

## **True God 2911**

### Chapter 2911 Yin Xizu's invitation

"A letter, from who?" Ye Chen asked Feng Rue.

"This came from Yin Xizu" Feng Rue said that this was sent by Yin Xizu for them.

"What does that woman want?" Ye Chen asked Feng Rue.

"If I'm not mistaken, Yin Xizu is one of the 10 beautiful goddesses, a vampire goddess who is so beautiful and looks perfect, the fifth level of the beauty list, what does someone like that need from Ye Chen.

"she wants to buy wine from you at a decent price" Feng Rue said to Ye Chen.

"Isn't our stock very small and lots of people are ordering" Ye Chen said to Feng Rue.

"That's absolutely true" Feng Rue nodded, it was absolutely true and they were in trouble to meet the needs of everyone present.

"That's the problem, we can't meet the needs of everyone," Ye Chen said to Feng Rue.

"If we do that, it will make other customers angry" Ye Chen said to Feng Rue.

"That's very true, it will make our name bad" Feng Rue agreed with what Ye Chen said.

"What price does she want" Ye Chen asked Feng Rue.

"1000x the normal price" Feng Rue said to Ye Chen.

"Eh?" Ye Chen was surprised when he heard this, this was quite surprising for Ye Chen.

"Seriously" Ye Chen asked Feng Rue.

"Of course, there's no way he would dare to cheat us." Feng Rue said that Yin Xizu would not cheat.

It was absolutely impossible for Yin Xizu to deceive Ye Chen and Feng Rue.

"Why didn't you say earlier, we will of course sell it, how much does she want to buy" Ye Chen said to Yin Xizu.

"\_ \_" Feng Rue was helpless, Ye Chen changed quickly when he listened to the price that Yin Xizu wanted.

"You, aren't you embarrassed, didn't you just say no?" Feng Rue said to Ye Chen.

"That was before, now of course it's different," said Ye Chen.

Ye Chen said that this was different from before.

The other party was so bold as to pay such a high price, Ye Chen couldn't possibly just miss this opportunity.

"It's up to you, you can send it yourself, right? I think my people won't dare to go there" Feng Rue said to Ye Chen.

"Why?" Ye Chen asked Feng Rue.

"Is the place of the Yin Xizu that terrible" Ye Chen asked Feng Rue.

"Not really, it's just that the place is very dark and they don't like places like that," said Feng Rue.

"Is it a place where there is no daylight" Ye Chen asked Feng Rue.

"That's absolutely true, it is a place where there is no daylight and is the most powerful place for the vampire race," said Feng Rue.

Feng Rue explained to Ye Chen, she explained everything as best as possible so that Ye Chen understood.

"If that's the case, I'll go there, just leave this matter to me" Ye Chen wanted to leave, he wanted to go and see Yin Xizu for himself.

"Okay, if that's the case, I can leave this matter to you" Feng Rue felt that she could hand this matter over to Ye Chen.

This kind of problem would definitely be easily solved by Ye Chen.

Ye Chen went to the Realm of Eternal Night, a place that was dark and devoid of sunlight.

The whole place was so dark, there was little light around.

There was only the moon providing light and everyone seemed to be able to work well here without any problems.

"So this is the place, a night place" Ye Chen saw that this place was very dark.

"You are absolutely right, this is a pretty night place" Chu Yuechan agreed with what Ye Chen said, this place was really dark.

"We have business here, so like it or not, we have to leave" Ye Chen said to Chu Yuechan.

Ye Chen entered into the Eternal Night Realm.

This place is still normal, everyone carries out their usual activities and is helped by the light they make themselves.

Initially Ye Chen thought that this place would be quiet and quiet, who would have thought that this place would be so busy.

"Master, don't you have a letter from Feng Rue about this place" Chu Yuechan said to Ye Chen.

"That's right, let me see it" Ye Chen said to Chu Yuechan, he wanted to see it.

Ye Chen opens the letter from Feng Rue, here Feng Rue tells Ye Chen to be careful because there are quite a lot of crime cases here.

Ye Chen thought the same thing as Feng Rue thought, this place is always nighttime, so this is a very suitable place for thieves and criminals who want to hide and look for prey.

"I'm quite grateful for the warning he gave, I'll be fine" Ye Chen was confident that he would be fine.

"let's go see Yin Xizu, I want to see the fifth rank goddess, what is she like" Ye Chen left, he walked in the middle of the crowd.

Ye Chen went towards the part of the castle that belonged to Yin Xizu, if Ye Chen was not mistaken, Yin Xizu's castle was in the outer part of the city, it was a little far from the lively city.

"Because I'm already in this place, I'll start walking around for a while" Ye Chen decided to take a walk for a while.

"This place is so comfortable" Yin Ying'er came out, it was rare to see her come out.

"You come out" Ye Chen said to Yin Ying'er.

"Um, I want to go for a walk, this place feels so comfortable" said Yin Ying'er.

"So that's how it is, then let's go" Ye Chen nodded and started to take Yin Ying'er together.

Perhaps because this was vampire territory, that was probably what made Yin Ying'er so comfortable in this place.

Yin Ying'er still had half the strength of a vampire, so it was a reasonable excuse.

Yin Ying'er asked for quite a lot of eye-catching things, Ye Chen gave them all.

Yin Ying'er had helped Ye Chen a lot and Ye Chen gave Yin Ying'er a decent gift.

Yin Ying'er took what interested her, she bought everything that interested her and really enjoyed it all.

"do you like it" Ye Chen asked Yin Ying'er.

"um, this place is so nice, everything is so fun to do" Yin Ying'er said to Ye Chen, she was so happy to be in this place.

"Then I'm happy to hear about this" Ye Chen was happy to hear about this matter.

"master, what are you doing in this place?" Yin Ying'er asked Ye Chen, she didn't know what Ye Chen was doing in this place.

"I'm going to meet someone" Ye Chen told Yin Ying'er why he was here.

"Meeting someone, who is it?" Yin Ying'er asked Ye Chen.

Someone who looks like you" Ye Chen said to Yin Ying'er.

"Similar to me?, are you serious?" Yin Ying'er seemed interested in this.

"Of course" Ye Chen said that he was serious about what he was saying right now.

"Then I also want to meet her." Yin Ying'er said that she also wanted to meet that person.

"Let's go there, after finishing here" Ye Chen said to Yin Ying'er.

After Ye Chen finished at this place, he would bring Yin Ying'er along with himself to see Yin Xizu.

Ye Chen went to the castle of Yin Xizu .

Chapter 2912 met Yin Xizu

"This woman's taste is not too bad, I thought this would be a very scary place" Ye Chen saw a fairly nice castle with several lamps on each side for lighting.

"Let's go inside" Ye Chen invited Yin Ying'er to go inside.

"Who are you, and what do you want?" When Ye Chen entered, he was immediately stopped, there were several strong guards around this place and they were all watching Ye Chen and ready to take Ye Chen down from all sides.

"I came for a visit, didn't you guys invite" Ye Chen said to them.

"inviting?" they were confused by what Ye Chen said, they didn't understand what Ye Chen said.

"look at this" Ye Chen showed the letter written by Yin Xizu.

"that" they finally knew what it was, it was a letter written by Yin Xizu.

"why is it in your hands ?" they asked Ye Chen.

"You guys are still asking, I came to do business" Ye Chen said that he came to do business with all of them.

"You brought the wine that Miss asked for?" one of the waiters came out, he asked Ye Chen.

"of course" Ye Chen took out several boxes, this was the wine that had been made.

The waiters started to look, they confirmed whether Ye Chen was honest or lying to them.

They were quite strict and did not allow strangers into this place, plus the current situation was not very good for Yin Xizu.

"We've checked everything, you don't seem suspicious and you can come in," said the maid

After confirming that Ye Chen was not dangerous, the servant took Ye Chen to meet Yin Xizu.

Yin Ying'er looked around, she was quite curious about what was around her.

"Don't be too far from me, don't get lost" Ye Chen said to Yin Ying'er.

"I understand" Yin Ying'er understood, she would try not to be far from Ye Chen.

The maid took Ye Chen into the banquet hall, here Ye Chen would wait until Yin Xizu arrived.

"You can wait here" The maid said to Ye Chen, she told Ye Chen to wait in this place for a while.

"I understand" Ye Chen sat down and took a chair, now he just needed to wait for Yin Xizu.

Yin Ying'er herself sat on Ye Chen's lap, she enjoyed what was served on the table.

the maid gave some food, they all looked normal.

Even though she was used to other foods, Yin Ying'er still liked to suck Ye Chen, she thought Ye Chen was much more delicious than all of this.

Yin Xizu still hadn't come out and Ye Chen had to wait patiently, he was waiting for Yin Xizu to arrive.

"click" A few moments later, the door was opened and a beautiful woman with red hair came inside.

she has a beautiful face and a slim body, her flaw is probably in the chest area because it is a little smaller.

Even though it's not flat like an airplane runway, it still sticks out a little when you look closely.

"So that's it, beautiful" said Ye Chen.

"Ummmm, she is a beautiful older sister" said Yin Ying'er.

Yin Ying'er agreed with what Ye Chen said, this woman was beautiful.

"Sorry for making you wait, I'm not in a good condition," said Yin Xizu.

Yin Xizu wasn't feeling very well, which was why she didn't come straight away and needed some time.

"I understand" Ye Chen can understand, he can understand what is happening now.

Yin Xizu saw Ye Chen, a very handsome young man, it was rare to see a man like Ye Chen.

It's not strange that several servants are so excited, it turns out that there is a handsome young man like Ye Chen here.

Because this place was rarely visited by people, they rarely saw something like that, so when there was someone so handsome, they would be a little excited.

"I don't mind either, since you are already here, let's talk about the price, I came to deliver your order" said Ye Chen.

"Of course, you have also brought the items I need, right, we can discuss the price quickly," said Yin Xizu.

Ye Chen took out his luggage for Yin Xizu to see, so Yin Xizu saw it very easily.

"Very good, I like this, everything also looks right and there is no strangeness" Yin Xizu said that everything looked normal and there was nothing strange.

"bring it" Yin Xizu told them to bring Ye Chen a profound crystal.

"Okay" they just went straight to take the profound crystal and gave it to Ye Chen.

A pile of profound crystals appeared in front of Ye Chen, Ye Chen immediately took it and put it in.

"It's a pleasure doing business with you" Ye Chen said to Yin Xizu.

"You are quite passionate about that" Yin Xizu asked Ye Chen.

"Of course, I'm quite excited about this" Ye Chen said that he was quite excited about this.

Doing business with Yin Xizu was very profitable.

"But I find it quite strange, you like it so much that you dare to pay such a high price," said Ye Chen.

"I really need it, my condition is not good when the moon is full, my strength is sometimes uncontrolled and I feel restless," said Yin Xizu.

"is it like that?" Ye Chen just found out about it.

"Almost every vampire will be like that, the stronger your power, the harder it is to control it," said Yin Xizu.

"Hey Ying'er, do you feel that way too?" Ye Chen asked Yin Ying'er.

"No, I'm fine, in fact I like this place, it makes me feel more comfortable," said Yin Ying'er.

"that girl?" Yin Xizu realized that Ye Chen had come with a woman.

"Is she the same as me?" Yin Xizu is aware that Yin Ying'er has vampire bloodline.

"What's your relationship with him?" Yin Xizu asked Yin Ying'er.

"He is my master, I like sucking him" said Yin Ying'er.

"Ehhh . . ." Everyone was shocked when they listened to what Yin Ying'er said, they could have misunderstood what Yin Ying'er said.

"Don't say embarrassing things like that" Ye Chen said to Yin Ying'er.

"I was serious about what I said, plus master has such good taste," said Yin Ying'er.

Yin Xizu and the others blushed when they heard this, they had not imagined that such a situation could happen.

"Look, you made them misunderstand" said Ye Chen.

"Um? ? ?" Yin Ying'er was innocent, she didn't even understand what was happening right now.

"You are?" Ye Chen was helpless when he saw this, why was Yin Ying'er so innocent that she didn't understand what Ye Chen was saying.

"Hehehehehe" Yin Ying'er laughed freely, she really enjoyed this matter well.

Yin Xizu had to understand this. Yin Xizu was still small and didn't know about this matter.

"Ugh. . ." currently Yin Xizu's body was having problems.

"This is so bad" Yin Xizu started to lose control, it seemed like her strength was going out of control.

"All ready" they are all preparing for the worst possibility that could happen now.

"So this is what she meant" Ye Chen now understood what Yin Xizu meant.

Yin Xizu's strength was uncontrollable, it seemed like she was trying to restrain something.

"Quickly get out of there, if you don't want to get hurt" the maids said to Ye Chen, they told Ye Chen to get out of the way right now.

"You all calm down" Ye Chen said to them.

He told them all to calm down and not do anything.

"What are you trying to do, quickly leave that place right now" they said to Ye Chen.

Chapter 2913 cured Yin Xizu's problem

Ye Chen didn't listen to what they said, he went towards Yin Xizu's place.

"What that person does, he will be destroyed" they all didn't understand what Ye Chen was doing.

What Ye Chen did was very dangerous, he could be destroyed easily if he did something like that.

Yin Xizu's strength was so great and unstable, she could easily crush Ye Chen.

"calm yourself" Ye Chen said to Yin Xizu.

Ye Chen used his power to make Yin Xizu calmer.

The way to make Yin Xizu calmer is to use greater force to suppress Yin Xizu.

By using this super strength, Ye Chen could easily suppress Yin Xizu.

"Ehhh . . ." They were all surprised when they saw what Ye Chen did, they didn't expect that Ye Chen could easily do this.

With that Yin Xizu could finally calm down.

"Thank you very much." Yin Xizu was finally able to suppress her strength again.

"You have to deal with the problem yourself, it seems like it's because you can't control yourself, I see a strong desire from you" Ye Chen said to Yin Xizu.

"So you know?" Yin Xizu said to Ye Chen.

"Of course I know, I know what you feel, if I were you, I would just let go, it looks like you need it" said Ye Chen.

"You are right, I do need it" Yin Xizu needed it.

"But I don't really like that, I need more blood, you should know about that problem because I am a vampire" said Yin Xizu.

"oh, so you don't like it, but if you continue to hold back, it won't be good for you" Ye Chen said to Yin Xizu.

"You might be right, it's not good for me" Yin Xizu also understood this matter, she understood what Ye Chen was talking about now.

"Miss has her own problems, please don't say that" the maid said to Ye Chen.

"Were there any problems in the past?" Ye Chen asked Maid.

"Of course, there were problems in the past, to be honest Miss is different from us, generally Vampires only need a little blood to increase and grow their strength, but Miss, she needed so much that she once hunted a forest, at first it was good, but it started addicted and she started to lose control and hunt more and more creatures," the maid explained to Ye Chen.

"Oh, so that was the reason you had" Ye Chen now understood why Yin Xizu didn't want to do that, she didn't want to become a monster and chose to endure it.

"But if you let that happen, it will put her in trouble, haven't you seen it too" Ye Chen said to all of them.

They all saw it of course, they all saw what happened to Yin Xizu.

"I will accept this fate" Yin Xizu said that she would accept this fate.

she had chosen it and Yin Xizu would not be disappointed with the decision she had made.

"If you really say that" Yin Xizu had already decided, Ye Chen would not interfere in this matter.

"How about you try master's blood, it's really great," said Yin Ying'er.

Yin Ying'er interrupted the current conversation.

"ehh. . ." Yin Xizu was surprised by what Yin Ying'er said.

Even though she was only a little girl, Yin Ying'er was so brave to say these things.

That made Yin Xizu and everyone else here both surprised and embarrassed.

"Isn't he yours?" Yin Xizu said to Yin Ying'er.

"It's okay" Yin Ying'er didn't mind, as long as it could help Yin Xizu.

Yin Ying'er was still innocent as usual, it made Ye Chen and everyone else helpless with what happened.

"Then let me try it, even just a little bit." Yin Xizu was a little curious about this.

For some reason, Yin Xizu's curiosity was so strong, she had never felt something like this before.

"Are you okay?" Yin Xizu said to Ye Chen embarrassedly.

Ye Chen saw Yin Xizu, how could he refuse after seeing Yin Xizu's shy face.

"Okay, that's no problem" Ye Chen said to Yin Xizu.

Ye Chen started to use the needle, Ye Chen started to insert the needle into his finger.

Immediately blood started to drip and Ye Chen gave it to Yin Xizu.

"This ?" Yin Xizu was closest to Ye Chen, she could feel Ye Chen's.

It smells so good and looks so delicious.

"Ahhhh . . ." Yin Xizu started to open her mouth and accept it.

When that one drop of blood entered her throat, she felt an incredible feeling.

"This is so great, I have never felt anything this strong" Yin Xizu had never felt anything this strong.

she felt her power become so fluid.

Even though it was just one drop of blood and it made Yin Xizu like this.

"very amazing" Yin Xizu liked this, she really liked what was given by.

Yin Ying'er didn't lie in what she said, this feeling was so extraordinary.

Ye Chen had strong and extraordinary blood, just one drop made Yin Xizu feel such strong pleasure.

If it was like this, she would be satisfied with just Ye Chen, and would not need to absorb the blood of many people.

"Miss?" they asked Yin Xizu.

"That's really great, it makes me calm down easily" said Yin Xizu.

"What! ! ! !" They were all shocked when they heard this, they didn't expect it to work.

"Hey young master, who are you, you don't seem like just anyone?" Yin Xizu became interested in Ye Chen.

she wanted to know more about Ye Chen.

she moved closer towards Ye Chen and wanted to find out more about Ye Chen.

"ehh. . ." All the maids were surprised that the changes had occurred so quickly, the changes shown by Yin Xizu made them all shocked.

Yin Xizu was an ancient warrior who was so strong and valiant in the past, she had experienced so many battles and reached this point.

They had never seen Yin Xizu show this kind of attitude towards anyone, it could be said that this was the first time they had seen this kind of thing happen.

That was the reason why they were so shocked when they saw Yin Xizu clinging to Ye Chen so much.

"I'm just an ordinary person" Ye Chen answered Yin Xizu's question.

Ye Chen said that he was just an ordinary person, and no one.

"You try to be humble, I know that you are quite a special person" Yin Xizu said to Ye Chen.

"That's impossible, I'm just an ordinary person, there's nothing special about me" Ye Chen said that there was nothing special about him.

"Then tell me a little about you" Yin Xizu pulled Ye Chen along with her.

she took Ye Chen away from this place to a quieter place.

It seemed like the situation was developing quickly and Ye Chen would probably need Yin Ying'er to help because all of this was caused by Yin Ying'er.

"I'm a little tired, I'm going to sleep?" Yin Ying'er disappeared, she entered the fairy gate.

It was time for her to rest, she was tired of walking all day with Ye Chen.

"she left me alone?" Ye Chen didn't expect that Yin Ying'er would leave him alone, it seemed like he had to fend for himself.

Chapter 2914 Yin Xizu wanted to suck up to Ye Chen

Ye Chen was taken away by Yin Xizu, no one dared to stop Yin Xizu from doing this.

This was Yin Xizu's territory, it was not strange that no one dared to stop what Yin Xizu was doing.

Doing so would be tantamount to angering Yin Xizu.

"Why are you doing this" Ye Chen asked Yin Xizu.

"I want to talk to you" Yin Xizu said that she wanted to talk to Ye Chen about a problem.

"what do you want to talk to me about ?" Ye Chen asked Yin Xizu.

"Just come with me" Yin Xizu said to Ye Chen.

Yin Xizu took Ye Chen to a private room.

In this place, no one would dare to disturb them, because this was a place that could only be used by Yin Xizu and people who had obtained permission.

"now tell me about you, I have never seen someone like you" said Yin Xizu.

Yin Xizu needed an explanation from Ye Chen.

"I'm just an ordinary man, please let me go, Miss Goddess" Ye Chen said to Yin Xizu.

Ye Chen asked Yin Xizu to let go.

"Pfft. . ., to be honest I won't eat you, don't be afraid, I just want to know more about you, you should know that you have blood that is so delicious and so powerful," said Yin Xizu.

"Honestly, I don't know much about that matter" Ye Chen said to Yin Xizu.

Ye Chen said that he didn't know much about the matter.

"You don't want to tell and want to keep it to yourself?" Yin Xizu said.

"It's not like that" Ye Chen said that he didn't want to hide anything.

Yin Xizu's eyes kept watching Ye Chen, she was currently finding out about Ye Chen.

It could be seen clearly that she was trying to dig up information and secrets that Ye Chen had.

"Then should I find out this matter myself" Yin Xizu said to Ye Chen.

Yin Xizu wanted to find out this matter alone, she wanted to find out the secret that Yin Xizu had.

Yin Xizu's reaction and behavior were different from before, it seemed like something strange had happened to Yin Xizu.

"What happened to her?" Ye Chen tried to find out what happened to Yin Xizu.

It seemed like something happened to Yin Xizu.

Yin Xizu approached, she hugged Ye Chen and started to open her mouth.

"This situation" Ye Chen knew the situation he was currently facing.

It was clear that Yin Xizu wanted to suck up to Ye Chen.

Yin Ying'er often did things like this, so Ye Chen was quite used to this.

"I want more" Yin Xizu said to Ye Chen, she told Ye Chen that she wanted more.

"Wait a minute" Ye Chen said to Yin Xizu.

He told Yin Xizu to wait first.

Yin Xizu couldn't wait, she couldn't wait and suck up to Ye Chen.

"Slurp . ." Yin Xizu sucked Ye Chen passionately.

Luckily Ye Chen was used to this, so he didn't have too much of a problem with this.

"It looks like he's addicted" Chu Yuechan said to Ye Chen.

"Is this bad" Ye Chen said.

"It should be bad" Chu Yuechan said to Ye Chen.

"honestly it was too strong and she wouldn't be able to hold it" said Chu Yuechan.

"Then I have to stop it" Ye Chen had to stop Yin Xizu.

"Wait a minute" Ye Chen said to Yin Xizu.

He pushed Yin Xizu.

It would be bad if Yin Xizu continued, it wouldn't be very good for Yin Xizu.

So Ye Chen encouraged her.

"I want some more" Yin Xizu looked like a child.

"Is she drunk?" Ye Chen could see that Yin Xizu was drunk, she looked unconscious and wanted more and more.

It seemed like this was a side effect that Yin Xizu got.

The effect was quite strange for Ye Chen to see, this made Yin Xizu very funny.

"Don't continue with this, it will be dangerous for you" Ye Chen said to Yin Xizu.

Ye Chen only found out about this when he saw Yin Xizu.

He thought it was normal because Yin Ying'er had never had any problems.

"That's it, Ying'er may be special, so she doesn't have any side effects, but for Yin Xizu, it has such an extraordinary effect.

Ye Chen is now starting to understand the assets he has.

The effect was so strong that it made Yin Xizu become like that, she was really drunk and did very strange things.

"You are so stingy" said Yin Xizu.

Yin Xizu complained to Ye Chen.

"she looks so cute" Ye Chen saw that Yin Xizu was so cute.

she became cute when she was drunk, how could Ye Chen put up with that.

Yin Xizu pushed Ye Chen, with the strength that Yin Xizu possessed she easily pushed Ye Chen.

Yin Xizu had such great strength and was so powerful, so it wasn't strange that she could easily push Ye Chen to the floor.

The situation developed like this and Ye Chen was just attacked by the goddess in front of him.

The vampire goddess who was so beautiful and had a perfect face pushed Ye Chen, a situation that was impossible for normal people.

"You have to calm yourself down, you are not fine" Ye Chen said to Yin Xizu.

Ye Chen told Yin Xizu not to do anything bad.

"So strange, aren't you interested in me?" Yin Xizu asked Ye Chen.

"You are beautiful, of course I'm interested, but your situation is not good" Ye Chen said to Yin Xizu.

"I'm fine, just a little excited," said Yin Xizu.

Yin Xizu said that she was just a little excited about what happened.

"This isn't a little excited, you are out of control" Ye Chen said to Yin Xizu.

"But I like you. . ." Yin Xizu said to Ye Chen.

Yin Xizu stated that quite loudly.

Ye Chen looked at Yin Xizu, even though she was affected by sucking his blood, it still sounded quite sincere.

"That's why let me eat you" Yin Xizu said to Ye Chen.

Yin Xizu wanted to eat Ye Chen, she wanted to do it.

Yin Xizu was like a woman affected by an aphrodisiac, she had completely gone wild.

"So it's like that, for Yin Xizu it seems like the blood you gave is like an aphrodisiac if there's too much of it" Chu Yuechan said.

Yin Xizu stretched her finger across Ye Chen's body, using one touch she easily destroyed Ye Chen's clothes.

"It seems like she is serious about what she said" Chu Yuechan said to Ye Chen.

Chu Yuechan could see that Yin Xizu was serious about what she said, this woman wanted to eat Ye Chen.

Ye Chen wanted to stop it, but what to do, it seemed like he couldn't deal with the current problem.

If this is indeed similar to an aphrodisiac, then it must be addressed immediately.

After Yin Xizu removed everything on Ye Chen's body, she removed what she was currently wearing.

A slender body appeared in front of Ye Chen.

This body is nice and perfect, maybe this is a woman's dream body because it is so slim and perfect.

If only the double peaks were bigger, it would definitely be very tempting.

"where are you looking at?" Yin Xizu asked Ye Chen.

"it looks so pretty and so beautiful" Ye Chen said to Yin Xizu.

Chapter 2915 Ye Chen and Yin Xizu

"It's nice to hear you say that." Yin Xizu felt happy when she heard Ye Chen's praise.

Yin Xizu felt it was getting hotter and wanted to hug Ye Chen immediately.

she needed Ye Chen to solve the problem she had right now.

Yin Xizu's problem was quite bad, and she couldn't control herself.

It was like millions of ants crawling on her body, a feeling that was not very pleasant for Yin Xizu.

It was because of this that Yin Xizu tried to get rid of this feeling, she felt that Ye Chen could help her get rid of this feeling.

Yin Xizu became so lustful, she was so seductive.

Ye Chen started to stretch out his hand towards Yin Xizu.

"ahhhh . . ." at that moment, Ye Chen stretched out his hand towards Yin Xizu.

Immediately Yin Xizu screamed, she seemed unable to survive the temptation of Ye Chen's fingers.

Ye Chen touched Yin Xizu's body, which was so smooth, Yin Xizu's was so soft and very comfortable to touch.

This touching feeling is so slippery, and Ye Chen likes it.

"Ahhh . . ." Yin Xizu groaned in a voice that was so sweet it was like the sound of music.

It could be seen that Yin Xizu enjoyed this and couldn't help it.

Ye Chen knew that Yin Xizu would not be able to withstand it, that was because Ye Chen's technique was so good, and there was no way Yin Xizu would be able to survive such a good technique.

"This is so good, my whole body enjoys it" Yin Xizu enjoyed this, her whole body enjoyed the feeling that Ye Chen gave her.

"You are such a lustful woman" said Ye Chen.

Ye Chen whispered to Yin Xizu.

"I feel so strange today, it's not like the usual me," said Yin Xizu.

Yin Xizu said that she felt so strange about what happened she couldn't control herself and wanted to do it with Ye Chen.

"I know, you don't need to hold it in" Ye Chen now knew the condition Yin Xizu was in.

So he told Yin Xizu not to hold back.

"Can I?" Yin Xizu asked Ye Chen.

"of course you can" Ye Chen said to Yin Xizu.

Ye Chen saw that Yin Xizu looked like a very innocent girl, was it because of the effect of Ye Chen's blood that made Yin Xizu become like that?

Ye Chen himself didn't know much about this matter, what he wanted to do was help Yin Xizu.

Ye Chen showed his skills in massaging and caressing women, a skill that was so great and also so powerful.

It was a skill that could easily make Yin Xizu feel such intense pleasure.

"Ahhh, what is this? This is too strong for me" Yin Xizu said to Ye Chen, she felt that this was so strong, more precisely too strong for her.

"You are already very wet" Ye Chen said to Yin Xizu.

Yin Xizu was too excited, it was already like spring water.

"No, don't do it" This was too pleasant, this feeling was so wonderful that Yin Xizu couldn't resist.

Ye Chen started to increase his pressure, it made Yin Xizu feel happier and happier.

A feeling that was so strong that it made Yin Xizu reach the peak.

"Ahhhh" Yin Xizu reached the limit, the pleasure that occurred was so intense for Yin Xizu.

"Amazing ?" Ye Chen said to Yin Xizu.

"um. . ." Yin Xizu answered while a little hysterical, she seemed pretty tired of what Ye Chen was doing.

Because Yin Xizu's strength was so high, she quickly recovered herself.

Yin Xizu has the ability to regenerate so quickly that it includes the ability to recover.

Yin Xizu got up, apparently, she was better and could do it again.

"What was that ability just now, wasn't it too strong and fun" Yin Xizu asked Ye Chen.

"Just a little trick" Ye Chen said to Yin Xizu.

Ye Chen said that it was just a meaningless little trick.

"You mean?" Yin Xizu asked Ye Chen.

"There is still something more extraordinary than that" Ye Chen said to Yin Xizu.

Ye Chen still had many tricks to make Yin Xizu feel a stronger sense of pleasure than she did now.

"Then show me, I'm still not comfortable" Yin Xizu said to Ye Chen, she asked Ye Chen to show her more.

"Of course" Ye Chen would show Yin Xizu more.

Ye Chen started, he made Yin Xizu comfortable.

Ye Chen started exploring the secret garden owned by Yin Xizu.

It looked so beautiful, and Ye Chen started to show his skills.

"too strong" Yin Xizu said to Ye Chen.

She screamed because the pleasure was too intense, honestly Yin Xizu wouldn't be able to hold on and quickly reached the limit again and again.

"It's stronger compared to before, you didn't lie with what you said" Yin Xizu said to Ye Chen.

"Why would I lie to you" Ye Chen said to Yin Xizu.

Ye Chen will not lie and will show Yin Xizu his abilities.

Yin Xizu enjoyed it and wanted more from Ye Chen, she still wanted to continue with Ye Chen.

"It seems like this is the time," Ye Chen said to Yin Xizu.

"umm. . ." Ye Chen hugged Yin Xizu's body.

He pulled Yin Xizu towards himself and began to show him what he had.

Yin Xizu glanced briefly, Yin Xizu had been stealing glances at the bottom, she was obviously trying to see what Ye Chen had.

"where do your eyes look" Ye Chen whispered to Yin Xizu.

"so you are aware" Yin Xizu said to Ye Chen.

"Of course, I was aware of this a long time ago" Ye Chen said to Yin Xizu.

Yin Xizu blushed when she heard this, who would have thought that Ye Chen had already seen it.

"You don't need to be shy and blush, it's natural for women" Ye Chen said to Yin Xizu.

Ye Chen told Yin Xizu that it was normal and Yin Xizu didn't need to be embarrassed.

"Is that so?" Yin Xizu finally understood, and she started to try it.

Yin Xizu stretched out her hand, she was curious about this object and began to hold it.

When Yin Xizu held this object, she felt strange and quite surprised.

"What's this?" Yin Xizu didn't understand what was happening, this feeling was so strange when she held Ye Chen.

This thing gave Yin Xizu a strange feeling.

After that, Yin Xizu used her hands to help Ye Chen, by using her hands, she helped Ye Chen very well.

"That's very comfortable" Ye Chen said to Yin Xizu.

Ye Chen told Yin Xizu that it felt so comfortable.

"is it so comfortable?" Yin Xizu asked Ye Chen.

From the reaction shown by Ye Chen, he seemed to enjoy it when Yin Xizu did that.

"That's very true, I enjoyed it," Ye Chen said that he enjoyed this.

"Then" Yin Xizu helped Ye Chen, and she started to learn many things to make Ye Chen feel happy.

With Yin Xizu's abilities.

Ye Chen started to feel comfortable and very happy, this feeling was very comfortable for Ye Chen.

Ye Chen enjoyed it so well and didn't complain anymore.

Chapter 2916 Yin Xizu was so tired

Yin Xizu started doing lots of things for Ye Chen, she began to help Ye Chen by using her small mouth, which was so good at sucking Ye Chen.

"Very good, you did so well" Ye Chen said to Yin Xizu.

"Ummm . . ." Yin Xizu was so happy with Ye Chen's praise that he continued to help Ye Chen using her hands and mouth.

"slurppp" Yin Xizu made a sound that was so seductive, she made a sound that made Ye Chen so excited.

Ye Chen held Yin Xizu's head and started to speed up Yin Xizu's movements.

"uhhhh!" Yin Xizu was surprised by what Ye Chen did, apparently, Yin Xizu was not ready for what Ye Chen did.

Even though she wasn't ready for what Ye Chen did, Yin Xizu tried to endure, she tried to survive and enjoy it as best as possible.

Yin Xizu started to get better thanks to a little guidance given by Ye Chen.

Ye Chen guided Yin Xizu very well, he made Yin Xizu become an expert quickly.

Even Ye Chen couldn't last long when he received the services provided by Yin Xizu.

After several minutes passed, Ye Chen felt that he had reached his limit, he was no longer able to defend against Yin Xizu.

Ye Chen didn't really expect that Yin Xizu would be this good, which made Ye Chen vent quickly.

"Byur. . ." Ye Chen gave a gift to Yin Xizu.

"Ummm . . . Yin Xizu was a little surprised by what Ye Chen did.

What Ye Chen did was very sudden and made Yin Xizu surprised.

Yin Xizu received all the Essence that belonged to Ye Chen.

At first, Yin Xizu felt that this was very strange, but after she found out that this was so great, she immediately changed her mind and felt that this was really good.

"ummm, that's amazing, is it really this good?" Yin Xizu didn't expect Ye Chen to have such great Yang Qi, this was very good for cultivation.

Even though Yin Xizu wasn't a cultivator of the Dual Cultivation technique, she still knew the quality of a person's Yang Qi, so when she knew Ye Chen's Yang Qi, she realized that it was very strong.

After that, Yin Xizu cleaned up Ye Chen, she was so excited and didn't waste what she had.

Ye Chen ran into trouble, who would have thought that Yin Xizu was so aggressive, she was so bold and quite tough to deal with.

Maybe it was because Yin Xizu had such fast Regeneration that she would be such a troublesome opponent for Ye Chen to face.

"Are we still going to continue?" Yin Xizu asked Ye Chen.

"Of course, we can continue" Ye Chen said that they could continue.

"Then let's do it, I want you" Yin Xizu said to Ye Chen, she said this with great love and affection.

Of course, I want to be with you too, you are so beautiful and I want to be with you" Ye Chen said to Yin Xizu.

Ye Chen said that he wanted to get Yin Xizu.

Yin Xizu was so happy when Ye Chen liked her, it seemed like her charm was still strong even though she was quite an old woman.

Ye Chen immediately hugged Yin Xizu, he used his huge object and was ready to start a war with Yin Xizu.

Yin Xizu saw the things that Ye Chen had, she could easily see that Ye Chen had something so big and so strong.

"That's great, is that serious?" Yin Xizu was a little afraid, she would probably have difficulty enduring something like that.

"You can definitely do it" Ye Chen said to Yin Xizu.

Ye Chen was sure that Yin Xizu could hold her back, because Yin Xizu was strong.

After getting confirmation from Ye Chen, Ye Chen just went straight in, he did it slowly but surely.

"umm. . ." Yin Xizu was having trouble, it seemed like this was still too big for her, to be honest, it was so strong that she couldn't resist it.

"This hurts too much" Yin Xizu didn't expect it to hurt so much.

she felt like part of her body was being torn apart, and it hurt so much.

"Don't worry, everything will be fine, do you need time to get used to it?" Ye Chen asked Yin Xizu.

"um, I need a little time" Yin Xizu said that she needed a little time to endure.

"Then don't hesitate to say it when you are ready" Ye Chen said to Yin Xizu.

"um . . ." Yin Xizu understood she would say that she was truly ready to do so.

Ye Chen gave time to Yin Xizu.

After Ye Chen gave time to Yin Xizu, Yin Xizu finally started to get used to it, she was beginning to get used to this, and there was a strange feeling, and this was quite disturbing.

"I feel a little strange" she told Ye Chen that she felt a very strange feeling.

"That's a normal feeling" Ye Chen said to Yin Xizu.

Ye Chen said that it was a normal feeling for Yin Xizu.

"Are you really serious that this is normal?" Yin Xizu was not very sure about this feeling.

"Don't worry, let me make you comfortable, darling" Ye Chen whispered to Yin Xizu.

Ye Chen will make Yin Xizu feel comfortable by using the skills he has.

Ye Chen moved slowly first, it made Yin Xizu's body feel pleasure.

"Wait a minute" Yin Xizu said to Ye Chen, it seemed like this was still too much for Yin Xizu.

"don't worry, everything will be fine" Ye Chen said to Yin Xizu.

Ye Chen told Yin Xizu that everything would be fine.

"Even if you say like that, this is too strong for me, I won't be able to survive" Yin Xizu said to Ye Chen.

This was too much fun for Yin Xizu.

Yin Xizu started to go crazy and let out a voice filled with pleasure and temptation.

"Don't worry, I will make you feel like a woman, you deserve it" Ye Chen said to Yin Xizu.

"This is too fun, how can this be so fun" said Yin Xizu.

Yin Xizu couldn't look away anymore, the feeling she was getting was too strong, she wouldn't be able to survive this feeling.

"I really enjoy this feeling, the feeling is so strong and so extraordinary, I feel like I'm going to go crazy because of this" Yin Xizu felt that she was going to go crazy because of this.

"kyah . ." Ye Chen touched Yin Xizu's core.

It was so deep that Yin Xizu couldn't hold on any longer, a feeling that was so overwhelming that it made Yin Xizu reach its peak quickly.

This was so exciting, it wasn't strange that Yin Xizu could easily reach the top, it was because this feeling was so wonderful.

Yin Xizu had such a delicious honey cave, it felt so comfortable when Ye Chen felt it.

"Amazing, I'm getting excited" Ye Chen became so excited, he became very excited when he felt what Yin Xizu had.

Yin Xizu's honey cave was too comfortable and made Ye Chen melt.

Ye Chen tried his best to endure, he tried to defend against this pleasure.

Ye Chen couldn't lose quickly, he was a man and had to be able to last longer and longer.

Ye Chen also treated Yin Xizu very well, he made sure that Yin Xizu enjoyed every moment.

Ye Chen showed everything he had, he treated Yin Xizu the best he could.

The pleasure that Yin Xizu felt was immense, and she had already achieved satisfaction several times.

Yin Xizu could no longer think clearly, all there was was the pleasure given by Ye Chen.

The pleasure given by Ye Chen felt so comfortable for Yin Xizu.

The two of them started trying various movements and positions, both of them seemed to really enjoy it.

And Yin Xizu had a new experience that she had never had before.

A new experience so beautiful and so powerful that Yin Xizu had never felt before.

"I'm so tired" Yin Xizu was so tired for the first time.

she didn't expect that a strong woman like herself would be exhausted like this, this was the first time she was tired, and Ye Chen might be the first person to make her tired.

"I've reached my limit" Ye Chen had reached his limit, he couldn't possibly last any longer against Yin Xizu.

"byur . . ." once again Ye Chen filled in Yin Xizu.

Yin Xizu's stomach was slightly bulging because Ye Chen's Yang Qi was so abundant and so big.

It could be said that Ye Chen was so happy that she could feel something like that, a feeling that was very comfortable to do with Yin Xizu.

"So comfortable" Yin Xizu felt the warmth of, a very comfortable feeling that Ye Chen gave Yin Xizu.

After doing this, Yin Xizu looked so tired and helpless, Yin Xizu seemed to need a short rest.

Ye Chen carried Yin Xizu, he took Yin Xizu to a more comfortable bed to rest.

Ye Chen covered Yin Xizu's body, he let Yin Xizu rest.

"Don't go" Yin Xizu told Ye Chen to sleep together with her.

"I won't go, I will accompany you" Ye Chen said to Yin Xizu.

Ye Chen hugged Yin Xizu's body, he accompanied Yin Xizu to sleep.

Because this place was always dark, Ye Chen didn't know what time it was, all Ye Chen could think about right now was to take care of Yin Xizu as best as possible and let Yin Xizu feel the warmth from him.

The two of them slept together in the same bed, Yin Xizu hugged Ye Chen while Ye Chen also hugged her

They decided to rest together and recover themselves first.

Chapter 2917 Yin Xizu's surprising change

"What time is it now?" Ye Chen opened his eyes, it was still dark outside as before.

Because this world was so dark and there was no sun, this place made Ye Chen feel confused.

"It looks like I'm not used to living in this place yet." Ye Chen realized that he wasn't used to living in this place.

It was because of this that he felt so confused about the time in this place.

Plus, there were no clocks around this place which made Ye Chen even more confused about time.

"Slug . . ." Ye Chen listened to a strange sound, he also felt a warmth at the bottom.

"What's this?" Ye Chen hurriedly looked down, he wanted to know what was below.

Coincidentally, Ye Chen was wearing a blanket that was used to cover his and Yin Xizu's bodies.

Ye Chen probably knew who this was, so he shouldn't be surprised anymore by what was about to happen.

Ye Chen Ye Chen opened the blanket, and he saw a woman with a glamorous face and a body that was so beautiful, this woman's hair was red, and she looked so beautiful.

"uhh, who?" Ye Chen looked confused by what was in front of him.

Who is this beautiful mature woman? She is so beautiful and seductive, plus those double peaks are big and voluptuous.

"What's wrong? Have you forgotten about me?" the woman under Ye Chen said in a voice that was so soft and full of love.

"This voice, is it serious you?" Ye Chen asked the woman in front of him.

From her voice, this was clearly Yin Xizu, but what was with her current appearance, it was clearly different from the previous one, her body was so seductive and looked so mature, like a beautiful mature woman full of seductive charm.

"of course, is there something strange about me?" Yin Xizu asked Ye Chen.

"Of course, there is something wrong with you, look at you now, you look so different from before" said Ye Chen.

The changes that Yin Xizu had had were so great it was not strange that Ye Chen would be surprised by these changes.

Yin Xizu smiled at Ye Chen, she saw herself now, she might have become like this because she got blood from Ye Chen.

"It seems my old appearance has returned, it has been quite a while" said Yin Xizu.

Yin Xizu said that her old appearance was back.

"Is this what you look like?" Ye Chen asked Yin Xizu.

"That's true, I became like that because I haven't drunk blood for a long time, so the appearance I had shrank, but it seems that after getting blood from you, everything returned to how it was before".

"That's something so powerful and so special, I never knew there was such a thing" Yin Xizu said to Ye Chen.

She told Ye Chen that she had never seen anything like that.

Plus, it had an intoxicating and stimulating effect, they even went so far as to do it several times.

"Maybe next time I'll add water to dissolve it, it seems like it's still quite strong even if it's me" Yin Xizu wasn't too confident in her abilities, after what happened, it wasn't strange that Yin Xizu wasn't too confident in her abilities.

Even someone as strong as Yin Xizu could fall so easily, it proved that Ye Chen's bloodline power was so strong.

"I want to ask you" Yin Xizu wanted to ask Ye Chen something.

"What do you want to ask me" Ye Chen asked Yin Xizu.

"Do you want to continue what happened before?" Yin Xizu asked Ye Chen.

"What's wrong?, you want a rematch with me ?" Ye Chen asked Yin Xizu.

"Of course, I want to have a rematch with you" Yin Xizu said that she wanted to have a rematch with Ye Chen.

Previously, Yin Xizu had not been serious about fighting Ye Chen because she was drunk, now she wanted a rematch, and she would show everything she could do.

Yin Xizu had already gained a good foundation after last night's incident, she knew what to do to make Ye Chen surrender and be under her control.

"Very interesting" Ye Chen said to Yin Xizu.

Ye Chen felt interested when Yin Xizu challenged him.

"Have you not recovered yet?" Yin Xizu asked Ye Chen, Yin Xizu thought that Ye Chen had not recovered.

"Don't underestimate me, I'm still strong enough to beat you" Ye Chen still has quite a lot of strength, if Yin Xizu really wants to continue, then Ye Chen will be happy to do so.

"Then show me" Yin Xizu moved her index finger and told Ye Chen to come closer.

This was a form of invitation that Yin Xizu had for Ye Chen.

"You can tease like this too" Ye Chen said to Yin Xizu, who was trying to tease him.

"Don't men like things like this? I often hear this from several people who have interacted with men," said Yin Xizu.

Due to her long life experience, Yin Xizu's knowledge should not be underestimated.

she knew what to do to tease Ye Chen, and by using this method, she could make Ye Chen excited compared to before.

"Then you have to prepare yourself, I won't hold back" Ye Chen said to Yin Xizu.

Ye Chen said that he would not hold back.

"I want pleasure like before." Yin Xizu said that she wanted to have pleasure like before.

"let's start again" Ye Chen did it, he made you feel pleasure and made you feel like it was a really fun thing to do.

"Ahhhh . . ." Yin Xizu groaned louder, obviously louder than before.

The two start a rematch and determine who will win now.

.

.

The maids outside could only surrender as they listened to what was happening inside Yin Xizu's room.

They were all not stupid women and could easily know what was in there.

During their time following Yin Xizu, this was the first time they had done something like this, to be honest, they didn't expect that they would see something like this, so it could be said that this was the first time they had seen something like this.

To be honest, they had never seen Yin Xizu near or approaching men, those who tried to approach would definitely be immediately chased away by Yin Xizu.

And now that Yin Xizu was so close to a man, even though they had just met, it made all the female maids in this place feel so confused about what was happening.

They only knew that Ye Chen was so skilled, they didn't know the full strength that Ye Chen had.

Because of this, they don't know the details about Ye Chen, they don't even know Ye Chen's background, or who Ye Chen really is.

Even though Yin Xizu liked Ye Chen, it seemed like Ye Chen was a valuable person for Yin Xizu.

Ye Chen and Yin Xizu did it for 3 full days because they didn't know the clock and time, they did it continuously and didn't stop.

Yin Xizu had such good strength, it wasn't strange that Yin Xizu was able to match Ye Chen's strength.

she is supported by her ability to restore stamina quickly.

Even though she already had something like that, Yin Xizu still lost, she still lost against Ye Chen and had to admit defeat several times.

"You are really very strong" Yin Xizu said to Ye Chen, Yin Xizu felt that Ye Chen was so strong and difficult to fight.

Chapter 2918 an uninvited guest who came looking for trouble

"So now you know the power I have" Ye Chen said to Yin Xizu.

"um, I already know the strength you have" Yin Xizu said that she already knew the strength Ye Chen had.

Ye Chen's strength was so strong she couldn't move and was so tired.

That feeling was too strong for Yin Xizu, she couldn't hold on, Yin Xizu had to admit Ye Chen's strength and abilities.

"I need to rest for a while" Yin Xizu said that she needed to rest, she needed to rest for a while.

It seemed like Yin Xizu was tired and needed to rest for a while.

Yin Xizu would recover quickly, so Ye Chen didn't need to worry about her.

.

Yin Xizu rested for several hours.

She fell asleep beside Ye Chen, meanwhile, Ye Chen took good care of Yin Xizu and didn't let anything bad happen.

"Um. . ." Yin Xizu opened her eyes, and she immediately woke up.

"What's wrong?, a nightmare?" Ye Chen asked Yin Xizu.

He wanted to know what Yin Xizu had experienced and why she woke up suddenly.

"No, this is not a nightmare" Yin Xizu said that this was not a nightmare.

"So what?" Ye Chen wanted to know what happened.

"someone broke the demon god commander seal, what happened?" Yin Xizu said to Ye Chen.

"What else is that, another strong person?" Ye Chen asked Yin Xizu.

"You could put it that way, it was one of those troublesome people who used to try to wreak havoc.

"In the past I was a warrior who fought with the group that defeated them" Yin Xizu told Ye Chen about her past.

"So you have a past like that" Ye Chen didn't expect that Yin Xizu had a past like that.

"I do have a past like that, when I was young, I was really too passionate about fighting," said Yin Xizu.

When Yin Xizu was young, she was reckless and did so many things as she wished, she even joined a party of powerful people to fight against many powerful enemies.

"It's not strange that you are so strong" Ye Chen now understood why Yin Xizu was so strong.

"You praise me too much" Yin Xizu said to Ye Chen, she was embarrassed to admit this.

"But why don't you destroy those who are dangerous to this world" Ye Chen asked Yin Xizu.

"To be honest, it's not easy to do" Yin Xizu said that it was not easy to do.

"In this world there are so many people who cannot be killed by normal means and can easily resurrect themselves, that's why it was decided to defeat them and seal them" said Yin Xizu.

"So that's how it is" Ye Chen began to understand, he began to understand what Yin Xizu and the people were doing.

It's not because they can't do those things, it's because they can't kill them.

"The seal has been destroyed, so there must be someone with interests in it," said Yin Xizu.

"Is that bad?" Ye Chen said to Yin Xizu.

"Honestly, it's bad" Yin Xizu said to Ye Chen, she told Ye Chen that it was quite a bad thing.

"To be honest, recently so many things have happened, there are so many people who want power and they awaken evil people who have been sealed or cursed, that is a dangerous action and could threaten this world," said Yin Xizu.

"do you think someone is trying to create chaos" Ye Chen asked Yin Xizu.

"Perhaps, in the past all feelings were united to fight those who had evil thoughts like that, be it demons, humans, demi humans and monsters united, they all walked in the same goal to defeat the evil people who wanted to destroy this world and makes it a bad place," said Yin Xizu.

"are you going ?" Ye Chen asked Yin Xizu.

"No, that place is very far away and it's also difficult to get there," said Yin Xizu.

Yin Xizu said that the place was very far away, so there was no point in her going there now.

Also, she was late, maybe that person had already succeeded in bringing the demon god commander out," said Yin Xizu.

"This world has changed very much, people like that are no longer as strong as before" Yin Xizu said to Ye Chen.

According to Yin Xizu, they are not as strong as before. There are so many strong people in this world, Yin Xizu is sure that the demon god commander class will no longer dare to cause chaos.

"Recently someone was even able to defeat the Ancient Demon God flame skull, so there shouldn't be any problems" Yin Xizu said to Ye Chen.

"oh" Ye Chen smiled hearing this, it seemed like she was discussing Ye Chen and Ling Shu fighting the Ancient Demon God flame skull.

Ye Chen fought a fairly fierce battle.

"I'm absolutely sure that person will come to me by himself," said Yin Xizu.

"Does the demon god commander want to exact revenge on you?" Ye Chen asked Yin Xizu.

"It's most likely like that, he'll definitely come sooner or later, so I don't need to look for him anymore," said Yin Xizu.

From Yin Xizu's experience, she was very confident that the demon god commander would come to look for her.

The demon god commander would come here to settle the past issues with Yin Xizu and everyone who had sealed him.

"If something like that happens to you, I will come forward and protect you" Ye Chen said that he would come forward and protect Yin Xizu using his own hands,

"Thank you very much, I'm so happy you care me," said Yin Xizu.

Yin Xizu was very happy with the attention given by Ye Chen, Ye Chen was very concerned about Yin Xizu's safety.

"Time to wake up" Yin Xizu said to Ye Chen, it was time to wake up and start doing activities as usual.

Since Yin Xizu's condition was so good, she would do her job again.

Ye Chen followed Yin Xizu, he wanted to know what job Yin Xizu had.

Yin Xizu went to the study, inside were some documents that Yin Xizu needed to take care of.

Since Yin Xizu had territory, she had to do so.

she gets income tax, so she should work to make everyone's lives better.

"Isn't it always night in this place?" Ye Chen asked Yin Xizu.

"Of course, there has been no light in this place for a long time," said Yin Xizu.

"What can you do in this place?" Ye Chen asked Yin Xizu.

"Everything is normal, all the work is in this place like outside" said Yin Xizu.

"So you are not affected by the environment here" said Ye Chen.

"We are not affected, in fact this is the most suitable place for us to use" said Yin Xizu.

Because of their conditions, many people are more comfortable living here.

"I understand" Ye Chen understood everyone has their needs, including people here.

"My area isn't very big, so I'm not too busy, if you want we can. . . , Boom . . ." Yin Xizu wanted to take Ye Chen out and take a walk in the nearby city after finishing the pending work.

When Yin Xizu wanted to take Ye Chen along, she heard an explosion followed by an earthquake.

Chapter 2919 Jou Miga

"What happened here" Yin Xizu got up from the chair, and she immediately found out what happened.

"It looks like an uninvited guest has entered your house" Ye Chen said to Yin Xizu.

Ye Chen saw several people entering the territory of the Yin Xizu.

They wore black robes and they had silver hair.

"Let me see it" Yin Xizu saw what Ye Chen saw.

When she saw them, she immediately knew who they were.

"They are also vampires?" Ye Chen asked Yin Xizu.

"Yes, they are also vampires" Yin Xizu nodded to Ye Chen.

"Your enemy or something?" Ye Chen wanted to know the status of these people.

"Perhaps it could be said that they are my rivals and pursuer" Yin Xizu said to Ye Chen.

she told Ye Chen that they were rivals looking for trouble.

It could be said that they were looking for trouble with Yin Xizu and often made things that were not good for Yin Xizu.

"Why did they come here?" Yin Xizu wondered why they came to this place.

"It looks like they want to catch you" Ye Chen estimated what they would do.

"catch me, they have never dared to do that before." Yin Xizu said that they had never dared to do that before.

If they attacked Yin Xizu, they would pay a huge price, and there was no way they would do that.

"Maybe because this is your weakest moment, that's why they intend to attack you" said Ye Chen.

"Maybe you are right" Yin Xizu agreed with what Ye Chen said.

Previously, Yin Xizu was in a weak state and couldn't control herself, perhaps this was why they dared to attack Yin Xizu.

"Now my condition is fine, they will pay if they dare to attack me" Yin Xizu has improved, and she can fight back if they dare to attack.

"I will take care of this" Yin Xizu said to Ye Chen.

Yin Xizu will take care of them quickly, he wants to handle such annoying people.

"Wait a minute" Ye Chen stopped Yin Xizu.

"don't you want me to go" Yin Xizu said to Ye Chen.

"Let me take care of this problem for you" Ye Chen told her that he would take care of this problem.

"ehh, are you serious about being able to face them" Yin Xizu asked Ye Chen.

"of course, I can seriously face them" Ye Chen can face them.

"Just leave all this to me, I will take care of those who dare to disturb my woman" said Ye Chen.

"They are quite strong, be careful" Xizu told Ye Chen.

she told Ye Chen that these people were strong and Ye Chen had to be careful when fighting them.

"Don't worry, I will be careful when fighting them" Ye Chen told her that he would be careful when fighting the enemy.

"I'm happy to hear this from you, I will support you" Yin Xizu will support and look at Ye Chen from a distance.

If something happened to Ye Chen, she would immediately go to help Ye Chen.

Yin Xizu couldn't possibly let anything bad happen to Ye Chen, it would be a shame for Yin Xizu to let her little lover get hurt because of her.

The maids outside had already blocked them, they didn't let these people pass by and disturb Yin Xizu.

Apart from having the task of maintaining cleanliness and preparing all Yin Xizu's needs.

They are also experts in fighting, their abilities do not need to be questioned because they have been trained directly by Yin Xizu.

"Get out of the way all of you, I have no business with you, I have business with Yin Xizu" their leader said to all the maids.

The man with white hair and height was the leader of them all, he had a very good appearance and could be said to be handsome.

The aura around him was so strong and so domineering, it wouldn't be easy to face someone with such a strong and so domineering aura.

"we can't let you meet him" They wouldn't let this person meet Yin Xizu.

"What's the matter?, Are you afraid that I will steal it ?, Today I will make it mine, Isn't dhe in trouble?" This man said that he would make Yin Xizu his.

"Watch your mouth, we won't let that happen" They wouldn't let this man in front of him get Yin Xizu.

"Then I have no choice but to get rid of you guys" Since they refused to get rid of him, he had no choice but to do it the hard way.

"Blood Lance" he used the power of blood and started attacking all of Yin Xizu's servants.

A spear appeared from under the man's feet, flying towards the surrounding maids.

All the maids used blood armour shields, they tried to block the attack.

This person turned out to be quite strong, he was able to launch such a powerful attack towards a cute and beautiful maid.

They were having a hard time, the attacks from this guy were so many, and there was no chance to attack.

If they let go of their defence, they would be immediately eliminated.

"You guys are no match for me, so get out of the way and be obedient servants" he said to get out of the way, except for Yin Xizu, no one would be able to stop him.

This guy was so arrogant he stepped forward without caring about the maids around him, to him, they were nothing and just trash.

After he overwhelmed the surrounding maids, he immediately went inside.

"Jlub . . ." at the moment, this person was about to advance towards Yin Xizu's place.

A flaming sword fell and stuck right in front of him, making the man in front stop for a while.

"Who dares to fight me?" he said, who dares to fight him.

"Stop there and don't move forward" Ye Chen told the person in front of him to stop and no longer move forward.

"You. . ." he stared at Ye Chen, he could feel that Ye Chen was human.

"What are humans doing in this place?" He didn't understand what Ye Chen was doing in this place.

"I'm doing business here" Ye Chen said that he was doing business at this place.

"Doing business in this place? How dare you bother me, you don't know who you are dealing with right now" he looked down on Ye Chen.

"I don't really care who you are" Ye Chen said that he didn't care about the person in front of him.

"How dare you say that to me, you are wrong for making me angry", he said to Ye Chen.

A red aura enveloped this person's entire body, he put out all his strength to intimidate Ye Chen.

Ye Chen remained relaxed even though he was facing the person in front of him

"Who is this person?" Ye Chen asked to the servants around, he wanted to know this person.

It just so happened that Yin Xizu hadn't told him who the leader of the vampires who forcibly entered this place was.

"He is Jou Miga, a vampire with great strength," they told Ye Chen.

They told the figure of the man Ye Chen was facing.

"master, please step back, this man is dangerous and very strong, so I don't recommend you fight him"  
They said to Ye Chen.

Chapter 2920 Deals wounds to Jou Miga

"Don't worry, I will deal with people like this" Ye Chen is very confident in the strength he has now.

"Die, Blood Lance" Jou Miga attacked Ye Chen with all the strength he had.

He intended to destroy Ye Chen with just one attack.

"Don't underestimate me, I'm not that weak to lose to you" Ye Chen used One Hundred Thousand Fire Swords to fight the attack from Jou Miga.

blood spear and flame sword clashed, both attacks destroying each other.

"Why, why is he able to survive?" Jou Miga didn't understand why Ye Chen was able to fight him, it should be impossible for Ye Chen to withstand an attack that he launched.

In terms of numbers, the fire swords that Ye Chen had were far more numerous than the fire spears that Jou Miga had.

of course, gave Ye Chen a huge advantage.

"I thought you were such a great person, is this all you can do after the arrogance you just said to me"  
Ye Chen asked Jou Miga.

"Ghhhhh . . ." Jou Miga bit his lip, he was really angry with Ye Chen's words.

"I haven't even used 10% of the strength I have, look, I will use 100% of the strength I have to face you"  
Jou Miga said that he would use 100% of his strength to face Ye Chen.

"This person brags too much" Ye Chen saw that Jou Miga bragged too much.

"Fufufufufu, he is trying to bully you, it seems like he was looking for the wrong opponent" said Chu Yuechan.

"billions blood mist" Jou Miga stretched out his hand upwards, and a blood mist appeared above Ye Chen.

Ye Chen looked at the blood mist that appeared, it looked like this was a much stronger attack than the previous blood spear.

"You have the last words" Jou Miga said to Ye Chen.

When he lowered his hand down, the blood mist would turn into billions of needles that would rain down on Ye Chen's body.

It is almost impossible to get out of a situation like that.

"There, I have words for you, scram" Ye Chen said to Jou Miga.

"damn it, die. . . ." Jou Miga lowered his hand, and when he lowered his hand, the blood mist turned into billions of needles that fell towards Ye Chen.

These needles were like rain, there were so many of them, and they focused on raining down on Ye Chen.

Ye Chen was where he was now, he was hit by the attack that came from Jou Miga.

"Hahahahahaha, you see there is nothing good against me" Jou Miga laughed, this was the end for Ye Chen, he was sure there was no chance for Ye Chen to avoid the attack just now.

Several maids saw what happened to Ye Chen, it was quite difficult for them to save Ye Chen from an attack.

They didn't know whether Ye Chen could survive after receiving such an attack.

The chances of surviving after receiving an attack like that should be quite small.

"Not bad" Ye Chen appeared from behind the blood mist.

"Eh?????" everyone was shocked when they saw Ye Chen was fine.

Even the person who launched an attack on Ye Chen was shocked.

"Why, why are you still alive?" Jou Miga asked Ye Chen, he didn't believe that Ye Chen could survive an attack like that.

"I won't die easily" Ye Chen wouldn't die, an attack like that was a long way from killing him.

"in that case . . ." Jou Miga intended to attack Ye Chen even stronger.

"That's the end of our battle, I'm not interested in continuing this battle with you" Ye Chen said that he was not interested in continuing this battle.

"Ying'er, let's take care of this person quickly" Ye Chen said to Yin Ying'er.

"Understand" Yin Ying'er understood what Ye Chen wanted, and because of this, she immediately helped Ye Chen and changed into sword form.

"A bad sword" said Jou Miga to Ye Chen.

Jou Miga mocked the sword in Ye Chen's hand, he saw that the sword in Ye Chen's hand was so ugly.

"an annoying person, master destroy that person" Yin Ying'er was unhappy when someone mocked her.

"Don't worry, I will make him regret for daring to mock you" Ye Chen will let Jou Miga feel the consequences for daring to mock Ye Chen's sword.

"Beat him, master can definitely do it" Yin Ying'er will provide support to make Ye Chen beat Jou Miga.

"Get ready" Ye Chen said to Jou Miga.

"Don't underestimate me, I also have a strong sword" Jou Miga took out his sword made of blood, the sword looked so cool and shiny.

It wasn't strange that Jou Miga mocked Yin Ying'er, from the appearance, it was much shinier than in Ye Chen's hands.

"It's just a shiny object, there should be no problem for me to destroy this object" Ye Chen felt that he could destroy it easily.

Ye Chen advanced, and he slashed towards Jou Miga.

"Your government is too open" Jou Miga saw that Ye Chen was still an amateur, Ye Chen's defense was still very open.

Jou Miga attacked Ye Chen by using the gap that Ye Chen had.

He should be able to easily slash Ye Chen into two pieces.

"slash . . ." Jou Miga's sword was cut into two parts, plus Jou Miga's body was injured.

Fresh blood came out of Jou Miga's body.

"Impossible . . ." Jou Miga saw the blood on his body, why was he the one injured, he should have been able to kill Ye Chen just now.

But why he was injured as a result of Ye Chen's attack was strange and unreasonable.

"Why am I the one who was injured, it doesn't make sense, even though I was sure I had cut his body into two parts" Jou Miga was still confused about what happened, he didn't really understand what had just happened to him.

"What's wrong? Are you confused about what happened?" Ye Chen asked Jou Miga.

"Honestly, I feel confused by what just happened" Jou Miga said that he was confused by what had just happened to him.

"I'll explain, that's because you're slow" Ye Chen said to Jou Miga.

"So you said that you are faster than me" Jou Miga said to Ye Chen.

"Of course, I'm much faster than you" Ye Chen felt that he was much faster than Jou Miga.

"Even though you are fast, you won't be able to beat me with speed, I am a vampire and will recover quickly after receiving an attack," said Jou Miga.

"Are you sure you can say something like that when you face me" Ye Chen said to Jou Miga.

"huh?" Jou Miga looked confused by what Ye Chen said.

"You should probably look at your wounds" Ye Chen said to Jou Miga.

Jou Miga looked at his wound, his wound had not completely healed.

"what is this, what happened?" Jou Miga looked confused about what happened to him, and why he couldn't recover.

Usually, wounds like this can heal easily, but this time it was different, and the wound could not heal.

"Damn, what have you done to me" he asked Ye Chen, what had Ye Chen done to him.

"who knows what I did, why don't you find out this yourself" Ye Chen said to Jou Miga.

"bodyguard, help me" saw the bad situation.
