Chapter 2801 Against Doctor Yuan Sheng (2)

"So you chose to fight me" He said to Ye Chen.

"Of course, if not me, who will stop your crazy actions" Ye Chen said that he would fight Doctor Yuan Sheng.

"That's a stupid decision, because you won't be able to win against me" Doctor Yuan Sheng told Ye Chen.

"We haven't even started the battle yet, why do you believe you can win against me" Ye Chen told Doctor Yuan Sheng.

"That's because I have something that can destroy you" Doctor Yuan Sheng said.

Doctor Yuan Sheng took out something, he took out a thing to fight Ye Chen.

"What is it?" Ye Chen searched, he was looking for what doctor Yuan Sheng just took out.

"A weapon, it looks like a belt?" Ye Chen saw that doctor Yuan Sheng took out a belt.

What did Yuan Sheng doctor want with the belt.

Ye Chen was curious, he had never seen anything like that.

"You will see the power I have" Doctor Yuan Sheng said to Ye Chen.

Doctor Yuan Sheng started to disappear, he disappeared and his whereabouts could not be traced.

"Where did he disappear to?" Chu Yuechan couldn't trace the whereabouts of Doctor Yuan Sheng, he disappeared so quickly that Chu Yuechan didn't know.

"Wait a minute, his whereabouts disappeared, he wasn't using an invisible artifact right?" Ye Chen did not find her even by using God Eyes.

"Then where did he go" Chu Yuechan asked Ye Chen.

"Don't tell me" Ye Chen started to understand the power of Doctor Yuan Sheng.

"feel this" Doctor Yuan Sheng attacked Ye Chen, he attacked Ye Chen from a small gap.

A fireball was shot towards Ye Chen.

Ye Chen avoided it, he dodged the attack from doctor Yuan Sheng.

"You can dodge those attacks quite well" said doctor Yuan Sheng.

Doctor Yuan Sheng's voice echoed, but there were no people around.

"So that's it" Ye Chen understood, he could tell where Doctor Yuan Sheng was right now.

"so this is the power of the artifact, you created a dimensional domain around me" Ye Chen already understood the power possessed by doctor Yuan Sheng.

"A rare and good artifact, it must be in the legend Tier, to be able to manipulate small dimensions around" Chu Yuechan said.

"He seems to have a good thing, it's not strange that he is confident that he can beat me" Ye Chen said to Chu Yuechan.

Ye Chen now understood why doctor Yuan Sheng had the confidence to defeat Ye Chen, it was because he had a good thing.

"You won't be able to see me right?" Doctor Yuan Sheng said to Ye Chen, Ye Chen definitely won't be able to see himself.

Doctor Yuan Sheng's voice could easily be heard by Ye Chen, it was a pity that his body wasn't around this place.

"Accept all attacks from me" Doctor Yuan Sheng said to Ye Chen, he attacked Ye Chen with quite a lot of powerful fire.

Ye Chen made a shield, he defended from doctor Yuan Sheng's attack.

"What's wrong, are you unable to counter the attacks I have" Doctor Yuan Sheng said to Ye Chen.

It seemed like Ye Chen was unable to counter all of his attacks.

"You won't be able to counter the attacks I have" Doctor Yuan Sheng said to Ye Chen.

Yuan Sheng's doctor freely attacked Ye Chen, Ye Chen would not be able to withstand all the attacks he had. I think you should take a look at

He was too confident, he was too confident to defeat Ye Chen by using all his abilities.

"Master, are you going to keep quiet" Chu Yuechan asked Ye Chen, she wanted to know if Ye Chen would keep quiet.

"Just leave him alone" Ye Chen said to Chu Yuechan.

"I want to see how powerful the artifact he has" Ye Chen said to Chu Yuechan, he wanted to see the power of the artifact owned by doctor Yuan Sheng.

Does Doctor Yuan Sheng have a super powerful artifact, Ye Chen wants to see it.

"What's wrong, you don't want to try to attack, can't you see me, hahahaha" Doctor Yuan Sheng said to Ye Chen, he was so happy to see Ye Chen struggling.

The attacks kept rolling without stopping, he just kept attacking Ye Chen without mercy.

Ye Chen was safe inside, the attacks from doctor Yuan Sheng could not penetrate here.

"What is it, why can't I penetrate in there?" Doctor Yuan Sheng couldn't penetrate Ye Chen's defense, Ye Chen's defense was so strong that it couldn't be penetrated.

"I can't allow this" Yuan Sheng couldn't allow this, he had to break through Ye Chen's defense.

"Even stronger" Doctor Yuan Sheng used another power, this time he used dark power, he shot a darkness that was able to make a sizable hole into the walls around this place.

"Look, how are you going to survive the attack" Doctor Yuan Sheng said to Ye Chen.

The attack this time was obviously different from before, the attack this time used the power of darkness, this had such tremendous destructive power, it could not be compared to before.

Ye Chen's reaction was still ordinary, he had no problem dealing with the attack.

"Your reaction is so boring" Doctor Yuan Sheng said to Ye Chen, his voice echoed and told that Ye Chen was so boring.

"Are you done messing around?" Ye Chen said to Doctor Yuan Sheng.

Ye Chen answered Doctor Yuan Sheng, he asked if Doctor Yuan Sheng was done playing.

"What? ? ?" Doctor Yuan Sheng was angry when he heard what Ye Chen said.

"You dare to talk that I'm playing, I'm serious about beating you" Doctor Yuan Sheng said that he was serious about fighting Ye Chen, he would use all his strength to beat Ye Chen.

"death ball" Doctor Yuan Sheng finally used full power, he no longer held back when fighting Ye Chen.

"I will kill you in this one strike" Doctor Yuan Sheng said to Ye Chen.

A huge force was gathered by Doctor Yuan Sheng, it was shot towards Ye Chen.

"Die" Doctor Yuan Sheng launched the attack towards Ye Chen.

Ye Chen could see the coming attack from doctor Yuan Sheng, he could see where doctor Yuan Sheng would guess.

Ye Chen stretched out his hand, he blocked the attack from doctor Yuan Sheng using one hand.

When Ye Chen's finger touched the death ball, it instantly disappeared without leaving a trace.

Doctor Yuan Sheng who was hiding was surprised when he saw what Ye Chen did, even such an attack could be easily dispersed by Ye Chen.

"It's done right, that's a powerful attack you have ?" Ye Chen said.

Ye Chen had seen the strength of Doctor Yuan Sheng, it was not as good as he thought.

"This can't be, why, what's wrong, what's wrong with this guy?" Doctor Yuan Sheng looked helpless when he saw what happened.

"The situation is starting to get worse, I'm going to leave for a while" Doctor Yuan Sheng sensed that Ye Chen was hard to fight, that's why he decided to leave this place first.

Ye Chen would not be able to find him, so Doctor Yuan Sheng could sneak away, he would give orders to Number One King Goblin remotely, that would be more effective to do.

Chapter 2802 Let's Take Down Number One King Goblin (1)

"Where are you going?" Ye Chen stopped Doctor Yuan Sheng.

Ye Chen reached out his hand and pulled Doctor Yuan Sheng out of his small dimension.

"What, what happened, this can't be happening" Doctor Yuan Sheng couldn't believe that Ye Chen had just pulled himself out of the dimension.

"How did you do such a thing?" Doctor Yuan Sheng asked Ye Chen.

How come Ye Chen was able to capture himself inside his domain.

"You asked, I'll explain, it's because I can use dimensional power without the help of an artifact like you" Ye Chen told Doctor Yuan Sheng.

"No way" Doctor Yuan Sheng was surprised when he heard this, he did not expect that Ye Chen could do such a thing.

It was quite a difficult thing to happen, something that was really very difficult for anyone other than Ye Chen to do.

"I will take this" Ye Chen took doctor Yuan Sheng's belt, he crushed it with his bare hands.

"What is that?" doctor Yuan Sheng was shocked when he saw Ye Chen destroying a Tier Legend artifact using only his bare hands.

"Crazy, it's a Tier legend artifact" He said to Ye Chen.

Doctor Yuan Sheng scolded Ye Chen for destroying the artifact.

"You have a problem with that" Ye Chen said to doctor Yuan Sheng.

Ye Chen didn't care about that kind of thing, he felt that this artifact would be dangerous if it fell into other people's hands.

Doctor Yuan Sheng was silent when listening to what Ye Chen said, this person had such crazy thoughts.

"Already, now is the time to quickly order the monster to stop" Ye Chen said to doctor Yuan Sheng.

He told Doctor Yuan Sheng to stop the Number One King Goblin.

"That won't happen, even if you kill me, I won't do that" Doctor Yuan Sheng told him that he wouldn't do anything like that.

"If you don't stop the Number One King Goblin, something terrible will happen" Ye Chen told Doctor Yuan Sheng.

"Do I care about that, honestly I don't care, let this world be destroyed, the work I have will destroy this world" Doctor Yuan Sheng said to Ye Chen.

"You are such a crazy person" Ye Chen said to Doctor Yuan Sheng, this person is so crazy and terrible.

"Leave it alone, I don't care" Doctor Yuan Sheng said to Ye Chen, he didn't care about it.

"Hurry up and do it" Ye Chen said to Doctor Yuan Sheng.

Ye Chen slapped Doctor Yuan Sheng, he made that person mentally break.

"It's no use, it won't work for me" Doctor Yuan Sheng said to Ye Chen, he told him that he wouldn't be controlled by Ye Chen.

Ye Chen tortured and made Doctor Yuan Sheng do what he wanted, but Doctor Yuan Sheng was so insistent and unwilling to do what Ye Chen said.

"There is no way, I will use the seal to make him do the orders I have" Ye Chen decided to use the seal.

"If the method doesn't work, I will use another method" Ye Chen said to Doctor Yuan Sheng.

Doctor Yuan Sheng saw what Ye Chen was doing, seeing this, he released the control on Number One King Goblin.

"Roar. ." Number One King Goblin roared, now that he was out of Doctor Yuan Sheng's control and was now going to attack everyone.

Ye Chen saw this, he could see that the Number One King Goblin was starting to change.

"What are you doing?" Ye Chen said to Doctor Yuan Sheng.

"I released him and let him run raging, right now no one will be able to control him, not even me"
Doctor Yuan Sheng said to Ye Chen.

Doctor Yuan Sheng informed that right now no one can control the Number One King Goblin. I think you should take a look at

"Damn it" Ye Chen was angry listening to this, this person was so cunning, he did a crazy thing by releasing control from Number One King Goblin.

"Right now no one can stop it, even if it's you two" Doctor Yuan Sheng said to Ye Chen.

"That's not certain" Ye Chen told him that he would stop it.

"Blam. . ." Ye Chen paralyzed doctor Yuan Sheng, for the time being, he would make this person sleep.

Now Ye Chen had to help Chen Xing who was in trouble.

Chen Xing and Number One King Goblin fought, Chen Xing used such powerful wind power, meanwhile Number One King Goblin used blood red lightning to destroy Chen Xing.

"wings of a protective goddess" Chen Xing used a protective technique to defend, a female figure made of wind appeared behind and protected Chen Xing from the opponent's attacks.

After he created a shield to protect himself from attacks, Chen Xing used the bracelet on his hand to attack, this was a super powerful wind weapon that could destroy his enemy.

Of course this was in the Legend Tier class, this was quite a high class for a weapon.

It would be a strange thing if Chen Xing didn't have a Legend Tier artifact.

The Number One King Goblin retreated when it received an attack from Chen Xing, it took a few steps back when it received a direct attack from Chen Xing.

Although Chen Xing's attack was so powerful, it turned out that Chen Xing's attack was unable to destroy the Number One King Goblin, the attack was unable to destroy the Number One King Goblin and could only make it retreat.

"It's too hard, the body of this monster is so hard" Chen Xing had difficulty cutting through the body of the Number One King Goblin.

The body of the Number One King Goblin was so strong that it was extremely difficult to break with wind.

If Chen Xing remembered correctly, the Number One King Goblin had resistance to all elements, so it was not strange that Chen Xing's attack would not have much impact on the Number One King Goblin.

The Number One King Goblin did not budge, he advanced and attacked Chen Xing again and again.

It was fortunate that Chen Xing had become stronger than before, otherwise it would have been a troublesome matter.

So she was able to go head-to-head against the Number One King Goblin.

"Bam. . ." Chen Xing and the Number One King Goblin attacked each other, they were getting more aggressive in attacking each other.

"Do you need any help from me?" Ye Chen said to Chen Xing.

"You're done ?" Chen Xing asked Ye Chen, she wanted to know the result Ye Chen had.

"Yes" Ye Chen said.

"It's very difficult, the body is hard and the healing is beyond reason" Chen Xing said.

Chen Xing told that the Number One King Goblin was so strong and sturdy, Chen Xing's attack was not even able to break through the Number One King Goblin's defense.

"So it's so strong, it's not strange that you're having trouble" Ye Chen finally understood, he now understood why Chen Xing was having trouble.

"What about that person?" Chen Xing asked, she wanted to know what happened to doctor Yuan Sheng.

"That person has already released the control of the Number One King Goblin, there is nothing we can do about it" Ye Chen told Chen Xing.

"That's troublesome" Chen Xing felt that it was troublesome.

"I knew that you would say that too" Ye Chen was sure that Chen Xing would say that.

"Now there is only one path for us" Ye Chen said to Chen Xing.

"So there is only one path left now" Chen Xing understood what Ye Chen meant.

"let's take down the monster" Ye Chen and Chen Xing spoke together, they had already made a determination to take down the monster together.

Chapter 2803 Let's Take Down Number One King Goblin (2)

Ye Chen and Chen Xing started working together, they started working together to defeat the Number One King Goblin.

The Number One King Goblin roared towards Ye Chen and Chen Xing, it roared as loud as it could and made this place tremble.

The Number One King Goblin knew that Ye Chen and Chen Xing wanted to destroy him, so it was not strange that he roared to such an extent.

Ye Chen and Chen Xing ignored what was in front of them, they both immediately focused on fighting the Number One King Goblin.

Ye Chen came forward, he used Divine Sword Intent, by using Divine Sword Intent.

Ye Chen made a super powerful strike towards the Number One King Goblin.

"Slash. . ." Ye Chen's attack landed, the attack made a small wound on the body of the Number One King Goblin.

"Your attack has a very good effect" Chen Xing said to Ye Chen, she told Ye Chen that Ye Chen had such a good attack effect.

"You attack him too" Ye Chen said to Chen Xing.

"I'll do it" Chen Xing understood, she would do it, she attacked Number One King Goblin using the bracelet weapon in her hand.

The two of them attacked together, it made it difficult for the Number One King Goblin to attack Ye Chen and Chen Xing.

The Number One King Goblin took turns in attacking Ye Chen and Chen Xing, he attacked Ye Chen and Chen Xing with his powerful power of darkness.

The power of darkness possessed by the Number One King Goblin was unquestionable, it was powerful and capable of destroying all objects, if Chen Xing wasn't careful, she would have a pretty serious problem.

Ye Chen had dimensional strength, and was immune to darkness, so he advanced and did not care about the opponent's attack.

"You are so reckless" Chen Xing saw what Ye Chen was doing, what Ye Chen was doing was so reckless.

"I can withstand every attack from Number One King Goblin, you focus on attacking" Ye Chen said to Chen Xing.

Ye Chen wasn't going to get in trouble from this, so he told Chen Xing to just directly attack the Number One King Goblin and let him be the shield.

Ye Chen provoked, he pulled Number One King Goblin to attack him.

Number One King Goblin felt that Ye Chen was much more dangerous compared to Chen Xing.

That made Number One King Goblin chase after Ye Chen and attack Ye Chen.

The Number One King Goblin was able to move quickly, it chased and attacked Ye Chen.

Ye Chen coated his body with True God power and also God Thunder Armor, Ye Chen's physical strength was now very strong.

"Bam. ..." Ye Chen Number One King Goblin fought, they pitted their strength and saw who was better between them.

Ye Chen retreated when he collided with the Number One King Goblin, as Chen Xing explained, the body of the Number One King Goblin was so strong, it was extremely hard beyond anything, even with Ye

Chen's defense and the physical strength of various techniques and inheritance, Ye Chen was still forced to retreat.

"Are you okay?" Chen Xing asked Ye Chen.

"There are no injuries, it's just that the body is quite hard" Ye Chen told Chen Xing.

"I told you that from the beginning" Chen Xing said to Ye Chen, she had already told Ye Chen that.

If it was a normal person, they would have been crushed when they received such an attack, fortunately Ye Chen was so strong that he was able to survive.

The wounds from Ye Chen and Chen Xing's attacks recovered very quickly, in just a matter of minutes, the attacks from Ye Chen and Chen Xing had disappeared.

"Crazy, why does he have such strong regeneration" Chen Xing said.

Chen Xing looked helpless when she saw what was happening.

What was happening made Chen Xing feel dizzy. I think you should take a look at

"Come here" Ye Chen said to Chen Xing, he wanted to discuss something with Chen Xing.

"What's wrong?" Chen Xing asked Ye Chen, she wanted to know what Ye Chen wanted to talk about right now.

"The monster has such a strong and terrifying defense, ordinary attacks won't be able and able to penetrate the defense" Ye Chen said to Chen Xing.

"That is indeed true, do you have a way" Chen Xing said to Ye Chen.

"The only way right now is to defeat the Number One King Goblin by using a super strong attack and destroying it in one step" Ye Chen said to Chen Xing.

"That's impossible" Chen Xing told Ye Chen, it would be difficult even if there were more people.

"I also understand that it will be difficult, but we can do it, I will make a Void Abyss" Ye Chen told Chen Xing.

Ye Chen intended to throw the Number One King Goblin into the Void Abyss.

"If you can do that, I will go along with the plan you have" If Ye Chen could indeed do that, Chen Xing would not mind going along with his plan.

"Then please help" Ye Chen said to Chen Xing, he really needed help from Chen Xing to solve the problem.

"um. . ." They strategized, with the strategy they had, they should be able to defeat the Number One King Goblin.

Now that Chen Xing came forward, she would fly away the Number One King Goblin.

Meanwhile Ye Chen had prepared the Void Abyss, Number One King Goblin entered into the Void Abyss, everything would be completed easily without any problems.

"Goddess Wind Impact" Chen Xing created a wind that was so strong, if it was fired, it would blow away everything around.

Chen Xing's goal was to blow away the Number One King Goblin, so that the Number One King Goblin could enter the Void Abyss.

"I hope the plan you have is going smoothly" Chen Xing hoped that the plan Ye Chen had was going smoothly.

If not, Chen Xing didn't know what else she could do about this matter.

Ye Chen himself created a large enough Void Abyss for Number One King Goblin, that way Number One King Goblin would not be able to escape.

"Accept my attack" Chen Xing said to the Number One King Goblin.

The Number One King Goblin also launched an attack, he launched a powerful attack towards Chen Xing.

"eternal darkness shots" Number One King Goblin shot towards Chen Xing, with that the two attacks met and pushed each other.

"I don't want to lose" Chen Xing used all her strength, she did not want to lose against the Number One King Goblin.

The Number One King Goblin had such great strength, so he was able to push Chen Xing's attack away.

Chen Xing used all her strength, pushing Number One King Goblin back.

The two of them were trying to destroy each other's techniques.

"Bad, he's pushing me back even more" Chen Xing began to retreat, in terms of profound energy, it seemed like Number One King Goblin was far superior compared to him.

So it was not strange that Number One King Goblin was able to make Chen Xing retreat.

"I won't let you" Ye Chen came over, helping.

"Accept my attack" Ye Chen used Super celestial punch to destroy Number One King Goblin.

Ye Chen's punch hit the body of the Number One King Goblin, the body of the Number One King Goblin had to be shaken and his attack was off the mark.

Chapter 2804 Doctor Yuan Sheng Was Killed

Chen Xing took advantage of the opportunity made by Ye Chen, this opportunity could not be missed by Chen Xing.

"Boom" Chen Xing's attack hit the body of the Number One King Goblin, the body of the Number One King Goblin bounced towards the back.

The Number One King Goblin entered the Void Abyss, its body entered the Void Abyss and began to disappear.

"gahhh. . ." Number One King Goblin shouted, it seemed like he was feeling the pain of his body beginning to disintegrate as it was swallowed up by the Void Abyss.

After the body of the Number One King Goblin vanished, Ye Chen directly closed the Void Abyss.

"Did it work" Chen Xing asked Ye Chen, she wanted to know if Ye Chen succeeded.

"It should have worked, no one can survive the Void Abyss", Ye Chen said to Chen Xing.

"It's finally done" Chen Xing was happy when she heard this, they were finally done.

"The matter is over, let's continue" Ye Chen said to Chen Xing, he asked Chen Xing to continue.

"No, you're really too lewd" Chen Xing immediately refused, she rejected Ye Chen's invitation.

"Why?" Ye Chen asked Chen Xing.

"I'm tired" Chen Xing said to Ye Chen.

Chen Xing made an excuse for Ye Chen.

"If you're not tired, then it's fine" Ye Chen said to Chen Xing.

"You. . ." Chen Xing was helpless when she heard this.

It seemed like Chen Xing would not be able to escape from Ye Chen, she would not be able to escape from Ye Chen because she did not have a good enough reason for this.

"We can talk about that later, what happened to doctor Yuan Sheng ?" Chen Xing asked Ye Chen, she wanted to know what happened to doctor Yuan Sheng.

"he was there" Ye Chen told Chen Xing.

"Is he still alive?" Chen Xing asked Ye Chen, she wanted to know if doctor Yuan Sheng was still alive.

"Of course, he's alive, I couldn't have killed him" Ye Chen told Chen Xing.

"Good, we can find out who has helped him to do something like this, there must be a strong person who helped him, if not, then he wouldn't be able to do this".

Chen Xing knew that it took a lot of resources to resurrect the Number One King Goblin, there must be people who donated their resources for doctor Yuan Sheng to use.

"He's over there" Ye Chen said to Chen Xing.

Ye Chen pointed at the unconscious Doctor Yuan Sheng, it was obvious that Doctor Yuan Sheng was unconscious and in a coma.

Chen Xing approached, she looked at the condition of Doctor Yuan Sheng.

"He is still fine, there should be no problem" Chen Xing said to Ye Chen.

Doctor Yuan Sheng's condition was fine, so there was no problem to worry about and Chen Xing could immediately find out what was in Doctor Yuan Sheng's mind.

"Are you okay with me bringing him" Chen Xing said to Ye Chen.

"Of course, you can just take him away, he is of no use to me" Ye Chen informed that Doctor Yuan Sheng was of no use to Ye Chen.

"okay, I understand" Chen Xing understood, she would take doctor Yuan Sheng for interrogation.

With that Ye Chen and Chen Xing headed back to Chen Xing's palace.

Ye Chen woke up doctor Yuan Sheng, this person was babbling to Ye Chen and Chen Xing.

"Let go of me, you two bastards" said doctor Yuan Sheng.

He rant towards Ye Chen and Chen Xing.

Ye Chen and Chen Xing ignored what happened, they ignored what Doctor Yuan Sheng said and continued to fly forward.

"You two will regret it" Doctor Yuan Sheng said that Ye Chen and Chen Xing will regret what happened.

"That person will definitely get rid of you" Doctor Yuan Sheng said to Ye Chen and Chen Xing. I think you should take a look at

"It will be easier if that person comes" Ye Chen told Doctor Yuan Sheng.

Ye Chen was even happy if that happened, it would make their job much easier.

"That's right" Chen Xing also agreed with what Ye Chen said.

With that, they went to Chen Xing's palace.

They did not use Ye Chen's teleportation, they flew in a normal way.

The problem of the insects outside had also been resolved, although the number of casualties was quite large because of this incident.

Doctor Yuan Sheng must take responsibility for what he did, he must take responsibility for what happened to the world because of his actions.

When Ye Chen and Chen Xing were on their way back, there was a group of people waiting for Ye Chen and Chen Xing, they were very dangerous people.

"Who are they?" Ye Chen asked Chen Xing.

"I don't know" Chen Xing didn't know, she had never seen these people.

"They are probably mercenaries, their job depends on the order" Chen Xing told Ye Chen.

"Then they were hired by someone else" Ye Chen understood, these people were messengers from someone.

"What do they need from us?" Chen Xing was curious what they needed.

"I seem to have guessed correctly" Ye Chen said to Chen Xing.

"They must be targeting Doctor Yuan Sheng, the person behind the scenes must want to get rid of him.

"Then we must not allow that" Chen Xing said to Ye Chen.

"I totally agree" Ye Chen agreed, he agreed to listen to what Chen Xing said.

They did not speak to Chen Xing and Ye Chen, their task was very simple, kill Doctor Yuan Sheng for failing in his duty.

"Ignore those two people, just get on with the task" they targeted Doctor Yuan Sheng, they ignored Ye Chen and Chen Xing.

Ye Chen and Chen Xing did not remain silent, they stopped those who wanted to take Doctor Yuan Sheng.

"Don't let them take Doctor Yuan Sheng" Chen Xing said to Ye Chen.

"I understand" Ye Chen understood, he would make sure that no one would be able to take the body of Doctor Yuan Sheng.

Ye Chen and Chen Xing focused on the battle, since the number of enemies were more than them, they had to be extra careful not to miss.

"Bam-bam. . ." Ye Chen and Chen Xing defended very well, the mercenaries were unable to stop the two of them.

Ye Chen and Chen Xing were clearly stronger, it made them unable to be defeated easily by the opponent.

They had no chance to break through Ye Chen's defense, no chance to take Doctor Yuan Sheng away.

"Leave this place, you guys won't have a chance to get him" Chen Xing said.

Chen Xing told them to leave, there was no chance to take doctor Yuan Sheng away from Ye Chen and Chen Xing.

"Quickly save me from them" Doctor Yuan Sheng said to them, he told them to save him.

"Soon we will save you from suffering be prepared" they told Doctor Yuan Sheng.

After they said these words, an arrow shot out and pierced the body of Doctor Yuan Sheng from the back.

"What?" Chen Xing was don't believe when she saw this.

"From the back?" Ye Chen did not see that, that person must have shot far enough away that Ye Chen did not see that.

"The task is done, let's go" They had finished the task, they had to leave quickly.

"Who said you can leave" Ye Chen wouldn't let them leave.

Chapter 2805 Ye Chen Destroyed All The Mercenaries

Ye Chen was annoyed, all the hard work he did together with Chen Xing was suddenly destroyed by an unknown person, this naturally made Ye Chen angry.

They ignored Ye Chen and chose to leave this place.

Ye Chen felt annoyed when he was ignored, the people around this place were so annoying.

"These people, they are ignoring you" Chu Yuechan said to Ye Chen, she could see that Ye Chen and Chen Xing were not a threat.

"Do they think me and Chen Xing are weak" Ye Chen said to Chu Yuechan.

"It's possible, otherwise they wouldn't ignore you" Chu Yuechan said to Ye Chen.

"then let me show the strength I have, that way they will know the strength I have" Ye Chen said to Chu Yuechan.

This was the time for Ye Chen to show the power he had, he couldn't let this matter go because they were so arrogant.

"Azure Domain" Ye Chen opened such a huge domain, such a huge domain was opened by Ye Chen.

The ancient pressure that was so powerful and huge instantly enveloped hundreds of thousands of miles away, this pressure was so huge and powerful.

"What kind of power is this?" they were shocked by such a powerful pressure, this pressure was like a monster staring directly at them.

"This power, Azure Dragon, he has the soul of an Azure Dragon?" Chen Xing could instantly realize what was going on around her and knew what kind of pressure was around her.

Chen Xing was quite surprised by this, how Ye Chen could get the soul of Azure Dragon, it made her so curious.

"You have made me angry and want to just leave, do you think you are great and invincible" Ye Chen said to all of them.

Ye Chen was so angry, so it wasn't strange that he would create a Domain of this magnitude.

An arrow was shot towards Ye Chen, it was shot from a great distance.

Ye Chen caught the arrow using his bare hands, the second way like this would not work against Ye Chen.

"found" Ye Chen took advantage of this opportunity to track the opponent, he finally knew the whereabouts of the distant archer.

That person was hiding well, if not using God Eyes, Ye Chen wouldn't have found that person.

"It's time for all of you to gather" Ye Chen had created a Clone and immediately caught the person.

By using the Clone created by Ye Chen, Ye Chen managed to capture the archer in the distance.

Ye Chen picked up the person and brought him here quickly.

The mercenary group was surprised when they saw Ye Chen find their comrade.

Even though that person was the best archer in this world, he was able to hide himself well and was never found, surprisingly Ye Chen was able to find him so easily.

"Then this is the time to destroy you" Ye Chen said that he would destroy them.

"You don't want to come" Ye Chen asked Chen Xing, if Chen Xing didn't want to help Ye Chen.

"No, I won't help, you are enough" Chen Xing told Ye Chen, she felt that Ye Chen alone was enough to solve this problem.

So Chen Xing would not interfere and let Ye Chen solve this problem using her own means.

"Then I will destroy them all." Ye Chen said to Chen Xing.

They couldn't stay silent when they saw Ye Chen put up such a terrifying fight.

If they didn't put up a fight, then it would be a problem for all of them in this place.

"Then finish them off" they began to advance, under this pressure they were having considerable trouble.

Ye Chen welcomed the attacks from the opponents, he used his strength to destroy the opponents in front of his eyes.

They continuously attacked Ye Chen, all the attacks could not scratch Ye Chen's body.

Ye Chen's body was so strong, that they couldn't scratch Ye Chen.

"What's wrong with this guy, our attacks are blocked just like that" they couldn't believe that their attacks were blocked just like that by Ye Chen. I think you should take a look at

"The time you disappeared, God Slayer Lightning Shot" Ye Chen shot a large and powerful lightning bolt at them.

They tried to dodge Ye Chen's attack.

"Gahh . ." It was a pity that half of them failed to avoid the attack from Ye Chen.

They failed because they could not move freely around this place.

They were constrained by that problem so they could not move freely.

Ye Chen's attack was of course quite powerful, it was of course able to destroy all of them easily.

"Damn it. . ." They were so angry when they knew what happened, they could not forgive what Ye Chen did.

"I will kill you" Their leader was so angry at Ye Chen.

Ye Chen teleported, he immediately choked the neck of the leader of the mercenary group.

"You don't realize who you are fighting right now" Ye Chen said to their leader.

"Who are you?" He didn't know Ye Chen.

Ye Chen had put his God Mask back on, so his identity was unknown.

"I am the one who will destroy you" Ye Chen told that he will be the one who will destroy them all.

"That won't happen, don't underestimate us" He said that Ye Chen underestimated them all.

"They started to launch a counterattack towards Ye Chen." They started to launch a counterattack towards Ye Chen.

"Twin Knife of Flame" They started to attack Ye Chen, they attacked Ye Chen using a knife made of flame.

"Phewhh" Ye Chen blew that thing, all the flames went out immediately when Ye Chen did that.

"What?" They were all shocked when they saw what Ye Chen had just done.

They couldn't believe what Ye Chen had just done.

Ye Chen was very easy in putting out the fire they had, that alone made everyone feel surprised.

"What kind of monster is this" They said that Ye Chen was a monster.

"Looks like it's time to end it all" Ye Chen said that it was time.

Ye Chen did not want to spend enough time fighting them.

"DESOLATE PALMS" Ye Chen used the technique that was enough, DESOLATE PALMS.

Ye Chen launched several DESOLATE PALMS towards the enemy.

Because Ye Chen was now very strong, he could use DESOLATE PALMS many times without any problems.

An ancient palm came out from the clouds, the palm was so powerful and the aura was so intimidating.

"Arghhh. . . ." they tried to hold on, too bad the power of the DESOLATE PALMS was so strong.

They were all swept away by Ye Chen using DESOLATE PALMS.

Chen Xing watched all the way to the end, he kept them from escaping.

"Now that our witness is gone, there's nothing we can do about it" Chen Xing said to Ye Chen.

"What else can we do, there is nothing we can do" Ye Chen said to Chen Xing.

"Just ignore everything, there's no point in finding out anymore, that person must have eliminated all traces" Ye Chen said to Chen Xing.

Ye Chen told Chen Xing to ignore everything, there was nothing they could do right now.

And it seemed that person didn't want to find trouble with Ye Chen and Chen Xing, so it was better to ignore this matter for the time being.

Chapter 2806 Everyone Is In Good Condition

"I believe that for the time being they will not show themselves to us and will not make any other moves, it is likely that they are doing so to gain more power" Ye Chen told Chen Xing.

"You're probably right, after they make a big enough deal, they won't dare to show themselves for a while" Chen Xing agreed with what Ye Chen said.

"Let's go back to my place" Chen Xing said to Ye Chen.

"Of course" Ye Chen nodded, they returned to Chen Xing's place.

After returning, Ye Chen and Chen Xing discussed what they were going to do.

Chen Xing prepared various dishes for Ye Chen such as cakes and sweet things.

Chen Xing liked this kind of thing, so it wasn't strange that he got all this so easily.

"You are strong enough now, what is your next plan" Chen Xing said to Ye Chen.

Chen Xing wanted to know what plans Ye Chen had next.

"I have my own plans" Ye Chen told Ye Chen.

Just like Chen Xing had said, it was time for Ye Chen to make a big thing.

With all the knowledge he has now, he should be able to make such a big and great thing.

"So you have decided on that" Chen Xing saw that Ye Chen had already decided.

"I am happy to hear this from you, I hope you succeed, if you need help just tell me" Chen Xing said to Ye Chen.

"Of course, I will if I need help" Ye Chen said.

Ye Chen and Chen Xing chatted lightly, the two chatted lightly and discussed what the future would bring.

Ye Chen stayed a few days at Chen Xing's place, of course, day and night he was together with Chen Xing.

Chen Xing was so exhausted facing Ye Chen, Ye Chen was so strong and made Chen Xing have serious problems when facing him.

"uhhhh. . ., he's too strong" Chen Xing gave up, she wouldn't be able to face Ye Chen with her current ability.

"Do you know where Shen Niang is right now?" Ye Chen asked Chen Xing, he wanted to know where Shen Niang was right now.

"she is watching where your woman is, if it's her, I think it can be done" Chen Xing said.

Shen Niang had two tasks, the first was to watch over Shui Yixian and the second was to train Ye Chen's woman, these two difficult tasks were done by Shen Niang herself.

"Is there any suspicious movement from the Four-sided Immortal Palace" Ye Chen asked Chen Xing.

"As far as I know, there hasn't been any movement, it seems like they are still focusing on recruiting for their members, they are adding weapons and strength" so they won't do anything unexpected for the time being.

"They are so careful in such matters" Ye Chen said.

"If they are not careful in such matters, it will backfire on them" Chen Xing told Ye Chen.

It would be a complicated matter if they made any suspicious moves, that's why they chose not to do so.

"It turns out that they are scared too in such matters" Ye Chen said.

"That's normal, there are so many forces in this world, they won't be able to win just like that" Chen Xing said.

Chen Xing said that there are so many forces in the world, it won't be easy to conquer the whole land alone.

Ye Chen knew that it would be a difficult thing, but Four-sided Immortal Palace would not give up so easily before they managed to get their goal.

"Then I will leave" Ye Chen said to Chen Xing.

"I want to sleep, so tired" Chen Xing said to Ye Chen, she had never felt so tired as she did now.

"Good night" Ye Chen said good night, after which he returned to the Sect. I think you should take a look at

Ye Chen wanted to know what happened to them, whether they were okay or not.

Ye Chen returned, when Ye Chen returned, Zhang Ein and the others were on the chair and waiting for Ye Chen.

They seemed to be waiting for Ye Chen, they were all worried about Ye Chen's condition.

"You finally came back, are you safe" Wu Ziyi and the others asked Ye Chen, they wanted to see if Ye Chen was safe or not.

"I survived, everything is fine" Ye Chen said to Wu Ziyi and the others.

Ye Chen was fine, there were no injuries on Ye Chen's body and Ye Chen was so healthy.

"master, you have returned safely, is everything done" Zhang Ein asked Ye Chen.

"Everything is done, although it didn't go so smoothly" Ye Chen said to Zhang Ein.

"It doesn't matter, it's good to see you back" Zhang Ein said to Ye Chen.

Zhang Ein was happy that Ye Chen still returned in such good condition.

Ye Chen smiled when he heard this, he had returned in a very good condition, there were no wounds on Ye Chen's body, and Ye Chen was in a pretty good condition.

"What are you guys doing right now?" Ye Chen asked.

"We are here to wait for you, you should have given us some news, you have us all worried" said Jia Li.

"Sorry, I seem to have forgotten about that" Ye Chen apologized, he completely forgot to contact Jia Li and everyone.

He should have told them all that he was fine, it was a pity that he forgot about it and ended up having fun with Chen Xing.

While Ye Chen was having fun, they were worried, Ye Chen was not nice to all of them.

"Already, he's back, there's no need to scold him anymore" Shi Lin said to everyone.

"That's right, he has returned safely, so there is no need to worry anymore" Wu Ziyi said.

Wu Ziyi also helped Ye Chen, she didn't want Ye Chen to be scolded by Jia Li.

"You guys are probably right, he has returned safely, it's best to forget everything that happened" Jia Li finally let go of the matter and let Ye Chen be.

"Is it alright here?" Ye Chen asked everyone.

He wanted to know what happened to them during the insect attack.

"It's fine here, honestly the attack didn't reach here" Wu Ziyi said.

Doctor Yuan Sheng's attack didn't reach here, it only targeted the upper-class Stars and Realm.

Doctor Yuan Sheng wanted to inhibit the strong people, so weak stars like this were not targeted by Doctor Yuan Sheng.

"The attack only happened in a few places, and everything has been resolved, but the number of destroyed stars and Realm is quite a lot, I pity them" Zhang Ein explained in more detail, she had already looked into more details about this matter.

"I also listened to that, the methods they used were quite horrible, I feel sorry for everyone" Ye Chen said to everyone.

"It's good that you guys are okay, I'm glad to see you guys are okay" Ye Chen said to everyone.

Ye Chen hugged them all, he was happy to see that everyone was okay.

All the women gathered for a while, after finishing, they returned to their factions to do their work as usual.

Ye Chen contacted Bai Yuli and confirmed if she was alright.

Bai Yuli was fine, over there seemed to be safe as well and everyone who was there was safe.

Ye Chen had gotten an answer from Bai Yuli, so everything was safe and no one was bothering Ye Chen.

Chapter 2807 Making Large Transactions

Ye Chen looked at the storage he had, when Ye Chen looked at it, he found that there were not many profound crystals.

"Depleted?" Ye Chen was surprised to see this.

"Yuechan" Ye Chen asked Chu Yuechan, he wanted to know what happened.

"Oh, I forgot to tell you, I used all of them" Chu Yuechan said to Ye Chen.

Chu Yuechan explained that she used it all for Ye Chen's female training.

"Now I have no more capital" Ye Chen had no more capital, what should Ye Chen do now.

"Take it easy, if it's money, you can look for it again" Chu Yuechan said.

Chu Yuechan was confident in Ye Chen's ability, so she believed that Ye Chen could find more money.

"It's easy to say that" Ye Chen said to Chu Yuechan.

Ye Chen thought back, what should Ye Chen do right now.

"I think I should look for money elsewhere" Ye Chen decided to look for money elsewhere, it was the only way Ye Chen could do.

Chu Yuechan smiled as if it wasn't her fault.

"maybe I'll go to Desire Sky Villa to sell some of the things I made, that's a good choice" Ye Chen said to Chu Yuechan.

Ye Chen flew towards Desire Sky Villa, but before that Ye Chen had to sort out all the things he was going to sell, there was no way he would sell a bad thing, it would affect his reputation.

"Yuechan, when is Fei coming out?" Ye Chen asked Chu Yuechan.

"Why, do you need her help?" Chu Yuechan asked Ye Chen.

"She's quite smart in these matters, so it's no problem if she takes care of the business, it will be troublesome for me if I take care of everything by myself, if you can bring Yue along, she will be useful" Ye Chen said.

"It might still be a few months away" said Chu Yuechan.

Chu Yuechan told him that they were still practicing and needed a few months in the real world.

"Then it's time to look for more profound crystals for that purpose" Ye Chen said to Chu Yuechan.

"I agree with you" Chu Yuechan agreed with what Ye Chen said.

Ye Chen returned again Desire Sky Villa, after a long time, he finally returned again to Desire Sky Villa.

"It seems like I don't need to use the old identity that I used to help Shi Lin" Ye Chen probably didn't need to use his old identity anymore.

It would create trouble for Shi Lin's family if Ye Chen transacted alone, it was better for Ye Chen to use his own identity.

Ye Chen entered into the Desire Sky Villa, this place was still crowded even though there was no event happening.

"I seem to have to line up with others" Ye Chen looked at the line, it seemed like he had to queue up like everyone else.

Fortunately, the service inside Desire Sky Villa was fast, so Ye Chen only had to wait 10 minutes.

"What is it sir, do you want to buy or sell, please choose" the waiter asked Ye Chen.

"I want to sell" Ye Chen informed that he wanted to sell.

"What do you want to sell, pills, herbs, techniques or artifacts?" the waiter asked Ye Chen.

"I want to sell pills and artifacts, you guys accept in large quantities don't you" Ye Chen asked. I think you should take a look at

"Of course, how much you have, we will gladly accept" the waiter told Ye Chen.

"Then" Ye Chen took out everything he had selected, thousands of pills and artifacts appeared in front of the table.

"Huh?" the waiter who received Ye Chen was surprised when he saw the pile of weapons and artifacts in front, plus there were so many pill bottles.

"This master?" he asked Ye Chen, is Ye Chen going to sell all this.

"Can you count everything for me" Ye Chen asked the waiter, he wanted to count everything.

"Glup" the waiter gulped, all of these were good, he could see high-end bottles and artifacts.

"they are all Tier 10, crazy, this guy is so rich" he had never seen someone take out thousands of Tier 10 artifacts like Ye Chen in a public place.

"wait a minute" he wouldn't be able to handle this matter, he had to call the manager and all the staff for Ye Chen's handling of the matter.

that person left for a while, after a few minutes away, he came back with more than 10 people.

Ye Chen could see Du Rao among them, it was not strange that Du Rao was summoned, it was because Ye Chen brought a rather big business.

"Young master, come with me" Du Rao asked Ye Chen to go to a special room, it's not fun to do big transactions in public, they have to maintain secrecy inside.

Ye Chen just went along, he did the usual procedure and was taken to a special place.

Inside here, Du Rao had a special team take a look at all the things Ye Chen was carrying.

The special team that Du Rao had was so skilled, they could all easily tell what Ye Chen was carrying.

They were surprised by the quality of the weapons brought by Ye Chen, the quality was so good and expertly forged.

"Whose weapon master is this, it's so good" they asked Ye Chen.

"I happened to find it while on a trip" Ye Chen made a convincing excuse.

"So that's so" they just believed it, they didn't believe that this was made by Ye Chen.

Ye Chen was still very young, there was no way he could make something this good, so it was not strange that they wondered about this matter.

Ye Chen hid that he made this thing, this was to make things easier in the future.

"Then what about that pill" they asked Ye Chen.

"It was made by my acquaintance, it is well refined, so please give your best price" Ye Chen said that it was refined by an acquaintance.

Du Rao listened to this, Ye Chen's acquaintance must be a great person, because he can make pills with such a good purity level, not many people have acquaintances and connections like this.

From this alone, Du Rao can conclude that Ye Chen is a great person, and this kind of person must be treated well in order to come back to sell in this place.

they all worked together to do the appraisal, because it was Ye Chen's own creation and it was so complicated, so Ye Chen had to explain the artifacts one by one.

As for the pill, everyone seems to know, it's a good pill for cultivation and combat, not something rare but the quality is so good that it's enough to sell.

"Everything has been assessed, let's start talking about the price" Ye Chen said to Du Rao.

The conversation started to become more serious, this was the time to determine the prices for the items Ye Chen was selling.

"Here are the proposals for each price of the items you are selling" Du Rao gave Ye Chen a list of everything he was selling.

Chapter 2808 The Woman With The Hood Is Looking For Ye Chen Again

The list was quite long, that was because there were so many of them.

Although it seemed long, it only took Ye Chen a few minutes to read it all.

"Isn't this a little small" Ye Chen said to Du Rao, he told him that this price seemed small.

"Is our price unsatisfactory for you?" Du Rao asked Ye Chen.

"It's a bit low, you should raise it to 25%" Ye Chen told Du Rao.

"25% is too much for us" Du Rao said that 25% is too much.

"It can't be too much for you guys, you can still get more than this" Ye Chen told Du Rao.

Du Rao would not be able to fool Ye Chen, Ye Chen was much smarter and had checked the price first.

"Everything needs preparation, and Ye Chen has done that quite well.

Du Rao thought for a while, he saw that Ye Chen is so skillful, it seems like he should use the skills he has.

"but we can't sell too expensive, therefore we won't be able to buy at a higher price" Du Rao said.

Du Rao made an excuse to Ye Chen, he told him that he couldn't sell at a higher price than that.

"That's a problem, maybe I'll look for another place, they might be able to sell at a more reasonable price" Ye Chen told Du Rao.

Since Du Rao used that excuse, Ye Chen could certainly use the same excuse to buy somewhere else.

Du Rao was silent and stopped for a while, if until Ye Chen left, then it would be a problem.

Du Rao had to do something, he couldn't afford to lose Ye Chen's considerable profits.

"Then I'll just agree with your offer to go up to 30%" Du Rao said.

"I've changed my mind, it won't be easy to persuade me" Ye Chen informed that he has changed his mind, it won't be easy to persuade Ye Chen anymore.

"-_- " Du Rao was having trouble, he was really played by Ye Chen, now he had to do something to make Ye Chen become calmer.

"How about I give you 30%, think of it as a bonus" Du Rao gritted his teeth, there was no turning back after everything that happened.

"That's great, then I will gladly accept that" Ye Chen told him that he would gladly accept that.

Du Rao smiled wryly, he lost the deal with Ye Chen.

"Then I'll send the payment right away" After the deal was made, Du Rao immediately sent people, he sent people to settle everything.

Ye Chen received the payment, after feeling the amount was enough, he is now getting back his profound crystal.

"Yuechan, I finally got my money back" Ye Chen was happy about this.

"That's good, let me use it again" Chu Yuechan said to Ye Chen, she wanted to use it again.

"You are" Ye Chen was helpless when he listened to what Chu Yuechan said.

Chu Yuechan was still going to use the money Ye Chen had for her purpose again.

"I will keep this first, I also need this first" Ye Chen said to Chu Yuechan.

"Fufufufu" Chu Yuechan smiled as she listened to what Ye Chen said, what Ye Chen said was really very funny.

After Ye Chen finished the transaction with Du Rao, he left, his purpose here was finished.

"It's finally done" Ye Chen felt happy that his purpose has been completed.

Now Ye Chen can start making equipment to sell again, he will also sell pills to famous people, he can use Chen Xing as an intermediary.

"hey you, I finally found you" Someone called Ye Chen.

Ye Chen immediately looked at who was calling him, when Ye Chen turned his head, he found a woman with a hood.

"You. ." Ye Chen looked at the figure in front of him, he saw that this was the person who bought the protection talisman from Ye Chen. I think you should take a look at

"what do you need from me" Ye Chen asked, he wanted to know what the woman in front of him needed.

"I need a favor from you" she said to Ye Chen.

"What favor" Ye Chen asked the woman in front of him.

The figure of the woman in front was quite beautiful, even though she was wearing a cover, Ye Chen was sure that she was a beautiful woman.

"Please make me some of the bracelets that you sold" she said to Ye Chen.

"Huh, what for?" Ye Chen asked, he wanted to know what the woman in front of him wanted.

"For me" She told Ye Chen, she needed more from Ye Chen.

"have you used all of it, no way, what are you doing" Ye Chen obviously put some protection, there is no way it was used so quickly.

Moreover, it's only been 2 years, what kind of situation is going on with the woman in front of him.

"Don't ask so many questions, are you willing to help or not" she said to Ye Chen.

"Hmmm, it's a little difficult, I don't have the ingredients to make it" Ye Chen said to the woman in front of him.

"So forget it, it's quite difficult to get those ingredients" Ye Chen said.

The woman in front of Ye Chen was silent as she listened to what Ye Chen said.

"If there is nothing else, I will leave" Ye Chen said that he was going to leave.

"Wait a minute" she stopped Ye Chen.

"What else is it" Ye Chen asked.

"I will help you get the ingredients" she told Ye Chen.

"Why are you so insistent" Ye Chen said.

Ye Chen didn't know the reason, he felt that the person was so eager to get the protective talisman.

"To protect myself from bad people" she told that she wanted to protect her from bad people.

"Are you being targeted by bad people" listening to this, Ye Chen probably felt sorry.

"Maybe. . ." she said to Ye Chen.

"What does she mean by maybe" Ye Chen asked, what exactly is this woman hiding.

Seeing that she was unwilling to discuss what happened, Ye Chen decided to forget about this matter.

"I will pay you twice the price" she said to Ye Chen.

she would pay more to Ye Chen, she would not lie about the matter.

"I am not easy to buy with money" Ye Chen told her that he was not easy to buy with money.

"5x" the woman continued to raise the price, it seemed like the price was not a problem for her, most likely she was a rich woman, otherwise she would not be easy to spend money so easily.

"No, it won't work, just give up" Ye Chen told her that it wouldn't work.

Ye Chen still refused and tried to ignore the woman.

The woman might be troubled, so it was better for Ye Chen to be careful not to get too involved with the woman.

"10x, how about it, I will pay 10x, so please make me one" she said to Ye Chen, she asked Ye Chen to make one for her.

"Okay, I understand" after hearing this, Ye Chen naturally agreed.

"You're changing too fast" she said to Ye Chen.

Chapter 2809 Yu Muyin

"As long as it is a good deal, I will of course go" Ye Chen told her that he liked good deals.

"You" she was helpless when listening to what Ye Chen said.

"Then let's go, we can't waste any more time" Ye Chen said that they can't waste time.

"Where are we going to look for it, are we not going to look for it here" she asked Ye Chen.

"No, that will increase the production cost, we better go to the forest and start looking for it" Ye Chen told her that they could get it in the forest.

"You are quite stingy" she said to Ye Chen, she felt that Ye Chen was stingy or frugal.

"You shouldn't protest about this" Ye Chen told that he shouldn't protest about the current problem.

"okay, I won't protest" she told him that she wouldn't protest about it.

"Around this place there should be a forest where monsters nest, we can go there and look for it" Ye Chen said that around this place there was a forest that they could use to search.

"Are you sure there is" she asked Ye Chen.

"It's possible, we should look for it first" Ye Chen told them to look for it first.

The materials needed to make a protection artifact were very easy, it was made from the core of a ground magical beast and some other materials.

"Look for an earth magical with a strong defense, the stronger it is the better" Ye Chen told to look for an earth magical beast.

"Got it" she left immediately, without waiting for Ye Chen, she just went to look for the earth magical beast.

"I haven't finished explaining, and she already left alone, what a strange woman" Ye Chen said.

"Master, this woman is still quite young, and her aura is quite good, what do you think" Chu Yuechan said to Ye Chen.

"She is a bit indifferent to me, she only needs me, after that she will probably leave" Ye Chen said to Chu Yuechan.

"You're right, she hardly pays attention to you" Chu Yuechan agreed with what Ye Chen said.

"But it doesn't matter to me, as long as I get a lot of money, it's a big deal".

Ye Chen needs deep crystals, and he can get from this woman.

Ye Chen didn't really care about the matter of the woman's background, the important thing was that he got the money.

"You are very predictable" Chu Yuechan said.

"oh, yeah I don't even know her name yet, it seems like she has no intention of telling this matter to me"
Ye Chen said that he didn't know the name of the woman in front of him.

"Hey lady" Ye Chen chased after her, in no time at all, he had arrived near the woman.

"What?" the woman was surprised when she saw Ye Chen was able to catch up with her.

Even though she had used an extremely fast speed, why was Ye Chen still able to catch up.

"What's wrong?" She asked Ye Chen, it seemed like Ye Chen had something to ask.

"I want to know what your name is" he asked the woman in front of him.

"And please answer honestly" Ye Chen asked, he was curious.

"You must promise not to tell anyone else about my name" she told Ye Chen.

"Of course, you know that I am very good at keeping secrets" Ye Chen told her that he was good at keeping secrets.

"You have to swear an oath for me to believe you" she told Ye Chen.

"Of course, I swear to keep the secret" Ye Chen told her that he would keep the secret.

"My name is Yu Muyin" she told him what her name was.

"Oh so your name is Yu Muyin" Ye Chen finally knew what the woman's name was.

"You are not surprised after knowing who I am" She asked Ye Chen.

"Why should I be surprised to know who you are" Ye Chen asked Yu Muyin. I think you should take a look at

"You don't know me ?" Yu Muyin asked Ye Chen.

"Don't know, what's wrong?" Ye Chen said to Yu Muyin.

Yu Muyin was surprised when she heard this, the first time someone didn't know her.

"Are you joking with me, it's not funny" Yu Muyin said.

"Joking, what kind of joking, I'm not joking with you" Ye Chen spoke that he was not joking.

After all Ye Chen didn't really understand what Yu Muyin said, he thought what Yu Muyin said was enough to make Ye Chen feel confused.

Yu Muyin looked at Ye Chen, it seemed that Ye Chen was not joking with her.

"This guy, he really doesn't know me" Yu Muyin saw that Ye Che didn't know her, it was quite a shocking thing even for Yu Muyin.

"What's wrong ?" Ye Chen asked Yu Muyin.

"Nothing" Yu Muyin looked angry when she heard that, she looked angry at Ye Chen.

"? ? ? ?" Ye Chen did not understand, why this woman was angry at Ye Chen, it was a strange thing.

"Why do you need a protection bracelet so much" Ye Chen asked Yu Muyin.

"It's because I'm being chased by someone" Yu Muyin told Ye Chen.

"Are you a fugitive" Ye Chen asked Yu Muyin, if indeed Yu Muyin was a fugitive, it would be a problem if Ye Chen helped her.

"No way" Yu Muyin said to Ye Chen, she told him that she is not a fugitive.

"You know that my teacher went somewhere and hasn't returned yet" Yu Muyin said.

"Then what's the problem" Ye Chen asked Yu Muyin.

"That's the problem, inside the Sect where I'm practicing there are some people who are targeting me, so I felt unsafe and chose to run away, they didn't give up and continued to chase me with all their might" Yu Muyin said.

"Why are they chasing you, could it be that you have such a good artifact, or such a good technique, this is very interesting" Ye Chen said to Yu Muyin.

"It's not like that" Yu Muyin immediately refuted Ye Chen.

"Then" Ye Chen asked Yu Muyin, he wanted to know the reason.

"They targeted me directly" Yu Muyin told that she was targeted by them.

"Probably because you are quite a pretty woman, it is troublesome to be a pretty woman" Ye Chen said to Yu Muyin.

"That's absolutely true, they are all stubborn people and I don't like them" Yu Muyin didn't argue about this matter.

"You're pretty good yourself, isn't anyone after you" Yu Muyin asked Ye Chen, Ye Chen's appearance was very good, there should be some beautiful women after Ye Chen.

"There is and it looks very troublesome" Ye Chen said to Yu Muyin.

"Who is it?" Yu Muyin became interested in Ye Chen's story, somehow she could quickly become familiar with Ye Chen, this was not like her usual self.

"If I tell you, you won't believe me" Ye Chen said to Yu Muyin.

"Of course I will believe, just say it" Yu Muyin said to Ye Chen.

Yu Muyin would try to believe what Ye Chen said, Ye Chen would not lie to her.

"It's a pretty woman, but quite dangerous, many people have given me warnings" Ye Chen said.

Ye Chen did not want to mention it, he only gave some characteristics to Yu Muyin.

"So that's so, it might be troublesome for you" it seemed like Ye Chen was also having troubles of his own.

"Oh look, in front there is a stone Lizard" Ye Chen said to Yu Muyin.

"I'll take care of it, you watch from here" Yu Muyin said to Ye Chen.

Chapter 2810 The People Chasing Yu Muyin Came

"Are you sure you don't need help from me" Ye Chen asked Yu Muyin.

"That's not necessary, I can solve this problem on my own" Yu Muyin said that she could easily handle weak monsters like the rock lizard.

"Then I will watch from this place" Ye Chen told her that he would watch everything from this place.

Ye Chen saw the battle from Yu Muyin, he wanted to see what Yu Muyin could do.

Yu Muyin picked up a double sword weapon.

"She's a double sword user" Ye Chen saw that Yu Muyin was using a double sword.

And both swords owned by Yu Muyin looked quite beautiful, she had such beautiful and shiny looking swords.

"That woman's weapons must be very expensive" Chu Yuechan said to Ye Chen, she was sure that the weapons owned by Yu Muyin were expensive.

"Of course, I also believe that" Ye Chen also believed that the weapons owned by Yu Muyin must be expensive.

"That woman master is so rich" Chu Yuechan said to Ye Chen.

Ye Chen of course immediately understood what Chu Yuechan wanted to say.

"Hehehehe, I understand, I'll try to get a little more" Ye Chen said to Chu Yuechan.

"You already realized what I said" Chu Yuechan said.

"Of course, I'm not that stupid" Ye Chen said to Chu Yuechan.

Yu Muyin started fighting, she fought with quite good and beautiful moves.

Every move was elegant and she jumped here and there quickly and directly targeted the weak point of the stone lizard.

"Looks like she doesn't need any help from me" Ye Chen believed that Yu Muyin didn't need any help from him.

By using two swords and also a good technique, Yu Muyin could certainly easily defeat the stone Lizard in just a matter of minutes.

"Dual Slash" she attacked and destroyed the Stone Lizard's defenses for the last time.

"Done" Yu Muyin finished, she successfully finished and took the core.

"I've finished" Yu Muyin said to Ye Chen, she told Ye Chen that she had finished.

"Such good work, you are really good" Ye Chen said to Yu Muyin.

"So you got all the materials you wanted" Yu Muyin said to Ye Chen.

"I didn't get all of them" Ye Chen told her that he didn't get all of them, there were many things that Ye Chen still didn't get.

"So we still have to search again" Yu Muyin looked helpless when she heard this.

"Of course, there are still some materials that I need" Ye Chen informed that he still needed some more materials.

"I understand" Yu Muyin understood, she would help Ye Chen.

With that Ye Chen and Yu Muyin returned to search around, they returned to search around this place.

While Yu Muyin helped as much as she could, they spent 1 whole day searching for all the materials.

Because this place was spacious and so well-equipped, Ye Chen and Yu Muyin could find what they were looking for so easily.

"I'm done, then I can make it for you" Ye Chen said to Yu Muyin.

"Please" Yu Muyin asked Ye Chen for help.

"Let's find some shelter, it will take a little longer" Ye Chen told Yu Muyin.

"I understand" They looked for a safe place to shelter, they found a hole that could be used.

Ye Chen checked if there was anything inside, after he confirmed that there was nothing inside, they entered.

"This place is a little narrow" Yu Muyin told him that this place was narrow.

"If you don't want to, you can wait outside, I don't mind" Ye Chen told Yu Muyin.

"No, I'll stay here" Yu Muyin was hiding, so a place like this was good enough for her. I think you should take a look at

Ye Chen started forging, he melted the iron and all the materials together.

Yu Muyin saw the process done by Ye Chen, she was quite curious about what Ye Chen was doing.

"You are pretty good too" Yu Muyin said to Ye Chen, she told him that Ye Chen was pretty good.

"This is not much, making protection items is much easier than attacking items" Ye Chen told Yu Muyin.

"I see" Yu Muyin began to understand, she listened to Ye Chen's explanation.

"Do you want to request shape or appearance?" Ye Chen asked Yu Muyin.

"I don't really care, as long as it functions well, then I don't mind" she said to Ye Chen.

Yu Muyin prioritized function over appearance, as long as it worked well like last time, then it was enough for Yu Muyin.

"I understand" Ye Chen understood, since Yu Muyin didn't care about this matter, Ye Chen could make at will without any problems.

Although Ye Chen made as he pleased, Ye Chen still made sure that it would be suitable to wear, it would be disappointing if Ye Che made something ordinary.

"clang" The sound of Ye Chen's hammer resounded, he made the best bracelet and shaped it the best he could.

Ye Chen was too focused and couldn't be bothered, he was showing the best of his abilities.

After a few minutes later, Ye Chen finished, he finally finished making one.

"okay finished one, just a few more to go" Ye Chen had quite a lot of orders, so he had to start quickly.

"tap. . . ." Ye Chen and Yu Muyin listened to the sound of people landing which was not far from their place.

"What is it?" Ye Chen asked Yu Muyin.

"Let me take a look" Yu Muyin said to Ye Chen, she would take a look at it for Ye Chen.

"Okay, I will proceed to repair the accessories, be careful" Ye Chen said to Yu Muyin.

"thanks for the warning, I'll be careful" With that Yu Muyin went out and found out what was going on out there.

When Yu Muyin came out, she saw the group of people who were already waiting for her.

They surrounded Yu Muyin and had even created a super large barrier that was not easy to break through.

"There is no way to run" Yu Muyin saw that there was no way to escape, she found no way to get out of the current situation.

"Give up and surrender yourself" he said to Yu Muyin.

"No way, I will not surrender myself" Yu Muyin said that she will not surrender.

"If you are not willing to surrender yourself properly, we will take you by force" They told her that they would take Yu Muyin by force.

"Do it if you can" Yu Muyin said to all of them.

"Catch her" They all immediately tried to catch Yu Muyin.

Yu Muyin did not stay silent when she saw what was happening, she took out her double sword weapon and started to fight.

"clang" a battle between fellow Sects occurred, here it can be seen that they have almost similar attacks to each other.

"What's going on above" Ye Chen listened to the battle, he could hear that there was a battle between Yu Muyin and the people above.

"It looks like she is fighting" Chu Yuechan said.

"Is she alright, is it necessary for me to help her" Ye Chen wanted to help Yu Muyin.

"Better not yet, let's see and hear what happens, we don't know what happened between them" Chu Yuechan told Ye Chen.

Chu Yuechan told Ye Chen to watch and listen to what happened.

Ye Chen followed the advice said by Chu Yuechan, he wanted to know what happened between them.

"Yu Muyin just surrender, the Sect young master wants you back" they said to Yu Muyin.
