Chapter 3011 Jun Yalubei's Business Slumped

"His cultivation is too strong, he has even gathered several supreme beauties" said Chu Yuechan.

"As expected, he is like that" he said to Chu Yuechan.

"Yanyan, what are you planning to do next, I seem to feel that you have quite a big plan" said Chu Yuechan.

Zhao Yanyan smiled, she looked more and more beautiful after becoming an mature.

Zhao Yanyan's beauty was fully mature and so stunning

"I've listened to the whole story from sister Niang and the others, she has her plans, and I have my plans to" Zhao Yanyan said to Chu Yuechan.

"Okay, I understand, it's up to you." Chu Yuechan understood, she let Zhao Yanyan move and take her share.

"Then I will go first" Zhao Yanyan said to Chu Yuechan.

"You won't meet him?" Chu Yuechan asked Zhao Yanyan.

"Later, it looks like he's busy, won't there be something quite interesting soon," said Zhao Yanyan.

"You're right" Chu Yuechan agreed with Zhao Yanyan's words, there was only a little left, Ye Chen's appointment, there would be something so great when it happened.

"I'm leaving first, I'll discuss this matter with sister Yue" Zhao Yanyan said.

Zhao Yanyan came out of the fairy gate. She wanted to talk to Liu Yue, who knew the current situation outside.

Jun Yalubei was waiting for good news from the assassin he hired, it shouldn't be difficult to kill Ye Chen.

"That guy, he will pay for it" Jun Yalubei said angrily.

Ming Rashe has been following Jun Yalubei, it's a pity that the current him no longer dares to be too intimate with Jun Yalubei.

Jun Yalubei still seemed angry with Ming Rashe, and Jun Yalubei had to find a way out to persuade and make Jun Yalubei return to the way she was before.

Ming Rashe seemed to know what she had to do to persuade Jun Yalubei, she had a way to get Jun Yalubei to return to Ming Rashe.

Ming Rashe uses her body which is quite seductive, she uses this to make Jun Yalubei interested.

Jun Yalubei was still a man, he would naturally be attracted when he saw a woman showing her such a beautiful body.

"so tempting" Jun Yalubei seemed tempted by what Ming Rashe was doing.

He immediately hugged the woman and put her in his lap.

"You are so kind, tonight I will not let you go" Jun Yalubei said with full intention.

At night, he would not let Ming Rashe go.

Whatever happens, he will make Ming Rashe feel his power.

"Brother. . ." an explosion occurred, the door was forced open from the outside.

Jun Yalubei was shocked to see what had happened, the two of them had not expected that someone would force the door open.

They immediately separated, and Ming Rashe immediately left Jun Yalubei.

"Damn it, how dare to disturb me" Jun Yalubei was so angry, there was someone who dared to disturb the good times with Ming Rashe.

"Sir, something very bad happened" the waiter came, he told him that something bad had happened.

"What bad thing happened?" Jun Yalubei asked, he was still very relaxed about the current problems.

"Sir, now all the partners have canceled their contracts and no longer want to cooperate, plus all the shareholders have immediately withdrawn their wealth, sir, you owe quite a lot now," the waiter told him what had happened.

"What ?" Jun Yalubei stood up from the chair like a cat whose tail had been stepped on.

Jun Yalubei roared, he was so angry when he heard the news.

"What happened? Quickly tell me" Jun Yalubei said angrily, he had to get a correct answer, otherwise, he would not be satisfied.

"I don't know either, everything happened suddenly, that's why I called you to solve the problem," he said to Jun Yalubei.

"I will go, they are quite bold" Jun Yalubei left angrily.

Ming Rashe listened to this, it seemed that this man was just broken.

"Forget it, I will leave him" Ming Rashe decided to leave the man, a fallen person could no longer be used.

Ming Rashe is a gold digger, she likes to take from rich men.

He was able to become an elder because he didn't need to work and could get the resources he wanted."

"Maybe I should look for another target." Ming Rashe wanted to find another target, he would no longer be able to get anything from Jun Yalubei.

He would get something much better compared to Jun Yalubei.

"the person beside Chen Ting seems quite good, he is also quite capable" Ming Rashe started to think about Ye Chen, she might be able to get something good from Ye Chen.

After that, Ming Rashe left this place and returned to his place.

"sneeze . . ." Ye Chen sneezed, it seemed like someone was talking about him.

Ye Chen looked towards Chen Ting, he was sleeping and looked peaceful.

Seeing Chen Ting's face was so peaceful and pleasant.

Ye Chen couldn't possibly disturb this woman, he let Chen Ting sleep for the time being.

Ye Chen woke up, he went downstairs to get food.

Although this place is a hotel, it does not provide such things and tells guests to go downstairs.

Even though this place is already good, it would be even better if there was room service.

Ye Chen took quite a lot, because the cost of food was already with the room, Ye Chen could take it all.

Ye Chen didn't hold back, he was like a robber who had obtained a lot of loot.

After taking enough, Ye Chen went up and started eating with Chen Ting.

"hmm . . ." Chen Ting didn't see Ye Chen, she was curious about where Ye Chen had gone now.

Chen Ting waited for a while, she couldn't come down and only wait on the bed.

After waiting on the bed for a while, Chen Ting finally saw Ye Chen's figure carrying several plates.

"Already up?" Ye Chen asked Chen Ting.

"So you went down to get food" Chen Ting understood, Ye Chen went down to get food, and according to Chen Ting it was not a bad thing.

"Of course, do you want to?" Ye Chen asked Chen Ting.

"Of course, I want to" Chen Ting certainly does.

The two ate on the bed, they enjoyed the food, and Ye Chen helped Chen Ting recover.

After they finished, they had to check out, so they had little time left.

"Where are you going?" Ye Chen asked about Chen Ting's next plans.

"I have worked at the faction, I will be back" Chen Ting said to Ye Chen.

"You, what plans do you have?" Chen Ting asked Ye Chen.

"I want to do something important," Ye Chen told Chen Ting.

Ye Chen wanted to do something important, he had just gotten a good item and had to put it to good use.

"So that's how it is, I understand" Chen Ting understood, she knew what Ye Chen would do.

After eating, they went downstairs, and the two went their separate ways.

Chen Ting returned to Sect, meanwhile, Ye Chen entered the fairy gate, this was the time to use the dragon resurrection crystal.

Guess what kind of results Ye Chen will get, Ye Chen wants to see this with himself.

"I've used quite a lot, I hope it's really useful" Ye Chen said to Chu Yuechan.

Ye Chen hoped that this would be completely useful.

"You don't need to doubt me" Chu Yuechan said to Ye Chen.

Chapter 3012 Jun Yalubei's Business Slumped

Chapter 3013 Lian Liyu Is So Pitiful

"Wait, why are you doing this, didn't we come together" the beautiful and pure woman said to the man before her.

"I don't like you, you make the scenery around me ugly" The man said that this woman made the scenery around me ugly, and he didn't like that.

Even though this woman is quite good in appearance, why was she thrown away like that? Some people who don't know are curious.

"You'd better go home" he said to the woman on the floor.

"But. . ." the woman refused to leave this place.

"I said get out of this place" he said louder.

People just passed by and ignored what was happening, they didn't bother to interfere in a fairly complicated matter.

.

.

Above, Ye Chen saw what happened.

Ye Chen himself didn't know what happened, he didn't know what happened at the beginning, who was wrong and who was right was still a mystery, and Ye Chen didn't dare to take action.

"Who is that" Ye Chen asked Feng Rue.

Feng Rue tried to remember, after trying to remember, she seemed to know who it was.

"That woman is an illegitimate daughter, she was born from a servant, that's what I know," Feng Rue said to Ye Chen.

Feng Rue told Ye Chen about the woman below.

"Then how is their relationship?" Ye Chen asked Feng Rue.

"I think that man is her fiancé, he is a prince, it's a shame that the prince doesn't want to be with a woman like that and decided not to marry that woman.

"I understand" Ye Chen began to understand, he began to understand what Feng Rue was saying.

"That woman has a good physical body, she should be one of the people whom the Four-sided Immortal Palace will recruit."

Feng Rue told Ye Chen, she told what the Four-sided Immortal Palace could do to the woman.

"That means she's talented, right?" Ye Chen asked Feng Rue.

"Of course, she is very talented" Feng Rue wouldn't lie, that woman was so talented.

"Very good, then it's no problem to bring it, I don't like seeing that" Ye Chen said to Feng Rue.

"Should I go down and bring her ?" Feng Rue asked Ye Chen.

"I will take care of it" Ye Chen said to Feng Rue.

"I understand" Feng Rue understood, it seemed like Ye Chen wanted to pick up this girl.

Feng Rue was not stupid, even though the woman was still young, she had a good future, and Ye Chen could see that.

"Wait a minute, I haven't told you the woman's name yet." Feng Rue forgot to tell Ye Chen, she hadn't told Ye Chen about the woman before her.

Ye Chen was gone, and Feng Rue probably didn't need to bother.

Feng Rue knows Ye Chen's ability to pick up a beauty, he can do it his way.

Ye Chen came down, walked quite casually into the crowd, and approached the young woman sitting on the floor.

"Are you okay?" Ye Chen approached the woman.

"ahhhhh . . ." The woman was surprised when she saw a man who looked so close to her, it made the woman very surprised to see Ye Chen coming.

Ye Chen came and caught everyone's attention, Ye Chen was so handsome, it wasn't strange that everyone in this place was so surprised when Ye Chen came to save a woman who was in trouble.

"Wow, so handsome, who is this person" Everyone looked at Ye Chen, they all wanted to know who Ye Chen was.

Ye Chen was so mysterious, so everyone didn't know who Ye Chen was.

"I'm fine, thank you, there's still a lot" The woman stretched out her hand and stood up.

Ye Chen helped her up, the prince witnessed the scene.

"It's annoying to see something like this." The prince was so annoyed to see this he decided to leave with Vixen, who was beside him.

This man didn't want to look for trouble and started cursing the woman beside Ye Chen.

He said some words like son of a whore and so on.

The woman in Ye Chen's hands was silent when she saw and listened to what the prince said, she was speechless when she listened to what the prince said.

"That guy has a pretty bad mouth" said Ye Chen.

Ye Chen wanted to teach that person a lesson.

"That's not necessary, you don't need to do that," the woman said to Ye Chen.

she didn't want to drag Ye Chen into her problems.

Ye Chen understood the woman in front of him was quite good, a fool would want to throw away a woman who was quite beautiful.

Despite being so young, the woman in front of him had quite a strong potential, so taking her would probably be a great thing.

"What's your name?" Ye Chen asked, he didn't know yet and hadn't had time to ask Feng Rue.

"My name is Lian Liyu" Lian Liyu introduced herself to Ye Chen.

This woman was so polite and seemed shy, it seemed like she had received strict teachings and upbringing.

Why did Ye Chen know, he could see it from the way Lian Liyu did it, she was too formal towards Ye Chen.

"My name is Ye Chen," Ye Chen introduced himself.

"Want to come with me" Ye Chen asked Lian Liyu.

"Ahhhh . ." Lian Liyu was shocked when she listened to what Ye Chen said, she couldn't understand what Ye Chen wanted.

"I can't I have to chase him" Lian Liyu said to Ye Chen.

Liaa Liyu wanted to chase the prince, after all, they were engaged and she came with the prince with her father's permission.

"are you sure, you were just rejected" Ye Chen said to Lian Liyu.

"I . . ." Lian Liyu was silent, this person indeed rejected her, that was because her status was only an indirect child and was not recognized.

"You must be having a hard time, I can see it" Ye Chen said to Lian Layu.

"How do you know?" Lian Withered asked Ye Chen.

"I can see clearly from your face, you won't be able to hide that" Ye Chen said to Lian Layu.

"how is that possible?" Lian Layu didn't think that this could happen.

Even though she had tried to hide it so well.

"You are still too innocent" Ye Chen said to Lian Layu.

Lian Withered blushed, she was probably still quite innocent.

"Come with me, I will help you" Ye Chen said to Lian Layu.

"What would you do ?" Lian Withered asked Ye Chen.

It seemed like she still couldn't believe what Ye Chen said.

"I will help you a little," Ye Chen said to Lian Layu.

Lian Layu was interested when she heard this matter, she wanted to know what Ye Chen could do now.

Ye Chen took Lian Layu to a room, a very nice room and Ye Chen told Lian Layu to sit down.

Lian Withered sat down, she wanted to know what Ye Chen would do.

Ye Chen called Feng Rue and told her to come.

Feng Rue knew Ye Chen's intentions.

she took something out and handed it to Lian Withered.

Lian Layu read and looked at it, she was interested when she saw what Ye Chen wanted.

"You're trying to recruit me" Lian Layu didn't expect that Ye Chen wanted to invite her.

Chapter 3016 Lian Liyu's Life Was So Bad

"of course, I see the talent you have, if you are interested, I want you to join me" Ye Chen said to Lian Liyu.

Lian Liyu was confused about how to answer this problem.

she couldn't decide on this matter yet.

Ye Chen saw doubt in Lian Liyu's eyes.

They had just met and didn't believe Ye Chen yet.

Feng Rue looked at Lian Liyu.

It seemed like Lian Liyu didn't know Ye Chen's strength yet, if only she knew, she might immediately change his mind and accept it.

"I . . ." Lian Liyu looked confused, she didn't know what to do right now.

"I understand, so you haven't decided yet, it's okay if you change your mind, just tell me, you can also bring that, after you agree, I or my people will take you" said Ye Chen.

Ye Chen didn't want to force her, she gave Lian Liyu the freedom to choose her choice.

He couldn't possibly take away Lian Liyu's freedom as a man.

What's the difference between him and them?

"Thank you very much, then I'll go" Lian Liyu said to Ye Chen.

Lian Liyu took it, she was so grateful to Ye Chen for his kindness this time.

Lian Liyu could not repay Ye Chen's kindness, she could only thank him and lower her head.

"That's not necessary, you can go" Ye Chen said to Lian Liyu.

"Okay . ." Lian Liyu left, she went straight out and left the building.

"You won't force it?" Feng Rue asked Ye Chen.

With the abilities and strength that Ye Chen possessed, Ye Chen had the opportunity to force Lian Liyu.

"If I force her, she will hate me" Ye Chen said to Feng Rue.

Ye Chen could only start slowly, by starting slowly, he would get a good impression of the opponent.

"If I force her, I will be no different from them, just let her decide, the decision is in his hands, and I don't care about that," said Ye Chen.

The full decision is Lian Liyu, the full decision taken by Lian Liyu.

"You are too kind" Feng Rue said to Ye Chen.

Ye Chen was too kind and let Lian Liyu think about the answer herself.

"hehehe is that so" Ye Chen was so happy, he was so happy about this problem.

"husband, I need you" Feng Rue said to Ye Chen, she needed Ye Chen.

"oh" Ye Chen looked at Feng Rue, she was so tempting, and Ye Chen wanted to get her

The two went to the room and started fighting, this was going to be a fierce battle, and Feng Rue was so comfortable with Ye Chen.

.

.

Lian Liyu was a little dazed, she looked at the paper in her hand, would she agree with Ye Chen?

"I'm very confused, why did he do that?" Lian Liyu wondered why Ye Chen would do something like that for Lian Liyu.

Lian Liyu shouldn't have received such treatment.

"He is so handsome and kind" Lian Liyu thought of Ye Chen.

Ye Chen was so handsome and kind, a young woman who had just grown up would like Ye Chen at first sight.

"but I have a fiancé, me and him won't be able to be together" Lian Liyu knew her fate, she would become the prince's concubine, she wouldn't be able to be together with Ye Chen.

Sometime later, Lian Liyu finally arrived home, a luxurious house with hundreds of rooms and large buildings.

This is the house of a Duke, it's not strange that it's big and majestic.

Lian Liyu went inside when she went inside, the guard didn't even look toward her.

It wasn't strange that the guards didn't want to look, her status was even worse than the guards, if not for her beauty, Lian Liyu might have been kicked out of this house for quite a long time.

Lian Liyu passed them without flinching, she knew that she was not worthy of them.

"Lian Liyu stop right now" Someone stopped Lian Liyu.

A mature woman who had a slender body stopped Lian Liyu.

Lian Liyu immediately turned around and looked at the woman. She became afraid when she saw who was in front of her.

The woman in front of her was Madam Lian, she was the most powerful woman in the house and the first wife of Duke Lian.

In this house, she is in control, anyone who disobeys and goes against her will have such bad results.

Lian Liyu's face was so pale, she was so pale when she saw Madam Lian here.

"Mother . ." Lian Liyu called the person in front of her, she called this woman that name.

she had to do that, it was mandatory.

"You still dare say something like that" Madam Lian said to Lian Liyu.

"Huh?" Lian Liyu looked confused, it seemed like Madam Lian was so angry, this would be such a bad thing.

"what should I do?" Lian Liyu didn't know what she should do now.

Madam Lian has been angry. Nothing good happens when this woman is angry.

"You dare to make a pretty big mistake," Madam Lian told Lian Liyu.

"What mistake have I made?" Lian Liyu didn't understand what kind of mistake she had made now.

"You still ask, you little slut, don't I know what you just did, you dare to ignore the prince for someone," madam said to Lian Liyu.

"No, it's not what you imagine, she only helped me, and the prince was the one who ignored me" Lian Liyu said to the madam.

she tries to defend herself.

"Pah. . . ! ! ! "Lian Liyu was slapped, it seems madam was so annoyed and slapped Lian Liyu.

Lian Liyu was used to this, so she didn't dare to speak anymore, if she spoke again, then it would be even more difficult than now.

"You are becoming increasingly brave, have you forgotten your current status, don't forget who you are" Madam said to Lian Liyu.

Lian Liyu was silent, she didn't forget who she was, she was just a servant's son.

So she doesn't have the qualifications to fight with a madam.

"It's good if you understand, as punishment for what you have done, I will lock you up in the dungeon," Madam said to Lian Liyu.

Lian Liyu's face became so pale when she heard this, she was completely helpless when she heard what would happen next.

"Guards take her, and make sure she doesn't run away" Madam said to the guards, she told the guards to go and bring Lian Liyu.

They immediately secured Lian Liyu, Lian Liyu was taken to the underground prison, and no one was allowed to see her.

Lian Liyu bent her knees, she was completely helpless.

"It's always like this, why is my life always like this" Lian Liyu is so angry, why is life so unfair, she just wants to be an ordinary family.

But what can Lian Liyu do, she can't do anything, she can only accept her current fate.

"I can't do it, I'm really trash" Lian Liyu pondered for a while, time flies so fast, and the day will probably change.

After pondering for a while, Lian Liyu took the paper given by Ye Chen.

If Lian Liyu agrees, then she can change her life, she can change her family's life.

Lian Liyu was hesitant at first, she didn't want to do it, but she couldn't be like this, the days in this place were like hell, and she didn't want that to happen.

Chapter 3017 Lian Liyu Mother

Lian Liyu said with such strong determination, she didn't want to stay in this place and wanted to live a much better life.

Lian Liyu didn't think much, she just signed it and waited patiently.

Lian Liyu believed that Ye Chen would not cheat, so she was sure that Ye Chen would arrive at this place soon.

Ye Chen had just woken up, he immediately saw that Lian Liyu had agreed.

"I'll go take care of this matter" Ye Chen was happy and wanted to go take care of this matter immediately.

"Do you need someone else?" Feng Rue was awake, she asked Ye Chen if he wanted some people to accompany him.

"I can do it myself, problems like this don't need to use force" said Ye Chen.

"Oh yeah, quite useful information, I hope you look for some pretty good talents, we need more power for now" Ye Chen said to Feng Rue.

"Okay, I will help, that was very good, I will work harder and harder" Feng Rue said to Ye Chen.

If Feng Rue continued to get gifts like that, she would do her best to please Ye Chen.

"Okay, rest here, I'll go" Ye Chen said to Feng Rue.

Ye Chen went straight to Lian Liyu's place.

With the previous contract, he could track Lian Liyu's whereabouts.

It wasn't a slave contract, so Ye Chen wasn't tied to Lian Liyu.

Lian Liyu was free and could work with Ye Chen as she pleased.

Ye Chen went to the Duke's house, which was quite large.

"Pretty big, where is she now?" Ye Chen looked for Lian Liyu's whereabouts.

After searching for Lian Liyu's whereabouts using the abilities he had.

Ye Chen discovered Lian Liyu's whereabouts.

When Ye Chen discovered Lian Liyu's whereabouts, Ye Chen was surprised because this woman was in the dungeon.

"she's in prison, what happened?" Ye Chen didn't know what was happening, why someone like Lian Liyu was staying in prison.

Even though she was an illegitimate woman, still having her own room, a normal room was better than a dungeon.

"It looks like this family is not very good" Ye Chen saw that the Duke family was not very good, they treated people like this, and Ye Chen didn't really like this.

"I will help and ask her" Ye Chen decided to go and ask Lian Liyu.

What happened to Lian Liyu?

Ye Chen didn't waste the time he had.

He sneaked into the basement and quickly entered the prison without anyone seeing.

With Ye Chen's abilities, no one would notice, he could hide himself so well and be invisible.

After Ye Chen arrived at Lian Liyu's prison, Ye Chen looked at Lian Liyu who was curled up, on the stone floor there was a piece of paper, it looked like Lian Liyu had agreed to work for Ye Chen.

"so you have made your decision" Ye Chen said to Lian Liyu.

Lian Liyu heard a familiar voice, strangely she didn't see Ye Chen around.

"Was that just a hallucination I had?" Lian Liyu didn't see anyone here, maybe it was just her hallucination.

"Stupid girl. . ." Ye Chen stroked to Lian Liyu and appeared in front of Lian Liyu.

Lian Liyu was surprised, Ye Chen was so sudden and couldn't be detected by her.

"You are here" Lian Liyu said to Ye Chen, she didn't expect that Ye Chen would come alone.

"of course, I promised, there's no way I would lie to you" Ye Chen said to Lian Liyu.

Ye Chen had promised, there was no way Ye Chen would lie to Lian Liyu.

Lian Liyu was so happy, Ye Chen didn't lie and he could rest easy in this place.

"You have decided well?" Ye Chen asked once again.

"Um. ." "I've decided, I can't be like this, my life is really bad here, I want to change and live better things," said Lian Liyu.

Lian Liyu wants to live a better life, rather than being imprisoned and tortured, she prefers to move forward and fight to continue living.

"Such a good decision, since you have decided I will no longer ask, we will leave this place" Ye Chen said to Lian Liyu.

Because Lian Liyu had decided, Ye Chen took Lian Liyu away from this place.

Lian Liyu understood, she moved closer towards Ye Chen.

Ye Chen stretched out his arms and hugged Lian Liyu.

Lian Liyu was quite shy when Ye Chen did this, what Ye Chen did was a very bold provocation.

Ye Chen didn't care, it was easier to bring Lian Liyu this way.

"We will leave this place" Ye Chen said to Lian Liyu.

"Wait a minute" Lian Liyu said to Ye Chen.

"What is the problem?" Ye Chen asked Lian Liyu.

"I want to tell my mother, I also want her to be safe," said Lian Liyu.

"Okay, I understand what you want, I will help you" Ye Chen understood, he would help Lian Liyu.

"Thank you very much, I owe you a lot" Lian Liyu said to Ye Chen.

Lian Liyu thanked Ye Chen, Ye Chen was a very good savior and Lian Liyu really liked Ye Chen.

Ye Chen took Lian Liyu to leave the prison.

Lian Liyu led Ye Chen, and the two of them arrived at a place.

This wasn't the Duke's residence, it was a normal person's home.

Lian Liyu went straight in, she immediately went to look for the woman inside.

An adult woman is sitting inside and is seen cooking.

From her appearance, this woman is very similar to Lian Liyu.

Almost 8/10, she has a similar appearance to Lian Liyu.

The woman is Lian Liyu's mother.

"Lian Liyu, why are you here?" The woman was surprised when she saw Lian Liyu in her place.

Lian Liyu shouldn't be in her place.

"I came to see you" Lian Liyu said that she came to see the woman.

The woman was touched, she was Lian Liyu's mother, it was not strange that she was touched when she saw her daughter coming.

"What happened to you?" Lian Liyu's mother asked Lian Liyu.

From Lian Liyu's appearance now, she could see that Lian Liyu had experienced something bad.

"It's nothing" Lian Liyu was quite wise, she didn't tell her mother what happened.

"Don't lie to me, what happened to you?" this woman asked again, she wanted to know what happened to Lian Liyu.

Lian Liyu was a little afraid to say it, her mother would be angry.

"I always taught you never to lie, don't you use it well" Lian Liyu's mother said.

"I . ." Lian Liyu wasn't good at lying, so she told her what happened.

Ye Chen wanted to help, but it looked like it would add to the problem, so she would take a look and help Lian Liyu explain.

After explaining what happened, Lian Liyu's mother looked at Lian Liyu.

"You must have experienced injustice, I know how you feel" she told Lian Liyu.

"I'm fine, I'm fine" Lian Liyu is such a strong woman, she won't give up easily.

The woman smiled, she knew that her daughter would not want to give up.

"Then who is this person?" the woman asked Lian Liyu.

"He is the new boss, I work for him" Lian Liyu said she worked for Ye Chen.

"You work ?" the woman asked.

"I can't stay there, I want to make a good dream" she told her mother.

"Are you sure, life there might be much more beautiful?" she told Lian Liyu.

"I have decided" Lian Liyu has decided, and can never back down again.

He could never back down from this matter.

Lian Liyu showed determination, and that made Ye Chen see it.

"Hello, aunt, I am Ye Chen, I recruited your daughter, I hope you don't mind" he said to the woman before him.

"My name is Niu Na, thank you for taking care of her" Niu Na thanked Ye Chen, Ye Chen had taken good care of Lian Liyu.

"come in . . ." Niu Na said to Ye Chen, she invited Ye Chen to come in, a character like Ye Chen cannot be ignored and must be welcomed.

"There's no need to be so formal with me" Ye Chen said to Niu Na.

"Okay, I understand" Niu Na understood, she wouldn't be too formal with Ye Chen.

"Ye Chen, what do you do for a living" Niu Na asked Ye Chen.

"I run a business and intend to bring Lian Liyu, I see such great talent and intend to train her to become a strong person," said Ye Chen.

"Huh?! ? ?" Niu Na was shocked when she heard this, she really couldn't understand what Ye Chen said.

"Lian Liyu's talent is not very good, that's why she became like this" Niu Na said to Ye Chen.

"That's because no one looked after her well, under the right guidance, she could become a great person" Ye Chen said to Niu Na.

Lian Liyu looked at Ye Chen, she was very grateful to Ye Chen, Ye Chen believed that she had talent.

Everyone thought that Lian Liyu had no talent, she was beautiful, but couldn't practice quickly and her cultivation was very low.

"If you say it like that" Niu Na didn't mind, if Ye Chen said it like that, then it must be the absolute truth.

"Liyu, what about your engagement?" Niu Na asked.

"That man doesn't want me, he kicked me out, just consider it canceled" said Lian Liyu.

"Do you think something like that is easy to undo?" Niu Na said to Lian Liyu

Chapter 3018 Madam Lian Challenged Ye Chen

Lian Liyu hadn't come to this place for several days, she forgot about this place so quickly.

"look who's coming ?" the guard looked at Lian Liyu who came with someone.

"Immediately tell madam about this problem." They immediately reported the problem to Madam Lian.

Madam Lian, who received the information, immediately came out and met Lian Liyu.

she saw Lian Liyu who came with pretty good clothes and a very good look. From a glance, Lian Liyu's appearance was completely different, she looked so beautiful now.

Madam Lian hated seeing beauty, she wanted to tear and destroy Lian Liyu's clothes.

"Bitch, you're finally back," Madam Lian said to Lian Liyu.

Lian Liyu finally dared to come back to this place.

Lian Liyu panicked a little, her fear of this woman seemed quite high.

"Just calm down, say what you want to say, don't panic" Ye Chen said to Lian Liyu.

Lian Liyu nodded to Ye Chen, she had to do it, she couldn't keep being afraid like this, she had to fight back and show who she was.

Lian Liyu was already different, under the training of Feng Rue and the others, she increasingly became a more independent person, she was no longer willing to stay and obey people who always made things difficult for her.

"I came to tell you something," Lian Liyu told Madam Lian.

"What do you want to say, just say it" Madam Lian said to Lian Liyu.

she told Lian Liyu to say what should be said.

"I don't want to stay here anymore," Lian Liyu said in a very loud voice.

"Hahahaha, that's great, you finally know that you're mistake. . ." Madam Lian's words got stuck in her throat, she was speechless when she listened to what Lian Liyu said.

Madam Lian didn't expect Lian Liyu to dare to say something like that, which gave Lian Liyu the courage.

"Bitch, how dare you say something like that, don't you know your place, you are just a lowly woman, who doesn't deserve to live," Madam Lian said to Lian Liyu.

"I deserve to live and want a better life" Lian Liyu did not back down, after a long time, she was finally able to say what she had been holding back all this time.

"Damn, you are brave" Madam Lian said to Lian Liyu.

Madam Lian was so annoyed, how dare Lian Liyu say something like that, she never knew that Lian Liyu would be this brave, she had never even denied what Madam Lian said.

Who gave you such courage, is it the person beside you who has given you such courage?" Madam Lian said to Lian Liyu.

Lian Liyu couldn't be alone, the man beside her must have done this.

"You are absolutely right" Ye Chen finally started to speak, he was the person who had given Lian Liyu courage.

"How dare you interfere in this matter" Madam Lian pointed at Ye Chen, Ye Chen was too brave to interfere.

"Why can't I interfere, that is a right that I have" Ye Chen said to Madam Lian.

"Who are you? . .?" Madam Lian asked Ye Chen.

"Lian Liyu's friend and boss, now she works for me" Ye Chen said to Madam Lian.

"Oh, so you work for this person, it's not strange that you are so arrogant, do you think working with that person makes you great, I can make you guys disappear easily" Madam Lian said that she could easily make them disappear from the world.

"Are you sure you can do that, I don't think you will have that kind of strength" Ye Chen said to Madam Lian.

"Want to try it, I will show you the strength I have" Madam Lian said to Ye Chen.

Madam Lian gave orders, there were two very strong people, they were Madam Lian's guards with extraordinary strength.

"oh, you are trying to use violence against us, that is not a very good use of your strength and power" Ye Chen said to Madam Lian.

"You don't know, in this world strength is everything" Madam Lian said to Ye Chen.

"Of course I know that strength is everything, strength is the most important thing in this world" Ye Chen said to Madam Lian.

"It's good if you already know" Madam Lian nodded to Ye Chen.

It's good if Ye Chen already knows about this, he doesn't need to explain it to Ye Chen anymore.

"I'm giving you time to leave this place immediately," Madam Lian told Ye Chen to go home immediately.

"What if I refuse?" Ye Chen asked Madam Lian.

"If you dare to stay, you will lose your legs" Madam Lian said to Ye Chen.

Ye Chen would lose a leg if he dared to stay in this place.

"Such a terrible threat" Ye Chen said to Madam Lian.

"Ye Chen" Lian Liyu looked worried about Ye Chen, this woman was not joking with Ye Chen.

"Don't worry, she won't be able to hurt me" Ye Chen said to Lian Liyu.

Ye Chen wouldn't be hurt, they wouldn't be able to cause harm to Ye Chen.

"So arrogant, the guards kill him for me" Madam Lian said to the personal guards, in this house, they were the most powerful cultivators and could kill anyone who offended Madam Lian.

"Snap . . ." Ye Chen flicked his finger.

When Ye Chen did this, Madam Lian's two personal guards were unconscious, they immediately fell to the ground.

"Huh?" Madam Lian was shocked when she saw this.

she didn't understand what had just happened.

"what just happened?" Madam Lian wondered what had just happened.

"What's wrong, you look panicked like that" Ye Chen said to the woman in front of him, the woman in front of him looked so panicked when she saw Ye Chen.

What Ye Chen had just done Ye Chen just snapped his fingers, and the two guards immediately fell, it was something that could not be imagined.

"What happened to you guys, wake up quickly" the woman started to panic, she panicked and started calling.

"It's useless" Ye Chen said to the woman in front, Madam Lian didn't have anyone to support her anymore.

The reason why she was brave enough was because of these two people, if not because of these two people, then it was certain that she was not just such a weak person.

"Guard, quickly arrest this person for me" Madam Lian gave the order, she said to arrest Ye Chen.

They were, of course, doubtful when they got the order, Ye Chen could easily overcome the elite troops, what would their fate be if they fought Ye Chen? They couldn't predict what would happen to them.

"Just run away from this place" they chose to run away from this place because against Ye Chen and Lian Liyu it would be impossible to win.

They ran away, which made Madam Lian quite surprised.

"You bastards, what are you doing ?" Madam Lian cursed, they dared to run away, and that of course, made Madam Lian very angry and cursed them all.

It's not strange that Madam Lian is so angry, she was left alone, how could she accept this?

This is her home, and she is still from a noble family, how could she be treated like this by Ye Chen.

she couldn't accept that.

"Bastard, how dare you, I will kill you" Madam Lian said to Ye Chen, she wanted to kill Ye Chen.

Chapter 3019 Broke Off Relations With Madam Lian

"Stop right there, I won't let you" Lian Liyu said to Madam Lian, she told Madam Lian to stop right now.

"Damn, you dare tell me to stop, don't you know your place ?" Madam Lian said to Lian Liyu.

"I know my place, because of that I stopped the evil actions you had." Lian Liyu said that she wanted to stop the evil actions that Madam Lian had towards Ye Chen.

Ye Chen had helped a lot, and now it was Lian Liyu's turn to show that she deserved all these things.

"Hahahahaha, you are brave, a bitch like you dares to challenge me, it's very funny and wants to make me laugh," said Madam Lian.

"Then come forward, I will fight you," Madam Lian said to Lian Liyu.

Madam Lian wanted to fight Lian Liyu and slap the bitch in front of her.

Lian Liyu looked at Ye Chen, whether Ye Chen would give her the right.

"Go ahead, you are free" Ye Chen told Lian Liyu.

Ye Chen believed in Lian Liyu's abilities, so he told Lian Liyu to come forward and fight this woman.

"Thank you very much, I will do my best" Lian Liyu will do the best she can right now, she can't make Ye Chen disappointed with her abilities and strength.

Lian Liyu came forward, she went to face Madam Lian.

Madam Lian smiled, she would teach a lesson that Lian Liyu would never forget.

"Just look, I will destroy your beautiful face, can you still smile after all this?" Madam Lian said to Lian Liyu.

Lian Liyu didn't seem very happy when she heard this matter, who would like to listen to words like this, every woman would not like and would not want to listen to what Madam Lian said.

"At first I didn't want to fight you, but this can't be helped, let's fight" Lian Liyu said to Madam Lian, and she invited Madam Lian to fight.

"Of course, I will destroy you" Madam Lian said she would destroy Lian Liyu.

"Bamm . ." Madam Lian and Lian Liyu exchanged blows when they exchanged blows, they saw the strength of the other party.

"she, why was she able to withstand the attack just now, this is impossible" Madam Lian was shocked when she saw Lian Liyu withstand her attack.

That shouldn't be possible, Lian Liyu couldn't possibly withstand such an attack, that was something Madam Lian had never imagined.

Madam Lian had never trained Lian Liyu, so she knew that Lian Liyu's strength was so bad that it might not be worth mentioning, but now, the situation was different, she saw that Lian Liyu could fight head-on with her.

Lian Liyu saw Madam Lian's abilities, now she can practice balance against Madam Lian.

"My strength has increased quite a lot, I can definitely win easily" Lian Liyu was confident, one of the things a cultivator must have when meeting a strong opponent.

"Not bad either, you can survive my attacks," Madam Lian said to Lian Liyu.

"I will win," Lian Liyu said that she would win, she didn't want to lose and wanted to be the winner.

"How arrogant, you should know your place" Madam Lian said to Lian Liyu.

The two of them fought again, Lian Liyu attacked Madam Liu and Madam Liu also attacked with great strength.

"Boom. . ." Their exchange was so great it could be said that in terms of strength, they were evenly matched.

"It's only been a few days and she has already reached the peak of the Immortal Sky Realm" Ye Chen said and saw the progress of Lian Liyu.

"she is indeed worthy, all the resources are quite well spent," Chu Yuechan said to Ye Chen.

"You are absolutely right, it is indeed worth spending resources on her" said Ye Chen.

Ye Chen also agreed with what Chu Yuechan said.

it was indeed worth spending resources to train talented women.

"It's a good thing that woman is weak, she only has good guards around her, without that she's nothing" said Ye Chen.

"You are absolutely right, the fight will probably finish faster" said Chu Yuechan.

Chu Yuechan felt that the battle would end quickly.

"I hope it finishes quickly." Ye Chen also hopes the same thing as Chu Yuechan, hoping it will finish quickly.

Lian Liyu attacks quite aggressively and is full of strength, she is taught to defeat enemies quickly.

Madam Lian couldn't dodge, she was hit in the chest and could barely breathe,

Her chest rose and fell as she felt the intense pain.

"This bitch, I will kill you" Madam Lian was completely overcome with emotion.

she started attacking in all directions, and erratically, that was one pretty stupid thing to do.

"Use this opportunity well" Ye Chen said to Lian Liyu

Ye Chen told Lian Liyu to make good use of her opportunities.

If she can attack Madam Lian in this way, then it is certain that the opponent will lose quickly.

"I understand" Lian Liyu began to understand, she understood what Ye Chen wanted, and she couldn't make Ye Chen disappointed.

Lian Liyu concentrated all her strength in her hands, she used the mountain-breaking fire palm.

The power of this attack is very strong and can destroy a mountain so easily.

The highest level can even destroy several planets easily.

"You're dead." Madam Lian took out a sword, she was going to cut Lian Liyu into pieces.

"About" an explosion occurred, Madam Lian stepped back, and her body hit several buildings until they were reduced to rubble.

The attack just now was quite strong, it was able to give Madam Lian quite serious injuries.

Madam Lian coughed up blood, Lian Liyu's attack was very strong and was able to cause terrible wounds to Madam Lian.

"You, how dare you," Madam Lian said to Lian Liyu.

"That's enough, you've lost and just accept the defeat you have, I'll go and from now on, you and I will have no relationship whatsoever," Lian Liyu said to Madam Lian, she told Madam Lian to stop right now.

They will no longer have a relationship, this is a limit that Lian Liyu has set.

Madam Lian clenched her fists.

she was so upset because she lost to Lian Liyu.

How could such an arrogant woman possibly accept her impossible defeat, she would not accept that defeat.

Madam Lian tried to get up, but unfortunately, her injury meant she could no longer fight.

The woman could only watch Lian Liyu leave this place.

"It's finished ?" Ye Chen asked Lian Liyu.

"It's finished," Lian Liyu said to Ye Chen.

"Thank you very much, I'm so happy to have finished everything, this is all thanks to the help you gave," Lian Liyu said to Ye Chen.

Lian Liyu was so happy for the help given by Ye Chen, she appreciated the help given by Ye Chen.

"You're welcome, everything is finished, let's go home," Ye Chen said to Lian Liyu.

"Um. . ." Lian Liyu was with Ye Chen, she was so happy when she followed Ye Chen.

They left this place and left Madam Lian alone.

"You guys, just be careful, don't think this will all end just like that" Madam Lian will not forgive what happened, she will avenge what Ye Chen and Lian Liyu did.

"I will use royal power to defeat you" Madam Lian will use royal power, that is the fastest way to defeat Ye Chen and Lian Liyu.

Chapter 3020 Madam Lian Uses Her Royal Connections For Revenge

Madam Lian wakes up and tries to contact the palace.

Madam Lian had such a good relationship with the palace, so it wasn't strange that she dared to do such a thing.

Apart from being evil, this person was also cunning, she wanted to pit Ye Chen and the palace against each other.

"Queen, this is very bad, recently your daughter-in-law was kidnapped by a man, she even fought me and destroyed my house," Madam Lian said to the woman on the other side, she was the king's wife and liked Lian Liyu.

The reason why Lian Liyu was able to become the prince's fiancée was because of the queen, she liked Lian Liyu the first time, at least this woman could become the wife of a prince who was not very competent because the crown prince already had several great beauties.

There is a reason why the queen likes Lian Liyu, it is because Lian Liyu's background is so weak that she can control her mark on matters.

"did you say, how is that possible?" the queen asked Madam Lian.

"I'm sorry, I really didn't educate that woman well, I apologize to you," Madam Lian said to the queen.

"I understand, I will bring her back, don't worry, I will order people with great power to immediately bring the woman back," said the queen.

The Queen couldn't let go of this matter, she wanted to get Lian Liyu back.

Madam Lian had succeeded in getting what she wanted.

"Feel that, what can you do, you definitely can't beat the royal family," said Madam Lian.

This woman really enjoyed what was happening, she couldn't wait to see the exciting show that was about to happen.

The Queen sent several experts to bring back Lian Liyu.

With the help of this expert, it should not be difficult to find Lian Liyu's whereabouts.

Lian Liyu had returned to Ye Chen's place, she started training and occasionally went home to spend time with her mother.

Their life was so good, and Lian Liyu was so happy to enjoy the time they had.

she enjoyed every moment so well and never again wasted what she had.

"You are increasingly changing and growing beautifully" Niu Na said to Lian Liyu.

"Is that so, mother praises me too much" Lian Liyu said shyly, she seemed embarrassed by the praise given by Niu Na.

Niu Na smiled when she heard this, she enjoyed this life, the two of them felt more peaceful and could spend time together.

"I met that woman earlier and told her that I would immediately sever all ties," Lian Liyu said to Niu Na.

Niu Na was silent, she seemed surprised when she heard this.

"Why did you do that?" Niu Na asked Lian Liyu.

"That's because that woman is so annoying." Lian Liyu said that that woman was so annoying, and she didn't really like that.

"From now on, she won't be able to bother us anymore." Lian Liyu said that from now on, that woman couldn't bother them.

"I understand what you feel, I understand" Madam Lian Liyu understood, she understood what Lian Liyu was thinking.

After that, they started to eat and enjoy every moment they had.

While they were enjoying the food on the table, something strange happened.

"There's something wrong" Lian Liyu as an expert, realized that something was wrong around her, she felt that someone was watching her from afar.

Lian Liyu didn't know who they were, she only knew that they were probably people who were trying to get Lian Liyu.

A real smoke bomb came into the room, Lian Liyu tried to close her life, but unfortunately, it was too late because the room was full, and she was hit by anaesthetic poison.

"This is bad, I have to call for help" Lian Liyu realized that she was facing an expert, she had to call for help and pressed the bracelet on her hand.

This was a signal for help to come immediately and help Lian Liyu.

They quickly took Lian Liyu and Niu Na, they all quickly took the two women as far away from this place as possible.

Feng Rue received the signal, she immediately sent people to see Lian Liyu's condition.

After sending people, Feng Rue realized that Lian Liyu had been kidnapped.

"Who are they, they are brave enough to look for trouble at my place" Feng Rue was annoyed, these people dared to look for trouble at her place, it was clear that Feng Rue couldn't forgive what happened.

she sent people, with such powerful people working together, they would definitely be able to find Lian Liyu's whereabouts quickly.

Ye Chen also knew this, he was waiting for news from Feng Rue, wondering if this was Madam Lian's doing again, if that was the case, Ye Chen would not let that woman go.

Ye Chen could no longer remain silent after seeing what happened, he couldn't help but take action to save Lian Liyu.

It didn't take long before news came, they had now discovered Lian Liyu's whereabouts.

Both of them are in the white spear kingdom.

Ye Chen saw that currently, the white spear kingdom had captured Lian Liyu and Niu Na, what was their aim in capturing these two women?

They definitely had a goal of capturing Lian Liyu and Niu Na.

"explain me in more detail, I will go to save them" Ye Chen said to Feng Rue,

"master, the person who kidnapped was the queen, she sent several high level experts to take Lian Liyu away" Feng Rue said to Ye Chen.

she told Ye Chen about what was happening now.

"A queen, why did she bring Lian Liyu, she shouldn't have to do that, I'll just ask directly" Ye Chen will try to ask, that is the wisest choice that Ye Chen can make right now.

If they really didn't want to talk, then Ye Chen had no other choice.

"Your orders?" Feng Rue asked Ye Chen, she wanted to know what Ye Chen's orders were.

If Ye Chen gave them an order to move, they would all, of course, move.

"Okay, I'll start," Ye Chen said to Feng Rue.

"Prepare some of the best people you have, wait for my orders before attacking" Ye Chen said to Feng Rue.

Ye Chen would go first and tell Feng Rue to gather people and wait.

"Understood" Feng Rue didn't ask much and immediately gathered people for Ye Chen, she knew what Ye Chen was going to do, so she was quite relaxed about the matter.

Ye Chen left, he went straight to the place where Lian Liyu was being held together with her mother.

Because Ye Chen already knew where Lian Liyu was, Ye Chen didn't bother looking for her, he quickly found Lian Liyu's whereabouts.

Lian Liyu was detained in a luxurious room, different from before, the palace treatment did not seem too bad.

"I think this is different from what I imagined" Ye Chen said to Chu Yuechan.

"I also thought the same thing as you thought, I thought she would be kept in such a bad and shabby place".

"Who would have imagined that he was being held in such a good place" Chu Yuechan said.

"You're absolutely right, let's see what they're planning now."

Ye Chen wanted to see what they were planning, they were definitely up to something.

If not, how could they catch Lian Liyu?

Ye Chen eavesdropped on the conversation around him, even though there were many experts there, he could still quickly get inside.
