Chapter 1001

Qiao Muze arranges two people of Li De, and he drives to his villa in a hurry, because he thinks of himself crazy.

Zhuang wennuan is in a daze in the garden. She hears the familiar sound of a sports car. She has a surprise smile on her lips. She walks quickly towards the garage.

At the moment when the sports car stopped, the door opened, and a handsome figure stepped down. Qiao muzer turned around and heard footsteps coming from the direction of the garden.

He looked back and saw the girl running to him happily. He smiled and opened his hand. Zhuang wennuan threw himself into his arms and hugged him tightly. He said happily, "you are back."

Joe Munzer lowered his head and stroked her long hair. He kissed her for a while! It's back. It's done. "

Zhuang wennuan immediately took a step back from his arms. Qiao Muze blinked a little. He saw Zhuang wennuan looking at him from head to toe to make sure whether he was hurt or not.

Joe muzer just lost the mood, and because of her re embrace, and the corner of the mouth raised a smile.

"I'm fine. Li Da decides to change her confession and tell the people behind the scenes so that he can get the price he deserves." Jomunze murmured.

Zhuang Nuan closed his eyes, a trace of excited tears came out, "thank you, thank you."

He didn't want her to thank him, but it's time for him to ask her for some real thank-you.

"What would you like to thank me for?" Joe muzer asked with a hoarse smile.

Zhuang warms and raises her head shamefully. Hearing his words, she doesn't know how to answer.

At this time, Qiao Muze stretched out his hand to tighten her tightly, and dropped a voice in her ear, saying, "then let's meet each other by example!"

Zhuang wennuan's small head buried in his arms suddenly nodded obediently, "Hmm! As long as you don't dislike it. "

Qiao Muze's heart swings, and her thin lips fall on her forehead. "I don't dislike you, I just want you."

This sentence, makes Zhuang warm and comfortable to close her eyes and smile at the corner of her mouth. What could make her happier than marrying him?

However, in her heart, she was worried about his parents' ideas, and she didn't say it.

In the afternoon, Qiao Muze first went back to her parents' home and told them about the recent events, which shocked Qiao's mother. It turned out that the murderer of Zhuang Nuan's parents was her little uncle.

Qiao Yueyang also appreciates his son's practice. He was ashamed of Zhuang Nuan because he didn't have the courage to investigate this matter. He became a bystander. Now, after so many years, his son stood up and let this case come to an end.

"Dad, I communicated with the police. They will lock his whereabouts and arrest him once he returns home."

"I'll make a phone call to see if he wants to come back." Said Qiao Yueyang.

Qiao Muze nodded, "OK, Dad, try it! I brought them back to Li De and I don't know if he knows. If he does, he knows that Li Da will change his confession. Maybe he won't go back to China. "

"I use my method." Said Qiao Yueyang.

At the moment, Qiao Huiyang, who is in the office of a foreign branch, receives a phone call from his eldest brother, "Hello, eldest brother."

"Hui Yang! I want to sign that contract last time! This is my compensation for you. I am willing to give you half of the shares. " The voice of Joe across the sun sounded.

Qiao Huiyang is stunned. He has been longing for a lifetime to own the shares of the family company. However, Qiao Yueyang is willing to compensate him with 30% of his shares. How can he be unhappy?

"Big brother, are you serious? Do you really want to give me half of the equity? " Qiao Huiyang's tone was hard to conceal his excitement.

"Come back and sign the contract!" Qiao Yueyang said, then hung up.

It happened that Qiao Huiyang's four-year guards didn't make a sound, but left secretly, because they knew that once Li De was saved, Qiao Huiyang would be finished, and they would not work for a person who had no interests.

Qiao Huiyang treats his subordinates a little harshly. Naturally, these people will not try to remind him.

Qiao Huiyang listened to the tone of elder brother. He asked again, "elder brother, are you sure? If you're really sure, I'll be back. "

As expected, Qiao Yueyang knew his brother. He was eager to share half of his shares.

"My contract has been worked out. I owe it to you. It was given to me by my father when he left. Come back!" Qiao Yueyang would not hesitate to cheat him back.

Because he did his son's car accident last time, which made him have no kinship with his brother.

"Good! I will go back to China immediately. " Qiao Huiyang answers.

"Good! When you come back, I'll send someone to meet you at the airport. " Qiao Yueyang said and hung up.

He looked up at his son. "He wants to come back."

"Good! Then wait for him to come back! " Qiao Muze also hopes that this matter will be over as soon as possible. When this matter is over, Zhuang warm's wish will be realized. She can accompany him without any worries."Mom and Dad, I've made up my mind. When this is over, I'll be engaged to warm."

After hearing this, Mrs. Qiao and her father were silent. In the past, they would definitely object to it. They felt that Zhuang Nuan was not worthy of their son, but at this moment, they had no such idea.

It's Qiao's people who are sorry for the warmth of her village first. Even if their son marries her and loves her, it's also a kind of compensation to the banker.

"It's your own marriage. You can make up your mind." Qiao Yueyang did not interfere.

Mrs. Qiao glanced at her husband. What else did she want to say? She sighed and looked at her son. "Do you really like her so much?"

"I like her!" he nodded

Mrs. Joe listened to her son's unhesitating voice, and she sighed again, "OK! You make your own decision. As long as you don't regret your choice, you will accompany the person who has passed your life. She is your future wife. "

"Dad, mom, although the family is not as good as us, but she is a kind person, I believe we will be happy." Joe doesn't know how to express his feelings to his parents, but he knows that he loves this woman more than anything else.

What's more, the Qiao family owes her the dealer. He loves her and has more responsibility and compensation.

Qiaohuiyang's registration information was quickly held by the police. At this moment, qiaohuiyang is on a flight to China, which will arrive in about six hours. At the moment, Qiao Huiyang is on the plane, thinking about the big brother's half stock right. However, he doesn't know that several police officers are waiting for him in China.

When Qiao Muze returned to the villa in the evening, under the warm yellow light, he heard a noise coming from the kitchen. He was stunned. Just on the way home, he received her phone and asked if he would come back for dinner.

He answered.

So, is she busy? Qiao Muze put light steps, gently into the kitchen, looking at the girl is picking vegetables slim figure, his thin lips with a smile, like a child, secretly close, and then quickly hugged her waist.

Zhuang wennuan was frightened at the moment when he was held, but his breath was full of the familiar breath of the man, which turned into a surprise.

She turned around, and before she spoke, the man's aggressive kiss stopped up, pressed her next to the sink, clasped the back of her head, a deep kiss.

Zhuang wennuan's face flushed with kisses. As his hands were still wet, he dared not touch his advanced suit. He could only open his hands and let the man kiss her on the forehead.

Under the light, the girl's shy expression is extremely beautiful, like a fragrant rose, which makes the man look at it, but he doesn't want to move his eyes.

"Wait outside first, and dinner will be ready in a moment."

"I'll help you." Joe Munzer finished, he took off his suit and went out.

Zhuang warm busy way, "no, you rest!"

However, when the man came in again, he walked to the washing pool with a smile while holding the dark shirt sleeves, bent down to wash her unfinished dishes.

Zhuang warm heart warm, bent down, then lean on him, small head in his arm miso.

At about two o'clock in the morning, a flight landed. Qiao Huiyang returned in a low-key manner this time, with only a personal assistant. He thought that his eldest brother's driver was picking him up. When he came out, he came to him, only a few men in civilian clothes.

Chapter 1002

"Are you my eldest brother's people? How come I haven't seen you. " Qiao Huiyang frowned and looked at the people close to him.

"Qiao Huiyang, please come with us." The plainclothes officer took out his certificate and showed it to him.

Qiao Huiyang's face changed, but the next second, he was made, cold handcuffs on his wrist.

"What are you doing? Did I break any laws? You have no right to do so. I want to see my lawyer. " Qiao Hui's scolding in a sunny voice.

"When we get to the police station, let's have a good chat about what you've done!" The police said coldly. Without any mercy, they pressed his shoulder and walked towards the police cars that had been waiting for a long time.

Qiao Huiyang is really shocked at the moment. What's the matter? How dare Li Da rebel against him? Doesn't he want his son's life? Qiao Huiyang clenched his teeth and thought.

Of course, he can't figure out how to do it now. Li Da loves her life, which is his biggest weakness. He can't do it. As long as Li Da bites her to death, he won't be in danger.

However, after arriving at the police station, even though Qiao Huiyang was a little tired, the police did not give him any chance to rest, but put him under a strong light and began to interrogate him.

Qiao Huiyang is also an old and treacherous man. Of course, he won't admit the crime so easily.

"Qiao Huiyang, seven years ago, did you instruct your subordinate Li Da to force Zhuang Yanming and his wife to commit suicide?"

Qiao immediately denied, "I didn't, I didn't know anything."

"Li Da has already told us all about it. Don't deny it. Call on the facts at once." The police took a picture of the table.

Qiao Huiyang sneered, "how can I admit what I haven't done?"

"Then we can tell you something you don't want to hear. Your nephew, Mr. Qiao Muze, has successfully rescued Li Da's son, Li De, from your hands and brought him back to China safely. Now, you want to threaten Li Da to bear all the charges for you. This move has failed."

Qiao Huiyang's face suddenly changed. He cried out, "no way, you lied to me. If you want to cover me, I won't say anything."

At this time, the police picked up the iPad and flipped through the scene where Li Da and his son met in the afternoon. "We don't have to lie to you. You can have a look at it yourself! You are now guilty of more than one crime. If you don't plead guilty, you really have no way to go. "

Looking at the video, Li Da and his son cry across the iron bars, Qiao Huiyang's figure immediately slumped in the position. He never thought that Qiao Muze rescued Li De, and his useless subordinates didn't even report to him.

"Li Da still keeps a lot of evidence that you committed the crime together. Your last phone call was recorded by him. Now, we can confirm that you planned the event that Li Da was instructed to kidnap Zhuang Nuan in high school. You forced Zhuang Yanming's husband and wife to commit suicide with Zhuang Nuan."

Qiao Huiyang's face is dead now. He shivers all over. He is afraid of death. He didn't expect to face such a fate when he was in the beautiful scenery.

"I want to see my lawyer and my big brother." Qiao Huiyang still hopes to be saved.

"Well, we'll arrange tomorrow. Now, tell us the facts of that year!"

In the night, Zhuang Nuan nestles in Qiao Muze's arms and sleeps. Qiao Muze is also tired of running, and two people depend on each other to sleep.

Early morning.

Qiao Yueyang also took the initiative to come to the police station. He just came to see Qiao Huiyang. At this moment, Qiao Huiyang has no boss's momentum. He sits in a small detention room with a blue face. The whole person is ten years old.

When he saw Qiao Yueyang, he immediately grasped the railing excitedly and shouted, "big brother, big brother help me, help me, I didn't kill, I didn't kill."

Qiao Yueyang looked at him, and there was no sympathy in his eyes. He just looked at the younger brother calmly and said, "this is something you have committed by yourself. No one can help you."

In this detention center, there is another person, Li Da. Li Da also knows that Qiao Huiyang is in. He is very happy.

Because he hates Qiao Huiyang so much now.

"Big brother, you have to believe me. I really didn't kill Zhuang and Yan Ming. You get me the best lawyer and protect me." Qiao Huiyang pleaded.

And Li Da said with a loud sneer, "Mr. Qiao, where is your conscience? Do you remember how you threatened me to do things for you? You washed away a hundred million yuan and killed Zhuang Yanming's husband and wife. The previous month, you almost killed your nephew. "

"You shut up, Lida. I'm very kind to you. What are you talking about?" Qiao Huiyang scolded at the fence.

Qiao Yueyang's eyes also stared at him coldly, "you dare to start even my son, and you still expect me to save you?"

"I didn't!" Qiao Huiyang loudly denied.

"General Manager qiao, when you were young, you thought about asking for the life of master Qiao, but you didn't get it." Li Da is sarcastic.

"Shut up for me." Qiao Huiyang is going mad. But Qiao Yueyang looked at the younger brother, and he had calmed down a lot. "My son nearly died in your hand twice. I know all these things. Even in that year, I doubted you, but I didn't check you. Now, heaven will repay you. Do you good!"

"Big brother, big brother, you believe me, I didn't do it." Qiao Huiyang also wants to seize the last chance to get out.

But Qiao Yueyang turns around and doesn't look at him any more. Qiao Huiyang's whole body collapses and despairs behind him. He reaches out to hold the iron bar tightly, and his last chance to save his life is gone.

"Mr. Joe, I'm honored to be here with you." Li Da's voice nearby mocked.

Qiao Huiyang closed his eyes, and he knew what kind of ending he was facing. Yi's family, LAN cunian and LAN Qianhao take good care of Yi Jinglong for two days. He is in a better mood. However, this attack still makes him ill, his blood pressure rises and he takes medicine.

Isaiah is also hiding in her friend's house now. She dare not go home. She dare not even visit her mother, for fear that everyone knows that she is Zhang Dingxiang's daughter, the daughter of a murderer.

All of isier's sense of superiority has disappeared. Before, she wanted to marry LAN Qianhao. Now, LAN Qianhao looked at her more and she thought he was mocking her.

She did not expect that one day, she would be unable to raise her head because of her mother.

At the moment, the police hold the story of the incident in the nanny's side, and the trial date of Zhang Dingxiang is set three days later.

Zhang Dingxiang used to spend a lot of money to maintain her skin. Sitting in the detention center, she has become like a ghost. Her whole body is like a withered flower and has no vitality.

Now, the only thing she can't let go is her daughter. To her disappointment, she hasn't seen Isiah come to see her.

Qiao Huiyang's case is also under rapid investigation, and Zhuang Yanming's case was taken out for investigation again. Qiao Huiyang has more than two lives in his hand. Li Da kidnapped his son in revenge, and he would like to take Qiao Huiyang to die together. He would never give Qiao Huiyang a chance to escape, otherwise, he would not report his son and grandson as soon as he got out of prison.

There are at least four lives in Qiao Huiyang's hands that Li Da confessed. In addition to the murder of Zhuang Nuan and Qiao Muze, Qiao Huiyang has been punished for several crimes.

In the shopping mall, Qiao Muze takes Zhuang wennuan out for a stroll. Zhuang wennuan hasn't come out for a long time. Although she can stand the loneliness, she will feel better when she comes out for relaxation and shopping.

Now the case of her parents is being retried, and the murderer of that year has to pay a price. She is in such a good mood that she has never been so relaxed.

Although Zhuang wennuan was wearing a mask, she was recognized by several female fans when she was walking in the mall. They followed her excitedly, but did not disturb her.

After Zhuang wennuan paid the bill, he was led by Qiao Muze and left. Fans beside him all marveled that Zhuang wennuan's boyfriend was really handsome, rich and in great shape.

Zhuang wennuan leaned in Qiao Muze's arms with some shame and felt the look from all around, a kind of sweetness came to her heart.

Chapter 1003

In the first people's court, Zhang Dingxiang's case was pronounced. Due to her bad condition, she was punished for several crimes. She was sentenced to 30 years' imprisonment. For her 46 year old age, she spent the rest of her life in prison.

After hearing this, Zhang Xiang, who was sitting in the defendant's seat, turned over her white eyes and fainted with fear.

Sitting on the side of the auditorium, Yi Jinglong's eyes looked coldly at the fainting woman, without any sympathy. On the other side, Yi Siya covered her mouth and cried loudly, but she knew that her mother's mistake was unforgivable. Now, her father also hated her deeply.

After her mother's sentence, her father will drive her out of the Yi family and exile her. I don't want to see her in my life, because mother has become a thorn in his father's chest.

Sitting next to Yi Jinglong is LAN chunian and LAN Qianhao. They are satisfied with the result. Zhang Xiang has such an ending. She deserves it and suffers from it.

Zhang Dingxiang was rescued by the police who pinched her. When she woke up, she cried loudly. She turned around and looked at the direction of Yi Jinglong. Her eyes were reluctant, but she really loved him.

But yijinglong looked at her, just disgusted.

"Take good care of my daughter. All these crimes are caused by me. They have nothing to do with her. She is innocent. Jinglong, please." Zhang Dingxiang shouted to yijinglong.

At once, Isaiah choked, "Ma..."

"Think of ya, you have to live a good life, your mother is not around you, you have to take care of yourself." Zhang Dingxiang admonishes her daughter.

Until her eyes looked to the next blue junior, she was a little flustered and did not dare to look directly into her eyes.

These days, she's closed. She repents. All her mistakes started from the beginning when she was close to yijinglong.

Coming out of the court, Yi Jinglong said to LAN chunian, "chunian, I'd like to go out for a walk in a few days to relax. You have a good rest in China, and you're tired recently."

"Well! Dad, you'd better go out for a walk. " LAN Chu nodded and looked at her father, who was thin and a little old. She was really distressed.

Sometimes, she would think that if she didn't show up, her father would never know the truth of that year and would not suffer from it. However, if she didn't show up, her father loved her mother and herself while living with the murderer, which was even more unfair to him!

In this world, there is nothing that can make the best of both worlds. We can only say that all things are meant by God!

Isaiah walked behind her with some resentment. She had only resentment for the appearance of blue Chu Nian. Her appearance directly destroyed her life and sent her mother to prison, which was also her.

From her point of view, even if what her mother did in those years is forgivable and right, she is also thinking, why didn't her mother strangle blue Chu Nian?

Her eyes fell in love with LAN Qianhao's tall and straight back for a few seconds. Blue chunian's hand was tightly held by him, not like brother and sister, but like a couple.

Yi Jinglong said to LAN Qianhao, "Qianhao, please take good care of my first thoughts. I'm not in China at this time."

"Don't worry, uncle, I will take care of her and not let her suffer a little injustice." LAN Qianhao nodded and promised.

The blue at the beginning of the side read the eyes of shame, Yi Jing Long all see in the eyes, also happy in the heart.

After LAN Qianhao left with LAN Xunian, Yi Jinglong said to Yi Siya who was following him, "I will send you abroad these two days. I have found you a good university. After you finish your studies, you can stay in that country!"

"Dad, are you trying to get rid of me? In your heart, only blue Chu read it, didn't you? " Said Isiah with a jealous look.

Yi Jinglong's eyes looked at her majestically, "you are also my daughter. In the future, you are not allowed to learn from your mother's narrow mind. I want you to be a kind and generous person."

Isiah was gnawing her teeth, and in the majesty of her father's eyes, she had to keep silent.

But in my heart, I was more and more hated.

LAN cunian recently took care of her father. It's hard for her to go to sleep. Even if she sleeps for several hours every night, she is half asleep and half awake. Now, the case of Zhang Dingxiang is finally over. Father wants to go abroad again to relax, she also relaxed down, a lax, sleepy idea came up.

When blue Qianhao stopped at the traffic light, he looked at the sleeping woman beside him, and he turned his head in the direction not far away, and drove to the direction of his villa. The sports car drove into LAN Qianhao's private villa. There was no noise around, which made LAN chunian sleep sweeter. Even when the car stopped, he didn't wake up.

LAN Qianhao doesn't rush to get out of the car. These days, he doesn't have a good look at her. Looking at her thin face, he is really distressed.

LAN Qianhao sighed softly, reached for a long hair on her forehead and put it behind her ear. He pushed the car door to get off, went to the front passenger seat, took off her seat belt, reached for her and hugged her horizontally.

LAN Chu can't help but open her confused eyes in fear, but when she finds herself in a man's arms, she bends her lips and smiles, squinting her eyes on his shoulder and continues to sleep. Blue thousand Hao low way, "I hold you back to the room, you sleep!" "Well!" Blue Chu read a, of course, she fell asleep at ease, because he is in, she is not afraid of it!

LAN Qianhao thinks that her room hasn't been cleaned up for some time. There may be dust on the bed. However, his bed sheet has been newly changed recently. It's very clean. He just turned around and carried her into his room. LAN Jiunian is sleeping again now.

When LAN Qianhao put her gently on the bed, LAN Chu thought of turning over and fell asleep naturally.

Blue Qian Hao reached out to cover the quilt gently on her body, bent down and kissed her on her delicate face.

LAN Qianhao sat in front of the bed and stared for a while before he went downstairs to the coffee machine and ground a small cup of coffee powder to make a cup of coffee for himself.

Outside the window, it has become the color of early winter from autumn. These days, all his thoughts are on blue Chu Nian. What she is experiencing, he will feel the same.

After making a cup of coffee, LAN Qianhao sits on the sofa with his hands, enjoying the fragrant coffee alone in this leisure time.

Out of the window, the early winter sun appears very pure, playing in front of the dark gray curtains, also shrouded in the elegant figure of men.

As if a quiet picture, blue thousand bright handsome face hook out the most moving notes.

In recent two days, Qiao Muze and Zhuang wennuan are also looking forward to Qiao Huiyang's trial. At the same time, Zhuang wennuan told Grandma about this, and the old lady decided to come back to live for a while.

Qiao Muze sent a private plane to pick her up. Now Zhuang Nuan and Qiao Muze are waiting for her at the airport.

I haven't seen grandma for a while. Zhuang Nuan missed her very much. After I went there last time, I also thought that grandma was very comfortable there, and she was also happy.

At 3:30 in the afternoon, the old lady came out accompanied by several assistants. She was very happy and excited. She grew up. This honor was the most honored treatment. When she came out to see Zhuang Nuan and Qiao Muze standing beside her, she immediately recognized, "isn't this Xiaomu?"

"Hello grandma." Joe Muse cried out sweetly.

"Ah! Look how handsome the child is! " The old lady praised and looked at her granddaughter. She couldn't help being happy for her. She thought to herself, this little Mu is her future son-in-law.

Good!

Qiao Muze reaches out to help her. Zhuang Nuan is also a little shy. The old lady's eyes flash with satisfaction.

Zhuang wennuan has cleaned up her grandmother's previous home. Now, she comes back with her. Qiao Muse thinks that Zhuang wennuan was pushed off the balcony last time when he killed her here. He still plans to build a better environment community for them.

However, the old lady is familiar with all the places. The old man doesn't love those high-level places very much. It's a feeling that she lives near here.

"Warm, tell Grandma what happened when I was away? How did your parents' case get reopened? " The old lady on the phone just said that she said the murderer had been caught, but she was very curious about how.

Chapter 1004

Zhuang wennuan looks up at the man beside her. Qiao Muze nods gently to let her say her identity.

"I'll go down and buy some fruit and come up in a moment." Joe Munzer gives them two privacy.

"Xiaomu, we'll have dinner at home tonight!" The old lady called.

"OK! Then I'll drop in and get some food. " Qiao Muze replied with a smile.

After choumuze left, the old lady could not help laughing and praising, "warm, the child is handsome and gentle, it can be seen that it's good for you, you don't have to pick him, just him!"

Zhuang wennuan didn't expect grandma to be so direct! She smiled and nodded, "Well! I like him, too. "

"Is the plane that picked me up this time his? Is his family rich? How can I have a plane? " Before the old lady realized this, she thought that Qiao muzer was Zhuang Nuan's assistant.

Zhuang knew that she could not conceal his identity any more. She nodded, "grandma, I'll tell you his real identity, but don't get excited first, OK?"

"Then hurry up! I like this child. " The old lady urged her.

Zhuang wennuan said nervously, "grandma, do you remember Qiao Yueyang? Joe's group president of that year. "

"Big boss of Joe's group! Why don't you remember? " The old lady's face changed for a while, because she was really full of resentment towards the Qiao family before, and had a shadow of her heart.

"Grandma, his name is not mu. His name is Qiao. He is Qiao Muze, the son of Qiao Yueyang." Zhuang Nuan tells the truth.

The old lady immediately looked back at her in shock, "what? Is he from the Qiao family? Qiao Yueyang's son? "

"Grandma, although his surname is Qiao, my mother's father's death can find out the truth. He helped me. It was his uncle Qiao Huiyang who killed my parents, but he had nothing to do with other Qiao family members." Zhuang warm warm hard and attentive explanation way.

The old lady was surprised again. "Sure enough, the person who killed your parents was the Qiao family. I suspected that they did it."

"Grandma, even if Qiao Huiyang is Muze's uncle, he is also the one who personally sent him to prison."

"What? Did little Mu help you put his uncle in jail? "

"Qiao Huiyang forced his father to make false accounts for him and misappropriated one hundred million yuan from the Qiao group. It's just that he ordered a group of his subordinates to do it, which has nothing to do with other people." Zhuang wennuan makes it clear.

The old lady sighed. Although she didn't know what had happened recently, she saw Joe muzer's character in her eyes.

"Warm, there are bad people and good people in the world. I can't think about him just because his name is Joe. You like it." The old lady patted her on the shoulder. "Grandma doesn't blame you."

"Thank you grandma. Now we're waiting for the trial. Maybe it's just a few days. Then, you can go and have a look at the fate of those people and let your parents rest in peace."

"Good! Grandma is waiting for this day! It's thanks to you that I saw this day before I was born, and then I can see your parents under Jiuquan. "

Zhuang warm eyes a heat, can't help being grandmother this sentence to infect the sad mood.

"I'm a man who can earn a day by living. As long as you live well, I'm satisfied." The old lady felt it.

Half an hour later, Joe came in with vegetables and fruits. When he came in, the way he smoked the vegetable bag made his noble identity more smoke and fire, which was very earthy.

The old lady looked at him with great ease. After knowing his identity, she watched him condescend to buy food for her family. Maybe she really loved her granddaughter. Zhuang wennuan reached for the dish and said, "I'll cook later."

Qiao Muze looks at her and asks her with his eyes. Zhuang Nuan nods to him gently to show that he has told grandma.

"I will! You can talk with grandma. " Joe Munzer decided to cook himself.

The old lady heard him and looked at him in surprise, "Little Joe! Rest all of you. I'll do it! "

"No need, grandma. I'll have a chat with you." Joe Munzer listened to the old lady change his name, and his heart was relieved.

Fortunately, the old lady didn't mind that he was from the Qiao family.

Zhuang wants him to behave in front of grandma, so she has to smile and say, "OK! I'll give you dinner tonight. "

Now I'm worried about the old lady. She's from the last generation. How could a man be busy in the kitchen and a woman rest?

"You child, go and help! I'll go back to my room and tidy up. " The old lady pushed the villa to warm up. She was not allowed to do this.

Zhuang wennuan chuckled, "OK, then I'll help him."

Zhuang wennuan walked into the small kitchen and watched the man's tall body bend down a little wrongly, washing vegetables in the low sink. She walked over with a smile, "I'll wash vegetables, you can cut them!"

Qiao Muze was pushed aside by her. They were small. They were close to each other, but they were sweet and warm. Qiao Muze didn't leave, so he stared at her. Then he stole a kiss on her side face. Zhuang wennuan is scared. She looks out of the window. Fortunately, grandma is back in the room. Otherwise, she is ashamed to death.

"Don't do that here." Zhuang Nuan complains a little.

Qiao Muze is squinting a pair of smiling Mou, "that you mean, can be like this in my home?"

Zhuang warm a choke, feel this man always catch her speech disease, but, this kind of flirtatious way, still make her heart sweet Zizi.

"None." She pretended to say one.

The two young people were crowding around in the narrow kitchen, but they had different happiness. The laughter from time to time made the old lady in the room listen, and they couldn't help but enjoy themselves.

The family has been quiet for a long time, and there is more bustle at last. If there are two more children in the future, the family will not be lonely.

In the evening, Qiao Muze's fried dishes were served. The two men also worked out a table of rich dinners. Moreover, they were all dishes with light taste, suitable for the elderly and very nutritious.

Looking at it, the old lady can't help praising Qiao Muze's cooking skills. It seems that the future granddaughter will have a good fortune.

In LAN Qianhao's villa, when LAN Chu read this sleep, she fell to this point. When she opened her eyes in a daze, what she saw was a pair of long legs. Then she raised her eyes and saw LAN Qianhao sitting beside her with the iPad to work.

Moreover, she slept in his room. She could not help but sit up with her elbows on her back.

"Big brother, didn't you sleep?" LAN Chu asked curiously.

"Are you full?" Blue Qianhao looks gentle.

"Well, I How can I sleep in your bed! " LAN Chu read some shameful questions.

"Your room hasn't been cleaned for a while. I'm afraid there's dust on the bed, so I took you into my room." LAN Qianhao explains it again.

LAN Chu thought and smiled sweetly, but she didn't mind. During this period, she didn't think about their future. Now that her father's business is over, she began to think about herself and his future.

"Big brother, do you think we won't be told when we are together?" LAN Chu Nian asked as he leaned against him and sat down with his knees folded.

LAN Qianhao reached for her, and her eyes fell on her painfully. "No matter what other people's eyes are, we bear them together. As long as we are firm enough, we are not afraid of the eyes of the outside world."

"My father told me last time that when he came back, he would publicly announce my identity. At the same time, he also hoped that I would change my name back. Later, my name is Ian Yu, and we are two people."

"Blue thousand Hao chuckles," it seems that uncle has seen

"My dad should know." LAN Chu read blushing and nestled in his arms. "Our family are all behind us!"

"They won't have any opinions. As long as we two like each other, they will only bless us."

"Big brother..." Blue early read also want to say what, but quickly fell on the head of a correction words, "later do not call me big brother."

"Er?" Blue early read blinked an eye, don't understand of looking at him, "why?"

"Call me by name!" LAN Qianhao corrects her.

At the beginning of blue, I thought about it. Then I murmured in a low voice, "blue Qianhao Thousands of Hao! "

"Louder, I can't hear you."

"Qianhao..." LAN chunian laughed at him loudly.

A pair of eyes like the curved moon, lovely and moving, make blue Qianhao immediately throw away the iPad, smile at her and kiss her.

Chapter 1005

Zhuang wennuan accompanied her grandmother at home, and also moved back from Qiao Muze's villa. Qiao Muze was not sure about them, so he sent a bodyguard to stare at them downstairs. No paparazzi was allowed to let go.

Zhuang wennuan accompanies her grandmother and lives a quiet and ordinary life. Moreover, she often accompanies her grandmother to walk around recently, buy vegetables and go to the supermarket.

The old lady's mood is also very good recently. It seems that her spirit is better. In the afternoon, after eating, she also likes to ask some little sisters to play cards in the park. She loses ten yuan a day. She is also very happy.

Zhuang warm warm this period of time, has not been busy in the music career, she does not want to abandon her favorite career, even if she can not fire in the future, she just needs to be reassured to do her own music.

Her two new songs have already been composed. When she has time, she will go to the studio to try them.

Now, she is also waiting for Qiao Huiyang's case to be determined. Those who should pay the price must pay the price. Although they can't save their parents' lives even if they pay the price, at least comfort them!

In the morning, Zhuang warm received the call from LAN chunian, who had not been contacted for a long time. The two sisters made an appointment to have afternoon tea. They also met for a chat.

Both of them were dressed in a very low-key way, sitting in the box, and no one came to disturb them. Both of them were chatting about recent events and were happy for each other.

Zhuang warm also happy for her, and finally find their own like, and this person, has been quietly guarding her.

"First read, I bless you." Zhuang Nuan is happy for her.

"Well! My name will be changed later. I will live with my father. " Said LAN Chu Nian.

LAN chunian is also happy for her. Finally, her parents' murderer is about to be brought to justice. She is also happy and sweet with Qiao Muze.

The two sisters chatted for an afternoon, talking to each other, and their mood became better.

In the evening, Qiao Muze's driver came to pick up Chuang Nuan and sent LAN chunian back home by the way.

Chamuzer will take her and grandma out for dinner tonight. Zhuang wennuan promised. But the old lady is not willing to go out. She is not used to those fancy restaurants, which will make her uncomfortable.

"Warm, go with muzer! There's still food at home. I'll be happy if I make some by myself. "

"Grandma, let's go!" Zhuang warm advised.

Now, the old lady doesn't want to disturb their young people's time together. She pushes the villa and says, "no, I'll eat it at home. You go to dinner with muzer. You young people have more feelings."

"Grandma!" Zhuang warm some helpless, but, she knows, grandmother does not like to go out to the restaurant, perhaps at home to eat noodles, she will be more happy.

"Well then! Then I may come back later. " Zhuang wennuan said to her.

"Nothing! Go play! If it's too late, go back to Muze's house for one night! " The old lady is also an enlightened person.

This made Zhuang warm and pretty. She wanted to tell Grandma that although she had lived with Qiao Muze for three months, they respected each other.

However, when she thinks about it, she doesn't have to say it deliberately. Anyway, she and he are already together. That kind of thing, let it go!

Zhuang wennuan went downstairs, the window of the driver's seat fell down, Qiao Muze's eyes looked at her in surprise, "didn't grandma come down?"

"My grandmother said that she didn't like eating out. She wanted to eat at home. Let's go!" Zhuang wennuan opens the front passenger's door and sits in.

Joe Muse nodded. "Tomorrow I'll buy more vegetables and get some delicious food at home."

Zhuang wennuan thinks of grandma when he sees him. When she feels warm, she says.

Joe muzer changed the restaurant again. Before, he ordered a very high-end Chinese restaurant, but this time, he changed it into a romantic western restaurant.

Sitting in the dining room, after ordering the meal, Zhuang warms up with his chin. Under the light, a small face still looks worried.

"What's the matter? Not happy? " Chamuzer reached over and took her little hand.

Zhuang wennuan shook his head and chuckled, "no, it's just that so many things have happened recently. I feel it."

"I want to take you back to see my parents tomorrow, would you like to?" Qiao Muze sticks to her hand and looks forward to it.

Zhuang warm warm immediately and nervously swallowed saliva, "tomorrow?"

She was really unprepared. She remembered what Mrs. Joe said to her last time and the card in her hand. She had to give it back to her.

"Tomorrow, my home and I are ready to take you back to lunch." Joe murzer said in a low voice.

"Will uncle and aunt accept me?" said Zhuang, biting his red lips

Qiao Muze reached out and stroked the back of her head and said, "don't worry! They will accept you. I like you. They have no opinion. "

Zhuang warm nodded, "OK, I'll go back with you."

After dinner, the two drove to a nearby seaside Avenue, where there was a very quiet walking place. Qiao Muze takes her to walk in the corridor built by wood. Zhuang wennuan accompanies him and enjoys the boundless sea view. His mood is better unconsciously.

Under a dim yellow street lamp, there was no one around. Zhuang wennuan was leaning against the railing, so she felt that the man was coming near. She raised her head somewhat shamefully, and he gently held her waist, with a handsome face.

Zhuang Nuan immediately closed her eyes nervously. Under the thin cicada wing eyelids, she could feel her flustered eyes turning around. It was so lovely that Qiao muzer's first kiss fell on her eyelid.

Zhuang wennuan reaches out and hugs his waist. He kisses her tenderly. There is no aggressive breath. Little by little, he grabs her heart.

Zhuang wennuan also heft his toes, put his arms around his neck, and kissed him in the dark.

A kiss, let two people gasp, Qiao Muze's eyes clearly write enough, he wants more, Zhuang wennuan dare not look him in the eyes.

But she knows what's going to happen tonight.

"My grandmother said If I go back late, I can stay at your house for one night. " The opening of Zhuang warm and shy.

Qiao Muze's eyes immediately touched with a smile, and he gently pressed her into his arms, "OK, then accompany me home!"

With that, he put a low, hoarse voice line in her ear, "tonight, we'll sleep together."

Zhuang's warm face only feels hot and hot. He is buried in his arms and doesn't want to look up, for fear that he will see a shy and difficult self.

Two people returned to the car, Qiao Muze's speed quickly drove to a road leading to the direction of his villa, Zhuang Nuan felt his anxious appearance, she was a little funny and restrained.

Probably, this kind of thing can only be felt by her!

Qiao Muze also changed his normal high cold ascetic appearance. At the moment, he showed his thoughts without reservation. He wanted her, and could not bear more.

Tonight, he's going crazy about her.

The sports car stopped at the front door of the villa. Joe muzema got off the car, and Zhuang Nuan pushed the door to get off the car. Along the way, she also felt his breath, which made her nervous mood relax.

However, as soon as she got off the bus, the man approached her. She was in the dark doorway of the porch and was directly held up by the man. Zhuang was warm and low, but she was giggled with fear.

"Let me down!" She asked softly.

"Don't let it go." The man bawdy low cry.

The automatic lighting, along the road, shines the villa bright. The villa is warm and quiet buried in his arms. She knows that tonight she will not refuse any of his requests.

I can't sleep because I'm in love all night.

In the morning, Zhuang wennuan opened her eyes and felt a hot body approaching. She immediately begged for forgiveness. The man behind her smiled, "OK, just hold you and sleep in peace."

Zhuang warm mouth curved a sweet and satisfied smile, pretty face red, turn around, hold the man, in his arms looking for a most comfortable position, sweet sleep.

At noon, Zhuang wennuan went to the supermarket. Qiao Muze accompanied her to buy vegetables. Tonight, they will go back to Qiao's house for dinner. Therefore, Zhuang wennuan needs to prepare more vegetables for the refrigerator at home, so grandma doesn't have to buy any more.

The old lady watched as they came back from shopping. She was also happy. At the same time, she was going to invite some old sisters who had a good time to talk at home today. Zhuang wennuan also mentioned to her that she would go to Joe's house for dinner in the evening.

Chapter 1006

The old lady immediately taught her how to be a good daughter-in-law in the future as a person coming here. Zhuang Nuan listened carefully. She naturally understood some of the principles of life.

"Why, what happened to your neck? It's all red. " The old lady saw a red mark hidden under her long hair.

In Zhuang's mind, she immediately recalled the place she had been kissed by this man last night. She was so ashamed that she reached out to cover it and explained in a flurried way, "Oh! Last night I had seafood last night. I'm allergic. "

"As a child, you were allergic to prawns when you were a child. You dare to eat seafood. Pay attention later. Look at this big piece and rub some anti-inflammatory medicine." The old lady didn't think much at all. Instead, she told her to pay attention.

Zhuang wennuan breathed a sigh, gathered her long hair and covered her red mark. She was a little upset. How can I do this? I'll see his parents tonight! From Grandma's home, Zhuang wennuan sat in the car, opened the mirror and looked at the strawberry mark on his neck. He murmured, "what can I do now?"

Joe Munzer also blamed himself for being too careless last night.

"Go back and cover it with cosmetics! You should not be able to see it when you cover it with your hair. " Chamuzer leaned over and kissed her long hair. "Let's go home!"

Zhuang wennuan can only do this. Next time, he can't be so close.

At about 5:00 p.m., Qiao Muze and her family also made an appointment. Zhuang wennuan went to see her future parents in law for the first time. She chose a long dress with elegant temperament and conservative shape, which made her whole body clean and charming.

Chamuzer watched her come down the stairs, his eyes soft and doting, from now on, this woman is his top pet.

The two headed all the way to Joe's house.

Qiao's house and Qiao Yueyang's husband and wife are also busy for meeting tonight, especially Mrs. Qiao. At the moment, she also regrets that she impulsively went down to see Zhuang Nuan and said that. She really hopes that Zhuang Nuan will not put that day's words in her heart.

If the person who remembers the revenge, then he can let Zhuang warm warm have an opinion on her and erase the good feeling.

And that card. She hasn't given Zhuang wennuan a chance to return. However, the swiping record of that card is on her mobile phone. So far, she hasn't found that Zhuang wennuan has used this card.

"Yue Yang, I'm so upset. Do you think she will remember me?" Said Mrs. Joe to her husband.

"Don't worry! That is to say, the girl recognized by Muze should be a girl with understanding and will not be remembered in her mind. " Qiao Yueyang comforts his wife.

Mrs. Joe nodded. "Also, if she really keeps it in mind, I can't help but be better to her later."

In fact, in Mrs. Qiao's heart, there are still some people who are not willing to marry her son. Is it worth it or not? As his mother, she will worry about him, which is reasonable.

At this moment, the familiar sound of cars came from the yard, and Mrs. Joe immediately got up and said, "it should be their son that they are back."

With that, Qiao Yueyang and his wife went out to meet him.

I saw a slender and elegant figure standing beside my son in the parking yard. In the evening sun, two figures matched each other. One was mature and charming, the other was gentle and lovely. Qiao Yueyang and his wife were shocked.

"Looking at it like this, the villa is very warm and beautiful." Mrs. Joe couldn't help praising her.

"Believe my son's vision, it won't be bad." Qiao Yueyang nodded.

Now, he feels guilty for Zhuang warm and secretly. He hopes that his son can treat the girl who lost her parents well and give her happiness for the rest of his life.

"Dad, mom." Qiao Muze takes Zhuang wennuan to their side, and Zhuang wennuan on the side looks at them with a very polite smile, "uncle, aunt, Hello, my name is Zhuang wennuan."

"Warm, Hello, I've been listening to muzer talk about you. We're very happy to see you now." Joe said lovingly.

Mrs. Qiao on one side was worried, but looked at Zhuang's warm smile as if she didn't mind. She was relieved again.

"Warm, welcome." The Geoff called her.

Zhuang warm eyes to her, eyes clear smile, smile, where is like a person who will remember revenge? Her eyes are rare among the girls that Mrs. Joe knows.

This kind of girl, no scheming means, simple and straightforward, is the kind of girl she likes.

It seems that she had a look before.

"Mom and Dad, let's go in and talk!" Qiao Muze said, took Zhuang warm hand, took her to the direction of the gate.

As soon as they entered the hall, Qiao Yueyang and his wife sat down with each other. They were all looking at Zhuang Nuan. Qiao Yueyang said in a heavy voice, "Nuan, please allow me to apologize to you. I'm really sorry and sorry about your parents."

Zhuang warm heart is also sad, who knows to kill their parents, is really the Qiao family? And he's his brother.

"Dad, this will be over soon. Don't blame yourself." Joe Munzer comforted his father. "Well, don't mention that, muzer, go upstairs with warmth and have a look! I'll make sister Hua a cup of tea. " Said Qiao Yueyang.

Young people are more comfortable together.

Qiao Muze took Zhuang's warm hand and said softly, "let's go! I'll take you upstairs and have a seat. "

"Good." Zhuang wennuan replied.

Two people went upstairs, and after a while sister-in-law Hua brought a very sweet tea. Qiao Muze poured a cup for her, and Zhuang wennuan took a sip of it, which was very sweet.

After a while, Mrs. Qiao came up with fruit. She said to her son, "muzer, your father asked you to go to the study. Let me accompany you!"

Qiao Muze immediately tightened his heart. When he got up, his eyes turned to his mother. Mrs. Qiao gave him a gentle sign and reassured him. She would not say anything to hurt the girl.

Zhuang wennuan was a little nervous instead. She thought of the last conversation with Mrs. Qiao. She still remembered every word she said, but she never hated her.

As soon as Qiao Muze left, Zhuang wennuan gave a place to Mrs. Qiao. After Mrs. Qiao sat down, she said to her, "eat fruit!"

"Thank you, aunt." Zhuang Nuan nodded. At the same time, what did she think of? She took the bag, took the card out of the mezzanine inside, and gave it to Mrs. Qiao with both hands.

"Aunt, this is your card. Please take it back."

Mrs. Qiao was a little surprised, but she didn't pick up the card, just smiled, "take it! Let's take this card as a gift! I didn't prepare anything. I don't know what you like. Take this card to buy some clothes and decorations. "

"No, no, I can't use your aunt's card." Zhuang wennuan shakes his head.

Mrs. Joe sighed and looked at her and said, "what I said to you before, I'll take it back now. That's what I said to you only when I lost my mind. Now think about it, I'm so impolite. Don't put it in your heart."

Zhuang wennuan shook his head again. "I didn't take it to heart. I was wrong. I didn't come to visit you in advance."

When Mrs. Joe heard this, she took a sigh of relief and said to her, "don't you really remember hating me?"

Zhuang Nuan nodded seriously, "I understand your mood at that time. You just love Mu Ze so much, and I know I can't match him, so I will work harder to enrich myself and improve myself, and strive to be your good daughter-in-law."

As expected, Mrs. Qiao felt that her son's eyes were right. She was really a good girl with profound understanding.

"Wronged you." Mrs. Joe looked at her heartily.

Now, Qiao Huiyang catches up, and all the facts of that year are out of the water. She is a poor person.

"It's my life's blessing not to be wronged and to be with Muze." Zhuang warms his lips and smiles.

Mrs. Qiao couldn't help but like it. She sat closer and reached out to hold Zhuang's warm hand. At the same time, she took off a fashionable and expensive diamond bracelet from her wrist. This one is her new one and also suitable for young people.

She took it off and put it on Zhuang's warm wrist. Zhuang was surprised. Where could she afford such a gift?

"Auntie, I can't accept..."

Mrs. Qiao has already put it on for her. She looks down and matches her white and tender skin. It really suits her. She laughs and says, "what can't be accepted? After that, we will be one family, no matter what. "

Zhuang warm warm after listening to this sentence, the heart warm, a stone also fell, finally she was accepted?

Chapter 1007

After dinner from Qiao's house, Zhuang looked out of the window, smiling all the time, because she couldn't help being happy.

She was most worried about things, but found the most beautiful change. Qiao Yueyang and his wife accepted and cared for her, which made her let go and didn't have to worry about anything.

"I said, as long as I like you, my parents won't have a problem." Jomunze chuckled beside him.

"Well!" Zhuang warm smile should be a, crooked head obsessed with looking at him, Qiao Muze immediately empty a hand over, tightly hold her hand on the knee.

Zhuang wennuan is very close to him. Now, I have to wait for my father's case to be closed again. And this incident came very quickly. The next day we got the news. The sentence was to be pronounced that afternoon. At 2:30 p.m., many people who heard the news spontaneously came to attend.

Qiao Yueyang and his wife, Qiao Muze and Zhuang Nuan came with her grandmother, as well as several media people who had been concerned about the case before.

Li Da's son is here with his fiancée. His eyes are red. He probably knows what his father has done in these years. He also understands why he paid such an expensive tuition fee without hesitation. It turned out that it was his hard-working money.

Standing on the dock, led by Qiao Huiyang, stood several of his subordinates, all of whom focused on helping him do evil.

Led by Li Da, they were all involved in Qiao Huiyang's homicide case. They saw Qiao Huiyang standing there with a gray face, both hands and feet with handcuffs and foot chains. He looked back at Qiao Yueyang's husband and wife and didn't say a word.

Although Qiao Yueyang's eyes have the color of regret, if Qiao Huiyang has any unfinished wish, he can help him finish it, but it is obvious that Qiao Huiyang has already resented him.

Zhuang warm eyes red, the old lady also covered her mouth and choked, it was this group of people that cruelly forced her daughter son-in-law to commit suicide, which really made her chill.

At the beginning of the sentence, Qiao Huiyang was not surprised. He was charged with the death penalty, which was executed a week later. Li Da also deprived his political rights of life and life imprisonment. At least one life was kept. The next people were all sentenced to severe punishment.

Zhuang warm tears silent fall, parents revenge finally, she thought, parents in Jiuquan see, will be very happy!

When Qiao Huiyang finished his sentence, his whole body was trembling. It's hard for him to wait for death.

From the court, Zhuang wennuan helps grandma and Mrs. Qiao to come out and comfort the old man, and asks Qiao muzer's motorcade to escort them home.

Looking at the car where Zhuang Nuan and Qiao Muze left, Mrs. Qiao sighed, "I don't know that he dares to do such a thing. You've been helping him. He's not satisfied."

"I also regret that if I had checked before Zhuang Yanming moved the account, I would not have come to this step."

"Do you think Zhuang Yanming was forced? He shouldn't have done it! "

"The police found his account book. I saw it. He should be forced. Maybe Huiyang was holding his family to force him at that time."

"How pitiful the warmth is! In the future, it will be sunny and rainy. Let her live a good life with Muze! "

"Well! Then marry back quickly! The two of us are at home. It's so cold. If we have another grandson, it will be busy. "

In this way, Mrs. Joe's face also showed expectations, "yes! I hope they add oil and give birth to our grandchildren earlier. "

Qiao Muze sent Zhuang Nuan and the old lady back home. After sitting down, he went to the company and came before dinner.

The old lady also took a sigh of relief and said, "warm, come with me to your parents' tomb tomorrow. I want to tell them the good news and let them go at ease!"! Now that you're grown up, you're getting married. "

Zhuang warm nodded, "OK, I'll accompany you tomorrow morning."

LAN Zhai, LAN Chu Nian hasn't practiced dancing these days. Today, she practices in the practice room on the top floor. LAN Qianhao comes back early from the company.

LAN Qianhao watched his parents go out, and his younger brother wrote a paper in the room. He didn't find LAN chunian, so he thought she would be on the top floor.

He stepped up lazily and stood at the door of the training room. He saw that Lan Chu Nian was practicing his waist. It was perfect like a snake's waist, which made the blood of the man watching outside the door burst.

Blue Qianhao's eyes locked the girl who was dancing alone with the music. He took off his shoes and stepped in.

Blue early read is jumping, cold not Ding see the man coming in, she immediately put away the posture of shyness, turn around some lovely ask, "elder brother, how do you come back?"

"Miss you." Blue Qian Hao's low voice, without any disguise.

Indeed, as long as the things at hand are finished, the rest of his mind is to miss her and want to accompany her.

Zhuang warm heart sweet Zizi, hanging waist under the blouse, is very light yoga pants, so that her whole charming figure are revealed.

Blue Qian Hao's breath is very fast. He puts his hand around his waist directly. Blue Chu Nian's waist is under his control. Blue Chu Nian originally jumped out of a body of hot, by his action, his pretty face turned red instantly, which seemed to radiate hot, making the man's eyes immediately deep.

A few hair threads on her forehead stick to her face. Blue thousand white slender hands touch her face gently. The soft skin touch makes his heart instantly hot.

Blue Qianhao gently gathered her hair to her ear, and blue chunian's small head was already drooping more and more because of her shyness. Blue Qianhao hooked his lips and smiled, held her chin with his big hand, and lifted it gently, and blue chunian raised his small head.

Before the reaction came, a hot kiss came down and kissed her slightly red lips.

LAN Chu Nian's head exploded, and he was blushing. This is home! Although her family has supported them together, she can't be so close to him here!

Blue Qian Hao gently against her, to the next corner, today, she sweet so that he would not let go.

A kiss, let the man's breath completely disordered, blue early read not much better than where, two people's breath is very disordered.

At this time, LAN Chu Nian seemed to hear a car coming back downstairs. She immediately reached out and pushed someone.

Blue thousand Hao just reaches her forehead to let go of her, a pair of deep eyes are the most primitive thing.

"First time, let's get married!" LAN Qianhao really can't hold back, because he wants to get her and doesn't want to wait any longer.

Blue early read lips, light head, as long as he is willing to marry her, she is willing to marry.

She has figured out that no matter what the outside world looks at her, she won't care. She will stay with him forever.

Now yijinglong is still on vacation abroad. He sent yisiya to a school abroad. Next, yijinglong went to the places he had been with his ex-wife alone. Because of his guilt, he is looking for the past.

Yi Siya is not a good university, but some three class schools. Yi Jinglong paid for a degree to study here, and was not allowed to return home without his permission.

It's all in exile.

In the morning, Zhuang wennuan lives in grandma's house. Qiao Muze's car arrives around 7 o'clock. Zhuang wennuan accompanies grandma to go downstairs. Qiao Muze accompanies them to offer incense to Zhuang wennuan's parents.

Standing in front of the tombstone, the stone which has experienced wind, frost, rain and snow appears mottled, but the picture above can still see that it is a couple with warm and kind smile.

Zhuang Nuan listened to grandma in front of her and said something to her parents. Her eyes got wet, she turned over and buried her face in Qiao muze's arms.

Her tears were also wet on his high-grade suit. Qiao Muze hugged her and stared at the photos of the couple. He assured them that he would love their daughter, take care of her, protect her and love her for the rest of his life.

The old lady said a lot, as if the couple in front of her were sitting in front of her. She was talking and muttering to herself.

Chapter 1008

Finally, it's time to finish speaking. Put flowers and sacrifices on. Joe muze helped the old lady to sit in the car. The old lady was choked. She sat in the car for a long time.

Tonight, a variety show is being prepared in advance. It's just a singing competition held by a third-class TV station. Some singers who have been famous but now are not.

As soon as Yemeni and Lindsey came in, the staff warmly welcomed them. They also enjoyed being waited on by others and sat in a lounge to prepare for tonight's performance.

"Mani, you say we really have no problem!"

"What's the problem? Didn't we change the lyrics? Even if we want to sue her, we are not plagiarism. " Yemeni said confidently.

"Now, we can only give it a go, let her alone! Zhuang warm warm wants to be famous now, want a man to have a man, she should have no time to step on us Lindsey thought optimistically, too.

In fact, Zhuang's warm songs are very good. They are reluctant to cross out the words she wrote before, so they just changed a few words.

Tonight, the two of them will sing these two songs, and make some fame for their future comeback.

Tonight's TV program will soon arrive. Yemeni and Lindsey have received professional training, so they can still sing at a certain level as long as they are given the opportunity.

Yemeni and Lindsey are back in the spotlight. They are so eager for their past fame that they play well.

They also paved the way for comeback, immediately bought hot search list, and returned their names to the public's eyes.

At about eleven o'clock in the evening, Zhuang wennuan now lives with grandma. After accompanying grandma, she returns to her room alone and receives a call from Qiao muzer.

"Hello!" Zhuang wennuan is lying in bed to answer her phone.

The voice line is sweet with a trace of laziness.

"In bed?" The man's voice line was inexplicably hoarse.

"Well! Watch your cell phone in bed for a while. How about you? Did you take a bath and go to bed? "

"I'm in the study." Joe Muse smiled.

"Then you should go to bed earlier. Don't stay up late! Not good for your health. "

"Well! Don't stay up late, just think you can't sleep. " There are several hot meanings in chomuze's tone.

Zhuang wennuan immediately understood what he wanted to express. Her body ran through a touch of electricity. She bit her lips and said, "then don't think about it."

"How can I not? I want to sleep with you. " Qiao Muze's tone is clearly not satisfied with just holding.

Zhuang warm chuckle, "that can't help!"

"Little villain, are you starving me?" Joe Munzer listened to her laughter and could not help cursing.

Zhuang wennuan blushed. She buried her face in the quilt and said, "I'll see you at noon tomorrow."

Joe's heart was comforted. "OK, I'll see you at noon tomorrow. I'll pick you up."

Zhuang wennuan said, "OK! I'll wait for you. "

"Go to bed early and don't watch your cell phone too late."

"I know."

"Remember to think of me."

"Well! I will. " Zhuang warm obediently replied.

"Then I'll hang up," he said

Zhuang wennuan sees him hang up, she just picks up the mobile phone, continues to look for a while to prepare to sleep.

She has no habit of staying up late. She just opened the video app of her mobile phone, and then a video page appeared, which is a video screen dominated by Yemeni and Lindsey.

Zhuang warm a Zheng, they two people to participate in what program? Maybe it's with her partner, Zhuang wennuan still pays more attention to them.

She reached into the video and soon saw Yemeni and Lindsey on the stage. They sang a song with deep affection, and the lyrics appeared on the subtitles below.

Zhuang warm warm some surprised that they actually have a new song, but, listen to the lyrics they sing, Zhuang warm slightly stare eyes, how so familiar with the lyrics?

Zhuang Nuan moved back to the time when they just started singing, and read their lyrics again. Zhuang Nuan's breathing is tight. How can it be?

The lyrics they sing are exactly the words of her new songs. Even if there are several characters changed, the meaning remains unchanged. This is clearly her two unpublished lyrics.

Zhuang wennuan looks at her lyrics being pulled out by Yemeni and Linxi, and sings them on the program. She really has a bad feeling in her heart. Zhuang wennuan searched again and found that the two new songs were liked by fans, especially the lyrics were very good. A large number of fans made comments below, saying that the first time he listened to such affectionate and innovative lyrics, the whole song had a soul.

Zhuang wennuan is biting her lips. She feels a little angry inside. How can they steal her lyrics!

"How could that be?" Zhuang Nuan is not sleepy at all. She repeatedly confirms that the lyrics are really hers.

I don't know when yeoman and Ni stole her lyrics.

However, the lyrics were put in her computer and she didn't give them to the company. How could they have them?

When did they touch her computer?

Zhuang wennuan's mood is predictably sad. She is not jealous of their success in comeback. If they use other songs, she has nothing to say.

However, if their lyrics use her, she can't swallow it.

Zhuang looked at the time. It was only ten o'clock. She didn't care. When she found yemanni's number, she dialed it.

At the moment, Yemeni and Lindsey have just come out to celebrate together. There are several staff members in the company, because their songs have greatly improved the level of the whole program.

"It's really good. You can work harder and return to your previous position in the future. There's no problem with your album." There was a small leader who spoke in praise.

"Please take care of brother Liu. We will try our best." Ye Manni is drinking.

At this time, her mobile phone rang, she picked up a look, because she was so angry that she deleted the number of Zhuang Nuan, now looking at the display of strange numbers, she did not want to pick up.

"Hello! Who is that? "

"I'm Zhuang Nuan. I want to ask you why I stole my lyrics." Zhuang's warm voice asked angrily.

Just now, ye Manni, who was a little drunk, was immediately sobered up by Zhuang's warm phone. She immediately took her mobile phone and walked to a quiet place nearby.

"Why don't you talk?" Zhuang wennuan asks again.

Yemeni didn't expect Zhuang wennuan to know about it so soon, so she said, "are you sure this is your lyrics? This is a new song I wrote with Lindsey. Are you jealous that we are famous again Ye Manni sneers.

Even if she has a ghost in her heart, she doesn't want to show weakness in front of Zhuang warm.

Zhuang didn't expect Yemeni's attitude to be the same. "I wrote the lyrics. I don't know where you got them, but I ask you to stop singing these two songs and apologize for your mistake."

Ye Manni continued to disapprove, "Zhuang Nuan, do you have to live with us? We bullied you before, and we paid the price. Now, we are not easy to come back. You don't like it. I think you are jealous! "

"You and Lindsey had better stop using my lyrics and apologize. Otherwise, I'll find out about it and make you famous again." Zhuang's warm voice is not as good as before.

Yemeni's face changed slightly. "Whatever you want."

After that, she hung up the phone, went back to her position, picked up the wine and took a big sip. She wanted to use the wine to strengthen her courage, but the warm voice of Zhuang just now worried her a little bit.

Zhuang wennuan now backs on Qiao Muze, which is not easy to get into trouble.

Chapter 1009

Zhuang warm warm directly because of this matter heat all night, arrive 3 o'clock in the morning, she just faintly sleeps, but this matter she will not give up.

Every word of those lyrics represents her love for Joe muzer. If yemanni and Lindsey sing it out, it will make her feel very bad.

It's even uncomfortable.

In the morning, Zhuang wennuan heard grandma's voice calling her to have breakfast. She thought grandma must have made breakfast. In order not to let Grandma down, although she was very sleepy, she opened her eyes.

A pair of clear eyes, at the moment, with thin red blood, stay up to. When Zhuang wennuan had breakfast, he searched the information of Ye Manni and her. As expected, the two songs made them more famous.

She couldn't swallow the sound of stealing her achievement. After breakfast, she called Zhou Tao.

"President Zhou, did you watch the video of Yemeni and Lindsey on the variety show last night?"

"Look, they are singing new songs, and their popularity has improved a lot." Zhou Tao answers.

"The lyrics of the two songs they sang are mine. I don't know when they took my lyrics and composed songs. Now they have become their new songs." The way of Zhuang warm heating is bitter.

"What? Are you the creator of those two lyrics? " Zhou Tao was also shocked.

"Yes, it's written by me and kept in my computer all the time. I just don't know when they moved my computer." Zhuang warm sighs helplessly.

"If so, we have to protect your rights and interests in this matter. Are you sure that the lyrics of those two songs are your original ones?" Zhou Tao asked her.

"Yes, I did." Zhuang warm sure.

Zhou Tao now naturally keeps Zhuang warm. Both ye mani and Lin Xi have terminated their contract with his company, and they are no longer singers in his company.

"Well, I'll talk to them first to see if they can apologize and admit their mistake." Zhou Tao comforted him.

"Good! Then you come first! " Zhuang warm nodded and answered.

After Zhou Tao hung up Zhuang Nuan's phone, he called Ye Manni at the first time.

Ye Manni didn't dare to leave him alone, but Zhou Tao was also the former boss. She couldn't stand it.

"Hello! President Zhou, how can I have time to call! " Yemeni asked enthusiastically.

"Mani, did you and Lindsey steal the warm lyrics when they sang a new song on the program last night?" Zhou Tao asked directly.

"President Zhou, how could it be! This is what we asked people to write! She's just jealous that we're famous again. " Where would Yemeni admit it?

Zhou Tao's voice line is a little serious. "It's not a joke. If it's found out, it will have a great impact on your reputation. Now, as long as you apologize to Nuan and publicly announce that the originator of these two songs is her, you will never sing them again."

Yemeni's voice also mocked, "President Zhou, I don't know what you're talking about. I'm not under your company's name now. We belong to the status of freedom and can't listen to you."

Zhou Tao could not help frowning and once again warned, "this matter is related to the warm results, our company will not sit on the sidelines, don't wait to find out, you two are embarrassed."

"Then you can check it!" Yemeni's face doesn't matter.

When she and Lindsey peeped at the Zhuang warm computer, there was no third person present, and no one saw them at all, so she was not afraid of it!

What's more, because of these two songs, their reputation has recovered a little, she doesn't want to give up.

After Zhou Tao hung up his cell phone, he didn't know when the two men looked at Zhuang Nuan's computer and stole her two new songs. At one o'clock in the afternoon, the old lady went to play

cards in the nearby park. Zhuang wennuan wanted to sleep a little longer, so she got a call from Qiao muzer, who was waiting for her downstairs.

Zhuang wennuan thought of the agreement she made last night. Although she was sleepy, she took the bag.

She sat in Joe's passenger seat, and the whole person looked very powerless.

"What's the matter?" Qiao Muze leans over, looks at her listless appearance, the big palm directly stroked her forehead to explore.

No fever.

"I didn't sleep well last night." Zhuang wennuan said wearily.

"Why didn't you sleep well? Didn't you go to bed earlier?" Qiao Muze squints her eyes, looking at her clear eyes, you can see light blood.

"Something happened last night that made me lose sleep." Zhuang Nuan sighed.

"What is it?" Choumuze asked with concern.

"Remember when we went to my country and came back? I wrote two lyrics and saved them in my computer. I didn't know they were stolen by Yemeni and Lindsey. What's more, they also composed songs. Last night, they sang these two songs on a variety show. "

Qiao Muze's handsome face sinks, "how dare they do this?" "I just want them to stop singing these two songs now. I have composed and worked hard for these two songs myself. Now, I am not willing to let them take the lead." It's a real theft. " Zhuang Wen's heating has to bite his teeth.

"Don't worry, I'll let them pay for it," he said

"Now, just to find out when they stole my lyrics, as long as there's evidence, they can't deny it."

"Do you have any memory of when they stole it?"

"I just forgot. We were in the company all the time. Sometimes my computer is in the office. I don't know when they touched it."

"In that case, I will make them never appear again." Qiao Muze's anger flashed across his eyes. If he dare to bully his woman, he must pay a price.

Zhuang only wants to stop them from singing these two songs again, because the lyrics are sung by them, which makes her very uncomfortable. Those words, every word, are the love she tells Qiao muzer. She does not allow others to insult her.

"Let's go to the company and check the situation first!" Zhuang warm warm now in the mind is pressing this matter, also is not happy.

Qiao Muze nodded, everything was her priority.

Qiao Muze's sports car has entered Zhou Tao's company. Zhou Tao has signed a new person for training. Seeing Qiao Muze and Zhuang nuanuan coming, he warmly welcomes them out.

"President Joe, it's warm. You're here."

"President Zhou, I want to check the monitoring and see if I can find evidence that they stole my lyrics."

"Good! Do you know when to look it up? "

"I know. It should be the time when I finish writing these lyrics." Zhuang wennuan understands that it's OK to check it from three months ago.

At the same time, the company's monitoring is in use. Zhou Tao asked the assistant to pull out all the monitoring records in the company in the past three months, divide them into videos, and send some employees to watch them.

As long as there is a video of Yemeni and her husband, they should check it carefully.

Qiao Muze accompanies Zhuang wennuan to search for a period of time. Zhuang wennuan rushes in the video and soon finds a video of yemanni and Linxi.

I saw them sitting proudly in the lounge, talking can also be heard, but there is no matter about the lyrics.

Zhuang wennuan can't help holding her head and remembering hard. When will the computer leave her?

When Zhuang recalled, he heard a voice from an assistant beside him, "come here and have a look. When they came out of the general manager Zhou's office, they seemed to be furtive."

In the assistant's video, ye Manni pulls Lin Xi in a bit of panic. They look around and come out of Zhou Tao's office.

Zhou Tao is looking on. He looks at the date carefully and ponders for a few seconds. He says, "look ahead. Did I bring the warm computer in?"

Sure enough, in the previous video, Zhou Tao went in with Zhuang's warm computer bag and bag. After Zhou Tao came into his office, he went out for a meeting. After a while, Yemeni and Lindsey came. They knocked on the door. When they heard no one answer, they pushed the door in.

They were in Zhou Tao's office for more than ten minutes before they came out.

"It should be this time that they turned on the warm computer and stole the lyrics." Said Zhou Tao.

Chapter 1010

"Zhou Tao, you have a monitor in your office!" Asked Jo muzer, looking for him.

Zhou Tao nodded and said, "with the invisible camera installed, I'm going to my computer to find out the video of this day."

Zhuang Nuan breathed a little sigh of relief and finally found out. Now let's see what ye Manni and Linxi have to say.

After a while, Zhou Tao's video also came to us. What he saw was the information on his own desk, covering his entire office.

Lin Xi is sitting on the sofa, while ye Manni first rummages through Zhou Tao's documents, looking for something. Then she sees the computer bag on the next cabinet.

After Yemeni finished reading it, she took out the computer to operate it directly. In the lens, zoom in a little, and you can see that it is a document page, Yemeni is taking photos with her mobile phone.

After filming, she took Lindsey and left.

Unexpectedly, the whole process of their stealing was recorded, which is really evidence.

Zhuang Nuan breathed a sigh of relief and finally let them give up singing these two songs. "President Qiao, what do you think should be done about this matter?" Zhou Tao asked Qiao Muze.

Qiao Muze narrowed his eyes and said coldly, "going through legal procedures and apologizing can't make up for the loss of warmth. I want them to have a long memory."

When he has collected all the evidence, he will give it to his lawyer to go through the procedure.

Charge the two men with theft.

If they just stole the lyrics and didn't sing them, it would be nothing, but now yemanni and Lindsey sing them very boldly.

Then, this constitutes a criminal charge. In addition, ye Manni has done some harm to Zhuang Nuan. It's time to get back with money.

At the moment, Yemeni and Lindsey don't know what happened.

They are sitting in the apartment together, reading the fans' praise for their new songs and their expectation for the future.

"Look, it seems that our fans love us very much." Lindsey was in a good mood all the way.

Yeoman Ni is also very happy, "as long as Zhuang warm no longer give us trouble, we can definitely fire again."

"When she wrote, she didn't record any videos. I don't think she could sue us."

"Yes, I also looked at Zhou Tao's office carefully that day. There was no camera at all, and we didn't say anything all the way. We just went back to the car to chat, so there was no evidence left at all."

Two people comforted themselves and enjoyed the success.

Chomuze left everything to his lawyer. With such direct proof, the prosecution became easier.

Zhuang warm warm in the evening, and grandma made a phone call, she went back later tonight.

The old lady is used to it, and now she is in the stage of falling in love, she will not interfere with her.

She is also very satisfied with Qiao Muze, the son-in-law of the sun.

Zhuang wennuan's nerves have been tense for a day. After relaxing, she is very tired. She directly sleeps on Qiao Muze's bed and falls asleep sweet.

Qiao Muze leaned on her side, reached for her arms, and Zhuang wennuan took him to sleep.

Joe Munzer still wants to eat meat. At this moment, he can only guard until the woman is full of sleep.

Blue house.

LAN Chunnian received a phone call from his father, and he booked a ticket to return home the day after tomorrow.

Blue Chu Nian missed him very much.

"For the first time, I bought a movie ticket in a moment. You and big brother, you can go to see it after dinner!" Said LAN Qianchen.

"Blue Chu read a Zheng," then you

"All of a sudden, I got a call from Yifan, asking me to play table tennis. You go to see it." Blue thousand Chen says with a smile.

"What movie!" LAN Chu read and asked curiously.

"Romantic love, suitable for you girls to see." Blue thousand Chen finish saying, toward big brother to blink an eye, seem to be saying, see me more conscious.

LAN Qianhao also gave him a look. He is really busy today. It's not bad that he can accompany LAN chunian to see a movie tonight.

"Even if all the tickets have been bought, you can go and see them!" Said Mrs. blue.

Blue Chu read pretty face red, nodded, "OK! I'll go and see it with big brother! "

After dinner, at about seven o'clock, LAN Chu Nian was sitting in LAN Qianhao's car and headed for a large movie city in the center of the city.

In the quiet carriage, LAN Chu Nian is in a very good mood. LAN Qianhao also has the opportunity to be alone with her.

"Elder brother, I want to eat popcorn later." Said LAN Chu Nian.

"What do you call me?" A man turned to her at once.

LAN Chu Nian immediately covered his red lips and promised to call him his name in private.

"Qianhao." Blue Chu read some shy call him.

LAN Qianhao said with satisfaction, "OK, go to buy it!" Blue early read sweet Zizi look up at him, "my father will come back in a few days, then, I changed my name, but at home, you still call me early read."

Blue Qian Hao's eyes looked at her deeply, no matter what name it was, as long as it was her.

"Well! Are you ready? " Blue Qian Hao asked her in a low voice.

Once the name is changed, their relationship will probably be out of sight. At that time, there may be a lot of external pressure. In addition, LAN chunian is also a singer, and her attention is greater than that of ordinary people.

LAN Chu read firmly nodded, "I'm ready, no matter what other people's eyes, I can bear it."

Blue Qianhao suddenly felt extremely distressed. Anyway, it was still early. He didn't rush to get there. He parked the car in the shadow, and the car windows covered everything.

Blue early read slightly stare eyes, big brother this is to do?

After LAN Qianhao stopped the car, he leaned close to her, and his hand also held her hand.

Blue early read some shameful with him, dark carriage, she blinked.

At this time, blue Qian Hao's hand gently clasps her back brain spoon, leans to approach again.

LAN Chu Nian immediately understood what he was going to do. She was so ashamed that she bit her red lips and then raised her head boldly.

Also lean over, four lips touch together.

LAN Qianhao's gentle attack made LAN chunian unable to resist. Fortunately, it was in the car. Otherwise, she didn't know what the fire was going to be like.

After the separation, the two people's breath was disordered.

"Let's hurry!" LAN Chu said with shame.

Blue Qian Hao's eyes looked at her. There were animals in the bottom of her eyes who wanted to turn over, but he would not come in disorder.

He hoped that when the relationship was established, she would be asked for her the night she became his bride.

In the movie, LAN Chu Nian is wearing a mask and a hat with only one pair of eyes. However, her matching figure with LAN Qianhao is very eye-catching.

At first sight, it's a combination of handsome men and beautiful women.

Sitting in the cinema is a very romantic love, and LAN Chu Nian was very moved to see it. His eyes were red several times. The plot of the movie is similar to them. It's all a feeling to be tested by the outside world.

When watching the protagonists and heroines finally break through everything together, they hold each other tightly, and blue Chu Nian also tightly holds the men around him.

Like the heroine in the movie, she would love her loved ones regardless of all, even if she would accept the eyes of all sides.

The movie ended perfectly. When he came out of the cinema, LAN Qianhao held her hand. His heart never wavered. Being with her was the most important thing in his life.

LAN Qianhao suddenly thought of something he had put at home. He said to LAN Chu, "it's still early. Go with me to get something."

"What!" LAN Chu asked curiously.

"In a moment, you will see."

"Is it a present for me?" Blue early read not from surprise.

"Well!" LAN Qianhao nodded. It was something he had prepared for a long time. He wanted to give it to her tonight.

LAN Qianhao takes her to the car and drives towards his villa. Along the way, LAN chunian always guesses what kind of gift he will receive.

Finally, when he arrived at his home, he took out a small gold box from a safe in his study and opened it. It was a very beautiful diamond ring.

Blue Chu thought to cover his red lips. I remember that this is the gift that elder brother said to give to his future wife last time. At that time, she was still envious. It turned out that the person she envied was herself.
