

True God 3031

Chapter 3031 Huh? Why Does It Have To Be Me?

"Very good, I really enjoy my work" Nanlan Lia said to Ye Chen.

Nanlan Lia quite enjoys the job she has.

The treatment here is quite good ,and Nanlan Lia enjoys it.

"what about your position ?" Ye Chen asked Nanlan Lia.

"Not very good," Nanlan Lia said, saying her position was not very good.

She was not part of the upper-class people who controlled information.

Compared with before, this is a decline.

"So you are not one of the superiors" Ye Chen said to Nanlan Lia.

"I still have a long way to go" Nanlan Lia said to Ye Chen.

Nanlan Lia told him that she still had a long way to go, she had to do it well.

"What a shame" Ye Chen said to Nanlan Lia.

Ye Chen felt that Nanlan Lia's talent would be wasted if she continued to stay in this place.

"What do you mean" Nanlan Lia asked Ye Chen.

she wanted to know the meaning of Ye Chen's words.

"What a coincidence I have a great place, want to join?" Ye Chen said to Nanlan Lia.

"Nice place, it's only three years after we landed here, is it possible for you to make a place even nicer than this?" Nanlan Lia asked Ye Chen.

Nanlan Lia knew Ye Chen's abilities, and even though she knew, Nanlan Lia wasn't too sure that Ye Chen could compete with a place that had been around for millions of years, that was a very difficult thing.

After Nanlan Lia was here, she began to understand and knew it was impossible.

"Do you doubt my strength?" Ye Chen said to Nanlan Lia.

"No, you are indeed great, but this place is much stronger than what you imagine, information and strength are not weak, even the top in this place is very strong" Nanlan Lia explained to Ye Chen.

"Is that so? Then I want to see it" Ye Chen used his strength, and he tried to find Nanlan Lia's superior.

"? ? ? ?" Nanlan Lia didn't know what Ye Chen was trying to do.

"so that's how it is" Ye Chen finally knew who the most powerful person in this place was.

"is at the fifth level of the Immortal True God Realm, not too bad for a top-ranking star" said Ye Chen.

"Eh ?" Nanlan Lia was surprised when she heard what Ye Chen said.

How could Ye Chen possibly know this?

Nanlan Lia herself had not told Ye Chen about this matter.

So how did Ye Chen know this?

"How do you know that?" Nanlan Lia asked Ye Chen.

"With a little trick, I can do it" Ye Chen said to Nanlan Lia.

Ye Chen used spirit sense, he used this to detect the presence of the most powerful person, the most powerful person in this place was at the fifth level of the Immortal True God Realm.

So it must be the person, even though he hasn't seen it, Ye Chen can know this.

"You are great" Nanlan Lia said to Ye Chen.

Nanlan Lia acknowledged Ye Chen's ability, perhaps only Ye Chen could do this in just three years.

"Thank you for the compliment" Ye Chen smiled.

Nanlan Lia glanced at Ye Chen.

When Ye Chen smiled, he was so kind, Nanlan Lia couldn't possibly stand it.

Even for Nanlan Lia, who had seen everyone in the world, she still had to admit that Ye Chen was so handsome and brave.

Coupled with the incident with Ye Chen, she naturally had a deep interest in Ye Chen.

"What's your decision?" Ye Chen asked Nanlan Lia.

"let me think for a moment, I can't just change my job just like that" Nanlan Lia said to Ye Chen.

"Oh, what a shame. ." Ye Chen said to Nanlan Lia.

"If I have thought about it well, I will tell you" Nanlan Lia decided to comfort Ye Chen.

"Okay" Ye Chen understood, he couldn't continue to force Nanlan Lia's wishes.

"about the seven-colored true pill?" Ye Chen said to Nanlan Lia.

"What a coincidence, someone just discovered Nanlan Lia's whereabouts, and it was leaked, you can go there to take a look," said Nanlan Lia.

"is that a finished pill?" Ye Chen asked Nanlan Lia.

"Of course" Nanlan Lia said to Ye Chen.

"If you need a real seven-colored pill, are you trying to break through your limits?" Nanlan Lia said to Ye Chen.

"of course" Ye Chen wanted to do it.

"so that's how it is, then you should take a look, maybe there will be a lot of rivals there" Nanlan Lia said to Ye Chen.

"I don't know that place, how about you be a guide" Ye Chen asked Nanlan Lia.

"Huh? Why does it have to be me?" Nanlan Lia asked Ye Chen.

"That's very good, you seem to know, it will be easy to go together with people who know" Ye Chen said to Nanlan Lia.

"I'm working, and it's impossible to do that" Nanlan Lia said to Ye Chen.

Nanlan Lia told him that she couldn't possibly do that.

"Why is it impossible? I will give you 3x the salary from this place, how about that?" Ye Chen said to Nanlan Lia.

"you're serious?" Nanlan Lia asked Ye Chen again.

"Why should I lie to you" Ye Chen would not lie.

Indeed, what did Ye Chen lie for, this man would not lie to Nanlan Lia.

Because it won't do any good.

Wanting to catch up with Nanlan Lia, was impossible, as far as Nanlan Lia remembered, Ye Chen had several top-ranking goddesses in the God Realm, so for her to be different in beauty was still a little difficult.

So Ye Chen didn't lie about this.

Nanlan Lia thought for a while.

Nanlan Lia really needs resources.

All her savings were almost gone, she had spent quite a lot cultivating in this place.

Plus, the things here were much more expensive and made things difficult for Nanlan Lia.

"I agree" This would probably be a quick trip, so Nanlan Lia quickly agreed with Ye Chen.

"Very good, please cooperate," Ye Chen said to Nanlan Lia.

"Um. . ." Nanlan Lia nodded, she would cooperate with Ye Chen on the matter.

Nanlan Lia was leaving, she was going to ask for leave, Ye Chen had also paid money for the information, so Ye Chen had no ties to this place.

After Ye Chen finished, he waited outside for Nanlan Lia.

A few moments later, Nanlan Lia came out and met Ye Chen.

"How?" Ye Chen asked Nanlan Lia.

"It doesn't matter, I'm not a special member, whether I'm here or not doesn't matter," said Nanlan Lia.

"Very good, let's go," Ye Chen said to Nanlan Lia.

After saying this, the two of them immediately left the place

Ye Chen immediately went along with Nanlan Lia to the location.

"The place we are going to visit" Ye Chen didn't know the details from Nanlan Lia

"Its name is Eternal Red River" Nanlan Lia explained to Ye Chen.

"It looks like an interesting place, let's go there immediately" Ye Chen couldn't wait, he took Nanlan Lia with him at high speed.

Nanlan Lia had no way to get out, she could only obey when being carried by Ye Chen.

"he became so strong in such a short time" Nanlan Lia said in her heart.

To be honest, Ye Chen became so strong that it was quite surprising for Nanlan Lia.

Chapter 3032 Eternal Red River

"Why are you doing this?" Nanlan Lia asked Ye Chen.

Why did Ye Chen do this, she could fly alone.

"we will save time, so you just be quiet" Ye Chen told Nanlan Lia.

Ye Chen wanted to save time, so he did this because of this problem.

"I understand" Nanlan Lia seemed to understand and didn't ask much more, she enjoyed being in Ye Chen's arms.

It looked very comfortable in Ye Chen's arms, and Nanlan Lia enjoyed it.

A while later, they finally arrived at the eternal red river.

Ye Chen looked at the ordinary river, he didn't find any strangeness around the river, and everything looked normal.

The river here is quite wide, Ye Chen wouldn't lie that this place is so wide and long.

Ye Chen might need much time to go along the entire river.

"Why is this place called the Eternal Red River, the color is still clear" Ye Chen asked Nanlan Lia.

"The color of this river is clear during the day and will turn red at night" Nanlan Lia said to Ye Chen.

"Is it because of the moonlight?" Ye Chen asked Nanlan Lia.

"Most likely, when the river is exposed to the reflection of moonlight, the river turns red, that's what I know" Nanlan Lia said to Ye Chen.

"Okay, I understand," Ye Chen understood, that was enough for Ye Chen.

"So what should we do? What about the information?" Ye Chen asked Nanlan Lia.

"We have to dive and look for it ourselves" Nanlan Lia said to Ye Chen.

"I think this will be quite deep" Ye Chen said to Nanlan Lia.

Ye Chen felt that this place would be very deep.

"You are right, this river is very deep, I think it is hundreds of miles deep," said Nanlan Lia.

This river is very deep, they have to search in a place that is so deep and so wide, this might be not easy to do.

Nanlan Lia took off the clothes she had, she decided to wear clothes that were easier to move in.

Ye Chen saw what Nanlan Lia was doing, to be honest, Ye Chen was quite excited when he saw what Nanlan Lia was going to do.

Ye Chen was quite disappointed when he saw the next scene, he saw that Nanlan Lia was wearing casual clothes.

Nanlan Lia had prepared for this, she had worn clothes that were more open and comfortable to wear.

Nanlan Lia wore casual beach clothes that looked quite good, it showed off some parts of her body.

Some beautiful parts of her body were visible to Ye Chen.

Ye Chen was grateful, he had quite a beautiful view.

"Okay, let's start," Ye Chen said to Nanlan Lia.

With that, the two began their descent to the bottom.

They dived at high speed, and Nanlan Lia followed Ye Chen.

There is no need to doubt Nanlan Lia's diving ability, she can keep up with Ye Chen.

So Ye Chen didn't need to worry and could follow behind Nanlan Lia.

They went down to about 80 miles, but they didn't find anything at this depth.

"There's nothing," Ye Chen said to Nanlan Lia.

"Very quiet, very strange," Nanlan Lia said to Ye Chen.

Nanlan Lia felt that the current situation was quite strange, this place was so quiet, which made Nanlan Lia very alert.

Ye Chen could feel every creature that was near this place, he could easily merge with the water.

So he was quite confident and not too worried about what happened.

"You are so relaxed?" Nanlan Lia asked Ye Chen.

Ye Chen didn't seem worried, it was their first time in this place, and they had to find a way to get there.

"There are no monsters around, so you take it easy" Ye Chen said to Nanlan Lia.

"Why are you so sure?" Nanlan Lia asked Ye Chen.

Ye Chen was very sure of what he said.

"You just believe in me" Ye Chen told Nanlan Lia to believe.

"Okay, I will leave the guard here to you" Nanlan Lia nodded.

After that, they went deeper and found several sea magical beast carcasses nearby.

"This" Nanlan Lia looked at what was in front of her eyes, it was clear that this was someone's doing.

"It seems like there are other people besides us" Ye Chen said to Nanlan Lia.

"Rumors spread quickly, I think there are a lot of people around, it's better if we don't attract their attention," said Nanlan Lia.

"If they dare to look for trouble, I will take care of them" Ye Chen said to Nanlan Lia.

Ye Chen was here looking for things, he wouldn't let someone else just come and take them.

Ye Chen would fight them if they dared to look for trouble.

"Such great confidence" Nanlan Lia had to admit that Ye Chen was so confident she felt more comfortable and safe around Ye Chen.

"Yuechan, use your abilities to find a way" Ye Chen said to Chu Yuechan.

"I've found it" Chu Yuechan said to Ye Chen.

Chu Yuechan had already found it and just had to wait for Ye Chen.

"Very good, now we can go straight away" Ye Chen was happy when he heard this, he immediately grabbed Nanlan Lia's hand.

Nanlan Lia was surprised by what Ye Chen did.

They were now very close, and it surprised Nanlan Lia.

Chu Yuechan told Ye Chen.

she guided Ye Chen to get there.

With Chu Yuechan's guidance, the two of them quickly got there.

"we are finally here," Ye Chen said to Nanlan Lia.

"how did you find it? Isn't it so fast" Ye Chen took Nanlan Lia into the underground cave.

Once they enter, they are taken to a different world.

A world that looks beautiful and full of beautiful views.

Who would have thought there would be a place like this under such a deep river?

Nanlan Lia looked around, she enjoyed this place.

"Wait a moment" Ye Chen said to Nanlan Lia.

"What else is there? Why are you so troublesome?" Nanlan Lia said to Ye Chen.

Nanlan Lia felt that Ye Chen was very troublesome.

"There are footprints ahead, someone has come in" Ye Chen said to Nanlan Lia.

Ye Chen told Nanlan Lia that someone had come in.

After looking for a while, Nanlan Lia finally realized someone had come in.

"It looks like we are not the first" Ye Chen said to Nanlan Lia.

They might not be the first, there are already several people who have come to this place.

"They are so fast, even though this information was about 5 days ago," Nanlan Lia said to Ye Chen.

"It's not strange that they are so fast, what's here is tempting" said Ye Chen.

Ye Chen said that what was in this place was very good.

So it's not strange that they want to get it immediately.

Moreover, if they have a map, it will make it easier for them to find it.

"I will map it, Yuechan help me" Ye Chen said to Chu Yuechan.

"don't worry, I will help you record everything" Chu Yuechan will help Ye Chen, she will help Ye Chen record everything.

that's what I like about you, which is why Ye Chen likes Chu Yuechan, Chu Yuechan immediately knew what to do in the current situation.

With the help of God Eyes and Chu Yuechan.

They easily mapped the entire place, it took 5 minutes and Ye Chen knew every route there was.

"It's finished, now you can go straight there" Chu Yuechan said to Ye Chen.

Chapter 3033 Harvest Treasure

"You are absolutely right, I can go there directly" Ye Chen agreed.

Ye Chen counted the groups around him, he saw that there were around 20 groups with a total of more than a hundred people.

"There are so many people here" Ye Chen said to Chu Yuechan.

"No problem, you can arrive first" Chu Yuechan said to Ye Chen.

"I'd better just use the teleportation ability" Ye Chen decided to use the teleportation ability.

Using his teleportation ability, he easily overtook everyone.

There are so many people here" Ye Chen said to Nanlan Lia.

"how much ?" Nanlan Lia asked Ye Chen.

Nanlan Lia didn't know what happened, how could Ye Chen discover this so easily?

"There are more than a hundred, with 20 groups" Ye Chen said to Nanlan Lia.

"Isn't that a bit much?" Nanlan Lia said to Ye Chen.

"quite a lot" Ye Chen said to Nanlan Lia.

It was true that there were a lot of people in this place.

"They came first, is it possible for us to catch up?" Nanlan Lia wasn't sure if they could catch up.

"Of course, it's easy to do" Ye Chen said to Nanlan Lia.

"What would you do?" Nanlan Lia asked Ye Chen.

"Come here" Ye Chen said to Nanlan Lia.

Nanlan Lia approached Ye Chen, and after she approached, Ye Chen immediately hugged her.

"What are you trying to do?" Nanlan Lia asked Ye Chen.

"Take you deeper, we won't succeed if we continue like this" said Ye Chen.

Ye Chen said that they wouldn't be able to catch up.

Nanlan Lia understood what Ye Chen meant, she just wanted to know what method Ye Chen would use.

Ye Chen and Nanlan Lia teleported, and they headed to the core.

When Ye Chen did this, Nanlan Lia's vision turned white, and a few moments later, they arrived at a different place.

"Uh. . ." Nanlan Lia was so shocked when she saw this, she didn't expect that Ye Chen could do something so miraculous.

"We teleported just now?" Nanlan Lia said to Ye Chen.

"of course" Ye Chen nodded, they did do that.

"But how do you do it, you don't use stones?" Nanlan Lia asked Ye Chen.

"A thing that only I can do" Ye Chen said to Nanlan Lia.

Ye Chen was getting more and more mysterious, Nanlan Lia didn't understand more and more about Ye Chen, to be honest, it was complicated to understand Ye Chen.

"You are really quite mysterious" said Nanlan Lia.

"Hehehehe" Ye Chen just laughed when responding to Nanlan Lia's words.

"Come on, let's go in. ." Ye Chen said to Nanlan Lia.

Ye Chen told Nanlan Lia to come forward, and from there they would harvest.

"I understand" Nanlan Lia followed behind Ye Chen, she followed Ye Chen and made sure to always be near Ye Chen.

Nanlan Lia was quite confident in Ye Chen so she followed Ye Chen.

After some time, Ye Chen and Nanlan Lia started to discover something.

"wow, there is something so good," Nanlan Lia said to Ye Chen.

Nanlan Lia told Ye Chen that she had found something very good.

"See, right? You found it" Ye Chen said to Nanlan Lia.

Ye Chen and Nanlan Lia found treasures, there were some pills and also profound crystals here.

It looks like someone left it, Ye Chen and Nanlan Lia can take it.

"we have to take it quickly" Nanlan Lia was so excited she wanted to take it and share it with Ye Chen.

Ye Chen just smiled seeing Nanlan Lia's behavior, Nanlan Lia was now like a little girl who had received a gift.

A few minutes later, Nanlan Lia managed to take everything. She was so happy because the trip had been so good.

"Let's look for another place, there are still many people waiting for us" Ye Chen said to Nanlan Lia.

Ye Chen said that there were still many people waiting for them.

"I understand," Nanlan Lia understood, after finishing, they continued their journey.

They found so many items, this made Nanlan Lia even more shocked.

What kind of skill did Ye Chen use, and why was he able to find treasures so easily without any problems?

Honestly, Nanlan Lia was having problems, she didn't even know where the treasure was.

That was because this place was vast and so difficult, even if she was alone in this place, she wouldn't be able to discover so much in a short time.

Looking for treasures is very difficult, even for someone like Nanlan Lia.

"We have had so much harvest" Nanlan Lia said to Ye Chen.

"I still haven't gotten what I want" Ye Chen said to Nanlan Lia.

Ye Chen said that he hadn't gotten what he wanted.

"I almost forgot your purpose in coming to this place, I was supposed to be a guide, who would have thought that you were actually guiding me" Nanlan Lia said to Ye Chen.

Nanlan Lia felt embarrassed that she couldn't be a good guide.

In fact, Ye Chen could guide better than her.

"It doesn't matter, we just need to move forward" Ye Chen said to Nanlan Lia.

Ye Chen told her to keep going, Ye Chen would definitely find this soon.

As Ye Chen advanced, he felt a group approaching at high speed.

"People are approaching," Ye Chen said to Nanlan Lia.

"How many are there?" Nanlan Lia asked Ye Chen.

"Nine" Ye Chen told the number of enemies approaching, there were around nine of them and arrived so quickly.

1 minute later, nine figures came, according to Ye Chen's words.

"they are coming. ., they don't seem like good people" Nanlan Lia said to Ye Chen.

After Nanlan Lia saw the appearance they had, Nanlan Lia already knew that they were not good people.

Sure enough, when they saw Ye Chen and Nanlan Lia.

They raised their weapons and prepared to kill Ye Chen and Nanlan Lia.

They didn't say much and immediately swung their weapons toward Ye Chen and Nanlan Lia.

Nanlan Lia stepped back, these people were strong, and she would be overwhelmed facing nine people at once.

Ye Chen stepped forward, he would be the one to face them all.

Ye Chen went forward and faced them, he didn't back down even though he knew that the number of enemies was 9 people.

"kill him quickly" They wanted to kill Ye Chen, and after that captured Nanlan Lia.

As expected by Nanlan Lia.

These people are evil, they are notorious looters.

Or it could be said to be a treasure looter who will kill everyone and take their things.

They are quite troublesome enemies because they use cunning methods, people like this are very troublesome to deal with.

Ye Chen watched what sneaky methods they would use.

Ye Chen was very sure that they were preparing a cunning plan to deal with him.

Ye Chen's guess was true, they used quite cunning methods, and they started using poison to deal with Ye Chen.

They didn't know their opponent was immune to poison yet what they used was in vain.

"Prepare yourself well, you will experience pain after receiving our poison" the poison has hit Ye Chen and will no longer be able to fight back, this is their victory.

"You all laugh too fast," Ye Chen said to the treasure looter.

"What ! ! !" They all looked towards Ye Chen, Ye Chen was quite calm, he didn't show any strange changes or symptoms.

"What are you doing, you have to do it quickly" The treasure looters blamed each other because they couldn't make Ye Chen paralyzed.

Chapter 3034 Nine Vs One Doesn't Seem Fair, Now How About Ten Against One

"Stop talking and kill him" one of them was calmer.

In situations like this, the person calms everyone down.

Ye Chen measured everyone's strength.

Their strengths were the same, everyone was at level five Immortal God Realm.

It was clear that they were strong and Nanlan Lia would not survive against them, only Ye Chen could fight them all.

"You just stay there" Ye Chen said to Nanlan Lia.

Ye Chen gave Nanlan Lia a warning, she must not interfere.

"I understand" Nanlan Lia understood, the strength of these people was so great, that they could all easily kill Nanlan Lia.

They were all clearly targeting Ye Chen and ignoring Nanlan Lia, that was because Nanlan Lia had value, Nanlan Lia was still a beautiful woman and would have value when sold.

The slave business is indeed tempting, especially if it is a beautiful slave, some people dare to pay a lot for it.

So, no matter what, the business will continue to run.

No one can and is capable of stopping this.

As long as there is a market, whether it is illegal, it will continue to exist.

"we all have to unite to defeat him" They finally had one voice to fight Ye Chen.

"You are outnumbered" Nanlan Lia said to Ye Chen.

Nanlan Lia saw that Ye Chen was losing in numbers, this was clearly not very good when she saw that Ye Chen was losing in numbers.

"The woman there is smart, you are outnumbered, give up now, and we will make your life end faster" they said to Ye Chen.

They would kill Ye Chen quickly if he surrendered.

"Who said that I was outnumbered, you guys were outnumbered" Ye Chen said to the group of treasure looters.

"Hahahahahaha" they all laughed, they laughed when they listened to what Ye Chen said.

A very funny thing when listening to what Ye Chen said.

"You are alone, what can you do when you are alone" they said to Ye Chen.

They asked Ye Chen what Ye Chen could do when he was alone.

Ye Chen obviously wouldn't be able to win against them alone.

That was what they saw, not what Ye Chen thought.

"You should see this" Ye Chen finally used Shadow Clone, when Ye Chen used Shadow Clone, Ye Chen's body immediately became numerous.

Ye Chen didn't mess around and created around 90 shadows to face the opponent.

Now they have to fight the shadow that Ye Chen has.

"nine Vs one doesn't seem fair, now how about ten against one, do you think you can win against me?" Ye Chen said to them.

They all looked towards Ye Chen.

They were of course, surprised when they saw what Ye Chen did.

Who would have thought that Ye Chen could do this, they would never have thought of it.

"He made the enemy mentally affected" Nanlan Lia looked at Ye Chen.

What Ye Chen did was extraordinary, he confused the enemy with what he did.

"Don't be afraid, it's just a shadow, he's trying to bully us, the shadow's power won't be that strong" one of them tried to remain optimistic.

They thought that if it were just a shadow, it wouldn't be a problem to fight the shadow.

"You're right, let's finish that brat first" they decided to fight Ye Chen, they couldn't just keep quiet after seeing Ye Chen trying to trick them.

It was clear that Ye Chen would not be able to win, in terms of numbers, they won a lot, and in terms of encounter experience, they were the best among the best.

"attack" Nine people advanced towards Ye Chen, they fought Ye Chen with full confidence, they were confident they could defeat all of Ye Chen's shadows in a short time.

They didn't hold back, they were too confident they could win.

"blam " Ye Chen's Clone hit them, the Clone's power alone was enough to take them to another world.

"Huh?" Everyone was shocked when they saw what happened, they couldn't imagine that this was actually happening.

"How can a shadow be that strong?" they all couldn't believe it, how could a shadow be so strong.

"You are too confident, this shadow is so strong, let's try fighting it" Ye Chen said to them.

"Damn" they started cursing Ye Chen.

It seemed like they were really angry with Ye Chen.

They fought seriously, they used defensive and offensive formations.

This formation consists of 9 people, unfortunately one of them has fallen.

After Clone Ye Chen destroyed them, one of them collapsed.

Now that there are only eight people, they have to work hard to do this.

"Break the formation" Ye Chen told the Clone he had.

They all moved, with that many people, they could easily destroy a small formation.

Because Ye Chen's Clone numbers were 10x more than the enemy, the enemy wasn't even given a chance to defend.

"Blam . . ." one by one, the enemies fell, they couldn't defend against Ye Chen, the strength that Ye Chen possessed was too strong and made them unable to defend.

After some time, the entire group of evil thieves lay unconscious.

Ye Chen threw away their cultivation, now they had to find their own way to get out of this place, it would definitely be very difficult for them.

"You are too kind" Nanlan Lia said to Ye Chen

Ye Chen was too kind to let them go like that.

"This will teach them a proper lesson" Ye Chen said to Nanlan Lia.

"But still, if they can get out, they will come back killing people" Nanlan Lia said to Ye Chen.

Even though what Ye Chen did was very good, in reality, what Ye Chen did still allowed them to commit crimes again and maybe even worse.

"they won't be able to get out, so you don't need to worry" Ye Chen said to Nanlan Lia.

Ye Chen said that they would not be able to get out, and they might not be able to recover.

"Okay, if you say that" Seeing Ye Chen so serious about the matter, made Nanlan Lia believe more in Ye Chen's decision.

"Let's go ahead and take all the treasures in this place" Ye Chen said to Nanlan Lia.

"Both of us can't lose to them" Ye Chen said to Nanlan Lia.

"You are right, we really can't lose" Nanlan Lia agreed, they couldn't lose and had to bring everything in this place.

Ye Chen and Nanlan Lia moved smoothly, while the other group was currently continuously searching the surroundings and only found a few objects around.

Ye Chen ignored completely individual objects, he focused more on getting bigger ones.

That would save Ye Chen's time and energy.

Honestly, there are quite a lot of hidden treasures here, and Ye Chen could take them all if he really wanted to.

But it will take quite a long time because it is deep and spread across many different places.

Ye Chan was still focused on her goal, she had to get the seven-colored true pill.

"Ye Chen, do you know the location of the object you are looking for?" Nanlan Lia asked Ye Chen.

If Ye Chen could find all this, he would have found what he sought.

"I have indeed found it, it's a shame it's being guarded by something, so ignore it for a while and focus on other things first" Ye Chen would save that for last.

Chapter 3035 Observe The Battle Of All Groups

"You are also smart in taking advantage of situations" Nanlan Lia had to admit that Ye Chen was quite smart.

"I think the guards are quite strong, so we'll take care of it later, if we have to, I'll let them take care of it for me" Ye Chen said to Nanlan Lia.

"You want to use them?" Nanlan Lia didn't expect Ye Chen to want to use them.

"Just leave it, you don't need to think too much about the problem" said Ye Chen.

Ye Chen told Nanlan Lia to relax, she didn't need to think, because Ye Chen would solve the existing problem.

Ye Chen had mapped this place, so everything was within Ye Chen's control.

It's up to Ye Chen what he wants to do, no one will be able to stop Ye Chen's movements.

Ye Chen is smart at reading situations, he takes the easy things and leaves the difficult ones.

Likely, groups are trying to get it, but it's unclear if they can since the guards are so strong.

Ye Chen had already seen what the guard in front looked like; he could see a statue that was so strong and could easily kill people using its weapon.

Apart from that, there are many statues, so attacking them directly is difficult.

It was better for Ye Chen to focus on other things, that was one of the best things Ye Chen could do.

The other groups focused on the main treasures so Ye Chen could easily take them all.

"We had such a good harvest" said Nanlan Lia.

"You look very excited" Ye Chen said to Nanlan Lia.

"Of course I'm excited, I've never held this kind of thing, there are so many treasures, if they sell, then they will get so much" said Nanlan Lia.

"You, after getting here, you became quite poor, right?" Ye Chen said to Nanlan Lia.

"Everything here has such ridiculous prices, I, who used to be rich, have been forced to this point, it's a little embarrassing to admit it"

"Hahahahaha" Ye Chen laughed when he heard what Nanlan Lia said.

"Okay, don't talk too much, I'll give you a little" Ye Chen said to Nanlan Lia.

"You can't be stingy" Nanlan Lia said to Ye Chen, she was relying on Ye Chen, and she wanted some of it too for accompanying Ye Chen.

"Okay, come on, the main course will start soon, want to see a show up front?" Ye Chen said to Nanlan Lia.

"has it started yet" Nanlan Lia asked Ye Chen.

"It should be starting soon," Ye Chen said to Nanlan Lia.

The real event is about to begin, Nanlan Lia will know about it soon.

"Come with me, let's find a pretty good place" Ye Chen said to Nanlan Lia.

Ye Chen told Nanlan Lia to find a good place to watch the fight.

Nanlan Lia followed Ye Chen, she never got lost when following Ye Chen.

A few moments later, they arrived at a large building, which Ye Chen and Nanlan Lia could see even from a long distance.

The building is very old and filled with various kinds of wild plants.

"This is the place, look at them start fighting," Ye Chen said to Nanlan Lia.

Nanlan Lia looked at it, she saw that there was a very interesting battle ahead.

"Seven groups are fighting, all attacking from all sides to get in," said Nanlan Lia.

Nanlan Lia saw that seven groups were fighting, they were all quite strong people.

"There will be a few more coming" Ye Chen said to Nanlan Lia.

"Is there anything else to come?" Nanlan Lia asked Ye Chen.

"Of course, there are still people who will come" Ye Chen nodded, he confirmed that someone would come.

"But why are they attacking like that, if they work together, then it will be easy" said Nanlan Lia.

"They all want to treasure, whoever comes first, they will win" Ye Chen said to.

"I know that too, but to get in, they have to work together well, otherwise they won't be able to get in," said Nanlan Lia.

"Their egos are too high, they won't cooperate, let's sit back and enjoy" Ye Chen said to Nanlan Lia.

Ye Chen wanted to enjoy this first, what would they do?

Why is Ye Chen not in a hurry, he is watching and observing the enemy's abilities, just let them be bait for Ye Chen.

"Master, what is your aim?" Chu Yuechan asked Ye Chen.

she wanted to know what Ye Chen would do now.

"I want to see the abilities of the statue, I think they are not just any statue, their bodies are really hard, and all the groups seem to have difficulty bringing down the statue" said Ye Chen.

There were still so many inside, and they seemed strong, so Ye Chen wasn't too hasty.

"Boom. ." The battle was quite fierce, they tried to enter by force and were quite strongly confronted by the enemy.

"Do you know them?" Ye Chen asked Nanlan Lia.

"There are some that I know, they seem to be from the top-

ranking stars, there is even a dragon race there" said Nanlan Lia.

"Nanlan Lia pointed to the dragon race, they have a strong physique and can transform into real dragons when their strength is at the peak" said Nanlan Lia.

"I understand" Ye Chen understood, it seemed like the most powerful group of the dragon race.

"They are a truly strong race, it's not surprising that they are the best among everyone in this place," said Nanlan Lia.

"I agree with you" Ye Chen also agreed with what Nanlan Lia said.

They have strong physiques and enormous strength, they can cause problems for the guards of this place.

They just need more time to get inside.

Ye Chen paid attention to the battle and knew what they were doing, the enemy's strength had been confirmed, and Ye Chen could start moving.

During Ye Chen's watch here for 30 minutes, every group was still trapped outside, they couldn't enter because the statue guards became more numerous and stronger.

These statues are also strong, because they can evolve according to the opponents they are currently facing.

The opponent they were facing right now was so smart, it was like artificial intelligence knew what to do in treating enemies who tried to break into the palace.

"This is the time for us to move, we have got enough information," Ye Chen said to Nanlan Lia.

"I've also gotten a little idea," Nanlan Lia agreed with Ye Chen, after observing here with Ye Chen, she knew what to do now.

Nanlan Lia wanted to help Ye Chen, but she would be a burden if she did that, her strength was still not strong enough.

she wasn't in the league of everyone else in this place, so she could only help from behind and support Ye Chen.

Nanlan Lia has several techniques that can be used for this, she can use strengthening techniques for Ye Chen.

It might help Ye Chen a little to fight.

They started to advance, they took one of the empty paths.

When Ye Chen and Nanlan Lia approached this place, they were immediately greeted by 100 statue guards.

"ehhh, why are there so many ?" Nanlan Lia was surprised when she found out that there were so many enemies.

Even though other groups only fought 5~20, this is 5x more than what other groups fought.

Chapter 3036 Smart Statue

"very smart" Ye Chen said to Nanlan Lia.

"What do you mean?" Nanlan Lia asked Ye Chen.

"they are smart, they know that I am a big threat and sent more to stop me" Ye Chen said to Nanlan Lia.

"Serious ? what are they? they are too smart," said Nanlan Lia.

Nanlan Lia felt that this statue was so smart, it could even differentiate between weak and strong people.

"Since we entered this place, we have been marked" Ye Chen said to Nanlan Lia.

"You are serious, why do you know so many ?" said Nanlan Lia.

Nanlan Lia didn't understand how Ye Chen could know, he was far greater than Nanlan Lia could imagine.

Nanlan Lia, who holds a lot of information, was even surprised by Ye Chen.

Nanlan Lia didn't expect that Ye Chen would be this great, his abilities and thinking were so great, maybe he was in the same league as Nanlan Lia.

Or maybe even higher, with Nanlan Lia's current abilities, it might be lower.

Nanlan Lia didn't doubt Ye Chen's abilities, she did have abilities.

Not everyone can do what Ye Chen did.

Nanlan Lia is serious, she must be able to be like Ye Chen, she will do her best to be like Ye Chen.

What Ye Chen did had opened Nanlan Lia's eyes.

Now Nanlan Lia knows her new goal is to become better, she wants to be like before and become such a great person.

The new world is difficult, but he can definitely get through it and become like before.

"they are coming. . . Ye Chen said to Nanlan Lia.

Nanlan Lia understood, she immediately retreated and avoided the statue's direct attack.

They use spears, which makes their attack range very wide.

Ye Chen blocked all the attacks, he used his arms to clamp the spear.

By doing this, they could not move their spears properly.

The spear user's weakness is in the middle, as long as they can hold it, they won't be able to attack.

"Receive my attack" Ye Chen said to them, he told them to receive his attack.

"Super celestial punch technique" Ye Chen used a super powerful punch, it wiped out all the statues with one punch.

"eh? ? ?" Nanlan Lia behind was surprised by what Ye Chen did.

she didn't expect Ye Chen to do such a crazy thing so easily.

One punch, and Ye Chen eliminated them all.

It's truly unbelievable when you see Ye Chen's strength.

"This guy, his strength level is terrifying, what the hell, is he that strong, this is only three years, what can he do in three years time, why is he so powerful?" Nanlan Lia wondered about this matter.

she wanted to know why Ye Chen could become so strong, and what kind of training Ye Chen had done to reach that level.

"Everything here is finished, let's go in" Ye Chen said to Nanlan Lia.

"You are great," said Nanlan Lia.

When compared to other groups, Ye Chen could finish this quickly.

Ye Chen smiled at Nanlan Lia, it seemed that Nanlan Lia had not seen strong people.

"We will start entering, it's best from now on, you have to start being more careful" Ye Chen said to Nanlan Lia.

Ye Chen told Nanlan Lia to be careful.

"I understand, from now on it will be dangerous" Nanlan Lia believed what Ye Chen said.

From now on it will be more dangerous than before.

They entered, once they entered, they were greeted by several traps.

Ye Chen took advantage of his power, he used the abilities he had to trigger all the traps.

With that, Ye Chen could easily advance without any problems.

Ye Chen finally arrived at the core, in this section, there was a statue 100 x larger than the one outside.

Ye Chen, don't tell me that" Nanlan Lia said to Ye Chen.

Nanlan Lia could see that it was so big, maybe that was what Ye Chen had previously said.

The monster that guards the treasures in this place.

"Get out of this place before you are destroyed" the large statue could speak.

He told Ye Chen and Nanlan Lia to immediately leave this place.

"if I don't want to?" Ye Chen answered the question from the monster in front of him.

"Then you will be destroyed" The monster started to attack Ye Chen, and he destroyed Ye Chen using full strength.

a light circle appeared above Ye Chen, a super large light attack.

An attack that could possibly easily destroy the intruder.

"Come closer" Ye Chen said to Nanlan Lia.

Nanlan Lia approached, she took cover behind Ye Chen.

"Boom. ." When the light shines on Ye Chen's body, when the light shines on Ye Chen's body the temperature around it becomes very hot, this can wipe out all the people present.

"Are we going to be okay?" Nanlan Lia asked Ye Chen.

whether they will be okay or not.

"Don't worry, I will protect you" Ye Chen said to Nanlan Lia.

Nanlan Lia closed their eyes, they had no time to dodge and could only accept the attacks launched by the enemy.

The light attack lasted 1 minute, during which time Ye Chen and Nanlan Lia were in it.

After 1 minute passed, the figures of Ye Chen and Nanlan Lia appeared.

There were no injuries on Ye Chen and Nanlan Lia's bodies.

They both looked so healthy.

Ye Chen has the inheritance of light, Ye Chen could easily withstand this attack.

"What?" The statue was shocked when it saw that Ye Chen could survive.

Who would have thought that Ye Chen could survive this super-powerful attack.

"Why were you able to survive? The attack just now should have destroyed you enough" he asked Ye Chen.

"Light attacks won't work on me, just give up," said Ye Chen.

Ye Chen told the statue that light attacks would not work.

"how about this" He made a fireball, after making a big fireball.

The statue threw it towards Ye Chen.

"That's huge" The size of the fireball is so big, how can they avoid it?

"Just leave it to me" Ye Chen said to Nanlan Lia.

"Bam. . ." Ye Chen used super large ice and hit the ball.

When the two forces collided, it created a huge mist.

Fog enveloped the place, and it was difficult to see.

"such a good opportunity," Ye Chen said to Chu Yuechan.

Ye Chen said that this was a very good opportunity.

"I agree with you" Chu Yuechan agreed with Ye Chen's words.

This was a very good opportunity for Ye Chen to use.

Ye Chen flew up and went straight to the huge statue,

When Ye Chen arrived in front of the statue, he immediately took the sword and started cutting several parts of the statue.

Ye Chen did it so quickly, and after doing this, Ye Chen returned to Nanlan Lia's side.

"I can't see clearly," Nanlan Lia said to Ye Chen.

she said she couldn't see clearly and didn't know where Ye Chen was.

"I'm in this place," Ye Chen said to Nanlan Lia.

Ye Chen was nearby, it made Nanlan Lia calmer.

A few moments later, the smoke cleared, and Nanlan Lia regained her vision.

When she saw what happened, she was quite stunned.

Chapter 3037 The Guardian Statue Uses 100% Power

The statue is missing several limbs.

It seemed like Ye Chen was the one who had done it.

Only Ye Chen can do this, Nanlan Lia is very confident about this.

"intruder, you are very brave," the statue said to Ye Chen.

The statue knew that Ye Chen was the person who had done this.

"I want to beat you, if I don't dare, then I won't be able to beat you" Ye Chen said.

Ye Chen's goal is to defeat this monster, as long as Ye Chen can defeat it, then the treasure he is looking for will be his.

"Then you will pay for what you have done" The monster will be serious.

This time, the big statue will start to use 100% of its power, the statue has not used 100% of its power until now, and Ye Chen is the first person who can force it to do this.

Because Ye Chen was such a powerful enemy, the guards of this place had to use 100% of their strength to defeat Ye Chen.

"Boom!" A huge explosion occurred, and the body of the statue was enveloped in a huge force.

The ball solidified and became smaller, after a while, it became the size of a person.

Ye Chen and Nanlan Lia saw what happened,

Honestly, they were quite curious about what happened.

"I think it changes its body to our size," said Nanlan Lia.

"The statue knew that it wouldn't win with its big form, so it decided to shrink its body" said Ye Chen.

"I think that's how it is" Ye Chen and Nanlan Lia came to the same conclusion.

Both agreed that the statue was shrinking its body.

Sometime later, the statue emerged from the light.

A small statue figure in dazzling golden armour appeared in front of Ye Chen and Nanlan Lia.

The monster shrank its body, its body is now small and it can move quite freely.

It could be said that this was the time for the monster to attack Nanlan Lia and Ye Chen.

The Statue Monster started to take out all the weapons, there were spears, swords, axes, maces, arrows, and several other weapons.

All weapons issued are almost complete, this is the most complete weapon available in battle.

All the weapons that come out float in the air, they are flying weapons and can be used at the same time.

"It looks like this is going to be bad" said Nanlan Lia.

Nanlan Lia felt that this would be a bad thing.

"He has become stronger compared to before" Ye Chen said to Nanlan Lia.

"off" the statue powers all the weapons.

All the weapons shot towards Ye Chen and Nanlan Lia.

The monster targeted Ye Chen and Nanlan Lia.

So Ye Chen couldn't avoid it himself and had to bring Nanlan Lia along.

Ye Chen dragged Nanlan Lia, by dragging Nanlan Lia, Ye Chen could help protect her.

The opponent's attack was so powerful and so deadly, its speed was proportional to the power of the attack.

"You won't be able to escape" With that he immediately locked Ye Chen.

Ye Chen continued to be chased by the weapons of the living statues.

"This is a bit annoying" Ye Chen felt that this was a bit annoying and he didn't really like or enjoy the problem.

Ye Chen Shadow Clone, Ye Chen intends to face the opponent using Shadow Clone.

By using Shadow Clone, Ye Chen began to repel the enemy's weapons.

The statue tried to avoid attacking the Clone, its initial focus and aim was Ye Chen, Ye Chen couldn't trick it.

The main focus remained on Ye Chen's real body.

Because of this, the monster targeted Ye Chen.

Ye Chen looked back, but his Clone was ignored, it looked like Ye Chen had to use another method.

After some time of thinking, Ye Chen seemed to know already what he should do now.

"I know what I have to do" Ye Chen finally understood what he had to do now.

Ye Chen created a Clone again, this time he intended to deceive the enemy.

Ye Chen handed Nanlan Lia to the Clone he had.

By doing this, Ye Chen hopes that he will be able to deceive the enemy.

"The statue started to become confused, where was the real Ye Chen, and where was the fake?"

They all looked similar, it was very difficult to differentiate between the real Ye Chen and the fake Ye Chen.

Shadow Clone is an extraordinary technique, even the enemy will have problems when hoping with Shadow Clone.

"There is no way, attack them all" The living statues started to attack everything, he no longer cared which one was real and which was fake.

The plan made by Ye Chen was successful.

The guard's started to get distracted by the methods used by Ye Chen.

This method was really so good that it made the guardian statue confused.

"Attach the statue" Ye Chen gave the order to attack the guardian statue.

After Ye Chen gave an order, all the Clones immediately launched attacks towards the statue.

There were so many attacks launched, it was very difficult to avoid attacks like this.

"boom" the guardian statue took all the attacks, there was no way to escape.

"it worked" Nanlan Lia said to Ye Chen.

Ye Chen's attack had succeeded, he had successfully attacked the enemy.

"Don't be too happy, this monster is not necessarily destroyed, the main guard is so strong?" Ye Chen said to Nanlan Lia.

Ye Chen said that the main guard might not lose so easily.

The abilities and strength of the opponent are not easy to destroy with ordinary means.

"Boom . ." Sure enough, a laser fire shot was shot towards Ye Chen from behind the smoke.

Ye Chen dodged, the monster was targeting the real Ye Chen among the Clone.

Luckily the real Ye Chen was alone, so Ye Chen took the impact of the attack himself.

Ye Chen successfully blocked this attack, there was a slight wound on Ye Chen's hand when he blocked the attack.

"?" The attack just now was quite strange and was able to cause injuries to Ye Chen.

"That doesn't make sense" even Chu Yuechan couldn't believe what was happening.

The fire attack should have made it difficult to defeat Ye Chen, so how come Ye Chen was injured?

"Yuechan" Ye Chen said to Chu Yuechan.

"yes" Chu Yuechan answered Ye Chen.

"It looks like the opponent this time is quite strong, I can't focus if I have to protect her" Ye Chen said to Chu Yuechan.

"I understand, I will protect her, you can focus on fighting" Chu Yuechan said to Ye Chen.

Chu Yuechan would protect Nanlan Lia, and Ye Chen could focus on fighting.

"Very good, it looks like this will be a full force battle" said Ye Chen.

After Ye Chen said this, Ye Chen released enormous power.

Ye Chen's pressure was truly so strong, and it shook the entire place.

Ye Chen used True God's power and released the power of the fire vein, Ye Chen's power was now so great.

"Such great strength" Nanlan Lia saw the strength that Ye Chen possessed, truly a strength that made someone like Nanlan Lia.

Chapter 3038: Defeat All The Guard Statues

Previously she had seen Ye Chen fight, but now she saw it again, Ye Chen used his full strength, it made Nanlan Lia very interested in the strength that Ye Chen possessed.

"He is fighting seriously, I also want to help him" Nanlan Lia felt that she wanted to help Ye Chen.

"You'd better stay here" Chu Yuechan whispered to Nanlan Lia.

Nanlan Lia stopped, she didn't go to help Ye Chen, she looked for the voice's origin and found someone beside her.

"Who are you" Nanlan Lia asked Chu Yuechan.

"I belong to master" Chu Yuechan told her that she belonged to Ye Chen.

Nanlan Lia's face turned red when she listened to Chu Yuechan's words.

Chu Yuechan dared to say such things in front of Nanlan Lia.

"Aren't you embarrassed to admit something like that?" Nanlan Lia said.

"Why be embarrassed?" Chu Yuechan smiled, this fairy was indeed very beautiful, a high-level beauty.

Nanlan Lia didn't know where this beautiful fairy came from, every beauty in this world belonged to Ye Chen.

Nanlan Lia couldn't imagine how this man conquered the beauties one by one and was able to unite them, it was a very difficult to unite every beautiful woman in this world.

"You must have so many questions" Chu Yuechan said to Nanlan Lia.

"You know about it" said Nanlan Lia.

"Of course I know, I can see it from your expression" Chu Yuechan said.

Chu Yuechan could see it, she could see that Nanlan Lia was curious about Ye Chen.

"I didn't expect that" Nanlan Lia said to Chu Yuechan.

"Let's just watch the battle from a distance, you're not in their league" Chu Yuechan said.

"You are right, I am not in the league they are in" Nanlan Lia agreed, she was not in the same league as them.

she could only see the battle between Ye Chen against the guardian statue.

The guardian statue's weapon continued to head towards Ye Chen, targeting Ye Chen.

Ye Chen used profound strength to resist all the flying weapons.

Just by using his aura, he could withstand everything so easily.

The guardian statue tried again, he tried to break through Ye Chen's defense.

"God Thunder Armor" Ye Chen uses God Thunder Armor, he coats his body using God Thunder Armor.

Such huge lightning enveloped Ye Chen's body, with such huge lightning, it enveloped Ye Chen's entire body and made his strength even stronger.

Ye Chen advanced towards the opponent.

Ye Chen released even more of the strength he had stored up, he had not shown all the abilities he had.

The explosion of profound energy in Ye Chen's body became stronger and stronger, it was such a huge explosion that it blew the floor away in this place.

Ye Chen's aura became bigger and bigger.

Enough power to intimidate opponents so easily.

"let's finish this quickly" said Ye Chen.

Ye Chen intended to solve this with just one move.

The way to defeat them is quite easy, Ye Chen uses Dark Hole.

A dark Hole that can absorb all existing objects.

By using this power.

Ye Chen absorbed the entire statue into the Dark Hole.

"That..." Nanlan Lia saw the dark power used by Ye Chen.

she naturally knew what power Ye Chen was using right now.

"That power, how can he use so much power" Nanlan Lia wanted to know why Ye Chen could use so much power.

to be honest, she didn't know too much about Ye Chen, she still didn't know Ye Chen's strength.

He had difficulty finding information about this person even in God's Realm.

What a mysterious person who disturbed Nanlan Lia's interest.

By using Dark Hole, everything was sucked in, Ye Chen defeated the entire statue.

The Dark Hole that Ye Chen created was quite large, because of this, he needed such a large and large amount of profound energy.

All the big statues had been swept clean by Ye Chen, now, no one bothered Ye Chen anymore.

"I've cleaned this place, it should be safe" Ye Chen told Chu Yuechan and Nanlan Lia.

"Very good, you are great" Chu Yuechan said to Ye Chen.

"let's go there" Chu Yuechan said to Nanlan Lia.

"um.. "Nanlan Lia nodded, she stepped forward and approached Ye Chen.

After the problem was finished, Ye Chen took Nanlan Lia and Chu Yuechan into the core.

The very core was quite mysterious, Ye Chen did not find the existence of any guards or traps.

Even though he didn't find these two things, Ye Chen was sure this would not be as easy as Ye Chen imagined.

There must be something waiting for Ye Chen up ahead.

Ye Chen, Chu Yuechan, and Nanlan Lia went inside, after they entered, they were greeted by lots of shelves with various kinds of contents.

"Really, we found a treasure," Chu Yuechan said.

Chapter 3039 Ye Chen broke through

"I agree, this much, it's too much," said Nanlan Lia.

"Not really, this is good enough" said Ye Chen.

After that, they started to take every item they wanted.

Why don't they take all the things, it's because there's no use for them.

Ye Chen took what he was looking for a seven-colored true pill.

"I got it" Ye Chen was happy, he managed to get it.

Now, take it and use it.

There was a barrier that was quite strong, this barrier made Ye Chen unable to take it easily.

Luckily, Ye Chen had great strength, by using such great strength, he could easily take this thing.

"This trip is worth it" Ye Chen was satisfied with the results, the trip was worth it all.

"Kyah. . ." Ye Chen heard a voice, this was from Nanlan Lia, something must have happened to Nanlan Lia.

Ye Chen kept his pill, and he rushed towards Nanlan Lia.

When Ye Chen arrived at Nanlan Lia's place, he saw Nanlan Lia lying on the ground, and her body was covered in liquid.

"What are you doing?" Ye Chen asked Nanlan Lia.

"Help me" Nanlan Lia said to Ye Chen, she asked Ye Chen for help.

Ye Chen tried to help Nanlan Lia, he used his power to expel all the liquid.

"What are you trying to take?" Ye Chen asked Nanlan Lia.

"That thing fell on me, I don't know what it was?" Nanlan Lia said to Ye Chen.

Nanlan Lia didn't know what kind of object fell towards her, she was completely ignorant and unaware of the object that fell.

"That seems a little bad. . ." Chu Yuechan said to Ye Chen.

"What's that?" Ye Chen asked Chu Yuechan.

What did Chu Yuechan mean by saying that it was bad?

"It's a liquid full of pure Yin Qi, you know what the words I said mean, right?" Chu Yuechan said.

Ye Chen felt the Yin Qi in Nanlan Lia's body overflowing.

It seems like the medicine affects Nanlan Lia.

Nanlan Lia was probably lucky, she got such a good treasure.

"You better start cultivating it well" Ye Chen said to Nanlan Lia.

Nanlan Lia also understood the meaning of Ye Chen's words, she began to process what she had just obtained.

"she should be fine" said Ye Chen.

"You are right, she will be fine, you might as well start" Chu Yuechan said.

"Then you will protect me" Ye Chen said to Chu Yuechan.

"Don't worry, I will do it" Chu Yuechan said to Ye Chen.

"okay," Ye Chen understood, he would do it.

Ye Chen took out a true seven-colored pill and started eating it.

After Ye Chen ate this, pure profound energy filled Ye Chen's body.

"Very good" Ye Chen immediately cultivated it, he couldn't possibly waste time and started cultivating it.

"Boom. . , Boom" Ye Chen broke through, and he continued to break through to the top.

Ye Chen was very excited, he finally arrived at the Immortal True God Realm.

Ye Chen's breakthrough finally reached the first level of the Immortal True God Realm.

Ye Chen looked towards himself, he finally reached the realm of the Immortal True God Realm.

In such a powerful realm, he felt his strength becoming stronger and stronger.

With all the inheritance in his body, Ye Chen's strength increased by leaps and bounds.

Those at the peak might not easily defeat the current Ye Chen.

Ye Chen could overturn heaven and earth with all his abilities and strength.

"congratulations" Chu Yuechan said to Ye Chen.

Chu Yuechan was so happy when she saw Ye Chen succeed.

"This is all thanks to you" Ye Chen said to Chu Yuechan.

Chu Yuechan helped a lot, if it weren't for Chu Yuechan's help, he wouldn't be able to get the seven-colored true pill.

Chu Yuechan was happy with the praise given by Ye Chen.

Ye Chen touched Chu Yuechan's face, Chu Yuechan's face was very beautiful and made Ye Chen feel comfortable when he touched it.

"Don't do that kind of thing, it's embarrassing" Chu Yuechan said to Ye Chen.

"What's wrong, are you embarrassed, even though you often tease, now you no longer dare" Ye Chen said to Chu Yuechan.

Chu Yuechan rarely teased the current Ye Chen because when Chu Yuechan teased him, Ye Chen would catch her and take her into the room.

After that, Chu Yuechan would ask Ye Chen for forgiveness.

Ye Chen is not what he used to be, the current him is much stronger and much better.

He could catch Chu Yuechan so quickly, so there was no reason to be afraid of seeing her anymore.

"This is all your fault, you naughty man," Chu Yuechan said to Ye Chen.

She saw Ye Chen as a naughty man, every time she teased, she always lost, which annoyed Chu Yuechan.

Chu Yuechan's self-esteem was quite high, she didn't want to lose again, so she devoted herself to training and one day wanted to defeat Ye Chen.

"hehehehe" Ye Chen chuckled, it seemed like he was enjoying this.

"Stop for a moment, it looks like she is in trouble" Chu Yuechan said to Ye Chen.

"What's wrong? Did she not succeed?" Ye Chen asked Chu Yuechan.

Ye Chen looked toward Nanlan Lia, and when he looked at Nanlan Lia, he saw what happened to Nanlan Lia.

Nanlan Lia's face turned red, it seemed like the Yin Qi in her body couldn't be controlled well, she was overwhelmed because the pure Yin Qi in her body was so large.

"It seems the effect of the medicine is too strong," Chu Yuechan said to Ye Chen.

Chu Yuechan realized that the effect of the medicine was too strong, the effect was too strong and too great that Nanlan Lia couldn't control it.

"It seems like the situation will get worse if left unchecked," Chu Yuechan said.

Chu Yuechan looked at Nanlan Lia's situation, if Ye Chen and Chu Yuechan let it go, then the situation would get more and worse for Nanlan Lia.

"I'll take a look," Ye Chen said to Chu Yuechan.

Ye Chen decided to help Nanlan Lia, and he couldn't leave Nanlan Lia like that.

Ye Chen touched Nanlan Lia, and when Ye Chen touched Nanlan, he found that Nanlan Lia was moaning.

"Ahhh . . ." Nanlan Lia's body was so sensitive, just one touch from Ye Chen was enough to make her moan loudly.

"are you okay?" Ye Chen said to Nanlan Lia.

"This is bad," Nanlan Lia said to Chu Yuechan.

Nanlan Lia knew that she was in trouble, she couldn't do it.

"Okay, I will help you" Ye Chen said to Nanlan Lia.

Ye Chen will help Nanlan Lia a little with Ye Chen's abilities.

He could help a little by absorbing the Yin Qi in Nanlan Lia's body.

Ye Chen touched Nanlan Lia, he helped absorb Nanlan Lia's Yin Qi.

Nanlan Lia's condition began to stabilize, it seemed like the Yin Qi in her body could be resolved easily.

Even though her body condition had improved, her body felt very uncomfortable.

"Ye Chen" Nanlan Lia said to Ye Chen.

"What's wrong?" Ye Chen asked Nanlan Lia, what had happened to Nanlan Lia.

"His body feels uncomfortable," Nanlan Lia said to Ye Chen.

"You should be fine" Ye Chen said to Nanlan Lia.

After Ye Chen helped her, Nanlan Lia's body should be better.

"Master," Chu Yuechan said to Ye Chen.

"What's wrong?, did you find something?" Ye Chen asked Chu Yuechan.

"Look at this," Chu Yuechan said to Ye Chen.

Chu Yuechan told what medicine fell to Nanlan Lia.

Chapter 3040: Nanlan Lia Wanted Ye Chen (1)

Ye Chen looked and smelled it, it seemed like an aphrodisiac was in it.

This will affect Nanlan Lia's desires. It's not strange to see Nanlan Lia become like now.

"he's not very lucky, it looks like you have to use a more efficient method" Chu Yuechan said to Ye Chen.

she asked Ye Chen to use a more efficient way to help Nanlan Lia.

"umm.." Nanlan Lia couldn't survive, she couldn't survive after what happened.

It was difficult to endure this uncomfortable feeling, like thousands of ants crawling on her body.

"do something" Nanlan Lia said to Ye Chen.

"Don't worry, I will do it," Ye Chen said, trying to calm Nanlan Lia down.

Ye Chen will help, Ye Chen is the one who invited Nanlan Lia here and has to be responsible for Nanlan Lia.

Ye Chen touched Nanlan Lia.

When Ye Chen did this, Nanlan Lia moaned quite loudly, she couldn't resist the pleasure from Ye Chen.

"Very good, it feels so good" Nanlan Lia said to Ye Chen.

Nanlan Lia said this was very good, and Ye Chen's touch made Nanlan Lia feel so beautiful.

"What a good feeling." Nanlan Lia liked that feeling, a very good feeling.

Ye Chen's touch easily made Nanlan Lia feel the world's beauty. every time Ye Chen touched her, she would feel so comfortable.

A feeling so strong and extraordinary that it made her body feel the highest pleasure.

"You are too strong" Nanlan Lia said to Ye Chen.

Ye Chen was too strong, what Ye Chen did felt very comfortable.

Nanlan Lia would be unable to hold on and quickly reach the top.

It was truly a very pleasant thing, Nanlan Lia managed to achieve pleasure because of Ye Chen.

"Ahhh...", This is so good, Nanlan Lia said to Ye Chen, her body convulsed several times with pleasure.

"How?" Ye Chen asked Nanlan Lia.

Ye Chen wanted to see Nanlan Lia's condition.

"Feeling better, but I don't think this is enough" Nanlan Lia said to Ye Chen.

Nanlan Lia felt it wasn't enough, she wanted to experience more feelings.

"You are quite perverted" Ye Chen said to Nanlan Lia.

Nanlan Lia's face turned red when she heard Ye Chen's words.

she was quite embarrassed, Ye Chen had thought of herself as a pervert.

"It's still early, I will enjoy you until the last second" Ye Chen said to Nanlan Lia.

"You..." Ye Chen started to remove clothes from Nanlan Lia.

Ye Chen's skills were so gentle, that in just such a short time, he released everything that Nanlan Lia had.

Ye Chen had just stripped Nanlan Lia, she had no chance to survive, and Ye Chen threw away all her clothes.

"You did it so quickly, this is so embarrassing" Nanlan Lia said to Ye Chen,

Nanlan Lia said that this was very embarrassing.

"Do you think this is embarrassing? you look so beautiful" said Ye Chen.

Nanlan Lia's face became red as an apple.

She couldn't afford to hold on anymore, she wanted to love Ye Chen.

Ye Chen's words were so pleasant women would enjoy hearing them.

Ye Chen used his hands, he start exploring Nanlan Lia's secret garden.

"Ahhh.." Nanlan Lia couldn't stop her voice.

This feeling is so comfortable.

Even though it was embarrassing, Nanlan Lia admitted that what Ye Chen did was so good she couldn't hold on after Ye Chen touched her part.

"This is too strong, I can't survive" Ye Chen touched on the most sensitive point, how could Nanlan Lia survive this problem?

It made Nanlan Lia reach the limit quickly.

Ye Chen looked at Nanlan Lia, it seemed like she was too passionate and sensitive, just a little bit made Nanlan Lia.

"Then let's start" said Ye Chen.

Ye Chen wanted to start it.

Chu Yuechan had disappeared and given time to Ye Chen and Nanlan Lia.

If she could be dragged into a fight here, by then, she probably wouldn't be able to get out of bed.

"His strength is growing, how much will it take to fight him" Chu Yuechan thought for a moment.

It takes a lot of women to beat Ye Chen, even Chu Yuechan wasn't confident in her abilities and the few women around Ye Chen.

"I'd better work in this place, maybe someone will come in" Chu Yuechan will guard this place, she won't let other people come in and disturb Ye Chen.

Ye Chen showed his to Nanlan Lia.

Such a large object was now in front.

"Ehhh..., why is it so big?" Nanlan Lia asked.

Nanlan Lia was surprised, she saw that Ye Chen had something quite big.

Whether, with such size, she could withstand it was quite difficult to know.

Even someone with much experience would hesitate when facing such a giant.
