

True God 2861

Chapter 2861 the final way to defeat Ye Chen

The battle is still continuing between Ling Shu and Kong Qamon's direct subordinates.

"Willing to give up, I admit you have quite a lot of strange and unreasonable things at your disposal, but they won't work against me" Ling Shu said to the man in front of her.

"You are a strong opponent, even the attacks launched have no effect on you" he said to Ling Shu, all the attacks launched by him did not work against Ling Shu.

"But I won't give up, as long as you are here, that person will be destroyed" he said that he would still hold Ling Shu.

"You are quite a stubborn person, why did you do things like that ?" Ling Shu asked the person in front of her.

"It's clear, since I owe him quite a lot, I will pay it all" he said to Ling Shu.

"So that's how it is" Ling Shu understood, it seemed like she wouldn't succeed in persuading this person.

"Boom. ." When they were about to continue fighting, they felt a very strong pressure.

"What kind of pressure is this" he was surprised to see this power, such a great and overflowing power.

"This power, is it him, such great power" Ling Shu felt it, Ye Chen's power was so great, this power was also so strong.

"It seems that it will be finished there soon, then let's solve the problem here too," said Ling Shu.

Ling Shu said to the person in front of her, it seemed like it was time to finish the battle they had here.

"Seems like that's right, it's time we finish our battle too"he agreed.

They both brought out their peak strength, Ling Shu used her own strength, while the person in front of her also used her own strength.

In terms of strength, it was clear that Ling Shu had the upper hand by a lot, the person in front of him was not Ling Shu's opponent at all.

Even so, he still had some strange tools that could help him to defeat Ling Shu, as long as he could win then he would be able to defeat Ling Shu.

"purple flame arrows" Ling Shu's shot countless attacks towards the opponent.

"Demonic Splitting Slash" he intended to face Ling Shu using the sword.

Their battle finally started again.

Demonic Splitting Slash, a long-range attacking technique, he was trying to reach Ling Shu from a long distance.

Meanwhile, Ling Shu just had to shoot all her arrows and the battle would soon be over.

"accept this" Kong Qamon's right hand was the first to attack.

"good luck" Ling Shu released millions of fire arrows towards the opponent, obviously there would be no chance to dodge the millions of arrows.

"Slash" He made a slash towards Ling Shu, this was a slash enhanced with items, it would definitely reach Ling Shu.

The slashes started to meet the fire arrows shot by Ling Shu.

As the slash attempted to penetrate through the arrow, it was instantly dissipated and burned by purple flames.

"What?" he couldn't believe what had just happened, the purple flame destroyed the powerful slash and burned it, it was unthinkable.

"ending" with that fire arrows rained down on the enemy's body.

"Boom. . ., Boom . . ., Boom . . ., Boom . . ., Boom . . .," explosions in such large numbers occurred, these explosions were truly like millions of large nukes being fired into the same place.

The damage was terrifying and of course no one would be able to survive an explosion like that.

Ling Shu confirmed that the opponent was completely destroyed, after confirming that the opponent was destroyed, she intended to see Ye Chen's condition.

"Miss, everything is finished" Feng Rue said to Ling Shu, she told her that everything was finished, they had dealt with everyone here.

"what about him?" Ling Shu asked Feng Rue.

"He was fighting against Kong Qamon, their battle was so strong that we couldn't get close to them" Feng Rue said that Ye Chen was fighting fiercely and they couldn't get close.

"it's okay, I'll take a look, make sure no outsiders come in, you all have to guard well" Ling Shu said to Feng Rue and everyone.

"I understand" Feng Rue understood, she would make sure no one would interfere in this battle.

Ling Shu went to see Ye Chen, she wanted to see what Ye Chen was doing.

.

.

"You use full strength, then I will use full strength too" Ye Chen will use full strength too to fight Kong Qamon.

"Dimension Breaker" Ye Chen's uses the power of Dimension Breaker and also uses True God power at the same time, the destructive power will be so terrifying.

"immortal devourer slash" he uses immortal devourer slash, a slash that consumes everything in front of him.

When Kong Qamon used his slash, a black mass appeared from a gap, it flew out and tried to eat Ye Chen.

"break" Ye Chen used Dimension Breaker towards Kong Qamon.

"die" Kong Qamon said to Ye Chen, he told the blob to eat Ye Chen.

The lump wasn't a monster or anything, it was actually Kong Qamon's profound energy that could destroy anything that touched it, it was like a substance that could consume anything that was near it.

"Crack" when Ye Chen used Dimension Breaker a crack appeared and it hit Kong Qamon's body.

"clank" a terrifying effect was immediately felt by Kong Qamon, he immediately shattered into several pieces, meanwhile the strange lump in front of Ye Chen shattered.

The power of the Dimension Breaker is now very destructive, several stars in the surroundings are also affected and become pieces by the impact of the Dimension Breaker.

"Such great strength, as long as you have succeeded" Chu Yuechan said to Ye Chen, he told Ye Chen that he had succeeded in defeating Kong Qamon.

"The current Dimension Breaker's power is so destructive, I think I'm getting more confident" said Ye Chen.

Ye Chen felt that he was becoming more confident in his abilities.

"Fufufu, so you are confident in your abilities, that is so good" Chu Yuechan said.

"Darling, did you win?" Ling Shu came, she hugged Ye Chen and asked Ye Chen how he was.

"I'm fine" he told Ling Shu that he was fine.

"So happy to see you win" Ling Shu was so happy when she saw Ye Chen win.

she was so close to Ye Chen.

"cough, I haven't lost yet" Kong Qamon said that he hadn't lost yet.

His body was indeed destroyed, but he was still not completely defeated.

"Your condition is that bad, why don't you just give up?" Ling Shu said to the present Kong Qamon.

Ling Shu told Kong Qamon to just give up, his condition was really that bad.

"Then I have a gift for you before I leave" he said to Ye Chen and Ling Shu.

"rumbling, shaking" a huge shaking occurred, a very terrible shaking occurred in this place.

"Still not finished?" Ling Shu saw that there was still someone to come.

It looks like something bad is coming" Ye Chen said to Ling Shu.

Ye Chen told them that bad things would come their way.

This star began to become two parts, lava and hot fire erupted from the star's core.

"maybe we should go" Ling Shu said to Ye Chen.

"We really have to leave, here is not a safe place for us" Ye Chen took Ling Shu away.

"um, I agree with what you said" Ling Shu really agreed with what Ye Chen said.

This wasn't a safe place, so they had to leave this place immediately.

The star was destroyed and something started to come out, something started to come out and swallow the star.

"He still has a weapon to fight us," said Ye Chen.

Chapter 2862 Ancient Demon God Flame Skull (1)

"what appeared ?" Ye Chen and Ling Shu took a good look at what appeared in front of them.

"A red object appeared, wait a minute, what is that, is it a skull?" Ye Chen saw a skull emerge from within the core.

"You're absolutely right, it's a skull" Ling Shu said to Ye Chen, she could also see that it was a skull.

"It seems familiar" Ye Chen said to Ling Shu.

"That's really true, it's familiar to me too." Ling Shu said that it was familiar to her.

After some time, the figure became clearer, it was a red skull with flames emitting from its bones.

"That . . ." Ye Chen and Ling Shu finally knew what it was.

"Ancient Demon God flame skull ? " Ye Chen and Ling Shu knew what it was, they both saw an ancient creature again.

"Destruction-bringing creature, where did he get that thing?" Ling Shu didn't know anymore, how did he get the ancient destruction-bringing creature.

"Again, something troublesome, I quite hate this" Ye Chen said to Ling Shu, he told her that he quite hated this kind of thing.

"To be honest, I also hate things like this, but there is no other way, we have to face it," said Ling Shu.

Ling Shu wasn't too happy about this either, she didn't really like facing powerful monsters that brought destruction.

"Roar . ." a very loud sound came out, the sound was so loud and made such a terrible impact.

After that, this place became red, red as if it was covered in burning heat.

"The surrounding temperature is starting to rise" Ling Shu said.

"don't worry" Ye Chen said to Ling Shu, he would handle this problem.

Ye Chen released ice power and made the surroundings become slightly cold.

If Ye Chen didn't do this, the surrounding area would become very hot.

"You guys withdraw first" Ling Shu ordered them to withdraw, this matter was very serious and she would deal with this matter herself.

If they remained here, it would cause Ling Shu some trouble, so she decided to make them all leave this place.

Understanding, they all immediately retreated, they knew that if they were here, it would block their way.

"Now what should we do?, Do we immediately defeat the creature or wait for help?" Ling Shu asked Ye Chen.

"Whether they should defeat the monster or wait for help to arrive".

"Do you think anyone will help us ?" Ye Chen asked Ling Shu.

"Maybe, but it would take a long time" said Ling Shu.

"We will solve this problem ourselves quickly," said Ye Chen.

Ye Chen didn't really believe in helping, so he intended to solve this problem in his own way.

"That monster, it has a weakness doesn't it" Ye Chen asked Chu Yuechan.

"Of course, it has such an obvious weakness, you should know the monster's weakness" Chu Yuechan said.

"The red ball in his stomach, that's his weakness" said Ye Chen.

Ye Chen had been observing this for a long time, he found that it was the opponent's weakness.

"That's absolutely right, if you destroy it, the creature will be destroyed.

"But that thing is strong, if you destroy it, there will be a big explosion, maybe half the Realm here will be affected" said Chu Yuechan. I think you should take a look at

"Half ?" Ye Chen looked around, he confirmed whether there were many stars around.

This place was small and a little remote, but there were quite a lot of stars around with some signs of life.

"I didn't expect that there would be so many stars around this place" said Ye Chen.

Ye Chen would probably have trouble resolving this thing, if he forcefully destroyed that thing, then he would just be committing suicide.

"It seems a little difficult for you" Chu Yuechan said.

Chu Yuechan knew that this would be quite difficult for Ye Chen.

"I still have several ways to deal with it" said Ye Chen.

Ye Chen still had some means, so he was confident in solving this problem using his own means.

If Ye Chen destroyed it directly, there would be many people affected, so Ye Chen would try to destroy it by seal it.

Ancient Demon God flame skull made a shield and also a big axe, he considered Ye Chen and Ling Shu as a threat and had to fight Ye Chen.

From the start he was set to fight Ye Chen and Ling Shu, so his main target was to defeat Ye Chen and Ling Shu.

"He's heading towards us" Ling Shu said to Ye Chen.

"I will face it, can you help me" Ye Chen asked Ling Shu.

"of course, I will help you" Ling Shu will help Ye Chen, she will help Ye Chen to deal with the Ancient Demon God flame skull.

"bamm" Ye Chen used full speed, he started to attack the Ancient Demon God flame skull using a kick launched from the back of the Ancient Demon God flame skull's body.

Because Ye Chen was so fast, the Ancient Demon God flame skull couldn't see and ended up being kicked by Ye Chen.

The Ancient Demon God flame skull flew tens of thousands of miles, the Ancient Demon God flame skull immediately looked at Ye Chen with a killing gaze that was so strong and so terrifying.

Ye Chen had made the Ancient Demon God flame skull so angry, Ye Chen would not be able to escape easily after he made the Ancient Demon God flame skull angry.

Ancient Demon God flame skull moved towards Ye Chen, even though his body was as huge as a star, he could still move at such a fast speed.

In just a blink of an eye, it was already behind Ye Chen, the Ancient Demon God flame skull swung its ax towards Ye Chen.

"blink" Ye Chen's disappeared, he avoided the attack from the Ancient Demon God flame skull and hit back.

Once again the Ancient Demon God flame skull was hit by Ye Chen.

"I didn't expect to see something unreasonable like this" Ling Shu really didn't expect that she would see the Ancient Demon God flame skull being hit by Ye Chen, she wouldn't have been able to imagine that the Ancient Demon God flame skull would be hit like that. it was by Ye Chen.

Even the Ancient Demon God flame skull had no chance to fight Ye Chen, he was completely beaten and made into a toy by Ye Chen.

Ye Chen was so fast and strong, until now he only used physical strength to face the Ancient Demon God flame skull, Ye Chen showed dominance using only physical strength.

"I also have to help him" Ling Shu felt that she had to help Ye Chen too, she couldn't let Ye Chen fight alone like that.

"Purple fire arrows" Ling Shu used purple fire arrows, this was different from before, the number might only be around 10,000, but the size was tens of thousands of times bigger compared to before.

Previously, she was able to make such a big explosion, this time the explosion will definitely be much bigger than the attack Ling Shu made when fighting that person.

"preparations are complete, I will try to destroy it" Ling Shu said to Ye Chen.

Ye Chen saw this, he could see that Ling Shu was going to issue such a big attack, and Ye Chen had to step back.

"Boom. . "The explosion this time was so big, the impact of the explosion was felt by several nearby stars, it shifted the positions of nearby stars because the impact was so strong.

Chapter 2863 Ancient Demon God Flame Skull (2)

"Was the attack successful or not?" Ling Shu wanted to know whether her attack was successful or not.

"You were still quite restrained in your attack just now " Ye Chen said to Ling Shu.

"If I use all the abilities I have, then I will destroy the core, it will probably create a very terrifying explosive impact," said Ling Shu.

Ling Shu also knew that she couldn't just destroy the Ancient Demon God flame skull, otherwise it would be suicide.

The impact of the explosion was quite large and thick smoke rose around this place.

After the smoke started to dissipate, Ye Chen saw the figure of the Ancient Demon God flame skull appear.

Several bones in his body cracked and shattered, Ling Shu's attack seemed to be powerful enough to create a wound on the Ancient Demon God flame skull's body.

"this is a good opportunity, I will attack him" Ye Chen will attack him and destroy the Ancient Demon God flame skull.

Just when Ye Chen thought that all this would soon be over, he saw the bones on the body of the Ancient Demon God flame skull begin to grow again and coat the body of the Ancient Demon God flame skull.

The body of the Ancient Demon God flame skull recovered, the body returned to normal.

"impossible" Ling Shu saw that the Ancient Demon God flame skull healed itself so quickly, in just a matter of seconds, it managed to heal itself.

"roar" Ancient Demon God flame skull launched an attack on Ling Shu, he used an ax to eliminate Ling Shu.

The ax in Ancient Demon God flame skull's hand started to get bigger and its size became 100x bigger compared to before.

"Very bad" Ling Shu said to Ye Chen, she felt that this would be quite a bad thing.

"Don't worry, I will be with you" Ye Chen said to Ling Shu.

Ye Chen will protect Ling Shu, he will not let Ling Shu get hurt, no matter what happens he will not let Ling Shu get hurt.

"Roar. . ." it swung towards Ling Shu.

"Dimension Breaker" Ye Chen uses Dimension Breaker, he blocks the opponent's attack by using Dimension Breaker.

The power of the Dimension Breaker met the super large fire axe, from the size alone it was clear there was no chance for Ye Chen to win.

But the power of the Dimension Breaker cannot be underestimated, it has such great power and is so great.

Such a mighty force crushed the fire ax of the Ancient Demon God flame skull.

The Ancient Demon God's flame skull weapon was destroyed.

Ye Chen didn't forget to launch an attack to make the Ancient Demon God flame skull retreat.

"This is the opportunity that I have" Ling Shu said to Ye Chen, she told him that this was the opportunity that she had, she had to make the best use of the opportunity she had.

"Immortal Purple One Fire arrow" Ling Shu gathered strength, she would destroy the opponent's defense by using the opportunity given by Ye Chen.

A large flame gathered and condensed into an arrow with an immense aura.

The purple flame aura was immense and filled with Ling Shu's profound energy.

"This is all the power I have" Ling Shu said to Ye Chen, she told him that this was all the power she had.

"master" Chu Yuechan said to Ling Shu.

"I understand" Ye Chen understands, he knows what to do.

Ye Chen created a dimensional barrier, he did this to withstand the explosion that was about to occur.

"destroy the creature, don't hold back" Ye Chen said to Ling Shu, he told Ling Shu not to hold back.

"I will not hold back, ugly creature prepare to be destroyed" said Ling Shu, with that Ling Shu shot the Immortal Purple One Fire arrow towards the Ancient Demon God flame skull.

Immortal Purple One Fire arrow shot towards the Ancient Demon God flame skull, it directly hit the core in the belly of the Ancient Demon God flame skull.

"Gahhh . ." The Ancient Demon God flame skull roared as he received the attack from Ling Shu, the attack had managed to penetrate the defense of the Ancient Demon God flame skull. I think you should take a look at

"Boom" a large explosion occurs, this explosion spreads quickly.

Ye Chen immediately closed the dimensional barrier, with that the explosion would not be able to escape and would be trapped inside.

Ye Chen and Ling Shu saw the huge explosion that occurred inside, the explosion was so dazzling.

"The attack should be successful" Ling Shu said, she had used everything she had, the attack should be successful.

"You are absolutely right, the attack you used was strong enough there was no way the monster would be able to survive" said Ye Chen.

Ye Chen also thought the same thing, he thought that this attack was able to destroy the Ancient Demon God flame skull.

The explosion lasted quite a long time, it lasted about 3 minutes before finally going off and leaving a ball,

"is that the essence of the Ancient Demon God flame skull?" Ling Shu saw that what was left was the core of the Ancient Demon God flame skull.

"even by using the strongest attack you used" said Ye Chen.

Ye Chen saw that the core of the Ancient Demon God flame skull was still alive.

"Crack" The core of the Ancient Demon God flame skull began to crack, Ye Chen and Ling Shu began to witness the destruction of the core of the Ancient Demon God flame skull.

"Crack,Crack" the crack became wider and wider, soon it would be destroyed.

"it will explode" Ling Shu said.

Ling Shu told Ye Chen that it would explode.

"Don't worry, no one will be able to get out of the cage" Ye Chen said to Ling Shu, he told Ling Shu that no one would be able to get out of the cage that Ye Chen made.

"are you sure ?" Ling Shu said to Ye Chen.

"of course, let's see it explode" Ye Chen said to Ling Shu, he told them that they could see it explode.

"Clank . . ." instead of exploding and breaking into pieces, after being destroyed, a monster figure with a red body and four horns appeared.

"ehhh?, what is that ?" Ling Shu had never seen that.

This was the first time Ling Shu saw this, she didn't know that the core of the Ancient Demon God flame skull would be destroyed and give rise to a new monster.

"Very bad" Chu Yuechan said.

"What is it?" Ye Chen asked Chu Yuechan, he wanted to know why Chu Yuechan said that.

"master, that monster has such powerful energy, it is much stronger compared to the previous monsters" Chu Yuechan said.

The newly born monster was much stronger and more terrifying, its strength should be the same as Ling Shu.

"you are serious ?" Ye Chen said to Chu Yuechan.

"I'm serious" Chu Yuechan was serious about what she said.

"if that's the case, I have no choice but to help you too" Chu Yuechan finally came out, she finally helped Ye Chen.

"why did you decide to come out" Ling Shu asked Chu Yuechan.

"There is no choice, I will help you" Chu Yuechan said to Ling Shu.

"This is bad, I already used a lot of strength for the previous attack" Ling Shu said.

Ling Shu probably wouldn't be of much help.

"use this" Ye Chen gave the pill and also the peach to Ling Shu, it will quickly restore profound energy.

"Thank you" Ling Shu thanked, she used what Ye Chen gave her.

The profound energy quickly recovered as before.

Chapter 2864 Evolution Of Ancient Demon God Flame Skull

now Ling Shu has recovered herself, she who is now fully recovered.

"This is amazing, my profound energy has completely recovered" Ling Shu said to Ye Chen.

"Then now you can start to help us" Chu Yuechan said to Ling Shu.

"Of course, I will help you guys" because now that the profound energy had recovered, Ling Shu was able to help Ye Chen and also Chu Yuechan.

"let's go in" Ye Chen said to Chu Yuechan and Ling Shu, he invited them to go inside

with that they entered the dimensional barrier created by Ye Chen and came face to face with the monster in front of them.

"Do you think it's still the Ancient Demon God flame skull" Ye Chen asked Chu Yuechan and Ling Shu.

"it's possible, maybe it's his real body, we don't know about that matter" Chu Yuechan said to Ye Chen, they didn't know about that matter.

"Thank you for freeing me, I am now free" he said to Ling Shu, it was Ling Shu who had freed himself from prison.

"You don't need to thank me" Ling Shu said that the person in front of her didn't need to thank.

"I will do it anyway, you are the one who freed me" Ancient Demon God flame skull said to Ling Shu.

"I can give you everything you want, even if it is to be my queen" said Ancient Demon God flame skull.

Ancient Demon God flame skull said that he could give anything as long as Ling Shu was willing to be his.

"I don't want to, who wants an ugly monster like you" Ling Shu clearly refused, there was no way she wanted to be with an ugly monster like that.

"How dare you reject me" Ancient Demon God flame skull was angry when Ling Shu refused.

"look at that ugly monster, he's annoying" Ling Shu said to Ye Chen mocking the Ancient Demon God flame skull.

Ancient Demon God flame skull was angry, there was steam coming out of his body, which indicated that he was very angry with Ling Shu.

"fufufufufu, it seems like you are liked by that monster" Chu Yuechan said to Ling Shu.

Chu Yuechan smiled, she felt that it was so funny when the Ancient Demon God flame skull liked Ling Shu.

"This isn't funny" Ling Shu said to Chu Yuechan.

"Fufufufu" Chu Yuechan couldn't stop laughing when she saw what happened.

Ye Chen looked helpless seeing Chu Yuechan teasing Ling Shu.

"You are brave enough to say that, do you think I would give him to a strange creature like you" said Ye Chen.

"You don't have a choice, if you don't give it, you will be destroyed" Ancient Demon God flame skull gave Ye Chen a warning, he gave Ye Chen a warning not to interfere in this matter and told Ye Chen to report Ling Shu voluntarily.

"Hahahahaha" Ye Chen laughed when he heard this, there was no way Ye Chen would do that, that was something Ye Chen couldn't possibly do.

"that won't happen, dream on, as long as I live, I won't spare you" Ye Chen said to the Ancient Demon God flame skull.

"Then die" Ancient Demon God flame skull attacked Ye Chen, he stepped forward and stretched out his hand towards Ye Chen.

Ancient Demon God flame skull turned into a fire drill ready to penetrate Ye Chen's body.

"clang" Chu Yuechan and Ling Shu immediately stopped the attack, they stopped the Ancient Demon God flame skull attack that was targeting Ye Chen.

"I won't let you" Chu Yuechan together with Ling Shu said in unison that they would not let the Ancient Demon God flame skull hurt Ye Chen.

"You guys are annoying" Ancient Demon God flame skull said to Ling Shu and Chu Yuechan, both of them were quite annoying. I think you should take a look at

Ancient Demon God flame skull did not give up, he attacked Ye Chen again,

Chu Yuechan and Ling Shu came forward, they were the ones who would face the Ancient Demon God flame skull.

"Clang, clang" the two of them fought, they both used all their abilities to make the Ancient Demon God flame skull retreat.

With the combined attacks made by Ling Shu and Chu Yuechan, the Ancient Demon God flame skull had no chance of touching Ye Chen, he had trouble receiving Chu Yuechan and Ling Shu's attacks.

Chu Yuechan and Ling Shu attacked from a distance, which gave them both an advantage, they were both able to attack the Ancient Demon God flame skull easily and didn't take a big risk.

"You two, I will catch you" Ancient Demon God flame skull tried to get closer, he knew that Chu Yuechan and Ling Shu were two people with long distance attack techniques, so to be able to defeat Chu Yuechan and Ling Shu, he had to get close to both of them.

Ancient Demon God flame skull approached, he used the fire impulse to approach Chu Yuechan and Ling Shu.

"Bam. . ." Just as the Ancient Demon God flame skull was about to try to approach Chu Yuechan, Ye Chen hit him.

"damn" Ancient Demon God flame skull said to Ye Chen.

"have you forgotten me ?" Ye Chen said to the Ancient Demon God flame skull.

"You, you are all annoying" said Ancient Demon God flame skull.

"Yuechan, Shu, let's finish this battle quickly, it looks like I can't drag on any longer" Ye Chen said to Ling Shu and Chu Yuechan.

Today Ye Chen had used quite a lot of strength, he used quite a lot of strength to fight.

Dimension power was one of the powers that drained Ye Chen's strength the most, so it wasn't strange that Ye Chen only had a little profound energy left and he couldn't fight for a long time, if it wasn't fast, then it would be a problem.

"we understand" they both understood Ye Chen's condition, it looked like Ye Chen wouldn't be able to fight much longer, he had used quite a lot of strength in the crazy battle with the enemy.

"I will attack him from close range, meanwhile you can attack him from a distance" Ye Chen said to Ling Shu and Chu Yuechan.

"what if the attack we launch hits you" Ling Shu asked Ye Chen.

"You don't need to worry about that problem" Ye Chen told Ling Shu, he told Ling Shu not to worry.

"He will be fine, use all the abilities you have" Chu Yuechan said to Ling Shu, she told her that Ye Chen would be fine.

"If that's the case" after hearing this, Chu Yuechan became quite confident, she became quite confident in her abilities.

"I'll start" Ling Shu said to Ye Chen, she started shooting fire arrows and various kinds of purple fire attacks, meanwhile Chu Yuechan used wind and ice shots at the same time.

Ye Chen was at the front, he was at the front and was in charge of ensuring that the enemy would not be able to approach Ling Shu and Chu Yuechan.

"Bam. . "Ye Chen fought against, he used his bare hands to hit the Ancient Demon God flame skull.

"Damn, are you looking down on me by just using your bare hands" Ancient Demon God flame skull said to Ye Chen.

"I'm still saving my weapon for later" Ye Chen said to the Ancient Demon God flame skull.

He said that his weapons were still stored and would be used at the right time.

"Boom. ..." Chu Yuechan and Ling Shu attacked when the Ancient Demon God flame skull was talking to Ye Chen, they didn't let the Ancient Demon God flame skull talk to Ye Chen.

"It's really troublesome, I really hate this," said Ancient Demon God flame skull.

Ancient Demon God flame skull was angry, he released a huge aura and the temperature became higher and hotter.

Chapter 2865 battle to defeat the Ancient Demon

2865 battle to defeat the Ancient Demon

God flame skull (1)

This ability was the same as Ling Shu's, the surrounding area became hot.

"it seems like he opened a domain" Ling Shu said.

Ling Shu saw that the Ancient Demon God flame skull was very angry with them.

Ancient Demon God flame skull had even opened a domain to defeat Ye Chen, Ling Shu and Chu Yuechan.

"You will all pay for what you did" Ancient Demon God flame skull said to Ye Chen.

The main target of the Ancient Demon God flame skull was Ye Chen, among the three people, Ye Chen was the most annoying and made him the most angry.

The temperature becomes hotter and hotter, this causes the surrounding rocks to melt due to the excessive heat.

"The temperature here is not good for us" Ling Shu said to Ye Chen.

"I have closed this entire place, there is no way out and this domain will not encroach on the surroundings" Ye Chen said to Chu Yuechan and Ling Shu.

"Yuechan" Ye Chen said to Chu Yuechan.

"I understand, I will handle this problem" Chu Yuechan understood, she would handle the problem that was happening right now.

Chu Yuechan began to release such great Ice power, an ice storm hit this place and began to make the temperature drop.

Two different temperatures meet, this of course creates a reaction.

"You are quite great" Ling Shu said to Chu Yuechan, she made the temperature in this place decent.

"The temperature around us may drop, but not over there" Chu Yuechan said.

Chu Yuechan told them that the temperature on the other side had not dropped, the temperature near the Ancient Demon God flame skull was still hot and they had to be careful.

"As long as he still opens the domain, we won't be able to approach and fight as we wish" Ye Chen said to Chu Yuechan and Ling Shu.

"You are absolutely right, as long as he still opens the domain, we will not be able to approach and attack carelessly" Chu Yuechan also agreed.

"If this is the case, let's be more serious" Ye Chen releasing a large amount of profound energy, this was the time to be more serious in facing the opponent.

"I will destroy it" Ye Chen said to Chu Yuechan.

"You two, please open a path so I can attack" Ye Chen said to Chu Yuechan and Ling Shu.

Chu Yuechan and Ling Shu immediately understood what Ye Chen wanted, both of them immediately knew what Ye Chen was trying to do.

"Understood, we will do it" Chu Yuechan and Ling Shu were about to break through the defense of the Ancient Demon God flame skull.

Chu Yuechan and Ling Shu stepped forward, they were now in front of the Ancient Demon God flame skull.

"You guys are advancing, why are you so stupid to advance like that" Ancient Demon God flame skull said to Ling Shu.

"You will face you" Ling Shu said that the two of them will face Ancient Demon God flame skull.

"You two don't know that you are in the domain that I own" Ancient Demon God flame skull said to Ling Shu and Chu Yuechan.

"We of course know" Chu Yuechan said that the two of them of course knew.

"If you two knew, then you should have realized that you wouldn't have a chance to win."

Ancient Demon God flame skull said that Ye Chen and Ling Shu would not have a chance to win against Ancient Demon God flame skull.

"We'll see" Ling Shu said.

Ling Shu shot several fire arrows towards the Ancient Demon God flame skull.

she showered the Ancient Demon God flame skull with fire arrows.

"Ice Sword and Wind Sword Fly" Chu Yuechan herself created an ice sword and a cold sword, she attacked the Ancient Demon God flame skull.

"Flame Shield Blash" Ancient Demon God flame skull attacked and defended against Chu Yuechan and Ling Shu's attacks.

"Boom..." The defense of the Ancient Demon God flame skull was quite strong and they had to retreat a little because there was an explosion coming from the flame shield.

"What a fool, you will die" Ancient Demon God flame skull appeared in front of Chu Yuechan, it immediately attacked Chu Yuechan.

"Stupid" Chu Yuechan replied to the words of the Ancient Demon God flame skull.

Chu Yuechan disappeared and was not seen again.

"What?" Ancient Demon God flame skull was shocked when he saw Chu Yuechan just disappear, it was really quite surprising.

Chu Yuechan was indeed so fast, even Ye Chen himself had problems catching Chu Yuechan, so Chu Yuechan's abilities no longer needed to be doubted.

"Know your place, I'm much faster than you" Chu Yuechan told him that she was much faster.

"Damn you fairy, I will catch you" Ancient Demon God flame skull did not want to give up, he was going to catch Chu Yuechan.

He would not let Chu Yuechan insult him, he would make sure that he would catch Chu Yuechan using his hands.

Ancient Demon God flame skull chased Chu Yuechan, meanwhile Chu Yuechan moved nimbly and avoided all attacks coming from Ancient Demon God flame skull.

Ancient Demon God flame skull started to become overwhelmed when he couldn't catch Chu Yuechan, Chu Yuechan was too agile to catch, there was no chance of catching Chu Yuechan.

"I'm done" Ling Shu said to Chu Yuechan, she told her that she had finished making preparations.

"Looks like I succeeded in making him focus on me" Chu Yuechan said to Ling Shu.

Ling Shu now used the Immortal Purple One Fire arrow again, she intended to attack the Ancient Demon God flame skull using the same attack as before.

"You two are so cunning" Ancient Demon God flame skull said to Ling Shu and Chu Yuechan.

"Don't underestimate women" Chu Yuechan said to Ancient Demon God flame skull.

Ancient Demon God flame skull underestimated them so much that he ran into a problem.

If only he didn't underestimate them, then he wouldn't have any problems dealing with Chu Yuechan and Ling Shu.

"I admit that you guys are really good, it's a shame, you guys are too self-confident to be able to win with repeated tricks" Ancient Demon God flame skull said that this trick had been memorized, he already knew this trick beforehand and knew what Ling Shu was going to do.

"Then I also have a gift for you two Hell flame pillar" Ancient Demon God flame skull raised his hand up, a red pillar of fire appeared and enveloped him.

The pillar of fire was so big and once it started expanding, it intended to consume Ling Shu and Chu Yuechan who were in front. "It's starting to widen, if you let it then" said Chu Yuechan.

"Don't worry, I will penetrate it" Ling Shu said to Chu Yuechan, she told Chu Yuechan that she would penetrate the pillar of fire using super strong guesses.

"This time will be different from before" Ling Shu said.

Ling Shu said that this attack would be much stronger and more destructive than before.

This time she used an additional item so that the power of her attack would increase 10x.

"So that's how it is" Chu Yuechan seemed to also realize what Ling Shu was going to do.

Ling Shu used an item to strengthen her attack, it should work. "accept this" Ling Shu said to Ancient Demon God flame skull.

He shot it towards the Ancient Demon God flame skull.

The Ancient Demon God flame skull was ensconced in a strong and impenetrable barrier. He believed that this barrier would be impenetrable, so he was not too worried about Ling Shu's attack.

Chapter 2866 battle to defeat the Ancient Demon God flame skull (2)

"Wosh. ." When he thought that the pillar created was strong enough, Ling Shu broke it, she destroyed a part of the fire pillar and made the arrow go inside.

"This can't be happening" Ancient Demon God flame skull didn't believe that Ling Shu could break through the defense of his fire pillar.

"Damn it, how come you can penetrate my pillar?" Ancient Demon God flame skull cursed very loudly, why was Ling Shu able to penetrate the pillar owned by Ancient Demon God flame skull.

Even though this was a very strong attack and it was impossible for the weak Ling Shu to penetrate it.

This is the problem, from the start of this battle, Ancient Demon God flame skull underestimated Ling Shu's strength, even though Ling Shu was strong and had enough techniques that could make Ancient Demon God flame skull lose.

Sometimes it's not good to underestimate the enemy, that's why the Ancient Demon God flame skull is in this condition.

Ancient Demon God flame skull crossed his arms, he intended to block the attack launched by Ling Shu using his arms which had been strengthened using fire.

"Boom. . ." The Ancient Demon God flame skull couldn't dodge and a huge explosion occurred. This huge explosion occurred and instantly enveloped the body of the Ancient Demon God flame skull.

The pillar of fire churned as it received the explosion from within.

The explosion was large and created a pillar of fire like a twisting snake.

"Luckily the pillar withstood the explosion well," said Chu Yuechan.

"It will leak anyway" Ling Shu said.

Ling Shu said that it would still leak and the explosion would come out.

"Let's retreat first, it seems he has finished preparing the attack" said Ling Shu.

"preparing an attack?" Ling Shu tried to see what Ye Chen was doing now.

When Ling Shu looked directly at Ye Chen, she could see that Ye Chen was currently making something with an extraordinary aura.

"What is that, mutually different energy fluctuations" Ling Shu said.

Ling Shu could feel that it was made of various elements and actually had a terrifying energy.

"You will know later, now we retreat first, we have broken the defense of the Five Lord Elements Technique, that should be enough" said Chu Yuechan.

Their task was completed to destroy the defense of the Ancient Demon God flame skull, and now it was Ye Chen's turn, let Ye Chen use the final attack to destroy the Ancient Demon God flame skull.

Ye Chen gathered all his profound energy and True God power into the Five Lord Elements Technique.

It would be such a powerful attack to destroy the Ancient Demon God flame skull.

Ye Chen needed time to gather so much power like this, so it wasn't strange that he told Chu Yuechan and Ling Shu to open the defense of the Ancient Demon God flame skull.

"Roar . . ." As expected of the Ancient Demon God flame skull, even though it had been hit hard by Ling Shu and Chu Yuechan, it was still able to survive.

There were only a few parts that were destroyed, for example the hands and part of the chest.

"I will destroy you all" Ancient Demon God flame skull said to Ling Shu and Chu Yuechan.

"Are you sure you can do this, your time is running out" Ye Chen said to the Ancient Demon God flame skull.

"You?" Ancient Demon God flame skull looked at Ye Chen, he didn't expect that Ye Chen would appear with such a big attack.

"Damn it, I will kill you all" Ancient Demon God flame skull said that he would kill all of them here.

"Hell Flame explosion" the body of the Ancient Demon God flame skull started to become huge, it seemed like it was going to explode.

"You want to blow yourself up"" Chu Yuechan said.

"You don't know that I'm immortal?" Ancient Demon God flame skull said that he was immortal, and he would live, meanwhile Ye Chen, Ling Shu and Chu Yuechan would not survive.

"Then let's see whether you can survive this or not" said Ye Chen.

Ye Chen cast the Five Lord Elements Technique towards the Ancient Demon God flame skull.

"die" said Ancient Demon God flame skull.

A huge explosion occurred when two huge forces met. This explosion was so dazzling and full of terrifying power.

Chu Yuechan and Ling Shu came out of the dimensional barrier, meanwhile Ye Chen was inside fighting the Ancient Demon God flame skull.

"he took us out" Ling Shu said to Chu Yuechan.

"It's okay, we really have to get out, it would be dangerous if we were trapped there" said Chu Yuechan.

Chu Yuechan told them that they had to get out, it would be very dangerous if they were trapped there.

"I understand, but what about him" Ling Shu understood, she was still worried about Ye Chen's condition.

"He will be fine" Chu Yuechan told her that Ye Chen would definitely be fine.

Right now Chu Yuechan and Ling Shu could only stay here and see the results that Ye Chen would get.

whether Ye Chen wins against Ancient Demon God flame skull or not.

Ye Chen managed to survive the explosion just now, while it was unknown whether Ancient Demon God flame skull still survived.

Ye Chen didn't calm and prepared for the worst that could happen.

He prepared for the worst that could happen to him.

"Ying'er" Ye Chen called Yin Ying'er, he intended to call Yin Ying'er to fight Ancient Demon God flame skull.

If the Ancient Demon God flame skull is immortal, then the best way is to use it Divine Yin Yang Sword.

Some time later, Ye Chen saw a red lump in front of his eyes, he knew what it was.

""Still alive huh?" Ye Chen saw that the Ancient Demon God flame skull was still alive, it was trying to get up and heal him.

"I won't let you" Ye Chen swung the Divine Yin Yang Sword.

Using Divine Sword Intent, Ye Chen executed a powerful slash and instantly destroyed the remains of the body Ancient Demon God flame skull.

Ye Chen's slash was quite strong and split the smoke and fog around him, the fog and smoke immediately became two parts and the remaining body of the Ancient Demon God flame skull disappeared.

"Done" Ye Chen finished this, he succeeded in defeating the Ancient Demon God flame skull to the core.

Ye Chen opened the dimensional barrier he had created.

"You did it" Chu Yuechan and Ling Shu came, they saw the results of the battle carried out by Ye Chen.

They would believe that Ye Chen would succeed in defeating the Ancient Demon God flame skull which was quite difficult to kill.

Even though Ye Chen had succeeded, he was quite tired from the battle, he had used quite a lot of strength.

"master" Chu Yuechan caught Ye Chen, it seemed like Ye Chen was too tired, against such a strong enemy, it wasn't strange that he would be so tired, that was because he was fighting a fairly strong enemy.

"what happened to him ?" Ling Shu asked Chu Yuechan.

"He's fine, just a little tired" Chu Yuechan said.

Chu Yuechan told her that Ye Chen was just a little tired, rest would make Ye Chen recover.

"If that's the case, then just take him to my place" Ling Shu said to Chu Yuechan, she told Chu Yuechan to take Ye Chen to her place.

"That's a good idea, then let's take him to your place" Chu Yuechan immediately agreed, she told Ling Shu to bring Ye Chen.

Chapter 2867 Yin Xizu

Ling Shu immediately brought Ye Chen who was now exhausted, now she could do whatever she liked to Ye Chen.

Ling Shu was indeed smart, she still had time to think about things like that when she was with Ye Chen.

"Oh yes, there is still one more task that needs to be completed" Ling Shu just remembered that there was still a task that they had to complete.

They had to take all the property owned by Kong Qamon.

Lest the other party take advantage of the situation and take advantage, Ling Shu couldn't let that happen, she would confiscate everything.

Ling Shu would leave this matter to Feng Rue and the others, they should be able to handle small matters easily without any problems.

Ling Shu herself would have the task of taking care of Ye Chen, so she handed over this matter.

Kong Qamon's personal star had been completely destroyed, there were only remnants of debris around this place.

A remnant of the ruins that existed around the destroyed place.

In a place so far away, there was a woman standing right on top of a silver plated profound ark, this profound ark was moving towards the center of the battle.

The woman saw the rubble and knew the battle was over.

This woman uses an umbrella and a black dress that looks glamorous, she has red hair and red eyes that look good together.

Her skin was pale and her long hair danced in the strong wind around her.

Just one look can confirm that this is a beautiful woman.

Such a beautiful figure with such a dignified appearance.

The biggest weakness is probably the chest, the size is not very good, maybe a B or C cup.

But from all aspects she is so good, her appearance and face are too beautiful and look so perfect.

"It looks like the battle is over" this woman saw that the battle was over, the battle that took place in this place was over and she could feel the traces of Ye Chen.

"that guy, how did he defeat the Ancient Demon God flame skull" this woman wanted to know how Ye Chen defeated the Ancient Demon God flame skull.

How could Ye Chen defeat a powerful monster like the Ancient Demon God flame skull.

The power possessed by the Ancient Demon God flame skull is unquestionable, The Ancient Demon God flame skull has terrifying power and is one of the powerful monsters that poses a threat to the world.

"Miss, there's no trace" someone said that they couldn't find any trace of Ye Chen.

Ling Shu erased the traces very well and did not let others discover them.

"It seems they are quite clever and didn't leave any traces, it looks like we won't have a chance of finding them" this woman realized that they wouldn't be able to find Ye Chen's whereabouts.

"Miss, next orders?" she said for the next command.

"Look for something interesting around this place" she said to look for interesting things around this place.

"I understand" the servant left and immediately carried out the beautiful woman's orders.

This woman was now alone again, she looked back at the battle scars.

This woman was Yin Xizu, the fifth ranked beauty in God Realm and known as the vampire goddess.

Yes, she is of the vampire race, you can see from her pale skin and why she uses an umbrella to avoid the light.

Yin Xizu didn't really like light that was too bright, her biggest weakness was also light, and she didn't like it very much.

Who would have thought that Yin Xizu would come when she saw what happened, which was quite a rare thing to see.

The reason Yin Xizu came was because of the Ancient Demon God flame skull, she was attracted to the Ancient Demon God flame skull because it was a strong opponent.

Who would have thought that when she came to this place the Ancient Demon God flame skull had already been defeated by someone, the person who could defeat the Ancient Demon God flame skull should be someone great and Yin Xizu wanted to meet that person.

Apart from Yin Xizu there were still many people who came to this place, they all came to this place and started to see what was happening.

"Recently a lot of things have happened in the Supreme God Realm, what do you think is going on here?" Yin Xizu felt that a lot of unwanted things were happening within Yin Xizu, and it was causing chaos.

Where this rarely happens in the near future, this is unreasonable.

"A storm is coming" Yin Xizu felt that a storm was coming, and chaos was about to begin.

Yin Xizu could feel it, her intuition would never be wrong.

Yin Xizu's profound ark circled for some time and surveyed the surroundings, the scene of the battle, she continued to look and look for traces.

.

.

Chen Xing also came, she knew that this would happen and she came to see what happened.

This was Kong Qamon's place, without needing to find out about the matter, Chen Xing already knew who had done it.

"Again he made something surprising to see" Chen Xing knew that this was definitely Ye Chen's doing, no one could do this except Ye Chen.

Ye Chen together with Ling Shu must have done this, it seems like they did it excessively.

"is that Che Xing" Yin Xizu spoke to Ling Shu, she had an elegant voice and sounded gentle.

Chen Xing looked at Yin Xizu. It was quite rare to see Yin Xizu going out because this woman didn't like light.

"It's quite surprising that you're willing to come out," Chen Xing said.

"This is related to the problem I have, of course I will come out and come, who would have thought that when I was here, everything was over," said Yin Xizu.

"So you are interested in this" Chen Xing said.

"I'm more interested in the person who defeated the monster," said Yin Xizu.

Chen Xing saw that Yin Xizu was starting to be interested in Ye Chen and this was quite bad.

"What monster?" Chen Xing asked about the monster that Yin Xizu said.

"That is Ancient Demon God flame skull" said Yin Xizu.

Yin Xizu told what monster Ye Chen was fighting, she knew because she was quite familiar when fighting in the past.

"Ancient Demon God flame skull is an immortal creature that even has to be sealed, to see anyone who can defeat such a difficult creature, that person must be really great" said Yin Xizu.

"I just remembered, you used to be one of the people responsible for fighting the Ancient Demon God flame skull," said Chen Xing.

"That's very true, it's been a long time," said Yin Xizu, she had indeed fought the Ancient Demon God Flame Skull, but it was quite a long time ago and maybe she had forgotten.

"Why did someone find that monster? Did someone sell the Ancient Demon God flame skull?" said Yin Xizu.

"I don't know about that either, my job is only to fight, I don't take care of the next thing, even the place where the monster was sealed is still a mystery and finally it has now appeared" Yin Xizu also didn't know about that matter.

"Who is your partner there?" Chen Xing asked about Yin Xizu's colleagues.

"some people from the Four-sided Immortal Palace" said Yin Xizu.

Yin Xizu used to join a team with the Four-sided Immortal Palace, they should be the ones handling this matter.

"Hmmm, is it possible for someone from the Four-sided Immortal Palace to sell this to Kong Qamon?" Chen Xing began to think that with Kong Qamon's wealth, she should be able to bribe an important person in the Four-sided Immortal Palace.

Chapter 2868 The Four-sided Immortal Palace's plan was already progressing smoothly

"Thank you for your time" Chen Xing was grateful for the time given by Yin Xizu.

"You want to go back," said Yin Xizu.

"There's nothing to do here, everything is finished, it's better to go back because I don't really like chasers," said Chen Xing.

"Fufufu, as expected of you, never change" said Yin Xizu.

"See you later" Chen Xing greeted and finally left this place.

"she still never changes her temperament" Yin Xizu saw that Chen Xing had never changed, she was still the same as before.

"But she has become more beautiful and her strength also seems greater, is it possible that she has already broken through her limits?" Yin Xizu was quite curious about this.

Yin Xizu wanted to ask, but she knew that it would not be polite because she was not very close to Chen Xing and was just an acquaintance.

"Wush..." a huge ice mist approached, Yin Xizu who saw this could of course easily tell who this was.

"she's coming ?, it's quite surprising to see that figure coming to this place.

Just looking at the ice mist, Yin Xizu could tell who was inside.

"It must be Shen Xinyue, that beautiful woman came, usually she wouldn't be interested in something that had nothing to do with her, why would Shen Xinyue come.

Shen Xinyue hid her figure well, if it was like that, then obviously no one would be able to see it.

This made everyone curious, they naturally wanted to see Shen Xinyue.

It was a pity that they wouldn't be able to get close and dispel the mist straight away, that would make Shen Xinyue angry, and that would be dangerous, a very dangerous thing to make Shen Xinyue angry.

If they did that, then they could become enemies of the entire Supreme God Realm.

Shen Xinyue had so many pursuers, if anyone dared to harass her, then they would have nothing good to do.

Plus Shen Xinyue's cold temperament and wouldn't let others get close, anyone who tried to get close to Shen Xinyue would pay.

Many men had lost their cultivation as a result of try to get closer Shen Xinyue, which proved that Shen Xinyue would not be merciful to anyone who dared to approach her without her permission.

"It looks like there will be more people coming." Yin Xizu felt that there would be more people coming.

The reason is quite obvious, Shen Xinyue is out of place, this will naturally make all the men excited and will come to this place.

"I don't like this situation" Yin Xizu didn't really like this, she decided to just leave.

"Everyone go back, we are going home" Yin Xizu gave an order, that was because there would be more people coming because the beautiful goddess of the first rank was in this place.

The popularity of Shen Xinyue will overpower everyone and attract men all over the world to come and see her.

After everyone returned inside the profound ark, she ordered to return to her own house.

As expected this place became much busier and livelier, within seconds tens of thousands of people came and of course this place became very busy.

This place became a sea of ??people so many and so big.

They are like a swarm of bees who have just discovered the best flower in the world.

.

.

In such a luxurious place, there were two men who were playing an ancient game of chess, they were fighting to determine who was the best among them.

One man was the great elder of the Four-sided Immortal Palace and the other was the lord of the four-sided palace, Tu Ginzu.

"The situation in God Realm is starting to get a little chaotic because many ancient monsters are awakening," said Tu Ginzu.

It seems like someone is trying to resurrect an ancient monster for his purposes.

"those are ancient creatures that are not too dangerous, we have already fought them and won" said the great elder.

"Even so, other people think that we are interfering, especially about the recent monster that is said to be the Ancient Demon God flame skull that was sealed by us, it seems that one of the elders is selling them for profit," said Tu Ginzu.

"It doesn't matter, after all there's no point in keeping it in our hands because keeping it also costs money" said the great elder.

The grand elder was so relaxed in the face of Tu Ginzu's words, he didn't seem to care too much about this problem.

"So the master doesn't really care about this," said Tu Ginzu.

"Honestly, I don't really care about this, it could be said that it has nothing to do with us." Tu Ginzu said that he didn't really care about this issue.

"Then what about the person who defeated the Ancient Demon God flame skull, he should be such a strong person to defeat the Ancient Demon God flame skull, even we can't destroy the Ancient Demon God flame skull" said Tu Ginzu.

When Tu Ginzu said this, the great elder stopped for a while.

"It's true, such a person exists in this world, I have never heard of it in this life" the great elder said that he had never heard of a person like this, this was the first time he heard of a man with a mask who was so powerful and was rumored to be able to defeat two monsters so powerful ancient.

"If that person has contact with us, then what should we do" Tu Ginzu wanted to know what they should do.

"there is no way but to destroy it, no one can live after opposing us" said the great elder.

"I understand" Tu Ginzu understood, this was an order, if that person really wanted to fight them, they had to destroy him.

"We are currently in a position to gather the strength we have, plus we now have someone who can tell what will happen in the future, said Tu Ginzu," said the great elder.

"If all the plans we have run smoothly, then we can be the best," said Tu Ginzu.

"I just hope that the ancestors will try to break through to the 10th level, with that we will become the absolute rulers of the entire world," said the great elder.

"We have recruited all the geniuses in this world, we will be the best and we have quite a lot of connections, our chance of winning is very big," said the great elder.

"speak with talent, Yin Zeniyu showing such great development, under the power of the palace ruler Shao Shuang, she will become so great" said Tu Ginzu.

"she is destined to be one of the strong people with a body blessed by the world, she will surpass both of us" said the great elder.

"I heard in a few months she will fight a decisive battle" said Tu Ginzu.

"Quite a stupid battle, a man with a low background challenging her" said Tu Ginzu.

"it seems like he is seeking death" said the great elder.

"Even so, he is quite brave, if it were an ordinary person he would definitely run away," said Tu Ginzu.

"That's because there won't be a chance to win, I heard that Yin Zeniyu has never lost in a fight against people of the same age as her until now" said Tu Ginzu.

"this will be a show and spectacle event for people looking for fun, the winner has already been determined before the battle even begins" the great elder was already sure who would win.

Even a fool would know who would win in this battle, the difference in class and status was so great, it was the same as a vagabond fighting a king in the sky, there would be no chance.

"I also think the same thing, there is no chance of winning, that person is quite pitiful, I just hope Yin Zeniyu be kind and don't paralyze, and was disabled for the rest of his life" said Tu Ginzu.

"It's none of our business, it's under Shao Shuang's control, it's best not to interfere in matters in Shao Shuang's palace.

"that's right, let's finish this game" said Tu Ginzu, they both continued the game and began to respond by recruiting more people.

they want to strengthen their power by attracting more strong people, the more people who join, the stronger they will become.

Chapter 2869 start a business plan

Several weeks have passed since the intense battle, Ye Chen is currently resting because he is too tired from taking care of everything with Ling Shu.

During this time, Ye Chen together with Ling Shu processed some abandoned assets, the amount was not much because many people immediately took away some of Kong Qamon's possessions.

Ye Chen together with Ling Shu intended to chase them, unfortunately they ran into problems and couldn't do this and many escaped.

"It looks like we have to forget them and focus on new things" Ye Chen said to Ling Shu.

"What plans do you have, even though it's not much you can still make a big business out of it" said Ling Shu.

Ling Shu saw that Ye Chen could still create some big businesses using his possessions.

"What do you think is the most promising business in God Realm" Ye Chen said to Ling Shu.

"Pills, artifacts, herbs, and also techniques are things that can make you rich quickly.

"There is also food and property but it will take time" Ling Shu said to Ye Chen.

"So, then, I will dominate all the sectors" Ye Chen said to Ling Shu.

"you're serious ?" Ling Shu asked Ye Chen.

"Of course I'm serious about what I say" Ye Chen is of course serious about what he says, his goal is like that.

"But it will be very difficult," said Ling Shu.

focusing on just one area is difficult enough, how will Ye Chen focus on all areas.

"Nothing is difficult, we just have to believe in ourselves" Ye Chen told them that they just have to believe in themselves, with confidence, they can do anything.

"It's up to you, but it will be difficult to do" Ling Shu said to Ye Chen, to be honest this problem is quite difficult.

"To be honest, I don't really like to depend on big traders, because they will make prices whatever they want to buyers and sellers, that's why selling yourself is better and more profitable. It's a shame that not many people know about my goods, so it seems I'll just leave this matter to you" Ye Chen said to Ling Shu.

"Hmmm, I still don't understand what you said" Ling Shu didn't understand what Ye Chen said.

It seemed Ling Shu was unclear about what Ye Chen said.

"Just like this" Ye Chen said to Ling Shu.

"You can tell your people to spread the word" said Ye Chen.

Ye Chen told Ling Shu's men to spread the word and do advertisements.

"So that's how it is, you want to use the influence that I have" Ling Shu finally knew what Ye Chen wanted.

"You can do that, right?" Ye Chen asked Ling Shu.

"Of course I can" Ling Shu said to Ye Chen that she could do it.

"but why did you choose me" Ling Shu said to Ye Chen.

lightsNovel ?om "Moreover, because of the charm you have, it is easy to use, and I see that all the subordinates you have are quite good at influencing and controlling people" said Ye Chen.

"So you are aware of that" Ling Shu said to Ye Chen.

"Of course I'm aware of that" Ye Chen said to Ling Shu, he told her that he could easily be aware of problems like that.

"They often try to use it on me" Ye Chen said to Ling Shu, he told her that they used that charm to tempt Ye Chen.

"Oh, so that's how it is, they were quite naughty because they dared to tease you, if they knew who you were, they probably wouldn't dare do that anymore" they all didn't know who Ye Chen was, if they all knew that, they might change their minds.

Ling Shu and Feng Rue were one of the people who already knew, they already knew about it and they didn't dare to do something like that to Ye Chen again.

If they do that again, they will be in pretty serious trouble and they won't want to do that.

"If they all knew who you were, they probably wouldn't dare to do that" Ling Shu said.

"They did that because you are handsome, the girls here like handsome guys like you, so be careful," said Ling Shu.

"I understand" Ye Chen understood, he would be more careful in doing things.

"Then I'll start, you find people to make all these things," said Ling Shu.

Ling Shu told Ye Chen to find a decent person to make pills and share things to sell.

"I will take care of that problem" Ye Chen said that he would take care of that problem.

"I'll go first, if you need anything just call me" Ling Shu said to Ye Chen, she told Ye Chen to call herself if needed.

"I understand" Ye Chen nodded to Ling Shu.

After that Ling Shu started spreading the news, she would make advertisements for Ye Chen.

"Yeuchan" Ye Chen said to Chu Yuechan.

"it's time, what do you think" Ye Chen said to Chu Yuechan.

"Not bad either, let's find some people" Chu Yuechan said.

"You're right, let's look for some talented people to work with" Ye Chen also intended to do this.

He wanted to find some people who were pretty good and could be easy to work with, that would be very easy to do.

"first of all, let's go to the Sect, there are some talents there" Ye Chen said to Chu Yuechan.

Ye Chen felt that if there were quite a lot of great talents in the sect, they could be invited to collaborate with Ye Chen, it would be very profitable for Ye Chen.

Ye Chen looked for some good talents, using connections from Jia Li, he looked for some people with good abilities.

"Where have you been, disappeared for such a long time" Jia Li asked Ye Chen, she wanted to know where Ye Chen had gone, Ye Chen had disappeared for quite a long time and made Jia Li feel worried.

"Doing such an important job" Ye Chen said to Jia Li, he told her that he was doing an important job.

"Important work, I also heard about it from sister Ein, but I don't know the details, tell me honestly" Jia Li said to Ye Chen.

"You know that I am building a small business" said Ye Chen.

Ye Chen told Jia Li what he did.

"Go on, what do you want to do?" Jia Li asked Ye Chen.

"I want to find some people to help" said Ye Chen.

Ye Chen wanted some talented people to help him.

"What do you want from them?" Jia Li wanted to know what Ye Chen would do.

"train them well" Ye Chen said to Jia Li.

"train well?" Jia Li asked Ye Chen, she slightly changed her tone.

"Hey don't think badly, that's not what I meant" Ye Chen said to Jia Li, he didn't mean to say that.

"Then? Please explain it well so that I understand" Jia Li said to Ye Chen, she asked Ye Chen to explain it more clearly so that there were no misunderstandings.

Ye Chen started to explain what he wanted, he wanted them to work and of course Ye Chen would pay them properly.

"So that's how it is, I thought you wanted to do bad things to them" Jia Li said.

"Do I look that bad" Ye Chen said to Jia Li.

"You were a bad influence from the start" Jia Li said to Ye Chen.

Chapter 2870 ancient forest

"If that's the problem you have, then I can help you" Jia Li said to Ye Chen.

"It just so happens that there are some pretty great students who can help you, they also need money to support their families and also cultivate, that should be enough for you," said Jia Li.

"That condition is enough, then I will leave this matter to you" Ye Chen will hand over this matter to Jia Li.

"but their ability will not be as good as you and me" Jia Li told Ye Chen this problem first.

"There's no problem with that" Ye Chen said that he wouldn't mind that.

"My target is the lower market first, you understand what I mean right" Ye Chen said to Jia Li.

"So that's how it is, it's not bad, you aim for the lower market first, that's a smart thing to start a business" Jia Li said to Ye Chen.

"I already thought that you would agree with what I said" Ye Chen had expected this.

Jia Li would definitely agree with what Ye Chen said.

"Then are you going to see for yourself or?" Jia Li said to Ye Chen.

"I will leave this problem to you" Ye Chen told that he would completely leave this problem to Jia Li.

Ye Chen had so much faith in Jia Li and her abilities were so good.

"Okay, if that's what you want" after hearing that Jia Li would start training them as Ye Chen expected.

"Okay, the advertising part and also the pill making part are finished, now you just need a reliable equipment maker," said Ye Chen.

"Yuechan, who do you think is the most suitable ?" Ye Chen asked Chu Yuechan.

"If you ask me, I will answer directly" Chu Yuechan would answer.

I think the large dwarf race is skilled at making various kinds of crafts," said Chu Yuechan.

"What's the difference between them?" Ye Chen asked their differences.

Large dwarf races have larger and stronger bodies, although they still appear shorter.

"where can I find them" said Ye Chen.

"They used to live nearby in the ancient forest and were neighbors of the fairy race," said Chu Yuechan.

"That makes me remember, does the fairy race still exist?" Ye Chen wanted to know Chu Yuechan.

"I don't know, if what Ling Shu said is true, there might still be some around".

"In God Realm itself, the fairy race is quite rare, from the past until now it is the same, there are only a few of us," said Chu Yuechan.

"So that's how it is" Ye Chen began to understand a little what Chu Yuechan was saying.

"big brother, you have to go there" Chu Ning'er said to Ye Chen.

"That's very true, I haven't been back for a long time, this is a good opportunity" Chu Yelan also said that to Ye Chen.

"Okay, we will go there" Ye Chen finally agreed to the request from Chu Yelan and Chu Ninger.

He was going there, he decided to go to the ancient forest with the map he got.

The ancient forest was a confusing place, someone would keep turning around in this place and they would never be able to enter the interior.

Most of them will turn around and come out as if they were required to leave the forest, no one can get in there easily.

Ye Chen finally arrived in a forest covered in large fog, Ye Chen's visibility was limited and he could only see about 3 meters ahead.

"Yuechan, Ning'er, Yelan, do you guys live in this place?" Ye Chen asked.

"we live in this place, come with us" They said to Ye Chen.

Chu Yuechan, Chu Ning'er and Chu Yelan came out, they prepared to enter the ancient forest.

"master, you hold my hand" Chu Yuechan said to Ye Chen, she told Ye Chen to hold her hand.

"okay" Ye Chen understood, he didn't ask much and held Ye Chen's hand.

They are like a couple of lovers.

"Sister Yuechan, that's so cheating" Chu Ning'er said to Chu Yuechan.

"That's really true, when we were on duty, you guys were doing delicious things alone" Chu Yelan was also not happy about this.

The two of them solved the problem of training the women inside the fairy gate, because of that they couldn't come out and accompany Ye Chen.

Now they were free and they would naturally complain to Ye Chen.

"she is mine, I will not give her to you guys" Chu Yuechan said to Chu Ning'er and Chu Yelan.

"That's so cheating" they complained and started arguing.

"Hey, let's go in" Ye Chen said to Chu Yelan, Chu Yuechan and Chu Ning'er.

If it continued this wouldn't be finished, so Ye Chen stopped the brands that wanted to fight.

"we understand" they understand, they will stop fighting and start entering the ancient forest.

When they entered, the auras of Chu Yuechan, Chu Yelan and Chu Ning'er began to change.

Even Chu Ning'er's previously small body had now grown and become the figure of a beautiful adult woman.

"I already thought that the ancient forest is the best" said Chu Ning'er.

Finally she could maintain her normal appearance here, The ancient forest really made the fairies strong.

"The energy in this place is still the same as before, so pure and so good" said Chu Yelan.

Chu Yelan could see that the pure energy here was very good and she really liked being here.

"Is this place that good for you guys?" Ye Chen asked Chu Yuechan who was beside him.

"this is where the fairies live and is a place full of life for us, the fairy race cannot stay in the outside world for too long."

"Usually they can only last a few hundred years and the longer they are outside, the weaker their strength will be, that's why we need someone else's power or a powerful artifact to be able to stay in the outside world for a very long period of time," said Chu Yuechan.

"so that's how it is" Ye Chen was a little familiar with the fairy race, they might be strong, but they had weakness separately.

"but why is no one attacking this place, and it is still impregnable" Ye Chen had this question.

"here we are almost invincible, we have limitless power" said Chu Ning'er.

Here the fairy race was the absolute ruler and would be very, very difficult to defeat, even if great cultivators came and brought a large army, they would not be able to take this place down.

"So you guys are invincible in this place, quite interesting" Ye Chen became interested when he heard this.

That meant Chu Yuechan and the others were in such a strong state.

"There are no monsters here?" Ye Chen asked Chu Yuechan and the others.

"Nothing, there is only this mist, if it wasn't the fairy race, you would be confused by this mist" Chu Yuechan said.

"Stay with us, we don't want you to get lost, it's troublesome looking for you in such a large place" said Chu Yelan.

Chu Yelan told Ye Chen to stay with them, it would be very troublesome to look for Ye Chen if he was missing.

"I understand, I will continue to be with you" Ye Chen said to them.

As long as Ye Chen held hands with Chu Yuechan, then he would be fine and wouldn't get lost.

The more they entered, the more foggy this place became, they couldn't see and their visibility was only 1 inch.

Honestly, Ye Chen couldn't see his surroundings, even the figures of Chu Yuechan and the others couldn't be seen by Ye Chen.
