

U. CEO Daddy 1011

Chapter 1011

Three days later, yeoman Ni received a courier call, and she was surprised to say, "OK, I'll get it right away."

Yemeni thinks about it. She hasn't bought anything recently! Where's the express delivery from?

However, even if it's express delivery, she's going to pick it up naturally. Maybe it's some company that wants to win her over!

Yeoman Ni took a folder of express delivery, she couldn't help but secretly rejoice. Is it really the signing contract that some company sent her?

Ye Manni returns home happily, rips open the seal on it, takes out a look, her face changes color instantly, it is the lawsuit sheet of the court originally, she stares at the contents of the lawsuit, what? Zhuang Nuan wants to sue her for the lyrics?

Soon, yeoman Ni received Linxi's phone call, naturally she also received the indictment.

"What's the matter? Zhuang wennuan is so excessive that he wants to sue us? " Lindsey was so angry that she thought that Zhuang Nuan would not do this as a companion.

However, they didn't think about it. From the beginning to the end, Zhuang wennuan didn't invade them at all. From the beginning to the end, they were both bullying her.

No matter when the group was formed before or now, Zhuang wennuan is the victim.

"What to do! Do we really have to be defendants? Can we talk to her about not doing it? "

"She has no evidence. How can she sue us? I think she's scaring us. Leave her alone. " Yemeni didn't believe that Zhuang could bring evidence to sue them.

"But "

" ah Xi, we're so angry again. Are we afraid she won't make it? Let's go to the court and see the court. Whoever is afraid of it. " Yemeni said with a confident face.

In her opinion, Lindsey is listening to Yemeni. At the moment, she also enjoys the glory brought by fame. Of course, she doesn't want to give up the popularity that she can't easily regain. "Well then! So we don't care? "

"No, isn't the date on her schedule for us to go to the court tomorrow afternoon? Let's go and have a look! See what she's up to. "

"Good! Then wait until tomorrow. "

Zhuang wennuan is at home. After receiving Qiao Muze's call, he has sent a summons to yemani and they will have a court session tomorrow afternoon to deal with the matter.

Zhuang warms a sigh of relief. She has endured Ye Manni for a long time. Finally, this time, she will not let them go easily.

At the International Airport, LAN Qianhao brings LAN chunian to meet the returning yijinglong. Yijinglong's assistant pushes the gift box for him. His expression is calmer. It seems that relaxation helps him relax.

"Dad!" LAN Chu Nian comes forward and holds his arm.

"You've been waiting a long time!" Yi Jinglong reached out and stroked the back of LAN chunian's head. His eyes were full of love.

"Well! We'll have tea in the coffee shop and wait for you! " LAN Chu said with a smile.

LAN Qianhao called out, "uncle."

Yi Jinglong nodded and said to them, "let's go!"

"We'll have lunch soon. Let's go to the downtown restaurant for lunch! My parents are here. " Blue Qianhao said, "OK! Then get together! " Yi Jinglong smiles and nods.

In the car, LAN Qianhao asked their father and daughter to take a car together, and he also sat in the assistant's car.

"Dad, how about being abroad?"

"I went to a lot of places you and your mother have been to before, and my mood has recovered a lot!" Yi Jing Long sighed, then his eyes fell on her face and said, "first read, you and dad tell the truth, do you like Qianhao?"

LAN Chu read to look at her father's direct inquiry, and she nodded shyly, "Hmm! I like it. "

"Do the elders of the blue family promise you to be together?" Yi Jinglong asked with some concern.

"They all agreed. We just haven't made it public." LAN chunian answers again.

Yi Jinglong looked at her with relief, "well, there are thousands of Hao to take care of you, I'm at ease."

"Dad, I want to change my name and live with you in the near future."

"Good! Dad will go to the media to announce our relationship and let you stay with Qianhao without being questioned by too many people. "

"Well! Thank you, Dad. " Blue Chu Nian relies on his shoulder.

In a restaurant in the center of the city, LAN's parents have been waiting there, but LAN Qianchen is not there. He and Xing Yifan have made an appointment to play golf.

The elders on both sides are eating with them.

At the dinner table, Yi Jinglong also couldn't help making plans for her daughter's future, so he took the initiative to say, "brother LAN, I decided to return to Yi's home in two days, change her name back to her childhood, and make it public."

The blue parents also agreed.

"Well, let's do that! We also hope that we can go back to Yi's home for the first time, and then, wait to find the right time! Marry again. " Mrs. Blue's eyes bent with a happy smile at the moment.

It's so nice to arrange like this. Her daughter is the first to remarry! At the beginning of the blue Dynasty, he was thinking of shame and bending his red lips. At the same time, he was listening to the suggestions of his elders."No matter how the outside world talks about it, we don't want to manage it, as long as the children are happy." Said the blue father.

"Yes, what is more important than their happiness!" Mrs. blue agrees.

In the golf course, two tall and slender figures are playing golf, and their skills are very good.

Next to them, there is a group of handsome teenagers who are nearly 1.7 meters away.

Xing Yifan looked at the little nephew beside him, and could not help pointing out, "Yixi, good fight."

"It's not as good as my uncle!" Xing Yixi, with a strong sword eyebrow, has changed from that little boy to a tall and straight young man. He has a very handsome facial features, like his father, who has a pair of beautiful eyes, which is a good gene from his mother.

Xing Yifan looks at his 14-year-old nephew, and there is still his favor as an elder in his eyes.

LAN Qianchen went to the sofa behind him and sat down. He unscrewed a bottle of water and drank it. After two hours, he was tired.

"Let's eat later!"

"Good!" Xing Yifan answered, patting the young people around him. "Yixi, go, eat."

"Well!" Xing Yixi is now working with his uncle.

When the three of them walked out of the court, they happened to meet several girls who also came to play. The girls looked at two men and a young man coming face to face with bright eyes, and all of them said, "high beauty!"!

One of the girls was very bold and unrestrained, and she immediately stopped Xing Yifan, because Xing Yifan, such a cold man, was her dish.

"Handsome guy, you can leave a contact information, if you are interested, you can make a friend!"

Xing Yifan twisted his eyebrows. "Not interested."

The girl let go, Xing Yifan went to his SUV, opened the door, and three people got on.

Xing Yixi is now Xing Yifan's Lane class, because where he goes, he will basically be called out by his mother.

Like when he was a child, he liked to follow his uncle who was ten years old apart.

"Yifan, we are going back to write our graduation thesis in a few days. You should have a double degree!" Said LAN Qianchen.

"Are you sure?" Xing Yifan picks eyebrows to ask.

"That's necessary." LAN Qianchen is confident.

Xing Yifan's eyes are also relaxed. "OK, let's go back home together."

"Well!"

The next day, Zhuang wennuan is ready in the morning. This afternoon, she will attend the court trial.

Yemeni and Lindsey are also ready to come here for a party. They are not afraid at all.

Linxi also secretly called Zhou Tao to ask about this matter. Zhou Tao was ordered by Qiao Muze not to disclose any information. He would make these two women pay their due price.

Zhuang wennuan also calls LAN chunian, who only knows about it. She agrees to come here and watch.

Around 2:30, some people came in succession. Zhuang thought they were the only ones. However, Zhou Tao invited a good media reporter to participate in the event, because it needs to be publicized.

Yemeni and Lindsey drove to the door of the court, and looked at the majestic Peugeot. Both of them could not help but tense a little. You know, they also came here for the first time as defendants.

"I'm so nervous! In case What if she had evidence? "

"Don't be afraid. I think Zhuang Nuan is just bluffing us. He wants us to apologize." Yemeni is a man who does not see the coffin and tears.

When they entered the hall, it was not long before LAN cunian and Zhuang Nuan arrived. They stood in the corridor beside and chatted.

Chapter 1012

It was Yemeni and Lindsey who heard footsteps coming in behind.

LAN Chu Nian's eyes swept over them and said, "here you are."

Lindsey can't help humming, "Lan Chu Nian, don't be hypocritical, aren't you guys?"

Zhuang wennuan immediately grasped LAN chunian's hand. "Don't be polite to them."

LAN chunian has always been the gentlest of the four. At this moment, LAN chunian has to be silent.

"Zhuang wennuan, you are cruel, even forced us to appear in this way, I tell you, we are not afraid." Ye Manni said to Zhuang Nuan.

Zhuang wennuan is not polite to them either. She lightly replied, "even if you are not afraid, go in!"

With that, she led LAN chunian to go first. Zhuang wennuan sat in the plaintiff's position, and Qiao muzer's lawyer sat next to her.

LAN chunian and LAN Qianhao are sitting on the sidelines, as are Zhou Tao and other employees of the company, as well as media reporters.

The lawyer began to stand up and report the incident. After the prosecution, ye Manni and his wife were all a little alarmed.

"What evidence do you have that we stole her lyrics." What Yemeni needs most now is evidence.

"Well, please show me your evidence." The judge said to Zhuang Nuan.

The lawyer took out the evidence that had been prepared for a long time. In the video shot, Zhou Tao started to bring in Zhuang Nuan's computer and bag, and it didn't end until ye Manni and his wife secretly took photos.

Ye Manni and Lin Xi stare at each other in horror. They never thought that Zhou Tao's office was under surveillance? It's clear that he doesn't have a camera there.

"The evidence is very clear. Miss Yemeni and miss Lindsey stole the lyrics written by my client. Five days ago, they went on a variety show, only changed a few words, then composed and sang, trying to become their original songs. The circumstances are very serious."

Yemeni and Lindsey look at each other in horror. Is this a criminal offence?

"Warm, we apologize to you, please forgive us?" Lindsey looked at Zhuang at once, her eyes full of begging.

Yeoman Ni also slumps to sit, she clenches the lip, then turned to look at Zhuang warm, abandoned all dignity, "warm, I and Lindsey didn't mean to, can you forgive us?"

Zhuang wennuan looks at their begging expression. If they admit to apologizing when she first scolds them, she will not be so angry. However, now that she has reached this stage, she does not want to accept the apology.

"Let's go through the legal process!" Zhuang said quietly.

"Warm, please, I can kneel down to you, forgive us, OK?" Lindsey didn't want to go to jail, even if it didn't take long, a year or two would scare them.

At this time, the lawyer next to Zhuang warm stood up and said to the chairman ahead, "we ask the court to sentence the two people's actions."

This sentence scared the two people in the dock into panic. I can't believe it. Zhuang wennuan really wants them to do well.

The court still needs a process to study this matter, but it has been dealt with as criminal responsibility.

At 3:30, the meeting broke up, and the police were waiting for them outside. Yemeni and Lindsey were scared and cried.

Zhuang won't look at them any more. She won't sympathize with them any more.

After two pairs of people left, Zhou Tao said to his reporter friend, "you know how to write it! I believe that this will be a big news of your company, which will definitely make us earn enough attention. "

"Of course, we must publicize this kind of thing." Journalists' friends also understand people.

Who dares to fight against Joe muzer? Now Zhuang Nuan is the future Mrs. Qiao.

Ye Manni and Linxi take handcuffs and sit in the police car. At this moment, they are crying for heaven and earth. They are crying for heaven and earth.

They finally know what regret is. If they had chosen to apologize when Zhuang wennuan called for the first time, there would be no such thing now. "All blame you, all blame you, you hurt me." Lindsey suddenly grabbed Yemeni's face like crazy.

Ye Manni didn't avoid. Suddenly, her face was caught like a cat, with several shocking bloodstains.

Ye Manni cries out in pain, but Linxi is crazy and wants to kill her.

Yemeni was in great pain, and she was fighting back at Lindsey. Finally, the police pulled the two of them apart from each other in a police car.

Zhuang wennuan returns to Qiao Muze's villa. Unfortunately, she can't use those two lyrics anymore. She can only rewrite the music she made before.

However, she is not in a hurry to come back now, because she is going to have a wedding ceremony with this man, Qiao's elder means as soon as possible!

Qiao's death sentence was also executed. Qiao Yueyang did his chores for him. However, he didn't disturb anyone, just arranged the cemetery beside his parents. At six o'clock in the evening, a report about Yemeni and Lindsey was on the hot search list, which immediately shocked the whole music circle. Such things as stealing other people's achievements are very contemptible, and they can only say they deserve it.

This news has been on the hot search for a long time, and the fame of Yemeni and Yemeni has fallen. It was originally reported that they were playing tricks to hurt Zhuang warm. Now, it is reported that they stole the lyrics created by Zhuang warm. Even if they still have fans to protect them, they just face themselves.

What's more, the sentence is waiting for them!

Three days later, Yi Jinglong took LAN chunian on a trip with him. He met a friend of the media and interviewed him about the meeting.

In the video, Yi Jinglong and LAN chunian have a deep love for their father and daughter, which is enviable. In the video, LAN chunian's name has also been changed back to her family name, Ian Yu.

Although the name of blue chunian has a place in the music circle, but it doesn't care!

Even though she didn't make her debut as a women's troupe, LAN Chu Nian also wanted to leave the stage. She would be jealous if she danced on the stage.

Her family is not short of money, just give up her interest, she can cultivate other interests.

Blue Chu read this news, also on the hot search, but got a blessing, many fans praise her new name is also pleasant to hear, will like her immediately.

LAN chunian is also very happy to watch. She and LAN Qianhao will get married in a low-key way and will not attract the attention of the outside world.

In the evening, LAN Qianhao and LAN chunian have a dinner with Qiao Muze and Zhuang wennuan. In the romantic restaurant, two lovers sit together, the atmosphere is sweet and warm.

Just chatting about the wedding, LAN Chu Nian suddenly opened his brain and blurted out, "shall we have a wedding together?"

As soon as this sentence was said, it was recognized by Zhuang Nuan. She said with a smile, "OK! Then come together! "

Two men look at each other, smile at each other, look at the meaning of two girls, they have no problem.

"Let's be together, more lively." Blue thousand Hao is opposite Qiao Mu Ze to pick eyebrow, "how?"

Qiao Muze nodded and smiled, "I don't mind."

"Warm, remember? As I said before, we will wear wedding dresses together. "

Zhuang also remembered two years ago when he joked with LAN chunian. Unexpectedly, it really came true.

"Remember! Now we can choose the wedding dress together, everything together. " LAN Chu said with a smile.

"Well, then we have company."

Two men look at two women happily discuss, their eyes, only the eyes of the pet.

For them, there is no lack of anything, just wife and children. In another year, maybe two people will become fathers.

The four people decided the place of the wedding together. They all decided to be on an island in a foreign country, which is romantic. They also put an end to paparazzi and the media, because LAN Qianhao and LAN chennian wanted the wedding to be low-key.

Tonight, four people are very happy to discuss this matter.

Chapter 1013

In the two days of hot search, LAN Chu changed his name and announced that he would leave the music circle temporarily. Many fans are very sorry and looking forward to her return.

Although LAN chunian changed her name, she was still called chunian among the familiar people.

Today, I happened to call the elders of the two families to have dinner together. Because the four children all hope to have a wedding together, the elders are also open-minded and magnanimous people. Naturally, I have no opinion.

Their feelings are firm and stable, so they don't need to go through the procedure of engagement and remarriage, but let them enter into the palace of marriage directly.

Now, let's have a look at the island where their young generation got married first. If it's definitely there, we need to arrange the venue according to the arrangement of the wedding company.

In terms of money, they don't want to budget at all. This wedding must be the most luxurious.

Four people should also be the relaxation before marriage. LAN cunian and Zhuang wennuan have company, and two men are also like brothers. These two feelings, sweet and sweet, are accompanied by each other all the way.

After eight hours of flying, Joe muzer's private plane stopped at the International Airport. Two of them were waiting for the pick-up. The scenery along the way was very beautiful.

The temperature here is pleasant, the climate is very comfortable, wearing charming long skirt, blowing the sea breeze, sitting on the yacht, talking and laughing together, the atmosphere is very good.

This is a private island with charming scenery and fragrant flowers.

As soon as the two girls went to the island, they decided that their wedding would be held here because they liked it so much.

Next, two men used to discuss the way of holding the wedding. Just as the country's top wedding company has the right to decorate the wedding on this island, they came here.

The time of the wedding has also been fixed. A month later, the wedding will be held.

After lunch, because LAN Chu Nian was tired, LAN Qianhao accompanied her to have a rest in the hotel. Zhuang was warmer and more energetic. She wanted to go to the beach by the sea. Qiao Muze drove a beach car and took her there.

Sitting on the beach car, you can see the charming scenery of the whole island in the open field of vision. Zhuang warm has long hair flying, showing a charming and fresh face. Qiao Muze's eyes look at her smile, and the corners of her mouth can't help but smile.

"Do you really like it here?"

"Well! Yes, I do. " Zhuang warm nodded.

"Let's play here for a few days before we go back." Joe muzer's time now is to accompany her.

"Good!" Zhuang wennuan answers with a smile.

The white sand beach is very clean, almost without a trace of modern traces. Zhuang wennuan takes off his shoes, and a pair of thin feet step on the soft sand beach, happy as a child.

Qiao Muze is also wearing beach shoes, taking off her shoes and accompanying her to step on the soft beach hand in hand, feeling the cool of the sea water, and occasionally picking up some beautiful shells.

Zhuang wennuan watched the tide receding. She couldn't help chasing the tide. She rolled her long skirt and showed most of her thin white legs. When Qiao saw it, his eyes immediately looked around, fearing that someone would appreciate his woman's scenery.

Only to hear a giggle around her, Zhuang warm was chased by the surging tide, she ran up again, waiting for the tide to go down again, and she was not afraid of death.

Finally, once she couldn't run, she rushed to the man's face, jumped up and put her arms around his neck, and her legs held him like octopus.

Qiao Muze also hurriedly holds her pretty buttocks to prevent her from falling.

Zhuang Nuan smiled and found that she was so close to the man's face that she looked at his sexy lips and couldn't help kissing him in the past.

Chomuze only held her with one hand, and the other hand came to the back of her head. When she wanted to withdraw after kissing, he didn't let her withdraw. His big palm was pressed.

And her little face to their own, so, Zhuang warm red lips and kiss him, this time, for men to take the initiative..

On the beach, such a scene, romantic and love.

In the villa, LAN Chu Nian is really sleepy. Because she changed her name these two days, she still cares about the opinions of the outside world. So, if she has nothing to do, she swipes the comments on the webpage. Sometimes she swipes them in the middle of the night, which leads to her bad rest.

LAN Qianhao and Qiao Muze live in a villa hotel respectively, and they are separate villas.

So, don't disturb each other's love.

LAN Chu wants to take a bath. When she comes to the master bedroom, she sees LAN Qianhao sitting on the sofa looking at the iPad.

"I'll sleep for a while. Would you like to go out and play?" LAN Chu Nian thought that she would go to bed when she was sleepy, but elder brother could go out for a walk first if he was not sleepy.

"No, I'll be with you." Blue Qian Hao low voice, looked up at her pajamas, his eyes immediately dark a few minutes.

Blue Chu Nian's pajamas are not suspenders, but silk. The light blue color makes her look very tender and attractive. "Then I'm asleep!" LAN Chu Nian is sleepy. She pours on the bed, opens the quilt and lies in.

LAN Qianhao wants to laugh. Is his sense of existence so weak? So much sleep for her? Don't know that men are dangerous animals?

LAN Qianhao suddenly wanted to have a rest. He got up and reached for his shirt button.

LAN Chu Nian is looking for a comfortable position to fall asleep. It's not cold. She feels that the quilt at the other end of her back is also lifted. She is scared. She looks around and sees that Lan Qian Hao has gone to bed, and he's still naked.

She was frightened immediately, and looked at him with a tight body. "Big brother, do you want to sleep too?"

"I'll sleep with you." Blue thousand Hao is low and hoarse way, anyway she is his wife sooner or later, what else avoid disrespect?

LAN Chu Nian was so nervous that she scared most of her pajamas away. She blinked, turned around to face him, looked at his handsome face, and swallowed.

"Then let's sleep together!" So can blue Chu Nian.

At this time, under the quilt, a big palm came to her waist. Soon, her slender body was attached to the man's chest, and she was immediately shamed and buried in his arms. Blue Qian Hao's chin lightly put on her forehead, from time to time looked down at her coquettish appearance, and her body was tight.

He really wants to be reckless and do things according to his own ideas.

However, because I love her so much, I am careful about her feelings.

LAN Chu has also read 22 things. She knows everything. What's more, she will become his wife.

She slightly raised her head and looked at his sexy chin. Her red lips were lightly branded. Then, because of her somewhat astringent kiss, she kissed the man's Adam's apple. She had no idea. It was fatal to men.

Blue thousand Hao immediately low hum, he big palm clasps her chin, thin lip then domineering kiss down.

She asked for it. She can't be blamed.

Afternoon sunshine, sprinkled in, warm and harmonious, and in the hazy curtains to cover everything outside, in the white big bed, the two embrace each other's figure. LAN Chu didn't think of his kiss, which ignited the bestiality of the man. In an instant, he was eaten to the bone.

It's too late for blue Chu to regret, because the man won't give her a chance. The girl he has been waiting for so many years can only be his own food.

Under the quilt, it was like a wave of wheat.

In the evening, qiaomuze and Chuang, who came back from the beach, did not disturb them, but finished their meal in a restaurant and went back to the villa.

The waiter here carefully prepared their lover's gift for them.

A bunch of very amazing roses, each of which has a warm feeling, just like their love.

Zhuang wennuan received the flowers. He could not help laughing and holding them and smelling them. Qiao Muze looked at her like a little woman. He smiled and took her into his arms. Just now, on the beach, he could bear it. Now, no one is around.

Can she escape?

Zhuang wennuan put the flowers down, turned around and hugged him. Today, she was really happy. She felt loved when she was with him. Joe muzer took her hand and went upstairs. "This afternoon, I've soiled your skirt. Let's take a bath."

Chapter 1014

Zhuang's warm skirt is a little dirty. She nodded, "OK!"

Both of them are going to get married. Naturally, they will not sleep in separate beds. Zhuang wennuan is preparing to take a bath in the bathroom. As soon as the door is opened, the man comes here naked.

"Wash together."

Zhuang wennuan was immediately ashamed to hide. "No."

"People are getting married. What else can I be ashamed of?" Qiao Muze laughs with evil spirits.

After five days on the island, they went back to the city to discuss the marriage with their elders.

When the wedding date is set, it's natural to write an invitation. The elders of the two families are busy. They haven't had such a busy wedding for a long time.

Zhuang wennuan has no other relatives except her grandmother. However, she invited some colleagues who had a good time in the company and her friends in music. Xing Yinuo was also invited. She was eight months pregnant and was waiting for labor, so she couldn't run around. She could only miss it.

Because of this invitation, the identity of LAN chunian and LAN Qianhao has also been known by some media. However, no one dares to scribble at this time, because if they scribble, they still have to take into account the power and wealth of the blue family.

However, in private, there are still people who write on their own blogs and tell each other in private.

At the same time, Isaiah was in a depressed state abroad. She turned to her friend's wedding about LAN Chunnian, and when she clicked it, she found that the bridegroom was actually LAN Qianhao.

"How could it be?" Isaiah stared at the photo of LAN chunian and LAN Qianhao holding hands with each other.

Isaiah's brain exploded. LAN Chu Nian married LAN Qianhao?

Aren't they siblings? How can it be?

Isaiah immediately published an article on her account. She scolded LAN chunian and pointed out that she and LAN Qianhao belonged to incest.

As soon as she was published, her former friends spread the word from one to the next. Soon, some media didn't think it was a big reprint.

LAN chunian's fans immediately talked about it on the Internet. Because of the loud voice of the fans, Zhou Tao also found that it would damage LAN chunian's reputation.

He decided to tell LAN chunian about it.

At this moment, LAN Chu Nian is coming out with Zhuang Nuan to choose the wedding dress, as well as the jewelry they wear that day, in the VIP box of a store in the blue family.

LAN Chu read to see Zhou Tao call in, she picked up, "Hello! President Zhou. "

"First read, did you see the article on the Internet? I don't know who wrote it. In a word, it's extremely hurtful to you. Now, your fans are asking about it. "

LAN Chu Nian frowned. She didn't pay much attention to it these two days.

"Well, I'll see if you send it."

"I asked someone to check the person who wrote this article. Her name is Isiah. Do you know her?"

LAN Chu was shocked. Was it written by Isiah?

"Yes, I know her." LAN Chu read and sighed.

When LAN Chu finished hanging up, she read the article that Isaiah had written. Sure enough, the words were catching her relationship with LAN Qianhao and writing again, and the words were very vicious.

When LAN Chu finished reading it, Zhuang Nuan was also angry. "What does this have to do with her? She slanders you like this. "

"She was probably revenging. I sent her mother to prison. She wanted to insult me in this way." LAN Chu Nian's heart at the moment is calm.

The happiness she wants may not be blessed and understood by all people, but if she decides, she will not give up.

"I'm fine. Let her scold me!" Blue Chu read finish, she thought, then wrote under one of her accounts, "love what I love, happiness will be good."

This simple sentence is her confession to her fans, which also makes them understand the firmness of their idols in love, and also that LAN chunian is a very good person. Therefore, her black powder is very few, and most of them like her.

Now, there are many fans infected with her firm love, have supported her.

Isaiah has been paying close attention to this matter in foreign countries. She thinks that her writing of this article will definitely make LAN chennian famous. However, she didn't expect that the fans of LAN chennian are so strong. Now, there are many fans who wish her well and support her.

After re selecting the jewelry for the wedding, LAN Chu read the message again. The power of fans calmed her mind.

Looking forward to the arrival of the wedding, they need to prepare, are preparing, and wedding there is a very luxurious wedding scene.

LAN chunian also moved to LAN Qianhao's villa, where the two have already been getting along like husband and wife.

In the evening, LAN cunian sat on the swing in the yard of the villa, wearing a charming nude pink dress, making her like a fairy in the flowers. With the swing, her skirt and long hair were flying. Blue Qian Hao came out of the study and stood in front of the floor to floor window. He saw this scene. His eyes were flashing with smile. He pushed her from the side of the swing.

"Big brother A little higher. " Blue early read a bright smile, chuckle sweet smile.

Finally, the swing that Lan Chu read stopped, she looked up, a small face was extremely delicate, LAN Qian Hao bent down, stood behind her, and kissed.

Blue Chu Nian bends his mouth and feels his enthusiasm.

Just kissing, her body was held up by the man, and LAN Chu read a light sentence immediately, feeling his strong arm holding tightly, and she snuggled up to him.

LAN Qianhao holds her and walks towards the main bedroom. He wants to enjoy her beauty alone.

The wedding day is getting closer and closer. The wedding is also very low-key. They didn't invite the media to come here. They didn't need to publicize how luxurious the wedding was, as long as they were happy.

Yemeni's and Lindsey's sentences have also come down. They have been sentenced to two years for stealing, which makes them regret it too late.

However, some people will not die if they don't do it. If they are safe, they don't have to go through it.

Both of them have gone to a prison outside the city to report. An iron fan of Lindsey comes to see her. Lindsey is wearing labor reform clothes. What's her temperament? The condition of the skin is very poor.

"Lindsey, I have something to tell you. You should be interested." Said her fans.

"I'm not interested in anything now." Lindsey's face is loveless.

"Lan Chu Nian and Zhuang Nuan are getting married. They are having a wedding together on an island."

"What?" Linxi is still surprised. Zhuang wennuan married Qiao Muze. She still knows, but LAN Chu is going to marry so soon?

"Who does LAN Chu want to marry?" Lindsey immediately asked curiously.

"Lan Chu wants to marry her eldest brother, who is not related by blood. LAN Qianhao."

"What?" Lindsey was stunned and couldn't believe it. "Lan Chu wants to marry LAN Qianhao? How can they get married? "

"It's said that LAN chunian came back from her foster care. She has no blood relationship with LAN Qianhao. Moreover, recently, she also recognized her family."

Lindsey was hit hard in the heart. Before I think about it, how beautiful the four women's group members were. They were dazzling and charming on the stage.

But now, two sweet into the wedding hall, and they two, but they are sitting in prison, it is really this is not a comparison.

Lindsey and Yemeni are in the same prison. At this moment, they are regarded as enemies. When they meet, they both hate each other.

Yemeni's face still has some blood marks torn by Lindsey, which have not been eliminated so far, making her hate Lindsey.

"I have good news for you. When Zhuang wennuan married Qiao Muze, she will be Mrs. Qiao in the future, and LAN chunian. She will marry her eldest brother, LAN Qianhao. Compared with us, their lives are not as good as our dogs, which are all caused by you." Lindsey said later, but also very unwilling.

Ye Manni looks at her in shock. Then, although she is shocked, at this moment, she also wants to disgust Linxi. "At the beginning, you still wanted to marry LAN Qianhao. If you want to be beautiful, LAN Qianhao will not look at you for the rest of her life!"

"You Bitch. " Lindsey rushed over, and she wrestled together, fortunately, there are guards to separate them.

Chapter 1015

In a swordsmanship Museum, two men with masks and wooden swords are fighting fiercely. You come and I go, and the two men are totally involved in the fight against each other.

And the librarians watching with arms around them were very surprised at the superb swordsmanship of these two people, as if they were masters.

However, after half an hour's decisive battle, one side finally won and stopped the other side's neck, forming a deadly hit form.

However, the attackers were well controlled and did not hurt anyone at all.

Just now, both of them stood up straight and released their masks one after another, showing their young and handsome faces.

And the winning side is a face cold, double sharp high cold man, and the opposite man, hook lips a smile, "you always win me, no energy."

"If you don't improve your level, these are the moves every day." Xing Yinuo's lips are thin, and he smiles happily.

"Wait for me. I'll study the attack skill next time. I'll defeat you." Blue thousand Chen does not have the good gas answer way.

"Well, I'll wait for you to challenge me."

Two people walked to the dressing room next to them. After a while, two men with the same figure and the same handsome but different temperament stepped out.

A warm sunshine, comfortable, a look cool, not close to strangers.

Two people strided calmly toward the direction of the door, but attracted a few young girls around to stop and look.

"It's my big brother's wedding right now. You promised me to go!" LAN Qianchen has to pull him together.

"Good! Of course. " Xing Yifan nodded, he seldom drank wedding wine, that is to say, it was a good brother's family, he certainly would not miss it.

"Ah! Do your family urge you to marry? " "Blue thousand Chen is teasing him," you are not young either

"I'm only twenty-five. How old am I?" Xing Yifan retorts not with reason.

LAN Qianchen patted him on the shoulder. "Like you, you are a late married man. Which woman can see you?"

Xing Yifan is indeed a female insulator since she was a child, probably because she had a quaking sister around her all the time! Which makes him want to stay away from women.

First of all, my sister fully shows what it means to be stupid, stupid, stupid, stupid, troublesome and troublesome. I'm glad that Wen Liangyao has contracted his sister's life. Otherwise, if she gets married a few years later, she doesn't know how to bomb him!

Who would have thought that the annoying little sister was about to give birth to his little niece. A month later, she was about to be born. She must be a little niece.

Xing Yifan only thinks that with Wen Liangyao's learning bully gene, this little niece grows up to be a learning bully.

"What are you thinking?"

"My parents asked me to move out and live in the villa. I have chosen all the villas." Xing Yifan said.

"Ha! It seems that uncle and aunt are giving you a hint! It suggests that you can take the girl home to fall in love now. " LAN Qianchen teases him.

Xing Yifan also had no choice but to smile, "maybe! It's boring for me to live alone. Let's go and choose a cat with me. I want to have a kitten to play with. "

LAN Qianchen can't help but smile. Xing Yifan is the most manly one in his eyes. Unexpectedly, he likes cat as a pet!

"All right! let's go! I know that there is a best cat house. There are all kinds of cats in it. You will like it. " LAN Qianchen and he went to the parking lot.

It's probably people who don't have girlfriends. So, every day, two men mingle privately, which is wild and turbulent. They don't go in and out of all kinds of fight halls, but go to the basketball court in high school and sweat like rain.

LAN Qianchen takes Xing Yifan to a cat house. He sees all kinds of delicate cages. Those cute kittens are resting. LAN Qianchen is interested in raising one to play. But he hasn't lived apart from his family. When he also buys his own house, he can buy another one!

Xing Yifan's slender figure is looking at the kittens. The kittens that have just been weaned are cute and cute, which makes his cool eyes with a kind of loving smile. Finally, he is attracted by a small group of short legged kittens with heart-shaped on his forehead.

This is a very beautiful silver gray kitten, with beautiful hair color, two big eyes looking at him, very cute.

The girl who sold cats looked at the guest, and her eyes were brighter than the cat's, and her heart was fluttering. She didn't expect that the male guest was so handsome. She was the perfect hero in the cartoon!

And men love cats, which is more for his charm points ah!

"Do you like this cat, sir? This is a kind of cat named manchukun. It's very beautiful, gentle and easy to raise The girl tried to introduce in a very sweet voice and also tried to attract the attention of the guest.

However, the man's eyes were just looking at the little guy in the cage who was looking at him. He had a very special hair and wanted to take it away."This one is very special. It has a heart-shaped white hair circle on its forehead, which is very noble." The girl is trying to sell her kitten.

However, needless to say more about this girl, the little guy in the cage has captured the hearts of men with his jewel like star color.

"Well, I want this one. I'll get all the cat things ready for me. I'll take them today."

"OK! Just a moment. I'll prepare it for you right now. You need a cat's nest, a cat's toilet and litter, as well as toys and so on. "

"Take it out." Xing Yifan asked.

The girl immediately opened the cage and carried the lucky one out to the clean arms of the man. Xing Yifan immediately held the kitten and smiled with thin lips. The cool temperament also changed and became gentle.

How the girl hopes that the man who bought her cat will also notice her! Do you have a chance to meet him in the future? Or do you make friends when you're done?

Now, however, she found that in the man's eyes, there was only the kitten in his arms. Where was she?

Xing Yifan's long fingers caressed the little guy's head, and the kitten immediately admitted to the Lord. He rubbed and rubbed in the palm of his hand, which was very popular.

"You have a good eye. This kitten is beautiful." LAN Qianchen squats down and praises.

Xing Yifan thought for a moment and said to the little guy in his arms, "later, you'll be called Ono!"

"Ono?" After hearing this, LAN Qianchen immediately chuckled, "your name is enough."

"Isn't it nice?" Xing Yifan looks at his good brother.

"That's good. It's just that it's a kitten with no eyes open. It's a bit out of place for you to give it such a wild name."

Xing Yifan raised the little guy with a smile and looked at him. He was just like looking at his own child. He firmly believed that "he will grow up and grow very strong in the future."

"This is a little female cat!" Blue Qianchen found out.

Xing Yifan didn't care, "as long as I like it."

Soon, the girl prepared all the tools for him to raise a cat. When she saw this man, she was the owner of no lack of money. So, she tried to give him the price of conscience as much as possible. What's more, he was so handsome and could make friends again in the future. Then, she could develop in the long run!

In the car, LAN Qianchen holds a kitten in his arms, and Xing Yifan drives to his new home.

It's a newly built villa group, not far from the urban area. It's a single villa, but the building spacing is not too far, about 200 meters. There are several villas, which is the best in this villa.

Now, it's hard to find a villa like his elder brother sitting on the hillside near the city.

Xing Yifan is only single now. It's enough to live in a 200 square meter villa. His most important thing is to stay away from the noise near the city, just be quiet.

He has a private swimming pool and gym. The decoration of the villa was designed by himself. It took him three months to finish the decoration, which is unique.

LAN Qianchen came to his new home for the first time and liked it very much. He got out of the car carrying the things in the car for him, and the kitten also carried them in. He locked them in the cage first. If such a small thing ran away, it would not come back.

Chapter 1016

In the evening, LAN Qianchen received a call from his mother, asking him to go home for dinner at night. When a guest came, he had to leave first.

In the hall of the bright crystal lantern cover, Xing Yifan changed his family clothes, stepped to the cage next to the sofa with long legs, picked up the little guy inside, and he called him with charming voice line, "Ono, this is your home in the future, don't run around, you know?"

"Meow." The little guy answered with a voice. Xing Yifan put it on the sofa and went to prepare cat food for him. After feeding the kitten, he came to the kitchen and developed the ability of self-reliance in foreign countries. It's hard for him to cook a dinner.

What's more, he can get anything to eat by himself, and he can fill his stomach.

Under the warm light, he has a black T-shirt, short hair, dark luster, slender and straight figure. When he is preparing dinner, his face is sharp and angular under the light. His vision is wise and profound, showing a kind of concentration and seriousness.

In the evening, when Xing Yifan sat on the sofa to watch the ball game, Ono in his arms dozed off in the crook of his neck. A small head was buried in his neck and absorbed his temperature. He was lovely and cute.

This made Xing Yifan dare not move even if he wanted to. He was afraid to wake up this little guy. As expected, the days of single dog are lonely. A clingy kitten can make him become a pet cat and warm man.

In such a day, I spent more than ten days in a twinkling of an eye, and the wedding ceremony held by the dealer and the blue family is about to start.

Xing Yifan then sent Ono to his parents' home for a few days. The coke broke his niece, so he refused to let it go, which made Xing Yifan worry about whether Ono's hair would be plucked up by the little guy.

However, he had to get on the plane and set out. Xing Yinu was sorry that he could not attend. That is to say, when the second brother would go, she asked the second brother to give her a big gift to Zhuang Nuan.

Xing Yifan is also on a mission to attend the wedding of the two lovers.

As LAN's plane had a place, he set off on his plane. Xing Yifan and LAN Qianchen were sitting in the same place, but there were topics along the way, and they would not be bored.

At the moment, Qiao Muze and Zhuang Nuan, LAN Qianhao and LAN Chunian have come here three days in advance, and the guests have arrived one after another. They are honored to participate in the wedding of the two lovers. Some guests are even guests of the two families. It is a rare event to witness the two lovers step into the marriage Palace on the same day!

Zhuang wennuan's grandmother also came here ahead of time. She has never been so far away in her life. Moreover, the people arranged by Qiao muzer are taking good care of her.

The wedding is tomorrow, and the two new couples are also preparing to come tomorrow. They are here and have a romantic day. Maybe the two prospective brides are nervous! Before the wedding, they went to the flower field together to play, take photos and relax.

The friendship between Zhuang Nuan and LAN chunian is very pure. There is no suspicion, jealousy or comparison between them, because the two people are very beautiful. What's more, there are two men behind them, each doting on them!

Two people are tired of playing, sitting in a small bar beside! Two girls asked for a glass of juice, looking at the distant sea view, while chatting about the girl's topic. What does blue Chu think of? She laughs and reaches Zhuang's warm ear and asks, "warm, do you want to use that when you wear your wedding dress tomorrow?"

"Which one?" Zhuang didn't understand.

"Blue early read ashamed for a while," the breast pad! "

Zhuang Nuan smiled a little embarrassed, and then reached her ear and said, "you don't need to use it!"

"Sister makeup artist suggested that I use it, because it will look bigger!" The blue early reads to cover the mouth to snigger.

Zhuang warm chuckle a way, "then you use it?"

"I'll use it, and so will you!" Blue Chu read to take her arm and plead, many things, she would like to enjoy with Zhuang warm, try.

Zhuang warm nodded, "OK, then use it!"

LAN Chu read and smiled, "no one will know!"

"Tomorrow, I'm a little nervous!" Zhuang said, also have a relatively rich stage experience, but the wedding, not the same.

"Me too! But even if we get married together, I'll be more at ease. At least I won't let those guests stare at me all the time. They will certainly look at you. "

"How can you look at me?" said Zhuang! You are such a beautiful bride

"You are more beautiful."

"You."

"You."

"You."

Two girls, like a child, are fighting for this matter. Finally, they giggle together.

At 2:30 p.m., LAN Qianchen and Xing Yifan arrived. In the arranged Hotel, both of them are going to have a rest. Anyway, for them, they have traveled around most of the world, and what kind of scenery is not attractive to them.

Xing Yifan sat down and received the video of his niece. He opened it. In the video, he heard the voice of a young girl calling, "uncle, Uncle Are you there?" The little face of Xing Yutian appears in the video. It's tender and beautiful. No matter what angle you look at it, it's not so beautiful. At this time, Xing Yifan saw the little guy with a kitten in his hand coming to the camera.

"Uncle, I'll show you Ono. He's so cute!"

Xing Yifan looks at his beloved cat, and suddenly appears in a princess skirt. His mood is very complex, but his mood is happy. The expressions of the little girl and the cat in the video hit his soft heart.

"Meow..." Ono sees the host in the video, as if he is also greeting.

At this time, Xing Yutian kissed Ono and smiled happily at Xing Yifan in the video. "Uncle, this is a dress that grandma bought for Ono. Is it nice? She said, "your little wild can be raised for me!"

That's what it means to take over his cat.

"No, Ono is mine. I can buy you other gifts." Xing Yifan refuses to let it.

"Uncle, give me Ono!" The little one is coquettish. Although Xing Yifan is very soft hearted, he still hopes that Ono can be kept by himself, because such a small niece can't keep such a delicate and expensive pet.

It takes a lot of energy to keep a cat, and the kid is only five years old.

"I'll think about it when I get back." Xing Yifan lied to her first. Otherwise, if she cried across the screen, her mother would not call to scold him.

Now, this little guy is the top pet of the family! Look at the way big brother and his daughter are crazy. He knows that having a baby will completely change a man.

For him, children are powerful creatures that are not easy to provoke.

Therefore, it is better to keep a cat, which can satisfy his fun of playing and be obedient. Children are the source of trouble.

"Uncle comes back to bring me a present!" Said the little one at that end!

"Good! I'll take it for you. " Xing Yifan said with a smile, "take good care of Ono for me, and don't let Grandma buy such a small skirt for it."

"No, I like Ono wearing skirts." The little guy is holding Ono, in front of the camera, like taking care of a little baby, patting it to sleep.

Xing Yifan almost couldn't help chuckling and looking at his little cat. He thought that Ono would be crazy if he left it to him!

"Goodbye, uncle." The little guy turned off the video.

Xing Yifan holds his forehead and suddenly finds that the child is both a devil and an angel. At this time, LAN Qianchen knocks on his door, "Yifan, go swimming?"

Xing Yifan just wanted to go out to have a rest. He opened the door and said, "wait for me."

The two men set out in the bathrobe of the hotel, wearing only one swimsuit and driving the beach car. They were also very charming, which attracted the young women attending the wedding to pay their attention.

The two young people dressed in bathrobes look calm and calm. Xing Yifan, who is sitting in the front passenger seat, has half open chest muscles, which are faintly strong and sexy.

At the moment, on the beach, there are many guests, playing on the beach, all of them are young girls, while on the side lane, blue Qianchen's beach car is driving to another beach with few people.

Chapter 1017

Farther to the beach, blue Qianchen's beach car stops in front of a clean beach. Two people take off their bathrobes and wear swimsuits directly. They walk into the clean and clear water. Xing Yifan takes the lead in a handsome and fierce plunge, and then he gets into the water in a vigorous manner, turning into a male Mermaid.

Behind him, LAN Qianchen did not dare to show his weakness. They soon swam a hundred meters away. However, they would not give up. The sea water in the afternoon was very calm. The deep ocean that could not see the bottom, ordinary people felt a sense of fear when they saw it.

But they are like the sea Mermaid, fearless of everything.

At this time, there was a cry for help not far away. There were several girls in the water not far away, but they didn't expect to be so deep. They slipped for a while and then swam deep, and a girl who didn't know how to use water called for help loudly.

LAN Qianchen and Xing Yifan look at each other, almost without any hesitation to swim towards the rescuer.

I saw a girl struggling in the water, and there were two girls beside me who were scared, but their wateriness could not save people at all. When they saw two men coming from afar, they were very surprised.

Good sisters are saved.

It was Xing Yifan who swam faster to save people. His powerful arm immediately held up the girl struggling to choke in the water. He took her with one hand to prevent her from choking again. The other arm swam to the shore.

The girl who choked on the water was in a coma. When she opened her eyes, she saw a face that was so handsome that she fainted again. God, she didn't expect that the one who saved her was such a handsome man. He could not hide his handsome features even if he was stained with the water. Those firm and deep eyes almost made people intoxicated.

When Xing Yifan put the girl on the beach, he saw that the girl was awake, and he didn't need to do anything more. The blue Qianchen who came up behind him said to them, "be careful when you go into the water. The tide will rise in the afternoon. You'd better not go into the water again."

"Thank you."

Three girls look at two handsome men, and shy and embarrassed, the heart of love.

Xing Yifan said to LAN Qianchen, "let's go back."

Seeing the tall and slender figures of these two men, with only one swimsuit, their perfect body proportion and strong but not exaggerated muscles are just the standard of their ideal lover.

"How handsome!" The rescued girl immediately chased Xing Yifan's back.

The other two girls can't help admiring her, but Xing Yifan still reached out to hug her just now. With such close contact, they would like to choke on the water.

"I don't know who they are or what their names are." This girl choking on water has a firm look in her eyes. She must go to thank that man when she is dressed beautifully.

Back in the hotel, Xing Yifan met early, took a bath, and had to go to bed for a while.

In the two villas of the main wedding building, there are the elders of the blue family and the bridegroom to be.

At the moment, the guests have their own receptionists who take good care of them. The Qiao family and his wife are relieved to see that their son is going to be married tomorrow. They are happy in their hearts.

Everything is ready for tomorrow's wedding, and we will wait for tomorrow's arrival.

LAN Chu read that after dinner, he was walking with his father. The last time isier attacked her on the Internet, she planned to hide it. Now she doesn't want to make her father angry.

"First read, my father is happy for you! Looking at your happiness is the happiest thing for me. "

"Don't worry, Dad. I'll be happy."

"Well!" Yi Jinglong is also very assured that there will be no better family than the blue family for her daughter.

At this time, Yi Jinglong's phone rang. He picked it up and looked at it. His face sank immediately. He said to blue Chu, "Dad, take a call. Go back to accompany Qian Hao first!"

"Well! Well, Dad, you can go back to your room and have a rest earlier Blue Chu read to him.

"Good! Dad will. " Finish saying, Yi Jinglong walked to a side road, picked up the phone.

"Hello!"

"Dad, did you go to the wedding of LAN Chu Nian?" The voice of Esther asked jealously.

"Yes, I was on the island where the wedding was held. What's the matter?" Asked Yijing Longxun.

"Dad, she married her big brother! This is incest! How can you agree with her to marry LAN Qianhao? " Isaiah's voice was very angry.

Yi Jinglong immediately snorted, "the happiness of the first thought is up to her. What do you care about so much?"? You'd better stay there. I'll give you money every month. It's time for you to learn more about etiquette. Don't be like your mother... "

When Esther breathed in that end, she bit her lips and said, "Mom, do you hate my mom so much? She's with you, too... "

"Shut up! Don't talk about her with me again. Don't talk about your poisonous mother in front of me all your life. She doesn't deserve to be human. " Yi Jinglong expressed his anger. That end Isiah immediately shut up and dare not speak, she knew that her father did not sever the father daughter relationship with her, was already good to her.

"Dad, you only have blue Chu read in your eyes, there will be no me, and I am also the daughter with your blood!"

"Just because you are my blood, I let you learn some manners and culture, and make plans for your future. If you are greedy for pleasure, what is your future?"

"Don't I have you? Even if I don't have to do anything with your property, I won't starve to death! " Said Isiah, in a pious voice.

After hearing this, Yi Jinglong immediately covered his chest with anger, and his blood pressure was rising. "Think ya, I'll tell you! You don't want to get much of my property. I will only give you ten thousand yuan a month for living expenses. All my property will be left for the first time. You can't count on me. "

"What? All for her? What about me? What can I do for ten thousand yuan! " There was a loud protest from Isiah.

"This is my decision. You can do it yourself! If you don't think it's too bad, try to support yourself. " Yi Jinglong said, hung up the phone, he did this, is to force Yi Siya mature, so that she can have a skill in the future, without relying on him.

In the evening, there are also very lively night banquets. The banquets opened in advance also make the guests have a good time.

LAN Qianchen and Xing Yifan met his elder brother, his future elder sister-in-law, and Qiao Muze and Zhuang Nuan.

Zhuang wennuan knows that he is the eldest brother of Xing Yinuo's compatriots and respects him very much, because Xing Yinuo is also her knowledge and leader in music.

Xing Yifan stands beside Qiao Muze and LAN Qianhao. Although his age is not comparable, his calm and calm temperament is no different.

And not far away, the eyes of three beautiful girls have been staring at LAN Qianchen and Xing Yifan.

They are the girls rescued by Xing Yifan in the afternoon, as well as her companions.

"It turns out that they are good friends of the two bridegrooms!" The three girls were immediately excited.

They are rich ladies who come to drink wedding wine with their parents, but their wealth is not comparable to them. However, they are also born into business aristocrats and have a certain background. Even now, they are very confident.

"I'll toast and thank my benefactor later." The girl who was rescued in the afternoon dressed up very fashionable and sexy. She wanted to have an affair with Xing Yifan.

When the other two girls saw that he had set Xing Yifan as their goal, their eyes immediately stared at the charming blue Qianchen with a warm smile, and he looked closer.

Xing Yifan and LAN Qianchen walk down to a nearby pavilion with their glasses in their hands. The three girls see this and immediately know that the opportunity is coming. They hurry to get close to it.

There are only two of them under the pavilion at the moment.

"Hello, handsome man. Do you remember me?" In the afternoon, the rescued girl immediately approached Xing Yifan.

Xing Yifan glanced at her and nodded, "what's up?"

"I'm here to thank you. I haven't had a chance to thank you in the afternoon."

"No need." Xing Yifan refused lightly. He saw through the girl's mind at a glance.

And the side blue thousand Chen, also by other two girls accosted up.

"Handsome man, who are you from? I feel that you and Mr. LAN are very similar! "

"I'm his brother." LAN Qianchen is very polite to the guests.

"Wow! So you are president Lan's brother! No wonder you are all so handsome. "

The girl immediately showed her superficial side. Although blue Qianchen saw it in her eyes, she did not show her face.

"Can I have a contact information, sir? I'll treat you to dinner when I return home in the future. " The rescued girl asked Xing Yifan.

Xing Yixin's eyes flashed and he was tired. He narrowed his eyes and said, "no need." Finish saying, toward blue thousand Chen way, "I return room first, you chat slowly."

"Hello!" Blue thousand Chen has a kind of helpless feeling that is thrown down by him immediately, he does not want to chat with girl, leave him alone to deal with here? It's not justice.

LAN Qianchen's character is not good at rejecting people. However, after a few words, he found a reason to get out. To be honest, although these girls are good-looking, they lack connotation and are not the one he likes. Tonight's party was also very busy, and in the arranged wedding room, tomorrow's two couples have gone to bed.

They all hope that tomorrow's wedding is the best day, and they will go to the wedding in the best condition.

LAN Chu Nian nestles in LAN Qianhao's arms and falls asleep. LAN Qianhao leans down and kisses her on the forehead. After tomorrow, she will change her identity.

She is not miss LAN, but Mrs LAN.

Chapter 1018

At half past five in the morning, the sea was white with fish belly. The morning glow gradually rose to the sea level, forming a spectacular landscape. The reflected sunrise also cut through the sky, making the whole sky blue and bright.

The early morning sunshine, very gentle, one by one, shrouded in this very luxurious and charming wedding banquet. The nearly 500 white and solemn chairs were tied with pink flower ribbons on their backs and a small bunch of fresh lilies. The beautiful style in the middle, flowers on the ground and arched flower racks were placed along the road. A nearly kilometer red carpet extended to the distance Very spacious and clean.

At the other end of the red carpet, a flower bed is built with flowers and branches, decorated with fresh red roses. The background is an English love made up of thousands of heart-shaped roses. Today's wedding, telling love with flowers, is romantic and elegant, noble and solemn. In the early morning, the guests all slept a night, preparing for the wedding of today's two new couples.

At about half past seven, Zhuang warm and LAN chunian appeared in the dressing room. They both slept very well, their skin was white and tender, their eyes were full of anticipation and joy.

Two groups of senior makeup artists are busy making up for their brides. The makeup design of the two people is also different. They decide the makeup according to their temperament. Two people's make-up is perfect and smart, two good sisters from time to time look at each other with a smile, looking at the mirror, that gradually incarnate as a beautiful bride's own, all for their own astonishment.

It turns out that the bride's self is so beautiful.

The wedding day is the most beautiful, because the feeling of being a wife is a kind of happiness that comes out from the bottom of my heart, enveloping the bride.

Let people feel their yearning for love and their expectation for the future.

Soon, Qiao Muze and LAN Qianhao also stepped in. The two men used to say hello to their elders before they came here. Today's auspicious time is earlier. They choose half past ten as the auspicious time. Therefore, the grooms' makeup is later.

Of course, as long as these two men wear suits and bows, they are the temperament of the bridegroom to be. They are naturally charming and dignified.

The two men stood behind their brides, looking at the charming woman in the mirror, with a doting smile in their hearts.

After a while, Mrs. Qiao and Mrs. blue came here. The two ladies have already become good sisters. Today, they are married to a daughter-in-law. They are in the same mood.

Mrs. LAN looks at LAN chunian, who has changed from a daughter to a son-in-law. Her eyes are wet with tears of joy. When LAN chunian decided to look for her own parents, she was really a little flustered, because she didn't want to lose her daughter. Now, the child is back to her side and will be with her forever. Don't worry about her future The problem of not being married.

Although Mrs. Qiao knows that Zhuang Nuan has prepared a jewelry set, she quietly buys a beautiful and fashionable bracelet for her. At the moment, she holds it on the table, leans down to Zhuang Nuan and says, "Nuan, I'll wear this one later."

Zhuang looked at the box she opened. She chuckled, "thank you Mom! "

Although some astringent, but, she this mother shouted Mrs. Qiao to be elated, immediately excited responded, "ah!"

When Qiao Muze heard it, he also smiled. He hadn't seen his mother moved like this for a long time.

In the dressing room, the two new couples are preparing for the makeup work, while outside, the person who greets the guests is also busy, and the guests are welcomed into their positions in a very orderly way.

Each position is written with the name of the seat person, and it will not be very chaotic. More than 500 guests sit in order and everything is in order.

Xing Yifan and LAN Qianchen are sitting next to each other in the fourth row. Today, Xing Yifan is also in formal dress. He is wearing a deep khaki plaid suit with a colorful handkerchief folded at the collar. His dignity is pressing. This suit is worn on his slender and straight body, just like a famous model of a runway show. It is impeccable and extremely worthy of his cool temperament.

And the blue Qianchen sitting beside him, a light blue suit, warm and handsome, is very comfortable, he is also very excited today, one is his big brother, one is his favorite little sister, today, but he has to call.

The three girls who still want to know Xing Yifan and LAN Qianchen are gone after three hundred chairs. They can only stand up and look at the front from afar.

The guests also saw the beginning of a romantic wedding. The whole wedding scene was charming, as if wandering in the ocean of flowers, which made the guests feel happy and relaxed. The light music from all sides also soothed people's hearts, washed and fretted, just wanted to watch a luxurious wedding quietly.

In the dresser's room, Mrs. Qiao is thinking about who will come to tie when Zhuang wennuan comes to the stage for a while. Finally, she asks her husband Qiao to cross the sun.

Qiao Yueyang was very happy, and Zhuang Nuan nodded. At this moment, she really missed her parents and sat in the lounge, because her tears rolled in her eyes when she mentioned it. Mrs. Qiao immediately sat beside her, took the tissue and handed it to her, comforted and advised, "warm, good boy, don't cry. If your parents know that you are married today, they will be very happy. They all look at you and bless you. In the future, we will be your parents."

Zhuang wennuan didn't want to cry when she just finished her make-up. She wiped her eyes lightly, nodded and smiled tearfully, "thank you mom."

"We thank you." Mrs. Qiao is also guilty at the moment. When such a thing happens, Zhuang Nuan doesn't dislike marrying into their Qiao family. It can be seen that she is a girl with clear right and wrong and pure heart.

At the moment, LAN chunian is also sitting in another lounge, accompanied by the blue family. Yi Jinglong takes a photo with her for this moment. He wants to develop the photo. When he sacrifices his ex-wife one day, he wants to send her some of the washed photos, so that she can see the appearance of her daughter's marriage below.

LAN Qianhao's eyes are deep and gentle, which lock her in her eyes. Today, her smile, her cry, her touch, every frown and smile are in his heart, forever.

Outside the window, all the guests have been seated. The wedding is about to begin.

Time also imperceptibly arrived 10 o'clock, left auspicious time to still have half an hour, everything is ready, waiting for auspicious time to arrive.

Two new couples are about to set out for their happy future.

Chapter 1019

It's ten fifteen. The auspicious time is coming.

On the stage, two bridegrooms have stepped onto the stage from the white steps beside them. Two dignified and undivided men have become today's most handsome bridegroom officials.

Both of them are very experienced men on the stage. At this moment, facing the attention of all the audience, they look calm, smiling, and from time to time look to the end of the red carpet, waiting for their wife.

At 10:30 on time, LAN cunian and Zhuang Nuan are waiting. At that moment, the sacred wedding march rings. The two fathers, holding their brides at the same time, walk to the bridegroom waiting at the end of the spacious red carpet.

Their steps were smooth, they looked at each other and smiled from time to time, and looked at the blessing eyes of the guests. Finally, within a hundred meters, they looked at their lovers on the stage, and walked slowly towards them under the guidance of their father.

In Zhuang's mind, at this moment, there are a lot of the past with Qiao Muze, all of which are her heart throbbing moments, like a movie, telling her how to fall in love with this man step by step, love deeply.

She smiled from the corner of her mouth and looked at the figure waiting for her. Her eyes were firm and persistent. No matter what happened in the future, she would stay with him.

At this moment, LAN Chu Nian can feel that there are still some prying eyes around her, but the identity of her and LAN Qian Hao has been questioned by the outside world, and many people will have views on this feeling.

Even now, sitting in the guest table, she has such eyes. However, LAN Chu Nian's steps are not disordered and her heart is not disordered. She has raised her chest and is very confident and unshakable. She wants to marry this man in front of any questioning eyes.

No matter what other people think or look at, she will not care. She wants to marry him, which is the most urgent and eager thing for her.

She was glad to go to the wedding together with Zhuang Nuan, because she was there, and her courage was increased. Before they came to the stage, the two brides smiled like each other, which was a kind of spiritual acquaintance and sincere sisterhood.

Finally, the two bridegrooms hold the hands of the bride on stage at the same time, let them stand beside them, let the guests immediately sigh, this is really a perfect couple.

Xing Yifan squints his eyes and looks at the two happy couples on the stage. He can't help thinking a little about a problem. He likes a woman and is willing to spend his life with her. What is it like?

He has a high IQ, high EQ, but did not meet a woman he wants to work together for a lifetime.

From the beginning of primary school to now, his pursuers, probably because they are surrounded by pursuers all day, make him not interested in women. On the contrary, those girls who have nothing to stop him and send him some love letters, make him form a sense of self-protection.

Once a girl gets close, the first thing he thinks about is to stay away from her. He has no interest in learning.

LAN Qianchen looks at elder brother, and then looks at her happy and sweet first reading face. He also smiles and criticizes himself. How could he not find out that elder brother likes first reading before?

He thought, certainly in many times, he is better to the first reading, big brother is on the side jealous angry tooth itch!

Think about it. He's a little smug! However, later, he will be three years younger than his blue first read, seriously shouting a sister-in-law.

At this point, he was well educated by his mother. No more shouting for the first time. He must call his sister-in-law.

On the stage, the solemn pastor first read out a love declaration for Qiao Muze and Zhuang wennuan. I only heard two clear words that I would like to hear, which made the applause thundering. Standing beside, LAN cunnian and LAN Qianhao clapped their hands.

After reading for them, the priest cast his eyes on LAN Qianhao and the two of them, and let them put them together on the reading book. After listening to him, he listened to their answers.

The same two I would like to, let the blessing sound off the stage.

"Well, the oath is over. Please exchange the rings and kiss your lover."

Zhuang Nuan and LAN chunian both feel shy, but the men are very calm and calm. They put a couple ring on their ring finger, and the two brides also put a diamond ring on their ring finger.

Two new couples kissed each other.

There was applause again. The old lady in the front row looked at her granddaughter's wedding. She was already in tears. She was so happy today. Looking at her granddaughter's happy appearance, she was satisfied in this life.

Mrs. blue also wept with joy several times, while Mrs. Qiao was relieved. Finally, the ceremony was finished.

After the ceremony, the bridegroom and the bride's Wedding Speeches were all contracted by the men, because the two girls, as brides, were still a little shy at this moment, but they looked at their husband's eyes, which was full of love and deep feelings like the sea.

At last, at half past eleven, the guests began to move to the banquet hall of the luncheon, where a very delicious lunch was ready for them to enjoy.

Zhuang Nuan and LAN chunian need to change a toast suit. This time, they have changed into a Chinese wedding dress, which is another kind of different beauty. Zhuang warm warm and blue early read out, the two men will take them with them, to their separate sides of the relatives and friends, began toasting.

"Warm, I'll prepare you red wine. If you can't drink it, you can drink water directly." He said gently to her.

Zhuang warm chuckle, "I can drink red wine, it's OK, I have no problem."

"Good! Don't try. I don't want my bride to be too drunk tonight. " Qiao Muze reached her ear and smiled.

Zhuang wennuan immediately understood his words and blushed. Tonight is their wedding night!

All right! She didn't want to miss such a good night, "I don't drink too much."

Looking at her serious and lovely look, Qiao Muze could not help smiling and kissed her on the forehead, "have a husband, don't be afraid."

Qiao Muze begins to toast the guests with Zhuang wennuan. On the other side, LAN Qianhao also begins to toast with LAN chunian, accompanied by the blue family's parents. The guests also give face and blessing very much.

Qiao Yueyang and his wife also accompanied them. They began toasting on both sides.

Chuang warm is only a light compensation, not really drink too much red wine. The guests were divided into two groups, and the toast did not seem too tired, but also let them walk for nearly 20 minutes in the ceremony.

Finally, after the toast, Zhuang wennuan suddenly covered her mouth, her eyes twinkled a little uncomfortable, she leaned her face against Qiao Muze's arms, and Qiao Muze immediately grabbed her waist and asked, "what's the matter?"

"I feel a little nauseous." Zhuang warm also embarrassed to say, but, just now really felt the nausea.

"Are you hungry? I'll take you to the table to have something to eat." Joe muzer said around her waist.

Zhuang warm nodded, "OK! I'm really hungry."

Qiao Muze immediately took Zhuang wennuan to his parents' table. He poured her a cup of warm boiled water carefully and thoughtfully. Zhuang wennuan took a few drinks, but he still felt the disgusting feeling.

She didn't know what she had eaten wrong. Did she drink two small glasses of red wine just now?

At this time, Mrs. Joe looked at her today too tired and too hard, and immediately scooped her a bowl of soup with strong fragrance, "warm, drink more."

Although the soup is very fragrant, Zhuang warm also has an appetite, but, I don't know why, usually smell good aroma, at this moment, it makes her feel uncomfortable.

"Thank you mom." Zhuang wennuan takes over, that is to say, it was her mother-in-law who scooped it for her. Of course, she can't refuse it. She takes a sip and drinks it. She only feels that her body is turned over badly, and she can't pretend.

"Excuse me for a moment." Zhuang wennuan hurriedly covers his mouth, gets up flustered and goes out of the room, running towards the bathroom. Qiao Muze comes after him.

Even Mrs. Joe got up worried. "What's the matter with the warmth?"

"Go and have a look!" Said Qiao Yueyang to his wife.

"Good! Hello, I'll go and have a look."

The old lady's eyes couldn't help brightening. She had experience. She looked at Zhuang warm. She pulled Mrs. Qiao who was just going to leave.

"Old lady!" Mrs. Joe bowed down to say hello.

"It should be warm!"

"What? Really? " "I'll go and have a look," she said excitedly

After that, Mrs. Qiao strode to the direction of the restroom. Zhuang wennuan felt that she wanted to vomit, so he shut the door. She didn't want him to come in.

"Warm, how are you? Let me in, will you? " Joe Munzer is knocking at the door.

"Don't Don't come in. " Zhuang wennuan is a little flustered. She really doesn't want to let him see her like this.

At the moment, she felt like vomiting and couldn't spit out, but she made her tears flow down.

Joe saw his mother coming. He immediately said to his mother, "Mom, why don't you come to see the warmth?"

Mrs. Qiao took a look at the locked door of Chuang Nuan, gently pulled her son, went to the side and asked in a low voice, "muzer, tell mom the truth, have you slept with Nuan long ago?"

Qiao Muze looks embarrassed and nods.

"How long?"

"Almost two months!" Joe Muse thought about time. It's been so long.

Now, Mrs. Joe's eyes twinkled with joy. Count the time. If there is no contraception, there should be one.

"Mom, what's the matter with the warmth?" Joe Munzer hasn't thought about that.

"Go back to the table first," said Mrs. Joe comfortingly! I'll stay warm. "

"No, I'll stay with her." Joe muzer shook his head. He didn't want to leave her.

"Well, that's it! Ask the waiter here if you can find a pregnancy test stick and let the warmth test. " Mrs. Joe whispered.

Qiao muzejun's eyes were gaping. He immediately understood that he was ecstatic. "Mom, do you mean there is warmth?" "I'm not sure. I'll have a test."

"Good! I'll go at once. " Qiao Muze nodded, looked at the door, and strode away.

Chapter 1020

Zhuang wennuan is hiding in the bathroom at the moment. She turns on the water tap to let the sound of the water ring. She just doesn't want the sound of her retch to be heard by Qiao muzer outside.

In today's big day, she suddenly becomes like this, she is also very flustered, how she hopes she is healthy, she just got married! She didn't want something to go wrong all of a sudden.

Zhuang looked in the mirror, her tears were all running down. She pulled a tissue and gently wiped it. She really wanted to cry at the moment. She was afraid that she had some serious illness.

Mrs. Joe knocked at the door and called her name, "warm, open the door, will you? It's me. Muzer is not here. "

Mrs. Qiao is also able to understand the reason why Zhuang wennuan locked the door. Who wants to show her husband the way she looked before her pregnancy and vomiting when she got married?

Of course, Zhuang wennuan doesn't know what he is.

When Zhuang wennuan heard that Qiao Muze was not here, she gently opened the door and showed her tearful eyes, "Mom, I'm ok I just feel sick. Maybe I didn't sleep well last night. "

"It's OK. I believe you're OK." 'said Madame Jo gently.

At this time, Qiao muzer's figure pushed in from the side door, and in his hand, he really had to take a pregnancy test stick box.

When he saw Zhuang warm, he immediately approached her happily. "Warm, how are you? Is there anything uncomfortable? "

"I..." Zhuang warm just said a word, hurriedly covered his mouth, turned around and continued to rush into the bathroom to retch.

Qiao Muze came in worried, Zhuang wennuan was embarrassed and buried his face in the sink and waved to him, "don't come in, I'm ok I really have to be OK. "

Outside the door, Mrs. Qiao looks at her son and asks him to advise Zhuang Nuan to have a test. If she is pregnant, her symptoms are normal.

"Mom, let me, you go back first! I'll tell you the result later. " Joe Munzer said to his mother, closing the door by the way.

Zhuang wennuan is now slowing down, but her tears are retching. She gasps. Behind her, a big palm gently follows the air for her.

"Warm, I brought you something. Would you like to test it later?" Said choumuze in a low voice.

Zhuang warm a listen to want to measure, blinking to move water Mou to seek to come over, "measure what?"

"I remember how many times we didn't take measures. Maybe you did," he said

Zhuang's head exploded, and there was a sudden shock, "I I'm pregnant? "

"Only after a test can we know." Jomunze smiled. "I'll be with you."

"Ah!" Zhuang warm immediately blushed, "No."

"We are husband and wife." Joe Muse reminded her with a low smile.

"No!" Zhuang wennuan insists on that. I'm sorry.

"All right! I'll wait for you outside. " "There's a picture here. You'll see the result later," said Jo

"Good! I know. " Zhuang wennuan wants to make sure that she is pregnant, not sick.

When Qiao Muze pushes the door out, Zhuang Nuan looks at the instruction manual. Then, following the instructions in the instruction manual, she immediately stares at the test stick with wide eyes. Looking at the pH test paper, slowly, a red bar appeared one after another, then, gradually another subtle red bar, from shallow to deep, finally, it also turned red.

"Ah..." Zhuang warm surprise of low cry.

This can frighten the man outside. He quickly asked, "what's the matter with the warmth?"

Zhuang wennuan took the test stick excitedly, opened the door and handed it to the man. The man did not dislike it at all. He took a look at the two distinct red bars and immediately hugged her. He kissed her excitedly on her face. "It was really there."

Zhuang warm warm also bent his lips and smiled at the moment. When she didn't know the situation at all, she thought that she had a sudden illness. Now, her worry disappeared completely. It turned out that an unexpected child came today.

At their wedding feast, so suddenly came.

"Go back and tell mom and dad. Let's go." He also hopes to tell his parents about the happy event.

At the moment, of course, they dare not write anything more than blessings.

This also makes those fans who are looking forward to feast their eyes. They are all watching the romantic wedding ceremony of idols, from which they can see their happiness.

Isaiah, who has been abroad, has always paid attention to this point. Naturally, she saw the pictures of LAN Qianhao and LAN chunian. She was so angry that she almost fell off the computer, because in the pictures, her father became the leader of Zhuang warm. He was so kind and gentle, but to her, he was a strict father.

This makes her angry and unwilling, but she has such a mother, and now she has become self abased.

On the island, the guests who stayed were almost gone in the third day. Everyone was busy. The scenery on the island was also appreciated. It's time to go back to work. Zhuang warm's pregnancy sickness is really serious. She has no appetite. In addition, the food here is not as rich as that in China. Qiao Muze wants to take her back home and eat what she likes.

Qiao's family, with Zhuang wennuan first step back home, and the blue Qianhao family stay on the island, play two days back.

A romantic and luxurious wedding is over. Everything is perfect. And surprise.

When Zhuang wennuan came back, she liked to eat some sour snacks, which made her have a good appetite. Mrs. Qiao asked her to come home and live. She would make her what she wanted immediately.

The old lady is also at leisure. Every day when she wants to warm up, chauffeur of Qiao muzer will pick her up.

Xingzhai.

Xing Yifan has been at home for two days. Because Xing Yunuo refused to let him take him away, he stayed at home for two more days.

In the evening, while the little guy was sleeping, Xing Yifan took Ono back to his villa. An hour later, sitting on the sofa, he received a phone call from the crying Xing Yutian.

Later, Mrs. Xing promised to pick a kitten for her to raise, which made the little guy happy again.

Xing Yifan also breathed a sigh. At the moment, the kitten was lying beside him, staring at him with big black eyes.

Xing Yifan is really a cat lover. He reaches out and touches Ono's head. "From now on, Yutian won't take you away. Half a month later, I will take you abroad."

Ono immediately tilted his head, and meow agreed.

Xing Yifan gets up, and the kitten immediately follows him. He is very obedient, as if he is its owner. The little body stops in front of the first step.

Because it's too small, it can't climb up. Xing Yifan, who has just stepped a few steps, can't help humming and laughing, turns back again, takes the little guy in his arms, pet his head, and goes upstairs.
