Chapter 101

"Miss Su, what can I do for you?"

"Then I want to ask the name of the guest who lives in the 1034 lounge and who he is!"

"I'm sorry for the inconvenience, thank you."

"It's really important for me. I lost something and was picked up by him. I really need to know who he is. Please." Sue, with her hands folded, pleaded.

"I'm sorry, we always keep the identity of our guests secret. We can't help you." The manager is very determined.

Susie had to go back to the hall, looking a little depressed, and she was tired tonight.

"Susie, how are you? Do you hear who that man is? "

Sushi shook his head. "The people here are mysterious. They won't tell me. It seems that I can only compensate for the loss of the business."

Sure enough, as soon as I got on the bus, I heard that the biggest diamond was lost, and all the people in the bus were shocked to see it fall off. Annie was so angry that she almost fainted.

"Sister Anne, sister Anne..." An assistant clapped Annie's chest and pinched her shoulder. "You take it off, you take it off."

"Tell me how to calm down, miss, 20 million yuan. You can just say it! Why didn't you lose it? "

Susie bit her lips and said with a troubled face, "I'm sorry! I didn't mean to. It happened so suddenly I didn't even have the heart to prepare! "

"Sister Annie, it seems that ye Lala purposely took care of sister Susie. You don't know that the red carpet photos of her and sister Susie have been sent out on the Internet. The screen is full of her three sides! Disgusting. "

"Don't get into the topic. It's ok if the clothes are broken. Now, let's talk about what to do with the jewelry! It will be returned to the merchants in the morning, and I don't know if they have bought insurance. "

Tang Siyu also pinched a cold sweat for Suxi. Unexpectedly, he saw a show and caused such a big thing.

Only Susie knew that she could get the diamond back. The man agreed to let her take it for the first time. It was her own misfortune that messed up and offended him.

Sushi held a small face, the delicate face was very depressed expression, and her mind was full of that man's last eyes which were so evil that they were about to freeze to death.

And men From small to large, there is no such thing as I have seen at close range.

Will she have pinholes tonight?

The lights in the car were dim. No one noticed that Suzy's face was red.

She was sent downstairs to her apartment by her car. Sushi and don Siyu came home. Sushi was very tired. She wore a long coat and her evening dress was torn.

Susie took off her coat. She looked down and saw that today's evening dress caused two disasters. She took off directly. Her figure was exquisite and exquisite, but she wore three-point style, which was also very beautiful. Tang Siyu and her nearby were so good that they didn't mind.

"Heathy, tell me what happened to you tonight!"

Suxi dare not talk with the agent. At this moment, after she put on a suit, she told Tang Siyu everything.

Tang Siyu's chin dropped. "You even knocked down that man twice tonight? And And I took the bath towel off my waist? He didn't wear anything at the time, did he? "

"Just came out of the bath, what do you think he might wear? I wish he had something to wear. " Suzie's face was sad.

"Er I don't think so! " When Tang Siyu finished, his pretty face was embarrassed. "So you You saw it all? "

"I don't want to see it either! Who wants to see him there My God? I don't want to live 555.....” Suzy's face was fainting.

"Well, we are all adults. Although this kind of thing is very embarrassing, it happened, and we can only see it calmly. Since I gave birth to a child, I have seen it more open." Tang Siyu comforts me.

"It's over. Twenty million is not a small sum Who can tell me who that man is! " Susie loves money, too! I paid 20 million for nothing!

When Tang Siyu saw her friend's expression, she suddenly saw a figure in her mind. Xing liehan, in his capacity, might be able to find out the man on the show tonight.

"What did you say about the man's lounge room number? "Tang Siyu asked again.

“1034。 ” Suxi blows a few wisps of air and bangs on her forehead. She is extremely depressed. She remembers this number firmly!

Tang Siyu picked up her mobile phone and walked into the guest room. She dialed Xing liehan's number directly.

"Hello!" That end of Xing lie cold deep through the cold voice line to answer.

"Xing liehan, can I ask you a favor?"

"Can I help you? What's the advantage?" Xing liehan's voice is full of a trace of evil.

Tang Siyu bit his lip and said, "just let you help me find someone. If it's good, you can say it!"

"Unless you promise me not to see Murphy again." Xing liehan directly raised this request.

Tang Siyu sighed, "I really have nothing to do with him. He lives upstairs and can't look up and down. I can't do that. You can change it!" "Well, go home and sleep tonight."

"Eh? Now? It's almost nine o'clock. "

"Then do you want to come back or not?" The man gave an order.

"Good! Then you promise to help me find someone. I'll go back now. "

"Who is it!"

"My friend lost one very important thing and picked it up by a guest living in the 1034 lounge of the international world famous fashion center. Can you find the identity of this man?"

"Little things." Xing liehan gave a light hum.

"Really, that's great. Then Can you mobilize your men now to help find him? It's urgent. " Tang Siyu had to beg him.

"Come back."

That end just hung up.

Tang Siyu breathed a sigh. In order to help her sister, she endured Xing liehan's disgust.

She hurried out and looked at Suxi holding her face, with a look of loss. She smiled and said, "tell you a good news, Xing liehan just promised to help you find the identity of the guest. Now I'll go back to find him."

"Really? Is he willing to help? "

"He is also my son's father, and you have taken care of my son since you were a child. I asked him to help, of course, he has to help! Well, I'll go back to him. I'll let you know as soon as I hear from the guest. " When Tang Siyu finished, he picked up the bag and went out the door.

"Siyu, drive carefully!"

"I see. You have a good rest!"

Tang Siyu went downstairs, got into the car, and drove out to the direction of his family.

Xing liehan, sitting in front of his panoramic floor to ceiling window, thought of Tang Siyu's mention of the guest in room 1034 just now. He thought that it was the most appropriate thing to ask someone about this matter.

Chapter 102

He picked up his cell phone and found Wen lichen's number and dialed it.

"Hello, liehan, it's so late. What can I do for you?" Asked the voice of Wen lichen.

"Li Chen, do me a favor and find out for me who is the guest in room 1034 of the international World Fashion Center tonight."

"What do you want to know about this?"

"My son's mother's good friend dropped something. It is said that it was picked up by the guest in this room. I want to know who is the one who picked it up."

"No need to check. I know who it is." Wen lichen's voice was very determined.

"Oh! Who is it? "

"It's me!"

"What? Did you pick up the girl's things? "

"I picked it up, and I'm not going to return it."

"Oh! What happened? " Xing liehan knows this friend well. His character is usually mild, and his philanthropy is well done. How can he pick up things and not return them?

"It doesn't matter. In one day, a woman offended twice."

"Oh! How can I offend you? "

"No mention."

"Then what did you pick up from her?"

"A sapphire worth tens of millions must not be her own. It's sponsored by the merchants, so she is eager to find it back."

"In that case, may I reveal your identity?"

"You can tell Miss Tang's friend my identity and address, and take a sentence with you. If she wants to take back her things, please think of a way to thank her. Otherwise, even if you know who I am, I can't talk to her."

"Good! I'll tell you what I said. I'll see you at the dinner the day after tomorrow. "

"Well!"

Two men hang up the phone. Xing lie's thin lips make a smile. Unexpectedly, Tang Siyu's friend is looking for his good brother. Now, it seems to be interesting.

He remembers his son mentioning his godmother, a female star. Is that the girl?

Tang Siyu hurried all the way back to the downstairs of the apartment. As soon as the elevator door opened, she didn't even enter her own room, so she directly knocked on Xing liehan's door.

After a while, the door opened from inside. Xing liehan was wearing a casual T-shirt and a pair of linen pants. He looked at her lazily and charmingly. "Come in."

Tang Siyu steps into his home and looks at his room full of luxurious technology. Her home is really incomparable.

"Have you found it?"

"Let's renegotiate the terms."

"Eh? It's said that I'll go home and sleep tonight. Will you tell me the answer? " Tang Siyu has a feeling of being trapped in a pit, but she has her own side and dare not resist.

"I've changed my mind, and I've found out the identity of the guest and his current address. If you want this information, please fulfill my conditions." Xing liehan rarely has the chips to threaten her like this. He doesn't want to use them so soon.

Tang Siyu, as a girl, heard his words, natural hands around the chest, "what do you want to do? I can warn you that I will never agree to anything beyond my bottom line. "

"Then you don't want to help your friend?" Xing liehan chuckles badly.

"Yes." Tang Siyu still has no backbone to answer.

"To tell you the truth, the guest is very mysterious. Without my information, you can't find out who he is."

Suzy has tried this and proved that the identity of the man is too mysterious.

"Then, what are your conditions? You say it! "

"There are three conditions. First, kiss me. It's French. Second, sleep here tonight. I promise not to touch you, but you are not allowed to leave my room. Third, accompany me home for dinner the day after tomorrow." Xing liehan is very clear about his conditions.

Tang Siyu's eyes gaped, and she wanted to refuse directly. But for Sushi's sake, she endured. She bit her teeth and said, "the first one I can't promise, the other two, I promise."

"The first one is particularly important. You have to agree to one of the three conditions. You must think about your friend's situation, think about it well, and give you ten minutes to think about it." After Xing liehan finished, he sat on the sofa, pillowed his arms and waited leisurely.

Tang Siyu knew that this man would not let her go so easily, but French kissing, she really can't, and she thought about it all gooseflesh straight up, but sushi can't wait.

She had to find the jewel by noon tomorrow at the latest, and now it was so late, she had to tell her the identity and address of the man.

She closed her eyes tightly and said, "OK, I promise, but if you want, you have to brush your teeth."

Hearing the words in front of her, Xing liehan's mood just got up, but the words in the back directly depressed his handsome face, "do you dare to dislike me?"

"I mean, kiss and pay attention to oral hygiene." Tang Siyu dare not offend him. "Well, I'll brush. If you don't kiss for ten minutes, this one won't work."

Ten minutes? Tang Siyu's face is red. She can't kiss for a minute. Ten minutes, she doesn't want to breathe?

"What? No? "

"Good! I promise, you brush it! But you have to tell me the identity and address of the man first. "

For Xing liehan, Tang Siyu is already a bird that can't fly even if it's wings. She's told that there's no imitation.

"Listen, this man's name is Wen lichen. I will edit his home address and send it to your mobile phone. Just send it directly to your friend. This friend also asked me to take a message to your friend. She offended him and asked her to think about how to thank him and then go to him. Otherwise, he would not return anything."

Tang Siyu didn't expect Xing liehan to get in touch with the man himself and get his address, which is the best result.

"I'll call my friend first." Tang Siyu finished, picked up his mobile phone and went to one side to call Suxi.

Susie was waiting for her good news. Finally, she got the man's name and address. Besides, she knew that it was a good thing to thank him for it.

"Siyu, thank you and Xing liehan for me."

"Go to see the guest tomorrow morning! It's too late tonight. You can't walk around Tang Siyu exhorted.

"Well! I see. " Susie smiled.

Tang Siyu hung up the phone and looked at the mysterious man on the sofa. She was relieved, but at the same time, she tightened a chord.

"That Are you sure to... " Tang Siyu didn't keep his promise before he saw him. Now that she got the news, she can discuss it with him.

"I'm sure, kiss!" Xing liehan interrupts her with his arms around him.

Chapter 103

Tang Siyu bit his lips and said, "can we change the way?"

With a smile on his lips, Xing lie stood up from the sofa with a big body. He still encircled his arms and forced Tang Siyu step by step.

This man tonight is a dangerous body, a monster that can eat people at any time. Tang Siyu immediately steps back in fear, "you Speak well when you speak. My ears are easy to use! I can hear you. "

However, a disturbing sneer came up from the corner of the man's mouth. Step by step, Tang Siyu pushed her to the floor to the window. Seeing that she couldn't go back, she immediately reached out to stop him. "Xing liehan, if you have something to say, please don't do this."

Xing lie's arms, surrounded by cold, immediately braced her and trapped her between the glass window and his chest. His handsome face came close to her. "You just said, another way?"

"Yes! Let's change it! For example, hug. I'll give you a hug. " Tang Siyu thinks that she can accept it.

"There's a different way!"

"Yes?" Tang Siyu is surprised.

"I don't mean to hold you, but tonight you are committed to each other," he said

Tang Siyu was petrified immediately, and the surprise on her face turned into a fright. She hurriedly pushed open his chest, "I don't agree, I won't change it, I won't change it, I'll keep the original one!"

"You take the initiative."

"I I can't kiss! " Don't face resistance, pink skin has shown her shame.

Xing liehan chuckles. This woman is really stupid. However, she is so stupid. Instead, he likes it. If she is like those women with excellent kissing skills, she must have been taught by others. But this woman is stupid and obviously has no experience in this field.

The light outside the window is reflected into the room. Under the warm yellow crystal light, Tang Siyu's red lips, which he has just bitten several times, are already as red as a drop. At the moment, her tension is slightly open and close, which has a strong attraction to men.

Xing lie's cold and sexy Adam's apple rolled up and down. He clasped the back of her head with one hand and put his arm around her waist. His thin lips were aimed at her red lips, and he rolled them down hard.

Ten minutes.

This man really kisses enough time. Tang Siyu wants to suffocate directly. At last, he can only rely on his chest to breathe. A small face is like a rose, which is moving in a moment.

Xing was not better than that. He breathed and breathed. The light of his eyes was as thick as the night outside the window. There was a flash of black desire inside. His whole body was even tighter to the extreme. It was just a kiss. How could he be satisfied?

At this moment, he really wants to bully her once.

This woman is just a goblin. She can't touch it. She's addicted when she touches it, and she's still addicted to drugs.

After Tang Siyu shakes some spirits, she escapes from his arms and says to him, "I'll go back to my room and take a bath. I'll come here and sleep on your sofa."

Tang Siyu promised him that he would sleep in his house tonight. He would sleep in bed and she would sleep on the sofa. In short, she would complete these three conditions as soon as possible.

Xing liehan didn't speak. She pushed the door open and left. However, he had already taken a bath. Now he wanted to take a cold bath. As expected, he proposed this request, punished Tang Siyu and made him suffer for it.

Tang Siyu went back to the room to take a bath. Tonight, she chose a pair of conservative trousers, a long T-shirt and a thin quilt. She came here fully prepared.

When Xing liehan looks at her coming back, his handsome face immediately cools down, "what do you mean? Don't trust me? "

"No! I'm afraid of the cold at night. "

"It's June."

"Er! I'm still afraid of the cold. After giving birth to my son, the moon didn't do a good job and fell ill. " Tang Siyu is also true.

Xing liehan's handsome face was slightly stunned for a few seconds. He narrowed his eyes and said, "go to bed and sleep. I'll sleep on the sofa."

"No, I sleep on the sofa." Tang Siyu would rather sleep on the sofa than his bed.

"What? How dare you disrespect my bed? Tang Siyu, it's your pleasure to sleep for you. Hurry up and go to sleep. " Xing lie's face was not good again.

Tang Siyu is speechless. It seems that after being with this man, his face is black. Is he born so angry?

"All right! Then I'll go to bed. " Tang Siyu didn't want to fight with him, and then, thinking of what, she looked at him curiously, "why do you take me back to your house for dinner?"

"Because my family wants to see you and just eat, don't think about it." Xing liehan raises his eyebrows and opens his mouth.

Don Siyu blinked, she didn't think much! She just felt curious. Suddenly, she thought of another thing. She looked at the man sitting on the sofa and asked, "let me ask you again, did you delete the photos that I and Qi Liang have circulated?"

Speaking of this matter, Xing lie snorted coldly, "why? Are you still reluctant to delete it? "

"No, delete it! Anyway, I don't have that kind of relationship with Qi Liang. " Tang Siyu shakes his head.Xing liehan sneers. This woman is naive. She doesn't like that man, and it's hard to ensure that he doesn't remember her. So, he decides to carry out the cold snow collection to the end.

Tang Siyu is tired today. She is really sleepy. She lies on the bed. She rolls a circle of quilts and wraps her like a baby cicada. She sleeps in a comfortable position.

Xing liehan really admired this woman. In his room, she fell asleep naturally. This woman must be heartless.

Xing liehan left a dark light on the sofa in his study, and he would pillow his arms and squint his eyes. I don't know why, his heart seems to be particularly stable, and his sleepiness is also surging up. The evil fire just now is still there, but most of it is doused out by cold water. However, if you think about the woman in bed, he can be excited at any time.

Tang Siyu is asleep, but her good friend Suxi can't sleep. She checks the man named Wen lichen on the Internet, but she doesn't have any information. Who is he? What is his identity? People like him can't be found on the Internet. There is only one possibility.

That is, this man has the ability to wipe out all the information about him on the Internet.

Now, she has his address and his name in her hand. She must go to find him in the morning tomorrow. Then, make a good apology, invite him to have a meal and take the gem back.

Sushi can think of the way to accompany the crime, is to apologize to him seriously, he thought that the man is not short of money, he may not care about what he bought, so she decided to invite him to dinner!

Chapter 104

Susie forced herself to fall asleep, and then, at six o'clock tomorrow morning, she would wait for him at the door of his house. This time, the loss of jewelry money can solve the problem, but in case of any outflow of this matter, her reputation would be greatly damaged.

What if someone scribbled about it and she swallowed it? The image that she has not easily created in these years will collapse immediately, so in order to solve her own image problem, she must also take this gem back and compensate for some repair costs at most. Maybe the merchant will exempt her.

Suzie is lying in bed, hoping to come soon tomorrow.

Susie couldn't sleep until more than three o'clock, and she didn't sleep until six o'clock. The alarm clock woke her up. She reached out and pressed the alarm clock. She was going to turn over and go to sleep. Suddenly, her eyes opened, and she quickly turned around and took a look at the alarm clock.

She clapped her forehead. Fortunately, she didn't oversleep. She got out of bed and washed. She put on a pair of casual jeans and a white T-shirt and went out.

She knew the place where the man lived. It was a place with rich people in the north of the city. Obviously, the man was still a single villa. Suzy stepped on the accelerator and drove fast in the morning when there was no one.

The rich area in the north, at this time, is still covered with a light fog. In the early morning, it is full of quiet atmosphere.

Suxi registered in the security room and checked her ID card before entering the community gate.

Sushi hurriedly drove in and ran on the route just pointed by the bodyguard. At last, she drove to a house number. She looked up at the huge villa which occupied half of the hillside. She made a secret noise.

As expected, it's not ordinary money!

The villa was built at a height of more than ten meters from the ground, like a castle in the air. It was built on a wide row of steps, while the fence circled a section of nearly one thousand square meters around it. At this moment, Su hoped that the villa on the hillside was a little stiff.

Susie looked at the time. At half past seven, could she go up and disturb him at this time?

He has had a profound and bad influence on her. If she still sleeps with him at this time, he will never want to see her again.

Susie bit her lip, got out of the car, and waited idly by the side garden, kicking stones.

In a luxurious room on the top floor of the villa, Wen lichen had just finished his Satin training. He had a towel around his neck and was drinking water with a teacup. His eyes could not help looking down. He saw the girl in the garden who looked like a little girl and was still kicking stones.

She did come.

However, he didn't want to see her now. She had to be punished for her bad behavior last night.

Time waits like this. While other people are sleeping and dreaming, Susie has been standing against the car for a long time. She dare not get into the car, for fear that the man would suddenly drive out and run away, and she would not find anyone.

Finally, it's half past eight. She's been waiting for an hour. She's going to ring the doorbell.

Sushi's courage is also big. In the entertainment circle, she has suffered any setbacks. When she started her career, she was scolded by the director and cried every day. Now, she has a thick skin and a big courage.

I don't know why. Standing at the man's door at the moment, she is as timid as a mouse.

She took a deep breath, and then she gently pressed the doorbell with her fingers, dingdong, dingdong

Listening to the bell, Susie's heart beat accelerated. She remembered the cold noble man in her mind last night.

Pop!

The iron door in front of her opened, and Susie's heart beat fast. She pushed the iron door open, reached for the area, closed the door, and she walked step by step to the stairs.

As sushi went up the stairs, she couldn't help looking back when she went to the last two sections. At this view, the scenery was beautiful, just like the top of the ancient imperial palace, overlooking the visual effect of the whole imperial kingdom.

Such a high place is occupied by this man. It can't be done with money.

When sushi went to the hall door, he saw that the door was half open, which seemed to be opened specially for her. Sushi bit her lip and knocked at the door manually, "Hello, is anyone there?"

"Come in." A low, cool voice of a man sounded from the door.

Susie quickly stepped in and saw the outside scenery. The luxurious decoration in the hall was not surprising.

However, when she came in, she did not see a man. She looked left and right, and then a breath of awe came from behind.

She couldn't help turning her head to the direction of the kitchen.

A handsome man, like a God, came slowly with a cup of coffee.

In the bright morning light outside the window, the man exudes a light halo. In an instant, his precious and charming breath sublimates and becomes unpredictable.

Sushi seemed to see a modern king.

"That I'm here to apologize to you. ' Susie's hands were wringing in her belly, and a small face, full of apologies, bent over the man."That's the way you want to make amends?" The man side said, the slender body stepped toward the direction of the sofa, lazy and charming sit down.

The long legs are folded together.

This man's eyes have an irresistible power of awe, which can only be practiced by those who have been at the top for a long time.

"I I'm going to invite you to dinner to make amends, and If you have any request, I will certainly grant you. " Susie made a noise, biting her petal like red lips.

Wen lichen looked at the girl in front of him, her eyes twinkling with thinking, she saw him, which is not the general way to make amends.

However, he didn't want to get too involved with this girl. Besides, this girl is also one of his employees. He doesn't need to get involved with his employees.

"Well, treat me to dinner." A man's thin, sexy lips open.

Su Xi stared, flashed a surprise smile, "OK, I'll invite you to dinner, restaurant you choose."

As long as we can get rid of the trouble.

Wen lichen opened the drawer and took the sapphire out of it. "Take it back. It's like last night's dress. You'd better refuse to wear it."

Last night?

Yes, she was more open last night. Susie's pretty face was a little red. "I don't want to wear it anymore."

Sushi immediately stepped up to him, reached out and picked up the sapphire. The cold temperature made her feel extremely warm.

"Then I'll treat you to lunch! "

"I don't have time today. When I have time, I will contact you."

"Yes, I'm on call." Suzy blurted out and said, her pretty face turned red again. She quickly covered her mouth and explained, "I mean, I'll be with you at any time."

Wen lichen squinted, didn't say anything, and looked colder.

Chapter 105

"Then I'll go first, Mr. Wen. See you later. " Susie was too embarrassed to stay.

Then, she suddenly thought of something, turned her head and said, "Mr. Wen, do you need to leave my phone number? Is it convenient to contact me? "

The man sipped his coffee gracefully, "no need."

Susie only feels that the root of the ear is hot. This man should not misunderstand her intentionally asking for his contact information! She said, "Oh! well! Then I'll go first. Goodbye. "

With that, Susie fled the man's home. For her, it was full of oppression and she didn't want to stay here.

Suzy drove to her agent's company and told her about finding the gem. Her agent was relieved. Suzy's troubles were solved.

The consequence of the trouble was that she owed the man a meal, and she began to think, when does he have time?

Maybe he doesn't care to eat with her at all! Maybe he forgot the meal in a flash.

At nine o'clock in the morning, Tang Siyu opened her eyes in a daze. When she realized that this was Xing liehan's bed, she quickly lowered her head and carefully examined it and touched the position of the neckline.

Fortunately, the clothes have not been taken off.

She didn't avoid the eyes of the man sitting on the sofa nearby. Xing liehan snorted, "what are you doing?"

Tang Siyu coughed a little awkwardly, "nothing!"

"Not at ease with me, is it?"

"Girls don't trust a man. It's a sense of self-protection." When Tang Siyu finished, she got out of bed and left the door with her quilt in her arms.

After she finished washing, she called Suxi and asked about her gemstone. Suxi told her that the gemstone had been found and explained with the merchant. The merchant saved everything and sent her a diamond ring worth 500000 yuan.

Because of her red carpet appearance, her famous brand gemstone was used to do a hot event in the entertainment circle. It is a more valuable thing to promote the brand.

Tang Siyu also breathed a sigh of relief, so to speak, everything is done.

Tang Siyu is on the phone when the door behind him is pushed open. Xing liehan has a black silk shirt on his upper body and slim pants on his lower body. He says to her, "go out for breakfast with me."

Tang Siyu is also hungry. Without a son at home, she is also lazy. She nods and says, "OK!"

Carrying her backpack, she went out with Xing liehan. When she got downstairs, Xing liehan took a look at his black sports car. She felt disgusted and reached for her. "Give me your car key."

"Take my car?" Tang Siyu asked as he took the car key from his bag.

Sitting in the car, Tang Siyu watched his long hand control her car, inexplicably surging to the bottom of his heart, a taste, said not clear road unknown.

As if all her things had become his unconsciously.

The car drove to a superior restaurant nearby.

In the dining room.

Tang Siyu finished ordering the list, and she gave it to Xing liehan on the opposite side. Xing liehan specially ordered a superb blood bird's nest. Tang Siyu's eyes were slightly narrowed. He even paid so much attention to health preservation! What do big men drink bird's nest?

Breakfast was brought up very quickly. When the bowl of superb blood swallow was brought to the table, the waiter didn't know who to put it on. Xing Lihan looked up at Tang Siyu, who was opposite. "Give it to her."

Tang Siyu is stunned. Did he order it for her?

"It's too expensive. Why do you order this?" Tang Siyu complained, in fact, to cover up her surprise.

"Even if I invite you to drink a bowl every morning in my life, I will not be poor."

The waitress who sent the bird's nest was moved by the man's words. She took a look at the beautiful Tang Siyu and thought to herself, how happy she is!

And Tang Siyu's pretty face is also slightly red. Does this man want to invite her to drink bird's nest all his life?

The taste was excellent, and Tang Siyu could not waste it, so he drank it all.

After breakfast, Tang Siyu knew that she was going to start work today, and she didn't know what to do.

"I'll go home. Where are you going?" Tang Siyu looks up to the man beside him and asks.

"Company."

"Then I'll take a taxi home, and you can drive my car to the company!" Tang Siyu thought to himself that he should drive two cars.

"I'll take you back." Xing liehan said, and walked to her car.

Tang Siyu was sent back to the downstairs of the apartment. Tang Siyu thought that this man was going to change his own car. Unexpectedly, he drove her car to work in such a violent way.

Tang Siyu is slightly shocked. This man can't drive such a good car. Why must he drive her!

Because Murphy has been in his car, does he dislike it? The man's mind is strange.

Tang Siyu went to a supermarket and bought all the ingredients for brunch. Today, he plans to stay at home for a day. He hasn't practiced piano for several days. Ye you's new song still needs her accompaniment. She can't be lazy any more. At about 5 p.m., Han Yang, Xing liehan's assistant,

knocked on the door and came in. "President Xing, are you sure you want to push off the dinner with the president of faith group in the evening?"

"Push." Xing liehan answered with certainty, only to see that he had packed up the information on the table, and seemed to have another important appointment to go.

Han Yang looks at the figure he left. He follows him out and locks the password of the door.

Xing liehan goes straight down to the garage. A few meters away, he turns on the red Porsche SUV and gets into the car. He picks up his cell phone and dials up Tang Siyu's number.

Tang Siyu is also picking vegetables on the balcony, preparing her dinner. When she hears the phone, she picks up her mobile phone and looks at it. Xing liehan calls.

"Hello!" She picked it up curiously.

"I'll go home for dinner and do my part." Xing liehan orders directly and hangs up.

Tang Siyu doesn't like his command tone, can't he speak well?

She is not his servant. If she is upset, she will return the card to him and refuse him to eat and drink.

However, when Tang Siyu was still in the rice, he prepared an extra one for him, and then took out the vegetables from the refrigerator to make three dishes.

When Xing liehan came in from the door on the wall, he heard the sound of cooking in the kitchen, and the air was filled with the smell of rice.

All of a sudden, his whole body was agitated and washed by a wonderful emotion. Everyone's heart would yearn for a good thing.

Xing liehan is also in a relaxed and pleasant mood. It seems that at present, except for his family, only this woman can give him.

Xing liehan steps to the door of the kitchen. Tang Siyu, who is cooking, doesn't notice his arrival at all. Today, at home, she changed into a light blue long T-shirt with waist closed. Now, she is wearing an apron to show her slim waist.

Chapter 106

Two straight fiber legs are also particularly eye-catching. In general, Tang Siyu's back is full marks.

Xing liehan is trying to resist the impulse of embracing her after she wants to be her own, imagining to hold her in her arms, which must be very good.

Tang Siyu looks back and washes his hands. He is scared by the man at the door.

The next second, she was angry. "Can you make a sound? Don't you know that people are scary and will be scared to death?"

"I'm scared to death. I'm in charge of heavy burial." Xing liehan flirts with her.

Tang Siyu almost threw his spatula at him. "Gone."

Xing lie's eyes were more charming with a smile. He suddenly thought of something, walked to her piano, turned to the music chart above her, and began to play the piano.

This man is very good at everything. Even when he is unfamiliar, he finds his feeling after a few times. The sound of the piano is gradually flowing like water.

In the kitchen, Tang Siyu's heart danced a few times directly. In such a quiet environment, the sound of the piano played by the man was like a pearl, knocking on her heartstrings. The piano was her favorite originally. Hearing Xing liehan's piano sound, it involuntarily produced a resonance.

Tang Siyu cooked three dishes, and after turning off the fire, he brought them out of the kitchen. In front of the floor window, under a dim yellow light, Xing liehan was dressed in a simple white shirt, with a straight back, as powerful as a mountain.

At the end of the last string of notes, Xing Lihan turns to look at the table, and when the dinner is ready, he steps over.

There is no little guy around, the atmosphere in the whole room is quiet, there is no voice, but to do something, it is very loud.

Tang Siyu brought out half of the pot of soup, followed by rice. Xing liehan took advantage of her to put the insulated gloves, and he picked up the spoon and filled her bowl of rice.

Tang Siyu came out and saw the rice placed in front of her desk. She was stunned for a second, but naturally picked up the chopsticks and began to eat.

Xing liehan watched her eat, and he began to eat too. In the quiet atmosphere, there was no embarrassment at the beginning. Like two old husbands and wives, they restrained all the tense emotions. Only this tacit and comfortable atmosphere.

Eating, Tang Siyu felt thirsty. She picked up a glass of water that had been poured on the table. After she put it down, another big palm naturally took it up. Tang Siyu turned around and saw Xing liehan naturally drank all the water in her glass.

"Hello! You Won't you pour the water yourself? " Tang Siyu finally made a sound.

Xing liehan chuckles and doesn't think so? You've eaten all your saliva, and you care about it? "

"Who ate your saliva?" Tang Siyu retorted, blushing.

"Last night's ten minute kiss, I don't believe you didn't swallow..."

"Stop Stop it. I don't want to waste my dinner tonight. "Tang Siyu hurriedly called a halt. Can this man not mention this matter while eating.

Xing liehan smiles and looks at her lovely pink face under the light. She has a great sense of achievement.

After eating, Tang Siyu tidies up the dishes, while Xing liehan feels addicted to playing tonight, so he continues to play her piano. The sound of the piano is melodious and romantic, which turns into continuous spring rain in every corner of the room, as well as in the kitchen, Tang Siyu's heart.

From the piano sound, Tang Siyu seems to know the man better. Unexpectedly, he looks resolute and cold, but from the piano sound, he can read his delicate and gentle side.

It's just his side. She only saw it when he faced his son.

When Tang Siyu came out, Xing liehan pressed the piano sound and hooked his fingers at her. "Come here, let's play one together."

Tang Siyu is not interested. He shakes his head and says, "I don't want it."

"What? Don't you and the one who prayed for coolness play very happily? In your heart, I can't compare with that praying for coolness? " Xing liehan's handsome face flashed across.

Tang Siyu twisted Dai Mei. "How do you compare with him? He is a man of integrity and goodness, and you I don't want to say much, you know it. "

This is really irritating the man. Xing Lihan stands up from the piano, steps towards her step by step, squints his eyes, and says dangerously, "so, what kind of person am I? Asshole? Devil? "

Tang Siyu immediately felt alert. She didn't like this man the most. If she didn't speak well, she had to approach her, which made her dislike.

"Can you speak well?"

"No." Xing lie is cold.

"Yes, you are a bastard." Tang Siyu said loudly, it seems that it's not enough to use only assholes to describe him!

Just five years ago, his identity as a jerk couldn't be washed away.

Xing lie's cold mouth raised a sneer, "that is to say, you say I'm an asshole. If I don't be an asshole, I'm sorry for that."

Tang Siyu is silly for a few seconds. This man seems to dig a hole to jump for her. Then, he can find an excuse to bully her!"Hello, it's time for you to go back to your room." Tang Siyu thinks it's better to stop this topic.

"You want me to leave when you get rid of me? Is there anything so cheap? "

Tang Siyu is speechless. When did she flirt with him? This man's way of misnaming is too casual.

"Xing liehan, if you dare to move me, you will not come to my house for dinner later." Tang Siyu also threatened.

"Don't let me come. Who are you going to let? Let Murphy? " Xing lie's face was even worse.

Don Siyu wants to cry. Why does this man have to talk about mufei? Is he hostile to Murphy?

"That Has Murphy robbed you of your business? " Tang Siyu plans to cross the topic.

"Well, he'll take my business too?" The arrogance flashed on Xing lie's cold face.

Tang Siyu couldn't help but wanted to laugh, but he continued to put in the topic, "Murphy is also a famous person in the business world. You are too arrogant!"

"I have the capital." Xing lie is so cold that he doesn't want to show weakness in front of this woman at all, especially when compared with mufei. He absolutely doesn't want to lose.

Of course, Tang Siyu believed that this man was no worse than Murphy in wealth and wrist. She was tired and said to him, "go back! I'm going to sleep. "

Xing liehan just came back to his senses. At first, he just dug a hole at the end to let her jump down. Then, he took advantage of her. Unexpectedly, the woman cleverly opened up his topic.

"I think I can leave. You just offended me and apologized to me." His Xing liehan is not so easy to get rid of.

Tang Siyu is really crying and laughing. This man is probably used to being president! It's a crime to pick it up.

Chapter 107

"Well, I just said the wrong thing, OK? "Master Xing?" Tang Siyu said helplessly.

"Are you apologizing? Forget it. Kiss me and I'll go. " Xing liehan doesn't plan to go away without any benefits.

Tang Siyu has been speechless to this man to describe her mood. Now she forgets how she offended him.

Think about it carefully. She cooked a meal for him to eat and drink. What's wrong with her?

"Why should I kiss you?" she said, without a small face

"If you don't kiss, OK! I'll sleep in your bed tonight. You'll sleep on the sofa. " The hateful threat of Xing liehan.

"No, you can't stay over at my house." She insisted, and the man was dangerous.

"Why not? We have done the most intimate things, and our son has. What are you so conservative about? As long as you speak, there is nothing I can't do for you. " The implication of Xing liehan is very strong.

How can Tang Siyu not understand? She immediately disdained, and some raw airway, "if you don't go, I'll go. I'll find a hotel to sleep."

Xing liehan's purpose is not to force her away, but to be sure, there are many men around this woman to serve her. She must be under his eyes.

Xing liehan had to compromise, turned around and walked to the door on the wall, pushed the door open and left.

Tang Siyu still can't get back to God. This man is so strange. Why does he always like to pester her now?

Tang Siyu locked the room tightly before he went to sleep.

Tomorrow, she is going to visit his family. To be honest, she is very nervous. In general, the elders are very dignified and difficult to get along with.

Tang Siyu was really tired today. At ten, she was watching micro-blog on the bed, sleeping on the side of the mask, and at eleven, she turned off the light and fell asleep.

She can sleep, but in the next room, a man is sitting alone on the sofa, with a complex thought on his face. The feeling of being alone with Tang Siyu just now makes him feel relaxed and happy, which he has never had before. This feeling is not available to other women.

Moreover, he also found for the first time that his masculine charm had failed. For a woman, he had already rushed into his arms and wished he could resist his death.

Is this woman made of stone?

Early morning.

Tang Siyu washes out from the main bedroom. She goes to the balcony to get the dry clothes. Because she is short of a corset, now she is coming out from the windowsill with a pink one. As soon as she enters the hall, she sees her sofa. She doesn't know when a man is sitting.

She was startled. At the same time, she quickly hid her bra behind her. Some breathing passages were found. "Why do you come into my house without my permission?"

Xing liehan chuckles. Although she is hiding behind him, he saw it just now.

"You are b!" Xing lie cold ring arm, long index finger stroking his sexy lip asked.

Tang Siyu immediately felt insulted. She hummed, "which eye of you saw me B?"

"When I bathed you that night, I didn't miss the places to see." Xing liehan laughs abominably.

"You I'm more than B. I'm D. listen, D. " Tang Siyu finished, rushed back to her bedroom and closed the door.

Xing liehan chuckles. His eyes are full of laughter. Where else is the normal high cold breath?

For the size of this woman, Xing liehan knows that she belongs to the kind of body that is too much for more, too little for less, and just right. Anyway, he is very satisfied with this woman's body.

In the room, Tang Siyu put on a classic one-step beige skirt, and a pair of slender white legs were very eye-catching.

Xing liehan's eyes immediately swept over automatically, and looked at her perfect figure along her long white legs. When he saw it with interest, a pair of unhappy water eyes were staring at him.

"Hooligans." Tang Siyu swears rudely.

Xing liehan stood up without pain or itch, bearing the curse. He buttoned the Cufflinks of his shirt and said to her, "drive your car."

"Let's go Dutch. I will not use yours, and you will not use mine." Tang Siyu decided to alienate him.

Otherwise, this man really thinks that her things can be used casually, and her room can be entered casually. He really doesn't take himself to take outsiders.

Xing lie's cold and deep eyes flashed a little annoyance, and he hummed to take the lead in stepping out.

Downstairs in the parking lot.

Tang Siyu pressed to drive her red SUV and sat in it. She was about to start it. The copilot's seat was pulled open. Tang Siyu stared at the man sitting in the copilot's seat. She twisted her eyebrows.

"Why don't you drive?"

"Just drive a car. What are you doing with so many cars! let's go! I'll show you the way! " Xing liehan's expression of sitting in her car.

Tang Siyu has seen the rogue side of this man. Which says he is difficult to get along with? When I got to her, I couldn't get rid of it like a gummy candy. Tang Siyu has driven her car specially. Xing Lihan points to Hui left and Hui right in the car for a while. At last, he turns left at the intersection of Mingming. Because Xing Lihan slows down, Tang Siyu has stopped on the straight road. Xing Lihan immediately twists his eyebrow and says, "I said turn left!"

"You don't say it earlier! I'm on this road now. "

"Now change course." Xing liehan gives her an order.

Tang Siyu looks at him a little annoyed. She has to occupy the road from the middle to the side. She feels that the driver of the car behind hates her very much.

"Can you stop working on the navigation and set a navigation for me?" Tang Siyu drives the car and glances at the man around him.

"It's better to have a handsome man like me to do navigation for you than to listen to those mechanical sounds! The media said that my voice would be pregnant! " Xing lie turns to her side and laughs in a low and magnetic way.

Tang Siyu has seen narcissism, but not so narcissism. She snorted, "according to you, you shouldn't only have Xiaoxi as a son, you should have a bunch.

Xing liehan said, "it's just to describe my voice!"

Tang Siyu didn't feel it at all, but at this time, Xing liehan's sword eyebrow twisted, "go straight!"

Tang Siyu stopped on the left turn road again this time. She was going crazy. She had to face up to the steering wheel and turn to the side, which made a red car behind her so angry that it honked its horn. Tang Siyu breathed, turned his head and stared at the man angrily, "can you do what you need to do for navigation?"

Chapter 108

Xing lie cold exposed a mouth of ice like neat white teeth, "yes."

The next road was a victory, but along the way, Tang Siyu kept hearing the magnetic male voice doing navigation.

Finally, I drove into a wealthy villa garden, which is full of single family villas, and the garden is spacious enough to be a garden. Xing family's wealth has been known all over the world for a long time.

Just as the car came in, I saw a beautiful girl running here with Tang Yixi's little friend. Tang Siyu got off the car and looked at this lovely girl. She should be Xing liehan's sister of dragon and Phoenix!

"Mommy..." The little guy immediately hugged her waist, showing a small face with a smile that could not see his teeth.

There were two days when she didn't see her baby. Tang Siyu also missed her. She squatted down and hugged her son, and a clear female voice called to her, "sister-in-law."

Tang Siyu was shocked immediately. She smiled and said to Xing Yinuo, "call me elder sister!"

Xing liehan saw that his younger sister called her sister-in-law enthusiastically, but she stopped him from coming back. There was a kind of inexplicable displeasure in his heart. His son had both. How about calling her sister-in-law? I don't know why. He has a kind of confidence. Sooner or later, his sister will call her sister-in-law!

This emotion occupied his whole heart.

"Well! Then I'll call you elder sister, elder sister, how are you young! How beautiful are you! " Xing Yinuo said innocently that her big eyes were full of sincerity.

Tang Siyu's pretty face blushed with embarrassment, "you are also very beautiful."

"Mommy, this is my little aunt. Her name is Xing Yinuo." The little boy's tender voice introduced.

Tang Siyu looks at Xing Yinuo. Xing Yinuo is pure and beautiful. The genes of Xing family are really good.

Xing liehan was ignored for a while. He coughed softly, "let's go!" With that, he picked up his son and asked him to sit in his arms and walk towards the hall.

"Daddy! When I'm not at home, how are you doing to my mommy? " Asked Tang Yixi curiously.

"All right!" Xing liehan turns his head and looks at the girl around him, with a warm smile on the corner of his mouth.

Tang Siyu gave him a happy smile! Is this man shameful? It's all bullying him and trying to cheat his son.

Although with such a mood, when Tang Siyu entered the hall, his face immediately showed the polite smile of a standard celebrity.

Xing Zhengting and his wife are very happy when they know that Tang Siyu is willing to come to their home, which means that their son's mistake was forgiven. Jiang Lan's heart has been in a bad mood. When her son does such a thing, her mother feels shameless.

They only think that Tang Siyu must be an understanding and reasonable girl, otherwise, how could she agree to come home?

However, who knows that Tang Siyu will come here today, completely forced by Xing liehan.

However, Tang Siyu is not exclusive to come here, because they are her son's grandparents. She comes here to be a guest, which also makes her son more beloved in this family.

Looking at the beautiful girl who came in side by side with her son, Xing Zhengting and his wife had seen her before at the school gate, and also saw her on stage on TV. At this moment, looking at her closely, Jiang LAN felt that the girl was gentle, beautiful and radiant.

"Miss Tang, here you are! I'm liehan's mother. " Jiang LAN and his wife warmly welcomed them.

"Hello, uncle and aunt! My name is Tang Siyu, and I'm Xiaoxi's mother. " Tang Siyu said hello gracefully.

Xing liehan is also attracted by the polite Tang Siyu. The girl usually ignores him and owes her money. Unexpectedly, she is so polite to her parents.

"Lie Han, please take care of Miss Tang. They are coming here for the first time. Don't neglect them." Jiang LAN looks at her son with some hints in her eyes.

Jiang LAN can pay attention in his heart, let his son chase Tang Siyu back and give Xiaoxi a complete family.

Tang Siyu also heard that she was a little embarrassed to wring her hands. Just then, the little guy took her by the hand. "Mommy, do you want to see my room? There are many toys in my room! "

"Good! Mom, look at your room. " Tang Siyu answers with a smile. Xing Yinuo follows them upstairs. Tang Siyu just disappears at the stairway.

Jiang LAN immediately pulled Xing liehan aside and whispered, "liehan, you have to do well to give Miss Tang a good influence."

"Mom! What do you mean? " Xing liehan knew the reason.

Jiang LAN glared at him, "do you still use your mother to tell you? Miss Tang is beautiful, talented, and Xiaoxi's own mother. You can get her back and give her a complete family in the future. "

With a smile, Xing liehan said quietly, "Mom, are you not confident in your son?"

Jiang LAN gently beat him, looking at her handsome and charming son, of course, she has self-confidence, but who told him to sleep someone else's girl five years ago!"If you are less poor, hurry to accompany others!"

Xing liehan was also in a happy mood. When he stepped upstairs, he saw Tang Siyu in the room of Tang Yixi. Tang Siyu found that there was a piano practice room next to his son. There was a Steinway piano in the room. Tang Siyu only tapped a few keys. The pure tone was the top-notch.

Tang Siyu didn't expect her son to be here and get all the love. Her heart filled with joy. Her son was lack of love from childhood, father's love, and the love of the elders. Now, it's obvious that his son's love for his family is complete.

"Sister, can you teach me how to play the piano?" Xing Yinuo looks at her expectantly.

Tang Siyu was also inexplicably fond of and close to the Xing family girl. She chuckled, "yes!"

"Really? That's great. I'll move to my brother's house in a few days. Then, teach me! " Xing Yinuo said excitedly.

Tang Siyu was slightly shocked. "You want to move to your brother's house? Why? "

"Because my second brother is going to study abroad, my parents are going to accompany him to get used to it for some time, so I may live in my eldest brother's house during that time."

And just then, Xing liehan's voice came, "maybe Xiao Nuo needs to stay in your room for a while."

Tang Siyu immediately turned around and saw the man standing at the door without knowing when to ring his arm. She immediately thought that all his rooms had been opened, and there were no other spare rooms. Xing Yinuo moved in and could only live in her room. Tang Siyu turned around and said to Xing Yinuo, "welcome at any time."

Xing Yinuo immediately laughed happily, "Hmm! Then I'll disturb my sister for a while. "

Chapter 109

"Auntie! I also welcome you to stay in our house! " Tang Yixi is looking forward to it.

When Tang Siyu came out, she saw a young man in a gray sweatshirt, and she immediately amazed for a few seconds. What gene is Xing family? One is more handsome than the other?

Xing Yifan rarely shows a sunny smile and politely greets, "Hello, elder sister!"

"Hello!" Tang Siyu said hello with a smile.

"This is my second brother Xing Yifan." About Xing YINUO.

Tang Siyu looks at Xing Yifan. Although he is still a boy of fifteen or six years old, his face has turned against the sky. His features and eyebrows are similar to his son's.

Xing Yifan said in a voice, "it seems that the Wens are coming."

"Ah! Here we are? " Xing YINUO immediately panicked, as if the frightened rabbit wanted to find a place to hide.

Tang Siyu immediately looked at her with concern. Xing YINUO cried and said with a small mouth, "I don't want to see Wen Liangyao!"

Xing liehan shakes his head helplessly. Even Xing Yifan looks at his sister sympathetically. Only Tang Siyu and Tang Yixi are puzzled.

Tang Yixi immediately pulled Xing YINUO's sleeve and asked, "Auntie, have you been bullied?"

"No, I just don't want to see this man." Xing YINUO is very resistant. She feels that no matter how poor her study is, she doesn't need this Wen Liangyao to teach her.

"Why! Is he a bad guy? " The little guy was worried about his aunt. Besides, he immediately felt a sense of protection.

"Xiaoxi, not a villain, but a good person who will teach your little aunt how to learn in the future." Xing Yifan comes over and takes the little guy aside.

"Why?"

"Because your aunt doesn't do well in her studies!"

"Isn't aunt doing well in school?"

"It's not bad either! It's the bottom of the class and the end of the crane Xing Yifan tells him with a smile.

Xing Yinuo is going to die of shame. She cuts her feet and shouts out, "Xing Yifan, you say that."

Tang Siyu immediately understood that she could not help exclaiming that these two brothers and sisters were really interesting, while her smiling eyes were in circulation, and she inadvertently ran into a pair of deep staring eyes around her. She wanted to avoid, but it was too late. Xing Lihan, bearing the eyes of doting smile, ran into a right one with her.

Tang Siyu's face reddened for a few seconds, and she even looked at him.

Xing liehan's eyes are smiling deeply. This girl has been integrated into his family very fast!

At this time, the servant stepped up the stairs and saw a group of people standing in the hall on the second floor. She said hurriedly, "the guests of Wen's family are coming, and the master and his wife let you all come down."

Tang Siyu is also slightly surprised. I didn't expect that she was not the only guest, but also the Wen family. Tang Siyu was embarrassed.

I knew that she would not allow Xing liehan to come today. However, this is the condition that he is helping Suxi. I can't help her!

Xing liehan leads the little guy, "go, daddy will introduce you to your Godfather."

"Do I have a godfather?" Tang Yixi was surprised.

"Yes! Daddy's best brother, he must want to be your Godfather Xing liehan laughed.

Tang Siyu is a little speechless, but she is curious. What kind of person is Xing liehan who makes friends with?

Xing Yifan immediately takes Xing Yinuo's hand, "let's go! You can't escape. "

Xing Yinuo also knew that she had to see Wen Liangyao today. She raised her cheeks to protest and went downstairs.

Tang Siyu watched Xing liehan lead his son downstairs, and she also followed him downstairs.

On the sofa downstairs, sitting on the newly arrived Wenjia family, Tang Siyu's eyes were first attracted by the gorgeous couple, then by a handsome man in his early twenties, who was very young, dressed in a dark gray T-shirt, matched with dark leisure pants, a slightly concealed black hair, clean and stylish, with a handsome look in his beautiful facial features, Handsome and a quiet, although young, but people do not dare to look down on the wisdom of the atmosphere.

This man has delicate eyebrows and eyes, thick eyebrows, deep eyelids, warm eyes, and some classic and beautiful man's temperament.

Tang Siyu is surprised. Is this Xing liehan's good friend, whose son is about to recognize his godfather?

Just as she was surprised, she only heard footsteps coming from the side hall, and a low male voice was ending the call, "OK, that's it."

From behind the door step by step a tall slender figure, Tang Siyu looked up, suddenly there is a kind of birds of a feather exclamation.

This is Xing liehan's good brother!

This man is not only handsome, but also full of charming male charm. Even the voice line he just heard from the back of the door is charming.

"Here comes Li Chen." Xing liehan calls out to the man.

Wen lichen received the call and was immediately attracted by the mini version of Xing liehan beside him. He crouched down with his lips hooked, and looked at the little Tang Yixi with envy.

"Xiaoxi, he will be your Godfather later. His name is Wen lichen, his best friend." Tang Siyu is looking at the man, and hears Xing liehan's introduction of his name. Her head explodes

immediately. She takes out her mobile phone from her bag, afraid that she has made a mistake. She secretly turns to the message sent to Su Xi last night, which is really Wen lichen.

My God! The man who found the Suxi gem is Xing liehan's good brother?

"Godfather!" Tang Yixi immediately shouted politely, and Wen lichen smiled and touched his little head. "It's lovely."

"Godfather, I also have godmother! Do you want me to introduce you? " Tang Yixi immediately felt that it was necessary for him and his mother to know each other.

Tang Siyu's heart strings on one side were tightened immediately. Son, please don't! Your godmother has a personal grudge with this man!

"Who is your godmother?"

"My godmother's name is Susie. She's a beautiful big star!" The little guy revealed it directly.

Wen lichen's smile immediately sank a little, "is it? I'll meet you some other day. "

"Good!" The little guy laughs at Mimi. He feels that his father is so handsome, just like his father.

Over the sofa, Jiang LAN and Mrs. Wen have been discussing how to find their grandson. Mr. Wen on the side of the sofa is also surprised by the stains. Instead, the young man sitting beside them, a pair of deep smiling eyes, fell on the girl hiding behind Xing Yifan and looked at them. The beautiful lip shape, with a touch of nobility and elegance, is widely publicized.

Xing Yinuo hides behind the second brother, only showing a pair of watery eyes. After touching Wen Liangyao, she immediately hides more tightly.

Tang Siyu was depressed. Xing liehan knew last night that the jeweler was his good brother, but he had to talk about so many conditions, which made her mistakenly think it took him so much effort to get the news of the guest.

Damn, dare to cheat her.

Chapter 110

Wen lichen's eyes fell on Tang Siyu's body, and he gave Xing lie a dim look, which only men could understand.

Xing liehan turns his head and looks at the girl who is biting her lips. She looks upset. He hooks her lips and smiles.

"Miss Tang, come and sit here." Jiang LAN came to her and greeted her.

"OK! Auntie! " When Tang Siyu sat on the sofa, Mrs. Wen immediately praised her, "Miss Tang, I listened to your piano music on TV last time. It's very nice to hear it. I also admire your young age and your talent and ability."

"You flatter me. I learned piano when I was a child. There are still many shortcomings." Tang Siyu smiled modestly.

"People are beautiful and children are well educated." Mrs. Wen continued.

"No, Miss Tang is nice and patient in education." Jiang LAN took the opportunity to express her love.

Tang Siyu smiles and droops her eyes, feeling Jiang Lan's love and expectation. She can only let her down in the bottom of her heart.

Although she and her son gave birth to Xiaoxi, she and Xing liehan will never be together, because this man's character is not good.

Wen lichen and Xing liehan are playing with the little guy. Xing Yinuo has been hiding behind Xing Yifan. Xing Zhengzheng suddenly thinks of this matter and immediately calls her over. "Yinuo, come to see uncle and aunt Wen and Liang Yao! He will be your review teacher later. "

Xing Yinuo, frowning and obediently, went to his father's face and bowed to the two old Wens to salute, "I have seen my uncle and aunt."

When her eyes looked at Wen Liangyao, she immediately stared and did not say hello.

"I saw you when I was a child, but I haven't seen you for decades. You are so big." Wen Liangyao laughed first.

"Yes! Liang Yao has also come to participate in your full moon wine! At that time, he was only about eight years old, and he held you! " Mrs. Wen said with a smile.

Xing Yinuo blushed immediately. Has this man seen her just born? I'm so embarrassed. Why does Dad want him to teach her? What a shame.

"Yifan, I heard that you are going to be escorted abroad. Congratulations." Wen Liangyao said with a smile to Xing Yifan.

"Thank you! I hope you will teach my sister more in the future. I'm not sure about her studies. " Xing Yifan is really good for her sister!

Wen Liangyao laughed, "don't worry, I will help her study and make her progress."

"Who said I need your help? I will listen to you carefully in class. If you don't bother, you won't help me." Xing Yinuo pouted and refused.

Xing Zhengting immediately said sternly, "Yinuo, do you dare to refuse? It's a pleasure for you to be tutored by Liang Yao. "

"Uncle is OK. I am writing a script at home. I have a lot of time and plenty of time. I will take care of and coach Yinuo as my sister." A faint smile from Wen Liangyao.

Xing Yinuo immediately put his mouth in a drum and turned it. "I don't want it."

"This child is capricious. In the future, you should be strict in your guidance. Don't get used to her. Her brother just indulged her so much that she didn't make any progress!" Xing Zhengting said to Wen Liangyao.

Xing Yinuo immediately cried, Dad, is this serious? How bad is it to hurt her in front of outsiders? She went to Xing Yifan's side and sat down. She felt that life could not be loved. The end came.

Tang Siyu, on the other side, watched this scene for a few seconds. She couldn't help being in a trance. She remembered that when she saw mufei as a child, she was also very resistant. She felt that someone was in charge of her and was too constrained by her freedom. Later, mufei patiently taught her that mufei had helped her a lot in piano and learning.

So, even if she can't be a lover, she won't be an enemy with Murphy. Maybe she will be a friend in the future. In those days, she has seen and forgiven that. It's not Murphy's intentional infidelity, but Tang Yiyi's absurd behavior when he is drunk.

In the bottom of his heart, Tang Siyu hopes that mufei will find a new happiness in the future.

Xing liehan's eyes fell on her face from time to time, looking at a kind of trance expression on her face, he twisted his eyebrows, who did she think of now?

He has a pair of eyes with a strong sense of hole, only looking at the color of falling mu on her face, he has a premonition that she must be thinking of a man.

Who is this man? It must be Murphy, because the atmosphere at home makes her think of the Tang family and Murphy family's relationship.

Damn it, this woman in his house, dare to think of another man?

It's hard to believe that Wen lichen is teasing the little guy. His good brother has such a big son. Besides, the little guy looks like a pink carving and jade carving, which really makes him want to hold up and kiss.

"Godfather, have you seen my godmother? She has made many TV plays and movies! " Tang Yixi shook and said holding Wen lichen's big palm.

In Tang Yixi's heart, there is an idea of matchmaking. Ganda is so handsome, Ganma is so beautiful, and there is no boyfriend. Maybe Ganma and Ganda can fall in love together!

Like daddy and Mommy, he wants them to be together. Before Wen lichen came, he had guessed the feelings of sushi and don Siyu. But he didn't expect that she was still the godmother of the little guy.

He thought of the woman who had offended him twice and looked at him out. Wen lichen was still unhappy.

It must have something to do with his dignity and face.

Jiang LAN is most concerned about things when he was a child. Tang Siyu talks about things when he was just born. Jiang Lan's eyes are filled with tears and she is very moved.

At 12:00 noon, there was a very rich meal on the big table. A group of people moved to the table and had a funny meal. The little guy sat beside Tang Siyu, and Xing liehan sat on the left side of Tang Siyu, which was the feeling of a family.

Jiang Gang greets Tang Siyu, and Xing Zhengting is very polite and enthusiastic to her. Xing Yinuo forgets about her study temporarily. She looks at her elder brother and Tang Siyu with big eyes. Her eyes are full of expectation. She hopes that this beautiful elder sister Tang will become her elder sister-in-law.

Tang Siyu is still separated from Xing's family. Especially, she and Xing Lihan are on the table without saying a word. Most of the time, Xing Lihan looks at her son and pays attention to her mood.

Wen lichen's deep eyes fell on the little guy who could eat and drink. The big eyes, the lovely little face and the envy and jealousy of the bottom of the eyes flashed from time to time.

Although let him marry, he will be very resistant, but, have their own children, this thing is still very good.

Tang Siyu decided to take his son home after dinner, so after dinner, she didn't stop and said she would take him back to her parents' home. The Xing family naturally agreed with him. They didn't have the idea of occupying their grandchildren.
