

True God 3101

Chapter 3101 Don't Ever Disturb Me While I'm Eating

Ye Chen looked for a temporary place to live together, after looking for a place to live, Ye Chen went to the city.

"To make it faster, I suggest we split up" Ye Chen said to Fu Lanling and Cheng Mengyan.

"I agree" Cheng Mengyan agreed with Ye Chen.

"I will do it too" Fu Lanling also agreed, it would be faster to get information if they split up.

After agreeing, Ye Chen, Fu Lanling and Cheng Mengyan split up.

The three of them went and started looking for information in each place.

Ye Chen went to the city center, he could get everything he wanted in this place.

"master, do you want to buy" several people offered Ye Chen, they were quite friendly lower class people.

Even though they were lower class people, their appearance was not bad.

"As Ling Shu said, people's tastes in this place are very high" Ye Chen realized that the people's tastes in this place were quite high.

"give me one" Ye Chen said.

Ye Chen said to give him one of the existing foods.

"Okay . . ." The person immediately made Ye Chen food.

Ye Chen looked around, when Ye Chen did this, he found that there weren't too many food ingredients.

"It looks like food ingredients are starting to get difficult" Ye Chen asked.

"The situation is starting to get hot, the issue might be that there will be a big war that will shake the whole world" the sword said to Ye Chen.

"has it started" Ye Chen asked.

"Not yet, it's still an issue, but many people are already preparing and starting to buy lots of goods if the situation gets worse than now," said the trader.

"If I were them, I would do it, it's to survive" said Ye Chen.

"You are right, I also worked hard to survive, the situation now is really chaotic and I want to survive" he said to Ye Chen.

Ye Chen understood, this was everyone's nature.

"Here it is" the food is finally ready.

Ye Chen enjoyed his food, he listened to all the conversations around this place.

Everyone's topic was almost the same, they were all discussing the upcoming war.

It seems like this is the hottest topic and is being talked about by everyone.

This place was so lively, there were so many people trying to buy leftover groceries for themselves.

By doing this, Ye Chen could mingle with everyone.

"Get out of the way, the great master wants to pass" a group appeared in front of Ye Chen.

They are the highest class people on this star.

The guards around were already able to answer questions from Ye Chen, definitely one of the most powerful people in this place.

"This is very bad, Mr. Zha Ping is coming" the merchant looked worried.

"Why are you guys being so panicked" Ye Chen asked, something seemed wrong.

"You don't know him yet?" the merchant asked Ye Chen.

"I rarely interact with people, so not many people know about this," Ye Chen answered the trader in front of him.

"It's not strange that you don't know who that man is" the trader finally understood why Ye Chen didn't know this.

"Mr. Zha Ping is an influential person in this star, he has connections with powerful people out there, offending that person will get you into trouble" the sword told Ye Chen the reason.

"So that's the reason" Ye Chen understood, he found a quite reasonable reason why they were afraid.

Even so, they shouldn't be scared like that, it seemed like the merchant in front of him was still trying to hide something.

"Maybe this person likes bullying, I don't know the situation myself, it's better to be indifferent and just continue eating" Ye Chen decided to ignore this, he focused more on eating what was in front of him.

Ye Chen enjoyed his food, at that time Zha Ping approached Ye Chen.

"Get out of the way" the person told Ye Chen to get out.

Ye Chen continued to ignore Zha Ping, he didn't listen to what Zha Ping said.

"Did you not listen to what I said, quickly get out of this place" he said to Ye Chen, he told Ye Chen to go and get out of this place.

"Are you two blind, I'm eating and don't disturb me" Ye Chen said to Zha Ping and his men.

Ye Chen told them not to bother him.

Zha Ping was of course very annoyed by this, how dare the person in front of him disobey his orders.

"Get rid of him for me" Zha Ping gave an order to get rid of Ye Chen.

With this order, all of Zha Ping's men immediately went and beat Ye Chen.

This world is tough, people like this are always looking for trouble.

Ye Chen couldn't stay silent about this, so he fought them with one hand.

Meanwhile, the other hand is used for eating.

Their "attack" attacked Ye Chen using their bare hands, the strength of their bare hands was much stronger than the weapons they had.

People were silent and could only feel sorry for Ye Chen, they knew what Ye Chen's fate would be after this.

What is certain is that Ye Chen will return with a limp and disabled body.

"Bam. . . ." Ye Chen hit them and flew, Ye Chen's punch was powerful enough to make them all fly.

Ye Chen's one hand was so powerful, it sent everyone flying by and lying on the ground.

Ye Chen eliminated a dozen troops owned by Zha Ping.

"Don't bother me" Ye Chen said to Zha Ping.

He told Zha Ping not to bother him, otherwise Ye Chen would be very angry with Zha Ping.

"You, how dare you" Zha Ping pointed at Ye Chen.

In this place, Ye Chen was the first person who dared to fight Zha Ping.

"What's wrong? Do you have a problem with this?" asked Ye Chen.

Ye Chen pointed back at Zha Ping.

Ye Chen didn't like being disturbed, so he got rid of Zha Ping.

"I will make you pay for it" Zha Ping said to Ye Chen, he would make Ye Chen feel it.

"Papa. . ." When Zha Ping had just finished speaking, he was slapped quite hard.

Ye Chen's slap was quite hard, it was also very fast.

No one saw what Ye Chen had just done.

"what just happened" many people want to know what just happened.

"You, how dare you slap me" he said to Ye Chen.

"Slap you, when did I actually do that" Ye Chen asked.

Ye Chen didn't feel like he was doing this, everyone here also wouldn't see what Ye Chen had done.

"all of you, didn't you see what he had done?" Zha Ping asked everyone present in this place.

They all shook their heads, they didn't see what Ye Chen was doing.

What Ye Chen did was so fast, so it wasn't strange that no one saw what happened.

"What ? ? ?" Zha Ping was shocked when he heard this.

Zha Ping felt his cheeks burning due to what Ye Chen did.

How could everyone not see what Ye Chen was doing.

"You should just go" Ye Chen said to Zha Ping.

Ye Chen told Zha Ping to leave, he didn't want to continue this matter.

Chapter 3102 Zha Ping

Zha Ping looked at Ye Chen, he knew that Ye Chen was quite strong and all the bodyguards he had had been defeated by Ye Chen.

"Just watch you, I will come back with more people" Zha Ping said to Ye Chen.

He would come back with even more people to fight Ye Chen.

"Just do it, next time, you will come home with several broken bones," Ye Chen said to Zha Ping.

The threat given by Ye Chen was no joke, he would immediately cripple Zha Ping if he still dared to look for trouble.

"You'll see" Zha Ping left, he didn't listen to Ye Chen's warning.

"You are very brave to challenge young master Zha Ping, he will definitely come with strong people" the seller said to Ye Chen.

"Honestly, I don't really care about this problem." Ye Chen said that he didn't really care about this problem.

"I have the strength to fight them all" Ye Chen said.

As long as Ye Chen had strength, he could fight everyone with bad intentions.

"You are right, this is it for you" the seller added food, and Ye Chen managed to get information and the current situation.

"It seems like the dragons are in a food crisis and various things, preparations for war are very high and they are having problems with supplies.

"Wait a minute, I can make good use of this situation" Ye Chen should be able to make good use of the situation.

He could use Super Origin Mall to do business, it would be profitable for Ye Chen.

"I will tell Feng Rue about this matter" Ye Chen intended to give this information to Feng Rue.

"Yuechan" Ye Chen said to Chu Yuechan.

"What is it?" Chu Yuechan asked Ye Chen.

"Can you say this matter to Feng Rue" Ye Chen asked Chu Yuechan.

"So you want to take advantage of the existing situation, I understand," Chu Yuechan understood, she supported what Ye Chen was going to do.

Chu Yuechan told Feng Rue Ye Chen's message would definitely reach Feng Rue soon.

Ye Chen continued his journey, finding out more about what happened.

.

.

On Fu Lanling's side.

she went to important areas such as medicine, weapons and cultivation bookshops.

Fu Lanling looked for some useful information, she found that the stock in this place was also running low.

"Madam, why are there so few?" Fu Lanling asked, why were there so few things in this place.

"To be honest, we have a problem with the stock, there have been no deliveries for the past few days, and all the goods from outside are really difficult to get in," the lady who owned the shop said to Fu Lanling.

"Oh, I see . ." Fu Lanling understood, it seemed like they were also having problems regarding supplies.

"the prices of everything went up, because we didn't have too much."

"It's fine" since Fu Lanling was already here, she bought some supplies for later use.

she had enough money that she could buy some things for the trip.

"Hi, beautiful lady, are you alone?" several people came over to Fu Lanling.

"What do you want?" Fu Lanling asked, she didn't feel any good feelings from these people.

"Don't be rude like that, let's have fun" The dragon raced around and invited Fu Lanling to have fun.

"I'm not interested in that" Fu Lanling rejected him, she didn't like interacting with unknown people.

Plus they are perverted people.

So Fu Lanling ignored them more and wanted to leave this place as soon as possible.

"Hey, wait a minute, I've never seen a woman as beautiful as you, why don't we have some fun, we can give you some fun" they said to Fu Lanling.

They weren't even embarrassed to bring Fu Lanling along.

"You guys, don't bother her" the madam who owned the shop told the delinquents not to bother Fu Lanling.

"Shut up, Madam, otherwise we will destroy this place" they said to the lady who owned the shop, which of course made the woman speechless.

Fu Lanling didn't really like this, arrogant and arrogant people, it made Fu Lanling feel irritated.

"I'm giving you guys time" Fu Lanling said to them.

she would give them time.

"What are you saying, you are giving us time, what do you mean by those words" they asked Fu Lanling.

"I'm giving you time to leave, otherwise, you will suffer the consequences" Fu Lanling said indifferently, giving them time to leave this place.

"What can you do if we don't want to?" they still refused. They didn't want to leave this place.

They are all quite stubborn, it's not surprising that they become delinquents who like to cause trouble.

Fu Lanling couldn't stand what was happening anymore, she started a fire and burned the clothes they had.

When Fu Lanling did this

Their clothes caught fire instantly, which of course, silenced them for a while.

Their faces became so dark, the reason was very clear, they didn't expect that Fu Lanling would ruin their clothes.

"Damn it. . ." they try to cover themselves, they do their best to cover themselves with what is around them.

This is quite embarrassing, even for those who are shameless.

"Brother. . . ." Fu Lanling used the strength she had to get them out of the shop.

After that, they were on the streets in an embarrassing situation.

People looked at them with laughing eyes, that was because they weren't wearing clothes and were on the public road.

"damn it, we will remember you," they said to Fu Lanling.

They would remember what Fu Lanling did.

They couldn't accept being treated like this by Fu Lanling, it made them embarrassed in front of everyone.

They would definitely retaliate for what Fu Lanling did.

"Young miss, they are a dangerous group and often cause trouble, will you be alright after that".

The lady who owned the shop said to Fu Lanling.

she told Fu Lanling that they were dangerous people who often caused trouble and committed crimes.

"Not many people dare to face them, they are too evil to kill people at will," said the shop owner.

The woman told Fu Lanling about the danger from those people just now.

"Thank you very much for the warning you gave" Fu Lanling was grateful, she did not regret what she did.

"This place is much more chaotic than I imagined" Fu Lanling finally realized that this place was much more chaotic than what she had imagined.

"I've gotten some information, I'm going home" Fu Lanling decided to go back.

.

.

On Cheng Mengyan's side. f(r)ee

Cheng Mengyan went around the city and started asking everyone who felt important.

Because Cheng Mengyan's socialization skills are top-notch, it is easy for her to get what she wants.

People easily gave it to Cheng Mengyan.

Cheng Mengyan even asked about Long Luxie, however, not many people knew about Long Luxie's existence.

Because it was in the center, those here did not have a connection to that level.

"What a shame" Cheng Mengyan felt that this was a great pity.

If only she could get more information, it would be profitable.

It seemed they had to travel to the center, that way they could find Long Luxie's whereabouts.

After knowing enough about the situation in this place, Cheng Mengyan decided to return.

When she came back, she saw some people running, and they were very embarrassed.

"So perverted, what are they doing like that" Cheng Mengyan smiled, they were really too perverted.

"Mengyan" some time later, Fu Lanling said to Cheng Mengyan.

"Sister Lanling, how is it?" Cheng Mengyan asked Fu Lanling.

"I got some things in this place, and the situation here is quite hostile," said Fu Lanling.

"Unfriendly? What do those words mean?" Cheng Mengyan asked Fu Lanling.

"I met some cruel people, I chased them away and embarrassed them in public," said Fu Lanling.

"Are those people earlier, sister Lanling, you can also be cruel like that?" Cheng Mengyan said to Fu Lanling.

Who would have thought that Fu Lanling could be cruel and let these people run away like that?

"Just leave it alone, I don't want to discuss these people," said Fu Lanling.

Fu Lanling did not want to discuss these people.

"I understand what you want" Cheng Mengyan understood that Fu Lanling was too lazy to discuss these people.

"let's go back" Fu Lanling said to Cheng Mengyan.

"come" Cheng Mengyan left together with Fu Lanling.

When two beautiful women walk together, they attract so much attention from the people around them.

.

.

The Zha family was the biggest family in the city and held quite a lot of things in the city, their power was not weak, and they could do everything they wanted so easily.

Zha Ping came back, there was a red wound on his cheek as a result of Ye Chen's punch.

This of course, made the guards and servants worried about Zha Ping's condition.

"Young master, what happened to you?" the guard and servant asked Zha Ping.

They wanted to know what happened to Zha Ping.

"I want to meet my father" Zha Ping said that he wanted to meet his father.

"He's in a private room," they told him where Zha Ping's father was.

After he learned of his father's whereabouts, Zha Ping immediately left.

"Father . . ." Zha Ping shouted.

"What is it?" an old man was painting, he was making a pretty good water painting.

"Dad, someone slapped me" Zha Ping told him that someone had slapped him.

"slapping you, that's impossible, who is the person from this city who dares to do that, plus didn't you bring dozens of guards" the old man asked Zha Ping.

Chapter 3103 Romantic dinner with Fu Lanling and Cheng Mengyan

"A guy out of nowhere slapped me, he even beat all my guards" Zha Ping told him what happened.

"What are you saying?, all the guards I gave you are quite strong, in this city there are not many people who can defeat one of them, and you said they were all defeated, that can't be the case" the old man didn't believe what was said by Zha Ping.

"I mean it, why would I lie?" Zha Ping told the truth.

He said he was serious about being defeated by Ye Chen, otherwise, how could he possibly report this.

The old man thought for a while.

Zha Zun was the man's name, the head of the dragon clan in the city branch.

"actually the elders will be back tomorrow, why don't you ask them to take care of this matter" Zha Zun said to Zha Ping.

"first and second elder, are they coming back" Zha Ping said.

Zha Ping looked happy when he heard this.

The first and second elders were great and influential people, they also often committed crimes and oppressed the weak, these traits were passed down to Zha Ping

"I'm getting impatient to take revenge." Zha Ping said that he was getting impatient.

"You first go to heal your wounds, after that go rest," Zha Zun told Zha Ping to rest.

"I understand" Zha Ping immediately went to treat the wound and rest.

"It's been a long time since anyone dared to go against us, looks like he's going to have a bad fate," Zha Zun said inside himself.

Zha Zun still had some documents and was really busy, so he didn't immediately look for Ye Chen to settle the accounts.

He handed this matter over to the first and second elders, they were competent people and did not lose to him, so when they returned, they could directly crush Ye Chen.

.

.

Ye Chen walked around, apart from a few bullies, it seemed this place was fine.

Everything runs normally, so there is no problem here.

"That big brother over there?" someone waved at Ye Chen.

More precisely, several women with such good looks and a beautiful image called Ye Chen.

Ye Chen looked at the beautiful women who called him; they looked very good, and their body shapes were very beautiful.

"I ?" Ye Chen asked the group of women who called him, to be honest, he didn't know who they were.

"Of course, we rarely meet a man who is so handsome and has such a great aura, willing to play with us in the red district," they asked Ye Chen.

These women turned out to be entertainers, it's not surprising that they have a beautiful and charming appearance.

"That . . ." Ye Chen tried to find an excuse to get out of a situation like this.

What a pity they held Ye Chen quite tightly, they didn't let Ye Chen escape.

Ye Chen was like a small prey caught in a poisonous net.

"we won't take anything from you, as long as you can be with us tonight" they said to Ye Chen.

their words were too provocative and made people misunderstand.

"What are you doing, it's still daytime," Ye Chen said to all the women.

Who would have thought that they were too bold, they teased and invited Ye Chen during the day like now.

"What's wrong, day or night, it's all the same" they said to Ye Chen.

"You guys are probably right" Ye Chen agreed, for them there was no difference between day and night.

"How?" they asked Ye Chen whether Ye Chen wanted to or not.

This is an attractive offer, men will be immediately interested in an offer like this.

"Husband, so you are here"

"What are you doing there?"

Cheng Mengyan and Fu Lanling came, and they immediately dragged Ye Chen and took Ye Chen away.

"Ouch . . ." the women saw what Cheng Mengyan and Fu Lanling were doing.

They were both truly beautiful and made the women around them feel inferior.

It wasn't strange that Ye Chen rejected them, it was because he had two such beautiful women.

Fu Lanling and Cheng Mengyan took Ye Chen away, they freed Ye Chen from the night butterfly's entanglement.

"You two, what are you doing?" Ye Chen asked Cheng Mengyan and Fu Lanling.

"You should ask about that after what happened?"

"That's right, what are you doing, teasing women during the day".

Cheng Mengyan and Fu Lanling said to Ye Chen.

"It was a misunderstanding, they started teasing me first, I was completely innocent," Ye Chen said to Cheng Mengyan and Fu Lanling.

Ye Chen tried his best to explain that he was not wrong, they were the ones who had come and started arresting Ye Chen.

It's a shame, Cheng Mengyan and Fu Lanling didn't want to listen to what Ye Chen said, they didn't believe what Ye Chen said.

Cheng Mengyan and Fu Lanling brought Ye Chen back, and all problems were resolved by bringing Ye Chen back.

If they let their guard down a bit, those vicious women will catch and take Ye Chen away.

Ye Chen came along with Cheng Mengyan and Fu Lanling and returned to the house they had rented.

After they returned to the house they rented, they went straight to the bedroom.

"What do you want?" Ye Chen asked Cheng Mengyan and Fu Lanling.

It looks like something undesirable will happen, this is quite a big problem.

"It's clear, isn't it" Cheng Mengyan and Fu Lanling said to Ye Chen.

"is it clear?, clear how?" Ye Chen said

"Husband, if you want that, you can just say it from the start, we will be happy to help relieve your burden," said Cheng Mengyan.

"That's true, it's been quite a while, I also want to do it with you," Fu Lanling said to Ye Chen, she told him that she also wanted to do it with Ye Chen.

"It seems I didn't pay enough attention to you guys, I apologize for not paying attention to my beloved wife," Ye Chen said to Cheng Mengyan and Fu Lanling.

Ye Chen knew he didn't pay enough attention to Cheng Mengyan and Fu Lanling.

If only he knew this, he would give them what they want.

"Looks like the night will soon arrive, husband how about we do it later," Cheng Mengyan said to Ye Chen.

"That's true," Fu Lanling also wanted to.

"Of course, I want both of you" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen also wanted both, he wanted to be with Cheng Mengyan and Fu Lanling.

"Before that, let's first discuss what we have obtained," said Fu Lanling.

Fu Lanling stopped Ye Chen's fantasy, she told Ye Chen to tell her what he had found.

Fu Lanling to exchange what they had gotten so they could know what happened.

"It seems we got the same information, the situation on this star is not good, the center destroyed all supplies," Ye Chen said to Fu Lanling and Cheng Mengyan.

"The cause is a lack of supplies, supplies are used at the center, they will experience problems," said Cheng Mengyan.

"You are right, war looks like it will happen" Ye Chen said to Cheng Mengyan and Fu Lanling.

Ye Chen knew that war would happen, all parties had started to prepare in terms of logistics, this was the key to their victory.

"There will be many people who suffer because of this and the shortage of supplies, I have told you to take part in this matter, it would be very nice to help people in need," said Ye Chen.

"That's very good," Fu Lanling said, happy to hear that.

"But I'm not sure I'll be able to fulfill them all, it might be a lot," said Ye Chen.

"We will just help as much as we can, there's no need to think too much about it" Cheng Mengyan said to Ye Chen.

"um, I agree, it's nothing to think too much about" Fu Lanling also thought the same thing.

"You guys are right, let's make some food, would you like it?" Ye Chen asked Cheng Mengyan and Fu Lanling.

"um, let's make a delicious dinner" Cheng Mengyan and Fu Lanling agreed, they wanted to make a memorable dinner with Ye Chen.

Ye Chen felt happy hearing this, he went to the kitchen with Cheng Mengyan and Fu Lanling.

"Come on, you guys can help me too" Ye Chen said to Cheng Mengyan and Fu Lanling.

"Okay, we will help a little" Cheng Mengyan and Fu Lanling agreed to help Ye Chen.

Ye Chen was very happy when he saw Cheng Mengyan and Fu Lanling willing to help.

Ye Chen cooked together with Cheng Mengyan and Fu Lanling.

Cheng Mengyan and Fu Lanling were in charge of cutting vegetables and meat.

Meanwhile, Ye Chen focused on making delicious spices.

After everything was done, Ye Chen started stir-frying and boiling, today they would make quite a lot of food.

"Hmm, it smells delicious," Cheng Mengyan and Fu Lanling said to Ye Chen, they told Ye Chen that it smelled so delicious.

"Are you guys impatient" Ye Chen said to Fu Lanling and Cheng Mengyan.

"I can't wait, my husband's cooking is the best," Cheng Mengyan told Ye Chen.

"I want to" Fu Lanling thought the same thing, she also wanted that.

"I will not disappoint you" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen will do his best and not disappoint Fu Lanling and Cheng Mengyan.

"Um. . ." Fu Lanling and Cheng Mengyan believed in Ye Chen's abilities.

1 hour passed, and Ye Chen made several complete dishes and served them on the table within an hour.

Fu Lanling and Cheng Mengyan sat beside Ye Chen, they surrounded Ye Chen and were quite close to Ye Chen.

Ye Chen turned off the lights, the atmosphere became more romantic when Ye Chen lit candles as lighting.

"uh, very romantic, this is like in a movie" As a modern woman, this is very romantic, a sauce that is hard to get.

Cheng Mengyan liked what Ye Chen did.

Fu Lanling also likes what Ye Chen does, the attention that Ye Chen gives reaches her heart.

Dinner started, Ye Chen gave food to Fu Lanling and Cheng Mengyan.

instead, Fu Lanling and Cheng Mengyan provided food for Ye Chen.

"Ahhh . ." Cheng Mengyan told Ye Chen, she took some meat for Ye Chen.

"I want to do it too" Fu Lanling didn't want to lose, she also wanted to do it and give food to Ye Chen.

Ye Chen was very lucky.

Two beautiful women feed him.

"You two, I'm grateful to have you" Ye Chen said to Fu Lanling and Cheng Mengyan.

"We are also happy to be able to give you food," Cheng Mengyan said to Ye Chen.

"This was really fun, I want to do it again" Fu Lanling felt that this was really fun and she wanted to do it again.

"I'm also very happy" Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen had fun and felt cheerful together with Fu Lanling and Cheng Mengyan.

It's such a fun feeling to be with everyone.

"Husband, what are you thinking about?" Fu Lanling and Cheng Mengyan said to Ye Chen.

"I really hope we can be like this together with everyone" Ye Chen said.

"So that's it, you are absolutely right, problems always come, we rarely spend time like before," said Fu Lanling.

"That's absolutely true, I also want everything to be over quickly, I want to be with everyone and my husband" Cheng Mengyan also wanted to be with Ye Chen.

"As long as we still have time, let's have fun together" Cheng Mengyan said to Ye Chen.

Cheng Mengyan was so brave, she immediately wanted to do it with Ye Chen.

"You seem so excited," Ye Chen said to Cheng Mengyan.

"It can't be helped, I can't stand it anymore, my husband is too tempting for me" Cheng Mengyan said to Ye Chen.

Ye Chen was too tempting and made Cheng Mengyan want to be with Ye Chen.

Chapter 3104 Ye Chen, Fu Lanling and Cheng Mengyan in the room (1)

"You are very enthusiastic" Ye Chen said to Cheng Mengyan.

"It can't be helped, I told you it was your fault" Cheng Mengyan couldn't stand Ye Chen, she wanted to pounce on Ye Chen right now.

Fu Lanling sighed, it seemed like Cheng Mengyan couldn't stand it anymore and wanted to pounce on Ye Chen.

"sister, come with me" Cheng Mengyan said to Fu Lanling.

"Um. . ." Fu Lanling came with Cheng Mengyan.

What Cheng Mengyan wanted, she took Fu Lanling to a place.

They had finished eating and Ye Chen cleaned everything up alone.

Cleaning the dining table is not a hassle, Ye Chen can do it in less than 10 minutes.

"okay, finished" after everything was clean, Ye Chen returned all the devices inside the gate away.

"What do you want to do?" Fu Lanling asked Cheng Mengyan.

"I want to give my husband a surprise, do you want to do it?" Cheng Mengyan asked Fu Lanling.

"What kind of surprise do you want to do?" Fu Lanling asked Cheng Mengyan.

I wonder what kind of surprise Cheng Mengyan has prepared.

Cheng Mengyan took something, when she took something, she took an evening dress that was so beautiful and sexy.

"Sister Mengyan, you took a pajama that is quite beautiful and bold enough" said Fu Lanling.

"that's for you" Cheng Mengyan said to Fu Lanling.

"For me, you want me to use such a shameful thing like this? asked Fu Lanling.

"That's absolutely right, I want you to use it, it will definitely suit you, I have measured it well" said Cheng Mengyan.

Cheng Mengyan had already arranged it well, it would suit Fu Lanling very well.

Fu Lanling's face became as red as an apple, she was obviously embarrassed to wear such a bold thing.

If Fu Lanling were willing to use something like that, then she would definitely look very beautiful and very seductive.

"You don't need to be shy like that" Cheng Mengyan said to Fu Lanling.

"This still feels embarrassing for me," Fu Lanling said to Cheng Mengyan.

"Husband will definitely like it, you have to be braver in using things like this. After all, this is only in front of him" Fu Lanling told her that Ye Chen would definitely like this, so she told Fu Lanling to change.

"I know, if he really likes things like this, I might try to get used to it" Because Ye Chen likes things like this, Fu Lanling will definitely do it.

"Let's start" Cheng Mengyan said to Fu Lanling, she seemed so excited about doing this.

Cheng Mengyan and Fu Lanling started to change.

after they changed, they finally looked very seductive.

The pajamas they wear are quite comfortable and fit to wear, it shows some parts such as the thighs, and also the arms are so smooth.

"Not bad, this suits me well" Fu Lanling likes a bold red color, while Cheng Mengyan is bolder by using a seductive black color.

"I already knew that it would suit you, it doesn't seem wrong that I brought it," said Cheng Mengyan.

"You are absolutely right, the one you are wearing looks bolder than the one I am wearing now," said Fu Lanling.

"Of course, I want to tease him to the max," Cheng Mengyan said to Fu Lanling.

"So that was your goal, it's not strange. . ." Fu Lanling understood why Cheng Mengyan used a much bolder one.

"It looks like he's finished, let's give him a surprise," said Cheng Mengyan.

Cheng Mengyan took Fu Lanling's hand and took her into the room. They both waited for Ye Chen.

Ye Chen had finished cleaning, and after he finished cleaning, he immediately went into the room.

It seemed that Cheng Mengyan and Fu Lanling had been waiting for Ye Chen, Ye Chen couldn't afford to disappoint them.

Ye Chen went inside, after Ye Chen went inside, he saw a scene that was so tempting and so exciting.

Ye Chen saw Cheng Mengyan and Fu Lanling lying on the bed in pajamas that were so seductive they were slightly see-through and showed the entire figure of Fu Lanling and Cheng Mengyan.

Fu Lanling had a good figure with such firm double peaks, while Cheng Mengyan was much sexier with full double peaks.

Both of them were so beautiful and so seductive, when seeing the two of them like that, Ye Chen couldn't stand it.

Plus, their poses on the bed are so beautiful. How can they make such beautiful poses like that?

"Husband, why are you silent, don't you want to come up here?" Cheng Mengyan asked Ye Chen if Ye Chen didn't want to get into bed.

Cheng Mengyan gave Ye Chen an invitation, she asked Ye Chen to go to bed right now.

Ye Chen was still a normal man. How could he stand this?

"Husband . . ." Fu Lanling used her finger, she tried to invite Ye Chen.

Fu Lanling was now quite bold, she dared to invite Ye Chen inside.

"I will come" After Fu Lanling gave a bold enough invitation, Ye Chen, of course, came, he immediately went up and hugged Fu Lanling.

"ahh . . ." Fu Lanling was surprised by what Ye Chen did, she didn't expect Ye Chen to do that.

"little husband, you are too excited. ." Fu Lanling said to Ye Chen.

"I want you right now. . ." Ye Chen said to Fu Lanling.

"no, wait a minute." Fu Lanling couldn't stand what Ye Chen was doing.

Ye Chen's hands had started to move and touched Fu Lanling's body.

Every time Ye Chen touched the double peaks of Fu Lanling, he would scream and feel such intense pleasure.

"Husband. . ., that is too strong, you stop for a moment. . ." Fu Lanling said.

Fu Lanling couldn't hold on, she was really made to feel happy by Ye Chen.

Cheng Mengyan looked at Fu Lanling, it seemed that Fu Lanling was lucky because her husband chose her first.

Ye Chen enjoyed the beauty in his hands, he touched all of Fu Lanling's sensitive parts.

Fu Lanling wouldn't be able to survive that kind of thing, she was quickly reaching the limit.

"No . . ." Fu Lanling reached the top, and what Ye Chen did made her so happy.

After Ye Chen had played enough with Fu Lanling, Cheng Mengyan was next.

"This is your turn," Ye Chen said to Cheng Mengyan, this was Fu Lanling's turn to feel Ye Chen's abilities.

"ahhh, no, you are so naughty, don't be there, it feels comfortable" In contrast to Fu Lanling, Cheng Mengyan was much more open, she said some provoking words and made Ye Chen feel such great comfort.

"Very great." Ye Chen admitted that Cheng Mengyan was very seductive, Cheng Mengyan knew how to make Ye Chen comfortable.

"You naughty woman, trying to tease me in that way, let's see if you are able to survive," Ye Chen said to Cheng Mengyan.

"ahhh, if you do that, I probably won't be able to survive," Cheng Mengyan said to Ye Chen.

Cheng Mengyan wasn't sure that she would be able to survive, when Ye Chen played with two double peaks with such a large G Cup size, Cheng Mengyan moaned quite loudly.

"I think this will get bigger," Ye Chen said to Cheng Mengyan.

"Maybe it could still be bigger, but too big makes it hard to move, do you like it?" Cheng Mengyan said to Ye Chen.

"I just like it, it's very beautiful," Ye Chen said to Cheng Mengyan.

Ye Chen just liked Cheng Mengyan, besides, it was still quite tight and not loose, and touching her was very comfortable to do.

Chapter 3105 Ye Chen, Fu Lanling and Cheng Mengyan in the room (2)

"Ahhh, no, don't stop there, why are your abilities so good," said Cheng Mengyan.

Cheng Mengyan couldn't stand Ye Chen's abilities.

Ye Chen had such good abilities, that in just 2 minutes, Cheng Mengyan had reached the top.

"ahhh, it's amazing, your skills have greatly improved, and it has become very fun and so comfortable" Cheng Mengyan said to Ye Chen.

Cheng Mengyan had become strong enough but still couldn't survive Ye Chen's teasing techniques.

"You are also not bad, you can last quite a long time," Ye Chen said to Cheng Mengyan.

"Are you making fun of me?" Cheng Mengyan was unhappy when she heard this, she felt like Ye Chen was teasing her.

Cheng Mengyan could only hold on for a short time, she should have been able to hold on longer, after all, she had undergone quite tough training both physically and mentally.

However, all of that was still not enough to fight Ye Chen, she could still easily be pushed to the limit by Ye Chen.

It was too much fun, so it wasn't strange that Cheng Mengyan couldn't hold on.

"sister, he is so strong, we have to work together" Cheng Mengyan told Fu Lanling.

"I agree with what you said," Cheng Mengyan agreed, she was talking to Fu Lanling and had to work together to make Ye Chen happy.

They didn't want to be defeated quickly by Ye Chen, and because of this, they decided to work together to face Ye Chen.

Fu Lanling and Cheng Mengyan worked together, suppressing Ye Chen from the left and right sides.

Ye Chen was pressed on the bed by the two of them.

"Now it's our turn," Fu Lanling and Cheng Mengyan said to Ye Chen.

They told them it was their turn.

Both of them didn't want to lose to Ye Chen, this was the time for them to make Ye Chen feel comfortable.

Cheng Mengyan helped Ye Chen remove the bottom part, meanwhile Fu Lanling helped remove Ye Chen's top part.

Fu Lanling and Cheng Mengyan divided the tasks so well that they knew how to make Ye Chen feel comfortable.

"oh . . , very good," Ye Chen said to Fu Lanling and Cheng Mengyan.

"it's our turn, you definitely won't stand it" Fu Lanling and Cheng Mengyan said to Ye Chen.

They would show the abilities they had, this was the time for Fu Lanling and Cheng Mengyan to show how they had developed.

Fu Lanling and Cheng Mengyan always learned many new things, and now was the time to practice them with Ye Chen.

Everything they read and learned, this is the time for both of them to use it to the best of their ability.

Fu Lanling and Cheng Mengyan quickly stripped the clothes from Ye Chen.

They only needed a little time to do that, it was very fast for them to disarm Ye Chen.

Fu Lanling and Cheng Mengyan saw Ye Chen, they could see Ye Chen's body was so good.

"Your body is getting better" The muscle lines on Ye Chen's body are getting better, it's not strange that Fu Lanling and Cheng Mengyan are so interested in Ye Chen.

"Which part has improved" Ye Chen asked Fu Lanling and Cheng Mengyan.

Ye Chen wanted to know which part had improved.

"I think it's this one," Cheng Mengyan said to Ye Chen. She was holding Ye Chen's.

Fu Lanling blushed, it was a little embarrassing to say such words.

Even though she was embarrassed, Fu Lanling still glanced at Ye Chen, as said, it only became more and more amazing.

I am making Fu Lanling anxious just by looking at it.

Fu Lanling also wanted to touch him, but it was too bad it wasn't her turn, and now Cheng Mengyan was doing it.

Fu Lanling decided to kiss Ye Chen.

Fu Lanling kissed Ye Chen suddenly, Ye Chen was not ready for what Fu Lanling did.

Ye Chen and Fu Lanling kissed, and they started to get entangled with each other, and their tongues moved around.

Enjoying Fu Lanling's tongue was very enjoyable.

Meanwhile, Cheng Mengyan had a special part, she would make Ye Chen comfortable.

"You have fun first, then I want to see if you can survive this." Cheng Mengyan showed her skills, she showed her abilities.

She used her hands to help Ye Chen, Cheng Mengyan's hand movements were skilled. She massaged Ye Chen gently and the feeling that Ye Chen got was extraordinary.

"how you won't be able to survive, this is a special technique taught by master," Cheng Mengyan said in her heart.

Qing Cheng had taught Cheng Mengyan a lot, so it wasn't strange that Cheng Mengyan was quite skilled.

Ye Chen got into trouble, on the one hand, he enjoyed Fu Lanling, on the other, Cheng Mengyan provoked him.

As an experienced person, I found this problem for Ye Chen.

Fu Lanling and Cheng Mengyan worked so well that they seemed to know how to make Ye Chen comfortable.

Fu Lanling continued to kiss Ye Chen, but she didn't seem willing to let go of Ye Chen.

Cheng Mengyan became bolder and used her double peaks to make Ye Chen comfortable.

Ye Chen was excited, he felt too passionate, and the stimulation provided made Ye Chen excited.

Ye Chen's hands were so itchy he wanted to touch Fu Lanling and Cheng Mengyan.

Ye Chen reached out his hands toward Fu Lanling and Cheng Mengyan, touching both.

"Ahhh . . ." Both of them were caught off guard, they thought Ye Chen wouldn't resist, who would have thought that Ye Chen reached out and started pinching them.

Fu Lanling and Cheng Mengyan couldn't stand what Ye Chen was doing. What Ye Chen was doing made their bodies feel tingling.

"ahh . ." they screamed and felt a comfortable feeling, just Ye Chen's pinch made them feel such pleasure.

"You can still counterattack" Cheng Mengyan didn't expect that Ye Chen could still fight back.

"Of course, I can still fight you guys," Ye Chen said, saying he could still fight them.

Ye Chen had the ability, there was no way he would be easily subdued.

Cheng Mengyan made a gesture for Fu Lanling, or more precisely, she asked Fu Lanling to help.

Fu Lanling knew what Cheng Mengyan wanted, it was time to show what their combined abilities were.

Fu Lanling came down, and the two served Ye Chen together and showed their abilities.

"Slurp . . ." Fu Lanling and Cheng Mengyan started to eat Ye Chen's possessions and overwhelmed Ye Chen, the ability and cooperation of the two of them were great.

"You two are quite cheating," Ye Chen said to Fu Lanling and Cheng Mengyan.

If Fu Lanling and Cheng Mengyan did that, then Ye Chen would be in trouble.

"Don't blame us, isn't it? Your little brother is quite big, and even one hand is not enough," said Cheng Mengyan.

Cheng Mengyan had her reasons, so she and Fu Lanling started to make Ye Chen feel at ease.

What Fu Lanling and Cheng Mengyan did was so tempting that Ye Chen was made to reach the edge.

"It can't be like this" Ye Chen felt that he couldn't be like this.

Ye Chen decided to pull Cheng Mengyan, this was the time.

Cheng Mengyan was the most troublesome, her flirting skills were getting more and more skilled, and even Qing Cheng was probably already defeated in terms of flirting.

"ahh . . ., What are you doing?" Cheng Mengyan asked Ye Chen.

Chapter 3106 Zha Ping returns for revenge

"I can't stand it anymore, let's do it now" Ye Chen said to Cheng Mengyan.

"Wait a minute, I'm not ready" Cheng Mengyan said to Ye Chen.

Cheng Mengyan wasn't ready enough, she still hadn't won, how could she be so satisfied.

"Then let's start, who will win this time" Ye Chen said to Cheng Mengyan.

Ye Chen immediately put his large object into Cheng Mengyan's honey cave.

"ahh . . ." Cheng Mengyan felt full of Ye Chen, it was such a beautiful feeling when Ye Chen did that.

"big ! ! ! !" Cheng Mengyan said to Ye Chen.

"Still narrow as usual, I will start, wife you have to prepare" Ye Chen said to Cheng Mengyan.

Ye Chen started to move slowly, after that it started to become faster and faster.

When Ye Chen started to speed up his movements, that's where Cheng Mengyan started to feel such a pleasant feeling.

Cheng Mengyan couldn't hold it in and let out a few sweet moans.

"ahhh, husband, very good, I like you" Cheng Mengyan said to Ye Chen, she liked what Ye Chen did.

What Ye Chen did was very comfortable, and his actions made her very satisfied.

"I also feel comfortable" Ye Chen kissed Cheng Mengyan.

After that, the two of them continued fighting and tried various moves.

Where Cheng Mengyan could do all the difficult moves.

Fu Lanling also came along and started kissing and making Ye Chen comfortable.

"Ahhh . . ." Cheng Mengyan was finally tired and needed to rest.

"This is fun and so sweet," Cheng Mengyan told Ye Chen.

she felt so comfortable, and her body and mind felt so happy.

Cheng Mengyan lost, it seemed like she couldn't win against Ye Chen.

Cheng Mengyan was quite satisfied. Now it was Fu Lanling's turn.

Fu Lanling was already waiting for her turn.

"You made me wait a long time, it's quite uncomfortable," Fu Lanling told Ye Chen.

Fu Lanling had waited long enough.

"I'm sorry," Ye Chen apologized to Fu Lanling, she really felt guilty for making Fu Lanling wait.

As a form of apology, he would make Fu Lanling as comfortable as possible.

"Then, please make me feel comfortable," Fu Lanling said to Ye Chen, she wanted to be made comfortable by Ye Chen.

"of course" Ye Chen understood, he would make Fu Lanling comfortable.

Ye Chen immediately hugged Fu Lanling.

"I will be on top, I will show the abilities I have" Different from Cheng Mengyan, Fu Lanling decided to take the lead, she wanted to show Ye Chen her abilities.

"You are much more confident now," Ye Chen told Fu Lanling.

"I'm starting to be confident in my abilities," Fu Lanling told Ye Chen.

she fully believes in her current abilities.

"Oh, you want to do it, it's rare to see you do it, of course, but I also want to play with you" Ye Chen said to Fu Lanling.

Ye Chen touched the double peak of Fu Lanling.

"giggling," Fu Lanling smiled at Ye Chen, she felt happy with what Ye Chen was doing.

After Fu Lanling got permission from Ye Chen, she started doing it, putting Ye Chen's thing in, and moving up and down.

Her speed was average and steady, her ability and the way he pinned Ye Chen made Ye Chen unable to stand it,

Plus, she was so enchanting, making Ye Chen so tense.

Fu Lanling knows her abilities, and she can make Ye Chen feel comfortable using them.

"ahh . . ." Fu Lanling moaned, her movements became more and more intense, it felt so comfortable and so wonderful.

"comfortable, very extraordinary, I want to continue feeling it" Fu Lanling said to Ye Chen.

Fu Lanling wanted to continue feeling it, she wanted to unite with Ye Chen continuously.

Fu Lanling's words tempted Ye Chen.

she finally moved and made Fu Lanling feel double pleasure.

"Ahhh, husband, I love you . . ." both of them were having fun, more than 1 hour passed when they did it.

Fu Lanling's body was covered in sweat, she couldn't hold back and was quite exhausted.

"Ahhh . . ., husband, you are really strong, I'm tired" Fu Lanling said to Ye Chen.

Fu Lanling was quite tired.

"want to take a rest?" Ye Chen said to Fu Lanling.

"no, I want that. Before that, I won't give up" Fu Lanling said to Ye Chen.

Fu Lanling would squeeze Ye Chen once, this would be her victory.

Fu Lanling speeded up her movements, she knew that Ye Chen wouldn't be able to hold on any longer.

How could Ye Chen last longer, he had already fought Cheng Mengyan, and now it was Fu Lanling's turn, of course, that made Ye Chen reach his limit.

What made Ye Chen unable to hold on was the way Fu Lanling swayed, it really made Ye Chen comfortable.

"Husband, give it to me. . ." Fu Lanling said to Ye Chen.

"if you insist, I will give it" Ye Chen said to Fu Lanling.

"byur. . ." Ye Chen gave it, his pure Yang Qi filled Fu Lanling's body.

"ahh, it's warm and feels full, I finally" Fu Lanling said to Ye Chen.

After getting Ye Chen's Yang Qi essence, she felt much better.

"Sister, that's cheating, I want to" Cheng Mengyan complained, it should be hers.

"Then next is you, I'm tired" Fu Lanling wanted to rest.

"Then I won't hesitate." Cheng Mengyan didn't hesitate and did it with Ye Chen.

she didn't give Ye Chen a break and started the second battle.

Cheng Mengyan and Fu Lanling continued to do it from night to morning, after one full night, both were tired and needed to rest.

"tired" Cheng Mengyan and Fu Lanling felt tired and slept with Ye Chen.

Ye Chen hugged the two of them, it looked like they needed to rest for a while.

.

.

Ye Chen and Cheng Mengyan and Fu Lanling took a break.

They wake up when daylight comes.

"Umm . . ." Cheng Mengyan and Fu Lanling woke up, and even though they were awake, they still held on to Ye Chen.

They looked quite tired and wanted to be spoiled by Ye Chen.

"It's already afternoon, let's get up" Ye Chen said to Cheng Mengyan and Fu Lanling.

"Why don't we be like this a little longer" Cheng Mengyan and Fu Lanling wanted to spend more time with Ye Chen.

"Then I won't mind" Ye Chen wouldn't mind, he wanted to spend more time with the two of them.

Ye Chen hugged and comforted Cheng Mengyan and Fu Lanling, and they did that for 1 hour, after that, Cheng Mengyan and Fu Lanling decided to leave and start cleaning themselves.

Ye Chen of course came along, he did it quickly and came out quickly.

On the other hand, Cheng Mengyan and Fu Lanling needed time. Women were like that. They loved bathing and didn't seem to be going out anytime soon.

"You two, I'll go out first," Ye Chen said to Cheng Mengyan and Fu Lanling.

"umm, we understand," Cheng Mengyan and Fu Lanling understood.

After telling her that he was going out, Ye Chen came out of the house and went back around.

It seems like living here isn't bad, some people are quite friendly and easy to talk to.

"Finally, I found you" As Ye Chen was enjoying looking around, an unpleasant and rude voice spoke.

"You again, what do you want?" Ye Chen asked Zha Ping.

"I came to destroy you" Zha Ping said to Ye Chen.

He came this time to avenge what Ye Chen had done.

"Reply what I have done, don't you remember what I said to you" Ye Chen said to Zha Ping.

Chapter 3107 broken Zha Ping's legs and arms

"I don't remember what you said, what did you say to me" Zha Ping asked Ye Chen.

Zha Ping didn't remember what Ye Chen said.

more precisely, he pretended not to remember it.

The reason was very clear, Zha Ping now had the upper hand.

Now he came together with the first and second elders who had such powerful destructive power that Ye Chen would be destroyed with just one blow.

"so you don't remember, fine, then I will make you remember" Ye Chen said to Zha Ping.

Ye Chen will no longer give Zha Ping a warning, this time he will break Zha Ping's legs and arms.

"first elder, look at him trying to attack me, you have to give me justice" Zha Ping asked the first elder for help.

"Damn brat, you are bold enough to look for trouble with the Zha family that I own, You will be destroyed" the first elder said to Ye Chen.

"Who are you, I have no business with you, hand over that person right now" Ye Chen said.

Ye Chen didn't have time to care for the two parents near Zha Ping.

"How presumptuous" The second elder was also displeased with Ye Chen.

"look at that guy, that guy is so annoying, you guys have to destroy him" Zha Ping said to the second elder.

"Don't worry, we will take care of that person for you," said the first elder, who will take care of Ye Chen.

"That's right, let me show that little brat" The second elder was the same, he wanted to show his strength and make Ye Chen crushed.

"oh, so you are the young man's men, you are no different" Ye Chen said to the first and second elders.

"shut up, we will kill you soon," both said to Ye Chen.

"Do you have the ability to do this?" Ye Chen said to the second and first elders.

"of course we can do it" the first and second elders said to Ye Chen.

"Go forward," Ye Chen said to the two.

Ye Chen told the first and second elders to come forward.

after they received the challenge from Ye Chen, they immediately prepared.

"Uncle, come defeat that arrogant brat" Zha Ping said to the first and second elders.

"You don't need to worry, we will defeat him quickly," both said they would immediately defeat Ye Chen quickly.

The first elder and second elder came forward, they used their bare hands to fight Ye Chen.

They were of the dragon race and had such and such great arms they could crush Ye Chen using those arms.

Ye Chen stretched out his hand, this was the time to show how strong he was.

"Crack . . ." Ye Chen held it and immediately crushed the arms of the two people.

"argh. . ." The first elder and second elder screamed when they felt their arms being crushed.

"Uncle" Zha Ping asked the first elder and second elder.

Zha Ping saw that the first and second elders kneeled on the ground, holding their arms that Ye Chen had damaged.

"Get out of here," Ye Chen said, using his strength to throw the first elder out.

Using such a strong blast of wind, he immediately drove them far away from this place.

Ye Chen threw them quite far.

Zha Ping was silent when he saw the first and second elder being defeated so quickly by Ye Chen.

"impossible" Zha Ping couldn't believe what was happening, the first and second elders, who were so great and powerful lost to Ye Chen so easily.

They didn't even have a chance to win against Ye Chen, they were defeated so quickly by Ye Chen.

"Now, who will protect you from me?" Ye Chen asked Zha Ping.

"no, please let me go" Zha Ping said to Ye Chen.

He asked Ye Chen to let himself go.

"I gave you the last warning, and you still didn't listen, do you think I will let you go, that won't happen" Ye Chen said to Zha Ping.

Ye Chen wouldn't let go of Zha Ping, he immediately attacked and broke Zha Ping's arms and legs.

"argh. . ." Zha Ping was in pain, Ye Chen broke his hands and feet.

"accept it," Ye Chen said to Zha Ping.

"crack . . . , argh, damn, this hurts so much." Zha Ping screamed, he felt excruciating pain, and the feeling of pain was too strong for Zha Ping.

"Go away, don't let me see you again," Ye Chen told Zha Ping.

"ahh . . ." Zha Ping crawled away, he immediately left this place.

This lesson is something that Zha Ping will never forget.

"husband . . . , what happened?" Cheng Mengyan and Fu Lanling had just finished, they wanted to know what happened to Ye Chen.

"I just took care of a troublesome person and wanted to find trouble with me" Ye Chen said to Cheng Mengyan and Fu Lanling.

"is anyone trying to find trouble with you, they are quite bold" Fu Lanling said to Ye Chen.

"Where is that person, I will teach him a lesson" Cheng Mengyan also wanted to teach him a lesson.

"That's not necessary," Ye Chen said to Cheng Mengyan.

"Why?" Cheng Mengyan asked Ye Chen.

"That's because I broke one arm and one leg," Ye Chen said to Cheng Mengyan.

"So that's how it is, you do that to bad people" Cheng Mengyan said to Ye Chen.

"I did that to make that person aware, he always causes trouble" Ye Chen said to Cheng Mengyan.

"Could it be the syndicate of people who bullied me before?" said Fu Lanling.

This might have been a group that had tried to do bad things to Fu Lanling.

"Do they dare to cause trouble for you? I won't let them go" Ye Chen was not happy when he heard them looking for trouble with Fu Lanling.

"Husband, calm down, I have made them experience a lesson that will not be forgotten" Fu Lanling said to Ye Chen.

"Giggle, that's true, the lesson given was much worse than the one you gave" Cheng Mengyan said to Ye Chen.

"like what she did ?" Ye Chen asked Cheng Mengyan.

"It's like this" Cheng Mengyan explained to Ye Chen.

she told him what Fu Lanling had done.

"Ah, you did it, it looks like they will be very embarrassed" Ye Chen smiled when he heard this.

"they deserve it, lewd and shameless," Fu Lanling said to Ye Chen.

"Husband is almost like that too, you are not angry," said Cheng Mengyan.

"it's different" Fu Lanling said to Cheng Mengyan.

Fu Lanling wouldn't be angry when Ye Chen did that.

Fu Lanling looked so cute when Cheng Mengyan teased her.

"Okay, don't tease her anymore," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Husband, when are we leaving?" Fu Lanling asked Ye Chen.

"how about tomorrow" Ye Chen said to Fu Lanling.

"Then we still have 1 day here, let's do all the things we want" Cheng Mengyan said to Ye Chen.

"I don't mind, do you guys want to" Ye Chen didn't mind hanging out with Cheng Mengyan and Fu Lanling.

"let's go" Fu Lanling and Cheng Mengyan hugged Ye Chen's arm, they went around having fun.

Zha Ping returned.

He has difficulty returning to his current body condition.

Chapter 3108 Zha Zun made a move

"Young master, what's wrong with you?" All the servants looked at Zha Ping, worried about Zha Ping's condition.

"Help me, my arms and legs are broken" Zha Ping asked for help, he was having difficulty moving.

"Understand" they immediately went to help Zha Ping, after helping Zha Ping, they immediately reported what happened to Zha Zun.

"I want to see." A few moments later, Zha Zun saw Zha Ping's condition.

When he saw Zha Ping's condition, Zha Zun was shocked.

"What happened to you, quickly tell me." Zha Zun told Zha Ping to tell him what happened, and how he could be injured like this.

"Father, it's all that person's fault, he beat two elders and injured me" Zha Ping told him that this was Ye Chen's doing.

"defeating the first and second elders" Zha Zun was shocked when he heard this.

First and second elders are great, how could they be defeated so easily?

"That can't be happening, I don't believe what you said" Zha Zun didn't believe what Zha Ping said.

"You can ask the first and second elders," Zha Ping told Zha Zun to ask the first and second elders.

"where are they now?" Zha Zun asked.

"They were flown quite far, I don't know where they are now." Zha Ping didn't know about this.

"They were flown quite far, it's impossible, how could they lose?" Zha Zun still couldn't believe they could be flown by a kid like Ye Chen.

"Father, look at what he has done to me," Zha Ping told Zha Zun.

"Don't worry, I will seek justice for you," Zha Zun said that he would seek justice for Zha Ping.

"Thank you very much, you must immediately destroy that person" said Zha Ping.

"I'll be back soon" Zha Zun said that he would return soon and bring Ye Chen's head.

"Very good" Zha Ping was very happy when he heard this.

"Wait, soon you will die." Zha Ping couldn't wait to see Ye Chen, who would die soon.

Zha Zun went with a full army, this full army was one of the most powerful troops that was feared in the city, he even brought an executioner whose job was to take Ye Chen's head.

"Let's go" Zha Zun was already wearing super complete clothes, he was wearing armor and also a two-handed sword which was quite large and heavy.

It had been a long time since Zha Zun had worn a battle suit, after all this time, he finally wore it to fight Ye Chen.

"Look for him for me" Zha Zun ordered the reconnaissance troops to find Ye Chen's whereabouts.

The scout troops immediately went to find Ye Chen's whereabouts, they used their abilities to find Ye Chen's whereabouts.

.

.

Ye Chen was with Fu Lanling and Cheng Mengyan.

They look at the markets nearby, try to find interesting things, and have fun.

"Someone is watching us" Ye Chen said to Fu Lanling and Cheng Mengyan.

"I felt it too" Fu Lanling felt it too.

"were those the people from before?" Cheng Mengyan said to Ye Chen.

It was most likely Zha Ping's doing.

"That person is still trying to find trouble, if I knew this, I would kill that boy," Ye Chen said to Cheng Mengyan.

"let's get rid of the spy first," Ye Chen said to Fu Lanling and Cheng Mengyan.

"Leave this matter to me," Cheng Mengyan said to Ye Chen.

Cheng Mengyan said that she would solve this problem for Ye Chen.

"Then I will leave this matter to you," Ye Chen agreed.

Cheng Mengyan went straight away, she used full speed to head towards the hiding scouts.

By using the power of the wind, Cheng Mengyan's speed was able to make the opponent unable to move, they were easily knocked out by Cheng Mengyan.

The enemy did not know what Cheng Mengyan was doing.

Cheng Mengyan was too fast and made them unable to see what Cheng Mengyan was doing.

"husband, it's done" Cheng Mengyan had already caught them, now was the time to find out who they were.

Ye Chen tried to get information from them, but after getting information from them, Ye Chen realized that these were people sent by Zha Zun.

"Zha Zun" Ye Chen said to Cheng Mengyan and Fu Lanling.

"who's that?" both of them asked Ye Chen, they wanted to know who this person was.

"that is the father of the person I just fought" Ye Chen said to Cheng Mengyan and Fu Lanling.

"It seems he is trying to take revenge for what you have done," said Cheng Mengyan.

"You have destroyed his son's hands and feet, it is not strange that he will come to settle scores with you," said Fu Lanling.

"I know, he won't just let us go" Ye Chen knew this, he believed that the opponent would not want to let them go.

"he brought a full army to fight us" Ye Chen said to Fu Lanling and Cheng Mengyan.

"There's no choice, let's face that person, after all, I don't like them," Fu Lanling told Ye Chen.

Fu Lanling would destroy them all, she didn't really like those who often bullied weak people.

"I don't really like them either, they like to bully weak people" Ye Chen also doesn't like it, and because of this, he will destroy them.

"They must be looking for us, let's come to meet them" Ye Chen said to Cheng Mengyan and Fu Lanling.

Since the enemy was looking for them, Ye Chen decided to show himself.

"Come on, I'll be with you" Cheng Mengyan and Fu Lanling said they would be with Ye Chen.

Ye Chen, Fu Lanling, and Cheng Mengyan immediately went to Zha Zun's place.

.

.

"It's been a long time" Zha Zun had not received any news from the scout troops.

Until now, he has been waiting patiently for news about Ye Chen.

"Why are they taking so long? What are they doing? Quickly send people to find out" Zha Zun gave the order.

Since there was no certainty, he sent people to see what happened.

"Understanding," they immediately went to find out what had happened.

Several people left, and they immediately tried to find out what happened.

"Bang. . ." As the people were leaving, they were suddenly shot down by something.

A figure appeared from the sky and descended right in front of Zha Zun.

"Who are you?" Zha Zun asked, he wanted to know who had just come.

"I am Ye Chen, you should be looking for me," Ye Chen said to Zha Zun.

"You . . ." Zha Zun looked at Ye Chen's figure, this was the person who had made Zha Ping a cripple.

"Hahaha, so you decided to show yourself, you are very stupid," Zha Zun said to Ye Chen.

"Who are you saying is stupid, aren't you mocking yourself," Ye Chen told Zha Zun.

"I'm much smarter than you, look at this" Zha Zun said to Ye Chen.

"Prepare arrows and aim at him" Zha Zun gave the order to attack Ye Chen.

The archer squad immediately prepared arrows and aimed at Ye Chen, one order from Zha Zun, and they would take Ye Chen down.

They would release arrows towards Ye Chen.

"Look carefully, what can you do now?" Zha Zun asked Ye Chen what could Ye Chen do now.

"Hahahahaha" Ye Chen laughed.

"Is this all you can do?" Ye Chen asked Zha Zun.

"So arrogant, shoot him," Zha Zun said, he gave the order to shoot Ye Chen.

Chapter 3109 Zha Zun turned into a dragon

Arrows were released towards Ye Chen, it would be very difficult to avoid arrows shot by trained cultivators.

"Time Zone Ring" Ye Chen used the Time Zone Ring to stop time around him.

The time around Ye Chen stopped, as did the arrows heading towards Ye Chen. They were also stopped by the Time Zone Ring.

"now is the time to hit them all" Because the time around stopped, this was the time for Ye Chen to hit them all.

Ye Chen came forward, he started hitting everyone who was behind Zha Zun.

Ye Chen hit everyone behind Zha Zun.

After Ye Chen knocked them out using a punch, Ye Chen returned to his place.

"Wait a minute" Ye Chen just remembered, he hadn't set the trajectory of the arrow.

Ye Chen started to get rid of the arrows that were heading towards him, he deflected the arrows so they wouldn't hit him, after that was done, Ye Chen returned and stopped the effect of the Time Zone Ring.

Ye Chen turned off the effect of the Time Zone Ring, when Ye Chen did this, the time around him returned to how it was before.

"Argh," the troops behind Zha Zun shouted, they felt Ye Chen's blow.

It was so painful and made them all fall.

Zha Zun looked towards Ye Chen, the arrow he shot didn't hit Ye Chen, Ye Chen was standing right in the middle and was fine.

"what are you guys doing, you useless bastard" Zha Zun was angry, he was angry because they couldn't hit Ye Chen.

When Zha Zun looked back, he found his troops had fallen and could no longer stand up.

"Damn, what happened?" Zha Zun was confused by what had happened.

Who would have thought that this could all happen, he didn't expect it.

"hey, come fight me" Ye Chen said to Zha Zun.

He told Zha Zun to go fight him, the troops he brought had been defeated by Ye Chen.

"What happened?" Zha Zun seemed confused about what was happening.

He didn't understand what had just happened, how could everyone he had just lost to Ye Chen, this was impossible and difficult for Zha Zun to believe.

"What's wrong?, are you afraid and don't dare, don't you want to beat me" Ye Chen said to Zha Zun.

"Damn it, don't be too arrogant, damn brat, I haven't shown my strength yet" Zha Zun said to Ye Chen.

"Then what are you waiting for, just say it if you are scared and want to go home" Ye Chen said to Zha Zun.

"Bastard. . ." Zha Zun couldn't hold back and wanted to destroy Ye Chen, the anger he had could no longer be suppressed, he wanted to destroy Ye Chen.

Zha Zun took out the two-handed sword after he took out the two-handed sword, he immediately slashed Ye Chen into two pieces.

Ye Chen avoided the attack, after he avoided the attack, Ye Chen stepped forward and hit Zha Zun's stomach.

"cough. . ." Zha Zun coughed, and Ye Chen's punch made his organs twist.

"damn . . ." one blow, Ye Chen had already caused Zha Zun to have trouble. With a cultivation level at level seven Immortal True God Realm, Zha Zun still had trouble fighting Ye Chen.

"Impossible, I am one of the strong and invincible dragon sense, how could I lose" Zha Zun did not accept this.

"The dragon race has quite high cultivation," Chu Yuechan said to Ye Chen.

"um, you are right, they have quite strong people" Ye Chen agreed with what Chu Yuechan said.

"However, they are arrogant and don't seem to care about their opponents," Ye Chen said to Chu Yuechan.

"That's what makes them lose so easily, right?" Chu Yuechan said to Ye Chen.

"That's absolutely true" Ye Chen agreed, that was probably what would make them lose the battle, the arrogance they had, it made them feel that they could win in every battle.

"Gah. . ." Zha Zun tried to attack Ye Chen again, he wanted to attack Ye Chen again and again.

Zha Zun didn't want to give up, he used even more strength to attack Ye Chen.

Using more strength, he made his sword shine quite brightly.

He focused profound energy on his sword, and with it he could make an attack strong enough to cleave Ye Chen.

"Slash . . . , Boom . . ." A large ravine was formed as a result of Zha Zun's slash.

The slash that Zha Zun had just launched was very powerful, he could split a city into two parts.

"hahahahaha, accept that. . ." The attack just now was strong enough to kill Ye Chen, Zha Zun was very confident about this.

"Aren't you too much? You could destroy the city," Ye Chen said to Zha Zun.

"Huh?" Zha Zun looked towards Ye Chen, he could see that Ye Chen was still alive after receiving the attack just now.

There were almost no wounds on Ye Chen's body.

"That's impossible, how can you be alive after taking the attack just now?" Zha Zun asked Ye Chen.

Zha Zun wanted to know how Ye Chen could survive after receiving such an attack.

"You want to know, I held it using my finger," Ye Chen said.

He blocked the attack using one finger.

"1 finger, that's impossible" Zha Zun couldn't believe it, he didn't believe that Ye Chen could block the attack using one finger.

"Why don't you do it, I'll show you" Ye Chen said to Zha Zun.

"Damn it, I will destroy you" Zha Zun was angry and was going to destroy Ye Chen, he attacked Ye Chen again, this time the attack was still the same as before, an attack with full strength.

He used his full strength to split Ye Chen into two halves.

Ye Chen used one finger he blocked the attack from Zha Zun using one finger.

"Clank . ." When the sword hit Ye Chen's finger, the sword immediately became two pieces.

The attack destroyed Zha Zun's greatsword.

"Impossible, this can't be happening." Zha Zun couldn't believe that his sword could have been destroyed by just one finger of Ye Chen.

"See, your weapon was destroyed this time," Ye Chen told Zha Zun.

This time Ye Chen successfully destroyed Zha Zun's weapon.

"You, what kind of artifact do you use?" Zha Zun asked Ye Chen.

Ye Chen must have hidden an artifact, he used an artifact to destroy his sword.

"That didn't use an artifact earlier" Ye Chen told Zha Zun.

"Do you think I will believe what you say?" Zha Zun didn't seem to believe what Ye Chen said.

"How troublesome" Ye Chen felt troubled, this person didn't believe what he said.

"Alright, there's no choice I'll start crushing you." Zha Zun gave off a terrifying aura; his entire body was engulfed by a huge force.

Zha Zun's aura suddenly became stronger, it was very likely that he would change.

"Boom. ." as predicted by Ye Chen, Zha Zun turned into a dragon figure, a lightning dragon figure appeared in front of Ye Chen.

"I will destroy you" Zha Zun told Ye Chen, he told him that he would destroy Ye Chen until there was nothing left.

"So you have decided to destroy me, then I will also destroy you" Ye Chen said to Zha Zun.

Chapter 3110 the first and second elders vs Fu Lanling and Cheng Mengyan

"Shut up, I've shown my true form" Zha Zun said to Ye Chen.

"So what if you show your form, do you think it will change everything?" Ye Chen asked Zha Zun.

"Damn it, don't you know and underestimate the form I have?" Zha Zun said to Ye Chen.

"no, and you won't win" Ye Chen said to Zha Zun.

"Damn it, I will kill you quickly" Zha Zun was angry with Ye Chen, how dare Ye Chen underestimate him.

"completely unreasonable" Ye Chen said to Zha Zun.

What Zha Zun did was unreasonable, did he think he could beat Ye Chen even if he changed like that?

"dead . . ." he attacked Ye Chen.

The dragon hand that was so big and powerful headed towards Ye Chen at a terrifying speed.

"Boom. ." A large explosion occurred, creating a very deep and super large crater.

That was just one swing of Zha Zun's arm, just one swing made a hole that was so deep.

"So this is how the strength of the dragon race looks like when they change form, it rises quite a lot" Fu Lanling said to Cheng Mengyan.

"Apart from that, his body has also become very tough, both his strength and defense have gone up"
Cheng Mengyan told Fu Lanling.

Fu Lanling and Cheng Mengyan watched from afar, they saw what Ye Chen was doing from quite a distance.

The task of Fu Lanling and Cheng Mengyan was to hold back the help that came, they did not let other help come to Zha Zun's aid.

"Sister, they finally came? Cheng Mengyan said to Fu Lanling.

"so they finally came" Fu Lanling looked at the two people who came, these were the first and second elders.

After being hit and flown by Ye Chen, they returned to the city to fight and face Ye Chen.

they wanted revenge against Ye Chen.

"Damn it, I will kill him" The first and second elders were angry with Ye Chen, they wanted to kill Ye Chen using their own hands.

"stop right there," Fu Lanling and Cheng Mengyan said to the first and second elders.

"Who are you?" The first and second elders looked towards Fu Lanling and Cheng Mengyan.

They didn't know who Fu Lanling and Cheng Mengyan were yet.

"We came to stop you," Fu Lanling and Cheng Mengyan said to the two of them.

"Hahahaha, you two want to stop us." The first and second elders smiled and laughed as they listened to what Fu Lanling and Cheng Mengyan said.

The two of them did not even consider Fu Lanling and Cheng Mengyan to be a real threat.

"they are bold enough to laugh at us" Fu Lanling seemed displeased by this.

"I also feel irritated by this" Cheng Mengyan also felt irritated.

"let's solve them both, dare to laugh at us. They have to pay" Fu Lanling said to Cheng Mengyan.

"I might cut them off," said Cheng Mengyan.

Fu Lanling and Cheng Mengyan gave off such a great aura, they showed such a strong and overpowering aura.

"What's that?" They both looked towards Fu Lanling and Cheng Mengyan.

Who would have thought Fu Lanling and Cheng Mengyan had such strong strength?

"How can you have such strength?" said the first elder.

"From the start, we were much stronger than you, you just don't know your place," Cheng Mengyan said to Ye Chen.

Cheng Mengyan said that they didn't know the place.

"in that case . . ." first and second elders were angry, and they also changed.

Fu Lanling and Cheng Mengyan looked so calm when they saw the two of them change.

"It seems like we don't need to hold back," Cheng Mengyan said to Fu Lanling.

"You are right," Fu Lanling agreed.

"Boom. . ." both of them released their immense aura after they released their immense aura, they made the first and second elders afraid.

"Boom. . ." Fu Lanling attacked them using Phoenix fire arrows.

The first and second elders tried to dodge Fu Lanling's attacks.

They didn't realize that their bodies were so big, with such big bodies, they couldn't dodge attacks that had a wide range.

they could only defend against the attacks, they used their wings to defend against the incoming attacks.

The dragon's wings were quite strong, it could withstand Fu Lanling's attack and blow her away.

Cheng Mengyan's "high-pressure splitting wind" used high-pressure wind to attack them.

Cheng Mengyan intended to cut both of their wings.

With dense and high-pressure winds, Cheng Mengyan managed to cut off the two wings, which made the two dragons unable to fly.

The first and second elders fell, and they couldn't survive Fu Lanling and Cheng Mengyan's attacks, which Fu Lanling and Cheng Mengyan launched.

"who are these women, they are so annoying" the first elder roared.

"They dare to cut my wings, I will not spare them" The second elder was so angry.

The two of them let out a torrent, they used dense torrents of lightning towards Fu Lanling and Cheng Mengyan.

"Boom".

A burst of lightning headed toward Fu Lanling and Cheng Mengyan.

Fu Lanling blocked the attack using Phoenix flames.

"What ?" both were shocked when they saw what Fu Lanling did.

Fu Lanling was still able to survive after receiving this attack, this attack was like nothing in Fu Lanling's hands.

"It's finished, then" Fu Lanling immediately used supreme power, she used supernova power and created an explosion to destroy the two disturbing dragons.

"boom. . ." A huge explosion occurred, and the Phoenix flames exploded, destroying the two dragons.

"You used such a powerful technique," Cheng Mengyan told Fu Lanling.

"Thank you for holding back the attack" Fu Lanling was grateful that Cheng Mengyan held it back so as not to cause destruction.

"No problem." Fu Lanling felt happy because she could help resist the attack.

"Let's look at husband's battle. . ." Fu Lanling said to Cheng Mengyan.

"I will find a good seat to take a look" said Cheng Mengyan.

The two of them sat and watched Ye Chen's battle, it seemed like Ye Chen was fighting a slow battle when fighting Zha Zun.

Zha Zun continued to attack Ye Chen, he went crazy in attacking Ye Chen.

Ye Chen dodged and occasionally parried attacks from Zha Zun, Zha Zun's attacks did not injure or cause problems for Ye Chen.

"Why?" Zha Zun didn't understand that his attack couldn't kill Ye Chen, and this attack should have been able to kill Ye Chen easily.

"Have you finished showing all the strength you have" Ye Chen asked Zha Zun?

Ye Chen wanted to see Zha Zun's strength after changing, he wanted to research this.

It would be useful for Ye Chen in the future, so Ye Chen bought time to make Zha Zun show all his strength and attacks.

"damn . . ." Zha Zun was getting even more annoyed, he felt like a guinea pig in front of Ye Chen.

"Then I will finish it with one attack, this is the main attack I have" Zha Zun decided, he would defeat Ye Chen in one attack.

Zha Zun's strongest attack.

This would crush Ye Chen to dust.

Zha Zun's "Slaughter purple lightning blast" gathered quite a lot of power, and after he had gathered enough power, he shot it towards Ye Chen.

"That's not allowed" Ye Chen said to Zha Zun.

Ye Chen deflected the attack from Zha Zun, after deflecting it, it headed back towards Zha Zun.

"Huh, what the hell is that?" Zha Zun was shocked by what Ye Chen did, what Ye Chen did was quite unreasonable.

"No . . ." Slaughter purple lightning blast headed towards Zha Zun.

"Boom," an explosion occurred, and his attack hit Zha Zun.
