

True God 2921

Chapter 2921 a master who came to save Jou Miga

Jou Miga asked the bodyguard behind him for help.

The bodyguards behind Jou Miga immediately moved to help, they would not let Jou Miga get hurt because their job was to protect Jou Miga.

They helped Jou Miga fight Ye Chen.

They played together when facing Ye Chen.

"What a coward, using other people" Ye Chen said to Jou Miga.

"Quickly beat him" Jou Miga told everyone to beat Ye Chen.

he wouldn't be able to win against Ye Chen alone, so he had to get them all to help defeat Ye Chen.

Jou Miga didn't care if he used dirty methods against Ye Chen, as long as he could win against Ye Chen, he didn't care about problems like that.

They joined forces and fought Ye Chen, their way of fighting Ye Chen was to surround Ye Chen from various sides and start attacking Ye Chen.

This was one of the most powerful ways to defeat a one-person, a powerful way to defeat Ye Chen.

"If I want to fight them, I have to defeat them first" Ye Chen understood what he had to do.

Ye Chen advanced with the Divine Yin Yang Sword, a weapon that could trounce them.

Ye Chen showed his well-honed Sword Dao skills.

Using agile movements, Ye Chen also used celestial sword motion art.

A technique that is so great and so powerful for Ye Chen to use.

This power is truly very strong, a power capable of cutting and defeating everyone.

"What?" They didn't see the movement of Ye Chen's slash, which looked slow, but in reality, it was so fast that they couldn't follow it.

They were eliminated by Ye Chen quickly, it didn't even take a minute.

"Ehh? ? ? ?" Jou Miga looked helpless when he saw what was happening before him.

His personal army was not weak, their strength should be slightly below his.

Even though all of their strengths were below Jou Miga, they were still easily defeated by Ye Chen.

This made Jou Miga's guts shrink.

"Damn, why is there someone like this in this place, I never knew there was someone like this in this place" Jou Miga had never heard about this, this was the first time he saw Ye Chen's unreasonable strength.

Above the castle, Yin Xizu smiled when she saw what Ye Chen did, she was quite impressed by what Ye Chen did.

"Great, he can beat them so easily" Yin Xizu was so happy about this, she acknowledged Ye Chen's abilities.

An ability that is so great and so strong that Ye Chen has.

Yin Xizu felt that she had found the right person in this life.

"Okay, now it's your turn" Ye Chen said to Jou Miga.

It was Jou Miga's turn to feel the power of the Divine Yin Yang Sword.

"Wait a minute" Jou Miga said to Ye Chen, he told Ye Chen to stop.

"What's wrong? Are you scared" Ye Chen said to Jou Miga.

"We can discuss this carefully, put down your sword first," said Jou Miga.

Jou Miga told Ye Chen to put down his sword first.

"I don't want to do that, do you have a problem with me" Ye Chen said to Jou Miga.

"That . . ." Jou Miga was speechless when he heard this, he couldn't persuade Ye Chen.

"I will give you what you want if you want to let me go" Jou Miga said to Ye Chen.

Jou Miga will give him what he wants if Ye Chen is willing to give him what he wants.

"do you think that I need something from you" Ye Chen didn't need anything from Jou Miga.

Jou Miga was frightened, it seemed he couldn't convince Ye Chen.

It wasn't easy to convince Ye Chen, Jou Miga had no other way but to fight Ye Chen using full strength.

"This is it" Jou Miga intended to attack Ye Chen using the full strength he had.

Jou Miga had to use his true vampire blood to increase his strength, that way, he could win against Ye Chen.

"Slash . ." Ye Chen slashed Jou Miga's body, he didn't care even after Jou Miga increased his strength.

The sword in Ye Chen's hand was still much stronger compared to Jou Miga.

"impossible" Jou Miga didn't believe that he could lose, he didn't accept the defeat.

"You have lost, just accept your mistake" Ye Chen said to Jou Miga.

"I won't let you" A man came, and he stopped Ye Chen, who wanted to kill Jou Miga.

Ye Chen stepped back, the man who had just arrived was quite strong, he was able to make Ye Chen step back with his strength.

"master, thank you for coming, if you don't come, I might end up" Jou Miga thanked the person who had just arrived, if he hadn't arrived, then it is certain that Jou Miga would have died.

"Who are you?" again, an unexpected person came, Ye Chen didn't know who this was, it was definitely a strong person who might be above Jou Miga.

"I am Lan Sabez, he is my student, I will not let you touch him" Lan Sabez said to Ye Chen.

"He used to be the one looking for trouble in this place" Ye Chen said to Lan Sabez.

"I don't care if he does that, he has a reason for doing that" Lan Sabez said that Jou Miga had a reason for doing that.

"Then I don't care about killing him either" Ye Chen answered Lan Sabez's words.

The two looked at each other, Lan Sabez could see that Ye Chen was a troublesome guy.

"Don't be too arrogant just because you can beat him, I am much stronger than Jou Miga" Lan Sabez said he was much stronger than Jou Miga.

"So you are much stronger compared to that person, I want to see the strength you have" Ye Chen said to Lin Sabez.

"Prepare yourself" Lin Sabez started to take out a white opponent, it seemed like this was one of Lin Sabez's abilities.

Ye Chen intended to stop Lin Sabez's attack.

"Boom. . ." an explosion occurred.

Flower petals red like blood appeared around Ye Chen.

The flower petal-like thing is blood, it seems like this is someone's power.

"Do you think I will let you do that?" Yin Xizu said she would not let Ye Chen be attacked by someone like Lin Sabez.

"So you have decided to come out and welcome me" Lin Sabez said to Yin Xizu.

"Your opponent is me" Yin Xizu said Lin Sabez's opponent was her.

"Who?" Jou Miga didn't know Yin Xizu, the current Yin Xizu was so different, she was much more beautiful than before.

"I will face him, he is quite a tough opponent for you" Yin Xizu said to Ye Chen, she told Ye Chen that she would fight Lin Sabez.

"Then go ahead" Ye Chen said to Yin Xizu, he invited Lin Xizu to come forward and fight with Lin Sabez.

"That was such a great battle, I was quite surprised by the abilities you had" she was quite surprised by the abilities that Ye Chen had.

"I'm very happy that you praise my abilities." Ye Chen felt flattered by what Yin Xizu said.

Yin Xizu smiled, she was so beautiful.

Chapter 2922 Yin Xizu crushed the enemy

"Let's solve this problem quickly" Yin Xizu said Lin Sabez.

"I see that your body is back?" Lin Sabez looked at Yin Xizu, who looked mature.

Lin Sabez knew that this was Yin Xizu's true appearance.

"I'm quite lucky because my appearance has returned to how it was before." Yin Xizu has indeed regained her appearance, which is now very good.

"It's a pity, I'm much stronger compared to you, you won't have any chance of winning against me," Lin Sabez said to Yin Xizu.

"Jlub . . ." Moments later, Lin Sabez's body was penetrated by a sword made of blood.

Yin Xizu's control ability was very strong, she was able to control blood and make an attack that was so powerful and so fast.

"I told you to finish this quickly, don't waste unnecessary words and show me all the power you have" Yin Xizu didn't want to make words and time to Lin Sabez.

"So that's how it is, then I'll start getting serious too" Lin Sabez stepped back, the injuries on his body gradually recovering quickly.

Lin Sabez attacked Yin Xizu, meanwhile, Yin Xizu counterattacked towards Lin Sabez.

Neither of them wanted to give up and showed full strength.

The full power they possess cannot be underestimated, they have so much power and wreak havoc all around.

They are both vampires who control blood for battle, they can use it to make weapons and various things that can be a tool for killing.

In the current exchange, Lin Sabez's strength was clearly nothing compared to Yin Xizu's.

Lin Sabez's body was covered in wounds when he decided to fight Yin Xizu.

In terms of strength and their profound energy, Ye Chen could clearly see who was stronger.

Yin Xizu was clearly stronger, and she was leading this battle.

Meanwhile, Lin Sabez looked overwhelmed and tried to defend without being able to launch a counterattack towards Yin Xizu.

Lin Sabez's attacks were nothing, he was starting to experience problems, and his entire body was breaking down bit by bit.

Yin Xizu extended her palm upwards, blood flower petals gathered above and turned into bullets that rained down on Lin Sabez.

This attack is almost similar to that of Jou Miga, the difference is that it is much stronger and more terrifying than that of Jou Miga.

"I have to leave this place immediately" Lin Sabez knew that he had to leave this place as soon as possible.

If he didn't leave this place, he would be destroyed by Yin Xizu.

He immediately left this place at full speed, using full speed he left this place and just went straight out.

Just as he was about to get out of Yin Xizu's attack range, a wall blocked Lin Sabez's path.

"Don't run away like that, you have to face it properly, are you a man or not?" Ye Chen said to Lin Sabez.

Ye Chen was the one who made this, by making this wall, Ye Chen blocked Lin Sabez's escape route.

"Damn you" Lin Sabez pointed at Ye Chen, who had blocked his escape route.

"Don't make a face like that at me, now whether you can survive or be destroyed, show me" Ye Chen said to Lin Sabez.

"This is the end for you" Yin Xizu said to Lin Sabez.

"No . . ., BOOM" Lin Sabez's body was hit by a huge number of blood bullets, this number was several times more than before.

The attack launched by Yin Xizu only lasted about 5 seconds, the damage was so great that it made a deep hole.

"Impossible" Jou Miga saw what was happening, he didn't believe what had just happened.

"That should be enough to die" The attack just now should have been strong enough to kill Lin Sabez.

The way to kill a vampire is to destroy their entire body until it is no longer able to regenerate, this is the fastest way to kill those who can recover quickly.

"Now it's your turn, you have caused such big problems for me all this time, I've been kind enough to let go of everything you do, but this time I won't forgive you for daring to disturb the people I have" Yin Xizu is in front of Jou Miga.

"Damn it, this isn't over yet, I will win this battle no matter what" Jou Miga refused to give up, he still wanted to defeat Yin Xizu and make her his own.

Jou Miga's desire was so strong he wanted to make Yin Xizu completely his and didn't care about anything else.

Jou Miga took something, he took a silver knife that was used to seal Vampires.

As long as Jou Miga pierces Yin Xizu's heart, he can get Yin Xizu.

Yin Xizu realized Jou Miga's goal, she immediately stopped Jou Miga's movements by stabbing Jou Miga with a blood spear.

"Uhg" Jou Miga couldn't hold on, Yin Xizu very easily penetrated his body.

"This is the end for you" Yin Xizu exploded Jou Miga's body with the power of a blood explosion, this insect had quite a big impact.

Jou Miga's body turned into a blood mist and disappeared.

"Those people are so troublesome." Yin Xizu said that they were so troublesome.

"Please clean and tidy this place for me" Yin Xizu said to her servants, she asked them to clean this place.

"I understand" They immediately went and cleaned this place.

"Let's go back" Yin Xizu invited Ye Chen, and she invited Ye Chen back to her place.

The two of them went to Yin Xizu's place.

"Those people just now, they are quite strong too" Ye Chen said to Yin Xizu.

"They are indeed quite strong, but they are still far from the current me, they are stupid to find trouble with me," said Yin Xizu.

"After seeing the strength you have, you should be able to handle everything alone" said Ye Chen.

"Not really, there are some things I can't handle and need your help," said Yin Xizu.

Yin Xizu couldn't do it all, she still needed help from Ye Chen.

"But all the problems seem to have been resolved, maybe I have to go back, there is some work that I have to finish," said Ye Chen.

"You are leaving ?" Yin Xizu paused slightly, she seemed sad when she heard that.

"That's absolutely true, you may not know but I am the person who runs the business behind the scenes at Super Origin Mall" said Ye Chen.

"Ehhh, seriously, you did it, you own the place" Honestly, that made Yin Xizu surprised.

"That's absolutely true" said Ye Chen.

Ye Chen told Yin Xizu about what he had, after all, Yin Xizu belonged to him and could be trusted.

"That's quite surprising, but why did you as the owner come alone and not send someone to my place?" asked Yin Xizu.

Yin Xizu initially thought that Ye Chen was just a courier, who could have guessed that Ye Chen was the owner, which was quite surprising.

"I have a reason to come here, one good reason is that I want to see a beautiful woman like that" Ye Chen said that his purpose in coming was to see the beauty that Yin Xizu possessed.

Yin Xizu blushed when she got praise from Ye Chen.

Chapter 2923 Dreamland Holy Realm

"Is there something wrong with my looks?" Ye Chen asked Yin Xizu.

"There's absolutely nothing wrong with it, in fact, at first I didn't think that a courier would be handsome and could save me, It turns out you're quite a person too," said Yin Xizu.

"I'll go, there should be no problem with the demon god commander you said right?" Ye Chen asked Yin Xizu.

"There's no problem, most likely he won't come any time soon" said Yin Xizu.

"if you need help, I always help you" Ye Chen said to Yin Xizu.

Ye Chen will always help Yin Xizu, he will protect Yin Xizu from bad people like that.

"I am very grateful for what you did" Yin Xizu would ask for help when the time came.

Ye Chen gave something to Yin Xizu, this was an item that could be used to ask for help, at least Yin Xizu could ask Ling Shu or Chen Xing for help.

"I understand, I will keep it" Yin Xizu will keep this thing, she will use it when she really needs help or is in a pinch.

"Then I will return to Super Origin Mall" Ye Chen said to Yin Xizu.

"Be careful on the road" Yin Xizu said to Ye Chen, she told Ye Chen to be careful when she was on the road.

"I will be very careful on the road" Ye Chen will be careful when on the road.

Ye Chen left and went straight back to Super Origin Mall.

Ye Chen flew as usual, Ye Chen was quite relaxed, he was not too alert to what was around him.

"Chen. . ." When Ye Chen was flying freely across the stars, Ye Chen was called.

"Niang ?" Ye Chen saw that this was Shen Niang.

"Why you are here?" Ye Chen asked Shen Niang, she came closer and asked.

"I'm on my way back" Shen Niang said that she was on her way back.

"Is there any good development?" Ye Chen said to Shen Niang.

"Not very good, it seems like they keep forcing Yixian to do what they want and are carrying out such a huge plan" said Shen Niang.

Shen Niang had been watching Shui Yixian for a while.

she had done everything to make sure Shui Yixian was fine.

"How dare they force that" said Ye Chen.

Ye Chen was angry when he heard this, Ye Chen wanted to get Shui Yixian back even more.

Shen Niang looked at Ye Chen, she could see that Ye Chen was very angry with what was happening right now.

"I know what you are thinking right now, but I beg you not to do it quickly, they are quite strong and the strength you have now is not enough to save Yixian" Shen Niang said to Ye Chen, she told Ye Chen that his strength still not enough to save Shu Yixian.

"I know that, it's very disappointing isn't it" Ye Chen said to Shen Niang.

"Not really, you are so great and so persistent, I rarely see someone like you, you have tried so hard, so don't do things like that" said Shen Niang.

"I understand, I will continue to fight" Ye Chen will continue to fight and get back his woman who was captured by someone else.

"It looks like it's time" Shen Niang said to Ye Chen.

"Time for what?" Ye Chen asked Shen Niang, he wanted to know the meaning of Shen Niang's words.

"This is the time to take the Sage God's final inheritance which should be yours" Shen Niang said to Ye Chen.

"You know the place?" Ye Chen asked Shen Niang.

"of course, I know the place, I just saw it, this is the right time" Shen Niang said.

Shen Niang saw that Ye Chen was already strong enough, this was the right time to take it so that Ye Chen's inheritance would be perfect.

"Then let's go" Ye Chen said to Shen Niang, he invited Shen Niang to leave immediately.

"Then let's go now" Shen Niang nodded.

"Just in case you should bring Zhang Ein along with you" Shen Niang said to Ye Chen.

Zhang Ein would definitely be of great help in this matter, that's why Shen Niang told Ye Chen to bring Zhang Ein.

"I understand, Ein" Ye Chen called Zhang Ein, he hoped that Zhang Ein would help.

"I'm here" Zhang Ein appeared near Ye Chen and immediately asked what Ye Chen needed.

"You come with us, we will start looking for something" Ye Chen said to Zhang Ein.

"What do you want to find?" Zhang Ein asked Ye Chen.

"We will look for the inheritance of the Sage God" Ye Chen said to Zhang Ein.

"Are you serious?" Zhang Ein asked Ye Chen.

"of course, he only lacks the inheritance of light, after getting all the existing inheritances, he will become very strong to fight others" said Shen Niang.

"Then let's go" Zhang Ein immediately agreed to this matter.

"Niang, please lead the way for you," Ye Chen told Zhang Ein to lead the way.

"Come with me, I will take you" Shen Niang took the lead and took them to a place.

"Where are we going?" Ye Chen asked Shen Niang.

"We will head to the region, Dreamland Holy Realm" said Shen Niang.

"what kind of place is that" Ye Chen asked Shen Niang.

"a place full of such strong divine light, this place is full of light aura and is a place that can be said to be holy" Zhang Ein explained to Ye Chen.

"is it there," Ye Chen asked Shen Niang.

"I don't know, if you go there, you will find out for yourself," said Shen Niang.

"So it's still not clear, huh?" Ye Chen said to Shen Niang.

"To be honest, only you can feel that way, I can't help much about that matter," said Shen Niang.

Only Ye Chen was able to sense the inheritance, so he could tell if the inheritance was indeed here.

"I understand" Ye Chen understood, it seemed he could only depend on himself to find the inheritance of light.

"we are almost there" Shen Niang said to Ye Chen.

They almost arrived at the Dreamland Holy Realm. Ye Chen saw a place surrounded by such light, and it was so great, it was like a holy dome filled with pure light.

"This is Dreamland Holy Realm, where powerful light users reside" said Zhang Ein.

"Then what else do we need to wait for, let's just go in and look for it straight away" Ye Chen felt that it was here, he believed that the final inheritance of the Sage God was here.

"But why did he keep it in this place, that's really strange" Ye Chen thought for a moment.

"Sage God must have his own reasons" Chu Yuechan said to Ye Chen.

They wouldn't know what someone like the Sage God was thinking.

"There's no point thinking about that, let's go now." Ye Chen wanted to go there.

"Wait a moment," Shen Niang said to Ye Chen.

"What is it ?" Ye Chen wanted to know what Shen Niang wanted.

"that place is not easy to enter, so we do it slowly" said Shen Niang.

Shen Niang said that they would not be able to enter easily.

"that's easy," Ye Chen said to Shen Niang and Zhang Ein.

"Then come closer here," Ye Chen said to Shen Niang and Zhang Ein, he told them to come closer and he would take them both from this place.

Chapter 2924 Yin Zeniyu together with her master

Shen Niang and Zhang Ein approached Ye Chen.

Both of them seemed to know already what Ye Chen would do.

"Are you ready ?" Ye Chen asked Shen Niang and Zhang Ein.

"we are ready, let's go in right now" Shen Niang said to Ye Chen.

"Then let's go in right now" After hearing this, Ye Chen immediately took the two of them in using teleportation power.

Ye Chen had already determined the place they teleported to using God Eyes.

So there won't be any problems when they teleport.

Ye Chen didn't immediately go too far, he was only able to move them to the nearest place that Ye Chen thought was safe.

"Did we get in?" Shen Niang asked Ye Chen.

"We have entered now" Ye Chen said to Shen Niang, he told her that they had succeeded in entering.

"Then we just have to look for it, right?" Zhang Ein said.

"You have a point, this is the time to look for it" Ye Chen agreed with what Zhang Ein said.

"We will both look after you, you should focus on looking for item" Shen Niang said to Ye Chen.

"that's right, let us protect you" said Zhang Ein.

Zhang Ein also wanted to protect Ye Chen.

Zhang Ein and Shen Niang will protect Ye Chen, so Ye Chen can focus on looking for item.

"Thank you very much, then I'll go and look for it" said Ye Chen.

Since Shen Niang and Zhang Ein would protect Ye Chen, Ye Chen wouldn't waste time and immediately look for item.

They started to move, they had to go around this place first to look for it.

Ye Chen looked around, there were many people here, and some had such rare light powers.

Not everyone has the power of light, there are also normal cultivators living here.

Even so, this place was still the most suitable for light users, light users like Shen Niang and Zhao Yanyan would be very happy to be there.

Shen Niang and Zhang Ein just went straight away and watched Ye Chen from afar, they would protect Ye Chen from a distance and communicate regularly.

Ye Chen went from city to city, there were lots of places that Ye Chen had to visit.

Because the Dreamland Holy Realm was quite wide, Ye Chen had to be extra in looking for it.

"have you felt it" Shen Niang asked Ye Chen.

"Not yet" Ye Chen didn't feel it, he hadn't felt the power of light.

This was a little difficult because this place was so big, and Ye Chen had to search every one of these places.

"Whisper. . ., whispered . . ." Ye Chen saw that this place was very lively, there were so many people looking enthusiastic and talking about something.

"It looks like something happened in this place ?" Ye Chen saw that something happened in this place.

"I've found out what happened" Zhang Ein said to Ye Chen.

Zhang Ein already knew why they were so enthusiastic.

"what happened here, tell me" Ye Chen said to Zhang Ein, he needed this thing to know what happened in this place.

"Today, Yin Zeniyu will come to this place, she will receive baptism to increase the power of her light," said Zhang Ein.

"that woman?" Ye Chen asked Zhang Ein to ensure that the information given by Zhang Ein was accurate.

"That's right" Zhang Ein nodded, that was the information he got, and it was very accurate.

"oh that woman, it seems like you have an enmity with that person" said Shen Niang.

"That's very true, quite an arrogant woman" said Ye Chen.

"master you will see it" Chu Yuechan said to Ye Chen.

Chu Yuechan wanted to know whether Ye Chen would see it or not.

"I'm curious, I want to see it" Ye Chen wanted to see what Yin Zeniyu was like.

"Maybe you can find it there" Chu Yuechan said.

"I understand" Ye Chen nodded, he might be able to find what he was looking for there.

"Ein, please take me there" Ye Chen said to Zhang Ein.

"understand" Zhang Ein understood, she took Ye Chen to the place where Yin Zeniyu would be baptized.

Ye Chen and Zhang Ein flew to the core, here was the core part of the Dreamland Holy Realm.

A star full of luxurious and shining objects, this place is so luxurious with lots of crystals that decorate every house.

"Rich people's place, even my nicest house is not as good as this place" Ye Chen had to admit that this place was sparkling.

Ye Chen didn't talk about the quality of the building, he talked about how they built using materials full of luster and gold.

"This place is very busy" When Ye Chen arrived, he saw that this place was already very busy.

"This is the Castle of Light" I think everyone came to see what Yin Zeniyu could achieve.

"To be honest, I'm not too interested in this matter, I just want to know if the inheritance is here, it seems I'm starting to feel it," said Ye Chen.

"Then we have come to the right place," said Zhang Ein.

"You two, there are a lot of people around you, don't be too conspicuous" Shen Niang said to Ye Chen and Zhang Ein.

"I understand" Ye Chen and Zhang Ein understood.

The two of them immediately mingled and waited.

It seemed like Yin Zeniyu's group would arrive soon as it was about time.

A few moments later, a chariot came from the sky, a flying chariot pulled by two horses that gave off light as they flew.

Ye Chen looked at the carriage that came, it was a luxurious object, it seemed like it was something that only the Four-sided Immortal Palace could have.

"applause" Everyone clapped to welcome the arrival of the Four-sided Immortal Palace carriage.

They all knew that Yin Zeniyu was inside that place.

The carriage landed on a wide and large red carpet, prepared for Yin Zeniyu's arrival.

After the carriage landed, Yin Zeniyu appeared, she looked a little more mature compared to before, it seemed like 2 and a half years had made her more mature, and her aura was already quite domineering.

"she looks stronger" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that Yin Zeniyu was getting stronger.

"Then, it will be a very interesting battle" Ye Chen couldn't wait, it would be a very interesting battle.

"fufufufu, you are also excited about this" Chu Yuechan saw that Ye Chen was so excited about this.

After Yin Zeniyu got off, a woman came down, a beautiful and tall woman got off the carriage, she had orange hair, wearing a white dress with flower ribbons on the right and left.

Ye Chen saw the beautiful woman behind Yin Zeniyu, who was not inferior to Yin Zeniyu.

"Ein, who is that woman?" Ye Chen asked about the woman behind Yin Zeniyu.

"she is Guan Laiyu, one of the palace masters of the Four-sided Immortal Palace" Zhang Ein told Ye Chen.

"Is that woman Yin Zeniyu's teacher?" Ye Chen asked Zhang Ein.

"Of course, that woman is the teacher and the person who has guided Yin Zeniyu."

Chapter 2925 ranked sixth on the beauty list

"That woman is so stubborn, it's not easy to make her angry, she will definitely hunt down anyone who dares to make her angry," said Zhang Ein.

"Students and teachers are the same, they are so irrational" said Ye Chen

"That might be true, they are not easy to deal with" said Zhang Ein.

"Do you want to do something to them?" Zhang Ein asked Ye Chen.

"That's not necessary" Ye Chen didn't want to do something, Ye Chen's goal was not the two of them, so there was no need to fight them.

"I just want to see what they will do" Ye Chen just wanted to see what they would do now.

What they will do now makes Ye Chen quite curious.

"Miss Yin Zeniyu, Miss Guan Laiyu" the two of them were now objects, there were so many people praising and admiring them.

They don't know Yin Zeniyu's figure yet, if they knew, they would definitely not do this.

Yin Zeniyu and Guan Laiyu ignored everyone around them, they focused on their original purpose in coming to this place.

Their original purpose in coming to this place was to gain strength for Yin Zeniyu.

"Zenyu, listen to me, you have to be humble in front of them, they are the ones who will strengthen the power of light for you, make sure to give them a good impression" Guan Laiyu said to Yin Zeniyu.

"I will do it" Yin Zeniyu understood, she would give them a good impression, and that way, she would gain their support.

The two of them went towards a very large golden gate.

When the golden gate was opened, a woman with black hair and wearing an eye patch appeared.

This woman had such an extraordinary aura of light, she was enveloped in such pure light.

Everyone immediately looked down, this light made them unable to see the woman's figure clearly.

"This woman, if I'm not mistaken, is Lu Sansa, ranked sixth on the beauty list, right?" Ye Chen said to Zhang Ein.

"That's absolutely true, she is the best light user after Shen Niang" said Zhang Ein.

"Oh, so this is the heir of that woman, not bad at all" said Shen Niang.

Shen Niang seemed to know who the person who was previously in Lu Sansa's position was.

"that woman . . ." Ye Chen felt something from Lu Sansa.

"master, what?" Zhang Ein asked Ye Chen, it seemed Ye Chen felt something.

"I felt something from that person" Ye Chen felt something from Lu Sansa.

"Lu Sansa, she has eyes of truth, she can see the truth in everyone she looks at," said Zhang Ein.

"That means he can see everyone with just one glance," said Ye Chen.

"You are absolutely right, that is the power she has" said Zhang Ein.

"That is quite a troublesome power" said Shen Niang.

"Isn't that great?" Ye Chen asked Shen Niang.

"No, that's really bad, that power can make you know the nature and character of every person, in front of the eyes of truth, you won't be able to hide anything, but it actually makes the user know every person's character and it's hard to trust people" said Shen Niang.

"That's quite a troublesome thing, isn't it?" said Ye Chen.

Ye Chen understood what Shen Niang meant, it meant that they would not be able to trust other people.

.

.

"Welcome to my place, I welcome you" Lu Sansa greeted Yin Zeniyu and Guan Laiyu.

"Our greetings also go to you." Yin Zeniyu and Guan Laiyu gave respectful greetings, they really respect Lu Sansa.

"ready ?" Lu Sansa asked Yin Zeniyu.

"I'm ready" Yin Zeniyu said that she was ready.

"If you are ready, let's start right now." Seeing that Yin Zeniyu is ready, Lu Sansa intends to start right now.

"Are we going to do it here?" Yin Zeniyu asked Lu Sansa.

"of course, let everyone see the achievements you can get, the rise of the genius must be witnessed by everyone" said Lu Sansa.

Lu Sansa will do here, and let the world know the results obtained by Yin Zeniyu.

"I understand" Yin Zeniyu felt so proud when she heard this from Lu Sansa.

It seemed like she would gain even more reputation once this was all over.

Everyone was also excited, they all wanted to see what Yin Zeniyu could gain.

"Okay, let's get started, I hope you are ready" said Lu Sansa.

Lu Sansa took out something, she took out a very strong golden ball.

The light released was much stronger than Lu Sansa's own power.

"Chen, that is the light of origin, an artifact that can awaken one's light power" said Shen Niang.

Shen Niang, of course, knew what it was.

"So it's an item that can awaken the power of light," Ye Chen said to Shen Niang.

"Of course, it can make a person's light power very strong," said Shen Niang.

"If it was Yanyan, she could be strong" Ye Chen asked Shen Niang.

"It is possible, as long as the person has never used the origin light artifact, it can increase the strength" said Shen Niang.

"Interesting, maybe we can borrow it for a while" said Ye Chen.

"Young master, that is an impossible thing to happen" Zhang Ein said to Ye Chen.

"That's right, it definitely won't be easy to get that thing, let alone steal it," said Ye Chen.

"Maybe one day, we can negotiate," said Shen Niang.

"I hope it can be done" Ye Chen also hopes that it can be done.

"it's starting, let's see what that woman got" Zhang Ein said to Ye Chen.

Ye Chen and Shen Niang saw what Yin Zeniyu would get.

The light of origin gave off pure light so immense, it entered into Yin Zeniyu's body.

Yin Zeniyu's body was currently filled with a vast and overwhelming power of light.

"This is amazing, my whole body is filled with such extraordinary power.

A pillar of light enveloped Yin Zeniyu's body, this pillar of light was so strong that everyone around was amazed by it.

Ye Chen and everyone looked at Yin Zeniyu, what would Yin Zeniyu show.

"Her strength rose quite high" said Shen Niang.

Shen Niang measured the strength of Yin Zeniyu, this woman's strength continued to increase due to the awakening of her light power.

"Young master, that woman's strength continues to increase, this is quite bad, do we need to bother that woman" Zhang Ein asked Ye Chen.

she was worried about Yin Zeniyu's strength continuing to increase, if this was allowed to continue, maybe Ye Chen would run into problems.

"That's not needed, just focus on our goal in coming here" Ye Chen doesn't really care about this, Ye Chen's goal in coming here is to get the final inheritance, he's welcome to get that, there's no need to be afraid of Yin Zeniyu.

Ye Chen looked around, looking for the last crystal left by the Sage God.

Why did the Sage God leave the crystal here, surely he had his own reasons, and Ye Chen needed an explanation for this.

When Lu Sansa was helping Yin Zeniyu, her upper dress fluttered, Ye Chen could see the necklace Lu Sansa was wearing.

"found it" Ye Chen found it, the object was similar to Ye Chen's fire necklace, there was no mistake, it was definitely her necklace.

"I've found it, I've found the item we were looking for" Ye Chen said to Zhang Ein and Shen Niang.

Chapter 2926 Ye Chen made a mess at the ceremony

"Where's that?" Shen Niang and Zhang Ein asked Ye Chen.

"that woman, it was on the necklace worn by that woman" Zhang Ein and Shen Niang looked at it, and they saw a strange necklace.

"we have to seize that thing" Ye Chen said to Shen Niang and Zhang Ein.

"what plans do you have" they asked Ye Chen.

What plan did Ye Chen think of?

"master use that ability to take it by force" Chu Yuechan said to Ye Chen.

she told Ye Chen to use Perfect Steal.

By using Perfect Steal, Ye Chen should be able to get the necklace from Lu Sansa without experiencing any problems.

"You are absolutely right, if I use Perfect Steal no one will be aware and suspicious" said Ye Chen.

"Perfect Steal" Ye Chen used Perfect Steal, he tried to take the necklace on Lu Sansa's neck.

"Perfect Steal, Perfect Steal" Ye Chen tried it several times, but unfortunately, it didn't work.

"not working" Ye Chen saw that this was not working.

"How strange, doesn't it usually always work" Chu Yuechan said.

"There is something that makes me unable to seize it" Ye Chen said to Chu Yuechan.

"There seems to be something inside the necklace, a strong seal or a very strong defense".

"This won't work" Ye Chen felt that this wouldn't work.

"if it doesn't work, you can only do that" Chu Yuechan said to Ye Chen.

"You are right, I can only do that for now" Ye Chen only had one way to do it.

"Niang, Ein, I might have to do this" Ye Chen said to Zhang Ein and Shen Niang.

"what are you going to do" They both asked Ye Chen.

"I will kidnap that woman" Ye Chen told her what he was going to do.

"You are really crazy" said Shen Niang.

"I agree, it's not easy to do that, and you can be hunted in this world," said Zhang Ein.

"Lu Sansa's position is so good in the world, as the number one user of light, she is treated very special by everyone, if she was kidnapped, many great powers would try to rescue her.

"I don't care about that problem" Ye Chen said he didn't care about that problem.

"You are really unreasonable, but I like the way you do it, I like the courage you have" Shen Niang liked Ye Chen's courage.

"if that's the decision you have, then I will do it" if that is what Ye Chen wants.

Zhang Ein will help Ye Chen with this matter as much as possible.

"I will attract their attention, you kidnap the woman when this happens" Ye Chen said to Zhang Ein and Shen Niang.

"understand" they would do their part, and Ye Chen would do his.

The ceremony for Yin Zeniyu was almost finished, but six wings of light appeared when it was finished.

"look at that, six wings of light, such a powerful genius" Everyone was shocked by Yin Zeniyu's results.

Two wings are geniuses, four wings are high-level geniuses, and six wings are extremely extraordinary geniuses.

Yin Zeniyu got six, the heavens had recognized her.

"Such a great talent, everyone applaud the rising new talent" Lu Sansa gave a voice about the rising power of Yin Zeniyu.

"clap. . ." everyone applauded, they witnessed such a great thing today.

Yin Zeniyu was so proud of what had happened that she became the main character again.

"Tap . . ., Tap . . ., Tap . . ." a sound of footsteps echoed among everyone's clapping.

A man appeared on the red carpet, making everyone look at him.

A person with a black robe and a face mask, his figure was so mysterious, and this was Ye Chen.

"who's that . ." Everyone here asked who Ye Chen was, Ye Chen's appearance was very suspicious.

Lu Sansa saw Ye Chen, she came forward to find out who Ye Chen was.

"Who are you ?" Lu Sansa asked Ye Chen.

"I'm nobody" Ye Chen said that he was nobody.

Everyone was unhappy when they listened to Ye Chen's answer, which was very impolite.

"You bastard is rude" they all started mocking and berating Ye Chen.

"What is your purpose in coming to this place" Lu Sansa asked Ye Chen.

He wanted to know the purpose of Ye Chen coming to this place.

"I came for the thing in your body" Ye Chen said to Lu Sansa.

"What ! ! !" Lu Sansa was shocked when she heard this.

"Bastard, how dare you" They were so angry when they listened to Ye Chen's words.

"I want the necklace you are wearing, it is mine and you have to return it to its original owner" Ye Chen said to Lu Sansa.

Lu Sansa touched the necklace around her neck.

"This is mine" Lu Sansa said that this was hers and not Ye Chen's.

"Bastard, you want to die, how dare you claim someone else's property" The people around surrounded Ye Chen, they wanted to beat Ye Chen.

Yin Zeniyu and Guan Laiyu saw Ye Chen from afar, they had not taken action yet.

This problem should be resolved easily because this is Lu Sansa's place.

Lu Sansa could easily make Ye Chen disappear from this world with just one word.

"All of you are annoying get out of my sight" Ye Chen was not happy with the voices of these people, so he threw them all away from this place.

They were all sent flying tens of thousands of miles away with one powerful blow.

"What ! ! !" Lu Sansa, Yin Zeniyu, and Guan Laiyu saw what Ye Chen was doing.

"Actually I don't want to make civilians interfere, but they are so annoying, don't blame me for chasing them away" said Ye Chen.

"You are shameless, I will punish you" Lu Sansa said that she would punish Ye Chen.

"With the power of light, come down and purge evil" Lu Sansa wanted to use a super powerful attack on Ye Chen.

Ye Chen smiled when he saw this, this was the time he showed his power that he had never used.

"Boom. ." Such a huge aura exploded from Ye Chen's body, and the sky, which was full of light, immediately turned dark and was enveloped in such dense darkness.

The entire Dreamland Holy Realm was currently covered in darkness, this place had become extremely dark.

"This is impossible" Lu Sansa, Yin Zeniyu, and Guan Laiyu were shocked when they saw this, even the guards were shocked to see what was happening now.

"What kind of power is this, he blocked all the light in the Dreamland Holy Realm" Guan Laiyu had never seen something like this, even a person with the strongest power of darkness would not be able to do such a thing.

"Don't make me wait, hand over that right now" Ye Chen said to Lu Sansa.

"I . . ." Lu Sansa couldn't use the power of light, this darkness was so terrible, and all her light power was absorbed by it.

"stop right there right now" Guan Laiyu said to Ye Chen.

she ordered Ye Chen to stop right now.

"What's wrong?, you want to interfere in my business" Ye Chen said to Guan Laiyu.

"I have no other way but to intervene in this matter." Guan Laiyu said that she wanted to intervene in this matter.

Chapter 2927 Guan Laiyu challenged Ye Chen

"so you chose to fight against me, are you ready for the consequences" Ye Chen said to Guan Laiyu.

"I was never afraid of you" Guan Laiyu would not back down, she would not be afraid of Ye Chen.

"so it's like that, then I'll fight you first" Ye Chen will fight Guan Laiyu.

"Zeniya, I leave her to you, please protect her, I will finish this battle quickly" Guan Laiyu said to Yin Zeniya.

"master, I will do it, I believe you will finish it quickly" Yin Zeniya believes that Guan Laiyu will win quickly.

In this world, there were only a few people who were able to fight against Guan Laiyu.

So there was no chance Ye Chen could win against Guan Laiyu.

Guan Laiyu came down she stood in front of Ye Chen.

"You are Guan Laiyu, one of the strong people in the Four-sided Immortal Palace" Ye Chen said to Guan Laiyu.

"It's me, I'm one of the palace masters of the Four-sided Immortal Palace" Guan Laiyu told who he was.

"Oh, very interesting, I want to see how strong someone from the Four-sided Immortal Palace is" Ye Chen said to Guan Laiyu.

"You will regret that you dared to look for trouble in this place when I was around" Guan Laiyu said to Ye Chen.

"Hahahahahaha" Ye Chen laughed when he heard this.

"Why are you laughing, is there anything funny" Guan Laiyu asked Ye Chen.

"Of course, there are things that are so funny to listen to, it makes me laugh" Ye Chen laughed because he saw something funny.

"It seems you still don't know the vastness of this world, in this world there are so many strong people who can shake the highest Throne in this world, do you know that" Ye Chen said to Guan Laiyu.

"How would I know, I never heard of that, there are not many strong people in this world, I only remember strong people and never remember weak people" Guan Laiyu said to Ye Chen.

Guan Laiyu's words were so overbearing she felt like she was the best.

"I understand, from today you will remember the strongest person in this world" Ye Chen said to Guan Laiyu.

"Don't be arrogant, I will defeat you with just one slash" Guan Laiyu took out a sword, her body was covered in lightning, and she immediately slashed at Ye Chen.

"Slash" The slash, of course, hit Ye Chen, Guan Laiyu was sure she had cut Ye Chen.

"master, so strong" Yin Zeniyu saw the strength of Guan Laiyu, it was so strong.

"too arrogant and defeated" Guan Laiyu said to Ye Chen.

"Hahahahaha, just like that?" Ye Chen said to Guan Laiyu.

"It didn't even give me a scratch" Ye Chen said to Guan Laiyu.

"What ! ! !" Guan Laiyu looked at Ye Chen, there were no wounds on Ye Chen's body.

"What happened, my attack should have hit, he didn't dodge the attack" Guan Laiyu didn't understand what was happening.

"Once again" Guan Laiyu attacked Ye Chen once, again, this time, she had to be able to hit Ye Chen no matter what.

Guan Laiyu's attack this time was more agile and stronger than before.

This power is very terrifying and can split a star into two parts.

"Clank . . ." Ye Chen repelled the attack launched by Guan Laiyu.

"Impossible" Yin Zeniyu was shocked by what was happening now, Guan Laiyu's attack was blocked using his bare hands.

"You are beautiful, it's a shame to be so fierce" Ye Chen said to Guan Laiyu.

Guan Laiyu was silent when she saw her attack being blocked by Ye Chen.

Moreover, it was using bare hands, he really could only remain silent.

Ye Chen shook off the attack from Guan Laiyu.

Guan Laiyu stepped back and kept a safe distance from Ye Chen.

"master, that was reckless, the attack just now could have hurt you quite badly" Chu Yuechan said to Ye Chen.

"I know, I just want to destroy her mentality" Ye Chen knew the risk of doing what he had just done.

"next time, you have to be careful, I don't want to lose you" Chu Yuechan said to Ye Chen.

"What's wrong, do you love me?" Ye Chen said to Chu Yuechan.

Ye Chen still had time to tease Chu Yuechan.

"I hate the way you tease me" Chu Yuechan hated how Ye Chen teased her.

"hehehehe" Ye Chen chuckled, he was enjoying this well.

"Is the strength of a leader only like this, how disappointing" Ye Chen said to Guan Laiyu.

"Grrrr . . ." Guan Laiyu gritted her teeth, she was the first time she felt something like this.

Guan Laiyu didn't know the opponent in front of her, the opponent in front of her was so strong.

"I didn't expect that he would become such a strong person, if it's like this, then I have no choice but to be serious.

"five heads lightning dragon" Guan Laiyu had to start getting serious about fighting Ye Chen, she didn't want to lose to Ye Chen.

Lightning began to appear, and five dragon heads the size of a moon appeared in front of Ye Chen.

"with orders coming from me, kill that person" Guan Laiyu gave the order to kill Ye Chen.

The lightning dragon advanced, it started to attack Ye Chen.

"This is such a powerful technique and can level tens of thousands of top class cultivators easily, this is the end for criminals like you" Guan Laiyu said to Ye Chen.

"Come here, I will tear your toy apart" Ye Chen stretched out his hand and tore the five-headed lightning dragon.

"Quickly destroy him." Guan Laiyu was so angry that she accelerated her attack on Ye Chen.

For Ye Chen, this lightning technique was like a toy that was so easy to destroy.

Ye Chen's elemental mastery ability is already high, destroying the five heads lightning dragon is not a problem.

"ripped . . ." five heads lightning dragon disappeared from the path, it didn't even injure Ye Chen and was destroyed easily.

"even such a powerful master attack, who is this person, is he at the highest level in this world" Yin Zeniyu could only watch as Ye Chen destroyed the attack from Guan Laiyu.

Guan Laiyu was silent for a while, she was no longer speechless when she saw one of the most potent techniques so easily destroyed.

It had not even had time to attack Ye Chen and had been destroyed so easily.

"What is this guy, who is he, how can he have such strength?" Guan Laiyu began to doubt, she didn't know who she was fighting.

This person was so mysterious, and she didn't know what technique this person used, all she knew was that this person was powerful.

Most likely, the person before her was above her and equal to a supreme ruler.

"What's wrong, I see hesitation and fear in you, have you given up?" Ye Chen said to Guan Laiyu.

Guan Laiyu clenched her fists, annoyed by what Ye Chen said.

"It is too early for me to give up" Guan Laiyu refused to give up.

"So this is the answer you have, you don't want to give up" said Ye Chen.

"You look down on me too much, I will show you who I am" Guan Laiyu will show you who she is.

"O great thunder and feared by all creatures, give me the power to punish my enemies. . . ." Guan Laiyu started to recite long words.

"master, it's likely an ancient technique" Chu Yuechan warned Ye Chen.

Ye Chen just nodded, he saw what Guan Laiyu was going to do.

"Four-way lightning seal" Guan Laiyu used her forbidden technique to defeat Ye Chen.

Chapter 2928 one swing to destroyed Guan Laiyu's strongest technique

Four pillars of lightning appeared and immediately confined Ye Chen.

"This is the strongest technique I have right now, you will regret challenging this power" Guan Laiyu said to Ye Chen.

"You are such a cute woman" Ye Chen said to Guan Laiyu.

Ye Chen saw that Guan Laiyu was so cute.

"What are you laughing at" Guan Laiyu asked Ye Chen.

"It seems like you haven't seen the whole world, it's a shame" Ye Chen said to Guan Laiyu.

"Are you mocking me?" Guan Laiyu felt like Ye Chen was teasing her.

"Who knows" Ye Chen smiled at Guan Laiyu.

"You are such an annoying person, I will kill you" Guan Laiyu said to Ye Chen.

Guan Laiyu finished using her technique, and now Ye Chen was imprisoned in the lightning prison and could no longer get out of that place.

There will be so many super-powerful explosions that will destroy Ye Chen.

There was no way for Ye Chen to run or hide, he could only accept each super-powerful lightning blast until it shattered into dust.

"This is the victory I have" Guan Laiyu felt that she had become the winner in this battle.

"Master, you succeeded in killing that person" Yin Zeniyu congratulated Guan Laiyu.

"Of course, I am a great person, a mere trash won't be able to defeat me," said Guan Laiyu.

"Clank" a breaking sound was heard.

That made Yin Zeniyu and Guan Laiyu look towards the Four-way Lightning Seal.

They saw what was happening right now, they could clearly see what Ye Chen was doing .

Ye Chen smashed the four-way lightning seal into pieces, he used his bare hands to destroy it.

Ye Chen only needed one swing of his bare hand to do this, it was so unreasonable.

"impossible, this can't be happening" Guan Laiyu was the one who couldn't believe what was happening the most.

Guan Laiyu, the person who had the four-way lightning seal, could only be surprised when she saw Ye Chen managed to get out so easily and without any problems.

Ye Chen managed to get out, he immediately went towards Guan Laiyu.

Ye Chen was so fast, he was already in front of Guan Laiyu.

"What ? ? ?" Guan Laiyu was unprepared, Ye Chen was so fast, Guan Laiyu almost couldn't see him.

Ye Chen took the flower on Guan Laiyu's head, this was Guan Laiyu's accessory.

"What happened, I can't move?" Guan Laiyu found herself unable to move.

Guan Laiyu wanted to retreat, unfortunately, she couldn't do that, and her body seemed tied up.

"How interesting, you were quite arrogant just now" said Ye Chen.

"Shut up" Guan Laiyu was so annoyed with Ye Chen.

"I will take this thing from you, when we meet again I will return it to you, maybe at that time one of you will become my servant" said Ye Chen.

Ye Chen whispered this to Guan Laiyu.

Only Guan Laiyu could hear this, while Yin Zeniyu could not hear their conversation.

"What do you mean by those words" Guan Laiyu asked Ye Chen.

"You will know soon, I will enjoy it" Ye Chen said to Guan Laiyu.

"Now my task has been completed, see you again, playing with you is a little fun" said Ye Chen.

Zhang Ein and Shen Niang had succeeded in taking Lu Sansa, of course, Ye Chen would leave this place because everything was finished.

"Wait a minute I haven't finished talking to you" Guan Laiyu tried to stop Ye Chen, they weren't finished yet.

"I took the woman, after everything is finished, I will return her to this place" said Ye Chen.

"I said wait" said Guan Laiyu.

Ye Chen turned around and left, he disappeared from this place, and his presence could no longer be felt.

"Master" Yin Zeniyu approached Guan Laiyu, sdhe tried to help Guan Laiyu.

After Ye Chen left, Guan Laiyu could move again, she returned to moving as before.

"That guy" Guan Laiyu was so irritated, the aura on her body was disorderly, and she could easily explode and destroy the surroundings.

"where is she" Guan Laiyu asked Yin Zeniyu.

"She's in, eh where did she go ?" Yin Zeniyu didn't see Lu Sansa, even though she was behind her just now.

"So that person took her, it's terrible," said Guan Laiyu.

Someone like Guan Laiyu couldn't stop Ye Chen, how could Yin Zeniyu, who was only at that level, be able to stop Ye Chen, who took Lu Sansa.

Lu Sansa had been kidnapped because Guan Laiyu couldn't protect her.

"I can't help her," said Guan Laiyu.

"Master, please don't blame yourself, this is not your fault," said Yin Zeniyu.

"You might be right, but I still let that person go, and I also lost, this makes me so upset" This was the reason why Guan Laiyu was so upset.

"Let's go back, our task here is finished, after this this matter will be taken over by someone else," said Guan Laiyu.

"understand" Yin Zeniyu understood, the two left this place and returned to the palace.

After Ye Chen took Lu Sansa, he took her into the fairy gate, one of the safest and impossible to-track places.

"Are you alright?" Shen Niang and Zhang Ein asked Ye Chen.

"I'm fine, it looks like I succeeded in scaring that woman" Ye Chen said that he succeeded and was very satisfied.

"I didn't think that you would dare to fight a woman like that." Shen Niang didn't expect that.

"Hehehehe, I just used some tricks against her" said Ye Chen.

Shen Niang and Zhang Ein smiled upon hearing this.

"So where is she?" Ye Chen asked Shen Niang and Zhang Ein.

"the woman inside" they both told Ye Chen that Lu Sansa was tied up inside.

"Understood, I will talk to her" Ye Chen will speak and ask her personally.

Shen Niang and Zhang Ein followed Ye Chen, making sure that Ye Chen was fine when talking to Lu Sansa.

Ye Chen entered the place where Lu Sansa was being held, Lu Sansa was now tied to a chair.

"What do you actually want from me?" Lu Sansa asked Ye Chen, she wanted to know what Ye Chen wanted.

"I want this" Ye Chen stretched out his hand and tried to take the light crystal.

When Ye Chen tried to do that, a light force burned Ye Chen's hand, and Ye Chen couldn't touch it.

"You won't be able to get this from me" Lu Sansa said to Ye Chen.

"What do you want to hand that thing to me?" asked Ye Chen.

Because the object had a fairly complicated seal, Ye Chen wanted to negotiate with Lu Sansa.

"I will never give this to you" Lu Sansa still refused, she still rejected the offer given by Ye Chen.

"So you still reject it, what a shame" Ye Chen told Lu Sansa.

"Young master, it looks like it won't be easy to persuade this woman" said Zhang Ein.

"She is quite a strict woman" said Shen Niang.

"Just leave this problem to me, I will solve this problem" Ye Chen will try to solve this problem in his way.

"Because I can't make you give up that, I will do this" Ye Chen immediately removed Lu Sansa's blindfold.

The blindfold opened, and now Lu Sansa should be able to see Ye Chen.

Chapter 2929 Forcing to give a necklace

Ye Chen did this forcefully.

Lu Sansa didn't look at Ye Chen, she closed her eyes and ignored Ye Chen.

"Why are you ignoring me?" Ye Chen asked Lu Sansa.

"I won't look at you, I don't like seeing dirty men like you" Lu Sansa said to Ye Chen.

"-_- " Looks like Ye Chen has been labeled as a dirty person by Lu Sansa.

"punchi . . ." Zhang Ein and Shen Niang smiled as they listened to what Lu Sansa said.

"It looks like your reputation is really bad" Shen Niang said to Ye Chen.

"Come on, you have to help, don't even say things like that," said Ye Chen.

"Fufufufufufu" Both of them smiled and laughed, they were enjoying this well.

"open your eyes, there is something you want to talk to you about" Ye Chen said to Lu Sansa.

"I don't want to" Lu Sansa said to Ye Chen.

"If you don't want to, I will force you" Ye Chen will force Lu Sansa.

"You are a shameless evil man" said Lu Sansa.

"I should be the one saying that to you, you shameless little thief" Ye Chen said to Lu Sansa.

"Very brave, I never steal" Lu Sansa never steals, she is such a good person and never does that.

"Then why are you afraid to look at me, aren't you afraid to admit it" said Ye Chen.

"You . ." Lu Sansa finally opened her eyes.

He looked straight at Ye Chen.

Ye Chen saw Lu Sansa, the two's eyes met, and they looked at each other.

Ye Chen looked at Lu Sansa, Lu Sansa's eyes seemed quite ordinary, there was nothing strange about Lu Sansa's eyes.

"Isn't it no different from normal human eyes" Ye Chen asked Shen Niang.

"Indeed, the appearance is the same as normal eyes, only it has its own abilities".

Lu Sansa saw Ye Chen, Lu Sansa was silent momentarily when she looked at Ye Chen.

"Why is she being quiet like that?" Zhang Ein saw that Lu Sansa was silent.

"I don't know" Shen Niang didn't know why Lu Sansa suddenly became silent.

"It's possible that she was fascinated by me" Ye Chen said to Zhang Ein and Shen Niang.

Ye Chen's charm cannot be underestimated, he has a powerful charm and is not easy for women to reject.

"Aren't you too confident about that" Zhang Ein said to Ye Chen, Ye Chen was too confident about that.

"I am quite confident in my abilities." Ye Chen is confident in his current abilities.

"You are such a lewd, perverted man" Lu Sansa opened her mouth, and she said that Ye Chen was that kind of person.

"pfffffffff!" Shen Niang and Zhang Ein couldn't keep quiet when they heard this, both of them were trying to hold back their laughter.

Ye Chen was helpless, this woman in front of him was so troublesome.

"You are such a troublesome woman" Ye Chen said to Lu Sansa.

"You really are that kind of person, I'm sure you are a bad person," said Lu Sansa.

"Okay, I'm a bad person, now what do you want?" Ye Chen said to Lu Sansa.

"Let go of me" Lu Sansa wanted to be let go.

"I told you to leave it to me first" Ye Chen told Lu Sansa.

As long as Lu Sansa was willing to hand it over to Ye Chen, Ye Chen would immediately let Lu Sansa go.

"This is my thing, I will not hand it over to you" Lu Sansa refused.

"Then don't blame me if I use methods that are not good for you, haven't you seen it" Ye Chen said to Lu Sansa.

Ye Chen finally started to give Lu Sansa a threat by using a threat, maybe Lu Sansa would be afraid and share this.

"Are you going to do something bad to me?" Lu Sansa felt that Ye Chen was going to do something terrible.

"Hehehehe, of course, I would do such a bad thing to you" Ye Chen would do such a bad thing to Lu Sansa.

"now you have two choices, surrender or accept it" Ye Chen said to Lu Sansa.

"I will still refuse" Lu Sansa still refused, this woman was so stubborn and didn't want to accept Ye Chen.

"she really is" Ye Chen was helpless when he saw the rejection given by Lu Sansa.

"You can go first" Ye Chen said to Shen Niang and Zhang Ein.

"okay" they both went and gave Lu Sansa to Ye Chen.

Let Ye Chen take care of Lu Sansa's problems.

"Because you want to play hard with me, I will make things difficult for you" Ye Chen said to Lu Sansa.

Ye Chen had lost his temper, this was the time to make Lu Sansa hand him over.

Ye Chen approached Lu Sansa.

"What are you doing, don't come closer" Lu Sansa said to Ye Chen, she didn't want Ye Chen to come close.

"This is the last chance you have" Ye Chen said to Lu Sansa.

"I will still refuse it" Lu Sansa was still determined to refuse it.

"You are quite persistent, let's see if you can survive after this" Ye Chen touched Lu Sansa.

He used his skills and made Lu Sansa feel excited.

"Kyah, what is this?" Lu Sansa felt something so strange, an extraordinary feeling began to be handled by Lu Sansa.

"What kind of strange feeling is this, I've never felt this way" Lu Sansa had never felt something like this, even when she touched her body, she never got the feeling that Ye Chen was giving her right now.

This feeling of tingling and pleasure was too great and too strong for Lu Sansa, she would not be able to endure this kind of thing for long.

Ye Chen knew that Lu Sansa would not be able to survive, he knew very well, Lu Sansa's abilities.

As a female novice, Lu Sansa's endurance is probably around 10 points, so she should be easy to defeat.

Lu Sansa wanted to fight, unfortunately, her body was tied up, and she couldn't fight.

"No, no . . ." Lu Sansa had a tough time-fighting Ye Chen, she experienced huge problems from Ye Chen, and this feeling was not easy for Lu Sansa to overcome.

"Come on. . ., come on, you must have something to say, there's no way you can survive" Ye Chen said to Lu Sansa.

"stop, please stop, this is too strong," Lu Sansa told Ye Chen.

Lu Sansa didn't understand what was going on, Ye Chen was just touching her, but this was so comfortable, that Lu Sansa couldn't look away and started to feel very excited.

"Look, you look quite perverted, do you now dare say something like that to me again, look at you now" Ye Chen said to Lu Sansa.

"No, it's not me, this must be your doing" Lu Sansa said to Ye Chen.

Lu Sansa wasn't like this, she felt strange because of Ye Chen's actions, if it weren't for Ye Chen, she wouldn't be like this.

"liar" Ye Chen said to Lu Sansa.

Ye Chen whispered and said that Lu Sansa was lying.

Lu Sansa writhed because the pleasure was too great, she couldn't stand it any longer.

"If she continues like this, I will" Lu Sansa felt that if she continued to be like she is now, she would become a very obscene woman.

"Ahhh . . ." because it was too comfortable, Lu Sansa finally reached the top, it was so fast and Lu Sansa couldn't hold on anymore.

"It's done, fast enough" Ye Chen said to Lu Sansa.

Chapter 2930 get the inheritance of light

"This is too strong, I won't be able to survive" honestly Lu Sansa wouldn't be able to survive.

"You've given up?" Ye Chen asked Lu Sansa, looking like she had given up.

"You are too strong, I can't survive" Lu Sansa said to Ye Chen, Ye Chen was too strong and made Lu Sansa unable to survive.

After what had just happened, Lu Sansa softened slightly towards Ye Chen.

"Do you agree with my request?" Ye Chen asked Lu Sansa.

"I want to ask you one thing" Lu Sansa asked Ye Chen.

"What do you want to ask, I will be happy to answer" Ye Chen will answer Lu Sansa's questions.

"Why do you want this so much?" asked Lu Sansa.

"I want to use it" Ye Chen said that he wanted to use it.

"That's impossible, to be honest you won't be able to use it" Lu Sansa said to Ye Chen.

"Why do you think that I can't use it?" Ye Chen asked Lu Sansa.

"I believe you will not be able to use it" said Lu Sansa.

"Okay, how about it like this" Ye Chen said to Lu Sansa.

"what do you want?" Lu Sansa asked Ye Chen.

"I will try it, if it doesn't work, I will return it to you" Ye Chen said to Lu Sansa.

"are you serious about what you said ?" Lu Sansa said to Ye Chen.

"Of course I'm serious about what I say, I'm not a man who would lie to a beautiful woman like you" Ye Chen was serious about his words.

Lu Sansa blushed when she heard this, it was rare for anyone to praise her as beautiful as Ye Chen said.

Although Lu Sansa is on the list of beauties, in fact, she rarely goes out, she rarely goes out to show herself to others.

So she rarely listens to other people's praise about her, plus she can look at someone's character and see if they have other motives for her.

Lu Sansa looked at Ye Chen, Ye Chen seemed to have no motive and was serious about what he said, it was very rare to see someone like Ye Chen.

"Okay, I agree, but first, you have to let me go" Lu Sansa said to Ye Chen.

"That's easy" Ye Chen untied Lu Sansa.

Because this is the fairy gate, there is no chance for Lu Sansa to run.

"This is much better" Lu Sansa felt much better than before.

"Come on, give it to me quickly." Ye Chen immediately claimed Lu Sansa's promise.

"You can't wait, then I will give this thing to you" With that Lu Sansa removed the seal and gave it to Ye Chen.

"Do whatever you like, don't damage it, you won't be able to use it," said Lu Sansa.

Lu Sansa was sure that Ye Chen wouldn't be able to use it, so she gave it to Ye Chen.

"Finally, I got it" Ye Chen was so happy when he got this.

Lu Sansa couldn't understand why Ye Chen was so happy about this, to be honest, this person was so strange to Lu Sansa.

When Lu Sansa wanted to give it to Ye Chen, the necklace in her hand immediately glowed and released a huge power.

"Ehhh, what happened?" Lu Sansa looked confused when she saw what happened, what happened was completely beyond what she could have imagined.

The crystal flew towards Ye Chen, it looked very happy after being sealed for a long time.

It entered Ye Chen's body and began to spread and merge with Ye Chen.

Ye Chen's light veins began to grow and shine.

Ye Chen immediately gained a huge power, Ye Chen got a power that was so big and so strong.

A huge force exploded in Ye Chen's body.

The power of this light unlocked the full power that Ye Chen had.

The power that Ye Chen felt was different from before, this power was much stronger than before, he also felt the changes in his body after getting the complete inheritance of the Sage God.

"Boom. . ." Ye Chen started to break through.

"level two, level three, level four, level five, he broke through repeatedly, it was amazing" Lu Sansa saw Ye Chen's abilities, it was such a great thing to see Ye Chen's breakthrough.

In addition, Ye Chen's profound light was so great and strong, a power so extraordinary that it could shock Lu Sansa.

"Wait a minute, he is only the fifth level of the Immortal God Realm, just now I was kidnapped by the fifth level of the Immortal God Realm, it's impossible" Lu Sansa couldn't believe it, she was kidnapped by a level much lower than herself now.

"Uh, what a shame, I, who was at the seventh peak level, lost to someone from a different world than me," this was a crushing blow experienced by Lu Sansa.

Ye Chen felt lighter, his mind became clearer, and he could do anything.

"Yuechan, finally," Ye Chen said to Chu Yuechan.

"He has finally gained full strength.

"Congratulations master, after such a long and tiring journey, you finally got it" said Chu Yuechan.

Chu Yuechan was happy about this, she was happy to see Ye Chen get the full Sage God inheritance.

At this level, Ye Chen will become so strong he will start fighting all enemies.

"I also broke through several levels, it's really an extraordinary thing, it's been a long time since I had a breakthrough like this," said Ye Chen.

"Young master, please forgive me. . ." While Ye Chen was celebrating his success, he saw Lu Sansa apologize.

Lu Sansa seemed to have misunderstood and underestimated Ye Chen, so she apologized to Ye Chen.

"Why are you apologizing?" Ye Chen asked Lu Sansa.

"I was wrong because I didn't believe you, plus it seemed like it was yours, so I apologize sincerely," said Lu Sansa.

"Okay, I forgive you" Ye Chen said to Lu Sansa.

"It was so easy for him to forgive me" Lu Sansa thought that Ye Chen wouldn't let her go, who would have thought that Ye Chen would forgive herself so easily.

"For the previous one, please forget what you have seen with your eyes" Ye Chen said to Lu Sansa.

"about you being a pervert, having so many women, it seems like you are not a good man" Lu Sansa said.

As expected, Lu Sansa had seen everything, she knew everything that Ye Chen had.

The woman in front of Ye Chen was so dangerous Ye Chen couldn't even hide the secret from Lu Sansa.

"That's because of the special body that I have, I would probably have died long ago if I didn't do that, aren't you the same, you also have special eyes" said Ye Chen.

"You might be right" Lu Sansa touched her eyes, she looked sad when she thought about this matter.

"Aren't you able to accept the advantages you have?" Ye Chen asked Li Sansa.

"It seems like I still can't accept that" Lu Sansa really couldn't accept that.

"So that's how it is, that's the reason" Ye Chen understood, it seemed like a quite reasonable reason.

"You, you have to listen to me" Ye Chen said to Lu Sansa.

"ummmmm" Lu Sansa understood, she would listen to Ye Chen, it seemed like Ye Chen was quite serious about this matter.

"You don't need to reject that ability, in fact it is an ability that I think is very good," said Ye Chen.

Ye Chen felt that this ability was really good.
