### Chapter 2951 Get Information From Bao Dialan

"he's fast" Bao Dialan finally realized that Ye Chen was so fast.

Bao Dialan should not underestimate Ye Chen's speed.

Bao Dialan immediately retreated and tried to keep his distance from Ye Chen, he had to reconsider when attacking Ye Chen.

"I won't let you run away that easily" Ye Chen wouldn't let Bao Dialan run away so easily, Ye Chen used his foot and kicked Bao Dialan in the face.

"Boom!" Bao Dialan fell and hit the ground, making a huge hole.

Ye Chen stood aside, he looked at the flying clouds of dust.

Bao Dialan got up, his figure was easily visible to Ye Chen.

"Can you still survive an attack like that?" Ye Chen looked straight at Bao Dialan.

"What a damn thing, you dare to hurt my face, I will gouge your eyes out" Bao Dialan was so angry with Ye Chen, he was so angry with what Ye Chen did, what Ye Chen did make him so angry.

"Shut up" Ye Chen launched another attack, he kicked Bao Dialan in the face again.

"Gahhh. . ." This was the second time Ye Chen kicked him.

"Why, why could he make me like that?" Bao Dialan didn't understand where Ye Chen could do this.

Ye Chen had caused himself to lose a lot of face and suffer injuries.

"I will kill you, I will kill you! ! !!" he said to Ye Chen.

More precisely, he shouted at Ye Chen, he wanted to kill Ye Chen.

An aura of darkness disappeared from Bao Dialan's body, Bao Dialan began to turn into a monster with eight-pointed horns that looked like a deer and big hands.

His body remains small, only his hands are so big and look so strong.

"Get ready I will kill you," Bao Dialan said to Ye Chen.

Bao Dialan's whip began to merge with his body, the whip now merged with his horns, the eight horns on top of his head turned into weapons that could be moved at will.

It could be used to attack Ye Chen.

"You die" eight very long whips started dancing around Ye Chen.

Ye Chen used his fingers to block every attack from Bao Dialan.

Bao Dialan's attack was indeed fast, even though it was fast, Ye Chen was still able to follow the attack, the result was that Ye Chen blocked all attacks.

"human, how long are you going to last like that, just die in my hands," Bao Dialan said to Ye Chen.

"I can still hold this well, let's see how long you can last against me" Ye Chen said to Bao Dialan.

"Damn it, don't underestimate me, I can last longer compared to you" Bao Dialan could last longer, his profound energy was stronger and greater than Ye Chen.

The two of them were still fighting each other, Ye Chen defended, meanwhile Bao Dialan attacked Ye Chen.

Their battle looked so fierce, but if you look closely, Ye Chen was still quite relaxed against Bao Dialan.

"Aren't you tired of playing with him?" Chu Yuechan said to Ye Chen.

"I just want to see if he can last longer" Ye Chen said to Chu Yuechan.

"It was a waste of time" said Chu Yuechan.

"It's okay, I will use Clone to guard around," Ye Chen said to Chu Yuechan.

Ye Chen wasn't in too much of a rush, so he could relax enough and start to fight Bao Dialan.

Bao Dialan realized something, Ye Chen was currently stalling for time, plus he wouldn't be able to maintain this form for long, if it continued like this, he wouldn't be able to defend against Ye Chen.

"So that's the goal of this person, I'm like that off guard, I have to end this battle quickly" Bao Dialan felt that Ye Chen was fooling him, and because of this, he had to end this battle as soon as possible.lights

"Demon God Slayer Whips" he started to combine eight whips into one piece, he did this to create a whip that was stronger than the current one.

"I'm sick of playing with you, let's end this with one attack" Bao Dialan said to Ye Chen, he told Ye Chen that he wanted to end this battle in just one attack.

"Are you bored of playing with me, what a shame, even though I wanted to play with you longer" Ye Chen said to Bag Dialed.

"You better prepare yourself to be destroyed" Bao Dialan said to Ye Chen, he would destroy Ye Chen with his full strength.

"The whip became so big and strong that the power of the attack should be enough to destroy Ye Chen.

"die" Bao Dialan said to Ye Chen, he told Ye Chen to disappear.

"Catch" Ye Chen caught the opponent's attack, using his bare hands he could catch the opponent's attack so casually.

"What?" Bao Dialan was shocked when Ye Chen caught his attack.

"this person?, how strong is this person?" Bao Dialan couldn't understand Ye Chen, he couldn't understand the power that Ye Chen possessed.

According to Bao Dialan, Ye Chen's strength was so strong and great.

It's a difficult thing to understand.

"time to end this game" Ye Chen used the God Fire Sword. The fire sword condensed and started to become so big and so strong.

A thing that could destroy Bao Dialan.

"?" Bao Dialan didn't understand what was happening, the power used by Ye Chen was so strong, was Ye Chen really that strong?

"destroy" Ye Chen moved the God Fire Sword, heading towards Bao Dialan

Bao Dialan's body was penetrated, and Ye Chen crushed him.

"I lost? this can't be happening" Bao Dialan couldn't believe he had lost to Ye Chen.

"You've lost, time to find out more" Ye Chen found out more, he needed more information from the opponent.

Ye Chen finished looking for the information he needed from Bao Dialan and his followers. Now he knew who the person behind all this was.

"so that person is the person behind all this" Ye Chen finally knew the person behind all this.

"Isn't that the person Yin Xizu said?" Chu Yuechan said to Ye Chen.

"That's indeed the person" Ye Chen nodded, it was indeed the person Yin Xizu said.

The Demon God Commander was behind all this and the one who had wreaked havoc.

"Since it has come this far, I will fight it" said Ye Chen.

"Maybe you can talk to Yin Xizu, it will be very helpful for you against the enemy," Chu Yuechan gave a suggestion.

Yin Xizu had fought a demon god commander, so he should know the enemy's weakness.

"I will talk to him." Ye Chen will discuss this with Yin Xizu.

after the battle was over, Ye Chen took Jia Li out.

"Finally I'm out, husband, you are very mean for throwing me, even though I want to help you" Jia Li said to Ye Chen.

"It's not very good for you, you won't be able to survive the poison, and it will be difficult to move if you faint" Ye Chen said to Jia Li.

"I understand." After Ye Chen explained, Jia Li finally understood and accepted it well.

"what are you going to do with these people?" Jia Li asked Ye Chen.

"Don't think about it, they will wake up now, now let's go somewhere," Ye Chen said to Jia Li.

Chapter 2952 Caught Up With Yin Xizu

Ye Chen took Jia Li to go to Yin Xizu's place.

"hey, why are we going to this place?" Jia Li asked Ye Chen.

"we will meet someone who knows enough about the enemy we are facing" Ye Chen said to Jia Li.

Ye Chen tells Jia Li they will meet someone who can tell them the enemy they are facing now.

"So that's how it is, I understand" Jia Li got a satisfactory answer from Ye Chen.

Ye Chen and Jia Li arrived at Yin Xizu's palace.

"master" they were greeted quite well by Yin Xizu's servants.

"Is she in there?" Ye Chen asked about Yin Xizu's whereabouts.

"The young lady is not inside, she has been gone for quite a long time because of an assignment" the maid said to Ye Chen.

"an assignment?" Ye Chen didn't know about it.

"That's very true, I heard, he is hunting down enemies from the past or something," they told Ye Chen.

"okay I understand" Ye Chen understood. It seemed Yin Xizu had made her move, it seemed they had the same goal.

"Then I will go" Ye Chen said he would go too.

"don't you want to stay here?" they asked Ye Chen.

"I still have a business to attend to, it looks like I won't be able to stay here" Ye Chen told her that he had business and wouldn't be able to stay.

"Thank you very much," Ye Chen said, grateful.

"Then we will go" Ye Chen decided to go with Jia Li.

"Goodbye," they all said goodbye to Ye Chen and Jia Li.

"You know all of them, you are quite popular," Ye Chen said to Jia Li.

"Not really, I'm not very popular like that" Ye Chen said to Jia Li.

"so where are we going now?" Jia Li asked the enemy.

"It seems that she has already moved first, then we will also go there" Ye Chen said to Jia Li.

"Understood" Jia Li and Ye Chen immediately approached the enemy, she already knew where they were now.

"It seems we are a little late, that person must have harvested too much Yin Qi from the woman, maybe she has already recovered," Chu Yuechan said to Ye Chen.

"That's true, most likely the demon god commander has already fully recovered.

"You look quite relaxed, it seems like you're not afraid at all" Chu Yuechan said to Ye Chen.

"Why should I be afraid?" Ye Chen said that he wasn't afraid, besides why should he be afraid of something like that?.

"You are right, why should you be afraid of something like that" Chu Yuechan also agreed.

Ye Chen had trained together with Shen Niang and Zhang Ein, he was now much more confident in his abilities and strength.

The two of them would travel quite far, so they used the profound ark to save energy.

"Husband, why don't you tell us what kind of enemy we are going to fight" Jia Li asked Ye Chen.

Jia Li wants to know what kind of enemy Ye Chen will fight.

"are you curious ?" Ye Chen asked Jia Li.

"Of course, it will be easier if we know the enemy we are going to fight" Jia Li said to Ye Chen.

"The enemy we will fight will probably be a dangerous Demon, he sucks Yin Qi and also the life force of women to increase his strength.

"So that's the enemy we will fight, I understand, that sounds very evil" Jia Li said to Ye Chen, she felt that it was quite evil.

"It is indeed an evil enemy, that's why he will probably be destroyed soon" Ye Chen said to Jia Li.

"Did the person you met previously go first to defeat the demon?" Jia Li asked Ye Chen.

"Of course, they will definitely attack, they are strong people" Ye Chen said to Jia Li.

"then why are we going?" Jia Li asked Ye Chen.

Jia Li wanted to know why Ye Chen wanted to go.

"Just want to make sure" Ye Chen just wanted to ensure.

"Then we can be more relaxed" Jia Li felt they could be more relaxed.

"Husband, I promised to give you a gift, didn't I," said Jia Li.

"I remember that, I've been waiting for it" Ye Chen said to Jia Li.

With that, Ye Chen immediately pounced on Jia Li, Ye Chen was excited and immediately made Jia Li feel the strength and abilities that he had.

"ahhhh, you are so excited" With that, the two started to have night.

.

.

He had just gotten some unpleasant news at the demon god commander's place.

One of the greats had been killed, and it made him so angry.

"The person who did this, I will kill them" The demon god commander wanted to kill Ye Chen.

"Master, our current situation is impossible, we are in trouble against people who want to fight you, it is some of your past enemies, they are starting to look for you" the subordinate reported to the demon god commander.

he reported that they had started moving to look for the whereabouts of the demon god commander, it didn't take long to find the whereabouts of the demon god commander.

"So they have been moving against me, for a long time, I want to destroy those who once sealed me into such a terrible place" the demon god commander said that he wanted to kill those who once did such terrible things to him.

"Those who are now made up of people who are so strong, I hope we continue to be careful" the subordinate told the demon god commander.

"I know how strong they are, you don't need to tell me, I will solve this problem," the demon god commander said that he would solve this problem.

This is a problem he has, he will solve this problem using his methods.

After all, his strength had recovered, and he could fight them all.

"Prepare the best troops, find out from me their number and strength, after knowing the number and strength they have, I will destroy them all" the demon god commander said to find out the number of enemies and their strength.

Maybe there are some new people he doesn't know yet.

"Understanding" they move to look for clues, with that, they should be able to fight the enemy.

.

.

Ye Chen and Jia Li almost arrived at Yin Xizu's place, Ye Chen could feel Yin Xizu was around this place.

"We're almost there" Ye Chen said to Jia Li.

"so we are almost there" Jia Li was happy they were there.

So far, Ye Chen and Jia Li have been spending time together, and to be honest, it has been quite fun and tiring for Jia Li.

After they arrived, Ye Chen and Jia Li got off the profound ark, they flew so as not to be too conspicuous.

Ye Chen went straight to Yin Xizu, Ye Chen saw that they were currently in a forest and were camping.

"she's not alone?" Ye Chen looked from afar, he saw that Yin Xizu was not alone and was with several people.

There were around 7 people there, three women and four men, they set up tents and spent the night in this place.

"Husband?" Jia Li asked Ye Chen.

"we better keep our distance from them," Ye Chen said to Jia Li.

If they get close, they will easily be found, and because of that, Ye Chen intends to keep his distance from them.

"Understand" Jia Li immediately understood what Ye Chen wanted.

Chapter 2953 Yin Xizu's Group Was Strange

Ye Chen and Jia Li made a tent around them, making it less conspicuous and far enough away from Yin Xizu.

Luckily, Ye Chen brought a nice and luxurious tent set, so they would be fine while resting.

"husband, who are they?" Jia Li asked Ye Chen.

"I don't know much about them, to be honest I've never met them" Ye Chen had never met them so he couldn't answer Jia Li's question.

Ye Chen also wanted to know about them, who they were, and why they were in the same group.

"I will find out who they are" Ye Chen said to Jia Li.

Ye Chen wanted to find out who they were, he was also curious about their identities.

To see the God Eyes brand activated, Ye Chen found out who they were, they were people with quite a lot of strength, a group strong enough to defeat the enemy.

"The lowest is level seven and the highest is level eight" Ye Chen looked at them all.

"One more thing, I can't see it" Ye Chen couldn't see the strength of the last 1 person, it should be a woman, to be honest, she used something strange to cover her body with mist.

"Yuechan" Ye Chen asked Chu Yuechan.

He had difficulty penetrating the woman's defenses using God's Eyes.

"How troublesome, I counted many artifacts in existence, and breaking through them is really very difficult".

If you insist, he will easily find you" Chu Yuechan said to Ye Chen.

"I already thought, if you force it, you will immediately be found out," said Ye Chen.

"But why did she do that, that's strange isn't it?" Chu Yuechan said.

"How would I know?" Ye Chen didn't know about this, but it seemed like the four men were paying attention to the person and ignored Yin Xizu and another woman beside her.

Yin Xizu was a charming goddess, plus her appearance was now very mature, but people didn't glance and seemed curious about this woman hiding herself so well.

"Maybe later I will ask Yin Xizu" Ye Chen will probably ask Yin Xizu when the time comes.

"For now I will eat first" Ye Chen took out the meat and some seasonings.

"let's eat and enjoy the stars," Ye Chen said to Jia Li.

"I'm coming" Jia Li was so excited about this she wanted to eat grilled meat together with Ye Chen.

Ye Chen started grilling, he put all the necessary spices into the meat.

Jia Li helped Ye Chen, she could also do such an easy thing.

The two of them working together would quickly finish cooking.

.

.

"Sigh, it's so disgusting, this food is so bad" the woman beside Yin Xizu complained because the food was so bad.

"Don't you like it, they have made it for you guys to eat haven't they?" said Yin Xizu.

"This is bad, I probably won't eat it" The woman wouldn't want to eat the food.

The woman beside Yin Xizu was a healer whose job was to heal injured people.

The ability to heal external wounds with the light attribute is very suitable for fighting Demons.

Because of this, she joined the hunting group.

Her name was Yan Rula, she was a person from Dreamland Holy Realm, a person assigned to help everyone defeat the demon god commander.

Yin Xizu smiled when she heard this matter.

"don't you care about what happens?" Yan Rula asked Yin Xizu.

"I don't care, I don't eat things like that." he didn't care because he didn't eat things like that.

"Oh yes, you are a vampire, it's impossible to eat things like this," said Yan Rula.

Yan Rula knew Yin Xuzy was a vampire, so she couldn't say anything about the matter.lights

Yan Rula could only eat the food at hand, she couldn't be picky in a situation like this.

"That evil demon chose a place that was difficult to reach, so that we wouldn't find it easily," said Yan Rula.

"It can't be helped, if he doesn't do that, he will die," said Yin Xizu.

"If I find it, I will destroy it," said Yan Rula.

"You are too confident, the enemy we will face is so strong, just a little careless, you will regret it" Yin Xizu said to Yan Rula.

"I understand," Yan Rula understood, she would not underestimate the enemy.

Yin Xizu looked very serious about what she said, she told Yan Rula to be careful because the enemy was like that.

The enemy they were chasing was a woman eater, a very evil enemy in war.

So Yin Xizu and Yan Rula had to be careful when facing them.

"Looks like the goddess over there is in trouble huh?" Yan Rula said to Yin Xizu.

"yes, how about it, she caught their attention".

"What's more, she doesn't want to show herself and make other people curious," said Yin Xizu.

"But she is such a beautiful woman, it's not strange that she doesn't want to show herself," said Yan Rula.

"goddess, do you need anything, I will give you the best I can" The four men approached the woman, they were of course, very interested.

"Sigh. . . , I will go first," Yin Xizu said to Yan Rula.

"Want to get some fresh air?" Yan Rula asked.

"What's more, that's all I can do right now" Yin Xizu said that that's all she could do right now.

Yin Xizu decided to get some fresh air nearby, she was strong enough and didn't need to be protected.

"Don't go too far, it will be troublesome if you get lost," Yan Rula told Yin Xizu.

"I am much stronger than what you can imagine" Yin Xizu is strong, she will not lose.

Yin Xizu left. This place was so noisy, and she needed some quiet.

Yin Xizu toured the forest, such a troublesome task, she just wanted to go back.

"Hmmm . . ." When Yin Xizu had just come out, she smelled something that looked so good.

Yin Xizu's senses were so good she smelled something good from afar.

"Very interesting, there are other people in this place, I will go there" Yin Xizu just went to find out about it.

Yin Xizu went towards Ye Chen's place at full speed.

In just a few seconds, she arrived at Ye Chen's place.

"Ahhhh. . . , that's it" Yin Xizu looked so excited when she saw Ye Chen, she looked so excited when she saw Ye Chen was here.

"Wait a minute why is he here, and who else is by his side" Yin Xizu started to wonder, she needed an answer from Ye Chen.

"I don't care, I'll just go and see him" Yin Xizu was too excited when she saw Ye Chen, and without thinking much, she just flew towards Ye Chen.

"Someone's coming" Jia Li felt someone approaching them, so she asked Ye Chen to prepare.

"don't worry, it's not the enemy" Ye Chen knew who came, he told Jia Li that it wasn't the enemy.

Yin Xizu pounced toward Ye Chen, he immediately hugged Ye Chen.

Ye Chen's head was trapped in Yin Xizu's two double peaks.

"Eh? ? ? ?" Jia Li was shocked by what happened, she couldn't believe what was before her.

"Honey, are you here?" Yin Xizu said to Ye Chen.

"Yes, what a coincidence I was in this place," Ye Chen said to Yin Xizu.

Chapter 2954 You Find The Enemy's Place, That's Great

"Don't lie to me, I know that you came because you were worried about me" Yin Xizu knew that Ye Chen was really worried about her, and that's why he came looking for her.

"You are very strong, nothing will happen to you" Ye Chen said to Yin Xizu.

"So evil, have you forgotten me, I see there is a beautiful woman accompanying you" Yin Xizu said to Ye Chen.

"How could that not happen" Ye Chen said to Yin Xizu.

"Puchi . . ." Jia Li laughed seeing what Ye Chen was doing, Ye Chen was so happy when she teased Yin Xizu.

"Why are you laughing?" Yin Xizu asked Jia Li.

Yin Xizu still didn't know about Jia Li, and because of this, she wanted to know why Jia Li laughed like that.

"he is teasing you" Jia Li told Yin Xizu.

Jia Li said that currently, Ye Chen was teasing Yin Xizu.

"Ahh, so that's how it is" Yin Xizu finally understood, it turned out that Ye Chen was teasing her.

"darling you are so mean, teasing me" Yin Xizu said to Ye Chen.

"I just want to tease you a little," Ye Chen said to Yin Xizu.

"You shouldn't be here," Ye Chen said.

Yin Xizu shouldn't be in this place.

"Why?, I want to join you" Yin Xizu said to Ye Chen.

"If you were here, they would be aware about me and Jia Li" Ye Chen said to Yin Xizu.

If Yin Xizu continued here, then they would become aware of Ye Chen.

"You are worried about that problem, you don't need to worry, they are busy teasing the goddess and will ignore me for a while" said Yin Xizu.

"That woman?, who is she actually ?" Ye Chen said to Yin Xizu.

Ye Chen wanted to know the identity of the woman he was with.

"You don't know, she is Shen Xinyue" Yin Xizu said to Ye Chen and Jia Li.

"Shen Xinyue" Jia Li was surprised to hear this, Jia Li, of course, knew who Shen Xinyue was.

"That's very true, she is a great woman, and also very troublesome," said Yin Xizu.

"So it was such a great person, it's not strange that I couldn't see her" said Ye Chen.

"You try to see through that woman, it won't be easy, that person always uses artifacts and ice mist if she wants to get out, I don't know why she did that, she definitely doesn't want other people to see her, there are only a few people who have saw the woman's true appearance," said Yin Xizu.

"You have too, haven't you?" Ye Chen said to Yin Xizu.

"Um, of course I see" Yin Xizu said to Ye Chen, she was such a beautiful woman, it was very difficult to resist her charm even for women.

"Compared with Ling Shu?" Ye Chen asked Yin Xizu.

"That woman is probably much stronger, she doesn't even use charm at all" said Yin Xizu.

"Oh, so it was pure power, how interesting" said Ye Chen.

"You seem interested, I'll tell you, that woman is so flat and expressionless, it's really hard to approach her," said Yin Xizu.

"You mean she's a cold woman" said Ye Chen.

"You could say that, she doesn't think anything else is important, she only focuses on strength and wants to be the first in this world," said Yin Xizu.

"Everyone has thoughts like that, I don't think it's too bad," said Ye Chen.

"So that's what you think, I don't think it's too bad either, you're absolutely right" Yin Xizu agreed with what Ye Chen said.

"wife, you don't seem very happy, is it because you were ignored by them?" Ye Chen asked Yin Xizu.

"Fufufufufu, how can it be, I'm not interested in them at all, I'm only interested in you, so let me suck you up" said Yin Xizu.

"Wait a minute, you still forgot last time, this is troublesome you know, we are outside" said Ye Chen.

"Just a little is fine, I want it," Yin Xizu said to Ye Chen.

Yin Xizu was like a little girl asking Ye Chen for candy, she would not stop before getting what she wanted.

"Just a little" Ye Chen finally gave in, there was no way Ye Chen would refuse his woman's request which was so tempting.

"thank you very much, you are the best" With that Yin Xizu pounced on Ye Chen, she started sucking Ye Chen.

As Ye Chen said, she couldn't directly suck Ye Chen in, she had to dissolve, so she wouldn't lose control like before.

Jia Li watched from the side, she finally knew who Yin Xizu was.

This woman is of the vampire race, as can be seen from what she did to Ye Chen, but she is very beautiful, it is surprising that Ye Chen got a woman with such beautiful goddess looks.

"Puah, it's really delicious, you are the best, I like it," said Yin Xizu.

Yin Xizu really likes Ye Chen, she likes every part of Ye Chen.

"So what do you do?" After Yin Xizu was satisfied with herself, Ye Chen asked Yin Xizu.

"I was with them to hunt down the demon god commander, as I once told you" Yin Xizu said to Ye Chen.

"Didn't you previously want to ignore and wait for that person to attack you" Ye Chen asked Yin Xizu.

"At first I also thought like that, but they didn't, they forced me to fight because I had fought them, it was really very troublesome," said Yin Xizu.

Yin Xizu was in trouble, she was forced to do it.

"they are brave enough to force you, I won't let them off easily" Ye Chen said to Yin Xizu.

"It's okay, I'm also doing this because I want to solve the problem before it gets bigger, that person is acting up again, recently a lot of women have disappeared, I know that this must be that person's doing," said Yin Xizu.

"It was his doing, and I already know where he is now" Ye Chen said to Yin Xizu.

"Is that true?" Yin Xizu was shocked when she heard this, Ye Chen was so powerful, she already knew where the enemy was now.

"I've found the place, it should be fine" Ye Chen said to Yin Xizu.

"You are really great" Yin Xizu said to Ye Chen, Ye Chen was so great at being able to find the whereabouts of hidden enemies.

"I will share it with you, you can attack them tomorrow" Ye Chen said to Yin Xizu.

"Understand" Yin Xizu understood, she would attack according to the place Ye Chen told her.

"good" Ye Chen was satisfied, it looked like Ye Chen would borrow power from the Yin Xizu group.

They were capable people so Ye Chen could borrow strength from them.

"Darling, who is this woman, you haven't introduced her to me yet?" Yin Xizu asked.

she wants to know who Jia Li is, it seems that Jia Li is a capable and wonderful woman.

"His name is Jia Li, she is a great alchemist, maybe not the best now, but she will grow to be even better" said Ye Chen.

"husband, you are too much in praising me" said Jia Li.

Jia Li looked so shy when she heard this.

"Why are you shy, quickly introduce yourself, I'm telling the truth" said Ye Chen.

"Ahh, I understand" Jia Li was too happy, she forgot about Yin Xizu, who was still in front of her.

"Introduce me Jia Li" Jia Li finally introduced herself to Yin Xizu.

"I'm Yin Xizu, nice to meet you" Yin Xizu was so happy to meet Jia Li.

"Are you too" Yin Xizu asked Yin Xizu.

"Um. ." Yin Xizu nodded, she said that she had a special relationship with Ye Chen.

Chapter 2955 It Looks Like Someone Is Watching You

"I see, very interesting, I want to talk to you more" Yin Xizu wanted to talk to Jia Li more.

"I'm the same way, I want to talk more with you" Jia Li also felt the same way, there were many things she wanted to talk about.

They started chatting, meanwhile, Ye Chen grilled food alone.

Ye Chen did this on purpose, allowing them to chat together.

"I hope they can get close quickly." Ye Chen hopes that Jia Lin and Yin Xizu can get closer.

Jia Li and Yin Xizu became so close, the two became so close when together.

"You are very interesting," said Yin Xizu.

Yin Xizu felt interested when she talked to Jia Li, it was really interesting to talk to Jia Li.

"I feel the same way too" Jia Li was also interested, she wanted to know more from Yin Xizu.

The two of them had found a very interesting conversation, and the two of them, of course, became very close after finding an interesting direction in the conversation.

"It's ready, do you want it?" Ye Chen came, and he brought meat for Yin Xizu and Jia Li.

"It's done, I'm looking forward to it" Jia Li wanted to eat.

"I want one too" Yin Xizu also wanted one.

The three of them ate together and enjoyed the food brought by Ye Chen.

"What a coincidence, I wanted to ask you about the enemy, haven't you ever fought him" Ye Chen asked Yin Xizu.

"You want to know the enemy's strength and abilities," Yin Xizu asked Ye Chen.

"Of course, as long as I know the enemy's abilities, I can solve that problem easily," said Ye Chen.

As long as Ye Chen could, he could solve it so easily.

"The enemy's ability to use the power of darkness is like a sword, it can appear from anywhere and injure the opponent.

It was used to kill an entire city in less than 5 minutes," said Yin Xizu.

"less than 5 minutes." Jia Li was surprised when she heard this.

"So it's an attack that can be controlled at will and can appear from anywhere," said Ye Chen.

"That's absolutely right, because I have the ability of fast regeneration, that attack had no effect on me, but if it were you two" said Yin Xizu.

"It seems difficult for me" Jia Li felt this would be difficult for her.

"I'll be fine, maybe I'll lend you some artifacts to use to protect yourself" Ye Chen will give Jia Li some items that can protect herself.

"Your hairpin is also used to protect you, you have to use it well" Ye Chen said to Jia Li.

"I understand, I will use it well" Jia Li understood, she would use what Ye Chen gave her as best as possible.

"It's nice to hear this from you, I hope you will be fine and don't hold back when facing the enemy" Ye Chen said to Jia Li.

"I will show the best ability I have" Jia Li said that she would show the best ability she had.

Jia Li intends to show the training she has done, Jia Li is not a weak woman, she wants to show that she is a very strong and great woman.

"I believe in you, you are a great woman" Ye Chen believes in Jia Li's abilities.

"I've told you about that person's whereabouts, I will help from behind" Ye Chen said to Yin Xizu.

"If you are a support behind, then I will feel fine" Yin Xizu felt that she would be fine when Ye Chen was a support.

"I've been talking to you guys for too long, maybe one of them will get suspicious, plus there's a woman with a light attribute there who's a little wary of me, I'll go back," Yin Xizu said to Ye Chen, she would go back first.

"be careful" Ye Chen said to Yin Xizu.

"You also have to be careful, take care of yourself," said Yin Xizu.

After Yin Xizu left, she had to return because people might get suspicious.

Yin Xizu wanted to stay longer with Ye Chen, but it seemed impossible to do so, it was clear that she would not be able to stay as long as she was with that group.

"Those people are so troublesome, I just want to go back." Yin Xizu felt troubled, she just wanted to go back.

Despite having such thoughts, Yin Xizu did not do so, she chose to continue with this task.

When Yin Xizu returned, she saw that this place was damaged, it seemed that there had just been a battle there.

"Feeling better yet?" Yan Rula asked Yin Xizu.

"It's better, it looks like I really need a little fresh air," said Yin Xizu.

"What happened in this place?" Yin Xizu asked Yan Rula.

"people were stupid to provoke that woman, and this is the result" said Yan Rula.

"You don't want to heal them?" Yin Xizu asked Yan Rula.

"No, that's their stupidity, I won't help them" said Yan Rula.

Yan Rula refused to heal them, she did not want to heal them and chose to ignore them.

"I'll sleep first," said Yin Xizu.

"Go ahead, I'll be on guard, it looks like they won't be able to wake up for a while" said Yan Rula.

Yan Rula would be on guard here, the woman was also away, and they all looked quite badly injured and couldn't survive.

"I'll let them be for a while, it could be a decent lesson for them" Yan Rula would heal them, but not now, there would be a time when she would heal them.

This woman was a little crueler to those who were stupid and didn't want to listen.

.

.

On Ye Chen's side.

Ye Chen and Jia Li slept, he covered Jia Li with a blanket and ensured that this place had strong protection.

Jia Li looked tired, so Ye Chen left her like that.

"Take a break, I'll practice for a while" Ye Chen wanted to practice for a while, he wanted to practice and strengthen the strength he had.

Ye Chen left Jia Li for a moment, he wanted to train a little further to increase his strength.

"It's been a long time since I practiced outside, I always practice inside the fairy gate" Ye Chen felt free when she wasn't inside the Fairy Gate, this was the time to show how strong he was now.

Ye Chen used a wooden sword for practice, he swung the wooden sword and began to show his abilities.

"Slash . . ." Ye Chen's slash was so powerful, that he easily split a mountain with it.

"Still not enough" Ye Chen came back again, he did the movements repeatedly and continuously.

He uses all the abilities he has for every attack he launches.

Ye Chen wanted to show the results of the training he had done so far.

Ye Chen had trained very hard, and the results of his training were very clear.

"It feels so good to be able to use all your abilities without holding back" Ye Chen felt so satisfied because he could use all his abilities.

"You are so happy about that," Chu Yuechan said to Ye Chen.

Chu Yuechan could see that Ye Chen enjoyed this.

Of course, I enjoyed this.

"Hahahahah, Fufufufufu" Both of them smiled and laughed, the situation became strange, and Ye Chen began to realize that something was wrong here.

"What is it?" Ye Chen asked Chu Yuechan if he knew what Chu Yuechan meant by doing this.

"It looks like someone is watching you" Chu Yuechan started to get serious, Chu Yuechan told Ye Chen about the person who was watching from afar.

Chapter 2956 Made A Goddess Angry

Ye Chen just went over to see who it was.

Ye Chen couldn't possibly let this person see, so Ye Chen approached and looked for this.

When Ye Chen approached, he found a person looking.

"come out" Ye Chen said to the person hiding.

"Oh, so you know me, it's rare for anyone to find me" she said to Ye Chen.

One appeared in front of Ye Chen, her appearance reserved.

"Yuechan, isn't this woman" Ye Chen said to Chu Yuechan.

It seemed like Ye Chen knew who this woman was.

"she is the woman Yin Xizu said, isn't she the first goddess, you seem lucky to be able to talk to her" Chu Yuechan said.

Chu Yuechan felt that Ye Chen was fortunate because he could talk to this woman.

"so this is it Shen Xinyue, what does she want in a place like this?" Ye Chen wanted to know what Shen Xinyue wanted in this place.

"I can feel you clearly" Ye Chen said to Shen Xinyue.

"You can feel me, you seem to have a little ability" Shen Xinyue said.

Shen Xinyue's words were so flat there was no trace in her voice.

It might not be as cold as Ye Chen imagined.

Still, it sounded indifferent.

"Did she just mock me as having little ability?" Ye Chen asked Chu Yuechan.

"It's possible, her words are a little difficult to understand, she thinks of you as an NPC," said Chu Yuechan.

Chu Yuechan felt that Shen Xinyue considered Ye Chen to be an NPC.

"Npc?, impossible, how could she think of me like that" Ye Chen said to Shen Xinyue.

"so why are you looking at me?" Ye Chen asked Shen Xinyue.

"Just a little curious about the technique just now, an ordinary person like you can do such a thing," said Shen Xinyue.

"See, she doesn't think about you, you now look like an NPC in front of this woman.

"It seems that Yin Xizu is really right, this woman, she doesn't consider other people, " said Ye Chen.

This type is so bad, if it was just cold, it might be acceptable, but this woman looks at someone like it's nothing.

"I wonder if you sold it to me?" Shen Xinyue asked Ye Chen.

"I'm not really interested in selling this thing, I'm not short of money" Ye Chen said to Shen Xinyue.

"Then what do you want?" Shen Xinyue asked again, she didn't want to give up and looked very interested in Ye Chen's technique.

"why are you so pushy" Ye Chen said to Shen Xinyue.

"if I want it, it must be mine," Shen Xinyue said to Ye Chen, her voice still indifferent.

"Hmm, how about this, I'll give it to you if you want to show your appearance, I can't see you, only mist is all I can see from you" Ye Chen said to Shen Xinyue.

Ye Chen felt that this was a very interesting opportunity because it was so interesting, he wanted to see the beauty who was said to be the most extraordinary in the Supreme God Realm.

"Can this woman be compared with Shen Niang? Ye Chen wants to know.

"Freeze . ." When Ye Chen just said this, this place became so cold.

The area around Ye Chen started to freeze, becoming very cold.

"What is this?" Ye Chen saw what happened.

Sometime later, she felt a killing aura that was so strong and so terrifying.

Ye Chen felt a terrifying aura from Shen Xinyue, this woman was full of a terrifying aura and seemed to want to kill Ye Chen.

"It seems you have made her angry" Chu Yuechan said to Ye Chen, Ye Chen had made Shen Xinyue angry.

"I didn't do anything to her" Ye Chen said that he didn't do anything.

"Maybe your previous words made her angry" Chu Yuechan said to Ye Chen.

It was most likely Ye Chen's words that had angered Shen Xinyue.

"Is she really unwilling to show herself?" Ye Chen said to Chu Yuechan.

"It's possible, otherwise, she wouldn't be so angry with you" Chu Yuechan said.

"Such a strange woman" Ye Chen saw that this woman was so strange.

"Meeting a strange woman again isn't it" Chu Yuechan smiled at Ye Chen.

"Why are you smiling, do you like me being treated like this?" Ye Chen said to Chu Yuechan.

"Fufufufufufu" Chu Yuechan smiled more and more, she enjoyed it more and more.

"You are." Ye Chen was helpless when he saw Chu Yuechan laugh.

"Clink . . ." A few moments later, around Ye Chen a thread appeared.

Ye Chen looked at what was around.

"Is this an ice thread, similar to Ning Xia's?" Ye Chen saw that this was very similar to Ning Xia's.

"No" Chu Yuechan said to Ye Chen.

"It is more complex, it is composed of ice clad by wind, its cutting power is probably dozens of times stronger than Ning Xia's pure Ice" said Chu Yuechan.

"Thank you for the explanation" Ye Chen understood, Chu Yuechan's explanation was very useful for Ye Chen.

Ye Chen now knew what Shen Xinyue was using.

So this was much stronger than Ning Xia's, maybe Ye Chen had to be a little serious about resisting the attack.

"What is this?" Ye Chen asked Shen Xinyue.

"I don't like you" Shen Xinyue said to Ye Chen, she became much colder compared to before.

If previously Shen Xinyue was indifferent to Ye Chen, now she is so cold and wants to eliminate Ye Chen.

"are you angry ?" Ye Chen said to Shen Xinyue.

"No . ." Shen Xinyue avoided Ye Chen's question, it was clear that she was angry with Ye Chen.

"The more you deny it, the clearer it becomes" Ye Chen said to Shen Xinyue.

When Ye Chen said to Shen Xinyue, the Ice threads became closer and closer to Ye Chen.

It pinned Ye Chen, and he couldn't move because the distance between Ye Chen and the thread was only about 20 cm.

It seemed like Ye Chen's words made Shen Xinyue even more angry.

"I expected that you would get even angrier." Ye Chen had expected this problem, and he became even angrier with Ye Chen.

"I could just make you into pieces" Shen Xinyue said to Ye Chen.

Shen Xinyue gave Ye Chen a threat, she said that she could make Ye Chen into pieces easily.

"This woman, she wants to challenge me, it looks like I will start to fight with her." Ye Chen couldn't get away without fighting, the only chance was to fight her.

"I also have to say to you, I can easily remove everything that is blocking you" Ye Chen said to Shen Xinyue.

The thread immediately tied Ye Chen up when Ye Chen said that to Shen Xinyue.

Shen Xinyue's ice threads bound Ye Chen's body.

Shen Xinyue seemed annoyed with Ye Chen, she was angry and wanted to destroy Ye Chen.

"You talk too much, who are you, just an ordinary person," said Shen Xinyue.

"You might be right, I'm just an ordinary person" Ye Chen admitted.

"But you have to know that I'm not weak," Ye Chen said to Shen Xinyue.

Ye Chen broke away from the Ice threads, he cut them all using wind power that was stronger and purer than that possessed by Shen Xinyue.

"what?" Shen Xinyue was surprised when she saw Ye Chen could break free so easily.

That shouldn't be possible, no one can escape after being caught in Shen Xinyue's attack.

Chapter 2957 Saw Shen Xinyue's goddess

"Now you already know that it won't work for me" Ye Chen said to Shen Xinyue.

Shen Xinyue didn't answer Ye Chen, instead, she attacked Ye Chen using a stronger attack than before.

There were tens of millions of threads here, and it looked so complicated, Ye Chen was like a fish that had just gotten into the net.

There is no way to get out of this place.

"This time you will not escape me" Shen Xinyue said to Ye Chen, Ye Chen would not be able to escape this attack.

"Closing all the exits, she is very smart," Ye Chen said to Shen Xinyue.

"Can't you get out, isn't it easy to get out of here?" Chu Yuechan said to Ye Chen.

"Of course it's easy to do that, I just want to play with her for a while," Ye Chen said that he just wanted to play with Shen Xinyue.

"I already thought that you just wanted to play with her" Chu Yuechan had already expected this.

"This will be fun, want to join" Ye Chen said to Chu Yuechan.

"No need, I prefer to watch." Chu Yuechan said that she preferred to watch rather than join the battle.

"Then I'll go," Ye Chen said, saying that he was going to have fun alone.

"Have fun" Chu Yuechan said to Ye Chen.

Ye Chen came forward, and he immediately flew in the direction of Shen Xinyue.

Shen Xinyue, seeing what Ye Chen did, what Ye Chen did was the same as committing suicide.

"Is he stupid?" Shen Xinyue thought that Ye Chen was stupid, how could he advance like that, it was the same as courting death.

Ye Chen got rid of all the obstacles, he easily advanced and was barely hurt.

"what happened?" Shen Xinyue became confused by what was happening in front of her.

Ye Chen was able to advance easily and without hindrance, which was something strange and unreasonable.

"Why can he progress so quickly, it's so strange?" Shen Xinyue didn't understand Ye Chen's concept.

Even such a powerful technique used by Shen Xinyue was like a toy for Ye Chen.

"I'll come right away," Ye Chen said to Shen Xinyue.

Ye Chen said that he would soon come to Shen Xinyue's place.

Shen Xinyue stepped back when she heard this.

Shen Xinyue kept a safe distance, she intended to launch an attack that was much faster and much more powerful than before.

Ye Chen continued to chase Shen Xinyue, Ye Chen would not let Shen Xinyue get away with it.

"This person, he won't let me run away" Shen Xinyue realized that Ye Chen wouldn't let him run away, Ye Chen would follow Shen Xinyue's movements.

"ice sealing needle" Shen Xinyue decided to seal Ye Chen's movements by using an ice needle.

she aimed at several points that could paralyze Ye Chen.

Several needles came towards Ye Chen, Ye Chen avoided all the needles smoothly.

"what, what is that?" Shen Xinyue saw movements that were so smooth it was as if Ye Chen could see every attack that came.

Ye Chen used Time Vision, he could see the attacks coming towards him and could predict where the attacks would go.

"The attack you used won't work" Ye Chen was already in front of Shen Xinyue.

He was only inches away from Shen Xinyue.

"This person looks weak but hides this kind of strength." Shen Xinyue finally realizes that Ye Chen is dangerous.

Even though she knew Ye Chen was dangerous, Shen Xinyue was still quite calm, her calmness was very great even in such a bad situation.

"she is so calm." Ye Chen just realized that Shen Xinyue was so calm, she was so calm when facing Ye Chen.

"If these were ordinary women, they would have panicked against Ye Chen.

"I have to keep my distance and start attacking using full strength" Shen Xinyue intended to attack using full strength.

"Dang . . ." Just as Shen Xinyue wanted to retreat, she hit something behind her.

There was nothing behind her, and even though it looked empty, Shen Xinyue felt that there was a thick wall behind her body.

"What was that?" Shen Xinyue was so confused by what was behind her, that she couldn't move back.

"Now who is trapped, you are trapped" said Ye Chen.

Ye Chen had already cornered Shen Xinyue, she wouldn't be able to back down.

Shen Xinyue tried to destroy the invisible wall behind her.

"Crack . . ." she intends to destroy it by using ice.

Shen Xinyue hoped that she could destroy things like that, but without realizing it, what she did didn't work and instead got her into trouble.

"Just give up, you won't be able to escape now" said Ye Chen.

Shen Xinyue had no way but to attack Ye Chen at such a close distance, she attacked Ye Chen using a knife made of Profound Ice, which was so pure and strong.

Ye Chen caught Shen Xinyue's wrist.

"That won't work" Ye Chen said to Shen Xinyue.

"Let go of me" Shen Xinyue said to Ye Chen, she told Ye Chen to let go of herself.

"will not" Ye Chen said to Shen Xinyue.

"Then you will pay" Shen Xinyue grabbed Ye Chen's arm, she intended to freeze Ye Chen, maybe that was a very good way to fight Ye Chen.

Ye Chen's body started to be covered in ice, he would soon become an ice statue.

"wanting to beat me in this way, it's very funny" Ye Chen said to Shen Xinyue.

"you are finished" Shen Xinyue said to Ye Chen.

"Too weak to say that to me." Ye Chen destroyed the ice covering his body.

"What ! ! !" once again, it didn't work against Ye Chen.

After that, Ye Chen removed the mist around Shen Xinyue, Ye Chen also remembered to destroy all the artifacts owned by Shen Xinyue.

With that, there was no longer any obstruction in Shen Xinyue's body, Ye Chen could see everything quite clearly.

Ye Chen was quite curious about Shen Xinyue's figure and what this woman looked like.

All the things Shen Xinyue used just disappeared, which shocked Shen Xinyue.

This was the first time someone had done this, no one had ever broken Shen Xinyue's absolute defense.

Shen Xinyue's figure is indeed very beautiful, she has a perfect face, good lips, beautiful eyelashes, and very clear eyes, her hair also looks shiny and so soft, that she will score more than 100 points in the beauty score.

Her body was pretty good, it was perfect on every side, with a slim waist and double peaks that were big enough that you could bury your head in them.

It's not strange that so many people are curious and want to see Shen Xinyue's figure, it turns out that her figure is really good.

"You are indeed very beautiful, it's not strange to see you hiding your appearance," said Ye Chen.

"Shut up" Shen Xinyue chased Ye Chen away, she looked so angry at Ye Chen.

Shen Xinyue seemed so annoyed with Ye Chen, it was because Ye Chen had dared to open her defense.

"You will pay dearly" Shen Xinyue said to Ye Chen.

Ye Chen would pay dearly for what he had done.

Ye Chen had made Shen Xinyue so angry, the beautiful goddess was so annoyed and wanted to destroy Ye Chen immediately.

Chapter 2958 Shen Xinyue was angry

This woman started to use more strength, she used more strength to fight Ye Chen.

Using more strength, she wanted to defeat Ye Chen.

The aura possessed by Shen Xinyue was so impressive, she had such a strong and imposing aura.

"Yuechan?" Ye Chen asked Chu Yuechan, Ye Chen wanted to know what level Shen Xinyue was currently at.

"she is at early ninth level, with the way you are now, it is a little difficult to deal with her" Chu Yuechan said.

Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that he would have difficulty facing Shen Xinyue.

Shen Xinyue is not weak, it could be said that she was almost the same as Yin Xizu in terms of strength now.

Plus, she no longer held back and released a super strong killing aura, it was clear that her next attack would be able to destroy a part of this place.

"Then I will start getting serious too" Ye Chen said he would start getting serious.

If it wasn't serious, maybe Ye Chen could get into trouble.

"get ready," Ye Chen said to Shen Xinyue.

"Great Glacier" Shen Xinyue's formed a huge and vast mass of ice.

It is estimated that the area of the Glacier is around 1 million miles.

"she wanted to hit me with an object that big" Ye Chen saw what Shen Xinyue would do.

"You will be hit with something like that, enough to bury you in ice" said Chu Yuechan.

"That won't happen" Ye Chen said to Chu Yuechan.

Ye Chen wouldn't let that happen.

Ye Chen started to fight back, he used the power of fire to give Shen Xinyue a fight.

"it's useless," Shen Xinyue said to Ye Chen, what Ye Chen did would not work.

"Flame Supernova" Ye Chen used Flame Supernova, one way to deal with a direct attack from Shen Xinyue.

"this person" Shen Xinyue looking at the Flame Supernova released by Ye Chen, might be enough to counter her attack.

Ye Chen put out all his strength, he opened the fire vein to

increase his strength and the earth vein to strengthen his defense.

Ye Chen was on guard if something bad happened.

"That won't work." Shen Xinyue said that the attack wouldn't work.

The result remains the same, Ye Chen will be buried in this place.

A huge ice glacier fell towards Ye Chen.

Ye Chen detonated the Flame Supernova, a large and hot explosion hit the glacier, the large ice melted, and quite heavy rain occurred.

By using the power of the Flame Supernova, Ye Chen managed to withstand Shen Xinyue's attack, even though the result was that this place became like a lake.

Shen Xinyue looked at Ye Chen, and once again Ye Chen made something that Shen Xinyue couldn't imagine.

"Once again, he can defend again" Shen Xinyue looked at Ye Chen.

Ye Chen was able to survive his attack again, it was very hard to believe.

Ye Chen appeared in front of Shen Xinyue, once again, Ye Chen showed his strength.

"You better end it quickly, you are using too much profound energy," Chu Yuechan said to Ye Chen.

The attack was quite powerful and consumed profound energy to use True God power.

"I understand" Ye Chen also understood he would have difficulty if he fought Shen Xinyue for a long time, it was best to end this quickly.

"It seems like you no longer hold back against me" Ye Chen said to Shen Xinyue.

"You, what are you actually?" Shen Xinyue asked Ye Chen.

"I told you from the start, I'm just an ordinary person" Ye Chen said to Shen Xinyue.

Ye Chen explained the second time who he was.

"Ordinary people wouldn't be able to survive that," said Shen Xinyue.

"The proof is that I can survive, what else can I say" Ye Chen said to Shen Xinyue.

Shen Xinyue fell silent when she listened to what Ye Chen said, Ye Chen's words were not wrong, he was able to survive.

And he showed that he was just an ordinary person and there was nothing special about him.

"Hmmm . . ." Ye Chen noticed something wrong when he looked towards Shen Xinyue.

He saw that a black object was moving in Shen Xinyue's blood vessels.

"What is that?" Ye Chen was curious, so he discovered what had happened to Shen Xinyue.

When Ye Chen found out, he discovered something strange.

"It's not poison" Ye Chen felt that it wasn't poison, a strange power was spreading in Shen Xinyue's body.

"a curse?" Ye Chen estimated what it was.

most likely, that power was trying to take over her body.

Shen Xinyue felt a bad feeling, she used too much strength, and the curse in her body started to run wild.

"I used too much power, I have to suppress it" Shen Xinyue tried to suppress it.

As Shen Xinyue suppressed the curse, the black matter in the blood vessels began to become faint.

"Are you okay ?" Ye Chen asked Shen Xinyue.

"It's none of your business, we are enemies, there is no need to worry about your enemies," said Shen Xinyue.

Shen Xinyue said Ye Chen, she told Ye Chen not to worry about her.

"but you are not fine," Ye Chen said to Shen Xinyue.

"I'm fine, I can fight with you" Shen Xinyue said to Ye Chen.

Shen Xinyue said that she was still able to fight against Ye Chen.

"It seems that your condition doesn't allow you to fight me" Ye Chen said to Shen Xinyue.

"Shut up, I can still," Shen Xinyue said to Ye Chen.

Shen Xinyue said that she could still fight, this was not a big problem for Shen Xinyue.

"You are a bit stubborn," Ye Chen said to Shen Xinyue.

"I'm like this, let's continue this battle," Shen Xinyue said to Ye Chen.

Shen Xinyue still wanted to defeat Ye Chen, she would not be satisfied before destroying Ye Chen.

Ye Chen approached, he immediately paralyzed Shen Xinyue with one touch.

By using just one touch, Ye Chen easily paralyzed Shen Xinyue.

"what happened. . ?" Shen Xinyue couldn't do anything, she was paralyzed.

"it's done," Ye Chen said to Shen Xinyue.

Ye Chen told Shen Xinyue that this was over.

"what did you do to me" Shen Xinyue asked Ye Chen, what Ye Chen had done to her.

"I just did a little thing," Ye Chen said to Shen Xinyue.

Shen Xinyue looked at Ye Chen with a strong cold gaze, if it had power, it would have already turned Ye Chen into ice.

"No need to look at me like that, to be honest, I'm curious about you," Ye Chen said to Shen Xinyue.

Ye Chen said that he was curious about Shen Xinyue.

Ye Chen wanted to know the curse that Shen Xinyue had, and because of this, Ye Chen wanted to help Shen Xinyue.

Ye Chen looked at all parts of Shen Xinyue's body.

"Pervert," Shen Xinyue said to Ye Chen, Shen Xinyue thought that Ye Chen was a lewd man, and because of this, she said it loud enough so that Ye Chen could easily hear her.

"Whatever, I don't care what you want to say" Ye Chen didn't really care.

Ye Chen wanted to take a look.

After observing for a while, Ye Chen finally saw what Shen Xinyue was hiding.

Ye Chen saw that on Shen Xinyue's back, there was a scar.

Ye Chen thought Shen Xinyue's body was so perfect, that it turned out she was hiding something like this.

Maybe this was one of the things that made her hide herself in the fog, she didn't want anyone to be aware.

Chapter 2959 A Curse

"So this is the reason you hid yourself in the mist" Ye Chen found why Shen Xinyue hid herself in the fog.

"That's true, do you have a problem with that?" Shen Xinyue said to Ye Chen.

"Of course, I have no problem," Ye Chen said to Shen Xinyue.

Ye Chen had no problem with this, it was something that belonged to Shen Xinyue.

"What is this?" Ye Chen asked Shen Xinyue, he invited Shen Xinyue to speak.

Shen Xinyue, who couldn't move, could only answer Ye Chen's question.

"A curse, this was left by a demon to me, it's very difficult to get rid of it" Shen Xinyue said to Ye Chen.

"is that so," Ye Chen asked Shen Xinyue again.

"if you touch it, it can affect you too" Shen Xinyue said to Ye Chen.

If Ye Chen touched the curse, it would fight back and attack Ye Chen.

this was an evil curse and one that Shen Xinyue still couldn't overcome.

even the evil people have not found a method to cure this.

Why is this a curse? There is no way to cure or remove it; Shen Xinyue can only use her strength to suppress it.

Luckily, Shen Xinyue was so strong, if she hadn't been so strong, the curse would have long taken over her body, and she would probably have become a bad person because her personality would have changed.

This is not a parasite, this is indeed a force that can control Shen Xinyue if she is careless.

Ye Chen intended to touch this, he used his dark power.

"This person is crazy" Shen Xinyue felt that Ye Chen was so crazy, Ye Chen was not making sense, even though Shen Xinyue had told him that this was dangerous.

Ye Chen didn't even listen to this and continued.

"you are such a stupid person, you are not afraid of anything," Shen Xinyue told Ye Chen.

"It doesn't matter, being stupid is one thing to be able to learn new things" Ye Chen said to Shen Xinyue.

"You won't succeed, there is no one who can destroy that thing in this world, there is still no one who can," said Shen Xinyue.

"let's try, if we don't try, we won't know" Ye Chen said to Shen Xinyue.

Ye Chen continued what he had started.

What Ye Chen did was the same as courting death, this person was so stupid to do something that could endanger himself.

When Ye Chen touched it, he felt a dark force trying to attack Ye Chen.

Ye Chen used his power to withdraw the curse, a strange black object was released by Ye Chen.

Because Ye Chen was the strongest darkness user in power control, he could take care of the curse.

After taking it out, Ye Chen used the power of light to destroy it.

The curse was destroyed easily, the power of light instantly obliterated the wisp of darkness in Ye Chen's hand.

Shen Xinyue saw what Ye Chen was doing.

Shen Xinyue was silent for a while when she saw this.

Her mouth opened and closed, Shen Xinyue wanted to say something, it was a pity that Shen Xinyue's words stuck in his throat, and she couldn't say it.

Shen Xinyue amazed by what Ye Chen did, a matter that no one else could solve was handled so easily by Ye Chen.

"It's not difficult," Ye Chen said to Shen Xinyue.

Ye Chen solved the problem so easily, that he could solve the problem without difficulty and in just a short time.

"Just now, what did you do" Shen Xinyue asked Ye Chen, she wanted to know what Ye Chen had done.

"Isn't it clear, I helped you remove the curse" Ye Chen said to Shen Xinyue.

"But how is that possible?" Shen Xinyue still couldn't believe it.

"It's just the dark power that people left behind, destroying it is quite easy," Ye Chen said to Shen Xinyue.

"Is it like that" Ye Chen said if it was nothing, Ye Chen showed such great ability to Shen Xinyue.

"For this wound, it might take a little time to heal" Ye Chen might need time, so he will give some medicine that can heal Shen Xinyue's wound.

Ye Chen took a liquid, that could heal the scars on Shen Xinyue's back.

Shen Xinyue let Ye Chen pour the medicine, when Ye Chen poured the medicine, Shen Xinyue felt a cold feeling on her back.

The old scars on his back began to recede little by little.

"Such good medicine, I will buy it" Shen Xinyue said to Ye Chen.

"You won't be able to buy this" Ye Chen said to Shen Xinyue.

"why ?" Shen Xinyue asked Ye Chen.

"Because I don't sell it, it's very simple," Ye Chen told Shen Xinyue.

Ye Chen didn't sell it, so Shen Xinyue wouldn't be able to buy it from Ye Chen.

Shen Xinyue was silent for a while, and she made a angry face.

"You are an annoying man" Shen Xinyue said to Ye Chen.

Shen Xinyue had to admit that Ye Chen was a very annoying man.

Shen Xinyue had never been rejected by anyone else, it could be said that this was the first time she had been rejected.

This was a little annoying and made Shen Xinyue a little angry.

Shen Xinyue rarely got angry, she could control her emotions so easily, but this time was different, she couldn't control her emotions when facing Ye Chen.

"Stay calm, I'm still the most beautiful woman in God Realm, there's no way he's not interested, maybe he's just putting on an act" Shen Xinyue estimated that Ye Chen was putting on a play so that Shen Xinyue would pay attention to her.

Shen Xinyue was smart enough to foresee the problem, she was not a stupid woman and would easily believe it if Ye Chen refused.

"What's your name?" Shen Xinyue asked Ye Chen.

"My name is Ye Chen" Ye Chen said to Shen Xinyue.

"Ye Chen, understand, that I am" Shen Xinyue intended to tell him who she was.

"No need I already know, you are Shen Xinyue" Ye Chen said on Shen Xinyue.

Ye Chen interrupted Shen Xinyue's conversation, Ye Chen already knew who Shen Xinyue was.

So Shen Xinyue didn't need to introduce herself again to Ye Chen.

Shen Xinyue was silent and looked at Ye Chen with a fairly cold gaze.

she stared at Ye Chen quite intensely, if this was anyone else, they would probably already have goosebumps and be unable to move.

Ye Chen was quite relaxed, he was already immune to things like this, so this wouldn't affect him.

"Calm down, it turns out you get emotional quite easily," said Ye Chen.

"It's because of you" Shen Xinyue said to Ye Chen, Ye Chen was the person who made Shen Xinyue emotional.

"Is it because of me, what have I done, I feel like I haven't done anything bad to you" Ye Chen said to Shen Xinyue.

Shen Xinyue didn't know how she should face Ye Chen, this man was tough to deal with with words.

"Sigh. . ." Shen Xinyue let out a long sigh, she had to calm down and not be provoked again.

"Just say what you want, I can give it all to you" Shen Xinyue asked what Ye Chen wanted.

Shen Xinyue needed this thing, so she dared to offer anything.

"hmm, what if it's you?" Ye Chen said to Shen Xinyue.

When Ye Chen said this, Shen Xinyue used the ice thread technique around Ye Chen.

she pointed a sharp thing at Ye Chen, a scary thing that could kill Ye Chen.

she didn't seem happy with what Ye Chen said.

"That won't happen" Shen Xinyue said to Ye Chen, she wouldn't want to do that.

"You just have to refuse, why threaten like that?" Ye Chen asked Shen Xinyue.

"Honestly you are annoying, I want to cut you" Shen Xinyue said to Ye Chen.

Shen Xinyue made an ice sword, she wanted to slash Ye Chen so badly.

Shen Xinyue pointed her sword at Ye Chen's neck, just the slightest move, maybe Ye Chen's head would be gone.

"You are still very calm even though your situation is like this?" Shen Xinyue asked Ye Chen.

Ye Chen was so calm even though the situation was urgent.

"You wouldn't dare do that" Ye Chen said to Shen Xinyue.

"Are you sure, I can do that?" Shen Xinyue said to Ye Chen.

Shen Xinyue, of course, dared to do this, she could easily cut Ye Chen from a distance like this.

"That's impossible, if you really wanted to do it, you would have done it a long time ago," Ye Chen said to Shen Xinyue.

If Shen Xinyue intended to do this, she would have done it long ago.

Shen Xinyue looked straight at Ye Chen, she couldn't tell what this person was thinking.

Shen Xinyue wanted to test Ye Chen, she wanted to see what Ye Chen was really like.

"Wosh. . ." When Shen Xinyue wanted to be more serious, an attack penetrated her defense and headed straight towards Shen Xinyue.

Shen Xinyue blocked such a powerful attack and had to retreat quite a distance.

"vampire attack?" Shen Xinyue saw that it was such a mighty spear just now.

That might get Shen Xinyue into trouble.

"Drop your weapon from him" Yin Xizu came, she stopped what Shen Xinyue was doing.

Yin Xizu was curious about what happened and came to see what happened.

When Yin Xizu came, she saw Shen Xinyue threatening Ye Chen.

Yin Xizu didn't like seeing what Shen Xinyue was doing, and because of this, she attacked Shen Xinyue.

"Why did you attack me?" Shen Xinyue asked Yin Xizu.

Why did she attack her.

"I should be the one asking you, what are you doing?" Yin Xizu asked Shen Xinyue.

What did Shen Xinyue do to Ye Chen.

"I'm teaching him a little lesson" Shen Xinyue said that she was giving Ye Chen a little lesson.

"Isn't that a bit mean, even though I have helped you" Ye Chen said to Shen Xinyue.

"It's time to play a role" Ye Chen felt that this was the time to play a role, so he pretended to be bullied by Shen Xinyue.

"Is that true?" Yin Xizu told Shen Xinyue she wanted to know Shen Xinyue's truth.

"It's true, he did help me" Shen Xinyue said the truth, Ye Chen did help her.

"Then why did you attack him?" Yin Xizu asked Shen Xinyue.

"That's because I don't like him, he's a very annoying man" Shen Xinyue said that she didn't like Ye Chen.

"Just because of that" Yin Xizu felt that Shen Xinyue was stupid, it was only for that reason that she wanted to harm Ye Chen.

"This is none of your business, why are you bothering me, we are in the same group, aren't we?" Shen Xinyue said to Yin Xizu.

"This is my business, she is the man I have" Yin Xizu said to Shen Xinyue.

"Huh? ? ? ?" Shen Xinyue looked so surprised when she heard this, she didn't expect Shen Xinyue to say such things.

"Did I hear wrong?" Shen Xinyue might have heard it wrong, Yin Xizu couldn't say that.

"Do I have to repeat myself, she is mine, I won't let you touch him" said Yin Xizu.

"You're kidding, since when?" Shen Xinyue didn't know this, she had never heard of Yin Xizu having a relationship with anyone.

Yin Xizu should be the same as her, she rejected quite a lot of people and never had any scandals, people who came close would be chased away by force.

The methods might not be like Shen Xinyue's, but they still rejected men from approaching them.

"It's been quite a while" said Yin Xizu.

"I see, I didn't expect you to fall in love with someone like that, your taste is so bad," said Shen Xinyue.

"No way, I have good taste, he is quite reliable, it is very difficult to find such a competent person" said Shen Xinyue.

"No way, that annoying person?" Shen Xinyue said to Yin Xizu.

" ? ? ? ?" Yuechan, why is this a conversation between women?, Is this how they solve problems?" Ye Chen asked Chu Yuechan.

"That's how they solve problems, they are comparing what they believe, it's best not to interfere and just look from here" said Chu Yuechan.

Chu Yuechan forbade Ye Chen from approaching, she told Ye Chen to just look from here.

Chu Yuechan suggested to Ye Chen, it would be complicated if Ye Chen participated in it.

"Sometimes women are troublesome" Ye Chen said to Chu Yuechan.

Sometimes Ye Chen still couldn't understand women, they were quite confusing creatures.

The battle became contentious, they stopped fighting and exchanged a few words.

"I told you that you won't find one like him, he has something that you won't find," said Yin Xizu.

"Whatever I can't find, if I want to, I can find everything I want," said Shen Xinyue.

Shen Xinyue believed that with her abilities, she could find everything she wanted, if she found someone like Ye Chen, she could find someone who was capable and handsome.

"Why don't you think about it yourself, why should I tell you that?" Yin Xizu refused to tell Shen Xinyue.

This was a secret, and Yin Xizu would not tell the secret.

Something about Ye Chen was quite sensitive, she couldn't afford to tell an outsider like Shen Xinyue.

Otherwise, there might be chaos that no one could imagine, and Ye Chen would be in a stormy sea, and it would be not easy to pull him out.

Shen Xinyue was curious about what Yin Xizu said, she wanted to learn about the matter.

Guess what Yin Xizu was hiding right now?, Shen Xinyue wanted to know.

Shen Xinyue looked at Ye Chen, what was this man hiding?

If Shen Xinyue remembered correctly, Ye Chen was quite strange, to be honest, this person was very strange, his strength and abilities were beyond reason.

"Is that true, maybe I will force her to tell?" Shen Xinyue was now confident against Yin Xizu, after her curse ended.

Shen Xinyue attacked Yin Xizu, she used ice threads to attack Yin Xizu.

Yin Xizu used the vampire technique and started attacking Shen Xinyue.

Blood petals flew and hit the Ice threads.

"Boom. . ." explosion occurred, and the battle between the two seemed fierce and even.

Shen Xinyue is strong, but Yin Xizu is also equally strong, this battle will not be easy for Shen Xinyue to win.

"Is she really this strong?" Shen Xinyue saw that Yin Xizu was so strong, she didn't know that Yin Xizu was strong.

This battle will not be easy to win
