Chapter 3071 Zhao Yanyan Looked For Mirror Of Memories

Ye Chen saw what happened to Shui Yixian. It seemed that Shui Yixian was quite tired and Ye Chen had to do something about the matter.

Ye Chen brought Shui Yixian back to the tent, and he helped her rest.

"Good night," Ye Chen said good night to Shui Yixian, after that, Ye Chen lay down and guarded by Shui Yixian's side.

.

.

On the other side.

Zhao Yanyan went to do something, she was investigating something around the place where the dragon race was.

Zhao Yanyan's goal was to find things to restore Shui Yixian's memories, she wanted to use an ancient artifact that she had seen.

"That artifact should be around this place. too bad I can't find it clearly," Zhao Yanyan continued to investigate.

She didn't want to give up.

"hmmm, what is it?" Zhao Yanyan found something, she found a strange place inside.

There was a super large hole that seemed so deep and endless.

Even with Zhao Yanyan's current abilities, she couldn't see the end of the hole.

"This must be really deep, I can't see the end" Zhao Yanyan couldn't see the end, she had to use other means to see how deep the hole was.

Zhao Yanyan still had a way to determine how deep the hole was.

she could use sound to determine how deep it was.

Zhao Yanyan played her zither, and a sound that was so powerful came into the hole.

Zhao Yanyan immediately used so much power.

With so much power, Zhao Yanyan was sure that it could reach the bottom so quickly.

Zhao Yanyan waited for the reflection of the sound she had just used.

After waiting for a long time, she found no reflection of the sound.

"No way, it's so deep, even the voice I used didn't come back." Zhao Yanyan finally realized something.

The hole in front of her was so deep that even the super high-speed sound never touched the bottom.

"I can't risk going inside such a mysterious place" Zhao Yanyan wasn't brave enough to go inside, it was possible that Zhao Yanyan wouldn't be able to return if she did.

"Roar. . ." Moments later, Zhao Yanyan heard a roar from inside.

"there is a monster figure living in the interior" Zhao Yanyan stepped back for a while, it seemed like there was a monster figure living in the hole.

A golden caterpillar emerged from the hole, the caterpillar gave off a light that was so strong and quite dazzling.

"monster, I must kill it immediately" Zhao Yanyan decided to kill the monster immediately, she used such a destructive attack to kill the golden caterpillar.

"Ding. . ." Zhao Yanyan's zither attack didn't work, it didn't create any wounds for the opponent.

"It doesn't work, what's going on?" Zhao Yanyan's attack didn't work, a person like Zhao Yanyan, who had such great strength, her attack didn't work against the enemy, this was quite a strange.

"Is it that with the cultivation I have now, I can't take this monster down?" Zhao Yanyan started thinking.

With the strength that Zhao Yanyan currently possessed, she should be able to do that.

"I should be able to do it, I'll try again."

"dragon roar of light." Zhao Yanyan used the roar of light, an attack that emitted light in a wide radius.

The light struck the body of the golden caterpillar, strangely, the attack was absorbed.

"It absorbs all sorts of attacks?" Zhao Yanyan finally knew the strength of the opponent.

"So that's it, every attack that is launched, it can absorb all of them, but it seems that it can't return the attack that is launched" Even though it could absorb every attack, the golden caterpillar couldn't return the attack to Zhao Yanyan.

That meant that this monster only had a strong defense, not a strong attack.

"burst. ." at the moment when Zhao Yanyan thought that her opponent couldn't make a strong attack.

It swallowed everything in front of it, and the ground instantly disappeared and turned into a sea of golden liquid.

The golden caterpillar proved the power it had, it was pretty dangerous if it got hit.

"I can't take a hit from this monster." Zhao Yanyan decided not to take a hit from the caterpillar.

The battle continued, and Zhao Yanyan tried to catch the caterpillar.

She used light and melodic curse techniques to make the enemy weak.

"I'll catch you, don't fight anymore," said Zhao Yanyan.

Zhao Yanyan used all the power she had.

In this way, Zhao Yanyan was able to catch the golden worm, she caught it and imprisoned it.

Zhao Yanyan made a light cage, and she managed to confine it.

The golden caterpillar tried to destroy the cage made by Zhao Yanyan, but unfortunately, she was unable to do so.

Every time the light prison that Zhao Yanyan had was destroyed, it would recover quickly, there was no chance for the golden caterpillar to get out.

"Now that I've caught it" Zhao Yanyan had now caught the golden caterpillar, what would Zhao Yanyan do next.

"Stop right there, don't hurt the monster" someone stopped Zhao Yanyan.

Zhao Yanyan immediately looked towards the person who spoke to her, when she looked at the person, Zhao Yanyan discovered that the person was a middle-aged woman who looked quite old.

"Who are you?" Zhao Yanyan asked the woman in front of her.

"I'm the guard at this place," she told Zhao Yanyan.

"So you are the guard in this place, what a coincidence because I was looking for you." Zhao Yanyan said that she was looking for her.

"What do you need from me?" she asked Zhao Yanyan.

she wanted to know what Zhao Yanyan needed right now.

"I need a mirror of memories from you" Zhao Yanyan told the reason why she came to this place.

The reason Zhao Yanyan came to this place was to get a mirror of memories.

"That thing is no longer in this place," the old woman told Zhao Yanyan.

"Then where is it?" Zhao Yanyan wanted to know that as long as she could know, it would be an easy thing to find.

Zhao Yanyan needed a clue, and once she got one, she could definitely get it.

"Just give up, you won't be able to get that thing" the old lady told Zhao Yanyan to give up.

"I can't give up, I need that thing to help someone, so I hope you give me a clue" Zhao Yanyan refused to give up, she asked for a clue instead.

"That thing was taken away from this place by a dragon-

flavored woman, and now it's outside the God Realm barrier, you know what I mean right" the old woman told Zhao Yanyan.

"You mean she went across" Zhao Yanyan finally understood why this old woman told her to give up, it was because Zhao Yanyan wouldn't be able to go through the dimensional barrier.

"Everyone wants to explore higher worlds, that person is the same, she went to reach the latest heights," said the old woman.

"I understand, so just tell me who that person is, I'll go look for her right away" Zhao Yanyan told the old woman.

"If you really insist, then I'll tell you" The old lady picked up a stone and gave it to Zhao Yanyan.

"Inside is a picture of the person you are looking for, I don't know where she is now because she never communicated after leaving three years ago." The old woman gave Zhao Yanyan an image stone.

"Thank you very much." Zhao Yanyan had gotten it, but now she just needed to look for it.

Chapter 3072 Zhao Yanyan Looks At Ye Chen's State

"Madam, why didn't you come and choose to stay in this place?" Zhao Yanyan asked the old woman in front of her.

Why didn't the old lady in front of her come along when she had the opportunity to do so?

"I'm old enough to do that," she told Zhao Yanyan, she wasn't young anymore, and such a dangerous place wasn't suitable for her.

"This place is more peaceful than outside" she told Zhao Yanyan.

"You're absolutely right" Zhao Yanyan also agreed with that.

This place was much safer than the outside, the risk of being killed was much greater than in this place.

Because of this, she chose to stay in this place, at least this place was safe enough for her to live in.

Here, there were many strong dragon races that would take care of them, so they would not get hurt.

"You, I feel a dragon inheritance in your body" she asked Zhao Yanyan.

"That's right" Zhao Yanyan admitted, she did have a light dragon inheritance in her body.

"I see, then you can meet her, she's a bit of an arrogant woman, I hope you'll be patient with her" she said to Zhao Yanyan.

"I'll try my best," Zhao Yanyan understood, it seemed like she would be facing someone who was difficult to negotiate with.

After getting enough information, Zhao Yanyan immediately left this place, she went straight to see Ye Chen and told Ye Chen about it.

"A little strange woman." the old lady looked towards Zhao Yanyan, and she saw that Zhao Yanyan was quite a strange woman. What was the purpose of Zhao Yanyan, she didn't know the purpose of Zhao Yanyan yet.

Zhao Yanyan returned to Ye Chen, and she found out that Ye Chen hadn't returned yet, not seeing Ye Chen, she decided to ask Chu Yuechan.

"sister, where is the husband right now?" Zhao Yanyan asked Chu Yuechan, she wanted to know the whereabouts of Ye Chen.

"He's together with Yixian and seems to be resting in a tent, you want to go to see them?" Chu Yuechan said to Zhao Yanyan.

"Then I'll go and see them" Zhao Yanyan decided to go and see Ye Chen.

Zhao Yanyan went to the place where Ye Chen and Shui Yixian were.

When she arrived, she saw Ye Chen building a tent.

"so they're in there" Zhao Yanyan saw that Ye Chen and Shui Yixian were in there, so she decided to go in.

After Zhao Yanyan went inside, she found Ye Chen and Shui Yixian's whereabouts; the two of them were sleeping and seemed to be very close.

"They're getting so close" Zhao Yanyan saw that the two were getting so close.

Zhao Yanyan was naturally happy about that.

"Looks like they're pretty tired, what have they been doing ?" Zhao Yanyan approached, it seemed like Shui Yixian was too tired.

Zhao Yanyan felt that Ye Chen was so abrupt when he did it.

Ye Chen touched Zhao Yanyan's double peak.

The size had grown a lot, obviously Zhao Yanyan had grown into a mature woman with a fully matured body.

"You're too hard," Zhao Yanyan said to Ye Chen.

Zhao Yanyan told Ye Chen that Ye Chen was too strong and she wouldn't be able to withstand it.

Ye Chen's hand was too strong, it made Zhao Yanyan couldn't stand it and quickly reached the peak.

"husband, wait a minute," Zhao Yanyan said to Ye Chen.

"What's wrong?" Ye Chen asked Zhao Yanyan.

"I have news for you," Zhao Yanyan had some news.

"What kind of news did you get, I want to hear it" Ye Chen wanted to hear the news from Zhao Yanyan.

"I managed to find a mirror of past memories," Zhao Yanyan said to Ye Chen.

"You're serious, that's a useful item, with it, we might be able to restore Yixian's memories," Ye Chen said.

"That's exactly what I was thinking, by using that, we should be able to recover the memories of sister Yixian, but the problem is" Zhao Yanyan said to Ye Chen.

"What's the problem?" Ye Chen asked Zhao Yanyan.

Ye Chen didn't forget to pinch Zhao Yanyan.

"Ahh, stop for a while, I can't talk if you do," Zhao Yanyan said to Ye Chen.

"We're talking while doing it," Ye Chen said to Zhao Yanyan.

"You're such a naughty husband, I hate it, I'll give you a punishment after this" Zhao Yanyan said.

"I'm quite looking forward to it" Ye Chen said to Zhao Yanyan.

Ye Chen was looking forward to it.

"You . . ." Zhao Yanyan was helpless when she saw Ye Chen, who was not afraid.

"The person holding the mirror is in the Supreme God Realm, we should go back there," Zhao Yanyan said to Ye Chen.

"If that's true, we'll start looking for her," Ye Chen told Zhao Yanyan.

After knowing about the matter, Ye Chen would look for it right away.

Zhao Yanyan showed the person holding it, a beautiful woman, and it seemed that she was from the dragon race, which was so powerful and arrogant.

"she looks like she's from the dragon race?" Ye Chen said to Zhao Yanyan.

Chapter 3073 Shui Yixian Wants To Have A Private Talk With Zhao Yanyan

"You're right, I heard that it's not easy to talk to her" Zhao Yanyan said to Ye Chen.

"Take it easy, we'll find and talk to her, she's still a beautiful woman" Ye Chen said to Zhao Yanyan.

"I know what you're thinking" Zhao Yanyan knew what Ye Chen was thinking.

"Hehehehehe, you know about me" Ye Chen said to Zhao Yanyan.

Zhao Yanyan knew so much about Ye Chen, and it made Ye Chen feel so happy.

Ye Chen attacked Zhao Yanyan, he showed the ability to make Zhao Yanyan comfortable.

"Good, there, it feels so comfortable," Zhao Yanyan said to Ye Chen. She felt so comfortable when Ye Chen did it.

The feeling of being touched by Ye Chen was the most delicious thing Zhao Yanyan had ever felt.

"I'll give you a little punishment, tonight you won't be able to leave easily," Zhao Yanyan said to Ye Chen.

Zhao Yanyan told she wouldn't let Ye Chen leave so quickly.

Ye Chen and Zhao Yanyan did so, and both of them did so until the morning.

Ye Chen made a barrier around, and it made Shui Yixian not listen to the lustful voice released by Zhao Yanyan,

So both of them were fine, no need to hold back and could do everything they wanted.

After finishing, Zhao Yanyan and Ye Chen put on clothes and slept next to Shui Yixian.

Shui Yixian finally woke up, she felt that she had slept for a long time.

"What's going on here?" Shui Yixian looked around when she looked around, she found Ye Chen and Zhao Yanyan.

"Eh, they're together?" Shui Yixian was surprised to see Ye Chen and Zhao Yanyan sleeping together, and Zhao Yanyan hugged Ye Chen quite intimately.

Shui Yixian was a little jealous when she saw what had happened, she also wanted to do the same thing Zhao Yanyan had done.

"umm. . ." Zhao Yanyan woke up when she woke up, she saw Shui Yixian.

"sister, Yixian, how are you ?" Zhao Yanyan asked Shui Yixian.

"I'm fine, you?" Shui Yixian asked Zhao Yanyan.

"I just taught him a little lesson because he dared to bother you" Zhao Yanyan told Shui Yixian.

"What do you mean?" Shui Yixian was surprised when she heard Zhao Yanyan's words.

Could it be that Zhao Yanyan had discovered her, that was a possibility, otherwise, Zhao Yanyan wouldn't want to discuss the matter.

"Fufufufu, you don't need to be tense and hide the problem, I already know, we are sisters and should work together to solve it" Zhao Yanyan said to Shui Yixian.

"You're probably absolutely right." Shui Yixian felt calmer, it seemed like Zhao Yanyan was part of Ye Chen's wife, and they seemed quite close.

"That, I want to talk to you a bit" Shui Yixian said to Zhao Yanyan.

"Of course," Zhao Yanyan agreed to talk to Shui Yixian.

"Let's talk outside," Shui Yixian said to Zhao Yanyan.

she invited Zhao Yanyan to talk outside, she wanted to ask her something private between women.

"Let's go," Zhao Yanyan understood, surely Shui Yixian had enough questions for her trouble.

Zhao Yanyan and Shui Yixian went outside, and they came out and went outside to talk privately.

"So this is the trust between couples," Shui Yixian understood, this was the trust that Zhao Yanyan had for Ye Chen.

"That's right" Zhao Yanyan nodded, this was indeed a form of trust that Zhao Yanyan had for Ye Chen.

"I'm sure you have it too" Zhao Yanyan said to Shui Yixian.

Shui Yixian must also have confidence in Ye Chen, otherwise, then she wouldn't easily let Ye Chen touch her.

"You're right," Shui Yixian agreed with Zhao Yanyan.

Zhao Yanyan and Shui Yixian were already getting closer and closer.

"It looks like our bodies are dirty, let's take a bath together," Zhao Yanyan told Shui Yixian.

"You're right, after what happened, I feel that our bodies are a little dirty." Shui Yixian also thought the same thing as Zhao Yanyan.

They finally entered the fairy gate, showered, and cleaned themselves up.

.

.

At Ye Chen's side now.

Ye Chen was now grilling some fresh fish, he had just caught it and intended to give it to Zhao Yanyan and Shui Yixian.

"Where did they go, it took so long" Ye Chen waited patiently, he had not seen any signs of Shui Yixian and Zhao Yanyan returning here.

It's been more than 45 minutes, and the two of them haven't shown up yet, what talks are they having, it seems like it's pretty long.

Because it took too long, the fish Ye Chen had grilled was almost fully cooked.

"We're back." After waiting a few more minutes, Ye Chen listened to Zhao Yanyan's pleasant voice.

"You guys are back, I thought you would leave me alone here" Ye Chen said to Zhao Yanyan.

"How could we do that, we just finished dressing up" Zhao Yanyan said to Ye Chen.

Ye Chen looked at the appearance that Zhao Yanyan and Shui Yixian had, the appearance they had was so good, they looked beautiful wearing matching white clothes.

Zhao Yanyan and Shui Yixian were wearing beautiful plain white colored clothes and looked pure, they also styled their hair so pretty to look at, this was an oriental beauty that was so seductive.

"Your Yanyan, so pretty," Ye Chen said to Zhao Yanyan.

"Husband, what do you think of sister Yixian?" Zhao Yanyan asked Ye Chen.

"Yixian, you are also very beautiful" Ye Chen told Shui Yixian.

Shui Yixian turned red as she listened to Ye Chen's praise.

"Sister Yixian is so beautiful" Zhao Yanyan also agreed with Ye Chen's statement.

Shui Yixian was indeed a beauty, she was a beauty.

Shui Yixian became even more flushed, the praise from Zhao Yanyan and Ye Chen was too much.

"You two are indeed goddess-like beauties," Ye Chen said, reaching out and hugging Shui Yixian and Zhao Yanyan.

Shui Yixian was hugged from right and left by Ye Chen.

"see you start again," Zhao Yanyan said.

"I agree, she's starting again," Shui Yixian said, agreeing with Zhao Yanyan.

"Fufufufu" Zhao Yanyan and Shui Yixian smiled, they were enjoying it.

"We're going to the Supreme God Realm to find the item we're looking for, right?" Zhao Yanyan said to Ye Chen.

Chapter 3074 Long Luxie the goddess of the God Realm

"Of course, we will do just that, before that, let's eat first, I just caught a fish for you guys" Ye Chen said to Shui Yixian and Zhao Yanyan.

"So this is the smell of fish, very fragrant, makes me want to eat it" Zhao Yanyan wanted to eat it.

"You made it, I want to try it" Shui Yixian said to Ye Chen.

Shui Yixian wanted to try it.

"Very good, you can try it ?".

Ye Chen gave it to Shui Yixian and Zhao Yanyan, and both accepted it from Ye Chen.

Shui Yixian and Zhao Yanyan started eating, they both seemed to really enjoy what Ye Chen had given them.

What Ye Chen had given them was very delicious and comfortable to eat.

"It's savory, unfamiliar and sweet, just right" said Zhao Yanyan.

Zhao Yanyan loved it, and Ye Chen's cooking never failed.

"You're absolutely right" Shui Yixian agreed with what Zhao Yanyan said, this tasted so good and so delicious.

"It's good to hear that from you guys, I caught quite a lot, you guys can take as much as you want" Ye Chen said to Shui Yixian and Zhao Yanyan.

"Um. ..." Shui Yixian and Zhao Yanyan nodded, taking their fill and more.

Ye Chen was happy seeing what Shui Yixian and Zhao Yanyan were doing.

Both of them completely loved the dishes made by Ye Chen.

After they finished, they left immediately, going straight to the Supreme God Realm.

When they had just entered the Supreme God Realm, they saw several people in a hurry.

There were so many people who had begun to evacuate, it seemed like something was going on.

"What's wrong with them?" Shui Yixian saw something strange about all of them.

"It looks like they're going as far away from the center of the Supreme God Realm as possible," Zhao Yanyan said.

"they don't want to be seen in a high-level battle, so they decided to go to the end and hope to survive the battle that is about to start," Ye Chen said.

"did they already know?" Zhao Yanyan asked Ye Chen.

"it's not strange that everyone already knows, they have prepared some strong cultivators, if I were them, I would know right away," Ye Chen said to Zhao Yanyan.

"I agree with you," Shui Yixian agreed with Ye Chen, it seemed that what Ye Chen was thinking was indeed true.

"This will be a bit bad. How can we find the person, won't this make our work more complicated" Zhao Yanyan said.

"no problem, we go back first, we use our connections, and we will look for her together," Ye Chen said.

Ye Chen would ask for help from their connections, it would take a long time if they searched alone, it was best to use all to search for the whereabouts of the woman.

"I understand." Zhao Yanyan immediately understood Ye Chen's plan.

With that they returned to the base, who knows what Ye Chen's woman was thinking, and they made a new place so strong.

This place was enough to survive with many defenses that couldn't be easily destroyed.

"They have also prepared for the worst scenario that could happen" They were quite dexterous, they knew that the opponent they would face was also strong, and because of that, they prepared so many barriers.

"Husband. . ." Fu Lanling came towards Ye Chen.

"Lanling" Ye Chen saw Fu Lanling's beautiful figure with such a strong innate charm that could affect everyone easily.

Fu Lanling approached and hugged Ye Chen quite tightly. She wouldn't let Ye Chen leave just like that.

"What are the conditions around, is everything alright?" Ye Chen asked Fu Lanling.

"the situation is safe and under control, everything is fine, no attacks have occurred" Fu Lanling reported to Ye Chen.

"Very good, it's good to hear that from you" Ye Chen was happy to hear this from Fu Lanling.

"how have you guys been successful?" Fu Lanling asked Ye Chen and Zhao Yanyan.

"It still doesn't seem to have worked, but we found a way that might be able to," Ye Chen said to Fu Lanling.

"What is it, if I can help, I will start to help," Fu Lanling told Ye Chen.

"I want you to call everyone who has the best information, I want to talk to all of them" Ye Chen said to Fu Lanling.

"I understand" Fu Lanling wanted to help, so she called all the people with the highest information network within the group of women here.

Fu Lanling immediately went to call them all, she called Nangong Xiang, Nanlan Lia, and Ling Shu.

"What's going on?" Nangong Xiang was the one who asked Ye Chen, it seemed like Ye Chen had something important to say.

"All of you, I need your help to find this person," Ye Chen said to Nangong Xiang, Nanlan Lia, and Ling Shu.

"This?" Nangong Xiang, Nanlan Lia, and Ling Shu looked at what was given by people, they saw the figure of the beautiful woman shown inside the imaging stone.

"Why do you want to find this woman?" Nanlan Lia asked Ye Chen.

"You know her?" Ling Shu asked Nanlan Lia.

"um, I do, and sister Xiang of course, does too" Nanlan Lia said.

"You know her, then tell me" Ling Shu asked Nanlan Lia to tell the matter.

"This woman is Long Luxie, she is known as the goddess of the dragon race" Nanlan Lia said.

"I've heard of this," Ye Chen said.

Ye Chen had heard of that name, but it was long ago, and he had almost forgotten it.

"what about that person, is she a little difficult to deal with?" Zhao Yanyan asked Nanlan Lia.

"it's . . ." Nanlan Lia couldn't answer her, she had a hard time answering the question from Zhao Yanyan.

"Yanyan, that woman is quite difficult, the dragon race is a bit arrogant and not easy to obey, so it will be very difficult to talk to her," Nangong Xiang said.

Since Nanlan Lia couldn't answer her, Nangong Xiang answered her.

"it's not strange that the previous aunt said that it's difficult, it seems like it would be a bit difficult to get her to lend or hand over the mirror of memories," Zhao Yanyan pondered for a while.

"No problem, first of all, we will try to find it" Ye Chen said that they would find it first.

"Understood" Nangong Xiang, Nanlan Lia, and Ling Shu understood, they knew what Ye Chen wanted.

If they couldn't handle Long Luxie, then Ye Chen would handle it, they were confident enough that Ye Chen could do that.

"Then we will start helping you find the whereabouts of Long Luxie" Nangong Xiang, Nanlan Lia, Ling Shu will work together, they will find her quickly.

"Thank you very much," Ye Chen thanked all the ladies, they would work hard enough to find Long Luxie.

Ye Chen would also not relax, he was trying to find information by himself, it could be said that he would move alone to find information.

"Let's go together," Shui Yixian said to Ye Chen.

Shui Yixian did not want to leave Ye Chen, she wanted to continue being with Ye Chen.

Ye Chen looked at Shui Yixian, it seemed impossible for Ye Chen to leave Shui Yixian.

"Husband, let's just leave this matter to them," Zhao Yanyan said to Ye Chen.

Zhao Yanyan knew that Ye Chen also wanted to make a move, but Shui Yixian didn't want to part with Ye Chen.

"Um. . ." Ye Chen nodded, it seemed that he couldn't leave Shui Yixian.

"Then I will accompany you for the time being" Ye Chen said to Shui Yixian.

Until Nangong Xiang, Nanlan Lia, and Ling Shu got what Ye Chen was looking for, Ye Chen would be together with Shui Yixian and Zhao Yanyan.

Ye Chen accompanied the two women, every now and then, he would see how his other women were doing and cheer them up after working hard enough.

"Yanyan" Cheng Mengyan came over, she gave a warm greeting to Zhao Yanyan.

"Mengyan" Zhao Yanyan looked happy when she saw Cheng Mengyan coming.

"Sorry for making you wait," Cheng Mengyan apologized for making Zhao Yanyan wait long enough.

"No problem, have you brought what I asked for," Zhao Yanyan said to Cheng Mengyan.

"Of course, I've brought it for you, here it is" Cheng Mengyan handed over some clothes for Zhao Yanyan.

"Is this strong enough?" Zhao Yanyan asked Cheng Mengyan.

"It should be strong enough" Cheng Mengyan said.

Cheng Mengyan told her that it was an outfit made of various materials that were put together to become armor that was enough to withstand strong attacks.

Besides being strong, it also looked quite beautiful, a robe colored like a golden light that was so beautiful to look at.

"Very good, I'll give it to Sister Yixian," Zhao Yanyan said.

"Eh, you're not going to use this for yourself?" Cheng Mengyan asked Zhao Yanyan.

"No, the clothes I wear are already strong enough and I like the white color," Zhao Yanyan said.

Zhao Yanyan liked the color white, while Shui Yixian liked two colors one was the color of golden light, and one was the color white.

Now that Zhao Yanyan would give her such a nice outfit, besides looking pretty, it could also keep Shui Yixian safe from threats.

"So that's it, if that's what you want, I won't be too bothered about it" Cheng Mengyan said.

"I'm glad you understand me" Zhao Yanyan said to Cheng Mengyan.

"We are old friends, you can say what you want, I will do it" Cheng Mengyan said.

Chapter 3075 A strange sky valley edge city

"Okay, I hope you can be with me for a while" Zhao Yanyan wanted to be with Cheng Mengyan for a while.

"Of course" Cheng Mengyan agreed, she also had no duties and could do everything she wanted.

"Since there are no attacks and the guard is already strong enough, all Ye Chen's women are idle and do all the things they want, they spend time practicing and doing the hobbies they like." Cheng Mengyan agreed, she also had no duties and could do everything she wanted.

"Little husband, I have brought you some good news" Fu Lanling brought him such good news.

"What news is that?" Ye Chen got up and asked Fu Lanling.

He wanted to know what kind of news Fu Lanling had gotten.

"I got news of the whereabouts of the woman you are looking for, the information is in the hands of someone, do you want to go meet that person?" Fu Lanling said to Ye Chen.

"Is the information in someone's hands?" asked Ye Chen.

"That's right." Fu Lanling nodded, it was indeed in someone's hands.

"If that is indeed the case, I will meet that person" Ye Chen said to Fu Lanling.

"How about I go together with you" Fu Lanling said to Ye Chen, she wanted to go with Ye Chen.

"Okay" Ye Chen agreed.

"I want to come too" Cheng Mengyan said to Ye Chen.

She also seemed to want to go together with Ye Chen.

"You two want to come together with me?" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Um. . ." both of them wanted to come and help Ye Chen, and both of them wanted to find the news that Ye Chen wanted.

"Then I'll be together with you guys," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Yanyan, what about you?" Ye Chen asked what Zhao Yanyan would be doing right now.

"I don't think I can come," Zhao Yanyan said, saying that she wouldn't be able to accompany Ye Chen.

She would be here to guard Shui Yixian, it seemed like the existence of Zhao Yanyan was more essential to keep Shui Yixian from going far.

"If that's what you think, I'll go with them," Ye Chen understood since Zhao Yanyan said that to Ye Chen, Ye Chen wouldn't bother her anymore and decided to go together with Fu Lanling and Cheng Mengyan.

"Let's go," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Um . . ." Fu Lanling and Cheng Mengyan nodded, and the two left together with Ye Chen towards the target.

Their target was in a city called Sky Valley Edge City, this city was not very big, a city with tens of thousands of souls living in it.

"This is the city of Edge of the Sky Valley, the person who has the imprint of Long Luxie" Fu Lanling said.

"Should we start looking for that person?" Cheng Mengyan asked Ye Chen.

"of course, we should look for him so well" Ye Chen said to Cheng Mengyan.

"Should we split up to look for him" Fu Lanling told Ye Chen.

"Wait a minute," Ye Chen said to Fu Lanling, he asked Fu Lanling to be patient.

"What's wrong?" Fu Lanling asked Ye Chen.

"I feel that this place is unusual" Ye Chen said to Fu Lanling.

Ye Chen felt a slightly evil aura in this place, there must have been someone with terrifying evil powers.

"Husband, what do you feel?" Cheng Mengyan was curious about what Ye Chen felt.

"An aura that is evil and full of killing intent, although it feels thin, I can still feel it" Ye Chen said to Cheng Mengyan.

Fu Lanling and Cheng Mengyan didn't feel what Ye Chen felt.

The two couldn't feel it because it was so thin and vague.

"Then there is something so dangerous in this town" Cheng Mengyan and Fu Lanling said to Ye Chen.

"It's possible, so we'd better do it together, I'll protect you" Ye Chen said to Cheng Mengyan and Fu Lanling.

"Um... ." the two agreed with Ye Chen, they both agreed with what Ye Chen said.

Ye Chen, along with Cheng Mengyan and Fu Lanling, entered as a pair husband and wife, the two of them could enter so quickly and without any problems.

"We can enter easily without any problems" Ye Chen said.

"Now we find the person," Ye Chen said to Cheng Mengyan and Fu Lanling.

Ye Chen had successfully entered, they had to find the person with the information they needed.

The target they were looking for was a young man who knew Long Luxie's whereabouts.

"Look around, we divide the tasks," Ye Chen said to Cheng Mengyan and Fu Lanling.

Cheng Mengyan and Fu Lanling understood, they divided the tasks and looked around as well.

Since this place was unfamiliar and Ye Chen sensed the presence of dangerous people, Ye Chen was wary of the worst that could happen.

"Husband, it looks like this town is normal, nothing strange" Fu Lanling found nothing strange.

"I agree" Cheng Mengyan didn't find anything strange either. Everything seemed fine.

"Sometimes what you think is calm can be dangerous, For example, calm water sometimes has terrible things in it" Ye Chen said to Cheng Mengyan and Fu Lanling.

"So that's it, you're using proverbs on us" Cheng Mengyan and Fu Lanling understood the meaning of Ye Chen's words.

"We should be able to find that person so easily" Ye Chen would find him.

He used God's Eyes and started searching around.

Ye Chen searched for quite a while until he felt dizzy from using God Eyes too much.

"Not good. ." Ye Chen seemed to have reached the limit and hadn't even found the person yet.

Even though this was only a medium-sized city, why couldn't Ye Chen find the person in a city that wasn't too big?

Could it be that he was hiding and avoiding Ye Chen?

"This seems like it's going to be a lot more troublesome than what I imagined" Ye Chen thought that this would be a bit challenging.

"little husband, what about your condition?" Fu Lanling asked about Ye Chen's condition.

It seemed that she was pretty worried about the state that Ye Chen was in right now.

"No problem, just a little dizzy after using my technique" Ye Chen told Fu Lanling.

"Probably enough for today, we should take a break" Cheng Mengyan said to Ye Chen.

"I agree" Fu Lanling agreed, they looked for a place to stay.

"Alright, let's rent a house" Ye Chen said.

Ye Chen decided to rent a house, it would be very helpful for their work.

There were quite a few houses here that they could rent so easily.

Ye Chen could very easily find one for them to live in.

"We will stay here for a while" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Not bad" Fu Lanling and Cheng Mengyan liked this place, and neither didn't mind living here.

"It seems like they both like it, so it's fine to stay in this place temporarily" Ye Chen saw the high favorability of Fu Lanling and Cheng Mengyan so that they could use this place for a while.

After a while, the night finally fell, Ye Chen, Fu Lanling, and Cheng Mengyan were now looking out.

"Something's wrong. . ." Cheng Mengyan said to Ye Chen.

Cheng Mengyan discovered that something was wrong when night fell.

"ummm, you're right, there's something a little strange here" Fu Lanling also realized that she discovered that something was wrong when night fell.

As night fell, the streets began to lack people, it was no longer as lively as before, and only a few people dared go out and walk around.

"It's not like before." Ye Chen saw that it was no longer like before.

Ye Chen also realized that something was wrong, it seemed like people were limiting their activities when night fell.

They must have a definite reason for doing so.

"Husband, do we need to figure this out?" Fu Lanling asked Ye Chen.

If Ye Chen wanted to, she could directly help Ye Chen find the source of the problem.

"Wait a minute, we shouldn't interfere right away, our purpose is different from what is happening now" Ye Chen said to Fu Lanling.

"I understand" Fu Lanling knew Ye Chen's reason for not interfering, this might be a complicated matter, plus the situation in Supreme God Realm was not good, if this were a battle between great powers, they would be trapped and difficult to get out.

It can be said that Ye Chen does not want to be trapped in a conflict situation at Ye Chen had indeed made such a good decision, he did not endanger the people around him temporarily.

With that, Ye Chen looked around, they confirmed what was happening.

People were walking, they seemed to be in fear.

"gust of wind": a strong wind swept around their place, and all the lights and lighting suddenly went off in the city.

"Husband?" Fu Lanling and Cheng Mengyan instantly stood by Ye Chen's side, they hugged Ye Chen quite tightly.

Fu Lanling and Cheng Mengyan prepared, they would not let anything bad happen around them, and they would support Ye Chen.

Ye Chen watched around, this was exactly like before, a force of darkness that was full of a killing aura and so evil.

"This is similar to how I feel, is there someone like that here?" Although a little far away, Ye Chen felt that person had indeed come out.

"ominous air" Fu Lanling said to Ye Chen.

Fu Lanling could finally feel it, after that person started to show himself, she could feel it quite clearly.

"husband, so this is what you feel, I can feel it too" Fu Lanling said to Ye Chen.

Fu Lanling could also feel it, she felt what Ye Chen felt, quite a terrifying power.

This was the power of evil and killing.

Chapter 3076 person with soul-sucking that is so terrifying

The person behind this must be pretty dangerous, they looked first.

"I see the direction" Ye Chen had found the direction, he found the whereabouts of the other party so quickly.

"You found it already?" Fu Lanling said to Ye Chen.

"Um. ." Ye Chen nodded lightly, he had indeed found the whereabouts so quickly and without any problems.

They immediately saw him, going towards the location where the person was.

When Ye Chen arrived, he saw some fighting going on.

Several people were trying to fight one person.

And the one person they were fighting was a person with such powerful and terrifying darkness power, just imagining it would have overwhelmed them.

"Is that the person?" Cheng Mengyan looked at the person, they finally found the person who had such a terrifying aura.

"It is the person. Is he a bad guy or not?" Ye Chen said to Cheng Mengyan.

"eh, doesn't he have such a terrible aura, must have killed so many people with such an aura," Cheng Mengyan said.

"That's right, there must have been a lot of people who died in that man's hands" Fu Lanling also agreed with what Cheng Mengyan said.

"You guys might be right about that, that's why I want you to see what happens next," Ye Chen said to Cheng Mengyan and Fu Lanling.

He told them to see the battle that would happen next.

"Quickly kill that person" They all immediately went and killed the person in front of them.

"Boom. . ." An aura of darkness that was so terrifying occurred, the aura of darkness immediately made everyone's bodies rot.

"arghhhhh . . ." They all screamed, their bodies began to decay and became older than before.

"What kind of power is that?" Cheng Mengyan had only seen such power.

"A terrible power," Fu Lanling said.

"I see, it has the power to absorb one's life force from a long distance, and it uses the power of darkness." Ye Chen understood what the opponent had just used.

"I see" Cheng Mengyan and Fu Lanling immediately understood, they understood what the opponent had just used.

The person hasn't even fought yet, and everyone has already been killed. It's very fast.

"You guys, be prepared to attack if anything happens, I want to see who this person is," Ye Chen said to Cheng Mengyan and Fu Lanling.

"Understood," Cheng Mengyan and Fu Lanling understood, and they would help Ye Chen deal with the person.

Ye Chen went down and fought the person before him, full of a dark aura.

"Hmmm," the person looked in Ye Chen's direction, he directly attacked whoever was in his way, not caring about the other people around.

As he used his ability to absorb life from others, he discovered that it did not work for Ye Chen.

"What's wrong, can't you do that?" Ye Chen said.

Ye Chen was immune from all sorts of things like that, such things would not be able to inflict wounds on Ye Chen.

"So that's it, that's what happened" The person looked at Ye Chen.

Only Ye Chen was able to survive after receiving his absolute attack.

"You are indeed strong, I have no business with you, I'd better leave" Since Ye Chen seemed strong and troublesome to deal with, he decided to run away.

"I won't let you escape." Ye Chen created a barrier that allowed the opposing party to be trapped.

"Booom. ." an explosion occurred, and the person's body exploded quite strongly.

Ye Chen endured the explosion. It was an absurd thing.

"Was that a suicide?" Ye Chen saw what had happened, and the person before him was destroyed.

That meant he blew himself up with a pretty powerful and large explosion.

"what happened, there's no way he blew himself up" Ye Chen felt something was strange, there was no way they blew themselves up, it was a stupid and quite ridiculous thing to do.

Ye Chen used his detecting ability, he search out what happened.

After using his ability, he found traces of the person running away.

"So he ran away" Ye Chen understood, the person ran away.

"The explosion just now was just a diversion for Ye Chen.

"How?" Cheng Mengyan and Fu Lanling asked Ye Chen.

"that person ran away so quickly, it seems that he is not ready to fight us," Ye Chen said.

That person chose to run away, it seems like he only targeted one person and ignored the others.

"It's a pity that he ran away" Fu Lanling and Cheng Mengyan felt it was quite unfortunate.

"We should find out the root of the problem first," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Um... ." Fu Lanling and Cheng Mengyan understood they would look for the root of the problem.

"they are over there" The guards finally came to help fight the bad guys.

"We should get out of here" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen, Fu Lanling, and Cheng Mengyan left this place, they looked for a safe place so as not to be dragged into the matter.

It would be a problem if a misunderstanding existed, so it was better to leave this place quickly.

A while later, help arrived in greater numbers, when they arrived, they saw so many people who had dried up and rotted.

"Damn it, we're too late" They were all too late, the frontmost troops had already been destroyed so quickly.

They were destroyed so quickly and so horribly without a single survivor.

"Quickly chase that person, the number of casualties is increasing again" With that, the troops began to move to find that person.

The city's situation became more tense, and until now, the lights were still not on.

"It's very troublesome. Our goal is just to find information from someone. Instead, we are stuck in trouble," Ye Chen said.

"You're right," Cheng Mengyan said, agreeing with Ye Chen's statement.

"Already, don't complain too much" Fu Lanling said to Ye Chen and Cheng Mengyan, she told the two to stop complaining and start to work on finding clues.

"We will look for clues tomorrow morning. For now, we can rest, it's quite risky to move right now" Ye Chen said to Fu Lanling and Cheng Mengyan.

"There are so many people outside, it seems like they are also targeting the person just now" Fu Lanling said.

"After seeing us, I'm sure he won't want to move anymore" Ye Chen was sure that the person wouldn't want to move anymore.

"Since they are not willing to move anymore, we can rest easy" Fu Lanling and Cheng Mengyan were happy they could sleep about.

"You guys are right" Ye Chen agreed with what Fu Lanling and Cheng Mengyan said.

"Then let's rest" Fu Lanling and Cheng Mengyan said to Ye Chen.

They immediately took Ye Chen and them up to the bed.

Since there was a fairly large double bed here, Ye Chen could use it together with Fu Lanling and Cheng Mengyan.

"We're sleeping together?" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Of course, we want to sleep together with you," Fu Lanling and Cheng Mengyan said to Ye Chen.

Both of them wanted to sleep together with Ye Chen. They were eager to be together with Ye Chen and enjoy this night.

Ye Chen couldn't back down, Fu Lanling and Cheng Mengyan wanted to, so Ye Chen would be together with them.

The night was so dark because of the incident just now, all the lights were off, and everyone was a little afraid of what would happen.

Only Ye Chen, Fu Lanling, and Cheng Mengyan felt comfortable with such a night. They enjoyed it and cuddled on the bed.

"ah, it's so nice" Ye Chen looked so satisfied as he hugged Fu Lanling and Cheng Mengyan.

Fu Lanling and Cheng Mengyan also felt the same way, they were quite satisfied sleeping with Ye Chen.

Although they didn't do anything strange, they still enjoyed it, probably because they were so comfortable with each other.

"Okay, last night was quite comfortable, now is our time to work," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Um. ." It was their time to work again, so they left and started asking what had happened.

Ye Chen walked together with Fu Lanling and Cheng Mengyan.

Due to the quite conspicuous appearance, Ye Chen told Fu Lanling and Cheng Mengyan to use their appearance-concealing skills to avoid too much noise.

Fu Lanling and Cheng Mengyan agreed that they didn't like being too conspicuous when working on something.

"Master, last night, something seemed to have happened. What exactly happened?" Ye Chen asked an old man.

"Oh, you mean the blackout that happened last night, it was the work of a soul eater, we call that person a soul eater," he told Ye Chen.

"Is it some kind of monster or person?" Ye Chen asked.

"I don't know about that either, the soul eater came 2 weeks ago and has scared many people. Those who meet it on the street will instantly rot and die on the spot. Because of that, not many people dare to go out when night falls," the shopkeeper told Ye Chen.

"2 weeks, so it just happened?" Ye Chen asked.

"That's right, the city guards and all the cultivators are looking into it. Unfortunately, everyone who met the soul eater never returned, so it's difficult to find the person," the shopkeeper said.

"Do you know the person's purpose?" Ye Chen wanted to know the person's purpose.

If indeed the person is doing this, he must have a purpose.

Chapter 3077 Made a deal with Xu Douri

"I don't know about that, some say that the person's purpose is to look for someone" he said to Ye Chen.

"Hmmm, I see, I understand, thank you very much for the information you have provided, it is very helpful for me" Ye Chen was happy about that.

"Everyone knows that too" he said to Ye Chen.

Ye Chen bought some goods, and after buying some goods, he finally left with Fu Lanling and Cheng Mengyan. freeweb(n)ovel

"Since that person is looking for other people too, we better ask if we meet again, now let's search for the whereabouts of our current target" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Our goal remains the same, let's complete our goal first" Fu Lanling agreed with Ye Chen, they should focus on their original goal, not be like that and focus on their current goal.

Ye Chen decided to ask people around, by doing so, Ye Chen hoped that he could find the person he was looking for so quickly.

"Madam, do you know this?" Ye Chen asked a woman, he asked about the man in the picture.

"I know, what is your purpose for meeting that person?" the woman said to Ye Chen.

"Looking for information," Ye Chen said, explaining the purpose of his search for that person.

"Information about what?" this woman continued to ask Ye Chen.

"Information about someone" Ye Chen told her that he was looking for information about someone quite important.

"So then, come with me" this mature woman guided Ye Chen.

"Let's follow her" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen was not afraid at all, if it was confirmed that this woman had evil intentions, Ye Chen could handle it.

The woman took Ye Chen to an entirely secret place and closed off from the outside world.

"Here we are," she said to Ye Chen.

The woman told Ye Chen they had arrived at an underground mysterious place.

"Not strange, so you are hiding underground," Ye Chen said to the woman before him.

"The situation in the city is bad because of such a terrible person, so we are staying here for a while" she said to Ye Chen.

"Quickly take me to him" Ye Chen said quickly, taking himself to the person.

"I got it" She led Ye Chen to the room of Xu Douri, the person Ye Chen was looking for.

Xu Douri was now in a heavily guarded room, there were so many people guarding this place.

"Sir, I have a guest for you," the adult woman said to Xu Douri.

"Bring him in" Xu Douri told Ye Chen to come in.

"You can go in yourself, these two ladies should wait here" the woman told Ye Chen.

"That's impossible" Fu Lanling and Cheng Mengyan refused to wait here.

"it's okay, you guys can wait in this place, I will talk to him, don't worry about me" Ye Chen said.

"if anything happens, we will directly help you" Fu Lanling will directly help if anything happens.

"That's right." Cheng Mengyan would also help if Ye Chen were trapped.

"Take it easy, that won't happen, this is a business talk," Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen told the two to relax more, if it were like this, they would destroy the surroundings.

"We understand," Fu Lanling and Cheng Mengyan understood, they wouldn't do such a thing.

"Very good." Ye Chen was satisfied with the answer given by Fu Lanling and Cheng Mengyan.

It seemed like they already knew.

"I'll go in then" Ye Chen went in, and he went straight to meet up with Xu Douri.

Xu Douri was currently in bed, it seemed that he was in the process of healing.

"What's going on here?" Ye Chen asked Xu Douri.

"Nothing happened, tell me what you want." Xu Douri didn't want to answer Ye Chen's questions, this was beyond his business.

"Okay, business is business, I want you to tell me about this person, you must know, right" Ye Chen asked Long Luxie for information.

"You are asking for information on a rather dangerous person" Xu Douri told Ye Chen.

Xu Douri told Ye Chen that this was quite tricky information.

"Why is it dangerous?" Ye Chen asked what Xu Douri meant by dangerous.

"You don't know, that woman has just become a part of the Dragon God Realm, in the midst of the current conflict situation, information from that woman is quite difficult to obtain," Xu Douri told Ye Chen.

This information is challenging to obtain because Long Luxie is now part of the Dragon God Realm.

Dragon God Realm was one of the supreme powers of God Realm, searching for the whereabouts of Long Luxie was the same as challenging them.

"I see," Ye Chen understood, after getting a proper explanation, he knew why this was categorized as quite dangerous information.

Because the risk of leaking Long Luxie's whereabouts was quite high.

"Then I just need to look for her inside the Dragon God Realm, right?" Ye Chen said.

"Do you think you can enter there easily, you must not know what kind of place it is, a place that is difficult for ordinary people to enter, even strong spies find it difficult to enter there" Xu Douri said to Ye Chen.

Even if Ye Chen could know the whereabouts of the current Long Luxie, he would not be able to find her whereabouts because they were so hidden.

"That's interesting, how much do you want" Ye Chen asked Xu Douri.

"I don't want your treasure, I want something for you" Xu Douri said.

"Say it" Ye Chen told Xu Douri to say it.

"You know what happened, right?" Xu Douri said to Ye Chen.

"What's going on in this town right now?" Ye Chen asked.

It seemed that Xu Douri knew what had happened to this town, and since he knew what had happened, Ye Chen decided to ask.

"Something bad happened, a few days ago one of the clients, I opened an ancient chest and took out a cultivator that was so evil and so horrible, it seems that it was a cultivator that was sealed because of such a terrible crime." Ye Chen said.

"If it's so horrible, why would you free such a thing?" Ye Chen asked Xu Douri.

"It was an accident, otherwise, how could I have done that?" Xu Douri told Ye Chen.

"Then what are you after?" Ye Chen asked Xu Douri.

"I don't know myself, but he eliminated the clients I had, I was not alone in getting hurt when fighting him, that kind of power exists in this world, there will be so much destruction," Xu Douri said to Ye Chen.

Xu Douri knew what would happen if such a creature managed to leave this place, there would definitely be something very scary happening.

"Hmmm, strange enough, why would such a creature target you" Ye Chen found it strange, why would such a creature want to target Xu Douri?

There must be something it took to target Xu Douri.

"It looks like Ye Chen will have to figure this out himself, and it seems that Xu Douri doesn't want to tell Ye Chen about it.

"Alright, I'll try, if it doesn't work, I won't put myself in danger" Ye Chen said to Xu Douri.

"I understand, we have a deal" Xu Douri understood, if that was the case, then the deal was made.

"I understand, we have a deal" Xu Douri understood, if that was the case, then the deal was made.

Chapter 3080 Xu Douri Was Looking For Trouble With Ye Chen

"what is this" Ye Chen wanted to know, he had never seen this kind of thing.

"What's that?" Fu Lanling and Cheng Mengyan were also curious about this, they also wanted to know what Ye Chen got.

"Yuechan, do you know what this is?" Ye Chen asked Chu Yuechan.

"I don't know, I've never seen it" Chu Yuechan said to Ye Chen, she didn't know about it either.

It should be something special since Chu Yuechan didn't know either.

Ye Chen decided to keep it and find out what he found.

After defeating the opponent, Ye Chen immediately returned to Xu Douri's place and asked for his reward.

"you have done?" Xu Douri was surprised that Ye Chen had completed the task so quickly.

"I'm done, quickly give me what I want," Ye Chen said to Xu Douri.

"That can't be done, I think it's too easy for you" Xu Douri didn't tell information quickly, it seemed like he wanted to take advantage of Ye Chen more and more.

"I don't want to, that's under the agreement we made at the beginning" Ye Chen didn't want to, he didn't want to be someone else's tool.

The initial agreement was made that if Xu Douri didn't want to, then Ye Chen would make him talk.

Ye Chen didn't like being forced. Because of this, he would fight back if necessary.

"It's a pity, if you don't want to, then I won't tell you either" Xu Douri said to Ye Chen.

Because Ye Chen refused, Xu Douri would not tell Ye Chen.

"Do you know your decision could cost you your life here?" Ye Chen asked Xu Douri.

"Are you brave?" all the bodyguards of Xu Douri appeared, they appeared and immediately pointed their weapons at Ye Chen.

"so this is the decision you took" Ye Chen looked at it, it seemed like this was the decision Xu Douri took.

"Do you think you can still win against me after seeing what is around you" Xu Douri said to Ye Chen.

Does Ye Chen still think he can win against the dozens of guards that Xu Douri has?

Ye Chen looked around, there were a lot of them, but Ye Chen could still handle them.

"Boss, how are we going to fight him if you don't let us get our weapons back?" they asked Xu Douri.

How could they fight Ye Chen if they didn't use their weapons?

"Are you guys stupid? Use your hands to fight him," Xu Douri told them to use their hands to beat Ye Chen.

"Okay," they understood, they went towards Ye Chen and used their fists to hit Ye Chen.

Their punches were strengthened, capable of destroying mountains in a single blow.

Ye Chen smiled, he used the previous method and started to exchange his position with Xu Douri.

"What, what happened, stop, don't come any closer" Xu Douri shouted, he didn't expect that Ye Chen would do it again.

"Blam. . ." Once again, Xu Douri was attacked by his men and was seriously injured in the face.

His face was now swollen, and in so much pain he even hit the wall quite hard and broke several bones.

"Bastard, what are you doing, how dare you attack me?" Xu Douri was so angry, how could they attack him again?

"Boss, we did attack him, why are we attacking you instead?" They were all confused, too, they were attacking Ye Chen, but why was Xu Douri the one being attacked?

"Damn, what kind of technique has he used?" Xu Douri looked at Ye Chen, what kind of technique had Ye Chen used, the technique used by Ye Chen seemed to be so powerful and so great that he didn't know what had happened.

"Still want to fight me again?" Ye Chen asked Xu Douri.

"bastard . ." Xu Douri tried to get up, his body now bloody and covered in wounds, his appearance tattered and covered in bruises all over.

"You will pay for all of this." Xu Douri was very annoyed, Ye Chen would pay for all of this.

"What a fool," Ye Chen said to Xu Douri.

It seemed like Xu Douri still didn't realize that Ye Chen here was much stronger than him, with strength like that, Xu Douri couldn't win.

"Shut up," Xu Douri said to Ye Chen, and he told him to shut up.

Xu Douri shouted at Ye Chen quite harshly, and he did this quite harshly, which made Ye Chen not too happy.

"Looks like he's had enough of messing around, it's time to be more serious" Ye Chen will no longer play around, he will use his strength and suppress Xu Douri.

Ye Chen used a very domineering aura, he brought down all of Xu Douri's troops with such a dominating aura.

"Hey, what happened to you guys?" Xu Douri saw that everyone had just fallen.
