

True God 2941

Chapter 2941 Comforting Jia Li, Shi Lin And Wu Ziyi (1)

"There is such bad news" when the Demon God Commander was celebrating his success, he heard such bad news, such bad news came from his servant.

"Quickly explain what you mean?" he asked what happened, he wanted to know what kind of bad news this person brought.

"One of the forces we had was wiped out, and they were all destroyed" he told the demon god Commander.

"Impossible, even though they are weak, it is impossible for them to be defeated so easily" The demon god commander couldn't believe the news.

If the troops were destroyed, there is only one possibility now. The possibility that happens is that there is a strong figure who takes part in this battle.

The demon god commander didn't know who the influential figure was who interfered, but this person was so bold as to interfere in this matter.

The demon god commander couldn't let this happen.

The demon god commander got up, and everyone immediately knelt.

They knew that the demon god commander would issue an order soon.

"tell everyone available to immediately restore their existing strength and find out the person who has dared to do so" The demonic god commander immediately ordered to restore the destroyed forces and told them to find Ye Chen.

"understand," they all understood, they all immediately went to carry out the orders given by the demon god Commander.

"Damn it, what kind of people are trying to bully me, I will destroy them." The demon god commander said that he would destroy everyone.

The demon god commander would not let any pebbles stand in his way, he would destroy all obstacles without leaving anything behind.

"I will recover power and challenge everyone" he just needed to recover power and challenge everyone who dared to stand in his way.

"This guy can be said to be quite crazy, he won't let anyone get in his way.

This demon is an evil monster who is very ambitious and wants to rule this world.

His goal is to make himself the peak ruler.

The demon god commander used to be an ordinary person and cultivator on the righteous path, but for some reason, he became what he is today and so evil.

The recovery of strength was carried out so quickly. In just a short time, they recovered their strength and looked for Ye Chen's whereabouts.

.

.

"Husband, where have you been? It's been a long time since you left" Wu Ziyi asked Ye Chen. It had been quite a long time since Ye Chen left, and Wu Ziyi missed Ye Chen.

"To be honest, I'm taking care of work, otherwise how can I support you guys" Ye Chen told Wu Ziyi.

"I thought you forgot about us because you got something better," said Shi Lin.

"That can't be happening, I will not forget you, you are my sweet wife" said Ye Chen.

Ye Chen would remember Wu Ziyi and Shi Lin because they were his very beautiful women.

"Such nice words, it seems like you are improving at making a woman happy," said Jia Li.

lightsNovel Jia Li was more mature than Shi Lin and Wu Ziyi.

she knew that Ye Chen would not leave a woman.

"What's wrong? Do you also want a compliment?" Ye Chen asked Jia Li if maybe Jia Li needed some praise from Ye Chen.

"not like that." Jia Li felt so embarrassed. What Ye Chen said made Jia Li so embarrassed.

she felt treated like a child.

"hahahaha, you are so cute when you are shy" Ye Chen said to Jia Li.

Ye Chen just wanted to tease Jia Li, Jia Li's reaction was so cute.

"It's you" Jia Li said to Ye Chen, she hit Ye Chen and vented her frustration.

Jia Li only wanted to teach Ye Chen a little lesson, he didn't use her full strength to attack Ye Chen.

Ye Chen caught both hands from Jia Li, now Jia Li wouldn't be able to hurt Ye Chen.

"Oh, wait a minute," Ye Chen said to Jia Li.

"let go of me," Ye Chen cornered Jia Li, she told Ye Chen to let go of her.

"I don't want to let go of you" Ye Chen refused to let go of Jia Li, he didn't want to let go of Jia Li and kissed her.

"Chuuuuuuuuu . . ." Ye Chen kissed Jia Li, of course, shocked Wu Ziyi and Shi Lin, who were around.

They didn't expect Ye Chen to kiss Jia Li, the scene was so surprising when they saw this.

Honestly, they have never seen Jia Li making out with Ye Chen, this is the first time they have seen it.

Jia Li tried to push Ye Chen away, but unfortunately, she couldn't do that, Ye Chen's strength was so muscular that Jia Li couldn't move Ye Chen.

Ye Chen deliberately did not let go of Jia Li, he did not want to let go of Jia Li and hugged her tightly.

"let me go, this is embarrassing," Jia Li said to Ye Chen, it was embarrassing enough when Ye Chen kissed her in front of Wu Ziyi and Shi Lin.

"Why be ashamed? They are just like you" Ye Chen said to Jia Li, Ye Chen said that Shi Lin and Wu Ziyi are not outsiders and Jia Li should not be ashamed.

"This is so embarrassing," Jia Li said to Ye Chen, she told Ye Chen that this is so embarrassing.

"Then I will make you no longer embarrassed, you are the woman I have" Ye Chen said to Jia Li.

Ye Chen kissed Jia Li again and made her feel extraordinary comfort.

Jia Li quickly melted, she wouldn't possibly be able to survive the affection given by Ye Chen.

Ye Chen made Jia Li feel so comfortable and so beautiful.

"It's cheating, we also want to." Ye Chen and Jia Li were interrupted by Shi Lin and Wu Ziyi.

They also wanted to do it with Ye Chen, Shi Lin, and Wu Ziyi had enough restraint, and now they wanted Ye Chen.

"Don't worry, I will share it for you." Jia Li said she would share this with Shi Lin and Wu Ziyi.

Jia Li teased Ye Chen with a body that was so beautiful and so good to tease Ye Chen, using a body that was so beautiful and so good, she started to tease Ye Chen and showed such extraordinary abilities.

Ye Chen enjoyed this, he enjoyed the moment when Jia Li touched him.

Shi Lin and Wu Ziyi didn't want to lose to Jia Li, so they forced their way in between the two and started to join in.

"You guys," Jia Li saw that Shi Lin and Wu Ziyi couldn't stand it.

"It's cheating if it's just you. We want too" both of them tell us they want to.

"You guys," Jia Li was helpless when he saw this, he could only divide Ye Chen into Shi Lin and Wu Ziyi.

They started playing together.

Jia Li served in the middle, and Shi Lin and Wu Ziyi on the left and right.

They were all seen fighting for Ye Chen, no one wanted to give in.

Ye Chen had already decided he also wanted to make Shi Lin and Wu Ziyi happy with his abilities.

Because of this, he touched Jia Li, Shi Lin, and Wu Ziyi in turn.

"ahhhh . . ." Ye Chen's touch was so comfortable and so delicious, there was no way Jia Li, Shi Lin, and Wu Ziyi could survive that kind of feeling.

Chapter 2942 Comforting Jia Li, Shi Lin And Wu Ziyi (2)

"why are the hands you have so good" Shi Lin doesn't understand, why is this so comfortable.

When she tried to touch herself, the feeling she got was not like this, this feeling could only be obtained from Ye Chen.

"of course, that's because I trained well" Ye Chen said to Shi Lin.

"how did you train it so well" Wu Ziyi asked Ye Chen, she wanted to know how Ye Chen trained to become that good.

"Ziyi, he's just joking, he's not serious about what he's saying" Jia Li said to Wu Ziyi.

"Ahhh, so you are teasing me" Wu Ziyi finally realized that Ye Chen was teasing her.

"You are too innocent and easy to seduce" Shi Lin told Wu Ziyi.

Wu Ziyi was still innocent, she was too innocent to face Ye Chen.

"you tricked me" Wu Ziyi pouted, she seemed to be annoyed with Ye Chen, Ye Chen was so annoying.

"Hehehe" Ye Chen chuckled, Ye Chen had just succeeded in tricking Wu Ziyi.

lightsNovel "I will bite you for trying to trick me" Wu Ziyi bit Ye Chen's hand, she looked so annoyed with Ye Chen.

Ye Chen just smiled when he saw this, he had succeeded in making Wu Ziyi act cute in front of him.

"You two" Jia Li said to Shi Lin and Wu Zuyi.

Jia Li, Shi Lin, and W Ziyi immediately gathered together.

"Let's make a plan to defeat that person and show him who is boss," said Jia Li.

"That's impossible. Doesn't sister remember that person's strength, even if the three of us work together, it's very difficult to defeat that person" Shi Lin said to Jia Li.

It was very difficult to beat Ye Chen, Ye Chen was so strong and difficult to deal with.

"If we can work together well, I believe that we have a chance to win" Jia Li believed that they still had a chance to win against Ye Chen.

"I agree, let's try" They finally decided to work together to defeat Ye Chen, they would make Ye Chen feel comfortable until he couldn't say anything anymore.

"let's try" they finally decided to try it, they couldn't give up fighting Ye Chen, their pride was at stake in this matter.

"Let's find a better place" Jia Li said to Ye Chen, she told Ye Chen to find a better place from here.

"of course, come with me" Ye Chen understood. They went to a better room, and Ye Chen took out a bed that could accommodate the four of them.

"Where did you get something like that?" Jia Li asked Ye Chen.

"I deliberately brought it for preparation, who knows if it might be needed," Ye Chen said to Jia Li.

"So that's how it is, you are such a pervert husband," said Shi Lin.

"It can't be helped if you ask for it outside" Ye Chen smiled and imagined this.

"We would never do that, it's so embarrassing!!" Shi Lin, Wu Ziyi, and Jia Li said they would not do that.

"hahahahaha" Ye Chen laughed when he listened to what Wu Ziyi and Shi Lin said.

"Let's do it" Wu Ziyi said to Ye Chen, she wanted to do it with Ye Chen immediately.

"You impatient woman" Ye Chen said to Wu Ziyi.

"That's because I haven't done it for a long time, I miss you" Wu Ziyi said to Ye Chen.

Wu They are The most impatient one here, she last did it with Ye Chen a long time ago, and now she wants to do it with Ye Chen.

Wu Ziyi threw her body towards Ye Chen, Ye Chen caught Wu Ziyi's body, kissed her, and started to make Wu Ziyi feel comfortable.

With a kiss full of charm and passion, Ye Chen could easily make Wu Ziyi reach the peak so quickly.

"too beautiful and too great" Wu Ziyi was so happy, she enjoyed it.

Jia Li and Shi Lin saw that Wu Ziyi fell so easily, the match had just started and Ye Chen could easily make Wu Ziyi helpless.

Ye Chen smiled, and he looked toward Jia Li and Shi Lin.

"such a heavy opponent, we can't hold back," Jia Li said to Shi Lin.

"of course" Shi Lin agreed, they started to advance and came face to face with Ye Chen.

Jia Li and Shi Lin started to show the abilities they had, they were pretty skilled and had learned quite a lot of new techniques, it was hoped that with the latest techniques and skills they had learned, they would be able to face Ye Chen.

Shi Lin will be on top, while Jia Li will be on the bottom, Jia Li will tease Ye Chen's little brother on the bottom, while Shi Lin will kiss and make Ye Chen feel comfortable.

The two of them started working, Jia Li served Ye Chen below using her hands and mouth, meanwhile, Shi Lin served Ye Chen using her soft Cherry lips.

"You guys work so well together," Ye Chen said to Jia Li and Shi Lin, they both work so well together.

"of course, you should enjoy this" Shi Lin said to Ye Chen.

Jia Li was quite aggressive at the bottom, her movements became faster and made Ye Chen lose his footing.

Jia Li's skills are excellent, she could make Ye Chen's bones soft with her abilities.

Plus Shi Lin was blocking Ye Chen, so Ye Chen could only survive the temptation of two beautiful women.

With the combined strength of Jia Li and Shi Lin, the two of them easily made Ye Chen reach the top, it only took about 30 minutes.

"he held it very well" Jia Li said to Shi Lin.

Jia Li just drank all of Ye Chen's essence, it was perfect.

"Sister, me first" Shi Lin said to Jia Li.

"Of course, you can start first" Jia Li permitted Shi Lin, she was also quite tired from serving Ye Chen and needed to rest for a while.

"Thank you very much" Shi Lin was so happy she could start first.

"Husband, I'm going to start, are you ready" Shi Lin asked Ye Chen.

"Of course I'm ready," Ye Chen said to Shi Lin, Ye Chen told her that he was ready to face Shi Lin.

"If you please love me well" Shi Lin said to Ye Chen.

Shi Lin immediately entered Ye Chen's, Ye Chen's large object hit the deepest part.

Shi Lin makes such a comfortable face, the feeling of having a large object is too comfortable.

"amazing, fill me," Shi Lin said this is too big.

"I will start moving," Ye Chen said to Shi Lin.

"Wait a minute," Shi Lin said to Ye Chen.

It's a pity that Shi Lin was late and Ye Chen had already started to move.

"kyah . . ." Shi Lin groaned, every time Ye Chen reached the core, she felt such a wonderful feeling.

"too good, why are you so fierce?" Shi Lin ran into trouble, she wouldn't be able to last long, Ye Chen was too strong.

Ye Chen was quite hard on Shi Lin, he didn't hold back and showed full strength to Shi Lin.

Because of this, Shi Lin would not be able to defend against Ye Chen.

she quickly reached her limit, and finally, she collapsed.

Jia Li wanted to help but let Shi Lin do it for now.

Chapter 2943 Comforting Jia Li, Shi Lin And Wu Ziyi (3)

Jia Li thought that Shi Lin could last longer.

Who would have thought that he couldn't last more than 20 minutes and ended up being lost simply by Ye Chen.

"This is so great" Shi Lin was so happy, she got an excellent feeling from Ye Chen.

Although she was tired of such strong feelings in such a short time.

After Shi Lin, this is Wu's time they are, Wu Ziyi decides to go forward and start together with Ye Chen.

"I want to, you have to make me feel the same way as Sister Lin felt" Wu Ziyi had regained her strength, and because of this, she asked Ye Chen to help her.

"of course, I will help you" Ye Chen understood, he would help Wu Ziyi to get the same feeling as Shi Lin felt.

With that, Ye Chen helped Wu Ziyi, he gave Wu Ziyi a feeling that was beautiful and would not be easy to forget.

Wu Ziyi took off all her clothes, and a body that was so beautiful, smooth, and clean was in front of Ye Chen.

"little wife, what kind of position do you want?" Ye Chen asked Wu Ziyi.

"That . . ." Wu Ziyi thought for a while, she thought about what Ye Chen had said.

After Wu Ziyi thought for a while, she knew what to do now.

"That, I want," Wu Ziyi whispered to Ye Chen, she told Ye Chen what she wanted.

"of course you can" Ye Chen let Wu Ziyi.

"Then let's start" Wu Ziyi said to Ye Chen, Wu Ziyi seemed impatient to start with Ye Chen, she wanted to get a caress from Ye Chen immediately.

Wu Ziyi climbed onto Ye Chen's body, she wanted to try to lead, but different from Shi Lin, Wu Ziyi wished to show her abilities.

she wanted to tell Ye Chen she had such good and great abilities.

Ye Chen let Wu Ziyi show her abilities, Ye Chen wanted to see how strong Wu Ziyi's abilities were.

Does Wu Ziyi have such good abilities and is so good, it makes Ye Chen very curious about Wu Ziyi's abilities.

Does Wu Ziyi have such good abilities now, Ye Chen wants to see what abilities Wu Ziyi now has.

Wu Ziyi immediately put the large object in, she had a little difficulty in doing this.

"Much bigger than the previous one," Wu Ziyi said.

"Even though it's a bit difficult, I can do it" Wu Ziyi was confident, she could do it, and she wouldn't disappoint Ye Chen with her abilities.

Ye Chen saw Wu Ziyi's abilities, she moved up and down and began to show her abilities.

Her honey cave was so good she could control it well and tried to squeeze Ye Chen.

"Her abilities have improved" Ye Chen had to admit that Wu Ziyi had improved, the current her was so good and quite challenging to fight.

"This is so fun, husband, do you feel the same way?" Wu Ziyi asked Ye Chen.

"Of course, I also feel the same thing as you feel" Ye Chen felt the same thing as Wu Ziyi felt, a feeling that was so beautiful and comfortable.

"Then let's have fun" Wu Ziyi said to Ye Chen, she wanted to have fun together with Ye Chen.

"Of course" the two of them started sports and fell in love, it was a touching scene.

"Seeing them already makes me feel excited" Jia Li was so excited when she saw Wu Ziyi and Ye Chen play.

Jia Li enjoyed watching Ye Chen and Wu Ziyi play, they were both so flirtatious.

Jia Li had been holding back quite well, maybe it was time for her to stop holding back.

When both of them were at the peak of their pleasure, Jia Li decided to join in and tease Wu Ziyi.

"Kyahh . . ." Wu Ziyi was quite surprised by what Jia Li did.

"sister, what are you doing?" Wu Ziyi asked Jia Li.

"I just want to tease you," Jia Li saying that she wanted to tease Wu Ziyi.

Jia Li plays Wu Ziyi's double peak, the size may be smaller than Jia Li's, however, it is still quite comfortable to play.

"ah" the pleasure that Wu Ziyi is getting stronger and stronger, the pleasure is too strong, and she won't be able to hold on.

"no, I won't hold on, it's too strong, help," Wu Ziyi said that she would not survive, the stimulus given by Ye Chen and Jia Li was so strong, and there was no chance for Wu Ziyi to survive from both of them.

"Ahhh . . ." Wu Ziyi finally reached the top too much this time, she was so tired.

"Very good, then it's my turn," Jia Li said this was her time.

Ye Chen got up and carried Jia Li, he wanted to do it now with Jia Li.

"This is so embarrassing" Jia Li was so embarrassed by the position Ye Chen was currently using.

"You are the most seductive among them, this is the time to give you such a comfortable feeling," Ye Chen said to Jia Li.

Ye Chen wanted to give Jia Li a very comfortable feeling.

Ye Chen immediately gave her big object.

Ye Chen's large army entered and immediately invaded Jia Li's territory.

"Ahh . . , it's so powerful" Jia Li finally understood why Wu Ziyi and Shi Lin making a face like that, this feeling was so strong, and she wouldn't be able to survive Ye Chen's thing.

Ye Chen's spirit was now at its peak, he was speeding up even faster.

"No, you are too fast, ah. ." Jia Li got into trouble, she wouldn't be able to survive, the feeling given by Ye Chen was too strong, and she wouldn't be able to survive this kind of solid feeling.

"Isn't this very comfortable for you?" Ye Chen said to Jia Li, that Jia Li should feel very comfortable feeling from Ye Chen.

"This is comfortable, but I won't be able to survive" Jia Li will not be able to survive.

she would not be able to survive Ye Chen, who was currently using full strength, Ye Chen's opponent at full strength was very difficult, Ye Chen was so strong, and it was not easy to face Ye Chen who had used full strength.

Ye Chen increased his movement speed, he drilled even deeper, and made Jia Li reach the peak so quickly.

"ah" Jia Li reached happiness, what a beautiful and powerful feeling for Jia Li.

"You little guy, why are you so strong, You almost killed me" Jia Li said to Ye Chen.

Ye Chen was too strong, there was no way Jia Li could survive that.

"That's because my wife is too seductive and beautiful so that I couldn't help myself," said Ye Chen.

"Your mouth is too sweet, do you often eat sugar" said Jia Li.

Ye Chen's mouth was too good, this praise made Jia Li so happy.

After Ye Chen finished with Jia Li, the three of them finally advanced together, this time, they would be together with Ye Chen and make Ye Chen comfortable.

Ye Chen was beaten by Jia Li, Shi Lin, and Wu Ziyi, it won't be easy for Ye Chen to get out of the current situation.

Chapter 2944 The Party Invitation That Jia Li Had

The four of them did it all night, they had a good time and were tired.

Because last night was quite intense between them, they were very tired.

Last night was so beautiful, they enjoyed their time with Ye Chen.

"Young master" Zhang Ein came, she brought news to Ye Chen.

Zhang Ein entered so quietly, she didn't want to wake Wu up they are Shi Lin dan Jia Li.

Ye Chen immediately got up, and went and asked Zhang Ein.

"did you find anything" Ye Chen asked Zhang Ein.

"I found some clues and discovered their movements, they were targeting a young woman to gain power for someone," said Zhang Ein.

Zhang Ein explained what she got to Ye Chen.

"who is the person behind this" Ye Chen asked Zhang Ein.

"Most likely that person is a Demon who cultivates an evil technique that absorbs Yin Qi and the life of the opposite sex" said Zhang Ein.

"so, how are they moving" Ye Chen asked again.

"They were probably looking for you, after you saved Wu Ziyi Shi Lin and Jia Li, they are rebuilding their forces and trying to catch you" Zhang Ein explained that Ye Chen was their target.

"I don't mind too much if they come, I will face them all" Ye Chen will face them if they come.

"do you know their next target?" Ye Chen asked Zhang Ein about their target.

From what Ye Chen saw, they were targeting a big way because there were so many high-class female guests with high cultivation and Yin Qi.

"What a coincidence, there will be a big event that a high-class Realm near here will hold" Zhang Ein said to Ye Chen.

"the name of the place?" Ye Chen asked Zhang Ein.

"Masterpiece Star Realm, a star full of beautiful works and full of artist's imagination," said Zhang Ein.

"That means the people who will come are most likely educated," Ye Chen said to Zhang Ein.

"That's very true." Zhang Ein nodded, the place would be filled with people who were educated and could appreciate someone's art.

"Then I will go there" Ye Chen said to Zhang Ein.

"it will start in 2 days," Zhang Ein said to Ye Chen.

"I understand" Ye Chen nodded.

"You please make sure everyone is safe" Ye Chen felt that they would move on a large scale, and Ye Chen wanted Zhang Ein to protect everyone.

"I understand" Zhang Ein will protect the people, meanwhile, Ye Chen will come there to investigate this matter.

"If you have other news, you can contact me" Ye Chen said to Zhang Ein.

"I will do it" Zhang Ein will do this.

"Thank you for the hard work you have, it looks like you need a short rest" said Ye Chen.

"Thank you for your concern, but I'm fine, this job is too easy to do," said Zhang Ein.

Zhang Ein was so happy because Ye Chen was kind, she was so happy because Ye Chen was kind and cared for Zhang Ein.

Zhang Ein left, if she stayed too long in this place, she might disturb Wu Ziyi, Shi Lin dan Jia Li.

Ye Chen sat in a chair, he thought about the plan he had to carry out, he would not let people who tried to hurt Wu Ziyi, Shi Lin, and Jia Li get away with it.

"It's rare to see demons like that here, I rarely hear about them because here they have made peace," said Ye Chen.

It's possible that this person doesn't like peace and wants to create chaos, that is the goal of the person behind the scenes.

"I will find them" Ye Chen will find them, Ye Chen will not let them succeed after doing such a bad thing to an innocent women.

"Ummm . . ." Jia Li woke up, she found Ye Chen was not there and immediately went to find Ye Chen.

Jia Li saw that Ye Chen was sitting in a chair and was thinking about something.

Jia Li pulled the blanket and using it, she walked towards Ye Chen.

"thinking about something ?" Jia Li said to Ye Chen.

"um, thinking about something" Ye Chen nodded and said he was thinking.

"Then I want to join" Jia Li sat on Ye Chen's lap, and she leaned her body full of tenderness toward Ye Chen.

The body of a mature woman who was so perfect pressed tightly, an irresistible temptation.

Ye Chen tried to restrain himself, he knew that Jia Li was still quite tired after what happened.

"What are you thinking about?" Jia Li asked Ye Chen, she asked Ye Chen about what he was thinking right now.

"I'm thinking about the people who dared to attack you, I don't think I'll let them just get away," Ye Chen told Jia Li.

"so you still resent them?" Jia Li said to Ye Chen.

"Of course, what they did was quite bad, seeing how many people fell victim to them," said Ye Chen.

Ye Chen saw that there were so many victims, to be honest, he couldn't let this matter go.

There are so many innocent people being victimized by irresponsible demons.

Ye Chen could see how devastated they were when he sent them home, it seemed like it would affect their future.

"Strange, you shouldn't be carrying a burden like this, in this world, there are so many people and great powers, but they turn a blind eye to this problem and choose to ignore the problems happening," Jia Li said to Ye Chen.

"They are just greedy people, this problem will not be very profitable for them, and they will not bother to solve it," said Ye Chen.

Ye Chen had already solved quite a lot of problems, all this time, he had continued to solve all the problems and had never seen strong people from the Supreme God Realm solve a big problem.

Instead, they cause problems and destroy quite a lot of places, they don't seem to care about what happens and the lives of the people under them.

If Ye Chen had not intervened, there would have been more casualties.

Because Ye Chen didn't like having other people interfere, especially those who had nothing to do with it, he dealt with all the existing problems.

"Luckily, you are such a good person, I'm so happy you want to help," said Jia Li.

Jia Li was very happy because Ye Chen wanted to help, if there was no Ye Chen, maybe many things would have happened that would have made this place full of blood.

Ye Chen stroked Jia Li's head, Jia Li seemed to enjoy it when Ye Chen touched her head.

"what plans do you have next" Jia Li asked Ye Chen.

Jia Li wanted to know what plans Ye Chen had.

"I'm going to the Masterpiece Star Realm, I heard that there will be a party there for those who have masterpieces" said Ye Chen.

"oh, that place, I think it's a suitable place for you, you can make such good weapons and artifacts, I think your work can impress the people there.

"So that's how it is, I thought that place only showed paintings and writing full of meaning" said Ye Chen.

"It's not like that, as long as it is handmade and has value, then it can be considered a work, for example, the pills I made, that can also be included in their assessment."

"It's a place for creative people who can make anything, a perfect place for workers who want to express what they make."

Chapter 2945 Dating While Looking For Treasure

"oh, so it's like that, I understand" Ye Chen understood, a place that sounds good for those who want to be different from others and make something new for the world.

"I also got an invitation, want to go with me?" Jia Li said to Ye Chen.

"You have an invitation" Ye Chen said to Jia Li.

"Of course, I got it, it was sent several months ago and was specially prepared for a select few," said Jia Li.

"That's very good, if that's the case, I can enter easily" said Ye Chen.

"That's true, guests will be able to enter so easily," said Jia Li.

With the invitation Jia Li got, they could enter easily and there would be no inspection.

"then we will prepare everything" Jia Li said to Ye Chen.

"Are you also going to bring the students you have" Ye Chen said to Jia Li.

"No, last time I put them in danger, so now I won't let them be in danger" Jia Li said.

Jia Li didn't want to put them in danger, because of this, Jia Li decided not to let them go too far.

"Then we will go alone together" with that they will go together.

"Of course, I'm looking forward to it" Jia Li said that she was looking forward to it.

The next day, Ye Chen and Jia Li prepared themselves, they bought new clothes.

"What do you think of this dress?" Jia Li asked Ye Chen.

Jia Li chose a white dress, which looked so beautiful.

"Aren't you going to wear red, you often seem to wear dresses that are the same as your hair color" Ye Chen said to Jia Li.

"This time, I want to look different from usual." Jia Li said that she wanted to look different from usual.

"So that's how it is" Ye Chen nodded when he saw Jia Li.

"so what do you think?" Jia Li asked Ye Chen.

"so beautiful" Ye Chen said that Jia Li is so beautiful.

"Then I will take this thing" Jia Li said she would take this dress to attend the party.

After Jia Li got what she got, she chose something suitable for Ye Chen.

"how about you use this white coat?" Jia Li said to Ye Chen.

"Of course, I will use it, but please don't make it too flashy," said Ye Chen.

"You have such a good appearance, why don't you want anything too flashy?" Jia Li asked Ye Chen.

Jia Li wanted to know why Ye Chen didn't like things that were too flashy.

"It's a little troublesome for me" Ye Chen explained why he doesn't like troublesome things, he prefers things that are normal to wear.

"If you say that" Jia Li finally chose a normal-looking, ordinary suit for Ye Chen.

"Still quite handsome and suits you," said Jia Li.

Jia Li saw that Ye Chen was very suitable for using this, he was so handsome and brave.

"It's quite comfortable to wear," said Ye Chen.

Ye Chen felt that this was very comfortable to wear, Ye Chen could use it all day.

After all the preparations were complete, Ye Chen and Jia Li decided to leave, and they went to the party venue.

Ye Chen and Jia Li weren't in too much of a rush, that was because the event would be held tomorrow, and they still had quite a lot of time.

So they enjoy the trip in a relaxed manner and enjoy everything.

Jia Li took Ye Chen to go to various places, there were so many places that were so good and worth visiting for Ye Chen and Jia Li.

They try various new foods and things in every city they pass through.

until the next day they finally arrived at the Masterpiece Star Realm.

"we finally arrived at the Masterpiece Star Realm" Jia Li said to Ye Chen.

The Masterpiece Star Realm differed from some places within the Supreme God Realm.

This place has so many things, for example, the houses and buildings are so diverse and some look so strange, the weapons and artifacts are varied, and they are not afraid to try something new even though it looks quite strange.

Ye Chen looked around, he could see that there were so many things that made him interested as a maker of various things.

A place so full of color" Ye Chen felt that this place was full of different colors.

"do you like it?" Jia Li asked Ye Chen.

"Of course I like it, I want to try taking a look" Ye Chen said to Jia Li.

With that Ye Chen tried to look around, Ye Chen wanted to know things around.

Jia Li followed Ye Chen, she was also interested in various things around this place.

Ye Chen hopes to find something interesting nearby, that is the reason why Ye Chen is interested in this place.

"Yuechan" Ye Chen berkata pada Chu Yuechan.

"ya" Chu Yuechan menjawab Ye Chen.

"this is the time for treasure hunting" Ye Chen said to Chu Yuechan.

"Okay, let's look for good things around this place, I hope you find interesting things" Chu Yuechan said to Ye Chen.

lightsNovel Chu Yuechan will help Ye Chen, she uses her abilities to search for super valuable objects that she can find around this place.

Ye Chen and Chu Yuechan ended up hunting for treasures, they looked for good things around this place, and maybe they would find quite good things there.

"Master, there is a good thing there" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that she had found something.

"Where did you find it" Ye Chen went straight away, he wanted to know where Chu Yuechan found it.

"Did you see the hairpin with the bird carved on it?" Chu Yuechan said to Ye Chen.

"Yes, I saw it" Ye Chen had already locked the target, he just went and saw it directly.

"The hair ornament was made using fire Phoenix claws, a very rare item" Chu Yuechan said to Ye Chen.

"Oh, I see . . ." Ye Chen understood, he became so excited when he found out what he had discovered now.

"Young master, are you interested in something in my place?" a woman said to Ye Chen, it seemed like she was the owner of this place.

"I'm looking around" Ye Chen said to the seller, he shouldn't be too obvious, otherwise Ye Chen would be blackmailed by the woman in front of him.

"Please choose, this is an item that I happen to sell, made by many people who are full of art" she said to Ye Chen.

"everything looks so good" Ye Chen was excited and looked around.

First of all, Ye Chen asked every price in this place, this was so he could find out whether this seller knew or not what he was buying.

The average price of everything around this place was 10~200 Divine Rainbow Crystals.

This price is quite high for normal people, but for Ye Chen it is very cheap and there is no harm in buying it.

"Then, I'll buy some" Ye Chen took some, he took the one that Chu Yuechan said.

The seller was so happy to see Ye Chen buying a lot, it seemed like he had met a young master who was so extravagant in buying.

"Is it okay for you to buy that much?, it's too expensive" Jia Li interrupted, she asked Ye Chen.

The female salesperson was anxious when she saw Jia Li blocking, this woman was probably a partner of Ye Chen, if this woman took Ye Chen away, she would not get the profound crystal

Chapter 2946 Ye Chen And Jia Li Are So Romantic

she had to rack her brains so that Ye Chen wouldn't escape, she couldn't let Ye Chen escape, profound crystals were a necessary thing to survive in a cruel world.

"No, it's okay, I bought this for you" Ye Chen said that he bought this for Jia Li.

He wanted to make Jia Li happy with the phoenix decoration.

This was a gift that Ye Chen had deliberately chosen for Jia Li.

Jia Li seemed touched by that, Ye Chen took a good look at her.

"Young master has such good eyesight, since you are such a good couple, how about I give you a discount" The seller took advantage of the opportunity.

This is a very good opportunity to sell these items.

"You will give a discount, very lucky" Ye Chen said that he was lucky because he got a 30% discount, it saved more money.

Ye Chen didn't waste time, he just paid and took the item.

The seller felt so lucky se managed to get money from Ye Chen.

Ye Chen gave this to Jia Li, which might protect her from danger.

Jia Li was very happy when she saw Ye Chen give this, Ye Chen was so kind to give this to her.

"Can you pair it for me? I would be very happy if you could do that" Jia Li said to Ye Chen, she would be very happy for Ye Chen to do that.

"Of course, I will do that" Ye Chen did it, and he put the accessories on Jia Li.

Jia Li's appearance is getting better and better, she is already beautiful, and with that, she becomes even more beautiful.

"Damn, I'm so jealous, I can get such a beautiful woman with such a good body" The men around were jealous of Ye Chen.

They are envious of Ye Chen, who had gotten a beautiful woman like Jia Li.

"Wow, so romantic, why don't I get one like that" The women hoped that they would get a man who was so romantic like Ye Chen.

They were quite jealous of Jia Li, they prayed to get one so romantic as Ye Chen.

"This is very good, I am so happy with this, I will keep this well" Jia Li said to Ye Chen, she will keep this well.

"You look so beautiful" Ye Chen said to Jia Li.

"Let's go" Jia Li took Ye Chen, she was so happy to hug Ye Chen, two double peaks that were quite well developed were now clamping Ye Chen's arms.

"Chuuuuuu" After hugging Ye Chen, Jia Li kissed Ye Chen on the cheek.

"kyahhhh . . ." Many women screamed when they saw Jia Li's courage.

Jia Li was so bold, she kissed Ye Chen in front of so many people.

"Wife," Ye Chen said to Jia Li.

"What?" Jia Li asked Ye Chen.

"Didn't you attract quite a lot of attention?" said Ye Chen.

"Don't worry about them, this is a gift for you, if it weren't too busy, I would like to give you more," said Jia Li.

Jia Li chose such provocative words.

You're just getting braver" Ye Chen said to Jia Li.

Jia Li smiled mischievously, she was enjoying this.

Ye Chen wandered around, he wanted to find out if there was anything else interesting around, he was interested in these items.

Chu Yuechan helped find some things that might be interesting, it was a pity that some were too expensive and didn't fit the function, so Ye Chen ignored them.

Ye Chen had gotten something so good for Jia Li, Jia Li should be quite happy with this.

Ye Chen and Jia Li spent their time looking around and having fun, after spending enough time, it was time for a party.

"We finally arrived, at a large place with so many invitations, it is estimated that this place can accommodate around 100 thousand people at once, there are so many people from all over the world who came to attend this banquet.

And more than 60% are upper-class and noble women with decent Yin Qi.

"This will be a huge harvest for them" Ye Chen felt that their choice was not wrong, this place has so many people with high cultivation and decent Yin Qi.

Even though it wasn't as good as a body with pure Yin Qi, harvesting them all could make an evil cultivator ascend again and again.

"It looks like the demon will target all of them, it's likely that this will be a fairly large-scale battle," said Jia Li.

"You guessed the same thing as I did, this will probably be such a big battle, it's impossible to capture them with just a small force, they will definitely use quite a lot of force, or else. . ." Ye Chen thought for a while.

"or what?" Jia Li asked Ye Chen, she wanted to know what Ye Chen was thinking.

"or they will use poison to paralyze us," Ye Chen said to Jia Li.

"Just like that time, most likely, it's best to be alert to everything, be it food or things around you," said Jia Li.

"I myself am immune from that kind of thing, my natural enemy is only one thing" said Ye Chen.

"Then you can be safe, I will be careful," Jia Li said to Ye Chen.

"I will take care of you" Ye Chen said he would take care of Jia Li.

After discussing the plan and what they had to do, the two of them just went straight in.

Jia Li showed the invitation and got in there very easily, Using the invitation, she could get in easily without any problems.

After that, they went to look for a good place to watch the surroundings, Jia Li was near Ye Chen, the two of them were together and watched the surroundings.

Ye Chen deliberately didn't let Jia Li go alone, Ye Chen felt that Jia Li would run into problems if she went alone.

"Hello Miss Jia Li, tonight you are so beautiful and beautiful" there were several people who tried to approach Jia Li, they seemed to be Jia Li's acquaintances.

"Hello. . . all" Jia Li is quite friendly to them, they are acquaintances and are some of the people who often ask Jia Li for help in making pills.

So, Jia Li treated them well and didn't immediately expel them.

"Will you dance with us?" they all asked Jia Li to dance together.

Currently, several people are dancing and showing their abilities, they are showing new things, which are the art they have created.

"No, I already have an appointment with someone." Jia Li immediately rejected them all, she already had an appointment and wanted to do it with Ye Chen.

"You all get out of the way, this young master is the one who will do it with them" Everyone was chased away, and a man with an appearance of around 28 years old came over to Jia Li.

He was wearing clothes that had high value, it could be seen clearly because the clothes were covered in ancient runes that could protect against danger.

"Rich man?" Ye Chen saw that the person in front of him was a rich man, it was clear when he showed what he had.

Jia Li's face was so dark, of all the people in this place, this was probably the person she hated the most.

It had been a long time since Jia Li met this person, she thought this person had died long ago.

"Miss, come do it with me" he said to Jia Li.

"So you are still alive, I thought you were dead" Jia Li said to the man in front of her.

"Cough. . ." Jia Li's words were such a blow it made him almost vomit blood.

Chapter 2947 Song Samon, Arrogant Rich Man

"Miss Jia, that's evil" he said to Jia Li.

"I'm just telling the truth," Jia Li said, telling the truth to the man before her.

The person in front is Song Samon, who has been chasing Jia Li for a long time and wants to get Jia Li.

Song Samon thing not an alchemist, he was a rich young master who owned a large business and often bought from Jia Li.

That's when he met Jia Li and began to be interested in Jia Li.

"This man also has several women and hundreds of concubines, he is a rich man, and it is very common to see a man have so many women.

His target was Jia Li, he intended to take Jia Li to be one of his women.

"I want to dance with you" Song Samon said that he wanted to dance with Jia Li.

"I'm not interested in you" Jia Li immediately refused, she didn't seem to want this man.

If Jia Li had still given face before, she wouldn't do that to Song Samon.

This shows that Jia Li doesn't like Song Samon.

Song Samon's face twitched, he got such a cruel rejection from Jia Li, and this was the second rejection.

"pfttt. . . ." Ye Chen held back his laughter, he didn't expect that the situation would turn out like that, to be honest, Song Samon would be rejected so cruelly by Jia Li.

"Why did you reject me" Song Samon asked Jia Li.

Song Samon wanted to know why Jia Li kept rejecting him that way.

"It's simple, I don't like you, you're not a very good man, you even sent people to peek at me, and I don't like that" Jia Li said to Song Samon.

This was one of the reasons why Jia Li didn't like Song Samon, this man used force to try to find out secrets and used it to suppress him.

If Jia Li wasn't alert, he might end up in this person's hands.

"How despicable" the people around whispered.

Luckily, this place was so wide and big, so not everyone noticed Song Samon and Jia Li.

Jia Li and Song Samon were people from a lower star class than a high-class star, so it wasn't strange that those at the top ignored them so much.

For those people who are in the middle and lower classes, this is such an exciting spectacle.

Song Samon's face became so dark, who would have thought that Jia Li would say this in front of everyone, his reputation could be ruined because of trouble.

"And what's more, I haven't told you yet, I've found a suitable partner, so why don't you just go" Jia Li pulled Ye Chen forcefully, she told Song Samon that she already had someone in her heart.

"ehhh, very attractive handsome man"

"Is he Jia Li's little lover?"

"It's possible that Jia Li raised him"

"He's still so young, does Jia Li like things like that?" Several people who knew Jia Li started discussing this matter.

Jia Li didn't seem to care much about this matter.

she wanted to show Ye Chen to everyone and there was no shame in admitting this.

"Huh, are you serious, that kind of boy, do you think he is worthy of you" Song Samon said to Jia Li.

He even pointed at Ye Chen and looked down on Ye Chen.

For Song Samon, Ye Chen was nothing more than a kid, so he looked down on Ye Chen so much and didn't think highly of him.

"So what if he's still young, he's much better than you, he's also more handsome and more established than you" Jia Li mocked Song Samon.

Jia Li didn't like it when she heard Song Samon mock Ye Chen, Ye Chen was better than Song Samon.

"You said this person is much better, you must be joking with me, I am much better, I have such strong assets and business," said Song Samon.

"Very interesting, are you really that rich?" Ye Chen was interested when he listened to what Song Samon said.

"Of course, you have to know the place you have, there is no chance for you to win from me" Song Samon said to Ye Chen.

"ehhh, really," said Ye Chen, Ye Chen didn't believe what Song Samon said.

"Damn, you dare to look down on me, you will soon find out that I am so rich and so great" Song Samon said to Ye Chen, he would show Ye Chen that he was so rich.

"Come on, show me what you have, don't just talk big in front of me" Ye Chen said to Song Samon.

"You will see" Song Samon took something out of the Space Ring, he took out a pill that looked so perfect and shiny.

"Look carefully, this is a Tier eight pill with a purity of 98%, it is such a powerful and amazing pill.

"Tier eight with a purity level of 98%, he is really rich" Many people looked at Song Samon's hands, they thought that Song Samon was so rich, he was really rich enough to put out something like that.

"Only 98% ?" Ye Chen asked Song Samon.

"What are you saying, how dare you look down on it, this was made by a top level alchemist in God Realm and it's not easy to get something like this, even rich people would find it difficult to get it" said Song Samon.

"A person like you will never be able to get something like this in your life," said Song Samon while belittling Ye Chen.

"Is what he said true?" Ye Chen asked Jia Li.

Ye Chen didn't know if it was so great, Tier eight was not that high, the current Ye Chen could even be at levels eight and nine, but only level ten was still challenging and full of failures.

"For a Tier eight Pill with a purity level of 98%, that is already very good, there are only a few people with that kind of ability in this world," said Jia Li.

"Is that true?" Ye Chen felt that they might be too weak.

"How about it, do you already know this? What can you really have? You can only depend on Miss Jia Li to live," said Song Samon.

Song Samon underestimated Ye Chen, Song Samon thought that Ye Chen depended on Jia Li for his life.

"?, is that something you have, if that's all I have too" said Ye Chen.

"Huh?" Song Samon looked at Ye Chen, he saw Ye Chen like a fool who didn't know anything.

"miss Jia Li, where did you get this idiot, he seems to know nothing," Song Samon said to Jia Li.

"Don't look down on someone too much, you haven't seen it yet," said Jia Li.

"hahahahaha" Song Samon laughed, there were also several people who laughed when they heard Jia Li's words.

It was clear that they didn't believe that Ye Chen could win.

Despite his arrogance, Song Samon does have quite a lot of assets, most people here know about this.

"Then I will bring out something good, I hope you have something to fight it" Ye Chen said to Song Samon.

"Come on, just take it out, don't hesitate, let yourself embarrass yourself in front of everyone," said Song Samon.

Song Samon wanted to see when Ye Chen embarrassed himself in front of so many people, it would be fun to see that.

Chapter 2948 Song Someone Wanted To Show The Power Of The Artifact

"Then I will show it to you" Ye Chen said he would show it to Song Samon.

Ye Chen immediately showed a Tier Eight pill with a purity level of 100%, this pill was perfect, and there were almost no defects that could be seen.

"What?" everyone saw the pills that Ye Chen had, to be honest, it shocked them all when they all saw what Ye Chen had just taken.

"Amazing, he's so rich, I didn't expect him to be like that" there were so many people who didn't believe that Ye Chen was so rich.

Being able to take out pills of such good quality, they believed that Ye Chen was so rich that he was able to take out something like that so easily.

"no way, where did you get something like that?" Song Samon almost couldn't believe what he saw, what happened surprised him.

"Why are you asking where I got this from, does it matter ?" Ye Chen said to Song Samon.

"Of course it's important, someone like you won't be able to get something like that" Song Samon said that Ye Chen wouldn't be able to get something like that in his life.

Ye Chen just smiled, this young master in front of him was so stupid he even looked for unreasonable reasons.

"Just accept the defeat you have, to be honest, he is much better than you" Jia Li said to Song Samon.

"That's right, it must be you who gave that thing" Song Samon pointed at Jia Li, most likely, Jia Li was the person who gave that thing to Ye Chen.

If it was Jia Li, then she could do that, it was quite easy for Song Samon to get something like that for Ye Chen.

"No, I didn't give that thing, it was his" Jia Li said to Song Samon.

Jia Li didn't give that, why did Jia Li give that, it was clear that Ye Chen had a lot more than she did now.

"Cunning woman, you don't want to admit it," said Song Samon.

"Such a ridiculous question, why should I admit it?"

"It's purely his, if you're not as good as him, it's better, you just leave, you'll lose more face" Jia Li told Song Samon to leave, otherwise, he would lose more face.

"Don't underestimate me, I still have more" Song Samon said he still has many more things.

Song Samon took out an artifact to fight Ye Chen.

Song Samon took a boxing glove that looked so good and so luxurious.

"I didn't think that someone could force me to show this." Song Samon didn't think that anyone could make him show this.

"It is . . ." they were all immediately interested in what Song Samon had taken.

"It's an Earth Tier weapon, he actually has something like that" there were so many people who were shocked when they saw Song Samon had an Earth Tier weapon.

A weapon so strong and so great.

"Where did he get something like that from?" Everyone looked at Song Samon's weapon with envious eyes, to be honest, they also wanted to have one.

"This person is so stupid" Ye Chen saw that Song Samon was so stupid to say something like that in a place like this.

"You fought such a fool, showing such things to others, does he think he is an untouchable king, there are definitely so many people who will target that person" Chu Yuechan said.

"I totally agree with you, this person is so stupid" Ye Chen agreed with Chu Yuechan's statement.

"so what now, are you going to join in that person's game" Chu Yuechan said to Ye Chen.

"Of course I'll come, I want to have a little fun and try out some of the weapons I have."

"Even though the weapon I will use is Tier 10, I think it is still capable of dealing with that person's weapon" said Ye Chen.

Ye Chen was so confident that he could fight the weapons that Song Samon had.

"Good luck," Chu Yuechan said, encouraging Ye Chen.

"You are really rich, I don't have something like that, but I have a Tier 10 weapon which is much stronger than those gloves" Ye Chen said to Song Samon.

Ye Chen didn't want to take out something too good, it would be better for Ye Chen to take out one of the weapons that could compete with the glove artifact that Song Samon had just taken out.

"Hahahahahaha" Song Samon laughed when he heard what Ye Chen said.

"Are you stupid, has no one ever taught you about the levels of artifacts, Tier 10 and Earth Tier are quite far apart, it's like heaven and earth?" Song Samon said to Ye Chen.

"Is that so, but I don't know if it's real or fake, why don't we try?" Ye Chen said to Song Samon.

"You want to fight me, fine, I will grant your wish" Song Samon said that he would grant Ye Chen's request.

"anyone wants to compare notes, give them space" they gave Ye Chen and Song Samon space.

This spectacle made this party even more interesting, several people took the wine and wanted to see the strength of each artifact that Ye Chen had.

If it were Song Samon's Earth Tier artifact, then Song Samon's victory would be 100%, as Song Samon said, Tier 10 and Earth Tier were so far apart, it was like heaven and earth.

"Want to attack first, I will give you the opportunity to attack me first" Song Samon said to Ye Chen.

"Are you sure?" Ye Chen said to Earth Tier.

"Of course, I'm so sure, don't hesitate to use all the abilities you have" Song Samon said to Ye Chen.

"Do whatever you want, there is no chance for you to win" Song Samon laughed at Ye Chen, there was no chance for Ye Chen to win.

"Alright, I'll attack first" With that Ye Chen intended to attack first towards Song Samon.

"Master, aren't you very skilled in using heavy weapons like when?" Chu Yuechan asked Ye Chen.

"So what? Is there a problem with that?" Ye Chen asked Chu Yuechan.

"No, it's just that it's not very good for you" Chu Yuechan said to Ye Chen.

Chu Yuechan felt that it could have been better for Ye Chen.

"Don't worry, even with a weapon like this, I can beat this person" Ye Chen said to Chu Yuechan.

"Come on what are you waiting for" Song Samon said to Ye Chen, he told Ye Chen to attack.

"Let's attack him" So many people told Ye Chen to attack Song Samon.

Ye Chen finally came forward, he attacked Song Samon who was in front of him.

Ye Chen swung his axe towards Song Samon.

Song Samon was wearing gloves, he intended to block Ye Chen's attack by using his one hand which had the strength of peak Earth Tier.

"Boom . . ." Ye Chen landed an attack on Song Samon's body, Song Samon's artifact was immediately destroyed when it received Ye Chen's strong attack.

Song Samon's hand was badly injured, I don't think it will be used again.

"Arghhhhh . . ." Song Samon shouted, how could this happen, he had just lost to Ye Chen.

Chapter 2949 Paralyzes Everyone With Poison

"he destroyed it, is it really Tier 10?" Some people had doubts when it was so strong in Ye Chen's hands that it could destroy Song Samon's artifact.

"Impossible, damn this can't be happening" Song Samon couldn't believe that this was all happening, it could be said that he didn't accept the result of the fight.

"How about it, do you like the weapons I have?" Ye Chen asked Song Samon.

"Bastard, how could you destroy mine" Song Samon asked Ye Chen.

"You're still asking me? Why don't you ask yourself, is it real or fake?" Ye Chen said to Song Samon.

"False?" everyone was finally enlightened, maybe Song Samon had been lying to them all this time.

If it was indeed a top-level artifact, then there was no way Ye Chen could destroy it so easily.

"it turns out he was just a liar" people started criticizing Song Samon for telling them something fake.

"This is not fake, this is real" Song Samon said that if this was all real, there was no way he would buy something fake like that, he wouldn't do that.

"It's useless, the facts speak for themselves" Ye Chen said to Song Samon.

Ye Chen told Song Samon to give up, everything had happened, and he had dug his grave.

"that was great" Jia Li said to Ye Chen, she told Ye Chen that it was so great.

Ye Chen beat Song Samon so well that he showed his abilities.

"Look at that guy, he's so embarrassing" there were so many people who started talking about Song Samon, they all started saying insulting words towards Song Samon.

Song Samon was so annoyed by this he was humiliated like this by Ye Chen.

"This can't be allowed, I will start killing that person" Song Samon couldn't allow this, he would start to kill Ye Chen.

Song Samon advanced towards Ye Chen, he started to attack Ye Chen using other weapons he had.

Song Samon took out a long knife which he would use to attack Ye Chen, as long as he could stab Ye Chen using this knife, he would win.

"Bastard. . . , I will send me to death" Song Samon said to Ye Chen, he would send Ye Chen to a painful death.

"Don't do stupid things in front of me" Jia Li snapped her fingers, and when Jia Li did that, Song Samon's body immediately burst into flames.

Song Samon only touched one fire petal, and that one fire petal immediately burned his entire body.

"Gahhh, hot, forgive me" Song Samon said to Jia Li.

He begged Jia Li for forgiveness, he rolled over to put out the fire in his body.

Jia Li's fire was not that weak, there was no way it could be extinguished so easily, it would not be easy to extinguish Jia Li's fire.

"You deserve it, who told you to bother him?" Jia Li will not show mercy to people who try to bother Ye Chen.

"let's go, just leave him alone" Jia Li said to Ye Chen.

The two of them finally left Song Samon.

"Is that okay?" Ye Chen asked Jia Li.

It was possible that Song Samon would die if they let him continue like that.

"It's okay, he won't die, at most he will only suffer serious injuries," said Jia Li.

"It looks like it will cause problems" said Ye Chen.

"It's okay, he dared to try to kill you, how could I give leniency to the person who dared to do that to you?" Jia Li would not give leniency to the person who had tried to kill Ye Chen.

"Thank you for your concern, I'm fine," said Ye Chen.

Sometime later, the fire on Song Samon's body was extinguished, people started to take him to a safe place.

Song Samon will remember this night, this will probably be the worst night for Song Samon.

Ye Chen and Jia Li returned to the post, they kept an eye on what was happening around them.

"husband, no movement?" Jia Li told Ye Chen, she had not discovered any strange movements.

"I don't see any strange movements around this place, they are very careful in moving" Ye Chen said to Jia Li.

To be honest, Ye Chen also didn't find any traces of the enemy, the enemy did very well and barely showed a trace of the surroundings, this was tricky.

Ye Chen didn't doubt Zhang Ein's information, in fact, he thought that the enemy was planning something quite big, if Ye Chen didn't see it then the enemy was planning something quite big.

"Okay everyone, the party is about to start, you all better get ready, because there will be so many beautiful work exhibitions.

Many exhibits are put out, lined up neatly, and everything is taken care of by experts.

Almost everything is in this place, from paintings, weapons, artifacts, pills, furniture, and many more things that can be found.

Of course, some are prototypes and will be sold if the market likes it, these are the works they have.

"There are so many interesting things, what do you think?" Jia Li asked Ye Chen, she wanted to know Ye Chen's opinion on the matter.

"Not bad," Ye Chen said, saying that all that was not bad.

Honestly, Ye Chen was a little disappointed, there was nothing good he could find here, this was disappointing for Ye Chen.

"It's a shame, there's nothing good we can find here" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen there was nothing good they could find here.

"That's true, there's nothing good, I'm disappointed, I thought there was something good here.

As people started to get busy, the sky started to get cloudy.

"master . . ." Chu Yuechan berkata pada Ye Chen.

"Hmmm?" Ye Chen saw what Ye Chen said, something started to happen.

"This?" Ye Chen tried to find out what happened, when Ye Chen danced tofu, a mist fell and enveloped the place.

"master, a poison paralyzes a person" Chu Yuechan said to Ye Chen.

"this husband" Jia Li said to Ye Chen.

"You enter the fairy gate first" Ye Chen said to Jia Li, he told Jia Li to enter the fairy gate.

Ye Chen put Jia Li in, Ye Chen did this because Jia Li would not be able to survive the poison.

"Everyone is paralyzed and starting to get drunk, this poison might not be lethal.

Even though it won't kill, it can still paralyze everyone, everyone can easily become paralyzed if exposed to this.

"There were several people who tried to get out, unfortunately, those who tried to escape were immediately paralyzed.

Many people fainted, all of them unable to survive the poison.

Some people are still conscious, even though they are still conscious, they are still unable and unable to survive the poison.

They can't think and are like drunk people.

After they all knocked out everyone, several hundred people appeared, and all of them appeared with swords.

They had already slaughtered all the guards outside, so no one would notice they were currently carrying out their plan.

"All of you, quickly bring women with good quality, we only have 2 hours, everyone move quickly" they moved quickly.

They all move quickly to get the best women.

Just like before, they looked for women with pure Yin Qi and beautiful looks, they could easily find beautiful women among everyone here.

Chapter 2950 Bao Dialan, The Arrogant Little Devil

"We got such a good harvest" they were all so happy because they got the harvest, surely they could get quite a lot of gifts from them.

Ye Chen is currently lying with someone nearby, Ye Chen pretends that he was hit by poison from the enemy and fainted.

Even though Ye Chen was fine, there were no wounds on Ye Chen's body, and Ye Chen was very healthy.

Ye Chen watched them all, and after he noticed them, he started to move.

They were all caught off guard by their surroundings, this was a very good opportunity for Ye Chen.

Ye Chen attacked them all using One Hundred Thousand Fire Swords.

The flying fire sword just went straight and straight away and stabbed everyone.

"aghhh . . ." they were all stabbed in the back.

Several strong people could survive Ye Chen's attack, they were all immediately alert.

Ye Chen appeared in front of the guards, they all turned out to be Demons with a dark and evil aura.

"Is there anyone still surviving?" they all looked at Ye Chen, and they could see that Ye Chen could still survive the poison.

"Hello all of you, are you ready to fight me" Ye Chen said to them.

"who is this person?" they all didn't know Ye Chen, instead they were wondering who the real Ye Chen was.

"I don't need to introduce myself to you, you will all know who I am" Ye Chen said that they would all know who he was.

"quickly kill him" the leader ordered to kill Ye Chen.

They all just killed Ye Chen, they tried to kill Ye Chen using their full strength.

A darkness attack was used to attack Ye Chen, they intended to attack Ye Chen by using such a powerful darkness attack.

"Ye Chen resisted every attack launched toward him.

"He endured it all" They could only gape when they saw Ye Chen endure it all alone.

"what do you do, end that person, use the power you have" the leader said to defeat Ye Chen immediately.

"We understand" they all understood, they surrounded Ye Chen again and started to attack Ye Chen using attacks that were much more deadly than before.

They created a blade from the power of darkness, and using the blade from the power of darkness, they tried to kill Ye Chen.

The blade of darkness is so powerful and can cut through everything, it can cut through human bodies easily.

Their "dead" all targeted Ye Chen, they tried to kill Ye Chen by using attacks that were so powerful and so deadly.

"Stop doing useless things like that" Ye Chen waved his hand, and he immediately destroyed the opponent using a wave of his hand.

"What?" they all flew and suffered such heavy injuries that there was no way they could recover after receiving Ye Chen's strong wind.

"so great, is that the power you have?" the enemy leader finally came forward.

It seemed like this problem wouldn't be able to be resolved if he hadn't killed Ye Chen.

"You are the person responsible for this matter, aren't you?" Ye Chen said to the person in front of him.

"Of course, I am in charge of this matter" he said to Ye Chen.

"Very good, then I can find out what happened from you" Ye Chen will look for the mastermind behind all this.

"You won't be able to do that, this place will become a grave for you" he said to Ye Chen.

He took out a sword prickly with tip thin, a sword that is so rare and can kill an opponent with just one touch.

"a sword full of sin, full of poison" Ye Chen could see that it was a sword full of poison and would be dangerous if hit.

"You have sharp eyes, this is indeed a poisonous thorn sword, once you touch this thing, you will be finished immediately" he said to Ye Chen.

"As long as you don't get attacked, then it's fine" Ye Chen said that he wouldn't get hit by an attack from the opponent.

"Just try to block this attack" He decided to move forward and attack Ye Chen.

This person had such fast speed that in just a few milliseconds, he was near Ye Chen and immediately attacked Ye Chen.

"die. ." He said to Ye Chen.

Ye Chen used one finger, he held the poison thorn sword with one finger.

"huh?" the person in front was shocked by what Ye Chen did, Ye Chen blocked the attack with just one finger.

"blunt sword, do you think you can beat me using a blunt sword like that?" Ye Chen said to the Demon before him.

"Impossible, this must be a joke" he didn't believe Ye Chen could withstand this attack.

"Clang" Ye Chen flicked his finger, he made the person in front of him bounce and hit a very large pole.

"I thought you were a great person, it turns out you are so weak, without poison you are not an opponent for me" Ye Chen said to the Demon before him.

The poisonous thorn sword was even split into two pieces by Ye Chen.

Ye Chen didn't kill the Demon in front of him, he wanted to find many things from that person.

"Time to look into this problem" Ye Chen wanted to find out about this problem.

Ye Chen dug up information from this person, he made this person say everything.

Ye Chen got information about everything that happened, he almost found the person behind all this.

"master" Chu Yuechan gave Ye Chen a warning.

Ye Chen got up, and resisted the sneak attack from the enemy.

Ye Chen blocked all the attacks, the person who did the sneak attack was too brave to fight Ye Chen.

"So this guy isn't the strongest person?" Ye Chen finally knew that this person was not the strongest.

"not bad, a human-like you dares to interfere with our plans," a boy appeared before him.

"Huh?, a boy, what are you doing in this place?" Ye Chen saw that the person who attacked him was a small boy.

"How rude, I'm much older than you, you rotten human," he gave off an intimidating aura towards Ye Chen.

"? ? ? ?" Ye Chen was silent, looking at the opponent's strength before him.

"What's wrong?, Are you afraid of the power I have" he said to Ye Chen.

He had just demonstrated his strength in stage four of Immortal True God Realm.

"So weak, a brat like you wants to show off in front of me?" Ye Chen said to the person in front of him.

"Damn, you despicable cultivator, I will destroy you" he said to Ye Chen.

"I am Bao Dialan, one of the people who will become the most feared Demon in this world" he said to Ye Chen.

Stop talking nonsense and come down, I don't have time for brats like you" Ye Chen said to Bao Dialan.

Bao Dialan was so angry that this human in front of him dared to provoke him.

"You will regret it, I will cut us into pieces," Bao Dialan told Ye Chen.

Bao Dialan attacked Ye Chen, this person had a whip weapon in his hand.

"Dead, he swung the whip at Ye Chen, and the whip was immediately aimed at Ye Chen's neck.

"Blink!" when the whip was about to hit Ye Chen, Ye Chen's body disappeared.

"apa?" Bao Dialan was shocked when he saw Ye Chen disappear.

"not bad, this ends the battle in one move." Ye Chen was behind his opponent.

He activated Nine Shadow Steps to sneak behind Bao Dialan
