This Time I Will Get My Divorce Chapter 1483—Gu Yaotian is dead

Cheng Huai and Lu Qi came back to save her, in fact, she was not very surprised.

Lu Qi is her childhood sweetheart, and she will definitely not sit idly by.

And Cheng Huai is a political official, she is his people, he will not come.

She was surprised that Gu Manyin actually came for her.

Can his body hold it?

Rong Shu looked at Gu Yaotian, his eyes were mixed, there were surprises, accidents, surprises, and worries.

Gu Yaotian saw it, and his heart was very comforting, and his daughter had him in her heart.

“Hahaha, what a touching scene.” Gu Manyin suddenly laughed, interrupting this warm atmosphere.

Gu Manyin didn't know where to take out a handful of wooden warehouses and put it on Rong Shu's temple.

This scene shocked everyone.

“What do you want to do?” Fu Jingting spoke sharply.

“Can't you see it? I want to kill her, in my life, I hate her the most, seeing that you care about her so much, then I will kill her even more, let you be painful, that kind of situation, it must be very exciting, right? Gu Manyin said with a big laugh.

“You dare!” Fu Jingting's fists clenched.

“Look if I dare!” After Gu Manyin finished speaking, he pushed Mu Cangkou even more against Rong Shu's temple.

Rong Shu's temple was hit with pain, and with a muffled snort, he was about to pull the trigger.

At that moment, Gu Manyin smiled faster.

“Don't!” When Gu Yaotian and the others saw it, their pupils shrank, and they quickly stopped it loudly.

Gu Manyin looked at them with a strong smile.

The more they didn't want it, the more she had to do it.

Bang!

The sound of the wooden barn sounded, and the birds in the woods were startled.

"Nope!" Gu Yaotian shouted with exhaustion, and the whole person collapsed to the ground at once.

Because he felt that Gu Manyin really killed Rong Shu.

Even Rong Shu himself thought so, but after waiting for a long time with his eyes closed, he didn't feel any pain.

She opened her eyes suspiciously, and Fu Jingting and the others were still standing on the opposite side.

What's going on?

She's not dead?

Just as he was thinking, there was a sudden sound of falling to the ground behind him.

She was startled, quickly looked back, and saw Gu Manyin falling to the ground, her eyes widened, and a large stream of blood came out of her chest.

If it weren't for the fact that her eyelashes were still blinking, people who didn't know would have thought she was dead.

But she is like this, and she won't live long now.

What's going on?

Rong Shu's mind was a little dizzy.

Fu Jingting shouted, "Xiao Yezi, come quickly, Gu Manyin was killed by the police force in the sky." Hearing

Fu Jingting's words, Rong Shu knew what was going on.

It turned out that Gu Manyin wanted to open a wooden warehouse for her hostage, so the police conveniently activated the first-level alert and opened a wooden warehouse for Gu Manyin first.

At the same time, the military and police who did not completely come down in the sky all aimed the wooden warehouse mouth at Su Cheng's group, and as long as Su Cheng's group took action, they would open the wooden warehouse without hesitation.

After all, Su Cheng was already extremely guilty, and if he couldn't be arrested, it was not impossible to kill him directly.

Su Cheng also knew this, so he didn't stop Rong Shu from passing, but his face was very bad.

Rong Shu knew that he was free, and hurried to Fu Jingting's side.

However, at this moment, Assistant Li's face suddenly turned hideous, and regardless of the military police in the sky, he directly opened a position on Rong Shu's back.

He hated Fu Jingting, he couldn't kill Fu Jingting in this life, he killed the person Fu Jingting cared about the most, and made Fu Jingting suffer for a lifetime.

Bang!

There was another wooden noise.

After Gu Yaotian saw it, he ran directly over and blocked Rong Shu behind him.

Poof, the sound of bullets digging into the flesh.

Gu Yaotian was shot in the chest, his eyes suddenly widened, blood splashed on his chest, and he fell down with his back to Rong Shu.

This scene stunned everyone, especially Rong Shu.

Rong Shu subconsciously caught Gu Yaotian's body, sat on the ground all of a sudden, looked at Gu Yaotian, who fell in her arms, blood kept coming out of her chest, and her mouth did not vomit blood, her brain was blank, and the whole person froze.

Fu Jingting came over and looked at Gu Yaotian with a very complicated expression.

In fact, at that time, he made the same move as Gu Yaotian, and he wanted to block this wooden warehouse for Rong Shu.

According to the speed of the two people, how should he block it, but it was Gu Yaotian who blocked it in the end.

At that moment, Gu Yaotian's speed obviously surpassed him.

Perhaps this is the heart to save the daughter, in order to save her daughter, burst out of power that ordinary people incomprehensible.

“Shushu” Gu Yaotian lay in Rong Shu’s arms, looking at the dull Rong Shu, he smiled heartily, “It’s okay, Dad saved you, cough”

He coughed up a few more mouthfuls of blood, his breathing sound became faster and faster, obviously he was almost dead.

Rong Shu came back to his senses, and his eyes turned red all of a sudden, “Who asked you to save, I didn’t let you save, I didn’t!”

“I know, but Dad wants to save you, you are my daughter, the person I love the most besides your mother, I even love you more than Jing Ting, so how can I watch you get hurt and not save you, in the first twenty years, Dad did too many wrong things, Dad knows that he can’t make up for you, but now Dad is going to die, can you forgive Dad?”

Gu Yaotian raised his hand and wanted to touch Rong Shu’s face.

But he really didn’t have the strength, and he couldn’t reach Rong Shu’s face.

Rong Shu did not hesitate, directly grabbed his hand, put it on her face, and cried, “You don’t die, don’t die”

At this moment, she really didn’t want him to die.

Even though she knew that he died last, but really saw that he was about to die, she realized that she was actually not so open-minded and so easy to accept.

“It’s too late.” Gu Yaotian shook his head, “Dad has done too many wrong things, it’s time to go down and make amends to those I’m sorry for, Shushu, Dad is very happy to save you.”

This Time I Will Get My Divorce Chapter 1484—Everything Comes to an End

In fact, those bodyguards are also very afraid, after all, no one wants to die.

Therefore, after the planes in the sky informed them of surrender again, they lost their weapons and surrendered without saying a word.

Money is good, but it also has to be spent.

Su Cheng watched the bodyguards' surrender, and he hated it in his heart, but he couldn't do anything.

But he himself insisted on not being willing to surrender, "Just me left, just me alone, I will definitely not surrender, admit defeat to your Fu Jingting."

Fu Jingting squinted, "Do you admit defeat or not, I don't care at all, it doesn't matter to me, I just want to know, why did I kill my father, just because my father married my mother?"

Su Cheng seemed to hear the big call, raised his head and laughed, "Your mother? How could I kill your father because she married him, I don't love her at all!" "What?" Fu Jingting's face changed slightly, "You haven't loved my mother?"

"Of course I don't, I never loved her, the girl I loved, she died a long time ago, died for your father!" Su Cheng's eyes were scarlet and roared.

Fu Jingting's brows tightened, "What the hell is going on?"

"The girl I love with me is a childhood sweetheart who grew up together, I have always loved her, but she fell in love with your father, and even in order to prepare a birthday gift for your father, she went out at night and was bullied, and committed suicide after going back, all this was harmed by Fu Huai, if it weren't for him, my Nuan Nuan wouldn't have died, she wouldn't have died, so I hated him, and I swore I would definitely kill him and avenge Nuan Nuan."

"Ridiculous!" Fu Jingting shouted angrily, "It's really regrettable that someone you like has died, but what does this have to do with my father?" Did my father ask her to prepare the present? You don't go to those who really hurt her to take revenge, you count everything on my father, you are simply trying to add to it.

"Those people really deserve to die, and I really didn't let them go, but your father is definitely not innocent, why did he show up?" I have known Nuan Nuan for more than ten years, why did he snatch Nuan Nuan's heart away as soon as he appeared, so why can't I hate him, if he doesn't appear, Nuan Nuan won't have these happened! Su Cheng looked at Fu Jingting dumbfounded.

Fu Jingting closed his eyes, "What about my mother?" Since you don't love her, how can you be with her, give her hope, and give her despair!

Su Cheng sneered disdainfully, "Of course, it's because that woman has use value, after I knew that the person Fu Huai liked was her, I specially pursued her and made her fall in love with me, and then took the initiative to brainwash her, telling her that the Fu family was targeting my Su family, and let her marry Fu Huai, so as to help me deal with the Fu family, but that woman was simply a fool, after marrying Fu Huai, not only

did she not go to deal with Fu Huai, but also helped me steal the secrets of the Fu family, Instead, he pushed Fu Huai farther and farther, bent on returning to me.

“So, from beginning to end, you were taking advantage of my mother, and you didn’t have a trace of sincerity with her, did you?” Fu Jingting’s fists clenched.

“The person I love, only Nuan Nuan, my biggest wish in this life, is to kill Fu Huai, destroy the Fu family to avenge Nuan Nuan, your mother’s stupid woman, married into the Fu family for more than ten years, did not help, all day long in sentimentality, will only harm me good things, such waste I still keep for what, so I deliberately revealed to her that I am going to get married, I know that she will definitely not be able to bear suicide after learning about this, I just want her to die.”

Speaking of this, he sighed regretfully, “Although I eventually killed Fu Huai, but I was not able to destroy the Fu family, Fu Huai has a good son, the skill is not small, can actually take the Fu family to a higher level, it seems that I want to destroy the Fu family’s wish, it is not achieved, but I can kill you.”

After

that, Su Cheng directly raised the wooden warehouse in his hand and was about to open it to Fu Jingting.

But his speed was not as fast as Fu Jingting.

Fu Jingting had long guessed that he would do this, and when he made a move, he had already opened the wooden warehouse first.

Bang bang!

After several wooden cangs sounded in a row, Su Cheng stared and fell down covered in blood, and everyone could see the unwillingness in his eyes.

But so what?

A generation of heroes still went to their own desperate path.

Su Cheng died, Gu Manyin also died, and Assistant Li also died.

The remaining bodyguards had long surrendered and were handcuffed and led down the mountain.

Everything worked out.

First hospital, in the ward.

Fu Jingting sat on the hospital bed, held Rong Shu’s hand, and waited for her to wake up worriedly.

He looked at her red and swollen face, and he couldn't wait to whip Gu Manyin's corpse.

"Jing Ting." At this time, the old lady walked in with a cane and under the help of Mama Feng, "How is Shushu?"

Fu Jingting gave up his position, "It's not a big deal, Lin Tianchen said, just frightened, two days of rest and recuperation will be fine, it's just that the face is swollen badly."

"This is already a blessing in misfortune." The old lady looked at Rong Shu and said distressedly.

Fu Jingting nodded.

The old lady then asked, "I heard that child from A Huai say that Su Cheng killed your father, not because your father robbed your mother, right?"

Fu Jingting snorted, and then told the truth.

After the old lady listened, her brows furrowed, "It turns out that this is the case behind this, we always thought that Su Cheng loved your mother, and killed your father because your father married your mother, and now I know that the truth is so ridiculous, if your mother knows, will you regret it?"

Fu Jingting didn't speak.

Whether he would regret it, he didn't know, and he didn't want to think about it.

He was disappointed in this biological mother.

The old lady also saw it and changed the subject, "Now

In this regard, Fu Jingting had already guessed, and now it was not surprising to hear Assistant Zhang say this.

"Got it." He replied lightly, and asked Assistant Zhang not to say any more.

After all, a dead man, what does he know so much for?

Even if there is any other truth, the dead are dead, buried in history, isn't it good?

“How is Mrs. Gu’s side?” Fu Jingting asked, this is what he is most concerned about now.

When Gu Yaotian died, only Mrs. Gu was left.

And he and Rong Shu also promised Gu Yaotian that they would take good care of Mrs. Gu in the future, so now Mrs. Gu’s situation must be clarified.

“Mrs. Gu fainted after learning that President Gu died, and she hasn’t woken up yet.” Assistant Zhang replied.

Fu Jingting snorted, “Transfer her to the hospital and transfer her to this side to facilitate care.”

“Yes.” Assistant Zhang nodded.

“In addition, how is the wedding dress on Sophia’s side?” Fu Jingting asked again.

Assistant Zhang smiled, “After the production is completed, Sophia called me a few days ago and asked when you would come over to take a look, I originally wanted to tell you, but because of Su Cheng, I forgot.”

“Let someone ship the wedding dress.” Fu Jingting ordered.

Assistant Zhang responded, “Okay.”

Not long after

he left, Rong Shu woke up, and she was relieved to learn that everything was settled, but finally thought of Gu Yaotian, and her tears flowed again.

She really didn’t expect that Gu Yaotian would sacrifice for her, and at that moment, no matter how much hatred she had for Gu Yaotian in her heart, no matter how big her feelings were, it also dissipated.

She recognized him, recognized this biological father who died for himself, but it was too late.

Rong Shu leaned into Fu Jingting’s arms and cried for a while, then asked Mrs. Gu.

Now what she is most worried about is Mrs. Gu, Mrs. Gu has such a good relationship with Gu Yaotian, Gu Yaotian is dead, and the most collapsed is Mrs. Gu.

It just so happened that Mrs. Gu was also sent here, and Rong Shu immediately proposed to see Mrs. Gu, and Fu Jingting agreed.

It was also quite a coincidence that when the two walked into Mrs. Gu’s ward, Mrs. Gu just woke up.

Rong Shu walked over, her lips moved, and she opened her mouth to shout, "Mom"

At that moment, Mrs. Gu was stunned, she couldn't believe what she heard, until Rong Shu shouted again, she confirmed that she didn't hear wrong, her daughter, really called her mother.

The mother and daughter hugged together, crying silently, Rong Shu apologized to Mrs. Gu for not bringing Gu Yaotian back.

Gu Yaotian's death was indeed a very big blow to Mrs. Gu, otherwise she would not have fainted directly, but Mrs. Gu was able to understand Gu Yaotian's behavior, after all, it was their daughter.

Even if it was not Gu Yaotian who was there at that time, but her, she would have made the same move, and parents are like this, and they can sacrifice for their children.

What's more, for Gu Yaotian's death, Mrs. Gu has long been mentally prepared, even if Gu Yaotian didn't die yesterday, he won't live long, it's just that the time is ahead.

"Dad's funeral, I have already arranged it, and it will be held in three days." Fu Jingting stood by the hospital bed and looked at Mrs. Gu and said.

At this moment, he also changed his mouth and called Gu Yaotian a father.

"Thank you, Jing Ting." Mrs. Gu smiled at him gratefully.

"This is what I should do, just these three days, you can rest and rest and raise your body." Fu Jingting said again.

Mrs. Gu and Rong Shu agreed.

Three days later, Gu Yaotian's funeral was held as scheduled, and there were many people attending the funeral, and almost all the people with heads and faces in the country came, but they all came to Fu Jingting's face.

In the past three days, Fu Jingting and Mrs. Gu disclosed Rong Shu's true identity to the public, and everyone knew that Rong Shu was actually his biological daughter, and Gu Yaotian also became Fu Jingting's father-in-law.

Therefore, the funeral that Fu Jingting organized for Gu Yaotian, these people would naturally come to admire their faces.

When presenting the flowers, Rong Shu told Mrs. Gu about the upcoming wedding between herself and Fu Jingting.

This is what Fu Jingting told her the day before yesterday, and she agreed.

Originally, she had said in the past that as long as all threats were resolved, she would hold a wedding with him, and now it was naturally time to honor it.

Because she also knew that if it was not held, a certain man would have to wait.

Hearing Rong Shu say this, Mrs. Gu was sincerely happy for her, this was the second thing that made her happy after Gu Yaotian died, the first thing was that Rong Shu called her mother.

“When will it be held?” Mrs. Gu took Rong Shu’s hand and asked.

Rong Shu smiled at her, “Next Sunday, when the time comes, you will send me out instead of my father, okay?” “Good

.” Mrs. Gu agreed with a tearful smile.

The fact that Rong Shu and Fu Jingting were about to hold a wedding also went on this day, and soon the whole sea city knew about it.

Fu Jingting just took advantage of this opportunity to send out the invitation, and the person who received the invitation already knew that there was such a day, so he was not surprised, but hurriedly prepared the gift of the day.

Netizens on the Internet also learned that the two were going to have a wedding, and everyone except a small number of sunspots offered their blessings.

Fu Jingting is also very generous, sent red envelopes to netizens, local, you can also go to Fu Group and Tiansheng Group, as well as Sansheng Group downstairs to receive candy, this is not, for a time, the whole network and the sea market is lively.

In the blink of an eye, Sunday arrived.

With the help of Sophia, Rong Shu changed into the century wedding dress specially customized by Fu Jingting, which was incomparably beautiful.

Mrs. Lu and Mrs. Gu were moved and burst into happy tears.

Especially Mrs. Gu, she didn’t expect that she would be able to see her daughter wearing a wedding dress and getting married.

“Sister-in-law, it’s so beautiful, Mom
