

True God 2931

Chapter 2931 Thank you very much for accompanying me

"Do you think so" asked Lu Sansa.

"Of course, you have to use it as well as possible" Ye Chen said to Lu Sansa.

"But I'm afraid to use that, I can see what the person looks like," said Lu Sansa.

"Listen to me, everyone has their own secrets, on the surface they may look like that, but they still hide what they are like, and you can see that, that's an advantage for you" said Ye Chen.

Ye Chen gave a short lecture to Lu Sansa.

"I told you, use it as best as possible, never waste what you have and use it for the benefit of you and the people you care about," said Ye Chen.

"Um. . ." Lu Sansa understood, she felt more comfortable when listening to the lecture given by Ye Chen.

"Okay, I'm done, do you want to go back now?" Ye Chen asked Lu Sansa.

"What, after getting what you want, you intend to throw me away?" Lu Sansa looked angry hearing this.

"Ehhhh??, didn't you say to let you go?" Ye Chen asked Lu Sansa.

"I did say that, but now I've changed my mind, because I can go out, maybe I'll stay for a while and enjoy the beauty of this place," said Lu Sansa.

Lu Sansa was bored living there, she needed a new atmosphere and wanted to try living in this place for some time.

"Are you sure, maybe there are lots of people looking for you now?" Ye Chen said that maybe there were lots of people looking for Lu Sansa right now.

"Just ignore them, I don't really care about them," said Lu Sansa.

Ye Chen wanted to refuse, but it seemed like it was a difficult thing to do, it was impossible for him to refuse Lu Sansa.

"Looks like I can't refuse you" Ye Chen said to Lu Sansa.

"Thank you very much" Lu Sansa lowered her head and thanked him, she was quite formal towards Ye Chen.

After finishing, Ye Chen took Ye Chen out.

Outside, Ye Chen didn't see Shen Niang and Zhang Ein, roughly where they were now.

"It looks like they left" Ye Chen said.

Ye Chen looked at Lu Sansa, what should he do now?.

"For the time being, I will take you around for a while" Ye Chen said to Lu Sansa.

"um, I'm looking forward to it" Lu Sansa looked forward to it, she was curious about this place.

Ye Chen brought Lu Sansa, he told Lu Sansa all the places she could enter.

"This place is so natural, the layout is so good, very nice" Lu Sansa said to Ye Chen.

Compared to her place, which was so luxurious, this place was natural and so beautiful, a sight so extraordinary that the eye could see.

"It's such a beautiful view isn't it, you can't possibly find it anywhere else" Ye Chen saw that this was a beautiful view.

And Lu Sansa wouldn't find this in this place.

"You're probably right, it's not easy to find things like this in other places" Lu Sansa agreed, it's not easy to find things like this in other places.

Lu Sansa seemed to enjoy it, there were many new things here that she had never seen, that was because there were several objects and things that came from earth and that Lu Sansa had never seen.

After walking around, the two of them finally relaxed in the large garden near the lake. The view in this place was very good and could be used for small talk.

"Thank you very much for accompanying me" Lu Sansa thanked Ye Chen for accompanying her.

"No problem" Ye Chen was happy to accompany Lu Sansa, she was much better than Ye Chen had imagined.

Previously, Lu Sansa probably wouldn't easily acknowledge Ye Chen, but now she acknowledges Ye Chen so much and enjoys talking to Ye Chen.

They were much closer now compared to before.

Lu Sansa was able to get close to Ye Chen, she was starting to accept Ye Chen.

Lu Sansa now knew Ye Chen's reasons, he had his own problems, in fact, she was amazed that Ye Chen could survive and unite so many women.

It was not easy to do, even great cultivators would not be able to do it.

"you are done?" Shen Niang came, she asked Ye Chen.

"It's finished, now I've got what I need," said Ye Chen.

"That's very good, now what you need is to practice hard" Shen Niang said to Ye Chen.

"of course I will do it" Ye Chen will do it.

"This time I will train you, are you ready?" Shen Niang wanted to train Ye Chen personally.

"You want to practice with me, I don't mind." Ye Chen didn't mind practicing with Shen Niang.

He instead enjoyed spending time with Shen Niang.

Who doesn't want to spend time with Shen Niang, Ye Chen wants to do it together with Shen Niang.

This beautiful goddess was so seductive, she was the perfect woman, and Ye Chen wanted to have her.

Even though Ye Chen had never had the opportunity, there was almost no chance to do so, Shen Niang's guard was so strong.

It was not easy to penetrate Shen Niang's defense.

"she? ? ?" Lu Sansa saw Shen Niang, and when she saw Shen Niang, she could tell who Shen Niang was.

"impossible, someone like that still exists in this world" Lu Sansa was shocked by this.

This was Shen Niang, the strongest cultivator ever in history, one of those people who had broken through to the highest level and become the ruler of the world.

Everyone thought that existences like them had long since become extinct, who would have thought that existences like them still existed in this world?

"she is really beautiful, maybe the first beauty list has problems fighting a woman like this" Lu Sansa had to admit Shen Niang, although it was difficult to accept this fact, Lu Sansa had to admit that Shen Niang was such a beautiful woman.

"You seem to have calmed down, how about it?" Shen Niang turned her attention to Lu Sansa.

"junior pays her respects" Lu Sansa pays her respects to Shen Niang.

"Honestly, you don't need to do that" Shen Niang said to Lu Sansa.

She asked Lu Sansa not to do this, Shen Niang herself did not really like being treated like this.

"but I feel bad" said Lu Sansa.

"You don't need to do that, she won't mind it" said Ye Chen.

Ye Chen tried to convince Lu Sansa.

After a little convincing from Ye Chen, Lu Sansa finally acted normally towards Shen Niang.

"Do you want to stay here for a while?" Shen Niang asked Lu Sansa.

"Umm, I want to stay" Lu Sansa said.

"Very good, but I need a little help from you" Shen Niang said to Lu Sansa.

"What kind of help?" Lu Sansa wanted to know what Shen Niang needed, as long as she could, she would try her best.

Shen Niang told her goal, she wanted Lu Sansa to help Zhao Yanyan.

"Right now I probably can't do that," said Lu Sansa.

"Why can't you?, explain to me" Ye Chen asked Lu Sansa.

"That's because I just used the light of origin artifact on Yin Zeniyu, it takes time to recover, if forced the results might not be satisfactory," said Lu Sansa.

"it doesn't matter, we can wait patiently" said Shen Niang.

she doesn't mind, Yanyan hasn't finished training yet, but maybe soon, so there's still time.

Chapter 2932 Lu Sansa has an oddity in her body

"Then, I'll accept it" Lu Sansa agreed.

she agreed to help Ye Chen.

"Thank you very much" Ye Chen was grateful for Lu Sansa's generosity.

"No, you don't need to do something like that" Lu Sansa wasn't very comfortable with this, it was rare for anyone to thank Ye Chen that sincerely.

"Chen" Shen Niang said to Ye Chen, she called Ye Chen.

"What is it?" Ye Chen asked Shen Niang why Shen Niang called him.

"You come here for a moment" Shen Niang said to Ye Chen, she asked Ye Chen to come for a moment.

"Okay . ." Ye Chen approached, he wanted to know what Shen Niang wanted to talk about.

"It looks like that woman has a problem" Shen Niang said to Ye Chen.

"problem ?" Ye Chen saw Lu Sansa, he found out what problem Lu Sansa had.

After Ye Chen looked, he found that Lu Sansa's meridians were having problems, which looked quite serious.

"Have you seen it?" Shen Niang said.

"Of course" Ye Chen had already discovered it, Ye Chen also didn't realize this from the start.

Because of Lu Sansa's level and strength, Ye Chen thought that there was no problem in Lu Sansa's body.

But she had a problem that kept her stuck in that realm for so long.

"Can you help her ?" Shen Niang asked Ye Chen.

"Of course, You can also" Ye Chen Said

Ye Chen may not have seen Shen Niang's strength, but she could perform such great and powerful healing.

"Of course I can help, but I need help, I can't do that alone" Shen Niang couldn't do it alone, so she needed help from Ye Chen.

"I will do it" Ye Chen wanted to help Lu Sansa.

"good decision, I will support you fully" Shen Niang will help Ye Chen.

After the conversation was over, they returned to Lu Sansa's side.

"It looks like you need help" Ye Chen said to Lu Sansa.

"You don't need to be like that, this isn't easy for you," said Lu Sansa.

Lu Sansa seemeto understand what Ye Chen said immediatelyid.

It could be said that Lu Sansa already knew what Ye Chen and Shen Niang were talking about.

"she wants to help you, you should accept it, don't you want to solve your problem? " Shen Niang whispered to Lu Sansa.

"I . . ." Lu Sansa of course wants to, she wants to solve this problem.

Overcoming a problem that made her cultivation stop.

"If you guys can help, I would be very grateful to you" Lu Sansa said to Ye Chen.

"Then come with me" Ye Chen said to Lu Sansa.

Lu Sansa came together with Ye Chen, and they entered a place that would be used to provide treatment.

Shen Niang will also come along, she will help Ye Chen, because Ye Chen will not be able to solve this problem alone, the two of them will have to work together to solve the problem.

If Shen Niang and Ye Chen didn't work together, they could have helped Lu Sansa.

"please take off the clothes you have" Shen Niang said to Lu Sansa.

As Ye Chen's assistant, he told Lu Sansa to undress.

"Ehh??" Lu Sansa looked embarrassed when she heard this.

It's pretty embarrassing to do that.

"Should I do that?" Lu Sansa asked Shen Niang.

"You just need to remove the back clothes" Shen Niang told Lu Sansa.

"Ah, I understand," Lu Sansa understood, it seemed like she misunderstood, she thought something embarrassing would happen.

"It's so embarrassing, why did I become like this?" Lu Sansa felt embarrassed, why did she become like this, this is a very embarrassing for her.

Lu Sansa undressed, she showed her back.

When Ye Chen looked, he saw that there were several scars.

Shen Niang didn't expect that there were several scars. It seemed that Lu Sansa had experienced such a difficult thing.

"Maybe we should focus on what's inside her meridians" Ye Chen said to Shen Niang.

"do it, I will help from here" Shen Niang said to Ye Chen.

"um . . ." Ye Chen approached Lu Sansa.

Ye Chen took the gold needle and started to help Lu Sansa.

Lu Sansa held back when the needle pierced her back, there were some strange feelings when that happened.

Ye Chen tried to use his power to push Lu Sansa's inhibitions.

A black mass began to emerge from Lu Sansa's body.

Lu Sansa was so sweaty when that happened, she felt so strange about what happened.

"You have to prepare" Ye Chen said to Shen Niang.

"I'm ready anytime" Shen Niang had already prepared herself, just waiting for Ye Chen.

Ye Chen used more strength, he used more strength to remove the black wisps on Lu Sansa's body.

After all those things came out, the black lump turned into a dark monster that looked scary.

"How dare you bother me" it could speak, it looked like it was angry with Ye Chen.

"It's similar to a parasite, so it's something that's hampering her" Ye Chen finally saw something that was hampering Lu Sansa.

"I will take care of it" Shen Niang said that she would take care of this for Ye Chen.

"I leave this creature to you" Ye Chen handed this creature to Shen Niang.

Shen Niang released such a mighty light powerwasher was overpowering.

"Your body and strength are greater than that woman, it seems like you are much more suitable to be a vessel for me" The parasite wanted to enter Shen Niang's body, he didn't know that Shen Niang was so powerful, was no way Shen Niang could be possessed so easily.

"Your existence is so bad, I will destroy you" Shen Niang felt that the existence of this thing was so bad that it had to be destroyed.

"it will not be easy to destroy me" this creature will not be easy to destroy.

"Is that so, then let's take a look" Shen Niang flicked her finger, a circle of light suddenly appeared and immediately shot out massive amount of light.

Its destructive power was so strong and so great, that such a creature would not be able to survive such a powerful attack.

"Damn, who are you ? . ." The creature immediately disintegrated with nothing left, he couldn't say anymore and disappeared.

"done" Shen Niang said to Ye Chen.

"Very good" Ye Chen praised Shen Niang's hard work.

Now what Ye Chen has to do is help Lu Sansa.

"huff . . ." Lu Sansa looked so tired, she seemed so tired of what was happening.

"how do you feel ?" Ye Chen asked Lu Sansa.

Ye Chen wanted to know Lu Sansa's feelings

"I'm a little tired, but my body feels lighter and lighter than before" Lu Sansa said to Ye Chen.

she told Ye Chen about what she was feeling right now.

"Your problem has been resolved, now there is only one thing left" Ye Chen said to Lu Sansa.

"What's that?" Lu Sansa asked Ye Chen.

"let's try to heayourhe sc, "e" Ye Chen said to Lu Sansa.

"This doesn't go away easily," said Lu Sansa.

"Just about that, I can help you" Ye Chen prepared a bath for Lu Sansa.

He poured some medicine into the bathtub.

"You can try it" Ye Chen said to Lu Sansa.

"Can I?" Lu Sansa asked Lu Sansa.

"you can do it" Ye Chepermitted Lu Sansaon to do it.

Chapter 2933 can I come to this place again?

"I will do it, but can you come out?" Lu Sansa asked Ye Chen to come out, she was embarrassed to be seen by Ye Chen.

"Okay, I'll go out, enjoy the time you have" said Ye Chen.

Ye Chen told Lu Sansa to enjoy the time he had.

Shen Niang will be with Lu Sansa, let Shen Niang accompany Lu Sansa.

Lu Sansa took off her clothes, Lu Sansa's body could be said to be very good, she had a body that was so beautiful and perfect, but unfortunately, there were some wounds left.

Lu Sansa soaked in it, she began to dip her body in the bath.

When Lu Sansa entered, she felt an excellent feeling, there was energy covering her body, and this feeling was powerful.

"Such a strong feeling" It was a powerful feeling given by Ye Chen.

"Goddess, why are you with someone like that, don't you really like people who have the power of darkness?" Lu Sansa asked Shen Niang.

"Time has passed, and the current me is no longer the same as before" Shen Niang said to Lu Sansa.

"Honestly, I don't understand what you are saying?" Lu Sansa was still searching for the meaning of the words Shen Niang spoke.

"Everyone changes, even I can change, what used to be hated now seems normal to me, maybe I am starting to understand those with dark powers," said Shen Niang.

Shen Niang had experienced being an evil cultivator, so she knew the feeling of being one.

It's uncomfortable, even so, they have to do that because life in the world is not that beautiful.

"I don't know what could change someone like you," said Lu Sansa.

"Time is the thing that has changed me into who I am today," said Shen Niang.

"understand" Lu Sansa learned from Shen Niang's words, maybe one day she will change.

"No, I think today I am starting to change" Lu Sansa felt that today she was starting to change.

The person he is now is starting to change for the better and is starting to feel the things he thinks are valuable.

Little by little, the wounds on Lu Sansa's body disappeared.

Lu Sansa saw the scars on her body starting to disappear, of course, she was very happy about this.

"This is amazing" said Lu Sansa.

"You absorb it well, maybe with that, you can break through" said Shen Niang.

Shen Niang told Lu Sansa to absorb it all, it might be a way for Lu Sansa to break through.

"Um, I will do it" Lu Sansa was going to do it, she was going to try to break through, after a long time, what she had been waiting for had finally come, and Lu Sansa couldn't afford to waste this matter.

With a guide like Shen Niang, Lu Sansa can do this, she doesn't believe that she can't do this.

Lu Sansa became focused, and Shen Niang watched from the side, she confirmed that Lu Sansa could do it.

Time passed so quickly.

In just a matter of hours, Lu Sansa could absorb all the high-quality herbs.

Ye Chen had given Lu Sansa such a good thing.

Lu Sansa must not waste what Ye Chen had given her.

Moments later, Lu Sansa finally broke through.

a pillar of light appeared, and she successfully advanced to level eight.

Lu Sansa was so happy after breaking through, that she finally overcame her problems so quickly.

The problems that Lu Sansa had were so quickly resolved by Ye Chen Lu Sansa was very grateful to Ye Chen.

"congratulations" Shen Niang said to Lu Sansa.

"Thank you very much for the help you provided, I don't know what to say" said Lu Sansa.

Lu Sansa was very grateful, if it weren't for their help, she probably wouldn't be able to get here.

"I hope to cooperate with you from now on" Shen Niang said to Lu Sansa.

Shen Niang wants to cooperate with Lu Sansa.

"Um. . ." Lu Sansa will do her best, she wants to cooperate with Shen Niang and Ye Chen.

"I'm getting closer to the ninth level" Lu Sansa finally almost reached the ninth level, she couldn't wait to become a true god.

"Do you want a secret that can make you reach that level?" Shen Niang whispered as if she wanted to tease Lu Sansa.

"What is that?" Lu Sansa was so excited when she heard this, she wanted to know the secret.

"If you want to improve instantly, you can do Dual Cultivation with him" Shen Niang told Lu Sansa.

"Ehhh . ." Lu Sansa's face immediately became so red when she heard this, as a pure woman, of course, it was very embarrassing.

"That's embarrassing, I still don't know him that well," said Lu Sansa.

"But I see you are starting to have feelings for him," said Shen Niang.

Shen Niang immediately knew about this.

Lu Sansa would not be able to hide this matter from Shen Niang, it would not be easy to trick her.

"So I was found out" said Lu Sansa.

"There's no way you can hide that, it's obvious on your face that's so red" Shen Niang teased Lu Sansa.

Lu Sansa smiled, it seemed that Shen Niang was much better than those in history.

Lu Sansa originally thought that Shen Niang would be a woman who was so strict about the relationship between men and women, who would have thought that she would be so open like this?

Shen Niang and Lu Sansa talked for a while, both discussing matters regarding women.

Ye Chen was waiting outside, the two women might have forgotten Ye Chen.

After their conversation was over, Shen Niang took Lu Sansa out, she changed into better clothes.

"You look prettier and better" said Ye Chen.

Ye Chen gave praise to Lu Sansa.

"This is all thanks to you, I am so grateful, if there is something I can do, I will do it," said Lu Sansa.

"That's not necessary, you just need to do what you have promised me" said Ye Chen.

"I will do it" Lu Sansa will not forget, she will help Ye Chen as much as possible.

"I would like to stay here longer, but I have work" said Lu Sansa.

"I understand, you are a busy person" said Ye Chen.

Ye Chen understood that Lu Sansa was busy, so he sent Lu Sansa away.

"That . . ." Lu Sansa wanted to say something, but she still held back the urge to say it.

"What is it?" Ye Chen asked Lu Sansa again.

Ye Chen wanted to know what Lu Sansa was trying to say.

"Can I come here when I have time?" Lu Sansa asked Ye Chen.

"Of course you can" Ye Chen said that Lu Sansa could.

Ye Chen told Lu Sansa how he could look for Shen Niang, because Shen Niang was now one of Ye Chen's women who held the key to enter the fairy gate.

"Thank you very much, I'm very happy" Lu Sansa was so happy that she could come to this place.

Ye Chen and Shen Niang escorted Lu Sansa out, after escorting her out, Shen Niang immediately dragged Ye Chen.

"This is training time, you, I, and Ein will train, this is the time to awaken all the Sage God abilities that you have, and Ein can help you" Shen Niang said to Ye Chen.

"I understand," Ye Chen understands, he will try his best for this.

Chapter 2934 Liu Yue and Feng Rue take over the business

Meanwhile in a carriage that was so luxurious.

It was pretty strange to see such a luxurious carriage in a forest that was so small and looked so dense, it was very difficult to find anything in such a dense forest.

Yin Zeniyu was currently treating Guan Laiyu, after she used such a powerful attack, she suffered a fatal wound on her body.

"Master, how is your condition, are you better" Yin Zeniyu asked Guan Laiyu.

"It's a bit better, we should rest here for a while, if other people know that I'm in such a weak condition, they will look for opportunities to attack me," said Guan Laiyu.

It wasn't strange that Guan Laiyu didn't immediately return to the Sect, apparently, she was afraid that the two of them would be ambushed by enemies on their journey, so they hid in such a remote forest.

Guan Laiyu did this to hide from the enemy, she did not want to risk returning now.

"Master, is that person so strong that he can do such crazy things?" asked Yin Zeniyu.

"Honestly, I don't know, that person hasn't even shown his attack, he was just playing around when he fought me" Guan Laiyu realized that Ye Chen was just playing around when he fought Guan Laiyu.

"Impossible . . ." Yin Zeniyu was shocked when she heard this, it was truly beyond reason.

"Just forget about that guy, he kidnapped a woman who is so important to the world, I'm sure there will be so many people chasing that guy," said Guan Laiyu.

Since Ye Chen had dared to take Lu Sansa away, he must be prepared to become the target of people worldwide.

It could be said that if there were no chance for Ye Chen to get out of this problem, he would become the most wanted person.

For the time being that they will be here, Guan Laiyu has also sent greetings to the great elder, they should decide what attitude they will take in this incident.

The great elder will take the decision, they should have already started sending some people to deal with this problem.

Four-sided Immortal Palace, there is the Dragon God Realm, Eternal Great Earth Realm, nine levels of immortal sky, and seven temples will make a move, they all have such a good relationship with Dreamland Holy Realm that has been around for a long time.

Guan Laiyu didn't know yet that Lu Sansa had returned because Ye Chen had let her go, and she returned to Dreamland Holy Realm, so all matters were over, and there was nothing to continue.

"You can practice, I'm fine" Guan Laiyu told Yin Zeniyu to continue practicing, she could handle this problem alone.

"I understand" Yin Zeniyu came out, she was practicing outside, she looked for a place a little far away so as not to disturb Guan Laiyu.

"That person, I will avenge what happened" Guan Laiyu still couldn't accept the defeat that occurred, she couldn't accept the defeat he got from Ye Chen.

This defeat was so humiliating for Guan Laiyu, there was no way Guan Laiyu could accept such a defeat.

Guan Laiyu clasped her hands tightly, he showed her anger after losing the fight against Ye Chen.

"Cough. . ." Guan Laiyu coughed, it seemed that his injury became worse when she was angry.

"I have to be calmer, my wounds are still not completely healed after the previous incident" Guan Laiyu had to start healing herself, she would forget about this matter for a while.

.

.

At Super Origin Mall, Feng Rue was busy because Ye Chen wasn't here, she had to finish all the work, and it was so hard to work alone.

Plus Ling Shu was working on something and couldn't help, it made Feng Rue into trouble.

"This is so bad, I can't finish this alone" This job is so big, and she won't be able to figure this out alone.

If there were Ye Chen, it would be an easy thing to do, it's a shame that Ye Chen wasn't there and disappeared for a long time.

"I hope someone can help me" Feng Rue can only hope that someone can help her.

Meanwhile, two people were looking around in front of the headquarters of Super Origin Mall.

"Sister, is this the place?" Yan Fei asked the woman beside her.

"This is indeed the place" Liu Yue said to Yan Fei.

This was Yan Fei and Liu Yue, both of whom had come out to carry out the tasks given by Chu Yuechan.

Because their training felt good enough, Chu Yuechan let them go out to handle business.

When Ye Chen was training with Zhang Ein and Shen Niang, Chu Yuechan wanted the two of them to replace Ye Chen, there was no way Feng Rue could solve this problem alone.

"Let's go in" The two immediately entered, and when they entered, they were greeted well.

"Everything is very good, as expected of husband" Liu Yue praised because everything was done well.

"That's what he's smart about," said Yan Fei.

"Two beautiful ladies, can we help you with anything?" The female servant was surprised to see the figures of Liu Yue and Yan Fei, which were so beautiful and charming.

They estimated that Liu Yue and Yan Fei were from upper-class families, perhaps one of the goddess ranks, because they were so beautiful.

"We want to meet the person in charge of this place." Liu Yue immediately told her purpose in coming here.

Seeing the status that Liu Yue and Yan Fei had, they immediately called Feng Rue, they couldn't deal with this problem.

Feng Rue soon came, she heard that two beautiful women came, it made her curious.

Feng Rue goes to see Liu Yue and Yan Fei.

When Feng Rue saw them, she was pretty surprised by what was before her eyes.

"They are indeed beautiful, who are they? I have never seen them" Their beauty is indeed very good, they can be said to have the same beauty as the list of beauties.

Feng Rue goes to the side of Liu Yue and Yan Fei, she asks who they are and what they want.

"who are you??" Feng Rue asked Liu Yue and Yan Fei.

"I am Yan Fei" Yan Fei introduced herself.

"I am Liu Yue" said Liu Yue.

They both introduce themselves to Feng Rue.

"I am Feng Rue, nice to meet you, do you have any business here ?" Feng Rue asked Liu Yue and Yan Fei.

"We came here to help," Liu Yue said to Feng Rue.

"Help, help what?" Feng Rue asked Liu Yue, it seemed that Feng Rue still didn't understand what was happening right now.

"We came to help with this business because the husband is in training, and we will start helping," Liu Yue told Feng Rue.

"Oh, so that's how it is" Feng Rue nodded while listening.

"Ehh, what!!! !" Feng Rue was shocked when she heard this, this was a surprising thing.

"You two, don't tell" Feng Rue finally knew the identities of these two beautiful women.

"we haven't introduced ourselves properly, we are Ye Chen's women" said Liu Yue.

"Seriously," Feng Rue asked Liu Yue and Yan Fei, honestly she was surprised by this.

"Of course, why would we lie" said Liu Yue.

Feng Rue indeed saw that they would not lie.

"You guys came at the right time," said Feng Rue.

"I'm in trouble, you have to help me" Feng Rue couldn't handle this problem alone, so Feng Rue asked Liu Yue and Yan Fei for help.

Chapter 2935 training with Zhang Ein and Shen Niang

With Liu Yue and Yan Fei around, they started to run the business better, and Feng Rue's burden was significantly reduced.

Even work became so easy with Liu Yue and Yan Fei here, this was the best help Feng Rue had.

"Wow, you guys are so great, I'm quite surprised by your abilities," said Feng Rue.

Feng Rue had to admit their abilities, they had such good skills.

"It's nothing, it's because he has such a good thing, so we can easily live with it" Yan Fei said.

Ye Chen had done it all, otherwise, Liu Yue and Yan Fei might have to work harder than now.

"That's great, by the way, where are you guys from, I've never seen you, there's no way I don't recognize beautiful women like you," Feng Rue asked Liu Yue and Yan Fei.

Feng Rue was already quite curious about this matter, she wanted to know about Liu Yue and Feng Rue.

She wanted to know who the two of them were and where they came from, their beauty could be the same as Miss Ling Shu, so they should be famous, which was quite strange for Feng Rue to see.

"We come from the same place, it seems, I am a second woman," said Liu Yue.

"ehh. . ." Ling Shu was surprised, this woman in front of her was very close to Ye Chen.

"So that's the big madam," said Feng Rue.

"fufufufu, don't say it like that, you can call us Sister" said Liu Yue.

Liu Yue smiled, Liu Yue's beautiful smile was so enchanting.

"They are all so good, looks like I have to work harder" Feng Rue has to work even harder, the rivals she has are not weak and are equally beautiful, so she must be able to impress Ye Chen with the abilities she has now.

"Let's continue working, we can talk about this while working," said Liu Yue.

"Understood" they decided to work while talking, it was pretty nice to have friends while working.

.

.

Meanwhile, Ye Chen was training quite hard with Zhang Ein.

"Bam. . ." Zhang Ein attacked Ye Chen with full strength, and it was very dangerous for Ye Chen.

"blink . . ." Ye Chen avoided the attack launched by Zhang Ein, Ye Chen was not stupid enough to receive the attack launched by Zhang Ein.

"Ein, you have become much more aggressive, than usual," Ye Chen said to Zhang Ein.

"That's an order from the goddess Shen Niang not to be gentle with you" Zhan Ein told why she became more aggressive, it was because of an order from Shen Niang, Shen Niang wanted Zhang Ein not to be gentle with Ye Chen.

"uh, so it was her doing, not strange" Ye Chen understood, it turned out that this was Shen Niang's doing.

"You can't be lazy," said Zhang Ein.

Zhang Ein trained Ye Chen using her full inheritance, Zhang Ein would help Ye Chen because she was the closest to Sage God.

So Zhang Ein knew Ye Chen's abilities and what she could do.

Ye Chen started to learn several new techniques from Zhang Ein, it turned out that he could do various kinds of things that had an essential element.

Even Ye Chen could manipulate space better and suppress other people's power, this was a perfect thing for Ye Chen.

After getting the full inheritance, Ye Chen could use the Sage God vein 5x longer.

It seemed like Ye Chen's body, which had obtained the full inheritance, was used to this power and could use it for a longer time than before.

"Don't be lazy" Shen Niang said to Ye Chen and Zhang Ein.

"I'm trying," said Ye Chen.

"If you try, avoid this" Shen Niang attacked Ye Chen, and she used many light shooting attacks towards Ye Chen.

"BOOOOOOOom" Lots of explosions occurred and hit Ye Chen, Ye Chen withstood Shen Niang's attacks.

"uh, you two didn't hold back at all" Ye Chen said to Shen Niang and Zhang Ein.

Because Ye Chen didn't use the True God power technique, Ye Chen had a problem facing Shen Niang and Zhang Ein.

Shen Niang did this so that Ye Chen would not depend on this technique, even though it was strong, this technique absorbed Ye Chen's profound energy very quickly, it was a technique that could not be used often, and Ye Chen had to maximize his use of True God power.

"we will start again, you better be prepared" Shen Niang and Zhang Ein attacked Ye Chen continuously and continuously, and they attacked Ye Chen with all their might.

Ye Chen defended, and occasionally attacked, although the attacks launched by Ye Chen were not enough to fight Shen Niang and Zhang Ein.

Ye Chen's training was carried out continuously, Ye Chen showed great abilities and developed very quickly.

Ye Chen trained for several months in the fairy gate, he continued to hone his skills against Zhang Ein and Shen Niang.

"Huff. . . ." Ye Chen was tired, he had trained continuously for several months in the fairy gate and was used to his current strength, Ye Chen felt that he could do everything he wanted.

"So tired," Ye Chen felt.

"Are you okay?" Zhang Ein asked Ye Chen, she wanted to know Ye Chen's feelings right now.

"It looks like my body is a little tired," said Ye Chen.

Ye Chen probably needs rest.

"hmmm," Shen Niang looked at Ye Chen, she saw Ye Chen whose body condition had started to accumulate Yang Qi.

"Ein" Shen Niang said to Zhang Ein.

"? ? ? ?" Zhang Ein approached Shen Niang, she wanted to know what Shen Niang wanted to say.

"It looks like he needs help," said Shen Niang.

Shen Niang said to Zhang Ein.

"understand" Zhang Ein immediately understood what had happened.

"I leave him to you, you should be able to handle this problem" Shen Niang said to Zhang Ein.

"I'll try it" Zhang Ein was quite calm when she talked about this, it seemed like she was ready.

"It seems like my body is starting to reach its limit" Ye Chen himself knew his current condition, it seemed like his body was already holding quite a lot of pure Yang Qi.

Ye Chen trained quite hard for several months and never did it, of course, it would accumulate quite a lot of Yang Qi.

Right now, Ye Chen intended to go out and look for his women, it seemed like he needed their help.

"master," Zhang Ein approached Ye Chen.

"ehh, Ein, you surprised me" Ye Chen said to Zhang Ein.

"Sorry to surprise you" Zhang Ein apologized to Ye Chen.

"Where is Niang" Ye Chen didn't see Shen Niang, could it be that she had already gone to finish something?

"she just left and said that she would finish something first, and she told me to take good care of you," said Zhang Ein.

"Thank you very much, I am so happy to be under your care" said Ye Chen.

"You're welcome, then let's start," Zhang Ein said to Ye Chen.

Zhang Ein immediately approached and squatted in front of Ye Chen, with a petite and very good body, she immediately opened Ye Chen's clothes.

"Eh, what are you doing?" Ye Chen was surprised by what Zhang Ein did.

What Zhang Ein did was surprising to Ye Chen.

Why Zhang Ein did this is quite mysterious and uncharacteristic.

"Helping you is the duty I have to help you," Zhang Ein told him.

"As a maid, it is a duty to fulfill the master's needs, so please leave this matter to me" Zhang Ein said to Ye Chen.

Zhang Ein touched Ye Chen's, it was still not completely standing, but after Zhang Ein touched it, it immediately stood up.

Zhang Ein has small and soft hands, the feeling when touched by Zhang Ein's hands is so beautiful and so comfortable.

"Ohhh . . ." Ye Chen enjoyed it, this was so comfortable and made his body excited.

This was probably because there was too much Yang Qi in Ye Chen's body so when Zhang Ein touched him, Ye Chen was so excited.

Zhang Ein was surprised by Ye Chen's size, Ye Chen's size was so big, that she had to use both hands to help Ye Chen.

"So big" said Zhang Ein in surprise.

It could be said that this was the first time Zhang Ein did this for Ye Chen.

Even though Zhang Ein was doing this for the first time to help Ye Chen, the feeling Zhang Ein's hands gave him was very good, she used her hands very well to make Ye Chen feel comfortable.

Ye Chen didn't need to say this, Zhang Ein's abilities could be said to be very strong, she was already at the level of a pro player who could make Ye Chen feel comfortable.

"Young master, how is it, is it comfortable?" Zhang Ein asked Ye Chen, she wanted to know how Ye Chen felt right now.

"very comfortable, you did so well, where did you learn this" Ye Chen asked Zhang Ein.

Honestly, Ye Chen wanted to know where Zhang Ein learned something like this, this skill was so good.

"From a book, I got a technique from Ling Shu," said Zhang Ein.

Zhang Ein got it from Ling Shu, it was because Ling Shu seemed the most capable and had good techniques, so Zhang Ein asked her to impart some techniques.

Ling Shu certainly gave it, she wouldn't be able to refuse Zhang Ein's request.

Finally, Zhang Ein learned everything in the book and finally got the opportunity to try it directly on Ye Chen.

"So it's not strange" because Zhang Ein's talent is high, learning from books is enough to make her so great, it's not strange that she can make Ye Chen feel comfortable.

"This is good, you must have worked hard" said Ye Chen.

"Yes, I worked hard, so please enjoy this," Zhang Ein said to Ye Chen, he asked Ye Chen to enjoy this.

Ye Chen stroked Zhang Ein's head and gave Zhang Ein a gift.

Zhang Ein was so happy about this, she was so happy when Ye Chen stroked her.

Zhang Ein continued to serve Ye Chen's younger brother, her skills were improving, and she could try various things she wanted.

Zhang Ein's hands even started playing with Ye Chen's two ball sacks, which was very comfortable for Ye Chen.

Zhang Ein looked at Ye Chen, it seemed there were no signs of Ye Chen finishing quickly.

Ye Chen's endurance was so good that Zhang Ein couldn't easily beat Ye Chen.

Zhang Ein had heard from Ling Shu about Ye Chen's ability and endurance.

Zhang Ein had to do better to make Ye Chen feel comfortable.

"Young master, I will be more serious about making you comfortable" Zhang Ein knew that Ye Chen wasn't easily comfortable with just her hands, so she used her mouth.

Zhang Ein ate Ye Chen's, she started sucking and serving Ye Chen using her warm and very moist little mouth.

"Very good, this is comfortable." Ye Chen was so comfortable, the feeling Zhang Ein gave was so good, and Ye Chen liked that feeling.

Despite her efforts, Zhang Ein still had a hard time, as expected, it was much greater than what Zhang Ein could endure.

"cough . . ." Zhang Ein choked, and she backed away.

"Are you alright ?" Ye Chen asked Zhang Ein.

"cough, I'm fine, I'm not used to it yet" Zhang Ein is not used to it, this is much more difficult than in the book.

If Zhang Ein could have done it easily previously, he had problems doing it this time.

Even though she experienced problems, Zhang Ein didn't give up, she didn't want to give up because of something like this, so she decided to try again, there was no giving up for Zhang Ein.

Zhang Ein tried again, this time trying more slowly, she tried to get used to Ye Chen's.

That was because Ye Chen's was so big and strong, so it wasn't strange that Zhang Ein had to be careful and do it slowly.

"Slurp . . ." After getting used to it, Zhang Ein started to become very aggressive, she really enjoyed sucking Ye Chen.

"You are so fierce," Ye Chen said to Zhang Ein.

she did it so aggressively, Ye Chen seemed to be sucked dry by Zhang Ein.

Zhang Ein's lips were like a vacuum trying to suck Ye Chen in.

Zhang Ein felt that this was good, and even though it was the first time doing it for Ye Chen, Zhang Ein enjoyed it.

she seemed addicted to doing this, a feeling so beautiful and good that Zhang Ein got it.

shy enjoyed what Zhang Ein did, Ye Chen was speechless and enjoyed it well.

Ye Chen tried to defend as best he could, but Zhang Ein easily broke his defense.

Zhang Ein tried to poke holes in Ye Chen with her excellent abilities.

"I can't stand it" Ye Chen could only hold on for about 20 minutes, he finally reached the limit.

"Ummm . . ." Zhang Ein had to endure everything, and as Ye Chen's maid, she received all of Ye Chen's Yang Qi essence.

"Glup . . ." Zhang Ein took it all in, she felt that it was so comfortable and so delicious.

Zhang Ein didn't waste what Ye Chen gave her, she swallowed it all clean.

"This is so good, I like the taste," Zhang Ein told Ye Chen.

Zhang Ein said that this felt so good.

"I also feel the same way, your skills are so good" Ye Chen said to Zhang Ein.

"You must still have a lot of Yang Qi in your body, I will help you until everything is under control" Zhang Ein said to Ye Chen.

Zhang Ein returned to help Ye Chen, she again served Ye Chen.

Zhang Ein continuously sucked Ye Chen, the two of them did this all day.

.

.

Meanwhile, the demon god commander had begun to awaken fully, a middle-aged man with white hair and a long beard was sitting and surrounded by people with an evil aura and a terrifying appearance.

"It's been a long time since they sealed me, I'm so sorry" the demon god commander was so upset because he had been sealed for such a long time.

And when he returned, the world was already peaceful, where the demons and cultivators were quite at peace.

"Master, this world needs change, the people who are now too caught up in peace have forgotten our original goal, they don't even realize that cultivator is pressuring them," they said to the demon god commander.

"I know that" The demon god commander knew this matter, and he didn't like this matter.

He must be able to return the world to how it was before, where demons suppressed human cultivators, and darkness ruled.

"That's right, we all have to do this, this is for a better future" they all agreed with what the demon god commander said.

"For that, I need to recover the strength I have, all of you, quickly find me women, I will use them to recover" The demon god commander said that he needed women to recover.

"Got it" They all instantly knew what the demon god commander needed.

With that, they all immediately went to look for the whereabouts of the woman to offer.

"Just wait, I will return the world to how it was before" The demon god commander was confident to return the world to how it was before.

.

.

Zhang Ein and Ye Chen returned to training, and Ye Chen started to get used to using the full inheritance of the Sage God.

He became an expert and was able to control the power better and more skillfully.

"It looks like you have become better than before" Zhang Ein said to Ye Chen.

After the previous incident, Zhang Ein still did not change, she was still the same as before.

There was no change from Zhang Ein.

"I'm used to it, thank you very much for being a friend in training" Ye Chen said to Zhang Ein.

"You're welcome, this is all for your sake," said Zhang Ein.

"master is finished" Chu Yuechan finally came, it had been a long time since she appeared.

"Where have you been?" Ye Chen asked Chu Yuechan, Chu Yuechan had disappeared for a long time.

"I went to the ancient forest," Chu Yuechan said.

It turned out that Chu Yuechan went to the ancient city, it wouldn't be strange if she was never seen.

Because Ye Chen's strength was already so strong, Chu Yuechan could easily defend her body outside, now Chu Yuechan could go wherever she wanted and not hold back.

Because she hadn't been free for a long time, Chu Yuechan often went out and did everything she wanted.

"How are the conditions there," Ye Chen asked Chu Yuechan.

"Everything is going well, they seem prosperous, and all the fairies are grateful to you" Chu Yuechan said.

Chu Yuechan had been there and seen what was there, she could see that it was very good there, and everyone was starting to get a decent life and could cultivate better.

"It's nice to hear this," said Ye Chen.

Ye Chen was of course, happy to hear this, it seemed like their lives were getting better.

"Did something happen out there" Ye Chen asked Chu Yuechan.

"That's very true, recently something really big happened out there, you have to hear about this" Chu Yuechan said to Ye Chen.

"What is that?" Ye Chen was curious about this problem, and it seemed Zhang Ein was also curious.

Ye Chen and Zhang Ein were here for a while, they didn't know what was happening out there, and they needed Chu Yuechan to explain what was happening right now.

"listen carefully" Chu Yuechan said to Ye Chen, she told Ye Chen to listen carefully.

Ye Chen listened carefully to what happened.

First, Chu Yuechan explained what happened to Lu Sansa, Lu Sansa returned safely and made people curious about what happened to her, Lu Sansa refused to tell what happened, but it seemed like there were many forcing Lu Sansa so that she wouldn't be able to out for the time being.

"Is she under house arrest, that's really very evil?" Ye Chen said that it was bad to put Lu Sansa under house arrest.

"Maybe they are afraid that she will be brainwashed," said Chu Yuechan.

"Impossible, I didn't do that," said Ye Chen.

"But you must be doing something strange, right?" Chu Yuechan said.

Chu Yuechan was sure that Ye Chen did something to Lu Sansa.

"um" Ye Chen remembered what he had done to Lu Sansa, it seemed like she had indeed done something to Lu Sansa.

"but it's not that far and doesn't affect it" Ye Chen tried to defend himself.

"fufufufufu" Chu Yuechan smiled when she heard this.

"she is fine, after all the checks are safe, she will definitely be released" Chu Yuechan said.

"So that's how it is, then there won't be a problem." If that was the case, then there wouldn't be a problem for Ye Chen.

"Did something else happen?" Ye Chen asked Chu Yuechan.

Maybe something else has happened in recent times.

"There is something else happening, this is news you should probably listen to" Chu Yuechan said.

"What's that?" Ye Chen asked Chu Yuechan, he wanted to know what kind of news Chu Yuechan had gotten.

"Recently, there was a case of the kidnapping of high-class women, women with strong cultivation and pure Yin bodies were kidnapped" said Chu Yuechan.

"What's that?" Ye Chen asked what happened why they disappeared.

"I also don't know much about this matter. What I heard was that these women disappeared suddenly, and to be honest, they are quite strong and not easy to catch," said Chu Yuechan.

"This is very dangerous" said Ye Chen, Ye Chen felt that this was quite dangerous.

It seems like this guy has an agenda to become powerful by using women.

"Ein" Ye Chen said to Zhang Ein.

"What is it?" Zhang Ein asked Ye Chen, it seemed like Ye Chen wanted to do something.

"Go back to Wu Ziyi and the others' side, they might need help" said Ye Chen.

"I understand" Zhang Ein understood, she immediately went to see the condition of Wu Ziyi and the others.

"I already thought that you would definitely be worried about them" Chu Yuechan had predicted this, Ye Chen would definitely be worried about his woman's safety.

"If what you said is true, then this will be a problem" Ye Chen said to Chu Yuechan.

"I better start preparing for the worst possibility that could happen" Ye Chen prepared for the worst possibility that could happen.

"You're absolutely right, it's better to be alert at the start" Chu Yuechan agreed with Ye Chen.

"Yuechan, do you know who the person who did this?" Ye Chen asked Chu Yuechan, he wanted to know the culprit.

"no, I don't know yet" Chu Yuechan didn't know this yet.

"I estimate that there are evil people who practice cultivation to absorb one's life," Chu Yuechan said.

"I actually want to ignore this problem, but I don't seem able to do that" Ye Chen said to Chu Yuechan.

"I hope you don't have to interfere because there are so many people who are looking into this case, and they are all such great people," said Chu Yuechan.

"Hopefully," said Ye Chen.

Ye Chen hopes that he will not interfere in the current problem.

"Young master. . ." Zhang Ein returned to Ye Chen.

"What is it?" Ye Chen asked Zhang Ein.

"I can't find Jia Li, Wu Ziyi and Shi Lin" Zhang Ein reported what happened to Ye Chen.

"Have you asked Xuan Mei?" Ye Chen asked Zhang Ein.

"Yes, she said that the three of them left the sect for an important meeting, Jia Li also brought some of the best disciples for this, when I went there, I didn't find them, and the event had finished a few days ago," said Zhang Ein.

Jia Li and the others should have returned, but they hadn't returned yet, and Zhang Ein couldn't find them.

"Jia Li is strong there is no way she can be caught easily" said Ye Chen.

"That's true if she was attacked, she would definitely call for help, but if she didn't do that, she was most likely trapped," said Chu Yuechan.

"Maybe she was framed" Chu Yuechan said to Ye Chen.

"If that's true, then Jia Li won't be able to fight" Ye Chen said to Chu Yuechan.

"Young master, what are you going to do now?" Zhang Ein asked Ye Chen.

she wanted to know what Ye Chen would do.

"Hmmm . . ." Ye Chen thought for a moment what he would do next.

"I think I know what I have to do" After thinking for a while, Ye Chen knew what he had to do now.

"Ein, you go find out the enemy's movements, I will go and look for them" Ye Chen told Zhang Ein to go look for the enemy, meanwhile, Ye Chen would start to look for Wu Ziyi and the others.

Ye Chen was sure that they were still moving and looking for women to take, that's why Ye Chen told Zhang Ein to move and catch them.

Let Zhang Ein find out what they are planning and why they are kidnapping high-class women.

"Understood." Zhang Ein left, and she immediately looked for people who might be kidnapping other women for their purposes.

"I'll go," Ye Chen said to Chu Yuechan.

Ye Chen told Chu Yuechan that he would look for Wu Ziyi, Jia Li and Shi Lin.

"Ummm" Chu Yuechan understood, she would try to help Ye Chen look for them.

Ye Chen used his connections, and with that, he was able to find Wu Ziyi, Jia Li and Shi Lin.

"How?" Chu Yuechan asked Ye Chen.

"I found them, but quite far away," Ye Chen said to Chu Yuechan.

"How far are they?" Chu Yuechan asked Ye Chen, she wanted to know how far things were.

"Hmmm, maybe 3 days of normal travel," Ye Chen said to Chu Yuechan.

"That's quite far" Chu Yuechan said to Ye Chen.

"I will use full speed, by using full speed, I am sure that I can catch up within a few hours," Ye Chen said to Chu Yuechan.

Ye Chen couldn't possibly waste time, he would try to use full speed and save Wu Ziyi, Jia Li and Shi Lin.

Ye Chen was so fast, he intended to save Wu Ziyi, Jia Li and Shi Lin quickly and would not let anything bad happen to them.

Ye Chen wouldn't be able to forgive himself if something bad happened to Wu Ziyi, Jia Li and Shi Lin.

Ye Chen flew straight away using such a fast speed, he passed several stars in just a matter of seconds, it shows that Ye Chen was flying at an incredibly fast speed.

With that kind of speed, Ye Chen should be able to arrive in just a matter of hours.

.

.

Currently, Wu Ziyi, Jia Li and Shi Lin are being held in a cage, there are hundreds of people also being held in this place, they are all women with very good backgrounds.

Even though their current appearance was a little messy, it was all because they were all treated badly.

Everyone in this place was so gloomy, they all didn't know what would happen to them, and they all felt that they would not be able to get out of this place.

"Master, I can't use the power I have, these chains prevent us from using power," said Shi Lin.

"That's very true, we really can't use our strength, that's why we can't fight them," said Jia Li.

If only Wu Ziyi, Jia Li and Shi Lin could fight back, they would have already fought these people.

"They are truly despicable, using drugs to capture us all," said Wu Ziyi.

The reason why Wu Ziyi, Jia Li and Shi Lin were caught was because the enemy used medicine. When the alchemist meeting was over, and they returned, their room had been installed with medicine that would make cultivators weak.

That moment was used by criminals to capture Wu Ziyi, Jia Li and Shi Lin.

If they had not done this, it is certain that Wu Ziyi, Jia Li and Shi Lin would never have been caught by the enemy.

"Right now, there is nothing we can do, we can only wait for help," said Jia Li.

Jia Li obviously couldn't get out of this place, and because of this, she decided to wait for help.

"Don't worry, my husband will come, I'm sure." Wu Ziyi is the person who believes most in this.

she believed that Ye Chen would come and save them from the coming disaster.

"I believe too" Shi Lin also believed, she believed the same as Wu Ziyi.

It was possible that help would come soon, they just needed to wait and try to buy time.

Jia Li smiled when she saw this, both of them really believed in Ye Chen's arrival.

"I hope she realizes this" Jia Li could only hope that Xuan Mei realized this, otherwise maybe they wouldn't be able to escape from here.

"We have arrived at our destination, you all get out quickly" They had arrived at their destination, and the criminal warden told them all to get out.

All the women, including Wu Ziyi, Jia Li and Shi Lin were also taken out.

"All of you get ready, terrible things will happen from now on" the criminal warden said to all the women.

All the women felt scared when they heard this, what should they do now, they were so scared.

All of them had never felt something like this, perhaps it could be said that this was the first time they felt the feeling of being held captive like this.

Most likely they will suffer bad luck, they will not know what will happen to them from now on.

.

.

Ye Chen was still on his way, flying at such a fast speed and ignoring everything in front.

"Those people, they are starting to stop." Ye Chen continued to monitor the movements of Wu Ziyi, Jia Li and Shi Lin.

After confirming again, Ye Chen realized that they had finally stopped at a place.

"It looks like they have arrived at their place, I have to be faster," said Ye Chen.

Ye Chen decided to use the wind vein, this was the time to show the results of the exercises that Ye Chen had done.

Ye Chen couldn't disappoint Shen Niang and Zhang Ein, who had taken great pains in training Ye Chen.

Ye Chen's speed rose several times, he might be able to catch up with all of them.

.

.

Wu Ziyi, Jia Li and Shi Lin were taken to a place, they were taken to a place that was very big and also very dark.

There are so many people detained here, all of them are women.

"it looks like they are going to move us here" Jia Li saw their destination.

"Why did they move us, what is their goal?" Shi Lin asked Jia Li.

"I don't know what purpose they have, what is certain is that they have their own purpose for moving us to this place," said Jia Li.

"Look at them, they are so desperate, what have they experienced?" Wu Ziyi saw that there were so many depressed people in this place, they looked like they had just experienced something terrible.

Wu Ziyi, Jia Li and Shi Lin were transferred to the prison. In the new prison, they consisted of about 20 people and shared the same room with everyone.

"hehehe, are you ready?" The guards couldn't wait, they would start to take the best of the best to hand over to their boss.

They started to take out the people in detention one by one, they lined up several groups to go to a particular room.

Jia Li was still trying to find out what happened, she was pretty curious about what they would do to the prisoner.

After the group gathered, all the women were immediately taken to a room that so many people guarded tightly.

Jia Li couldn't see what was in there, she didn't know what was in there because that place was full of ancient and protective runes, which made it difficult for someone to know what was in that place.

"what do they want ?" Shi Lin and the others tried to find out what happened, they tried to calm all the women around.

It's a pity that Shi Lin couldn't do that, even Wu Ziyi couldn't do that, that was because everyone in this place couldn't use their strength, which made them unable to fight.

If only Jia Li could use force, she would fight them and burn these people with her fire.

Everyone was waiting, they were waiting to see what happened, it took about 30 minutes for the group of women who came in to come out.

When the group left, only 2/3 of them remained, almost 1/3 of the group was gone, and their fate was unknown.

After leaving the room, their appearance was so bad, their appearance looked so tortured.

This, of course, makes all women feel afraid, they don't know what they will face, and they just pray that they will survive.

"Isn't this bad?" Wu Ziyi said to Shi Lin and Jia Li, she felt that they were in a terrible condition.

"To be honest, we are in a really bad situation." Shi Lin also understood what was happening, it seemed like they had to face this problem.

Group after group entered the room, they were all forced to enter.

After they came out, their appearances were average and looked so gloomy.

After waiting for a long time, it was the turn of Jia Li's group, they were all taken out and forced to enter the room.

Until now, Jia Li can still not remove the chains that made her like this.

If Jia Li could do it, she would be free from existing problems.

They brought Jia Li, Shi Lin, and Wu Ziyi inside, there were already several people and several standing beds that would be used for the women.

Jia Li, Shi Lin, and Wu Ziyi were forced to lie there, tied to the bed, standing up.

"What would you do?" Jia Li asked what these people's plans were.

"We will assess you, get ready all of you" They will assess these women, they are looking for truly worthy women, of course, they can also taste these beautiful women.

Beautiful women are so tempting to all of them, especially Jia Li Shi Lin and Wu Ziyi, they are so seductive and strong it is not easy to face this kind of temptation.

"Don't get close, if you get close, you will suffer the consequences." Shi Lin gave them all a warning.

"Hahahaha" They all laughed when they listened to what Shi Lin said, they were so happy when they listened to what Shi Lin said.

"What can you do, don't you see the current you, the current you can't even touch us and has no strength" they belittled and insulted Shi Lin.

"You will all regret this," Shi Lin told them they would regret what was happening now.

"We were so scared," they joked to Shi Lin.

"is that what we have to say, we will never be afraid of you, from now on we will take over, get ready, all of you" they will start, they can't wait to enjoy these beautiful women.

They all approached Shi Lin, she was the first person they would taste.

"These people," Jia Li and Wu Ziyi were trying to help Shi Lin, they couldn't possibly let Shi Lin get hurt.

"You won't be able to run away from us" They would make Shi Lin regret everything she said.

"Boom. . ." An explosion occurred, a huge shock hit this place, and a hole appeared above their place.

"what is that" Everyone was trying to find out what happened, they were all looking to find out the explosion's origin just now.

"Finally I arrived at this place" Ye Chen used all the strength he had to get to this place, he needed a lot of time to get to this place.

Ye Chen had already seen what happened from outside, he saw what happened to all of them from afar.

They were bold enough to do cruel things to these poor women, plus they had bad thoughts towards Shi Lin.

"Help me" Shi Lin asked Ye Chen for help, she asked Ye Chen for help to get rid of these people.

"Wait there, I will immediately save you" Ye Chen said to Shi Lin, he would save them all.

Wu Ziyi and Jia Li were so happy when they saw Ye Chen, they were so happy because Ye Chen finally came to save them.

They had been waiting for Ye Chen, they were so happy because Ye Chen came to save them.

"Who is this person, how did he get into this place, where are the guards?" They all didn't understand the situation that was happening.

"So you still don't understand your situation, " Ye Chen said to the people before him.

"That's it, let's just finish this person off, there's no point in letting this person live" They intended to finish off Ye Chen, there was no point in letting Ye Chen live.

"I will destroy you" Ye Chen said that he would destroy them all.

"This is the territory that we have, you will not be able to destroy the territory that we have," they said to Ye Chen, to be honest, they would not be able to destroy this territory because anyone who does not get permission from them will lose their power.

This place is a kind of array helpful in holding back enemies, all enemies who enter will be like insects trapped in a net.

"You chose the wrong place, from now on, you will be destroyed in our hands" They were so confident, they were confident in defeating Ye Chen.

Ye Chen looked around, it was confirmed that several arrays were useful for suppressing Ye Chen's strength.

But all of that would be useless for Ye Chen, Ye Chen who was now immune from pressure.

Ye Chen stopped his feet, he destroyed this entire room using his physical strength.

This room was destroyed into several pieces, it became rubble that was no longer useful.

"Now, what can you guys use against me?" Ye Chen asked, the room had been destroyed, what could they use against Ye Chen?

They all felt shocked when they saw what happened, they couldn't imagine when Ye Chen destroyed it all by himself.

"Impossible, this person is a monster" They all immediately left this place, afraid of fighting Ye Chen.

"Where do you want to go, I don't allow you to go" Ye Chen blocked them all, he made a super big windhole, and people who tried to get out would be blown away and seriously injured.

"There is no way to go, you have to face me" Ye Chen said that they had to face Ye Chen.

"Damn it, we are not afraid of you" They said that they were not afraid of fighting Ye Chen.

"that's very good" Ye Chen said that they were brave.

"let's attack him, don't let him win" They decided to work together to defeat Ye Che.

By working together, they will definitely be able to defeat Ye Chen.

It could be said that defeating Ye Chen is not difficult as long as they are willing to work together.

lightsNovel "Grrrr. . ." they hatched towards Ye Chen, after hatching, they immediately turned into monsters, there were wolves, lions, tigers and many more wild monsters.

"They are demons disguised as humans?" Shi Lin just realized that what they were facing was a monster.

"I also just realized that they are demons" Jia Li also just realized that they are demons.

"so you guys finally showed your form, that's great, now I won't hold back against you" Ye Chen decided not to hold back against Demon.

They started attacking Ye Chen using various kinds of attacks, which were very powerful and filled with darkness.

"Boom, Slash, Bang. . ." they all attacked Ye Chen and did not hold back in their attacks.

"Hahahaha, you're dead" They all smiled, they already felt like they had won against Ye Chen.

When they thought that they had won against Ye Chen, they all saw that Ye Chen was fine, there were no injuries on Ye Chen's body.

"Is this all you can do, it's quite disappointing for me" Ye Chen said to them.

"Impossible" They were all shocked by this, the attack they used just now should have been enough to destroy and kill Ye Chen.

"Now it's my turn to fight you" Ye Chen decided to use a full power attack to attack them all.

This was the time for Ye Chen to try his newest light attack.

"divine halo" Ye Chen's released a light force that formed a circle around him.

All the demons saw a circle of light around them, right now, they were inside the circle of light created by Ye Chen.

"What's this?" they all looked confused by this, they didn't know yet what kind of attack Ye Chen would use.

"flick" Ye Chen flicked his finger, and when he flicked his finger, the light became brighter.

Demon couldn't see such a bright light.

This bright light lasted for approximately 10 seconds before completely disappearing.

When this light disappeared, all the demons had disappeared without a trace, they were completely destroyed by the power of the light just now.

"Quite strong," Ye Chen said, the divine halo attack was so strong that it was able to destroy those in it easily.

All the enemies had been cleaned up by Ye Chen, this was the time for Ye Chen to see the conditions of Shi Lin, Wu Ziyi and Jia Li.

Ye Chen freed Shi Lin, Wu Ziyi and Jia Li.

That's when Shi Lin jumped towards Ye Chen.

"I'm so happy you came" Shi Lin said she was so happy because Ye Chen came.

"What happened to you, why did you end up like this?" Ye Chen asked Shi Lin, Wu Ziyi and Jia Li.

"This is the story" Jia Li explained to Ye Chen the storyline that they could be arrested.

They originally came for an alchemist meeting and to compare abilities, but when the event was over, and they returned, they were trapped and ended up in this place.

"They are so shameless" Ye Chen was so annoyed when he heard this, he would of course, be annoyed when he found out about this matter.

"I will look for the person behind all this" Ye Chen said to Shi Lin, Wu Ziyi and Jia Li.

Ye Chen promised them to look for the person behind all this.

"Um. . ." Shi Lin, Wu Ziyi and Jia Li nodded, Shi Lin, Wu Ziyi and Jia Li believed Ye Chen.

"Young master, please save us" Those around asked Ye Chen for help to save them.

"Okay" Ye Chen helped everyone, he couldn't possibly leave them all like that.

Ye Chen freed them all, they were so grateful to Ye Chen.

They were all so happy because Ye Chen helped them, they all wanted to thank Ye Chen, and they wanted to entertain and invite Ye Chen.

"Thank you very much for your kindness" Ye Chen thanked them for their kindness, all the upper-class women were so kind to Ye Chen.

Beautiful women surrounded Ye Chen.

Shi Lin, Wu Ziyi and Jia Li could only watch this from afar and did not interfere too much.

Shi Lin, Wu Ziyi and Jia Li smiled when they saw this, they were so happy because Ye Chen was praised by everyone.

There is pride when they see this.

"all of you, let's postpone the matter first" Ye Chen said to everyone, now is the time to save everyone.

"Okay . . ." they were all so obedient to Ye Chen, it seemed they really liked Ye Chen, so they became very obedient to Ye Chen.

Ye Chen smiled when he saw this, it was quite easy to make them all obey.

Ye Chen started to go out and save everyone who was currently being detained, he did this very quickly.

After doing so, he gathered them all together.

"You are now free and can go back" Ye Chen said they could go back.

Thank you very much," they all thanked for being saved.

Ye Chen would guarantee everyone's safety when they returned, so he returned every one to their original places one by one.

Ye Chen was worried that they would be caught again on the road, and because of this, Ye Chen wanted to return everyone to their place.

Maybe this will take some time, but it doesn't matter, he will also wait for news from Zhang Ein.

The people here were stupid, they were low-level demons and didn't know what was happening in this place, so Ye Chen wouldn't bother to ask them about the problems that were happening right now.

All the women were happy because Ye Chen wanted to take them back, they thanked them and gave gifts to Ye Chen.

"You have become quite popular, look at how many prizes you have gotten" Jia Li said to Ye Chen.

"they are too much" Ye Chen said that they were all too much.

"It's not strange for them to be like that, they are grateful for what you have done," said Jia Li.

"Everyone has been sent home safely, we have to go back too" Ye Chen said to Shi Lin, Wu Ziyi and Jia Li.

"let's go back" Ye Chen together with Shi Lin, Wu Ziyi and Jia Li, returned to a safe place.

For the time being, Ye Chen will be alert, and he will increase the number of existing guards.

This cannot happen again, and Ye Chen must immediately deal with the problem that is occurring.

.

.

The demon god commander had become younger than before, now he looked like a man in his 30s, his body and appearance were so good and clean, even his beard was gone.

This person had absorbed the woman's life energy and Yin Qi, which made him look much younger, plus his strength was starting to recover, and he was now at the fifth level of the Immortal True God Realm.

"Just a little more, I will fully recover, and it is time to destroy those who once fought against me" He will recover and take revenge.

Chapter 2936 Zhang Ein Helped Ye Chen's Body Problems

"Helping you is the duty I have to help you," Zhang Ein told him.

"As a maid, it is a duty to fulfill the master's needs, so please leave this matter to me" Zhang Ein said to Ye Chen.

Zhang Ein touched Ye Chen's, it was still not completely standing, but after Zhang Ein touched it, it immediately stood up.

Zhang Ein has small and soft hands, the feeling when touched by Zhang Ein's hands is so beautiful and so comfortable.

"Ohhh . . ." Ye Chen enjoyed it, this was so comfortable and made his body excited.

This was probably because there was too much Yang Qi in Ye Chen's body so when Zhang Ein touched him, Ye Chen was so excited.

Zhang Ein was surprised by Ye Chen's size, Ye Chen's size was so big, that she had to use both hands to help Ye Chen.

"So big" said Zhang Ein in surprise.

It could be said that this was the first time Zhang Ein did this for Ye Chen.

Even though Zhang Ein was doing this for the first time to help Ye Chen, the feeling Zhang Ein's hands gave him was very good, she used her hands very well to make Ye Chen feel comfortable.

Ye Chen didn't need to say this, Zhang Ein's abilities could be said to be very strong, she was already at the level of a pro player who could make Ye Chen feel comfortable.

"Young master, how is it, is it comfortable?" Zhang Ein asked Ye Chen, she wanted to know how Ye Chen felt right now.

"very comfortable, you did so well, where did you learn this" Ye Chen asked Zhang Ein.

Honestly, Ye Chen wanted to know where Zhang Ein learned something like this, this skill was so good.

"From a book, I got a technique from Ling Shu," said Zhang Ein.

Zhang Ein got it from Ling Shu, it was because Ling Shu seemed the most capable and had good techniques, so Zhang Ein asked her to impart some techniques.

Ling Shu certainly gave it, she wouldn't be able to refuse Zhang Ein's request.

Finally, Zhang Ein learned everything in the book and finally got the opportunity to try it directly on Ye Chen.

"So it's not strange" because Zhang Ein's talent is high, learning from books is enough to make her so great, it's not strange that she can make Ye Chen feel comfortable.

"This is good, you must have worked hard" said Ye Chen.

"Yes, I worked hard, so please enjoy this," Zhang Ein said to Ye Chen, he asked Ye Chen to enjoy this.

Ye Chen stroked Zhang Ein's head and gave Zhang Ein a gift.

Zhang Ein was so happy about this, she was so happy when Ye Chen stroked her.

Zhang Ein continued to serve Ye Chen's younger brother, her skills were improving, and she could try various things she wanted.

Zhang Ein's hands even started playing with Ye Chen's two ball sacks, which was very comfortable for Ye Chen.

Zhang Ein looked at Ye Chen, it seemed there were no signs of Ye Chen finishing quickly.

Ye Chen's endurance was so good that Zhang Ein couldn't easily beat Ye Chen.

Zhang Ein had heard from Ling Shu about Ye Chen's ability and endurance.

Zhang Ein had to do better to make Ye Chen feel comfortable.

"Young master, I will be more serious about making you comfortable" Zhang Ein knew that Ye Chen wasn't easily comfortable with just her hands, so she used her mouth.

Zhang Ein ate Ye Chen's, she started sucking and serving Ye Chen using her warm and very moist little mouth.

"Very good, this is comfortable." Ye Chen was so comfortable, the feeling Zhang Ein gave was so good, and Ye Chen liked that feeling.

Despite her efforts, Zhang Ein still had a hard time, as expected, it was much greater than what Zhang Ein could endure.

"cough . . ." Zhang Ein choked, and she backed away.

"Are you alright ?" Ye Chen asked Zhang Ein.

"cough, I'm fine, I'm not used to it yet" Zhang Ein is not used to it, this is much more difficult than in the book.

If Zhang Ein could have done it easily previously, he had problems doing it this time.

Even though she experienced problems, Zhang Ein didn't give up, she didn't want to give up because of something like this, so she decided to try again, there was no giving up for Zhang Ein.

Zhang Ein tried again, this time trying more slowly, she tried to get used to Ye Chen's.

That was because Ye Chen's was so big and strong, so it wasn't strange that Zhang Ein had to be careful and do it slowly.

"Slurp . . ." After getting used to it, Zhang Ein started to become very aggressive, she really enjoyed sucking Ye Chen.

"You are so fierce," Ye Chen said to Zhang Ein.

she did it so aggressively, Ye Chen seemed to be sucked dry by Zhang Ein.

Zhang Ein's lips were like a vacuum trying to suck Ye Chen in.

Zhang Ein felt that this was good, and even though it was the first time doing it for Ye Chen, Zhang Ein enjoyed it.

she seemed addicted to doing this, a feeling so beautiful and good that Zhang Ein got it.

shy enjoyed what Zhang Ein did, Ye Chen was speechless and enjoyed it well.

Ye Chen tried to defend as best he could, but Zhang Ein easily broke his defense.

Zhang Ein tried to poke holes in Ye Chen with her excellent abilities.

"I can't stand it" Ye Chen could only hold on for about 20 minutes, he finally reached the limit.

"Ummm . . ." Zhang Ein had to endure everything, and as Ye Chen's maid, she received all of Ye Chen's Yang Qi essence.

"Glup . . ." Zhang Ein took it all in, she felt that it was so comfortable and so delicious.

Zhang Ein didn't waste what Ye Chen gave her, she swallowed it all clean.

"This is so good, I like the taste," Zhang Ein told Ye Chen.

Zhang Ein said that this felt so good.

"I also feel the same way, your skills are so good" Ye Chen said to Zhang Ein.

"You must still have a lot of Yang Qi in your body, I will help you until everything is under control" Zhang Ein said to Ye Chen.

Zhang Ein returned to help Ye Chen, she again served Ye Chen.

Zhang Ein continuously sucked Ye Chen, the two of them did this all day.

.

Meanwhile, the demon god commander had begun to awaken fully, a middle-aged man with white hair and a long beard was sitting and surrounded by people with an evil aura and a terrifying appearance.

"It's been a long time since they sealed me, I'm so sorry" the demon god commander was so upset because he had been sealed for such a long time.

And when he returned, the world was already peaceful, where the demons and cultivators were quite at peace.

"Master, this world needs change, the people who are now too caught up in peace have forgotten our original goal, they don't even realize that cultivator is pressuring them," they said to the demon god commander.

"I know that" The demon god commander knew this matter, and he didn't like this matter.

He must be able to return the world to how it was before, where demons suppressed human cultivators, and darkness ruled.

Chapter 2937 Kidnapping Of High-Class Women With Pure Yin

"That's right, we all have to do this, this is for a better future" they all agreed with what the demon god commander said.

"For that, I need to recover the strength I have, all of you, quickly find me women, I will use them to recover" The demon god commander said that he needed women to recover.

"Got it" They all instantly knew what the demon god commander needed.

With that, they all immediately went to look for the whereabouts of the woman to offer.

"Just wait, I will return the world to how it was before" The demon god commander was confident to return the world to how it was before.

.

.

Zhang Ein and Ye Chen returned to training, and Ye Chen started to get used to using the full inheritance of the Sage God.

He became an expert and was able to control the power better and more skillfully.

"It looks like you have become better than before" Zhang Ein said to Ye Chen.

After the previous incident, Zhang Ein still did not change, she was still the same as before.

There was no change from Zhang Ein.

"I'm used to it, thank you very much for being a friend in training" Ye Chen said to Zhang Ein.

"You're welcome, this is all for your sake," said Zhang Ein.

"master is finished" Chu Yuechan finally came, it had been a long time since she appeared.

"Where have you been?" Ye Chen asked Chu Yuechan, Chu Yuechan had disappeared for a long time.

"I went to the ancient forest," Chu Yuechan said.

It turned out that Chu Yuechan went to the ancient city, it wouldn't be strange if she was never seen.

Because Ye Chen's strength was already so strong, Chu Yuechan could easily defend her body outside, now Chu Yuechan could go wherever she wanted and not hold back.

Because she hadn't been free for a long time, Chu Yuechan often went out and did everything she wanted.

"How are the conditions there," Ye Chen asked Chu Yuechan.

"Everything is going well, they seem prosperous, and all the fairies are grateful to you" Chu Yuechan said.

Chu Yuechan had been there and seen what was there, she could see that it was very good there, and everyone was starting to get a decent life and could cultivate better.

"It's nice to hear this," said Ye Chen.

Ye Chen was of course, happy to hear this, it seemed like their lives were getting better.

"Did something happen out there" Ye Chen asked Chu Yuechan.

"That's very true, recently something really big happened out there, you have to hear about this" Chu Yuechan said to Ye Chen.

"What is that?" Ye Chen was curious about this problem, and it seemed Zhang Ein was also curious.

Ye Chen and Zhang Ein were here for a while, they didn't know what was happening out there, and they needed Chu Yuechan to explain what was happening right now.

"listen carefully" Chu Yuechan said to Ye Chen, she told Ye Chen to listen carefully.

Ye Chen listened carefully to what happened.

First, Chu Yuechan explained what happened to Lu Sansa, Lu Sansa returned safely and made people curious about what happened to her, Lu Sansa refused to tell what happened, but it seemed like there were many forcing Lu Sansa so that she wouldn't be able to out for the time being.

"Is she under house arrest, that's really very evil?" Ye Chen said that it was bad to put Lu Sansa under house arrest.

"Maybe they are afraid that she will be brainwashed," said Chu Yuechan.

"Impossible, I didn't do that," said Ye Chen.

"But you must be doing something strange, right?" Chu Yuechan said.

Chu Yuechan was sure that Ye Chen did something to Lu Sansa.

"um" Ye Chen remembered what he had done to Lu Sansa, it seemed like she had indeed done something to Lu Sansa.

"but it's not that far and doesn't affect it" Ye Chen tried to defend himself.

"fufufufufu" Chu Yuechan smiled when she heard this.

"she is fine, after all the checks are safe, she will definitely be released" Chu Yuechan said.

"So that's how it is, then there won't be a problem." If that was the case, then there wouldn't be a problem for Ye Chen.

"Did something else happen?" Ye Chen asked Chu Yuechan.

Maybe something else has happened in recent times.

"There is something else happening, this is news you should probably listen to" Chu Yuechan said.

"What's that?" Ye Chen asked Chu Yuechan, he wanted to know what kind of news Chu Yuechan had gotten.

"Recently, there was a case of the kidnapping of high-class women, women with strong cultivation and pure Yin bodies were kidnapped" said Chu Yuechan.

"What's that?" Ye Chen asked what happened why they disappeared.

"I also don't know much about this matter. What I heard was that these women disappeared suddenly, and to be honest, they are quite strong and not easy to catch," said Chu Yuechan.

"This is very dangerous" said Ye Chen, Ye Chen felt that this was quite dangerous.

It seems like this guy has an agenda to become powerful by using women.

"Ein" Ye Chen said to Zhang Ein.

"What is it?" Zhang Ein asked Ye Chen, it seemed like Ye Chen wanted to do something.

"Go back to Wu Ziyi and the others' side, they might need help" said Ye Chen.

"I understand" Zhang Ein understood, she immediately went to see the condition of Wu Ziyi and the others.

"I already thought that you would definitely be worried about them" Chu Yuechan had predicted this, Ye Chen would definitely be worried about his woman's safety.

"If what you said is true, then this will be a problem" Ye Chen said to Chu Yuechan.

"I better start preparing for the worst possibility that could happen" Ye Chen prepared for the worst possibility that could happen.

"You're absolutely right, it's better to be alert at the start" Chu Yuechan agreed with Ye Chen.

"Yuechan, do you know who the person who did this?" Ye Chen asked Chu Yuechan, he wanted to know the culprit.

"no, I don't know yet" Chu Yuechan didn't know this yet.

"I estimate that there are evil people who practice cultivation to absorb one's life," Chu Yuechan said.

"I actually want to ignore this problem, but I don't seem able to do that" Ye Chen said to Chu Yuechan.

"I hope you don't have to interfere because there are so many people who are looking into this case, and they are all such great people," said Chu Yuechan.

"Hopefully," said Ye Chen.

Ye Chen hopes that he will not interfere in the current problem.

"Young master. . ." Zhang Ein returned to Ye Chen.

"What is it?" Ye Chen asked Zhang Ein.

"I can't find Jia Li, Wu Ziyi and Shi Lin" Zhang Ein reported what happened to Ye Chen.

"Have you asked Xuan Mei?" Ye Chen asked Zhang Ein.

"Yes, she said that the three of them left the sect for an important meeting, Jia Li also brought some of the best disciples for this, when I went there, I didn't find them, and the event had finished a few days ago," said Zhang Ein.

Jia Li and the others should have returned, but they hadn't returned yet, and Zhang Ein couldn't find them.

"Jia Li is strong there is no way she can be caught easily" said Ye Chen.

"That's true if she was attacked, she would definitely call for help, but if she didn't do that, she was most likely trapped," said Chu Yuechan.

Chapter 2938 Wu Ziyi, Jia Li And Shi Lin Are In Prison

"Maybe she was framed" Chu Yuechan said to Ye Chen.

"If that's true, then Jia Li won't be able to fight" Ye Chen said to Chu Yuechan.

"Young master, what are you going to do now?" Zhang Ein asked Ye Chen.

she wanted to know what Ye Chen would do.

"Hmmm . . ." Ye Chen thought for a moment what he would do next.

"I think I know what I have to do" After thinking for a while, Ye Chen knew what he had to do now.

"Ein, you go find out the enemy's movements, I will go and look for them" Ye Chen told Zhang Ein to go look for the enemy, meanwhile, Ye Chen would start to look for Wu Ziyi and the others.

Ye Chen was sure that they were still moving and looking for women to take, that's why Ye Chen told Zhang Ein to move and catch them.

Let Zhang Ein find out what they are planning and why they are kidnapping high-class women.

"Understood." Zhang Ein left, and she immediately looked for people who might be kidnapping other women for their purposes.

"I'll go," Ye Chen said to Chu Yuechan.

Ye Chen told Chu Yuechan that he would look for Wu Ziyi, Jia Li and Shi Lin.

"Ummm" Chu Yuechan understood, she would try to help Ye Chen look for them.

Ye Chen used his connections, and with that, he was able to find Wu Ziyi, Jia Li and Shi Lin.

"How?" Chu Yuechan asked Ye Chen.

"I found them, but quite far away," Ye Chen said to Chu Yuechan.

"How far are they?" Chu Yuechan asked Ye Chen, she wanted to know how far things were.

"Hmmm, maybe 3 days of normal travel," Ye Chen said to Chu Yuechan.

"That's quite far" Chu Yuechan said to Ye Chen.

"I will use full speed, by using full speed, I am sure that I can catch up within a few hours," Ye Chen said to Chu Yuechan.

Ye Chen couldn't possibly waste time, he would try to use full speed and save Wu Ziyi, Jia Li and Shi Lin.

Ye Chen was so fast, he intended to save Wu Ziyi, Jia Li and Shi Lin quickly and would not let anything bad happen to them.

Ye Chen wouldn't be able to forgive himself if something bad happened to Wu Ziyi, Jia Li and Shi Lin.

Ye Chen flew straight away using such a fast speed, he passed several stars in just a matter of seconds, it shows that Ye Chen was flying at an incredibly fast speed.

With that kind of speed, Ye Chen should be able to arrive in just a matter of hours.

.

.

Currently, Wu Ziyi, Jia Li and Shi Lin are being held in a cage, there are hundreds of people also being held in this place, they are all women with very good backgrounds.

Even though their current appearance was a little messy, it was all because they were all treated badly.

Everyone in this place was so gloomy, they all didn't know what would happen to them, and they all felt that they would not be able to get out of this place.

"Master, I can't use the power I have, these chains prevent us from using power," said Shi Lin.

"That's very true, we really can't use our strength, that's why we can't fight them," said Jia Li.

If only Wu Ziyi, Jia Li and Shi Lin could fight back, they would have already fought these people.

"They are truly despicable, using drugs to capture us all," said Wu Ziyi.

The reason why Wu Ziyi, Jia Li and Shi Lin were caught was because the enemy used medicine. When the alchemist meeting was over, and they returned, their room had been installed with medicine that would make cultivators weak.

That moment was used by criminals to capture Wu Ziyi, Jia Li and Shi Lin.

If they had not done this, it is certain that Wu Ziyi, Jia Li and Shi Lin would never have been caught by the enemy.

"Right now, there is nothing we can do, we can only wait for help," said Jia Li.

Jia Li obviously couldn't get out of this place, and because of this, she decided to wait for help.

"Don't worry, my husband will come, I'm sure." Wu Ziyi is the person who believes most in this.

she believed that Ye Chen would come and save them from the coming disaster.

"I believe too" Shi Lin also believed, she believed the same as Wu Ziyi.

It was possible that help would come soon, they just needed to wait and try to buy time.

Jia Li smiled when she saw this, both of them really believed in Ye Chen's arrival.

"I hope she realizes this" Jia Li could only hope that Xuan Mei realized this, otherwise maybe they wouldn't be able to escape from here.

"We have arrived at our destination, you all get out quickly" They had arrived at their destination, and the criminal warden told them all to get out.

All the women, including Wu Ziyi, Jia Li and Shi Lin were also taken out.

"All of you get ready, terrible things will happen from now on" the criminal warden said to all the women.

All the women felt scared when they heard this, what should they do now, they were so scared.

All of them had never felt something like this, perhaps it could be said that this was the first time they felt the feeling of being held captive like this.

Most likely they will suffer bad luck, they will not know what will happen to them from now on.

.

.

Ye Chen was still on his way, flying at such a fast speed and ignoring everything in front.

"Those people, they are starting to stop." Ye Chen continued to monitor the movements of Wu Ziyi, Jia Li and Shi Lin.

After confirming again, Ye Chen realized that they had finally stopped at a place.

"It looks like they have arrived at their place, I have to be faster," said Ye Chen.

Ye Chen decided to use the wind vein, this was the time to show the results of the exercises that Ye Chen had done.

Ye Chen couldn't disappoint Shen Niang and Zhang Ein, who had taken great pains in training Ye Chen.

Ye Chen's speed rose several times, he might be able to catch up with all of them.

.

.

Wu Ziyi, Jia Li and Shi Lin were taken to a place, they were taken to a place that was very big and also very dark.

There are so many people detained here, all of them are women.

"it looks like they are going to move us here" Jia Li saw their destination.

"Why did they move us, what is their goal?" Shi Lin asked Jia Li.

"I don't know what purpose they have, what is certain is that they have their own purpose for moving us to this place," said Jia Li.

"Look at them, they are so desperate, what have they experienced?" Wu Ziyi saw that there were so many depressed people in this place, they looked like they had just experienced something terrible.

Wu Ziyi, Jia Li and Shi Lin were transferred to the prison. In the new prison, they consisted of about 20 people and shared the same room with everyone.

"hehehe, are you ready?" The guards couldn't wait, they would start to take the best of the best to hand over to their boss.

Chapter 2939 Ye Chen's Anger At What Was Happening Before His Eyes

They started to take out the people in detention one by one, they lined up several groups to go to a particular room.

Jia Li was still trying to find out what happened, she was pretty curious about what they would do to the prisoner.

After the group gathered, all the women were immediately taken to a room that so many people guarded tightly.

Jia Li couldn't see what was in there, she didn't know what was in there because that place was full of ancient and protective runes, which made it difficult for someone to know what was in that place.

"what do they want ?" Shi Lin and the others tried to find out what happened, they tried to calm all the women around.

It's a pity that Shi Lin couldn't do that, even Wu Ziyi couldn't do that, that was because everyone in this place couldn't use their strength, which made them unable to fight.

If only Jia Li could use force, she would fight them and burn these people with her fire.

Everyone was waiting, they were waiting to see what happened, it took about 30 minutes for the group of women who came in to come out.

When the group left, only 2/3 of them remained, almost 1/3 of the group was gone, and their fate was unknown.

After leaving the room, their appearance was so bad, their appearance looked so tortured.

This, of course, makes all women feel afraid, they don't know what they will face, and they just pray that they will survive.

"Isn't this bad?" Wu Ziyi said to Shi Lin and Jia Li, she felt that they were in a terrible condition.

"To be honest, we are in a really bad situation." Shi Lin also understood what was happening, it seemed like they had to face this problem.

Group after group entered the room, they were all forced to enter.

After they came out, their appearances were average and looked so gloomy.

After waiting for a long time, it was the turn of Jia Li's group, they were all taken out and forced to enter the room.

Until now, Jia Li can still not remove the chains that made her like this.

If Jia Li could do it, she would be free from existing problems.

They brought Jia Li, Shi Lin, and Wu Ziyi inside, there were already several people and several standing beds that would be used for the women.

Jia Li, Shi Lin, and Wu Ziyi were forced to lie there, tied to the bed, standing up.

"What would you do?" Jia Li asked what these people's plans were.

"We will assess you, get ready all of you" They will assess these women, they are looking for truly worthy women, of course, they can also taste these beautiful women.

Beautiful women are so tempting to all of them, especially Jia Li Shi Lin and Wu Ziyi, they are so seductive and strong it is not easy to face this kind of temptation.

"Don't get close, if you get close, you will suffer the consequences." Shi Lin gave them all a warning.

"Hahahaha" They all laughed when they listened to what Shi Lin said, they were so happy when they listened to what Shi Lin said.

"What can you do, don't you see the current you, the current you can't even touch us and has no strength" they belittled and insulted Shi Lin.

"You will all regret this," Shi Lin told them they would regret what was happening now.

"We were so scared," they joked to Shi Lin.

"is that what we have to say, we will never be afraid of you, from now on we will take over, get ready, all of you" they will start, they can't wait to enjoy these beautiful women.

They all approached Shi Lin, she was the first person they would taste.

"These people," Jia Li and Wu Ziyi were trying to help Shi Lin, they couldn't possibly let Shi Lin get hurt.

"You won't be able to run away from us" They would make Shi Lin regret everything she said.

"Boom. . ." An explosion occurred, a huge shock hit this place, and a hole appeared above their place.

"what is that" Everyone was trying to find out what happened, they were all looking to find out the explosion's origin just now.

"Finally I arrived at this place" Ye Chen used all the strength he had to get to this place, he needed a lot of time to get to this place.

Ye Chen had already seen what happened from outside, he saw what happened to all of them from afar.

They were bold enough to do cruel things to these poor women, plus they had bad thoughts towards Shi Lin.

"Help me" Shi Lin asked Ye Chen for help, she asked Ye Chen for help to get rid of these people.

"Wait there, I will immediately save you" Ye Chen said to Shi Lin, he would save them all.

Wu Ziyi and Jia Li were so happy when they saw Ye Chen, they were so happy because Ye Chen finally came to save them.

They had been waiting for Ye Chen, they were so happy because Ye Chen came to save them.

"Who is this person, how did he get into this place, where are the guards?" They all didn't understand the situation that was happening.

"So you still don't understand your situation, " Ye Chen said to the people before him.

"That's it, let's just finish this person off, there's no point in letting this person live" They intended to finish off Ye Chen, there was no point in letting Ye Chen live.

"I will destroy you" Ye Chen said that he would destroy them all.

"This is the territory that we have, you will not be able to destroy the territory that we have," they said to Ye Chen, to be honest, they would not be able to destroy this territory because anyone who does not get permission from them will lose their power.

This place is a kind of array helpful in holding back enemies, all enemies who enter will be like insects trapped in a net.

"You chose the wrong place, from now on, you will be destroyed in our hands" They were so confident, they were confident in defeating Ye Chen.

Ye Chen looked around, it was confirmed that several arrays were useful for suppressing Ye Chen's strength.

But all of that would be useless for Ye Chen, Ye Chen who was now immune from pressure.

Ye Chen stopped his feet, he destroyed this entire room using his physical strength.

This room was destroyed into several pieces, it became rubble that was no longer useful.

"Now, what can you guys use against me?" Ye Chen asked, the room had been destroyed, what could they use against Ye Chen?

They all felt shocked when they saw what happened, they couldn't imagine when Ye Chen destroyed it all by himself.

"Impossible, this person is a monster" They all immediately left this place, afraid of fighting Ye Chen.

"Where do you want to go, I don't allow you to go" Ye Chen blocked them all, he made a super big windhole, and people who tried to get out would be blown away and seriously injured.

"There is no way to go, you have to face me" Ye Chen said that they had to face Ye Chen.

Chapter 2940 Divine Halo

"Damn it, we are not afraid of you" They said that they were not afraid of fighting Ye Chen.

"that's very good" Ye Chen said that they were brave.

"let's attack him, don't let him win" They decided to work together to defeat Ye Che.

By working together, they will definitely be able to defeat Ye Chen.

It could be said that defeating Ye Chen is not difficult as long as they are willing to work together.

lightsNovel "Grrrr. . ." they hatched towards Ye Chen, after hatching, they immediately turned into monsters, there were wolves, lions, tigers and many more wild monsters.

"They are demons disguised as humans?" Shi Lin just realized that what they were facing was a monster.

"I also just realized that they are demons" Jia Li also just realized that they are demons.

"so you guys finally showed your form, that's great, now I won't hold back against you" Ye Chen decided not to hold back against Demon.

They started attacking Ye Chen using various kinds of attacks, which were very powerful and filled with darkness.

"Boom, Slash, Bang. . ." they all attacked Ye Chen and did not hold back in their attacks.

"Hahahaha, you're dead" They all smiled, they already felt like they had won against Ye Chen.

When they thought that they had won against Ye Chen, they all saw that Ye Chen was fine, there were no injuries on Ye Chen's body.

"Is this all you can do, it's quite disappointing for me" Ye Chen said to them.

"Impossible" They were all shocked by this, the attack they used just now should have been enough to destroy and kill Ye Chen.

"Now it's my turn to fight you" Ye Chen decided to use a full power attack to attack them all.

This was the time for Ye Chen to try his newest light attack.

"divine halo" Ye Chen's released a light force that formed a circle around him.

All the demons saw a circle of light around them, right now, they were inside the circle of light created by Ye Chen.

"What's this?" they all looked confused by this, they didn't know yet what kind of attack Ye Chen would use.

"flick" Ye Chen flicked his finger, and when he flicked his finger, the light became brighter.

Demon couldn't see such a bright light.

This bright light lasted for approximately 10 seconds before completely disappearing.

When this light disappeared, all the demons had disappeared without a trace, they were completely destroyed by the power of the light just now.

"Quite strong," Ye Chen said, the divine halo attack was so strong that it was able to destroy those in it easily.

All the enemies had been cleaned up by Ye Chen, this was the time for Ye Chen to see the conditions of Shi Lin, Wu Ziyi and Jia Li.

Ye Chen freed Shi Lin, Wu Ziyi and Jia Li.

That's when Shi Lin jumped towards Ye Chen.

"I'm so happy you came" Shi Lin said she was so happy because Ye Chen came.

"What happened to you, why did you end up like this?" Ye Chen asked Shi Lin, Wu Ziyi and Jia Li.

"This is the story" Jia Li explained to Ye Chen the storyline that they could be arrested.

They originally came for an alchemist meeting and to compare abilities, but when the event was over, and they returned, they were trapped and ended up in this place.

"They are so shameless" Ye Chen was so annoyed when he heard this, he would of course, be annoyed when he found out about this matter.

"I will look for the person behind all this" Ye Chen said to Shi Lin, Wu Ziyi and Jia Li.

Ye Chen promised them to look for the person behind all this.

"Um. . ." Shi Lin, Wu Ziyi and Jia Li nodded, Shi Lin, Wu Ziyi and Jia Li believed Ye Chen.

"Young master, please save us" Those around asked Ye Chen for help to save them.

"Okay" Ye Chen helped everyone, he couldn't possibly leave them all like that.

Ye Chen freed them all, they were so grateful to Ye Chen.

They were all so happy because Ye Chen helped them, they all wanted to thank Ye Chen, and they wanted to entertain and invite Ye Chen.

"Thank you very much for your kindness" Ye Chen thanked them for their kindness, all the upper-class women were so kind to Ye Chen.

Beautiful women surrounded Ye Chen.

Shi Lin, Wu Ziyi and Jia Li could only watch this from afar and did not interfere too much.

Shi Lin, Wu Ziyi and Jia Li smiled when they saw this, they were so happy because Ye Chen was praised by everyone.

There is pride when they see this.

"all of you, let's postpone the matter first" Ye Chen said to everyone, now is the time to save everyone.

"Okay . . ." they were all so obedient to Ye Chen, it seemed they really liked Ye Chen, so they became very obedient to Ye Chen.

Ye Chen smiled when he saw this, it was quite easy to make them all obey.

Ye Chen started to go out and save everyone who was currently being detained, he did this very quickly.

After doing so, he gathered them all together.

"You are now free and can go back" Ye Chen said they could go back.

Thank you very much," they all thanked for being saved.

Ye Chen would guarantee everyone's safety when they returned, so he returned every one to their original places one by one.

Ye Chen was worried that they would be caught again on the road, and because of this, Ye Chen wanted to return everyone to their place.

Maybe this will take some time, but it doesn't matter, he will also wait for news from Zhang Ein.

The people here were stupid, they were low-level demons and didn't know what was happening in this place, so Ye Chen wouldn't bother to ask them about the problems that were happening right now.

All the women were happy because Ye Chen wanted to take them back, they thanked them and gave gifts to Ye Chen.

"You have become quite popular, look at how many prizes you have gotten" Jia Li said to Ye Chen.

"they are too much" Ye Chen said that they were all too much.

"It's not strange for them to be like that, they are grateful for what you have done," said Jia Li.

"Everyone has been sent home safely, we have to go back too" Ye Chen said to Shi Lin, Wu Ziyi and Jia Li.

"let's go back" Ye Chen together with Shi Lin, Wu Ziyi and Jia Li, returned to a safe place.

For the time being, Ye Chen will be alert, and he will increase the number of existing guards.

This cannot happen again, and Ye Chen must immediately deal with the problem that is occurring.
