

True God 3021

Chapter 3021 Meet And Talk To A Proud Queen

"It seems the queen has brought the woman back, what is the reason why the woman was brought back, even though there is nothing good about the woman" The servants around started gossiping, and Ye Chen listened to what they were saying from the side.

"You don't know, this is because the prince is incompetent, otherwise the queen couldn't have done that, the woman is quite beautiful, at least she won't be embarrassed, and besides the prince is not very good, no daughter from a noble family would want to with him, there are only a few courtesans who want to be with him" they started talking about the prince and knew what was happening.

They use a fairly low voice, if they are found out, you can be sure they will immediately be expelled by force.

Even though everyone already knew about this matter, not many dared to say something like that loudly enough, otherwise the queen would be angry.

Even though the man was incompetent, it was still one of her children, as a woman, she would not let anything bad happen, anyone who dared to bring up this matter would receive quite a severe punishment.

After Ye Chen listened for a while, Ye Chen seemed to be starting to understand and knew what was happening.

"Okay, I understand what's happening now" it seems Lian Liyu won't be able to get out of the current situation.

Only Ye Chen can save him and bring him from this place.

The opponent is the royal family, this will probably be quite a battle.

"What are you going to do now?" Chu Yuechan asked Ye Chen what Ye Chen would do.

"let's talk to that woman," Ye Chen said to Chu Yuechan.

Ye Chen wanted to talk to the queen, he wanted to ask what would happen next.

Chu Yuechan understood, she immediately understood what Ye Chen wanted.

It didn't take long before Ye Chen finally arrived at the queen's place.

He saw a woman who was quite mature and mature, her face and body were quite good, although not as good as the women on the beauty list.

This woman still has charm and can be said to be quite beautiful, there is no need to ask any more the reason she looks like that is because she is the queen and has a position second only to the king.

"Not bad" Ye Chen said to Chu Yuechan.

"Her appearance is quite decent, do you want to snatch her" Chu Yuechan said jokingly.

Chu Yuechan was joking with Ye Chen, she wasn't that serious.

"That might be good" Ye Chen said to Chu Yuechan, what Chu Yuechan said looked pleasant when Ye Chen thought about it.

Chu Yuechan smiled when she heard this.

The situation was quite funny when Ye Chen brought this woman.

The Queen was quite calm, she sat around with several strong bodyguards.

There were several women and men around, men outside and women inside the room, they all seemed to be guarding the queen, and they didn't let anything untoward happen to the queen.

"They were the ones who had captured" Lian Liyu.

Ye Chen looked at them, he could see that they were the people who had captured Lian Liyu and Niu Na.

"How is your work, has it been handled well?" The Queen asked those around her.

"Yes, the woman is already in a special room with several guards, she won't be able to regain consciousness, and it won't be possible to get out of this place" The waiter told her that Lian Liyu wouldn't be able to and wouldn't be able to get out of this place.

"Very good, I will talk to her, I will not let her run away" the queen said that she would not let Lian Layu run away again.

After saying that, he ordered the guards to tighten security.

"it looks like it's time" Ye Chen came forward, he knocked out all the guards.

With Ye Chen's strength being so great and so great, he easily destroyed everyone, with just one attack, he destroyed them all and made them lie on the ground unconscious.

The Queen, initially sitting and enjoying her food, was suddenly stunned.

Someone suddenly appeared in front of him, which of course, made her quite surprised.

"Who are you ?" she asked Ye Chen.

The Queen didn't know or know about Ye Chen, so she asked Ye Chen.

"I am the person who came to this place and wanted to take something from you" Ye Chen told why he came to this place.

"What is the meaning of the words you said" he asked Ye Chen.

"I came to get someone, I came to get Lian Liyu" Ye Chen said to the woman before him.

"That won't happen" she said to Ye Chen, this woman would not let Ye Chen do that.

"Why?" Ye Chen asked, he wanted to know the reason why this woman was blocking Ye Chen.

"I won't allow you to steal my son's wife" she said to Ye Chen.

"Hahahaha" Ye Chen laughed when he heard this.

"You mean that trash, he even threw away Lian Liyu, how could you hand her over to a man like that" Ye Chen said with laughter.

The Queen looked annoyed and angry when she listened to what Ye Chen said, she didn't seem very happy with what Ye Chen said.

"How dare you insult the royal family? Your punishment is death" she said to Ye Chen.

"The bodyguards cut off this man's head for me," the queen ordered to her powerful and powerful personal bodyguard.

After the queen gave an order, there was almost no movement, which naturally worried the queen.

When the queen looked around, she saw that her expert bodyguard had fallen.

They all fell and lay on the floor.

"What happened to them?" The queen didn't understand, they were experts who were so strong and so great, everyone she hired was strong people who were so overpowering, so how could they just fall like that?

"How do I know? Maybe they are tired and want to lie down for a while" Ye Chen said sarcastically.

The Queen looked at Ye Chen, it was clear that this was Ye Chen's doing, even though she didn't know what kind of method Ye Chen used, she was not stupid enough to be tricked by Ye Chen.

"This is all you're doing," the queen said to Ye Chen.

"No, how is that possible? You see that I'm just standing here, I can't do it" said Ye Chen.

"That's not true, I don't know what method you used, you were the one who made them fall" she said to Ye Chen.

"You don't have proof," Ye Chen said to the woman before him.

"I don't have proof, but I can give punishment for daring to attack my guard," she said to Ye Chen.

"Hahahahaha" Ye Chen laughed.

"Why is this person laughing?" Queen felt that Ye Chen was a little strange, maybe this man was a little crazy.

"Do you have the qualifications for that?" Ye Chen said to the woman in front of him.

"I ? ? ?" The Queen thought for a while, with her strength, she was of course, able to do it.

Chapter 3022 King Of Tang

"You underestimate me, I have such a great kingdom and power, eliminating 1 person is so easy, it's like the snap of a finger" she said to Ye Chen.

This woman is so arrogant, she knows that she has so much power and can still be arrogant in front of everyone.

Although this is only a middle-level kingdom, its strength can be said to be quite strong, at least ordinary people would not dare to find trouble with the brand.

"Then I want to see it, do I need to destroy this entire palace" Ye Chen said to the woman before him.

"Are you capable of doing that, you definitely won't be able to do it" she said to Ye Chen.

This woman wasn't sure that Ye Chen could do this, there was no way Ye Chen could destroy this place so easily.

"want to try it ? Let me show you the abilities I have," Ye Chen said.

"To make this woman feel embarrassed" Ye Chen had to use all his abilities.

Otherwise, women like this would still be arrogant and look down on Ye Chen.

"Do it if you can, this palace is so strong, destroying this place, even shaking it you won't be able to" she said to Ye Chen.

This woman is too self-confident, she is confident in her abilities.

So it wasn't strange that she dared to challenge Ye Chen.

She didn't know Ye Chen's abilities and strength yet. she might have changed her mind if she had known Ye Chen's skills and strength.

Ye Chen smiled, it was time to show his strength and abilities.

Ye Chen brought out his full strength, he showed his abilities.

The whole palace shook, a huge crack occurred, a terrible crack that frightened the Queen.

This place started to collapse, Ye Chen only needed to use his aura and immediately collapsed.

The Queen broke out in cold sweat, this woman finally knew Ye Chen's abilities and strength.

The power that Ye Chen possessed was terrifying, just by using aura alone, he could make this place collapse.

"This is bad" she said to herself, she felt that if the situation got so bad, what should she do? It seemed like she had offended someone quite powerful.

"Sir wait a moment", this woman said to Ye Chen.

Finally, the Queen told Ye Chen to stop, if Ye Chen continued, this place would be destroyed.

There was no way the Queen could accept that the place she owned was destroyed.

"What's wrong? Didn't you tell me to destroy this place? I will destroy this place." Ye Chen wasn't kidding.

"No, I didn't say that, please wait a moment" she said to Ye Chen.

she asked Ye Chen not to do that.

Ye Chen didn't listen to the Queen's words and started to destroy this place with full force.

"Boom. ." A massive explosion occurred, and this place started to collapse, more than ¼ of the palace collapsed.

The palace is quite large. ¼ of the palace has collapsed, it shows that Ye Chen has great strength.

"impossible" The Queen saw her room collapse, and she could see the sky clearly.

Ye Chen had destroyed this place, he didn't hold back and destroyed this place using his power.

The Queen looked confused by what was happening, she was speechless when she saw what was happening now.

"What are you seeing now? I have destroyed this place," Ye Chen said to the woman before him.

He had destroyed this place using the power he possessed.

"You will pay for what happened," she told Ye Chen.

"Why should I pay, you should pay, you told me to" Ye Chen said.

"Damn it, who told you, I told you to stop" the Queen was so annoyed with Ye Chen.

The dignified Queen started to lose her cool when facing Ye Chen.

Ye Chen was such a formidable opponent, there was no way he would let Queen win.

The Queen was annoyed, her capital went up and down when she saw what Ye Chen was doing.

"Boom . . ." an explosion occurred, several guards came around, and even the king of the white spear kingdom came.

It wasn't strange that he would be angry when he saw the palace he owned being destroyed by Ye Chen.

"who is this person ?" he asked Ye Chen.

"I ?" Ye Chen asked the man in front of him.

"Who else, you damn person, dare to destroy my place" the king said to Ye Chen.

"she is responsible for what happened" Ye Chen told the man before him.

Ye Chen pointed to the woman on the side, Ye Chen told her that the Queen was responsible for what happened.

"No, don't listen to him, he is a bad person, he dares to abuse me, you have to kill him" the Queen said to the king.

"Since when, I have never done that" Ye Chen said to the woman beside him.

They were just talking, when did Ye Chen abuse this woman.

Ye Chen didn't remember and had never done this.

"Don't listen to him, he is such a bad person, you have to do something" the Queen said to the king, she told him to take care of Ye Chen.

"You are very brave, I am King Tang, I will not let you go" King Tang said to Ye Chen.

The situation became strange, and these two people didn't want to hear Ye Chen's words.

Ye Chen was a little annoyed, and even though he was annoyed, he couldn't do anything about this matter.

Talking peacefully would be useless, this person would not listen to Ye Chen.

It's better to give a threat that can make this person afraid immediately.

"You better not be careless, if you make the slightest mistake, your place could be destroyed," he said to King Tang.

"Damn it, do I care, you are just one person, how could you possibly beat us" he said to Ye Chen.

"Everyone, prepare yourselves" he gave an order, he would destroy Ye Chen using his full strength.

After what Ye Chen did to his beautiful house, this man would never let go of Ye Chen.

Ye Chen sighed, it seemed that there was no way to talk to this person.

"You will regret this" Ye Chen said again.

"You will regret it" the king and Queen were united, they said that Ye Chen would regret this matter.

"Then let's see." Ye Chen was about to get serious and show his strength.

"Attack him" King Tang gave the order, he ordered the troops to kill Ye Chen.

The troops started aiming, and they all shot arrows towards Ye Chen.

Ye Chen stretched his hand upwards, when Ye Chen did this, all the arrows immediately shattered into pieces.

"What ? ? ?" they were shocked when they saw what Ye Chen did.

"why is he still surviving, what happened?" they all looked confused about what happened and why Ye Chen could survive the attack.

"Then I will show you what little strength I have, you guys play together, I will call for help too" Ye Chen decided to call for help.

After Ye Chen gave the signal to Feng Rue, Feng Rue, and several other people appeared.

Feng Rue immediately fought, they knocked out everyone quickly and were very agile.

"What happened?" they all looked confused, there were only a few people around, but they were so strong and quickly knocked out ½ of the people around.

King Tang was shocked by what happened, he did not expect the situation to become like this.

Chapter 3023 The Queen Bowed Down In Front Of Ye Chen

When the King Tang realized what had happened, he saw a sword at his neck.

If he dared to move now, his head would immediately disappear.

King Tang was so afraid, who were they, they were so great and skilled, they must all be experts, otherwise King Tang would not have lost.

"Who are you guys?" the Tang king asked, where did they come from, they were not just anyone.

Feng Rue appeared beside Ye Chen, and when Feng Rue appeared, the situation became a little chaotic.

King Tang started to sweat, he seemed to know who Feng Rue was before them.

King Tang was not stupid, he already knew who Feng Rue was before him.

"Why are you in this place?" King Tang asked Feng Rue.

"Why can't I be in this place, it's up to me where I want to go," Feng Rue told the Tang king.

King Tang became more and more worried, he felt tens of thousands of needles piercing his body.

"What's going on here?" The Queen didn't understand what was happening in this place, why the King was so worried when he saw this woman.

Is it possible that this woman's identity is so great that it makes the king afraid?

"Of course you can go wherever you want" King Tang didn't dare in front of Feng Rue, he was so afraid.

"I came here with my master, do you know what mistake you have made?" Feng Rue asked King Tang.

"master, is this young person taller than Feng Rue?" King Tang was shocked.

Feng Rue was one of Ling Shu's confidants, one of the beauty list of the goddess, if she called this person master, it meant that he had a position comparable to Ling Shu in terms of strength and ability.

"Damn it, what are these powerful characters doing here?" King Tang didn't understand why this powerful character was in his place.

Honestly, King Tang had never seen Ye Chen, he had never met or seen Ye Chen, and because of this, he didn't know anything about Ye Chen.

For King Tang, Ye Chen was quite mysterious, and he had no idea or understanding about Ye Chen.

Ye Chen rarely showed himself, so it wasn't strange that the Tang king had never seen and never knew about Ye Chen.

"husband, quickly order people to kill them" Queen said to King Tang, she told King Tang to mobilize troops to kill Ye Chen and the others.

"Damn it, doesn't she know that I can't get out of this place, this woman, I will make her regret it" The king was angry, he was in trouble, how could he get out of this current situation.

Even his life might be in danger, and this woman didn't know about the matter, which upset the Tang king.

"now what are your options" Ye Chen said to King Tang.

"I surrender, please spare me" King Tang said to Ye Chen.

He knew that he would not be able to win against Ye Chen.

Because of this, he decided to give up.

The queen was shocked, the man in front of her gave up too quickly, was he still worthy of being called a king?

He couldn't even protect his kingdom and queen.

"You, what are you doing, quickly defeat him" Queen continued to urge, if it continued like this, she would lose face.

she didn't want to lose face, she couldn't lose face in front of everyone in this place, especially Ye Chen.

Ye Chen just smiled, he was enjoying what was happening right now.

"See, she doesn't want to give up, so it looks like we will continue" said Ye Chen.

The Queen didn't want to give up, so they had to continue this battle.

"No, no . . ." King Tang didn't want to, he was so afraid when he saw Ye Chen wanting to prolong the problem.

"Pah. . ." King Tang hit the Queen, the sound was so crisp, it must have hurt a lot.

"Huh?" The queen was shocked by what happened, she didn't expect the king to hit her hard enough, and it was still a painful slap in the face.

"What are you doing, why are you hitting me?" The Queen asked, she was so angry when she learned King Tang hit her.

She had never been treated like this, this was the first time she had been treated like this by her husband.

"You stupid woman, don't you know who you are offending, they are cultivators at the top of the world, they can probably make us disappear" King Tang shouted and scolded the queen.

"What?" Queen was shocked, she didn't expect Ye Chen to be that strong.

If the queen had known this from the start, she probably wouldn't have dared to offend Ye Chen.

"Now you know, what you did almost killed everyone, don't you know that" King Tang said to the Queen.

The Queen finally understood, she finally understood what was happening right now.

"Ahhh, sir, I apologize for the rudeness I did, please don't be angry" The queen knelt down, she who was so arrogant and had a high position knelt in front of Ye Chen.

"What happened, didn't you say you wanted to behead me, why are you kneeling like that now?" Ye Chen asked the woman in front of him.

The Queen looked ambiguous, she had just made Ye Chen angry, now, what should she do to persuade Ye Chen?

"I didn't mean to say something like that, please forgive me" she tried to apologize to Ye Chen, she didn't mean to do that to Ye Chen.

she knew that she was wrong, and because of this, she apologized to Ye Chen wholeheartedly.

"I will let you go, but I have a condition," Ye Chen said to the Queen.

"What is it, I will do all kinds of things you want," Queen said to Ye Chen.

Even though Ye Chen's request was strange, the queen would do it.

she would make up for it, and who knows, she could get many benefits from Ye Chen.

Ye Chen looked at the woman in front of him, he could see that this woman was obsessed with him.

Ye Chen knew this. Even though he knew about it, he didn't mention it.

"There must be someone who has provoked you against me, right? You should know what to do?" Ye Chen said to the woman in front of him.

The Queen understood what Ye Chen wanted, she understood that Ye Chen wanted to destroy Madam Lian.

"I understand, I will do it right away" She is such a smart woman, she knows what she has to do now.

With that, the queen immediately left, she sent several people to arrest Madam Lian.

"Just watch out, you have dared to make me offend a strong person, I will not let you go free" The Queen will not let the woman escape responsibility, she will make Madam Lian responsible for what happened.

Because of Madam Lian, she almost lost her kingdom and status, this is of course, impossible to forgive.

Ye Chen was satisfied, he told Feng Rue and the others to retreat.

Feng Rue and the others retreated immediately, they left and went back to watch, if they still dared to look for trouble with Ye Chen, they would all die.

"Young master, I will accompany you" King Tang said to Ye Chen.

"That's not necessary" Ye Chen said he could go alone.

King Tang smiled, he was disappointed, it seemed like he couldn't repair the relationship with Ye Chen.

Ye Chen went to Lian Liyu and Niu Na's room, they were both tied to the bed.

Chapter 3024 Began The Journey To The Four-Sided Immortal Palace

Ye Chen let them go, and after letting them go, he woke up Lian Liyu and Niu Na.

Lian Liyu and Niu Na didn't know what happened.

When they woke up, they saw Ye Chen in front of them.

That of course, shocked them all, they didn't know what happened, when they found out, they saw Ye Chen in front of them.

"Where is this?" Lian Liyu asked Ye Chen, she wanted to know where they were now.

"We are in the palace, they kidnapped you" Ye Chen said to Lian Liyu.

"That means you saved us?" Lian Liyu asked Ye Chen if what Ye Chen said was true, and then Ye Chen saved them.

"Of course" Ye Chen nodded, he did save them both.

"Are you guys okay?" Ye Chen asked Lian Liyu and Niu Na.

"We're fine, just a little dizzy" they're fine, just a little dizzy, probably because of what happened earlier.

"Good, let's leave this place" Ye Chen said to Lian Liyu and Niu Na.

"I understand" Lian Liyu and Niu Na followed Ye Chen out, when they just came out, they saw a great scene.

They saw that part of the palace was destroyed, most likely done by Ye Chen.

Because Lian Liyu was a smart woman, she didn't ask Ye Chen, she knew that this was all Ye Chen's doing and there was no need to ask Ye Chen that.

Lian Liyu believed that Ye Chen was doing all this for her, she was so happy, Ye Chen's attention was so good for her.

"How are you?" Feng Rue asked Lian Liyu, as she wanted to know what condition Lian Liyu was in.

"I'm fine" Lian Liyu said that she was fine.

"That's great, I hope you can work, tomorrow will be your first day of work after training" said Feng Rue.

"Seriously, I'm so happy." Lian Liyu was so happy because she could finally work.

she will be useful for Ye Chen, Lian Liyu is confident in her abilities.

"let's go back" With that the two of them went back, they started to go back and help Lian Liyu work together with everyone.

Ye Chen was so happy, all the problems had been resolved, he was so comfortable because all the existing problems had been fixed so well.

"Finally, all the problems have been resolved" Ye Chen was very happy because all the existing problems had been resolved, and with this, Ye Chen didn't need to worry about anything else.

Madam Lian herself was also arrested at her residence.

she was sentenced to several thousand years for her crimes, meanwhile it seemed that Niu Na had returned to Duke Lian's residence.

She might now be the one to replace Madam Lian.

Lian Liyu herself refused to return, she liked her job and said that she wanted to see a much wider world.

If she worked with Ye Chen, she could see the vastness of this world.

Lian Liyu works to deliver goods, she will pick up and look after the packages with various women who work there.

she became such a good person at her job, and her practice yielded many results.

"we have brought quite a lot of people, they continue to be trained well" Feng Rue told Ye Chen.

After Lian Liyu, they brought more and more women.

"all women?" Ye Chen asked Feng Rue.

"This was requested by Miss, she said it would be easier for you to control women" said Feng Rue.

With Ye Chen's abilities, Feng Rue was sure that Ye Chen could handle the women around him.

Ye Chen smiled, what Feng Rue said was true, Ye Chen could do this easily.

"master, here it is" Feng Rue took a letter and handed it to Ye Chen.

"What's this?" Ye Chen asked Feng Rue.

"This comes from the faction leader within your sect" Feng Rue said to Ye Chen.

Feng Rue said that Chu Peng gave this to Ye Chen.

"what's wrong with that old man" Ye Chen opened it and started reading the letter sent by Chu Peng.

Ye Chen wanted to know what Chu Peng was thinking right now.

"Hello Ye Chen, it's been a while since I saw you, how is your training going, if you need anything you just say, I will support you" from Chu Peng.

Chu Peng asked how Ye Chen was, he hadn't seen Ye Chen for a long time and wanted to know Ye Chen's condition.

Can Ye Chen win against Yin Zeniyu, Yin Zeniyu has become stronger and stronger, that woman has become someone who is not easy for anyone to approach, she dominates every battle and rarely loses a fight.

"It seems like he is worried that I will lose against the enemy" Ye Chen finally understood why Chu Peng sent this.

Ye Chen had become quite strong after training, he was no longer afraid of Yin Zeniyu.

With Ye Chen's current strength, there was no chance for Ye Chen to lose to Yin Zeniyu.

"There's only a little time left, then I'll go there" Ye Chen said to Feng Rue.

There are only a few weeks left, Ye Chen will go there.

"I understand, I will prepare everything" Feng Rue said to Ye Chen.

"please do it" said Ye Chen.

Feng Rue will prepare if the worst situation happens, then she will prepare.

Ye Chen got up he decided to walk away from this place.

It was time for Ye Chen to head to the Four-sided Immortal Palace.

Ye Chen went to the Four-sided Immortal Palace, he wanted to see how strong the Four-sided Immortal Palace was.

Feng Rue understood, she didn't block Ye Chen and let Ye Chen go, she believed in Ye Chen's abilities and strength and that Ye Chen could solve the problem.

Because he still had a few weeks, Ye Chen decided to take it easy, there was no need to rush and Ye Chen wanted to look for more things around.

"What would you do?" Chu Yuechan said to Ye Chen.

Chu Yuechan wanted to know what Ye Chen would do.

"What do you think I will do?" Ye Chen asked Chu Yuechan.

"I don't know," Chu Yuechan said to Ye Chen.

"let's go on an adventure for a while", Ye Chen said to Chu Yuechan.

"are you going to do it," Chu Yuechan said to Ye Chen.

"Of course, I hope to find good things around" Ye Chen said to Chu Yuechan.

"You definitely want to use me" Chu Yuechan said to Ye Chen.

Chu Yuechan knew that Ye Chen wanted to use her.

"Please cooperate, my beautiful wife" Ye Chen said to Chu Yuechan.

Ye Chen teased Chu Yuechan, he teased with such sweet words that Chu Yuechan wouldn't be able to move when facing Ye Chen.

Chu Yuechan blushed, Ye Chen was indeed good at teasing, she really couldn't survive this kind of thing.

"Okay, I'll go and accompany you" Chu Yuechan said to Ye Chen.

Chu Yuechan agreed, she agreed to go together with Ye Chen.

Chu Yuechan took the lead, it was time to find something good around this place.

Using her ability to find treasures, Chu Yuechan could easily find every treasure she wanted.

The two of them started walking and looking for good things around them.

Chapter 3025 A Place Full Of Artifacts

"What is there around this place" Ye Chen asked Chu Yuechan.

Ye Chen had arrived near a forest, near a fairly large forest and there were several houses around.

Chu Yuechan said, there is a treasure in this place, which made Ye Chen curious.

"This place has a very strong evil aura" Ye Chen could feel that this place had a very evil aura, which was quite terrifying.

"You are absolutely right, that kind of aura is quite terrifying" Chu Yuechan agreed.

"But there are some rare treasures around, I can feel them" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that she felt some rare treasures were around.

A rare treasure that is not easy for Ye Chen to obtain.

"Okay, I'll go," Ye Chen understood, he would see it in person.

This village had few people, a poor village with some people who looked hungry.

The plants around them seem to be dying, so they look hungry.

"What happened in this place?" Ye Chen asked one of the old women, he wanted to know what happened in this place.

"There is something bad happening in this place" the woman said that there was something bad.

"A few months ago a strange thing happened, dead plants and people suddenly rose, it made the residents here afraid and some people had already left this village," the old woman said to Ye Chen.

"Don't you know what the cause is?" Ye Chen asked, don't they know the cause of all this.

"No, there were several people who tried to find out, it's a shame that they all didn't come back until now, since then no one has ever dared again," the woman said to Ye Chen.

He said that no one was brave anymore, they were all afraid and decided to stay even though the situation was bad.

"I understand, I will try to find out" Ye Chen said to the woman before him.

Ye Chen was also curious about this matter and decided to see what was happening.

Ye Chen left, he headed to a place so far above.

An evil aura was emitted from the top of the mountain, it seemed like that was the place.

Ye Chen came here to see if he could get a treasure, Ye Chen hoped that he could get a treasure that was so good and so good.

"Yuechan, we have to get something so good" Ye Chen told Chu Yuechan.

"I understand" Chu Yuechan understood, she came out to accompany Ye Chen.

"You finally decided to come out, haven't seen you for quite a while" Ye Chen said to Chu Yuechan.

Ye Chen hadn't seen Chu Yuechan's figure for a long time.

"What's wrong? Are you so interested in the figure I have?" Chu Yuechan asked Ye Chen, she seemed to be teasing Ye Chen by using her words.

Ye Chen just smiled when he listened to what Chu Yuechan said.

"That's absolutely true" Ye Chen said, hugging Chu Yuechan's waist.

Chu Yuechan was surprised by what Ye Chen did.

"master, you are still naughty as usual," Chu Yuechan said to Ye Chen.

"You are the one who has been with me the longest, you of course know I don't" Ye Chen said to Chu Yuechan.

"You pervert" Chu Yuechan said to Ye Chen.

Ye Chen and Chu Yuechan joked they enjoyed this moment so much.

When they almost reached the top, Ye Chen saw several strange creatures.

"Monsters?, their shapes are quite strange" Ye Chen said to Chu Yuechan.

"it's a monster created by using someone's power" Chu Yuechan said to Ye Chen.

Chu Yuechan said that it was a monster made by someone.

"So that's how it is, I understand" Ye Chen understood, he understood what Chu Yuechan was saying.

"If we eliminate them, that means the person controlling them will know about us?" Ye Chen said.

"That's absolutely true," Chu Yuechan agreed, if Ye Chen destroyed them, the person behind all this would immediately know about it.

"Then we just need to go in without destroying it" Ye Chen said to Chu Yuechan.

"good idea" Chu Yuechan agreed with Ye Chen's idea, it was a pretty good idea to enter without being discovered.

Ye Chen and Chu Yuechan must first know what they are planning, by knowing this, Chu Yuechan and Ye Chen can take the necessary action.

Ye Chen and Chu Yuechan sneaked inside.

After they sneaked inside, they found several people doing something.

"a ritual?, no, they are absorbing the essence of this entire place, all plants and living things die, it's not strange" Ye Chen understood, he seemed to understand what was happening right now.

"They want to control this place and make the place around dry" Chu Yuechan said to Ye Chen.

"You are absolutely right" Ye Chen also understood this, he knew what they were planning.

It's not strange that the surroundings become so dry, this is the reason.

"Yuechan, where is the treasure you said before?" Ye Chen asked Chu Yuechan.

"I think it's around this place, in that direction" Chu Yuechan pointed to a road.

"very good, they are busy, let's start" Ye Chen said to Chu Yuechan.

"I understand" Chu Yuechan understood, they were all busy, so this was such a good time for Ye Chen and Chu Yuechan.

Ye Chen and Chu Yuechan entered the door, they flew towards the end.

When Ye Chen arrived, he saw some good objects, all were scattered, and there was a black aura around the place.

"It looks like it's bad" Chu Yuechan said to Ye Chen.

Chu Yuechan could see that there was something bad around this place.

Ye Chen also understood what Chu Yuechan said, he understood that there was an object that gave off such a terrifying aura.

Ye Chen looked around, he looked around for objects that gave off a terrifying dark aura.

After Ye Chen searched for some time, Ye Chen found it, he found an iron barrel that gave off a dark aura.

"Hmmm . . ., what is this, do you know what this is?" Ye Chen asked Chu Yuechan.

"Don't know, I don't know what it is?" Chu Yuechan said to Ye Chen.

Chu Yuechan didn't know about this thing, she had never seen it, and there was no record.

"I've never seen it, what's in it?" Ye Chen asked Chu Yuechan.

"I think it's quite bad" Chu Yuechan felt that it was quite bad, from the aura alone, Chu Yuechan didn't like it, in her opinion, the aura of the thing was so bad and made her uncomfortable.

Ye Chen didn't feel anything, it was probably because of his high-level usage of darkness.

Ye Chen tried using God's Eyes, he could see what was inside.

"A strange liquid" Ye Chen could only see the black liquid inside the object, it was quite strange and felt dangerous.

"Let's ignore that difference and look for something else" Chu Yuechan said to Ye Chen.

"I understand, ignore this thing and start to take what is around" Ye Chen said to Chu Yuechan.

Ye Chen started to take several kinds of things, here there were weapons and some artifacts, everything in this place were such fine treasures.

Chapter 3026 Time Zone Ring

Ye Chen didn't find any pills or something, so took all such good artifacts.

"Yuechan, what is this ?" Ye Chen asked Chu Yuechan.

Ye Chen just found such a good thing.

So it wasn't strange that he asked Chu Yuechan about the matter.

"That . . ." Chu Yuechan looked at the ring on Ye Chen's hand, a very rare object.

"master, that is a Legend Tier artifact, Time Zone Ring" Chu Yuechan said to Ye Chen.

"Time Zone Ring?" Ye Chen looked at it, he wanted to know what the function of this object was.

"Time Zone Ring, an artifact that can affect the time around the user, it can slow down enemies in the surrounding area."

"The stronger you are, the wider the range of the attack will be," said Chu Yuechan.

Chu Yuechan said to Ye Chen.

"This seems good, then I will use it" Ye Chen said to Chu Yuechan.

Because Ye Chen felt this was quite good, he would try to use it.

"let's try the effect" Chu Yuechan said to Ye Chen, she told Ye Chen to try the effect.

"Okay, I'm ready" Ye Chen said he would try to use it.

Ye Chen gathered his profound energy and used the Time Zone Ring.

When Ye Chen did this, everything around Ye Chen became much slower.

"It works, Yuechan, what do you think" Ye Chen asked Chu Yuechan.

Chu Yuechan looked silent, she did not answer.

Chu Yuechan seemed to slow down, too, it seemed this also affected Chu Yuechan's strength and abilities.

"So that's how it is, it also has an effect on her, very interesting" Ye Chen smiled, it seemed like he could do everything he wanted to Chu Yuechan.

Chu Yuechan's movements were quite slow, it was like slow motion.

Ye Chen's profound energy was sucked away quite quickly, even though he had such great abilities, his use of profound energy was truly too wasteful.

"it's okay, it can help a lot in battle" A weakness is still a weakness, the important thing is, it can help quite a lot.

Before that, Ye Chen used Chu Yuechan, he pinched one of Chu Yuechan's double peaks, Ye Chen wanted to see a cute reaction from Chu Yuechan.

Ye Chen canceled the effects of the Time Zone Ring.

After Ye Chen canceled it, Chu Yuechan finally returned to normal.

"ahh . . ., what are you doing ?" Chu Yuechan felt the effects.

For Chu Yuechan, Ye Chen became so fast that she couldn't see the movements made.

"master you" Chu Yuechan said to Ye Chen.

she covered her two beautiful peaks using her hands.

Chu Yuechan seemed annoyed by what Ye Chen did,

"Hehehehehe" Ye Chen chuckled and enjoyed it, she was so happy with what happened.

"That was really fun" Ye Chen said to Chu Yuechan.

Ye Chen told Chu Yuechan that this was fun.

"It's not funny, the power of the Time Zone Ring is so great, I didn't expect the effect to be like that" Chu Yuechan said to Ye Chen.

Chu Yuechan felt that it was a good item, as long as Ye Chen could use it well, it would be very useful in battle.

"I think this is much more useful besides fighting" Ye Chen said to Chu Yuechan.

"Your thoughts are so evil, you want to use this on women, you are truly an enemy of women" Chu Yuechan understood what Ye Chen was thinking.

Ye Chen smiled, as expected of Chu Yuechan, she immediately knew what Ye Chen was thinking.

"let's look around," Ye Chen said to Chu Yuechan.

"Come on" Chu Yuechan didn't mind, she was happy with what Ye Chen wanted.

After Ye Chen got one of the pretty good things here, Ye Chen immediately went to look around.

"huh" Ye Chen felt something behind him, he quickly destroyed what was behind him.

Ye Chen launched an attack and took Chu Yuechan by surprise.

"What are you doing?" Chu Yuechan asked Ye Chen.

"there is something behind us" Ye Chen said to Chu Yuechan.

Ye Chen told them that there was something behind them.

"What is that, I don't feel that" Chu Yuechan said to Ye Chen, she didn't feel anything.

"it hides itself so well," Ye Chen told Chu Yuechan.

"ahh . . ." Chu Yuechan understood, she was starting to feel it.

"Such good ability, what kind of monster is this?" Chu Yuechan could finally feel it.

The figure of a monster riding a dog appeared in front of Ye Chen and Chu Yuechan.

Its face was really ugly, and this monster looked at Ye Chen with a scary look.

"what exactly is this person, the taste they have is so bad," Ye Chen said to Chu Yuechan.

"You're right, I almost threw up under my armpits when I saw it" Chu Yuechan agreed with Ye Chen's words.

"It looks like they have found our whereabouts," Ye Chen told Chu Yuechan.

Their whereabouts had been discovered, they might no longer be able to escape.

"So we have been found" Chu Yuechan also understood, they had been found, and now they could no longer escape from this place.

"who are they" The people who previously performed the ritual had come, they looked towards Ye Chen and Chu Yuechan.

"intruders, they are trying to take the things we have" They seemed annoyed when they saw Ye Chen take the things they had.

"they are angry" Ye Chen said to Chu Yuechan.

"You have to do something" Chu Yuechan said to Ye Chen.

"beat them all?" Ye Chen said to Chu Yuechan.

"that is one good way" Chu Yuechan agreed, defeat them all and leave this place.

"I understand" Ye Chen understood, he immediately fought the enemy.

Chu Yuechan would take care of the dog-riding monsters.

The monster fought Chu Yuechan.

It tried to bite Chu Yuechan using teeth that were so sharp and so strong.

"Shut up you dog" Chu Yuechan said to the dog in front of her, she used the power of the wind and stepped on the dog until it died.

The monster riding the dog of course, fell and fell.

"Roar. . ." The monster was angry with Chu Yuechan, who had dared to kill his pet.

He advanced towards Chu Yuechan and started attacking Chu Yuechan using his full strength.

This monster had a spear that was so long and sharp that the weapon aimed at Chu Yuechan.

Chu Yuechan stretched out her finger and blocked the attack.

Chu Yuechan only needed one finger to stop the opponent's attack.

Because Chu Yuechan's opponent was a monster, she didn't react and continued trying to push Chu Yuechan.

"It's not much fun fighting a monster like you, I'll crush you quickly," Chu Yuechan said.

Chu Yuechan immediately destroyed the monster in front of her.

A wind centered on Chu Yuechan's finger advanced toward the enemy.

The wind rotated at high speed and created wind blades, the monster's spear weapon started to become fragments and looked like it was being eaten.

The wind continued to advance, destroying the monster's body in front of Chu Yuechan until nothing remained.

In just a short time, the monster was destroyed by Chu Yuechan.

"finished" Chu Yuechan's was finished, the monsters here were much weaker than she had imagined.

On the other hand.

Ye Chen fought with a mysterious group of people.

Ye Chen didn't know who they were, even though he didn't know who he was currently fighting, Ye Chen saw that they had very good abilities and were very skilled.

"Their abilities and strength are not ordinary" Ye Chen finally realized that their abilities and strength were not ordinary.

Chapter 3027 Cheng Du From The Limitless Sect

The abilities they have are strange and not easy to guess.

"You are so brave to enter our sect's secret place, you will be destroyed" they said to Ye Chen.

They said that Ye Chen would be destroyed.

"Who will be destroyed, is it me or you" Ye Chen said to them.

"you will be destroyed" they said to Ye Chen.

Ye Chen who would be destroyed, could easily eliminate Ye Chen if they wanted to.

In terms of strength, they were much stronger and much deadlier than Ye Chen.

So it's not strange that they are confident in eliminating Ye Chen from this world.

"Master, it looks like they are confident in defeating you" Chu Yuechan said to Ye Chen.

"You have done?" Ye Chen said to Chu Yuechan.

It seemed that Chu Yuechan was finished.

"those monsters are not strong, in fact they are much stronger" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that those in front were much stronger.

"You might be right" Ye Chen agreed those in front of him were much stronger.

"What is the name of this sect?" Ye Chen asked.

"This is the limitless sect," they told Ye Chen about the name of their sect.

"and you will be buried in one of our temporary stops" they said to Ye Chen.

"temporary stopover?" Ye Chen asked.

"That's right, we are absorbing the core of this star, once finished, this star will die" they said to Ye Chen.

"What they previously did was suck out the essence of stars in this place.

It wasn't strange that Ye Chen felt something when they did this.

"This star is just a small star, why do you bother" Ye Chen told them.

"That's precisely it, small stars are easier, because not many people can fight us" they said to Ye Chen.

They only targeted small stars like this, apart from being easy, it would not arouse other people's suspicions.

"Don't you feel sorry for the people who live nearby?" Ye Chen asked.

Ye Chen felt sorry when he saw the people living around this place would be affected.

"We don't care about small things like that" they couldn't possibly care about the lives of the weak.

To top-level cultivators, weak people were useless grass.

"You guys are quite shameless," Ye Chen said to limitless sect.

"I don't care about that, my name is Cheng Du, I will destroy you" He said to Ye Chen.

Cheng Du wanted to destroy Ye Chen in this place, the two of them had dared to enter and had to suffer the consequences.

"Yuechan . . ." Ye Chen said to Chu Yuechan.

"what are your orders?" Chu Yuechan asked Ye Chen.

"close all their escape routes, they must not be allowed to escape" Ye Chen said to Chu Yuechan.

"I understand, I will help you" Chu Yuechan started to help Ye Chen, she just left and closed the door.

"what are you going to do?" Cheng Du asked Ye Chen.

What will Ye Chen do now?

"I will destroy you" Ye Chen used such strong words of provocation.

Cheng Du and all the members of the limitless sect would be angry with the provocation words issued by Ye Chen.

"You bastard, I will kill you" They started killing Ye Chen.

They use attacks and also summon strange monsters.

They seemed to be summoners, their ability to summon monsters was great.

Ye Chen flicked his finger.

When Ye Chen did this, this place turned into a sea of silver flames.

"What ?" they were all shocked when they saw what was happening around them.

"This is the time to be serious, I hope you are ready" Ye Chen said.

Ye Chen used one of his techniques.

This place was surrounded by fire, plus outside, Chu Yuechan was also guarding all the exits, there was no chance for them to escape from this place.

"There is only one path you can take now, against me" Ye Chen said.

Ye Chen strengthened the Heavenly Silver Flame, it spread out and created a solid defense all around.

All of them had never seen silver flames like this.

This could be said to be the first time they saw the silver flames that Ye Chen possessed.

"Everyone, you have to be calmer" Cheng Du asked everyone.

He wanted everyone to be more and more calm.

They had to be calmer if they wanted to win against Ye Chen.

According to Cheng Du, this is one of the keys to victory.

Cheng Du is so good he can still be calm after the battle against Ye Chen.

Ye Chen didn't care too much, he took a step forward towards the opponent.

When Ye Chen had just taken a step forward, he was immediately attacked by countless monsters created by the limitless sect.

Ye Chen used Heavenly Silver Flame.

When Ye Chen used Heavenly Silver Flame, the monster burned and disappeared.

"What ! ! !" some people panicked when they saw what Ye Chen did.

What Ye Chen did was enough to make everyone feel scared.

Cheng Du gritted his teeth, he was having trouble when facing Ye Chen.

"This person's strength, what the hell, why is someone quite strong around this place?"

According to Cheng Du's estimation, there wasn't anyone that strong around this place, so Ye Chen shouldn't be from this place.

"Why are you interfering in our affairs? You are not from this place?" Cheng Du said to Ye Chen.

"Why? that's because I can't see anything evil happening, as long as I'm in this place, I won't let you guys" Ye Chen answered.

"Just because of something like that, you are such a naive" Cheng Du said to Ye Chen.

Ye Chen was too naive, he did something like that just because of that, Cheng Du couldn't say anything anymore after listening to what Ye Chen said.

"We have to kill him quickly" Cheng Du said to everyone.

They had to kill Ye Chen quickly otherwise they would be killed by Ye Che.

"Understood" they all immediately understood, they immediately set up a sect formation to summon the Sect's ancestor monster.

They started chanting a strange spell, after which black wisps appeared.

Like a terrifying-looking black dragon, a giant monster appeared before Ye Chen.

The black dragon that was summoned had an aura that was so strong and so terrifying, this aura was enough to make a cultivator at Ye Chen's level feel afraid.

"they are still a sect at a fairly high level" Ye Chen could see that they were at such a high level, so it wasn't strange that they could summon such powerful and powerful monsters.

"Okay, I'll try to use the Time Zone Ring" It seems like this is the best time to use the Time Zone Ring.

Ye Chen activated the Time Zone Ring, and instantly everything around Ye Chen became slow.

"Okay, it works for them" Ye Chen stepped forward, hitting one of the enemies quite hard.

The person was flying at a slow speed, the important thing was that Ye Chen had dealt a fatal blow to them.

After that, Ye Chen continued to fight them one by one using the same method.

They were all hit by Ye Chen.

Now, only Cheng Du is left.

Chapter 3028 Forcing Cheng Du To Eat The Death Mist

"Hehehehe, now it's just you" Ye Chen said to Cheng Du.

Cheng Du probably wouldn't be able to listen to what Ye Chen said.

"pah. . ." Ye Chen slapped Cheng Du quite hard, after this, Cheng Du's cheeks would swell.

After slapping Cheng Du a few times, Ye Chen canceled the effect of the Time Zone Ring.

"Arghhh" After Ye Chen canceled the effect of the Time Zone Ring, Cheng Du and everyone immediately flew away, and they felt intense pain.

"Damn it, you dare to take our treasure" Cheng Du was very annoyed when he saw that Ye Chen had taken such a valuable object.

"I just picked it up, I didn't mean it like that" Ye Chen said to Cheng Du.

Ye Chen made an innocent face, to fight shameless people, Ye Chen also had to be shameless.

"Damn" Cheng Du was so angry with Ye Chen he couldn't forgive what Ye Chen had done.

"I can't forgive you for what you have done" Cheng Du said to Ye Chen.

After Cheng Du said this, he immediately made himself bigger and stronger.

Cheng Du began to change, he merged with the black dragon and became a terrible monster.

"I will boil you" Cheng Du said to Ye Chen.

Once this battle is over, Cheng Du will boil Ye Chen into hot oil.

"oh, are you serious" Ye Chen said to Cheng Du.

"Of course, do you think I'm joking, Cheng Du said angrily. "Cheng Du was angry with Ye Chen, he was so angry with what Ye Chen did.

Ye Chen had humiliated him to the point of taking the Sect's property, Cheng Du of course, couldn't accept this.

"I thought you were joking or messing around, to be honest, I can't see your face from here" Ye Chen said to Cheng Du.

Ye Chen couldn't see Cheng Du, so it wasn't strange that he said that to Cheng Du.

Cheng Du had now become a monster, he was scarier than before.

So ordinary people couldn't tell whether Cheng Du was making an angry reaction or not.

Because he is now scary and looks like a bloodthirsty monster.

"Bastard, you are mocking me" Cheng Du finally realized that Ye Chen was mocking him.

Cheng Du advanced towards Ye Chen, his movements were really fast.

In just a few milliseconds, he arrived near Ye Chen and launched a fairly powerful attack towards Ye Chen.

"Time Zone Ring" Ye Chen used the Time Zone Ring to slow down time, Cheng Du's movements began to slow down, opening up the opportunity for Ye Chen to retreat.

The Time Zone Ring was so good, it was very useful for Ye Chen.

Just when Ye Chen thought that he could get away so easily, Ye Chen saw something strange happen.

He saw that Cheng Du moved faster, and his sword reached Ye Chen.

Ye Chen was well aware of this and could dodge the attack.

Ye Chen was a little surprised to see this.

Under the power of the Time Zone Ring artifact, Cheng Du would not be able to move.

"Hmmm . . ." Ye Chen finally realized something, this artifact only slowed down time around him, as long as the person moved at high speed, then he would move in a normal way.

"So that's how this thing works, I finally understand" Ye Chen began to understand, this is such a good artifact, even though there is a slightly glaring weakness.

Not all things are perfect, there must be a weakness in every object in this world.

Ye Chen just discovered it and knew what to do.

"If it's like that, I must be faster than the enemy.

With Ye Chen's speed and also the Time Zone Ring, Ye Chen would be invincible, he shouldn't be too relaxed when using the Time Zone Ring because it could be fatal if he met someone with high speed like Cheng Du.

"Thank you very much, because of you I started being able to use the Time Zone Ring" Ye Chen thanked Cheng Du.

"impossible, how would you do something like that?" Cheng Du asked Ye Chen.

How could Ye Chen do something like that, in just such a short time, Ye Chen was able to learn the Time Zone Ring.

"Let's start" Ye Chen used the Time Zone Ring again, this time, he targeted the enemy's position using Cheng Du.

Cheng Du couldn't see Ye Chen, and when he came to his senses, Ye Chen hit him.

"Impossible" Cheng Du was hit in the face by Ye Chen, who could accept that Ye Chen hit him.

"fucker, I will kill you," Cheng Du said to Ye Chen.

Before Cheng Du could finish his words, Ye Chen appeared and immediately kicked Cheng Du in the head again.

This continued to be repeated several times, and blood filled Cheng Du's head.

"This is impossible, I can't possibly lose" Cheng Du came from a top-class sect, there was no way he would lose to Ye Chen.

"How? Did the blow I delivered feel like you?" Ye Chen asked Cheng Du.

"Bastard," Cheng Du tried to get up.

He seemed unable to get up because of his injuries.

The oppressive aura within Cheng Du's body began to fade, his strength was weakening after receiving several heavy blows from Ye Chen.

"Boom. . ." Cheng Du used the remaining strength he had and made an explosion.

"I don't care about the price I have to pay, I will kill you" Cheng Du said to Ye Chen.

Ye Chen had forced Cheng Du into the current situation, he no longer cared and wanted to destroy Ye Chen and this place.

Cheng Du's "death breath explosion" uses condensed dragon breath, if this explodes it will create a mist that destroys everything it touches.

Even the ground will melt when it comes into contact with the mist.

it exploded, and black mist started to spread around Ye Chen.

Ye Chen used the power of the wind to gather the mist into a ball.

"What?" Cheng Du couldn't believe what was happening. Ye Chen had just taken the dragon's breath of death.

How could Ye Chen do that kind of thing?

This was the first time Cheng Du saw this.

"I'm returning this to you" Ye Chen said to Cheng Du.

Ye Chen returned this to Cheng Du.

He forced Cheng Du to swallow it back.

"Bastard, what are you doing?" Cheng Du said to Ye Chen.

"Forcing you" Ye Chen forced Cheng Du, he made Cheng Du swallow the black mist back.

"Damn it, I don't want to do that" Cheng Du refused, he didn't want to do that.

Ye Chen continued to force, and Cheng Du finally swallowed the terrible thing.

"Arghhhh. . ., bastard" Cheng Du was so angry, he was so annoyed by what Ye Chen had done.

"cough . . ." Cheng Du's body started bleeding, blood came out from various places.

"Oh, does that affect you" Ye Chen said to Cheng Du.

"Bastard, how dare you do that to me, I won't let you go. . ., cough . . ."The blood wouldn't stop, it continued to gush out profusely and Cheng Du's body started to melt.

In the next second Chen Du became a disgusting black puddle.

"Their leader has fallen, now they will no longer dare" Ye Chen had defeated Chen Du.

That means they no longer have a leader.

Chapter 3029 Fight Slime That Eats Everything

"crack . . ." Some time later, Ye Chen heard something breaking.

Ye Chen immediately turned his head to find out what object had just broken. When Ye Chen finished looking, he found that the jar was broken.

Inside that object was a very scary liquid.

Ye Chen himself didn't even know what was inside this object.

"You will be destroyed" one of the sect members said to Ye Chen, he told Ye Chen that he would be destroyed.

"What are you doing ?" Ye Chen said to the man in front of him.

"Boom," Ye Chen heard a sound that was so strange and mysterious.

Outside the lightning, they seemed to be raging.

Strange phenomena began, possibly because the urn had just been destroyed.

"This is the most terrifying and terrifying monster that has ever existed, you will feel fear" he said to Ye Chen.

"What is the meaning of the words you said to me" Ye Chen asked.

"hahaha, you will soon know about this" he said to Ye Chen, Ye Chen would soon know what happened.

A few moments later, the person was swallowed by the black liquid on the floor, a figure appeared in front of Ye Chen.

A black figure with muscles that are so big and so strong.

"especially now" This Sect had quite a lot of strange items and it made Ye Chen helpless.

"master" Chu Yuechan came to Ye Chen, she felt that there was something to Ye Chen.

"I'm fine" Ye Chen said to Chu Yuechan.

Ye Chen was fine, he had just encountered a fairly strong monster.

"That monster?" Chu Yuechan seemed to know about the monster.

"do you know" Ye Chen asked Chu Yuechan.

"I know" Chu Yuechan said that she knew what kind of monster it was.

"tell me" Ye Chen said to Chu Yuechan.

"it's a predatory slime, it will eat all things and become stronger" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen about predatory slimes.

A monster that can become stronger after eating something.

"The more he eats, the stronger and more invincible he will become" Chu Yuechan explained to Ye Chen.

Chu Yuechan said that the monster could become much stronger than anything else.

As long as he eats all the objects around him.

Predatory slimes started eating everything around them, some artifacts were eaten quickly.

"Damn, this monster, how dare he eat artifacts here" Ye Chen seemed angry, the objects in this place should be his.

"I will stop it" Ye Chen said to Chu Yuechan.

"Be careful, don't get eaten" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen not to eat it.

"I won't be eaten, I will eat it" Ye Chen said to Chu Yuechan.

Ye Chen attacked the predatory slime.

He burned the predatory slime using fire.

"Slurp . . ." Ye Chen's profound fire being devoured, that was naturally unacceptable.

"so he can absorb elements too, a monster that can devour all things" predatory slime can eat all things, so Ye Chen has to find a way to defeat predatory slime.

Chu Yuechan helped Ye Chen, she used a wind blade attack and started cutting the predatory slime into several pieces.

With Chu Yuechan's attack speed, she easily chopped up the predatory slime.

"Very good, now it's my turn" Ye Chen used Hell Prison.

After that, Ye Chen burned the predatory slime until it became ashes.

Ye Chen used quite a large fire, which could easily destroy the predatory slime.

"did it work?" Chu Yuechan was still alert, she was protecting Ye Chen.

"Not good" Ye Chen canceled Hell Prison, after Ye Chen canceled Hell Prison, the predatory slime figure reappeared in front of Ye Chen with his body still in good condition and not damaged.

"It doesn't work" Ye Chen and Chu Yuechan saw that their attack didn't work.

The predatory slime was still quite healthy and did not receive any damage from Ye Chen and Chu Yuechan's attacks.

The predatory slime moved, he started to show his power and attacked Ye Chen.

Ye Chen defended and prepared to receive the upcoming attack.

"Bamm . . ." Ye Chen's body retreated when he received the blow from the predatory slime.

The blow launched by the predatory slime was strong enough to make Ye Chen retreat.

"His strength, it seems his cultivation is quite high." To make Ye Chen what he is today, the predatory slime in front of him must be quite strong.

"roar . . ." he continued to attack Ye Chen, and thousands of attacks were launched toward Ye Chen.

Ye Chen withstood thousands of blows, but Ye Chen still couldn't find an opening to attack the predatory slime.

Chu Yuechan intended to help Ye Chen, she couldn't let Ye Chen get beaten like that.

"Don't do it" Ye Chen said to Chu Yuechan.

"? ? ? ?" Chu Yuechan was confused when listening to Ye Chen's request.

"What is Ye Chen trying to do now, why did he choose to defend and not attack?"

Ye Chen was gathering his strength.

After Ye Chen gathered all his strength, he would attack the enemy.

"Boom. . ." Ye Chen finished charging, he immediately released the power of True God power.

By using the power of True God power, Ye Chen's strength became so extraordinary.

"Boom. . ." Ye Chen launched a strong attack, destroying part of the predatory slime's body.

The body of the predatory slime begins to regenerate.

It seemed like normal attacks would not affect the opponent.

"If normal attacks have no effect, then I will use Dimension Breaker."

Right now, Ye Chen only had one way to deal with the opponent in front of him.

Using a dimension breaker and creating a void abyss is one way Ye Chen can defeat the predatory slime.

"Crack . . ." Ye Chen destroyed the dimension and created a Void abyss.

After Void abyss appeared.

Ye Chen brought the predatory slime into the Void abyss.

The predatory slime struggled and wanted to get away from Ye Chen.

Void abyss started eating predatory slime, even though it can eat all kinds of things in this world, predatory slime cannot survive being eaten by Void abyss.

Now the predator has become the prey, the Void Abyss destroys the predatory slime without any remains.

Chu Yuechan saw what Ye Chen did, what Ye Chen did was very clever.

"You did it" Chu Yuechan said to Ye Chen.

Ye Chen did so well.

"I finally found a way, a little confused at first" Ye Chen said to Chu Yuechan.

"The most important thing is that you have succeeded, which is very great," Chu Yuechan said to Ye Chen.

Chu Yuechan acknowledged Ye Chen, Chu Yuechan couldn't even think about it.

"But when you destroy the monster in the Void Abyss, everything it swallows is also destroyed," said Chu Yuechan.

"It's hard to beat him, it's better to let it go," said Ye Chen.

"You're right, compared to our safety, it should be nothing" said Ye Chen.

"let's restore this place" Ye Chen said to Chu Yuechan.

Ye Chen had already decided to help with the recovery of this place.

This place needs to be restored after the essence of this place was sucked out by these people for personal gain.

Chapter 3030 Meet Nanlan Lia

Ye Chen and Chu Yuechan working together, it was quite difficult to recover this place.

The two must work together to restore this place to how it was before.

This would require so much profound energy.

Ye Chen himself didn't matter, Chu Yuechan might have a little difficulty in this matter.

"I'm fine" Chu Yuechan said to Ye Chen.

"Don't force yourself" Ye Chen said to Chu Yuechan.

Ye Chen was worried about Chu Yuechan's condition later, so he told Chu Yuechan not to force herself.

Chu Yuechan felt warm when she listened to Ye Chen's words, she wouldn't force herself.

Ye Chen and Chu Yuechan needed three days to recover part of this place.

Some trees and plants are starting to bud, at least the land around this place can recover as before.

This place should be safe enough to live in and will recover over time.

"We can't continue living here" Ye Chen said to Chu Yuechan.

"You are absolutely right" Chu Yuechan agreed with what Ye Chen said.

They couldn't continue staying in this place and had to leave this place immediately.

"Time is getting closer, you have to get there" Chu Yuechan said to Ye Chen.

"Just relax, I'm not in a hurry," Ye Chen said to Chu Yuechan.

"You are so relaxed, are you confident enough" Chu Yuechan said.

"I don't know," Ye Chen said to Chu Yuechan.

He had not seen Yin Zeniyu, so Ye Chen would not be able to conclude whether he was able to fight or not.

"This will probably be the fiercest battle you will face, the opponent you have has a blessed body" said Chu Yuechan.

"Honestly, I'm not worried about this problem." Ye Chen said that he was not worried about this problem.

He was more curious about Shui Yixian's condition than Yin Zeniyu.

"So that's how it is" Chu Yuechan understood what Ye Chen was thinking, Ye Chen was definitely thinking about Shui Yixian.

On this trip, Ye Chen honed his abilities and strengths a little.

He was still stuck at level eight of the Immortal God Realm, it was a little difficult to improve in strength right now.

Even with the help of Chu Yuechan and the others, he was still struggling.

Ye Chen had to look for something to be able to break through to the next world, he didn't want to continue being stuck at this level.

"I might have to make a seven-colored True pill," Ye Chen thought about making a high-level pill.

"I think it's a little difficult" Chu Yuechan said.

All the materials needed are so rare, there are seven different materials.

Each of them will be very expensive and also very difficult to find.

Even Chu Yuechan had never seen it.

"Then let's find out, I think I'll go where the information is" Ye Chen said to Chu Yuechan.

To get this, Ye Chen intends to go looking for information.

Even if it costs quite a lot, Ye Chen will do it.

Ye Chen went to a high-ranking star, it would be easier to get a high-level information network.

Ye Chen asked about this place, when Ye Chen asked about this place, he was shown a pretty good place.

"This place is good, it looks like getting information here will be quite expensive" Ye Chen said to Chu Yuechan.

"You are not short of money, don't be so stingy" Chu Yuechan said.

Chu Yuechan told Ye Chen not to be stingy, he had quite a lot of money now.

"I was just joking" Ye Chen said to Chu Yuechan.

Ye Chen was not short of money, nor was he such a stingy person.

Ye Chen entered, and when Ye Chen just entered inside, he was already greeted by several people.

They asked about Ye Chen's current needs.

Ye Chen told him what he needed.

After knowing what Ye Chen wanted, they immediately took Ye Chen to a place, because the information here was confidential, they provided a room for guests so that other people couldn't hear it.

Apart from that, this place also holds secrets after the conversation.

"Sir you can wait here, we will find someone who will help you" he said to Ye Chen.

After leading Ye Chen into the room, the man left.

Ye Chen waited a moment, this might take a long time because Ye Chen was not the only one in this place.

There were several other people in this place, too.

"Click . . ." A few moments later, someone finally opened the door, the person who opened the door was a beautiful woman.

"This woman. ." Ye Chen immediately recognized this woman, he had met this woman.

If Ye Chen is not mistaken, she is Nanlan Lia, in God Realm, she also often gives a little information to Ye Chen, is it possible that this woman works in this place, that is a possibility that is happening.

"You?" Nanlan Lia was surprised when she saw Ye Chen, why was Ye Chen in this place?

"Why are you in this place?!" Nanlan Lia asked Ye Chen.

"Am I not allowed to be in this place?" Ye Chen said to Nanlan Lia.

"It's really surprising to see the king of God Realm in this place," said Nanlan Lia.

Nanlan Lia was one of the people who knew Ye Chen's strength, as one of the people who came from the God Realm, she of course knew Ye Chen and his identity.

"Interesting, meeting an old acquaintance," Ye Chen said to Nanlan Lia.

Ye Chen didn't expect that he would meet an old acquaintance.

Nanlan Lia sat in front of Ye Chen, this woman's attitude was quite elegant.

"So what do you want?" Nanlan Lia didn't ask much about money.

The strength of this person in front of her was great, he couldn't lack money.

With Ye Chen's resources, he could do everything, a piece of information would not be too expensive for Ye Chen.

"I want to know a few things from you" Ye Chen said to Nanlan Lia.

"Um. ." Nanlan Lia nodded, she would listen to Ye Chen.

"first, I want to know about the ingredients and location of the seven colored True pill, do you guys have any," Ye Chen asked Nanlan Lia.

"we have information" Nanlan Lia said to Ye Chen, they could of course help Ye Chen about this matter.

"Secondly, I want to know what the condition of the people from God Realm is, I never heard about this matter?" Ye Chen asked.

"You really want to know about this matter?" Nanlan Lia asked Ye Chen.

Nanlan Lia wore a helpless face when she heard this.

"Why did you react like that?" Ye Chen asked Nanlan Lia.

"I will say honestly, during these 3 years, the number of people who can survive in this place is only $\frac{1}{2}$ of the people who have ever entered" Nanlan Lia answered Ye Chen.

"Only $\frac{1}{2}$ left, how is that possible? Aren't there so many people coming here?" Ye Chen asked Nanlan Lia.

"A lot was going on, to be honest, they all got into trouble and got killed, do you know why they did that?" Nanlan Lia asked Ye Chen.

"I don't know, please explain to me" Ye Chen asked Nanlan Lia to explain everything to him.

"That's because they can't adapt in this place, in God Realm they may be the strongest and best, but in this place, they are nothing and can easily be killed" Nanlan Lia explained to Ye Chen.

"That's very true, everyone in this place is so strong, they won't be able to survive" Ye Chen understood, their situation was like that, they couldn't accept staying in this place yet.

"What about your situation?" Ye Chen asked Nanlan Lia.
