

True God 2991

Chapter 2991 detailed information about Shen Xinyue

Ye Chen and Yan Fei did it until they were tired, after that the three of them continued together until morning.

"so tired" Liu Yue and Yan Fei were so tired, they were too tired after doing things with Ye Chen.

"Even after we got to the point now, we still have difficulty fighting it" said Liu Yue.

"That's very true, it looks like he is also developing" Yan Fei agreed, Ye Chen was also developing for the better.

"are you guys okay ?" Ye Chen asked Liu Yue and Yan Fei.

"We're fine, we need rest" Liu Yue and Yan Fei said that they needed rest, they hugged Ye Chen and slept together with Ye Chen.

The three of them did this all night, now they needed rest and Ye Chen accompanied them until noon.

When daylight arrived, Liu Yue and Yan Fei went to work, they did their duties and Ye Chen also did his.

"That's definitely fun" After Liu Yue and Yan Fei left this place, a beautiful woman came who was so sexy and had such a charming charm.

Ling Shu came to the Ye Chens, she came and said hello to Ye Chen.

"Are you here?" Ye Chen said to Ling Shu.

"I'm here. . ." Ling Shu said to Ye Chen.

"I bring you good news." Ling Shu said that she had such good news.

"Then tell me" Ye Chen said to Ling Shu.

"Sit here" Ling Shu said to Ye Chen, she asked Ye Chen to sit beside her.

Ye Chen sat beside Ling Shu.

Ling Shu immediately told Ye Chen what happened.

"That woman came to you for information?" Ye Chen asked Ling Shu.

"that's absolutely true. Did you offend her?" Ling Shu asked Ye Chen.

"That might be difficult to do" said Ye Chen.

"I know that it will definitely be difficult to do, but you have no other choice" Ling Shu said.

Ye Chen must have offended Shen Xinyue, how could that woman make a move if Ye Chen didn't offend her.

"Maybe, I didn't expect that she was still angry" Ye Chen said to Ling Shu.

"You better solve the problem you have with her" Ling Shu said to Ye Chen, she asked Ye Chen to solve the problem he had with Shen Xinyue.

"That might be difficult to do" said Ye Chen.

"I know that it will definitely be difficult to do, but you have no other choice" Ling Shu said.

"It would be better if you could take her to home," Ling Shu said.

"It might be possible" Ye Chen will try it, maybe this is the best route that Ye Chen can do right now.

"Are you going to do it?" Ling Shu asked Ye Chen.

"I'll do it" Ye Chen will try it, there's no harm in trying it.

"I hope you succeed, I will try to support you" Ling Shu said to Ye Chen.

"Then give me information about that woman" Ye Chen asked for information from Ling Shu.

Ye Chen hoped that Ling Shu would share information about Shen Xinyue.(f)(r)(e)(e)(w)(n).(c)(o)(m)

"Here you go" Ling Shu brought some papers, and she gave what Ye Chen wanted.

"You have prepared this from the start," Ye Chen said to Ling Shu.

"Of course, I knew that this would happen, so I deliberately brought this just in case" Ling Shu explained why she did this.

"Do you like it" Ling Shu asked Ye Chen.

"Of course, I like the hard work that you have" Ye Chen said that he liked Ling Shu's hard work.

Ye Chen stroked Ling Shu's head, and he praised and gave Ling Shu a gift.

Ling Shu was so happy, she felt that she was being treated like a little girl by Ye Chen.

Ling Shu had never been treated like this, maybe only Ye Chen treated herself this way.

"I've done such a good job, then it's time for a reward" Ling Shu said to Ye Chen.

Ling Shu said that she wanted a gift from Ye Chen.

"What kind of gift do you want from me ?" Ye Chen asked Ling Shu, what gift did Ling Shu want now.

"You definitely know what I want" Ling Shu smiled, her face was so seductive.

From her expression alone, Ye Chen knew what Ling Shu wanted.

"I understand" Ye Chen quickly understood, he gave what Ling Shu wanted.

Ling Shu was very happy when she saw Ye Chen understood what she wanted, according to Ling Shu, this was not too bad, and she really liked it.

Ling Shu kissed Ye Chen, she needed Ye Chen to suppress the discomfort in her body.

Ye Chen gave best to Ling Shu.

Ling Shu was a tough opponent, if she wasn't serious about fighting this beautiful, lustful goddess, Ye Chen could lose.

"Ahhh . . ., you are so great" Ling Shu said to Ye Chen.

Ling Shu acknowledged Ye Chen's abilities, Ye Chen's abilities were really good.

Ye Chen could easily make Ling Shu feel comfortable.

That shows the abilities and qualities that Ye Chen possesses.

"I can't take it anymore, I want the one at the bottom" Ling Shu couldn't take it anymore and wanted the one at the bottom.

she knelt down and immediately untied Ye Chen's belt.

Something Ling Shu wanted finally came out, something big and powerful.

"Hello, it's been a while, I want to" Ling Shu wanted, she used her hands to make Ye Chen feel comfortable.

"ohhhh . . ." Ling Shu's skills were so good, just using her hands made Ye Chen feel comfortable.

"This looks lively after a night together with them, surely you still have so much Yang Qi" Ling Shu said to Ye Chen.

Ye Chen indeed had too much Yang Qi, so it wasn't strange that he could still be together with Ling Shu.

If it weren't Ye Chen, then they wouldn't be able to survive after the long night with Liu Yue and Yan Fei.

Plus, now facing Ling Shu who was stronger than Succubus, there was no chance of surviving.

"I can still do it today, I hope you can make me satisfied" Ye Chen said to Ling Shu.

"Very interesting, I will definitely do it" Ling Shu said that she would do it.

Ling Shu helped Ye Chen, she showed such a good technique.

"How interesting, you have such a skilled beautiful woman, but this is still so powerful, it seems like the special body you have is really very useful" said Ling Shu.

"That's absolutely true, if not, maybe I would have dried up because of you guys" Ye Chen said to Ling Shu.

"Fufufufu, but in reality, you are someone who makes women helpless, you should be proud of that," said Ling Shu.

"I am indeed proud of that" Ye Chen is proud of what he has, there is no regret because he has an Ancient (Yang) Body.

Ling Shu put her long hair behind her ear, she helped Ye Chen with her small mouth.

Finally, what Ye Chen had been waiting for arrived, Ling Shu showed her abilities.

"Slurp . . ." Ling Shu's abilities could be said to be very good, Ye Chen felt very comfortable getting services from Ling Shu.

Ling Shu's way of playing with her tongue was so skillful, that she knew how to make Ye Chen go soft.

"This is so delicious" Ling Shu really liked Ye Chen, she wanted to kiss every inch of Ye Chen.

"Jubo . . . , jubo . . ." Ling Shu started to get faster, she wanted to do it with Ye Chen immediately, her lower body couldn't hold on anymore after smelling Ye Chen's scent.

"You . . . , so . . . , strong . . ." Ling Shu said to Ye Chen, Ye Chen was still strong enough to survive Ling Shu's mouth service.

"but you don't need to hold back and give it to me" Ling Shu said to Ye Chen.

Ling Shu had been doing this for approximately 20 minutes, so Ye Chen shouldn't be able to hold on any longer.

Ling Shu was wrong, Ye Chen was still strong enough to survive.

Ling Shu continued to serve Ye Chen, it didn't feel like it had been more than 30 minutes.

"Puah . . ., tired" Ling Shu said that she was so tired, Ye Chen was too strong and she couldn't stand it.

"if you are tired, I will lead for you" Ye Chen will lead, he lifted Ling Shu and started the first round with Ling Shu.

"Wait a minute, this is too sudden" Ling Shu said to Ye Chen, what Ye Chen did was too sudden.

It was too late to say that Ye Chen had already entered and moved.

"Ahhhh, husband, you is so mean" Ling Shu was not ready, it made her body shocked.

Ye Chen saw that Ling Shu was easily defeated, because of this, he moved faster to make Ling Shu feel at ease.

When Ye Chen moved quickly, Ling Shu felt so comfortable, such a pleasant feeling.

"Very good, I want more" Ling Shu wanted more, she wanted more from Ye Chen.

Ling Shu had already adapted and wanted more from Ye Chen, she wouldn't be satisfied just from this.

"I won't hold back anymore" Because Ling Shu was strong, Ye Chen didn't hold back and brought out his best.

Ling Shu was made helpless by Ye Chen, she reached the top quickly.

Ling Shu didn't have any resistance, Ye Chen was too strong and made herself feel so comfortable.

.

.

Ye Chen and Ling Shu did this until the next morning, both of them were too excited and forgot about the time.

Ling Shu lay down, her breathing sounded so tired.

Ye Chen's Yang Qi covered her entire body.

"This is too strong, I was completely defeated" Ling Shu lost, she couldn't win even though she had used all her abilities.

Chapter 2992 Visited Shen Xinyue's place

"do you still want to?" Ye Chen asked Ling Shu.

"no, that's enough I give up" Ling Shu said to Ye Chen, she gave up and didn't dare.

Ling Shu admitted her defeat, she couldn't win against Ye Chen.

"I thought you wanted some more" Ye Chen said to Ling Shu.

Ye Chen touched Ling Shu, and the touch from Ye Chen made Ling Shu excited.

"No, don't do that, I'm so tired, please let me go" Ling Shu became such a weak and helpless girl.

"Okay, then I will go first, thank you for this information, it is time to leave" Ye Chen said to Ling Shu.

"I understand, good luck, I will guard this place for you" Ling Shu will guard this place for Ye Chen.

"That's good, rest well" Ye Chen said to Ling Shu.

"of course, I will rest well" Ling Shu answered Ye Chen.

Ye Chen left, and it was time to settle things with Shen Xinyue.

"lost again, looks like there's no chance of winning if I'm alone, next time it's better to bring all the best woman" Ling Shu couldn't be like this, she had to bring her troops, couldn't win if she was alone.

"fun and so tired, sleeping is a good thing" Ling Shu decided to sleep, she liked lazing too much.

"Where she lives, I don't know yet" Ye Chen wanted to know where Shen Xinyue lived.

From the information provided by Ling Shu, Shen Xinyue lives in a very cold place, and lives on a peak that just no one can enter.

"So she chose a place that is so remote to avoid people, it seems like she really doesn't like people" Ye Chen could tell why Shen Xinyue chose a place that was so difficult to reach, so the most beautiful woman might not be easy.

"Okay, I'll go there" Ye Chen had already decided he would go there, it was better to meet Shen Xinyue directly and solve the problem.

It took about 1 full day to get to Shen Xinyue's place, Ye Chen looked around, and knew something was interesting.

"Finally I arrived, it looks like this is the place" Ye Chen had arrived, he had arrived at Shen Xinyue's place.

When Ye Chen arrived, tens of thousands of people gathered here.

"Why are there so many people here?" Ye Chen wondered what happened.

"You better see more clearly the information given by Ling Shu" Chu Yuechan said to Ye Chen.

"Okay, let's see" Ye Chen read everything, he finally found a quite important part.

"Oh, so that's how it is, all the people here are trying to chase Shen Xinyue, there are quite a lot of them too" said Ye Chen.

From the numbers, it was quite a lot, and Ye Chen felt that this was not all.

"all those people?, that is a lot" Chu Yuechan said.

Chu Yuechan had to admit this.

"That's right, they came bearing gifts and wanted to meet Shen Xinyue, if they wanted to meet them, they had to climb the stairs manually."

"The wind on this mountain is so strong if they fly, they will be blown away, the only way to survive is to climb the stairs."

"I don't think it's that easy" Chu Yuechan said.

Ye Chen agreed with what Chu Yuechan said, it was not simple and would be difficult to get up there.

"It's okay, let's try" Ye Chen decided to try it.

The people in this place wore thick clothes made from fire-type Magical Beasts.

This place could be considered extremely cold, even for the peak cultivators of this world.

"It's quite cold here" Those who didn't have good clothes were cold and tried to make a fire.

Even with such a powerful profound fire, it was extinguished by the cold temperature in this place.

Their struggle was enormous, they had to survive in such a cold place.

It's already cold enough down here, it looks like it's going to get even colder up there.

"You better ask them" Chu Yuechan told Ye Chen to ask, it would be easier to know what happened up there.

"Let's ask for a moment before going up" Ye Chen agreed with Chu Yuechan.

"Friends, I want to ask, have you gone up?" Ye Chen asked those who were trying to warm themselves.

"Friend, it's so cold above, even the fire clothes we used couldn't survive and froze, we almost died" they said to Ye Chen.

They had already used cold-resistant clothing but couldn't climb up, proving the difficulty.

"You should just go back, if you go up wearing normal clothes like that, you will die" they advised Ye Chen.

"Thank you for the advice, I will try it first" Ye Chen already understands, he will try it.

"He will come down after several hundred stairs" they were sure that Ye Chen would come down after passing several hundred stairs.

There are about 100,000, the higher it is, the colder it will be.

Ye Chen went up, he went up and took the first step.

Ye Chen was so eye-catching because his clothes were so revealing, obviously Ye Chen wouldn't be able to last too long.

"They are all looking at you" Chu Yuechan said to Ye Chen.

"Why are they looking at me, is there something strange?" Ye Chen didn't understand either.

"Look, there are stupid people who have just arrived" some of them didn't even hesitate to say that.

"It seems they think you are stupid" Chu Yuechan said to Ye Chen.

Now Chu Yuechan understood why they looked at Ye Chen in that way.

"Is it because of the clothes I'm wearing?" Ye Chen asked Chu Yuechan.

"Of course, look at them, they coat their bodies with profound energy and thick clothes that protect themselves from the cold" Chu Yuechan explained to Ye Chen.

"But I'm fine, it doesn't feel cold here" Ye Chen said to Chu Yuechan.

Ye Chen was ordinary, he didn't feel cold.

"That's probably because of your Sage God inheritance," said Chu Yuechan.

"Maybe because of that" Ye Chen agreed, maybe because of that.

"Then let's go upstairs quickly" Ye Chen said to Chu Yuechan.

Ye Chen ran at full speed, no one could stop Ye Chen, because the wind and cold did not affect Ye Chen.

Ye Chen passed everyone, even those who previously insulted Ye Chen easily.

"What is that, how did he run like that?" Everyone didn't understand, how could Ye Chen run like that.

They are here in difficulty and cannot run, if they run, they will not be able to survive.

It was the same as seeking death.

In just 10 minutes, Ye Chen had arrived at the 50,000th step, there were only a few people there.

"master, there is something ahead" Chu Yuechan said to Ye Chen.

Up ahead, something was interesting for Chu Yuechan.

"Hmmm, let me see" Ye Chen looked forward, and when Ye Chen arrived in front, Ye Chen saw a view of several boxes from the smallest to the largest.

Ye Chen came and saw it, Ye Chen was also curious about it.

Ye Chen opened it and looked at the contents, some so many items and letters were written quite well.

"Let's see . . ." Ye Chen read it.

"Goddess, you are such a beautiful flower, please accept my gift and come down with me" the letter in the box said.

"-_- " Ye Chen understood what this was.

"Hmmm, so that's how it is" Chu Yuechan also understood.

Chapter 2994 teasing Shen Xinyue (1)

"Why are you at my place?" Shen Xinyue asked Ye Chen.

"Why, can't I be in your place" Ye Chen asked Shen Xinyue.

"You can't be at my place, this is my private place, and how did you get here?" Shen Xinyue asked Ye Chen.

How did Ye Chen get to this place?

"I already knocked on the door, and you ignored me, so I forced my way in," Ye Chen said to Shen Xinyue.

"So you were the one who knocked on the door" Shen Xinyue finally knew who came and knocked on her door.

"This isn't true, why are you here?" Shen Xinyue asked Ye Chen, as she wanted to know why Ye Chen had come here.

"I came to see you, aren't you happy?" Ye Chen told Shen Xinyue.

"You are not welcomed in this place" Shen Xinyue said that Ye Chen was not welcomed.

"So evil, after I helped you, you kicked me out, I thought our relationship was quite special" said Ye Chen.

"I have repaid your kindness" Shen Xinyue said that she had endangered Ye Chen's kindness.

"When?" Ye Chen asked Shen Xinyue.

"about that . . ." Shen Xinyue couldn't explain it, if she explained it, she might be labeled as a stalker by Ye Chen.

"Why are you silent, come on and tell me, honestly I want to hear it from you" Ye Chen said to Shen Xinyue.

"about that . . ." Shen Xinyue couldn't explain it, if she explained it, she might be labeled as a stalker by Ye Chen.

"Why are you silent, come on and tell me, honestly I want to hear it from you" Ye Chen said to Shen Xinyue.

Ye Chen wanted to know what kind of good Shen Xinyue had done.

"That . . ." Shen Xinyue couldn't answer it. It was quite difficult for Shen Xinyue to answer this.

"What's wrong with you, you look quite confusing" Ye Chen said to Shen Xinyue.

Ye Chen felt that Shen Xinyue was quite confusing.

"I'm not confusing, just forget what I said" Shen Xinyue said to Ye Chen.

"okay," Ye Chen understood, Ye Chen would forget what had just happened.

"So you're not sincere about helping me" Shen Xinyue asked Ye Chen.

"After you tried to kill me twice?" Ye Chen asked Shen Xinyue.

Ye Chen had helped Shen Xinyue twice, Ye Chen reminded Shen Xinyue again about the problem.

Shen Xinyue, of course, remembered, she wanted to kill Ye Chen twice and was saved by Ye Chen twice too.

"Then tell me your wish, " Shen Xinyue asked Ye Chen.

"Hmmm" Ye Chen thought while looking at Shen Xinyue's body.

Shen Xinyue covered her body, she felt a very bad feeling from Ye Chen.

"I won't give my body to someone like you" Shen Xinyue said to Ye Chen.

"Huh?, I haven't even spoken" Ye Chen said to Shen Xinyue.

"Or maybe you want that to happen" Ye Chen said to Shen Xinyue

Shen Xinyue blushed slightly, Ye Chen had embarrassed Shen Xinyue.

"I'm not that perverted" Shen Xinyue tried to argue.

"I didn't say that, why did you even say something like that, you must be thinking about lewd things," Ye Chen smiled at Shen Xinyue.

Shen Xinyue was speechless.

Ye Chen was so bold, he teased the first goddess and made her so embarrassed.

It was such a nice sight to see Shen Xinyue being shy.

"This person, I always can't win an argument against him" Shen Xinyue didn't understand why she couldn't win an argument against Ye Chen.

Not just strength, Ye Chen was smart enough to be able to fool Shen Xinyue.

"You are truly the natural enemy I have," said Shen Xinyue.

Shen Xinyue had to admit that Ye Chen was her natural enemy, she would not be able to beat Ye Chen.

"Hehehehe, nice to hear that from you" Ye Chen enjoyed hearing this from Shen Xinyue.

"Okay, I want you to be more serious, tell me why you came?" Shen Xinyue said seriously, she couldn't pretend anymore.

"I came here to confirm something," Ye Chen said, explaining why he came.

"What's that?" Shen Xinyue couldn't guess Ye Chen's purpose in coming, Ye Chen was so mysterious, and Shen Xinyue couldn't guess Ye Chen's purpose.

"I came because of a problem I had, I heard that you came looking for information about me, are you interested in me" Ye Chen said directly.

"What ! ! !, how do you know that?" Shen Xinyue would be shocked when she found out about this

"Oh, so that's true" Ye Chen smiled, he had confirmed this.

Shen Xinyue fell into Ye Chen's trap again, the umpteenth time Ye Chen tricked her.

"Again, I was tricked by this person." Shen Xinyue was so annoyed she was tricked again by Ye Chen.

"You made me say everything, I should be more wary of you" Shen Xinyue felt that she should be more wary of Ye Chen.

"Why, I don't hurt women" Ye Chen said to Shen Xinyue.

"Maybe that's true, but you can pounce on me" Shen Xinyue felt like she was going to be pounced on by Ye Chen.

Shen Xinyue's instincts were so good she knew about the person in front of her, whether they were dangerous or not.

"Should I try it?" Ye Chen asked Shen Xinyue.

"Do you want to be hit" Shen Xinyue said to Ye Chen.

"Yes, if you can" Ye Chen said to Shen Xinyue.

Ye Chen was sure that Shen Xinyue couldn't do that.

"I have to be patient with this person" Shen Xinyue had to be patient, she couldn't be provoked by this matter.

Shen Xinyue calmed down and didn't continue, she was able to be calm when facing Ye Chen.

"So what's your goal?" Ye Chen asked Shen Xinyue.

"You want to know the goal I have, I want revenge, isn't that clear" Shen Xinyue said to Ye Chen.

Shen Xinyue didn't want Ye Chen to know her purpose, so she hid it.

"Then you can do it now" Ye Chen said to Shen Xinyue.

Ye Chen told Shen Xinyue to start.

"You were wrong for challenging, get ready" Shen Xinyue said to Ye Chen.

Shen Xinyue couldn't retreat, she could only charge forward to attack Ye Chen.

"Before I wasn't very serious, it looks like in this battle I will be serious, so don't hold back" Ye Chen said to Shen Xinyue.

"Then I won't hold back, prepare yourself well" Shen Xinyue said to Ye Chen.

Shen Xinyue told Ye Chen to prepare himself well.

The aura around her began to change, and Shen Xinyue released her own power.

"Then I'll start, if I win, I get you" Ye Chen said to Shen Xinyue.

"I already know the abilities you have, you have no chance of beating me" Shen Xinyue said to Ye Chen.

Because Shen Xinyue already knew Ye Chen's abilities, she could fight Ye Chen.

"Are you sure, I have one of the greatest abilities, you should have tried it" Ye Chen said to Shen Xinyue.

"I won't let you get close" Shen Xinyue won't let Ye Chen get close.

"what are you saying? I'm already near you" Ye Chen appeared behind Shen Xinyue and hugged her.

"What happened, since when was he behind?" Shen Xinyue didn't see Ye Chen, she couldn't see Ye Chen's speed and Ye Chen was already behind.

"Let me go" Shen Xinyue struggled to get away from Ye Chen.

Ye Chen didn't let Shen Xinyue succeed, this time Ye Chen restrained Shen Xinyue and began to demonstrate the abilities of the Passion Goddess technique.

Shen Xinyue started to feel strange feelings again.

Chapter 2995 Teasing Shen Xinyue (2)

"Again, you are using underhanded methods against me" Shen Xinyue said to Ye Chen.

Ye Chen returned a strange way to fight Shen Xinyue.

"This is a battle, using all means is permitted" said Ye Chen.

Ye Chen said that all methods were permitted, and there was no need to hold back.

"let me go now" Shen Xinyue said to Ye Chen.

she told Ye Chen to let herself go.

"That's impossible. If I let you go now, you will definitely run away. Why don't you try it yourself?" Ye Chen told Shen Xinyue to let go of herself in her own way.

Shen Xinyue tried it her way, she used all her physical strength to break away from Ye Chen.

Too bad it didn't work, Ye Chen was too strong.

"What is this person's body made of, so strong and so hard" Shen Xinyue said in her heart.

"Give up already? isn't that too fast," Ye Chen said to Shen Xinyue.

Shen Xinyue gave up too quickly, it hadn't even been a few seconds, and she had already given up.

"I have to admit that you do have the ability" Shen Xinyue admitted that Ye Chen did have the ability.

"Just give up and listen to me" Ye Chen said to Shen Xinyue.

Ye Chen told Shen Xinyue to give up and listen to what she said.

"That won't happen, I won't give up and listen to you." Shen Xinyue said that she would not give up.

"So stubborn, like before," Ye Chen said to Shen Xinyue.

Shen Xinyue kept trying, she used various methods to deal with Ye Chen.

It's too bad it didn't work, she was getting weaker and weaker.

"My body feels increasingly strange?" Shen Xinyue felt that her body was getting weirder and weirder.

"sniff . . ." Ye Chen felt the fragrance from Shen Xinyue, the fragrance from Shen Xinyue was so fragrant.

"Ahhh . . ." Shen Xinyue let out a moan, she felt so ticklish when Ye Chen did that.

What Ye Chen did was too strong, Shen Xinyue wouldn't be able to survive.

"stop, what are you doing, you perverted man?" Shen Xinyue said to Ye Chen.

"I'm admiring the first beauty, it's really extraordinary" Ye Chen said to Shen Xinyue.

Ye Chen admired the first beauty and was worshiped as a goddess.

"You are really cruel" Shen Xinyue said to Ye Chen.

Shen Xinyue tried to fight back, but she bit Ye Chen.

"it won't do any good" Ye Chen said to Shen Xinyue.

Ye Chen said that it would be useless.

"I will fight you" Shen Xinyue said to Ye Chen, she would not stop and would fight Ye Chen.

"It seems like you are having trouble handling this woman" Chu Yuechan said.

"It might be a little difficult, to be honest, it's not easy to make a woman with a cold temperament fall, it takes a lot of effort" Ye Chen said to Chu Yuechan.

"Come on, what are you going to do next?" Chu Yuechan asked Ye Chen what Ye Chen would do next.

"I will use the best skills to make her feel comfortable" Ye Chen told her what he would do next.

"I can't wait to see it" Chu Yuechan couldn't wait to see what Ye Chen's counterattack would be like.

Ye Chen's hand finally moved, he touched Shen Xinyue.

"kyahhhhhh" Shen Xinyue couldn't stand it when Ye Chen's hand moved, a strange feeling spread throughout her body.

"What is this?", such a strange feeling, what's wrong with me?" Shen Xinyue began to be confused, the feeling that was happening was so strange, and she couldn't survive this kind of feeling.

My body feels strange and hot' Shen Xinyue felt excessively hot, her body was so out of control, and she was so excited.

"stop" Shen Xinyue asked Ye Chen to stop.lights

"It's too late, this is the punishment you deserve," Ye Chen said to Shen Xinyue.

"punishment, you dare?" Shen Xinyue said to Ye Chen.

Maybe only Ye Chen dared to say something like this, if other people did what Ye Chen did, they would definitely become enemies of the world.

"Why not, like this" Ye Chen strengthened his grip.

"Ahhhh . ." Shen Xinyue made such a good voice, the voice that most stimulates a man's body and makes him excited.

Ye Chen was having trouble, Shen Xinyue had a nice voice when moaning, of course, Ye Chen's bones became soft.

Ye Chen was so excited, Ye Chen wouldn't be able to hold back after seeing the expression Shen Xinyue showed.

Shen Xinyue was so sexy and seductive that she made a face that made Ye Chen excited.

"Why are you making such a sexy face, you perverted woman" Ye Chen said to Shen Xinyue.

How could Ye Chen stand it after seeing the expression shown by Shen Xinyue?

"This is all your fault, you have made me like this" Shen Xinyue answered Ye Chen.

Shen Xinyue was still able to answer Ye Chen, it seemed like she still had the consciousness to answer Ye Chen's words.

"Come here" Ye Chen pulled Shen Xinyue to the bed.

"Ahhhhh, what are you going to do?" Shen Xinyue asked Ye Chen what Ye Chen would do.

"Do what I have to do" Ye Chen told her that he would do what he had to do.

"no, don't do that, I feel embarrassed" Shen Xinyue said to Ye Chen.

Shen Xinyue was so nervous, her heart was beating so fast, she couldn't survive the temptation given by Ye Chen.

Because Shen Xinyue's impression of Ye Chen was so good, she became like this.

Plus, Ye Chen was so handsome and so kind, a very suitable and ideal man for Shen Xinyue.

"This is similar to the scene I read, this is so embarrassing" Shen Xinyue felt so embarrassed, she experienced this, a feeling that was both pleasant and confusing.

Shen Xinyue no longer fought Ye Chen, she accepted what Ye Chen was going to do.

"You don't want to fight?" Ye Chen said to Shen Xinyue.

"I don't have the strength" Shen Xinyue said shyly, she didn't have the strength to face Ye Chen.

"If I did something to you, you wouldn't reject it?" Ye Chen asked Shen Xinyue.

"I don't know" Shen Xinyue turned her face to the side, she was so red looking at Ye Chen.

Shen Xinyue was so cute, she made a cute face when facing Ye Chen.

"You are so beautiful," Ye Chen said to Shen Xinyue.

"I . . ." Shen Xinyue was so wrong, how should she respond to Ye Chen, she was completely rendered helpless.

Ye Chen had removed the cold woman mask used by Shen Xinyue.

To the current Ye Chen, Shen Xinyue in front of her was nothing more than an ordinary woman.

"let's do something fun" Ye Chen whispered to Shen Xinyue.

"Ahhh . . ." Shen Xinyue couldn't stand it, she couldn't survive being cornered by Ye Chen.

"Wait a minute, I haven't prepared myself, so . . ." Shen Xinyue said to Ye Chen.

Shen Xinyue squirmed, she couldn't stand Ye Chen, Ye Chen was so tempting.

"Then prepare yourself now" Ye Chen said to Shen Xinyue.

"Kyahh. . ." Ye Chen touched Shen Xinyue's double peak.

"no, what are you touching, don't be there" Shen Xinyue said to Ye Chen.

The feeling Ye Chen gave was too strong when he touched Shen Xinyue's double peak.

Shen Xinyue could no longer think clearly and enjoyed what Ye Chen was doing.

"so good" Ye Chen squeezed the object in his hand several times, it was so perfect, and the level of softness and suppleness was so good.

Chapter 2996 I Can't Do It Now

"ahh . . ." Shen Xinyue couldn't stand it, she couldn't stand what Ye Chen did.

What Ye Chen did was too powerful and so exciting.

Shen Xinyue felt a little wet, it seemed like Ye Chen's provocation had succeeded in making Shen Xinyue so excited.

"Stop, I give up" Shen Xinyue couldn't hold it in, she felt like she had reached the edge and something would come out if Ye Chen continued this.

"let's finish it first" Ye Chen said to Shen Xinyue.

Ye Chen wanted to finish this first, Ye Chen wanted to make Shen Xinyue feel that comfortable feeling.

"Ahhhh . . ." Shen Xinyue couldn't hold on anymore, this was too strong for someone like her.

With that Shen Xinyue reached the top, but she could not defend herself against the attacks launched by Ye Chen.

"This is too strong for me, ahhhh . . ." The goddess acknowledged by everyone, had just reached the top, and she felt the best feeling in the world.

Shen Xinyue looked so tired after what happened, she couldn't stand the pleasure given by Ye Chen.

Shen Xinyue felt weak, what Ye Chen did was too good, and she couldn't hold on.

"Do you like it?" Ye Chen asked Shen Xinyue.

Shen Xinyue didn't answer Ye Chen, she seemed embarrassed to answer what Ye Chen asked.

"Why are you silent and looking cold, this is unpleasant, even though just now you made such a sexy face" Ye Chen said to Shen Xinyue.

"You make me embarrassed and angry" Shen Xinyue pulled Ye Chen's cheek, and Shen Xinyue pinched Ye Chen's cheek quite hard.

"Wait a minute, I'm sorry" Ye Chen apologized to Shen Xinyue.

Shen Xinyue was serious about punishing Ye Chen.

Shen Xinyue hated Ye Chen, what Ye Chen did made her feel ashamed.

"Can I kiss you?" Ye Chen asked Shen Xinyue.

Ye Chen wanted to know if he could kiss Shen Xinyue.

"That . . ." Shen Xinyue couldn't answer, if she said yes to Ye Chen, Ye Chen would think that she was a cheap woman.

As a beautiful woman recognized as a goddess, Shen Xinyue would not be able to accept this.

"What is it?" Ye Chen asked Shen Xinyue.

Shen Xinyue still didn't answer, she was still shy.

"if you don't answer, then I will assume you agree" Ye Chen said to Shen Xinyue.

"I have not . . ." when Shen Xinyue was about to protest, Ye Chen had already kissed her, Shen Xinyue wouldn't be able to leave Ye Chen's kiss.

Ye Chen kissed Shen Xinyue's lips, lips that were so beautiful and sweet.

"um. . ." Shen Xinyue was shocked, she was surprised by what Ye Chen did.

Ye Chen took Shen Xinyue's first experience, this was the first time someone had kissed Shen Xinyue.

Shen Xinyue pushed Ye Chen away, even though she tried, she couldn't push Ye Chen away.

Ye Chen was too strong, Shen Xinyue wouldn't be able to do that.

"ahh" Shen Xinyue began to sink into a very comfortable feeling, the feeling given by Ye Chen was so comfortable.

Shen Xinyue began to drown in this feeling, Shen Xinyue couldn't survive the feeling given by Ye Chen.

"This is too good" Shen Xinyue said in her heart, this feeling was so good, and Shen Xinyue was so happy.

Ye Chen kissed Shen Xinyue for a while before he let go of Shen Xinyue.

"You're always like that" Shen Xinyue said to Ye Chen.

Shen Xinyue was now a little gentle towards Ye Chen, she was already gentle when facing Ye Chen.

"do you want to continue?" Ye Chen asked Shen Xinyue.

"continue?" Shen Xinyue was surprised by what Ye Chen said.lights

Shen Xinyue couldn't say any more when she listened to what Ye Chen said.

"Don't want to?" Ye Chen saw such a big doubt, it proved that Shen Xinyue had a very strong mind.

"I can't do that," Shen Xinyue told Ye Chen that she couldn't do that.

"Why?" Ye Chen asked Shen Xinyue.

Ye Chen wanted to know why Shen Xinyue couldn't do this.

"That's because I haven't perfected the cultivation technique that I have" Shen Xinyue said to Ye Chen.

". , It means ?" Ye Chen asked Shen Xinyue.

"You don't know yet, huh" Shen Xinyue was going to explain to Ye Chen.

"I learned the ice goddess art technique, there are conditions to learn it to the peak, I have to be pure, then I won't be able to rise to a higher level," said Shen Xinyue.

"You haven't perfected the ice goddess Art yet?" Ye Chen asked Shen Xinyue.

Initially, Ye Chen thought that the ice goddess Art had finished cultivating the ice goddess Art to the peak level.

"If I could do that, I would be stronger than I am now" Shen Xinyue told Ye Chen.

"What is the reason?" Ye Chen asked the reason, why Shen Xinyue couldn't, did she have a bottleneck or something.

"look at this" Shen Xinyue showed something to Ye Chen, she showed why she couldn't do it.

The Ice Goddess Art book appeared in front of Ye Chen, when it appeared, Ye Chen saw that there was only half of it.

"You studied incomplete things?" Ye Chen asked Shen Xinyue.

"That's right, I thought it was a top-class technique, so I did a study and tried to solve the problem myself, but as you can see, I haven't been able to learn it completely, no matter how hard I practice" said Shen Xinyue.

"So that's how it is, I understand, it's a shame" Ye Chen said to Shen Xinyue.

"So you understand?" Shen Xinyue felt more relieved because Ye Chen understood.

"So after you finish, is it possible?" Ye Chen said to Shen Xinyue.

"Maybe it could happen" Shen Xinyue smiled, she tried to escape from the current situation.

"Yuechan," Ye Chen said to Chu Yuechan.

"what do you want, my master?" Chu Yuechan asked Ye Chen.

"do you have the complete version of Ice Goddess Art" Ye Chen asked Chu Yuechan.

"Wait a moment" Chu Yuechan would be back soon, she needed some time.

Shen Xinyue saw Ye Chen, and Ye Chen was probably annoyed and angry.

"Maybe he is the same as all the men in existence" Shen Xinyue felt that Ye Chen was the same as all the men in existence, Ye Chen's goal was her body.

"I've looked for it, and I found it, are you sure you want to give it for free" Chu Yuechan asked Ye Chen.

"It doesn't matter, I will help her" Ye Chen said he would help Shen Xinyue.

"It's up to you" Chu Yuechan wouldn't remind him, it seemed like Ye Chen already had the absolute decision.

"I have something for you" Ye Chen said to Shen Xinyue.

"What do you have?" Shen Xinyue asked what Ye Chen had.

"something you need right" Ye Chen said to Shen Xinyue.

Ye Chen took out the complete manual of Ice Goddess Art.

Shen Xinyue looked at it, she was shocked and speechless when she saw what Ye Chen took out.

Shen Xinyue was stunned for a while, completely shocked by what Ye Chen had just released.

Ye Chen took out such a powerful item, so it wasn't strange that Shen Xinyue was so shocked that she couldn't speak anymore

Chapter 2997 Full Version Ice Goddess Art

"Hi, what's wrong with you?" Ye Chen asked Shen Xinyue.

Shen Xinyue finally woke up when she heard Ye Chen's voice.

"Where did you get that from?" Shen Xinyue asked Ye Chen, where did Ye Chen get such a thing.

"I just happen to have it" Ye Chen said that he happened to have it.

"It can't be a coincidence," said Shen Xinyue.

Shen Xinyue didn't believe that this was just a coincidence. Ye Chen must have had it from the start.

"You really have all these absurd and strange things" Shen Xinyue couldn't say anything anymore, Ye Chen had things that made Shen Xinyue surprised.

Even for Shen Xinyue, who had lived for a long time, what Ye Chen showed could shock her.

"Do you want to or not?" Ye Chen asked Shen Xinyue.

"I want" Shen Xinyue was excited, she was willing to accept it.

"You are so excited, it seems like this is what makes you excited" Ye Chen said to Shen Xinyue.

Ye Chen could see that Shen Xinyue was very enthusiastic, it seemed like this kind of thing made Shen Xinyue so excited.

"Ahhh . . ., I forgot myself," Shen Xinyue said to Ye Chen, Shen Xinyue was too happy and became excited.

"It's okay, I prefer you like this, compared to the usual you, I like you like this" Ye Chen said to Shen Xinyue.

"Um. . ." Shen Xinyue nodded, it seemed like Ye Chen could accept Shen Xinyue as she was.

Shen Xinyue started to see what Ye Chen had, and when she saw it, she was shocked because it was genuine.

"This is genuine, you are not trying to lie to me" Shen Xinyue said to Ye Chen.

"Why should I lie to you" Ye Chen said to Shen Xinyue.

"I think you intend to impress me," said Shen Xinyue.

"How could it be . . ." Ye Chen said to Shen Xinyue.

Shen Xinyue started reading it, she might be able to perfect her cultivation technique.

Shen Xinyue leaned against Ye Chen, she seemed to be enjoying this well.

"umm. . ., I'm starting to understand." Shen Xinyue began to understand she might be able to learn it in the near future.

"What do you think?, Can you do it?" Ye Chen asked Shen Xinyue.

"I need time, this is not easy," Shen Xinyue said to Ye Chen, she told him that this would not be easy to do.

"It should be easy to do, you can do it" Ye Chen said to Shen Xinyue.

"I will try my best." Shen Xinyue said that she would try her best.

Shen Xinyue couldn't disappoint Ye Chen, after Ye Chen gave something so interesting to Shen Xinyue.

"I hope you master it quickly" Ye Chen whispered in Shen Xinyue's ear, it made Shen Xinyue amused.

"Don't do that" Shen Xinyue said to Ye Chen, she asked Ye Chen not to do that.

"You who are shy are so cute" Ye Chen said to Shen Xinyue.

Shen Xinyue is now like a shy young woman, it seems that Ye Chen has succeeded initially.

"Don't tease me anymore, this feels a little strange for me" Shen Xinyue said to Ye Chen, she asked Ye Chen not to tease her anymore.

"Okay, I understand" Ye Chen understood, he wouldn't tease Shen Xinyue.

Ye Chen admired the beauty in his arms, the feeling of hugging and touching Shen Xinyue was so comfortable.

Shen Xinyue was focused, and when she was focused, she felt something on her back.

Something hard pressed against her in back.

"Why are you carrying something hard there?" Shen Xinyue asked Ye Chen.

Why did Ye Chen bring something tough like that?

"It can't be helped, this belongs to men, and because you provoke me" Ye Chen said to Shen Xinyue.

"? ? ? ?" Shen Xinyue seemed confused about what was happening.

Shen Xinyue was still quite innocent in this matter, she had never been interested in such things, so she didn't know much about this kind of matter.lights

For Shen Xinyue, this kind of thing was of no benefit, and she never learned about men, her life was dedicated to cultivating and reaching the peak.

"too innocent" Ye Chen looked at Shen Xinyue.

Shen Xinyue was too innocent, she didn't know what happened.

"Listen to this . . ." Ye Chen explained to Shen Xinyue.

"This is a normal thing for men, it will become tense when there is a beautiful woman like a goddess who seduces me" Ye Chen said to Shen Xinyue.

"Ahhh . . ." Shen Xinyue finally understood what Ye Chen meant.

"So it's that. . ." Shen Xinyue blushed slightly, she didn't expect that what was touching her was Ye Chen's big object.

Shen Xinyue was confused about what to do in a situation like this.

she had never studied this kind of thing, so she didn't know much.

Shen Xinyue never thought about finding a partner, who would have thought that today she would find a partner?

"Is that uncomfortable?" Shen Xinyue asked Ye Chen.

"A little, but it will be fine," Ye Chen said to Shen Xinyue.

Ye Chen would be fine, so Shen Xinyue didn't need to worry too much.

"I don't think it's inconvenient, if there's anything I can do to help, I will do it" Shen Xinyue said to Ye Chen.

Shen Xinyue wanted to help Ye Chen, she wanted to help solve the problem Ye Chen had.

Shen Xinyue was quite sincere in this regard, she was sincere enough to help Ye Chen.

"Then please help me with your hand," Ye Chen said to Shen Xinyue.

"How to?" Shen Xinyue asked Ye Chen how she did it.

"let's give you a little" Ye Chen gave a little hint to Shen Xinyue.

Shen Xinyue received what Ye Chen gave her, she saw something interesting.

"This is a cultivation technique, isn't it?" Shen Xinyue said to Ye Chen.

"Of course, everything should be there, want to try it" Ye Chen said to Shen Xinyue.

"I told you I can't right now," Shen Xinyue said to Ye Chen.

Shen Xinyue blushed, it was difficult for her to do this, considering she was such a cold person.

"There are other things besides doing that," Ye Chen said to Shen Xinyue.

Shen Xinyue looked at Ye Chen, after what happened, she probably wouldn't be able to ignore Ye Chen.

"Okay, this is to help you, this is for a while" said Shen Xinyue.

Shen Xinyue finally agreed to do it, she agreed to help Ye Chen.

Ye Chen was so happy that Shen Xinyue was willing to help, it looked like this would be an interesting start.

Shen Xinyue learned the basics, here is a way to make a man comfortable, as Ye Chen said she could use her hands.

After a while, she finally understood what Ye Chen was feeling.

"Then I will help you," Shen Xinyue said to Ye Chen, she already knew what she had to do now.

"Finally" Ye Chen was so happy, it seemed like this would work.

"You look like you are deceiving such an innocent young woman," Chu Yuechan said to Ye Chen.

"You have a problem?" Ye Chen asked Chu Yuechan.

"Nothing, I actually enjoyed it" Chu Yuechan enjoyed it.

"Then have fun" Chu Yuechan said to Ye Chen, she told Ye Chen to have fun with Shen Xinyue.

"I will do it" Ye Chen will do it, he will show his best.

Shen Xinyue stretched out her hand toward Ye Chen's little brother, the cold hand felt comfortable for Ye Chen.

"This. . ." The first time Shen Xinyue touched this kind of thing, it felt so strong and hard.

Chapter 2998 Shen Xinyue Helped Ye Chen's Problem Downstairs

It was Shen Xinyue's first time, so it wasn't strange that she was so shocked by what happened to Ye Chen.

"Isn't this bad?" Shen Xinyue asked Ye Chen, this possibility is bad.

"It's okay, if you help me, everything will come back" Ye Chen said to Shen Xinyue.

"I understand." Shen Xinyue believes in what Ye Chen says.

Shen Xinyue opened Ye Chen's pants, and when she opened Ye Chen's trousers, something so big and so long appeared in front of Shen Xinyue.

"What! ! ! !" Shen Xinyue was surprised to see what was owned by Ye Chen, even though it wasn't as big as this in the book just now.

"Why is it so big?" Shen Xinyue asked Ye Chen, she wanted to know why this was so big, men shouldn't have things this big, was Ye Chen a monster or something?

"Maybe because of me blessed, don't ask too many questions and just start, I can't take it anymore," Ye Chen said to Shen Xinyue.

Ye Chen was impatient and told Shen Xinyue to do it.

"I'll start doing it, you just shut up and don't do anything strange" Shen Xinyue said to Ye Chen.

Shen Xinyue was afraid that Ye Chen would do something strange, if that happened, she might not be able to survive.

Ye Chen was patient enough, if Shen Xinyue didn't start, he felt that he would go crazy.

"I understand", Shen Xinyue finally started. she showed the best abilities she had now.

Shen Xinyue's hand grabbed Ye Chen's little brother; she took good care of this.

Shen Xinyue initially thought that this was a little strange, but after trying to touch on this, she felt that it was not that bad.

"Very good . . ." Ye Chen seemed to really enjoy what she was doing, done by Shen Xinyue.

Shen Xinyue has such good skills.

Shen Xinyue saw Ye Chen, Ye Chen really enjoyed this.

Shen Xinyue wants to take revenge for what happened, it's time to show how good she is.

The ability shown by Shen Xinyue was so good that she used her hands and started to provide a service to Ye Chen.

"She's so good, is she really serious this is the first time?" Ye Chen didn't expect that this was the first time Shen Xinyue had done this, her skills were so good.

Ye Chen couldn't complain about this ability, initially, Ye Chen wanted to guide Shen Xinyue, who would have thought that Shen Xinyue was controlling the course of this match.

"You seem to be enjoying it, is this so good for you?" Shen Xinyue asked Ye Chen.

Shen Xinyue wanted to know Ye Chen's opinion about her abilities.

"of course, you are so good, you are so skilled even though it's your first time" said Ye Chen.

"You doubt me" Shen Xinyue said in a dissatisfied tone.

"Impossible, I can't possibly doubt a pure goddess like you, I really praise the abilities you have" Ye Chen said to Shen Xinyue.

"It's good if you understand, I'm only doing this for you, no person or king has ever gotten something like this from me" Shen Xinyue said to Ye Chen.

"Looks like I'm so lucky," Ye Chen said. He was so lucky to be able to experience Shen Xinyue's abilities.

Shen Xinyue smiled slightly, she felt that this was fun.

Helping Ye Chen seemed so fun, she liked playing with Ye Chen's things.

Shen Xinyue continued to do this for about 15 minutes, she did not see any signs of Ye Chen losing.

"Why is it still difficult?" Shen Xinyue asked Ye Chen.

she wanted to know why Ye Chen was still having difficulty.

"It seems like what you did was not strong enough" Ye Chen said to Shen Xinyue.

"I've done the same thing as I learned, should Can this be finished quickly?" Shen Xinyue said to Ye Chen.

Ye Chen should finish quickly, Shen Xinyue seemed confident in her abilities.

With Shen Xinyue's beauty and abilities, she could make Ye Chen reach the top quickly.

"I'm not that weak" Ye Chen told that he wasn't that weak.

It wasn't easy to make Ye Chen give up.

Ye Chen admitted that Shen Xinyue had good technique. Unfortunately, Ye Chen could get through everything easily.

He could still enjoy the services of Shen Xinyue without losing in the slightest.

Shen Xinyue a little annoyed, she felt defeated by Ye Chen, and Shen Xinyue didn't really like this.

Shen Xinyue decided to learn more, she couldn't accept losing to Ye Chen.

Shen Xinyue found all sorts of ways, but it was a little too much.

Shen Xinyue looked at Ye Chen's thing, Ye Chen's thing was too strong, there was no way she could do that.lights

"There's no way I can do it" Shen Xinyue said in her heart, she wouldn't be able to do it, it was difficult and so embarrassing.

What will others think if they see what was done by Shen Xinyue recently?

Shen Xinyue still doesn't realize that what she is doing now is so shameless, doing anything else will make no difference to Shen Xinyue.

"Why did you stop?" Ye Chen said to Shen Xinyue.

Ye Chen felt uncomfortable again, he wanted more from Shen Xinyue.

Shen Xinyue looked at Ye Chen, Ye Chen had helped Shen Xinyue quite a lot, and she seemed to be having difficulty with this, so it was Shen Xinyue's job to help Ye Chen.

After doing something a little naughty with Ye Chen, Shen Xinyue felt her body become strange, she started to think more obscene compared to before.

"It's just a favor, so I'll do it." After thinking for a long time, Shen Xinyue did just that.

Shen Xinyue had already decided to help Ye Chen, she would continue in doing this.

Shen Xinyue held Ye Chen's, after that she brought her lips closer and kissed Ye Chen's.

Shen Xinyue wanted to taste it for a while, if it were really disgusting, she would stop.

"Wow, she did it" Ye Chen really couldn't think that Shen Xinyue would do it.

Shen Xinyue probably wouldn't want to do something like that, but she would do it for Ye Chen.

Ye Chen wanted, he wanted to try what the small mouth of the first beauty in the Supreme God Realm was like and become the goddess in everyone's hearts.

Shen Xinyue felt that this was so good it was like eating the best thing in the world.

"Not bad, this is good" After feeling that this was good, Shen Xinyue started to help Ye Chen, her technique was really very good, and there were almost no mistakes when she sucked Ye Chen.

she was able to do it very well without any problems that made Ye Chen uncomfortable.

Shen Xinyue made Ye Chen helpless, for Ye Chen Shen Xinyue was a very amateur beginner, but she showed that she was so good that her abilities were almost the same as Ling Shu.

"She's so good, is this innate talent or something?" Ye Chen was made so comfortable if Shen Xinyue had much more experience than now, maybe Ye Chen wouldn't have had a chance to survive.

Shen Xinyue started to become aggressive, Ye Chen's was like an aphrodisiac that made her so excited.

"Slurp . . ." Shen Xinyue made such a seductive voice and made Ye Chen's defenses collapse.

Ye Chen's strong defense collapsed easily, Ye Chen couldn't even last more than 15 minutes.

Shen Xinyue's abilities were so strange, she became so good as time, She learned from her mistakes quickly and found Ye Chen's weak points, that was what made it difficult for Ye Chen to survive.

Ye Chen guessed Shen Xinyue was indeed a genius, if Shen Xinyue practiced better, she would be a very difficult enemy to face.

Shen Xinyue saw Ye Chen trembling slightly, it seemed that Ye Chen had reached his limit.

Initially, Shen Xinyue only wanted to help Ye Chen, but in the end, she enjoyed this and became so passionate about serving Ye Chen.

"Oh. . ." Ye Chen couldn't stand it and finally reached the limit, he gave his things to Shen Xinyue.

Shen Xinyue took it all in, she couldn't escape because Ye Chen was holding her.

Shen Xinyue had no choice, she could only accept all of Ye Chen's essence.

"So much" Shen Xinyue didn't expect that this was so much, and this was pure Yang Qi, something that could help Shen Xinyue.

"Glup . . ." Shen Xinyue managed to hold on and swallowed it all.

"What was that, that was so delicious" Shen Xinyue said to Ye Chen.

Shen Xinyue liked the taste, it was the best thing Shen Xinyue had ever tried.

"I didn't think you would be that good, it seems like you Succubus" said Ye Chen.

"I just did it normally" Shen Xinyue said to Ye Chen.

After that, Shen Xinyue helped clean up Ye Chen, and when she held Ye Chen's little brother, it rose again.

"no what are you doing?" Ye Chen said to Shen Xinyue.

What is done by Shen Xinyue will make Ye Chen excited again.

"It's still difficult again, then let me help you again" Shen Xinyue wanted to help Ye Chen again, she wanted to play more with Ye Chen.

she wanted to taste more Ye Chen's good Yang Qi.

Shen Xinyue had started to like Ye Chen and started doing bolder things with Ye Chen.

Shen Xinyue continued to help Ye Chen, she did so until Ye Chen confided in her more than 5 times.

Who would have thought that Shen Xinyue would be so aggressive?, This was out of the scenario thought by Ye Chen.

Shen Xinyue liked him, so it wasn't strange that she continued to help Ye Chen until one day had passed.

After being helped by Shen Xinyue, Ye Chen became calmer, it was so fun, and Ye Chen also liked what Shen Xinyue was doing.

Chapter 2999 Shen Xinyue's Past

After some time, Shen Xinyue finally calmed down and was tired after helping Ye Chen.

"It was beyond expectations" Ye Chen said to Shen Xinyue.

"I was embarrassed to do that, but it felt fun" Shen Xinyue told Ye Chen.

Shen Xinyue was embarrassed to do it, even though she was very happy to do it with Ye Chen.

"I'm also happy to do that with you" Ye Chen himself was also happy.

Shen Xinyue's abilities and techniques were very good and Ye Chen liked that.

"next time I want it again" Shen Xinyue said to Ye Chen, she wanted to do it again with Ye Chen.

Shen Xinyue was interested in this matter so that Ye Chen could get closer to Shen Xinyue.

Shen Xinyue and Ye Chen cleaned themselves up, and Shen Xinyue took Ye Chen out.

"Let's go outside together with me" Shen Xinyue said to Ye Chen, she wanted to go out with Ye Chen.

Ye Chen of course immediately agreed to what Shen Xinyue wanted.

They went out and left Shen Xinyue's cold place.

Shen Xinyue took Ye Chen to a farther place, so that other people would not easily find her.

Around Shen Xinyue's place was full of people who wanted to get Shen Xinyue, it would be very difficult if people around this place discovered them, they would not let Ye Chen and Shen Xinyue be together.

They went outside, Shen Xinyue showed Ye Chen the exit.

"There is a secret door here" Ye Chen said to Shen Xinyue.

"Of course there is" Shen Xinyue said there was indeed an exit from this place.

"If it were here, I wouldn't bother" Ye Chen said to Shen Xinyue.

If only Ye Chen had known this, he would not have gone up.

"You must have experienced a lot of trouble" Shen Xinyue said to Ye Chen.

"Not really, that's easy for me" Ye Chen said to Shen Xinyue.

Ye Chen felt that it was so easy.

"I'm surprised you said it was easy, so many people have failed, I even had to take them down by force," said Shen Xinyue.

"Heheheh, I'm much stronger than what you think" Ye Chen said that he was much stronger than imagined, a place like this was not a problem for Ye Chen.

"I have to admit that" Shen Xinyue admitted that Ye Chen was unique, she might be someone who could do anything.

"I want to ask you something" Shen Xinyue said that she wanted to ask Ye Chen something.

"What do you want to ask?" Ye Chen said to Shen Xinyue.

"Is your purpose in coming to my place just because of me" Shen Xinyue asked Ye Chen.

"Not really, there is something else" Ye Chen said that he had come for something else.

"I came to invite you" Ye Chen said to Shen Xinyue.

"invite me?" Shen Xinyue asked again.

"Honestly, I want to defeat the Four-sided Immortal Palace and destroy them" said Ye Chen.

"why do you hate them so much, they are a force that is difficult to deal with, even if you can get help from me and some strong people, it is impossible to fight them" for Shen Xinyue Four-sided Immortal Palace is a big power, it is not strange that she is lacking I'm sure Ye Chen can do it.

"I will definitely do it, I don't like them" Ye Chen said to the Four-sided Immortal Palace.

"What's the reason, is it because you have a grudge with the woman named Yin Zeniyu?" Shen Xinyue asked.

"No, it wasn't because of Yin Zeniyu" Ye Chen said that he didn't do that because of Yin Zeniyu.

"Then why?" Shen Xinyue wanted to know.

"That's because one of the people I have was detained and arrested by them" said Ye Chen.

Shen Xinyue nodded, she now knew why Ye Chen wanted to fight the Four-sided Immortal Palace.

"You can explain it to me, maybe I can help you" Shen Xinyue said to Ye Chen.

Shen Xinyue wanted to know more and more, if Ye Chen's problem was quite serious, how could Ye Chen challenge the Four-sided Immortal Palace?

Ye Chen explained to Shen Xinyue about Shui Yixian.

"What ?" Shen Xinyue was naturally shocked when she heard this, she hadn't expected that there was such a person.

"why are you so surprised?" Ye Chen asked Shen Xinyue.

"Of course I would be surprised, such a person is very rare, if what you said is true, the Four-sided Immortal Palace must be planning a plan that is so big and so powerful," said Shen Xinyue.

Shen Xinyue believes that the Four-sided Immortal Palace is planning something big, Shen Xinyue is very confident about this matter.lights

A big event will appear that will shake the world.

"If that's true, I'm willing to help you, I can't leave you alone against the Four-sided Immortal Palace"
Shen Xinyue said to Ye Chen.

Shen Xinyue wouldn't leave Ye Chen alone, she didn't want to leave.

"I thank you" Ye Chen thanked Shen Xinyue.

Ye Chen and Shen Xinyue took a walk around the mountain, they chose a mountain that was still green and had few magical beasts.

This place doesn't have many people so they will be fine.

"Nice place" Ye Chen said to Shen Xinyue.

"You're right, I often come here when I want to be alone or tired after training," said Shen Xinyue.

"why do you like this kind of place?" Ye Chen asked Shen Xinyue.

"Because this place is so peaceful and beautiful, I like peaceful places with fresh air," said Shen Xinyue.

"So that's how it is, in my opinion, you made a very good choice" Ye Chen told that Shen Xinyue had made a very good choice.

"Around this place there are several villages, they are people with low cultivation and live in such a good place, their life is very peaceful here" Shen Xinyue said to Ye Chen.

"Can I ask you something" Ye Chen wanted to ask Shen Xinyue.

"Sure, just ask as long as I can answer it," said Shen Xinyue.

"If I may ask, I would like to know what kind of past you have, I don't think I know that yet, it's impossible for you to crave power without a goal?" Ye Chen said that

"The past I had wasn't very good, it wasn't a story worth listening to" Shen Xinyue's expression changed, she seemed unwilling and unwilling to discuss this matter.

Ye Chen just grabbed Shen Xinyue's hand and stopped her.

Shen Xinyue looked at Ye Chen, she saw Ye Chen cared about her.

"Just tell me, I think you need a place for that" Ye Chen said to Shen Xinyue.

"why are you so attentive to me" Shen Xinyue asked Ye Chen, Ye Chen was too attentive to herself.

"I don't want to see you alone and feel lonely" Ye Chen told Shen Xinyue.

"I'm happy with the attention you give" Shen Xinyue felt happy, and because of this, she would tell Ye Chen what she had.

"Back then, I was just an ordinary girl who lived in a forest like this, with villagers not far from where we lived, everything went well and I lived quite happily with my family," said Shen Xinyue.

"Is there a reason why you live in a forest?" Ye Chen asked Shen Xinyue.

"Of course there is a reason, you must have already guessed it, right?" Shen Xinyue said to Ye Chen.

"I think I can start to guess, it's possible that it's because of the beauty you have," said Ye Chen.

"That's absolutely true, the reason why my parents chose to live in the forest was because of me, they were afraid that someone else would take me away," said Shen Xinyue.

"That's true, they are attentive people" said Ye Chen.

"They were indeed caring, but that was the beginning of all the suffering," said Shen Xinyue.

" ? ? ? ?" Ye Chen listened to her, what was the meaning of the beginning of suffering that Shen Xinyue said.

"One day a group of mercenaries passed by the forest where we lived, they stopped in the village, and at that time I was visiting to buy some bread, do you know what they wanted to do to me?" Shen Xinyue asked Ye Chen.

"They're after you?" Ye Chen asked Shen Xinyue.

"Not only do they want to target me, but they want to sell me as a slave along with all the women in the village," said Shen Xinyue.

"then what happen?" Ye Chen asked Shen Xinyue.

"The villagers were of course, angry and drove the mercenary group out, but they refused and started killing the men inside there, because of the difference in strength, in just less than 1 minute, everyone died, leaving only the weak women.

"I'm still a girl who just grew up, I'm naturally not very familiar with killing," said Shen Xinyue.

"Then how did you survive?" Ye Chen asked Shen Xinyue.

"I was held back by them and they wanted to do bad things to me. When I was in a pinch, my ice power rose and I was able to fight them all," said Shen Xinyue.

"Even though I won, I couldn't bring back those who had been killed and everyone in the village looked sad. After that incident I felt guilty and felt that many people would be hurt by being with me," said Shen Xinyue.

"After that incident, I decided to leave, I didn't want other people to get hurt or die because of me," said Shen Xinyue.

"that's really bad" said Ye Chen.

It's not strange that Shen Xinyue chose to be alone, it was a difficult decision.

"Such incidents keep happening wherever I go, it attracts attention to this day," said Shen Xinyue.

"It can't be helped, you are a beautiful woman who is one of the 10 goddess lists, not everyone can survive" said Ye Chen.

"Sometimes what other people see is not as beautiful as what we live," said Shen Xinyue.

Chapter 3000 The Village Nearby Was Attacked By Criminals

"That's very true, I agree with what you said, sometimes what people see is not like what we live" Ye Chen agreed with what Shen Xinyue said.

"You really understand me" Shen Xinyue was happy because Ye Chen understood her well.

Ye Chen and Shen Xinyue hugged each other, where no one would disturb them.

"huh?" Ye Chen felt something.

"What is it?" Shen Xinyue asked Ye Chen.

"I smell fresh blood," Ye Chen said to Shen Xinyue.

"What happened?" Shen Xinyue asked Ye Chen what had happened.

"let me see" Ye Chen wanted to see what was happening far away.

Ye Chen activated God Eyes, he saw what was happening far away in the direction the smell came from.

Ye Chen saw the robbery, they were bandits who looted and robbed, and they didn't even hesitate to kill the men, women and children in the small village.

The village was small, at most, only around 150 people lived in it, so they would not be able to fight against the cruel bandits.

Ye Chen didn't really like this, how dare they disturb his time with Shen Xinyue.

"There were some bandits who attacked the village and it seems their situation is quite bad" Ye Chen said to Shen Xinyue.

"So that's how it is, then let's go and help them" Shen Xinyue couldn't remain silent when she saw this kind of thing, it reminded her of the past.

After Ye Chen found out about Shen Xinyue's past, Ye Chen finally understood why Shen Xinyue wanted to take part in the mission against the demon god commander, even though she was cold and indifferent, Shen Xinyue was a good woman.

"Then I will help, I can't see things like this too" Ye Chen said he would help too.

Ye Chen couldn't help but notice this kind of thing too.

They both went to help.

"Quickly take all the things in this place, make sure to choose the 3 best girls, kill those who resist and also those who look unsightly" they started looting.

Once they are finished here, they will move to another place.

Before that they had to get what they wanted, food, drink, profound crystals, and women.

they need it for personal satisfaction, they are lazy people who do all kinds of things for their own interests.

They are looking for the most beautiful woman in this place, who will accompany them all.

The number of these people is probably only 10 people. Even if it is 10 people, their strength and abilities are dozens of times stronger than the residents.

There was no chance the residents could fight them, they could only submit and accept their fate.

"We're almost there" Ye Chen and Shen Xinyue only needed about 30 second to reach the nearest village, when they arrived, they saw a very bad thing.

They saw the scene of the murder of several people who tried to fight back.

They may be weak, even though they are weak, they still want to fight and survive.

Even though their colleagues and friends fell, they didn't want to give up and still wanted to fight to protect the people they loved.

"I will help them" Ye Chen said to Shen Xinyue.

When Ye Chen was about to advance, Shen Xinyue had already advanced.

Shen Xinyue came forward and stopped what was going on.

"Stop what you are doing" Shen Xinyue returned to cold goddess mode, in fact, according to Ye Chen, this was much worse than when Ye Chen first met Shen Xinyue.

"she's 100% angry, it looks like they won't get a good ending" Ye Chen saw Shen Xinyue so angry these people wouldn't get a good ending.

"You will help. . . .?" Chu Yuechan asked Ye Chen.

"They are just a bunch of scum of the world, do I need to help, with Shen Xinyue's strength now, they can turn into dust" said Ye Chen.

"I will help the residents there, they need help more" Ye Chen decided to help the villagers, they looked like they needed Ye Chen's help.lights

Ye Chen came to help, he helped all those who were in trouble.

Ye Chen gave medicine to the injured, for the dead Ye Chen couldn't do anything.

"Bring the injured people, I will help" Ye Chen said to those who could still stand.

They all just went and helped, they believed in Ye Chen's strength and abilities.

On Shen Xinyue's side.

Shen Xinyue was currently facing ten thugs, she looked at them with piercing cold eyes.

"Wow, there is a really beautiful woman here, I want to sleep with her" They couldn't resist Shen Xinyue's charm, they wanted to get Shen Xinyue.

They were all fascinated and wanted to get Shen Xinyue, their minds now only focused on one point, namely Shen Xinyue.

Shen Xinyue was not very happy about this matter, she was not very happy to see what people were doing, and seeing their gazes already made Shen Xinyue so disgusted.

"Today I will stop the crimes you have committed." Shen Xinyue said that she would stop the crimes they committed.

"Beautiful, come down here and play with you" they said to Shen Xinyue.

They all told Shen Xinyue to come down, they all wanted to play together with Shen Xinyue.

"I'm not interested in doing that." Shen Xinyue said that she was not interested in playing with them.

"So arrogant, you will regret it, take her down by force" They all decided to take Shen Xinyue down by force.

They all still don't know what they are facing, they will regret what they have said.

Shen Xinyue looked at the leader of this group, the person who was the leader of the criminals looked scary, with several wounds on his face and hair that was not neatly styled.

Just at a glance you can see that this person never cleans himself and is full of dirt.

this is their characteristic, who can complain about the matter.

They all advanced towards Shen Xinyue.

They are all so lustful, they are like a horde of little goblins who look at beautiful women.

Shen Xinyue snapped her fingers when Shen Xinyue did this.

A thin thread of ice appeared on Shen Xinyue, if anyone had evil intentions, they would suffer the consequences.

Criminals don't see this, they move on and ignore it.

They didn't use weapons against Shen Xinyue, it would be a problem if they hurt Shen Xinyue's beauty.

Because of this, they decided to use their bare hands to capture Shen Xinyue.

"I go first" they scrambled to get to Shen Xinyue.

Whoever gets Shen Xinyue first will play with Shen Xinyue.

The first person closest to touching Shen Xinyue was their leader, the closest among all the people present.

The person touched Shen Xinyue without much thought, when he touched Shen Xinyue.

He felt a cold feeling in his hand.

The criminal saw that his hand was cut by something, and his hand immediately froze.

"Arghhh . . ." the boss of the thugs shouted, he really couldn't imagine his hand would be cut off.

No blood came out, that was because the hand froze instantly.

"the people around stopped, they started to panic when they saw what had just happened.

"Why did you stop, don't you want to touch me?" Shen Xinyue asked if they didn't want to touch her.

They all kept their distance, there was something near Shen Xinyue, and they had to keep their distance from Shen Xinyue.
