

True God 2771

Chapter 2771 You Shouldn't Do That, It's A Dangerous

"Never mind, just give up and explain, you must be alive and know the problem" said Ye Chen.

Chen Xing knew more than Ye Chen, she must have known the true incident compared to Ye Chen.

"Oh my, it's you, I'll do it" Chen Xing didn't have a choice, she saw what was here.

"The name of the insect is life-sucking insect, it is an insect that can develop in the bodies of humans and monsters, the stronger the body of the person it enters, the stronger it will become."

"Apart from that, this insect will give strength to the person it enters, the person's strength will become strong and extraordinary, it's a shame that a person's consciousness will immediately disappear when the insect develops."

"Just get to the core, how to destroy that" Ye Chen asked Chen Xing.

Ye Chen already knew and saw the abilities of the insect, so Ye Chen didn't really need an explanation about it.

"You are very impatient" Chen Xing said to Ye Chen.

Chen Xing was annoyed because Ye Chen was impatient, it made her a little annoyed.

"The insect is weak against lightning and light, these two elements can destroy those in the human body," said Chen Xing.

"So that's how it is, I have the power of lightning, so I can deal with those insects.

"But it should be noted that this method is dangerous because the person's body can also die if you are not careful," said Chen Xing.

"Troublesome" Ye Chen felt troubled when he listened to what Chen Xing said next.

"It's not easy to deal with these insects, in the past there was even a large scale massacre to stop the insects from multiplying," said Chen Xing.

"This might be bad" After reading this, Chen Xing was sure that there would be another sea of blood in the Supreme God Realm.

If these insects are left alone, something bad will happen, they can reproduce very quickly, so this is of course a very bad thing.

At first Chen Xing felt that this problem would be a simple problem, but after reading this, he reduced it, this would be a pretty big problem for everyone.

In fact, he might even get into trouble from this.

"Do you know who the person who did this" Chen Xing asked Ye Chen.

"Honestly, I don't know about this, the person who got the insect is also dead" Ye Chen said that he didn't know about this, no one else could trace where it came from.

Maybe Chen Xing should find out about this matter too.

"But some time before I met a mysterious person," said Ye Chen to Chen Xing.

"who is it, can you tell me that" Chen Xing asked Ye Chen.

Ye Chen told Chen Xing, he told all the events that Ye Chen experienced.

"That person must be the mastermind behind this matter, why don't you arrest him" Chen Xing asked.

"If it was easy, I would have caught that person" Ye Chen said to Chen Xing.

If it was that easy to do, Ye Chen would have caught the person quite easily.

"You are absolutely right, if it was that easy, you should have caught it" Chen Xing agreed with what Ye Chen said.

"If he can control other people's bodies, then he can be everywhere" Chen Xing said.

"It would be troublesome to search throughout God Realm" Chen Xing said.

"You don't need to worry, he is targeting me" Ye Chen said to Chen Xing.

"Aiming at you, what is he aim you" Chen Xing immediately asked Ye Chen.

"He said that I have a very strong body and want to use it as a vessel to awaken something," said Ye Chen.

"What does he want to resurrect, an ancient monster, a terrifying weapon" Chen Xing said.

"I don't know that, the purpose is still unclear, why don't we find out about it here" said Ye Chen.

They could probably predict what would happen. I think you should take a look at

"That's smart too, let's find out about that problem" Chen Xing agreed with what Ye Chen said, they could find out about this right here right now.

With that they went back to looking for creatures that needed a strong body as a container.

After searching long enough and full of struggle, there are some powerful creatures that might be made.

"There are two candidates here Number One King Goblin and Great Wizard Darkness, which of these two might be the mysterious person's goal" said Ye Chen.

"The soul of the Great Wizard Darkness is guarded by the Guardian league of light" Chen Xing said to Ye Chen.

"What's that ?" Ye Chen asked Chen Xing, he asked Chen Xing to explain about the matter.

"A powerful organization tasked with dealing with the problems of the forces of darkness, so there shouldn't be any problems about it" Chen Xing said to Ye Chen.

"So there shouldn't be any problems right" said Ye Chen.

"There shouldn't be any problems with that" Chen Xing said to Ye Chen.

"The problem is Number One King Goblin, I don't know where it is, its location has never been mentioned and has been erased in history, finding it is also impossible."

"So that might be the Number One King Goblin" Ye Chen understood, it seemed like he was going to fight the person who wanted to resurrect the Number One King Goblin.

"Number One King Goblin is quite strong, in the past it was able to destroy 1/4 of the Supreme God Realm" said Chen Xing.

"1/4 ?, isn't that big" Ye Chen said to Chen Xing.

"Of course it's quite big" Chen Xing wouldn't argue with that, to be honest it was indeed quite big and unreasonable.

"Luckily at that time the container of the Number One King Goblin was not too strong and was destroyed in the middle of the process, otherwise it might have been able to control 1/2 of the land," said Chen Xing.

"That person isn't playing around, he wants to control the land" said Ye Chen.

"As long as it doesn't have a container, it should be fine" Chen Xing said to Ye Chen.

"So he will target me" said Ye Chen.

"Could it be that I'm just bait?" said Ye Chen.

"Don't do stupid things like that" Chen Xing said to Ye Chen, he told Ye Chen not to do stupid things.

Chen Xing seemed worried about Ye Chen, if Ye Chen did that, then Ye Chen might not come back.

"Don't worry, I'll be fine" Ye Chen said to Chen Xing, he told her that he would be fine.

"Still, it's very risky, don't do something like that," said Chen Xing.

Chen Xing said seriously, she told Ye Chen not to do anything dangerous.

"understand" Ye Chen understood, he wouldn't do that.

Chen Xing looked quite serious, it seemed like she didn't want Ye Chen to be in danger.

"Let's think of another way" Chen Xing said to Ye Chen.

Chen Xing will think of another way, she will join together with Ye Chen to solve this problem.

"I think the three of us can handle this," said Chen Xing.

"three?" Ye Chen asked Chen Xing.

"don't you have Zhang Ein" Chen Xing said.

"Oh yeah, I forgot, I haven't seen her for a long time, is she okay or not" Ye Chen said to Chen Xing.

"You just call her, she will definitely come," said Chen Xing.

"Even though this is your place full of guards" said Ye Chen.

Chapter 2772 Ran Qayun Begins A Plan For Revenge

"If it was her, I don't think it would be difficult to enter this place" Chen Xing said.

Zhang Ein is something, she has the strength to be able to enter all places without any problems.

"Then I will call her" Ye Chen will call Zhang Ein.

"Ein" Ye Chen said and called Zhang Ein.

"Hey, she's not coming," said Ye Chen, Ye Chen saw that Zhang Ein didn't come.

"Very strange" Chen Xing said to Ye Chen, she didn't expect that Zhang Ein wouldn't come when Ye Chen called her.

"Sorry, I'm late" Zhang Ein appeared, she was later than usual.

"Oh, here it is" Ye Chen said to Zhang Ein.

"It's been a long time" Ye Chen said to Zhang Ein.

"master, how are you, is your adventure going smoothly" said Zhang Ein.

"Very smoothly" Ye Chen said that his adventure was very smooth.

"I like hearing that, so why did you call me" Zhang Ein asked Ye Chen, she wanted to know the reason Ye Chen called her.

"I told him to call you," Chen Xing said to Zhang Ein.

"Why did you order him" said Zhang Ein.

"Of course ask for help" Chen Xing said to Zhang Ein.

"what kind of help" Zhang Ein said to Chen Xing.

Chen Xing began to explain to Zhang Ein, she asked Zhang Ein to join in the difficult battle.

"So that's how it is, there are people targeting Master's body, I won't allow that," Zhang Ein said to Chen Xing.

"Very good, we will work together" Chen Xing said.

"no problem, I can do that" Zhang Ein will work together with Chen Xing.

Chen Xing was quite smart, she became Ye Chen as an excuse, that way Zhang Ein wouldn't refuse her request.

"Then I will take care of people to track that person down," Chen Xing said.

Chen Xing will order her people to track down the whereabouts of the mysterious person Ye Chen met.

"Then I'll go back" Ye Chen said to Chen Xing and Zhang Ein, he had gotten what he was looking for.

"You have to stay alert to what's happening" Chen Xing n said to Ye Chen.

"I understand" Ye Chen understands, he will remain alert to his surroundings.

"Okay" Chen Xing and Zhang Ein understood and believed Ye Chen.

Ye Chen left, he returned to Bai Yuli's place.

"is it possible that the person behind all this has a powerful background" Zhang Ein asked Chen Xing.

"don't know, I haven't found out about this matter yet" Chen Xing said.

Chen Xing couldn't yet conclude who was behind everything, she needed time to conclude.

"I hope you find it quickly, I will try to look for it too" said Zhang Ein.

"I will do it" Chen Xing agreed with Zhang Ein's request.

If this matter was trivial, Chen Xing might not want to be seen, but after knowing the extent of the problem, Chen

After reaching an agreement, the two of them went and carried out their duties.

.

.

Now in residence from Ran Qayun.

Ran Qayun is mourning what happened.

He had just lost the thing that was so precious to him, namely Ran Zitsu.

"master chief" several people saw Ran Qayun's sadness.

"All of you, prepare yourselves, we will definitely retaliate against this, let's destroy the business and power of the Bai Clan from the roots" said Ran Qayun.

Ran Qayun will take revenge, he will take revenge on Bai Yuli.

"understand" they will all do it, they will destroy the existing business of the Bai Clan.

They started to move, the Bai Clan's business was a school business and also property, with the wealth owned by Ran Qayun. I think you should take a look at

she could easily create chaos and create bad rumors about the Bai Clan.

"This is really bad, what actually happened early here?" Bai Tung saw that so many students studying had suddenly left, and some of their property had also been burned, this was definitely someone's doing.

"Father, Ran Qayun must have started their action" Bai Yuli said that Ran Qayun is the mastermind behind all this.

"This is difficult, he is so rich from owning the mine, if we fight him, then we won't stand a chance".

Ran Qayun has money namely profound crystals, oppose they are such difficult things to do.

"But if we just keep quiet" said Bai Yuli.

Bai Yuli didn't want to stand by and watch what happened.

"There's nothing we can do, we can only survive," said Bai Tung.

"head clan, elder Bai is coming" the servant said to Bai Tung.

"Invite him to come in" Bai Tung invited Bai Junki to enter.

"I came to resign" Some time later Bai Junki came, he told Bai Tung that he wanted to resign.

"Why suddenly?" Bai Tung asked Bai Junki.

"I won't be able to solve this problem, so find someone else to solve this problem," said Bai Junki.

"You, after all the chaos you caused" Bai Yuli said.

Bai Yuli scolded Bai Junki, all this chaos was Bai Junki's doing.

"Don't blame me, this is your fault, I have nothing to do with this" Bai Junki said to Bai Yuli.

Here it is clear that Bia Junki wants to escape from his responsibilities.

"Then I will go" Bai Junki didn't say much and argued with Bai Yuli.

He left this place and left no more words to Bai Tung and Bai Junki.

"he is gone, who will fill his place" said Bai Tung.

"Father, I will do it" Bai Yuli said that she would replace Bai Junki.

"Are you sure you can do it" Bai Tung said to Bai Yuli.

"Even though I'm still young, I can do that" Bai Yuli was confident.

"If that's what you want, I will support it," said Bai Tung.

"Thank you very much" With that, Bai Yuli will take steps to solve the problems that occur.

"I have to find a way to solve this problem" Bai Yuli has to find a way to solve the problem that is currently happening.

If she didn't find a way soon, this family would be destroyed sooner or later at the hands of Ran Qayun.

"I'm back, what are you thinking about" Ye Chen said to Bai Yuli.

"husband" Bai Yuli' saw Ye Chen who had returned.

"I'm thinking about what happened," said Bai Yuli.

"You have a problem, come quickly and tell me" Ye Chen said to Bai Yuli.

"This is about Ran Qayun, it looks like he is trying to get revenge" Bai Yuli told Ye Chen.

"So that person has started moving quite fast" said Ye Chen.

"That was indeed very fast," said Bai Yuli.

"then let's fight them" Ye Chen said to Bai Yuli.

"How do you fight them" Bai Yuli asked Ye Chen, she wanted to know Ye Chen's way to fight them.

"very easy" Ye Chen said to Bai Yuli.

"First we look for people who are provoking and start repairs and make the property better, we will catch those who are causing problems" said Ye Chen.

Ye Chen told Bai Yuli about his plan.

"Will it be that easy" said Bai Yuli.

Bai Yuli wasn't sure that it would be easy.

"That's easy, I have quite a lot of designs that people will like, want to take a look" Ye Chen said to Bai Yuli.

"Of course, I want to see it" Bai Yuli said to Ye Chen, she told Ye Chen that she wanted to see it.

Chapter 2773 Destroying Ran Qayun's Source Of Income (1)

Bai Yuli started to see the design that Ye Chen had, when she saw it, she was surprised to see Ye Chen had something like this.

"so beautiful, how do you have something like this" Bai Yuli asked Ye Chen, she wanted to know how Ye Chen got something like this.

"Alright, don't ask too much" Ye Chen said to Bai Yuli.

"Stingy" Bai Yuli said to Ye Chen, Bai Yuli said that Ye Chen was quite stingy.

Ye Chen just smiled when he listened to what Bai Yuli said.

"start the plan" Ye Chen said to Bai Yuli.

"of course, let's start" Bai Yuli understood, she invited Ye Chen to start the plan.

"Good, let's get started" With that the two of them started working and rebuilding everything.

They are Remodel education system and so on, Ye Chen made the education system more modern and many people were finally interested.

Apart from that, Ye Chen and Bai Yuli beautified properties such as houses and various things to resell at higher prices.

Ye Chen told Clone to arrest everyone who tried to destroy the Bai family's property, even though he had done so, in reality, people sent by Ran Qayun still came.

"That person didn't want to give up, he sent even more people to deal with us" Bai Yuli said to Ye Chen.

"He has quite a lot of money, he can do that so easily" said Ye Chen.

Ran Qayun had so much money, so he would keep sending more money.

"If only that person didn't have a mine," said Bai Yuli.

If only Ran Qayun did not have a profound crystal mine, none of this would have happened.

"that's it, you are really smart" Ye Chen said to Bai Yuli.

"huh?" Bai Yuli didn't understand, she didn't understand what Ye Chen had just done and said.

"how about we remove all the income from that person" Ye Chen said to Bai Yuli.

"How to do that, it is impossible to happen," said Bai Yuli.

"Do you doubt my abilities?" Ye Chen asked Bai Yuli.

"I can't possibly doubt your abilities, I always believe in your abilities," said Bai Yuli.

"Very good, then let's start" Ye Chen said to Bai Yuli.

"Come with me, tell me where the mines of Ran Qayun are".

"You can come with me" Bai Yuli said to Ye Chen, she told Ye Chen to come along, she would show it to Ye Chen.

"but the care there is so strict, it won't be easy to get in there" said Bai Yuli.

"we don't need to go in" Ye Chen told Bai Yuli that they don't need to go in.

"Husband, what are you trying to plan?" Bai Yuli didn't understand, she didn't understand Ye Chen's plans.

"You will definitely understand soon" Ye Chen told Bai Yuli, Bai Yuli would definitely immediately understand what he was planning.

The two of them finally arrived at a privately owned mine

"So this is Ran Qayun's private mine, quite large" said Ye Chen.

"This is indeed big," said Bai Yuli.

Bai Yuli had to admit that this was so big and so vast, it wasn't strange that Ran Qayun would be so rich.

"Okay let's start" Ye Chen said to Bai Yuli, Ye Chen will start soon.

Ye Chen placed both hands on the ground.

"What do you want to do ?" Bai Yuli said to Ye Chen.

"Move the entire mine to another place" Ye Chen said to Bai Yuli.

"Is that possible, this place is so wide" Bai Yuli said to Ye Chen.

"of course, it's possible to do" they will go crazy because of this" Ye Chen said to Ran Qayun.

Ye Chen would move this entire place, he would use his power to do it.

A shock occurred when Ye Chen did that, Bai Yuli was surprised by this.

"Can he really do it" Bai Yuli wanted to know if Ye Chen could do it.

After some time, the shaking stopped, and Ye Chen had finished moving all the contents to another place.

"Okay, finished, we can leave this place" Ye Chen said to Bai Yuli.

"That's all" Bai Yuli said to Ye Chen.

"That's all, you will see how that person will get angry" Ye Chen said to Bai Yuli.

what is certain is that Ran Qayun will be very angry about this, he will definitely be angry when he finds out that the contents of his mine have been lost.

After completing the task, Ye Chen and Bai Yuli returned, they would wait for the commotion to occur.

.

.

"hey, where are the profound crystals, why are there no more profound crystals in this place" there was quite a commotion going on because of this matter.

"report this to Ran Qayun, we are in trouble" said the worker.

They reported what happened to Ran Qayun.

"What did you say, why did that happen, there should still be enough profound crystal reserves in that place for the next few thousand years" said Ran Qayun.

"That's true, it's a shame we don't know what happened" they don't know what happened.

"useless" Ran Qayun got angry and strangled them.

They didn't seem brave enough to fight Ran Qayun who was angry.

"I will not forgive the person who did this" Ran Qayun will not forgive the person who did this.

Ran Qayun could easily guess who was behind all this, Bai Yuli must be the person behind all this.

"Attack the Bai Clan even more fiercely" Ran Qayun gave an order, he ordered to attack the Bai Clan even more fiercely than before.

"We understand" they all immediately carried out the orders given by Ran Qayun.

They launched an even more violent attack.

Bai Yuli of course received this report, he told all Clan members to be more alert.

"Husband, that person is even more vicious," said Bai Yuli.

"So he became even more vicious, even though we had given him a warning," said Ye Chen.

"if this is the story, I won't hold back anymore, let's make that person fall into poverty" Ye Chen said that he would make Ran Qayun fall.

"I'll go, time to do some good" Ye Chen spoke to Bai Yuli.

Ye Chen disappeared, he just went straight to Ran Qayun's place.

It's time to take everything Ran Qayun has and share it with everyone.

"about where he keeps all the profound crystals" Ye Chen sneaked in and looked for Ran Qayun's warehouse.

"That person must have hidden it, he wouldn't be that stupid" Chu Yuechan said.

"trying to hide it from me, it's useless, I can find out myself" said Ye Chen.

Ye Chen would find out himself, he would seek information from every important person who knew where Ran Qayun hid all the profound crystals.

Ye Chen paralyzed a man and immediately found out what was inside that person's mind.

And Ye Chen immediately knew where Ran Qayun hid his profound crystal.

"Hahahaha, that person was so scared that he hid his crystal in the forest" said Ye Chen.

"I've found it, let's go there" Ye Chen said to Chu Yuechan.

Ye Chen had already found the place, he could go there directly.

Ye Chen went to a forest that was so quiet and quiet, he saw the existence of the hiding place of the profound crystal warehouse.

"So that's the place" Ye Chen had found it, he found the location from the warehouse.

Chapter 2774 Destroying Ran Qayun's Source Of Income (2)

"Let's go in" Ye Chen said to Chu Yuechan, he invited Chu Yuechan to go in there.

Ye Chen went inside, he went inside using Invisible Body Art.

By using the Invisible Body Art Ye Chen could easily get inside, there was no problem when Ye Chen went inside.

Ye Chen was currently invisible, so there was no chance for the guards to see Ye Chen.

With just a few short movements, Ye Chen had arrived inside, he arrived at the storage owned by Ran Qayun.

"who would have thought that he would hide this much" said Ye Chen.

Ye Chen saw a huge pile of profound crystals, this amount was enough to support quite a lot of people.

"Now what are you going to do?" Chu Yuechan asked Ye Chen.

"we will take it and give it to the people around, I see that they are quite lacking" said Ye Chen.

"aren't you too kind" Chu Yuechan said to Ye Chen.

"No problem, I still have enough for myself and the others" Ye Chen said to Chu Yuechan.

"time to move this thing" Ye Chen moved everything, he emptied all the treasures owned by Ran Qayun.

"We give him a small note" Ye Chen said to Chu Yuechan.

Ye Chen would give Ran Qayun a small note.

After that Ye Chen immediately went and took care of everything, he came out and distributed all of this to everyone who needed it.

Ran Qayun will definitely be angry and vomit blood when he finds out what happened, the man's reaction will definitely be funny when he finds out what is happening now.

Ye Chen distributed it to everyone who needed it, it took time for Ye Chen to do that.

Meanwhile, Ran Qayun was still focused on destroying the Bai Clan, he didn't know that the assets he owned had been confiscated by Ye Chen.

"how did it go" Ran Qayun asked, he wanted to know the result.

"Everything went very well" they reported that everything was according to Ran Qayun's plan.

"Very good, you guys worked very well" Ran Qayun was very happy with the report they provided.

"So what about the treasures we have, have they all been hidden?" Ran Qayun asked.

It has been brought to our hideout, it should be fine" he said to Ran Qayun.

"Other than you, no one is allowed to enter" he said to Ran Qayun.

"Very good, let me see it" said Ran Qayun.

Ran Qayun wanted to see it, he was sure that this time Bai Yuli would not be able to mess with the treasure he had.

Ran Qayun was too confident, he still didn't realize that everything he owned had been lost in such a short time.

After several hours of walking around, Ye Chen finished share everything he brought.

"Done" Ye Chen felt happy, he was finally able to return.

"That person will definitely be very angry with you" Chu Yuechan said to Ye Chen.

"Just let him get angry, I won't care about that" Ye Chen said to Chu Yuechan, to be honest he wouldn't care about that problem.

"I'm going back, time to rest and see the mess I made" Ye Chen returned to the Bai residence. I think you should take a look at

Ran Qayun now went to the hiding place, he could see that there were so many guards on each side, it was almost impossible to enter this place without being discovered.

"Incredible, the care in this place is so good, there will be no opportunity for them to enter and loot" said Ran Qayun.

Ran Qayun praised the guards here, there was no chance for anyone from the Bai Clan to enter or discover this place.

"We have calculated everything well and neatly, there is no chance of them entering this place," he said to Ran Qayun.

"Good job, then I want to see the treasures I have" Ran Qayun said that he wanted to see the treasures he had.

"Please pass here" he said to Ran Qayun, he will show every side to Ran Qayun.

Ran Qayun was guided and explained every place, this is a place full of guards and no one can easily enter because there are no gaps in this place.

Ran Qayun nodded, he believed what the person beside him said, no one would be able to steal in this place without being caught.

"Let's go inside, there is better security inside." Ran Qayun was invited to go inside to see the contents of the storage room, this is where Ran Qayun keeps all his family things.

Ran Qayun had gone to great lengths to move all his assets to this place, he didn't want anything bad to happen to him again, and after seeing the security here, he was sure that this place was safe and would not be penetrated by anyone.

"Look carefully" the door opened, he told Ran Qayun to look.

Ran Qayun looked inside, when he looked inside, he didn't find anything, just an empty room with nothing.

Ran Qayun's mind became confused when he didn't see his possessions, clear feelings of anger and despair rained down on Ran Qayun's mind and body.

"huh?" The person in front was shocked when he saw that the room was empty, even though it was clear that inside this place there were quite a lot of profound crystals, but they were all gone, roughly where it was now.

Ran Qayun held her chest, it was clear that she was shocked when she saw what happened, she would not be able to accept it so easily.

"What does this mean?" he grabbed the collar of the man in front of him, he was clearly angry with what happened, being angry with what happened was quite natural.

"I don't know either." He said that he didn't know about this either, this was strange and didn't make sense.

"Impossible, you must be lying to me, tell me where you hid my property, otherwise I will make you regret it" Ran Qayun said to the person in front of him.

"Sir, I really don't know about this, I'm not hiding it" he said that he didn't know about this.

"Bastard" Ran Qayun slapped the person in front of him, he was too angry and couldn't control himself to kill the person.

Ran Qayun was too irritated, he could destroy everything in front of him easily.

Ran Qayun went inside and found out for himself what was inside.

When he went inside and found out what happened, he found a small note left by.

"Hey, ugly old man, I took everything you had and distributed it to everyone, you should thank me" the writing that Ye Chen left to Ran Qayun.

"Damn it. . ." Ran Qayun became even more angry when he read the contents of the note left by Ye Chen.

"He wouldn't be able to forgive Ye Chen who had taken everything.

"I'm so angry, I won't let that person go," said Ran Qayun.

Ran Qayun didn't know who did this, but he was so angry he could destroy everything.

"This must be the work of the Bai Clan, Ran Qayun, I'm very sure of that, they are the only enemy" Ran Qayun estimated who was behind all this.

"But who has this kind of ability in the Bai Clan, I never knew that" Ran Qayun never knew there was such a powerful person in the Bai Clan.

Chapter 2775 Ran Qayun Made A Full Attack

Ran Qayun continued to be angry, he continued to blame Bai Yuli for this matter.

"I won't let them win" Ran Qayun wouldn't let Bai Yuli win, he would do something about this matter.

Ran Qayun had to make a move and stop the problem from happening, he couldn't let this problem continue.

"Prepare the troops, we will start to carry out an even bigger attack" Ran Qayun will no longer hold back, he will start a bigger attack on Bai Yuli.

"want to stop me in that way, that won't happen, be prepared to receive the anger that I have" Ran Qayun will make Bai Yuli regret it.

Ran Qayun gathered strength and prepared to fight Ye Chen and Bai Yuli.

.

.

Ye Chen returned to the place from Bai Yuli.

"Husband, you look very happy ?" Bai Yuli asked Ye Chen, she wanted to know why Ye Chen was so happy.

"Hehehe, you know that I'm very happy" said Ye Chen.

"That's possible seen, It's clear from your face," Bai Yuli said to Ye Chen.

"Actually" Ye Chen told Bai Yuli what happened.

"You are really cruel enough" Bai Yuli said to Ye Chen.

Bai Yuli felt that Ye Chen was quite cruel with everything that had happened.

"It's okay, he will feel the consequences for daring to fight us" answered Ye Chen.

Ye Chen told her that Ran Qayun would suffer consequences for daring to fight Ye Chen.

"But he will definitely be angry and fight you" Bai Yuli said to Ye Chen.

"if he attacks, we will attack him too, there is no reason to hold back if there really is a war" Ye Chen said to Ran Qayun.

"It's you," Bai Yuli said.

"So how is he still attacking?" Ye Chen asked Bai Yuli.

"Of course, Ran Qayun's attacks are getting more intense, he is becoming more and more rude to us," said Bai Yuli.

Bai Yuli said that Ran Qayun was getting rougher and using harsh methods, which was causing Bai Yuli a bit of trouble.

"That person is so terrible" said Ye Chen.

Ye Chen saw that Ran Qayun was so terrible, he did such a terrible thing to Bai Yuli.

"Miss, something bad happened, some of our places were attacked by a large group of people," someone came and reported it to Bai Yuli.

"what happened?" Bai Yuli stood up, she immediately asked what was going on.

"It's started" Ye Chen saw that it had already started.

The waiter explained to Bai Yuli, he told Bai Yuli about the current situation.

Several attackers attacked the place and injured quite a lot of people, some even...killed for fighting back.

"Husband" Bai Yuli said to Ye Chen.

"I've sent a Clone, everything will be soon cleaned quickly" said Ye Chen.

Ye Chen had already sent a message to all the Clones, they would reply and catch everyone who was causing trouble.

Bai Yuli felt relieved when she heard this, should everything will be fine, there will be no more problems with everything.

The clones that Ye Chen had were so powerful, they moved so quickly and immediately paralyzed many people in a very short time.

In just a matter of minutes, everyone...sent by Ran Qayun already paralyzed by Ye Chen.

"done" Ye Chen said to Bai Yuli.

"Ehhhh, so fast" said Bai Yuli, Bai Yuli saw that Ye Chen was so fast.

"Thank you for the compliment" Ye Chen said to Bai Yuli.

"Have you caught Ran Qayun?" Bai Yuli asked Ye Chen.

"No, he didn't participate in this attack" said Ye Chen. I think you should take a look at

Ye Chen didn't find Ran Qayun, it seemed like he was in another group.

"Wait a minute, don't tell me" Ye Chen began to understand what was happening, he understood what done by Ran Qayun.

"What is it?" Bai Yuli asked Ye Chen why Ye Chen looked surprised like that.

"most likely he will attack this place" Ye Chen said to Bai Yuli.

Ye Chen could predict that Ran Qayun would attack this place.

"How can you be so sure about that?" asked Bai Yuli.

"I'm very sure, he is definitely targeting you more than me" Ye Chen said to Ran Qayun was targeting Bai Yuli, he would definitely come to fight and attack Bai Yuli.

"if he does come, we have to prepare" Ye Chen said to Bai Yuli.

He told Bai Yuli to start getting ready.

"I understand" Bai Yuli immediately understood, she immediately said what planned by Ye Chen.

"let's set a trap for him" Ye Chen said to Bai Yuli.

Ye Chen and Bai Yuli worked together, they worked together to set a trap for Ran Qayun.

There's still time to Ran Qayun arrived at this place, so they were still able to set a trap.

"we finally arrived at the Bai Clan residence" they finally arrived, they arrived at the Bai Clan residence.

Bai Clan is so quiet, there is hardly much life around this place.

"They seem to be busy dealing with our attacks" people thought that the Bai Clan was busy dealing with their attacks.

Even though all the attacks from Ran Qayun had been resolved by Ye Chen.

"Is there a report from the distraction unit?" Ran Qayun asked.

"Nothing, it seems like everything is running smoothly because no reports have been received that they are in trouble.

"alright, let's attack the Bai Clan, Bai Yuli is definitely here" Ran Qayun gave the order to attack.

With just a command, everyone moved and immediately attacked the Bai Clan.

They immediately advanced and attacked using all their available strength.

"let's destroy this place" Ran Qayun said to destroy the place to dust.

"Booommmm" A large explosion occurred when they were about to attack, the explosion was quite large and was able to paralyze quite a lot of people.

"What's going on?" Ran Qayun shouted, he wanted to know what was going on right now.

"we don't know, something is wrong with this place, arghhhh . . ." they all shouted, they didn't know what happened, suddenly lightning struck and paralyzed them all.

Ran Qayun saw that his people had fallen, they didn't even put up a fight.

"Damn it, what happened in this place?" Ran Qayun was angry, she was so angry when she saw what happened.

"It seems to be working, some of the arrays I installed have paralyzed them" said Ye Chen.

"You have something strange again, I didn't even feel it" Bai Yuli said to Ye Chen.

"It's not strange, I happened to learn it while adventuring, and it seems like it works" said Ye Chen.

"there are still many of them who are able to survive" Bai Yuli said to Ye Chen.

"I will overcome them" Ye Chen told Bai Yuli, he will overcome them all.

Ye Chen advanced, he fought all the enemies in sight so easily.

"damn, that guy" Ran Qayun saw Ye Chen, he felt annoyed when he saw Ye Chen attack.

"hahaha, what's wrong with you, why do you look so listless" Ye Chen asked everyone present.

"Damn it, kill that guy for me" Ran Qayun gave an order to kill Ye Chen.

"Hey, don't be like that, I just appeared" Ye Chen said to everyone, he told them not to do it.

"dead" they didn't seem to care and still attacked Ye Chen using full strength.

"Clang. . ." they attacked Ye Chen. It was a shame that Ye Chen's body was so strong and not a single attack was able to injure Ye Chen.

Chapter 2776 Ye Chen Vs Ran Qayun

"what happened" they asked about what had just happened, their attacks were clearly unable to injure Ye Chen.

"Try again" they decided to try again, they attacked Ye Chen again using full strength and even stronger.

"clang" the second try was still the same as before, they couldn't hurt or cut Ye Chen's clothes.

"What you guys are doing won't work on me" Ye Chen told me that the attack they were doing wouldn't work.

"what happened here ?" they started asking, what happened, why their attacks didn't work against Ye Chen.

"What are you doing, quickly kill that person for me" Ran Qayun gave an order, he told them all to immediately kill Ye Chen.

"we understand" With that they went back again, this was their third time trying, they just kept trying and trying a third time.

They tried again, attacking Ye Chen, it was a shame that all the attacks they launched had to end in vain.

"They are quite weak" Ye Chen said that they were weak, was Ran Qayun's army only like this, it was impossible for Ran Qayun to only have troops of this class, he must be hiding an even stronger army behind him.

Ye Chen found out about this matter, he finally found several strong people who were hiding and waiting for the time to carry out a sneak attack on Ye Chen.

"They wanted to attack me secretly, that's not bad, he's not stupid" Ran Qayun wasn't stupid, he knew how to attack well.

"What you are doing is useless," said Ran Qayun.

Ran Qayun considered them a waste, they were completely useless to Ran Qayun.

"These fools, they are useless, looks like I will take care of him with my troops" Ran Qayun decided to mobilize the troops he had.

"Find opportunity and attack him, kill him with one attack" Ran Qayun gave the order to kill Ye Chen with one attack.

After receiving the command given by Ran Qayun, they immediately prepared to fight Ye Chen.

They looked for an opening to attack Ye Chen.

Ye Chen was busy fighting the enemy, there were so many gaps that could be used to attack Ye Chen.

After seeing that there were so many gaps that they could use to attack Ye Chen, they immediately attacked Ye Chen using full strength.

"water Javelin" Their shot at Ye Chen using the water Javelin.

It flew towards Ye Chen who was caught off guard.

Ye Chen smiled for a while, it seemed like he managed to get them out.

Honestly, Ye Chen opened his defense from the start, he did this to get them all out.

It could be said that they took the bait given by Ye Chen, they didn't realize that they were being tricked by Ye Chen.

Ye Chen avoided all attacks, after dodging all attacks, Ye Chen attacked back.

"Wavy Wind Slash" wave, a huge wind was used by Ye Chen, it instantly swept away all the enemies who were hiding.

Because the waves were so big and strong, all the enemies were swept away by Ye Chen.

"Impossible" Ran Qayun saw how the troops he had were swept away by Ye Chen, this was a very bad sight.

"you . ." Ran Qayun said to Ye Chen, she seemed so angry with Ye Chen.

"Are you angry" Ye Chen said to Ran Qayun.

"Of course, I'm so angry" said Ran Qayun, she was so angry with Ye Chen.

"then go ahead" Ye Chen said to Ran Qayun.

"You have to beat everyone if you want to fight me"

Ran Qayun told Ye Chen to defeat everyone to defeat him.

"that's easy for me" Ye Chen told Ran Qayun.

Ye Chen used God Domination Pressure, he made everyone faint, there was only Ran Qayun alone now.

"huh?" Ran Qayun looked so shocked, he was stunned when he saw what Ye Chen was doing.

"What did he just do?" Ran Qayun didn't know what Ye Chen did, he was completely unaware of the power of God Domination Pressure.

"There's only the two of us left, there's no reason to run" Ye Chen said to Ran Qayun.

"You bastard" Ran Qayun said to Ye Chen.

"what's wrong, are you angry about what happened ?" Ye Chen said to Ran Qayun.

"I have been kind and helped you give some of the treasures to the people, you should be happy" said Ye Chen.

"So it was you" Ran Qayun finally knew who the person behind all this was, that person was Ye Chen.

"what you did made me so angry" Ran Qayun said to Ye Chen, he told that she was so angry with Ye Chen.

"Come on if you are really angry" said Ye Chen to Ran Qayun.

"You will pay it" Ran Qayun said that Ye Chen would pay for what happened.

"Water bubble domain" Ran Qayun opened the domain, he didn't hold back and took out everything he had to fight Ye Chen.

"Get serious in the first battle, if that's the case, I'll be serious too, Boom" Ye Chen's body was covered in lightning, this was the God Thunder Armor that Ye Chen owned.

"It's useless, you won't be able to survive this place" Ran Qayun said to Ye Chen. I think you should take a look at

Ye Chen wouldn't survive even if he used the God Thunder Armor.

Ran Qayun attacked Ye Chen, he took out a very large two-handed weapon, this was the weapon that Ran Qayun had.

With such a big weapon, Ran Qayun could still easily move and attack Ye Chen.

"Clang" Ye Chen used his bare hands to block the thunder, with the help of the God Thunder Armor, he became strong and super strong.

"water ax spin" seeing Ye Chen so strong with armor, Ran Qayun decided to use a super strong attack to attack Ye Chen.

Ran Qayun started to spin, he created a whirlpool that was so big and had such terrible destructive power.

"You will die" Ran Qayun approached Ye Chen.

"Whether you are stupid or stupid, you are fighting lightning, and water is the most effective medium for lightning" Ye Chen said to Ran Qayun.

When the water ax spin attack approached, Ye Chen stretched out his hand, instantly is shot lightning.

Lightning spread so quickly, and immediately struck Ran Qayun's body.

"arghhhhh . . ." Ran Qayun stopped, his body was hit by Ye Chen's lightning and went numb.

"Damn, this hurts" Ran Qayun screamed, he was in so much pain after receiving an attack from Ye Chen.

"It looks like you didn't graduate from school" Ye Chen said to Ran Qayun.

"impossible, the attacks I have defense against are so strong, there is no way the lightning can enter so easily" said Ran Qayun.

"You are too confident in your abilities" Ye Chen said to Ran Qayun, he told him that Ran Qayun was so confident in her abilities, she didn't realize that Ye Chen could penetrate her easily.

Ran Qayun stood up, he stood up and tried to fight again.

"no, I won't lose" Ye Chen won't lose, he won't fight Ye Chen.

"Not finished yet, I still have a super strong technique to defeat you" Ran Qayun said to Ye Chen, she still has a powerful technique to defeat Ye Chen.

"This is the domain that I own, I will not lose in this place" Ran Qayun said to Ye Chen.

This was still Ran Qayun's domain, he would still be strong around this place.

"oh, did he use a domain, I wasn't aware" because the Domain was so weak, Ye Chen didn't notice.

"That's because you are immune to ice and water, so Ran Qayun's domain has no effect on you."

Chu Yuechan reminded Ye Chen that it would have no effect on Ye Chen.

"That's absolutely true" Ye Chen agreed with what Chu Yuechan said.

"Great slaying water axe" Ran Qayun gathered strength, he gathered strength to attack Ye Chen.

This time he wanted to use his full strength against Ye Chen.

When in Ran Qayun's hand it started to glow blue, he would use it to defeat Ye Chen.

An immense power gathered in Ran Qayun's hands.

Plus Again the Domain here makes Ran Qayun stronger and his attacks will also become much more terrifying.

"Hahahaha, can you see it, this is the power I have" Ran Qayun said to Ye Chen.

Ran Qayun was so proud of this power, he had created an aura that was so strong and so dominating.

Ye Chen wasn't too surprised, he had already seen stronger than this.

Ran Qayun was annoyed by the reaction shown by Ye Chen, she was so unhappy with the reaction shown by Ye Chen.

"Bastard, you should be afraid" Ran Qayun said to Ye Chen.

"Why should I be afraid, there is nothing special about that technique" Ye Chen said to Ran Qayun.

"Damn, you little brat" Ran Qayun became even more angry when he saw Ye Chen belittle him.

"Die" Ran Qayun advanced towards Ye Chen, he immediately swung his sword with both hands and used all his abilities.

"Slash" was a very strong slash executed by Ran Qayun, the slash was so strong and immediately swept away everything in sight.

Even the walls of the Bai Clan collapsed by this attack.

"Hahahaha, die" Ran Qayun was very happy.

He managed to destroy the annoying flies.

Ran Qayun saw Ye Chen not as an enemy, But flies that must be removed quickly.

"You seem quite happy" Bai Yuli appeared, she appeared in front of Ran Qayun.

"Finally you appeared," said Ran Qayun.

Finally someone who searching by Ran Qayun appeared, he couldn't wait to take revenge.

"Of course I'm quite happy, didn't you see that I managed to win" Ran Qayun said to Bai Yuli.

"Won? Are you sure about that?" Bai Yuli asked Ran Qayun again.

Chapter 2777 The Enemy's Plan Awakens An Ancient Monster

"I thought that was pretty good for a pruning attack" Ye Chen appeared from below.

He appeared in good condition and had no injuries at all.

"how can you live, this can't be happening" said Ran Qayun to Ye Chen.

Ran Qayun didn't believe that Ye Chen was still able to survive, he didn't believe that.

"To be honest, the attack you have is quite good, but it's still not enough," Ye Chen said to Ran Qayun.

Ye Chen told Ran Qayun that his attack was still not enough to kill Ye Chen.

"Damn" Ran Qayun intended to attack Ye Chen again, he wanted to attack Ye Chen a second time.

"alright, time to end this" Ye Chen said to Ran Qayun.

"Eagle Cloud Turner Claw" Ye Chen attacked Ran Qayun, his hands formed claws and directly hit Ran Qayun's body.

Ran Qayun wanted to dodge the attack, unfortunately he didn't have a chance to dodge the attack.

"Gahhh" the attack hit Ran Qayun, Ran Qayun's body spun several times and all of Ran Qayun's clothes were destroyed.

It was clear that Ran Qayun's body was also destroyed, there was no way he could withstand such a strong wind that was twisting his body.

Ran Qayun spun quite fast and hit the ground quite hard.

His bones and body were of course destroyed by the attack

"Impossible, why could this happen?" Ran Qayun didn't understand

"Husband, what did you just do to him" Bai Yuli asked Ye Chen.

He wanted to know what happened to Ran Qayun.

"I just destroyed him using my technique, his entire body should be destroyed after receiving that attack" said Ye Chen.

"That's amazing" Ran Qayun didn't even see Ye Chen's attack, he only saw Ran Qayun fall and make a big hole.

"He can't fight us anymore" Ye Chen told her that Ran Qayun wouldn't be able to fight them anymore.

"what are we going to do with him" Bai Yuli asked Ye Chen.

"I leave the rest to you" Ye Chen didn't know what to do, so he handed this matter over to Bai Yuli.

Just let Bai Yuli decide what will happen to Ran Qayun.

"Then I will solve this problem" Bai Yuli understood, she would solve this problem for Ye Chen.

Bai Yuli sent Ran Qayun to prison, with this she hoped that Ran Qayun would change.

"But first he needs treatment." Looks like Ran Qayun's wounds are quite serious.

So Bai Yuli had to keep him alive first.

"Just kill me" Ran Qayun said to Bai Yuli.

"I won't do that" Bai Yuli said to Ran Qayun.

He would let Ran Qayun feel what he had to feel due to his actions.

The problem was solved by Ye Chen, he had solved the problem with Ran Qayun.

After finishing everything, Ye Chen and Bai Yuli returned.

"finally the problem is solved" Ye Chen said to Bai Yuli.

"Um, everything will go back to normal" everything will go back to how it was before.

"I hope so" Ye Chen said to Bai Yuli.

"again you help me" Bai Yuli said to Ye Chen, he has helped Bai Yuli again and again.

"I will continue to help you" Ye Chen said to Bai Yuli, he will continue to help Bai Yuli.

"thank you very much" Bai Yuli thanked Ye Chen who continued to help him.

"You're welcome" Ye Chen hugged Bai Yuli.

Bai Yuli immediately hugged Ye Chen back, she was happy with a hug like this, the feeling given by Ye Chen was so comfortable.

Ye Chen's hands started to move, he started to tease Bai Yuli. I think you should take a look at

"Husband" Bai Yuli said to Ye Chen, she felt Ye Chen's hand running quite wildly.

"What's wrong?" Ye Chen asked Bai Yuli.

"Your hand" Bai Yuli said to Ye Chen.

"Is there a problem?" Ye Chen said to Bai Yuli.

"You are still naughty" Bai Yuli said to Ye Chen, Ye Chen's hands were so naughty.

"I won't be able to stand it when I see beautiful women" Ye Chen said to Bai Yuli.

"Don't keep praising me, it's very embarrassing to hear," said Bai Yuli.

Bai Yuli felt embarrassed when she listened to what Ye Chen said.

"That's a fact" Ye Chen said that he was serious about what he said.

Bai Yuli felt more and more embarrassed when she listened to what Ye Chen said.

"Wife, we haven't done it for, come" Ye Chen said to Bai Yuli.

"No, wait, husband" Bai Yuli said to Ye Chen.

Ye Chen didn't listen to Bai Yuli, he attacked Bai Yuli and pushed Bai Yuli down.

Bai Yuli was helpless, she could only accept what Ye Chen did.

The two of them started again, they had adult relations in Bai Yuli's room.

"Husband" said Bai Yuli.

Ye Chen and Bai Yuli did it, both of them did this until morning.

.

.

Meanwhile in other places, this is a place that is so clean and beautiful, there is such wide and beautiful green grass here.

This place is so nice and so beautiful, everyone who sees it will immediately fall in love with this beautiful place.

Even though this place is so beautiful and extraordinary, in reality this place holds things that no one would expect.

"The name of this place is the Garden of Freedom, a place that is so big and beautiful.

Under this place there is a secret room, inside which there is a terrible thing.

A shabby place filled with slime and scary monsters, there are so many scary monsters in this place, just looking at it makes people scared.

"Roar" the monster roared and made a terrible and terrifying sound.

Those who see these monsters will run away, no one will dare to see them.

A man walked, this man walked around the monsters, when people passed by, the roaring monsters instantly became silent, it seemed that all the monsters here were afraid.

This guy must be a great person to be able to scare all the monsters here so easily.

This person was the person who had been controlling and making trouble for Ye Chen, he was the person who wanted to awaken the forbidden ancient monster.

In this place there were quite a few people, there were around 10 of them and they were people with strange appearances.

"How is the current development happening" he asked everyone.

"The pills have been distributed, just waiting for everyone to use them and there will be disaster in this world," they reported.

"Very good, I also have quite good news for all of you in this place.

"I have found the right person to be the vessel to resurrect our master, we will return to ruling the world like before" he was talking about Ye Chen, he had found the right person.

"Then why not bring him to this place quickly, the sooner the better" they asked.

"It's not that easy, that person is trained and so strong, it's not easy to face him" he told that if Ye Chen was so strong, it wouldn't be easy to face Ye Chen.

"I will ask you guys to take care of this matter, it seems like someone is tracking me, I won't be able to leave Freedom Garden for a while.

"Lin Cong, I'll leave this matter to you, you can definitely take care of that person easily" he sent one of them to arrest Ye Chen.

"That's easy, just leave it to me, in a few days I will take him along with me" Lin Cong will bring Ye Chen.

Chapter 2778 Chen Xing Has Discovered The Identity Of A Mysterious Person

"Don't be too confident in your abilities, that person is great," he said to Lin Cong.

"You're just exaggerating, what's so great about that person, I'll end that person quickly," said Lin Cong.

"It's up to you," he said to Lin Cong.

"to everyone, go back to your work, finish everything quickly" he told everyone to go back to their work.

"We understand" everyone understands, they will go back to the jobs they have.

"That's all my words, you can all leave now" He told them to disperse.

"see you again, this is for master who will lead us to success" after that they all left this place.

With that they started to move and start the plans they had.

.

.

"ahhhh, I'm tired, you're too much" Bai Yuli said to Ye Chen, she told that Ye Chen was too much.

"I'm too excited" Ye Chen said to Bai Yuli, he was indeed too excited because Bai Yuli could satisfy him.

"I want to rest for a while," Bai Yuli said to Ye Chen, she told Ye Chen that she was taking a break.

"good night" Ye Chen said good night to Bai Yuli, he did that to comfort Bai Yuli.

"good night" Bai Yuli was happy, she slept in Ye Chen's arms.

With that Ye Chen accompanied Bai Yuli, tomorrow he would return to the Sect.

"hey, are you still awake" someone called Ye Chen.

"Hmmm ? ?" Ye Chen saw who came, he saw Chen Xing who came to this place.

"What are you doing in this place?" Ye Chen asked Chen Xing.

"I came to tell you something" Chen Xing said to Ye Chen, she told Ye Chen about something.

"Just say it" Ye Chen told Chen Xing to say it.

"let's find another place" Chen Xing said to Ye Chen, she asked Ye Chen to find another place.

"Okay if that's what you want" Ye Chen went with Chen Xing, there was no reason for Ye Chen not to come with Chen Xing.

The two of them finally arrived at a place that was quite remote and far from the crowd.

"so what do you want to talk about" Ye Chen asked Chen Xing.

"I have found the person" Chen Xing said that he had found the person Ye Chen was looking for.

"You found it" Ye Chen asked Chen Xing again.

"That's absolutely right, that person's name is Doctor Yuan Sheng, he is a smart and great researcher," said Chen Xing.

"Yuan Shen, I don't know that name, is he someone special" Ye Chen asked Chen Xing.

"Not really, but he has a strange thing and has carried out very dangerous experiments several times, the last time he was arrested but managed to escape," said Chen Xing.

"It looks like he's quite a troublesome person," said Ye Chen.

"You're right, he's a bit of a crazy person, if a person like that is obsessed with something, he will do everything he can to make it happen," said Chen Xing.

"After I found that person, he disappeared, to be honest this will be a problem, he will definitely send people after you, there are some people who will come for you, so be prepared to fight" Chen Xing said.

"I'm ready at any time to fight" Ye Chen said to Chen Xing.

"One more thing, the pill you are referring to, it has been spread quite a lot, you have to help to get it" said Chen Xing.

"More work" Ye Chen said to Chen Xing.

"Of course, you have to work too, I also worked quite hard and asked for help from some acquaintances, so you can't complain" Chen Xing said.

"Okay, I'll do it" even if forced, he will do that.

"That's all I want to tell you" Chen Xing said to Ye Chen.

Chen Xing just wanted to tell Ye Chen that. I think you should take a look at

"Is that all, nothing else" Ye Chen asked Chen Xing.

"What do you expect from me?" Chen Xing said to Ye Chen.

Indeed what Ye Chen expected.

"I think you came because you missed me" Ye Chen said to Chen Xing.

"Bah, who misses someone like you," said Chen Xing.

There was no way Chen Xing would miss Ye Chen.

"hahaha, but it looks like you like visiting me" Ye Chen said to Chen Xing.

"This is because of business, otherwise I wouldn't visit you" Chen Xing said to Ye Chen.

"So that's a shame" Ye Chen said to Chen Xing.

Ye Chen might be a little disappointed when he listened to what Chen Xing said

"Yes, I'll go back, take care of yourself, if you need help, you can look for Zhang Ein" said Chen Xing.

Chen Xing left, she just said that and left Ye Chen alone.

More precisely, she ran away from Ye Chen, he didn't want Ye Chen to discover anything from her.

"What's wrong with that woman, she's so afraid of me" Ye Chen said to himself.

"fufufu, it seems like he's starting to be interested in you, just look at how cute he is" said Chu Yuechan.

Chu Yuechan realized that Chen Xing was hiding something.

"she's not honest with herself" said Ye Chen.

Chen Xing seemed dishonest with himself, but if he were honest, it would be quite interesting.

Looks like I will start to look for pills around, I will use Clone to look for pills around this place" Ye Chen used Clone, he carried out the task given by Ye Chen.

With that the search began, Ye Chen started searching, this search was carried out quite large, everyone involved focused on finding the whereabouts of the pill.

.

.

"Emmm, it's morning" Bai Yuli saw that it was already morning.

"You sleep well" Ye Chen said to Bai Yuli.

"Um, it's very comfortable" Bai Yuli said to Ye Chen.

"I will leave today" Ye Chen said to Bai Yuli.

"are you going back to the Sect" Bai Yuli asked Ye Chen.

"Of course I will come back, before that I want to tell you that the pill that made Ran Zitsu like that has been scattered, if you can find it secretly" Ye Chen said to Bai Yuli.

"Um, I understand" Bai Yuli understood, she couldn't let the current situation go, otherwise something pretty bad would happen to where she lived.

"I'm going, I love you" Ye Chen said to Bai Yuli.

"Um. . ." Bai Yuli understood, she saw Ye Chen off.

Bai Yuli wanted to come along, but she still remembered that she still had work to finish, so she wouldn't be able to be with Ye Chen to fight the enemy who was targeting him.

Ye Chen returned to the immortal valley sect, he went home to his house, or rather his room.

"So clean, it must be cleaned regularly" Ye Chen saw that this place was clean, it looked like someone cleaned it regularly.

Maybe Zhang Ein, she couldn't possibly let Ye Chen's room become a mess.

"It's been a long time, I might start making some equipment, I just gained quite a lot of new knowledge after studying in that library" Ye Chen has quite a lot of new knowledge, he can't wait to try it with his own hands.

With the materials that Ye Chen had, Ye Chen made several artifacts, he made them all so quickly and neatly, it seemed like his knowledge had developed rapidly too.

Ye Chen spent today making equipment first.

"Bang" the door opened and someone entered Ye Chen's room.

Chapter 2779 Welcomed Ye Chen's Return

The door was opened by a woman who was beautiful and looked a little more mature compared to before.

"husband, you are come home" the person who came in was Wu Ziyi.

"wow, you have grown quite well" Ye Chen said to Wu Ziyi.

Wu Ziyi was so happy, she jumped towards Ye Chen who was in front of her.

Ye Chen caught Wu Ziyi who was heading towards her.

"aren't you too enthusiastic" Ye Chen said to Wu Ziyi.

"It can't be helped that I really miss you, where have you been, you disappeared for quite a long time, you should know how I miss you" Wu Ziyi said to Ye Chen.

"I can feel the feelings you have" Ye Chen said that he could feel Wu Ziyi's feelings.

"ummm, yes, it's really you, it's been a long time since I touched you directly" said Wu Ziyi.

Wu Ziyi said that she hadn't touched Ye Chen for a long time.

"What's wrong my little wife, do you miss me that much, do you need a little kiss?" Ye Chen said to Wu Ziyi.

Ye Chen immediately teased Wu Ziyi.

"You are teasing me again" Wu Ziyi said.

Wu Ziyi seemed to know that Ye Chen was just teasing her.

"But I'm so happy, you're back, we have to celebrate this" Wu Ziyi said to Ye Chen, she told Ye Chen to celebrate what happened.

"Celebrating?" Ye Chen immediately thought that too.

"I will tell everyone, they will all be very happy with you" Wu Zi said to Ye Chen.

Wu Ziyi wanted to call Shi Lin, Jia Li and Xuan Mei, they had to celebrate Ye Chen's return home.

"That might be possible, I wouldn't mind" Ye Chen said that he wouldn't mind this.

"Very good" Wu Ziyi went straight away, she would prepare everything.

"she was so excited when she saw you" Chu Yuechan said to Ye Chen, Chu Yuechan could easily see that Wu Ziyi was very happy with Ye Chen.

Wu Ziyi was very happy when she saw Ye Chen return safely.

"Ziyi is very cute, I really like her" Ye Chen said that he liked Wu Ziyi's cuteness.

Ye Chen would wait, while he finished making the equipment.

"Husband . ." Shi Lin, Jia Li and Xuan Mei finally came, they came immediately after hearing the news from Wu Ziyi.

"You're finally back, you should know that we are worried about you" Shi Lin, Jia Li and Xuan Mei spoke to Ye Chen, they all told him that they were worried about Ye Chen.

"I'm sorry for making you all worry" Ye Chen asked Shi Lin Jia Li and Xuan Mei, he told them that he was sorry for what had happened.

"We're glad you're back safe, during training, what did you gain?" Xuan Mei asked Ye Chen, she wanted to know what Ye Chen got.

"I got so many experience" Ye Chen said that he got so many experience.

"Tell us, we want to hear it" Shi Lin wanted to hear it.

"Okay, let's start from the beginning, listen to this carefully" Ye Chen told her what he had been doing for the past 2 years.

everyone listened to Ye Chen's story, they listened to what Ye Chen did.

After listening to Ye Chen's story, they finally knew what Ye Chen was doing.

"That's so great, you spent weeks in that place, don't you get bored?" asked Jia Li.

"I'm not bored, you should know that Chu Yuechan accompanies me, so I don't get bored being there" Ye Chen said that he wasn't bored, it was because Chu Yuechan was there.

they all nodded, it made enough sense to everyone. I think you should take a look at

"After all, you have returned safe and sound, let's celebrate this," said Wu Ziyi.

"shall we go out?" Ye Chen asked all his women.

"No, it's very troublesome, it will be a problem if we go out" said Xuan Mei.

Xuan Mei felt together when she went out, perhaps because she was a little more feminine now compared to before.

Xuan Mei looked different from before, for some reason she gave off a feminine impression now, she became calmer and looked more beautiful.

"You are a little different, is this because Jia Li changed you" Ye Chen estimated what happened.

"how do you know that?" Xuan Mei asked Ye Chen, how could Ye Chen know about this.

"It's very easy" Ye Chen saw clearly, anyone who had been with Xuan Mei would definitely be aware, and Ye Chen of course was also aware of that.

"what do you think ?" Xuan Mei asked Ye Chen.

Xuan Mei expected good things from Ye Chen.

"Of course everything is okay, I like you the way you are" Ye Chen told Xuan Mei.

"I'm so happy" Xuan Mei was so happy when she heard this, she was so happy when she heard that Ye Chen would accept her as she was.

"Isn't that great" Jia Li said to Xuan Mei.

"um, that's great" Xuan Mei said to Jia Li, she was so happy that she wanted to fly and circle around.

"Okay, let's start, why don't you call Sister Ein here" Wu Ziyi said to Ye Chen, she asked Ye Chen to call Zhang Ein.

"she might be on a job" Ye Chen said to Wu Ziyi.

"What a shame" Wu Ziyi was disappointed when she heard this.

"Does she often help you guys" Ye Chen asked Wu Ziyi.

"she helped us a lot" Wu Ziyi told that Zhang Ein helped them a lot.

"It's not strange that you want to invite her, but he is on duty, I don't think it's easy to call her here" said Ye Chen.

Ye Chen had to tell this to Wu Ziyi and the others, he said that it was not easy to summon Zhang Ein to this place.

"I'm not busy" a few moments after Ye Chen said that, Zhang Ein immediately appeared, she immediately appeared and was in front of Ye Chen.

"You came" Ye Chen didn't expect that Zhang Ein would come.

"Of course, I felt someone calling, so I will of course come" Zhang Ein said to Ye Chen.

since Ye Chen called, she would of course come.

"You are really interested in this kind of thing" Ye Chen said to Zhang Ein.

"Of course, I'm very interested in this kind of thing" Zhang Ein said to Ye Chen, she told him that she was interested in this kind of thing.

"Then you can join" Ye Chen told Zhang Ein to join.

Zhang Ein happily joined in, she came along with Ye Chen and everyone.

"The party started, Zhang Ein quickly carried out the task very quickly" Jia Li, Shi Lin, Xuan Mei and Wu Ziyi were unable to match Zhang Ein's abilities, it was clear that their abilities were of different classes.

"she is so skilled" they had to admit that Zhang Ein was so skilled.

the abilities possessed by Zhang Ein are indeed skilled and so great, no one can match them.

This was obtained by Zhang Ein after a very long practice, this will not be able to be imitated by Jia Li, Shi Lin, Xuan Mei and Wu Ziyi.

Zhang Ein might have taught them all, but they were still at a far off level compared to Zhang Ein.

with the help provided by Zhang Ein and such fast abilities, they could easily create such good food.

Chapter 2780 Party Until Morning

"you guys are working so well" Ye Chen said to everyone, he told them that they are working so good.

"thank you, you have also worked well, let's celebrate this well" they celebrated, they started eating the food they made.

"Homemade food is indeed the best" Wu Ziyi likes this, homemade food is indeed the best.

"That's really true, it tastes good and is so good" Jia Li agreed, the cooking wasn't bad either.

"Uh, mine is a little burnt" Xuan Mei complained as hers was a little burnt.

"You cooked it a little too long, it might still be edible" Shi Lin said.

"You're right, fortunately it can still be eaten, so don't waste the existing food," said Xuan Mei.

"Okay, let's eat, it's not good to talk while eating," said Zhang Ein.

Zhan Ein asked everyone to stop talking and start eating, who would eat all this if not them.

Everyone listened to what Zhang Ein ordered, they all stopped eating and immediately went to finish the food.

Among everyone, Ye Chen was the fastest person, he finished everything quickly.

All the women could only smile when they saw what Ye Chen did, what Ye Chen did was so funny for all of them.

"Very funny" they saw that Ye Chen was so cute when eating, it made them all feel happy.

they enjoy their food happily and so comfortably, they forget everything and enjoy everything so comfortably.

After they finished, they all sat down and talked about something.

"Ein, how did you find that person?" Ye Chen asked Zhang Ein.

"No, I haven't found that person yet" Zhang Ein herself had a problem, that person was strong and not easy to find.

"So even you can't find that person" said Ye Chen.

If Zhang Ein couldn't, then it would be difficult for Ye Chen, Ye Chen would definitely have difficulty finding that person.

"But it doesn't matter, I will look for him, I won't let that person cause trouble for you," said Zhang Ein.

"I don't have a problem" Ye Chen told her that he would be fine.

"Still, this is dangerous, I can't allow that," said Zhang Ein.

Zhang Ein said that she couldn't do that, she wanted to protect Ye Chen.

If this was a normal matter, then Zhang Ein would let Ye Chen be, but when this matter became like it is now, Zhang Ein couldn't possibly let it happen, she would protect Ye Chen from dangerous evil organizations.

"You are too protective of me" Ye Chen said to Zhang Ein, he saw that Zhang Ein was very caring.

"That's important, if I have trouble, then you will also have trouble" said Zhang Ein, Zhang Ein saw that this problem was quite dangerous, if she and Chen Xing had problems, then it would be even more dangerous for Ye Chen.

"Okay, I understand" Ye Chen understood, under the pressure given by Zhang Ein, he wouldn't be able to do as he pleased.

"What are you talking about right now?" Wu Ziyi and the others were quite curious about what was happening.

"just a little problem" Zhang Ein said to Wu Ziyi and the others.

Zhang Ein didn't want to worry them all, that's why she told them that it was fine.

"So that's how it is, I'm happy to hear it" Wu Ziyi easily believed what Zhang Ein said, it seemed like she was still innocent as usual.

The party was over, they all spent the night at this place and enjoyed the evening together with Ye Chen.

Of course it wouldn't be Ye Chen if nothing happened, they of course released their longing in their own way.

Ye Chen's room became quite noisy because of what happened, Wu Ziyi, Shi Lin, Jia Li and Xuan Mei started exercising on the bed with Ye Chen.

They showed their abilities to Ye Chen.

Ye Chen was so happy, he got the services of four beautiful women, this was the dream of all men in this world.

"Ahhhh . . ." they started moaning, they all couldn't stand what Ye Chen was doing, what Ye Chen was doing was so comfortable for all of them. I think you should take a look at

The room became so noisy, they all couldn't stand it and did it with Ye Chen.

.

.

Morning finally came, they were finally exhausted after doing it with Ye Chen.

"Didn't he become much stronger compared to before" Xuan Mei said to Jia Li.

"You are absolutely right, he is much stronger compared to before" said Jia Li.

Jia Li and Xuan Mei felt the same way, they could feel that Ye Chen was much stronger.

"Very comfortable, do you want some more, it's still early" Ye Chen said to Jia Li and Xuan Mei.

"no, we're tired" Jia Li and Xuan Mei threw pillows at Ye Chen, they told him that they were tired.

"Hahahaha" Ye Chen smiled when he heard this, it seemed they were quite tired of fighting Ye Chen.

"You seem to have no fatigue, how did you get such strength" Jia Li asked Ye Chen.

"Of course, I gain a lot of strength when my Yang Qi decreases, it's very comfortable for my body, I feel fresher" Ye Chen said to Jia Li.

"ehhhh? ? ?" Jia Li was shocked when she heard this, if that was the case then it would be a problem for all of them.

"that's horrible" Jia Li said to Ye Chen, she told that Ye Chen was so horrible.

"Hehehehehe" Ye Chen chuckled when he heard this.

"going out" Ye Chen said to Jia Li and Xuan Mei.

"no, I want to sleep a little longer" Xuan Mei said to Ye Chen.

"Me too, I want to sleep, you can just go out yourself" Jia Li said to Xuan Mei.

The two told Ye Chen to go out alone, they both wanted to rest.

"If you don't want to, I'll go out myself" seeing that Xuan Mei and Jia Li didn't want to, Ye Chen decided to go out alone.

"um" both of them nodded to Ye Chen, they nodded and went back to rest.

Ye Chen finally came out alone, he walked in the city alone.

"It's a shame they can't accompany me," said Ye Chen.

"Only I will accompany you" Chu Yuechan said to Ye Chen, she told him that she was the only one accompanying Ye Chen.

"You are always there for me" Ye Chen said to Chu Yuechan.

Chu Yuechan blushed when she listened to what Ye Chen said, she felt embarrassed when she listened to Ye Chen's words.

"is strange" Ye Chen said to Chu Yuechan.

"what's strange ?" Chu Yuechan asked Ye Chen, she wanted to know what was strange.

"Why didn't you join last night" Ye Chen said to Chu Yuechan.

"I don't want to, I'm tired" Chu Yuechan said to Ye Chen.

Chu Yuechan was tired, she wouldn't want to join in.

Chu Yuechan had already gained quite a lot of experience when playing with Ye Chen, she knew that Ye Chen was difficult to fight and she had problems.

Even a super strong skilled elf would have to lose to Ye Chen.

Honestly Chu Yuechan couldn't accept this, she couldn't accept this and had to not participate.

If she came along and was seen by others, Chu Yuechan would definitely be embarrassed because she lost to Ye Chen.

"Hehehehe" Ye Chen chuckled to Chu Yuechan, Chu Yuechan who was embarrassed was so nice and beautiful.
