

True God 3151

Chapter 3151 Long Aoji and Long Nuji

"That's what I want to say, they were both caught and tied up in the city" he reported what happened.

Two scouts who were assigned to spot Ye Chen, they were caught and tied up.

"Impossible, they are trained troops, there is no way they could be caught, even if they were caught, they would commit suicide." Long Nuji and Long Aoji stood up, denying it could happen.

"I already had people look at it, and it happened, please give us orders" he said to Long Nuji and Long Aoji.

Long Nuji and Long Aoji looked at each other, it seemed that the opponent they were facing was quite powerful, otherwise, the two people they sent would not have been captured alive.

"Prepare everyone, we will start to attack" Long Nuji gave the order.

"Because he openly challenged, we have to kill him." Long Aoji wanted to kill Ye Chen on the spot.

The two of them didn't realize that they had caught the bait given by Ye Chen.

They were too stupid to dare to do that, they didn't know what they were doing would destroy them.

"Understanding" he withdrew, he immediately prepared troops, according to the orders given by Long Nuji and Long Aoji.

With the orders given by Long Nuji and Long Aoji, they quickly.

In just less than 5 minutes, the entire army had been gathered.

They brought some strong people, they wanted to face Ye Chen with a slightly larger number of troops.

Initially, Long Nuji and Long Aoji did not want to use their reserve troops.

But seeing Ye Chen was quite good, he brought more troops.

"We are leaving, don't disappoint our master" Long Aoji said to everyone.

"understand ! ! !" they shouted, they would do their best, they would not disappoint Long Gunha.

"come on" they all went, as they moved, lightning covered the sky, and made people feel fear and goosebumps.

This was Long Gunha's army, their strength was no joke.

Ye Chen is currently sitting relaxing, he is waiting for the enemy to arrive.

They should be here in a few minutes.

"Rumble. . ." Ye Chen saw several thunderbolts from afar, the sound of thunder was not like usual, there was something wrong with the lightning coming closer.

"so they came" Ye Chen said to Chu Yuechan.

"Their number is around 10 people, strength at level seven and also eight," Chu Yuechan said to Ye Chen.

"Much stronger compared to before" Ye Chen said to Chu Yuechan.

"You are right, their strength is much stronger than before, I think they are all main forces" said Chu Yuechan.

"They want to fight me with all their strength, that's a wise choice, the person behind that army is really smart," Ye Chen said to Chu Yuechan.

"Not bad, however, he still ate the bait you gave him," said Chu Yuechan.

"They won't be able to ignore what I did, they are loyal troops owned by Long Gunha, they will not let Long Gunha's reputation be destroyed," Ye Chen said to Chu Yuechan.

"So that's how it is, you took advantage of their loyalty from the start" Chu Yuechan said to Ye Chen.

It's not strange that Ye Chen's plan was successful, it turns out that was the reason, it makes sense why Ye Chen did this.

"Boom. ." they went down, and when they all went down, a big hole was formed.

A huge aura covered their bodies, they were ready to fight with Ye Chen.

"Too long, you guys kept me waiting" Ye Chen said to Long Nuji and Long Aoji.

"so it was you" Long Nuji and Long Aoji looked at Ye Chen, their first time meeting Ye Chen in person.

Ye Chen looked very annoyed, they wanted to slash Ye Chen's body immediately.

"So you are the ones who sent them to kill me, isn't what you did stupid?" Ye Chen said to Long Nuji and Long Aoji.

"those who fail are trash," Long Aoji told Ye Chen.

"They are still your colleagues, how can you say they are trash," Ye Chen told Long Aoji.

"Sir, save us, this person is very cunning, he used despicable methods to catch us" The two people who were tied up asked for help.

They asked Long Aoji to save them.

"You have failed, there is no place for you anymore," Long Nuji said to the two.

Long Nuji raised his hand, and a bolt of lightning came down and killed the two people who Ye Chen tied up.

"Even though they were both your colleagues, why did you kill them?" Ye Chen asked Long Nuji.

"Trash like that is not worthy, those who fail must die" Long Nuji said that trash like the two is not worthy.

"So if you fail, then you will die" Ye Chen said to Long Nuji and Long Aoji.

"Of course, those are rules, rules must be enforced to make people stronger" Long Nuji said to Ye Chen.

"Then you two have to be ready because you might die" Ye Chen said to Long Nuji and Long Aoji.

"that won't happen, we will kill you in less than 5 minutes," Long Nuji and Long Aoji said to Ye Chen.

"Oh, are you guys really that strong?, I want to see your strength," Ye Chen said to Long Nuji and Long Aoji.

"Let's finish him quickly." Long Nuji and Long Aoji advanced toward Ye Chen, and lightning appeared from their feet.

The lightning increased their speed, their movements became faster and faster.

They immediately wanted to target Ye Chen, they were confident enough to kill Ye Chen.

"it's not strange that they are overconfident in killing Ye Chen, self-confidence will make a person much stronger.

Ye Chen hadn't stood up yet, he lay down and waited for the attack to come.

"PAHHHHH. . ." When Long Nuji and Long Aoji wanted to attack Ye Chen, they were hit back instead, they didn't know what had just hit them.

"Damn, what was that?" Long Aoji didn't see what Ye Chen did, he could only feel his cheeks burning with pain.

It seemed like someone slapped Long Aoji hard.

On the other hand, Long Nuji felt his stomach hurt a lot, he had just been hit in the stomach, and it made him feel such intense pain.

Ye Chen's attack injured both of them, or maybe they didn't realize what had just happened.

Ye Chen was still relaxed, the two of them wouldn't be able to attack Ye Chen.

Ye Chen made dozens of Clones around, Long Nuji and Long Aoji didn't see this, so they didn't know what Ye Chen was doing.

"let's try again," Long Aoji said to Long Nuji.

"Come on, I don't believe that we lost to a snotty kid," Long Nuji agreed, they attacked Ye Chen again, this time they attacked Ye Chen using much greater strength than before.

"faster, I will slash his neck," Long Aoji said to Long Nuji, he used his highest speed to slash Ye Chen's neck.

"What a fool, you don't learn from the mistakes you have made, you are not worthy of being sent to fight me" Ye Chen said to Long Aoji.

This guy still didn't realize his place, he was truly so stupid.

die, this is a hunter's formation, no one can get out of their formation.

Chapter 3152 As Long As I Can Complete The Task, I Will Sacrifice Everything I Have, Even If It Is My Life

"Master, don't they look down on you too much" Chu Yuechan said to Ye Chen.

Chu Yuechan could see that the enemy underestimated Ye Chen, they didn't consider Ye Chen as a threat.

"That's because they believe that I'm weak, so it's not strange that they believe in themselves too much," said Ye Chen.

"Plus, I can see that they are too confident about success, if my guess is correct, they rarely fail in their missions," Ye Chen said to Chu Yuechan.

"That's because they haven't met any enemies stronger than them," said Chu Yuechan.

"You are right, the reason why they are confident of winning is they have never met an opponent who is much stronger than them"

"And now, they will meet an opponent much stronger than them" Ye Chen said to Chu Yuechan.

Ye Chen ordered the Clone to immediately finish off Long Aoji and Long Nuji, the sooner they were defeated, the better.

After Ye Chen gave the order to the Clone, they immediately moved to defeat Long Aoji and Long Nuji.

Ye Chen will defeat them using Clone.

Long Aoji and Long Nuji have finished arranging the formation, their formation is quite simple, first Long Aoji and Long Nuji will attack Ye Chen, meanwhile the remaining eight people will be at the back and tasked with shooting lightning towards Ye Chen.

With such a perfect combination, there was almost no way to escape from this place.

"Their formation is very good," Chu Yuechan said to Ye Chen.

Even though it was only a formation of 10 people, Chu Yuechan could see that they were doing this very well, ordinary people would not be able to get out of the trap created by Long Aoji and Long Nuji.

"neat and perfect formation, it's not strange that they are confident enough to win, I understand the reason" Ye Chen finally understood the reason why Long Aoji and Long Nuji were so confident.

If it were a normal person, this kind of formation would be directly killed in the hands of Long Aoji and Long Nuji without any resistance.

"What a shame, they met me, I will destroy them," Ye Chen said to Chu Yuechan.

Ye Chen wanted to make Long Aoji and Long Nuji experience what true suffering felt like.

The clones made by Ye Chen split up, some attacked Long Aoji and Long Nuji, while the rest attacked the eight people in the back formation.

"Gah. . ." Long Aoji screamed. His body was beaten several times, he didn't know what had just happened.

"Damn it, what is happening in this place" Long Aoji was angry, he charged around.

Long Aoji used an area attack, he confirmed what was around him.

It's a pity that Clone Ye Chen avoided the attack from Long Aoji, Long Aoji didn't get anything.

"let me kill him, Ye Chen, accept my attack" Long Nuji said to Ye Chen.

Long Nuji had the opportunity to attack Ye Chen, the distance between the two was very good, it was a suitable distance to slash Ye Chen.

"die, this is the end of you," Long Nuji said to Ye Chen.

Ye Chen smiled, just as Long Nuji was about to slash Ye Chen, he felt something in his chest.

When Long Nuji came to his senses, a sword had already stuck straight into his chest.

"This can't be happening, what happened?" The sword hit Long Nuji's chest, it immediately sent Long Nuji far away.

"Nuji, what are you doing?" Long Aoji shouted in quite a loud voice.

It's a pity that Long Nuji couldn't listen to what Long Aoji said.

"Losing, this is impossible, I lost, I can't accept that." Long Nuji couldn't accept this defeat, Ye Chen completely defeated him.

"This can't be happening." Long Aoji was the most in disbelief, Ye Chen completely defeated Long Nuji

Long Nuji had been killed, now there were only nine people left.

"Damn it, I will kill you" Long Aoji was so angry he wanted to kill Ye Chen with his own hands.

Long Aoji would avenge Long Nuji's death, he would not let Long Nuji's death be in vain.

"all of you," Long Aoji gave an order.

"We will avenge the death of our comrade" Long Aoji promised that he would take revenge.

He would not let Long Nuji's death be in vain, they must be able to get Ye Chen's head.

"Roar . . ." they all shouted, they would do this, they would kill Ye Chen and bring Ye Chen's head to Long Gunha.

"They are very excited," Chu Yuechan said to Ye Chen.

"The death of one person brought their spirits back, what strange people," Chu Yuechan said to Ye Chen.

"These crazy people, it looks like it's time to end this," Ye Chen said to Chu Yuechan.

Ye Chen told Chu Yuechan it was time to end everything.

"I agree with you" Chu Yuechan agreed with what Ye Chen said, it was time to end it all.

Ye Chen finally got up from his sleeping chair, now, Ye Chen would seriously fight Long Aoji and the rest of his troops.

"You will regret having offended Master Long Gunhe, everyone come unite your strength and kill that person," Long Aoji said to everyone, he gave the order to everyone to unite their strength to destroy Ye Chen.

"obliteration lightning army formation" Their united the power into one.

"Rumble. . . ." Dark black clouds began to form and became increasingly darker.

Dense black clouds covered the entire city, everyone was frightened by the roar that appeared.

"thunder roar. ." lightning began to strike, millions of lightning struck in just 30 seconds.

"There is something up there," Ye Chen said to Chu Yuechan.

Ye Chen saw that something was happening up there.

"master, the lightning is starting to form some warriors, all the warriors are made of condensed lightning, and their number is more than 10,000, no, it is still increasing continuously," Chu Yuechan said to Ye Chen.

Long Aoji and his army were creating an army of lightning, an army of lightning, it was an army that was strong in terms of defense and attack, certainly an army made of lightning could wipe out the existence of the enemy.

"This number can continue to increase, that means it all depends on the amount of their profound energy" Chu Yuechan said to Ye Chen.

"Their profound energy has already been used up by more than 1/2 if they force it, they will probably die" Ye Chen said to Chu Yuechan.

"It looks like they won't stop, most likely ready to die," Chu Yuechan said to Ye Chen.

"They are very loyal," Ye Chen said to Chu Yuechan.

It seemed that Long Gunhe had brainwashed them, everyone who belonged to Long Gunhe was so loyal they didn't even mind dying for the ambitions and tasks Long Gunhe gave.

The troops increased from 10,000 to 100,000, from 100,000 to 1,000,000.

After the number of troops they created touched 1,000,000, the eight people behind Long Aoji fell, they ran out of profound energy and died.

Ye Chen looked at the fools who died from exhaustion of profound energy, they had over-pushed themselves to the highest limit they could endure.

"You sacrificed all the people you had to defeat me" Ye Chen said to Long Aoji.

"as long as I can complete the task, I will sacrifice everything I have, even if it is life," Long Aoji said to Ye Chen.

Chapter 3155 Long Gunhe sent stronger and crazier people

Long Aoji was truly a madman, willing to do such unreasonable things.

"Get ready, I will kill you immediately," Long Aoji said to Ye Chen, he told him that he wanted to kill Ye Chen.

Long Aoji raised his hand, when Long Aoji did this, all the troops made of lightning immediately descended.

They lined up neatly behind Long Aoji, like an army ready to fight against Ye Chen.

"You will see it soon" Long Aoji said to Ye Chen, the power that would kill Ye Chen.

"Everyone kill that person." Long Aoji gave the order to kill Ye Chen, with one order given, more than 1,000,000 troops headed towards Ye Chen.

The number of such an army was so enormous it covered the entire city with tremendous thunder and roar.

"Everything you did, it was in vain," Ye Chen said to Long Aoji.

Ye Chen's "Flame Star Sea" turned his surroundings into a sea of fire, a large scale of fire hit the entire lightning army.

The lightning army exploded when the Flame Star Sea hit it.

"Boom. . . , boom . . . , boom . . ." A huge explosion occurred, destroying Long Aoji's millions of lightning troops.

"Impossible . . ." Long Aoji gawked, he was speechless when he saw what had happened.

What happened made Long Aoji, the entire army that had been created with all of everyone's profound energy was destroyed, there was not even any resistance at all, the Flame Star Sea destroyed everything.

"It's finished?" Ye Chen said to Long Aoji, that everything should be over, Long Aoji lost in the battle, he had already used up all the profound energy he had.

"It's not over yet, I can still, I can still fight" Long Aoji didn't want to give up, he could still fight against Ye Chen.

"Bam. . ." Ye Chen hit Long Aoji, bounced, and hit a wall hard.

"everything is over, you are finished," Ye Chen told Long Aoji.

Long Aoji could no longer hold on, he had been completely defeated by Ye Chen.

Long Aoji's profound energy was exhausted to the limit to perform the summoning, he finally died after using too much profound energy like the others.

"It looks like it's finished," Ye Chen said to Chu Yuechan.

"as expected, you managed to complete it," Chu Yuechan said to Ye Chen, Ye Chen managed to complete everything.

"Let's go back," Ye Chen said to Chu Yuechan, after defeating the troops sent by Long Gunhe, Ye Chen returned, he met Long Luxie, who was hiding.

"How about it? Is anyone coming?" Ye Chen asked Long Luxie.

"No one noticed I was here, I saw your battle from afar, it was very great" Long Luxie said to Ye Chen.

Long Luxie had seen Ye Chen's battle from afar, she could see Ye Chen's extraordinary strength and abilities.

He can even defeat large numbers of enemies, which is truly amazing.

Ye Chen smiled, Long Luxie was too excited when she told him what happened.

"Let's go back, I will make another plan," Ye Chen told Long Luxie.

"Are you going to make a plan of attack?" Long Luxie asked Ye Chen.

"of course, there is no way I will stay silent and see what happens," Ye Chen told Long Luxie.

From Long Gunhe's character, he would send stronger people, he could be targeting Long Luxie, that person was quite cunning, if he couldn't beat Ye Chen, he would catch Long Luxie.

Ye Chen couldn't let Long Luxie get hurt, because of that, he would attack Long Gunhe.

"um, let's go back" Long Luxie understood, he, together with Ye Chen, went back.

.

.

Meanwhile, Su Feixu accepted what was happening in her territory.

"Fufufufu, so that's how it is, he managed to defeat the person sent from Long Gunhe, very interesting, it looks like he really can do that" Su Feixu smiled, she looked so happy when she saw Ye Chen could do that.

"Miss, why do you look so happy?" Su Yuqi didn't understand why Su Feixu was so happy when she received such news.

"You might not know, but this is a nice thing to see" Su Feixu said to Su Yuqi.

Su Yuqi might not know, but this was a very exciting thing, Su Feixu couldn't wait to see who would win, whether Ye Chen or Long Gunhe.

"Show me the power you have, this will only get more interesting" Su Feixu felt that this would only get more interesting, she couldn't wait.

.

.

On the other side.

Long Gunhe looked so angry after seeing what happened.

"Long Nuji and Long Aoji were defeated, this can't be happening" Long Gunhe was angry and couldn't believe it, how could it be possible that Ye Chen could easily defeat the two strong people he had?

From Long Gunhe's information, they could be defeated quickly without a fight.

"It seems like that person is much stronger than imagined." Long Gunhe saw that Ye Chen had potential, and people who were quite capable, like Long Aoji and Long Nuji, were lost.

"master, send our strongest men, otherwise they will suffer the same fate as Long Aoji and Long Nuji" Several advisors advised Long Gunhe.

"You are right, ordinary people will not be able to defeat that person, we will send competent people to defeat that person" Long Gunhe will send people with fairly good abilities.

If he didn't send someone with good enough abilities, Ye Chen wouldn't be able to be killed.

"Then I will send the third elder" Long Gunhe gave the order, the third elder would be sent to fight Ye Chen.

"Master, are you sure about sending a third elder, he is quite a crazy elder, most likely, the city will be destroyed if he is sent, and it will probably make Su Feixu angry" some people asked Long Gunhe.

"That woman won't be angry, most likely, she's laughing at me for losing, I can't let her do anything like that.

"Let the third elder go on a rampage, let us show her the strength of Long Gunhe," Long Gunhe made an impassioned speech.

"Understood, they all seem to understand Long Gunhe's plan.

They agreed and gave the order to the third elder, the third elder who got the order would gladly carry Ye Chen's body, it was possible that Ye Chen's body would no longer be intact after the third elder cut it into several pieces.

This time Long Gunhe had sent someone crazier and more sadistic than before.

Whether Ye Chen could survive against the crazy and sadistic third elder.

.

.

The next day, Long Luxie opened the shop, some so many people came, they seemed fascinated by the shop owned by Long Luxie.

Because of Ye Chen's help, the shop had more facilities, the new facilities made everyone feel comfortable.

It starts with waiting chairs that can massage, air conditioning that makes people feel at home while staying inside, and many other things that make people comfortable when shopping.

"It's amazing, you changed my place so well" Long Luxie said to Ye Chen.

Long Luxie was happy with the changes made by Ye Chen, and she enjoyed them.

Long Luxie's small shop had become very comfortable and looked much more complete.

Chapter 3156 a sudden visit from Su Feixu

"Wait a minute, what is that?" Long Luxie saw several new things, she saw vegetables of excellent quality, and there were also fruits of excellent quality.

Long Luxie immediately went and took a look, this was a top-grade quality that was very hard to find.

"Ye Chen, where is this from?" Long Luxie Asked Ye Chen.

"I took it from storage," Ye Chen told Long Luxie.

"Are you sure about that? This will be very expensive" Long Luxie said to Ye Chen.

"No problem, I still have so much" Ye Chen said to Long Luxie.

"You have so many, Ye Chen are you also a merchant?" Long Luxie asked Ye Chen.

Ye Chen had so many such good fruits and vegetables it was likely that Ye Chen was a merchant.

"How to say this, to be honest, I have quite a large garden, I harvest everything myself" Ye Chen said to Long Luxie.

"Ohh, seriously" Long Luxie was surprised when she heard this, who would have thought that Ye Chen had such a big garden?

"um, that's true" Ye Chen said to Long Luxie.

Ye Chen said that it was true, he did have something like that.

"That's great." Long Luxie was very happy and could buy from Ye Chen.

"I want to try it," Long Luxie said to Ye Chen, she wanted to try this.

"Come on, try it, you will like it" Ye Chen said to Long Luxie.

"I want to try it," Long Luxie said to Ye Chen, and she started to take it and taste it.

Long Luxie wanted to try the fruit Ye Chen grew and whether it tasted delicious.

Long Luxie took one bite, when she took one bite, she felt the sweet and fresh feeling of the fruit she was eating.

"This is very delicious," Long Luxie said to Ye Chen, it could be said that this fruit was the most delicious that Long Luxie had ever eaten.

Long Luxie had never tasted fruit like this, this was a first.

"That's great, you can grow this kind of thing, this is the best fruit I've ever tried" Long Luxie said to Ye Chen.

"I'm glad you said that" Ye Chen was happy because Long Luxie liked it.

Long Luxie and Ye Chen enjoyed it, they both looked at the shop, which was developing rapidly.

"Fufufufufufu, it seems like you guys are enjoying this so well," a very seductive voice said.

Ye Chen and Long Luxie turned their heads to find out who was speaking.

When Ye Chen and Long Luxie turned their heads, they were surprised to see who had come to greet them.

A beautiful woman wearing beautiful clothes appeared, she gave off a very strong noble aura.

"Miss Su, what are you doing in this place" Long Luxie was surprised that Su Feixu came.

she never expected that Su Feixu would come to her little place.

"I just came to have a look," Su Feixu said to Long Luxie.

she just came to have a look Long Luxie's Shop.

"If I had known that you would come, I would have prepared a welcome," Long Luxie apologized, if she had known that Su Feixu was coming, she would have welcomed Su Feixu's arrival.

"That's not necessary" Su Feixu said to Long Luxie.

Long Luxie was not visiting, she did not need to be greeted.

By Su Feixu's side was Su Yuqi, as Su Feixu's bodyguard, she would be by Su Feixu's side.

Wherever Su Feixu went, Su Yuqi would accompany her and ensure Su Feixu's safety.

Long Luxie was so tense, a great person like Su Feixu came, what should she do?

Long Luxie looked at Ye Chen, she wanted Ye Chen to help herself take care of Su Feixu.

she couldn't care for a big character like Su Feixu, so she wanted Ye Chen to take care of it.

If it was Ye Chen, he might be able to do that.

Ye Chen was certainly aware of what Long Luxie wanted, it seemed like Long Luxie couldn't handle Su Feixu.

So Ye Chen would help to deal with Su Feixu.

"Are you interested in the fruit and vegetables that we sell? That's all here," Ye Chen said to Su Feixu.

"Ye Chen, isn't that a little rude," Long Luxie said to Ye Chen, Ye Chen might be rude to Su Feixu.

"didn't she say come to see, we have to offer nicely," Ye Chen said to Long Luxie.

"That's true, but he's still the master of this place," Long Luxie said to Ye Chen.

"What is the relation?" Ye Chen asked Long Luxie.

"He should have gotten it for free," Long Luxie told Ye Chen.

"We will lose if we do that, besides, she is rich, how could she possibly accept something like that?" Ye Chen said to Long Luxie.

"-_- " Su Feixu and Su Yuqi didn't expect that Ye Chen would say that.

It was as if they both came for free.

"we came to buy," Su Feixu told Long Luxie.

Su Feixu did it, she didn't want to lose face.

As expected of Ye Chen, he made a goddess speechless again.

Su Yuqi looked at Ye Chen sharply but did not like Ye Chen.

It wasn't strange that Su Yuqi wasn't very happy, Ye Chen was too ordinary and couldn't respect Su Feixu's existence.

If it weren't for Su Feixu's request, Su Yuqi would fight Ye Chen.

"See, right?" Ye Chen said to Long Luxie he told them that they had come to buy.

Long Luxie just nodded lightly, she didn't say much more.

"You guys can look around first," Ye Chen told Su Feixu.

"Why don't you accompany me?" Su Feixu said to Ye Chen she asked Ye Chen to accompany her.

"of course, I will be happy to accompany you" Ye Chen said to Su Feixu.

"You can go," Su Feixu said to Su Yuqi, she told Su Yuqi to leave the place.

"Understand" Su Yuqi understood Su Feixu's wishes.

she gave space for Su Feixu and Ye Chen to speak.

"let's go," Su Feixu said to Ye Chen, she invited Ye Chen to go have a look.

Everyone looked at Su Feixu, shocked to see a beautiful woman like Su Feixu.

"No way, why is she here?" Some people knew Su Feixu, they would not have imagined that Su Feixu would go to a small shop like this.

Ye Chen left together with Su Feixu.

The two of them walked together and attracted many people's attention.

"So what is your purpose in coming to see me ?" Ye Chen asked Su Feixu.

"I just want to see you, whether you are still alive or not," Su Feixu said to Ye Chen.

"as you can see, I'm still alive," Ye Chen said to Su Feixu.

Ye Chen said that he was still alive.

"It's quite surprising to see you are still alive after fighting the people sent by Long Gunhe," Su Feixu said to Ye Chen.

"It seems you would be happy if I die," Ye Chen said.

"Fufufu, no way, I still want to see what kind of strength you are hiding," Su Feixu said to Ye Chen.

Su Feixu wanted to see the strength that Ye Chen was hiding, it made Su Feixu quite curious about the strength that Ye Chen had.

"Didn't you see it" Ye Chen said to Su Feixu.

Su Feixu should have seen this, why did she still want to find out?

Chapter 3153 Long Gunhe Sent Stronger And Crazier People

Long Aoji was truly a madman, willing to do such unreasonable things.

.

Meanwhile, Su Feixu accepted what was happening in her territory.

"Fufufufu, so that's how it is, he managed to defeat the person sent from Long Gunhe, very interesting, it looks like he really can do that" Su Feixu smiled, she looked so happy when she saw Ye Chen could do that.

"Miss, why do you look so happy?" Su Yuqi didn't understand why Su Feixu was so happy when she received such news.

"You might not know, but this is a nice thing to see" Su Feixu said to Su Yuqi.

Su Yuqi might not know, but this was a very exciting thing, Su Feixu couldn't wait to see who would win, whether Ye Chen or Long Gunhe.

"Show me the power you have, this will only get more interesting" Su Feixu felt that this would only get more interesting, she couldn't wait.

.

.

On the other side.

Long Gunhe looked so angry after seeing what happened.

"Long Nuji and Long Aoji were defeated, this can't be happening" Long Gunhe was angry and couldn't believe it, how could it be possible that Ye Chen could easily defeat the two strong people he had?

From Long Gunhe's information, they could be defeated quickly without a fight.

"It seems like that person is much stronger than imagined." Long Gunhe saw that Ye Chen had potential, and people who were quite capable, like Long Aoji and Long Nuji, were lost.

"master, send our strongest men, otherwise they will suffer the same fate as Long Aoji and Long Nuji" Several advisors advised Long Gunhe.

"You are right, ordinary people will not be able to defeat that person, we will send competent people to defeat that person" Long Gunhe will send people with fairly good abilities.

If he didn't send someone with good enough abilities, Ye Chen wouldn't be able to be killed.

"Then I will send the third elder" Long Gunhe gave the order, the third elder would be sent to fight Ye Chen.

"Master, are you sure about sending a third elder, he is quite a crazy elder, most likely, the city will be destroyed if he is sent, and it will probably make Su Feixu angry" some people asked Long Gunhe.

"That woman won't be angry, most likely, she's laughing at me for losing, I can't let her do anything like that.

"Let the third elder go on a rampage, let us show her the strength of Long Gunhe," Long Gunhe made an impassioned speech.

"Understood, they all seem to understand Long Gunhe's plan.

They agreed and gave the order to the third elder, the third elder who got the order would gladly carry Ye Chen's body, it was possible that Ye Chen's body would no longer be intact after the third elder cut it into several pieces.

This time Long Gunhe had sent someone crazier and more sadistic than before.

Whether Ye Chen could survive against the crazy and sadistic third elder.

.

The next day, Long Luxie opened the shop, some so many people came, they seemed fascinated by the shop owned by Long Luxie.

Because of Ye Chen's help, the shop had more facilities, the new facilities made everyone feel comfortable.

It starts with waiting chairs that can massage, air conditioning that makes people feel at home while staying inside, and many other things that make people comfortable when shopping.

"It's amazing, you changed my place so well" Long Luxie said to Ye Chen.

Long Luxie was happy with the changes made by Ye Chen, and she enjoyed them.

Long Luxie's small shop had become very comfortable and looked much more complete.

Chapter 3154 a sudden visit from Su Feixu

"Wait a minute, what is that?" Long Luxie saw several new things, she saw vegetables of excellent quality, and there were also fruits of excellent quality.

Long Luxie immediately went and took a look, this was a top-grade quality that was very hard to find.

"Ye Chen, where is this from?" Long Luxie Asked Ye Chen.

"I took it from storage," Ye Chen told Long Luxie.

"Are you sure about that? This will be very expensive" Long Luxie said to Ye Chen.

"No problem, I still have so much" Ye Chen said to Long Luxie.

"You have so many, Ye Chen are you also a merchant?" Long Luxie asked Ye Chen.

Ye Chen had so many such good fruits and vegetables it was likely that Ye Chen was a merchant.

"How to say this, to be honest, I have quite a large garden, I harvest everything myself" Ye Chen said to Long Luxie.

"Ohh, seriously" Long Luxie was surprised when she heard this, who would have thought that Ye Chen had such a big garden?

"um, that's true" Ye Chen said to Long Luxie.

Ye Chen said that it was true, he did have something like that.

"That's great." Long Luxie was very happy and could buy from Ye Chen.

"I want to try it," Long Luxie said to Ye Chen, she wanted to try this.

"Come on, try it, you will like it" Ye Chen said to Long Luxie.

"I want to try it," Long Luxie said to Ye Chen, and she started to take it and taste it.

Long Luxie wanted to try the fruit Ye Chen grew and whether it tasted delicious.

Long Luxie took one bite, when she took one bite, she felt the sweet and fresh feeling of the fruit she was eating.

"This is very delicious," Long Luxie said to Ye Chen, it could be said that this fruit was the most delicious that Long Luxie had ever eaten.

Long Luxie had never tasted fruit like this, this was a first.

"That's great, you can grow this kind of thing, this is the best fruit I've ever tried" Long Luxie said to Ye Chen.

"I'm glad you said that" Ye Chen was happy because Long Luxie liked it.

Long Luxie and Ye Chen enjoyed it, they both looked at the shop, which was developing rapidly.

"Fufufufufufu, it seems like you guys are enjoying this so well," a very seductive voice said.

Ye Chen and Long Luxie turned their heads to find out who was speaking.

When Ye Chen and Long Luxie turned their heads, they were surprised to see who had come to greet them.

A beautiful woman wearing beautiful clothes appeared, she gave off a very strong noble aura.

"Miss Su, what are you doing in this place" Long Luxie was surprised that Su Feixu came.

she never expected that Su Feixu would come to her little place.

"I just came to have a look," Su Feixu said to Long Luxie.

she just came to have a look Long Luxie's Shop.

"If I had known that you would come, I would have prepared a welcome," Long Luxie apologized, if she had known that Su Feixu was coming, she would have welcomed Su Feixu's arrival.

"That's not necessary" Su Feixu said to Long Luxie.

Long Luxie was not visiting, she did not need to be greeted.

By Su Feixu's side was Su Yuqi, as Su Feixu's bodyguard, she would be by Su Feixu's side.

Wherever Su Feixu went, Su Yuqi would accompany her and ensure Su Feixu's safety.

Long Luxie was so tense, a great person like Su Feixu came, what should she do?

Long Luxie looked at Ye Chen, she wanted Ye Chen to help herself take care of Su Feixu.

she couldn't care for a big character like Su Feixu, so she wanted Ye Chen to take care of it.

If it was Ye Chen, he might be able to do that.

Ye Chen was certainly aware of what Long Luxie wanted, it seemed like Long Luxie couldn't handle Su Feixu.

So Ye Chen would help to deal with Su Feixu.

"Are you interested in the fruit and vegetables that we sell? That's all here," Ye Chen said to Su Feixu.

"Ye Chen, isn't that a little rude," Long Luxie said to Ye Chen, Ye Chen might be rude to Su Feixu.

"didn't she say come to see, we have to offer nicely," Ye Chen said to Long Luxie.

"That's true, but he's still the master of this place," Long Luxie said to Ye Chen.

"What is the relation?" Ye Chen asked Long Luxie.

"He should have gotten it for free," Long Luxie told Ye Chen.

"We will lose if we do that, besides, she is rich, how could she possibly accept something like that?" Ye Chen said to Long Luxie.

"-_- " Su Feixu and Su Yuqi didn't expect that Ye Chen would say that.

It was as if they both came for free.

"we came to buy," Su Feixu told Long Luxie.

Su Feixu did it, she didn't want to lose face.

As expected of Ye Chen, he made a goddess speechless again.

Su Yuqi looked at Ye Chen sharply but did not like Ye Chen.

It wasn't strange that Su Yuqi wasn't very happy, Ye Chen was too ordinary and couldn't respect Su Feixu's existence.

If it weren't for Su Feixu's request, Su Yuqi would fight Ye Chen.

"See, right?" Ye Chen said to Long Luxie he told them that they had come to buy.

Long Luxie just nodded lightly, she didn't say much more.

"You guys can look around first," Ye Chen told Su Feixu.

"Why don't you accompany me?" Su Feixu said to Ye Chen she asked Ye Chen to accompany her.

"of course, I will be happy to accompany you" Ye Chen said to Su Feixu.

"You can go," Su Feixu said to Su Yuqi, she told Su Yuqi to leave the place.

"Understand" Su Yuqi understood Su Feixu's wishes.

she gave space for Su Feixu and Ye Chen to speak.

"let's go," Su Feixu said to Ye Chen, she invited Ye Chen to go have a look.

Everyone looked at Su Feixu, shocked to see a beautiful woman like Su Feixu.

"No way, why is she here?" Some people knew Su Feixu, they would not have imagined that Su Feixu would go to a small shop like this.

Ye Chen left together with Su Feixu.

The two of them walked together and attracted many people's attention.

"So what is your purpose in coming to see me ?" Ye Chen asked Su Feixu.

"I just want to see you, whether you are still alive or not," Su Feixu said to Ye Chen.

"as you can see, I'm still alive," Ye Chen said to Su Feixu.

Ye Chen said that he was still alive.

"It's quite surprising to see you are still alive after fighting the people sent by Long Gunhe," Su Feixu said to Ye Chen.

"It seems you would be happy if I die," Ye Chen said.

"Fufufu, no way, I still want to see what kind of strength you are hiding," Su Feixu said to Ye Chen.

Su Feixu wanted to see the strength that Ye Chen was hiding, it made Su Feixu quite curious about the strength that Ye Chen had.

"Didn't you see it" Ye Chen said to Su Feixu.

Su Feixu should have seen this, why did she still want to find out?

Chapter 3157 The arrival of the third elder who was full of killing aura

Nangong Xiang brought her lips closer to Ye Chen, she immediately kissed Ye Chen.

Ye Chen welcomed the kiss given by Nangong Xiang.

Their lips intertwined, and they began a passionate kiss.

Nangong Xiang inserted her tongue and started entangling Ye Chen's.

Nangong Xiang was already quite skilled, she was able to tease Ye Chen so easily.

Ye Chen didn't want to lose and showed his abilities, so they started working together to get the most comfort.

"Chu. . . , um. . ." Ye Chen and Nangong Xiang seemed to really enjoy it, both of them enjoyed kissing each other.

"This is really delicious," Nangong Xiang said to Ye Chen.

"This is really delicious," Nangong Xiang said to Ye Chen.

Nangong Xiang licked her lips, she really enjoyed what had happened.

"You are getting increasingly skilled and more seductive" Ye Chen said to Nangong Xiang.

What Nangong Xiang did was so tempting she wanted to throw Nangong Xiang onto the bed.

"Husband, you are getting impatient," Nangong Xiang told Ye Chen.

"A beautiful goddess like you seduces me, how can I stand it" Ye Chen said to Nangong Xiang.

Ye Chen wouldn't be able to stand it, a beautiful woman like Nangong Xiang was teasing him, he couldn't stand it.

"Fufufufufu," Nangong Xiang smiled, and she was enjoying it.

"Solve our problem first" Nangong Xiang said to Ye Chen, she asked Ye Chen to solve their problem first.

"I understand, I will get the reward I want after this is over" Ye Chen said to Nangong Xiang.

"I would be happy to do it" Nangong Xiang said to Ye Chen, she would be happy to do that.

"I'll go first" Nangong Xiang said to Ye Chen, she told him that she would go first.

Ye Chen was a little reluctant to let go of Nangong Xiang, even though this was a good time to hug Nangong Xiang.

Nangong Xiang left, she disappeared and returned to her position.

Ye Chen now lives together with Long Luxie, Ye Chen sleeps next to Long Luxie.

"Looks like I have to recover my strength first," Ye Chen thought, thinking about increasing his strength.

His cultivation was still stuck in the early stages, which made Ye Chen unhappy, and he had to practice harder.

.

.

The next morning came quickly, Ye Chen opened his eyes.

"It looks like it's time." Ye Chen looked at the time, it looked like his opponent was coming.

The third elder sent by Long Gunhe would soon arrive at this place, so Ye Chen had to go immediately and ensure that the person did not enter the city.

"I'll go," Ye Chen said to Long Luxie.

"Where are you going?" Long Luxie asked Ye Chen.

"I will go to fight," Ye Chen told Long Luxie that he would go to fight.

"Fight with who?" Long Luxie was surprised when she heard what Ye Chen said.

Who would Ye Chen fight with, he was quite worried that Ye Chen would fight with a great and dangerous person.

"fight with someone who might destroy this city," Ye Chen said to Long Luxie.

"The person who will destroy this city? Who exactly are you going to fight?" Long Luxie asked Ye Chen who Ye Chen would fight.

"Long Gunhe's men, I've never met them, I heard that that person was very dangerous, he destroyed the towns and villages he passed," said Ye Chen.

"What ! ! !" Long Luxie was surprised to hear what Ye Chen said.

"That means it's very dangerous, you shouldn't go," Long Luxie said to Ye Chen.

Long Luxie asked Ye Chen not to leave, if that person was really strong, then it was certain that that person could kill Ye Chen.

"If I don't go, there will be so many people who will become victims, I will stop them," Ye Chen said to Long Luxie.

Ye Chen was leaving, however, this was a responsibility that belonged to Ye Chen.

"Then don't lose," Long Luxie said to Ye Chen, she asked Ye Chen not to lose.

she didn't want Ye Chen to lose the battle.

"Don't worry, I will come back, I promise you" Ye Chen said to Long Luxie.

Ye Chen promised that he would return safely.

Ye Chen left, and he immediately waited for the third elder in front of the gate.

Long Luxie looked from a tower, from here, Long Luxie could see what would happen outside the gate.

"Will he be okay?" Long Luxie was still worried about Ye Chen's condition, she was afraid that Ye Chen would not be able to defend against the enemy.

Ye Chen stood in front of the gate alone, there was no one around Ye Chen, there were only a few gate guards in the distance.

They all didn't understand what Ye Chen was doing, they didn't really care about Ye Chen.

They ignored Ye Chen, they thought that Ye Chen was stupid and crazy.

A strong killing aura started to come towards Ye Chen.

Ye Chen could feel a very dense killing aura, this was the aura he got from killing so many people.

"crazy aura" Chu Yuechan said to Ye Chen.

Of all Ye Chen's opponents, perhaps this was one of the most intense, there must have been so many people who had suffered at the hands of that person.

"That person sent a crazy person, maybe this is a psychopath" Ye Chen said to Chu Yuechan.

After seeing it for himself, Ye Chen finally understood, this time, he had met such a terrible person.

Looks like this will be a tough opponent.

"he is at the ninth level of the Immortal True God Realm" Chu Yuechan told the enemy's strength to Ye Chen. f(r)ee

"Then he is one of the world's peak cultivators, " Ye Chen said to Chu Yuechan.

"You are right" Chu Yuechan said to Ye Chen.

"Do you need help from me?" Chu Yuechan asked Ye Chen.

Chu Yuechan could have helped Ye Chen.

"That's not necessary," Ye Chen said to Chu Yuechan, he could handle this problem himself.

Ye Chen must become stronger, even though his opponent is level nine Immortal True God Realm, Ye Chen must not be afraid or retreat.

This was Ye Chen's move to become stronger, he couldn't lose in a place like this.

"Boom. . ." Ye Chen released a huge aura, Ye Chen's aura was able to make part of the Dragon God Realm shake.

"Young lady," Su Yuqi looked out, and she saw an extraordinary thing, the person's aura was enormous, probably the same as Su Feixu's.

Su Feixu smiled when she felt Ye Chen's strength; Ye Chen's strength was truly extraordinary.

"His cultivation level is still far below me, but how can he emit the same aura as me?" Su Feixu wondered how Ye Chen could emit that kind of power.

"Yuqi, we are leaving this time. I want to see the battle with my own eyes." Su Feixu wanted to see Ye Chen's battle for the first time.

"understand," Su Yuqi understood, she went with Su Feixu.

They found the best seats to see the battle that was about to take place.

"The third elder had already arrived in front of Ye Chen, the aura of death made the people near the gate have difficulty breathing and feel extremely afraid.

"There's a madman with a terrifying killing aura, get out of here quickly, the guards leave immediately" they felt like they would die if they stayed here.

They decided to report this problem to their superiors.

Chapter 3158 Kim Ouyi

"Miss, there are so many reports, what should we do?" Su Yuqi got several reports, they asked Su Feixu's troops to help them all chase away the third elder.

"Just ignore them, someone is already fighting with that person, there's no point in us interfering before one of them is finished" Su Feixu said to Su Yuqi.

"I understand" Su Yuqi understood, she would not interfere with the battle between Ye Chen and the third elder.

"So you are the one" the third elder said to Ye Chen.

"Yes, I am the person you are looking for," Ye Chen told him.

He was the third elder the elder was looking for.

"Very good, you don't hide, with that I can immediately finish you off" the third elder said to Ye Chen.

The third elder was a man with a tall and big body.

The third elder was nearly 2.5 meters tall with a body full of muscles and also several wounds on his face and hands.

Just one look at the person would make people frightened, this person was a veteran in battle.

The third elder also carried a glaive, a large weapon with immense power when swung.

Because this person had a Glaive weapon, the distance of the third elder's attack would be very long, one slash could split a star so easily.

"I will say in this place, I will not let you set foot inside the city" Ye Chen said to the third elder.

"Hahahaha, I don't need to do that, if I wanted, I could easily destroy the city from outside the gates" the third elder said to Ye Chen.

The third elder said he had the power to destroy an entire city.

Even if he was out here, he could still do it easily.

"do you think I will let you" Ye Chen said to the third elder.

"can you stop me, let's try" the third elder said to Ye Chen.

Both of them were prepared, they were ready to attack each other.

"look at that, why is he here" some people came after feeling the commotion outside, they were people with high cultivation who lived inside the city.

They all looked scared when they were the third elder, it seemed like the third elder was much more terrifying and much more dangerous than anyone could imagine.

"Isn't that Kim Ouyi, he is a madman who can fight with dozens of people, his story is very terrible, out of ten people, not one came back" some people told the story of Kim Ouyi

"I heard that the Glaive he holds is the strongest weapon in the entire world, just one blow can split a star," people started talking.

They talked about Kim Ouyi's strength.

Kim Ouyi is one of the greatest people recognized in the world, Kim Ouyi's strength is worth telling, even though this person is crazy and bloodthirsty, he still has an extraordinary story of struggle.

"Master, did you hear that?" Chu Yuechan said to Ye Chen.

"I listened so well." Ye Chen listened to what they said.

Kim Ouyi seems strong, and everyone tells him how he fights.

"That glaive in his hand, you better be careful" Chu Yuechan said to Ye Chen.

The glaive in Kim Ouyi's hand was strong, it was a Legend Tier weapon, it was a real threat.

Ye Chen understood he called Yin Ying'er to help himself fight Kim Ouyi's weapon.

The Divine Yin Yang Sword appeared in Ye Chen's hand, Ye Chen now held a sword with a cool shape.

"ying'er, let's beat that person," Ye Chen said to Yin Ying'er.

"Understood, I will help defeat that person, don't be afraid even though that person's weapon is Legend Tier" Yin Ying'er said to Ye Chen,

Yin Ying'er was not afraid, and even though the opponent had a Legend Tier weapon, she felt that she was much stronger than a Legend Tier weapon.

"Then I won't hold back, I believe in you" Ye Chen believed what Yin Ying'er said.

He believed that Yin Ying'er could help fight Kim Ouyi.

"die" Kim Ouyi was the first to attack Ye Chen, he swung his Glaive towards Ye Chen.

"Slash" a very powerful slash hit Ye Chen.

Ye Chen used the Divine Yin Yang Sword to block Kim Ouyi's attack.

The opponent's attack was quite strong, it made Ye Chen take several steps back.

The Divine Yin Yang Sword trembled slightly from the impact.

"The weapon he has is bigger and heavier" Ye Chen felt that the Glaive was strong.

Just one swing can cut down millions of enemies.

"Ying'er, are you okay?" Ye Chen asked Yin Ying'er.

"everything is fine, it's not that strong" Yin Ying'er said to Ye Chen.

Yin Ying'er was still able to block it well, even though it was strong and heavy, the attack was still far from the original power of the Divine Yin Yang Sword.

"Master, don't resist the attack next, you have to resist the attack" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to attack, if Ye Chen blocked the attack, Ye Chen would feel the impact.

"Understand" Ye Chen understood what Chu Yuechan meant, it was indeed very difficult to withstand strong and heavy attacks.

"What a surprise, you were able to survive the attack, an ordinary person would have been cut into two pieces" Kim Ouyi said to Ye Chen.

Kim Ouyi said that Ye Chen was quite good, he could withstand his attack.

Ye Chen was one of the few people who could withstand his attack.

"You may be successful in withstanding the attacks launched, but that is the first and last, next you will be in two parts" Kim Ouyi said to Ye Chen.

The next attack would cut Ye Chen, Kim Ouyi looked so confident that the next attack could kill Ye Chen.

Kim Ouyi gathered more profound energy in his arms, focusing his strength on his next attack.

Seeing Kim Ouyi, who was serious about facing him, Ye Chen also had to bring out his full strength.

"Divine Sword Intent" Ye Chen entered into the Dao of the sword, he would use the power of the Divine Sword Intent to offset Kim Ouyi's attack.

"Die" Kim Ouyi said to Ye Chen, he told Ye Chen to die.

Kim Ouyi swung the Glaive with all his might, this attack was powerful enough to wipe out a city.

"Very bad, we will also be destroyed." The people in the city panicked, Kim Ouyi's attack might kill them too.

"Quickly save yourselves" everyone moved away from the city, they didn't want to be dragged to death.

Everyone ran away, they all didn't dare to stay in this place.

"Ye Chen" Long Luxie saw Ye Chen, she was quite worried about Ye Chen, whether Ye Chen survived the attack, made Long Luxie very worried.

"Miss" Su Yuqi said to Su Feixu.

This attack was dangerous, maybe they should build a defensive wall to withstand Kim Ouyi's attack.

"don't waste time, that attack is not something you can withstand, even if you gather people, there is no time left," Su Feixu said to Su Yuqi.

The attack that Kim Ouyi will launch is not something that can be stopped, if they want to stop the attack, perhaps they need quite a lot of troops, it is not certain that they can stop the attack and it will result in many casualties.

"If he can't withstand that attack, this city will probably be finished" Su Yuqi said to Su Feixu.

"I know that" Su Feixu also knows this, but in the current situation, she can only resist from a distance, if she gets too close, her barrier will be destroyed.

Chapter 3159 Kim Ouyi's strength, and the black lion race

Kim Ouyi's aura was terrifying, he made a perfect stance, and all his muscles came out, proving that he used all his muscles in this attack.

The stance he used told him that this attack would be very powerful.

Ye Chen was ready in position; he used the Dao of the sword and showed everyone that he could also fight.

It's a pity that everyone is trying to escape from this place, they don't look back and continue forward to escape quickly.

"die. . ." Kim Ouyi swung the sword using full strength, he had finished gathering strength and released an attack that was so terrible and so powerful.

"Slash," a slash with such great power, launched with great speed and power.

The slash caused the ground below to split into pieces and fly.

Ye Chen opened his eyes when Ye Chen opened the eyes he had, he slashed.

"One God Slash" Ye Chen combines several techniques into one, and the power of the combined techniques will be very strong.

"Boom" the two attacks met, when the two attacks met, an explosion occurred and split the ground and sky into two parts.

Ye Chen's attack and Kim Ouyi's attack were the same, both similar in strength.

And made both of their slashes turn.

One towards the sky and one towards the sky.

"Their strength is the same?" Su Yuqi saw that the results were the same.

"You are right, their strength is the same." Su Feixu saw that their strength was the same.

Surprisingly, Ye Chen also had the same strength as Kim Ouyi.

Kim Ouyi looked at Ye Chen, who would have imagined that Ye Chen could match the strength he had.

"It's not strange that Long Gunhe sent me this person, he might be able to provide decent entertainment." Kim Ouyi now understood why Long Gunhe had sent himself, Ye Chen had provided him with decent entertainment.

"Okay, I acknowledge your abilities and will show you my strength." Kim Ouyi acknowledged Ye Chen's strengths and abilities.

Ye Chen's strength and abilities were worthy, he would respond with full force.

"Boom. . ." the land and land began to shake, or rather a part of the Dragon God Realm began to shake.

Kim Ouyi released all his power, and his body grew bigger and began to change. .com

"He wants to give up perfect form?" Ye Chen saw what Kim Ouyi was trying to do.

This is the same as what Liu Kang did, perhaps more perfect and more terrifying than Liu Kang.

"What form will the opponent show" Ye Chen felt that Kim Ouyi was not a dragon, so what kind of monster was the real Kim Ouyi?

Kim Ouyi's form was immediately visible, when Ye Chen saw him, he saw that Kim Ouyi was a lion.

"He's not a dragon?" Ye Chen realized that Kim Ouyi was not a dragon, he came from the black lion race.

"Does he have the black lion inheritance?" Ye Chen said to Chu Yuechan.

"You are right, he does have that inheritance, he is a black lion, it is not strange that he has great strength and a terrifying killing aura, the inheritance must influence it in his blood" Chu Yuechan said to Ye Chen.

The black lion race is a group of races that thirst for blood and battle.

They are terrible and feared creatures.

"How about it, are you shaking when you see the true form that I have, even the dragon race will be afraid to see me" Kim Ouyi said to Ye Chen.

Kim Ouyi believed in his abilities, he believed that the form he had was able to scare Ye Chen half to death.

Even for the top class of the dragon race, he was a terrifying and powerful creature.

Kim Ouyi's strength may be slightly below that of Long Gunhe, the reason he only occupies the position of third elder is that he is of the black lion race, otherwise, he would be the first elder or perhaps a great elder directly under Long Gunhe.

"Your form looks ugly," Ye Chen said to Kim Ouyi.

Ye Chen said that Kim Ouyi's form was ugly.

Kim Ouyi was very annoyed with Ye Chen, he was angry with Ye Chen.

"How dare you insult my majestic form, you will die immediately," Kim Ouyi said to Ye Chen.

Kim Ouyi immediately used his strength and slashed Ye Chen, he showed the strength he had.

Kim Ouyi slashed Ye Chen again, and Kim Ouyi swung the Glaive towards Ye Chen.

"clang" Kim Ouyi's attack was blocked by Ye Chen using Ye Chen's bare hands.

"huh?" Kim Ouyi was surprised when he saw what Ye Chen did.

The attack that was launched was blocked using bare hands.

"I'm telling you, your attacks are weak, do you still not realize that?" Ye Chen said to Kim Ouyi.

"That's impossible." Kim Ouyi denied that the attack he had was weak, it was an attack that had killed so many lives in battle.

"Then I will show you strength," Ye Chen said to Kim Ouyi.

Ye Chen used dimensional power to destroy the Glaive, one of the strongest weapons owned by Kim Ouyi.

"Crack . . ." The Glaive shattered into several pieces, bare hands destroyed it.

"impossible, just with your bare hands." Su Yuqi was shocked when she saw Ye Chen destroy the Glaive that Kim Ouyi had with just his bare hands.

He is destroying a Legend Tier class weapon with just his bare hands.

It was like a soft object that shattered when pinched.

"fufufufu, such interesting power." Su Feixu liked Ye Chen more and more, her eyes couldn't leave Ye Chen.

Ye Chen was like a star, he showed Ye Chen destroyed extraordinary abilities and strength, and even a Legend Tier level weapon.

"Impossible, the weapon I have." Kim Ouyi couldn't believe that the Glaive weapon that had accompanied him for a long time was destroyed.

This weapon was so strong that strong attacks or weapons could not destroy it, and Ye Chen destroyed it using only his bare hands.

"You, I will kill you." Kim Ouyi couldn't hold back the anger he had, he wanted to kill Ye Chen.

This bloodlust, it had been a long time since Kim Ouyi felt it, the desire to kill Ye Chen was getting bigger and stronger.

"decapitating black lion's claws," Kim Ouyi used his claws to cut off Ye Chen's head.

"Azure Claw" Ye Chen attacked Kim Ouyi using Azure claws, which would be stronger, whether the decapitating black lion's claws or the Azure Claw.

"Clang . . ." Kim Ouyi's claws broke when they met Azure Claw.

"Do you already know the difference in strength between dragons and you?" Ye Chen asked Kim Ouyi.

Kim Ouyi's eyes were wide open, he was shocked when such a powerful attack was still unable to win against Ye Chen.

"Why do I feel so weak, even though I am one of the people nicknamed the God of War?" Kim Ouyi didn't accept the reality of what happened today.

"Roar. . ." Kim Ouyi let out a loud roar, which destroyed the surroundings and created a huge hole.

Kim Ouyi's roar was strong, but it was insufficient to affect Ye Chen.

Chapter 3160 Ye Chen sacrificed himself

"Why, why is he not affected by the power I have, the power that can destroy the mentality of the enemy I have fought, why?" Kim Ouyi didn't understand why Ye Chen was still standing, he had already used many of his best attacks, and until now every attack was unable to knock or scare Ye Chen.

People saw Ye Chen and Kim Ouyi's battle.

Kim Ouyi was so strong and nicknamed the god of war, that he couldn't even make a wound on Ye Chen's body.

"Who is it?" many people asked, they all wanted to know who Ye Chen was, he could make Kim Ouyi helpless like that.

Kim Ouyi's arrogance was gone, he was truly like a person with no spirit anymore.

"Why?, why can't I win easily?" Kim Ouyi asked Ye Chen.

Why didn't he win against Ye Chen, he should have been able to easily fight Ye Chen.

"You are not aware, of the reason you can win against the enemies you face" Ye Chen said too.

"I don't know," Kim Ouyi said to Ye Chen, he didn't know about this.

"You only use the power of intimidation to make the enemy you face afraid" Ye Chen said to Kim Ouyi.

"If the enemy is not afraid and can fight him, you are nothing more than a weak person" Ye Chen said to Kim Ouyi.

"" Kim Ouyi fell silent and pondered, that was not the answer he wanted.

All this time, Kim Ouyi thought he was a strong person, how could he accept a reality like that from Ye Chen?

"I can't accept that answer, I will show that I am the truth" Kim Ouyi told Ye Chen.

He would show Ye Chen that he was the truth.

"There's no way I'll lose to you" Kim Ouyi changed, and his black body turned red like blood.

Kim Ouyi burned all the blood in his body, it could increase Kim Ouyi's strength for a while.

"I will show you the true power of red blood rage." Kim Ouyi used the true power.

A forbidden technique that can increase his abilities and strength, will make him invincible.

The price to pay is pain.

Kim Ouyi felt such intense pain when he used red blood god rage.

"This pain, I will show that I will win." by using the red blood god rage, Kim Ouki will be the winner in this battle.

Kim Ouki's physical strength and speed rose rapidly.

He moved at an incredibly fast speed.

"This is an increase in strength and speed, can you see that" Kim Ouyi said to Ye Chen.

Ye Chen tried to see Kim Ouyi's movements, this person's speed was so fast.

"How about it? You can't see it, can you?" Kim Ouyi said to Ye Chen.

Kim Ouyi showed off his strength and abilities.

He showed Ye Chen that he was a form of speed and strength.

No one could see Kim Ouyi's speed.

"This time, I will be the winner" Kim Ouyi said to Ye Chen.

"Is it like that, your speed seems slow" Ye Chen said to Kim Ouyi.

"What! ! !" Kim Ouyi was surprised when he saw Ye Chen could see it.

"Your speed may be fast, but you are still quite slow," Ye Chen told Kim Ouyi.

"I have something that can be used against you. Are you ready?" Ye Chen said to Kim Ouyi.

"hahahaha, you are bragging, you won't be able to stop the speed I have" Kim Ouyi said to Ye Chen.

"time to use the Time Zone Ring on this person." Ye Chen used the Time Zone Ring to slow down the time around him.

When Ye Chen did this, Kim Ouyi's movements slowed down, his movements were like Slow Motion 0.2x.

"What? ?" Kim Ouyi looked confused at what was happening, he became slower, much slower than his original speed.

"You must not realize it, but this is one of my powers," Ye Chen said to Kim Ouyi.

Ye Chen could slow down time around himself, this was the best artifact.

The Time Zone Ring is difficult to deal with, the only way to defeat the Time Zone Ring is to get out of the Time Zone Ring's range.

"I have to get out of this person's domain immediately" Kim Ouyi is such a smart person, he knows what to do.

"This man is smart, he realized the capabilities of the Time Zone Ring so quickly" Apart from having great strength, it turns out Kim Ouyi is quite smart, he can think and figure out what to do to get out of the Time Zone Ring's influence.

"What a shame, you are already trapped, there is no chance to get out of this place," Ye Chen said to Kim Ouyi. freeweb .co m

Kim Ouyi was already trapped, there was no longer a chance to get out of the Time Zone Ring's range.

Even if Kim Ouyi uses all the abilities he has now.

Kim Ouyi still wouldn't be able to get out of this place, he wouldn't be able to get out of the Time Zone Ring.

"This bastard," Kim Ouyi kept trying and didn't want to give up, he used all his muscle strength to get out of the Time Zone Ring.

Ye Chen started to relax his hands and feet, Ye Chen was so relaxed, it was as if he didn't care that Kim Ouyi would try to get out of the Time Zone Ring.

Ye Chen deliberately did this just to let Kim Ouyi reach the edge of the Time Zone Ring.

Once Kim Ouyi reached the edge of the Time Zone Ring, it was time for Ye Chen to start moving.

"Almost, I'm almost out of this place" Kim Ouyi was so happy he almost got out of the guard, which made him slow.

"Do you want to go out" When Kim Ouyi was about to leave the Time Zone Ring, he saw Ye Chen before him.

"What ! ! !" Kim Ouyi stopped momentarily because Ye Chen was in front of him, and the Time Zone Ring domain also moved.

Kim Ouyi was in the middle of the Time Zone Ring again, which frustrated him.

"Bastard. . ." Kim Ouyi was so upset and so angry with what happened he couldn't accept this fate.

"Blam . . ." Ye Chen hit Kim Ouyi, and Kim Ouyi became a punching bag by Ye Chen.

"Damn, damn," Kim Ouyi was very angry, even though Ye Chen hit him hard, in reality, he was still unable to get out of the circle.

"Blam . . ." Ye Chen continued to give Kim Ouyi punches.

The blow damaged his face, body, and appearance.

Kim Ouyi's entire body was swollen, Ye Chen's punch caused a very serious wound.

"cough . . ." Kim Ouyi coughed up blood, his body had reached the limit, he couldn't bear the pain all over his body.

His body felt like hundreds of blades had cut it, and it hurt a lot.

"Bad . . ., I can't move my body." Kim Ouyi couldn't move, his body was numb, and Kim Ouyi couldn't feel his legs or arms.

"This is the end for you," Ye Chen said to Kim Ouyi.

Kim Ouyi looked at Ye Chen, even though he was at the edge of the cliff, he still tried to intimidate Ye Chen using his strength.

"I told you your power won't work on me" Ye Chen told Kim Ouyi.

"Looks like this is my fault for underestimating you" Kim Ouyi said that this was his fault for underestimating Ye Chen.

If only Kim Ouyi had not underestimated Ye Chen, the current situation would most likely never have happened.

"That was a mistake you made yourself," Ye Chen told Kim Ouyi.

Kim Ouyi was too arrogant, he underestimated Ye Chen, even though Ye Chen was much stronger.

If Kim Ouyi knew about this, he would bring a whole army just to fight Ye Chen.

It's a shame that everything is too late, and time can't be turned back, this is Kim Ouyi's first and last defeat.

"There is no hope, I lost in this place, even if I lose, I will try to take this person with me" Kim Ouyi could no longer fight, now he could only do one thing, the suicide bombing technique and take Ye Chen together with him.

This explosion is enough to destroy several nearby stars, for which he will die.

"Because I can't win from you, I will take you along with me," Kim Ouyi said to Ye Chen.

"fusion core explosion" Kim Ouyi used up the remaining profound energy in his body.

His body began to grow, and his size was very large.

"Bad, this is a self-detonation technique" Ye Chen finally realized that this was a technique for self-detonation.

"Master, if it explodes, this entire place and several stars around will be destroyed into nothingness" Chu Yuechan said to Ye Chen.

"I understand" Ye Chen raised the Divine Yin Yang Sword.

He slashed Kim Ouyi's body using the Divine Yin Yang Sword.

"Slash . . ." The body of the Divine Yin Yang Sword became two parts.

"damn . . ." Kim Ouyi's body became two parts, because of this, the explosive fusion could not be completely perfect.

"Boom. . ." A big explosion occurred right in front of Ye Chen.

"ahhhh . . ." many people were hiding, the explosion was quite large, and part of the city was affected.

Luckily, people had already left town, so they weren't affected.

"Ye Chen" Long Luxie was very worried the explosion directly hit Ye Chen and whether Ye Chen could survive the explosion.

"It's finished," Fu Feixu said, saying that Ye Chen was finished.

"Miss, is that person still alive after receiving such an attack?" Su Yuqi asked.

"I don't know, the explosion just now was quite strong, if he hadn't cut Kim Ouyi, then our whole place would have been destroyed," said Su Feixu.

"That means he sacrificed himself?" Su Yuqi finally realized that Ye Chen sacrificed himself.

"That's true," Su Feixu said to Su Yuqi.
