4: Chapter 4 I come to testify_1 4: Chapter 4 I come to testify_1 “What are you doing here?

This has nothing to do with you!” Seeing someone stand up for the sanitation worker, Xu Fang immediately straightened her body and shouted.

Bai Xiaosheng also sized up the beauty who stepped forward.

She had a long and graceful figure, not quite as tall and slender as Xu Fang, but she exuded a sense of warmth, where being a bit fleshy would seem burdensome, and being too thin would appear frail.

Just right.

A word popped into Bai Xiaosheng’s mind.

This beauty was truly exquisite and pleasing to the eye, with a hint of fresh vigor.

The more you looked, the more captivating she became.

“I’ve been watching for a while.

This person just came over from the other side.

He couldn’t have seen it, so why would he testify for you!” The beauty met Xu Fang’s gaze, unyielding.

“You don’t have to be afraid of her.

I’ll call the police for you now.” The beauty reassured the elderly woman.

“No, don’t call the police.” Unexpectedly, the old woman fearfully stopped her.

“Miss, I know you’re a good person, but you know how hard it is to find this job.

I’m still on probation; I can’t let the higher-ups know.

I’ll pay for the damages.

I just hope the kind-hearted won't ask for too much." The old woman pleaded, looking toward Xu Fang.

"Pay less?" Xu Fang smirked, gently tapping the car's rear, "Do you know how much this car costs?

Unless you pay a thousand, you shouldn't even think of leaving!"

A thousand!

The old woman visibly shivered.

"Oh my, that's a lot!"

"Not much, look at what kind of car that is, it must be worth that price."

"Can you really come up with that much money, old lady?

What a sin."

The surrounding people couldn't help but point and discuss, unintentionally solidifying the old woman's responsibility.

The beauty, frustrated by the injustice, showed an intriguing expression, making Bai Xiaosheng click his tongue and take another look.

The beauty caught Bai Xiaosheng's gaze and immediately shot him a fierce glare.

"Did anyone get here early enough to testify for the old woman?" The beauty suddenly raised her voice.

The previously chattering crowd instantly quieted down; no one wanted to bring trouble upon themselves.

"What, you don't have a witness?

I have one!" Xu Fang said triumphantly, signaling Bai Xiaosheng with her eyes.

"You dare!"

Bai Xiaosheng took a step forward, and the beauty got anxious, staring at him fiercely, "To be a man of conscience, you can't be so, so..."

So shameless.

It was clear this beauty was cultured, as she held back for a long time without lashing out with a curse.

“Hey, who are you?”

Is she your grandma or your mom that you need to butt in!” Xu Fang put a hand on her hip, “Bai Xiaosheng, ignore her!”

Speak up!

Hey, everyone, listen up, this person saw everything, what’s said is the truth!”

Swish, all eyes landed on Bai Xiaosheng’s face.

In front of everyone’s gaze, Bai Xiaosheng maintained a calm face, “One thousand dollars, it’s not enough.”

The old woman’s face paled instantly, her legs went weak, and Bai Xiaosheng took the opportunity to press a hand on her shoulder, and she immediately sat down.

The beauty’s eyes widened, just as she was about to speak, Bai Xiaosheng’s expression suddenly changed dramatically, and he shouted.

“Auntie, how is it you!”

What happened, were you hit by the car?” Bai Xiaosheng’s voice was so anxious it seemed to change.

The surrounding talkers suddenly fell silent, the beauty was stunned, and Xu Fang was also dumbfounded.

What’s going on?

What did he say, Auntie?

“Auntie, I didn’t recognize you earlier, how are you, can you still stand?”

Should we go to the hospital?” Bai Xiaosheng shouted, not giving the old woman a chance to speak.

For a moment, everyone looked at each other in confusion.

The old woman also looked at Bai Xiaosheng in a daze, unable to understand where this relative suddenly came from.

This scrape, what exactly happened, did a person hit a car or a car hit a person?

How is it that the witness called by the car owner turned out to be the old woman's relative?

The onlookers suddenly grew more interested and began to discuss fervently.

"Xu Fang, Xu Fang, we're acquaintances, but I'm annoyed I wanted to testify for you, and it turns out your car scraped my Auntie!

For this matter, a thousand, it's not enough!" Bai Xiaosheng looked at Xu Fang with resentment.

"Bai Xiaosheng, are you crazy?" Xu Fang had a look of disbelief.

"I'm a witness, everyone saw it, she said it herself, what I say is the truth!" Bai Xiaosheng shouted at the surrounding crowd.

"Auntie, I'm really sorry I almost lost my conscience and was foolish.

We'll go to the hospital now for a full check!" Then Bai Xiaosheng was nearly in tears.

The beauty standing aside had a peculiar expression; the old sanitation lady was still steady on her feet earlier, how come she couldn't get up now, and this person...

Could this be a scam?

Could this woman really be the victim?

The beauty gave an inquisitive look at Xu Fang, whose face had changed color.

"Oh, so that's what's going on!" All of a sudden, the quiet crowd became lively again.

"These drivers today are so irresponsible, driving recklessly."

"Let's go to the hospital, at least get a check-up."

Public opinion suddenly turned.

"Nonsense, it's this geezer who scraped our car!" Xu Fang shouted.

Calling her "geezer" immediately caused an uproar.

People inherently sympathized with the weak, and Xu Fang's words angered the crowd.

"Hey, you're young, could you show some respect, don't you have elders at home?"

"Yeah, yeah, you won't stay young forever."

“Such a low quality, clearly trying to extort someone just now!” The crowd pointed and talked, some couldn’t help but swear.

Bai Xiaosheng’s mouth turned up slightly with a hint of a smile.

Bad people would naturally be dealt with by other bad people, if there’s no other bad person, then I’ll be that bad person.

“Bai Xiaosheng, you dare to harm me!” Xu Fang suddenly shouted, baring her teeth and claws, charging toward Bai Xiaosheng.

“Enough!” Suddenly came a loud shout.

Xu Fang froze, her foot paused.

The door of the BMW opened, and a tall, handsome young man stepped out of the car.

“Ai Wen.” Xu Fang stomped her foot in grievance, pointing toward Bai Xiaosheng and the beauty, “They bullied me.”

Ai Wen cast a cold glance at Bai Xiaosheng, but his eyes lit up noticeably when he saw the beauty.

“I’ll handle this.” Ai Wen stepped forward, ignoring Bai Xiaosheng, and first smiled at the beauty, “Hello, I’m Ai Wen.

What’s your name, beautiful?”

The beauty was taken aback, about to speak, but Bai Xiaosheng stepped in front of her first.

“Your car knocked my Auntie down, let’s see how to deal with this.” Bai Xiaosheng said angrily.

Ai Wen glanced casually at the sanitation worker sitting on the ground and then looked at Bai Xiaosheng, “She hit my car, what do you want to do about it?”

Ai Wen’s demeanor was haughty, his words arrogant, his gaze obviously carrying a dismissive tone.

“The beauty’s here, I won’t waste words with someone like you.

Money, name your price?”

Call the police, I’ve got people.” Ai Wen leaned in, lowered his voice, and said to Bai Xiaosheng, “Poor guy, be tactful, I’ll give you a few hundred bucks to get lost.”

Bai Xiaosheng saw Ai Wen's contempt, and his anger burned intensely.

Being poor means you should be bullied?!

I still have two trillion, I am a CEO!

Bai Xiaosheng's eyes turned cold.

"Red Lotus, pull up all applicable traffic regulations for me!" Bai Xiaosheng's original intent was simple, to prevent the sanitation worker from being extorted and not allow honest people to be bullied.

But now, he changed his mind.

He was going to extort them!
