didn't understand why he failed, even though he had never failed before.

"Even you failed" Chu Yuechan saw that Ye Chen failed, that means this place has protection where they won't be able to get out.

"If your strength can't even penetrate it, then that means we will be trapped in this place," said Chu Yuechan.

"Don't worry, I still have a way" Ye Chen said to Chu Yuechan.

Ye Chen said that he still had a way, Ye Chen used True God power.

"This is the perfect time, I will try to use True God power."

Ye Chen is about to use True God power, time to test the power of True God power.

Ye Chen used True God power, his aura changed and he became stronger.

Ye Chen felt that he had become much stronger, he could feel that he had become much stronger compared to with before.

"let's open the gate" Ye Chen decided to open the gate, he used physical strength to do it.

Ye Chen opened the gate without using his full strength, just a little push he could easily open it.

Ye Chen seemed to be opening an ordinary door that was small and light.

"Huh?" Chu Yuechan didn't expect this, she didn't expect that Ye Chen could do something like that.

"this is easy, let's go out" Ye Chen said to Chu Yuechan.

Ye Chen invited Chu Yuechan to come out.

With that, the two of them finally left this place.

"let's go back, we are done here" Ye Chen teleported to the starting place, he had been here for a long time and experienced hard training.

Chu Yuechan returned inside the fairy gate, now Ye Chen was alone and he had to go back.

"time passed so quickly when training in the boundless desert, about what happened to Wu Ziyi and the others"

Ye Chen might have to meet them.

"Maybe I'll go take a look Bai Yuli" Ye Chen should probably see Bai Yuli, he wants to know what she is doing.

Chapter 2757 Dong Kin And His Plans

Ye Chen went to see Bai Yuli, he wanted to give Bai Yuli a surprise.

Ye Chen went to Bai Yuli's place, he only needed some time to arrive at Bai Yuli's place.

"I'm looking for Bai Yuli, is she there?" Ye Chen asked the people around him.

"you are looking for Miss Bai Yuli, she is not here, a few weeks ago she went to the sky island" he told Ye Chen.

"why did she go there" Ye Chen asked.

"I heard that there was an event there, but it's strange because she hasn't returned yet, maybe something happened, you can ask the Bai family, they should know better than me" He told Ye Chen.

"That's not really necessary for me, thank you for the information, I'll go there" Ye Chen said that he would go there and meet Bai Yuli directly.

Ye Chen went to the sky island, he happened to know where that place was.

Ye Chen didn't waste any time and went straight there, he went towards the sky island.

Ye Chen needed 2 hours because that place was on another star, so he had to fly for 2 hours at full speed.

Ye Chen finally arrived at the border of the sky island.

There are many islands here and also islands floating in the sky and there are quite a lot of them.

"I found it" Ye Chen found it, he found Bai Yuli's whereabouts.

Ye Chen went to see what Bai Yuli was doing.

He wanted to know what was going on with Bai Yuli.

Bai Yuli was doing something in her room, she seemed to be writing something.

"hey, what are you doing ?" Ye Chen asked Bai Yuli.

"Ehhh . . ." Bai Yuli, who was focused, was surprised when she heard Ye Chen.

Bai Yuli was completely unaware of Ye Chen, so it wasn't strange that she would be surprised when she saw Ye Chen.

"husband, is that you?" Bai Yuli couldn't believe looking at Ye Chen.

"of course, it is me" Ye Chen said to Bai Yuli.

Bai Yuli came, she immediately hugged Ye Chen who was in front of her.

Ye Chen was really annoying, he had disappeared for some time and that made Bai Yuli quite worried.

"You have been gone for quite a long time, are you okay" Bai Yuli asked Ye Chen.

"I'm very good" Ye Chen said that he was quite good.

Ye Chen had trained well, so his current condition was very good.

"how was your adventure, did it go smoothly" Bai Yuli asked Ye Chen.

"good" Ye Chen said to Bai Yuli, he told that his journey was quite smooth.

"you alone, what are you doing here" Ye Chen asked Bai Yuli.

Ye Chen wanted an explanation from Bai Yuli, he wanted to know what Bai Yuli was doing in this place.

"Huft, the story is quite long" Bai Yuli said to Ye Chen, she told him that the story was quite long.

"Come on, just tell me" Ye Chen said to Bai Yuli.

He told Bai Yuli to tell him what happened, he might be able to help.

"Actually, I want to go home, but you know that there are people who won't let me go back," said Bai Yuli.

Bai Yuli said that she initially wanted to go home, but apparently there were several people who forbade her to go home.

"why, why did they dare to do that to you" Ye Chen said to.

"These people are not capable people," Bai Yuli said to Ye Chen.

"who are they" Ye Chen asked Bai Yuli.

"They are from the red tiger kingdom, it is one of the strong and mighty high middle rank kingdoms, my family cannot clash with them" said Bai Yuli.

Bai Yuli told Ye Chen, she told Ye Chen that she was dealing with the red tiger kingdom.

"What do they really want from you" Ye Chen said.

"They detained all the women who came to the special event on this island, their goal was clearly to find a candidate for their king," said Bai Yuli.

"So they are targeting you" Ye Chen understood Bai Yuli's situation.

"That's absolutely true, they are targeting me and many beautiful women," said Bai Yuli.

"That person is quite brave, maybe I will teach that person a lesson for trying to find trouble with my beautiful wife" said Ye Chen.

"wait" Bai Yuli stopped Ye Chen.

"what else, don't stop me" Ye Chen said to Bai Yuli.

"they are so strong, I don't know why but they are very strong, it seems that someone has given them strength" Bai Yuli said to Ye Chen, she told Ye Chen that the king of the red tiger kingdom is strongI think you should take a look at

Bai Yuli didn't know how he became strong, even the people who fought him couldn't win.

That was what made Bai Yuli still stay in this place and not fight back.

"so they are strong, then I will fight them" Ye Chen said to Bai Yuli.

Ye Chen became more interested when he listened to what Bai Yuli said.

If what Bai Yuli said was true, then it must be a strong person and Ye Chen wanted to fight them.

"Why can't you be controlled?, I said they were dangerous" Bai Yuli said to Ye Chen.

Bai Yuli tells Ye Chen that they are dangerous.

Bai Yuli herself had tried to fight them and had problems, so she didn't want Ye Chen to come along and get into trouble too.

"leave these problems to me, I will overcome them" Ye Chen said to Bai Yuli.

Ye Chen would definitely deal with this problem, he would do it his own way.

.

.

On the other hand, the person who is now the king of the red tiger kingdom is eating and being served by some women.

They are all women who have surrendered and become captives of this person.

This person has a big belly and also a pretty ugly face and red hair, he is a bad person just from his appearance alone.

"What is the condition of all the prisoners, has anyone surrendered?" he asked.

"There are some who give up and there are some who don't want to give up" they told what happened.

"They will surrender soon, make them uncomfortable" he gave the order.

"Good king" They immediately carried out the order given.

The name of the king of the red tiger kingdom is Dong Kin, he is attracted to beautiful women, he will even do anything to get what he wants.

Dong Kin doesn't care about how he gets women, he will do everything he can to get what he wants.

Even though he had to use all his strength to fight them all.

He would, this guy was so cunning and shameless, he could do all kinds of things he wanted.

the red tiger kingdom became not very prosperous under his leadership, they all had problems being led by this kind of person.

Dong Kin doesn't care, he enjoys being king.

"Go, I want to be alone" Dong Kin said that he wanted to be alone.

He drove everyone away including his women.

"My next target is Bai Yuli, that woman is pretty good, I will get her," said Dong Kin.

"Dong" when Dong Kin was alone, he was approached by someone wearing a veil.

This person had such a domineering and terrifying aura, anyone nearby would be frightened by such power.

"Lord" Dong Kin who was a king immediately knelt down, he seemed to be afraid of this person.

"Where are my orders, I told you to look for someone with a strong and extraordinary body, if it continues like this I won't be able to carry out the plan I have" He said to Dong Kin.

"Master, I have given everyone with a strong body, but all of that is not enough for you" Dong Kin has tried, he has several times given people with a strong body and talent, unfortunately it was not enough and was rejected.

"they are just trash, that won't be enough to make my creation" he said to Dong Kin.

He needed a strong body for his creation, a creation that would make him a super strong and super great being.

This person wanted to create a powerful and terrifying monster to rule over a portion of God Realm.

"I will try again" Dong Kin said that he would try even harder.

"I hope you do it right, if not, I will take everything from you, I can give you everything, and I can also take it from you" he said to Dong Kin.

"I understand" Dong Kin understands, he will do his best, he doesn't want to lose what he has now.

"Do it quickly, I'm waiting for good results from you, don't let me destroy you," he said to Dong Kin.

"Understood, understood" Dong Kin nodded repeatedly, he would not be able to refuse what the master ordered.

After saying that, this person left, he disappeared as fast as lightning and was already far away from this place.

After that person left, Dong Kin could finally become calmer, he could become calmer because that person had left.

"Damn, what should I do?" Dong Kin looked confused, if he didn't get what that person was looking for, he would be the one destroyed.

Dong Kin doesn't want to be destroyed, he has gained everything, there is no way he can accept destruction like now.

"I'll do it right away" Dong Kin couldn't relax, he had to quickly find someone worthy to be the vessel for this mysterious person.

Chapter 2758 Went To The Library With Bai Yuli

Ye Chen didn't find Dong Kin's whereabouts, it seemed like Ye Chen was too late and that person had left.

"did he leave" said Ye Chen.

Ye Chen saw that Dong Kin had left, he didn't teach Dong Kin a lesson.

"It looks like he was scared and left" Chu Yuechan said to Ye Chen.

"If it's like this there's nothing I can do" Ye Chen said to Chu Yuechan.

Since Dong Kin had left, there was nothing Ye Chen could do.

"it's better to take Bai Yuli away from this place" Ye Chen decided to take Bai Yuli away.

"Hey, who are you?, this is private territory" when Ye Chen just entered, he went straight ahead found by troops owned by Dong Kin.

"They found me" Ye Chen saw the troops from Dong Kin, Ye Chen was immediately surrounded on the spot.

"You guys go away, I'm too lazy to fight you" Ye Chen said to them.

Ye Chen didn't find the whereabouts of the person he was looking for, of course he would be lazy to fight an enemy that Ye Chen didn't even know.

"How dare you, don't you know that we are a team from the red lion kingdom" they said to Ye Chen.

"Don't know and don't want to know" Ye Chen said to them.

They were clearly angry with Ye Chen's words, they didn't accept what Ye Chen said.

"Attack him" they finally attacked Ye Chen.

"You have made quite a big mistake" Ye Chen told them that they had made a mistake because they attacked Ye Chen.

They didn't hold back anymore and immediately attacked Ye Chen using full strength.

Ye Chen only needed to release his aura, he chased them away before they could even launch an attack.

They were all knocked down by Ye Chen, none of them survived the attack by Ye Chen and they were unconscious and hurt quite badly.

"I told you from the start" said Ye Chen.

After Ye Chen finished, he immediately left this place, he went to Bai Yuli's place.

Bai Yuli was quite worried when she saw Ye Chen not coming back, she intended to catch up with Ye Chen and find out what was wrong done by Ye Chen.

"I'm back" Ye Chen said to Bai Yuli.

"You're back?, how?, are you hurt?" first thing that asked by Bai Yuli was Ye Chen's condition, she wanted to know what Ye Chen's condition was recently.

"I'm fine" Ye Chen told Bai Yuli, he was fine.

"Thank God, did something happen to Dong Kin?" Bai Yuli asked Ye Chen.

Nothing happened, he wasn't there" Ye Chen told her that the person he was looking for wasn't there, that was the reason why Ye Chen came back here.

"he is not there, where did he go?" Bai Yuli asked Ye Chen.

"I don't know about that either, it's possible that he left because he was afraid of fighting me" Ye Chen said to Bai Yuli.

"That's impossible" Bai Yuli said to Ye Chen, it was clear that Dong Kin wouldn't be like that.

"He's not there and I have paralyzed all his people, we can leave this place" Ye Chen said to Bai Yuli.

"um, let's leave this place" Bai Yuli understood, they could now leave this place because Ye Chen had taken care of everyone.

"tell everyone they can leave" Ye Chen said to everyone who was held by Dong Kin.

Everyone left, they were beautiful women, they thanked Ye Chen for letting them go.

These women thanked Ye Chen, they also gave some gifts to Ye Chen.

It was because Ye Chen was handsome, so it wasn't strange that they gave Ye Chen a gift.

Someone hugged Ye Chen and looked very familiar with Ye Chen.

Bai Yuli looked at Ye Chen using a fairly sharp gaze. I think you should take a look at

It seemed like she was angry when she saw Ye Chen close to the women around him.

Ye Chen saw that Bai Yuli might be angry, but Ye Chen wasn't that angry and treating everyone well.

After giving Ye Chen her thanks, they immediately left and returned to their place.

"It looks like you're enjoying it" Bai Yuli said to Ye Chen, she saw that Ye Chen was enjoying himself with a beautiful woman.

"not like that" Ye Chen said to Bai Yuli.

"So what?" Bai Yuli asked Ye Chen, she wanted to know what Ye Chen's words meant.

"I'm happier with you, so please don't be angry" Ye Chen said to Bai Yuli.

Ye Chen said that he was happier with Bai Yuli.

"Don't talk nonsense" Bai Yuli said to Ye Chen.

Bai Yuli did not easily believe what Ye Chen said.

"I'm really serious about what I said" Ye Chen said that he was serious about what he said.

"Come on, you can't be angry like that with me" Ye Chen said to Bai Yuli.

Ye Chen persuaded and seduced Bai Yuli not to be angry, the best thing she could do by Ye Chen is hugging Bai Yuli.

When hugged by Ye Chen, Bai Yuli felt calmer, she felt more happy when hugged by Ye Chen.

"such a good feeling" Bai Yuli likes, this is a feeling that makes her feel comfortable, a feeling that is so comfortable that given by Ye Chen.

"Will you forgive me" Ye Chen said to Bai Yuli, he apologized to Bai Yuli.

"I will forgive you" Bai Yuli said to Ye Chen, she told Ye Chen that she would forgive Ye Chen.

"but, You have to go with me" Bai Yuli said to Ye Chen.

"where" Ye Chen asked Bai Yuli.

"Walk around this place, you should know that I was locked up, I haven't even gone outside" said Bai Yuli.

"okay, I understand" Ye Chen understood, he would accompany Bai Yuli.

Bai Yuli invited Ye Chen to go outside, she intended to visit a place.

Bai Yuli took Ye Chen to go to the library, she wanted to read lots of books.

Ye Chen thought that Bai Yuli would take him to a place that might be fun, no thought he will invited headed to a place full of books.

"why are we going here ?" Ye Chen asked Bai Yuli.

"That's because I like this kind of place, there is so much knowledge that can be gained from this kind of place" Bai Yuli said to Ye Chen.

"Yes, it's up to you, if you like, do it" Ye Chen said to Bai Yuli.

"Because Bai Yuli likes it, there is no reason for Ye Chen to forbid it, it is one of Bai Yuli's hobbies.

"I'm happy to listen to it, don't you still have a lot of collections, come give it to me" said Bai Yuli.

"of course" Ye Chen gave what he had to Bai Yuli.

The two finally exchanged knowledge, Ye Chen gave it to Bai Yuli, and Bai Yuli heard from Ye Chen.

They ended up spending time in the library, because there weren't many people here, Ye Chen and Bai Yuli could do all the things they wanted without disturbing other people.

.

.

Meanwhile Dong Kin has just finished looking for someone else, looking for someone who can do it used as a container.

"I hope this works" Dong Kin hopes that this can work, if not, he will be in trouble.

Chapter 2759 Dong Kin Looks For Ye Chen

"What happened in this place" When Dong Kin returned, he found his place destroyed.

His men were all lying down and seriously injured.

"Hey, what's going on here, who dares to do this?" Dong Kin asked, he wanted to know who was trying to find trouble with him.

"There was a strong man who came looking for you and he destroyed this place" they told him what happened.

"Who is that, how dare he attack my place, doesn't he know me, I will teach him a lesson that will make him regret it," said Dong Kin.

Dong Kin was angry and annoyed when he found out what happened, he couldn't hide his anger when he found out what happened at his place.

He would hunt down Ye Chen and make sure that Ye Chen suffered the consequences of what happened.

"Catch that person for me, he might be useful to me" A mysterious figure spoke to Dong Kin.

He told Dong Kin to catch Ye Chen, Ye Chen could be very useful for him.

"I will carry out the master's order" Dong Kin will do it, he will capture Ye Chen and give him to the mysterious person.

Dong Kin immediately went to look for Ye Chen, Ye Chen was probably not far from this place.

.

.

Ye Chen is currently still with Bai Yuli, both of them are in the library and they are reading everything there.

There were lots of stacks of books beside Bai Yuli, all of which Bai Yuli had just read.

Meanwhile Ye Chen had just finished reading some things that might be useful.

Ye Chen's reading and studying ability was much faster than Bai Yuli's, it wasn't strange that Ye Chen finished everything quickly.

"it's finished" Ye Chen asked Bai Yuli, he wanted to know if Bai Yuli was finished.

"It's not finished yet, why are you finished" Bai Yuli asked Ye Chen.

"I'm done, this is easier" Ye Chen said to Bai Yuli.

Ye Chen told her that he was finished, he finished everything quickly and easily.

"You can finish it quickly, why not teach it to me" Bai Yuli said to Ye Chen.

"I don't mind, but I need a gift from you" Ye Chen said to Bai Yuli.

"What gift is that" Bai Yuli asked Ye Chen.

"kiss" Ye Chen said to Bai Yuli.

"Pervert, don't you see where we are now, we could get into trouble" Bai Yuli said to Ye Chen.

They were in a public place, that would give them a problem.

"There is no one around this place, so everything should be fine" Ye Chen said to Bai Yuli.

Ye Chen said that there was no one else around, so everything should be fine.

Bai Yuli was still embarrassed when she listened to Ye Chen's request, the request given by Ye Chen was quite embarrassing for Bai Yuli.

"you don't want to" Ye Chen said to Bai Yuli, Ye Chen saw that Bai Yuli didn't want to do it.

"that's a shame" Bai Yuli said to Ye Chen, she told Ye Chen that it was a shame.

"We've done more than that, it should be fine," said Ye Chen.

Ye Chen whispered and started teasing Bai Yuli.

"Bai Yuli couldn't possibly stand the temptation given by Ye Chen, how could she stand the temptation given by Ye Chen.

"Husband, no . . ." Bai Yuli said to Ye Chen, she asked Ye Chen not to do that.

"Aren't you enjoying this" Ye Chen said to Bai Yuli.

Ye Chen saw that Bai Yuli enjoyed this, she enjoyed it when Ye Chen touched her.

"Come on, I'll kiss you" Ye Chen said to Bai Yuli.

Bai Yuli initially refused, but after a bit of irresistible teasing, she finally gave in and accepted a kiss from Ye Chen.

"Ummnnmmmm" Ye Chen kissed Bai Yuli, he pecked Bai Yuli's beautiful lips.

Bai Yuli quickly couldn't resist, all this was too comfortable for her, she started to cooperate with Ye Chen.

"don't stay here, let's move to the corner" Bai Yuli said to Ye Chen, she told Ye Chen to go to the corner.

"Can you not take it anymore" Ye Chen said to Bai Yuli.

"Shut up" Bai Yuli said to Ye Chen, her face became even redder when she listened to what Ye Chen said.

Bai Yuli was so cute, her face turned apple red from embarrassment.

Bai Yuli dragged Ye Chen, with that the two of them started to have a mature kiss.

Bai Yuli made sure not to be seen, she would be very embarrassed if other people saw her.

"Chuuu . ." Ye Chen and Bai Yuli had a passionate mature kiss, with a little provocation from Ye Chen, Bai Yuli started to go wild and show off her abilities.

Ye Chen also showed his abilities, he showed his abilities and made Bai Yuli feel comfortable.

"This is very comfortable" Bai Yuli likes doing this, she likes the sensation when she kisses Ye Chen, it is a very beautiful and very pleasant feeling.

Ye Chen himself also liked this, the sensation of kissing Bai Yuli felt so beautiful and comfortable.

Both of them were getting more and more passionate, they felt a very comfortable feeling when they kissed.

Ye Chen hadn't seen his woman for a long time, of course he became excited.

Ye Chen wanted to do more with Bai Yuli, he reached out and started touching Bai Yuli.

"what are you doing" Bai Yuli asked Ye Chen, what Ye Chen did was so embarrassing.

"come on, no one will come and look at us" Ye Chen said to Bai Yuli.

There weren't many people here, so it didn't matter if Ye Chen and Bai Yuli did it in this place.

Even though they won't be caught doing it in this place, Ye Chen has so many ways to solve this problem.

After being told by Ye Chen, Bai Yuli finally gave up, she finally gave in and believed what Ye Chen said.

Ye Chen touched and made Bai Yuli feel comfortable, with Ye Chen's abilities, he was able to make Bai Yuli feel comfortable.

Bai Yuli was starting to lose consciousness, she had been completely influenced by Ye Chen, now all she could think about was making Ye Chen comfortable and enjoying all of this.

Bai Yuli also helped Ye Chen, she made Ye Chen comfortable with her hands.

"boom. .." while the two of them were doing something fun, an explosion occurred, this of course disturbed Ye Chen and Bai Yuli.

"What is that?" Bai Yuli was of course shocked when she saw what happened.

"let me see it" Ye Chen decided to take a look, using his abilities, Ye Chen saw what was happening.

"There is a fat man with red hair outside, he seems to be going on a rampage and destroying everything" Ye Chen said to Bai Yuli.

"That must be Don Kin, he must be angry with you" Bai Yuli said to Ye Chen.

Bai Yuli told Ye Chen that it was Dong Kin.

"Huh?, is it Dong Kin ?, that ugly man" Ye Chen said to Bai Yuli.

"He's a little bad and also has an evil personality." Bai Yuli said to Ye Chen.

"So it was the person who caused you trouble, don't worry, I will take care of it" Ye Chen said to Bai Yuli.

Ye Chen decided to take care of Dong Kin.

Chapter 2760 The Appearance Of A Mysterious Person

"Wait, I'll come with you" Bai Yuli said that she would come with Ye Chen.

"You just wait here" Ye Chen said to Bai Yuli.

Ye Chen will deal with this person, it looks like Dong Kin needs a fight.

"Hey, are you looking for me ?" Ye Chen appeared, he stopped Dong Kin's madness.

Dong Kin looked at Ye Chen, finally the person he was looking for appeared.

"You finally have the courage to show up, you coward" said Dong Kin.

"Huh?, what are you saying, aren't you the one who ran away and didn't dare to fight me" Ye Chen said.

"Who doesn't dare to fight you, I dare to fight you" Dong Kin said that he was not afraid to fight Ye Chen.

"Are you sure" Ye Chen said to Dong Kin.

"Of course I'm sure" Dong Kin said to Ye Chen.

"The look you have is dubious, you must be scared" Ye Chen said to Dong Kin.

"How dare you" Dong Kin said to Ye Chen, he was quite angry when Ye Chen doubted his dominance.

"Are you ready to feel anger from me?" Dong Kin said to Ye Chen, he was ready to kill Ye Chen.

"I'm scared" Ye Chen said to Dong Kin, he told that he was scared of Dong Kin.

"It's too late to regret everything, you will die" Dong Kin said to Ye Chen, Ye Chen will die here right now.

Dong Kin attacked Ye Chen, he used his fists to face Ye Chen.

Ye Chen stood and stayed in place, he waited for Dong Kin's attack.

"get ready" Dong Kin said to Ye Chen, Dong Kin will kill Ye Chen.

"watch out" Bai Yuli said to Ye Chen, she told Ye Chen to avoid.

Dong Kin has a super strong punch that can destroy many people at once. Bai Yuli has seen it before, so he knows the strength that Dong Kin has.

"Everything is fine, you don't need to worry" Ye Chen said to Bai Yuli.

"husband" Bai Yuli said.

Bai Yuli would of course be worried about Ye Chen's condition, who wouldn't be worried when they saw the person they liked being attacked by the enemy.

Bai Yuli of course couldn't bear it when she saw Ye Chen who was about to be attacked by Dong Kin.

"So that is the woman you have, very good, after you become disabled I will take care of her for you" Dong Kin said to Ye Chen.

"it's too early for you to say that" Ye Chen said to Dong Kin.

Ye Chen used strength, he used True God power to fight Dong Kin.

An aura that was invisible and could not be felt by others enveloped Ye Chen's body, it protected Ye Chen from all kinds of attacks.

"Die" Dong Kin said to Ye Chen, Dong Kin shouted and was about to land an attack on Ye Chen.

When Dong Kin was about to land an attack on Ye Chen, a force hit Dong Kin's body, this was the power of Ye Chen's True God power.

"Bam. . ." Dong Kin's body turned upside down when he received the impact of the True God power.

"Cough. . ." Dong Kin vomited blood, all his organs shifted when he received Ye Chen's attack.

"Damn, what happened?" Dong Kin didn't understand what was happening.

Bai Yuli and everyone present were shocked when they saw what happened, they saw Dong Kin who had fallen and was quite badly injured, they didn't even know what had happened to make Dong Kin become like that.

"What was that?" Quite a lot of people didn't understand what had just happened, they didn't understand what had just happened.

"What's wrong with you" Ye Chen said to Dong Kin.

"damn" Dong Kin said to Ye Chen, he was angry with Ye Chen. I think you should take a look at

"I will not forgive you" Dong Kin said to Ye Chen, he would not forgive what happened to Ye Chen.

Dong Kin tried to get up, he still wanted to fight Ye Chen.

Ye Chen wouldn't let Dong Kin get up, he stepped on Dong Kin's body.

"If you want to rise, don't hope" Ye Chen said to Dong Kin, he wouldn't let that happen.

"Bastard, I will kill you" Dong Kin said to Ye Chen, he would kill Ye Chen.

"I am the one who will kill you" Ye Chen said to Dong Kin.

Ye Chen immediately stepped on Dong Kin harder, it made Dong Kin's bones crack and he had difficulty breathing.

"arghhhhh . . ., watch out for you" Dong Kin said to Ye Chen before running out of breath.

"People like you are not allow in this world" said Ye Chen on Dong Kin.

"You beat him" Bai Yuli said to Ye Chen.

The battle was too short, the enemy hadn't even shown his abilities.

"I don't really like him" Ye Chen said that he didn't really like Dong Kin, that's why he ended Dong Kin quickly.

"that will make trouble for you" Bai Yuli said to Ye Chen.

"That won't happen, they will thank me" Ye Chen said that there were many people who would thank Ye Chen for what happened this time.

"Are you sure about that" Bai Yuli said to Ye Chen.

"Of course, I'm very sure about that" Ye Chen said that he was very sure about this matter.

"Then I can calm down" Bai Yuli said to Ye Chen.

"rumbling. . ." just when everyone thought everything was over, a black dome covered this place and the surroundings became dark.

"what else now?" Bai Yuli asked Ye Chen, something must have happened again.

"Don't worry, I will definitely protect you" Ye Chen said that he would protect Bai Yuli.

So Bai Yuli doesn't need to worry because Ye Chen will protect her from enemies.

A force with terrifying pressure spread so quickly, in just a short time all the force immediately made the people around faint.

Ye Chen saw this, he saw what was happening around him.

"who did all this" Ye Chen knew that if someone did all this, the person who did all this must be strong.

"amazing, you are worthy" a mysterious person approached Ye Chen and Bai Yuli.

He said that Ye Chen was worthy because he had extraordinary strength.

"Who are you ?" Ye Chen asked, he wanted to know who this person in front of him was.

"I am the one who will dominate this world" he told Ye Chen.

"Rule this world ?, is that your goal and you seem to be the one who gave this person power" said Ye Chen.

Ye Chen suspected that the person in front of him had given Dong Kin his strength.

"You are right, I have given him the power, it's a shame he can't use it well" He said to Ye Chen.

Dong Kin was useless, even though he had been given a power, he still lost to Ye Chen.

"so he is the person behind all this" Ye Chen understood, this person is the mastermind behind it all.

"Tell me what goal you have" Ye Chen asked, he wanted to know the goal of the person in front of him.

"I can give you strength, if you want to come with me" he said that he could give Ye Chen strength.

"I'm not interested in the power given by someone like you, it's doubtful, who knows if you will make me a puppet just like what happened to him" said Ye Chen to this person.
