

True God 3001

Chapter 3001 Secure The Village From Future Threats

"Since you guys refuse to come forward, then let me come forward" Shen Xinyue decided to come forward.

"Don't come any closer" they were all scared, those who were previously excited became like now.

It was like they saw a ghost after learning about Shen Xinyue's abilities and strength.

Shen Xinyue was serious in her speech, she advanced towards the enemy.

The frightened enemies immediately ran away, all scared to death and ran in all directions.

Shen Xinyue didn't just let them go, they had to be wiped out, people like them were not worthy of this world.

If Shen Xinyue let them go, they would most likely act out again, so it was better for Shen Xinyue to deal with them now.

Shen Xinyue started to use her power, she froze everyone using very thin ice needles.

The thin ice needles penetrated the bodies of the bandits and made them freeze instantly.

Because their cultivation was so weak, they were so easily frozen by Shen Xinyue.

There was no resistance when that happened, they were all completely frozen into ice statues.

"don't let us go" they asked Shen Xinyue.

The rest of the villains asked Shen Xinyue.

They asked Shen Xinyue to release them.

"Do you think that I will let you go?" Shen Xinyue asked, she couldn't possibly let them go.

"of course, miss is a beautiful and kind woman" they complimented Shen Xinyue.

The praise they gave made Shen Xinyue feel disgusted.

"You have taken so many lives, and your victims are in the same position as you are now, have you ever forgiven them?" said Shen Xinyue.

They all fell silent when they heard what Shen Xinyue said.

They couldn't answer what Shen Xinyue asked.

They never let go of their victims, they prefer to torture the victims they have by killing them slowly.

"You already know what will happen next, asking for forgiveness is useless." Shen Xinyue said that it was useless to ask for forgiveness.

"If you can't I will kill you" they had no choice but to kill Shen Xinyue.

It was the only way they could live.

They didn't want to die, so they wanted to kill Shen Xinyue.

Because he was too afraid of what Shen Xinyue would do, they even forgot that Shen Xinyue had such a terrifying technique.

"You are such a wicked bunch of idiots" said Shen Xinyue.

When they were about to stab Shen Xinyue, their weapons were cut, the ice threads moved and instantly killed them all.

Shen Xinyue only used one ice thread, it was enough to defeat them all.

Their bodies that were hit by the ice threads began to freeze and break apart when blown by the strong wind.

"I don't like criminals like this the most." Shen Xinyue doesn't like criminals like them, because of this, she is merciless in dealing with them all.

Letting them run away was the same as letting them kill people again, the decision Shen Xinyue made was already very accurate.

"what happened to all of them" Shen Xinyue wanted to know what happened to the villagers.

Ye Chen treated the villagers, Ye Chen helped everyone and that made Shen Xinyue feel happy.

It seemed that Shen Xinyue was not wrong, Ye Chen was such a good person.

Shen Xinyue didn't get closer to Ye Chen, she let Ye Chen treat everyone.

After Ye Chen finished treating everyone well, Shen Xinyue came to Ye Chen.

"How, are they all okay?" Shen Xinyue asked Ye Chen.

"They are all fine, I have made them all healed" Ye Chen said that everything had been handled very well.

"You can almost do all kinds of things" Shen Xinyue said to Ye Chen.

Ye Chen could do almost all kinds of things and it was so great, Shen Xinyue liked Ye Chen more and more.

"Not everything I can do" Ye Chen smiled at Shen Xinyue.

"sir and miss thank you so much for saving me" the village head and everyone who survived thanked Ye Chen.

"You don't need to do that, we just do what we think is right, we can't leave you like that" said Ye Chen.

Ye Chen did this for righteousness.

"We must continue to thank you, if not you, maybe everyone here would be buried," said the village head.

"It looks like you guys are having trouble" said Ye Chen.

"That's absolutely true, people like that sometimes exist," said the village head.

"Can't you do something about this problem?" Shen Xinyue asked Ye Chen.

"Of course I can do it, how about I create an Array that is strong enough to survive, and I will reward you with an artifact that can protect this place" said Ye Chen.

Ye Chen can solve existing problems by using several methods that he has.

"That's not necessary, we won't be able to pay you" the village head rejected Ye Chen's kindness.

"It's okay, just think of this as a gift" said Ye Chen.

Ye Chen would give this away for free to make everyone feel safe.

"Come with me" Ye Chen said to Shen Xinyue.

Ye Chen wanted a little help from Shen Xinyue.

"I understand." Shen Xinyue followed Ye Chen, she wanted to help Ye Chen.

Shen Xinyue helped Ye Chen, she only knew a little about Arrays, so she would follow what Ye Chen said.

Ye Chen took some materials and started building, it should take Ye Chen some time to make it.

Shen Xinyue looked at Ye Chen, what Ye Chen made seemed so complicated, and she had no idea at all.

"It's so complicated, I'm having a hard time figuring it out" Shen Xinyue even had a headache, she couldn't keep up with Ye Chen.

"What's wrong?" Ye Chen asked Shen Xinyue.

"It's nothing, just keep going" Shen Xinyue said.

Shen Xinyue told Ye Chen to continue.

"Okay, I'll do it" Ye Chen was going to do it, he continued, he created a protection Array with a radius of about 200 miles, this was big enough to protect everyone.

Ye Chen could make it bigger, but the power wouldn't be as strong, so he made enough to protect everyone and could still be used for planting and various things if something bad happened to them.

"Is this strong?" Shen Xinyue asked to.

"Why don't you try it" said Ye Chen.

"Are you sure, what if I ruin it" Shen Xinyue asked Ye Chen.

"If it's broken, just fix it" said Ye Chen.

"Okay, I'll try it" Shen Xinyue will try it.

Shen Xinyue started to attack the Array, she used her full strength.

Shen Xinyue didn't hold back and wanted to test what Ye Chen had made.

"Boom. ..." Shen Xinyue launched a powerful ice attack, which was so powerful and had such terrifying destructive power.

The power released by Shen Xinyue was absorbed and reflected back towards Shen Xinyue.

Shen Xinyue dodged the attack, she was surprised that it could reflect her attack.

"What is that, why can it reflect attacks" said Shen Xinyue.

"I just imitated a cage made by a criminal I once fought and made it stronger and modified it" said Ye Chen.

"That means it can't be destroyed," asked Shen Xinyue.

"Of course it still can, it won't be able to withstand many attacks at once" said Ye Chen.

"So that's how it is, if I use more attacks it will be destroyed" Shen Xinyue understood.

Shen Xinyue wanted to try using more attacks and see the power of this protection Array.

Chapter 3002 Chen Ting Asked Ye Chen For Help

"oi," Ye Chen held Shen Xinyue's hand, and he stopped what Shen Xinyue was about to do.

"What's wrong?" Shen Xinyue asked Ye Chen, why Ye Chen did all this.

"You seem to want to destroy this place, have you forgotten the purpose of building this thing?" Ye Chen said to Shen Xinyue.

"Ahh, you are absolutely right" Shen Xinyue forgot, she was too excited to try the power of the Array that Ye Chen made.

"You really are a very funny woman" Ye Chen said to Shen Xinyue.

According to Ye Chen, Shen Xinyue was a cute beautiful woman.

"Don't make fun of me" Shen Xinyue said to Ye Chen, she hit Ye Chen several times to vent her frustration.

Shen Xinyue didn't mean to hit Ye Chen, she just showed annoyance.

"but if someone is already in, wouldn't that be a problem?" Shen Xinyue said to Ye Chen.

"Don't worry, I have a very good artifact that can help them," said Ye Chen.

"What's that ?" Shen Xinyue asked Ye Chen what Ye Chen was doing.

Ye Chen took out a sword.

"a sword?" Shen Xinyue asked Ye Chen what Ye Chen would do by using the sword.

"Look at this carefully" Ye Chen stuck the sword into the ground, and when it was stuck into the ground, it released a flying sword of quite dense profound energy.

"defense mechanism?" Shen Xinyue asked Ye Chen.

"That's right, a strong defense mechanism to attack the enemy" said Ye Chen.

"how does that work?" Shen Xinyue asked Ye Chen.

"it will work when there are people who have evil thoughts" said Ye Chen.

"So that's quite interesting" Shen Xinyue was quite interested, it seemed like it would help solve the current problem.

After solving all the existing problems, Ye Chen met with the village head, Ye Chen explained what they could do using this.

Everything Ye Chen makes will activate when fighting bad people, so everything should be fine.

"we are very grateful for your kindness, we don't know how to repay your kindness" they all thanked Ye Chen.

"that's not necessary, you don't have to do it" Ye Chen said to all of them.

"I hope you can live a better and more decent life," said Shen Xinyue.

"Then we will leave first" Shen Xinyue asked Ye Chen to leave, if they continued here, they would continue to offer Ye Chen and Shen Xinyue something in return.

"Thank you very much" they all thanked Ye Chen, now they can all do everything without fear.

"After this, they are all fine," said Shen Xinyue.

"I hope so" Ye Chen also hoped the same as Shen Xinyue thought.

Shen Xinyue saw Ye Chen, she smiled at Ye Chen, what Ye Chen did was so good and Shen Xinyue liked Ye Chen.

"Why are you smiling?" Ye Chen saw that Shen Xinyue smiled at him.

"It's nothing, I'm just in a happy mood," said Shen Xinyue.

Shen Xinyue didn't want to answer, she invited Ye Chen to go back now.

After what happened, Shen Xinyue couldn't ask Ye Chen to hang out and enjoy the time.

"I will practice first" Shen Xinyue said to Ye Chen.

Shen Xinyue will practice, and when she can master it, she will meet Ye Chen.

"You can take it slow and there's no need to rush" Ye Chen said to Shen Xinyue.

Ye Chen patted Shen Xinyue and told her to do everything slowly.

This was the first time someone dared to caress Shen Xinyue.

It feels quite nice when someone strokes her head.

"I understand" Shen Xinyue liked Ye Chen more and more, Ye Chen didn't limit it and wanted Shen Xinyue to hurry up.

"I'm going to train first, the promise of the fight will be here soon" said Ye Chen.

Ye Chen said goodbye to Shen Xinyue, he hurriedly left.

He had to train and prepare everything, after the fight, it would be a war that might be quite big.

"Why train, the opponent is just a little girl, with the strength he has now, wouldn't it be an easy battle?" Shen Xinyue still didn't know Ye Chen's plan, so Shen Xinyue thought something like that.

"But I also have to practice and support him" Shen Xinyue had to practice, it seemed like she had something new and wanted to support Ye Chen.

Shen Xinyue was doing closed-door training, no one would dare disturb her.

"You are quite patient in waiting" Chu Yuechan said.

"Sometimes we have to be patient enough" said Ye Chen, Ye Chen had to be patient, rushing could make Shen Xinyue's impression decrease.

"You're getting better at this matter" Chu Yuechan said to Ye Chen.

"hehehehehe" Ye Chen smiled when he listened to what Chu Yuechan said.

"Now the problem with Shen Xinyue is over, what else can I do" Ye Chen has resolved the problem with Shen Xinyue, now what can he do? Practicing is the best thing Ye Chen can do.

Everyone worked well, so Ye Chen also had to work well to become a strong person.

Ye Chen started training, there were only a few months left before the meeting, he had to be much stronger than he was now, he had to increase his strength with all kinds of means available.

Ye Chen asked Liu Yue and Yan Fei to look for some herbs that could increase strength, it seemed like Ye Chen needed this to increase the strength he had now.

Ye Chen also doesn't forget to do dual cultivation often, which is a fairly fast way to become stronger.

And Ye Chen practiced alone for several weeks accompanied by Chu Yuechan and sometimes Zhang Ein.

"Ye Chen's little brother" when Ye Chen was doing physical training, Chen Ting came to Ye Chen.

"What is wrong with you?" Ye Chen looked at Chen Ting, this woman should be training with Chen Xing.

"I need your help" Chen Ting told him that she needed help from Ye Chen.

"What kind of help?" Ye Chen asked Chen Ting.

"help me face someone" Chen Ting said to Ye Chen, she asked Ye Chen for help to face someone.

"Who's that?" Ye Chen asked Chen Ting, he wanted to know who Chen Ting wanted to face.

"It is Ming Rashe" said Chen Ting.

Chen Ting asks Ye Chen to help fight Ming Rashe.

"why with her?" Ye Chen asked Chen Ting.

"That woman mocked me for being alone, just because she had a man who was strong enough and had a high status," Chen Ting said.

Chen Ting told him why she asked for help, Ming Rashe had just ridiculed her.

"Isn't it your fault for being alone" said Ye Chen.

Ye Chen blamed Chen Ting for being single.

"No way, don't say things like that, I'm quite a beautiful woman, the problem is I haven't found a suitable person" said Chen Ting.

Chen Ting has not found someone suitable for herself.

"So what do you want from me?" Ye Chen asked Chen Ting what Chen Ting wanted.

"Please pretend to be my partner for a while" Chen Ting had a request to Ye Chen.

"What ! ! !" Chen Ting's request was quite surprising, he didn't expect Chen Ting's request to be like that.

"I'm not joking, you have to help me" Chen Ting begged Ye Chen so much she even pulled Ye Chen's leg and started to beg Ye Chen to help her.

Chapter 3003 Pretending To Be Chen Ting's Boyfriend

"Okay, I will help you" Ye Chen finally agreed, and he agreed to help Chen Ting.

"You are indeed very kind," said Chen Ting.

Chen Ting was so happy, Ye Chen was willing to help, it was time to show off.

"So what do we do next?" Ye Chen asked Chen Ting.

What will Chen Ting plan, where Chen Ting will take revenge on Ming Rashe.

"Tomorrow there will be an auction that the lady will attend, it might not be a big enough auction, so you should be fine to come along and show yourself to Ming Rashe" Chen Ting said.

Chen Ting told him to show herself to Ming Rashe, let her know that Chen Ting also had such a good man.

"That's all, then I'll do it" Ye Chen will do it.

"Thank you so much, you are such a good man, I love you so much" said Chen Ting.

After saying this, Chen Ting immediately left, she immediately went to prepare everything.

"What's wrong with that woman?" Ye Chen didn't understand, Chen Ting was so strange.

"It looks like she needs help from you to fight Ming Rashe" Jia Li came, she brought some pills for Ye Chen.

Ye Chen accepted the pill that Jia Li gave him, she would put it to good use.

Ye Chen is now at level eight, soon he will reach the peak of the Immortal God Realm.

Ye Chen's development could be said to be slow, when compared to YinZheniyu, Ye Chen is quite far away.

Yin Zheniyu perhaps having reached the peak now, the resources and training she received were so good.

"If I don't help her, she will continue like that" Ye Chen said to Jia Li.

"You really got into trouble from her" Jia Li said.

Jia Li smiled, she enjoyed when Ye Chen got into trouble from Chen Ting.

"You are happy because I got into trouble, you are really a bad wife, then let me discipline you" Ye Chen pounced on Jia Li.

"Ahhh, no don't do it" Jia Li was helpless, she couldn't fight Ye Chen and they finally did it.

Ye Chen and Jia Li started doing it, they started exercising in bed until morning.

Jia Li gave up, she couldn't stand Ye Chen.

"so tiring, I give up" Jia Li said to Ye Chen, she asked Ye Chen to let go.

"Okay, I'll let you go" because of Jia Li's request, Ye Chen let go.

"I will go together with Chen Ting, if anyone is looking for me just say so" Ye Chen said to Jia Li.

"Okay" Jia Li understood, she would tell the person looking for Ye Chen.

Ye Chen just went straight to the meeting place, they were going to an auction held by several large families and traders.

This was a mid-range auction, not a big deal and not many powerful people would attend this event.

Even so, for Chen Ting and Ming Rashe, this was quite a big event.

They couldn't afford to miss something like this.

Ye Chen waited for Chen Ting, the woman took quite a long time too.

"He's late" Ye Chen saw that Chen Ting was late arriving.

Ye Chen had to wait patiently, it was normal for a woman to be late like that.

After waiting a little longer, Chen Ting finally arrived, she finally arrived and appeared in front of Ye Chen.

"Sorry to keep you waiting, have you been waiting for a long time?" Chen Ting asked Ye Chen if Ye Chen had waited long enough.

Chen Ting today looks so attractive, she wears such an attractive look, Ye Chen was so happy when he saw Chen Ting like that.

Chen Ting is one beautiful woman so it's not strange that she is so beautiful when she dresses up like that.

"Honestly, I've waited quite a long time, but it doesn't matter, I got back a decent payout," said Ye Chen.

"Thank you very much" Chen Ting was so happy, she was so happy when she was with Ye Chen.

"Today you are so beautiful" Ye Chen said to Chen Ting, Ye Chen told her that Chen Ting looked so beautiful today.

"Am I beautiful? I'm so happy" Chen Ting was happy with the praise given by Ye Chen, she liked the praise given by Ye Chen.

Chen Ting was rarely happy to be praised by someone.

Not everyone likes to be praised for this, Chen Ting is one of them, but when Ye Chen praised her, Chen Ting was very happy and enjoyed it.

"let's go in there" Chen Ting said to Ye Chen, she invited Ye Chen to go in there.

"I understand, let's go" with that the two of them immediately went inside.

Inside, there were already so many people queuing at this place.

"They were all trying to get tickets to get in, they wanted to get in and attend the auction.

"Do we have to do the same thing they all do?" Ye Chen asked Chen Ting.

"that's not necessary," Chen Ting said to Ye Chen, she told Ye Chen that they don't need to do that.

"I already got an invitation in advance, so we can go straight in." Chen Ting said that they could just go inside.

"That's good" Ye Chen was happy because they no longer needed to queue, they just needed to get inside as soon as possible.

Chen Ting showed her ticket, she was quickly confirmed and could go straight in easily.

"You dare to come to this place" Ming Rashe said to Chen Ting.

"I won't be afraid of you, I've found someone much better," said Ming Rashe.

"Hahahaha, is he, he looks so ordinary, his clothes seem like he is from the lower class, just his appearance is quite good" said Ming Rashe.

Ming Rashe mocked Ye Chen, Ye Chen only won on looks, besides that Ye Chen was not very good to Ming Rashe.

"Hahaha, just say that you are jealous, I'm sure that you won't be able to get the same things that I have now," said Chen Ting.

"Who said, I can get better, you should take a look" said Ming Rashe.

Ming Rashe will not lose, she will show the ability and strength of the person she has, and she will make Chen Ting.

After so long, Ming Rashe finally knew how to make Chen Ting angry, she would not just miss this opportunity.

Ming Rashe summoned a man, a man who was quite strong and also quite good at clothing.

This person's entire clothing is made of luxury goods, they are expensive and have high artistic value.

"he is Jun Yalubei, one of the richest people and also a very good trader," said Ming Rashe.

"I just need to say, he owns quite a lot of companies with a very surprising value, even much bigger than a sect," Ming Rashe said to Chen Ting.

Chen Ting was speechless, she didn't know what to do with this.

"oh, so you are a big businessman, very nice to meet you" Ye Chen greeted Jun Yalubei.

Jun Yalubei ignored Ye Chen, he didn't care about Ye Chen and seemed to ignore him.

Ming Rashe smiled when she saw this, she was quite happy to see what happened to Ye Chen.

It was really fun when she saw Ye Chen ignored like that.

Chen Ting was quite annoyed, this person was bold enough to ignore Ye Chen.

Chapter 3006 Arrogant Rich Man

"My rich man is not interested in poor men." Ming Rashe said that Jun Yalubei was not interested in poor men.

"That's true" Jun Yalubei said that he was not attracted to poor people, so he told Ye Chen and Chen Ting to get out of sight, disturbing his eyes.

"How dare you say something like that, you haven't said anything about him" Chen Ting was angry when she saw Ye Chen being insulted, she wanted to seek justice for Ye Chen.

"Alright," Ye Chen said to Chen Ting, he told Chen Ting not to do it.

"Why?" Chen Ting asked Ye Chen why Ye Chen was silent.

"that's not necessary, there will be time to repay them" Ye Chen said to Chen Ting.

Ye Chen believed there would be time to repay them, so it was better to forget about this matter now.

"I understand" Chen Ting understood, she was willing to cooperate with Ye Chen.

"Hahahaha" Ming Rashe was so happy, she managed to humiliate Ye Chen.

Chen Ting looked at Ming Rashe, she wanted to hit that evil woman.

"Calm down, there will be time to repay them" Ye Chen told Chen Ting.

"Are you serious" Chen Ting asked Ye Chen, whether Ye Chen was serious about what he said.

"Of course, I couldn't possibly lie to you" Ye Chen was serious, he wouldn't lie to Chen Ting.

"Then let's do it" Chen Ting was so happy, she couldn't wait to do this.

Ye Chen and Chen Ting took their seats, they got seat number 100.

Chen Ting was given a number by the waiter, according to the seat number, she got the number 100.

"I got number 100" Chen Ting said to Ye Chen.

"Do you intend to bid" Ye Chen asked Chen Ting, did Chen Ting want to bid.

"To be honest, I'm not interested, and my pocket money has run out," said Chen Ting.

Chen Ting had no money, all her profound crystals had been spent on resources.

"Then just leave me alone, I also want to show a little of the abilities I have" Ye Chen said to Chen Ting.

Ye Chen wanted to show a little of the abilities he had.

"I will support you" Chen Ting told Ye Chen, she would support Ye Chen to fight Ming Rashe.

Ming Rashe and Jun Yalubei are in the front seat, they have serial number 5.

As Ming Rashe said, Jun Yalubei was rich and had a VIP seat.

"what is this person's background?" Ye Chen asked Chen Ting.

"I don't know much about this problem myself," Chen Ting said.

"but he should be a big dealer dealing in weapons and artifacts" Chen Ting said.

Chen Ting didn't know very well, what she knew was that this person worked in the field of weapons and artifacts.

"I understand . ." Ye Chen understood, it seemed like the enemy was not a strong enough person, then Ye Chen could fight him.

"I hope there are good things" Ye Chen hopes there are good things.

"master" Chu Yuechan said to Ye Chen.

"What is it?" Ye Chen asked Chu Yuechan.

"It looks like there is something good" Chu Yuechan said to Ye Chen, she told Ye Chen that maybe there was something good.

"That's good then" Ye Chen became even more excited, he wouldn't miss this opportunity.

"Yuechan, how many profound crystals do I have now?" Ye Chen asked Chu Yuechan approximately how many profound crystals Ye Chen had now.

"About 900 million Divine Rainbow Crystals in storage, that's not all, Yan Fei and Liu Yue hold the others, that's just the little you have" said Chu Yuechan.

"I think that's enough" Ye Chen felt it was enough.

"With that much Divine Rainbow Crystal, you can buy everything in this place" Chu Yuechan said to Ye Chen.

"we don't know what kind of auction this is" Ye Chen didn't know what the auction would be like, if there were people richer than Ye Chen, then it would be quite a difficult battle.

The auction hadn't started yet, they were still waiting for more people who would arrive soon.

There are some powerful people here, it's a pity that Ye Chen doesn't know all of them.

"I don't know all of them," Ye Chen said.

"They are quite big people, some are from high-ranking sects, and some are from big Clans"

"Just look over there, it's from the Immortal Waterfall Sect, and it's the Zun Clan, the clan ranked 20th on the list of strongest clans in Supreme God Realm."

"Are they important characters, compared to Chen Xing?" Ye Chen asked Chen Ting.

"Compared to older sisters, they are nothing" Chen Ting said.

"Then they are not that important" said Ye Chen.

"You" Chen Ting was annoyed, why was Ye Chen like that, even though she wanted to explain to everyone in this place?

"Our opponents are only Jun Yalubei and Ming Rashe, the others are not too important" Ye Chen said to Chen Ting.

"You are right" Chen Ting agreed with what Ye Chen said, their opponents were only Jun Yalubei and Ming Rashe.

Other than that it is not an enemy for them, just ignore them and focus on the enemy in front of your eyes.

After waiting for some time, everyone finally arrived and the auction could begin.

"Welcome, everyone, I am Mr. Gao, I will be your guide with my beautiful assistant."

A man appeared he would be the host of the event, he would also determine all the winners in this place.

"I thank all of you who are here, you people who are here are such great and worthy people" said Tuan Gao to all the people in this place.

"applause." Everyone in this place applauded.

They were happy with the speech Mr. Gao gave to everyone.

Mr. Gao continued the speech, it felt very boring, and Ye Chen wanted to sleep.

"sleepy, how long is this guy going to talk?" Ye Chen asked Chen Ting.

"You're right, when will the auction start, I'm bored too?" Chen Ting thought the same thing, the auction didn't start soon and that made both of them feel bored.

Luckily the waiter brought them food and snacks, so they could relax while waiting.

The food here is divided into several sections, some are good, especially the VIP class and Ye Chen's class is quite good compared to the other classes.

Mr. Gao spoke for quite a long time, he explained the rules, the rules of every auction are the same everywhere, the person who bids with the highest price will be the winner.

part of this auction will be given to help small people, so apart from buying goods, they can help small people.

"It looks like this is a good auction, I won't" Ye Chen said to Chu Yuechan.

"I understand, we'll make sure we bring something good back" Chu Yuechan agreed, she wanted to bring something good.

"Okay, let's start the first auction, the first auction is a gold-silver lotus, those of you here must already know what this is, right?" Master Gao said to everyone.

Everyone immediately got excited, this was just the first item and something good came out.

"Tch, not very useful for me" Ye Chen didn't find it useful, in fact, it couldn't be used for his woman.

Chapter 3005 Auction Battle With Jun Yalubei

"the starting price is 500" Mr. Gao said to everyone, he told everyone about the starting price of this thing.

"600" some people started bidding, haggling and increasing the price.

Up to 800 Divine Rainbow Crystals, that's a pretty good price, if it gets priced like that, it can be resold for around 1000 Divine Rainbow Crystals.

"1,500 Divine Rainbow Crystals" when everyone thought that the auction would be won, suddenly a voice was heard.

People of course immediately looked for the source of the sound, it came from the front class, the VIP seats.

They saw number 5, namely Jun Yalubei started to bid and surprised everyone.

The value of a golden silver lotus is only around 1,000 Divine Rainbow Crystal. Only rich people could do something like this.

"he is master Jun Yalubei, he is a rich man, he wants to show off his abilities" The people here knew Jun Yalubei's intentions and goals.

Jun Yalubei wanted to show off his wealth, so he showed that he could buy small change at such crazy prices.

Ming Rashe was very satisfied, she managed to attract everyone's attention to what Jun Yalubei was doing.

Jun Yalubei does it so well it makes them praised by everyone.

Even Ming Rashe didn't hesitate to smile sarcastically at Ye Chen and Chen Ting.

Chen Ting bit her lip, looking like she wanted to show off in front of everyone in this place.

"so that's how it is" Ye Chen started to understand how they were playing, it looked like he was going to start playing with Jun Yalubei.

"This is the time to play, I hope he prepares well" Ye Chen hopes that Jun Yalubei prepares yourself well.

"Congratulations to Mr. Jun, then let's continue" Mr. Gao continued.

Jun Yalubei bid, but no one dared to bid anymore, they were afraid to bid and let Jun Yalubei win

Jun Yalubei was so satisfied he managed to silence everyone.

"The second item is a white flower vase, an item that can decorate a room and have a calming effect on everyone in the house, the starting price is 2,500 Divine Rainbow Crystals," Mr. Gao explained and started to open the price.

"That's great, I want it. . . ." Lots of women want that, flower vases are beautiful and make everyone interested.

"Yuechan is quite a good item, what is the estimated price of that item?" Ye Chen asked Chu Yuechan.

"Probably around 70,000 or 80,000, the name of the item is White lake flower vase, it is good for resting and has the effect of quickly recovering strength" Chu Yuechan helped Ye Chen estimate the price.

"Okay, this is the time to buy" Ye Chen will buy it, which will be given to Chen Ting.

"5,000" Jun Yalubei went back to bidding, everyone was shocked when they saw number five bidding.

This guy was bidding at 2x the price, the people here would naturally be worried about fighting with Jun Yalubei.

"5,001 Divine Rainbow Crystal" Ye Chen voiced and started bidding.

Everyone, of course, looked towards Ye Chen.

"Wow, someone dares to fight Jun Yalubei, and that guy raised 1 Divine Rainbow Crystal, so stingy" They started talking about Ye Chen.

Jun Yalubei looked towards Ye Chen, he looked at Ye Chen with a hostile gaze.

Ming Rashe also looked at Ye Chen, to be honest, Ming Rashe hated seeing Ye Chen.

"8,000 Divine Rainbow Crystal" Jun Yalubei raised the price, he wanted to see if Ye Chen could keep up.

"8,001 Divine Rainbow Crystal" Ye Chen bid again, the same as before, he only added 1 Divine Rainbow Crystal.

"Damn it. . , want to play with me?" Jun Yalubei was angry with Ye Chen, how dare Ye Chen want to play with him.

"15,000 Divine Rainbow Crystal" Jun Yalubei increasing the bid, at this kind of price, Ye Chen definitely wouldn't be able to.

"15,001 Divine Rainbow Crystal, Hoam . . ." Ye Chen sleepy, Jun Yalubei not as rich as that imagined by Ye Chen.

Jun Yalubei was so annoyed, this guy was so bold as to go against himself in this way.

"Calm down, he just wants to provoke you" Ming Rashe said to Jun Yalubei.

"You're right, he just wanted to provoke me, I didn't need to serve him, and that item only costs 7,000 or 8,000 Divine Rainbow Crystals at most." say Jun Yalubei.

"That's right, it's not worth it" said Ming Rashe.

They finally found a route to make Ye Chen look like a fool.

With that, Ye Chen won a Vase of white lake flowers, Ye Chen gave it to Chen Ting.

Chen Ting was so happy to get a gift from Ye Chen, this was an expensive item, of course, she was so happy to get something like this.

"Oh, give up already, I thought you were a rich man because you bought more expensive things, it turns out just a poor man is too weak" Ye Chen said to Jun Yalubei.

Jun Yalubei was so angry with what happened that Ye Chen's words burned the fire in his body.

"just watch out" Jun Yalubei said to Ye Chen.

Jun Yalubei will repay what he did, he will not be satisfied before he can embarrass Ye Chen.

"You seem to have succeeded in making that person angry" Chen Ting saw that Ye Chen had succeeded, he had succeeded in making it Jun Yalubei angry.

"hahahahahahahahaha, I think I'm enjoying this" Ye Chen said that he was enjoying this.

The third auction item was a pill, the starting price was around 10,000 Divine Rainbow Crystals, which was quite high.

"10,001" Ye Chen joined in the bid, he bid at a price slightly higher than what Jun Yalubei had.

"Damn it. . ., I'm so angry" Jun Yalubei said to Ye Chen, he was so angry with Ye Chen.

"30,000" Jun Yalubei doesn't think anymore, he will spend everything he has to win.

"hehehehehe" Ye Chen smiled.

"I just gave up, let it belong to Mr Jun," Ye Chen said to Jun Yalubei.

"Didn't you say that you would fight?" said Jun Yalubei.

"I'll only fight if it's good if it's trash, who's fighting," said Ye Chen.

Jun Yalubei misinterpreted Ye Chen's words.

"You cunning man" said Ming Rashe.

"Just say that the person beside you is incompetent" Chen Ting helped Ye Chen to counter Ming Rashe's words.

"it's still just starting. Let's see how well you can play" Jun Yalubei said.

Jun Yalubei Challenged Ye Chen.

"don't cry if you lose," Ye Chen said to Jun Yalubei.

"You are the one who will cry" said Jun Yalubei.

Jun Yalubei will make Ye Chen cry for what happened now.

The auction started again, and Mr. Gao began to take out several important items.

The most eye-catching ones were Ye Chen and Jun Yalubei, they both continued to fight.

But strangely enough, Jun Yalubei always lost to Ye Chen, he always lost when he fought with Ye Chen.

Ye Chen could always steal things that were better than Jun Yalubei.

"Damn it. . ., where did this person come from" Jun Yalubei was so annoyed, where did Ye Chen come from, how could he be so kind,

Ye Chen won almost all the items, and Jun Yalubei became a loser.

Chapter 3007 Making Jun Yalubei Pay More In The Auction.

This will be the most expensive item in the auction.

"This is the strongest former Immortal weapon in this world, its aura is so extraordinary, you definitely won't regret it" Master Gao said to everyone.

"Yuechan, that weapon seems to be in the Legend Tier realm" Ye Chen asked Chu Yuechan.

"I agree with you, it's a weapon in the Legend Tier realm, but it's quite badly damaged and worn out, at most, its power is in the Tier 10 and is difficult to repair" said Chu Yuechan.

Chu Yuechan said it was very difficult to fix, a thing that was quite fixable, even if it was for Ye Chen.

"Then it will be useless, I will play around with Jun Yalubei for a while.

Chu Yuechan saw Ye Chen was planning something, it looked like this would be a bloody battle for Jun Yalubei.

Ye Chen planned something extraordinary, he would play a little with the weapon artifact.

"The starting price is 30,000,000, because this artifact is different from before" Master Gao said to everyone.

"40,000,000" Jun Yalubei immediately bid, the auction hadn't even started yet.

"Mr Jun, too excited, it hasn't started yet" Mr Gao smiled at Jun Yalubei.

Jun Yalubei will get it, no matter what happens, he will get it.

Ye Chen smiled, he increasingly wanted to play along, and let this guy eat shit.

"Then let's start" Mr. Gao said to everyone here.

When Master Gao started, the weapon gave off such an extraordinary aura, that everyone naturally stood up and watched.

"a weapon that is so powerful" People think that if it is a weapon that is so powerful, they should be able to get a weapon that is so powerful.

Mr. Gao also didn't know what was happening, which would have made the auction much more interesting than before.

"40,000,000, I want that thing" Jun Yalubei shouted, he would get it.

"100,000,000" This time Ye Chen bid, and everyone here was shocked when they heard what Ye Chen did.

"such a great person" more and more women are attracted to Ye Chen.

"Wait, what are you doing?" Chen Ting asked Ye Chen, what Ye Chen did was too excessive to spend 100 million for something like that.

Ye Chen had his reasons and would not tell Chen Ting, this would be his battle. NEW NOVEL CHAPTERS ARE PUBLISHED ON (F)ir(e).net

"150 million" Jun Yalubei's would not lose to Ye Chen.

"200 million" Ye Chen raised casually.

"250 million," said Jun Yalubei.

"300 million" Ye Chen's was still relaxed and unmoved.

He made a challenging face at Jun Yalubei.

Jun Yalubei was so annoyed that he remembered what Ye Chen had done before, this time, he would make Ye Chen regret it.

"The value of the weapon is probably 400 million, so he will make Ye Chen pay more than that.

"Let's beat him" Ming Rashe has been providing support for Jun Yalubei, no matter what happens, she will always believe in Jun Yalubei.

"500 million" Jun Yalubei raised the price extremely high.

The battle became more and more exciting, it made the VIPs speechless, and no one dared to jump into the battle.

The two rich people are fighting, it's not good to get involved in the battle that's going on.

But Jun Yalubei was going too far, if he had that amount now, he would probably have to sell some of his business to cover the payments.

Ye Chen saw Jun Yalubei's plan, this person was so stupid, how could Ye Chen come along?

"Let's increase the price, I will make you eat shit, you definitely want that thing" Jun Yalubei said in his heart.

"I just give up, it's too expensive for a damaged item" Ye Chen said to Jun Yalubei.

"What ! ! !" Jun Yalubei was surprised by this, he didn't expect that Ye Chen would stop halfway.

That made him the winner.

Jun Yalubei's original intention was to make Ye Chen pay more, who would have thought that he would be the one who paid more?

"Damn, this guy, I want to kill him" Jun Yalubei was so annoyed.

Ming Rashe just kept quiet, it was not her level to speak, if she spoke in the current situation, Jun Yalubei would definitely be upset and affect their relationship.

"Congratulations to Mr Jun, who is so rich" Everyone clapped and congratulated, they didn't dare to fight against Jun Yalubei.

Jun Yalubei was silent, now that he didn't have that many profound crystals, he had to cover the losses by selling 40% of the total wealth in his shop.

Even though he won, Jun Yalubei was still angry because Ye Chen made him pay 100 million more.

"Thank you to everyone who attended, see you again next time, Mr. Gao said goodbye" After that, the auction ended.

Ye Chen and Chen Ting left, and they redeemed the goods together with the people who had bought them.

When Ye Chen and Chen Ting redeemed the items they bought, Ye Chen and Chen Ting met Jun Yalubei and Ming Rashe.

They had finished paying, and he was made to bleed by Ye Chen.

"hahahahahaha, now look who is the trash here" Jun Yalubei said to Ye Chen.

After holding back the auction, Jun Yalubei was finally able to vent his frustration to Ye Chen.

"what's wrong with you, is there something wrong with your brain" Ye Chen asked Jun Yalubei.

"Don't play dumb in front of me, have you forgotten what you said to me?" Jun Yalubei reminded Ye Chen.

Jun Yalubei reminded Ye Chen of the scene when he tried to embarrass Jun Yalubei.

Now he himself was embarrassed because he couldn't win against Jun Yalubei.

Everyone here agreed with what Jun Yalubei said, Ye Chen had lost face.

Ye Chen was not angry or embarrassed, instead he smiled when he heard this.

"You stupid rich man, do you know that you just bought some random trash" Ye Chen said to Jun Yalubei.

Ye Chen started to move, this was the time to start a counterattack on Jun Yalubei.

"I will open the little insight you have that the two things you have bought are trash" Ye Chen will open the eyes of Jun Yalubei and everyone.

"What are you saying, how can a kid like you understand the meaning of historical objects?" Ming Rashe couldn't stay silent and started to help humiliate Ye Chen.

"he's not like that, he's much better compared to. . ." Ye Chen held Chen Ting.

Ye Chen knew that Chen Ting had good intentions to help solve Ye Chen's problem, but he could solve this problem his way.

Ye Chen gave a signal to Chen Ting, a woman as smart as Chen Ting must have seen the signal used by Ye Chen.

"You better prepare to rent a hospital because this will make you vomit blood" Ye Chen said to Jun Yalubei.

"do it if you can" Jun Yalubei said to Ye Chen, Jun Yalubei told Ye Chen to do it.

If Ye Chen was able to do this.

There are still many people here, so Ye Chen embarrasses himself in front of everyone in this place.

"You look at this inscription that you bought, this is just a stone with a few words written that are not very useful that you can find even in a library" Ye Chen said to Jun Yalubei.

"Hahahaha, are you kidding me, you won't be able to translate that kind of thing, you haven't reached that level yet" said Jun Yalubei.

Jun Yalubei doubted what Ye Chen said.

Chapter 3008 Jun Yalubei Became A Clown

"Are you bragging, you definitely don't know the meaning, these are ancient words and not everyone knows them," said Jun Yalubei.

Jun Yalubei said that not many people could do that, Ye Chen was definitely not one of them.

"Yuechan" Ye Chen said to Chu Yuechan.

"Okay, this is the book you need right" Chu Yuechan said to Ye Chen.

she gave Ye Chen what he needed.

Ye Chen took out something, everyone saw what Ye Chen took out, a book that was worn and quite dusty with various torn places.

"Did you take out the trash" Jun Yalubei said to Ye Chen.

"You will soon know what I just took out" Ye Chen said to Jun Yalubei.

Ye Chen opened it and showed what was inside.

After Ye Chen opened what was inside, he saw that several ancient languages had been translated, and that surprised everyone.

Ancient language was one of those things that had been lost for a long time, not many people could understand and learn it, and Ye Chen got one, that was crazy.

"how did you get something like that" many people asked Ye Chen.

"I got this from the connections I have" Ye Chen said to everyone.

"Impossible . . ." everyone was shocked, if Ye Chen knew then that meant what Ye Chen said was the truth.

Ye Chen had translated to everyone, everyone laughed when they heard it, it was just words of motivation, they didn't find anything that made them feel enlightened.

"how did you get something like that" many people asked Ye Chen.

Ye Chen also felt the same way, it seemed like Jun Yalubei had been tricked.

Jun Yalubei's face became so dark, who would have thought that Ye Chen was actually capable, this guy really had quite a lot of things hidden.

Jun Yalubei and Ming Rashe lost face, their original intention was to make Ye Chen embarrassed, who would have thought that they would be embarrassed?

Chen Ting was quite proud, Ye Chen was really too strong, even Jun Yalubei couldn't argue with him.

"husband, there is still one more" Ming Rashe said to Jun Yalubei.

Jun Yalubei still has the great sword of such a powerful Immortal, everyone has already seen the power being auctioned, it is time to show everyone.

"You are absolutely right" Jun Yalubei still has a big sword with a price of 500 million, it must not disappoint him.

"I may be wrong, but I managed to get a good one and everyone admits it," said Jun Yalubei.

Jun Yalubei took out the sword he took, everyone also admitted that this was a very good weapon.

"Hahahahahaha" Ye Chen laughed again.

"Why are you laughing?" Everyone asked Ye Chen, they didn't understand what Ye Chen was laughing at.

"Don't you realize that it's just rubbish?" Ye Chen said to Jun Yalubei.

"Dare you say this treasure is trash" Jun Yalubei said to Ye Chen.

Jun Yalubei was not happy with what Ye Chen said, he couldn't accept that Ye Chen called this trash.

"Then show me the power of that thing, I want to see it" Ye Chen said to Jun Yalubei.

Ye Chen told Jun Yalubei to show it, he wanted to see the power of that thing.

"look carefully," Jun Yalubei said to Ye Chen, he told Ye Chen to take a good look.

Jun Yalubei used his profound energy, trying to demonstrate the capabilities of the greatsword.

When Jun Yalubei did this, the big sword in his hand did not react.

"What happened?" Jun Yalubei asked, why this does not react at all.

Jun Yalubei looked stupid and didn't know what to do now.

"Hehehehehe, you are so stupid" Ye Chen said to Jun Yalubei.

" ? ? ? ?" Jun Yalubei was still trying, he kept trying to show the capabilities of his sword.

"It's no use, it is a damaged item and cannot be repaired, congratulations for buying a damaged item, I really feel sorry for you" Ye Chen said to Jun Yalubei.

"So that's how it is, it's a good thing I didn't bid" they were all grateful because they didn't buy those two pieces of rubbish.

Jun Yalubei made such a bad face, it was like he was eating shit.

Spending 500 million on shit, he is the most stupid person in the world.

Plus he has already redeemed everything, the funds will not be refunded.

"Master, your insight is so broad, it's extraordinary" lots of people came to Ye Chen, they all came and immediately got to know Ye Chen.

Jun Yalubei was ignored, he really became a clown in this event.

"Even though at first he thought that he would become king, who would have thought that he would become a clown.

"damn. . . ." Jun Yalubei was so angry, he would take revenge for what Ye Chen did.

"I will kill him" Jun Yalubei would kill Ye Chen, he would not be able to accept all this gracefully.

"husband . . ." Ming Rashe said to Jun Yalubei.

"Get out of the way" Jun Yalubei said to Ming Rashe, he threw Ming Rashe away.

Ming Rashe was left alone, he was completely stupid when he saw Jun Yalubei leaving.

"You were thrown away, what a pity" Chen Ting said to Ming Rashe.

Chen Ting enjoyed this moment so much, she even recorded it well.

This will be a beautiful keepsake for Chen Ting, let Ming Rashe remember what happened today.

Ming Rashe gritted his teeth, he wanted to fight Chen Ting now.

"Damn it, I will avenge all of this" Jun Yalubei said that he would immediately avenge Ye Chen.

"wait a minute . . ." Ming Rashe chased after the angry Jun Yalubei.

"Giggle . . ." Chen Ting laughed out loud, she really enjoyed what was happening.

"I'm so satisfied, seeing those two dogs become the butt of jokes in public," said Chen Ting with a charming pose.

"Come on, we also have to redeem the items we bought," said Ye Chen.

"Okay . . ." Chen Ting pulled Ye Chen and started to go redeem the goods.

Ye Chen bought Chen Ting a good vase and several other things, thinking Chen Ting would like them.

"Thank you very much, you really gave me such a good item" Chen Ting thanked Ye Chen, Ye Chen gave her such a good item.

"I also thank you, if you hadn't invited me to this place, I would have missed a good thing" Ye Chen said to Chen Ting.

"Is that so? I'm happy" Chen Ting felt happy with Ye Chen.

"everything is done, are you satisfied?" Ye Chen asked Chen Ting.

"Very satisfied, I was so satisfied when I saw that woman being slapped, it was a very good thing," said Chen Ting.

Chen Ting really enjoyed it, she enjoyed seeing Ming Rashe get slapped.

"Good if you're satisfied, shall we go back?" Ye Chen was happy because Chen Ting was satisfied, now they could go back.

"Why come back, there is a place I want to visit with you" Chen Ting said to Ye Chen.

"Then let's go, you can lead for me" Ye Chen said to Chen Ting.

"Of course" the two went to the place Chen Ting wanted to go.

While they were leaving, Ye Chen felt something, Ye Chen felt something around him.

"Ye Chen, there are some people in and around this place that are not normal" Chen Ting also realized, with her strength she realized that something was wrong.

Chapter 3009 It's Time To Destroy Your Opponent

"They started quickly" Chen Ting said to Ye Chen.

Chen Ting and Ye Chen already knew who was behind all this, without even needing to find out about it, they already knew who was behind all this.

The person behind all this was Jun Yalubei, it was reassuring to see Jun Yalubei sending assassins to kill them.

"kill them and take all the treasures they carry" immediately the order was given to kill Ye Chen and take all the things that Ye Chen had.

"It looks like we have to fight, it's hard to get out of this place" Ye Chen said to Chen Ting.

"You are absolutely right, it is very difficult to get out of this place" Chen Ting agreed with what Ye Chen said, it was difficult to get out of this place without fighting them.

"Advance" they all advanced towards Ye Chen, their main target was Ye Chen.

Chen Ting picked up the music strings and started playing the notes.

After she played the note, everyone was knocked out.

After quite a long training period, her strength had long improved, and she was no longer afraid to fight against evil people.

"I am no longer afraid to fight you, come forward and face me" Chen Ting told them all to come forward.

The killer saw Chen Ting, Chen Ting's attack was an area, so they had to be careful.

They immediately took out heavy armor, they would fight Chen Ting with a strong enough defense.

"Damn, they know" Ye Chen said to Chen Ting.

These people are professionals, they already know what to do to fight Chen Ting.

Using heavy armor, they wanted to withstand Chen Ting's attack.

"It's okay, I will target their heads" Chen Ting said to Ye Chen.

If Chen Ting couldn't beat them in the body parts, then she would target the weaker spots.

Chen Ting is not that stupid, they have to use other means.

They charged forward again, and Chen Ting used an attack to hit their heads.

"dodge" they dodged Chen Ting's attack.

Even though they use heavy armor, their speed is still very good.

They were top-class assassins, which Jun Yalubei must have spent so much to hire all of them.

Chen Ting continued to attack, she showed great resistance.

""I will come along to help you" Ye Chen said to Chen Ting.

Ye Chen finally started to move, after what happened, Ye Chen couldn't possibly let this continue.

Ye Chen started to attack the assassin.

The killer ignored Chen Ting and focused more on Ye Chen, they focused more on killing Ye Chen and getting everything in Ye Chen's body.

They ignored Chen Ting, their target was Ye Chen, and they were unwilling to fight Chen Ting.

"You ignore me, you will regret it" Chen Ting said to those who had dared to ignore her, they would all regret having dared to ignore her.

Chen Ting didn't stay and started helping Ye Chen with all she could.

"I will solve this problem" Ye Chen said to Chen Ting, Ye Chen told her that he would solve this problem.

Ye Chen started to move, he used one hand and started sweeping everyone.

With one wave of his hand, Ye Chen crushed their bones.

Chen Ting looked at Ye Chen, Ye Chen was indeed so strong, he could defeat them all so easily and without experiencing any problems, which was extraordinary for Chen Ting.

"That's great, he's so strong" Chen Ting finally realized that Ye Chen was so strong, Ye Chen was a very strong character and Chen Ting had to admit this.

After Ye Chen finished, he gathered them together and looked for where they came from.

Ye Chen didn't want them to come back again.

After finding out where they came from, Ye Chen was sure that they would no longer look for trouble after Ye Chen showed strength.

"That person dared to start first, don't blame me for destroying his business" Ye Chen will destroy Jun Yalubei's business.

Ye Chen wouldn't hold back, he wanted to destroy the business owned by Jun Yalubei.

Ye Chen greeted Feng Rue and told her to destroy Jun Yalubei's business.

Feng Rue didn't ask much and just did what Ye Chen ordered, she immediately went to look for information from Jun Yalubei and started to destroy Jun Yalubei's business.

With Ye Chen's business strength, destroying Jun Yalubei was no big deal, plus he had just experienced financial problems because of his stupidity.

Chen Ting solved one person who wanted to find trouble with her, after she finished, she went to Ye Chen's side.

"You are great, you can solve them yourself" Chen Ting said to Ye Chen.

"they are not very strong" said Ye Chen.

"You progressed so quickly, whereas before you were just an outer court disciple, now you are so much stronger than the faction leader, I am speechless" Chen Ting said.

"That's because I'm active in practicing" Ye Chen said to Chen Ting.

"You mean I'm too lazy" Chen Ting said to Ye Chen.

"Hahahahaha, that is reality" Ye Chen said to Chen Ting.

"I hate you, just watch you" Chen Ting said to Ye Chen.

Chen Ting was so annoyed with Ye Chen and started to hit Ye Chen.

Chen Ting didn't mean to hit Ye Chen, he was just annoyed by what Ye Chen said.

After finishing, Ye Chen took Chen Ting to the city and enjoyed the surroundings.

Chen Ting was quite tired after the long training, so she wanted to have fun today.

"Ye Chen let's go there" Chen Ting said to Ye Chen.

Chen Ting took Ye Chen to the hotel.

"You want to open space?" Ye Chen asked Chen Ting, did this woman wanted to open up space with Ye Chen.

"No, it's not what you think, there is a nice bath there, I want to go there together with you" Chen Ting said to Ye Chen.

"You really like baths, you are quite strange" Ye Chen told Chen Ting.

"It's fun and can make me recover" Chen Ting told Ye Chen.

"Okay, let's go" Ye Chen wouldn't mind, he would go together with Chen Ting.

After that Ye Chen and Chen Ting opened the best room.

Ye Chen doesn't care about the price, as long as the service is satisfactory, he will pay it.

"This is your room key" the waiter was quite respectful toward Ye Chen, he gave Ye Chen the room key.

Ye Chen accepted it and pulled Chen Ting, the two of them entered the room.

After entering the room, Ye Chen slept, finally, he could enjoy his time in peace.

Chen Ting sat beside the bed, she took off her shoes and showed her smooth feet.

Ye Chen, who was on the side, could easily see and ignore the scene in front of him.

"This woman deliberately teased me" Ye Chen realized that Chen Ting did it on purpose, she did this to tease Ye Chen.

Luckily Ye Chen was a strong and good man, he wasn't easy for Chen Ting to tease.

Even so, Ye Chen didn't miss the opportunity to peek and take a look.

Chen Ting smiled, she pretended to be stupid in front of Ye Chen, even though he knew that Ye Chen was peeking.

Chen Ting was happy, it seemed like she had charm, Chen Ting was initially afraid that her charm had worn off because Ye Chen never took the initiative with a beautiful woman like her.

Today Chen Ting realized that she still had the charm to attract Ye Chen.

Chapter 3010 Ye Chen & Chen Ting

"what do you think" Chen Ting asked Ye Chen.

"Beautiful, you have beautiful legs" Ye Chen said to Chen Ting.

As a man, Ye Chen had to take the initiative to make Chen Ting happy.

Chen Ting was so happy with what Ye Chen said, her face turned red when she listened to what Ye Chen said.

"I'm happy to hear that from you, come on, let's soak together," said Chen Ting.

Chen Ting invited Ye Chen to go together.

"Is there also a mixed bath ?" Ye Chen asked Chen Ting.

"Here there is a private bath in each room" Chen Ting said to Ye Chen.

Because this place is so special, there is a private bath that the room itself can use.

So Ye Chen and Chen Ting didn't have to worry about outsiders coming and looking for trouble for them.

"Okay, I'll come" Ye Chen would come, how could he refuse Chen Ting's offer.

Chen Ting changed into a towel provided by the hotel.

Ye Chen himself also started wearing it for himself.

"Wow, your body is still as good as before" Chen Ting said to Ye Chen.

This is not the first time they have done this, they have done it before, and Chen Ting teased Ye Chen in a very sassy way.

"I trained quite hard, so my body is also improving," Ye Chen told Chen Ting.

Ye Chen had trained quite hard, it wasn't strange that he could have such a good body.

"You are great" Chen Ting said to Ye Chen, Chen Ting had to admit Ye Chen's abilities and strength.

They came in, this was such a comfortable hot bath.

"This is so good" Chen Ting said to Ye Chen.

"You like going to places like this" Ye Chen asked Chen Ting.

Ye Chen saw that Chen Ting liked visiting places like this.

"A place like this is very nice, I like it, and it can make it beautiful and look fresher" Chen Ting said to Ye Chen.

Chen Ting told Ye Chen why she liked going to places like this.

"I agree with you" Ye Chen also agreed with what Chen Ting said.

"Do you also agree with what I said?" Chen Ting was very happy, Ye Chen also agreed, it seemed like they had the same way of thinking and suited each other.

"of course, I also have to thank you for the last one" Ye Chen said to Chen Ting.

"The last one, I understand" Chen Ting smiled, she knew what had happened last time.

Chen Ting started to get closer to Ye Chen, stretching her hand toward Ye Chen.

Chen Ting finally started and showed her ability to tease Ye Chen.

Chen Ting was quite brave in teasing Ye Chen, she showed her abilities.

"What are you trying to do?, Ye Chen was still quite relaxed in the face of Chen Ting's provocation, Chen Ting's provocation was nothing to Ye Chen.

"I just want to reward you for what you have done" Chen Ting said to Ye Chen.

"What kind of gift can you give me" Ye Chen wanted to know what kind of gift Chen Ting could give him.

"Fufufufufu, you will know" Chen Ting said to Ye Chen.

Chen Ting had been with Yu Muyin for a while, and she knew Ye Chen's weakness from Yu Muyin.

Ye Chen couldn't stand the temptation of beautiful women the most, she could use this method to deal with Ye Chen.

Because Chen Ting was pretty enough, she could easily deal with Ye Chen.

Chen Ting's hands began to provoke Ye Chen, who was below.

When Chen Ting touched the one below, Chen Ting realized that this was quite big, as a woman she knew what this was.

It would be a lie if Ye Chen weren't excited when he was with Chen Ting, he was of course, quite excited when bathing together with a beautiful woman.

"It looks like those down here need help" Chen Ting said to Ye Chen.

Chen Ting's hands started playing with Ye Chen's, she was quite skilled.

Ye Chen knew that Chen Ting was still a beginner who was careless, he made several careless moves and was discovered by Ye Chen so easily.

"not bad either, you did quite well" Ye Chen said to Chen Ting.

"Am I good at this?" Chen Ting asked Ye Chen if she was good at this.

"You still ask, you are so great at this" Ye Chen said that Chen Ting was so great.

Chen Ting, a beginner, will be very happy when Ye Chen praises her.

He was so happy when Ye Chen praised her for what she could do.

"I'm so happy" Chen Ting was so happy, she was so happy to receive praise from Ye Chen.

Finally, Chen Ting was even braver, she showed her best abilities.

she started to serve Ye Chen's little brother with her own hands.

Ye Chen, who Chen Ting stimulated, of course, wouldn't be able to stand this kind of thing, Ye Chen had to reply immediately.

Ye Chen stretched out his hand and started touching Chen Ting.

When Ye Chen did this, Chen Ting couldn't stand it and started moaning.

"too good" Chen Ting couldn't fight back, what Ye Chen did was too good, he made Chen Ting reach the top quickly.

Ye Chen looked at Chen Ting, she was too weak, just a little touch made her like that.

"that's amazing" Chen Ting said to Ye Chen.

Chen Ting told Ye Chen that it was so extraordinary she couldn't stand what Ye Chen did.

"Do you like it" Ye Chen asked Chen Ting. Chen Ting like what Ye Chen did?

"I like it" Chen Ting said that she liked Ye Chen's touch.

The touch was so good and made Chen Ting feel such a strong feeling.

Ye Chen continued, meanwhile, Chen Ting also helped Ye Chen with her little mouth, it made Ye Chen so comfortable.

Ye Chen played with Chen Ting's two peaks, the size was quite good and comfortable.

"kyahh. . ." Chen Ting couldn't stand it and groaned, what Ye Chen did was so comfortable.

"You are really strong, making me feel that kind of feeling" Chen Ting said to Ye Chen.

Chen Ting said that Ye Chen was so strong and fierce that that women would not survive Ye Chen's evil grip.

Ye Chen chuckled, it was true that women would not be able to escape Ye Chen.

Ye Chen and Chen Ting continued, after all the preparations were finished, Ye Chen hugged Chen Ting.

"You are tempting, I won't let you go" After coming this far, Ye Chen wouldn't want to let go of Chen Ting.

Chen Ting delivered fresh meat to the lion, of course it would be eaten.

"please be gentler, you have such a powerful thing there" Chen Ting said to Ye Chen.

Chen Ting asked Ye Chen to be gentler, the thing below was so fierce, and she wouldn't be able to survive.

"of course" Ye Chen understood, he would do it more slowly.

Ye Chen's troops went inside, broke down the gate, and created chaos.

"Ahhh . ." Chen Ting wouldn't be able to stand it, it was too strong for her.

"So strong, I didn't expect you to be that strong," Chen Ting said to Ye Chen.

"Don't worry, you will soon get used to what is happening, trust me" Ye Chen said to Chen Ting.

Ye Chen started to move, he made Chen Ting feel that his abilities were so strong and so extraordinary.

"so great" Chen Ting loved it, this new feeling was so great, as expected she was so happy and like ascending to heaven.

Chen Ting started working together with Ye Chen, she began to show Ye Chen her abilities.

Chen Ting was still too beginner, Ye Chen had to guide Chen Ting so well.

With the guidance given by Ye Chen.

Chen Ting started to get used to it and was able to work together well

"Yes, very good, I like you" Chen Ting said to Ye Chen, she liked what Ye Chen did.

Ye Chen moved faster and reached Chen Ting's core, which made Chen Ting even happier.

Chen Ting was starting to lose her mind over this matter.

The first match finished after 30 minutes, and Chen Ting looked tired.

Ye Chen took Chen Ting to bed, her wet body after soaking, made Chen Ting even more seductive, and Ye Chen wanted more and more.

"you are so tempting, damn" Ye Chen couldn't stand it and started again.
