

True God 3131

Chapter 3131 A mysterious group who wants to take Liu Kang

"This is not your realm, I have worked hard to catch him, I won't let you just kill him" Ye Chen said to the mysterious group.

Ye Chen had to fight several people at once.

Long Luxie joined the fight, and although it wouldn't be much help, she had to fight and help Ye Chen.

"bam, boom, bang. . ." Ye Chen's battle was quite fierce, Ye Chen had to use the Clone to protect Long Luxie and keep Liu Kang from being killed.

"what's with that guy" They were all overwhelmed in fighting Ye Chen, they had difficulty fighting Ye Chen.

Ye Chen was so strong and had such a troublesome clone, they couldn't touch Long Luxie and Liu Kang.

The clone that Ye Chen has is very powerful, this clone is very strong and can make all enemies move

Ye Chen was the person who had the biggest advantage in the battle, he showed such strong dominance it was clear that the opponent had difficulty facing Ye Chen's dominance.

"I will find out where you guys come from," Ye Chen has decided, he will find out their origins.

There must be a goal to kill Liu Kang, perhaps they are targeting the green dragon gem.

First, Ye Chen will catch them. After catching them, Ye Chen will find out about it.

"Capture them alive," Ye Chen said, giving an order to his Clone.

Ye Chen's clones moved, their speed increased, and their strength also increased, with this Ye Chen's clones beat all opponents so easily.

The enemy had no chance to fight back, they were so easily defeated and paralyzed.

"Wonderful, he won so easily" Long Luxie saw that Ye Chen won so easily, there was no problem facing the enemy.

"time to find out who they are" Ye Chen decided to find out who they were, this was a good opportunity to find out who the person behind Liu Kang was.

Ye Chen found out and dug into their memories, he found someone behind all of this.

That person is quite mysterious, he used a mask to hire these people.

"I will try to recognize that person's aura" Ye Chen can only know that person's aura, so he will know immediately after he meets that person.

For Liu Kang, Ye Chen didn't find anything, it seemed like someone was purely using him for personal experimentation, and even Liu Kang wasn't aware of this.

"I didn't find anything from this person, it's a bit disappointing" Ye Chen felt disappointed, he didn't find anything, in this person's mind, there was only power, there was nothing else that Ye Chen could get from this person.

"Our task is done, let's hand over these people" Ye Chen said to Long Luxie.

Ye Chen took them all to hand them over to the city, it was up to the city lord what he wanted to do to Liu Kang and the others.

Ye Chen wouldn't care about that.

Ye Chen moved them all, he put them all in front of the city gate.

No one knew this, they all didn't know why Liu Kang and everyone became like that, they thought that someone had helped the city and saved them all from misfortune.

After all the problems were over, Ye Chen took Long Luxie back to the city.

"It seems like no one is aware of us" Ye Chen and Long Luxie had entered, but no one realized they had gone inside.

"With your abilities, they wouldn't be aware, I wasn't even aware of that" Long Luxie didn't realize it either, it was quite difficult for Long Luxie to realize this.

Even all the experts in the city might not be able to notice Ye Chen's existence, Ye Chen's whereabouts were truly unpredictable, he could move at will, and who could catch him?

"What will you do next?" Ye Chen asked Long Luxie.

"I'm going back, my task of buying shop supplies is finished, of course, I'm going back to the center of Dragon God Realm."

"I also still have business with Long Gunha, I will go together with you" Ye Chen told Long Luxie.

Ye Chen still has business with Long Gunha, Ye Chen will get what he is looking for.

"Then let's go together" Long Luxie invited Ye Chen to go together, a good opportunity for them to go together.

"I understand . ." Ye Chen understood, he didn't mind being with Long Luxie.

"Then I will go back to the inn and rest, we will meet tomorrow," Long Luxie said to Ye Chen.

"I understand," Ye Chen understood, he allowed Long Luxie to return.

Long Luxie parted ways with Ye Chen, she returned to her place to prepare for departure.

"Husband, what are you doing?" Cheng Mengyan and Fu Lanling came, and they saw what Ye Chen had just done.

"Solved a little problem, how about you guys?" Ye Chen asked Fu Lanling and Cheng Mengyan.

"We just finished showering, It seems that something happened in the city when we were showering," Fu Lanling said to Ye Chen.

"I've taken care of it," Ye Chen said to Fu Lanling and Cheng Mengyan.

Ye Chen had taken care of everything alone.

"husband, what happened, why don't you tell us" Cheng Mengyan asked Ye Chen.

"let me explain it to you guys." Fu Lanling and Cheng Mengyan should also know about this matter.

Ye Chen started explaining, meanwhile Fu Lanling and Cheng Mengyan started listening to Ye Chen carefully.

"Is that what happened, so our new target is a person named Long Gunha" said Cheng Mengyan.

"Who is it?" Fu Lanling asked, she didn't know Long Gunha and hadn't heard the person's name.

"I haven't met that person either, that person is someone with the title of dragon god" Ye Chen said to Cheng Mengyan and Fu Lanling.

"Then that person is strong" Fu Lanling understood, it seemed like the mirror of memories was in the hands of a strong person.

"I don't care, we have to get this," Ye Chen said that he would get the mirror of memories.

"Don't worry, we will start helping you as much as we can" Fu Lanling and Cheng Mengyan promised to help Ye Chen get the mirror of memories

"Thank you very much" Ye Chen thanked them, they wanted to follow Ye Chen.

"What about Long Luxie, what happened to you guys, I think something interesting must have happened?" this time Cheng Mengyan asked about Long Luxie.

Cheng Mengyan wanted to know what happened to Ye Chen and Long Luxie

"she has returned to the inn, yes, something has indeed happened" Ye Chen said to Cheng Mengyan.

"fufufufu, I already thought so" Cheng Mengyan had already expected it.

"so, do we need to help you" Cheng Mengyan said to Ye Chen, she didn't mind helping Ye Chen.

"What do you want to do?" Ye Chen asked Cheng Mengyan.

"It's very easy, we will give you some space to be alone, how about that," Cheng Mengyan said to Ye Chen.

Cheng Mengyan will give Ye Chen a shared space with Long Luxie, maybe there will be developments when Ye Chen does this with Long Luxie.

"That's fine too," Ye Chen said to Cheng Mengyan, it seemed like Cheng Mengyan's suggestion was quite good.

Chapter 3132 Long Luxie has some problems

"Husband, Sister Xiang will come together with some people for business purposes, and as help is also needed, they will carry out a big transaction, we might join them, what do you think?" Fu Lanling said to Ye Chen.

"Are they ready?" Ye Chen asked Fu Lanling.

"They should have already entered, they will arrive at the center in a few days, probably faster than us" Fu Lanling explained.

Nangong Xiang would come together with some people as envoys, it would be a help for Ye Chen if anything happened after all The mirror of memories is in the hands of a high-ranking person and might not be easy to take.

Ye Chen couldn't guarantee that something wouldn't happen when he took the mirror of memories.

"I understand, I think I will be fine" Ye Chen said to Fu Lanling and Cheng Mengyan.

"We will secure the center first" Fu Lanling said to Ye Chen.

"I understand, I hope you guys succeed and don't get discovered by them" Ye Chen understood, it seemed like Nangong Xiang needed more help from Fu Lanling and Cheng Mengyan.

"I will try my best" Fu Lanling understood.

"Husband, it looks like you will have fun without us" Cheng Mengyan said to Ye Chen, she was teasing Ye Chen.

"Ahem. . ." Ye Chen coughed, Cheng Mengyan was very naughty and honest with Ye Chen.

"Fufufufufu" Fu Lanling and Cheng Mengyan smiled when they heard this, they seemed to enjoy Ye Chen's expression.

After that, Fu Lanling and Cheng Mengyan prepared everything well, they would meet Nangong Xiang and the others there.

Nangong Xiang will not be alone, she will be with several people, Ye Chen is very confident about this.

Ye Chen spent the night with Fu Lanling and Cheng Mengyan, they enjoyed a comfortable night and did Dual Cultivation until morning.

Fu Lanling and Cheng Mengyan pampered Ye Chen, they did everything that Ye Chen did.

They didn't complain much and enjoyed the evening together with Ye Chen.

After morning arrived, Fu Lanling and Cheng Mengyan immediately left, they couldn't be late.

Because they had gotten a message from Nangong Xiang, they had to leave Ye Chen and move to Nangong Xiang's position.

Ye Chen went to meet Long Luxie.

Long Luxie, already waiting for Ye Chen, used the small, profound ark for a long journey.

"Come on up, this is my little ark" Long Luxie invited Ye Chen to go up.

Ye Chen rode together with Long Luxie, the profound ark began to leave the city and journey towards the center of the Dragon God Realm.

"Are you alone on the trip?" Ye Chen asked Long Luxie.

"Of course, I didn't bring a servant with me." Long Luxie traveled alone, she didn't bring a maid with her, it was troublesome and required a lot of unnecessary extra costs.

"So, you are quite independent," Ye Chen told Long Luxie.

"Do you think I'm like a young lady who can't do things alone" Long Luxie said to Ye Chen.

Long Luxie seemed unhappy with what Ye Chen said.

"It's not like that, I didn't mean to say that to you" Ye Chen said that he didn't mean to offend like that.

"Then?, try explaining it to me" Long Luxie asked for an explanation from Ye Chen, but before she could get an explanation from Ye Chen, Long Luxie would not let go of Ye Chen.

Women are like that, they like to find trouble, even though this is a frivolous affair.

"I thought you would need a servant to help, it turns out you can do everything yourself, besides being beautiful, you can also do all kinds of things alone" Ye Chen said to Long Luxie.

Long Luxie's face turned red when she listened to what Ye Chen said.

The praise given by Ye Chen was very good, she felt happy with the praise given by Ye Chen, and it felt very nice to get praise from Ye Chen.

Ye Chen looked at Long Luxie, it seemed like Ye Chen had succeeded in persuading Long Luxie, and now Long Luxie wouldn't be too angry with Ye Chen.

"Want to drink tea?" Long Luxie asked Ye Chen, she wanted to know if Ye Chen wanted to drink tea together with her.

"Of course, I want to drink tea together with you" Ye Chen didn't mind, he wanted to drink tea together with Long Luxie.

"Drinking tea with such a beautiful woman, I like it" Ye Chen said to Long Luxie.

"Don't say that, it's embarrassing" Long Luxie felt that her face was so hot, she couldn't help herself when she saw Ye Chen often praising her.

Long Luxie seemed unable to stand the praise and flattery given by Ye Chen, because of this, she easily fell for Ye Chen.

"I'm telling the truth, don't you like it?" Ye Chen asked Long Luxie.

"I like that," Long Luxie answered that she liked that, she liked the praise given by Ye Chen.

"Then there's no problem, isn't it, if I give you some compliments," Ye Chen said to Long Luxie.

"um. . ." Long Luxie answered in a low voice, seemingly embarrassed to admit it.

Long Luxie made tea and some cakes because the journey was still quite long, and they had time to be together, Long Luxie took the time to make tea and cakes.

Long Luxie wasn't too bored with Ye Chen, in fact, she felt very happy to be with Ye Chen longer.

Being with Ye Chen was so pleasant, and she liked that feeling.

After drinking tea and eating cake, Long Luxie leaned against Ye Chen, it felt very nice when she could lean against a man she liked.

"Are you tired?" Ye Chen asked Long Luxie.

"A little" Long Luxie said that she was a little tired.

After returning, Long Luxie did not immediately rest, instead, she cultivated to increase her strength.

she realized that she was still weak, she had to become stronger to survive in such a harsh place.

In this harsh place, Long Luxie's body, mind and mentality were tempered, the young girl who was once quite arrogant changed a little, although not 100% completely.

"We will return to the central part, problems will come again," said Long Luxie.

"It seems like you don't like coming back, or rather you are reluctant" Ye Chen said to Long Luxie.

"There are so many problems I have to face, I'm not mentally prepared" Long Luxie said to Ye Chen.

"You can't give up so easily" Ye Chen said to Long Luxie.

Ye Chen told Long Luxie not to give up so easily, lest Long Luxie give up because of such a problem.

"But I have a big responsibility, plus the business I have is also developing badly, this makes me have quite a lot on my mind," said Long Luxie.

"Why don't you tell me about this, I might be able to help you" Ye Chen said to Long Luxie.

Ye Chen told Long Luxie to say to him, Ye Chen would help solve the problem that Long Luxie had.

Long Luxie didn't mind her problems, from starting a shop to competing with others.

"You really made quite a lot of enemies in such a troublesome place" Ye Chen said to Long Luxie.

Chapter 3133 Long Luxie loves dominance man

"I don't want to either, they are the only ones who look for trouble and oppress the little people" Long Luxie said to Ye Chen.

"Aren't you a member of the special forces, aren't they helping you?" Ye Chen asked Long Luxie.

"They won't care about my personal affairs, I joined just to get more resources, nothing more than that, personal affairs have nothing to do with them" Long Luxie explained to Ye Chen.

"So it's like that, it's not strange that you have so many thoughts, then don't hesitate I will help as best I can" Ye Chen said to Long Luxie.

Ye Chen promised to help with Long Luxie's problems.

"Thank you very much, you are so kind to me" Long Luxie was happy with Ye Chen, Ye Chen was so kind and willing to help Long Luxie.

Long Luxie rarely finds a good person like Ye Chen, Ye Chen is quite good and handsome, and Long Luxie likes him.

Ye Chen stretched out his hand towards Long Luxie's waist.

Long Luxie was aware of this, she could easily realize what Ye Chen was doing.

"You are not honest, have other motives" Long Luxie said to Ye Chen.

Long Luxie saw that Ye Chen had other motives.

"of course, I have other motives" Ye Chen said to Long Luxie.

Ye Chen touched Long Luxie's body, and when Ye Chen touched Long Luxie's body, Long Luxie started to feel strange.

"ahh. . . , this feeling again," Long Luxie said to Ye Chen, she felt a strange feeling given by Ye Chen.

"How about it, didn't you like it before, you even screamed quite loudly" Ye Chen said to Long Luxie.

"No, I'm not like that" Long Luxie said she wasn't like that.

"Are you sure about what you said?" Ye Chen used a technique and touched Long Luxie's most sensitive parts.

"Ahh, no. . ." Long Luxie couldn't stand what Ye Chen did.

"See, you enjoy it" Ye Chen said to Long Luxie.

"I don't enjoy it" Long Luxie said to Ye Chen, she said that she didn't enjoy what Ye Chen did.

"You won't be able to lie to me" Ye Chen said to Long Luxie.

Here, no one would disturb Ye Chen and Long Luxie.

Ye Chen could do it without needing to hold back, when Ye Chen didn't hold back, Long Luxie couldn't stand what Ye Chen did.

"so comfortable and so pleasant, the feeling of being touched and hugged." Long Luxie enjoyed the feeling given by Ye Chen.

"Very comfortable, you did well, how can you make me so comfortable, can a massage make someone feel such a comfortable feeling?" Long Luxie asked Ye Chen.

"I've studied this for quite a long time, otherwise I wouldn't be able to satisfy you" Ye Chen said to Long Luxie.

Ye Chen had studied for a long time, which made him able to make Long Luxie feel such a comfortable feeling.

"Then show me more" Long Luxie said to Ye Chen, Long Luxie asked Ye Chen to show me more, she wanted to feel Ye Chen's abilities.

"Then you have to prepare," Ye Chen told Long Luxie.

Ye Chen told Long Luxie to get ready, he gave her the best massage.

The journey was still long, and there were no obstacles, so they could enjoy their time as long as they wanted.

Ye Chen massaged and made Long Luxie comfortable, in this case, Long Luxie had already peaked several times, it was clear that Long Luxie couldn't hold back the pleasure and vented several times.

"ahh, Ye Chen, it's too great, I can't stand it" Long Luxie said to Ye Chen, Long Luxie told him that she couldn't hold on, the feeling was too comfortable.

"how?" Ye Chen asked Long Luxie back.

Now, Long Luxie knows Ye Chen's abilities and enjoys it.

"You make me float, that feeling is very comfortable," Long Luxie said to Ye Chen, she said that the feeling given by Ye Chen was too comfortable.

"Then let's get into this part. This will be even more fun" Ye Chen said to Long Luxie.

Ye Chen let go of Long Luxie, Ye Chen was very skilled at taking off a woman's clothes, maybe because Ye Chen was used to doing that.

"ahh, don't let go," Long Luxie said to Ye Chen, she was embarrassed to show her body to Ye Chen.

"As if I've never seen it" Ye Chen said to Long Luxie.

"so you've seen it" Long Luxie said to Ye Chen.

"Of course, I can see through objects, you don't know about that yet," Ye Chen said.

"Ye Chen, you are such a pervert" Long Luxie's face turned red.

Who would have thought that Ye Chen had extraordinary abilities, meaning he could easily peek at all women without problems?

"Hehehehehe" Ye Chen just chuckled when he heard this.

"You have to know, this ability is very useful," Ye Chen said to Long Luxie

"Yeah, that's very useful for intimidating women, right?" Long Luxie said to Ye Chen.

"You are right, and that is also useful for measuring the beauty of a woman," Ye Chen said to Long Luxie.

"Shameless." Long Luxie turned red, she understood what Ye Chen meant.

It seemed that Long Luxie would no longer fight back because Long Luxie would no longer fight back, Ye Chen just let everything go.

"why are you so skilled" Long Luxie asked Ye Chen.

Long Luxie saw that Ye Chen was so skilled, Ye Chen could take off all the clothes Long Luxie was wearing so easily, there was no problem when Ye Chen took off the clothes Long Luxie was wearing.

Even though Long Luxie was wearing complicated clothes, a normal man could not easily take off her clothes.

"would you rather I ripped it off, you have a fetus the rude one," Ye Chen said to Long Luxie.

"no, you can't do that" Long Luxie said to Ye Chen, she told Ye Chen not to do that.

Long Luxie forbade Ye Chen from doing it, she didn't want Ye Chen to do that.

"Then you have to be an obedient girl, I like obedient girls" Ye Chen said to Long Luxie.

"who do you say girl, I'm older, and I've fully matured" Long Luxie said to Ye Chen.

Long Luxie is quite confident in her mature beauty, she is a milf who is so beautiful and charming.

After the cursed bracelet was removed by Ye Chen, Long Luxie's beauty only shone even more.

"I know too, but you don't have experience" Ye Chen said to Long Luxie.

"That . . ., that's true." Long Luxie couldn't refute this, she had no experience in such matters.

"allow" Ye Chen said to Long Luxie.

"Don't make fun of me" Long Luxie hit Long Luxie, she wasn't happy being teased by Ye Chen.

"I'm sorry, I didn't mean to" Ye Chen laughed, he didn't mean to do that.

Long Luxie covered her body, she was still embarrassed to show her body to Ye Chen.

"Don't look at me like that, you are eating me like this" Long Luxie felt like she was a little lamb that Ye Chen would devour.

"beautiful and so big" Ye Chen said to Long Luxie.

Ye Chen said Long Luxie was very good and had a beautiful, mature body.

It was a good combination with beautiful long hair, nice double peaks, slim hips, and long legs.

It could be said that Long Luxie had such a good physique she was blessed with excellent conditions.

"Let me touch it," Ye Chen said to Long Luxie.

Ye Chen said that he wanted to touch Long Luxie.

"No don't," Long Luxie said to Ye Chen, she didn't let Ye Chen do it, she covered her body using her hands.

"so stingy, let me see and touch it" Ye Chen said to Long Luxie.

"no you can't" Long Luxie wouldn't let Ye Chen do it easily.

Who told Ye Chen to bully her, she would make things difficult for Ye Chen.

"You want to make things difficult for me, don't you?" Ye Chen was smart, he knew what Long Luxie was thinking.

"how do you know? Can you also read someone's mind?" Long Luxie was surprised that Ye Chen knew what he was thinking.

"No, I guessed it, and you seem to admit it," Ye Chen said to Long Luxie.

Ye Chen saw that Long Luxie admitted this, he subconsciously admitted that she was making things difficult for Ye Chen.

"You tricked me again, I hate it" Long Luxie said to Ye Chen, she hated Ye Chen.

Ye Chen deceived herself again, it made Long Luxie feel a little annoyed.

Ye Chen smiled, he seemed to enjoy Long Luxie.

Long Luxie looked cute when she was angry, it made Ye Chen happy.

Long Luxie was sulking, Ye Chen had to do something to make Long Luxie calm down.

Ye Chen knew what to do to persuade women who were angry or upset.

The best way to take care of them is to give them sincere and lots of love.

By providing this, Ye Chen could make them feel better and return to the way they were before.

This time Ye Chen wanted to play a little rougher, it seemed Long Luxie liked it when Ye Chen was rougher.

Originally Long Luxie was a slightly arrogant woman, she of course, liked rough and domineering men so that Ye Chen would try it.

Ye Chen moved his hand away from Long Luxie, after moving Long Luxie's hand, he immediately sucked Long Luxie's flower bud.

"no, you sucked it, that was so strange" Long Luxie was unprepared for what happened, she was unable to endure it.

The feeling of being sucked in was so good, she felt so happy with Ye Chen.

Chapter 3134 Long Luxie served Ye Chen

"It's great, this kind of feeling, I like it" Long Luxie said to Ye Chen.

Long Luxie liked what Ye Chen did, when Ye Chen played her two double peaks, it was great.

Long Luxie couldn't stand it and just went straight to the top, this was too comfortable.

Ye Chen didn't stop, he was enjoying Long Luxie's flower buds.

"Too comfortable, I won't be able to survive" Long Luxie said to Ye Chen, she told him that she wouldn't be able to survive.

How could Long Luxie survive, Ye Chen was too fierce, Ye Chen didn't hold back and played Long Luxie's double peak.

After 5 minutes had passed, Ye Chen was finally willing to let go of Long Luxie, Long Luxie was exhausted, and she had difficulty facing Ye Chen, Ye Chen was too strong and couldn't win.

"Honey, do you like it, and are you satisfied?" Ye Chen said.

he hugged Long Luxie into his arms.

"Very satisfied, this is much greater than before, I am very satisfied with you" Long Luxie said to Ye Chen.

Long Luxie was very satisfied with what Ye Chen did, she enjoyed what Ye Chen did.

"Then I will help you until you can't get up anymore" Ye Chen said to Long Luxie.

"You are so evil, it looks like I will fall in your hands" Long Luxie said to Ye Chen.

Long Luxie leaned against Ye Chen, she was a little tired and needed to rest for a while.

Luckily, Long Luxie had a strong enough physique, with this physique, she could recover her strength quite quickly.

Long Luxie felt something below, once again, she felt Ye Chen's object touching her.

"it looks like you have a problem, let me help you" Long Luxie said to Ye Chen.

Long Luxie wanted to help Ye Chen, it seemed like Ye Chen had a problem and needed his help.

"You understand too, please help me" Ye Chen said to Long Luxie.

Ye Chen told Long Luxie to help him.

"okay . . ." Long Luxie nodded, she was about to start to help Ye Chen,

Long Luxie let go of Ye Chen's little brother, when Long Luxie did this, a large and long object appeared.

"Eh, seriously, it's so big" Long Luxie was shocked by what was in front of her, it was very big and long.

Long Luxie had never seen this kind of thing, perhaps this was the first time she had seen such a thing.

Long Luxie may still be public about this kind of problem, but she knows the average size of a man.

And Ye Chen's size is big and long.

Ye Chen could make a woman helpless with something big and long.

"Glup . . ." Long Luxie swallowed her saliva.

she seemed nervous after knowing that Ye Chen was harboring this.

"Why, does that surprise you?" Ye Chen looked at the stunned Long Luxie, it seemed like he was shocked.

"Of course, it's very big, it will be difficult" Long Luxie said to Ye Chen.

"come help me, do what you can" Ye Chen said to Long Luxie.

Ye Chen told Long Luxie to do what he could.

Long Luxie used everything she knew, she used her hand to help Ye Chen.

At first Long Luxie's hands moved slowly to make Ye Chen comfortable, and after some time, Long Luxie speeded up her movements.

Long Luxie was still the first-timer, even though she could do it easily once she had the talent and knowledge.

Long Luxie worked hard despite poor skills but did her best to make Ye Chen comfortable.

"This is big" Long Luxie couldn't believe that this was so big, she had to use both hands to hold the whole thing.

This thing is also very pleasant, touching it makes Long Luxie happy.

"Do it better, don't be too strong, it could hurt me" Ye Chen gave Long Luxie a warning.

"I understand," Long Luxie understood, she helped Ye Chen and did it more gently.

When Long Luxie did it more gently and full of feeling, Ye Chen felt better.

"very good, I like it" Ye Chen said to Long Luxie.

Ye Chen said that he liked what Long Luxie did.

"Do you feel better?" Long Luxie asked Ye Chen did Ye Chen felt any better.

"Of course, I feel a much better feeling, let's keep doing it" Ye Chen told Long Luxie to continue.

Long Luxie continued, she made Ye Chen feel more and more comfortable.

"Very strange, still not showing any signs, very strong" Long Luxie saw that Ye Chen was so strong, Ye Chen hadn't even shown any signs of confiding.

"let's do our best." Ye Chen smiled, he asked Long Luxie to do better.

"Okay, I will do it better, you prepare" Long Luxie said to Ye Chen.

Long Luxie doesn't want to be taken lightly, because of this, she will show that she can do it.

Long Luxie opened her mouth, she ate Ye Chen's.

Long Luxie once saw a woman do this, she didn't know if this would make Ye Chen comfortable, she wanted to try it on Ye Chen.

Without warning, Long Luxie just directly provided Ye Chen with services, it was convenient.

"she's pretty good" Ye Chen didn't expect Long Luxie's skills to be quite good.

Ye Chen enjoyed it, Long Luxie licked his object like candy, she wanted it and didn't do anything.

Long Luxie looked towards Ye Chen, she could see Ye Chen enjoying it.

Long Luxie was satisfied, it seemed like she had made Ye Chen feel at ease.

After knowing that Ye Chen was very comfortable with this, Long Luxie continued to do her best, she started trying lots of styles and looked very sexy.

"Ummm, Chuuu, Slurp. . ." Long Luxie was so soulful, she was very, very seductive and made Ye Chen unable to stand it.

"How could she be like that" Ye Chen didn't expect Long Luxie to be like that, to be honest, Long Luxie was very tempting and excited Ye Chen.

Ye Chen couldn't stand it, he held Long Luxie's head and started to help Long Luxie speed up her movements.

"Umm . . ." Long Luxie was having difficulty breathing, she couldn't do this.

"wait . . . a minute," Long Luxie asked Ye Chen, it's a pity that Ye Chen didn't listen to what Long Luxie said.

"Jubo. ., jubo . . ." Long Luxie became more and more accustomed, her voice was very lewd.

she helped Ye Chen for 20 minutes, and with such good ability, she made Ye Chen come out.

"Ahhh . . ." Ye Chen provided his Yang Qi essence.

"um. . ." Long Luxie was shocked, she was unprepared and could only accept it.

After all, Ye Chen was holding Long Luxie's head, she couldn't retreat anymore.

"Glup . . ." Long Luxie accepted it all.

"Ehh, it feels really good" Long Luxie didn't expect that the taste would be so good.

"love?" Ye Chen asked Long Luxie.

"um, and again it has such pure Yang Qi, it's amazing," said Long Luxie.

Long Luxie was shocked, she was a gem of a time seeing this thing.

"I'm glad you like it" Ye Chen felt happy because Long Luxie liked this.

"Then we will start something more fun, prepare yourself" Ye Chen said to Long Luxie.

Ye Chen approached, he couldn't wait to eat Long Luxie.

"Shock . . ." A shock occurred, and the profound ark seemed in a very strong current.

Chapter 3135 Transferred to exile

"Ahhhhh. . ." Long Luxie held on to Ye Chen, the shock felt so strong she had to hold on to Ye Chen.
.c(o)m

The shaking of the profound ark lasted for approximately 5 minutes, after 5 minutes, the profound ark stabilized again.

"What was that?" Long Luxie asked Ye Chen, she felt something was wrong.

"let's see out first," Ye Chen told Long Luxie.

Ye Chen took Long Luxie to see what was happening, and it seemed like something had happened outside.

"Um, let's go out," Long Luxie agreed, She followed behind Ye Chen.

Long Luxie put back on the clothes She had, She followed Ye Chen out and saw what was happening.

They discovered this place had an unfamiliar, profound energy when they came out.

This profound energy is not from the Dragon God Realm.

"What happened, we are not in the Dragon God Realm now, right?" Long Luxie asked Ye Chen.

"That's true, we're not there yet" Ye Chen said to Long Luxie.

Ye Chen said that they were not in the Dragon God Realm.

"Then do you know where we are?" Long Luxie asked Ye Chen.

"I don't know either," Ye Chen said to Long Luxie.

Ye Chen said that he didn't know about this either.

"Husband, why don't you use your abilities and bring us back" Long Luxie said to Ye Chen.

"I could use that, but it looks like we are quite far from the Dragon God Realm," Ye Chen said to Long Luxie.

"Are we that far?" asked Long Luxie.

Long Luxie didn't think they would be so far away.

"It seems that there are people who don't like us," Ye Chen said to Long Luxie.

"Could it be the fault of the person who ordered it before?" Long Luxie asked Ye Chen.

"I think you are right" Ye Chen agreed with Long Luxie's statement.

"then this place must be a wasteland," Ye Chen told Long Luxie.

Ye Chen thought that this might be a place of exile, there were no signs of life around.

"They have dared to mess with me, I will, of course, not let them go," Ye Chen has decided, he will find out the person behind all this.

That person dared to disturb Ye Chen from having fun, Ye Chen would return it.

"let's find a clue" Ye Chen said to Long Luxie.

Ye Chen had to know that person, as long as Ye Chen knew, he would make that person pay.

Ye Chen and Long Luxie went around, and both of them were currently looking for clues.

"This place of isolation is extraordinary," Ye Chen said to Long Luxie.

"can't you see the end?" Long Luxie asked Ye Chen.

"I can't see the end" Ye Chen said that he couldn't see the end of this place.

Since Ye Chen couldn't see the end, leaving this place would take some time.

"Look, there are some remains of someone's bones" Long Luxie said to Ye Chen.

Ye Chen saw that several people had become bones, they didn't seem to be able to get out of the funds to give up in this place.

"as I suspected, this is a place of isolation and used to kill someone" Ye Chen said to Long Luxie.

"Can we go out?" Long Luxie was worried, about whether they could leave this place.

"I don't know, what if we can't get out," Ye Chen told Long Luxie.

"that's too bad, then we'll be stuck here forever," Long Luxie said to Ye Chen.

"don't you like being stuck with me?" Ye Chen asked Long Luxie.

"If it's with you, I won't mind" Long Luxie said that she didn't mind being trapped with Ye Chen.

"I don't mind either, even so, I want to get out of this place," Ye Chen said to Long Luxie.

"We have to fight hard, maybe this will be very difficult," Long Luxie told Ye Chen.

"I think it will be easy to get out of this place" Ye Chen said to Long Luxie.

he could get out of this place, he just wanted to know the person who could bring them here.

"I will make a Clone" Ye Chen decided to make a Clone, using a Clone Ye Chen started looking for clues from the people who were thrown away.

Ye Chen and Long Luxie searched around, they found some notes left by people rotting in this place.

"Look at this" Long Luxie said to Ye Chen, she found a note left behind, which was more complete, and told him what this person had done in his life.

"let me read it" Ye Chen decided to read it, after Ye Chen read it.

"I was trapped in this place by one of the dragon gods, I don't know who it was, what is certain is that he made me stay here until the end of my life," the note said.

"It seems like we are dealing with one of the strong people in Dragon God Realm," said Long Luxie.

"That means, among the people with the nickname Dragon God, they are the ones who sent us here, they are quite brave, I will beat that person up" Ye Chen said to Long Luxie.

"You want to fight them, they are really strong, fighting them, can destroy you" Long Luxie said to Ye Chen.

"They are the ones who will be destroyed when they fight me" Ye Chen said to Long Luxie.

It is not Ye Chen who will be destroyed, those who fight Ye Chen will be destroyed.

"I will wait for news from the Clone that I sent, for now, we will stay here," Ye Chen said to Long Luxie.

Ye Chen had already sent a Clone to find a way out of this problem, once that was done, they could get out.

Ye Chen also wanted to see if anyone else would come to hunt Ye Chen and Long Luxie.

People will likely come to hunt down Ye Chen and Long Luxie.

"There are no monsters around this place, it should be safe" Ye Chen felt that this place was safe, he had not found any monsters, only emptiness could be felt by Ye Chen.

Long Luxie was quite worried about whether they could leave this place.

"You don't need to worry like that, we can get out," Ye Chen persuaded Long Luxie, he told them that they would be able to get out of this place.

Ye Chen was confident about this and sure they could get out of this place.

"Um. ., you are right, we have to be optimistic to get out of this place of exile" Long Luxie agreed, she had to be optimistic, she couldn't give up.

After all, Long Luxie was not alone, and with Ye Chen, Long Luxie was sure they could get through everything easily.

Long Luxie decided to cultivate, she felt like she was going to break through, this was probably because of the essence given by Ye Chen.

.

.

On one side, Ye Chen's Clone was looking for a way out, they scattered in all directions to find a way out.

Because this place was so wide, Ye Chen had to do this to find a way out.

With the help of the Clone created by Ye Chen, he could easily find a way out.

One of the clones flew quite far, until they found a way out, the clone found a way out of this place.

After finding a well-hidden exit, the Clone intends to report this.

However, a dark shadow stabbed Ye Chen's Clone, it was so fast and immediately killed Ye Chen's Clone.

Because initially Ye Chen thought that there was no threat, the Clone he created was not very strong, so someone at Ye Chen's level could quickly destroy it.

Chapter 3136 Slaughter Sword Shadow

The black figure that appeared had a hand like a sword, the hand that had finished off Ye Chen's Clone.

"I am the guardian of this place, no one can ever get out of this place alive" As long as that person is in it, it is certain that Ye Chen will not be able to get out.

Ye Chen immediately felt that one of the clones he had made disappeared.

"Master, what's wrong?" Chu Yuechan asked Ye Chen.

"One of the clones I have is missing" Ye Chen informed the Clone he had was missing.

"How did it disappear, did someone defeat it?" Chu Yuechan asked Ye Chen.

"Someone defeated the Clone." Ye Chen said that someone had defeated the Clone he had.

"However, I have found a way out," Ye Chen said to Chu Yuechan.

Ye Chen had found a way out, that was a very good thing.

"I will make sure to send a few more Clones to see the person; it is a human," Ye Chen said to Chu Yuechan.

"That's such a good idea." Chu Yuechan seemed to agree with Ye Chen's idea, Ye Chen had a good idea to see the enemy's strength and abilities.

"I'll be here for a while, it looks like Luxie broke through," Ye Chen said to Chu Yuechan.

Meanwhile, Ye Chen couldn't move at this time because he was guarding Long Luxie, who was making a breakthrough.

Ye Chen hoped that Long Luxie would get such good results.

The breakthrough made by Long Luxie took almost 2 days and two nights, and Ye Chen had to take good care of it.

"Boom. ." Long Luxie broke through two levels at once.

He was now in the second realm of the Immortal True God Realm.

"Finally, I broke through." Long Luxie was so happy she could finally break through to the second level of Immortal True God Realm.

"Congratulations," Ye Chen said to Long Luxie, Ye Chen congratulated Long Luxie for successfully breaking through.

"This is all thanks to you" Long Luxie's face turned red, if it weren't for Ye Chen, she wouldn't have succeeded.

"I'm happy to hear that, it looks like nothing is interesting here, how about we go out" Ye Chen said to Long Luxie.

"Have you found a way out?" Long Luxie asked Ye Chen.

"What a coincidence, I've found it," Ye Chen said to Long Luxie, he had just found it.

"That happened two days ago, you have been cultivating for 2 days," Ye Chen told Long Luxie.

"I'm sorry, I seem to have troubled you" Long Luxie apologized to Ye Chen, she had caused trouble for Ye Chen.

"It's okay, you've done your best, I'm happy with that" Ye Chen said to Long Luxie.

Ye Chen was happy because Long Luxie broke through, he didn't mind it.

"so what about the exit, is there anything to do to get out?" Long Luxie asked Ye Chen.

"It seems like someone is guarding this place, that person won't let us out easily, maybe we have to face him to get out of this place" Ye Chen said to Long Luxie.

"Seems like there's no choice," said Long Luxie.

"It's true, fortunately, I already know a little about his abilities, we will face him," Ye Chen said to Long Luxie.

Ye Chen said that he already knew the opponent's strength.

The opponent replaces his hand with a sword, which means his hand is completely integrated with the sword.

It may be quite extreme, but its power becomes very strong and makes it easier to use a sword, similar to swinging a hand.

"What?, isn't that horrible?" Long Luxie said to Ye Chen, Long Luxie felt that it might be horrible.

"It looks like we're going to face crazy people. It's said that crazy people will be more troublesome than strong people," Ye Chen said to Long Luxie.

"I agree, crazy people will be more troublesome than great people" Long Luxie agreed with Ye Chen's words.

"Come on . ." Ye Chen told Long Luxie that he invited Long Luxie to leave the place immediately.

The situation had become increasingly chaotic, they could no longer delay.

"Um. . . ." Long Luxie nodded, and she followed behind Ye Chen.

Ye Chen was the one who led the way, he knew the fastest way to get there.

After traveling for several hours, Ye Chen and Long Luxie finally arrived.

Ye Chen told Long Luxie to stop, they finally met the gatekeeper out of this place of isolation.

"Finally, you guys have arrived, making me wait," he said to Ye Chen.

"So you are the one guarding this exit?" Ye Chen said to the person in front of him.

This person was wearing a strange and ugly mask, his body was covered in wounds, and it was evidence of countless battles.

Both of his hands were planted with a long dark black sword.

Just one look at Ye Chen could tell that it was a very strong sword.

"I am the slaughter sword shadow," he said to Ye Chen and Long Luxie.

"so you have guarded this place," Ye Chen said to the slaughter sword shadow.

"That's true, as long as I guard this place, no one has ever been able to get out of this place" the slaughter sword shadow said to Ye Chen.

"oh, so no one has ever come out of this place, then I will be the first person to get out of this place," Ye Chen said to the slaughter sword shadow.

"that will never happen, that sword will cut you down before that happens," the slaughter sword shadow said to Ye Chen.

"I'm even more interested in the master who gave you a task like this" Ye Chen wanted to know who had an empty place full of death aura like this.

"You are not worthy to know and will never know," the slaughter sword shadow said to Ye Chen.

"It seems you know something, fine, I will find out about it" Ye Chen said to the slaughter sword shadow.

Ye Chen would find out about this from the sword shadow of the slaughtered sword.

After Ye Chen defeated the slaughter sword shadow.

"I've seen millions of arrogant people like you, and none of them could survive," the slaughter sword shadow said to Ye Chen.

the slaughter sword shadow started to move, he had incredible speed.

"Luxie, he's coming, get ready, it looks like he won't let you" Ye Chen said to Long Luxie.

"I'm ready, Long Luxie will help Ye Chen from behind, she has already prepared a powerful attack to defeat the slaughter sword shadow.

"Good spirit, I will be a little serious." Ye Chen decided to be a little serious when facing his opponent.

Ye Chen used an aura full of oppression, which was the power of True God.

"Ye Chen ?" Long Luxie was surprised when she saw the strength that Ye Chen possessed.

"so this is your true strength" Long Luxie saw Ye Chen's true strength, strength like this, how could he get such strength?

"let's finish this quickly" Ye Chen moved forward, he used an incredibly fast speed, and in just a matter of seconds, they collided hundreds of times.

Ye Chen fought with his bare hands, Ye Chen's speed was amazing, and he could land several attacks on Long Luxie's body.

"This is impossible, I can't possibly lose" The slaughter sword shadow didn't believe that Ye Chen could keep up with his speed.

Chapter 3137 Out Of Enemy Exile

The slaughter sword shadow sported a faster, top-level speed that could fight against Ye Chen's strength.

"Die" The slaughter sword shadow swung both arms, he was about to cut Ye Chen's body into two pieces.

The power possessed by the slaughter sword shadow was ultimately used 100%, he could cut all kinds of things using both hands.

"You will be the one destroyed, Azure Claw." Ye Chen only needed to use Azure Claw, he tore both arms of the slaughter sword shadow with Azure Claw.

"Clang" the two dark black swords that were in the hands of the slaughter sword shadow shattered.

"What ! ! !" the slaughter sword shadow was shocked when he saw Ye Chen destroy both of his arms, Ye Chen did that very easily, like breaking a stick.

"Luxie, it's time, you're done, aren't you ready?" Ye Chen said to Long Luxie.

Initially, Ye Chen gave Long Luxie time, he told Long Luxie to attack the slaughter sword shadow using full strength.

"I've finished, sorry to keep you waiting" Long Luxie said to Ye Chen, she had already finished filling.

"Take this, Dragon destructive wind" Long Luxie used a powerful wind blast technique.

A dragon-shaped wind appeared.

The dragon appeared, and Long Luxie directed the dragon towards the shadow of the sword of slaughter.

"Bastard, you are very annoying," the slaughter sword shadow said to Long Luxie, to him, Long Luxie was very annoying.

The slaughtering sword shadow had grossly underestimated the power that the slaughtering sword shadow had, it would make him pay a considerable price.

"Boom . . ." An explosion occurred and hit the body of the Destructive Wind Dragon. The wind explosion was powerful and destroyed the armor of the slaughter sword shadow.

The slaughter sword shadow's armor was shattered, and several parts of its body were lightly scratched.

"damn . . ., ants like you dare to hurt me." The slaughter sword shadow shouted at Long Luxie, he wanted to kill Long Luxie.

The slaughtering sword shadow headed towards Long Luxie, he wanted to kill Long Luxie first.

"what a fool, do you have the confidence to kill others, you are in danger" Ye Chen said to the slaughter sword shadow.

Ye Chen was behind the Slaughter sword shadow, he immediately launched a powerful attack towards the Slaughter sword shadow.

Ye Chen used the Azure Claw and directly tore the body of the slaughter sword shadow.

Ye Chen tore apart the body of the slaughter sword shadow.

Without the armor he had, Ye Chen very easily tore the body of the slaughter sword shadow.

"damn . ." the slaughter sword shadow screamed, his body was torn, and he was injured so badly, his wounds might not be able to heal.

The wound was so serious he couldn't be still able to fight with a wound like that.

"Good job, you managed to divert his attention" Ye Chen said to Long Luxie.

Slaughter Sword Shadow had done such a good job he had helped Ye Chen to defeat Slaughter Sword Shadow.

"You're welcome." Long Luxie was happy to be able to help Ye Chen.

"Now is the time to find out who's this person" Ye Chen said to Long Luxie.

"Yuechan," Ye Chen said to Chu Yuechan.

"Okay, this time I will help," Chu Yuechan understood, she would help Ye Chen look for the person who was the master of the slaughter sword shadow.

Chu Yuechan looked for the boss that the Slaughter sword shadow had.

After she searched, she finally knew who the person behind the slaughtering sword shadow was.

"How" Ye Chen asked Chu Yuechan.

"I found it" Chu Yuechan said to Ye Chen, she found what Ye Chen wanted.

"Come on, say it quickly" Ye Chen said to Chu Yuechan.

"That person's name is Long Gunha" Chu Yuechan said to Ye Chen.

"So it was him, I understand." Ye Chen had already gotten the answer.

"Approximately, what is that person's goal?" Ye Chen thought for a moment.

"That's true, I also don't know that person's purpose" Chu Yuechan felt strange about this.

"Maybe he was angry because we disturbed his plan, I don't know what this guy is planning since he wants to fight, then we give him a battle," Ye Chen said to Chu Yuechan.

"the important thing is that we already know the person," Ye Chen said to Chu Yuechan.

"You are right, that way it will make it easier for us," Ye Chen agreed with what Chu Yuechan said.

"already know the person?" Long Luxie asked Ye Chen, whether Ye Chen had found the person.

"Already found," Ye Chen said to Long Luxie.

Ye Chen has already found the person, he will solve everything.

"let's go out," Ye Chen said to Long Luxie.

Ye Chen brought Long Luxie out, they came out of the seclusion place, the slaughter sword shadow could only watch Ye Chen leave, he didn't expect that today he would be defeated.

"I have truly disappointed my master" the Slaughter Sword Shadow had disappointed his master, the first time he became what he was today.

"there is no face to meet master, it is better to be buried in this place" he already has no face to meet Long Gunha, it is better to die in this place.

the Slaughter Sword Shadow closed its eyes and lay on the ground, ready to accept the consequences.

.

.

Ye Chen and Long Luxie headed back to the Dragon God Realm, and they didn't dare to be careless on this trip.

They might be attacked again at any time, because of this, they are more alert and do not leave their defenses open.

Long Luxie is currently cultivating, after breaking through, she still has to stabilize her strength.

This would probably take some time, so Ye Chen didn't bother her much.

Ye Chen had not received any news from Cheng Mengyan and Fu Lanling.

It was likely that they were fine, Ye Chen wouldn't be too worried about the problem.

After several long days passed, Ye Chen and Long Luxie finally arrived at the center of the Dragon God Realm,

The center of the Dragon God Realm is very wide, and there are so many stars here, all the stars in this place are top and high-ranking stars, so it is not strange that there are so many strong people that Ye Chen felt.

"Yuechan, you feel it too ?" Ye Chen said to Chu Yuechan.

"Um, I feel it, it seems like the Dragon God Realm has quite a lot of strong people, those who are here are strong people" Chu Yuechan said to Ye Chen.

"I can't wait to hit LongGunhe and take the mirror from that person's hand" Ye Chen himself wanted to face LongGunhe, he wanted to take the mirror of memories.

"let's do that and save little sister Yixian" Chu Yuechan said.

"Um. ." Ye Chen nodded, he definitely would.

"Ye Chen, are we there yet?" Long Luxie asked Ye Chen if they had arrived.

"we have arrived," Ye Chen said to Long Luxie, he told Long Luxie that they had arrived.

"Good. Then help me unload some things at my shop, and we'll go report for duty. You won't mind that, right?" Long Luxie said to Ye Chen.

"Um, I feel it, it seems like the Dragon God Realm has quite a lot of strong people, those who are here are strong people" Chu Yuechan said to Ye Chen.

"I can't wait to hit LongGunhe and take the mirror from that person's hand" Ye Chen himself wanted to face LongGunhe, he wanted to take the mirror of memories.

"let's do that and save little sister Yixian" Chu Yuechan said.

"Um. ." Ye Chen nodded, he definitely would.

"Ye Chen, are we there yet?" Long Luxie asked Ye Chen if they had arrived.

"we have arrived," Ye Chen said to Long Luxie, he told Long Luxie that they had arrived.

"Good. Then help me unload some things at my shop, and we'll go report for duty. You won't mind that, right?" Long Luxie said to Ye Chen.

Chapter 3140 Su Feixu Wanted To Know Ye Chen

Su Feixu looked straight at Ye Chen, shocked by the power that Ye Chen had just used.

"All of you, come out quickly, I want to talk to him alone" Su Feixu gave orders to everyone.

"Young lady, are you serious?" Su Yuqi asked Su Feixu.

"Did you not listen to what I said?" Su Feixu said to Su Yuqi.

"I heard it clearly" Su Yuqi apologized and took everyone out, even Long Luxie came out too.

Long Luxie wanted to know what Ye Chen and Su Feixu would discuss.

However, she couldn't do that, Su Feixu wanted to talk to Ye Chen, she could only ask for details later.

Everyone left Ye Chen and even Su Feixu.

They made room for Ye Chen and Su Feixu to talk.

"Why did you send them out?" Ye Chen asked Su Feixu.

Ye Chen wanted to know why Su Feixu told everyone to get out.

"Isn't it because of you?" Su Feixu said to Ye Chen.

"Because of me," Ye Chen said to Su Feixu.

"You have great strength and can hurt me, I misjudged you," Su Feixu said to Ye Chen.

Su Feixu was wrong in estimating Ye Chen's strength, Ye Chen turned out to have such great strength that she was injured.

Also, the previous aura made Su Feixu feel submissive, no one could do this to her.

Su Feixu was an ancient dragon clan with great strength and a strong bloodline, such a thing was impossible for her to defeat.

Meanwhile, the power that Ye Chen had just used, was able to defeat her easily, it made Su Feixu attracted to Ye Chen.

The person who could defeat his bloodline should be someone so powerful and great.

And Su Feixu had never met someone like that, so it wasn't strange that she was attracted to Ye Chen

"Tell me, what bloodline do you have?" Su Feixu asked Ye Chen.

"Why should I tell you about this?" Ye Chen asked Su Feixu.

Ye Chen didn't want to tell this and was reluctant to tell Su Feixu about this matter.

"So you don't want to tell me, that makes me more curious, the more curious I am, the more I want to get the answer," Su Feixu said to Ye Chen.

A few moments later Su Feixu stood up, she came out from behind the curtains.

After Su Feixu came out, Ye Chen could see Su Feixu's figure.

A beautiful and perfect figure, this woman exudes a mature beauty that is so beautiful to look at.

Black and long hair, blue eyes that were so clear and filled with charm, gold ornaments on top of her head that made her look beautiful.

Su Feixu's figure is beautiful, perhaps even more so than Long Luxie, with such beauty, she should be able to enter the list of beauties in the Supreme God Realm.

"Are you still unwilling to tell me?" Su Feixu asked Ye Chen.

Su Feixu intended to use her beautiful and seductive appearance to tempt Ye Chen, by using these two things, she planned to make Ye Chen tell the truth.

Su Feixu is a smart woman, she is aware that a woman's primary weapon is beauty, because she couldn't beat Ye Chen with strength, she used her beauty to trap Ye Chen.

This may be a classic trick, but even though it is just a classic trick, it can still be helpful against a man.

"Who would have thought that Miss Su Feixu was so beautiful and looked mature, I think I was lucky to be able to see Miss Su Feixu's beauty," Ye Chen said to Su Feixu.

Ye Chen's reaction differed slightly from what Su Feixu had imagined.

Su Feixu thought that Ye Chen could easily be charmed by her beauty, who would have thought that he could easily resist her charm, it made Su Feixu a little annoyed.

"Thank you for helping me" Ye Chen thanked Chu Yuechan, what Chu Yuechan did was very helpful for Ye Chen.

"You're welcome" Chu Yuechan understood, luckily she reminded Ye Chen to be careful of Su Feixu.

Otherwise, Ye Chen might fall into the trap set by Su Feixu.

Su Feixu is a smart woman, she is probably as smart as Ling Shu.

So, Ye Chen had to be careful not to get trapped easily.

Most beautiful women are smart, they are brilliant and great people.

"that makes me sick" Su Feixu said to Ye Chen.

"why am I wrong?" Ye Chen asked Su Feixu.

"Of course, you are wrong, you should be even more surprised," Su Feixu said to Ye Chen.

Su Feixu's self-esteem was slightly destroyed by Ye Chen's actions.

Ye Chen smiled when he heard this, it was to be expected that this was Su Feixu's goal.

"Miss Su Feixu is indeed beautiful, I am telling the truth" Ye Chen said to Su Feixu.

Ye Chen's words were honest, but it was a pity he was not affected by Su Feixu's charm.

"Looks like there's no chance for me" Su Feixu realized she couldn't influence Ye Chen.

Apart from having a strong heritage, this person is also quite immune to her beautiful charm.

Su Feixu was a little annoyed by this, unfortunately she could only accept the result gracefully.

"My goodness, I am completely defeated, who would have thought that someone like you would appear," Su Feixu said to Ye Chen.

Su Feixu had to admit that Ye Chen had defeated her, she couldn't win against Ye Chen.

In terms of strength and charm, she lost to Ye Chen.

"You are also great, but I have seen enough beauty in this world," Ye Chen said to Su Feixu.

"So that's how it is, it seems I underestimated you from the start," Su Feixu said to Ye Chen.

"So, what else do you need from me?" Su Feixu asked Ye Chen.

"I need the power that Long Gunhe had right now" Ye Chen wanted one more thing, he wanted Su Feixu to tell him the power he possessed, Long Gunhe.

"You seriously want to fight that guy?" Su Feixu asked Ye Chen once again.

Su Feixu was not worried about Long Gunhe, she was worried that Ye Chen would suffer defeat at the hands of Long Gunhe.

Long Gunhe is a smart and agile person, if he knew Ye Chen was a threat, he would destroy Ye Chen quickly.

He would not give time to the enemy, that was Long Gunhe's way of Work.

"Why?, is he troublesome?" Ye Chen asked Su Feixu.

"Not only is he troublesome, he is strong and also has very loyal troops, he is also agile, once you challenge him, he will send people," Su Feixu said to Ye Chen.

"So that's how it is, and then I will also send the same thing," Ye Chen said to Su Feixu.

"stop it, in his base, he will become very strong," Su Feixu said to Ye Chen.

"Then I want to see how great that person's base is," Ye Chen said to Su Feixu.

Ye Chen made a Clone, he sent the Clone to Long Gunhe's place.

Long Gunhe's place was only a few hours away from Su Feixu's territory, it wasn't too far for Ye Chen to reach.

"I didn't think you were serious, but I will tell you the strength of Long Gunhe and his fleet," Su Feixu said to Ye Chen.
