

U. CEO Daddy 1071

Chapter 1071

The phone next to her rang a message. She took a curious look and saw that it was Xing Yifan's number. She opened it and smiled and went back to it. "I'm running in the gym."

Xing Yifan thought she was at home and saw the information coming back. His sword eyebrows tightened immediately. Is this woman in the gym? In Xing Yifan's heart, he immediately thought of something worried.

When the body is most visible in the gym, is this woman not afraid to be surrounded by men?

And it's true that there are many men approaching in succession around where Bai Xia is. Although she didn't find out by herself, those men are secretly glancing at her.

Xing Yifan immediately dialed her number.

Hello That end white summer that tiny delicate panting voice spreads.

"Which gym?" Xing Yifan asked.

"Oh! It's the one directly opposite our neighborhood. It's called the Kingsburg gym. " In Bai Xia's voice, because she had been running for a while, she spoke with a breath.

But I don't know her voice across the phone, which makes Xing Yifan's mind come up with some unexpected pictures.

"I'll come here." Xing Yifan directly fell to the ground, saying that, as he untied his suit, pulled his tie and walked to his cloakroom.

Five minutes later, he, who was originally a suit, immediately changed into a black sports suit, and Xing Yifan picked up the mobile key and went out directly.

Bai Xia is walking on the treadmill now. She is shocked to hear that Xing Yifan is coming. Is he going to come here for fitness?

Sure enough, ten minutes later, Xing Yifan appeared at the front desk. Without saying a word, he went to the front desk to apply for a fitness card, which is also the most expensive package. After Xing Yifan handled it, he walked in.

Bai Xia was surrounded by men, and she was wearing a white T-shirt and sports pants, which made her slim and exquisite.

She was sweating, her skin was white, and there was a white and red fragrance.

Xing Yifan's eyes narrowed, but there was an impulse to take her away.

Bai Xia finds that someone is coming behind her. She looks back and immediately bends her lips and smiles, "here you are."

After that, she pressed the pause key, stepped down and made her sweat. It has to be said that the feeling after fitness is very good, although tired, but after tired, people are also energetic.

At this time, a man beside Bai Xia left. Xing Yifan stepped up and said to her, "do you want to continue?"

Bai Xia said with a smile, "OK!" With his company, she is more motivated to stick to it.

Bai Xia walks slowly, while the men around him are running. Bai Xia's heart is sweet.

She can't help thinking about her father's words. How can she take him home this Saturday!

But if she didn't take it back, would her father guess that she was lying to him? Would he still want to match her with Xie Yiwei? She really doesn't want to eat at a dinner like today.

Therefore, Bai Xia decides to let Xing Yifan pretend to be her boyfriend and accompany her home to deal with her father.

Bai Xia was worried about it. Would he agree?

The two stayed in the gym until 6:30, and Bai Xia was very tired. In addition to running, Xing Yifan practiced other sports. Bai Xia knew that he had strong and strong muscles, which showed that he didn't spend less time on fitness.

"Let's eat together in the evening! I invite you. " Bai Xia asks for him, so she has a better meaning.

Xing Yifan will not refuse, "OK."

Bai Xia doesn't want to drive any more. There is a restaurant nearby. She takes Xing Yifan to go there. Xing Yifan is with her. He has changed all his problems. As long as she chooses the restaurant, he can eat it.

However, Bai Xia didn't save much money, so he took him to a senior one.

Sitting down, Bai Xia looks at him with big eyes and a shy smile. "Xing Yifan, I have something to ask you for help."

Xing Yifan sticks to the teacup and looks at it with eyebrows. "What's the matter?"

"It's not a big deal, just let you help me by the way." Bai Xia was embarrassed.

"Say it!" Xing Yifan is curious.

"Well, my father asked me out for dinner today. He took the young master Xie with him. I know he wants to help me stay with him, but he is not my type. I don't want to take him by mistake." Bai Xia had to explain all the causes and consequences.

Xing Yifan only heard that she saw the young master of the Xie family again, and his eyes flashed a complex color. He opened his mouth and said, "and then?"

Bai Xia put her hair around her ears with shame. "Then, I said a little fluster. I told them that I had a boyfriend, because my dad suddenly asked me about my relationship with you, and I said you were my boyfriend."

Finish saying, white summer hangs Mou, a pair of dare not see his expression, stuffy ask a way, "you won't be angry!"

As she hung her head, where could she see the smile of the man across the street?"You want me to pretend to be your boyfriend?" Xing Yifan, with a smile in his heart, asked for a question.

Bai Xia immediately looked up and then nodded his head fiercely. "Yes, my father asked me to take you back to dinner this Saturday. Would you like to go back with me?"

"Is there any good in helping you?" Xing Yifan felt that he could take the opportunity to ask her for a little profit.

Bai Xia blinked, then thought, "I can invite you to dinner."

Xing Yifan didn't want to eat a few meals to kill him. He shook his head and said, "eat."

"Well, you can say that! What do you want me to do? As long as you promise to accompany me home to deal with my family, you can do anything you want me to do. " Bai Xia really begged him now.

Xing Yifan can't help but grasp her last sentence, "what can I do?"

His voice line is inexplicably ambiguous.

Bai Xia heard it, and quickly blushed, "you Where do you want to go? "

Xing Yifan snorted, which made her feel really good, "OK! I promise you to accompany you home. You owe me first! "

Obviously he would like to, but Bai Xia owes him a favor. Xing Yifan's heart has a dark side.

Bai Xia is still silly and happy, "really? Do you really want to go home with me? "

"Don't worry, I will play your boyfriend perfectly." Xing Yifan chuckles.

Bai Xia can't help but breathe a sigh of relief. In this way, he can deal with his father.

Another reason why Xing Yifan is in a good mood is that Bai Xia so cleverly refuses other men's pursuit.

"Well said! No regrets! " Bai Xia is also worried that he will repent.

"Then I also have a condition, that is, if you let me play your boyfriend, do you want to play my girlfriend's role as well?" Xing Yifan asked her back.

Bai Xia immediately nodded, "I will, and I will try my best to play it well."

Xing Yifan is also satisfied. Today, Thursday, there are two days left.

After dinner, he went all the way home and walked on the street covered by lights. Bai Xia was also in a good mood. Xing Yifan accompanied her. When there were people pouring in from time to time, he would stretch out his hand and naturally lead her, take her and avoid her being hit.

Doesn't it feel like a couple?

Xing Yifan and Bai Xia all the way back to the community. Bai Xia also thinks about his work and worries that he is too tired.

The elevator jingled to open. Bai Xia and Xing Yifan stepped down to face each other. A sexy girl with a cake in her hand stood at Xing Yifan's door, as if she was about to leave. When she turned around, she saw Xing Yifan and her two.

Her eyes immediately surprised, "Xing Yifan, you are back."

This is Du Anqi. She bought a cake today and wanted to send one to Xing Yifan, but she rang the doorbell and didn't answer.

Bai Xia looks at the girl who suddenly appears. She is stunned. Who is this girl? Why are you waiting for Xing Yifan?

Xing Yifan looks at the girl carrying the gift. He can't help but think of the female students who tried to jam on his desk when he was in high school. He has a slight head. "Du Anqi, don't give me anything later."

"Xing Yifan, this is a cake I bought specially for you. Take it!" Du Anqi pleaded, her eyes also looking at Bai Xia.

Bai Xia sees Xing Yifan's girl come to look for her. She smiles consciously and wisely, "I'll go back to my room first."

Then she opened her door and went in.

When she closed the door, she heard Du Anqi's voice saying, "Xing Yifan, take my gift!"! Good! "

Bai Xia's heart was blocked for a while.

Chapter 1072

When Bai Xia came back home, she thought about going back to work in her study, but somehow, all she was thinking about was the girl at the door and Xing Yifan.

What is their relationship? Why did the girl send the cake to his door? Just think about it, Bai Xia knows that they are all young people. This girl must like Xing Yifan!

Xing Yifan such a man, the last thing is that women like it.

Does Xing Yifan like her? Will he take her cake? Or ask her to sit in his house?

Thinking of the girl he took home from his villa last time, Bai Xia could not help worrying that things would happen again. If the girl also took the initiative, would Xing Yifan not refuse?

Just now, although I just gave her a quick look, I knew that her figure was very good.

Bai Xia found that he wanted to pour a glass of water. He stood in the hall with the cup for a long time. His mind was not online. At last, he didn't know what he was going to do. He was stupefied.

Bai Xia can't help being upset. What does she want to do so much! Xing Yifan is not her real boyfriend, even if he is willing to pretend to be her boyfriend this time, it is also disguised!

She has no right to interfere with anyone he is with now.

Bai Xia thought and walked to the water fountain.

At the door, Du Anqi is still holding the cake, trying to give it to Xing Yifan.

"Xing Yifan, I ran two streets specially to buy it for you. You can take it!"

"I don't eat sweets." Xing Yifan maintained his politeness and self-cultivation. He was no longer a teenager. At that time, he wanted to refuse a girl, only needed a cold look, or didn't even speak a word at all. Because of this, Mrs. Jiang caught him in the school several times. A female classmate came forward to say hello to him. He didn't pay attention to others, so Mrs. Jiang criticized him several times.

Now Xing Yifan is very polite!

"Eat more! It's low in sugar. " In fact, the purpose of Du Anqi is to visit Xing Yifan's home. You'd better stay and chat with him.

"No, I've had dinner. Go back!" After Xing Yifan finished, he reached out and opened his door and pushed it in.

"Xing Yifan..." Du Anqi hurries to the door. Xing Yifan wants to close the door, but he still takes care not to pinch her.

"I'm a little thirsty. Can I come to your house for a drink?" Asked Duanqi, with a thick face, with a smile.

"Isn't your house downstairs?" Xing Yifan asked with a frown.

"My water fountain is broken, shall I have a drink?" Du Anji was obviously flustered, but she didn't care. She just wanted to visit Xing Yifan's house.

Xing Yifan has no influence on her, but even if he is a high school student, he can't be too ruthless.

He went to the side of the water dispenser, took out a disposable cup, took a glass of water and handed it to her. Du Anqi was overjoyed and excited to take it, holding the water that Xing Yifan personally brought to her, "thank you."

Finish saying, drink a mouthful, feel sweet Zizi of, her a pair of eyes are looking at Xing Yifan upscale decorate, see his taste is very high.

"Why, you have a cat! The man with the cat is the most loving. " Duanqi immediately said happily.

Xing Yifan is waiting for her to finish drinking and ask her to leave.

Bai Xia is sitting at home, always distracted. Does Xing Yifan invite the girl back to his home?

Thinking about it, Bai Xia suddenly wants to find a reason to go out and have a look. She takes a look from the cat's eyes. There is no one outside. She gently opens the door and steps out.

She saw Xing Yifan's door was half closed, not closed. At the same time, she heard Du Anqi's voice coming from his door, although she could not hear what she said.

However, she is at Xing Yifan's home.

Bai Xia immediately acts like a thief. He steps back to the door and closes it. Bai Xia breathes a little. Does Xing Yifan really invite her home?

This makes her curious about the identity of this girl. Who is Xing Yifan?

Bai Xia is actually doing a very boring thing. She stands at the door and looks at the cat's eyes to see when the girl will leave.

Or, will she stay at Xing Yifan's house for the night or something?

Too much imagination is not a good thing!

Otherwise, it's easy to think about the East and the west, and worry about gain and loss.

Bai Xia still wants to finish the work, but now, she can't calm down at all! In my heart, I think that her comic hero is so perfect, but no one can be so perfect.

Is it right to design a little different personality for the comic hero? For example, Xing Yifan would invite other girls to enter the room to chat in the evening.

Bai Xia looked for a while. Her eyes were so sore that she had to stop looking.

When Du Anqi finished drinking water at Xing Yifan's house, she was embarrassed to stay. After she put down the cake, she came out of Xing Yifan's house. But no matter what, Xing Yifan is not as tall and unattainable as high school, and she is allowed to enter his home to drink water. She thinks this is a good beginning.

Later, she will come to him from time to time to send love, send warmth, dress up in front of him, maybe really can attract him.

If I can be Xing Yifan's girlfriend, I don't know how happy it is! He used to be the idol of the whole high school girl student!

Xing Yifan watched Du Anqi leave, but her cake stayed here. He couldn't help wringing his eyebrows slightly, so he thought of a girl next door.

Girls should like cake! After Xing Yifan thought about it, he picked up the exquisite cake on the table and pushed out the door, which rang Bai Xia's door.

Although she can enter her home at will, but she is a girl, he still leaves her enough privacy space.

When Bai Xia heard the doorbell, she immediately came from the balcony. Now she will come to her home, only Xing Yifan next door.

Bai Xia quickly opens the door. Who is Xing Yifan? And he had a cake in his hand. If she didn't remember it wrong, it was from the girl just now.

"What's the matter?" Bai Xia pretends to be curious.

"Cake?" Xing Yifan raised the cake in his hand and asked for it.

Bai Xia said with a smile, "isn't that what the beauty gave you just now? You don't eat it! "

"I don't like sweets." Xing Yifan looked at her and said, "do you want to eat?"

Bai Xia looked at him and accepted the girl's cake. She chuckled, "even if you don't like cake, why do you accept it?"

Xing Yifan squints her eyes and looks at the question that twinkles in her eyes. His heart string tightens for a moment. She shouldn't have made any mistake!

"She's my high school classmate. She lives downstairs." Xing Yifan still explained one sentence.

Bai Xia said with a smile, "she is your high school classmate! oh That's a coincidence. "

"I have no influence on her." Xing Yifan raises eyebrows.

"She's very beautiful and has a good figure." White summer praises.

Xing Yifan squinted and said, "is that right? Why didn't I find out? "

Bai Xia is stunned. Xing Yifan looks at her with his lips hooked. He raises his eyebrows and says, "I think you have a good figure."

Bai Xia's head flashed at once. She was a little embarrassed and said, "what are you thinking?"

Xing Yifan handed the cake to her, "eat it if you like! I don't like to throw it away. "

Bai Xia looks at the cake in his hand. The package is very exquisite. At first sight, it's the expensive high-grade cake. She thinks it's a pity to throw it away.

"OK, let me have it!" Bai Xia thinks that if she throws it away, let her eat it! It's just that he can't enjoy his girl classmate's heart.

"If your classmates ask you, don't say I ate you!" Bai Xia reminded him that he also took the cake in his hand.

"Why?" Xing Yifan asked curiously.

"Because it will hurt her heart! She gave it to you, and you gave it to me, and her heart was betrayed. " Bai Xia is a person with delicate mind.

Xing Yifan didn't want to listen to her. He put in his trouser bag to remind him, "don't eat too much at night. Be careful to get fat."

Bai Xia asked with a smile, "is it because I'm getting fat that you won't make friends with me?"

Xing Yifan's eyes looked at her delicate face and thought that she would be more lovely if she put on ten jin more weight!

Xing Yifan chuckled, and answered, "yes, not to be a friend."

Bai Xia didn't know where to have a stubborn gas, "Oh! Then I would like to eat fat. "

Chapter 1073

With that, Bai Xia closed the door and stunned the man who had not turned away for a few seconds.

It can be heard that Bai Xia is a grumpy person now.

Bai Xia goes back to the sofa with the cake, props up her chin, and looks at the cake. It can be seen how attentive his female classmate is to give him such a good cake.

This idea is not the feeling of classmates! It's the girl's love. Bai Xia reaches out to unpack the box, which contains a six inch mousse cake. The smell of fresh strawberries is very attractive. Bai Xia can't help swallowing. She really wants to eat it!

Just some sympathy for the girl classmate, she so hard to send the cake, will be into her stomach.

Bai Xia comes into the study with the cake, working and enjoying the delicious cake!

Because it was so delicious, she remembered the name of the store and bought another one to pay for it.

White summer tonight because of inspiration, she can't help but stay up to more than one o'clock in the morning, is really sleepy to go to sleep.

In the early morning, she forgot her breakfast appointment with Xing Yifan. She went to sleep at more than nine o'clock. When she woke up to watch the time, she was speechless.

Xing Yifan's message has also been sent. However, seeing that she didn't respond, he probably hasn't waited for her.

Bai Xia replied, "I just got up!"

Now Xing Yifan is busy with his work. Looking at the SMS on his mobile phone, he purses his lips and replies, "remember to have breakfast."

White summer also returned a good, he did not return.

When Bai Shize went out this morning, he said to Ye Jiamei, "buy more vegetables tomorrow. At noon, I will let Bai Xia go home for lunch, and Bai Xia's boyfriend will come back together."

Ye Jiamei's heart thumps, "Bai Xia has made a boyfriend?"

"It's the vice president of the blue group who left with her at the party last time. That's a very good man!" Although Bai Shize could not match his daughter with Xie Yiwei, he didn't expect her to find a better one.

Ye Jiamei's face changed. Seeing her husband's happy appearance, it seems that his love for Bai Xia is getting stronger and stronger.

In case he gives Bai Xia a share of his family property, she will lose a lot.

"Shize, Xia Xia is really capable of making such an excellent boyfriend." Ye Jiamei comes up to him and arranges his clothes.

Bai Shize is not very happy when he listens, "Xia Xia didn't depend on her ability to make it, she is also an excellent child."

Ye Jiamei immediately changed her way, "yes, yes! I said the wrong thing. "

When Bai Shize was sent away, ye Jia was so angry that she gnashed her teeth. Now her husband really has to protect Bai Xia everywhere. Even if she said that, she would shake her face.

Ye Jiamei sneers. She wants to see what kind of boyfriend Bai Xia has made. She didn't see clearly that night either. She only knows that the man's figure is very good, and she doesn't know how he looks.

In short, she will not let Bai Xia marry too well, and there are many things that her stepmother can do.

Bai Xia went to the gym in the afternoon and came back with a healthy body. Then he saw Xing Yifan's figure hovering in front of his house. It was Du Anqi who held another fruit in her hand.

Du Anqi looks back at Bai Xia and immediately recognizes that she came back with Xing Yifan last night.

"Miss, do you know Xing Yifan! Do you know he's at home? " Duanqi asked immediately.

Of course, Bai Xia knows Xing Yifan is not at home. She laughs and says, "he may be out. Do you have anything to do with him?"

"I'm his high school classmate. I'll send him some fruit." After Du Anqi finished, the color of adoration in her eyes was hard to hide.

"He is not at home. He may come back later." She said in the white summer.

Du Anqi looks at her strangely. "How do you know Xing Yifan's working hours so well? What is your relationship! "

Bai Xia can't help choking. What's the matter? What they can really count on is friendship!

"We are friends." Bai Xia replied.

Duanqi is a straight person, she immediately half jokingly asked, "you should not like him!"

Bai Xia is shocked. In front of an outsider, does he admit that he likes Xing Yifan? And this girl is still his high school classmate, that is, Xing Yifan is willing to accept her gift, that is to say, they will also chat.

How dare Bai Xia admit it! "We're just friends," she said with a smile

Duanqi immediately took a sigh of relief, "Oh, that's it! Xing Yifan is the God of my high school. I've liked him for many years. I didn't expect to live with him. It's so nice. I'm going to be crazy. " Du Meiqi did not hide her love.

Bai Xia could not help blinking. He was curious and said, "was Xing Yifan very popular when he was in high school?"

"He is the school grass of our school! All the girls like him. " Du Anqi thought of Xing Yifan's situation in the school. Now she still has a lot of afterthoughts! The kind of happiness chasing him, the kind of feeling that I can meet him every day, is so happy. Bai Xia says, "Xing Yifan is really a man of school spirit."!

"What kind of girl did he like then?" Bai Xia is just gossiping.

"He couldn't see any other girl then! He only likes studying. When he was a sophomore, he was admitted to a foreign university. He is a bully. "

Bai Xia thought that he didn't like girls, so she had a little fun.

"Then! Do you have any news of him? "

Du Meiqi shakes her head. "Later, I only know that his sister has become an international superstar, and now she is also married. Her family is very rich. Her eldest brother is still a super rich man!"

Bai Xia only thought he could inquire about his high school life, but she didn't expect Du Meiqi to tell her this.

"What's his sister's name!"

"His sister's name is Xing Yinuo! Don't you know? "

Bai Xia immediately stared, shocked and excited, "Xing Yinuo is his sister! My God? She is my goddess! I like her very much. "

Du Meiqi said proudly, "yes! Didn't he tell you? He and Xing Yinuo are brother and sister of dragon and Phoenix? "

What? Brother and sister of dragon and Phoenix!

Bai Xia is really annoyed at the moment. Xing Yifan doesn't even say it. If he says it, she can ask him for his autograph!

"He didn't tell me." Bai Xia shakes her head.

Du Meiqi immediately guessed, "Oh! I see. You must not have deep friendship! "

Bai Xia was slightly stunned and nodded, "maybe!"

"Then I can only come back to him at night," said Du, carrying fresh fruit

After that, she went to the elevator, and Bai Xia also pushed the door home. In her mind, she was shocked by Xing Yifan's family situation. It turned out that his family was so rich? He's the second richest generation? Bai Xia was thinking about this. In her mind, she still longed for the day when she could borrow Xing Yifan's identity to ask Xing YINUO for a signed photo.

In the evening, Xing Yifan's figure appears in the garage. He still has vegetables in his hand, because tonight he will cook at home.

Xing Yifan walks into the elevator, takes out his mobile phone and sends a message to Bai Xia, with only a simple sentence: "come to my house for dinner tonight."

Bai Xia saw his message and hurriedly replied, "OK! Are you home? "

Not long after she returned, Xing Yifan rang her doorbell. Bai Xia opened the door and watched him carry the vegetables. She bent her lips and smiled, "I'm back."

Xing Yifan said directly, "come home with me to help."

"OK!" Bai Xia goes out to follow him home.

Bai Xia pressed the curiosity in his stomach, and finally asked out as soon as he entered his house, "well, I'll ask if Xing YINUO is your sister!"

Xing Yifan immediately turns around, but Bai Xia doesn't respond. His head hits his chest, and Xing Yifan's hand naturally holds her waist.

Bai Xia blushes and takes a step back.

Xing Yifan asked, "who told you?"

"Oh! In the afternoon, your girl classmate came to send you fruit again. We chatted for a while and she told me Bai Xia tells the truth.

Xing Yifan's handsome face is shocked. She even chats with Du Anqi?

"You asked her about me?" Xing Yifan asked again.

White summer pretty face slightly hot, "this is what she told me, I didn't deliberately inquire!"

Xing Yifan suddenly narrowed his eyes and approached her. "If you are curious about me, just ask me! I'll tell you what you want to know. "

White summer bent lips a happy, "really? Can I have a signed picture of your sister! You want one for me! "

Xing Yifan, Mo!

Chapter 1074

Xing Yifan didn't know where he came from. When Bai Xia asked for Xing Yinu's autograph photo, he refused directly.

"No." With that, he turned and brought the dishes into the kitchen.

Bai Xia is slightly staring at her eyes, so mean? It should be easy to ask his sister for a signed photo! How could he not?

"Xing Yifan, please, I really like your sister. She is my goddess! Just one, just one... " Bai Xia refuses to give up and follows up in the kitchen. Xing Yifan wants to come out and change a plain clothes.

Just as Bai Xia rushed to follow up the kitchen, he turned around and was ready to step out. Another collision happened.

White summer a small face and cold not Ding hit his strong chest, hit the nose a little red, she hurriedly covered her nose and stepped back.

Xing Yifan looks at her with his arms around him and his eyes narrowed. "I haven't seen anyone more adventurous than you. How can you be more stupid than my sister?"

Bai Xia blinks her eyes. He says Xing yinuoben? No, how could he say that to her goddess!

"Your sister is so beautiful and talented in acting. She is not stupid!" Bai Xia immediately maintained Xing Yinu's image.

Xing Yifan was speechless and warned, "don't hit me again, or I will do something bad."

With that, he squinted, his eyes flashing dangerous light.

White summer some grievance way, "you see nothing, my nose also hit red!"

Xing Yifan smiled, "don't hit it flat, or it will be ugly."

Bai Xiawei stared at his smile. She stepped back two steps to test her safety.

Xing Yifan returns to his master bedroom and changes into a suit of casual clothes. The black T-shirt and leisure pants immediately return to a boy's atmosphere.

He has a complex temperament. He can become a wolf like elite in the market and a cold man. At the same time, he is also a grass-roots person in any university.

Bai Xia is picking vegetables in the kitchen. She must have dinner together. She doesn't want to be lazy either. When Xing Yifan came in, she immediately said, "your girl classmate sent you fruit today. She said she would come to see you in the evening."

Xing Yifan squinted. "If she comes, don't open the door."

"Why?" said Bai Xia

"I don't want to accept her gift!" Xing Yifan said mercilessly.

Bai Xia blinked. "Aren't you high school students?"

"I have no influence on her. Even if I am a classmate, I don't have to accept her kindness." Xing Yifan's cold eyebrow picking, there is a kind of indifference that refuses people to be thousands of miles away.

Bai Xia was also shocked by his appearance, which made her think of the days when she first saw him. He was just like this. He would freeze for minutes.

"Oh! All right! " Bai Xia nodded and agreed, then thought, "what if she saw a light upstairs when she was downstairs? It's not polite to know you don't open the door! "

Xing Yifan suddenly thought of something, squinting his eyes, and said, "if you want to put an end to the trouble that she has been pestering me in the future, please do me a favor."

Bai Xia is a warm-hearted person. When it comes to helping, she really can help, unlike Xing Yifan, who has so many dark thoughts.

"Say it! How can I help you? " Bai Xia asked directly.

"In a moment she's here. You open the door." Xing Yifan said as he took out the fresh streaky pork he bought and washed it, and began to cut thin slices.

Bai Xia is picking vegetables and asks coldly, "don't you let me open the door?"

Xing Yifan gave her a meaningful look. "You can open the door, but after opening the door, you have to play my girlfriend."

Bai Xia immediately understood. She reached out her finger and said, "you want me to pretend to be your girlfriend and stimulate her? Let her stop pursuing you? "

Xing Yifan was not stupid to see her, and he got through at one point. He hooked his lips and said, "yes, I'll block my luck."

Bai Xia thinks it's harmful to do so.

"In that case, she will be sad!" Bai Xia thinks it's immoral!

"What? I've agreed to be your boyfriend, but you still don't agree to be my girlfriend? " Xing Yifan put down his knife and looked at him closely.

Bai Xia choked for a while, wait a moment, how can this sentence be so ambiguous?

"Don't we pretend?" Bai Xia corrected.

"I don't care. You have to stop this girl from pestering me. I don't want her to run to my house every day."

White summer bitter face, "do you have to do this?"

"Must." Xing Yifan does not allow her to refuse.

Bai Xia thought that Xing Yifan didn't want to develop friendship with this female student at all, so it's a good thing to let this female student die early! Otherwise, it's also a matter of procrastination.

"All right! I'll help you. " Bai Xia nodded and agreed. Xing Yifan continued to cut vegetables, meanwhile, the corners of his mouth raised a smile.

Just then, there was a sound of ringing the doorbell outside Xing Yifan's door. Bai Xia was immediately shocked and looked at Xing Yifan. "Is that your schoolgirl?"

"Go and have a look." Xing Yifan said to her.

Bai Xia had to get up and come out of the kitchen. She opened her cat's eyes and peeped at her. She was the girl classmate indeed!

She seemed to be very anxious, but also very persistent standing at the door, with a fruit bag in her hand.

Bai Xia has to breathe. She looks back at Xing Yifan and washes his hands. He squints his eyes, raises his chin and signals her to open the door.

Bai Xia hasn't done such a thing, so she is a little flustered and nervous. If she didn't chat with the schoolgirl in the afternoon, she would play the part. However, when chatting in the afternoon, the schoolgirl mistakenly thought that they didn't have a deep friendship, but now she would become Xing Yifan's girlfriend, which is obviously very hurtful!

Bai Xia is biting her red lips and hesitating. Suddenly, she pulls over her shoulder with a strong arm. Bai Xia's back is pasted with the man's strong chest. She is frightened and tenses her body at the same time.

At this time, Xing Yifan opened the door. When Du Anqi was preparing to say hello warmly, he saw the picture behind the door.

Xing Yifan holds Bai Xia's hand, which directly impacts Du Anqi's vision. She has never seen Xing Yifan close to any woman, but at this moment, he holds Bai Xia's arm and kisses him.

"What's the matter?" Xing Yifan's eyes are full of questions.

In his arms, Bai Xia blushed. She didn't dare to see Du Anqi's expression.

"Xing Yifan, I want to send you some fruit. " Du Anqi was a little flustered, but also very lost and shocked.

At this time, Xing Yifan didn't answer, his thin lips suddenly kissed Xia Wan's side face, low and warm, "honey, go to the kitchen to see the dishes, I seem to forget to turn off the fire."

Bai Xia quickly replied, "Oh! All right! "

Finish saying, come out of his arms, step toward the direction of the kitchen, there is no fire at all, but Bai Xia is hiding in it and dare not come out.

And Du Anqi stared at all this with disbelief. Xing Yifan called that girl dear? And they live together for dinner. What's their relationship? Is it a couple?

But in the afternoon, the girl clearly only said that she was a friend! And I don't know Xing Yifan! What's going on? Anyway, Duanqi was disappointed, sad and inexplicable.

Not to mention that there is another strong emotion in her heart, which is the envy and jealousy of Bai Xia.

"She Isn't she your neighbor? " Duanqi asked curiously, holding back her loss.

Xing Yifan looks back and takes a gentle look at the kitchen! She's my girlfriend! "

This gentle look, as if not pretend to come out, because it's too natural, let Du Anqi believe it directly, her eyes are disappointed to cry out. "So you have a girlfriend!" Duanqi is really going to cry. She forgot to give the fruit. She said quickly, "I'm sorry to disturb you."

With that, she turned around and left very sad.

Xing Yifan just looked at her back, turned around and closed the door, while Bai Xia was standing in the kitchen. When she heard Du Anqi's words when she left, she seemed very sad and disappointed. Xing Yifan turns around and looks at the girl who can't hide. He calls out in a low voice, "Bai Xia, come out."

Bai Xia had to walk out of the kitchen and looked at him helplessly. "What's the matter?"

"Why didn't you say a word just now? Is it a shame to be my girlfriend? Or are you very aggrieved?" Xing Yifan was inexplicably upset.

Chapter 1075

Bai Xia looks at him helplessly. "No!"

"No, then you didn't cooperate just now? What are you hiding for? " Xing Yifan asked.

Bai Xia also knows that she didn't cooperate well just now. That's because she is not so cruel and can't do anything to hurt others.

What's more, this girl loves him very much, but it's not wrong.

"She shouldn't be pestering you now." Bai Xia thought that the effect was achieved.

Xing Yifan was annoyed by her reaction. He went to the kitchen and said, "when I want you to do this kind of thing in the future, I'd better cooperate a little."

"Eh? And do that? " Bai Xia blinked.

"In case I meet someone who likes me, I may need you to continue to be my girlfriend." Xing Yifan glanced at her.

Bai Xia doesn't take off his mouth and says, "then I'm your shield?"

Xing Yifan chuckled, "yes, at the same time, I'm your shield. If a man comes near you in the future, you can tell them directly that I'm your boyfriend."

White summer pretty face suddenly a red, some have nothing to say.

But she did use him as a shield.

"All right!" Bai Xia had to promise.

Xing Yifan fried several home-made dishes and went to the table. At that time, Bai Xia remembered to ask for Xing Yinuo's autograph picture. She was at the table, but she begged, "Xing Yifan, you can do it. Can you ask for a autograph picture of your sister for me?"

Xing Yifan squints his eyes and says, "I want it for you. What's the advantage?"

Bai Xia immediately bit her red lips? What benefits do you want! Invite you to dinner? "

"Except for dinner." Xing Yifan doesn't want to have dinner.

"What else can I do for you?" Bai Xia asked immediately.

"Do you know how to wash?" Asked Xing Yifan, squinting his eyes.

Bai Xia said with a smile, "of course! I wash my own clothes! "

"I may be busy this week. In the future, I will clean and wash my clothes at home. Can you do it for me?" Xing Yifan asked that he was really busy with the case recently.

Bai Xia heard that this kind of thing is not difficult, and said, "OK, let me help you! However, you must ask for two more autographs! "

Xing Yifan really doesn't want to do this, because if he asks Xing YINUO to sign for a photo, she will definitely ask all the way to the end. Moreover, she is not stupid. She will know which female fan he must help.

However, even if she is willing to work, he has to agree.

"All right! Three photos for you to sign. " Xing Yifan agreed.

Bai Xia immediately smiled happily and bent his eyes, "really, it's so good."

Xing Yifan looks at her crazy female fans like her sister. He squints his eyes and says, "do you like chasing stars?"

"I don't chase, but I do. I really like your sister."

"So you like that actor?" Xing Yifan inquires curiously.

Bai Xia thought for a moment and said, "there are many male stars I like!"

Bai Xia is still thinking about it, but he doesn't find that the face of the man opposite is a little ugly.

Bai Xia doesn't elaborate on her name either. In fact, female fans are chasing stars for various reasons, such as the talent and acting skills of each other, plus that she is a cartoonist. She is very interested in this kind of art. Moreover, her comic inspiration sometimes comes from the stars.

Bai Xia looks up at the man opposite, smiles and asks, "your sister is a star, why don't you do it! You are so handsome. I think if you are a star, you will be as famous as your sister. Maybe you will become a star. "

Xing Yifan can't help choking. When Xing Yinu entered the performing arts circle, he was against it. He thought that she wanted to go this way because she couldn't read well. Now, Bai Xia's words really made him speechless.

"I'm not interested in that." He opened his mouth directly coldly.

Bai Xia did not mention it. She asked, "how are you doing recently! Does the wound still hurt? Is there anything uncomfortable? "

Xing Yifan's face looks better. "It doesn't hurt."

He went to the hospital to remove the wound line. He still remembered the doctor's expression, as if thinking, where did he find the doctor? So ugly stitching?

"Be careful when you go out. It's so big. Don't learn to fight with children." Bai Xia didn't ask him the reason for the fight last time, just thought he saw who was upset and had a fight.

Xing Yifan is drinking water, almost because of this sentence to spray out, he quickly reached out to cover his mouth, a light cough.

Bai Xia is concerned. "What's the matter with you?"

"You think I'll fight like a child?" Xing Yifan asked with some chagrin.

"How did you get hurt that day?" Bai Xia asked curiously.

"It's the defendant who secretly sent someone to teach me." Xing Yifan replied. Bai Xia's face immediately changed with fear. "What? You have been hurt maliciously! Do you want to call the police? "

Xing Yifan can't help but want to prove his ability in front of her, "I'm not a problem with one to eight."

Bai Xia directly stays, with one enemy eight! Did he hit eight people alone that night? She suddenly wondered how the group had been hurt.

"Then you won?" Bai Xia asked curiously.

Xing Yifan squinted, his eyes flashed a sneer, "if it wasn't for saving my suit, they could hurt me?"

Bai Xia immediately thought that he would come to the dinner party of his father 's company that day. Would he talk about important work that day? But he didn't talk to his father for many days from his appearance to his departure!

"Then why do you have to go to the party when you are injured! You go straight to the hospital! " Bai Xia asked again.

Xing Yifan suddenly doesn't want to talk any more, and then, she should guess the reason why he did so.

"I may not have breakfast tomorrow morning. I'll contact you at 11 noon and accompany you back to your home." Xing Yifan directly opens the topic.

Bai Xia nodded after listening, "OK, I'll have breakfast by myself tomorrow, and I'll come here to clean and wash your clothes tomorrow."

Xing Yifan looks at her so consciously, and her mouth corners can't help raising.

Xing Yifan went to wash the dishes. After Baixia fed many flowers, the time was nine o'clock unconsciously. Baixia was still embarrassed.

The deeper the night, the more subtle the atmosphere in the room.

"Well, I'll see you tomorrow." Bai Xia said something towards the kitchen, and she went back to her home.

When Bai Xia came back home, she began to think about going home tomorrow. In order to prevent her father from arranging blind dates for her in the future, she would play a good role with Xing Yifan tomorrow, and let them stop this idea.

Bai Xia went back to work in her study again. Looking at the comments below the cartoon, she knew that Xing Yifan, the archetypal hero, was very popular. She almost attracted a lot of fans and wanted to marry such a man.

So handsome, so gentle, so domineering, boyfriend full of power.

A lot of labels can't be torn off and pasted on the hero's body, which makes Bai Xia think, aren't these labels also on Xing Yifan?

Wait, Bai Xia thinks something is wrong! Her cartoon clearly records the story of her and Xing Yifan! What's more, almost all the dialogues have been copied without any changes, just some settings have been changed. How do these readers think that the hero is in love with the heroine?

Bai Xia hasn't begun to let the hero show the meaning of pursuing?

Bai Xia's head is a little muddled, and the heroine is based on her own prototype, and even the company commander looks like herself.

All of a sudden, Bai Xia feels ashamed to die. My God! Xing Yifan must not find her comics in the future! Otherwise, she will go to the hole.

Bai Xia started painting again in the evening. It's just that these things happened today can be painted in. Just change the settings a little.

Bai Xia unconsciously draws to 12 o'clock in the morning. In order to go home beautiful tomorrow, she still chooses not to stay up late. She climbs to bed and goes to sleep. She also wants to clean the room and wash clothes for Xing Yifan in the morning!

Xing Yifan also saw the case in the early morning. He rubbed his eyebrows and heart. Now, he took a bath. He was wearing a black silk nightgown and sat in the crystal light. His slightly open chest was full of an ascetic atmosphere.

Chapter 1076

Now, Bai Xia's routine has been changed by Xing Yifan. Even if she doesn't have to make an appointment with him for breakfast, she will wake up around 8 o'clock.

Seeing that it was still early, Bai Xia settled her breakfast at will. After she washed her clothes, she came to clean Xing Yifan's room and wash his clothes at the same time.

Bai Xia is also very skilled in cleaning the room. In addition, Xing Yifan's room is originally so clean. It's not like a man's room at all. After she wiped it over, she thought that his clothes were still in the laundry basket!

Bai Xia decided to wash his clothes by hand, because his clothes are very expensive.

White summer came to his bathroom, inexplicable her pretty face some pan hot, this must be a man's bathroom!

As a cartoonist, Bai Xia's brain hole is very big. If you are not careful, you will think of some pictures that are not suitable for children. Xing Yifan's figure should be great! Bai Xia covers her face and stops thinking about it. She reaches for the laundry basket and prepares to go back to her home to wash it by hand. Besides, Xing Yifan only changed clothes and pants yesterday.

Bai Xia goes back to her home. She goes into the laundry table on the balcony and puts down the water. She reaches for Xing Yifan's black silk shirt and washes it patiently. After washing the clothes, Bai Xia immediately washes his black pants. She just reaches for it. It's cold. She finds a black cloth under the blue laundry basket. Bai Xia looks down, his head is buzzing, my God! His underwear? Bai Xia's face is red again.

She should have thought of it!

After Bai Xia washed his pants with a red face, she reached out and picked up the bullet underpants which were very comfortable with the cloth in her hand. She only felt that what she held in her hand was like a hot iron, which was very hot.

Finally, Bai Xia finished washing, and she took off the water and dried his clothes back to his home.

When Bai Xia came back to her home, she still felt her face hot. How could she feel sweating when it was December?

Time passed by little by little. At about eleven o'clock, Bai Xia also dressed up. She bought a new jeans skirt, which was very pure and lovely on her delicate body.

Long hair naturally spread in the back of her head, carrying a small bag on her shoulder, walking on the street, is also a beauty with a high return rate.

At eleven o'clock, Bai Xia receives Xing Yifan's phone call. He waits for her at the gate of the community. Bai Xia hurriedly pushed the door out and reached the first floor from the elevator. She came out from the main gate of the community. As soon as Bai Xia came out, her eyes naturally went to find Xing Yifan's big SUV.

She glanced at him. Where is his SUV! Didn't he say he was waiting for her at the door?

Bai Xia was wondering. When he wanted to call him, he only heard a very low roar of sports car nearby. A limited edition super run with high price slowly drove to her.

Bai Xia stares at her eyes. Looking through the glass window, Xing Yifan's figure sits gracefully in the driver's seat.

Bai Xia looks at him in astonishment. Did he change a car? As expected, I have money and willfulness. Bai Xia was also deeply honored. She carefully opened the door, and then, before getting on the bus, she made a very lovely move, stamping the mud under her feet, and then she sat in.

Xing Yifan saw it on one side, not to be bored with a smile, he squinted his eyes and said, "lead the way!"

Bai Xia also didn't remember his father's new home route, so she opened the SMS sent by his father and showed him the address above. Xing Yifan directly set up the navigation.

Looking at her, she didn't even know her father's home. Inexplicably, Xing Yifan gave her a look of heartache.

White summer pour is a face to have nothing to do like, curved eyebrow to him to smile.

Xing Yifan's sports car is very eye-catching driving in the street, with his young and handsome appearance, has become a street landscape.

The atmosphere in the carriage was silent for a moment, so Bai Xia had to report, "I've cleaned your room, and I've washed your clothes by hand."

Xing Yifan gave her a favorable look. "Thank you."

"You're welcome." White summer is biting red lip, thought that even his underwear also washed together, inexplicably some embarrassment.

When Xing Yifan was just turning the corner, he took a look at her by the way and hit her pretty face with a touch of pink. He immediately understood the reason for her blush.

She washed his underwear, too? Xing Yifan's heart was filled with a sense of humor, and at the same time, there was a sense of satisfaction.

Xing Yifan pressed on the music, which eased the atmosphere in the car. Half an hour later, she was almost at her father's house.

When Bai Xia thought of coming back to this home, her heart string was a little tense. In fact, she really didn't want to come back.

White House.

Today, Bai Shize was waiting at home for a long time, but his daughter's boyfriend to be brought back this time is not ordinary.

Under her husband's eyes, ye Jiamei dare not make any small moves. She let the servants buy the dishes early in the morning. She even helped her husband in the kitchen in order to give him a good influence.

She also called up a pair of children. When Bai Xia was at home, she must make her children behave better, so as not to let Bai Xia steal the limelight. Bai Shize looked at the time and thought that it was time for Bai Xia to arrive. Just then, she heard the roar of the sports car outside the yard. The low roar was the sound of the top sports car.

Bai Shize hurried out of the yard, just as his iron door was open, Xing Yifan's sports car slowly drove in.

Bai Shize's heart was shocked. As expected, Bai Xia's boyfriend is not a normal family!

Ye Jiamei also hurried out. She happened to see Bai Xia step down from Xing Yifan's sports car. Her eyes flashed with envy and jealousy. Can her daughter find such a rich man in the future?

At this time, Xing Yifan gets off the car, and ye Jiamei is shocked again. Bai Xia's boyfriend is not only rich, but also handsome. He is even more handsome than the men she has met.

How can a handsome man with money meet this stinky girl?

I saw Xing Yifan in the elevator last time, but she didn't see clearly at that time.

Bai Shize immediately greeted him with a smile, "Vice President Xing, how are you?" Finish saying, with the direction of that set of greeting of business circles came.

Shake hands.

Xing Yifan can't really appreciate such a man as Bai Shize, but he is Bai Xia's father, which can't be changed.

So, Xing Yifan will hide all emotions today and make a perfect boyfriend for Bai Xia.

Xing Yifan reached out and shook hands with him, politely calling out, "Hello, uncle Bai."

"Come on, come in, come in. Last time I was in a hurry at the party, I didn't have time to talk to you." Bai Shize said regretfully.

Xing Yifan nodded slightly, and Bai Xia immediately came to his side, while his big palm reached out and held her hand directly.

White summer pretty face a little red, let him lead to the direction of the hall.

"Xia Xia is back. This is your boyfriend! How handsome! " Ye Jiamei is very hypocritical in her praise.

On the contrary, Bai Xia heard her jealousy from her words.

Bai Xia immediately grabbed Xing Yifan's arm and returned with a smile, "right! He is my boyfriend. "

Ye Jiamei's smile froze for a moment, looking at their back in the hall. She was so angry that she bit her teeth. Was Bai Xia proud?

Xing Yifan looks at the girl who is close to him. His thin lips are slightly raised.

Bai Shize greets them and enters the hall. Xing Yifan sees a pair of brothers and sisters standing there. However, to his surprise, Bai Shize also has a good and romantic appearance. How come there is nothing like him in his children except Bai Xia who is beautiful?

However, just an idea, Xing Yifan sat on the sofa. Bai Shize immediately took out a good tea to serve, and asked Bai Jiamei to cook more good dishes on the table.

Bai Xia sits beside Xing Yifan and is very obedient. Bai Shize just poured a cup of tea. Xing Yifan delivers it to Bai Xia. Bai Xia takes a drink and smiles at him.

Bai Shize looked at them and was really happy in his heart. So, is he going to have a rich son-in-law? Although he is not short of money now, he still has a sense of crisis when he is in business. If he has such a son-in-law, he will feel more secure.

Chapter 1077

"Xia Xia, introduce your boyfriend to you!" Bai Shize only knows his surname Xing until now.

Bai Xia immediately reached out his hand and made an introduction. "Dad, he's my boyfriend. His name is Xing Yifan."

Then he pointed to baishize and said, "he's my father."

Xing Yifan wants to laugh, but Bai Xia is embarrassed. Bai Shize laughs, "Yifan, come and have tea."

Then Bai Shize said to a pair of children on the sofa beside him, "I don't call it sister, brother-in-law."

This pair of children immediately in father's stern expression, toward two people call, "elder sister, brother-in-law."

Although Bai Xia hated Bai Jiamei very much, her children were innocent, and Bai Xia did not count the resentment on their heads.

She nodded at the two brothers and sisters, and soon there was a cherry on her lips. Bai Xia responds immediately. It was Xing Yifan who fed it to her. She opened her mouth and ate it.

Xing Yifan's lips are bent to enjoy her. Bai Xia's eyes are drooping. He laughs while eating. He is still sweet inside.

Bai Shize is very satisfied with his eyes. His daughter really has a long face for him.

Behind the glass door in the kitchen, ye Jiamei's eyes radiated the light of resentment, watching her own pair of children being left out. In her husband's eyes, Bai Xia and her handsome and rich boyfriend were in her heart.

However, ye Jiamei thought to herself, how can Bai Xia really think that she is not worthy of this rich young man? What else can she do besides grow beautiful? A little cartoonist, also want to

marry into the rich? I wish this rich second generation would abandon her like garbage after playing with her. Then she would cry.

In the kitchen, ye Jiamei dare not be careless in the dishes, but her husband is at home. If she doesn't greet her well, she must blame her.

"Yifan! What's the name of your parents? If it's a business person, I should recognize it. " Bai Shize thought, he is so rich, his family must also be in business!

Xing Yifan doesn't want to reveal his family background, nor does he want to bring pressure to Bai Xia. What's more, he likes the feeling that he doesn't rely on his family to support him.

"My parents are retired. They are usually abroad." Xing Yifan said flustered.

Bai Shize immediately said, he may not know the rich abroad, and he will not ask.

"How do you know Xia Xia? I thank you very much for taking care of Xia Xia for me. " Bai Shize asked curiously.

This problem made Bai Xia look at Xing Yifan, because she didn't know how to make up the story.

Xing Yifan's eyes fell gently on her face and looked up to Bai Shize. "We were neighbors a few months ago, and then we fell in love. I fell in love with Xia Xia at first sight, and started to pursue her. Just as she was very fond of me, we were together."

Bai Xia is biting her red lips and drooping her eyes with shame. She thinks in her heart that Xing Yifan has a real level of panic. If she changes her mind, she can't even make it up.

Bai Shize thought to himself, it's still his genes that make Xing Yifan such a rich young master fall in love at first sight when he has such a beautiful daughter.

"Oh! That must be fate. " Bai Shize laughs.

"Shize, let's welcome the guests to the table!" Ye Jiamei came with a virtuous face.

Although she is a middle-aged woman of more than 40 years old, she can't help but feel excited when she looks at such an excellent man as Xing Yifan. She thinks that she is 20 years younger, too.

"Come, Yifan, eat at the table! It's all home cooked. Don't look out. " After Bai Shize finished, he took a bottle of white wine from the side and put it on the table.

Maybe it's the people who live in the market. Wine is essential.

"Dad, he doesn't drink. Don't take any more." Bai Xia suddenly wants to protect Xing Yifan.

For Bai Shize, he would like to drink some wine and respect his guests more. He asked with a smile, "Yifan, it's OK to drink one cup! Let Xia Xia drive in a moment, and you'll have two more drinks

Bai Xia can't help being anxious. The liquor is so strong. Can Xing Yifan drink! In case I get drunk!

"Dad, I don't want to drink anymore. Let's eat!" Bai Xia insisted very much.

Xing Yifan could hear that this woman was defending him. Suddenly, he thought, does a man need a woman to defend even if he drinks two glasses of wine? What a shame!

"Nothing! Two drinks will do. " Xing Yifan immediately opens his mouth.

Bai Xia is scared at once. He really wants to drink! She couldn't help but pick up her toes and whispered in his ear, "you can really drink! Don't drink if you can't! "

Bai Xia doesn't know. She's not persuading wine! This is to stimulate Xing Yifan to have two drinks.

How can he not even drink alcohol in front of his girlfriend's father?

"Nothing! I can drink it. " Xing Yifan patted her shoulder comfortingly, with confidence in her eyes.

Bai Xia is still worried, but even if he wants to drink, she can't stop him. Bai Shize was relieved when he saw that he could drink. Before eating, he was used to drinking two cups.

"Come on, Yifan, let's be more casual." After that, Bai Shize poured a small glass of white wine to him.

Bai Xia smells the wine and holds her breath. She can't understand why men like drinking such a hot wine.

The dishes on the table are very rich. Ye Jiamei immediately brings her two children to dinner. She looks at Xing Yifan on the opposite side. She looks at it closely! She felt her heart beating faster.

Where does Baixia come from? I found such a treasure?

"Come, Yifan, let's drink." Bai Shize raises his glass.

Xing Yifan also raised his glass. He usually drinks more red wine and some main foreign wine. However, Xing Yifan seldom drinks white wine.

When the pungent taste choked his throat, Xing Yifan twisted his brow and endured the taste of burning his throat.

Bai Xia looked aside and felt sorry for him. In fact, he really didn't need to drink.

"Dad, don't try to persuade him. He can't really drink it." Bai Xia is really afraid that his father will treat him with the suit on the wine table.

The heartache in Bai Xia's eyes is sincere. Xing Yifan's worry about squinting her eyes and touching her bottom of the eye makes him have an idea to express.

"Who says I can't drink? Don't worry, I can drink it." After Xing Yifan finished speaking, he had a drink.

He's going to let this woman watch. He's a real man.

If we let Bai Xia know that this man drinks so fiercely, it's all because of what she wants to show her. Bai Xia will only say one sentence, childish.

But Xing Yifan has never done such a childish thing. Now, he has made an exception for her.

"Yifan, good wine!" Bai Shize couldn't help but praise him. Then he got up and poured him a drink.

Bai Xia has no choice but to look at Xing Yifan. As soon as possible, what does it feel like for her to take it to repay her.

"I'll have a drink." With that, she took Xing Yifan's white wine cup and took a sip on her red lips, which immediately made her face wrinkled and quickly returned it to him.

Xing Yifan looked at her like this and couldn't help being amused. He reached out and tried to comfort her in the back of her head.

Perhaps Xing Yifan's appearance, coupled with his noble breath, made Ye Jiamei's two children dare not speak more, and they were looking at him.

Even ye Jiamei's little daughter envies Bai Xia. Because of Xing Yifan's charm, all the young and old can kill.

Don't drink if you can't Xing Yifan turns to her.

"It's so hard to drink, I won't drink it!" Bai Xia said, covering her red lips.

Xing Yifan approached her with a smile. "Is it so hard to drink?"

Bai Xia immediately blushed, "you don't want to drink too much!"

This sentence means that a wife is in charge of her husband.

"Summer and summer, we are just at will." Bai Shize thinks that his daughter is in charge of too much, and what men don't like most is probably women! He didn't want his daughter to make Xing Yifan unhappy because of these little things.

"Good! I won't drink this one. " Xing Yifan answers her obediently.

Bai Xia's heart is sweet. In fact, she really doesn't want to show her love in front of her father. However, she can't help but take care of him.

In the eyes of Ye Jiamei on the opposite side, she is going to die of envy. Does this handsome man of the second generation listen to Bai Xia's words like this?

Now it's hard to find such a man with a lantern!

Chapter 1078

At the end of lunch, ye Jiamei is tidying up the noodles. Bai Shize greets Xing Yifan to sit on the sofa and drink tea. Bai Xia sits beside him.

Xing Yifan, who has drunk two glasses of white wine, has a little red tide in her handsome face. The 53 degree white wine can't be looked down upon.

In addition, the glasses of baisheze's family are larger. Xing Yifan's reaction to these two glasses is still on him.

"Dad, whenever he has work in the afternoon, I'll take him back to sleep now. I think he's a little drunk." Bai Xia got up and said.

She knew that Xing Yifan's identity and father didn't have so many topics. In order to avoid his embarrassment in dealing with his father, she planned to take him away first.

"Good! That's it. Go back and have a rest! " Bai Shize stood up and did not force him to stay.

Xing Yifan stood up and said to Bai Shize, "Uncle Bai, let's go first."

Bai Shize immediately nodded enthusiastically, "OK, come back to play at home next time!"

Bai Xia holds the bag and reaches out to hold Xing Yifan's arm. Xing Yifan underestimated the strength of the wine just now. When he drank it, he didn't feel anything but choked his throat. Now, he knows that the strength of the liquor is so strong.

He really felt a little tipsy.

Ye Jiamei quickly wipes her hands out and accompanies her husband to send them away. Looking at the sports car with a value of more than 100 million yuan, ye Humei immediately becomes jealous. At this moment, Xing Yifan sits in the front passenger seat.

Is it Bai Xia driving? This makes her feel bad. How could such an expensive sports car let Bai Xia drive?

Baishize for this level of sports cars, are only amazing share!

Bai Shize goes to the front of the sports car and faces Bai Xia, who is sitting in the driver's seat. "Xia Xia, be careful on the road. Don't drive so fast."

"Yes, I know." Bai Xia answers, there is another Xing Yifan on the bus! She just wants the tortoise to drive back.

It's the first time for her to drive a sports car of this level! There was a little gall in my heart.

Bai Xia drives Xing Yifan's sports car slowly out of the gate of Bai Zhai. After dealing with her father, Bai Xia is at ease. In the future, her father will not introduce her any more images.

And she didn't know that this time she led Xing Yifan back, and she also gave Bai Jiamei a strong jealousy and excitement.

Bai Xia stops at a traffic light. She looks at the lazy and charming man in the front passenger seat worried. She asks, "are you drunk! Is there anything uncomfortable? "

Xing Yifan narrowed his eyes and turned his head back. "I'm not drunk."

"Your face is a little red. I think you must be drunk." But Bai Xia said firmly.

Xing Yifan is drunk, but his head is still very clear. Suddenly, there is a kind of black thought in his head.

Even if he pretends to be drunk, what's the harm? After going back, let this woman serve him well!

Maybe we can get any more benefits! Xing Yifan's heart overflowed with some bad water. He reached out his hand and stroked his forehead. He sighed, "your father's wine has great potential."

When Bai Xia heard his honest confession, she immediately said, "I say you are drunk! You don't admit it. Go back to sleep! Don't go out today. "

Bai Xia's driving speed is not fast. Along the way, she can feel the eyes around her. She is too embarrassed to drive.

Because Xing Yifan's sports car is too windy.

After driving for half an hour, she finally reached the downstairs of the community. Bai Xia drove in and stopped at a place. She got off the car and went around to open the door for Xing Yifan.

Xing Yifan's long legs stepped down, and his eyes flashed a black smile, and his whole body immediately pressed towards Bai Xia.

"Hello, are you unsteady?" Bai Xia hugged him and closed the door.

"Dizziness!" Xing Yifan opens his mouth drunk.

"Well, I'll help you home! You can walk steadily. " Bai Xia is like coaxing a child. He takes him to the direction of the elevator half by half.

At this time, Bai Xia is not concerned about the coyness and reserve of any woman. She just wants to put Xing Yifan on his big bed and let him sleep and sober up.

As soon as the elevator door opened, Bai Xia immediately clanged in under the pressure of Xing Yifan's heavyweight and body. However, her back was leaning against the wall, and Xing Yifan's

handsome body was so naturally pressed over. His handsome face was buried in her shoulder socket.

A trace of Gardenia fragrance belongs to her, which makes Xing Yifan's heart string. I don't know whether it's the reason of wine or the charm of this woman, which makes his handsome body obviously hot. "Xing Yifan, can you stand up straight and don't press me!" Bai Xia, with his head crooked, protested. He had known that he should not be allowed to drink.

But I don't know Xing Yifan's handsome face buried in her shoulder is smiling proudly! Finally, the elevator door jingled. Bai Xia immediately hugged his waist and brought him out. She helped him to his door with difficulty. She reached out and opened his fingerprint door.

Bai Xia helps him in.

When the door was closed, blossoms jumped out of a corner. Bai Xia could only comfort her by saying, "blossoms, hold you later, I'll help him back to the room first.""Meow..." Duoduo is not in a hurry, just squatting and looking at the two masters strangely.

Bai Xia is really going to be tired and gasping. She is a man of 90 Jin holding a man of 185 meters. It's deadly.

"Xing Yifan, it's almost on your bed. You'll have a good sleep later." Bai Xia gasped.

Standing beside Xing Yifan's big bed, Bai Xia is thinking about how to help him to bed.

Cold not ding a force to press down, and her back to the body of the bed, immediately stand unstable.

"Ah..." Bai Xia made a cry of surprise, and Xing Yifan, who was held by her, was naturally pulled by her and turned upside down.

Bai Xia bumps her head on the soft bed, and next second, she is covered with a man's strong body.

Bai Xia's breath was panting, and he stared at her. He saw a handsome face close to her.

Xing Yifan's handsome face, now dyed with a trace of red, intoxicated and charming, deep eyes are suffused with drunk confusion. It has to be said that in the face of such a man's face, a woman is going to fall in love.

Bai Xia gasped and smelled the strong wine on his body. She didn't even feel it smelled bad, as if there was a mellow and sweet smell.

White summer also smelt a kind of dangerous breath, come from this man's eyes.

"That Xing Yifan, you are pressing me. " Bai Xia can't help but don't look smart, try to remind him.

Xing Yifan narrowed his eyes, "I feel sick! Let me press it. "

"What's wrong with you!" Bai Xia didn't react, but thought he was not comfortable.

Xing Yifan laughed evil directly, "what do you say?"

Bai Xia immediately got a buzz in her head and blushed to the bottom of her ears Xing Yifan, don't play hooligans with wine! "

"What will happen if you play?" At this moment, Xing Yifan also showed the evil spirit which was inconsistent with his usual abstinence and cold side.

It seems that every man will flirt with his younger sister. As long as he meets the one he likes, he will certainly flirt with her.

"You Xing Yifan, stop making noise and go to bed when you are drunk. " Bai Xia wants to struggle to get out. Although Xing Yifan is very handsome and charming, she can't be casual!

Besides, the relationship between the two has not reached this stage!

Bai Xia is wriggling her body, thinking that she can leave from the man, but she doesn't know the consequences of her doing so, which is to stimulate the man's more uncomfortable situation. Suddenly, Xing Yifan's low voice suddenly woke up and warned, "don't move."

White summer immediately dare not move, she is carrying a pair of watery clear eyes, "then you quickly get up."

Xing Yifan suddenly chuckled, "give me some benefits."

Benefits? Bai Xia didn't know what else was good for him. She bit her red lip and said, "what do you want?"

Xing Yifan's eyes can't help falling on her two red lips. The attractive breath made him breathe a little. He said in a hoarse voice, "I want to kiss you!"

Bai Xia stares at her eyes, but before she responds, her red lips are blocked by him.

Kissing is a hot topic. Although Xing Yifan has never had a woman, he can learn everything fast and can't beat him. Connecting kissing is also a matter of learning without a teacher. Without learning, he has mature experience.

"Well..." Bai Xia is also a rookie. It's inevitable to panic. She looks at his thick two rows of long eyelashes and her head is blank.

Xing Yifan squints her eyes. Doesn't this woman know that she should close her eyes when kissing?

Xing Yifan had to let go of her and remind her, "close your eyes."

Chapter 1079

Bai Xia immediately closes her eyes. However, the man's kiss falls down again. Bai Xia's sensual sensitivity flows through her four limbs. Unexpectedly, after closing her eyes, the kiss makes her warm all over.

Finally, Xing Yifan let go of her. It wasn't that he had kissed enough, but that he would go crazy if he kissed again. His restraint was to the limit.

Bai Xia, who was let go, blushed like a drop of blood, and her two red lips were very bright. She couldn't help standing up in a hurry and said to the man behind her, "you have a good rest! I'll go back first. "

Finish saying, white summer a come out, still hold flower to leave hurriedly.

Back to her room, Bai Xia found it hard to breathe. She gasped and covered her chest. Her head was still filled with paste.

Drive! How could he be like this! She didn't allow him to kiss!

Bai Xia put down the flowers. She hurried to drink a cup of water pressure. At the same time, Bai Xia found that kissing was such a sweet thing.

She covered her face and couldn't think about it any more. She was so embarrassed. How could she face him!

In the next room, Xing Yifan enters the bathroom and takes a cold bath to cool down. At the same time, he is very upset that he can't vent. He can only rely on himself, but in his head, it's all white summer.

It took Bai Xia a long time to calm down. She needs to go out for a walk, and there is no fruit at home. She can just go to the nearby supermarket to buy some.

Because if she stayed at home, she would always think about the kiss and think about it. Bai Xia comes downstairs to breathe fresh air. Her head slowly wakes up. She walks on a green path beside the community.

Cold not Ding, she heard someone behind her call her, "Hello! You wait. "

When Bai Xia heard the voice, he was shocked immediately. Isn't this the voice of Du Anqi?

Sure enough, she turns around, who is not Du Anqi? She also looks like she has just left home. She looks at Bai Xia around her arm and walks towards her.

"How can you do that! You are Xing Yifan's girlfriend, but you lied to me. "

Bai Xia is shocked. Last time, it was really a misunderstanding!

"I'm sorry, I didn't want to. I just didn't have time to tell you." Bai Xia had to explain.

Although Du Anqi likes Xing Yifan, she thinks Bai Xia looks good. She bites her red lips and says, "he likes you!"

Bai Xia is stunned and laughs.

Although Du Anqi feels it's a pity that she has not become Xing Yifan's girlfriend, Bai Xia looks good. She is pure, beautiful and clean, worthy of Xing Yifan. "Well, I wish you all the best, that is, the upper and lower neighbors, and we will play together when we have time." Said Duanqi.

Bai Xia can't help but breathe a sigh of relief in her heart. Just now she thought that Duanqi would be very angry!

"Thank you! I hope you will meet someone you like as soon as possible. " Bai Xia also blesses her.

"I don't talk about my boyfriend now, I just want to make money," laughs Duanqi

Bai Xia immediately fell in love with her personality. She smiled and said, "I'll buy fruit!"

"Is it? At the same time, I also want to buy some fruit. There is one in front of me. "

"Yes, I'll go there too." Bai Xia said with a smile.

"Let's go!" In fact, she is very curious about Bai Xia and Xing Yifan. Even if she can't be the girlfriend of God, she is also curious about his emotional life.

"Well, what's your name?"

"My name is Bai Xia."

"The name is very nice! Then I'll find out! Who are you and Xing Yifan after first? "

"Er! This! " Bai Xia thought, anyway, it's also made up. She said casually, "he pursues me."

"Wow! You are so happy that Xing Yifan pursues you. You must have saved the galaxy in your last life! " Du said very exaggeratively.

Bai Xia chuckled, "how can it be so exaggerated!"

"That's it! Xing Yifan is such a cold man. I don't know what he was like when he was with you. Last time I saw you cooking together, it was so warm! " "It's the envy of Duanqi," she said.

Bai Xia is a little guilty. That's what acting shows her.

"He is also an ordinary person! Just like many boyfriends, being considerate will take care of people. " Bai Xia had to continue to make it up. In fact, Xing Yifan was very considerate.

But it's a different story to be kissed by him today.

"Wow! Sure enough, it's the God of men, so you are happy. Your children will be very beautiful in the future! You are all so beautiful. " Du angqi said expectantly.

White summer blushes? Their children? This seems to be too exaggerated!

"What do you do! You're quite free, too. "

"Oh! I'm a cartoonist. " Bai Xia said with a smile.

Duanqi immediately envied again, "your job looks very leisurely!" After two people went to the fruit shop and picked each other's fruits, Du Anqi was still waiting for Bai Xia. It seems that she wanted to be friends with Bai Xia very much.

After Bai Xia also checked out, she hurried to her side, "let's go! Go back. "

Along the way, Du Anqi began to be curious about her usual way of getting along with Xing Yifan. Bai Xia also knew that she was pure curious. She could not help but say something about the ordinary things, and then she found that her daily life with Xing Yifan was like a couple.

Du Anqi also sincerely wishes them, she took the lead in getting off the elevator, Bai Xia stepped down on the upper floor, she looked at Xing Yifan's home, she thought, did he really get drunk? Do you vomit? Will it be uncomfortable?

Bai Xia hurried back home. After putting down the fruit, she came out again and opened Xing Yifan's door. She walked gently to the door of the master bedroom and looked inside.

She immediately covered her mouth with fear, because Xing Yifan was lying on the bed wearing only one pair of underpants, only a thin quilt was covered on her abdomen, and her long, strong legs were exposed.

Won't he catch cold? Bai Xia thinks it will be cold for him to sleep like this.

She had to walk to the edge of his bed, she reached for his quilt and helped him cover it.

Just at this time, she turned to leave. Suddenly, she tucked in her hand which was ready to be pulled away by the corner and was stopped by the man.

"Don't go, stay here with me." Xing Yifan opens his eyes slightly, sleepy and dozing, but he still wakes up.

Bai Xia had to answer, "OK, I'll be here with you, you sleep!"

Xing Yifan just let go of her hand and closed her eyes for a while.

Bai Xia had to stand in front of the bed for a while, and she whispered, "I'll get the computer."

Xing Yifan opened his eyelashes again and replied with a wink.

Bai Xia comes here with the computer and holds each flower. Each flower jumps to bed and sleeps in Xing Yifan's quilt corner.

Bai Xia is sitting on the sofa, turning on the computer to process the manuscript scanned on the computer last night. In a quiet afternoon, the room is still quiet.

There are cats, there are girls, there is a handsome man.

Bai Xia looks at Xing Yifan's sleeping face from time to time. In fact, Xing Yifan's appearance has long been in her heart. Otherwise, she can't draw all his expressions vividly in the cartoon.

Bai Xia spent this afternoon like this, Xing Yifan also slept peacefully, as if knowing that she was with her.

Time unconsciously arrived at 4:30 in the afternoon. Finally, Xing Yifan in bed woke up. He opened his eyes and helped his forehead to sit up.

Bai Xia immediately put down the computer and came up, asking, "do you have a headache?"

"May I have a glass of water?" Xing Yifan asked her.

Bai Xia immediately came out and poured him a glass of water. Xing Yifan drank water. Bai Xia was bending down and looking at his sexy thin lips. She felt thirsty for some reason.

Xing Yifan raised his eyes and fell on her face, with a curved corner of his mouth, "are you going to fall in love with me?"

Bai Xia is also a dignified person. How could she admit it!

"You think more, you don't." Bai Xia takes his water glass and turns to leave with a red face.

Xing Yifan narrowed his eyes. Even if he could express her at any time, there was a kind of pride in his heart. He wanted this woman to express him first.

But Bai Xia is also a stubborn person. She has never written a love letter since she grew up.

Even though she likes Xing Yifan, it seems that whoever confesses first will lose.

At this moment, in Bai Xia's heart, he is also looking forward to it. If Xing Yifan wants to really like her, he can tell her!

Chapter 1080

Dinner is in a porridge shop outside, which is the place Bai Xia usually likes to come to.

Xing Yifan followed her, but also did not pick up the Tieti, and she chose the restaurant is very good.

After dinner, they took a walk home. Bai Xia took care of him this afternoon. She was also tired. She wanted to go back to take a bath and go to bed.

Xing Yifan looked at her figure with her head down, and suddenly he wanted to tease her.

"I was so drunk at noon. Did I borrow wine to go crazy?" Xing Yifan asked her.

Bai Xia immediately looked up and stared at her. Didn't this guy know that he had kissed her?

Did he forget everything when he was drunk? Bai Xia has never been drunk, and I don't know if the memory is blank after being drunk.

But most people forget what they did when they were drunk.

Bai Xia immediately made a decision. She said seriously, "no! I'll help you back, and you'll fall asleep in bed. Nothing happened. "

Xing Yifan flashed a cold hum at the bottom of her eyes. Did she think the kiss was disgraceful? Selective amnesia?

It seems necessary for him to remind her.

"Oh! Is it? If I sleep upside down, when I wake up, it seems that I only wear a pair of underpants! Is it the clothes you took off for me? " Xing Yifan asks her some questions.

Bai Xia was immediately shocked. She shook her head and said, "I didn't take off your clothes. You took them off yourself. Did you forget?"

Xing Yifan immediately laughed, "is that right? Why do I seem to remember kissing you! "

Bai Xia immediately had a hot face and retorted, "eh? Then you must be dreaming! Not at all! Nothing happened to us. "

Does the man remember or not?

Xing Yifan just wanted to break through her flustered words mercilessly. He was really impolite and blocked her in front of her. "Do you really think I'm drunk? Let me tell you! I'm not drunk. "

Bai Xia slightly stared at him, only feeling that he was disgusted, "are you not drunk? Why do you pretend to be drunk when you are not drunk! "

Xing Yifan bit his thin lips and said, "I'm just not drunk enough to remember things. We kissed!"

Xia Wan felt a sense of regret that she had been killed. She also understood that this man was clearly playing with her.

"Damn, Xing Yifan, you need to fight!" After that, Bai Xia really had to swing his fist and hit him. Xing Yifan laughed so much that he stood there and beat him with her pink fist.

Bai Xia really had to fight dozens of fists. Her hand hurt. Instead of frowning, she was clasping her hand and pulling her to him.

"Don't panic in front of me in the future." Xing Yifan's overbearing order.

"I'll tell you what happened." Bai Xia's furious retort.

Xing Yifan's eyes were dark, and he knew that she was blocking Qi, but when he heard that she would panic in front of him, he was a little unhappy.

He bent down suddenly, his eyes dangerously locked one of her little faces. "If you say panic, I will punish you!"

Bai Xia raised her eyebrows proudly, "how can you punish me! You can still beat me! Now it's a legal society You

Next second, Bai Xia's little mouth is blocked by the thin lips of the man. Bai Xia's eyes are startled. This is the street! There are people coming back and forth!

Bai Xia reached out his hand and pushed him angrily, but Xing Yifan also released her. He bit his thin lips and said, "this is the punishment for you to say panic later."

Bai Xia's pretty face turned red. He shook his fist and beat him around. He was frustrated. "You are such a jerk! I don't want it. "

Xing Yifan did not tease her, but turned around and said, "go home!"

Bai Xia thought about it and thought that she didn't scold hard enough just now. Besides, she suffered a loss.

"Don't kiss me without my permission. Have you heard me clearly?" Baixia warned.

Xing Yifan's eyes narrowed as if he hadn't heard.

"Xing Yifan." Bai Xia stamped her feet, but the man ignored her.

But at the traffic light, Xing Yifan stopped to wait for her. When she was near him, he reached out and held her tightly across the road. Although Bai Xia was a little upset, for the sake of seeing that he would lead her across the road, she still swallowed the complaint.

It's just that she thinks there's something he hasn't done for her.

"When will you ask me for your sister's autograph?" Bai Xia's tone is not imperative, but soft.

"Tomorrow I'll take them back." Xing Yifan opens the road.

White summer a listen, pretty face slightly a heat, "really want to take one after another back?"

"Yes! It's almost the time for the heat. " Xing Yifan is serious.

Bai Xia was embarrassed to discuss the problem immediately. She nodded and said, "OK! You take it back! "

Xing Yifan's eyes can't help but look at her with a trace of evil, "you should know what is estrus period!" Bai Xia immediately stares at him with a pretty red face, "of course I know! Do you still need to say? "

"Do you have any?" Xing Yifan approached her and asked.

Bai Xia is going to die of shame. He reaches out and pushes him away. "You have it."

With that, she walked forward and ignored him.

After that, Xing Yifan couldn't help laughing. What's the high cold asceticism? It's completely gone. Once in the elevator, Bai Xia is a little bit away from him. Xing Yifan squints at her and says, "what are you doing so far away from me?"

Bai Xia looks at him around his arm, "because you are like many flowers!"

Xing Yifan immediately understood, and his handsome face immediately became dangerous. "Congratulations, you're right."

Bai Xia immediately leaned against the wall, with a panic expression, "Xing Yifan, you should be serious."

At this time, the elevator jingle to open, Bai Xia rushed out, she stood at the door, turned to the man passing by and said, "remember! I want a signed picture of my goddess! "

Xing Yifan can't help being envious of Xing Yinuo. He makes Bai Xia a goddess and an idol. However, he looks so handsome, and this woman is still disgusted?

Bai Xia pushes the door into the room, closes the door, and under the open light, her pretty face is pink. In her mind, Xing Yifan's bad appearance tonight is all.

Even if you think about it more, her heart is going to be pounding. You think he has many serious people. It turns out that it's the same when he's broken.

When Xing Yifan returned to the room, many flowers ran to him to hold it. Xing Yifan picked it up, stroked it, and said with a low smile, "little guy, how did you find the hostess?"

There were two meows.

At this time, Xing Yifan didn't believe in predestination before. It turns out that this is one kind of predestination.

If Bai Xia doesn't find any flowers, even if they live next door, he can't meet her. What's more, if he returns home for a month, she will move out, and she may not meet in this life.

Now, because of the existence of flowers, they meet.

In the early morning, Xing Yifan also received a call from his mother, asking him to take flowers home when he was free. Xing Yifan knocked on the door of Bai Xia's house, and Bai Xia opened the door neatly dressed.

"Are you going home?"

"Well! Remember not to eat takeout. " Xing Yifan reminds her.

Bai Xia nodded, "OK! I'll cook myself. " Finish saying, looking at the flowers in his arms, she some reluctant way, "flowers, I do not want you, but I will wait for you to come back."

Duoduo is also greeting her. She mews twice. Xing Yifan says to her, "don't run around alone if you have nothing to do."

"I see. I'm not a child." White summer bent his lips and smiled.

Xing Yifan is still a little uneasy, especially with her smile, which makes people want to commit crimes.

"Don't laugh when you're free." Xing Yifan hummed.

Bai Xia's smile froze. "Don't laugh anymore, no one is so domineering."

Xing Yifan walked to the elevator with many flowers in his arms. Bai Xia had to watch them enter the elevator before she closed the door.

Bai Xia just entered the room and heard her cell phone ring. Bai Xia took a quick look and reached for it. "Hello! Boss. "

"Xia Xia, you have signed a contract to publish this cartoon. You may need publicity direction in the future. You have to come and stand down or something."

"All right, no problem." Bai Xia answers happily.

"We will vigorously promote it. Besides, would you like to sign the film and television version board? It's a lot of money! "

Bai Xia's heart is tense, and her heart is complicated. Her previous comics are not hot enough to sign films and TV programs, so this one was chosen.

If it really has to be signed, Xing Yifan will be able to shoot TV series or something in the future. What if he sees it? Bai Xia is a little depressed and doesn't know how to decide.
