Chapter 3081 Treasure Map

"I made them all quiet for a while" Ye Chen told Xu Douri.

"impossible." Xu Douri couldn't believe what was happening, how could all the troops he had lost against Ye Chen?

"You are still unaware that your abilities are so weak and want to fight me" Ye Chen said to Xu Douri.

"I am aware of my abilities and believe I can win against you," Xu Douri said. He believed in his abilities.

If he believed in his abilities, it wasn't strange that he dared challenge Ye Chen.

"Pahhhhhh. ." Ye Chen immediately slapped Xu Douri in the face, Ye Chen's slap was quite hard and immediately made Xu Douri conscious.

"You have to realize the reality, you will never be able to win against me" Ye Chen said to Xu Douri.

Ye Chen told Xu Douri.

That he would never be able to win against Ye Chen.

Xu Douri was silent when he listened to what Ye Chen said.

"Now tell me what I need, if you don't want to say that, I might have to kill you here" Ye Chen said to Xu Douri.

Ye Chen didn't mess around with what he wanted, he had lost his patience.

If Xu Douri didn't want to do it, Ye Chen would destroy Xu Douri.

Xu Douri was afraid of Ye Chen, Ye Chen's strength was great and could easily kill Xu Douri.

Xu Douri couldn't do anything when Ye Chen used his strength to completely suppress him.

"I give you three days to find him, you have spies in the Dragon God Realm, if you don't succeed, then you will be destroyed" said Ye Chen.

"I will do it" Xu Douri immediately went to do it, he didn't waste any more time.

Xu Douri left, now he no longer dared to delay, and immediately went to find Long Luxie's whereabouts.

"Now one problem is solved" Ye Chen has solved one problem, now he just has to wait.

Ye Chen came out, and when Ye Chen came out, he saw Fu Lanling and Cheng Mengyan.

The two of them had just cleared everyone around, it seemed like the two of them were also attacked.

"Are you guys okay?" Ye Chen asked Fu Lanling and Cheng Mengyan.

"We are fine" Fu Lanling and Cheng Mengyan said that they were fine, there were no wounds or scratches on Fu Lanling and Cheng Mengyan's bodies.

"Are you sure, the previous person was a dangerous person? Maybe this is a place full of terrible things" said Fu Lanling.

After fighting such a dangerous person, Fu Lanling thought that this might be a dangerous place.

"I don't think it's possible" Ye Chen said to Fu Lanling.

"Why do you think this is safe?" Fu Lanling asked Ye Chen.

"That's because Xu Douri is against me, he knows this, and because of this he is targeting us" Ye Chen said to Fu Lanling.

"That might be true" After thinking for a while, Fu Lanling finally agreed with what Ye Chen said.

"we still have some time, then let's take a look" Ye Chen said to Fu Lanling and Cheng Mengyan.

"um . ." Fu Lanling and Cheng Mengyan agreed, Ye Chen seemed also curious about this.

Fu Lanling and Cheng Mengyan also wanted to know what was hidden inside, which made Xu Douri dare to attack Ye Chen.

If it weren't good, Xu Douri wouldn't be willing to attack and fight Ye Chen.

Ye Chen, Fu Lanling, and Cheng Mengyan prepared everything needed for the trip, they will return here in these 3 days.

"Is everything ready" Ye Chen asked Fu Lanling and Cheng Mengyan.

"Everything is ready, we have prepared everything, let's go on an adventure" Fu Lanling and Cheng Mengyan are ready, they want to go on an adventure with Ye Chen.

Ye Chen set off together with Fu Lanling and Cheng Mengyan.

From the location on the map, they will arrive in just 4 hours, which is not too far.

"They started moving" there were several groups that moved along with Ye Chen, they were groups, groups that wanted to get loot from places on the map.

The name of the location they will go to is the golden sand kingdom, a place buried in the middle of the desert in this star.

Some so many people want to go there, looking for buried treasure in the golden sand kingdom.

Ye Chen already had the key and map, he was the only person who could get in and out easily and without any problems.

"It looks like this is the place, we will dig it" Ye Chen said to Fu Lanling and Cheng Mengyan.

"I will use my strength to dig around this place" Fu Lanling and Cheng Mengyan wanted to use their strength to dig.

"You two look excited" Ye Chen looked at Fu Lanling and Cheng Mengyan, they were both using full strength.

Fu Lanling and Cheng Mengyan used their full strength they throw the entire sand out.

A golden building appeared in front of Ye Chen, Fu Lanling, and Cheng Mengyan.

Chapter 3082 Bandits Who Don't Know Their Abilities

"There is a large Array protecting this place, it is so ancient and very strong." Ye Chen saw a hole that covered this entire place, a super large barrier that was very difficult to destroy from the outside.

Ye Chen immediately went and tried to use the key that came from the person he previously defeated.

When Ye Chen used the key, a gate came into view.

"open." Fu Lanling and Cheng Mengyan were surprised when they saw Ye Chen manage to open it.

"we managed to open it" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Come on in, and make sure you are alert" Ye Chen told the two to be alert.

Fu Lanling and Cheng Mengyan were behind Ye Chen. They guarded the back, meanwhile, Ye Chen was in front.

"Everything is made of pure gold with a purity level of 100%" Cheng Mengyan came from the earth, if something like this existed on earth, a group of robbers from various worlds would have looted it.

"For us cultivators, this is not very useful" Ye Chen said to Cheng Mengyan.

"You are absolutely right" Fu Lanling also agreed, for them, this would not be very useful.

Even if we can't use it, we might be able to find something.

Gold is not very useful for them, and because of this, they can look for treasures around this place.

"Hmmm . . ." Ye Chen looked at a building, when Ye Chen saw this, he discovered something quite surprising.

"Husband, what's wrong?" Fu Lanling and Cheng Mengyan asked Ye Chen.

"This gold seems to have something so hard mixed in" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen's eyes were quite sharp, he could see that there was a mixture in it, this might be something strong enough to be used for forging.

"Lanling, Mengyan, try using your strength, can you destroy this building?" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen told the two of them to destroy the building using their powerful attacks.

"we understand" Both of them understand, that they will use super-powerful attacks to destroy the building.

Fu Lanling and Cheng Mengyan prepared, and they began to gather a huge force.

When Fu Lanling and Cheng Mengyan released such immense power, there would definitely be a terrifying explosion.

A huge explosion occurred, this explosion was enough to raze the city to the ground.

"Is it destroyed?" both of them tried to see if they had succeeded in destroying it.

After the dust cleared, Cheng Mengyan and Fu Lanling could see again what was in front of them.

They both fell silent when they saw what was in front of them.

"The building withstood our power?" Fu Lanling and Cheng Mengyan were shocked when they saw that the building had managed to withstand their attack.

It was clearly quite strong as it was able to withstand both of their attacks so easily and without being damaged.

There were only a few slight scratches after Ye Chen's attack.

"as I expected," Ye Chen had expected it, this was quite hard, even Phoenix fire couldn't melt it easily.

"we will take this building," Ye Chen said to Fu Lanling and Cheng Mengyan.

"That. . ., how do you do that, the building is hard enough to be destroyed" Fu Lanling and Cheng Mengyan asked Ye Chen.

Both of them had tried, but unfortunately, they failed and could only scrape by.

"I can arrange it," Ye Chen said, saying that he could arrange it very easily.

" ? ? ?" Fu Lanling and Cheng Mengyan wanted to know what Ye Chen would do, and both of them were quite curious about what Ye Chen would do.

Ye Chen used dimensional power to destroy it.

"What ! ! !" Fu Lanling and Cheng Mengyan were shocked when they saw what Ye Chen did, who would have thought that Ye Chen could do something like that?

"Hehehehe" Ye Chen chuckled, he could do it so easily and without any problems.

"Boom. . . ." an attack came towards Ye Chen.

Ye Chen blocked all attacks using his arms.

Fu Lanling and Cheng Mengyan immediately became alert when they knew that someone was trying to attack Ye Chen.

They would not allow anyone to dare to attack Ye Chen.

"Who is so brave?" Cheng Mengyan seemed so annoyed, she was annoyed that someone dared to attack Ye Chen.

"Dare to attack us in such a way, I won't let him get away with it." Fu Lanling was also annoyed, she wouldn't let him get away with it.

A few moments later, a group appeared, they were a group of looters who came and were tailing Ye Chen.

Ye Chen already knew this from the start, he just pretended not to know from the start to trick them.

"If you don't want to die, you should leave this and leave this place" they spoke to Ye Chen.

They gave Ye Chen a warning, if Ye Chen, Fu Lanling, and Cheng Mengyan didn't leave this place, then they would be injured quite badly.

"The one who got here first was me, I won't want to leave" Ye Chen said that he didn't want to leave.

"You are stubborn, then you are ready to be buried in this place" Because Ye Chen refused to leave, they decided to bury Ye Chen in this place.

"Mengyan, Lanling" Ye Chen berkata pada Fu Lanling dan Cheng Mengyan.

They had to take care of these people first.

"Just leave it to us" Fu Lanling and Cheng Mengyan understood what Ye Chen wanted, they would take care of these people.

"Then I will finish off those who are still hiding," Ye Chen told Fu Lanling and Cheng Mengyan.

Ye Chen knew that there were still people hiding, and because of this, Ye Chen would go and start to finish them all off.

After they divided the tasks, they immediately moved.

"We will face them I can't wait," Cheng Mengyan coated her body using wind armor.

" swift wind wolf armor." Cheng Mengyan increased her speed and strength.

Now she has become so fast, has such strong defense, and such terrifying strength.

After increasing her strength, Cheng Mengyan started to attack, she used attacks that were so graceful, every movement was like she was dancing, so beautiful and hypnotizing the enemy present.

"Arghhh . . ." they were all knocked down by Cheng Mengyan, they were not given any chance to fight back.

"Phoenix Domain" Fu Lanling used Phoenix Domain.

Fu Lanling burned all the enemies around them.

All the bandits immediately turned to ashes in a matter of 1 second.

"What? ? ?" Cheng Mengyan saw what Fu Lanling was doing.

"Sister, don't you think that's too much?" Cheng Mengyan said to Fu Lanling.

What Fu Lanling did was quite excessive.

"This is to speed up the battle, it looks like there are still a lot of people coming," said Fu Lanling.

Fu Lanling said that there were still more people coming, so they had to finish this quickly.

"Oh my" Cheng Mengyan was helpless, it seemed like no one could stop what Fu Lanling was doing.

"Brakk. . ." Ye Chen took everyone who was hiding, there were around 5 people Ye Chen caught.

"they are just weak people who don't know the difference in strength" Ye Chen said to Fu Lanling and Cheng Mengyan.

"You are absolutely right, they are just weak criminals, what are they doing here, wanting to fight us, don't they know that we are quite strong" Cheng Mengyan agreed with what Ye Chen said.

Chapter 3083 2nd floor of the underground city (1)

"little husband, do we have to find out who has sent them here?" Fu Lanling asked Ye Chen.

"I don't think it's necessary, they're just a group of criminals who are too arrogant and stupid, there's no need to do that" Ye Chen said to Fu Lanling.

"what if Xu Douri sent them to eliminate us?" Cheng Mengyan said to Ye Chen.

"That can't happen" Ye Chen said that couldn't happen.

"Why do you think that can't happen?" Cheng Mengyan asked.

"If it were that person, then he would send people who were much better and more competent, this kind of troops are easy for us to handle" Ye Chen said to Cheng Mengyan.

"That's true, if it was that person, then he would send troops that were much stronger and much more powerful than the one we fought against" Cheng Mengyan agreed with what Ye Chen said.

"Let's collect these materials, and after that, we will leave this place" Ye Chen said to Cheng Mengyan and Fu Lanling.

"Okay" Fu Lanling and Cheng Mengyan understood, they would do what Ye Chen said.

They collected gold, and after the previous incident, no one else tried to attack Ye Chen.

"Sigh. ." they all collected the gold ruins so quickly, in a short time they could collect all the gold there was.

"a little tiring" Cheng Mengyan felt tired from collecting gold ruins.

"This is also good for training" Ye Chen said to Cheng Mengyan, he thought this was quite good for their training.

"husband, where do we go next?" they both asked Ye Chen where Ye Chen went next.

"This place is still outside, the bottom is still very deep" Ye Chen said to Cheng Mengyan.

"So we still have more at the bottom?" the two asked Ye Chen.

"of course, there is still a deeper part, there are several floors inside, around 10 floors," Ye Chen said to Fu Lanling and Cheng Mengyan.

"ten floors." Fu Lanling and Cheng Mengyan were shocked when they heard this.

"That's right, there are ten floors," Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen said that there were ten floors below.

"ten floors, so many" Fu Lanling and Cheng Mengyan did not expect that there were still ten floors down.

"Every floor is quite strong, like a big city, the further they go down, the bigger it gets.

This arrangement is similar to a pyramid, as you go down, it becomes wider.

"I didn't think this place was quite big" Ye Chen didn't expect this place to be quite big.

It looks like the brand's journey to the bottom will be a bit long.

Ye Chen couldn't see everything, there were some places that Ye Chen couldn't see, this was not itgrave, it is quite a big city and very well structured.

"Then let's go quickly," Ye Chen said to Fu Lanling and Cheng Mengyan.

Because their journey was still quite far, Ye Chen decided to tell Fu Lanling and Cheng Mengyan to prepare.

"Come on . . ." Fu Lanling and Cheng Mengyan were so excited, that they both couldn't wait to go downstairs together with Ye Chen.

Meanwhile, more groups started to arrive, they all started to come to dig for treasure beneath the city.

This news spread, it means that someone did this on purpose, what is the purpose of that person doing that kind of thing?

Surely that person was planning something against Ye Chen, Fu Lanling and Cheng Mengyan.

"master" Chu Yuechan said to Ye Chen, Chu Yuechan told Ye Chen that enough people were coming.

"The more people come, the more someone will tell about this matter." Ye Chen also saw it, more and more people came to the first floor.

"What will you do now, eliminate them all and take it all for yourself?" Chu Yuechan said to Ye Chen.

"I don't think it's needed," Ye Chen said to Chu Yuechan.

This place is not just any place," Ye Chen said to Chu Yuechan.

Ye Chen told Chu Yuechan that this place was not just any place.

"So that's how it is," Chu Yuechan understood, there were so many monsters hiding in this city, strong monsters with quite a large number on the second to 10th floors.

There were no traps in this underground city, it showed that this was once used for living, it seemed that people had left when there were monsters that invaded this place.

Ye Chen could conclude that an invasion of monsters and Magical Beasts abandoned this city.

Because of this the city was forgotten and everyone who once lived there has completely forgotten about it.

"But is there something strange?" Ye Chen said to Chu Yuechan.

"What do you think is strange?" Chu Yuechan asked Ye Chen.

"Do you remember the barrier at the entrance?" Ye Chen said to Chu Yuechan.

"Um, I remember correctly" Chu Yuechan remembered the barrier at the entrance.

"That is an object that is quite hard and difficult to destroy, how do they penetrate something that hard" Ye Chen said to Chu Yuechan.

"What you said is true" Chu Yuechan agreed with what Ye Chen said, it could be said that the words spoken by Ye Chen were the truth.

"There must be something that made this city what it is now" Ye Chen said to Chu Yuechan.

"I agree, we can find out about it, there are still about 10 floors, so it's better for us to start looking for it slowly" said Chu Yuechan.

"I understand" Ye Chen understood, they could relax and there was no need to rush.

"You two" Ye Chen said to Fu Lanling and Cheng Mengyan.

"What is it?" Fu Lanling and Cheng Mengyan answered Ye Chen.

"Several magical beasts are hiding in front, so be alert and listen to what I say" Ye Chen said to Fu Lanling and Cheng Mengyan.

"I understand" Fu Lanling understood.

"Don't get separated, it's very wide here, and the further you go down, the more monsters there will be" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Husband, how many monsters are there below?" Cheng Mengyan asked Ye Chen.

Cheng Mengyan wanted to know how many monsters there were at the bottom.

"quite a lot, it's hard to count, maybe more than 100,000" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen didn't know the exact number, but there were a lot of monsters waiting for them right now.

It seemed that the monsters here ate humans, when they saw Ye Chen, they immediately became excited and intended to kill Ye Chen.

"It's coming" Ye Chen saw a group of red wolves approaching them, they were covered in fire and started to attack Ye Chen.

Ye Chen advanced while coating his body with lightning.

When lightning and fire met, an explosion left the red wolf injured and destroyed.

On the other hand, Ye Chen was not affected by the attack, he was completely fine after being hit by the explosion.

Ye Chen managed to defeat all the red wolves and continued their journey.

The journey continued, there were so many monsters taking turns to attack Ye Chen, Fu Lanling and Cheng Mengyan.

"They all looked hungry and wanted to eat us" Fu Lanling realized the enemy was aggressive, they seemed to never eat so it became like that.

"I also feel the same way" Cheng Mengyan also felt the same as Fu Lanling felt.

Chapter 3084 bandits who don't know their abilities

"There is a large Array protecting this place, it is so ancient and very strong." Ye Chen saw a hole that covered this entire place, a super large barrier that was very difficult to destroy from the outside.

Chapter 3085 Third floor of the underground city

Cheng Mengyan was the one who landed the finishing blow on the three-headed monster.

Unlike the monster Ye Chen previously fought, the monster immediately disappeared after being defeated.

"The monster just disappeared?" Fu Lanling and Cheng Mengyan were silent when they saw this.

"Could it be?" After Ye Chen had seen this, he might have been able to deduce what had happened.

"so that's how it is" Ye Chen understood, every floor boss would disappear, it seemed like someone made it, it was no wonder Ye Chen had never seen it.

"Most likely in this place, someone is hiding and organizing everything, or maybe this place is a place that is closed because it harbors strong enemies" Ye Chen said to Fu Lanling and Cheng Mengyan.

"I also agree with what you think" both of them agreed, they were sure that someone was hiding in this place.

Fu Lanling and Cheng Mengyan didn't know this person's purpose. What was certain was that he lived here and was the person who might have invaded this city.

Now there are two answers about this place, firstly this place is a prison city for dangerous people, secondly this place is controlled by these criminals.

After knowing these two things, what will you do?" Chen Mengyan asked Ye Chen.

"Whether Ye Chen will come back or not after knowing this.

"How could I come back after knowing this?" Ye Chen wouldn't come back.

He wanted to see what kind of creatures there were.

Plus Ye Chen has already opened it, if Ye Chen doesn't solve it, then this will most likely become a problem again in the future.

So what Ye Chen can do now is go forward and make sure that this creature is not resurrected.

"Everyone here, are we being used by someone?" Ye Chen felt that they were being taken advantage of, and Ye Chen was very sure.

Even though Ye Chen knew he was being taken advantage of, he still went forward, the reason was clear, at the bottom, many things were waiting for Ye Chen.

There are lots of good treasures, these treasures would be a shame if they were to be missed.

As a person who likes adventure, Ye Chen likes finding piles of treasures buried in this place.

Even though he had to take a fairly big risk, Ye Chen was willing to do it.

"This might be quite a risky request, I will go ahead" Ye Chen said to Fu Lanling and Cheng Mengyan.

"it's okay, we will be together with you" Fu Lanling and Cheng Mengyan said to Ye Chen.

The two of them will always be with Ye Chen, they have decided to stay with Ye Chen and accompany him.

"Thank you very much" Ye Chen thanked him, he was so happy because they wanted to continue being with Ye Chen.

"Then let's go downstairs," Ye Chen said to Fu Lanling and Cheng Mengyan.

With that the two went downstairs, they went down and saw what was on the third floor.

The third floor is much wider compared to the 2nd floor, this place has a much more magnificent and much larger building compared to the second floor.

Ye Chen looked at the golden buildings in this place, compared to the entrance which had super strong and magnificent buildings, the buildings here were quite ordinary, there was nothing special about this.

"Don't be disappointed like that" Fu Lanling said to Ye Chen, she told Ye Chen not to be too disappointed like that, maybe they could find something better on this floor.

"You are right, there is still a chance" Ye Chen agreed, but there is still a chance for this.

"Husband, come here," Cheng Mengyan said, calling Ye Chen.

Ye Chen and Fu Lanling immediately went to look, when they went and looked, Ye Chen found a chest in front of Cheng Mengyan.

"Mengyan, what did you just discover?" Ye Chen asked Cheng Mengyan what Cheng Mengyan had just discovered.

"I found something here, do we need to open it" Cheng Mengyan asked Ye Chen.

"Hmmm . ." Ye Chen tried to use God's Eyes, by using God's Eyes, he couldn't see the contents inside.

"I can't see what it is" Ye Chen said to Cheng Mengyan.

Even using God Eyes, Ye Chen couldn't tell what was inside.

"This looks interesting, let's open it" Cheng Mengyan said to Ye Chen, she told Ye Chen to open it.

"Then let's open it" Ye Chen of course agreed to open it, he opened it and saw what was inside.

Fu Lanling and Cheng Mengyan watched from the side, they were on guard for when something terrible happened.

After Ye Chen opened the chest, Ye Chen found a rusty knife that looked worn and ancient.

"a knife" Ye Chen looked at the knife, he had found something interesting.

"Is that an artifact?" Fu Lanling and Cheng Mengyan asked Ye Chen.

Did Ye Chen find an artifact?

"It doesn't look like this is an artefact" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen saw that this was not an artefact, he saw that this was just an ordinary knife and had nothing special.

Ye Chen even used his power, he used various methods to no avail.

Chu Yuechan also agreed with what Ye Chen said, this was just an ordinary knife, and there was nothing special about it, what was unique was that it was in a place with solid iron and was difficult to destroy.

"wasting time," said Cheng Mengyan.

Even though Cheng Mengyan was already excited, she thought she had found something suitable.

But the result disappointed Cheng Mengyan.

"No problem, let's save it, maybe this can help us when we need it" Ye Chen said to Cheng Mengyan.

Ye Chen comforted Cheng Mengyan, he told her that this would be of help in the future.

"Will that help us?" Cheng Mengyan asked Ye Chen.

Can something like that help them on their journey?

"Of course, this can help us" Ye Chen stroked Cheng Mengyan's head.

Cheng Mengyan enjoyed it when Ye Chen stroked her head.

The feeling that Ye Chen gave was very delicious.

"We finally arrived at the third floor" A few moments later, several groups came.

Ye Chen looked at the group that came.

The group that came this time were not bandits, they looked more dignified than the bandits.

"Who are they?" Ye Chen wasn't very familiar with them.

"They probably come from a Sect around this place, if I remember correctly, around here there is a top-level Sect, called the Resurrection Stone Sect" said Fu Lanling.

Before leaving, Fu Lanling had been given information from Ling Shu, because of this, she knew who they were.

"It seems like someone has come to this place first" The people from the Resurrection Stone Sect looked towards Ye Chen, Fu Lanling and Cheng Mengyan.

The Resurrection Stone Sect's group consisted of a few people, and their numbers were not very large.

Their numbers may be small, but their strength cannot be underestimated.

"It seems like someone made it here before us" one of them said to Ye Chen.

"Indeed why, we will go first" their leader said with a tone of disdain for Ye Chen.

It was as if they looked down on Ye Chen's group.

"Yong Kon, don't waste time, let's go, we leave them" one of them said to their leader.

Chapter 3086 immortal gold leaf

Yong when is the name of the leader of the group, they are still easy and so arrogant, the arrogance they have is too high to underestimate Ye Chen.

"Such annoying people, I will teach them a lesson" Cheng Mengyan didn't really like it and wanted to teach them a lesson.

"that's not necessary" Ye Chen said to Cheng Mengyan.

"Why, aren't you annoyed with them" Cheng Mengyan asked Ye Chen. Wasn't Ye Chen annoyed with what they did?

"it's okay, just let them do it" Ye Chen said to Cheng Mengyan.

Cheng Mengyan didn't understand what Ye Chen wanted.

"look, they are really scared, let's go ahead and be the first to get to the bottom" They decided to move forward, they wanted to be the first to get to the bottom.

They all left, leaving Ye Chen, Fu Lanling and Cheng Mengyan.

Ye Chen, Fu Lanling and Cheng Mengyan saw the departure of the arrogant people.

"People who are quite stupid, it seems like they will die faster" said Fu Lanling.

"You are absolutely right, the third floor will be much more difficult, the deeper the floor, the more difficult it will be" Ye Chen said to Fu Lanling.

"So that's how it is, you let them die by themselves" Cheng Mengyan finally understood what Ye Chen wanted.

"That's what I want," Ye Chen said to Cheng Mengyan.

"We let them fight the floor, boss, what do you think?" Ye Chen asked Fu Lanling and Cheng Mengyan.

"I just agree with what you want, let's let them fight the boss for us" Fu Lanling and Cheng Mengyan agreed.

With that, they went around and looked for interesting things around, the city ruins held quite a lot of things, and Ye Chen looked around to find important things.

"Master" Chu Yuechan said to Ye Chen.

"Is there something?" Ye Chen asked Chu Yuechan, and it seemed Chu Yuechan had found something.

"I found something interesting," Chu Yuechan said to Ye Chen.

She told Ye Chen that she found something interesting.

"what did you find...?" Ye Chen asked Chu Yuechan.

"A plant that is still small, but it is such a good medicinal plant" Chu Yuechan said to Ye Chen.

"Okay, you can tell me where it is" Ye Chen said to Chu Yuechan.

Ye Chen told Chu Yuechan to tell him.

Chu Yuechan told Ye Chen everything, and she told Ye Chen everything.

There are a total of two plants, one in the north and one in the south.

"Then let's go to the south first." Ye Chen decided to go to the south first.

"Okay . ." Chu Yuechan understood.

Ye Chen took Fu Lanling and Cheng Mengyan, they went south.

When they arrived, they found several holes that humans could enter.

"Is this a shortcut to the bottom floor?" Cheng Mengyan asked Ye Chen if this could be a shortcut to go downstairs.

"It's possible, but it doesn't seem possible, this may be a road made by a monster, it may be a mole" Ye Chen said to Cheng Mengyan.

There's no way this is a shortcut, it's not very deep and doesn't seem to go all the way to the fourth floor.

"Then why did you bring us here?" Cheng Mengyan asked Ye Chen why Ye Chen brought them to this place.

"I brought you here for something" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen invited the two of them down, and according to Chu Yuechan, the medicinal plants they were looking for were at the bottom.

"The medicinal plant is immortal gold leaf, a medicinal plant to increase the user's lifespan and profound energy."

This was suitable for those whose profound energy capacity was not too large, by using Immortal Gold Leaves, they could expand their profound energy capacity.

It would be useful for Cheng Mengyan and Fu Lanling.

"Something like that, is there in this place?" Cheng Mengyan and Fu Lanling were shocked when they heard this.

"Of course, it is in this place", Ye Chen said to the two, Ye Chen told them that it was indeed in this place.

"I want to give this to you, do you want it?" Ye Chen asked Cheng Mengyan and Fu Lanling.

"Of course, we want to" both of them immediately wanted to, and they immediately wanted to after listening to what Ye Chen said.

Ye Chen smiled when he heard this; it seemed like both of them were willing to do it.

Since both of them were willing, Ye Chen would not hold back and would do it.

"Then let's go in now" Ye Chen said to Cheng Mengyan and Fu Lanling.

Ye Chen invited the two of them to go inside right now.

With that, they went inside and wasted no more time.

After they entered the hole, they found that the hole was quite long and wide.

They seemed to have entered a labyrinth that was so troublesome and seemed difficult to get out of.

"This is very troublesome, what should we do?" Fu Lanling saw that the maze was quite complicated.

"Don't worry, I have the power of the land" Ye Chen said to Fu Lanling.

Ye Chen used his power, he started to make the surrounding roads much easier to pass.

Ye Chen shifted the ground and closed the dead end.

"Okay, finished" Ye Chen said to Cheng Mengyan and Fu Lanling.

"You can do unreasonable things" Cheng Mengyan and Fu Lanling saw what Ye Chen was doing, and once again, Ye Chen did something unreasonable.

"I can do everything", Ye Chen said to Cheng Mengyan and Fu Lanling.

"As expected of you" Both of them smiled, they had to admit that Ye Chen was indeed an expert.

"let's go forward and get the immortal gold leaf," said Ye Chen.

Ye Chen, Cheng Mengyan, and Fu Lanling went forward, and they found a path that went further down the road.

They are just moving downwards, maybe soon, they will reach the bottom.

From the super big mouse house.

They haven't found the occupants of this place.

it seems they still haven't noticed Ye Chen, or they are having difficulty finding Ye Chen because Ye Chen has changed the structure of this building.

"I've changed this building, I don't think they will find us easily" Ye Chen has prepared everything, they will need time to find Ye Chen.

Everything went smoothly, and Ye Chen finally reached the bottom. When Ye Chen reached the bottom, he found something quite interesting.

Ye Chen found a place that was quite large with a diameter of 2 milli x 1 mil, big enough to be used as a nest.

"We've reached the end" Ye Chen said to Cheng Mengyan and Fu Lanling.

Ye Chen had reached the very end.

They had now arrived at the headquarters of the giant rats.

They finally found an immortal gold leaf.

A small golden tree that has such a great aura.

"That's it." Cheng Mengyan and Fu Lanling saw it, and they were shocked.

Cheng Mengyan and Fu Lanling were so happy when they saw this.

"husband, we managed to find it," Cheng Mengyan and Fu Lanling said to Ye Chen.

Both of them looked so happy that they had finally found treasure.

"We managed to find one, after that, we will go north and find another one" said Ye Chen.

Ye Chen, Cheng Mengyan, and Fu Lanling approached, and they intended to harvest this.

Chapter 3087 gave immortal gold leaves to Fu Lanling and Cheng Mengyan

"Rumble" when Ye Chen wanted to get closer, a group of moles with a length of 3 meters and a diameter of 1 meter appeared in front of Ye Chen.

This of course, surprised Fu Lanling and Cheng Mengyan.

"There are ugly creatures" both of them thought that there were ugly creatures there.

They tried to throw him out.

Cheng Mengyan was the person who didn't like it the most, she felt amused when she saw the group of creatures approaching.

"Mengyan calm down," Ye Chen told Cheng Mengyan to be calmer, she shouldn't be disturbed just because of a problem like that.

"Husband, you have to do something about the big rat" Cheng Mengyan asked Ye Chen.

she told Ye Chen to clean up the mice.

"Don't worry, just leave the matter to me" Ye Chen said to Cheng Mengyan.

Ye Chen would take care of these two things, he couldn't let this creature scare Cheng Mengyan.

As a good man, Ye Chen had to deal with the problem quickly.

Ye Chen advanced, when Ye Chen advanced, Ye Chen discovered that the creature was also advancing.

Rats are smart creatures, they knew that Ye Chen was a threat, so they made a formation that was so strong and able to intimidate Ye Chen.

Their goal was to intimidate Ye Chen.

"You think you can do that to me?" Ye Chen smiled, he might play with this creature first.

Ye Chen continued to advance, as did the group of mice, they moved following Ye Chen's steps.

"After finding out that they were following Ye Chen, Ye Chen finally clashed, the big rats started attacking Ye Chen using their claws, teeth and very sharp tails.

"You guys are fighting against one person" Ye Chen couldn't move, he was being held from two sides, left and right simultaneously.

As expected of them, they were indeed smart and knew what to do, they attacked Ye Chen in a group manner and destroyed Ye Chen with brutal attacks.

"Husband. ." Fu Lanling and Cheng Mengyan could only watch what happened to Ye Chen, they were unable to go and help Ye Chen.

"I'm fine" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen said that he was fine, so Fu Lanling and Cheng Mengyan didn't need to worry about him.

"then what are you doing?" Fu Lanling asked Ye Chen.

If Ye Chen was fine, why didn't he fight back?

"Just relax, let them do it" Ye Chen said to Fu Lanling and Cheng Mengyan.

What is done by Ye Chen made Fu Lanling and Cheng Mengyan confused, what exactly was Ye Chen trying to plan, they were both quite curious about what Ye Chen was planning.

Ye Chen had his plans so that he would be fine.

They all continued to attack Ye Chen in a quite sadistic way,

The monster showed no mercy to Ye Chen.

5 minutes later, they finally stopped, they seemed so satisfied after they saw Ye Chen get destroyed.

"Are you satisfied?" Ye Chen asked immediately, all the big mice looked towards Ye Chen.

They showed surprise when they saw Ye Chen standing behind them, they looked towards the person they had just attacked.

The group of rat monsters seemed to be confused when they saw there were two of Ye Chen.

"What are you looking at? Don't you want to attack me?" Ye Chen said.

"hearing this, they all decided to attack Ye Chen using the same method.

"What a fool, trying to attack me the same way, it won't work" Ye Chen said.

Ye Chen said that this method would not work against him.

Even though this method is quite effective, it won't be able to win against Ye Chen.

Ye Chen used Shadow Clone.

Ye Chen increased his number, he made Clone more than 100.

It might be a little overwhelming to make so many at one time.

Even so, Ye Chen still did it.

Seeing that there were so many Ye Chens, they immediately retreated, they didn't dare to come forward and fight Ye Chen.

They scattered, and it seemed as if they were immediately scared when Ye Chen used so many Clones.

They scattered and left this place, Ye Chen didn't chase them, he had succeeded in making them run away, so why did Ye Chen chase them?

"So that's how it is, the plan you have is quite clever" Fu Lanling and Cheng Mengyan finally understood what Ye Chen was doing.

Ye Chen's initial intention was to deceive them by using a substitute body, after they felt they had won, Ye Chen appeared as if he was not injured after receiving that many attacks.

After that, Ye Chen used Clone to make them afraid, the plan that Ye Chen had was perfect.

"It's a simple plan because they are smart, we should also be smart compared to them" said Ye Chen.

Ye Chen told them that they had to be smart, if the opponent was smart, then they also had to be smarter than them.

"You are right" Fu Lanling agreed with what Ye Chen said, they must be smarter than the enemy.

After chasing away the creature, Ye Chen just went and took the immortal gold leaf.

Ye Chen took it and gave it to Fu Lanling and Cheng Mengyan.

"This is for you" Ye Chen said to Fu Lanling and Cheng Mengyan.

Fu Lanling and Cheng Mengyan took it, Ye Chen gave this to them, it means Ye Chen really cares about them.

"Little husband, you said that there is still another one in the north" said Fu Lanling.

Fu Lanling asked Ye Chen, there might be 1 more in the north.

"That's true, why is that?" Ye Chen said to Fu Lanling.

"how about we give that to sister Yixian" Fu Lanling said to Ye Chen.

Fu Lanling was still thinking about Shui Yixian.

It wasn't strange that Fu Lanling thought of Shui Yixian because Shui Yixian had been forced to use her powers, and her lifespan would definitely be reduced because of this.

"Okay, I understand," Ye Chen understood, he admired Fu Lanlin's kindness.

Fu Lanling was so considerate of others and it made Ye Chen feel happy.

"we're done, let's go out" Ye Chen said to Fu Lanling and Cheng Mengyan.

They were done here, so they decided to go upstairs.

After they finished here, they just went upstairs. After they went upstairs, they found that there were more people.

"More and more people are arriving on the third floor" Ye Chen saw that the number of people was increasing, they all didn't want to lose and wanted to be the best among the best here.

Everyone here has the same goal, namely to get what is at the bottom.

"This might be bad, we better hurry" Ye Chen said to Fu Lanling and Cheng Mengyan.

"Um, let's go" Fu Lanling and Cheng Mengyan understood the current situation, if they didn't move quickly, then it could be a problem for them.

Ye Chen, together with Fu Lanling and Cheng Mengyan, moved towards the north, they ignored everyone and moved towards the north.

"Yuechan" Ye Chen asked Chu Yuechan, he told Chu Yuechan to lead the way for them.

"I understand" Chu Yuechan understood, she would guide the way for Ye Chen,

With that Ye Chen moved, the place this time was different from before, the object was on a cliff.

"The immortal gold leaf is up there, and a group of man-eating birds guards it" Ye Chen could see it.

Chapter 3088 queen of man-eating birds

"it seems like there are so many" Fu Lanling said to Ye Chen.

Immortal golden leaf guards are much stronger than ground rats.

Their numbers and fighting strength are very strong in the air, they are the strongest in the air.

Ye Chen thought about what they should do now.

"Come on" there was a group that came forward, they recklessly challenged the man-eating birds.

Man-eating birds immediately detect their prey and immediately pounce on them.

"Just some stupid birds, you guys will die" the person used a lightning attack.

He intended to attack the man-eating bird using lightning.

He wanted to kill them all in one move using a lightning attack.

This attack is an area attack, where the attack immediately spreads like a net of lightning.

"slash. . ." Man-eating birds have sharp and strong claws, such attacks can be easily repelled. his

"Impossible" he was surprised when he saw that the bird could withstand his attack.

After resisting the attack, the man-eating bird immediately pounces and takes its prey. .com

After arriving at the very top, they feasted and ate the humans.

"they are cruel and merciless" Cheng Mengyan said to Ye Chen.

"if they don't do it, they won't get food, and it seems they will attack us next" Ye Chen said to Cheng Mengyan.

They eat quickly, in just 1 minute, the person has been swallowed by hundreds of birds.

After finishing, they looked towards Ye Chen, they wanted to attack and eat Ye Chen.

"they are coming," Ye Chen said to Fu Lanling and Cheng Mengyan.

Fu Lanling and Cheng Mengyan immediately prepared the weapons they had.

Ye Chen immediately made a defense to withstand the enemy's attacks.

"Clang" Ye Chen's shield was attacked using the sharp claws they had, and they continued to try to destroy it.

"they are quite annoying," Ye Chen told Fu Lanling and Cheng Mengyan.

"Husband, we are ready," Fu Lanling and Cheng Mengyan said to Ye Chen, ready to destroy the opponent.

Fu Lanling and Cheng Mengyan used long-range attacks on the enemy.

Cheng Mengyan used a wind slash, while Fu Lanling used a flame slash.

The attack that the two of them carried out destroyed more than ? of the enemy's population, and the enemy was helpless when facing attacks from Fu Lanling and Cheng Mengyan.

"Very good." Ye Chen was satisfied with what Fu Lanling and Cheng Mengyan did.

Both of them did it so well and without any mistakes.

"You two have reduced the enemy in large numbers, it looks like it's time for us to attack back," Ye Chen said to Fu Lanling and Cheng Mengyan.

Since Fu Lanling and Cheng Mengyan had reduced the number of enemies, they could counterattack.

Ye Chen opened his defense and started to counterattack the opponent.

Fu Lanling and Cheng Mengyan followed behind Ye Chen, they followed Ye Chen and immediately attacked the man-eating birds.

The man-eating bird continued to fight with Ye Chen, Fu Lanling and Cheng Mengyan.

They had large numbers and could still fight against Ye Chen, they wanted to eat Ye Chen, Fu Lanling and Cheng Mengyan.

"Shut up, stupid bird" Ye Chen used his hand and started to break the neck of each bird.

"Crack . ." a voice so crisp sounded any monster that met Ye Chen would be instantly destroyed.

Ye Chen was very strong, he destroyed everything easily and without any problems.

On Fu Lanling and Cheng Mengyan's side, they used long-range attacks, which were more effective for them.

The enemy cannot approach them; instead, they can attack the enemy.

After fighting everyone, Ye Chen finally arrived at the very top, when Ye Chen reached the very top, he saw a man-eating bird that was 100x bigger than the one Ye Chen was fighting.

"Is that the queen of man-eating birds?" Ye Chen saw that it was the queen of man-eating birds

"I heard that the queen of man-eating birds has such great strength," said Fu Lanling.

"You're not wrong," Ye Chen answered Fu Lanling.

what Fu Lanling said was not wrong. The bird was very strong.

The power of one bird is equivalent to the power of thousands of man-eating birds.

"We probably don't need to fight her, we just need to take the immortal gold leaf," Ye Chen said to Fu Lanling and Cheng Mengyan.

"You are right." both agreed with what Ye Chen said. They didn't need to fight against the man-eating bird queen as long as they could get the immortal gold leaf.

"Yuechan, where is it?" Ye Chen asked Chu Yuechan, he wanted to know where the object they were looking for was.

"Master, it is under the monster's body," Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that what Ye Chen was looking for was under the monster.

"I thought so" Ye Chen had expected it, it looked like they had to fight the queen of man-eating birds.

"Where's that?" Fu Lanling and Cheng Mengyan asked Ye Chen.

"It's under that monster," Ye Chen told Fu Lanling and Cheng Mengyan.

"What ! ! !" Fu Lanling and Cheng Mengyan were shocked, if that was true, they would have to fight back.

"It seems there is no choice, what do you think" Ye Chen said to Fu Lanling and Cheng Mengyan.

"It seems there is no choice, we have to fight it" Fu Lanling and Cheng Mengyan could only fight if they wanted to get this.

After discussing with Fu Lanling and Cheng Mengyan, Ye Chen was the first to come forward.

He just went ahead and showed his abilities.

"Take this, Super celestial punch" Ye Chen used Super celestial punch.

He landed a very hard blow to the enemy's head.

"Cracked . ." part of the head of the man-eating bird queen was cracked, and Ye Chen's attack was effective enough to kill the monster.

"Roar . . ." The monster became very angry and annoyed with Ye Chen.

she directly swung her claws and slashed at Ye Chen.

Due to the dizziness and pain caused by Ye Chen's attack, the queen of man-eating birds couldn't hit Ye Chen.

Ye Chen avoided it, after Ye Chen retreated, Cheng Mengyan stepped forward and immediately attacked the enemy using her shawl.

"Die" she attacked using full strength, the attack made a hole in the body of the queen of the man-eating birds.

"Successful" Cheng Mengyan succeeded in making a fairly large hole in the body of the man-eating bird queen.

"I will launch the final attack." Fu Lanling was in charge of launching the final attack.

"Phoenix Flame Blast" Fu Lanling threw out such powerful flames, Fu Lanling aimed at the body that Cheng Mengyan had pierced.

That was the weakest part that Fu Lanling could target.

"Boom. ." an explosion occurred, and the body of the queen of the man-eating birds immediately turned to ash.

"good cooperation" Once again, Ye Chen worked very well with Fu Lanling and Cheng Mengyan, they continued to work together very well from time to time and made things easier for Ye Chen.

Honestly, Ye Chen didn't want to waste so much power on the third floor because there were more powerful monsters waiting for Ye Chen.

"here, there are so many strong monsters," said Ye Chen.

Ye Chen saw some monsters that were so powerful and strange, what kind of place was this?

"Whether this was an abandoned city or a cursed city, it made Ye Chen curious about what happened

Chapter 3089 a clown who can control people

"when we reach the bottom floor, I will get the answer" If Ye Chen can reach the bottom floor, he can get the answer.

"is the immortal gold leaf damaged?" Ye Chen asked Cheng Mengyan and Fu Lanling.

"Everything is fine," Fu Lanling said to Ye Chen, she told him that everything was fine.

"Good." Ye Chen was happy to know everything was fine.

Cheng Mengyan and Fu Lanling picked it for Ye Chen, after which they stored it well.

"we will give it to sister Yixian" Cheng Mengyan and Fu Lanling said to Ye Chen.

"of course" Ye Chen understood, he would let Cheng Mengyan and Fu Lanling give it to Shui Yixian.

"Looks like it's time to go to the fourth floor," Ye Chen said to Cheng Mengyan and Fu Lanling.

"I agree" Fu Lanling agreed.

"I want to see if those arrogant people can defeat the floor boss." Cheng Mengyan wanted to know if those arrogant people who had previously insulted them had survived.

It seemed like Cheng Mengyan still hated the Resurrection Stone Sect, she couldn't forget what had happened before.

"It looks like you are still angry about what happened" Ye Chen said to Cheng Mengyan.

"Of course, I'm still angry about what happened, how can I forget about it quickly" Cheng Mengyan said to Ye Chen.

Cheng Mengyan told Ye Chen she would not forget the Resurrection Stone Sect.

"That's very good. Let's see it together," Ye Chen also wanted to see.

Whether this group of people who are arrogant and self-confident can succeed or not.

Ye Chen and Cheng Mengyan and Fu Lanling left, and they found out what happened.

When they reached the end, they discovered this place was in complete chaos.

There were so many people scattered around, and all of them had died.

"It looks like there was quite a great battle in this place" Ye Chen found a very great and strong battle in this place.

"Very concerning, what makes them like this"? Fu Lanling saw one of the victims. After she saw one of the victims, Fu Lanling found something strange.

"It doesn't look like this is the work of a monster," Ye Chen said to Fu Lanling.

"If it's not the work of a monster, then who is it?" Fu Lanling asked Ye Chen.

"This is probably someone's doing," Ye Chen told Fu Lanling.

The wound was clearly from a skilled sharp weapon, and the person had pierced the heart precisely.

"You are right" Cheng Mengyan nodded to Ye Chen, she told him that it was true.

"Is there a dispute?" Fu Lanling thought about what happened, maybe there was a dispute that made them become what they are now.

"We should get closer, and see what's happening up ahead" Ye Chen wanted to see what the floor boss looked like.

When Ye Chen reached the end, he saw a strange creature wearing a mask and looking like a clown.

"? ? ?, is that the floor boss?, looks similar to a human" Chen Mengyan said to Ye Chen.

Chen Mengyan saw that the monster looked like a human.

"Don't be fooled by his appearance," Ye Chen said to Chen Mengyan.

"little husband, you are right, even though it looks like that, in reality it is a dangerous monster" said Fu Lanling.

"What can that monster do?" Cheng Mengyan asked Ye Chen and Fu Lanling.

After Cheng Mengyan asked, she could see that several people around the monster had woken up.

Those who wake up are corpses.

"Aren't they dead?" Cheng Mengyan asked Ye Chen.

"That's right, they are indeed dead" Ye Chen nodded.

"Then why can they move" Cheng Mengyan asked Ye Chen.

"They are moved like a doll, look carefully, there is a very thin thread" Ye Chen said to Cheng Mengyan.

Cheng Mengyan focused her eyes, when Ye Chen did this, she discovered that there was a thread that was used to control them.

"Oh my, what kind of creature is this?" Once again, Cheng Mengyan met such a strange creature.

Every floor boss is completely bizarre and nonsensical.

"You are right, every creature is unreasonable," Ye Chen agreed, it seemed like they were made with something.

This is similar to the person he previously fought in the city, this person is also similar, strange and unreasonable.

As if someone created them.

"Forget about that problem first, the important thing now is to defeat the third floor boss" Ye Chen decided to defeat the floor boss first.

The enemy can manipulate someone, he can do this by using his power, be it animate or inanimate objects, he can manipulate everything.

"If the three of us go forward at the same time, there is a possibility that he will try to control us," Ye Chen said to Cheng Mengyan and Fu Lanling.

"One of us has to come forward," Fu Lanling told Ye Chen.

"So who will come forward" Cheng Mengyan asked, who should come forward to face a monster that can manipulate a person.

"I can do it," Ye Chen said to Cheng Mengyan.

"What if the monster controls you?" Cheng Mengyan asked Ye Chen, what if the monster could control Ye Chen?

"That won't happen," Ye Chen said to Cheng Mengyan.

Ye Chen had the highest level of immunity, of course, he wouldn't be easy to control.

The controlled corpses started to attack Ye Chen, Ye Chen who was now at the right distance to attack.

It seemed like he was controlling from quite a distance.

Ye Chen saw that the third-floor boss could control it from quite a distance.

So, there was no room for retreat from the opponent, so they continued to chase Ye Chen.

Since no option was left to retreat, Ye Chen could only move forward.

Ye Chen stepped forward and faced everyone being handled.

Ye Chen used several punches and kicks, he found that there were still several people living and dying.

So Ye Chen couldn't just kill them, Ye Chen could only paralyze them.

Paralyzing them is difficult because they are moved using threads and cannot fight back.

"If it's like that, I just need to break the thread" Ye Chen had the idea to break the thread that controlled people.

He took out a sword and cut all the threads with one swing.

When Ye Chen succeeded in cutting the threads from people, Ye Chen discovered something else.

The thread reconnected and recovered as before as if nothing had happened.

"It recovers quickly" Ye Chen cursed a little, it seemed like Ye Chen's method didn't work or rather, the method was useless.

Ye Chen dodged all the attacks that came his way, himself retreating step by step.

"I can't let them go from that monster, if that's the case, I just need to destroy the monster.

Because Ye Chen couldn't let them go, Ye Chen had to defeat the person who controlled them, that way Ye Chen could let go of everyone who was controlled.

"Nine Shadow Step" Ye Chen used Nine Shadow Step, and he disappeared, and a shadow replaced his body.

By using Nine Shadow Steps, Ye Chen appeared again at the back of the clown monster, he attacked the monster's hand because Ye Chen knew that the monster was

"slash . ." Ye Chen managed to cut it, and he cut off both of the clown's hands.

After Ye Chen cut off the clown monster's hand, all the threads disappeared.

"It looks like it worked" Ye Chen saw that what he planned was successful.

Chapter 3090 enter the fourth floor

After Ye Chen cut off the monster's hand, the monster couldn't control people.

"zzzzzzzz ? ? ?" Ye Chen felt something from underground.

Ye Chen's sensor ability was very strong, it wasn't strange that he could feel something coming from below

"This is bad, it looks like someone is coming" Ye Chen saw that someone was coming.

Ye Chen took a few steps back, and from the ground, another clown monster appeared similar to the one Ye Chen was facing.

"There's another one?, not this. . ." Ye Chen discovered that there were more clown monsters, the number of which was not 1 but 5.

"Don't tell me I'm fighting a doll" Ye Chen discovered something was wrong. Was the clown monster controlled by another monster remotely?.

"I have to find the brain behind all this" Ye Chen felt that he needed to find the brain behind all this.

"It looks like my husband is having problems," said Fu Lanling.

"It seems there is another monster behind all this, could it be a demon?" Cheng Mengyan said to Fu Lanling.

"It's possible, we don't know about it" Fu Lanling also didn't know about this matter.

"How about we start looking around" Cheng Mengyan told Fu Lanling.

"Agreed, let's help him from afar" Fu Lanling agreed with the suggestion Cheng Mengyan gave.

They immediately looked for the person who controlled the clown doll monster.

"Clang. . ." Ye Chen fought, creating a Clone to help himself fight the enemy.

By using Clone, Ye Chen was able to destroy them all.

Too bad, when Ye Chen had finished destroying the clown monsters, more appeared.

"this is endless," Ye Chen said to Chu Yuechan.

Ye Chen realized that this would never end.

"You are right," Chu Yuechan said, seeing that this would never end.

"I will help you track it" Chu Yuechan said to Ye Chen.

she would help Ye Chen track her down.

"I will restrain them all" Ye Chen ordered all the Clones to restrain all the enemies, with that the battle continued and Ye Chen restrained the controlled monsters.

Fu Lanling and Cheng Mengyan managed to track down the person's whereabouts, they saw a tiny little monster not far from the battle site.

"It looks like a rabbit" Cheng Mengyan said to Fu Lanling.

"It seems like it is the monster we are looking for," Fu Lanling said to Cheng Mengyan.

"The monster is cute but quite cruel," said Cheng Mengyan.

"Most likely it is a Demon," Fu Lanling said to Cheng Mengyan.

"demon, then she is more dangerous than what we are fighting," said Cheng Mengyan.

"let's attack, she must be focused on fighting husband, this is a good opportunity to attack her" Fu Lanling said to Cheng Mengyan.

Because the Demon was fighting Ye Chen, she was focused on Ye Chen.

"let's attack." Fu Lanling and Cheng Mengyan attacked together.

"Boom. ." both of them launched a powerful attack.

The rabbit demon received direct attacks from Fu Lanling and Cheng Mengyan.

Fu Lanling and Cheng Mengyan were alert, they were ready for what happened next.

"Humans, you are so brave," the rabbit was injured, and one of its arms was shattered by Fu Lanling and Cheng Mengyan's attack.

Because one of the rabbit's hands was destroyed, she could no longer control many puppets.

Now The rabbit can only control half of it.

Ye Chen listened to the explosion from afar, it seemed like it came from Fu Lanling and Cheng Mengyan.

"Very good, you guys did so well" Ye Chen was happy because Fu Lanling and Cheng Mengyan could find the person who had controlled these dolls.

With Ye Chen, Fu Lanling and Cheng Mengyan, the rabbit would be confused, and being attacked from two sides would be very troublesome.

"The concentration is in two directions, we finish this quickly," said Fu Lanling.

Fu Lanling had to finish this quickly.

"The sooner, the better," Cheng Mengyan agreed.

Fu Lanling used the Phoenix Flame Arrow attack.

Phoenix feather arrows rained down on the demon rabbit.

The rabbit hid in the ground to avoid attacks from Fu Lanlin.

"she went into the ground" Fu Lanling's attacks couldn't reach her, she could only explode the ground to make the rabbit come out.

"I will force it out." Cheng Mengyan was a wind power user, she would force the demon rabbit to come out of the hole.

Cheng Mengyan exerted intense wind pressure toward the hole.

With such intense pressure, the entire hole was filled with such deadly wind, inevitably, the demon rabbit had to come out. Otherwise, it would become a minced rabbit.

After what Cheng Mengyan did, the rabbit rose to the surface and was greeted by the Phoenix Flame Arrow.

"Boom. ." The Phoenix Flame Arrow burned and exploded the rabbit until it became roasted.

"Done" Fu Lanling and Cheng Mengyan confirmed once again, after confirming again, they were finally sure that the rabbit was dead.

"good job," Ye Chen came, he had also just finished.

Cheng Mengyan and Fu Lanling were happy with the praise given by Ye Chen.

They were very happy with the praise.

"let's go to the fourth floor" Ye Chen said to Fu Lanling and Cheng Mengyan.

They're done, so they'd better go to the fourth floor.

"Husband, there is something" Cheng Mengyan found a chest again, they found the chest again after fighting the demon rabbit.

"let's open it" Ye Chen opened it, and inside was a knife with a slightly strange shape.

"another knife?" Ye Chen, Fu Lanling and Cheng Mengyan said to Ye Chen.

"Why are there so many knives in this place?" Ye Chen thought he found something good, but it was just a knife that couldn't be used.

Ye Chen collected it because something like this was kept in a chest.

Maybe this will be useful in the end.

"Where are those people?" Cheng Mengyan had not found the people from the Resurrection Stone Sect

"That's right, I haven't seen them around here, their bodies haven't been found either." Ye Chen hasn't seen them.

"Could they come down first?" Fu Lanling said to Ye Chen.

"Can we get past the boss that way?" Ye Chen himself hasn't tried this method.

"let's try it when fighting the fourth-floor guard." Fu Lanling also wanted to know

If they can, they have to get through it.

"If we pass it, then we won't get a reward" Ye Chen told Fu Lanling.

"You are right" Fu Lanling agreed with what Ye Chen said, if they just passed it by, then they wouldn't get a reward.

"difficult choice," Cheng Mengyan said to Ye Chen and Fu Lanling.

"it's okay, as long as we can solve it, let's fight," Ye Chen said to Fu Lanling and Cheng Mengyan.

the three of them were enough to conquer this dangerous place.

"we will try and fight as best we can" they finally work together to reach the bottom.

On the fourth floor, there are only ruins, there is nothing special.

So Ye Chen just went straight to the end and was about to head to the fifth level.

They met the Resurrection Stone Sect's group as they encountered the floor boss.

"they are on this floor" Cheng Mengyan remembered them, the people who had dared to underestimate her, Ye Chen and Fu Lanling.
