

True God 2961

Chapter 2961 Ice Goddess Art

The battle became more and more heated, Yin Xizu began to get serious about confronting Shen Xinyue.

When Yin Xizu started to get serious, she knocked Shen Xinyue back, Shen Xinyue was beaten back, and was having trouble fighting Yin Xizu.

"This woman, why is she so strong?" Shen Xinyue finally realized that Yin Xizu was so strong Yin Xizu suppressed her.

"Clang" Shen Xinyue retreated, Yin Xizu's attack penetrated Shen Xinyue's defense.

Shen Xinyue suffered an injury, part of her arm was injured by Yin Xizu's attack.

"Shen Xinyue stopped the bleeding with that hand of hers, it was a little difficult against Yin Xizu.

Shen Xinyue may have been too confident earlier, she was too confident to win against Yin Xizu

Yin Xizu took advantage of the opportunity to defeat Shen Xinyue, using that opportunity, she could drive Shen Xinyue into a corner.

"I lose?" Shen Xinyue couldn't believe that she lost to Shen Xinyue.

"Just accept your defeat," Yin Xizu said to Shen Xinyue.

she told Shen Xinyue to accept defeat.

"no, I won't give up" Shen Xinyue refused to lose, she didn't like losing in this place.

Shen Xinyue used her power, and her body was covered in ice.

Shen Xinyue's dress changed, it turned into a queenly robe that was beautiful and so luxurious.

"she" Yin Xizu saw what Shen Xinyue was doing, what Shen Xinyue was doing was something Yin Xizu had not imagined.

Shen Xinyue didn't want to lose, so she decided to use a forbidden technique that would increase her strength.

This was the highest level of the Ice Goddess Art, a technique that increased strength by a large amount but had very strong side effects.

If Shen Xinyue used this, she would be serious about fighting Yin Xizu and would no longer hold back.

"I will defeat you" Shen Xinyue said to Yin Xizu.

Shen Xinyue attacked Yin Xizu, with her current strength, she was far superior, and her strength dominated the battle.

Yin Xizu had to retreat and defend, Shen Xinyue's strength increased, and she could freeze attacks from Yin Xizu.

Yin Xizu in big trouble when Shen Xinyue froze the attack she used.

It was the same as being unable to do anything to Shen Xinyue.

Shen Xinyue fired an attack at Yin Xizu, a ball of ice shot towards Yin Xizu and made Yin Xizu slightly injured.

Yin Xizu's healing was fast, so her injuries quickly recovered.

Yin Xizu's injuries had indeed recovered, but there was another thing, namely, her body had been frozen by the attack just now.

"So this is this woman's supreme power, she can freeze me" Yin Xizu saw Shen Xinyue's supreme power.

This power is indeed troublesome because she can freeze all attacks so easily.

"I have to be serious about fighting her too" Yin Xizu seemed to have to be serious when facing Shen Xinyue.

If she is not serious, she will lose here in such a short time without any fight.

"It seems like she has gone too far" Ye Chen said to Yin Xizu.

"she is really angry, and no one can stop her" Yin Xizu said to Ye Chen.

"I will stop it" Ye Chen said to Yin Xizu.

Ye Chen was going to stop the angry and uncontrollable Shen Xinyue.

"Darling, this woman is not easy to deal with, she even beat everyone until they are helpless, you have to be careful when facing a woman like that," Yin Xizu said to Ye Chen

Yin Xizu told him that Shen Xinyue was a dangerous woman and Ye Chen had to be very careful when fighting a woman like this.

"Don't worry, this woman is not dangerous, just need a little way to make her a little calmer," Ye Chen said to Yin Xizu.lights

Ye Chen took a long breath, and after that, Ye Chen let out a breath of fire that was so strong and so big.

fire breath was so strong that it immediately destroyed Shen Xinyue's clothes.

"What ?" Shen Xinyue and Yin Xizu were shocked when they saw Ye Chen, and both of them were shocked when they saw what Ye Chen did.

The most shocked was, of course, Shen Xinyue, her power was immediately dispelled by Ye Chen with just one blow.

It made the ice clothes she had destroyed, and Ye Chen could see her body.

Shen Xinyue tried to cover her body from Ye Chen.

Ye Chen had seen it, he had seen the beautiful body that Shen Xinyue had.

"so beautiful," Ye Chen said to Shen Xinyue.

Ye Chen said that Shen Xinyue is so beautiful.

"You lewd man," Shen Xinyue said to Ye Chen.

"This is your fault, you did it yourself" Ye Chen said to Shen Xinyue.

Ye Chen blamed Shen Xinyue, this was all Shen Xinyue's fault, if only Shen Xinyue hadn't done it, none of this would have happened.

"You . . ." Shen Xinyue was so annoyed, she was so annoyed with Ye Chen.

"cough . . ." Shen Xinyue coughed up blood, she felt the side effects of using the ice goddess Art.

"so it was a side effect of using the technique just now" Ye Chen said to Shen Xinyue.

"That's indeed a side effect, it makes her strong, but it will hurt her body because it endures a force that her body can't accept" Yin Xizu said to Ye Chen, she explained to Ye Chen about the side effects of the ice goddess Art.

"she's injured quite heavily, she won't be able to use strength for a while, if we leave her in this place, she won't be able to survive" said Yin Xizu.

"isn't that a little evil," Ye Chen said to Yin Xizu.

"You don't really know her, this woman doesn't really like men, she has crippled many talents who chased her, I don't want anything bad to happen to you" Yin Xizu said to Ye Chen.

Yin Xizu gave Ye Chen a warning, she didn't want Ye Chen to be one of the people who fell victim to Shen Xinyue.

"Don't worry, that won't happen, I'll be fine," Ye Chen said to Yin Xizu.

"If that's what you want" Yin Xizu wouldn't stop Ye Chen, she wouldn't repeat the warnings he gave.

Yin Xizu knew that Ye Chen was an adult and knew good and bad, if Ye Chen dared to take risks, then she would not mind it.

Shen Xinyue listened to the conversation between Ye Chen and Yin Xizu, she could only accept fate, if she were left here, she would not be able to survive.

"Here," Ye Chen gave a cloth to Shen Xinyue.

Shen Xinyue accepted this and used it to cover herself.

"Why did you do this?" Shen Xinyue asked Ye Chen why did Ye Chen do this.

"I just want to help you" Ye Chen said to Shen Xinyue.

Shen Xinyue was silent, after everything that happened, Ye Chen was still helping her.

"There are some foreigners coming?" Yin Xizu said to Ye Chen.

"Take her away, if anyone sees her in that condition, it will add trouble for you" Yin Xizu said to Ye Chen.

"I understand" Ye Chen carried Shen Xinyue, he took Shen Xinyue away together with him.

Shen Xinyue was surprised when Ye Chen carried her, in a princess, this was probably the first time Shen Xinyue felt that way.

Ye Chen brought Shen Xinyue, he handed over this place to Yin Xizu.

If it was a foreigner, then it was not part of Yin Xizu's group, roughly who they were.

To guard, Ye Chen put Shadow Clone here to help Yin Xizu if there is a serious problem.

Chapter 2962 A Person From The Four-Sided Immortal Palace

Yin Xizu was waiting for them here, she wanted to know who would come.

Yin Xizu was not very familiar with the aura of these people, that's why she told Ye Chen that this person was most likely not from the party group.

Several people got off in front of Yin Xizu, three of them, one young man and two old men.

A young man with long hair carrying a Sword came.

"This guy?" Yin Xizu remembered who the person in front of her was, After trying to remember the person before her.

"Those clothes, they are from the Four-sided Immortal Palace, if I'm not mistaken, he is the grandson of the great elder of the Four-sided Immortal Palace" Yin Xizu probably knew who the person in front of her was, but he didn't remember this person's name.

They are members of the Four-sided Immortal Palace.

And in the middle was a young master and grandson of the great elder of the Four-sided Immortal Palace.

In terms of position, it is said that this guy is great enough, should he is not inferior to Yin Zeniyu.

"Were they sent here by the Four-sided Immortal Palace?" Yin Xizu estimated that the Four-sided Immortal Palace sent them.

Whether the Four-sided Immortal Palace also received the same mission as Yin Xizu, made Yin Xizu quite curious about this matter.

"Hello Miss" he greeted Yin Xizu.

"You . . .?" Yin Xizu didn't know this person's name, and because of this, she asked what the name of the man in front of her.

"My name is Long Waeri, I come from the Four-sided Immortal Palace" he introduced himself to Yin Xizu.

This person's name is Long Waeri, he is a talented person from the Four-sided Immortal Palace.

"Long Waeri?" Yin Xizu began to know who the person in front of her.

Someone who possessed such a powerful sword technique at the Divine Sword, he was quite a famous genius and one of the great people within the Four-sided Immortal Palace.

"Does Miss know me?" Long Waeri said to Yin Xizu.

"Of course I know you, what are you doing in this place ?" Yin Xizu asked Long Waeri.

"I came here because of an assignment." Long Waeri said that he came here because of an assignment.

"What kind of tasks do you have?" Yin Xizu asked about Long Waeri's tasks.

"That's the sect's job, I can't tell you." He said to Yin Xizu.

Long Waeri refused to tell Yin Xizu.

"So why did you come here?" Yin Xizu asked Long Waeri why he come to this place.

"I just felt the power from Shen Xinyue, is she in this place?" Long Waeri asked Yin Xizu.

"She is no longer here, that woman is gone," Yin Xizu said Shen Xinyue is already gone.

"Where did she go?" Long Waeri asked where Shen Xinyue left.

"I don't know either, I don't know what thought by that woman, so I don't know where she went now." Yin Xizu said that she didn't know where Shen Xinyue left.

"So the goddess is in this place, thank you very much, I will go look for her" Long Waeri thanked, he didn't seem to want to waste time on Yin Xizu.

Yin Xizu is very beautiful, although beautiful, Long Waeri has dedicated his life to Shen Xinyue, he will not turn away.

"This man, he seems to be Shen Xinyue's pursuer, if I remember correctly, Shen Xinyue broke his arm a long time ago, but he still dared to tease her after what happened, isn't he deterred by what happened?"

Yin Xizu didn't understand why men didn't give up, He wasn't the only one who had experienced this, it seemed like Shen Xinyue had also experienced the same thing.

"They don't want to give up, I don't understand men, will he be okay facing that woman?" Yin Xizu was curious whether Ye Chen could survive facing Shen Xinyue.

Since Shen Xinyue has so many powerful fans, they will not let Shen Xinyue be taken away.

Even though Shen Xinyue had been cruel to them, they didn't want to give up and insisted on getting close to Shen Xinyue.

"Will husband be okay?" Yin Xizu thought about Ye Chen, she was worried about Ye Chen.

"I think if it is him, then it will be fine" Yin Xizu felt that Ye Chen would be fine, he was a great person, and facing Shen Xinyue should not be a problem.

"I'd better go back, if I catch up, then the location will be easily found, and they seemed to be watching me" Yin Xizu decided to go back, and one of the people from Long Waeri seemed to be watching her.

It seemed that Long Waeri was suspicious of Yin Xizu and ordered people to monitor Yin Xizu's movements.

Long Waeri didn't believe the information Yin Xizu had, and because of this, he sent people to monitor and see what happened to Yin Xizu.

.

.

Ye Chen's side now.

Ye Chen carried Shen Xinyue and saw the condition that Shen Xinyue was in.

"Are you okay?, your face looks a little red" Ye Chen said to Shen Xinyue.

"It's okay, I'm fine" Shen Xinyue tried to hide her face, she was currently quite embarrassed to see Ye Chen.

"Why am I embarrassed, this is strange" Shen Xinyue didn't understand why she was so embarrassed, should she not need to be embarrassed when facing Ye Chen?

But this feeling was so strange, and she felt embarrassed when she saw Ye Chen.

Ye Chen brought Shen Xinyue to a safe place, the safest place was, of course, Ye Chen's tent.

Ye Chen didn't want to wake Jia Li, so he pulled Shen Xinyue outside for treatment.

Shen Xinyue seemed to know someone else was in there, so she followed Ye Chen not to wake her up.

"Your injury doesn't seem too serious? Maybe it just takes a little time to heal" Ye Chen said to Shen Xinyue.

"I was lucky because I didn't use that for a long time, otherwise the effect would be so terrible for me" Shen Xinyue said to Ye Chen.

"You are lucky because I stopped you" Ye Chen said that Shen Xinyue was lucky that he stopped her.

"I would have been the winner if you hadn't stopped me." Shen Xinyue said to Ye Chen.

"she did that to protect me" Ye Chen said to Shen Xinyue.

"That's very strange, why would she do that?" Even though she wasn't like that, Shen Xinyue didn't understand why Yin Xizu wanted to protect Ye Chen.

"You will not understand, you are still too lay about this problem," Ye Chentoldo Shen Xinyue.

Ye Chen told Shen Xinyue that he was still early in this matter.

Why did Ye Chen say that to Shen Xinyue, it was because Ye Chen saw that Shen Xinyue had a closed and cold heart, she probably had no relationship with other people and no attachment to anyone.

"What do you mean, I'm still a common people?" Shen Xinyue was annoyed because Ye Chen said that.

"You won't understand relationships, I see that you don't have relationships with other people, you definitely live alone and can't trust or depend on other people" Ye Chen said to Shen Xinyue.

After Ye Chen said this, Shen Xinyue was silent for a while, she was silent when she heard what was said by Ye Chen.

Shen Xinyue couldn't escape these words, Ye Chen says was right, she was alone in this world, and had no ties and no trust in other people.

Chapter 2963 Giving Comics To Shen Xinyue

"You might be right about that" Shen Xinyue said to Ye Chen.

What Ye Chen said might be the truth, she was alone in this world.

"oh, so you admit that, I thought you wouldn't want to admit that" Ye Chen said.

Ye Chen thought that Shen Xinyue wouldn't admit it, who would have thought that she would admit it.

"How rude, even though I already admitted it, but you are still mocking me" Shen Xinyue said to Ye Chen.

"I'm sorry" Ye Chen laughed, he apologized to Shen Xinyue.

"Can you do something about that matter?" Shen Xinyue asked Ye Chen.

"Hmmm, let me think for a while" Ye Chen thought for a while.

"Master" Chu Yuechan spoke to Ye Chen.

"What's wrong?" Ye Chen asked Chu Yuechan.

"I have something good for you" Chu Yuechan said to Ye Chen, she told him that she had something good.

"What is it?" Ye Chen asked Chu Yuechan.

"Look at this" Chu Yuechan took out some comic books.

"These are comic books right, where did you get all these?" Ye Chen asked Chu Yuechan.

"These were all brought by Shen Niang" Chu Yuechan told Ye Chen, Chu Yuechan told him that this was Shen Niang's collection.

"she has this much, and why would she be interested in something like this" Ye Chen was surprised at the amount.

"Of course, she is interested in this kind of thing, don't you feel that she has changed quite a lot?" Chu Yuechan said to Ye Chen.

"oh, so this is what changed her" Ye Chen understood, it seemed like Shen Niang changed because of this.

Ye Chen thought for a while, and after Ye Chen thought for a while, he understood what Chu Yuechan wanted.

"So you want me to give this to her?" Ye Chen understood what Chu Yuechan meant.

"That's right, maybe she will understand after reading this" Chu Yuechan said.

"I understand" Ye Chen understood, he would try it.

"How about this?" Ye Chen had a way for Shen Xinyue.

"What is it?" Shen Xinyue listened to Ye Chen.

"A thing that might help you" Ye Chen said to Shen Xinyue.

"Huh?" Shen Xinyue didn't understand, so she asked Ye Chen again.

"listen to me, this is a thing that might be able to answer the question you have, this is the property of one of the great women you must know" Ye Chen said.

"Whose is it?" Shen Xinyue asked Ye Chen.

"This is the property of Shen Niang, one of the powerful cultivators" Ye Chen said to Shen Xinyue.

"You're joking with me, that's impossible" Shen Xinyue didn't believe what Ye Chen said.

"Why don't you believe it" Ye Chen said.

"She is one of the great women ever in history, there is no way she would keep something like this" Shen Xinyue said.

"Whatever if you don't believe, don't you want to try it" Ye Chen said to Shen Xinyue.

Shen Xinyue thought for a while about whether she should try it, she didn't know what it was, and it made Shen Xinyue curious.

"If you don't want to, I will keep this thing," Ye Chen said to Shen Xinyue.

"Wait a minute," Shen Xinyue stopped Ye Chen.lights

"How?" Ye Chen asked Shen Xinyue.

"I will accept it" Shen Xinyue said she would accept it.

"Here it is, you can use it, after that you can return it to me" Ye Chen told Shen Xinyue.

Shen Xinyue accepted and kept it to read later, Ye Chen treated Shen Xinyue's wound, and after finishing, he told Shen Xinyue to rest in the tent on the side, Ye Chen went back into his tent and accompanied Jia Li.

.

.

After Ye Chen left, Shen Xinyue took out the book given by Ye Chen, she was quite curious about the book given by Ye Chen.

"That person dares to claim the impossible, how could this belong to a great person like Shen Niang?" Shen Xinyue didn't believe what Ye Chen said.

It was hard to believe what Ye Chen said because it was very unlikely to happen now.

Shen Xinyue opened it and started reading it, she saw a picture and an inscription.

"hmmm, a bit interesting" This is a really good romance comic that Shen Niang bought directly, she really likes it.

Shen Xinyue was initially embarrassed to read it, but after a few pages, she liked it.

"This is so good" Shen Xinyue started to like the story, it seemed like she started to understand what Ye Chen was saying.

Ye Chen gave Shen Xinyue enough to use, Shen Xinyue wanted to read it all and finish it tonight.

As Shen Xinyue had wanted from the beginning, she was starting to be able to understand a feeling from just reading it.

Although this would not be easy to practice in the real world, it interested Shen Xinyue.

"So that's it, I'm starting to understand" Shen Xinyue started to understand, it seemed like she was starting to understand the answer she had asked Ye Chen.

Shen Xinyue is a hard worker, she is diligent in reading and practicing, and reading things like this feels good.

Ye Chen's decision was good enough to give this kind of thing to Shen Xinyue, with it, Shen Xinyue could easily get enlightenment on her problems.

After reading the comic, now it was Shen Xinyue's own decision, whether she wanted to make changes or stay the same as before, it was a decision that only Shen Xinyue could choose.

Shen Xinyue had to think hard on this matter, what would she take, this was such a difficult and big decision.

Let everything go normally, Shen Xinyue felt that she didn't need to be too hasty and try it, whether it would be suitable or not, she wanted to try it.

Shen Xinyue got up from her place, she went to Ye Chen's tent.

Shen Xinyue wanted to see what Ye Chen would do.

Ye Chen slept together with a woman, the woman beside him was quite beautiful and mature, in terms of appearance, the woman was not too bad.

"Doesn't he have Yin Xizu, why is there another woman beside him?" Shen Xinyue thought for a while, why is there another woman sleeping together with Ye Chen?

"Is it a concubine, hmmm, I think that might be the case" Shen Xinyue understood, it was not a strange thing.

Shen Xinyue was very innocent once, she had no experience with men, so she didn't know this.

This woman is cold and indifferent, it is not strange that she is so innocent in the relationship between men and women.

"Alright, let's try one of the scenes in the book" Shen Xinyue decided to practice directly, she would feel it easier.

Shen Xinyue lay down beside Ye Chen, she wanted to feel the same feeling as the woman in the comic.

"A strange feeling" Shen Xinyue had tried it, and she felt such a strange feeling.

"But it's comfortable" Shen Xinyue began to understand, it's so comfortable.

Shen Xinyue got closer, and lay in Ye Chen's arms, she enjoyed such a comfortable feeling and closed her eyes.

Who would have thought that Shen Xinyue would join, Ye Chen and Jia Li should not have expected the two to join their tent.

A few hours later, morning came, and Jia Li was the first to wake up.

"How refreshing, I can finally sleep comfortably" Jia Li enjoyed it so much.

Normally she would be a little tired because the night with Ye Chen would be spent doing things together.

Chapter 2964 Shen Xinyue Joined The Group

Jia Li looked toward Ye Chen, and when she looked at Ye Chen, she found another person.

"Uh, who is she?" Jia Li didn't know who it was, she had never seen this woman, this was not one of Ye Chen's women.

"Who is it? I've never seen it at all." Honestly, Jia Li had never seen it.

"I'd better just ask ?" Jia Li decided to ask Ye Chen directly.

Jia Li woke Ye Chen up, she pinched Ye Chen's cheek and tried to wake him up.

Ye Chen woke up and looked toward Jia Li.

"How did you sleep?" Ye Chen asked Jia Li.

"Shh. ." Jia Li Stopped Ye Chen.

"Why?" Ye Chen asked Jia Li, Jia Li was so strange today.

"You have to see this" Jia Li said to Ye Chen, she told Ye Chen to see this.

Ye Chen saw what Jia Li was pointing at, and when Ye Chen looked at it, he found that Shen Xinyue was on the side.

"Why is she here?" Ye Chen asked Chu Yuechan.

"she came and joined you, I also don't really know the reason why she came" Chu Yuechan said to Ye Chen.

Chu Yuechan said she didn't know why Shen Xinyue came to Ye Chen's place.

This woman was so complicated, and Shen Xinyue didn't know why she came to Ye Chen.

"she looked so peaceful, so I didn't bother her" Chu Yuechan said to Ye Chen.

"You might be right, she seems to be enjoying it" Ye Chen agreed with what Chu Yuechan said, Shen Xinyue looked peaceful.

"What would you do?" Chu Yuechan and Jia Li asked Ye Chen.

"Let's wake her up" Ye Chen said he would wake Shen Xinyue.

Ye Chen woke Shen Xinyue, Ye Chen used his hand to wake Shen Xinyue.

Ye Chen's finger touched Shen Xinyue's cheek, Shen Xinyue immediately woke up and saw Ye Chen.

"Huh?, where is this?" Shen Xinyue was not fully conscious yet, she was still delirious and had little understanding of the situation.

Shen Xinyue had never slept soundly, perhaps this was the first time she had slept soundly like this.

This happened because Ye Chen could give her a feeling of security, because of this, she was able to sleep peacefully.

"It's already morning, why are you in this place?" Ye Chen asked.

"Eh? ? ? ?" After some time, Shen Xinyue finally realized what had happened.

"No way, I fell asleep?" Shen Xinyue finally understood, she had fallen asleep, was too comfortable, and forgot everything.

Shen Xinyue's initial plan was to leave before Ye Chen woke up, but that didn't work, after everything that happened, she enjoyed it and was with Ye Chen until morning.

"This is so embarrassing" Shen Xinyue felt that this was so embarrassing she did it, and it was quite embarrassing for Shen Xinyue.

"I can explain this," Shen Xinyue said to Ye Chen.

Shen Xinyue looked so panicked when she tried to explain this matter to Ye Chen, she felt confused about explaining the matter to Ye Chen.

The nervous Shen Xinyue was so cute, and Ye Chen seemed to enjoy teasing Shen Xinyue.

"What do you want to explain, you don't want to make an excuse that you entered the wrong tent?" Ye Chen said to Shen Xinyue.

"That's really true, after reading outside I was so tired and probably went in the wrong way," said Shen Xinyue.

Thanks to Ye Chen, Shen Xinyue found a reason that was quite reasonable to use.

"Hahahahahah" Ye Chen smiled when he heard this.

"You have quite a funny reason, but that can't be the case" Ye Chen said to Shen Xinyue.

"Never mind, you won't be able to lie and deceive me" Ye Chen thanked Shen Xinyue.

Ye Chen told her that Shen Xinyue would not be able to lie to him.

Shen Xinyue was so embarrassed she couldn't lie to Ye Chen, there was no way to lie to Ye Chen.

"Now explain it well to me" Ye Chen said to Shen Xinyue.lights

Shen Xinyue was, of course, embarrassed to admit it, she was a woman and would not want to admit this to Ye Chen.

"I just want to, there's no other reason" Shen Xinyue said to Ye Chen, she told him that she just wanted to and there was no other reason.

"So that's how it is, then there's no other reason" Ye Chen said to Shen Xinyue.

"You will not continue" Shen Xinyue said to Ye Chen.

"That's not necessary" Ye Chen said to Shen Xinyue, it wasn't necessary because Ye Chen believed in Shen Xinyue.

"so what about the wounds you have" Ye Chen asked Shen Xinyue.

"I'm better" Shen Xinyue said to Ye Chen, she was very good and able to fight.

"very good, are you coming back or not" Ye Chen asked Shen Xinyue.

"I don't think it's necessary, they must still be recovering," said Shen Xinyue.

"Huh?, what do you mean by what you said?" Ye Chen asked Shen Xinyue.

"It's nothing, you don't need to think about it" Shen Xinyue said to Ye Chen.

she told Ye Chen not to think about it.

Ye Chen became increasingly curious about this matter, what Shen Xinyue meant.

Ye Chen wanted to know about this from Shen Xinyue.

Shen Xinyue seemed to be hiding this, she didn't want to tell Ye Chen about her secret.

Ye Chen should probably ask Yin Xizu, she might know about the matter.

"What are you going to do?" Shen Xinyue asked Ye Chen.

"we came to solve the problem" Ye Chen said to Shen Xinyue.

Ye Chen said that he had come to solve the problem.

"What kind of problem?" Shen Xinyue wanted to help Ye Chen.

"we are fighting with the demon god commander" Ye Chen said to Shen Xinyue.

"So our goals are the same, how about we work together" Shen Xinyue saw that their goals were the same.

"You already have a squad, is that okay" Ye Chen asked Shen Xinyue.

"Forget them, many of them are useless, I don't really like them" Shen Xinyue said that she didn't like them.

"You are too honest" Ye Chen said to Shen Xinyue.

"I don't like small talk, people are annoying and just want to annoy me, and I don't really like that problem".

"Okay, I agree to work with you" Ye Chen said to Shen Xinyue.

"Then I will introduce myself again" Shen Xinyue said to Ye Chen.

"I am Shen Xinyue" Shen Xinyue introduced herself.

"I am Jia Li" Jia Li introduced herself to Shen Xinyue.

"I am Ye Chen" Ye Chen told who he was.

"I hope we can work together" Shen Xinyue said to Ye Chen, she hoped that they could work together.

"um . ." Ye Chen and Jia Li nodded to Shen Xinyue.

"husband, who is she?" Jia Li asked Ye Chen, she wanted to know who Shen Xinyue was.

"that is Shen Xinyue, you don't know that name ?" Ye Chen asked Jia Li.

"That's not foreign to me," Jia Li said to Ye Chen, she told Ye Chen that it was not foreign to her.

"Come on, remember it well" Ye Chen said to Jia Li, he told Jia Li to remember this.

"Hmmm." After some time, Jia Li finally remembered who Shen Xinyue was.

"impossible" Jia Li didn't believe it, to be honest, it was quite difficult to believe this.

Chapter 2965 I Once Broke His Arm

Yin Xizu alone made Jia Li so surprised now another person who was so strong appeared, this was the most beautiful woman in the world. How could she meet a woman like this?

"she is so beautiful, she is in the same league as Shen Niang" Jia Li felt that Shen Xinyue was in the same league as Shen Niang.

"Again, he attracts beautiful women" Jia Li complained that because Ye Chen attracted beautiful women again, this would be a problem.

"After deciding to work together" Ye Chen told Shen Xinyue about his plan.

He told her what he would do next.

"So the dictionary already knows the location and position of the enemy, that's quite advantageous for attacking" Shen Xinyue said to Ye Chen.

"My plan is to be a support team, I think you should be the one to face them" said Ye Chen.

"Why do you want to be on the support team, even though you are quite strong?" Shen Xinyue asked Ye Chen.

"I'm not that strong" Ye Chen wasn't that strong, so he refused to move forward.

"Huh?" Shen Xinyue couldn't understand, she couldn't understand what Ye Chen said.

Ye Chen was so strong, how could he say something like that?

"I told you that I'm not that strong" Ye Chen said to Shen Xinyue.

Shen Xinyue felt that Ye Chen was too humble because Shen Xinyue had fought with Ye Chen, she knew the strength that Ye Chen had, power that Ye Chen had was strong enough to be able to fight her.

"You are too humble, you should be at the same level as me and Yin Xizu" said Shen Xinyue.

"No, my level is still much lower than yours" Ye Chen said to Shen Xinyue.

"ehh?" Shen Xinyue was surprised to hear this.

Ye Chen showed his level, he hid it with an artifact so Shen Xinyue didn't know.

Shen Xinyue made such a strange face, she had just seen what level Ye Chen was at.

"You are only at the Immortal God Realm level" Shen Xinyue didn't believe that Ye Chen was only at the Immortal God Realm level.

"How did you win against me?" Shen Xinyue didn't understand how Ye Chen could win against her.

Her understanding of Ye Chen was getting more complicated, how could Ye Chen win against Shen Xinyue?

"hehehehe, of course using a few dirty tricks" Ye Chen said that he used dirty tricks to deal with Shen Xinyue.

"You. . ." Shen Xinyue had a headache when she listened to Ye Chen's words, what kind of trick was that Shen Xinyue wanted to know?

"Anyway, we will be behind and help" Ye Chen said to Shen Xinyue and Jia Li.

"If you say it like that," because Ye Chen said it like that, they would help from behind.

"where is that woman" Yan Rula wanted to know where Shen Xinyue was.

"Maybe she's angry and doesn't want to come here anymore." Yin Xizu said that Shen Xinyue wouldn't come here anymore.

"It's those stupid people's fault" Yan Rula blamed the stupid people who kept pestering her, if they didn't do anything bad, Shen Xinyue wouldn't leave.

The four men huddled together, they all looked sad hearing this as if Shen Xinyue would not return here again and refused to be with them.

"What are we going to do, we just lost one of our powers" Yan Rula asked, they just lost one of their strong men, what can they do now?

"We can only continue, I already know the enemy's location after searching, if we retreat, they will be even stronger" Yin Xizu said that she had found the enemy's location and just had to attack.

"Are we capable?" Yan Rula asked Yin Xizu.

"Of course, we definitely can, I met people from the Four-sided Immortal Palace last night, they also seem to be going to fight together with us" said Yin Xizu.

"I don't like them, Yan Rula said that she doesn't like fighting with the Four-sided Immortal Palace.

lights

Those people were so arrogant and uncooperative that Yan Rula did not want to cooperate with them.

"We have no other choice" Yin Xizu said they had no choice but to do this.

"You all prepare yourselves, we will start to move" Yin Xizu said to everyone.

Yin Xizu gave the order, she led everyone towards the demon god commander's hiding place.

With that, they all left, they carried out their duties so well.

"they have started to move" Shen Xinyue said to Ye Chen.

"Are you sure you don't want to join them, the men there looked so heartbroken when you left" Ye Chen said to Shen Xinyue.

"Do you not like me?" Shen Xinyue asked Ye Chen why Ye Chen didn't want her to be in his group.

If it were anyone else, they would be so happy about the matter they would cry with joy because Shen Xinyue was willing to be with them.

"Of course I like it, a woman who is so beautiful joins me and is a goddess who is so respected" Ye Chen said to Shen Xinyue.

Shen Xinyue turned her face away, she looked embarrassed listening to Ye Chen's praise.

"Because you're not around, their strength will definitely decline, right?" said Ye Chen.

"No, there is Yin Xizu over there, she is not weaker than me, in the previous battle, she was able to suppress me, so she is quite strong and has not shown her full strength when fighting me," said Shen Xinyue.

"Plus we are helping from the back, so everything should be fine" Shen Xinyue said to Ye Chen.

"There is another group," Ye Chen said to Shen Xinyue.

Ye Chen saw that there were other groups around this place.

"which group" Shen Xinyue asked Ye Chen, she wanted to know which group it was.

"Come with me" Ye Chen said to Shen Xinyue.

He took Shen Xinyue to take a look.

Yin Xizu's group set off, and they started heading towards where the enemy was.

Meanwhile, Ye Chen, Jia Li, and Shen Xinyue went to Long Waeri's place.

On Long Waeri's side, there were so many people, around 40 of them with many skilled young talents.

"those clothes" Ye Chen looked at their clothes, he could tell who they were and where they came from.

"that is Long Waeri" Shen Xinyue said to Ye Chen and Jia Li.

"You know them ?" Jia Li asked Shen Xinyue.

"I of course know that person, I once broke his arm," said Shen Xinyue.

"-_- " Ye Chen and Jia Li were silent when they heard this, could it be called an acquaintance, it was like an enemy compared to an acquaintance.

"what about that person's position ?" Ye Chen asked Shen Xinyue.

"He is the grandson of the great elder of the Four-sided Immortal Palace, I heard that he mastered such a great heavenly sword technique and is one of the talents that is so proud of within the Four-sided Immortal Palace" Shen Xinyue said to Ye Chen.

"Then he is a great person" Ye Chen said to Shen Xinyue.

"Not really, he's weak" Shen Xinyue said that this person was weak, if he were really strong, Shen Xinyue wouldn't be able to win.

There are only a few people who Shen Xinyue thinks are strong. Long Waeri was not one of the strong people worthy of Shen Xinyue's opinion.

"I understand" Ye Chen groaned, it seemed they weren't strong people.

"what if I destroy them" Ye Chen thought about destroying them.

Chapter 2966 Arrived At The Entrance Of The Demon God Commander's Base

Ye Chen didn't like the Four-sided Immortal Palace and wanted to destroy them.

"Calm down" Jia Li said to Ye Chen, she told Ye Chen to calm down and not do anything.

"I'm fine" Ye Chen said to Jia Li, he wouldn't do that.

Shen Xinyue looked at Ye Chen, it seemed like Ye Chen had a problem with the Four-sided Immortal Palace.

If not, Ye Chen wouldn't be angry about something like this, Shen Xinyue wanted to know what problem Ye Chen had, but she held back and didn't ask Ye Chen out of respect for Ye Chen.

"let's go" Ye Chen invited Jia Li and Shen Xinyue to leave.

Ye Chen, Jia Li, Shen Xinyue left this place.

They had to follow Yin Xizu's group.

The group from the Four-sided Immortal Palace started to move, Long Waeri led everyone to go to look for the nests of the enemies around this place.

"We will bring glory to the Four-sided Immortal Palace" Long Waeri said to everyone, saying they would bring peace to everyone in this place.

Everyone was extremely excited, they wanted to become a part of history and defeat the notorious demon god commander.

Yin Xizu led everyone, making everyone fight to get to the place of the demon god commander.

"The demons around are starting to become more aggressive" Shen Xinyue said to Ye Chen.

she saw that the demons around were starting to become aggressive and very harsh towards the opponent.

"It seems like they are aware that you are going to attack, that means the person behind all this is very smart and very great" Ye Chen said to Shen Xinyue.

"He even sent those people to test your abilities so he could beat you" Ye Chen said to Shen Xinyue.

"How do you know about this" Shen Xinyue asked Ye Chen, how did Ye Chen so easily understand the enemy's tactics.

"That's clear, he's smart, before fighting, understanding the enemy's strength is something a squad leader must be able to do," said Ye Chen.

Shen Xinyue didn't understand what Ye Chen said.

"Just short, he will use weakness to defeat us, if he knows our strengths and abilities, he will destroy us more easily" said Ye Chen.

"So this is not all about defend, but rather assessing each person's abilities," said Shen Xinyue.

Shen Xinyue began to understand, she understood after the explanation given by Ye Chen.

The enemy's goal is to analyze their abilities, with which they can carry out a deadly attack on them.

They are smart enough, they can know what to do to fight the enemy.

"Then our position is the safest" Shen Xinyue said that their position was the safest, the enemy would not easily target them.

"It's true that our position is the safest, they won't bother to see our abilities," said Ye Chen.

"I understand" Shen Xinyue understood, it seemed like her decision was very good, she had made the right decision to join Ye Chen's group.

The power of the demons sent was not very strong and could be easily overcome by Yin Xizu and the others, they could easily overcome the opponents sent.

"They sent weak people against us, it seems like they underestimated our abilities" The male cultivators in the group were too confident in their abilities.

They weren't even aware of the enemy's true goals.

"Let's continue our journey, we are almost at the enemy's place" Yin Xizu said that they were almost there.

"Understanding" they continued their journey, this journey was so easy for them to go through, and they had no difficulty fighting the enemy.

"The enemy is a little strange" Yan Rula said to everyone, she said that the enemy looked strange and told everyone to stay alert.

"Our enemy is so weak, there is no need to be so afraid, we will overcome them quickly" they underestimate the enemy and will get into trouble.

The great ones haven't come out yet, if they do, then it will be a very tough battle for everyone.lights

Yan Rula sighed, these people are so brutal.

"husband, the Four-sided Immortal Palace group is approaching" Jia Li said to Ye Chen.

"Let's hide first" Ye Chen invited Jia Li and Shen Xinyue to hide first.

Jia Li and Shen Xinyue followed Ye Chen, they both hid to avoid the Four-sided Immortal Palace people.

Ye Chen helped hide Jia Li and Shen Xinyue, no one could see Ye Chen and the others.

"Are you sure it's okay, they might be able to find us here" Shen Xinyue said to Ye Chen, she told Ye Chen that they might be easily found.

"They won't see us" Ye Chen said they wouldn't look this way.

Shen Xinyue didn't understand why Ye Chen was so confident about this.

Where did Ye Chen's self-confidence come from?

Shen Xinyue didn't know that Ye Chen had such great abilities. hiding himself was so easy for Ye Chen to do.

Long Waeri and everyone else didn't sense or see Ye Chen, it was because of the dimensional barrier around them that made them unable to be sensed.

Shen Xinyue saw that the enemy had not discovered their whereabouts, which was unreasonable.

"What kind of strange technique does he have, I don't understand" Shen Xinyue didn't understand Ye Chen, again Ye Chen showed a strange technique, surprising Shen Xinyue.

"They're gone, let's continue our journey" Ye Chen said to Jia Li and Shen Xinyue.

Their job is to watch over the group, they will help if the situation worsens.

Several hours later, they finally arrived at the Demon's mark.

A cave that was so big and looked dark, was the entrance to the place of the demon god commander.

"So this is the place" Yin Xizu saw that the person she was looking for was in this place, after a long time, she would meet an old enemy.

"Let's go in" said Yin Xizu.

"Wait a minute" Yan Rula said to Yin Xizu.

"Why?" Yin Xizu asked Yan Rula.

"Don't you think that there is a trap in this place?" Yan Rula asked Yin Xizu.

"There are no traps, you calm down" Yin Xizu had already tried it, and she didn't find any traps around.

Yin Xizu's abilities were higher than everyone else in this place.

When she checked the entire place, no one noticed what Yin Xizu was doing.

.

.

"Come on in, don't be timid, just stay at the back and let us open the way" they went forward, they would open the way for Yin Xizu and Yan Rula.

"Look, they will open the way for us, you don't need to be too afraid to come forward against the enemy" said Yin Xizu.

Yin Xizu said to Yan Rula, she told Yan Rula not to be afraid to fight the enemy.

The enemy must have prepared a trap, if they want to fight the enemy, they must be prepared for this risk.

They all entered, they entered and defeated the Demon guarding in front of the door, they fought well and quickly, in just a matter of seconds, cleared the door and entered the deepest part.

After that, Long Waeri's group came, they seemed to be following Yin Xizu.

"Very good, we no longer need to bother finding the enemy's place, they will guide us inside" Long Waeri was so happy because he didn't need to try.

Chapter 2967 Many Women Experience Mental Disorders

They took advantage of Yin Xizu to open the way for them.

They were quite shameless, what they did was embarrassing to see.

"So cunning people" Jia Li saw that they were so cunning.

"They are like that, so don't be too surprised to see this," Ye Chen said to Jia Li.

Ye Chen was used to seeing this, so he wasn't surprised when he saw what happened.

"we follow them" Ye Chen said to Jia Li and Shen Xinyue.

The three of them followed behind, Ye Chen sometimes helped Yin Xizu, and he cleared the way for them by using Clone.

With Ye Chen's help, they could easily enter the interior without any problems.

"You two" Ye Chen said to Jia Li and Shen Xinyue.

"What is it?" Jia Li and Shen Xinyue asked Ye Chen.

"In front there are several prisoners who look so listless and helpless" Ye Chen said to Jia Li and Shen Xinyue.

"Do you want to save them?" Shen Xinyue asked Ye Chen.

"Of course, I want to save them," Ye Chen said.

"I will help" Jia Li said to Ye Chen.

"Then I will take care of the people around you, you guys just focus on saving them" Shen Xinyue said to Ye Chen and Jia Li.

Shen Xinyue went to knock everyone out, she went to overcome them.

"let's save everyone first" Ye Chen said to Jia Li.

It could be said that Ye Chen believed in what Shen Xinyue was doing, he entrusted everything to Shen Xinyue.

"um" Jia Li understood, she and Ye Chen started to free female prisoners.

"Are you okay?" Ye Chen asked, they seemed so down and couldn't answer Ye Chen.

"Their mentality is destroyed" Ye Chen saw that this was trauma, their mentality was destroyed.

To break their mentality, they must have experienced something so terrible.

Ye Chen is sure they experienced something bad that put them in this condition.

Ye Chen tried to help them, he used several methods to make them regain consciousness.

This took time, so Ye Chen had to be patient in treating them one-on-one.

Jia Li helps release those who have consciousness, she tells them to line up immediately because they will get them out.

They were all so happy, finally this bad situation was over, many of them had died, so they were so scared and wanted to get out of this place.

"How are things there?" Jia Li asked Ye Chen, Jia Li asked Ye Chen about the situation.

"I need time to make them aware" Ye Chen said to Jia Li.

Ye Chen needed time to make them all aware.

Ye Chen knew that it wouldn't be easy to make them aware, so Ye Chen needed time.

"the guards will probably come" Jia Li said to Ye Chen.

"Don't worry, that won't happen, you have to know who is the person guarding the door for us" Ye Chen said to Jia Li.

The person guarding the door was Shen Xinyue, she would be able to solve the problem so easily and without any problems.

So Ye Chen still had quite a lot of time, and there was no need to be too hasty.

.

.

Outside the prison, Shen Xinyue was guarding this place, several people appeared and surrounded her.

"We got such a beautiful intruder, master will definitely like her" They surrounded Shen Xinyue.lights

The demon god commander would like Shen Xinyue.

This woman was beautiful and had pure and ample Yin Qi, it could help the demon god commander to become stronger.

"You'd better leave this place." Shen Xinyue gave them all a chance to leave.

"Hahahaha" they laughed when they heard what Shen Xinyue said.

They laughed at what Shen Xinyue said, the threat would be useless to them because this was their place.

Here they felt they could win easily and no longer needed to be afraid of fighting Shen Xinyue.

"arrogance is not a good," Shen Xinyue said that they were too arrogant.

"Be quiet and obey us," they stretched their hands towards Shen Xinyue.

All the Demons want to catch Shen Xinyue, whoever can do this, can get a reward.

When they wanted to catch Shen Xinyue, their hands were suddenly cut off, this made them all feel shocked, they were all shocked when they saw their hands were cut off.

Shen Xinyue created a thread that was so thin around her it was so hard to see, that the enemy would have trouble dealing with Shen Xinyue.

After seeing what happened, they immediately stepped back and kept their distance from Shen Xinyue.

They recovered and began to strategize to deal with Shen Xinyue.

Demons' recovery strength is indeed fast, in just a short time, their hands grow again.

"They can't be killed using normal methods." Shen Xinyue understands this, they can't be killed using normal methods.

"It turns out you have the ability, it's not strange that you are so confident in facing us alone" They finally realized that Shen Xinyue had great strength, so it was not strange that Shen Xinyue dared to face them alone without anyone to help.

"Do you think that I am a stupid woman who came to this place without any preparation?" Shen Xinyue asked them all.

They were all silent, if Shen Xinyue did that, it would be the same as committing suicide for them.

"You all understand now." Shen Xinyue said that they all understood what happened.

"You are still stupid for entering this place, we will still arrest you" They will still arrest Shen Xinyue.

"Just try if you can and are able to do this, I will give you a warning, you must be prepared to lose your head if you dare to come forward" Shen Xinyue gave a warning, Shen Xinyue's words were very cold, and she was not playing around with what she said.

Even though she looked cold and scary, Shen Xinyue was still beautiful, like a goddess.

"Arrest, ignore what she said, this woman is so brave to challenge us" They were so angry.

"You are stupid people" Shen Xinyue said they were stupid people.

Shen Xinyue flicked her finger, and immediately, the ice threads around her moved and immediately cut all the demons present.

The attack was so fast, and all the demons didn't see what happened when they realized, their heads were spinning.

"impossible" they all couldn't believe what was happening.

After being hit by the thread, their bodies froze into pieces of ice.

"Clank . ." their bodies shattered into pieces.

And swept away by the wind.

Shen Xinyue stood alone, she spared no enemies and destroyed them all.

"well done" Shen Xinyue was done here, she had defeated all the enemies present.

No enemy dared to approach, all enemies would no longer dare to fight against Shen Xinyue.

"They've been around for quite a while, what are they doing?" Shen Xinyue didn't understand, Ye Chen and Jia Li took so long, what made them take so long.

Ye Chen and Jia Li were helping injured people, so it wasn't strange that they needed time.

Ye Chen helped everyone, using pills and a little therapy, and they began to regain consciousness.

"Please help those who can't survive, we will take you out" Ye Chen said to everyone, they will take everyone out.

Chapter 2968 Demon Sien Gart

Ye Chen told everyone to help each other, that way, they could all get out of the current situation.

They all help each other people in need, they also want to get out.

Even though some listened to Ye Chen, some women from rich families didn't listen to Ye Chen, they refused Ye Chen's orders because they were arrogant young ladies.

Ye Chen saw this, these people were so arrogant, even though Ye Chen had good intentions towards everyone.

"Husband . . ." Jia Li said to Ye Chen, they are so arrogant, maybe Ye Chen and Jia Li should let them be in this place.

"They are still arrogant young ladies and don't understand their current position" Ye Chen said to Jia Li.

"Those of you who don't listen, can just stay here" Ye Chen said, if they don't want to cooperate, Ye Chen wants to let them stay in this place.

With the threat posed by Ye Chen, they should all be afraid.

"You have to take me out, I will pay a fair price" even though Ye Chen had spoken like that, there were still people who refused and chose to bribe Ye Chen.

"I don't need the money you have, I'm much richer than all of you" Ye Chen immediately refused, that was because he was much richer, why did Ye Chen accept the offer.

They were all silent when they listened to what Ye Chen said.

"If you don't want to, I will leave you here and what will they do, sell you or rape you" Ye Chen said to the young woman who was so arrogant.

To deal with such arrogant women, Ye Chen had to do this, that way they would be aware of their position.

Ye Chen's threat was quite serious, they had to think again.

"You have 10 seconds to think"

"10,9,8,7,6,5,4,3,2,1" Ye Chen counted down.

"Okay" They finally agreed, they were all still afraid of Ye Chen staying in this place.

"Very good, you have made a very good decision and you will not regret that decision," said Ye Chen.

After that, everyone helped each other.

"Come with me" Ye Chen said to Jia Li and everyone.

Jia Li led them all, meanwhile, Ye Chen went forward and opened the way.

"Where is Shen Xinyue?" Ye Chen didn't see Shen Xinyue, where was she at this time.

When Ye Chen was about to go out, he saw a figure ahead, a man with a thin body appeared in front of Ye Chen.

"stop" Ye Chen told everyone to stop, it seemed like a strong enemy was waiting for them.

They all stopped according to the orders given by Ye Chen, when they all stopped, they all saw what was ahead someone so strong.

"I thought what, it turns out there was an intruder in this place" he said to Ye Chen.

"Oh, so you are the guard of this place, so weak for not being able to stop us" Ye Chen said to the person in front of him.

"hahaha, you are so funny, don't you know your current condition?" He said to Ye Chen.

"I know very well the condition I have now." Ye Chen said that he knew his condition, he was fine.

"What a fool, you are not fine" he said to Ye Chen.

"You met the most dangerous person in this place, I am an executor whose job is to kill every dissident" he said to Ye Chen.

"So what?" Ye Chen asked again.

"This time I will kill you for disobeying" he said to Ye Chen.

He started attacking Ye Chen, a purple dark came out of his nails and headed towards Ye Chen.

Ye Chen used his hands, and he blocked the attack using them.lights

"Oh, you were quite good at blocking that attack, if you had dodged, the people behind you would have died" he said to Ye Chen.

If Ye Chen had decided to dodge, the people behind Ye Chen would have changed realms.

"This person is dangerous, wife, you take them out of this place, I will take care of it" Ye Chen said to Jia Li.

"Understood, just leave this matter to me" Jia Li understood, she would take everyone out first.

"I won't let you run away" When Jia Li was about to run away, he immediately stopped Jia Li, he used a super long nail gun to stop Jia Li who intended to run away.

"slash . . ." Ye Chen wouldn't allow that, he cut the nails before they reached Jia Li.

"Your opponent is me" Ye Chen said that his opponent was him.

"So that's how it is, I won't be able to get out like this" he understood, if he didn't kill Ye Chen, he wouldn't be able to get out of this place.

"I will kill you quickly" he said to Ye Chen.

"Don't be too arrogant" Ye Chen said to the Demons around him.

"Hahahaha, I do have the ability, it's not strange that I'm arrogant like this" he said to Ye Chen.

"I am Sien Gart, I will kill you quickly" Sien Gart said that he would kill Ye Chen quickly.

"nail cutter head" he aimed at Ye Chen's head using his nails.

Ye Chen received the attack, the attack from Sien Gart just passed Ye Chen.

Ye Chen walked to the side, Sien Gart's attack did not hit him.

"what happened?" Sien Gart didn't understand what was happening, why his attack just passed through Ye Chen.

This of course made Sien Gart confused, he didn't know how Ye Chen did this.

"What Ye Chen did was very complicated and impossible to do easily.

"were you surprised when you saw I was fine" Ye Chen asked Sien Gart.

"What was that, you should have been hit" Sien Gart asked Ye Chen.

"I don't know, why don't you find out about this yourself?" Ye Chen told Sien Gart to find out about the problem himself.

Ye Chen didn't want to tell Sien Gart.

Just let Sien Gart figure out the problem himself.

"Damn it. . .!!!!, Let's see if you can dodge the attack this time" Sien Gart finally released his full strength, he created a nail that was elastic and could be moved freely, this was clearly different from before.

Sien Gart started to attack Ye Chen, now this time it was much stronger compared to before.

"Slash" Apart from being more elastic and stronger, this attack was much more difficult to avoid, Sien Gart blocked every inch of Ye Chen's escape path.

If Ye Chen wanted to survive the attack, Ye Chen only had one choice: to resist the attack.

Where it would be very risky for Ye Chen.

Ye Chen stayed where he was, every attack passed through Ye Chen and did not hurt Ye Chen's body.

"Huh?" Sien Gart was so shocked when he saw Ye Chen was unharmed, plus he didn't move and just stood where he was.

"This person?, who is he really, why is it so easy to survive an attack that has killed so many people" Sien Gart was so annoyed, his attack couldn't kill Ye Chen.

"master?" Chu Yuechan asked Ye Chen, he only defended and did not attack.

"I will hold back for a moment" Ye Chen said to Chu Yuechan.

If Ye Chen ended this quickly, then there would be more to come.

Chapter 2969 Alright, Time Is Up, Time To Destroy You Guys

Ye Chen was already aware, that people were watching their fight from afar, if Ye Chen ended the battle quickly, someone would come again to fight Ye Chen.

"Is that so, that's great because you can see it" Chu Yuechan said to Ye Chen.

"It's not just me who is trapped here, it seems like Shen Xinyue also experienced the same thing" Ye Chen said to Chu Yuechan.

"I understand" Chu Yuechan began to understand, she could understand what Ye Chen was planning.

Because of this, Ye Chen bought time against the enemy in front of him.

This will be a fairly long battle and Ye Chen will be relaxed in facing the enemy.

.

.

Meanwhile, Shen Xinyue was also facing a lot of enemies. After defeating the first group, another group suddenly attacked Shen Xinyue.

Shen Xinyue had already fought several groups, and they just kept coming like they had no end.

"The number they have is so large" Shen Xinyue saw that the number of enemies was so large, there were too many of them to be destroyed quickly.

Unlike Ye Chen, Shen Xinyue still didn't realize it, she still didn't realize what was happening, she was still focused on the enemy, even though someone was watching Shen Xinyue from quite a distance.

Every inch of this place had so many eyes that could see every move, making attacks even more difficult.

"They keep coming?" Shen Xinyue didn't understand why so many enemies were coming towards her.

This should not have happened, and how the group that came in became stronger.

Shen Xinyue decided to think for a while, after thinking for a while she began to understand what happened.

Shen Xinyue was late in realizing this, if only she had not been late, she might have been able to solve this problem.

"This won't work, if I continue to fight them, it will weaken me, I'd better look for the person who controls this place" Shen Xinyue changed her strategy, she changed her way of playing and decided to look for the person in charge of this place.

"she ran away, don't let her run away" they chased Shen Xinyue.

Shen Xinyue ran away and looked for a safe place, Ye Chen and the others should have also left this place.

Ye Chen should have saved them all.

Shen Xinyue went towards Ye Chen, she finally met Ye Chen, who was fighting a man.

The man continued to attack Ye Chen, and Shen Xinyue immediately went to see Ye Chen's condition.

Shen Xinyue saw something strange with Ye Chen, why didn't Ye Chen attack and continue to defend, even though if Ye Chen attacked, it would be a battle that would quickly end?

Shen Xinyue approached, she asked Ye Chen.

"What are you doing?" Shen Xinyue asked Ye Chen what Ye Chen was doing.

"You have done?" Ye Chen asked Shen Xinyue.

"I'm being chased by the enemy, to be honest there are quite a lot of them and I'm having trouble fighting them" Shen Xinyue said to Ye Chen.

Shen Xinyue explained that she was having problems, she was having trouble fighting the enemies who kept coming.

"They use a device to monitor us, they know what we are doing" Ye Chen said to Shen Xinyue.

"So that's how it is, I already expected this" Shen Xinyue also suspected this, it's not strange that she felt something strange and wrong.

"So what should we do now?" Shen Xinyue asked Ye Chen.

what should they do now?

"You can look for that person, I have tracked him" Ye Chen said to Shen Xinyue.

Ye Chen told Shen Xinyue to look for it, Shen Xinyue should be able to find it quickly.

Ye Chen could have left here quickly, the problem was that Jia Li still hadn't finished taking the prisoner to a safe place.

lights

"I'll go" Shen Xinyue understood, she just went straight to where the person was.

"all catch her" They all immediately went to catch Shen Xinyue.

"stay there" Ye Chen stopped them all, he didn't let them chase Shen Xinyue.

Ye Chen will hand over this matter to Shen Xinyue.

Ye Chen believed that Shen Xinyue could solve this problem easily.

"husband, I'm done, they are already in a safe place" Jia Li gave a voice transmission to Ye Chen.

"Very good work, then I can immediately defeat them" Ye Chen was finally able to take action to face the enemy.

"Sien Gart, quickly kill this person" they told Sien Gart to kill Ye Chen immediately.

"I've been trying it, are you guys blind?" Sien Gart was angry, he had already tried it, the problem was that Ye Chen couldn't be killed, every attack he made didn't touch or hurt Ye Chen.

Sien Gart didn't understand how Ye Chen survived an attack like that, how did Ye Chen survive an attack like that, there should be no way Ye Chen could survive.

"Alright, time is up, time to destroy you guys" Ye Chen said to everyone.

Ye Chen said that time was up, and it was time to end this battle.

"Huh?" they all asked Ye Chen, they underestimated Ye Chen too much.

"You are alone, what can you do, you are not even as strong as the woman before" They compared Ye Chen with Shen Xinyue.

If they compared Shen Xinyue with Ye Chen, then obviously Ye Chen was too weak.

"You might be right, I'm not that strong, even though I'm not that strong, I'm still strong enough to destroy you all" Ye Chen said that he was still strong enough to destroy everyone.

Ye Chen showed a little of his abilities.

"divine halo" Ye Chen used a divine halo, a circle that was so powerful appeared.

"Huh?, what is this" they all panicked a little when they saw Ye Chen could use the power of light.

"What is this, he can use the power of light?" Sien Gart didn't know either, in the battle just now, Ye Chen had never used a strong attack against Sien Gart, this was the first time Sien Gart had seen Ye Chen attack.

"Goodbye to all of you" A huge explosion was so big, and it wiped out all the demons present.

"Okay, done" Ye Chen was done here.

Now just waiting for news from Shen Xinyue.

Shen Xinyue went to the monitoring room, she saw a demon with a fat and big body.

This demon's body is quite slimy, and its appearance is quite dirty.

"Is he the leader of this place, so disgusting" Shen Xinyue felt disgusted looking at him.

The leader of this place was so disgusting that it made Shen Xinyue want to vomit

"What is this person's appearance?" Shen Xinyue was speechless, this person's appearance was something that could not be said because it was so disgusting.

Shen Xinyue had already seen so many disgusting enemies, this person's was so terrible that his whole body was emitting a sour green liquid that made people shudder.

"Welcome to my place, are you ready to face me" he said to Shen Niang, was Shen Niang ready to face him?

"I'm ready to beat you," she said when she was ready to face her opponent.

"Your spirit is very good, but it's a pity, you won't be able to win against me, because I'm so poisonous and you'll lose as soon as you touch me," he said to Shen Xinyue.

"Then I just don't touch you, you are stupid to tell the enemy about your abilities." Shen Xinyue said that the monster in front of her was so stupid.

"Ugh. . ." Shen Xinyue's words pierced this woman, it was true, she did something stupid because she told Shen Xinyue about her abilities.

Chapter 2970 Now It's Your Turn To Be A Piece Of Ice.

Even though he shouldn't have done that, it would be stupid to do that.

"It's okay, after this you won't be able to see this world anymore, so it's fine to tell you that," he said to Shen Xinyue.

Shen Xinyue didn't answer, she looked at the Demon in front of her with a rather cynical gaze.

It could be seen clearly that Shen Xinyue was not very happy with the Demon.

"Such a cold gaze" Demon, of course, saw the cold gaze that Shen Xinyue gave off.

What was strange was that he was happy with that cold gaze.

Not only was his appearance strange, but this person's preferences were also strange and unreasonable.

"alright, let's get started" He said to Shen Xinyue.

The Demon shot some green liquid towards Shen Xinyue.

The liquid shot at the speed of light, and in just a short moment, it passed Shen Xinyue.

Shen Xinyue knew the attack would not hit her, so she did not dodge.

"Well, you must be surprised by my speed," he said to Shen Xinyue.

"You don't need to be too surprised, that's only a small part of the power I have," he said to Shen Xinyue.

"Rubbish . . ." Shen Xinyue said that the person in front of her was trash.

"what did you say" he asked Shen Xinyue.

He seemed quite angry when he heard what Shen Xinyue said.

"I said you are trash" Shen Xinyue spoke twice to the Demon before her.

"How dare you say that to me, I am the most poisonous demon in this place, people are afraid of me," he said to Shen Xinyue.

he attacked Shen Xinyue with more poison, and a large amount of poison was injected towards Shen Xinyue.

"Look at how many attacks I launch, you won't be able to block such a large number of attacks," he said to Shen Xinyue.

"snap . ." Shen Xinyue snapped her fingers, and instantly everything in this place became ice.

"What ?" The Demon before Shen Xinyue was shocked when he saw his poison congeal.

Even though the poison could not be frozen in any way, with just one flick of Shen Xinyue's finger, it became a large chunk of ice.

"This can't be happening" The Demon couldn't believe what was happening, it was quite difficult to believe what was happening.

"Now it's your turn to be a piece of ice." Shen Xinyue said to the Demon in front.

"impossible" The Demon who was so disgusting panicked, if Shen Xinyue could freeze her poison, then he could freeze him too.

Once again, all the attacks launched towards her were frozen so easily in just a short time, that all the attacks stopped.

Shen Xinyue used her thread technique to kill the Demon in front of her, with thousands of threads, she chopped the ugly Demon's body into thousands of pieces.

"Impossible" Demon couldn't believe that he could lose like this, he lost in such a humiliating way.

Even without any resistance, the enemy defeated him quickly.

Shen Xinyue defeated the enemy quickly. After defeating the enemy, she destroyed the place that was the enemy's command center.

Once this place is destroyed, the enemy will have no one to control it from behind the scenes.

"Now there is only one enemy left." Shen Xinyue thought of the strongest enemy, he was the core of all the problems in this place.

After destroying this place, Shen Xinyue went to meet Ye Chen.

"Ye Chen and Jia Li got together, they had already completed rescuing the detained people.

"They have arrived at a safe place, haven't they" Ye Chen asked Jia Li.

"Don't worry, I've taken them to a safe place and they will be fine" Jia Li said to Ye Chen.

"Then we will go after Yin Xizu's group" said Ye Chen, they immediately went after Yin Xizu's group.

Ye Chen took Jia Li and Shen Xinyue to chase Yin Xizu's group.

Yin Xizu himself continued to advance towards the front, they finally arrived in front of a large door with many terrifying carvings.

"We're here, it looks like this is the place" Yin Xizu told everyone.

"Everyone get ready," Yan Rula said to everyone, she told them all to get ready because up ahead was where the enemy they were going to fight was.

They were going to face one of the most powerful Demons, so they had to prepare themselves.

Everyone used their best, even Yin Xizu started to fight the demon god commander seriously.

"Click . . ." Yin Xizu opened the door, and everyone was already in their positions and protecting each other.

They entered a room that was so dark, the room inside was so dark, they couldn't see clearly what was in there.

"Wosh. . ." A fire illuminated this place, allowing everyone to see what was inside.

When the fire became light for everyone, they saw something unbelievable, there was a huge pile in front of them.

Yin Xizu and everyone else saw this, they were shocked by what was before their eyes, especially Yan Rula.

The pile that was in front of them was a pile of women that the demon god commander had absorbed, they were all left to pile up like that and rot.

"so evil" said Yan Rula, Yan Rula couldn't calm down when she saw what happened, what was in front of her was too cruel.

"such a dangerous person" Everyone agreed with what Yan Rula said, the person they were fighting was so cruel, they should not be merciful when fighting the enemy.

"Calm down" Yin Xizu said to everyone, she told them all to calm down, lest the enemy attack them when they were emotional.

As someone who had fought with the demon god commander, this was nothing extraordinary, in the past, the number of casualties was more than now.

If Yin Xizu and everyone didn't come quickly, there would be more victims, there would be more and more victims in the future.

Yin Xizu's decision to come was right, if she didn't, the demon god commander would become even more brutal.

"Hahahahaha," an evil laugh resounded, everyone immediately became alert when they saw this.

Everyone became extremely alert, they were already ready to fight.

A young man appeared in front of them, his figure was like a 17 or eighteen-year-old man. From his figure alone, he was quite handsome and had charisma.

"Is he the one we are going to fight?" Yan Rula and everyone asked Yin Xizu.

"Of course, him being young, that means he has already obtained enough life essence and Yin Qi from all the women here" said Yin Xizu.

"what does that mean constellation" all the men asked Yin Xizu.

"Of course, that's bad, he's probably as strong as the past" said Yin Xizu.

"we will face such a strong enemy, I can't wait" The four men couldn't wait to fight.

"Rula, you have to be careful, this person has the ability to confuse opponents" said Yin Xizu.

"I understand," Yan Rula understood, she would be careful against the enemy.

"Come forward, let's solve this problem quickly" the demon god commander told them all to come forward, he will solve the problem quickly.

"attack, they all attack, the four men advance, while it is Yin Xizu and Yan Rula behind.

"What a fool" the demon god commander waved his hand, he threw away the four people who tried to attack him.

With one blow, he could make them fall and cause injuries.
