

True God 2811

Chapter 2811 Taking Refuge In The Barrier

"I don't want to be with that person" Yu Muyin refused very firmly.

She firmly refused to come back and meet that person.

"You still insist on running away, you won't be able to run away, so give up right now" They had made a barrier so that Yu Muyin couldn't escape from this place.

The situation of Yu Muyin was quite bad, she couldn't leave this place easily.

Yu Muyin tried to find a gap, unfortunately they had used such a large formation this time, there was no gap that Yu Muyin could see.

"It's bad, I don't see any gaps around this place" Yu Muyin didn't have a place to escape.

"Clang-clang" the battle became more and more fierce, they did not want to let Yu Muyin escape.

In terms of strength, Yu Muyin was definitely no match for any of them.

"Our preparations are quite mature, there is no way for you to escape from this place" they said to Yu Muyin.

"The leader of the group that carried out the ambush is Tan Gojo, he is an elder and his cultivation is above than, where he is already at the middle level of Immortal Rebirth God Realm.

That is much higher than what Yu Muyin has, she has the first level only and there is obviously no chance of being able to win against Tan Gojo.

"Clang. ." they didn't even need a technique to capture Yu Muyin.

Just by using weapons alone they could easily capture Yu Muyin.

"Let me go" Yu Muyin told them to let her go.

"We won't let you go, we have been chasing you for a long time, you are too smart, now that you are caught, you better prepare yourself for the first night with the young master of the Sect, it will be a good thing for you" Tan Gojo told Yu Muyin.

"I don't want to" Yu Muyin told him that she didn't want to, she didn't want to do that.

"You don't have a choice, and we don't have a choice either" Tan Gojo said that they didn't have a choice, this was an order and they wouldn't be able to defy the order.

"Hey, what's going on here" Ye Chen had been watching what happened from the beginning to the end, he finally knew what happened in this place.

"Who else is it ?" they looked at Ye Chen, they didn't know who Ye Chen was.

"I am a craftsman, what is going on here" Ye Chen asked everyone.

He wanted to know what happened, why did they do this.

Ye Chen actually already knew what happened in this place, but he pretended not to know.

"Just kill him" Tan Gojo said and ordered to kill Ye Chen.

Ye Chen raised an eyebrow when he heard this, he had just come out and they wanted to fight against him, of course Ye Chen would not stay silent with this matter.

He would naturally fight back when faced with a situation like this.

"wait don't involve him, he is innocent" Yu Muyin said to Tan Gojo.

"Do I care, I don't care about that matter at all" Tan Gojo didn't care, he didn't want this news to spread, so it was better to eliminate all witnesses.

"Kill him" Tan Gojo gave the order, he ordered everyone to kill Ye Chen.

They pointed their weapons towards Ye Chen, they prepared to kill Ye Chen.

"No... . ." Yu Muyin took something out, she took out a gem that was kept inside the gap on both double peaks.

After Yu Muyin took out that thing, this entire place was enveloped by an Ice wall, Tan Gojo and everyone around were removed by the wall.

Ye Chen and Yu Muyin were inside, while the others were outside.

"He, he used the Ice birdcage gem" Tan Gojo was angry when he saw what happened. I think you should take a look at

"We won't be able to break through the defense of the Ice birdcage gem.

"No need to worry, it only lasts for 3 days, after that it will disintegrate on its own" Tan Gojo said that they could only last for 3 days, after three days they would no longer have a chance to hide.

"Let's wait here, let's strengthen the defenses" Tan Gojo said.

Tan Gojo gave the order to hold on, as long as they could hold on, then they would be fine.

"Good" they all got to work and began to strengthen the defenses.

"Why did you do that?" Ye Chen asked Yu Muiyin.

"To help you" Yu Muiyin used the Ice birdcage gem to help Ye Chen.

"But the result will still be the same, it can only last 3 days right?" Ye Chen said to Yu Muiyin.

"You might be right, but at least we still have time" Yu Muiyin said to Ye Chen.

"Time" Ye Chen asked Yu Muiyin.

"That's right, when this barrier runs out, I will buy time with all the power I have, that's when you just leave this place" Yu Muiyin told Ye Chen.

"You want to inflame yourself" Ye Chen said to Yu Muiyin.

"There is no other choice, I will do just that" Yu Muiyin said.

"I'm the one who has dragged you into this matter, so I have to take responsibility" Yu Muiyin had dragged Ye Chen into a matter of hers, so she would take full responsibility.

"You are a troublesome woman, you shouldn't have done that, I can take care of myself" Ye Chen said to Yu Muiyin.

Yu Muiyin just smiled when she heard this, Ye Chen probably just wanted to show off a little to her.

"But why are they so persistent with you" Yu Muyin said to Ye Chen.

"That person will still try to get me, he won't give up on getting me" Yu Muyin said to Ye Chen, she told Ye Chen that the Sect's young master was a bit strange, he was the one who targeted all the women in the Sect and was quite hated by all the men.

"Oh so that's it, he's a pushy person" Ye Chen said.

"That's right, that's why I don't like him" Yu Muyin said.

"Then why do you persist?" Ye Chen asked Yu Muyin.

If that was the case, why did Yu Muyin stay.

He should have just left and not continued.

"It's because I have a great and good master, she protects me enough, with her protection, I am safe" Yu Muyin said to Ye Chen.

"So as you said, she disappeared" Ye Chen said to Yu Muyin.

"Um... ." Yu Muyin nodded, otherwise none of this would have happened.

"Then why didn't you ask for help from your family" Ye Chen asked Yu Muyin.

He was sure that Yu Muyin had a good background and she should be able to ask for help from family for such matters.

"It's such a complicated matter, it's not easy to solve such a problem, and I don't want to trouble my family" Yu Muyin didn't want to bring this matter into a more complicated realm, it would be a bigger problem.

"So then, I can understand" Ye Chen could understand, he could understand what Yu Muyin felt.

"Here is your bracelet" Ye Chen said to Yu Muyin.

"This might be able to help you" Ye Chen said to Yu Muyin.

Chapter 2812 stuck together with Yu Muyin

"That doesn't seem necessary" Yu Muyin said to Ye Chen.

"Why?" Ye Chen said to Yu Muyin.

"We are already surrounded, it probably won't be able to help much" Yu Muyin said to Ye Chen.

"Look, don't give up before it's completely destroyed, are you going to give up before you're destroyed"
Ye Chen said to Yu Muyin.

Yu Muyin listened to what Ye Chen said.

She started thinking again when listening to what Ye Chen said.

"Very good words, I will remember that" Yu Muyin said that she will remember that well.

"um. . ." Ye Chen nodded.

"So what are we going to do now ?" Ye Chen asked Yu Muyin.

What can they do now, can they do something about this matter.

"I don't know what to do now" Yu Muyin said that she didn't know what to do now.

"Maybe we can start to dig and leave from the bottom" Ye Chen said to Yu Muyin.

"No way, this cage is circular from top to bottom, you won't be able to get out even if you dig" Yu Muyin said to Ye Chen.

"How about we start using the teleportation stone" Ye Chen said.

"That can't be done either, I told you that we won't be able to do anything in this place" Yu Muyin said to Ye Chen.

"It's really troublesome" Ye Chen said.

"That's exactly right, it's really troublesome" Yu Muyin said to Ye Chen.

"Because there is nothing we can do, we can only sit still in this place" Yu Muyin said to Ye Chen, she told him that there is nothing they can do right now.

"Understood" Ye Chen understood, for now Ye Chen would stay together with Yu Muyin in this place first.

Ye Chen might be able to destroy the barrier, but he didn't do this.

It was better for Ye Chen to take this opportunity to get to know Yu Muyin better.

Yu Muyin was only together with Ye Chen, she chatted lightly with Ye Chen.

Although it was only for a while, she felt that she was so close to Ye Chen, a feeling that was quite strange for Yu Muyin.

"Let's cook some good food" Ye Chen said to Yu Muyin.

"You, you are not panicking at all about the current situation?" Yu Muyin said to Ye Chen.

"No, I'm not really panicking at all, life is beautiful, just enjoy it while you can" Ye Chen said to Yu Muyin.

Ye Chen then took some meat that had been cleaned and had been stored in the Space Ring, Ye Chen made some dishes with the existing seasonings.

At first Yu Muyin was not too interested in what Ye Chen was doing, but as time went by, she began to be interested in what Ye Chen was doing.

"What is it?" Yu Muyin asked Ye Chen, Steak, due to the limited equipment and ingredients, it looks like this is what can be cooked" Ye Chen said to Yu Muyin.

Yu Muyin looked closely at Ye Chen's method, Ye Chen's method was quite new and made Yu Muyin curious.

Plus the aroma of the spices and all the mixed ingredients spread and made Yu Muyin interested.

"You want some" Ye Chen asked Yu Muyin.

"Um . . ." Yu Muyin nodded, she unconsciously nodded to Ye Chen.

Ye Chen gave one to Yu Muyin, he wanted Yu Muyin to taste it first.

Yu Muyin received what Ye Chen gave her, after which she tasted it.

"Ummm. . ., it tastes so good" Yu Muyin said to Ye Chen, she felt that the flavor of this thing was so good.

"Thank you very much" Ye Chen was grateful for the praise given by Yu Muyin.

"You are so great for being able to make something like this" Yu Muyin said to Yu Muyin.

"I'm not that great, it's just a normal thing" Ye Chen said.

After that Yu Muyin went back to eating and Ye Chen also ate.

Both of them seemed to be enjoying their food well and Yu Muyin finished a whole piece.

"Ummm, so good, I really like this" Yu Muyin felt full, she enjoyed it.

After she finished eating, Yu Muyin finally removed her hood.

A beauty that looked a little cold appeared in front.

This woman had black hair with clear intense blue eyes, her hair was also quite straight and long below the waist.

There were a few small decorations worn to enhance her appearance, it was absolutely perfect.

"Wow, you are quite beautiful and attractive" Ye Chen said to Yu Muyin.

"Thank you very much" Yu Muyin was grateful that Ye Chen had praised her.

"Why did you hide that ?" Ye Chen asked Yu Muyin.

"It's troublesome if many people know, if I show myself, the news will spread" Yu Muyin said.

"It's not strange, you are very beautiful, worthy of being called a goddess" Ye Chen said to Yu Muyin.

"It was a little strange when I first met you, did you not recognize me" Yu Muyin asked Ye Chen.

"We met twice, of course I'm not very familiar, but with a beauty like that you should be quite popular" Ye Chen said.

"You are, where did you come from, even though I am on the list of 10 goddesses who are quite popular" Yu Muyin said.

Yu Muyin was annoyed that Ye Chen didn't realize.

"Seriously, you're that Yu Muyin" Ye Chen finally came to his senses.

"Stupid, your reaction is too late" Yu Muyin said.

Ye Chen didn't think too much about it, in this world there were many people with the same name, so he didn't think that Yu Muyin in front of him was one of the beauties on the list.

"it's not my fault, I've also never seen you and I heard that you are quite hard to see, it's not strange because every time you use that thing to cover your whole body" because Yu Muyin used a hood that was quite big, it was hard to see Yu Muyin.

"To be honest you're right, I do often use a cover up when I go out, being pretty is a bit troublesome" Yu Muyin said.

Yu Muyin didn't really like it when there were a lot of people who came and started to interfere.

"I can understand" Ye Chen said.

"Are you also experiencing the same thing?" Yu Muyin said.

"Maybe, I'm even happy because there are some beautiful women chasing after" Ye Chen said to Yu Muyin.

"Looks like I misjudged you" Yu Muyin said.

"Hehehehe" Ye Chen chuckled when he heard this.

Ye Chen and Yu Muyin chatted very casually, they were doing this and felt that it was fun.

Yu Muyin was even enjoying this moment, but time was quickly passing, they only had ½ time left before this protection was destroyed.

Yu Muyin thought of the worst situation that could happen, honestly she did not like that kind of situation.

"I guessed that I don't like that situation" Yu Muyin felt that she didn't like that situation, what should she do now.

Yu Muyin looked at Ye Chen, when she saw Ye Chen, she came up with a pretty bad idea, but she quickly discarded the idea.

Ye Chen himself was quite relaxed, he could still sleep and lie down without any problems or fear.

This was nothing for Ye Chen, so what was Ye Chen afraid of, he wouldn't be afraid of such matters.

"hey" Yu Muyin said to Ye Chen.

"What's wrong?" Ye Chen asked Yu Muyin.

Chapter 2813 Yu Muyin became so provocative

"What would you do if you were in my position" Yu Muyin asked Ye Chen, what would Ye Chen do if he was in Yu Muyin's position.

"Do something you can and don't hold back, it seems like you need that" Ye Chen said to Yu Muyin.

"So you think like that" Yu Muyin understood, she seemed to be starting to understand what Ye Chen was saying.

"Of course" Ye Chen said to Yu Muyin.

"Then" Yu Muyin approached towards Ye Chen.

"What's wrong?" Ye Chen asked Yu Muyin.

Why is Yu Muyin approaching towards him.

Yu Muyin did not answer the question asked by Ye Chen, she just moved and climbed on top of Ye Chen's body.

"what are you doing?" Ye Chen asked Yu Muyin.

"Because of this situation, there is no other way" Yu Muyin said to Ye Chen.

"There is no other way, what do you mean?" Ye Chen asked Yu Muyin.

"Instead of giving it to that person who I don't like, it's better to give it to you" Yu Muyin told Ye Chen.

"Give it to me" Ye Chen seemed to already know what Yu Muyin wanted.

Ye Chen did not expect that Yu Muyin would say such a thing.

"What's wrong, don't you want to?" Yu Muyin asked Ye Chen.

"It's not like that, what happened to you, are you drunk or something" Ye Chen asked Yu Muyin.

"I'm not drunk and sober" Yu Muyin told that she was sober.

"Do you think I'm not seductive" Yu Muyin asked Ye Chen.

"Of course you are very seductive, you are a beautiful and lovely woman" Ye Chen told Yu Muyin.

"Then why are you hesitating, are you not a man?" Yu Muyin said to Ye Chen.

Seeing Ye Chen still hesitating, Yu Muyin started to doubt that Ye Chen was a man.

"Hey, I am a man, so don't tease, I might get out of control if you keep teasing me" Ye Chen told Yu Muyin.

If Yu Muyin continued to tease Ye Chen, Ye Chen would get out of control.

It was very difficult to hold back when a beautiful woman was so provocative, and Ye Chen was also in trouble because the bottom had started to wake up as a result of Yu Muyin.

"So it's like that" Yu Muyin understood, she began to understand that Ye Chen was interested in her.

To make Ye Chen become excited, she had to make Ye Chen become passionate, and it seemed like Yu Muyin knew what to do.

Yu Muyin felt embarrassed doing this, but there was no other way, at least she didn't hate Ye Chen and felt Ye Chen was much more comfortable when they were together.

Yu Muyin started to take off her clothes, she took off her dress and showed some beautiful skin to Ye Chen.

"Glup. . ." Ye Chen was naturally excited when he saw what Yu Muyin was doing.

How Yu Muyin did that, it was so tempting and made Ye Chen excited.

"I'm sorry, you are indeed a tease" Ye Chen said to Yu Muyin.

Yu Muyin was surprised by Ye Chen's confession, she was happy with the confession Ye Chen had.

"Then please treat me well" Yu Muyin said to Ye Chen.

She asked Ye Chen to treat her well.

"Of course, I will treat you well" Ye Chen told that he would treat Yu Muyin well, he would not let Yu Muyin's beauty and sacrifice go to waste.

Yu Muyin was the one who invited Ye Chen first, so why would Ye Chen hesitate.

There was a beauty in front of him who wanted to do with Ye Chen.

As a young and strong man, Ye Chen had to accept well.

Ye Chen did not waste any time, he immediately took off all the clothes on Yu Muyin's body.

Yu Muyin was surprised when she saw Ye Chen let go of all that so quickly.

Ye Chen was so skillful, it made Yu Muyin a little surprised.

In just a matter of seconds, he stripped Yu Muyin.

Yu Muyin was still shy, so she covered her body using her hands so as not to be too embarrassed.

"Why are you covering your body using your hands ?" Ye Chen asked Yu Muyin.

"It's embarrassing" Yu Muyin said.

Yu Muyin felt embarrassed when showing embarrassing things to the opposite sex.

"If you are embarrassed, why did you do such a thing ?" Ye Chen asked Yu Muyin.

"It's because I want to do it together with you, if it's you then it's fine" Yu Muyin said.

"You won't regret this right?" Ye Chen asked Yu Muyin.

"There is no way I will regret this" Yu Muyin told him that she will not regret it.

She had promised Ye Chen, and she would give the thing to Ye Chen.

Instead of Yu Muyin giving it to someone she didn't like, it was better to give it to Ye Chen who she liked more.

"If you say so, I also won't hesitate anymore" Ye Chen told Yu Muyin.

He would no longer hesitate about what happened.

Ye Chen began to touch and caress the body of Yu Muyin.

A strange feeling began to spread throughout Yu Muyin's body.

"ahhhhh. . ." Yu Muyin cried out and could not help but feel this feeling.

"What is this, it's strange" Yu Muyin said to Ye Chen.

She told Ye Chen that this felt strange.

"You don't need to hold back, you will definitely enjoy it" Ye Chen said.

"Wait, this is too strong" Yu Muyin told Ye Chen.

She wouldn't be able to hold on if it continued like this.

Ye Chen ignored Yu Muyin, he chose to continue with it.

"No... . ." Yu Muyin cried out, she was unable to endure, this was really too comfortable for Yu Muyin.

Yu Muyin did not know that the feeling of doing such a thing was so beautiful, this was so beautiful and Yu Muyin could not help it.

Ye Chen's hand reached Yu Muyin's double peak, he squeezed it and it felt so soft and supple.

"No... . ." Yu Muyin said to Ye Chen, a strange feeling arose and Yu Muyin felt that her mind was going crazy.

Yu Muyin had never done anything like this, of course she did not know what kind of feeling Ye Chen gave her.

"Bad" at first Yu Muyin thought that it would be easy, but it seemed that it would not be easy and she started to be dominated by Ye Chen.

Yu Muyin also started to follow Ye Chen, somehow her body did not want to listen to herself and chose to go with Ye Chen.

"Can I kiss you ?" Ye Chen said to Yu Muyin.

"um..." Yu Muyin nodded to Ye Chen, she allowed Ye Chen to do so.

Ye Chen happily did so, he kissed the small lips of Yu Muyin.

"Ummmm. ." the two kissed, this was a new feeling again for Yu Muyin.

Yu Muyin felt such a beautiful feeling when their two lips met.

It was just a normal kiss at first, but after that Ye Chen became even bolder and kissed even crazier.

Yu Muyin could not possibly put up with this, she would not be able to endure after feeling a kiss like this.

Both of their tongues entangled, Yu Muyin who originally didn't know anything started to learn from Ye Chen and they started an adult kiss that was so passionate.

Chapter 2814 Ye Chen & Yu Muyin (1)

Yu Muyin started to like the feelings Ye Chen gave her, she enjoyed the feelings Ye Chen gave her.

"How is it?" Ye Chen asked Yu Muyin, he wanted to know the feeling Yu Muyin had.

"Very good and very comfortable, why is it so comfortable ?" Yu Muyin's ignorance made her ask Ye Chen.

"This is a normal reaction for lovers" Ye Chen told Yu Muyin.

"So, it's not strange that many people like it, this feeling is so good" Yu Muyin said to Ye Chen.

"There are still many more fun things to do" Ye Che told Yu Muyin that there were still many more fun things to do.

"Are you serious" Yu Muyin said to Ye Chen.

"Of course, I am serious, I will make you as comfortable as possible" Ye Chen said to Yu Muyin.

With that Ye Chen started to make Yu Muyin feel comfortable from his technique.

"ahhhh. . ." Yu Muyin's voice leaked out, she couldn't help but let her voice leak out when receiving Ye Chen's touch.

In addition, Ye Chen continued to play with her double peaks and made herself unable to hold back and finally reached the limit.

"What is this feeling ?" Yu Muyin felt such a strange feeling, a feeling that made her feel confused.

"Why?" Ye Chen asked Yu Muyin.

"It's too comfortable" Yu Muyin told Ye Chen that this feeling was so comfortable.

"I'm happy to hear this" Ye Chen told her that he was happy to hear that Yu Muyin was happy with what he was doing.

Ye Chen taught Yu Muyin so many things, he made Yu Muyin feel his power.

Yu Muyin was so happy with what Ye Chen did, a feeling that was so comfortable made Yu Muyin feel comfortable.

"Ye Chen, how about you" Yu Muyin asked Ye Chen.

"What's wrong?" Ye Chen asked Yu Muyin.

"It's not fair if only I feel happy" Yu Muyin said to Ye Chen.

"Let me help too" Yu Muyin said.

Yu Muyin told that she wanted to help Ye Chen.

"Are you sure you can do that?" Ye Chen asked Yu Muyin.

"Of course, I'm sure that I can do that, don't underestimate me"

Yu Muyin told Ye Chen not to look down on a beautiful woman like Yu Muyin.

Yu Muyin can definitely do that easily.

"Alright, I won't underestimate a beautiful woman like you" Ye Chen understood, he wouldn't underestimate the ability and strength possessed by Yu Muyin.

Yu Muyin helped Ye Chen undress, she helped kindly and with tenderness.

Yu Muyin blushed slightly when she helped Ye Chen undress.

Yu Muyin could see Ye Chen's body which was so good and also perfect.

Besides being handsome, Ye Chen also had a good body shape, so it was not strange that Yu Muyin was interested in this matter.

Yu Muyin was interested in Ye Chen's body, so she touched Ye Chen's body and felt the sensation when touching Ye Chen.

The sensation when touching Ye Chen was really very good, she really liked it.

Yu Muyin started to tease Ye Chen, she touched and made Ye Chen comfortable.

Her cold hands made the heated Ye Chen feel comfortable.

After being satisfied touching Ye Chen, Yu Muyin proceeded downwards and opened Ye Chen's bottom.

When she opened the bottom, she was immediately shocked by Ye Chen's thing.

"So big" Yu Muyin shouted in her heart, she had to admit that it was so big and so majestic.

"Glup. ." Yu Muyin started to get scared, she didn't know that men could have something like this.

Although she had prepared properly, she still couldn't believe that Ye Chen had such a big thing like this.

"What's wrong?" Ye Chen asked Yu Muyin.

"It's surprising to me" Yu Muyin informed that it was quite surprising to her.

She was still surprised by Ye Chen's thing that was so big and strong.

"You don't like it, women should like things like this" Ye Chen told Yu Muyin.

"I don't know, I've never done it" Yu Muyin told Ye Chen.

Yu Muyin had never done it, so she could not answer Ye Chen's question.

"I see" Ye Chen understood, he started to understand what Yu Muyin was feeling.

"Then you can try it right now" Ye Chen said.

"Um. ." Yu Muyin understood, she reached out and started to touch Ye Chen's.

Yu Muyin did it slowly and super gently, she did not want to make Ye Chen feel pain.

"Hard and hot" Yu Muyin started to feel Ye Chen's, she started to feel what Ye Chen's was like.

After feeling Ye Chen's, Yu Muyin started to know what to do, she seemed to enjoy this.

"How?" Yu Muyin asked Ye Chen, this should be good enough.

Yu Muyin had pretty good basic knowledge, she knew what to do to make Ye Chen feel happy.

"Very good" Ye Chen told Yu Muyin, he praised the ability possessed by Yu Muyin.

The ability possessed by Yu Muyin was so good and Ye Chen was so pleased with this.

"Honey use your mouth, it will help and make me comfortable" Ye Chen asked Yu Muyin.

"I'll try it" Yu Muyin was not sure, but she obeyed Ye Chen's request, she didn't want to make Ye Chen disappointed.

Yu Muyin used her mouth to help Ye Chen.

Yu Muyin was afraid at first, but when she tried it, she felt such a new feeling.

Yu Muyin initially kissed, but that quickly changed and she started sucking Ye Chen's.

"Slurp. . ." Yu Muyin seemed to be enjoying it, this was really very good.

"oh. ., she is so good" Ye Chen did not expect that Yu Muyin would be so good.

The techniques and abilities possessed by Yu Muyin were so good and made Ye Chen feel comfortable.

She was like sucking a lollipop and the ability in that regard was so good.

"The ability you have is so good, where did you learn from" Ye Chen asked Yu Muyin.

"It's my first time trying it, I just do what I want" Yu Muyin said.

"So it is" Ye Chen believed what Yu Muyin said, he believed that Yu Muyin was honest.

There is no way Yu Muyin will lie because sometimes she will make a little mistake.

Ye Chen enjoyed this well, Yu Muyin served Ye Chen for about 15 minutes.

"uhuk" Yu Muyin was already tired.

"You are too strong right?" Yu Muyin said to Ye Chen, she felt that Ye Chen was so strong.

"Heheheh, not really, I'm not too strong" Ye Chen said to Yu Muyin.

"Then why is it still hard, it's terrible you should know" Yu Muyin said to Ye Chen.

Yu Muyin told her that Ye Chen was so strong and she had a hard time facing Ye Chen.

"I'm not easy to beat" Ye Chen told her that he was hard to beat.

"Let's start, it looks like you are ready and I am so excited" Ye Chen spoke to Yu Muyin.

He invited Yu Muyin to start.

Ye Chen was already quite excited, he was excited when he was going to do it with Yu Muyin.

"Let's do it" she wanted to do it with Ye Chen.

After all the fun Ye Chen gave Yu Muyin, Yu Muyin became more and more interested in Ye Chen.

Chapter 2815 Ye Chen & Yu Muyin (2)

Yu Muyin lay down, ready to wait for Ye Chen.

Ye Chen just started right away, he just walked in and without making an excuse.

Ye Chen took it, he walked into Yu Muyin's honey cave.

"Emmm. ." Yu Muyin frowned, she felt such a painful feeling.

"This hurts" Yu Muyin said to Ye Chen, she told Ye Chen that this hurts a lot.

"Take it easy, I will do my best" Ye Chen said to Yu Muyin.

He told Yu Muyin that he would be fine.

After some time Yu Muyin started to get better, she felt much more comfortable now.

"How is it?" Ye Chen asked Yu Muyin.

"It's already better" Yu Muyin told him that she was already feeling better.

"Good, let's start" after hearing that Yu Muyin was getting better, Ye Chen started to move.

Ye Chen started to move, he started to give a comfortable feeling and did it slowly.

Although Ye Chen did things slowly, Yu Muyin still had problems, it was probably because Ye Chen had a large and blessed weapon.

"Wait a minute, you are too rough, I won't be able to stand it" Yu Muyin said to Ye Chen, she told Ye Chen that she wouldn't be able to stand it if Ye Chen did that.

"What's wrong?" Ye Chen asked Yu Muyin, he had just enjoyed that.

"Slower please" Yu Muyin told Ye Chen.

Yu Muyin was not used to it yet, so she told Ye Chen to slow down a bit.

"I understand" Ye Chen understood, he would be a little slow, because this was a request from goddess Yu Muyin.

Ye Chen naturally did so, Ye Chen slowed down, he was enjoying this even though it was slower.

Yu Muyin started trying to get used to it, after a while, she could get used to it easily.

"How is it?" Ye Chen asked Yu Muyin.

"It's starting to get good, this is great, maybe you can be even faster and stronger" Yu Muyin wanted more, she wanted more feelings.

Yu Muyin had already given Ye Chen permission, how would Ye Chen restrain himself when Yu Muyin had already given him permission.

Ye Chen started to go crazy and began to move quickly, he pumped more aggressively.

"kyahh. . ." Yu Muyin couldn't stand it, she was completely made comfortable by Ye Chen.

Every time Ye Chen performed hard, her body would be arched by pleasure.

"This bad is too great, I won't be able to endure" Yu Muyin realized that she wouldn't be able to endure and was easily made to reach the peak by Ye Chen.

"Ahhhh. . ." this is much more intense compared to before, Yu Muyin likes this feeling, she wants to keep doing it again and again.

Ye Chen kept doing it and it seemed like Yu Muyin could still hold on.

"this is fun, what can be done more" Yu Muyin asked Ye Chen, what is more fun than this.

"Want to try other positions" Ye Chen asked Yu Muyin.

"Of course, I'm ready to do anything" Yu Muyin told Ye Chen, she was ready to do anything Ye Chen wanted.

Yu Muyin started to become quite lewd, the nature that she never showed to people started to come out and take over her.

With that Yu Muyin tried another position, she climbed up and took control.

"This time it's my turn" after getting a little information from Yu Muyin, Yu Muyin knew what she had to do, all she had to do was move and make Ye Chen comfortable.

At first Yu Muyin thought that it would be easy to do, but it was a little difficult because Ye Chen had a long thing.

"This is stronger than before" Yu Muyin realized that this was much stronger and more powerful than before, Ye Chen's was able to go deeper.

"ahhh. . ." Yu Muyin began to move, starting slow and becoming fast. I think you should take a look at

Her ability was so good and of course it progressed quickly.

"this, so comfortable" Yu Muyin could not describe in words, this was so comfortable, she started to like it and would no longer be able to get out of something like this.

One of the 10 goddesses this time was doing with Ye Chen, she rode Ye Chen and made Ye Chen comfortable.

"So comfortable, I like this" Yu Muyin really became so active, she enjoyed this wholeheartedly.

Ye Chen looked at Yu Muyin, he saw that Yu Muyin was so open, she no longer held back when together with Ye Chen.

Ye Chen had changed Yu Muyin, he turned this woman into what she was today.

Because the pleasure was so great, they started to try more and more moves.

.

.

Time passed quickly, Ye Chen and Yu Muyin had already tried quite a number of moves, they had at least tried about dozens.

"Husband, why are you still able to endure" Yu Muyin was horrified when she saw Ye Chen's ability.

Yu Muyin called Ye Chen husband, she did that because she liked Ye Chen too much.

"This is nothing for me" Ye Chen said to Yu Muyin.

"Am I not good enough for you?" Yu Muyin started to think that she was not good enough.

"No, you are very good" Ye Chen comforted Yu Muyin, he didn't want to make Yu Muyin disappointed.

Yu Muyin was happy to hear this, it seems like she just has to be better at doing these things.

Yu Muyin started to become serious, she started to become serious and made Ye Chen more and more comfortable, she used the ability to pin Ye Chen even stronger.

Ye Chen started to feel that Yu Muyin was getting more serious, this might be the last match against Yu Muyin.

"Come on, you don't need to hold back" Yu Muyin said to Ye Chen.

"If you really say so" hearing those words, Ye Chen no longer held himself back, he no longer held himself back and gave Yu Muyin what she wanted.

Both of them both achieved pleasure, they felt so comfortable and Ye Chen gave pure Yang Qi and got pure Yin Qi from Yu Muyin.

"Amazing" Yu Muyin said, she was very happy with Ye Chen.

She felt that Ye Chen made her feel more alive and full.

This happiness was so good for Yu Muyin.

"Wife still has enough time, let's perfect it even more" Ye Chen said to Yu Muyin.

"More?" Yu Muyin was surprised when she heard this, she did not expect Ye Chen to continue.

But she was also still not satisfied, finally the two of them did it again and again.

Yu Muyin forgot everything that happened, she had even forgotten that they were currently under siege and in such a complicated situation.

.

.

Outside the barrier, Tan Gojo along with the others were on guard, they were focused on making sure Yu Muyin would not be able to escape.

"Sir, is that woman planning something ?" many people asked Tan Gojo.

"She is surrounded and has no way to escape, they are probably scared in there and thinking hard" Tan Gojo told everyone.

Tan Gojo and everyone else had no idea what was going on in there, if they knew what was going on, they would have been stunned.

Tan Gojo and everyone here are sure that Yu Muyin would not do such a thing with Ye Chen, a pure woman like Yu Muyin would never do such a thing with a man, that's why there are no such thoughts for everyone.

Time is running out, only 24 hours left before the barrier is broken and they will get Yu Muyin.

Chapter 2816 Yu Muyin Fights Back

This time Tan Gojo is very confident, he believes that he can bring Yu Muyin back.

He will definitely bring Yu Muyin back and get a decent reward.

They had been chasing for a long time and it was time to bring Yu Muyin back with them.

Ye Chen and Yu Muyin did Dual Cultivation well, they finally finished and Yu Muyin felt that she became better and stronger.

"What is this?" Yu Muyin was surprised by what happened, she felt a new strength.

"What's wrong?" Ye Chen asked Yu Muyin, he hugged Yu Muyin and asked about what Yu Muyin was thinking about.

"The strength I have has become so great, what happened?" Yu Muyin told Ye Chen, she told Ye Chen that she got such great strength, this didn't happen before and she felt strange, what made her become like this now.

"Looks like you got some benefits huh" Ye Chen said to Yu Muyin.

"you say that" Yu Muyin seemed to begin to understand what happened, she began to understand what happened to Ye Chen.

Yu Muyin looked at Ye Chen.

"What's wrong?" Ye Chen asked Yu Muyin.

"Nothing" Yu Muyin told him that nothing happened.

Yu Muyin did not think that doing so would give her an advantage.

"This is great" Yu Muyin felt happy, this is certainly a very pleasant thing for a cultivator like her.

"Now how do we get out of this place" Ye Chen wanted to know how they could get out of this place.

"I am now at the middle level of Immortal Rebirth God Realm, I will face them" Yu Muyin said to Ye Chen, she told Ye Chen that she was already at the top level and could probably fight them all.

"You went up quite a lot" Ye Chen said to Yu Muyin.

"It's all because of you" Yu Muyin told him that it was all because of Ye Chen, if it wasn't for Ye Chen, she wouldn't have become what she is today.

It seemed like doing Dual Cultivation with Ye Chen gave Yu Muyin such a tremendous advantage.

So right now Yu Muyin might be able to fight with them and bring Ye Chen along with her.

"But before that, you must recover yourself" Ye Chen said to Yu Muyin.

"You're absolutely right, I'll try to recover myself first" Yu Muyin was still a little tired after doing with Ye Chen, it was her first time, so it wasn't strange that she became like that.

Ye Chen helped Yu Muyin, he made sure that Yu Muyin's condition would recover quickly.

With Ye Chen's help, Yu Muyin recovered so quickly, she was now fully recovered and became so strong.

After Yu Muyin recovered, she dressed up and restored her appearance.

"I will open the way, you should seize this opportunity to escape" Yu Muyin said to Ye Chen.

"No, how could I leave you, I will protect you" Ye Chen said to Yu Muyin.

Ye Chen would not leave Yu Muyin, he would protect Yu Muyin from the bad guys.

Yu Muyin saw Ye Chen's determination, she could see that Ye Chen seriously wanted to protect her.

"Are you ready for the consequences" Yu Muyin asked Ye Chen.

"Of course, I want to be together with you, I have prepared myself" Ye Chen told Yu Muyin.

"If that's what you want" Yu Muyin was touched by what Ye Chen said, she was touched when listening to what Ye Chen said.

Ye Chen was heartless, he didn't want to leave Yu Muyin, and that made Yu Muyin happy.

At least Yu Muyin knew that Ye Chen was not a cowardly man, this was a good thing for Yu Muyin.

"1 hour left" they needed 1 full day to recuperate, this was the time when they would battle. I think you should take a look at

Now Yu Muyin was at the 7th level of Immortal Rebirth God Realm, higher above Tan Gojo.

The barrier was becoming weaker and weaker, crack after crack appeared, it looked like it would be destroyed in the near future.

"Crack" seeing that the barrier was getting weaker, Tan Gojo simply destroyed the barrier.

"Clank" the barrier immediately shattered into pieces, in just a short time all the barriers had been crushed into crystal dust.

"hahahahaha, time is up, time to solve this problem" Tan Gojo said to Yu Muyin.

"That's right, it's time for us to solve our problem" Yu Muyin agreed, it was time to solve their problem.

"You won't run away again" Tan Gojo asked Yu Muyin.

"No need, I will not run away and will fight you" Yu Muyin will fight Tan Gojo, she is ready to fight Tan Gojo.

"How reckless, do you think, you can win against me" Tan Gojo said that Yu Muyin will have no chance to win against him.

"You will have no chance to win" Yu Muyin took one sword, she took her best sword.

"Sky ice crystal sword, this is a sword that is so beautiful and has a beautiful luster".

This time Yu Muyin used the sky crystal sword which is her best weapon, besides being strong, it is also very sharp and can cut the opponent's weapon.

"sky crystal sword, interesting, you want to be serious, but it's no use, you are still far from me" Tan Gojo said to Yu Muyin.

Tan Gojo still thinks that Yu Muyin is weaker than him, that's why he is too confident in facing Yu Muyin.

Tan Gojo only used his bare hands, he was too confident to face Yu Muyin.

"Such a good opportunity, I can't miss this opportunity" Yu Muyin made good use of this opportunity.

Yu Muyin intends to launch a powerful attack towards Tan Gojo using the sky crystal sword.

"Jlub. . ." Yu Muyin's sword pierced Tan Gojo's body with ease.

"What happened, why is she so fast?" Tan Gojo was surprised to see Yu Muyin so fast and so strong.

"Uhuk . . ." Tan Gojo spurted blood, Yu Muyin's attack had succeeded in making a severe wound for Tan Gojo.

"What's going on here?" Tan Gojo looked confused by what was happening.

"You don't realize, I am now much stronger than you" Yu Muyin informed that she was now much stronger.

"No way" Tan Gojo did not believe what Yu Muyin said.

"Then let me show you my power" Yu Muyin told Tan Gojo.

She immediately showed her power.

"Frozen Seal prison" Yu Muyin immediately sealed the body of Tan Gojo.

"Frozen" Tan Gojo's body was immediately frozen and sealed, now he will no longer be able to get out because his body has been frozen.

Yu Muyin showed a great difference in strength, she showed that she is now getting stronger.

"this my power ?" Yu Muyin's felt amazing, who would believe that she got this after doing that with Ye Chen.

This all clearly wouldn't be able to be imagined by Yu Muyin.

"Ye Chen, do you need help" Yu Muyin asked Ye Chen.

When she looked at Ye Chen, she saw Ye Chen immobilize the rest of the people quickly, Ye Chen only needed a few seconds to immobilize them.

"You're done?" Yu Muyin was surprised when she saw Ye Chen was done.

Chapter 2817 finding a safe place for Yu Muyin

"They are quite easy to fight, I only need a few attacks to take them down" Ye Chen said to Yu Muyin.

Yu Muyin was speechless when she saw this, she did not expect that Ye Chen would be that strong.

"You are strong enough?" Yu Muyin asked Ye Chen.

"Of course, I'm strong, I can honestly fight them from the beginning" Ye Chen told Yu Muyin.

Yu Muyin was stunned when she heard this, she did not expect that Ye Chen could do that.

"Then why didn't you tell us from the beginning that you are that strong?" Yu Muyin asked Ye Chen, if Ye Chen was that strong, he should have told Yu Muyin.

"You didn't ask me" Ye Chen said that Yu Muyin didn't ask.

"-_- " Yu Muyin felt helpless, if Yu Muyin knew from the beginning, all of that might not have happened.

"You don't need to be embarrassed" Ye Chen said to Yu Muyin, he hugged Yu Muyin who was in front of him.

"husband, you are stupid" Yu Muyin blushed, she felt embarrassed, she felt that she was stupid.

"That's so embarrassing" Yu Muyin said.

Yu Muyin mumbled a few times, it was so embarrassing.

She felt like a fool for thinking of protecting Ye Chen, even though Ye Chen was so strong and did not need to be protected.

"It seems like she was surprised by your abilities" Chu Yuechan said to Ye Chen.

Ye Chen just smiled as he listened to that.

"So what are you going to do next?" Ye Chen asked Yu Muyin.

"I will probably find a shelter, that person will definitely send more people to chase.

And if he gets to send an elder with a higher level I'll have a hard time.

"How many elders is he?" Ye Chen asked Yu Muyin.

"He's the 150th elder, his position is quite low" Yu Muyin said.

"I thought he had a good position, turns out he's so low" Ye Chen said.

"that means there are still stronger ones" Ye Chen said to Yu Muyin.

"Of course, there are stronger ones than him" Yu Muyin nodded, she told him that there are stronger ones.

"If that's true, you should find a better shelter" Ye Chen said to Yu Muyin.

"That's very difficult" Yu Muyin told Ye Chen, she told Ye Chen that it was very difficult to do.

"Not really, I know a good place for you" Ye Chen said to Yu Muyin.

"Where is it?" Yu Muyin said to Ye Chen, she wanted to go to the place Ye Chen said.

Ye Chen took Yu Muyin to the place of Chen Xing, Ye Chen felt that she would be safe there.

Ye Chen wanted to put Yu Muyin inside the fairy gate, but if he remembered correctly, Yu Muyin would not get any freedom if she was there, she would only be able to practice there.

Plus there were no friends because everyone was in closed self-training.

So it wouldn't be too good for Yu Muyin.

So the place that Ye Chen thought was good was Chen Xing's place, who would dare to mess with the current Chen Xing, the current Chen Xing was already so strong and no one would dare to fight Chen Xing.

Ye Chen brought Yu Muyin, the two of them directly moved towards Chen Xing's private palace.

"This place?" Chen Xing was surprised when she saw the place Ye Chen was heading to.

"Wait here for a while" Ye Chen told Yu Muyin to wait.

Yu Muyin nodded, she waited here according to what Ye Chen said.

Ye Chen went to look for Chen Xing, she seemed to be in her place and was doing something important.

"Dear Xing" Ye Chen appeared and surprised Chen Xing.

"ahh. . ." Chen Xing was surprised by the appearance of Ye Chen.

Ye Chen was too smart in hiding his whereabouts.

"You surprised me" Chen Xing said to Ye Chen, Ye Chen surprised her again.

"What's wrong, why are you here, is there any important business?" Chen Xing asked Ye Chen.

"As expected of you, you immediately knew what made me come here" Ye Chen said to Yu Muyin.

"so, what do you need from me, don't make me do anything strange again" Chen Xing said to Ye Chen.

"I have a little request for you" Ye Chen told her what he came for.

Ye Chen explained quite clearly, he asked Chen Xing to take care of Yu Muyin here.

"Yu Muyin, you can't say that she is that Ten rank goddess Yu Muyin?" Chen Xing said to Ye Chen.

"Of course, which one is it again" Ye Chen nodded to Chen Xing.

"You . . ." Chen Xing is helpless, you are really a natural woman enemy, it has only been a few days since you left, but already brought one of the 10 goddesses, I am speechless again.

"Looks like Shen Niang was right about you" Chen Xing said helplessly.

"Everything just happened" Ye Chen said to Chen Xing.

"Alright, I understand, I will help you, it seems that little girl is in trouble because her master disappeared, I will help you" Chen Xing was going to help Ye Chen, she was quite sorry for Yu Muyin.

"wife is indeed the best" Ye Chen intended to give Chen Xing a hug.

"Stop for a moment" Chen Xing stopped Ye Chen, she didn't want to do that with Ye Chen.

Last time she did that with Ye Chen, they ended up with Chen Xing having trouble getting up.

So Chen Xing was more cautious towards Ye Chen.

If Ye Chen was like a normal man, Chen Xing wouldn't be afraid, but Ye Chen was different and there was no confidence for Chen Xing.

Even if Chen Xing got a favor from others, she would still have a hard time facing Ye Chen.

"Hehehe" Ye Chen chuckled when he saw what happened to Chen Xing.

It was funny when Ye Chen saw Chen Xing like that.

"So where is she right now" Chen Xing asked Ye Chen, she wanted to know where Yu Muyin was right now.

"She's outside" Chen Xing told that Yu Muyin was outside.

"Then let me meet her" Chen Xing was going to meet with Yu Muyin.

They both went out and Chen Xing went straight to Yu Muyin's place.

Yu Muyin looked at Chen Xing, she saw one of the beauties that existed in the Supreme God Realm.

"That beautiful woman, does she also know Ye Chen?" Yu Muyin estimated that Chen Xing knew Ye Chen.

"Hello" Chen Xing said to Yu Muyin.

she gave a warm greeting to Yu Muyin.

Because Yu Muyin was Ye Chen's woman, so Chen Xing treated Yu Muyin well.

"Hello. . ." Yu Muyin lowered her head, she felt a little difficult when she faced Chen Xing who was much more experienced than Yu Muyin.

Yu Muyin was new, while Chen Xing was much more senior compared to her, so she had to respect Chen Xing a little.

"So you are Yu Muyin, you are pretty too" Chen Xing said.

"It's not like that, you're much prettier" Yu Muyin said.

"fufufufu, I've listened to all, you can stay here if you want" Chen Xing said to Yu Muyin.

"ehhh? ? ? ?" Yu Muyin was surprised when listening to this, this beautiful woman let herself stay here, in this place maybe no one will disturb Yu Muyin anymore.

Chapter 2818 Chen Xing Asked Yu Muyin

"Can I really stay here?" Yu Muyin told Chen Xing.

"Of course, you can stay here" Chen Xing told her that she could stay here.

"thank you very much" Yu Muyin thanked Chen Xing.

"okay" Chen Xing nodded.

"Come with me" Chen Xing told Yu Muyin.

Yu Muyin came with Chen Xing, and Ye Chen also came.

"You don't need to come" Chen Xing said to Ye Chen.

"Why?" Ye Chen asked Chen Xing.

"You should have work to do, so finish them" Chen Xing said.

Chen Xing told Ye Chen to leave, Ye Chen should have things to do.

"It looks like I got kicked out" Ye Chen said to Chen Xing.

"You don't need to say it out loud" Chen Xing said to Ye Chen.

Ye Chen didn't need to say that out loud.

"Then I will leave first, feel free to look for me if anything happens" Ye Chen said to Yu Muyin.

"I understand" Yu Muyin understood, she would look for Ye Chen if she had a problem.

With that Ye Chen left, he returned to his place and started making artifacts for capital.

"He easily comes and goes" Yu Muyin said.

"He is like that, it's best to ignore him" Chen Xing told Yu Muyin.

"yes" Yu Muyin understood, she went along with Chen Xing.

"That, can I ask you" Yu Muyin asked Chen Xing.

"You can ask when we get inside" Chen Xing told Yu Muyin.

"I understand" Yu Muyin understood, it seemed Chen Xing did not want them to say outside this place.

Chen Xing took Yu Muyin to a private room, a place that could not be entered by others.

This was not Chen Xing's room, this was another room for important guests.

"Alright, let's start talking" Chen Xing said to Yu Muyin.

Chen Xing looked so serious, she wanted to discuss something with Yu Muyin.

"Fine. . ." Yu Muyin was depressed, she felt that Chen Xing was such a great woman.

"You don't have to be so tense when talking to me" Chen Xing realized that she was scaring Yu Muyin.

"Fine. . ." Yu Muyin only dared to answer to Chen Xing.

"I told you not to be too tense, I won't do anything bad to you, otherwise, he will be angry" Chen Xing said.

"I understand" Yu Muyin nodded again.

"Then can you tell me what happened to you ?" Chen Xing asked Yu Muyin.

"I'll start" Chen Xing told her what happened to her.

Initially she lived quite comfortably with a good and quite beautiful teacher, she was trained and adored by many people because of her beauty, but suddenly the master of Chen Xing went to a ruin to conduct an investigation, but she did not return after several months.

"Because there was no news for several months, the Sect sent people and they found no trace, finally they said that the master was missing, without a strong master, Yu Muyin's position in the Sect was of course a little different, there were several people who were eyeing her and hunting her, and Yu Muyin did not know what to do and chose to run away.

She had been in hiding for almost two and a half years, she had done just that and lived in her own way to survive the pursuit.

"You seem to have a pretty serious problem" Chen Xing said to Yu Muyin. I think you should take a look at

"That's right, I have a pretty serious problem" Yu Muyin said.

"I might be able to help you, but it will create new problems so you can stay here for the time being" Chen Xing said to Yu Muyin.

Chen Xing could indeed easily help, but it would be a new problem for her, so it was better for them to settle this slowly.

"Then I will start by giving a warning to the person chasing you, just tell me who the person chasing you is" Chen Xing said to Yu Muyin.

"The name is Cao Longhe, he is the young master of Endless sky Sect" Yu Muyin told Chen Xing.

"So you are from the Endless Sky Sect, fine, I will give you a light warning by sending a messenger, I hope that person named Cao Longhe can rethink the matter." Yu Muyin told Chen Xing.

"I am not too sure, that person is stubborn" Yu Muyin said to Chen Xing.

"Then he will feel the consequences for stirring up trouble" Chen Xing said.

Chen Xing was pleased with this, she was quite happy when she saw someone who dared to go against her, she wanted to see the strength of this Cao Longhe, whether he dared to challenge Chen Xing directly.

Chen Xing seems impatient to face someone like Cao Longhe.

Yu Muyin just nodded, she believed in Chen Xing's ability and strength.

"Well, let's discuss the second issue, what kind of relationship do you two have" Chen Xing asked Yu Muyin.

"It's... . ." Yu Muyin stuttered when talking about Ye Chen, she was embarrassed to talk about this kind of matter with Chen Xing.

"You don't need to be embarrassed to discuss this matter" Chen Xing said to Yu Muyin, she told Yu Muyin not to be embarrassed about this matter.

"Our relationship is pretty good" Yu Muyin said that their relationship is very good and good.

"You guys have done it haven't you ?" Chen Xing asked Yu Muyin.

"Ehhhhh! ! !" Yu Muyin was of course shocked when she heard this, she was speechless when she heard what Chen Xing asked.

"Just go ahead, no need to be shy" Chen Xing said to Yu Muyin.

"Already" Yu Muyin admitted it, she had to admit that.

"I guessed it" Chen Xing had guessed it, Ye Chen must have gotten Yu Muyin.

"since we are in the same position, so you don't need to be so formal, if there is a problem just say it as long as I can help you" Chen Xing said to Yu Muyin.

"Eh. . ., Miss Chen, don't say that you ?" Yu Muyin realized, she was quite surprised when she listened to what Chen Xing said.

"um, that's right" Chen Xing informed, she was being honest, there was no need to hide because the other party was in the same zone as Chen Xing.

Chen Xing was confident that Yu Muyin would not tell outsiders about this, so she could casually trust this to Chen Xing.

"That surprised me" Yu Muyin said to Chen Xing.

Yu Muyin did not expect that they also had a relationship, how could Ye Chen get the goddess Chen Xing, that was a question for Yu Muyin.

"I apologize for getting into your relationship" Yu Muyin just remembered, if that happened, that means she was still into the relationship of Ye Chen and Chen Xing.

Yu Muyin felt bad about this matter.

"It's fine, he has a few more, one more is not a problem" Chen Xing said.

"Having a few, is he like that" Yu Muyin said.

Yu Muyin didn't expect Ye Chen to be that kind of man, it seems she misjudged Ye Chen.

"it's not like what you think" Chen Xing spoke, she tried to explain so that Yu Muyin wouldn't misunderstand.

Chen Xing started to explain, as a person who knew the situation from Ye Chen, she explained what happened to Yu Muyin.

"That, so it's like that, I misunderstood again" Yu Muyin said.

Yu Muyin felt bad for misunderstanding Ye Chen.

"he's a little abnormal because of his unique body, that's why, you should help if needed" Chen Xing said.

Chapter 2819 Chen Ting asks Ye Chen for help

Chen Xing was actually unwilling to admit this, but she needed help to tame Ye Chen.

"I understand" Yu Muyin smiled, they started to become closer again.

"oh, I wonder, he once said that he was chased by a troublesome woman, may I know who it is" Yu Muyin asked, there was no way it was Chen Xing.

"It's the goddess Ling Shu, you know who she is, to be honest I don't really like that, I think that woman is dangerous." Yu Muyin asked, no way it was Chen Xing.

"Huh?" Yu Muyin was surprised, again she listened to an unusual name.

"terrible, the rivals are really too strong" Yu Muyin was having trouble, so many strong rivals, she would have no chance of winning.

"There seems to be no hope for me" Yu Muyin said to Chen Xing.

"No need to think about it, that woman is quite obsessed with Ye Chen, but as long as she doesn't get Ye Chen it will be fine".

"The biggest problem is just inside that woman's charm, it's quite difficult to resist that woman's charm, even so many people fall, even people who have the strongest mind and clean soul directly avoid that woman for fear of that woman's charm" Chen Xing said.

"Isn't that dangerous, she could steal Ye Chen from us" Yu Muyin said.

"No need to panic, you already know how strong he is, the current me won't worry, even if it's Ling Shu, she won't have any considerable trouble" Chen Xing said.

Yu Muyin immediately understood what Chen Xing said, she herself was also aware and knew the strength of Ye Chen.

"For the time being, there is no need to think about it" Chen Xing said to Yu Muyin.

"Um" Yu Muyin nodded.

"You are free to use my place as you please" Chen Xing said to Yu Muyin.

she gave her permission to do all the things she wanted.

"Um, it's not like that, I don't know what to do" Yu Muyin said.

Yu Muyin was confused, what should she do now.

"If you are really confused about what you want, you can start practicing" Chen Xing told Yu Muyin to practice.

"That's right, I will practice, when there are bad people I will defeat them" Yu Muyin understood, she got a motivation from Chen Xing.

Chen Xing prepared a training ground for Yu Muyin, meanwhile Yu Muyin immediately practiced in the place provided by Chen Xing.

.

.

Meanwhile in the endless sky Sect.

Cao Longhe was furious when he knew what happened.

"Failed again-failed again, even though it was close enough to get the woman" Cao Longhe was angry because they failed.

Even Tan Gojo got seriously injured by Ye Chen, that naturally made Cao Longhe angry with what was going on.

"Young master, please calm down, she won't be able to run away, her strength might increase, but we still have enough elders who can catch her" The other elders said that they can still catch Yu Muyin.

"Then send the best elder to catch her, I want you to catch her" Cao Longhe wanted to send the best elder to catch Yu Muyin.

"We will send the fifth and ninth elders, they are the most powerful and are out of work" the elder beside Cao Longhe said.

"Send them now, I don't want you to be slow in catching him" Cao Longhe said.

"Got it." He would immediately give the order to capture Yu Muyin to the fifth and ninth elders.

With that, the fifth and ninth elders were sent to chase Yu Muyin.

Cao Longhe was very extravagant, he directly sent the best person available to fight Ye Chen, it seemed like he no longer wanted to take a risk and sent the best of the best.

With that, the fifth and ninth elders were sent to search for Ye Chen's whereabouts.

They tracked the whereabouts of Ye Chen and Yu Muyin.

.

.

Ye Chen had already returned to the workshop, he was back to making better weapons with even better place materials.

"Husband. . ." Today was the day that Shi Lin came, she came and helped Ye Chen.

All of Ye Chen's women took turns in helping Ye Chen, they all wanted to help Ye Chen in solving the problem.

Ye Chen was quite helped because they could be cooperated with, although it was not a heavy job, they were happy to help Ye Chen.

"I'm sorry for making you help me" Ye Chen said to Shi Lin.

"No problem, I'm happy to help you" Shi Lin told that she was very happy in helping Ye Chen.

she was so happy in helping Ye Chen in completing his business.

"But you make such good artifacts and weapons, these will definitely be expensive to sell" Shi Lin told Ye Chen.

"Not bad, do you want a little when these are sold" Ye Chen would give some to Shi Lin.

"That's not necessary, you have helped my family well and now that the family business is doing so well, I honestly don't lack money" Shi Lin told Ye Chen.

Shi Lin is not short of money, Ye Chen's help has made her family so good, right now Shi Lin has so much money and can buy all the things she wants.

Even her father gave her more money to use.

"So then, if you need money, you can say so, I will help" Ye Chen told Shi Lin.

"ummmm" Shi Lin understood, she would say it if she needed it.

"hey Ye Chen, are you inside ?" someone called Ye Chen.

"That voice, it seems to be the harmony faction leader Chen Ting" Shi Lin was familiar with this voice, she could tell that this was the harmony faction leader.

"What do you need from me ?" Ye Chen wanted to know what Chen Ting needed from him.

"Just open up" Shi Lin told Chen Ting.

"I understand" Ye Chen went and met with Chen Ting.

"What do you need?" Ye Chen opened the door and asked Chen Ting.

"I need help, I heard that you are quite good at forging, I want you to help me repair the musical instrument I have" Chen Ting told Ye Chen.

"Is it broken" Ye Chen asked Chen Ting.

"I was probably too strong and broke it into two pieces" Chen Ting said.

Chen Ting told Ye Chen that she had broken her instrument.

"Here, let me take a look" Ye Chen said to Chen Ting.

He wanted to see how badly Chen Ting had smashed it.

"Take a look at this" Chen Ting said to Ye Chen, she showed the object that she had destroyed.

"That's pretty bad" Ye Chen said to Chen Ting.

"Can you fix it?" Chen Ting said to Ye Chen.

"Why don't you ask master Chu Peng for help ?" Ye Chen said to Chen Ting.

"He's not around" Chen Ting said to Ye Chen.

"Aren't there still many people better than me" Ye Chen asked Chen Ting.

"You're the best, so don't dodge" Chen Ting said to Ye Chen, he had no chance to dodge.

"Alright, I'll help" Ye Chen realized that he wouldn't be able to escape and could only accept Chen Ting's request.

"The damage is quite severe and I need materials to repair it" Ye Chen told Chen Ting.

"You don't need to worry, I will buy all the materials you need" Chen Ting told Ye Chen.

She would buy the materials that Ye Chen needed.

As long as Ye Chen could repair her belongings, she would give Ye Chen what she wanted.

Chapter 2820 Shopping with Chen Ting

"If that is the case, I will of course be happy to help" Ye Chen informed that he would be happy to help.

"Then let's go look for materials in the Sect hall" Chen Ting said to Ye Chen.

"I'll go first" Ye Chen said to Shi Lin.

"Then I'll be back, I want to make a pill" Shi Lin informed that she wanted to make a pill.

"I understand" Ye Chen understood.

With that Shi Lin returned, she went back to her faction and started to make pills.

she still had to practice because her journey was still quite long.

"Let's go" Chen Ting pulled Ye Chen, she pulled Ye Chen to buy ingredients.

Chen Ting already knew that Shi Lin was close to Ye Chen, and she did not care much about this matter.

The two of them finally left, they went to search the sect hall.

Many people were looking at Ye Chen, how could Ye Chen walk casually while with Chen Ting.

Ye Chen ignored everything, he ignored everything and came along beside Chen Ting.

"I need golden deer antlers, do you have them" Chen Ting asked the receptionist.

"Miss Chen, we don't have that, it seems like it was taken by someone a few years ago and there is no new stock for the golden deer antlers" the receptionist told Chen Ting.

"What a pity, it seems to be empty" Chen Ting said.

"So your weapon is made of golden deer antlers" Ye Chen said.

"Of course, it's a good material and can produce a beautiful sound".

"Are you looking for power or sound?" said Ye Chen.

"Honestly, I prefer a beautiful voice" Chen Ting said.

she told that she liked beautiful sounds, as long as it was usable and melodious, she liked it.

If that's what she wanted, then Ye Chen wouldn't be able to replace it with a stronger and sturdier material, because it would affect the sound.

So he had to replace with a material that was so good and had a good sound.

Such a material if I'm not mistaken can be found inside the melody golden pearl.

But it might be difficult to obtain.

Ye Chen asked, he wanted to know if there were melodic golden pearls here.

And the receptionist replied that the material was even rarer and wouldn't exist, even if it did it would be immediately sold outside because it was rare.

"Maybe we should look elsewhere" Chen Ting said.

Chen Ting decided to take Ye Chen to the city, they might be able to find the ingredients in the city.

They traveled around the city, even though they had traveled around the city and searched every major store, they still didn't find it.

"why is it so hard" Chen Ting said, Chen Ting was getting desperate, they didn't find any around this place.

"how about we go to a bigger place" Ye Chen said.

"how about we go towards Desire Sky Villa" Chen Ting said to Ye Chen.

"Now?" Ye Chen asked Chen Ting.

"Of course, when else" Chen Ting pulled Ye Chen, with that they went to Desire Sky Villa.

The trip to Desire Sky Villa took time, so they talked and Chen Ting had many questions for Ye Chen.

Ye Chen would not be able to escape from the questions given by Chen Ting, he answered them and occasionally avoided them.

After showering Ye Chen with all sorts of questions, Chen Ting simply played the flute to overcome the boredom.

Chen Ting could use all musical instruments, she was a teacher, so it was quite natural to do so.

Chen Ting's skills were also very good, Ye Chen enjoyed it quite well.

After several hours had passed and it had been quite a while, they finally arrived at Desire Sky Villa.

"Finally arrived" Chen Ting said to Ye Chen, they finally arrived.

Ye Chen could actually go to this place in just a matter of seconds, too bad Ye Chen didn't intend to show that ability to Chen Ting.

The two of them entered and went straight to the reception.

"Hello. . ." Chen Ting began to ask.

The waiter looked at Chen Ting and Ye Chen, she could see that this was Ye Chen who made a fuss a few days ago, and he came with a pretty woman.

"Can I help you?" She asked Chen Ting.

"I want to ask, is there a melodic golden pearl here ?" Chen Ting asked, it seemed like she was more interested in trying to buy a melodic golden pearl.

By using melody gold pearls, she might be able to produce an even better voice.

"That... , let me take a look first" she checked and confirmed what Chen Ting was looking for.

After some time she finally returned with the information Chen Ting wanted.

"I heard that it is on its way, it will probably come in a few days, if you don't mind, you can wait and make a reservation" the reception told Chen Ting.

"So it is, then I will make a reservation to buy it" Chen Ting said.

"As expected of a young lady, spending money easily" Ye Chen said.

"sttt, no problem, As long as I like it" Chen Ting said.

Chen Ting wouldn't mind, as long as she liked it and the result made her feel satisfied.

Chen Ting was a pretty extravagant woman, all her salary and resources were spent on her likes and cultivation, she was not good at saving money, and did what she liked with the money she earned.

Because Chen Ting came with Ye Chen, she got a slight discount, and Chen Ting didn't know about the matter, she only knew that she got a slight cut in the price.

"Please wait, we will give you a message when the goods arrive" they handed a jade to Chen Ting.

When the item arrived, the jade would light up and tell her that the item they ordered had arrived and should be picked up quickly.

"Got it. ." Chen Ting understood.

"Thank you very much, please come back" the receptionist said to Ye Chen and Chen Ting.

After finishing the business and paying with Chen Ting's money, they finally went out.

"Are we going back to the Sect?" Ye Chen said to Chen Ting.

"It will take a long time if we go back and forth to the Sect, how about we stay around for a while, of course I will bear all for you" Chen Ting said to Ye Chen.

"In that case, I won't refuse it" Ye Chen told her that he wouldn't refuse it.

With that they started looking for lodgings, since there were no events, they could easily get the best lodgings here.

Chen Ting paid for everything, she was able to pay for everything so easily.

"One room two beds" Chen Ting ordered, she ordered one room with two beds.

"Why not just two rooms" Ye Chen asked Chen Ting.

"What's wrong, do you not want to be with me?" Chen Ting said to Ye Chen.

"Is it because I'm a bit older than you" Chen Ting said to Ye Chen.

"No, you are still quite beautiful" Ye Chen said to Chen Ting.

"Thank goodness you said that" Chen Ting said, she was happy that Ye Chen said that.

"No problem then" Chen Ting insisted, they ended up booking one of the best rooms for two.
