

True God 2821

Chapter 2821 Chen Ting tries Ye Chen's massage skills

"I understand" Ye Chen understood, Chen Ting was unpredictable, she was unpredictable and confusing for Ye Chen.

"Let's see the room we have" Chen Ting said to Ye Chen, she invited Ye Chen to see the room they booked.

They went, they entered into a room that was quite nice and luxurious.

"You must have spent quite a lot of money, as expected of a faction leader" Ye Chen said.

"This is nothing" Chen Ting said.

Chen Ting told him that this was nothing for Chen Ting.

"It's good to be a rich young lady" Ye Chen said to Chen Ting.

"That's not good either" Chen Ting said.

Chen Ting told him that it wasn't good either.

"But where did you get so much money" Ye Chen asked Chen Ting.

"I get it from my foster sister, she's quite rich, so I ask for it every few years" Chen Ting said.

"So it's like that" Ye Chen understood.

"But our relationship is not good, so I rarely see her and only send letters" Chen Ting said.

"Why?" Ye Chen asked.

"It's because she forced me to train too hard so I chose to run away and eventually became a faction leader and lived according to my wishes" Chen Ting said.

"Even though that woman is very talented, she doesn't seem to be interested in developing her skills more seriously" Chu Yuechan said.

Chu Yuechan could see the potential that Chen Ting had, she could see that Chen Ting had a strong and great potential, it was a pity that she did not utilize it well.

"I also want to know why the reason" Ye Chen also wanted to know the reason, surely Chen Ting had her own reasons.

"Already, let's not discuss that, let's discuss what you're going to do next, whether you can repair my musical instrument" Chen Ting said.

"Of course, I only need a short time to fix it" Ye Chen said to Chen Ting.

"That sounds pretty great, you're really talented" Chen Ting said.

Chen Ting told her that Ye Chen was quite talented.

"hehehe" Ye Chen chuckled when he heard this.

"I heard from the girls that you have such good skills, is that true" Chen Ting heard that Ye Chen had such good skills.

"Not really, where did you hear that from" Ye Chen asked Chen Ting.

"Many people from the medicine faction told me that, and it seems that you are close to a woman from the medicine faction, I think it's true" Chen Ting said.

"That is indeed true" Ye Chen nodded, he was indeed close to the medicine faction.

"Why don't you start" Chen Ting said to Ye Chen, she told Ye Chen to start.

"Okay, if you insist" seeing Chen Ting insisting, Ye Chen started to show his skills.

Chen Ting felt Ye Chen ability, Ye Chen started giving massages to Chen Ting.

"very good, your skills are quite good" Chen Ting said to Ye Chen, she recognized that Ye Chen had such good skills.

"But it's not as good as I heard" Chen Ting said to Ye Chen.

He told Ye Chen that Ye Chen was not that good.

"Is that so" Ye Chen said to Chen Ting.

It seemed like Chen Ting wanted to challenge Ye Chen directly.

"Of course" Chen Ting said to Ye Chen.

Chen Ting was quite calm, she didn't feel anything special from Ye Chen and maybe it was just exaggerated by young women who hadn't experienced the world more than Chen Ting.

"This is still not enough, there's more" Ye Chen said to Chen Ting.

"What?" Chen Ting didn't understand, she didn't understand what Ye Chen was saying.

"You better get ready" Ye Chen said to Chen Ting.

Ye Chen told Chen Ting to prepare herself.

Ye Chen would use his abilities and show how good he was.

There was no way Ye Chen would show weakness when he was challenged by Chen Ting.

Ye Chen amplified a bit of strength when he touched Chen Ting.

Chen Ting felt that something was wrong when Ye Chen touched her.

She felt such a strange feeling when Ye Chen touched her.

"What kind of feeling is this?" Chen Ting didn't understand the feeling Ye Chen gave her.

She could feel such a beautiful feeling, she felt such a beautiful feeling when she was touched by Ye Chen.

It was like Ye Chen knew her weak points and could easily make her reach the peak easily, it was such a good and comfortable feeling for Chen Ting.

"Wait a minute" Chen Ting tried to stop Ye Chen, if this continued, it would be very dangerous for Chen Ting.

"It's not over yet" Ye Chen said to Chen Ting.

he told Chen Ting that it wasn't over yet.

"No, I can't take it anymore." Chen Ting said to Ye Chen.

she told Ye Chen that she couldn't stand the feelings Ye Chen was giving her.

"What's wrong, didn't you say it was fine" Ye Chen said to Chen Ting.

"That was before, and now is different from before" Chen Ting said to Ye Chen, she told Ye Chen that this feeling was different from before.

This feeling was much stronger and more intense compared to before.

It was pleasant and Chen Ting's whole body enjoyed every time Ye Chen touched them.

"Not good, I underestimated him too much, this is really something else" Chen Xing couldn't stand it, she felt that her body was starting to become too excited and she was getting hot.

This was a very bad situation.

Chen Ting wanted to run away, unfortunately, she didn't have the strength to get out of bed.

Finally Chen Ting had no choice but to endure.

"Stop, this is too much, I won't be able to hold on" Chen Ting said to Ye Chen.

Chen Ting just wanted to tease Ye Chen a bit, but she didn't expect it to turn out like this,

Chen Ting who usually stays calm could no longer keep her composure, right now she was in absolute chaos, how could she be calm in this kind of situation.

This pleasure was too strong and too overwhelming, Chen Ting felt floating and felt the comfort of this world.

"emmm. . ." she finally couldn't hold on anymore and finally reached the peak.

And it was so wonderful for Chen Ting.

Chen Ting's body was trembling, just a little massage from Ye Chen made her become like this, this was unimaginable to Chen Ting.

Chen Ting could no longer be calm, she could no longer hide the feelings she had.

"why, why is it so comfortable, how did he do that" Chen Ting didn't understand, why was it so comfortable, the feeling was so good for Chen Ting.

"Want some more?" Ye Chen asked Chen Ting.

"No. . ., that's enough" Chen Ting panicked and backed away from Ye Chen.

She used all the strength and skill she had to back away from Ye Chen.

"hehehe, what's wrong, are you scared ?" Ye Chen said to Chen Ting.

"I'm... ." Honestly Chen Ting didn't want to answer, it would cause more trouble if she answered questions for Ye Chen.

"I'm tired, why don't you go to bed and sleep" Chen Ting said to Ye Chen.

Chen Ting told Ye Chen to sleep, she couldn't go on like this.

"okay I understand" Ye Chen understood and went straight to his bed.

Chen Ting felt confused, she was confused by Ye Chen, what Ye Chen did made Chen Ting feel confused.

"He's being weird, what exactly is going on, does he not want to continue?" Chen Ting began to wonder about this matter.

Chapter 2822 endless sky Sect

"What was I thinking, that's obscene" Chen Ting was embarrassed that she was thinking like that.

"I'd better go to bed" Chen Ting decided to rest, she wanted to rest for a while.

Chen Ting was still quite wary, she was afraid that Ye Chen would do something to her.

Ye Chen did not do anything, he was focused on training and cultivation.

After getting some Yin Qi from Chen Ting, he decided to continue practicing.

"I am already at the fifth level of Immortal Rebirth God Realm, that is such a great improvement" Ye Chen was so happy that he had reached this point.

Ye Chen had already improved quite a lot since doing with Chen Xing and also Yu Muyin.

"When you have obtained pure Yin Qi from Chen Xing and have only gone up a few levels, it looks like your progression will be very tough" Chu Yuechan said.

Ye Chen would probably have a problem, that was because he would find it even harder to move up.

Even with Chen Xing's pure Yin Qi, he could not break through more than five levels.

It was really tough for Ye Chen, so Chu Yuechan concluded that from now on Ye Chen would ascend even more slowly.

"That's right, it's quite difficult for me to level up" Ye Chen said to Chu Yuechan.

Ye Chen had to admit that it was becoming increasingly difficult for him to level up and wanted to get Ye Chen into trouble.

Ye Chen might have great techniques, but he still needed a level of cultivation to become stronger and stronger.

"You have to fight even harder." Chu Yuechan said to Ye Chen.

She told Ye Chen to try harder.

"It's easy for you to say that" Ye Chen said to Chu Yuechan.

"It's easy to say" Chu Yuechan said to Ye Chen, she told him that it was easy to say.

"Okay, then I'll take a break, it's a good time to rest after working so hard".

Ye Chen looked at Chen Ting, he could clearly see that Chen Ting had also slept and rested.

She was so fast in resting and Ye Chen was also resting.

"Meanwhile, the Ninth Elder and Fifth Elder started searching for Ye Chen's trail, they would soon find Ye Chen's trail.

They found Ye Chen near the Desire Sky Villa.

"He is near Desire Sky Villa, we can find out from him where Yu Muyin is" they decided to ask Ye Chen.

"Let's just follow him and find out what he knows" They will follow Ye Chen and find out what Ye Chen knows.

.

.

The night passed so quickly, Ye Chen woke up and saw Chen Ting still sleeping.

"It's morning" Ye Chen looked out, he could see that it was already bright outside.

Ye Chen moved and immediately opened the window, the warm morning light shone into the room and made Chen Ting wake up.

"It's morning" Chen Ting didn't expect that it was already morning, it seems like she slept too comfortably last night.

After feeling Ye Chen's massage, Chen Ting felt that she was becoming more and more lively, such a comfortable feeling made Chen Ting so refreshed.

It seemed like Ye Chen's ability was good, he was able to make Chen Ting feel so comfortable by using his ability.

Chen Ting enjoyed it, she enjoyed Ye Chen's ability that was so good and great, she had to admit that Ye Chen had such a strong and great ability.

It made Chen Ting feel so good and refreshed in the morning.

"Today I am so refreshed, I haven't felt like this for a long time, it turns out that the ability is so good" Chen Ting had to admit that Ye Chen had a good and good ability.

An ability that made Chen Ting feel so much pleasure and her body became refreshed.

"I might as well give him a gift" Chen Ting decided to give Ye Chen a gift.

she could not ignore what Ye Chen had done, so she decided to give Ye Chen a gift for all the misunderstandings that happened last night.

Chen Ting got up from the bed, she straightened her crumpled clothes and started to reorganize her appearance.

"You will come with me to the city, let's find something nice for you" Chen Ting said to Ye Chen.

"What happened, why so suddenly" Ye Chen asked Chen Ting.

"I'll get you a present, so don't ask too many questions about it" Chen Ting told Ye Chen not to ask too many questions about it.

"Understood" Ye Chen understood, he wouldn't ask much about what Chen Ting was going to do.

The two of them went out and went straight to the market.

Since this was the center of the city, so this place was so crowded with various things from necessities to objects for cultivators and adventurers.

"What do you want?" Chen Ting asked Ye Chen.

she wanted to know what Ye Chen needed.

"hmmm, maybe something wearable, why don't you choose it for me" Ye Chen said to Chen Ting.

"Let's see what suits you" Chen Ting searched for a suitable object.

she is looking for the most suitable object to be used by Ye Chen.

"After looking around for a while, Chen Ting finally found a thing that might suit Ye Chen.

"How about I buy you a musical instrument, I guess you are good at it" Chen Ting said.

she wanted to give Ye Chen a nice and cool musical instrument.

"No problem" Ye Chen understood, he would accept what Chen Ting gave him.

"Come with me" Chen Ting went to the store that sold musical instrument supplies, it was a nice store and full of good things.

"What can you do?" Chen Ting said.

"I can use all things" Ye Chen told Chen Ting.

He told her that he could use all things.

Ye Chen was quite talented in every single thing, so it was not strange that he could easily use all those things.

"That's great, I didn't expect that you can play all the things" Chen Ting said to Ye Chen.

"That's nothing" Ye Chen said to Chen Ting.

"You are much better than me anyway, you obviously have better skills since you have become a great teacher" Ye Chen said to Chen Ting.

Chen Ting blushed as she listened to what Ye Chen said.

Ye Chen praised Chen Ting and made Chen Ting so happy.

Ye Chen looked around, he sensed that someone was watching them.

"Someone is watching us" Ye Chen said to Chen Ting.

"What?" Chen Ting didn't know, she couldn't feel it.

It's probably because Chen Ting is so weak right now, and the presence of the person watching them is so strong.

So it's not strange that Chen Ting can't feel it.

Ye Chen is strong now, so she can easily sense the person's presence.

"I don't feel it at all" Chen Ting said to Ye Chen.

"They are strong" Ye Chen said.

Ye Chen told this to Chen Ting from the beginning.

"they are that strong, if it's true I won't be able to fight against them" If what Ye Chen said was true, then she wouldn't be able to fight against them.

"You don't need to worry, I will protect you" Ye Chen said to Chen Ting.

Chapter 2823 Chen Ting pretends to be Ye Chen's lover

"You want to protect me, don't joke around like that" Chen Ting said to Ye Chen.

Chen Ting didn't believe that Ye Chen could protect her, Ye Chen was just a student there was no way he could protect Chen Ting.

Ye Chen realized that Chen Ting would not believe what he said, Ye Chen already knew this from the beginning because he hid his strength well.

"Yuechan. . ." Ye Chen said to Chu Yuechan.

"What's wrong?" Chu Yuechan asked Ye Chen what Ye Chen needed right now.

"Please help me see these people" Ye Chen asked Chu Yuechan.

He needs help from Chu Yuechan to see who they are.

"I understand" Chu Yuechan understood, she would go to see who was spying on Ye Chen.

Chu Yuechan came out of the fairy gate, she saw who was looking at Ye Chen.

When Chu Yuechan arrived she saw two people who were watching and following Ye Chen.

"they are people from the endless sky Sect" Chu Yuechan seemed to know who they were, they were most likely people from.

"I already know who they are, I better tell master" Chu Yuechan already knew, she would tell this to Ye Chen.

With that Chu Yuechan told Ye Chen about the endless sky Sect.

"Who are they?" Ye Chen asked Chu Yuechan.

"They are people from the endless sky Sect" Chu Yuechan told Ye Chen.

She told Ye Chen about the people who were watching him.

"Are they targeting Yu Muyin by watching me" Ye Chen guessed what happened.

"that's most likely true" Chu Yuechan quite agreed with what Ye Chen said, that person definitely did.

"This is quite troublesome" Ye Chen said to Chu Yuechan.

"You should try to make them not interested in you" Chu Yuechan told Ye Chen.

Chu Yuechan told Ye Chen to make them disinterested.

"But how ?" Ye Chen asked Chu Yuechan.

"You think of it yourself" Chu Yuechan told Ye Chen to think of a way to make them not interested.

"-_- " Ye Chen was played again by Chu Yuechan this fairy was playing with Ye Chen.

"Yuechan, it looks like you need a little more lessons" Ye Chen said.

Ye Chen was going to give Chu Yuechan another lesson.

"No, master is so evil" Chu Yuechan said to Ye Chen, she told him that Ye Chen was evil.

"I am indeed evil" Ye Chen said.

He would definitely not let go of Chu Yuechan, and would make Chu Yuechan feel the power possessed by Ye Chen.

"fufufufu" Chu Yuechan giggled, she giggled when she heard this.

Ye Chen thought for a while, he thought about what their goal was right now.

"Their goal is Yu Muyin, then I have to make them realize that I have nothing to do" Ye Chen had an idea, he would make them unaware of him, with that Ye Chen would be fine.

"faction leader, can you cooperate with me" Ye Chen said to Chen Ting, he wanted to make Chen Ting cooperate with him.

"Cooperate?" Chen Ting didn't really understand what Ye Chen was saying, she didn't understand what Ye Chen was saying.

"Please help me to make them leave" Ye Chen said to Chen Ting.

"How, what can I do?" Chen Ting asked Ye Chen.

"What can do to make them leave?" Ye Chen whispered.

Ye Chen whispered, telling her what to do.

"Eh. . ." Chen Ting was surprised when she heard this, Ye Chen's request was enough to make Chen Ting surprised.

"It's so embarrassing, to act and pretend to be your girlfriend" Chen Ting told Ye Chen.

"No problem, I'm sure you can do it" Ye Chen was confident in Chen Ting's ability.

she can definitely do it and act as a fake girlfriend to trick those people.

"You can definitely do it" Ye Chen believed that Chen Ting could do it, Ye Chen was confident in Chen Ting's ability.

If it was Chen Ting, he would have been able to do that.

"If you insist, I will do it" Because of Ye Chen's insistence, Chen Ting was finally willing to do it.

Ye Chen had succeeded, he had made Chen Ting do what he wanted.

This will make Ye Chen's job easier.

"Then let's start" Chen Xing hugged Ye Chen, she became so intimate with Ye Chen.

Ye Chen also did the task he had, he hugged Chen Ting's waist and they looked like a couple.

They were doing well, the fifth and ninth elders saw that Ye Chen and Chen Ting had a good relationship and it looked like they were a couple.

"why are we doing this, I don't really like seeing things like this, and it doesn't seem like he has a relationship with Yu Muyin.

"There is no way Yu Muyin is interested in that person" the ninth elder said that Yu Muyin would not be interested in Ye Chen.

"Don't forget that that person is quite powerful, even if Yu Muyin is not interested, she will definitely do her best to get close to him" the fifth elder said that Yu Muyin has a motive to get close to Ye Chen.

"Let's keep an eye on him for a little longer, I want to see what that person can do" Fifth elder told them that they could keep an eye for a little longer.

"They didn't leave, they are still watching us" Ye Chen said to Chu Yuechan.

"Looks like it didn't work" Chu Yuechan said to Ye Chen, she told Ye Chen that it didn't work.

"Maybe it's because you two aren't convincing enough" Chu Yuechan said to Ye Chen.

Chu Yuechan said that Ye Chen and Chen Ting were not convincing enough.

"What do you mean, we're not convincing enough" Ye Chen said.

"Of course" Chu Yuechan said to Ye Chen, even she could see that they were not convincing as a couple.

"uh, then" Ye Chen became closer, he hugged Chen Ting tighter compared to before.

The feeling of hugging Chen Ting was so good because Chen Ting had a thinner body and was plump in some prominent places.

"emmmm. . wait, don't do that, if you do that, I won't be able to stand it" Chen Ting said to Ye Chen.

Chen Ting couldn't stand it, the closer Ye Chen got, the more excited she became and this felt so strange to Chen Ting.

"Why am I being like this, I'm so excited when I'm with him" Chen Ting felt strange that she would be like this when she was with Ye Chen.

It was a feeling that Chen Ting could not explain.

"I didn't mean to, I just wanted them to leave" Ye Chen said to Chen Ting.

"I understand" Chen Ting understood, she understood why Ye Chen did that.

Even so, she still couldn't get used to this.

"It's just an act, don't take it too seriously" Chen Ting said.

Chen Ting completely lost control, she couldn't calm down like usual.

"Do you like this thing" Chen Ting asked Ye Chen, she asked if Ye Chen liked this thing.

Chen Ting picked up something, she picked up an interesting thing and showed it to Ye Chen.

Chen Ting picked up a guitar, maybe this would suit Ye Chen.

"This is so good" Ye Chen received it from Chen Ting, he felt that it was very good.

"Do you like it, if you like it, I will buy it for you" Chen Ting said to Ye Chen.

"I like it, I will accept this" Ye Chen told Chen Ting.

He would accept the gift from Chen Ting and accept it.

Chapter 2824 Date And Dinner With Chen Ting

Chen Ting was so happy when she saw Ye Chen accept what she gave him.

"Then please play one song for me" Chen Ting said to Ye Chen.

she asked Ye Chen to play one song for her.

"Of course" Ye Chen did, he played one song for Chen Ting and Ye Chen chose a romantic song.

Chen Ting listened to it, she really liked Ye Chen's performance.

Ye Chen's performance is so beautiful and so good, she really likes Ye Chen's performance very much.

"It's beautiful" Chen Ting said to Ye Chen, she told Ye Chen that he did very well and it was beautiful to listen to.

"You like it" Ye Chen asked Chen Ting.

"um, I really like it, you played it so beautifully" Chen Ting told Ye Chen.

she told that Ye Chen played so beautifully, she liked it, this was something Chen Ting liked.

Chen Ting and Ye Chen became so intimate, they were so intimate and looked like a real couple.

After buying a musical instrument, Ye Chen took Chen Ting to a restaurant, they rented a private place that was so beautiful and nice for themselves.

This time Ye Chen was the one paying, he felt bad if he kept letting Chen Ting pay for the food.

Chen Ting didn't expect that Ye Chen would bring her to such a nice and romantic looking place.

"I didn't expect that you would bring me here" Chen Ting said to Ye Chen.

"This is to thank you" Ye Chen told Chen Ting.

He told her that it was because he wanted to thank Chen Ting.

And at the same time Ye Chen wanted to get rid of the people who were following him.

"They are still persistent in following me" Ye Chen saw that the enemy was still persistent, they wanted to continue following Ye Chen.

"They haven't found any clues about Yu Muyin from you yet, once they get a clue from you, I'm sure that they won't let you go" Chu Yuechan said to Ye Chen.

"That's very troublesome" Ye Chen said to Chu Yuechan, if they didn't want to leave, Ye Chen had to use other means to make them leave this place.

"May I ask you something" Chen Ting said to Ye Chen.

"What is it?" Ye Chen asked Chen Ting as long as he could answer, he would answer Chen Ting's question.

"Why are they following you, what are they looking for from you" Chen Ting asked Ye Chen.

"So you want to know the reason" Ye Chen said to Chen Ting.

"Of course, I want to know the reason" Chen Ting told Ye Chen to tell her the reason.

Ye Chen told Chen Ting, he told her what happened so that he could be dragged into the matter.

"Ehhh, so it's like that, I understand" Chen Ting understood, she began to understand what happened, she knew what happened to Ye Chen and knew why Ye Chen could be dragged into the matter.

"You must be pretty unlucky to be dragged into that" Chen Ting said to Ye Chen.

"Not really, I'm not too bothered, if they look for more trouble, I will destroy them" Ye Chen said to Chen Ting.

"Aren't you too confident, if they are indeed strong, can you face them".

"Of course, I can face them" Ye Chen was certainly capable of facing them all.

"You are so confident in your abilities, I like that" Chen Ting said to Ye Chen.

she likes the confidence that Ye Chen has.

she liked it when Ye Chen was so confident in his abilities.

"Sir, Miss, here's your food" Moments later the waiter brought the food that Ye Chen and Chen Ting ordered.

A very nice and delicious meal was brought to them. I think you should take a look at

"This looks so good" Chen Ting said to Ye Chen.

"Of course, it is indeed good" Ye Chen replied.

After that, Ye Chen immediately whispered to the waiter, he wanted to tell the waiter to do something.

The waiter immediately understood what Ye Chen needed, he would do what Ye Chen wanted.

"What are you doing?" Chen Ting asked Ye Chen.

"You will definitely like it" Ye Chen said to Chen Ting.

Moments later this place became darker than before, and the surroundings of this place began to change and replaced the scenery with the night sky.

A projection screen was used in this case, this made the room look like it was outdoors with a beautiful view of the stars.

This beautiful view was of course enjoyed by Chen Ting.

"This is so nice" Chen Ting liked, eating in this condition was every woman's wish and Chen Ting liked it.

"It's good that you like this" Ye Chen was happy that Chen Ting liked this.

With that the two began to eat with the beautiful and dimly lit candlelight.

These conditions were ideal for a romantic atmosphere and Chen Ting could no longer calm down.

Her heart was beating so fast from excitement and happiness.

"What is this feeling, such a strange feeling, what is happening to me" Chen Ting did not understand what had happened to her.

she started to become so strange when Ye Chen became romantic.

As if, Chen Ting had fallen for Ye Chen.

Even though this was just an act, Chen Ting still liked him, she still liked what Ye Chen was doing.

According to her, what Ye Chen did made Chen Ting feel so happy.

Ye Chen and Chen Ting ate, the two of them enjoyed eating the food bought by Ye Chen and enjoyed the view of the projections around, Chen Ting enjoyed it so much that she forgot about everything around them.

After they finished, the two of them went straight out, they went out and intended to return to the inn they booked.

Since Ye Chen and Chen Ting were staying in the same room, it would make them more confident as a couple and no one would be suspicious of this matter.

"Thank you very much" Chen Ting thanked Ye Chen.

What Ye Chen did was so wonderful for Chen Ting.

"You're welcome" Ye Chen was happy about this, he was happy that Chen Ting wanted to accompany him and have fun.

Even though it was to drive that person away, Ye Chen still enjoyed being with Chen Ting.

After that they slept and prepared for tomorrow.

Tomorrow Ye Chen hoped that those people had left and would not bother Ye Chen anymore.

The fifth and ninth elders did not find anything from Ye Chen, they instead saw the couple's tightening and it made them annoyed.

"It's boring watching people do that" the ninth elder said to the fifth elder.

"Let's do this quickly" he said that they should do this quickly.

"What do you want?" he asked what to do.

"Capture him and find out what he knows, it will be faster than doing something like this" Elder Nine said that they should capture Ye Chen and find out what Ye Chen knows.

"Whatever you want" the fifth elder gave permission, he gave the ninth elder permission to do so.

"Alright, then let's get started" with that the ninth elder immediately went to catch Ye Chen.

Ye Chen who was sleeping immediately felt something was wrong, he felt a strange movement.

Chapter 2825 endless sky Sect elder starts the action

"They're starting to move" Ye Chen saw that the enemy was starting to move, it seemed like they were tired of watching Ye Chen.

Chen Ting didn't realize this, only Ye Chen was aware and saw it.

Ye Chen immediately got up, he welcomed the arrival of the ninth elder.

The ninth elder saw that Ye Chen woke up, it seemed like Ye Chen realized that he was already in this place.

"Who is it?" Ye Chen asked the ninth elder.

"So you are aware of my arrival, not bad" the ninth elder looked towards Ye Chen.

"So you are the one who is around, you are just disturbing" Ye Chen said to the ninth elder.

"So you've realized, I know that you're pretty strong" the ninth elder said to Ye Chen.

"I don't care what your purpose is, just leave this place" Ye Chen told to leave this place.

"I won't leave this place" the ninth elder said that he wouldn't leave this place.

"You must know Yu Muyin, tell me where she is" the ninth elder asked Ye Chen.

"Where do I know, I don't know about it" Ye Chen said to the ninth elder.

"Don't lie to me" the ninth elder said to Ye Chen.

"Why, don't you believe it, me and him just exchanged some trades" Ye Chen said.

"So it has nothing to do with me" Ye Chen said.

Ye Chen told her that it all had nothing to do with her.

"As if I would believe what you say" he did not believe what Ye Chen said.

"Then what do you want" Ye Chen asked, what did the person want.

He couldn't be lied to, he would probably insist on getting information from Ye Chen.

"Capture and make you talk" he said to Ye Chen.

"Do you think you can catch me so easily" Ye Chen said that it would not be easy to catch him.

"Who said that I can't catch you, for me catching you is a very easy thing to do, so be prepared" he said to Ye Chen.

He was going to catch Ye Chen, it was not difficult to catch Ye Chen by using the ability of the ninth elder.

The Ninth Elder moved so fast, in less than a second he was already behind Ye Chen.

He intended to crush Ye Chen in one fell swoop.

"Wosh. . ." as he attacked Ye Chen, he suddenly felt that his hand did not touch Ye Chen's body.

"What! ! !" he was shocked when he saw that his attack could not touch Ye Chen.

"What a fool" Ye Chen counterattacked, he hit the ninth elder right in the face.

The ninth elder didn't have a chance to dodge Ye Chen's attack.

Ye Chen's attack was so precise, it targeted the body of the opponent so easily.

"Bam. . ." He was blown away and blown several miles.

"Since they fought indoors, they naturally caused the surrounding buildings to be destroyed.

"You destroyed several buildings" Chu Yuechan said to Ye Chen.

"I forgot that we are in the middle of the city, I'd better restrain myself" Ye Chen said.

Ye Chen was too excited, and wanted to end the battle quickly, it made him lose control and almost destroyed the ninth elder in one strike.

"Get out" the ninth elder came out from the ruins, he came out from the ruins and looked towards Ye Chen.

He looked at Ye Chen with intense hatred.

Ye Chen's attack clearly made some of his teeth fall out, he swallowed the humiliation given by Ye Chen.

"Damn it, I underestimated him too much, who would have thought he had the ability" the ninth elder finally knew the strength of Ye Chen.

He finally knew that Ye Chen had the ability to fight against him.

The ninth elder went towards Ye Chen, he intended to have a re-battle with Ye Chen.

"You came back quite fast, are the wounds you have alright" Ye Chen asked, are the wounds of this person already better.

"Don't underestimate me" he said to Ye Chen, he told Ye Chen not to underestimate him.

"Then what can you do" Ye Chen asked, what can the person do.

"Take a good look at what I can do" he told Ye Chen, he told Ye Chen about what he can do right now.

"Fire Hand Gate" He made a gate out of fire, this gate was huge and had the same size as a 10-story building.

The gate covered in flames was of course flashy, it was conspicuous and attracted the attention of the people around.

"You will get in trouble from the guards if you use something like that" Ye Chen informed that the ninth elder would get in trouble if he used something that could destroy the city.

"Do I seem to care about that, I honestly don't care about that problem" he informed that he didn't care about that problem.

He was much stronger than this kind of city guard, even if he wanted to, he could destroy the city using his power.

"Crazy person again" Ye Chen saw that this person was so crazy, he would definitely do everything to catch Ye Chen.

"taking him outside is the best way, the people around here will definitely be affected by the battle" Ye Chen must take this person out of the city, otherwise the city will be destroyed.

"get ready, I will destroy you" he said to Ye Chen, he would destroy Ye Chen by using his power.

"To be honest I'm not too interested in fighting with you" Ye Chen said that he was not too interested in fighting.

"Too bad I don't have a choice, let's get started" Ye Chen put out the fire gate made by the ninth elder, he immediately destroyed it with his ability.

After destroying the gate, Ye Chen went straight towards the ninth elder.

He hit the ninth elder quite hard, he did so and instantly flew the ninth elder tens of thousands of miles.

After flying the person out of the city, Ye Chen immediately left and directly chased after the ninth elder.

The fifth elder saw that Ye Chen was quite strong, he was strong enough to face the ninth elder.

Chen Ting woke up when she felt the commotion around, she was naturally aware of the commotion made by Ye Chen and the ninth elder.

Even the city troops came to see what was happening in this place.

"What happened, where is he" Chen Ting tried to look for Ye Chen, she tried to find the whereabouts of Ye Chen.

Chen Ting did not find Ye Chen, it was likely that Ye Chen had already left from this place.

The fifth elder was much smarter compared to the ninth elder, he saw that Chen Ting was not guarded by Ye Chen and intended to use it to threaten Ye Chen.

"You come with me" he caught Chen Ting.

"Who are you?" Chen Ting tried to fight back, she attacked the person in front of her.

Chen Ting's attack was easily blocked by the person in front of her.

"There's no point in you fighting me" he said to Chen Ting, he told Chen Ting to give up.

The difference in strength they had was so great, so there was no point in fighting back.

The fifth elder decided to immobilize Chen Ting and take her hostage to make Ye Chen helpless.

With a single move, he was able to render Chen Ting unconscious, after which he simply carried him away.

Ye Chen chased after the ninth elder, it was time for Ye Chen to solve the problem at hand.

Chapter 2826 Chen Ting taken hostage

Ye Chen chased after the ninth elder, using incredible speed, he was able to catch up to the ninth elder.

"Damn, again" the ninth elder touched the place that Ye Chen hit, honestly it felt so painful.

He didn't expect that he would be hit twice by Ye Chen.

"Once again he was humiliated by Ye Chen, he was again humiliated by Ye Chen by using Ye Chen's ability.

Ye Chen arrived in front of the ninth elder, he quickly arrived in front of the ninth elder.

"This place is more suitable for battle, I will defeat you here" Ye Chen informed that he would defeat the ninth elder here.

"Don't underestimate me, I am an elder of the ninth elder endless sky Sect, do you think you can defeat me easily?" he said to Ye Chen.

"So what if you are an elder of the Endless Sky Sect, do you think I will be afraid when I know that you are an elder of the Endless Sky Sect" Ye Chen was not afraid even though he knew who he was fighting.

"You will regret it" he said that Ye Chen would regret what he said.

"I won't regret it, you will regret fighting me" Ye Chen told him that he would regret it.

"Fire Hand Gate" he again used the same technique, this time the size was much bigger and stronger compared to before.

If before it was as tall as a one-story building, now it was several miles tall.

Ye Chen looked at the gate in his hand, honestly Ye Chen wanted to see the power of the Fire Hand Gate.

"Click. . ." Some time later the gate opened.

A giant hand appeared and directly attacked Ye Chen.

It hit Ye Chen using full force.

Ye Chen defended, he crossed his arms and blocked the incoming attack.

With that Ye Chen managed to withstand the attack from the opponent.

"There is more to come" the ninth elder said that there would be more for Ye Chen.

Ye Chen saw what the ninth elder was doing.

He could see that the ninth elder was attacking more and more.

Dozens of flame hands came out from the gate and struck Ye Chen.

"Bam. . ." Ye Chen was hit by dozens of punches, he was hit by dozens of punches and made him unable to move.

"hahaha, do you now know the power I have" the ninth elder said to Ye Chen.

The ninth elder said to Ye Chen, he really enjoyed attacking Ye Chen.

Ye Chen was still in defense mode, he was still in defense mode and showed such great endurance.

"It's really troublesome, I don't really like this" Ye Chen didn't really like this, he didn't really like it when he saw the enemy keep attacking him and cornering him like this.

Ye Chen finally started a counterattack, he started a counterattack and instantly destroyed the enemy by using a full attack.

"Sky wind Law" Ye Chen released a powerful wave, when Ye Chen released such a powerful wave, it removed all of the attacking fire hands.

"Woshhhh. . ." the ninth elder along with the fire gate was blown away.

The blowing power of the Sky wind Law was so strong, it was because Ye Chen was now much stronger and he was able to create such a large hole around.

The impact of the Sky wind Law was so strong, with such a strong impact, it was obvious that the ninth elder would suffer injuries as a result of the powerful attack launched by Ye Chen.

"Damn it" the ninth elder roared, he had injuries all over his body, even the clothes he was wearing were torn apart by the impact of the attack from the Sky wind Law.

Blood and pain kept coming out, the Sky wind Law was able to inflict such serious injuries to the ninth elder.

"Ninth elder is already in poor condition, there is no chance for him to win against Ye Chen.

"There is no chance for you to win, just give up" Ye Chen said to the ninth elder, he told him that he would not win against Ye Chen.

"Shut up, I will win against you" the ninth elder told him that he would win against Ye Chen.

"I will end this with the strongest attack I have" Right now he was in a bad position, right now he could only end the attack by using the ultimate technique he had in store.

He honestly didn't want to use this, but there was nothing he could do and he had to do it.

"Hot Blaster" he uses an attack from the power inside his body.

The power inside his body exploded and made a powerful impact to the surroundings.

"Be destroyed" he said to Ye Chen.

His body started to gather so much power, if it exploded, there would definitely be a huge impact.

"Such a troublesome person" Ye Chen stretched out his hand, he immediately made a protective shield.

"That won't do" the ninth elder said to Ye Chen.

He told Ye Chen that the shield he made would not be able to protect Ye Chen from his attacks.

"So noisy" Ye Chen said to the ninth elder.

"Behold" the ninth elder said to Ye Chen, he was so angry at Ye Chen that he was going to destroy Ye Chen with his own hands.

"Explosion. . ." An explosion that was so huge happened, this explosion engulfed all the things around and destroyed all the things.

Because the impact of the explosion was so great, it created a crater of fire that was so big and hot, it was so big and so hot.

All the things that are around now become a hot crater that burns all things.

All things were burned to nothing by the ninth elder.

"Feel that" the ninth elder was so happy that he could defeat Ye Chen.

Ye Chen had been destroyed, he must have been reduced to ashes by the attack just now.

"Bam. ." when the ninth elder was caught off guard and didn't pay attention to his defenses anymore.

Ye Chen came and hit the ninth elder's face until it bled and shattered.

"Bam. . ." Ye Chen's attack succeeded, the surprise attack succeeded in making the ninth elder fall and no longer stand.

"You, why are you still alive" he asked Ye Chen.

"Why is Ye Chen still alive after receiving such an attack?" he asked Ye Chen.

"It's definitely not, I'm still alive because I survived, do you think it's easy to kill me" Ye Chen said to the ninth elder.

"Damn it. . ." the ninth elder looked at Ye Chen, he was so annoyed to see Ye Chen unharmed and fine after receiving his attack.

"You're too confident in your abilities, you're paying the price for letting your guard down" Ye Chen said to the ninth elder.

"I can still fight" the ninth elder told Ye Chen, he was still able to fight.

"hahaha, your condition is already impossible to fight, just give up" Ye Chen said to the ninth elder.

He told him that the ninth elder would no longer be able to fight.

"Stop right there" When Ye Chen was done, the fifth elder finally came along with Chen Ting.

Ye Chen looked at the fifth elder who came together with Chen Ting.

This person was holding Chen Ting hostage.

"Damn, that guy" Ye Chen was so angry when he saw Chen Ting being held hostage by the fifth elder.

He didn't expect that Chen Ting would be taken captive to fight against him.

If Ye Chen knew, he would have used the Clone to protect Chen Ting.

Chapter 2827 Chen Xing and Yu Muyin came to help Ye Chen.

"If you dare to make a move, I will not guarantee the safety of this person" the fifth elder told Ye Chen, he gave a threat to Ye Chen.

If Ye Chen dared to move, he would not guarantee the safety of Chen Ting.

"Don't care about me" Chen Ting told Ye Chen, she told Ye Chen not to care about her.

"I can't do that" Ye Chen told her that he couldn't do that, he couldn't let Chen Ting be in danger.

"Fifth elder, you're great" Ninth elder praised Fifth elder, he was so great for taking hostages.

Ye Chen raised his hand, right now there was nothing Ye Chen could do but go with them, if Ye Chen did anything, it would endanger the life of Chen Ting.

So it was better for Ye Chen to give up and go with them.

"What a good decision, come with you quickly" They said to Ye Chen, they invited Ye Chen to come with them.

Ye Chen didn't have a choice, he went along with them and did what they told him to do.

Ye Chen honestly hated this, but he had no choice but to do it.

"That's great, you made a good decision to surrender" he said to Ye Chen, Ye Chen had made a good decision to surrender.

Chen Ting felt guilty, Ye Chen was forced to surrender because of her.

she made trouble for Ye Chen, Chen Ting doesn't really like this.

she made Ye Chen experience quite a serious problem.

With that the ninth elder brought Ye Chen, he detained Ye Chen and was going to imprison Ye Chen.

"Now that we've got him, what can we do" the ninth elder said to the fifth elder.

"It's up to you" the fifth elder said to the ninth elder.

"In that case, I will take revenge for what happened" the ninth elder intended to take revenge on Ye Chen.

He wanted to take revenge for what Ye Chen did.

"Feel this" the ninth elder beat Ye Chen, he hit Ye Chen quite hard.

Chen Ting couldn't see that, she felt quite guilty for letting Ye Chen be in such a situation.

"That's horrible, stop" Chen Ting told them, she told them to stop.

"Feel this" the ninth elder didn't stop, he instead enjoyed the moment when he took revenge on Ye Chen.

In such a state, the ninth elder enjoyed attacking Ye Chen.

He enjoyed attacking Ye Chen with full force.

Ye Chen could only defend against the ninth elder's attacks.

Fortunately, Ye Chen had such a strong physique, such an attack wouldn't have much effect on Ye Chen, so Ye Chen wouldn't get any serious injuries from the attack.

"Feel it" the ninth elder shouted louder, again, he really became more and more excited as he did so.

"You guys stop right there and now" When the ninth elder was enjoying torturing Ye Chen, someone stopped him.

"The person who stopped them was Yu Muyin, she finally showed up and helped Ye Chen.

"You finally showed up too" they saw Yu Muyin, finally the person they were looking for came out too.

"What a fool to show yourself in front of us" the ninth elder said to Yu Muyin.

"He has nothing to do with our business, so let him go" Yu Muyin, told them to let Ye Chen go.

"So what if we don't want to let him go" they refused to let Ye Chen go.

"If you don't want to let him go, I will use harsh means to make you let him go" Yu Muyin, said to the two elders in front of her.

so these people were chasing Yu Muyin.

But why did they involve Ye Chen along with her, honestly this is a little annoying.

"You're a nuisance so get out of the way" someone instantly flew over the fifth and ninth elders.

"A strong blow sent them flying and they fell to the ground.

The clothes on their bodies shattered and they became tattered.

The wind was so strong and blew them away, with that Chen Ting was saved.

"Who is it" they wanted to know who had made them like this, they had absolutely no chance to fight back and were just blown away, even the fifth elder was also blown away and injured.

The beautiful female figure came down, when they saw who came, they became tense.

The beautiful female figure came to see them, those who had lived long enough would know who this was.

"why is she in this place" they were both surprised when they saw who came.

"The person who came is Chen Xing, she came to see the person who has been looking for trouble on Ye Chen.

Chen Xing came to help Ye Chen, it seemed like Ye Chen had gotten enough trouble from those two people.

"Are you alright" Yu Muyin asked Ye Chen.

"A little injured" Ye Chen said to Yu Muyin.

"where is the injured part" Yu Muyin asked Ye Chen, she wanted to know where Ye Chen's injured place was.

"You should look for it" Ye Chen said to Yu Muyin.

Yu Muyin innocently searched, she didn't know that she was being deceived by Ye Chen.

Yu Muyin searched for some time, she did not find any wounds where Ye Chen was.

"There is no wound, you tricked me" Yu Muyin finally realized that she was tricked by Ye Chen.

"Hehehehe, so you realized that you were tricked" Ye Chen said to Yu Muyin.

"You are so naughty" Yu Muyin said to Ye Chen.

She was upset about being tricked, even though she was so worried about Ye Chen's condition.

"hehehehe" Ye Chen chuckled, he managed to trick and make Yu Muyin.

"I'm fine, how could they hurt me" Ye Chen told Yu Muyin.

He told her that he couldn't be hurt, he wouldn't be hurt by them.

"I am relieved" Yu Muyin told Ye Chen, she was relieved that Ye Chen had succeeded.

If Ye Chen wanted, he could have won easily, he just wanted to play with them a little.

"I didn't expect that you guys would come" Ye Chen didn't expect that they would come to help.

"What a coincidence that we were passing by and saw that, and it looks like sister Chen Xing will handle this matter".

Yu Muyin can leave this matter to Chen Xing, with Chen Xing's ability she can of course easily destroy the two elders of the endless sky Sect.

"Why is she here" Chen Ting was also surprised when she saw Chen Xing, why is Chen Xing in this place.

Chen Xing would immediately solve the problem, these two people were so annoying and made Chen Xing not too happy.

"I'll take care of you guys" Chen Xing told him that she would take care of them.

"Hold on, we can talk about this" The Ninth Elder and Fifth Elder started to back away.

They both looked scared when they saw Chen Xing coming and helping Ye Chen.

"Who would have thought that Ye Chen was know with someone like Chen Xing, if they knew, they wouldn't have attack Ye Chen.

Chapter 2828 what actually happened

"There's nothing to explain, I saw what you did" Chen Xing told them that she saw what they did.

That's why Chen Xing didn't want to listen to what they had to say.

Chen Xing would finish them off immediately, she could not let the people who had hurt Ye Chen go free.

They must get punished for what they did.

"Fifth elder, what should we do" Ninth elder asked, what should they do.

If they didn't do something, they would definitely be destroyed by Chen Xing.

"We will not be able to escape" Fifth Elder told them that they would not be able to escape Chen Xing.

"There is no other choice, we must fight them" They had no other choice.

"Let's attack her" They decided to fight back, they could not stand by and watch what Chen Xing was doing.

"Attack" they advanced, they picked up their artifacts.

The ninth elder picked up a short sword, and the fifth elder picked up something similar to an orb.

After they picked up their weapons, they immediately attacked Chen Xing.

"Die" they wanted to kill Chen Xing, otherwise they would die.

"Bam. . ." a strong wind hit them, the wind blew them far enough into space.

They were blown away by Chen Xing.

The power that Chen Xing had just used was enough to completely destroy them.

They would definitely be destroyed, there was no chance of them surviving Chen Xing's attack.

"I have finished it" Chen Xing said to Ye Chen and Yu Muyin.

"Such good work" Ye Chen said to Chen Xing, he recognized that Chen Xing did a good job.

After telling them that she had finished them, Chen Xing turned her attention to Chen Ting.

"It's been a while, how are you doing ?" Chen Xing asked Chen Ting.

"I'm fine" Chen Ting told Chen Xing, she was fine and in good shape.

"Looks like they know each other" Yu Muyin said to Ye Chen, she told that they know each other.

"Looks like you're right, they know each other and seem familiar".

"Do you guys know each other?" Ye Chen asked Chen Xing and Chen Ting.

Chen Ting looked away and didn't want to answer, while Chen Xing sighed.

"Why?" Ye Chen came closer, he asked Chen Xing.

"It's a bit long to explain" Chen Xing said to Ye Chen.

"Please explain it to me" Ye Chen told Chen Xing to explain it, he needed an explanation from Chen Xing.

"Alright" Chen Xing was going to explain, she couldn't hide this matter from Ye Chen.

Chen Xing told that Chen Ting was an adopted sister that she took in from the orphanage, the reason Chen Xing did it was very clear.

Chen Ting has such a good talent and her potential is so extraordinary, it's a pity that after that, Chen Ting didn't want to practice because she was afraid of the training given by Chen Xing, so she finally ran away and did what she wanted.

Chen Xing did not hide what happened, she told Ye Chen about what happened.

"ehhh. . ., so it's like that, I didn't expect that the leader of the harmony faction would be like that" Ye Chen said.

"No, it's not what you think" Chen Ting said to Ye Chen, she told Ye Chen that it was not what Ye Chen said.

"Then how" Ye Chen asked Chen Ting, he wanted to know what happened.

"It's because she trained horribly, several times I was almost killed by her" Chen Ting told Ye Chen.

"seriously, you trained people to be like that?" Ye Chen asked Chen Xing.

"I just want her to get used to life and death situations, nothing more" Chen Xing told her doing this, she wanted Chen Ting to become stronger and more mature.

"It's not strange that she ran away" Ye Chen understood why Chen Ting ran away, probably because Chen Ting was afraid of Chen Xing.

"I did it for her sake anyway" Chen Xing told her that she did it for the sake of Chen Ting.

"Alright I understand" Ye Chen understood, he could see that Chen Xing did not want to be blamed.

Chen Ting herself was also having problems, she was having problems with Chen Xing.

"Can you help me ?" Chen Ting said to Ye Chen.

Ye Chen seemed to know Chen Xing, so she told Ye Chen to help her.

"Of course, let me help you" Ye Chen told Chen Ting, he would help Chen Ting.

"Thank you very much" Chen Ting thanked Ye Chen for his kindness, she was so happy with Ye Chen's kindness.

"I've talked to her, it seems she wants to be trained by you" Ye Chen said to Chen Xing.

To help Chen Ting, Ye Chen had to do this, he would make Chen Xing even stronger because Chen Ting couldn't afford to waste her innate talent.

"Ye Chen" Chen Ting shouted, she was upset that Ye Chen was supporting Chen Xing.

Even though Chen Xing thought that Ye Chen would help her, who would have thought that Ye Chen would sell her out.

"I did this for your sake" Ye Chen told her that he did this for Chen Ting's sake.

"No... ." Chen Ting tried to escape, she tried to escape from Ye Chen and Chen Xing.

"Ye Chen, catch her for me" Chen Xing told Ye Chen.

"Got it" Ye Chen understood, Ye Chen caught Chen Ting.

"No, don't come close, why are you obeying her orders" Chen Ting said to Ye Chen.

"Of course, there is a reason" Ye Chen said.

Ye Chen told her that he had a strong reason to help Chen Xing.

"If you help me, I will gladly pay you" Chen Ting told Ye Chen.

Chen Ting knew that Ye Chen liked money, so she intended to bribe Ye Chen.

"Too bad, it won't work for me" Ye Chen told Chen Ting.

Ye Chen told her that what Chen Ting did would not work.

she would not be able to get Ye Chen, it was because Ye Chen was already part of Chen Xing.

Ye Chen took Chen Ting, he carried Chen Ting and brought her back.

"Let go of me, you stupid boy" Chen Ting said to Ye Chen.

she blushed at Ye Chen several times.

It seemed that she was so upset with what Ye Chen did.

Ye Chen didn't really care about this matter, he still brought Chen Ting along with him and handed Chen Ting over to Chen Xing.

"With that Chen Xing just tie Chen Ting up, let me go" Chen Xing said to Ye Chen, she told Ye Chen to let herself go.

"Miss Chen Ting, you are like a little girl, you don't look like your usual self" Ye Chen said to Chen Ting.

"Whose fault is it that I am like this" Chen Ting said to Ye Chen.

It's all Ye Chen's fault, if it wasn't for Ye Chen, she wouldn't be what she is today.

"Even though I have good intentions" Ye Chen said to Chen Ting.

"grrrr" Chen Ting growled at Ye Chen, she was annoyed and angry at Ye Chen.

"Please move her to my place with your skills" Chen Xing told Ye Chen to move Chen Ting to her place, she would take care of Chen Ting.

Chapter 2829 solving problems with endless sky Sect

"Alright" Ye Chen moved Chen Ting, with that Chen Ting was moved to Chen Xing's place.

"What are you going to do now?" Ye Chen asked Chen Xing.

"For now please keep this matter a secret from others" Chen Xing said to Ye Chen and Yu Muyin.

Chen Xing had already hidden this matter, so he asked them to hide this matter as well.

"Of course, I'll do it" Ye Chen would do it, he hid this matter.

"I will too" Yu Muyin said to Ye Chen, she would also hide the matter.

"Thank you" Chen Xing thanked Ye Chen and Yu Muyin.

"How about we solve the problem you have, if it continues to be left, then bad things will happen" Chen Xing said to Yu Muyin.

If this problem was left unresolved, then something terrible would happen to both of them.

They will definitely go straight to finding trouble again with Ye Chen, that's why Chen Xing intends to solve this problem quickly.

"What do you want to do?" Ye Chen asked Chen Xing.

"You must already know what I'm going to do" Chen Xing said to Ye Chen.

"so you want to do it" Ye Chen seemed to already know what Chen Xing was going to do.

"what do you think ?" Chen Xing asked Ye Chen.

"I don't mind, maybe it's a good enough choice for the problem we have" Ye Chen said to Chen Xing.

"Then we will go to the Endless Sky Sect, let's solve our problem there" Chen Xing said to Ye Chen.

"What are you guys talking about" Yu Muyin was curious about what Ye Chen and Chen Xing were talking about.

"We were discussing what we will do next" Chen Xing told Yu Muyin.

"And we have decided to take care of the Endless Sky Sect immediately, otherwise they will keep coming back and keep trying to take you away" Chen Xing told Yu Muyin.

"That's right, they definitely won't want to stop before getting you" Ye Chen agreed.

"Aren't you going to give them a warning" Yu Muyin asked Ye Chen and Chen Xing.

"that's not necessary, they are stubborn, let's show our strength and abilities" Ye Chen said to Yu Muyin.

Since the young master of the endless sky Sect was quite a stubborn person, Ye Chen had no choice but to use his means.

"He's absolutely right" Chen Xing agreed with Ye Chen, she agreed with what Ye Chen said.

Ye Chen and Chen Xing had already reached an agreement, nothing else could stop them.

"Let's go" With that they just left, they just left towards the direction of the endless sky Sect.

Yu Muyin came along, she would not be able to let Ye Chen and Chen Xing destroy the Sect.

Chen Xing led the way for them to the endless sky Sect.

Ye Chen had never come and gone towards the endless sky Sect, so he left the matter of the road to Chen Xing.

With Chen Xing's help and guidance, they finally arrived at the endless sky Sect.

The endless sky Sect was not on a star, they were in the sky and floating with clouds as the foundation.

There were so many thick clouds used as foundations and hundreds of thousands of buildings standing on them.

"We have arrived at the place" Chen Xing said to Ye Chen.

"So this is, a pretty good place" Ye Chen said to Chen Xing.

"It's been a while" Yu Muyin hasn't been here for a while, she hasn't come back since she was chased and became a fugitive.

"Looks like we can start" Ye Chen took the God Mask and started the action.

"You're going to use that thing?" Chen Xing asked Ye Chen.

"It will be more troublesome if they know me, it's better to hide who I am" Ye Chen said to Chen Xing.

"It's up to you, whether you come forward or me" Chen Xing asked Ye Chen.

"Maybe it's me, if it's you, they will all be scared right away" Ye Chen told Chen Xing, if Chen Xing came, they would definitely be scared and hide like seeing a monster.

"I'm not a monster" Chen Xing pouted, as if she was a monster.

Ye Chen smiled when he heard this, it was quite funny to see Chen Xing like that.

"Then let's start" Ye Chen said to Yu Muyin, he invited Yu Muyin to start.

Yu Muyin understood, she went along with Ye Chen, they arrived in front of the entrance of endless sky Sect.

"What are you going to do, are you going to knock on the door" Yu Muyin said to Ye Chen.

"Of course, what are we going to do" Ye Chen said to Yu Muyin.

"You are serious" Yu Muyin said to Ye Chen, honestly she did not expect that Ye Chen would do such a thing.

"Why, is there a problem with that" Ye Chen said to Yu Muyin.

"That is a very strange thing" Yu Muyin said to Ye Chen, she told him that this would be a strange thing for Ye Chen to do.

"The way we knock on the door will be different from usual, so prepare yourself" Ye Chen said to Yu Muyin.

Ye Chen used the power he had, he immediately used his power to shake the clouds in front of him.

By using the power that Ye Chen has, he is of course able to do this.

Shaking this small place was not a big deal for Ye Chen to do, he shook and created panic in the entire endless sky Sect.

Yu Muyin was just stunned beside Ye Chen, she wouldn't have thought that Ye Chen would be able to do such a thing.

Shaking the entire endless sky Sect was a very difficult thing to do.

The endless sky Sect was full of strong and complete foundations, so doing such a thing was almost impossible.

And strangely Ye Chen could do such a thing, he shook the entire endless sky Sect with ease.

Because of what Ye Chen did, everyone came out, they all came out and looked towards Ye Chen.

They also looked towards Yu Muyin, they did not expect that Yu Muyin would be here as well.

"What's going on here ?" they asked, what made Ye Chen and Yu Muyin come.

"What is that person's name" Ye Chen asked Yu Muyin, he wanted to know the person who was targeting Yu Muyin.

"Cao Longhe, that is his name" Yu Muyin told Ye Chen.

"So that's his name, alright, I'll get him out" Ye Chen told that he will get Cao Longhe out.

"Send Cao Longhe, I want to talk" Ye Chen said, he told them to bring Cao Longhe to him.

"Who are you, you dare to look for trouble in this place, do you want to die" they said to Ye Chen.

"I told you guys, did you not listen to what I said" Ye Chen said to everyone.

He told them all to bring Cao Longhe immediately.

"So arrogant, we will destroy you" they were so angry at Ye Chen.

They all wanted to destroy Ye Chen.

"Let's attack that person" they decided to attack Ye Chen.

"This looks bad" Yu Muyin said to Ye Chen.

"They are just dogs barking to protect their master, there is no need to think about it" Ye Chen said to Yu Muyin.

"-_- " Yu Muyin was speechless listening Ye Chen.

Chapter 2830 Endless sky Sect leaders show themselves

Ye Chen's voice was quite loud, they of course could easily hear what Ye Chen said.

"Damn it, we will kill you" they were so angry at Ye Chen, they all wanted to kill Ye Chen and drink his blood.

They all came out and directly attacked Ye Chen.

"All of you are disturbing, get out of the way" Ye Chen used the Sky wind Law.

He flew everyone all over this place so easily.

Everyone who wanted to attack Ye Chen was blown away, they were blown away when they received Ye Chen's attack.

With that Ye Chen cleared away all threats, he made all enemies flying and disappear.

Those who saw this were speechless when they saw Ye Chen's strength.

"They thought that Ye Chen was weak and easy to overcome, who would have thought that Ye Chen was so strong and so terrifying.

"Who else wants to come forward, hurry up and don't waste the time I have" Ye Chen told not to waste the time he had.

They all became hesitant, they became hesitant to come forward and fight Ye Chen.

They all looked scared when facing Ye Chen, it was probably because Ye Chen was so strong that they were all afraid of Ye Chen.

Yu Muyin clapped her hands, Ye Chen was so great, he made everyone silent with just one attack.

"But this is not all, if the elder comes then" Yu Muyin felt that if the elder came, it would be a problem.

"What is this?" The elders came, it was the 1st, 2nd, 3rd and 4th elders, they all came out after the shock.

They were originally inside the enclosed space and practicing, but after being shaken by Ye Chen, they all immediately came out to see what happened.

"Husband, this is bad, they are the strongest elders" Yu Muyin said to Ye Chen.

She told Ye Chen that they were the strongest elders and they were influential people in the Sect.

"So they are elders that have high positions, very good, this will make it easier" Ye Chen said to Yu Muyin.

"You finally want to come out too, quickly bring Cao Longhe, don't let me destroy your sect" Ye Chen told to bring Cao Longhe out.

"How dare you, the elders are out, you will be destroyed" they said to Ye Chen, the elders are out, now it is Ye Chen's turn to be destroyed.

1st,2nd,3rd and 4th elder looked towards Ye Chen, Ye Chen was quite arrogant in front of them, they were not happy about this.

"Who are you, how dare you tell the Sect's young master to get out" the third elder was the one who answered Ye Chen.

"I am the most feared person in this world, don't make me angry" Ye Chen said to everyone.

"So feared, joking with us, it's not funny" they said to Ye Chen, they felt that Ye Chen was a little crazy and unreasonable.

"Do it quickly, don't make me repeat myself" Ye Chen said to all of them.

Ye Chen told all the elders to bring Cao Longhe out.

"who you tell, die" the third elder was the one with the most unstable temperament and was easily angered by Ye Chen.

so he attacked Ye Chen, he became the first person to attack Ye Chen by using all his abilities.

He used his full strength and didn't hold back.

He intended to aim for the life that Ye Chen had.

"Die. . ." he used a huge punch.

His hand turned into a large and hard stone arm, it seemed like he had the ability to use earth elements.

Ye Chen did not move, he created a barrier in front of his body to block the incoming attack.

"clang" the attack was successfully withstood by Ye Chen.

"What, he can withstand such an attack" the third elder was surprised when he saw what Ye Chen did, he didn't expect Ye Chen to withstand the attack without even touching him.

"Get out of the way, I have no business with you" Ye Chen moved his finger, he threw the third elder towards the inside and hit hundreds of buildings.

Everyone saw what Ye Chen did, they were just stunned when they saw Ye Chen defeating an elder so easily.

In addition, the person Ye Chen defeated was a third elder with extraordinary strength.

"defeating an elder using only a wave of the hand, who is that person" they all looked at Ye Chen, they wanted to know who Ye Chen was.

Ye Chen did such a great and kind thing, it was not strange that they showed surprise when they knew what Ye Chen did.

"If you don't want this place to be destroyed, take that person out immediately" Ye Chen told everyone.

Elder 1st, 2nd, and 4th could only stay silent when they saw what Ye Chen was doing.

It seemed like Ye Chen was, they could tell when they saw Ye Chen defeating the third elder with a single finger movement.

Even if they joined forces, it would probably be a difficult battle for them.

"It seems like this person is as strong as the patriarch, hurry up and call him and tell him to solve the problem" they couldn't cope with Ye Chen.

So they decided to call the patriarch to take care of Ye Chen.

If they worked together, they could definitely take care of Ye Chen, nothing would be difficult if the strongest elder and the patriarch worked together.

"Still don't want to, then" Ye Chen used the power of wind, he created a strong storm and typhoon to devastate this place.

By using strong and deadly winds, the strong clouds began to break apart and many cracks appeared.

The impact of Ye Chen's attack could be easily seen by everyone.

They could all see that the buildings and Sect began to crumble as a result of Ye Chen's attack.

Ye Chen's attacks were becoming more and more extensive, if this was left unchecked, then unwanted things would happen.

"Boom" as Ye Chen rampaged even more, he was stopped, a man came over.

This man had the appearance of a man around 30 years old and looked quite young.

"Stop right there, you can destroy this sect" he said to Ye Chen.

He told Ye Chen to stop attacking the Sect.

"Husband, he is the sect leader" Yu Muyin said to Ye Chen.

She told Ye Chen that this person was the sect leader.

"So he is the sect leader, what a coincidence" Ye Chen said.

Ye Chen was even happy when he knew who just appeared and came to him.

"Tell me the reason why you came and attacked this sect ?" he asked Ye Chen.

"I came to seek justice" Ye Chen told the reason why he came to this place.

"Seek justice, what do you mean by that?" he asked Ye Chen.

Cao Cao asked Ye Chen, he wanted to know Ye Chen's intentions.

This man's name is Cao Cao, he is the leader in this place and is such a good and great person.

"I heard that your son has made trouble for my friend, so I came to find him, tell him to come out and take responsibility, otherwise this place will be destroyed" Ye Chen told and gave a stern warning to Cao Cao.

"Don't be arrogant in this place, this is a big sect, if you are arrogant, we will destroy you" Cao Cao said to Ye Chen.

He had disliked Ye Chen from the start, it was not strange that he would be angry like that, it was a very normal reaction.
