Chapter 2761 Looking For An Antidote For The Islanders

"You will regret not taking this opportunity of a lifetime" he said to Ye Chen.

"I would regret it more if I came with you" Ye Chen replied.

"Damn, you can't be talked to, then the power I have will tell you" he finally used force to fight Ye Chen.

This person used force, a hand of darkness appeared from behind his body towards Ye Chen.

"that's the power of darkness, caution is very dangerous" said Bai Yuli to Ye Chen.

Bai Yuli said that the power of darkness was a destructive force, if Ye Chen was hit by it, then it would be a problem for Ye Chen.

The hand of darkness was getting closer towards Ye Chen, it would soon arrive at Ye Chen's place.

Ye Chen stretched out his hand, he tore all the power from the enemy.

"What ?" The person in front of course didn't believe it when he saw what Ye Chen was doing.

"impossible, how did you destroy my technique" he said to Ye Chen.

There was no way that the powerful technique he had could just be destroyed like that, that was something that was impossible to happen.

"I tore it, you have a problem with that" said Ye Chen.

Ye Chen only needed to tear it off, it was not difficult for Ye Chen to do that.

"Very interesting, you are able to do it, it looks like you are interesting" he said to Ye Chen.

He said that Ye Chen was interesting, he became more and more eager to get the power that Ye Chen had.

"It seems quite difficult to deal with you" he decided to retreat first, it seemed impossible to win against Ye Chen right now.

"We will meet again soon" he told him that they would meet again soon.

"Be careful because you could lose what is valuable to you" he said to Ye Chen.

This person posed a threat to Ye Chen, and Ye Chen didn't really like the threat given.

"do you think I will let you go" Ye Chen would not let this person go.

"Of course I understand that, that's why I prepared this from the start" he said to Ye Chen.

"This is a parting gift for you" This person's body became huge, it looked like it was going to explode.

"It's going to explode ! ! ! !" Ye Chen saw that this person was going to explode himself, this was very dangerous.

This person was clearly controlling someone else's body, that's why he exploded the body that had been controlled.

Ye Chen protected Bai Yuli and several other people, he used his power to create a barrier that would protect everyone around him.

An explosion occurs, the explosion has the effect of melting all objects and people.

People who saw this naturally felt horrified.

"That person is terrible" Bai Yuli said to Ye Chen.

Bai Yuli saw that the person was terrible.

He did a very terrible thing by exploding the person he was controlling.

"That's the person who controls humans, he should be around, but I can't feel his presence" said Ye Chen.

Ye Chen said that he couldn't find the whereabouts of the person controlling it.

When Ye Chen was focused on searching, he heard a scream, it seemed like somewhere else the same thing was happening as what was happening at Ye Chen's place.

"This is bad" Ye Chen diverted his attention, he immediately looked for the whereabouts of the person who shouted.

Ye Chen and Bai Yuli saw what happened, there were several similar explosions and many people died as a result of this incident.

"What makes them like that" said Bai Yuli.

Bai Yuli looked at the people who started to explode, They were all innocent and ignorant people.

"It's like a parasite" Ye Chen said to Bai Yuli.

Ye Chen told that this was all caused by parasites hiding in their bodies.

Ye Chen could see them, so it wasn't strange that he could deduce what happened.

"You have to help them" Bai Yuli said to Ye Chen, she told Ye Chen to help all those who needed help.

"of course I will help them, first we have to paralyze all the parasites, I will use the power that I have" Ye Chen uses the power that he has, he uses power to absorb the power of the parasites around, with that they don't have the energy to explode yourself.

"You guys, listen to me, don't use profound energy, and keep your distance until I come back" Ye Chen said to everyone.

They all listened to what Ye Chen said, they kept their distance and stayed away from each other.

"It's time to find medicine for them" Ye Chen said that he would find medicine for all of them.

He had to make medicine to make the parasites come out of people's bodies.

"I'll come and help," said Bai Yuli.

Bai Yuli decided to help, she would help Ye Chen solve this problem.

There was no way Bai Yuli would remain silent when he saw what happened.

She felt uneasy and uncomfortable when she felt what happened to everyone, it was a terrible sight and Bai Yuli didn't like it.

"of course, you can come" Ye Chen allowed Bai Yuli to come, Bai Yuli could help Ye Chen quite a lot, so he let Bai Yuli come along.

"thank you very much" Bai Yuli and Ye Chen left, while all the residents of the sky island felt nervous and full of fear.

"husband, do you know who the previous person was" Bai Yuli asked Ye Chen.

"No, I don't know at all, I've never met that person," said Ye Chen.

Ye Chen had never met that person, he didn't remember ever meeting someone like that.

"But it looks like he's targeting you" Bai Yuli could see that the person was targeting Ye Chen, that person was targeting Ye Chen and wanted to get Ye Chen.

"That's very true, I also don't know why he would do something like that, he might be to get the body that I have" said Ye Chen to Bai Yuli.

"That's very dangerous, we can't let him get the body that you have," Bai Yuli said to Ye Chen, they shouldn't give Ye Chen's body because that can't happen.

"That's true, we can't do that" Ye Chen agreed with what Bai Yuli said.

"We will solve that problem, first we have to save all the island residents who are in trouble" said Ye Chen.

"That's absolutely right, we have to save them all" Bai Yuli agreed with what Ye Chen said.

"so where are we going to get the cure" Bai Yuli asked Ye Chen.

"under water" Ye Chen said to Bai Yuli.

"We will look for white seaweed" said Ye Chen.

"oh, I know that thing" Bai Yuli knew that thing, he knew that thing and it was an easy item to find.

"We will split up" Ye Chen said to Bai Yuli.

With that they split up and found the item.

By splitting up, they can find the item more quickly than together.

They needed quite a lot, that's why they split up.

Bai Yuli searched quickly, meanwhile Ye Chen also did the same.

Ye Chen used his power and got everything quickly.

In just a short time, they managed to earn thousands.

"is this enough?" Bai Yuli asked Ye Chen, she wanted to know whether this would be enough or not.

"Enough for everyone" said Ye Chen.

Chapter 2762 Bai Tung

"Then let's go back" Bai Yuli said to Ye Chen, she invited Ye Chen to come back right now.

"Come on" they both finally came back.

They have succeeded in getting what they were looking for and immediately made an antidote.

Ye Chen started making the antidote, while Bai Yuli helped from the side, the two of them worked together to make the antidote for everyone.

Everyone is still worried about what happened, they are all still afraid of what happened is said by Ye Chen.

They are afraid of exploding like that is said by Ye Chen, because of that they didn't dare to move and remained silent here.

If they move, then bad things might happen to them and they don't want that to happen.

Ye Chen needed quite a lot of time, considering that the number of people around was too many and he couldn't do anything about the problem

After a long and super tiring work, Ye Chen and Bai Yuli finally finished.

"We're finally done." Bai Yuli was happy because everything was finished.

With this they can help everyone in this place.

"You are right, let's help those who need us" Ye Chen and Bai Yuli left, they gave antidote to everyone.

Everyone accepted one by one, they didn't fight because they knew it wouldn't do them any good.

That would only get them into trouble because one of them might explode and destroy the other.

"Okay, done you can drink" after finishing distributing everything, Ye Chen told them to drink.

Everyone of course drank, they all drank the concoction Ye Chen made.

When they drink the concoction, they feel nauseous and want to vomit.

This is a completely normal reaction, it indicates that the parasites in their bodies are starting to come out.

They all expelled the parasites in their bodies, after finding out the creature that attacked them, they all got goosebumps.

"thank you very much" everyone thanked Ye Chen, they thanked Ye Chen for helping them.

"no problem, but be careful next time" Ye Chen told them to continue to be careful.

"we understand" they all understand, they listen to what is said by Ye Chen.

Our task is gone, let's go back" Ye Chen said to Bai Yuli.

"um, let's go back" Bai Yuli agreed to go back together with Ye Chen, the two of them headed back to where Bai Yuli lived.

"I will introduce you to my family" Bai Yuli said to Ye Chen.

"ohhh, isn't this too fast" Ye Chen said to Bai Yuli.

"No problem," said Bai Yuli, Bai Yuli told him that it was fine.

"You won't mind right?" Bai Yuli asked Ye Chen.

"There's no way I would mind" Ye Chen said that he wouldn't mind this.

"I'm happy to listen to it" Bai Yuli was happy to listen to it, with that the two of them headed to Bai Yuli's place.

"Young lady, you are back, aren't you being held by the king of Dong" they asked Bai Yuli.

"everything is done" Bai Yuli told that everything is done.

"Is there someone who has defeated the king of Dong?" the waiter asked Bai Yuli.

Bai Yuli looked at Ye Chen, there was indeed someone who had defeated the king of Dong, and that was Ye Chen.

"Um, someone has indeed defeated him" Bai Yuli said that someone had indeed defeated Dong Kin.

"then I will tell the head of the family, he will be happy" the servant went and told the head of the family.

"Come on in, don't hesitate" Bai Yuli said to Ye Chen.

Bai Yuli told Ye Chen to come in, she told Ye Chen not to be shy about her house.

"You have a pretty big family" said Ye Chen.

Ye Chen could see that Bai Yuli had a large and magnificent residence.

"This is not much" Bai Yuli said that this was not much, there were still people who had bigger houses compared to which is owned by Bai Yuli.

"Still, this is still big," said Ye Chen, Ye Chen said that this was still quite big.

"fufufufu" Bai Yuli laugh listen this matter.

They finally arrived at the courtyard owned by Bai Yuli, this was a private place that she owned.

"This is the place that I own, we can do everything here and no one will disturb us," said Bai Yuli.

"Is the wife thinking about the previous thing?" Ye Chen said to Bai Yuli, maybe Bai Yuli was thinking about the previous thing.

"No, I didn't do that." Bai Yuli turned red when she heard what Ye Chen.

"You are very cute when you blush like that" Ye Chen said to Bai Yuli.

"husband, you are evil, seduce others again" Bai Yuli said to Ye Chen, again Ye Chen seduced her.

"hahahaha" Ye Chen laughed and enjoyed it, he liked teasing Bai Yuli and making her embarrassed.

"Yuli, are you back?" a man came and approached Ye Chen and Bai Yuli.

"father" Bai Yuli said to the man who had just arrived.

Bai Yuli came and greeted his father, she was happy to see his father back.

"Are you okay, I heard that King Dong detained you, I can't do anything to him because he has great power" he said to Bai Yuli.

"That's true and I'm fine, I'm not hurt at all" Bai Yuli said that she was fine, she wasn't hurt by the enemy.

"What happened to him, did he let you go" he asked Bai Yuli.

"No, he didn't let me go, he held me and everyone else, luckily it was me and everyone saved" Bai Yuli said.

"Someone saved you guys" he asked Bai Yuli.

"Of course, otherwise there would be no way I could leave this place," said Bai Yuli.

"he is my savior" Bai Yuli tells that Ye Chen is the one who saved her.

If it wasn't Ye Chen, then no one would come to save Bai Yuli.

"So you are the one who saved Yuli, I have to thank you" he said to Ye Chen, he was grateful for saving Bai Yuli.

"No problem, that is also my responsibility" said Ye Chen.

Bai Yuli was a responsibility, there was no way Ye Chen would let Bai Yuli

was in danger, that's why he saved Bai Yuli.

"I haven't introduced myself, my name is Bai Tung" he told Ye Chen who he was.

"My name is Ye Chen" Ye Chen said to Bai Tung.

"I know you, you are that person, being a young man is quite brave, challenging genius" Bai Tung said to Ye Chen.

It seems like Ye Chen is quite famous, that's probably because Ye Chen had an appointment with Yin Zeniyu.

"Yin Zeniyu is not an easy person, you know yourself that she also comes from a low-class family and now she is at a different level from us, even Yuli has lost to her" Bai Tung said to Ye Chen.

"don't talk about that matter anymore" Bai Yuli said.

"hahahaha, be good, that issue is indeed sensitive for you" Bai Tung said to Ye Chen.

"I still have to thank you for helping Yuli, now she can live well" Bai Tung said to Ye Chen.

"You're welcome" answered.

"Even so, this will be a problem for the two of you, it seems like there are a lot of invitations for Yuli, what are you going to do" said Bai Tung.

"Huh?" Ye Chen didn't understand what kind of invitation that said by Bai Tung.

"what's that ?" so Ye Chen asked Bai Yuli about this problem.

Chapter 2763 A Marriage Proposal That Arrives At The Door

"It's a matter of pursuing, there are so many people who want to chase me" Bai Yuli said to Ye Chen, she told him that there were so many invitations to get married and become Dao partners.

"It can't be helped, it's because you're beautiful" Ye Chen said that Bai Yuli was beautiful, it wasn't strange that so many people were trying to chase her.

"Please don't praise me continuously" Bai Yuli said to Ye Chen.

Bai Yuli felt embarrassed when listening to praise from Ye Chen, she felt embarrassed to get praise from Ye Chen.

"what's wrong, are you embarrassed ?" said Ye Chen.

Ye Chen really liked teasing Bai Yuli, he really liked teasing Bai Yuli and making her embarrassed.

"You" Bai Yuli hit Ye Chen, she was not very happy with what Ye Chen did.

"The two of them look very close." Bai Yuli and Ye Chen looked very close to each other and looked intimate.

"Great master, there is a group of people present, the elder is calling you" someone came and told him what was happening now.

"What happened, tell me" Bai Tung asked for an explanation, without an explanation, he wouldn't understand what happened.

The servant gave an explanation to Bai Tung, he told him that a large Clan group had come to meet Bai Tung.

"Again . . ." Bai Tung didn't seem too happy about this, he didn't seem to like this kind of thing very much.

"I will come" Bai Tung had no choice, he could only come and resolve what happened.

"It looks like your father is in trouble" Ye Chen said to Bai Yuli, he saw that Bai Tung was in trouble.

"It must be because of the elders, they always push father," said Bai Yuli.

Bai Yuli told Ye Chen about what happened.

"So that's how it is, I understand" Ye Chen understood, he understood Bai Tung's condition.

"You won't help him" Ye Chen asked Bai Yuli.

"of course, he is my father, of course I will help him solve the problem".

"Then let's go" with that, Ye Chen and Bai Yuli left, both of them immediately went after Bai Tung.

Bai Tung went to the front, he saw a group of people carrying many people and also many objects in front.

"Hello Bai clan chief" a man appeared, he appeared and gave a greeting to Bai Tung.

"Isn't this Mr. Ran Qayun, what do you want to bring so many people and objects to my place?" Bai Tung asked.

"I will make it clear that I came here, to be honest, this was because my son asked for it, he wanted to get Bai Yuli," Ran Qayun said to Bai Tung.

Ran Qayun told the reason why she came to this place, the reason why she came to this place was to get Bai Yuli as a daughter-in-law.

"So that's why you came to this place" Bai Tung said to Ran Qayun.

"Of course, that is my purpose in coming to this place" RanQayun came with that goal.

"Honey, I have to. . ." Bai Tung wanted to reject it.

"Hello Mr. Ran Qayun the elder finally came out, is warmly welcomed Ran Qayun.

"hello first elder Bai, I came after listening to what you said" Ran Qayun came after hearing the news.

This person was the one who had informed that Bai Yuli had returned, so it wasn't strange that Ran Qayun could come to this place.

It seemed like this person was the one who had sold Bai Yuli to outsiders, he was the only main suspect.

The first elder looked quite familiar with Ran Qayun, he seemed quite familiar with Ran Qayun and had a relationship.

"wife, who is that person ?" Ye Chen asked Bai Yuli, he needed Bai Yuli for an explanation.

"it was first elder Bai Junki" Bai Yuli told who the person was.

"Is he strong and has quite a lot of influence?" Ye Chen asked Bai Yuli.

"Of course, he has great influence in this family" Bai Yuli told Ye Chen.

"how much influence does he have" Ye Chen asked Bai Yuli. I think you should take a look at

"A little bigger compared to father, he holds the business in the family" Bai Yuli said to Ye Chen.

"Being a businessman, it's not strange, it seems like he wants to sell you for business," said Ye Chen.

"That's for sure" Bai Yuli was also aware of this, she was aware of what Ye Chen meant.

"That person is also a great businessman, if I'm not mistaken it's Ran Qayun, he has a large profound crystal mining business, it will be profitable for this family," said Bai Yuli.

"It looks like it's not easy to be you" Ye Chen felt sorry when he heard this, it seemed like Bai Junki wants to sell Bai Yuli for his own purposes.

"It's not easy to be born into a classy family," said Bai Yuli.

"husband, do you come from a rich family too?" Bai Yuli asked Ye Chen.

"Not really, I'm from a fairly backward village," said Ye Chen.

"So that's how it is" Bai Yuli understood, it seemed like Ye Chen came from a fairly remote place.

"But the power and abilities you have are quite strange," said Bai Yuli.

"Not really, the power I have is normal" Ye Chen said to Bai Yuli.

"That's for you, for me you are strange, you don't even work against attacks" Bai Yuli said to Ye Chen.

Bai Yuli already felt that Ye Chen was so strange and unreasonable.

"hehehehe" Ye Chen chuckled when he heard this.

"let's listen to what they are talking about" Ye Chen said to Bai Yuli.

Ye Chen wanted to listen to what they said.

"Hello my friend" Bai Junki greeted Ran Qayun.

It seemed like they were close friends and their conversation was quite deep.

"As you wish, I told you that our young Miss Bai has returned" Bai Junki said that Bai Yuli had returned.

Bai Tung was silent when he heard this, with this he had no reason to reject Ran Qayun.

Bai Junki had said that, so how could Bai Tung make excuses.

"That person, he must have done it on purpose" Bai Yuli didn't really like the current situation, she didn't really like the current situation.

"so young lady Bai is in this place" Ran Qayun said again to Bai Tung.

"Of course, she exists" Bai Tung said that if Bai Yuli existed, there was no reason to lie anymore.

"Yuli, come out" Bai Tung called Bai Yuli, he told Bai Yuli to come out right now.

Bai Yuli had no choice but to come out, there was no reason for her to hide.

"I understand" Bai Yuli understood, she was going out.

"I'll go out first, if something happens, I'll call you" Bai Yuli said to Ye Chen.

"Of course" Ye Chen understood.

Ye Chen would do what Bai Yuli said, he would help Bai Yuli when she needed help.

Bai Yuli walked out, she walked out in a graceful manner.

Bai Yuli showed her capacity as a noble lady, she showed her capacity as a noble so easily.

"She's not like that when she's with me" Ye Chen saw that Bai Yuli didn't do that when she was with Ye Chen.

"You guys are close enough, there's no point in doing something like that" Chu Yuechan said to Ye Chen.

"You are absolutely right" Ye Chen said to Bai Yuli.

"But I like things like this" Ye Chen likes it when he sees Bai Yuli like that.

Chapter 2764 I am skilled at writing beautifully and meaningfully

"Greetings everyone" Bai Yuli greeted everyone, she showed her capacity.

"Very good" Ran Qayun saw that Bai Yuli was so good, he really liked bai Yuli's temperament.

"You are really good" Ran Qayun said to Bai Yuli.

"Thank you very much for the compliment" Bai Yuli said to Ran Qayun.

"You see that she is so good" Bai Junki said to Ran Qayun.

Bai Yuli was not very happy when she heard this, she was not very happy about this.

"You are absolutely right" Ran Qayun said to Bai Junki.

"What's going on?" Bai Yuli asked, pretending not to know what happened, even though she knew what was happening now.

"Ran Qayun wants to give you a proposal for his son, do you want to?" Bai Junkin said to Bai Yuli.

Bai Junki immediately said Ran Qayun's goal.

"That's true," Ran Qayun said to Bai Yuli.

"I'm sorry for everything that happened, but I'm not interested in that" Bai Yuli immediately refused humbly.

"Why did you refuse?" Ran Qayun said to Bai Yuli.

"I'm not very interested," said Bai Yuli.

Bai Junki's face darkened when he heard this, he was not very happy with the answer given by Bai Yuli.

According to him, Bai Yuli had missed a big opportunity to gain wealth for himself and his family.

"I can give you all the things you want," said Ran Qayun.

If Bai Yuli wanted, Ran Qayun could give Bai Yuli everything she needed, he would not be stingy with Bai Yuli.

"Don't refuse, that is an extraordinary offer, don't you know that?" said Bai Junki.

Bai Junki said to accept it, they couldn't just pass up this opportunity.

"I already have someone I like." Bai Yuli told him that she already had someone she liked, because of that she refused.

"Impossible, I never knew about that." Bai Junki didn't know that Bai Yuli had someone he liked.

"You might just avoid it, right?" He must have said that to run away from this problem.

"I didn't intend to lie to you," said Bai Yuli.

Bai Yuli had no intention of lying to any of them.

"So Young Miss Bai already has a good person, I want to see him" a young man came out of the carriage, he was wearing a sky blue robe and had a pretty good appearance and was very neat.

It was clear that this person was quite a great person, he was quite great and had an appearance that was very interesting to look at.

"This is young master Ran Zitsu, isn't he very good" Bai Junki said to Bai Yuli.

Ran Zitsu is quite good, he has such good looks and is worthy of being paired with Bai Yuli.

"I'm not very interested," said Bai Yuli.

Bai Yuli said that she was not very interested in this, to be honest, she was not interested in seeing Ran Zitsu.

"Husband is still better than him" Bai Yuli saw that Ye Chen was better than Ran Zitsu.

Ran Zitsu was speechless, this was the first time he was rejected by a girl.

Ran Zitsu couldn't help thinking that the charm he had built for a long time would not be able to make Bai Yuli fall.

"This can't be happening, I don't believe this" Ran Zitsu didn't believe this, he didn't believe that his charm would lose.

"Young lady, I am a good man, you won't find anyone better than me," said Ran Zitsu.

To prove himself, he decides to tell them that there is nothing better.

"I've seen better" Bai Yuli immediately broke Ran Zitsu's argument.

Bai Yuli said that she had seen something better than Ran Zitsu.

"If it really exists, why don't you show it to me" Ran Zitsu wanted to know who the person was, there couldn't be someone like that.

"Wait here, let me show it to you" Bai Yuli said that she would show Ye Chen.

Bai Yuli called Ye Chen, she wanted to show Ye Chen to everyone.

Bai Yuli had given a signal, that meant Ye Chen had to come out and help Bai Yuli.

"did you call me ?" Ye Chen said to Bai Yuli.

Ye Chen appeared quite quickly and without anyone else knowing, even those with high level strength did not see Ye Chen's arrival.

"Look, he's the one I mean" Bai Yuli said that Ye Chen was the person she meant.

Bai Yuli showed how good Ye Chen was, with Ye Chen's appearance and talent, it was clear that Ran Zitsu was no match for Ye Chen.

Ran Zitsu looked at Ye Chen, he saw that Ye Chen was so kind.

"Where did this person come from" Ran Zitsu had never seen Ye Chen, he didn't know that there was someone as good as Ye Chen.

"Well, I've seen it, I can't possibly lie to you," said Bai Yuli.

Bai Yuli couldn't lie, she couldn't lie to everyone.

Ran Qayun looked at Ye Chen, this was just a boy who could be said to be unworthy of Bai Yuli.

"he wasn't involved that well" Ran Qayun commented to Ye Chen.

Ye Chen is only good in appearance, apart from that there is nothing good about Ye Chen.

Ye Chen didn't wear nice clothes, he wore clothes that were quite worn out.

"The appearance I have is like this" Ye Chen said to Ran Qayun.

"It doesn't matter, he just came back from an adventure, so his appearance is still not very good," said Bai Yuli.

Bai Yuli helped Ye Chen, she told that Ye Chen had just returned, so he didn't have time to improve his appearance.

"Honestly, what's good about this person, I don't find anything good about this person other than his appearance" Ran Zitsu wasn't too happy to see Bai Yuli helping Ye Chen, that's why he attacked Ye Chen personally.

"Ye Chen is quite skilled in literature and his abilities cannot be doubted, I learned a lot from him," said Bai Yuli.

Bai Yuli had several points that could be explained for everyone, from abilities to everything that was interesting about Ye Chen.

Ye Chen has good strengths and is suitable for Bai Yuli, so it's not strange that Bai Yuli can easily tell Ye Chen's strengths.

"Impossible. . ." Many people doubted what Bai Yuli said.

"I want to try fighting him," said Bai Yuli.

Bai Yuli told Ran Zitsu to try to fight Ye Chen.

"I'm quite confident in my abilities, do you dare?" said Ran Zitsu.

"Of course I dare, even though I come from a small place, my abilities cannot be underestimated" Ye Chen said to Ran Zitsu.

Ran Zitsu laughed when he heard this, this is just a country boy, it won't be difficult to fight Ye Chen.

"I am an expert in writing, do you dare to fight me in terms of writing" said Ran Zitsu.

Ran Zitsu shows his abilities, he is able to create good and beautiful writing.

"That's very true, young master Ran Zitsu is such a great person, he can write well and many people buy his work" Bai Junki supported Ran Zitsu.

Bai Yuli was a little confused when she heard this, she didn't know whether Ye Chen could write as well as Ran Zitsu.

Chapter 2765 Ye Chen Vs Ran Zitsu (1)

"How according to you?" Bai Yuli asked Ye Chen, she still didn't know about this matter from Ye Chen.

"To be honest it will be easy for me" said Ye Chen.

Ye Chen said that it would be an easy thing for him to do.

"Then" hearing the answer given by Ye Chen, Bai Yuli intended to accept the challenge from the opponent.

"How about we raise the level?" Ye Chen said to the person in front of him.

"What do you want to say?" Ran Zitsu asked Ye Chen.

"Instead of writing, why don't we paint objects" said Ye Chen to Ran Zitsu.

Ye Chen challenged Ran Zitsu to paint an object.

"Hahahaha, I thought what" Ran Zitsu smiled and laughed when he listened to what Ye Chen said.

"You don't dare?" Ye Chen said to Ran Zitsu.

"I was laughing, because there was no chance for you to win" Ran Zitsu looked down on Ye Chen, he didn't even hesitate to tell Ye Chen that he wouldn't win.

"such good self-confidence" Ye Chen said to Ran Zitsu.

Ye Chen was happy when he saw the self-confidence that Ran Zitsu had.

"what are you waiting for, let's start" Ye Chen said to Ran Zitsu.

"Of course, let's get started" said Ran Zitsu.

The two decided to start it.

"Husband, what are you going to draw?" Bai Yuli asked Ye Chen.

"Hmmm" Ye Chen thought for a moment, he thought about what he could paint.

"How about just painting you" Ye Chen said to Bai Yuli.

"You want to paint me, of course I'm happy" Bai Yuli was of course willing.

He would be very happy with something like this.

"Okay, then you will be the model" Ye Chen said to Bai Yuli.

"model?" Bai Yuli asked Ye Chen.

"It's a kind of job for people who pose for art" said Ye Chen.

"Oh, I think I know that, I will do it" Bai Yuli said to Ye Chen.

He told that he would do what Ye Chen ordered.

Ye Chen started to draw, he started drawing Bai Yuli who was in front of his eyes.

"what should I do ?" Bai Yuli asked Ye Chen, she wanted to know what she should do.

"Just act as usual and do it naturally, do what looks beautiful and charming" Ye Chen said to Bai Yuli.

"I understand, I will do it" Bai Yuli said that he would do it.

Bai Yuli showed her abilities to Ye Chen.

"that's very good" Ye Chen said to Bai Yuli, he told that it was very good.

Bai Yuli was quite happy when he heard this, he seemed to be enjoying this.

"What is that person doing?" Ran Zitsu laughed at Ye Chen, Ye Chen made things too simple, there was no guarantee of winning against Ran Zitsu.

"What do you want to draw?" Bai Junki asked Ran Zitsu.

"A thing that will amaze you all," said Ran Zitsu to Bai Junki.

"I can't wait to see the results" Bai Junki said that he couldn't wait to see it, he wanted to see the results that Ran Zitsu would produce.

Bai Junki believed in Ran Zitsu more than Ye Chen.

Ran Zitsu's capacity and abilities no longer need to be doubted.

"I'm ready to lose" Ran Zitsu said to Ye Chen.

"Of course, you also have to prepare, this will be something you will remember" Ye Chen said to Ran Zitsu.

The two of them finished their work, Ye Chen painted Bai Yuli, meanwhile Ran Zitsu used his imagination to create a beautiful garden full of beautiful women.

To make everyone curious, Ye Chen and Ran Zitsu closed their work, only they could see the results.

"how, it's finished" Bai Yuli said to Ye Chen, she wanted to know if Ye Chen was finished.

"Soon I will be finished" Ye Chen told him that he would be finished soon.

"I can't wait to see it" Bai Yuli said that she would see it.

"You will see it soon" Ye Chen said to Bai Yuli.

Both of them were almost finished, Ran Zitsu was also almost finished and Ye Chen was also almost finished.

"Done" Ye Chen and Ran Zitsu told him that he was finished

finally everyone saw it, they saw what Ran Zitsu and Ye Chen made.

"Look at my work." Ran Zitsu showed his beautiful work.

"That's very beautiful" everyone present was amazed, they could see the beauty that Ran Zitsu had.

"Hahahahaha" Ran Zitsu laughed, he had won the hearts of the audience.

"look, you won't have a chance to win" said Ran Zitsu.

"Not necessarily, all of this is just the beginning" Ye Chen said to Ran Zitsu.

"Then let me show the greatness that I have" said Ye Chen.

Ye Chen showed it, he showed everyone his work.

When Ye Chen opened the painting he had, everyone saw the beautiful figure of Bai Yuli.

When the painting was opened, the figure of Bai Yuli inside seemed to move and come to life, as if they were brought into it.

"Everyone here of course fell silent when they saw what happened, they were speechless when they saw Ye Chen's painting which was so lively.

"Very beautiful" Bai Yuli was also surprised, she was also surprised when she saw the painting of herself.

The painting was like Bai Yuli herself who was so lifelike, this was a very high level and could not possibly be done by ordinary people.

"I didn't know that my husband could do something like that, such an extraordinary thing," said Bai Yuli.

Bai Yuli increasingly liked Ye Chen, this made her like Ye Chen.

"Impossible, this can't be happening" Ran Zitsu said to Ye Chen.

"You cannot accept this result" Ye Chen said to Ran Zitsu.

"I can't accept this" Ran Zitsu said to Ye Chen.

Ran Zitsu couldn't accept defeat.

"You have to accept the defeat you have, you have lost quite a lot of face" Bai Yuli said to Ran Zitsu.

Bai Yuli helped Ye Chen to speak, she helped Ye Chen urge Ran Zitsu.

Ran Zitsu told Ran Qayun, he asked Ran Qayun for help.

Ran Qayun could only shake his head, it was clear that Zitsu had lost here.

"You have lost, what can you do" said Ran Qayun.

Ran Qayun informed that Ran Zitsu had lost.

"I can't accept this" Ran Zitsu said that he couldn't accept this.

"You don't accept, what do you want ?" Ye Chen said to Ran Zitsu.

"I challenge you to fight me," said Ran Zitsu.

Because Ran Zitsu couldn't win, he decided to challenge Ye Chen to a fight and compare strength.

"That can't be, it's out of the current direction" Bai Yuli forbade fighting.

"In this world, strength is everything, so I have enough reasons," said Ran Zitsu.

This was still the world of cultivation, strength was still everything.

"How are Uncle Bai Junki and Bai Tung?" said Ran Zitsu.

"You guys just solve this problem your way, this is a world for the younger generation" Bai Tung and Bai Junki did not interfere in this problem.

Both of them chose to stay silent and watch the battle between the younger generations.

If they follow, it will add to the problems between the two clans, so let Bai Yuli and Ran Zitsu settle the matter at hand.

Chapter 2766 Ye Chen Vs Ran Zitsu (2)

"Men will not back down from battle" Ye Chen said that he would accept this challenge.

"But I have conditions for you" Ye Chen said that he had conditions for Ran Zitsu.

"What kind of conditions do you want from me?" Ran Zitsu asked Ye Chen, he wanted to know what conditions Ye Chen needed.

"If I win, get out of this place and don't show yourself in front of Bai Yuli again" Ye Chen told Ran Zitsu what he had in mind.

"I understand, if I win, I hope you will also leave my future wife," said Ran Zitsu.

"Of course, I agree" Ye Chen agreed.

The two finally agreed, the battle will be held at the Bai Clan training ground.

what is happening now is quite interesting, there are so many people coming to see, they all want to know who will win and get Bai Yuli.

Bai Yuli was quite confident in Ye Chen's abilities, Ye Chen would definitely be able to win.

"Yuli, you have to tell him, Ran Zitsu is a strong man and has quite a lot of tricks," Bai Tung said to Bai Yuli.

Bai Tung told Bai Yuli to tell Ye Chen, let Ye Chen know and be aware of Ran Zitsu's abilities.

"It's okay, he will be fine" Bai Yuli said that Ye Chen would be fine, she was quite confident in Ye Chen's abilities.

Bai Yuli had already seen Ye Chen's strangeness, so there wouldn't be any problems.

"This is the training of the Bai Clan, in here you can fight as you wish and unleash your potential," said Bai Junki.

Bai Junki told them, he told them to unleash their full potential.

"of course, I will bring out my full strength and show who I am" Ran Zitsu will do it, he will show his full strength to Ye Chen.

"I can't wait to see how you win" Ye Chen said to Ran Zitsu.

"This won't take long, this match will be over quickly" said Ran Zitsu.

Ran Zitsu promised to finish the battle quickly, he would finish the battle against Ye Chen using full speed.

"Then you can start" Bai Junki told them to start.

"Get ready" Ran Zitsu started to attack first, he started releasing several water balls.

The water ball came out of the ground and floated, some time later it broke and made several monsters from small to medium size.

"defeat him for me" Ran Zitsu told the water monster to attack Ye Chen.

All the water monsters attacked Ye Chen and immediately shot Ye Chen with high-pressure water jets.

"Sigh. . ." Ye Chen let out a light sigh, the ice mist began to spread and immediately froze all the water monsters.

"uhhhh! ! !" Ran Zitsu was silenced by what Ye Chen did.

Ye Chen stopped the monster he created using just one blow.

"Freezing monsters with just one blow, what is that guy?" Many people were shocked when they saw what Ye Chen did.

"That's not much, the winner has already been determined" Bai Yuli said that it wasn't much, Ye Chen could still do more.

From here alone the winner is starting to appear.

"It's too early to conclude the winner" Bai Junki said that it was too early to conclude who would win in this battle.

"Then let's take a look" Bai Yuli said.

Bai Yuli told everyone to see who would be the winner.

"That's all, do better, don't disappoint me," said Ye Chen.

Ye Chen still wanted to try some more techniques, so he wanted Ran Zitsu to be serious and show his abilities.

Ran Zitsu was only in the middle stage of the Immortal Earth Realm, his strength was definitely not comparable to Ye Chen. I think you should take a look at

"get ready, Bottomless whirlpool" a flood appeared and submerged this entire place, a deep whirlpool was formed, it sucked in Ye Chen and everything around.

"A whirlpool huh, where does this lead to" Ye Chen wanted to know where this led, there must be a crack underground.

"This is not the time to think about that" Chu Yuechan said to Ye Chen.

she told Ye Chen that this was not the time to think about that.

"You're right, let's stop this" Ye Chen snapped his fingers, when Ye Chen did that, the whirlpool stopped instantly and the water quickly receded.

"impossible, why stop ?" Ran Zitsu shouted, why was Ye Chen able to stop the attack.

"Let's do it even better, you still have more strength" said Ye Chen.

Ye Chen told Ran Zitsu to use even more strength.

Ran Zitsu gritted his teeth, this was Ran Zitsu's peak anger.

"Then I will show you the supreme power I have.

"Poison bubble" Ran Zitsu decided to use a high level attack, he rarely used this attack because it was too dangerous against the enemy.

"He used it, it is the most unreasonable technique that Ran Zitsu has, once it touches it, it will not survive.

"Don't touch it, it is such a strong poison" Bai Yuli said to Ye Chen.

Bai Yuli gave Ye Chen a warning.

Bai Yuli told Ye Chen not to touch it because it would be very dangerous for Ye Chen.

Ye Chen didn't listen to what Bai Yuli said, he touched it and held it with his bare hands.

"are you seriously saying that this is poison ?" Ye Chen said to Ran Zitsu.

Bai Junki, Bai Tung, and Ran Qayun were rendered silent when they saw what happened.

Even the owner of the attack himself, Ran Zitsu, didn't believe what Ye Chen was doing.

"no use" Ye Chen said to Ran Zitsu.

Ye Chen destroyed everything, he destroyed all the poison that was present so easily and without any problems.

Ye Chen was immune to poison, there was no way for Ran Zitsu to hurt Ye Chen by using poison.

"he is not making sense, what is his body made of?" Bai Yuli was still shocked when she saw Ye Chen who was still invulnerable, this person was still immune from attacks, even strong poison couldn't affect Ye Chen.

"So boring, let's end it, prepare to defend against me" Ye Chen said to Ran Zitsu.

Ye Chen kicked Ran Zitsu's head, Ran Zitsu bounced quite far when he received the kick.

Ye Chen's kick was strong and made an imprint on Ran Zitsu's handsome face.

"Damn it. . ." Ran Zitsu was of course angry when he saw Ye Chen destroying his handsome face.

"Shut up" Ye Chen kicked Ran Zitsu again, it made him cough blood and roll several times.

The scene that happened was quite scary, everyone saw how Ye Chen took care of Ran Zitsu.

The method used by Ye Chen was quite cruel to deal with Ran Zitsu.

"That's enough," said Bai Junki, he told Ye Chen to stop right now.

If this battle continues, this battle will make Ran Zitsu even more injured.

Ye Chen stopped, meanwhile Ran Zitsu was quite badly injured by several of Ye Chen's attacks.

Luckily Ye Chen was still holding back, otherwise there would be no chance of winning against Ran Zitsu.

Ran Zitsu's condition would probably be even worse if Ye Chen didn't restrain himself in his attacks.

Chapter 2767 Ran Zitsu Was Controlled

"I can't lose this way" Ran Zitsu will not lose this way, he will win against Ye Chen.

Ran Zitsu took out something, he took out a pill and swallowed it.

"Ran Zitsu why are you use that matter?" Ran Qayun said to Ran Zitsu, he could see that Ran Zitsu took something dangerous to use.

"I want to win" Ran Zitsu said that he wanted to win.

He wanted to defeat Ye Chen using all the abilities he had.

Ran Qayun looked serious about what he said, he wanted to defeat Ye Chen using all the strength he had.

He even used a pill to increase his strength.

This is quite capable of increasing Ran Zitsu's strength.

The biggest problem is that when he uses this, he will lose control and attack everyone in front of him.

And the only person in front of Ran Zitsu was Ye Chen, so he would definitely attack Ye Chen using full strength.

"Ran Zitsu, you are shameless" Bai Yuli said to Ran Zitsu, he told him that Ran Zitsu was shameless.

"Die bastard" Ran Zitsu was already in a trance, he immediately attacked Ye Chen.

A jet of water was launched towards Ye Chen at incredible speed.

that was really quick and direct about Ye Chen.

"Ye Chen" Bai Yuli shouted, she was worried about Ye Chen's condition and situation.

Bai Yuli would of course be worried, Ye Chen's condition might be worse with what was happening now.

"hahahaha, dead" Ran Zitsu looked like a drunk person, he lost control and continued to launch attacks towards Ye Chen.

People tried to stop it, when they tried to stop it, they were all attacked.

"What kind of pill was used, it was so strong" people saw that Ran Zitsu had become so strong and difficult to control.

"I don't know where he got that strength, his strength increased very rapidly," said Ran Qayun.

Ran Qayun didn't know where Ran Zitsu got that, how could he get that kind of pill and have an effect that could increase strength to that extent.

"His strength is increasing by leaps and bounds, what is actually going on?" Bai Yuli was also aware of this, Ran Zitsu's increase in strength was unreasonable, he became as strong as someone at the peak level of the Immortal Sky Realm and continued to rise without any pause.

Ye Chen defended against Ran Zitsu's attacks, he blocked all the attacks with one hand.

"Yuechan, what kind of pill is that, why did he become strong like that" Ye Chen asked Chu Yuechan.

He didn't know that there was a pill that could make a person rise so quickly to the peak level of the Immortal Sky Realm in just a matter of seconds, plus it was still getting stronger.

"I don't think it's a pill" Chu Yuechan said to Ye Chen.

Chu Yuechan didn't know that there was such a pill, it was clear that it was impossible for a pill to provide that much improvement, if it existed it would have destroyed the balance of the world.

Leveling up to 1 more realm was impossible, there was definitely a price to be paid to increase in strength that much.

Ye Chen also thought the same thing, if there really was a pill like that, Ye Chen would definitely use it and immediately save Shui Yixian quickly.

"I will make sure" Ye Chen decided to confirm what happened, he confirmed what was happening right now.

Ye Chen looked at Ran Zitsu's body, when Ye Chen looked at Ran Zitsu's body, he found something very interesting.

"This?" Ye Chen discovered that inside Ran Zitsu's body there was an animal, it controlled Ran Zitsu's mind and strength.

The animal is probably like a parasite, it controls the body and gives power to Ran Zitsu.

Even so, Ye Chen saw that Ran Zitsu's inner body had become dry, which meant that this parasitic animal was using Ran Zitsu's body core to become stronger. I think you should take a look at

"it's getting bigger" Ye Chen could see that it was getting bigger, if left alone it would grow into a monster.

"something is wrong with this person" Ye Chen said to everyone.

"That's absolutely true, so please be careful when fighting him" Bai Yuli said to Ye Chen, she told Ye Chen to be careful when fighting Ran Zitsu.

"I will take care of it" first Ye Chen will paralyze Ran Zitsu.

"Nine Shadow Step" Ye Chen used Nine Shadow Step, he used Nine Shadow Step to sneak behind Ran Zitsu, Ye Chen immediately hit Ran Zitsu and intended to make Ran Zitsu faint.

Ye Chen's attack was successful, it should be able to stun Ran Zitsu.

Ran Zitsu was unconscious, but strangely his body could still move and provide resistance to Ye Chen.

Ye Chen stepped back when he saw this, it was clear that Ran Zitsu couldn't control himself, right now Ran Zitsu's body and mind were being controlled by a parasitic animal.

The parasite becomes bigger, it will come out soon after absorbing all the essence in the body of Ran Zitsu.

Bai Tung and Bai Junki intervened, they stopped Ran Zitsu from losing control,

Even Ran Qayun had to step in to stop Ran Zitsu.

They fought, strangely Ran Zitsu was able to match the strength of the three, it clearly made the three confused.

"What kind of pills did he eat?" Bai Junkin asked, they had to know what Ran Zitsu ate.

"It should be a pill that can increase strength by three to four levels, but it's strange why there are so many, it doesn't make sense" Ran Qayun said to Bai Junki and Bai Tung.

"Husband, what happened here?" Bai Yuli said to Ye Chen, she asked Ye Chen.

"It looks like he swallowed something similar to the parasite we fought before" said Ye Chen.

Ye Chen said that they were fighting the parasites they previously fought.

"Did he get it from that person" Bai Yuli said to Ye Chen.

Bai Yuli felt that Ran Zitsu got this from that mysterious person.

"that is a very big possibility" Ye Chen said to Bai Yuli.

"First we have to defeat that guy, father and the others are having trouble" Bai Yuli saw that her father and everyone were having trouble when they fought the strengthened Ran Zitsu.

Ran Zitsu became stronger and more terrifying.

He beat Bai Junki and Bai Tung, they were both badly beaten, even Ran Qayun was injured by Ran Zitsu.

Ye Chen and Bai Yuli decided to fight too, when the two of them fought, they immediately beat Ran Zitsu.

Bai Yuli kicked Ran Zitsu, she threw out a kick strong enough to crush Ran Zitsu's chest.

"uhhhhhhh . ." Ran Zitsu was knocked back by Bai Yuli's kick, he felt the pain of Bai Yuli's kick.

Ran Zitsu stepped forward and attacked Bai Yuli, she now didn't care about Bai Yuli anymore and attacked Bai Yuli.

A water monster appeared and immediately attacked Bai Yuli.

"Kyah. . ." Bai Yuli retreated, she was hit by a water attack from Ran Zitsu.

"Be careful" Ye Chen saved Bai Yuli, he wouldn't let Bai Yuli get hurt.

Ye Chen blocked the attack, with that Ye Chen managed to turn the situation around and attack Ran Zitsu.

"I will attack him" Bai Yuli said to Ye Chen she told Ye Chen that she will attack.

Chapter 2768 Ran Qayun Was Angry About Ran Zitsu's Death

Bai Yuli attacked Ran Zitsu using wind blades and directly aimed at Ran Zitsu's body.

"Aim for the chest, that's where the animal nests" Ye Chen said to Bai Yuli, he told Bai Yuli to target the part where Ran Zitsu's weak point was.

"I understand" Bai Yuli understood, she did what Ye Chen said.

When Bai Yuli finished doing what Ye Chen said, she immediately aimed for the chest.

"Slash . ." The wind slash directly hit Ran Zitsu's body.

It immediately toppled and fell to the ground.

"did it work" Bai Yuli seemed to have succeeded in defeating Ran Zitsu.

"wait, don't be too happy" Ye Chen said to Bai Yuli.

He told Bai Yuli not to be too happy too soon.

A few moments later, the parasite came out of Ran Zitsu's body.

It looks like an insect and gets bigger when it hits the air.

"that's so big" Bai Yuli said to Ye Chen, she told Ye Chen that it was big.

"back off" Ye Chen said to Bai Yuli, he told Bai Yuli to back off first, let Ye Chen take care of this.

"understood" Bai Yuli stepped back, Ye Chen went forward and fought the monster in front of him.

This is not an animal, its shape and power is that of a monster ready to attack anyone.

"I am not going to let you run away" Ye Chen created a barrier around, this was to prevent these creatures from becoming more numerous.

Ye Chen didn't know what this was, but it was clear that this was dangerous, fighting something dangerous had to be handled very carefully.

The monster saw Ye Chen, it immediately attacked Ye Chen using its hand like a sword.

Ye Chen's body disappeared when hit by the attack, it made the monsters unable to see Ye Chen.

"hey, I am here" Ye Chen was already on top of the monster's head.

Ye Chen threw a punch and hit the monster's head until it shattered.

"Good one hit" Bai Yuli saw Ye Chen defeat the monster with just one hit.

"Roar . ." The monster was angry with Ye Chen, it immediately released hundreds of thousands of small insects.

The insect is dangerous, it is able to destroy all objects using their teeth.

They are able to eat anything using their strong teeth and large numbers.

The insects circled around Ye Chen, they intended to attack Ye Chen.

"flame Sky wind Law"Ye Chen's used a blast of wind combined with fire, it spread and burned all the insects in just a matter of seconds.

The surrounding attacks disappeared and became ashes by the flame Sky wind Law.

"Roar . . ." The biggest insect monster was angry when it saw what Ye Chen was doing.

"Unreasonable monster, what exactly are you, is it made by someone" Ye Chen estimated that this was man-made, there was no record of the monster in front of Ye Chen, so Ye Chen couldn't identify it.

There must be research on this, that way Ye Chen can know what it is.

"time to kill him without destroying his body" said Ye Chen.

"how are you going to do that, look carefully, there is no core" Chu Yuechan said.

Chu Yuechan couldn't see the core, this monster would not be able to be killed by normal means.

Plus, this monster doesn't have a heart, this monster moves using profound energy that was sucked from Ran Zitsu.

"if can not killed, Just freeze it, what's the big deal?" said Ye Chen.

"That's right, you can do it" said Chu Yuechan.

"Frost Nova" Ye Chen froze the insect monster in front of him, using Frost Nova, he froze the monster. I think you should take a look at

Ye Chen's strength is so strong, of course he can freeze the monster.

"You won't destroy it" Bai Yuli asked Ye Chen.

"No, I need this for research" said Ye Chen, Ye Chen told her that he needed this.

Ye Chen wanted to show it to someone.

"hey. . wake up" Ran Qayun tried to wake up Ran Zitsu, too bad, it wouldn't work, the entire life essence of Ran Zitsu had been taken and had died when the monster came out, no one would be able to save him, even if it was Ye Chen.

"husband?" Bai Yuli said to Ye Chen.

"I can't do it anymore" Ye Chen said to Bai Yuli, he told Bai Yuli that he couldn't help anymore, it was too late.

Ran Qayun was of course devastated by this incident.

"This is all because of you, you attacked him too strongly," Ran Qayun said to Bai Yuli.

Ran Qayun blamed Bai Yuli, he blamed Bai Yuli for attacking Ran Zitsu quite hard.

"Stop blaming others, it has nothing to do with him" Ye Chen told Ran Qayun.

This has nothing to do with Bai Yuli, Bai Yuli is only doing her job to stop the rampaging Ran Zitsu, if left unchecked there will be many victims.

"It's still her fault." Ran Qayun didn't want to know, he thought it was Bai Yuli's fault.

That's why he intended to attack Bai Yuli.

"stop right there, I won't let you" Bai Tung wouldn't let Ran Qayun hurt Bai Yuli.

"Move, if you don't move, this will be a war between us" Ran Qayun gave a warning to Bai Tung.

"If war must happen, then I will not back down, I will protect it with all my heart," said Bai Tung.

Bai Tung will protect Bai Yuli, he will not let Bai Yuli get into trouble because she is the only daughter he has.

This place became more and more tense, those who saw this became afraid.

"You should stop and leave here, you should turn on your own son, where did he get something like that, if he didn't use that thing, the situation wouldn't have happened" Ye Chen intervened in the battle, he told Ran Qayun to leave here.

"This is not your business" Ran Qayun said to Ye Chen.

"Of course this is my business, that person has obtained this dangerous item, this is also my business," said Ye Chen.

This was also Ye Chen's business, Ye Chen couldn't possibly remain silent when someone had something as dangerous as this pill.

If more people used the pill, there would be chaos so terrifying, Ye Chen would not be able to imagine what would happen if that happened.

Ran Qayun didn't seem to listen to Ye Chen, he wanted to fight.

because Ran Qayun didn't want to listen to Ye Chen using his power to apply pressure.

"Go away, don't let me use harsh" said Ye Chen.

Ye Chen gave Ran Qayun an opportunity to leave, otherwise Ye Chen would use force to deal with Ran Qayun.

Ran Qayun experienced problems when being pressured by Ye Chen, he experienced quite serious problems.

"You all just watch out" Ran Qayun said to everyone in Bai clan, he will reply.

With that Ran Qayun left, this was not the end, he would take revenge for what happened today.

"Looks like he won't give up" Bai Yuli said to Ye Chen.

"He really won't give up, he will definitely plan something against you" Ye Chen said to Bai Yuli.

"I hope he doesn't do that," said Bai Yuli.

Bai Yuli didn't want to fight them, in the worst case, she didn't want to face them.

""If he dares, then we have to fight him" Ye Chen said to Bai Yuli.

Chapter 2769 Visiting And Teasing Chen Xing

"If that happens, we will have no choice but to fight them," said Ye Chen.

If that situation really happens, there's nothing you can do except fight.

"You solve the problems in this place, I will go to meet someone, I will take this monster with me" Ye Chen said to Bai Yuli.

"I understand, where are you going ?" she asked Ye Chen.

"I'm going to a fairly far place, I'll be back quickly" Ye Chen said to Bai Yuli.

"understand" Bai Yuli didn't ask Ye Chen much.

Ye Chen just left, he went to Chen Xing's place.

Chen Xing might know what happened, that's why Ye Chen intended to go and ask Chen Xing directly.

"Are you sure you want to meet her, isn't your relationship not very good" Chu Yuechan asked Ye Chen.

"what are you saying, my relationship is quite close, have you forgotten ?" Ye Chen said to Chu Yuechan.

"That's according to you, according to her you are an opponent" Chu Yuechan said to Ye Chen.

Chu Yuechan was sure that Chen Xing would not let go of Ye Chen, especially after the incident at that time, she would not easily let go of Ye Chen.

"Don't worry, I'm not like before, I can definitely handle it easily" Ye Chen said to Chu Yuechan.

Ye Chen is starting to be confident in his current abilities, he is quite confident in his abilities which have been improved over 2 years of practice.

"It's decided, we will go to Chen Xing's palace" Ye Chen went to Chen Xing's palace.

Chu Yuechan was the person who guided Ye Chen to Chen Xing's place.

In just a matter of hours, Ye Chen arrived at Chen Xing's place.

A star that was so big and vast, that woman lived in a place like this.

"wow, that woman's care is so great" Chu Yuechan said to Ye Chen.

"Just a few barriers, it's not difficult to penetrate them" Ye Chen said otherwise it would be difficult to penetrate these barriers.

"You won't knock on the door" Chu Yuechan asked Ye Chen.

"hahahaha, no way, just come in" Ye Chen said to Chu Yuechan.

Ye Chen just walked in, he moved and went inside without anyone realizing.

Ye Chen had entered, he entered so easily and without any problem.

Ye Chen is in stealth mode, no one will be able to discover Ye Chen's whereabouts.

"Okay, let's look for that woman" Ye Chen decided to look for Chen Xing's whereabouts.

Using a little spirit sense, he discovered Chen Xing's whereabouts.

"so she's there" Ye Chen found her, he found Chen Xing who was in a room.

Ye Chen went straight there, he infiltrated there and passed several of the guards there.

Chen Xing didn't have many guards, there were only a few people guarding the area.

Even though there weren't that many, they were still quite strong and well trained, they were the chosen people who were very strong.

So they would immediately destroy any threat that tried to disturb Chen Xing's peace.

"They were trained very well, what a shame, they won't find me" Ye Chen couldn't be found, it was impossible to find Ye Chen's whereabouts.

Ye Chen slipped inside, he went straight to Chen Xing's private room.

This was such a private place, no one could enter without Chen Xing's permission, if anyone dared, then they would definitely earn Chen Xing's wrath.

Ye Chen didn't really care about that, he just walked in and headed straight to Chen Xing's place.

Ye Chen came in and saw what Chen Xing was doing.

"Hmmm, this is quite sweet, I didn't expect that cake dishes would be so delicious, the chef is really the best" Chen Xing is now eating sweet cakes, she is enjoying her time and enjoying the sweet cakes made by her chef.

Chen Xing's reaction was like a young woman enjoying her life, this was completely different from Ye Chen's first impression. I think you should take a look at

"So she has a side like this" Ye Chen didn't really think that Chen Xing had a side like this.

"I will document it" Ye Chen will record this for collection, he likes to see the reaction of the goddess Chen Xing.

Chen Xing was not aware of Ye Chen's arrival, it showed that Ye Chen was so great and skilled.

After Chen Xing finished enjoying the food, Ye Chen finally said hello.

"It looks like you are enjoying your time like a young lady" Ye Chen said to Chen Xing.

"ehhhhh? ? ?" Chen Xing was of course surprised by what happened, she was surprised when she saw Ye Chen around.

Chen Xing will not forget Ye Chen, there is no way she will forget Ye Chen who has left an impression on Chen Xing.

"What, why are you in this place" Chen Xing asked Ye Chen, how could Ye Chen be in this place.

"I came to visit you, you should be happy" Ye Chen said to Chen Xing.

"Since when were you there" Chen Xing asked Ye Chen, since when was Ye Chen there.

"Since earlier, I even saw you enjoying the cake quite well" Ye Chen said to Chen Xing.

Ye Chen smiled at Chen Xing, he saw the embarrassing side of Chen Xing.

Chen Xing's face turned red, she had shown such a shameful side.

"ahhh, so stupid, why did I show such a shameful side" Chen Xing said to herself.

Chen Xing was so embarrassed, she had shown such a shameful side to Ye Chen.

"This man, why does he always do that, how much will he steal the things I have?" Chen Xing said to herself.

Chen Xing showed such a terrifying aura, she showed strong intimidation towards Ye Chen.

"Hey don't be angry like that, you look so good with that side, I like seeing it" Ye Chen said to Chen Xing.

"You are annoying, I will take care of you" Chen Xing said.

Bai Yuli said that she would take care of Ye Chen.

"remember last time when you said that" Ye Chen said to Chen Xing.

Ye Chen made Chen Xing remember what had happened.

Chen Xing was silent as she listened to this, she naturally still remembered what happened.

It was really embarrassing, Chen Xing still remembered it clearly.

"Beast, you obscene man" Chen Xing said to Ye Chen.

Chen Xing said to Ye Chen, she shouted at Ye Chen as a pervert.

"hahahaha, so cute, you are so cute" Ye Chen said to Chen Xing.

Chen Xing gave up her intention to fight Ye Chen, this little boy definitely had a trick.

Chen Xing will not be trapped a second time.

So she calmed down and tried not to do anything that could harm her.

"So what's your purpose here? You didn't come here just to peek, right?" Chen Xing said to Ye Chen.

"I just want to meet my beautiful woman" Ye Chen said to Chen Xing.

"Who is your woman?" Chen Xing immediately denied it.

"oh, you still haven't accepted it" Ye Chen said to Chen Xing.

"No, I will never accept that" Chen Xing said to Ye Chen.

"So stubborn, after everything that happened" Ye Chen said to Chen Xing.

"Stop, don't make me remember that again," Chen Xing said.

Chapter 2770 Ye Chen Forced Chen Xing To Help

Chen Xing told Ye Chen to stop, she had tried hard enough to forget what happened, so she didn't want to remember anymore.

Chen Xing was embarrassed and felt a little flushed when she remembered what happened, especially after all she was a pure girl.

Ye Chen smiled, he really enjoyed this.

"So what is your purpose here, if you are not serious, I will expel you from my place" said Chen Xing.

Chen Xing asked Ye Chen's purpose, if Ye Chen continued to tease her, she would kick Ye Chen from her place.

"Oh yeah, I almost forgot about that problem, you made me forget, beautiful women are scary," said Ye Chen to Chen Xing.

"Stop messing around" Chen Xing said.

Chen Xing felt uncomfortable with Ye Chen's words, she tried to silence Ye Chen so she wouldn't say much.

"hehehehe" Ye Chen chuckled, it seemed like Chen Xing was starting to be interested in Ye Chen.

"I wonder if you know this" Ye Chen said to Chen Xing.

Ye Chen took out the insects he had frozen, he told Chen Xing to take a look.

"ahhhh, why did you bring those ugly bugs into your room, get rid of them quickly" said Chen Xing.

Chen Xing didn't really like bugs, so she told Ye Chen to throw those things away quickly.

"Don't say that you are afraid of insects, it's very funny" Ye Chen said to Chen Xing.

"Stop making fun of me" said Chen Xing, to Ye Chen.

"Why did you bring that ugly thing here anyway?" Chen Xing said to Ye Chen.

"do you know about this" Ye Chen asked Chen Xing.

He told Chen Xing to tell Ye Chen what this was.

"Hmmm. . ." Chen Xing saw what Ye Chen took out, to be honest she didn't know what it was.

"don't know, I don't know what it is at all, what is the monster you brought, a new type" Chen Xing said to Ye Chen.

"Haven't you lived for so long, you don't know this" Ye Chen said to Chen Xing.

"Sorry, if I don't know about that" Chen Xing said to Ye Chen.

Chen Xing has indeed lived for a long time, it's a pity that she doesn't know everything in this world.

"This monster is a little strange and doesn't make sense, you have to help me find out what this is" Ye Chen said to Chen Xing.

"Why does it have to be me, aren't there a lot of people" Chen Xing said to Ye Chen.

"That's because I feel that you are the most suitable" said Ye Chen to Chen Xing.

Ye Chen felt that Chen Xing was more suitable than everyone else.

"Geez, you give me a headache" Chen Xing said to Ye Chen.

Chen Xing felt a headache when she heard this, Ye Chen gave her another excruciating headache.

"Hehehehe, come quickly and help me, didn't you say you would help me" Ye Chen asked Chen Xing.

"Okay, I will help you" Chen Xing agreed to help Ye Chen solve the problem that occurred.

"but I will take care of this ugly monster" Chen Xing said to Ye Chen.

"Why did you do that" Ye Chen asked Chen Xing.

"I don't like insects," said Chen Xing.

"So that's how it is, it seems I saw your weakness" Ye Chen said to Chen Xing.

"I won't forgive you if you bring something like that up again" Chen Xing said.

"Okay, I understand" Ye Chen understood, he wouldn't bring up anything strange anymore.

"If it's sweet, it's fine," Ye Chen said to Chen Xing.

"Whatever" Chen Xing answered with a red face.

"Come on, come with me" Chen Xing told Ye Chen to come with her. I think you should take a look at

Ye Chen followed Chen Xing, the two of them walked together.

"where are you taking me" Ye Chen said to Chen Xing.

"to a place" Chen Xing said.

"Don't say you are planning bad things?" Ye Chen said to Chen Xing.

"No way, don't think negatively about me" Chen Xing said to Ye Chen.

Chen Xing was angry when Ye Chen thought negatively about her.

"hahaha, sorry, sorry" said Ye Chen.

Ye Chen apologized to Chen Xing.

Chen Xing took Ye Chen to the library, this is the place where Chen Xing stores all the important information in this world.

"The monster you brought earlier was probably one of the cursed or forbidden monsters" Chen Xing said to Ye Chen.

"You mean" Ye Chen asked Chen Xing.

"That means their existence has been erased, they were sealed and tried to be erased from the history of this world because they were too dangerous," said Chen Xing.

"So there are people who want to awaken something dangerous into this world."

"Maybe it has already started, if the monster has awakened, that means it will start soon" said Chen Xing.

Chen Xing took Ye Chen to a special room, this was a special room that only she knew.

"These are some things I got, you can look for them yourself here" Chen Xing said.

Chen Xing told Ye Chen to look for the monster among the thousands of books in this place.

Ye Chen saw that this might be a bit troublesome.

"Good luck" Chen Xing said to Ye Chen, she seemed to be leaving this place.

"Wait, where are you going?!" Ye Chen stopped Chen Xing, he touched Chen Xing's hand and didn't let her leave this place.

"Let me go, I'll go to my room" Chen Xing said to Ye Chen.

"I won't allow that, you have to help me" Ye Chen said to Chen Xing, he needed help from Chen Xing.

"I don't want to help you, let me go quickly" Chen Xing said to Ye Chen, she told Ye Chen to let her go.

"You won't be able to run away from me" Ye Chen told her that Chen Xing wouldn't be able to run away from him.

"Okay, I'll help you" Chen Xing didn't have a choice, she wouldn't be able to run from Ye Chen.

"such a good decision" Ye Chen was happy to hear this from Chen Xing.

Chen Xing's face turned red and she felt very embarrassed, for some reason she became like this when she was touched by Ye Chen.

"Why do I panic and my heart beats fast when he touches it?" Chen Xing felt strange when she was touched by Ye Chen, it was an unreasonable feeling for Chen Xing.

Chen Xing tried to hide this feeling, she didn't want Ye Chen to discover this feeling of her.

With that, Ye Chen and Chen Xing started to work together, both of them started to work together to find the insect.

With Chen Xing's help, Ye Chen could check more quickly, he checked all the places very quickly together with Chen Xing.

"I found what you were looking for" Chen Xing finally found it, she found what searching by Ye Chen.

"That's great, so you found it" Ye Chen was happy when he saw Chen Xing found what he had searching.

"so I can go now ?" Chen Xing said to Ye Chen.

"Why are you in such a rush, you can start explaining it to me" Ye Chen said to Chen Xing.

"Why should I explain this to you " Chen Xing said.

"You are more experienced than me, so explain to me" Ye Chen wanted an explanation from Chen Xing, he wanted Chen Xing to stay longer.

"oh my" Chen Xing was completely rendered helpless, this was the first time she had gotten so angry in one day.
