

U. CEO Daddy 1081

Chapter 1081

"Summer and summer are rare opportunities! Now it's not us, it's us. If you give up, there will be no play in this cartoon, and only this one will pick us. "

Bai Xia had to make a decision and said, "OK! If you can pick it, sign it! "

"Well, I wonder why you hesitate about such a thing? I don't know how much I'd like to change! "

"I'm afraid I'm not good enough." Bai Xia has no choice but to panic.

"Your comic book is more popular than any of your previous ones, and the main man is so grounded, it's great."

Bai Xia, of course, is happy to receive such praise. However, this man lives beside her!

After hanging up the editor in chief's phone, Bai Xia is worried. It's really photographed. What can I do!

Xing Yifan returns to Xing's house with flowers in his arms. Jiang LAN hears that his cat has changed its name. Some wonder, "how did it change its name?"

"Well, because it's a mother, I gave it another one." Xing Yifan explained.

"It's good, and each one is lovely." Jiang Lan also agreed that her granddaughter was not at home at the moment and went to school. She was the only one at home. She could not help caring about her son's feelings.

"Yifan, tell me honestly, did you catch up with that girl?" Jiang LAN asked earnestly.

"Mom, she went abroad. I gave up." Xing Yifan doesn't want his mother to hold on to hope all the time.

One day he really needs to get a girl back.

"If you go abroad, you'll go abroad!"

"Come on, I may be only interested for a while. I'm focusing on my work now." Xing Yifan said, looking at each flower being chased by the male cat raised by his niece, he couldn't help looking at it with some worry, "they won't fight!"

"It's OK! I'll watch. " Jiang LAN laughed and said, "my family's idea is to decide to go abroad for the new year's day, to spend a holiday on the small island that your elder brother bought, and then come back after the new year. Let's go together!"

Xing Yifan thought of work, and he could not put down a person, he directly refused, "Mom, you go! I may have to stay at home and work. "

"Can't you spare a few days?" Jiang LAN is hoping to reunite with his family. It's just this time that there are people over there. How lively!

Xing Yifan also wants to accompany his family, but now, his family also has big brother and sister-in-law, and his sister and they are together. He is also at ease. Now he wants to accompany another woman instead.

"Mom, let's talk about it then! It's more than two months before the New Year! " After Xing Yifan finished, he took a look at his wristwatch. "Mom, I have a lunch appointment. Would you like to come with me?"

"I won't go. Yutian will come back in the afternoon, and I will cook something for her." Jiang Lan's main hobby now is to take care of a pair of grandchildren. Every day is full and happy.

Xing Yifan said, "OK, I'll go to the restaurant first."

With that, Xing Yifan looked at the flowers uneasily again, and said to his mother, "Mom, take care of the flowers for me."

"Don't worry! I'll watch! " Jiang Lan also became very cat loving.

When Xing Yifan got into the car, he pressed the car phone and dialed Xing YINUO's number.

"Hello! Second brother, are you in the restaurant? " Xing YINUO's voice sounded.

"Not yet, starting from home, and you?"

"I'm about to leave, too."

Xing Yifan can't help but remind a way, "remember to take your signature to take out, don't forget."

"I didn't forget. I brought it out. It's just the second brother. Tell me honestly, which girl do you want my signature to coax?" Xing YINUO, who was born with him, saw through his mind.

Xing Yifan, with a little consternation, explained stiffly, "that's what a former classmate asked me. His sister is your fan."

"Is it? Really? You didn't lie to me! " Xing YINUO asked.

"What do I lie to you for? See you at the restaurant. " Xing Yifan finished, started the car and drove out of the door.

In the restaurant, Xing YINUO is dressed in a fashionable and charming dress, with bodyguards and assistants on her side. She is also dressed in masks and overseas Chinese clothes.

Sitting in the dining room, Xing YINUO took off his mask and took a sigh of relief. "Finally, I can relax!"

"And the child?" Xing Yifan asked.

"Liang Yao is at home! Now the little guy is sticking to him more and more. He still wants to bring her out, but it's too noisy. I want to be quiet. " Finish saying, Xing Yi Nuo's eyes, but a pair of happiness of being a mother.

Two people ordered food. Xing Yinuo was also very concerned about his emotional problems. "Second brother, you are not young. You should be worried. I have a good friend who is very beautiful. Do you want to meet him?"

Xing Yinuo also wants to draw red line for him from her side.

Xing Yifan refused directly and firmly, "no need."

Xing Yi Nuo looks at him helplessly, "then how many door-to-door are you going to be served by elder brother?" Xing Yifan also refused, "no need."

"Then what do you like? I haven't seen you like a girl since I was young!" With that, Xing Yinuo immediately exclaimed in surprise, "ah! You should not like Men! "

Because they are brothers and sisters, Xing Yinuo and Xing Yifan are not talking outside.

Xing Yifan heard, Junyan immediately ugly, white her eyes, "I normal orientation."

Xing Yinuo immediately giggled, "that's good." With that, she held her chin and looked at him helplessly. "What type do you like? Tell me! "

Xing Yifan's mind, can not help but have a pure and clean smile, he said directly, "the temperament is cleaner."

"Is that the only requirement?" Xing Yinuo asked a little puzzled, and said, "I thought your requirements were super high! Those girls who used to go around you didn't see any difference! Why don't you see one! "

"At that time, I only wanted to study. How can I be so careless as you? I've been thinking all day." Xing Yifan didn't scold her.

No matter what age they are, these two brothers and sisters are always stumbling.

Xing Yinuo doesn't lose to him now. She chuckles and looks at him proudly. "Look, if I don't read, I'm doing well!"

At this point, Xing Yifan really has nothing to say. Xing Yinuo is now a big star of the moment! He really looked down on her before.

"Mom means to go to the island for Chinese New Year. I may not have time to go." Said Xing Yifan.

Xing Yinuo looked at him anxiously. "No, how can we get together without you! Both of our families have gone! "

"So, you and big brother should spend more time with your parents to make up for my regret. In terms of work, I can't leave."

"Don't you have a holiday for the new year?"

"I don't have any holidays for this kind of work." Xing Yifan chuckled.

Xing Yinuo had to be very sad, "then you can have a look! Be sure to go with us when you have time. "

" MMM! " Xing Yifan nodded, but he knew that he could not accompany his family in the past.

After dinner, Xing Yinuo handed her an envelope, "Nuo, this is my signature photo."

Xing Yifan took over and put it away. Xing Yinuo's mobile phone rang. She picked it up and asked with a sweet smile, "what's the matter?"

"The child thinks of you and has to call you." The voice of Wen Liangyao smiled and answered gently.

I heard a little milk voice from Yiya. Xing Yinuo's heart melted. She hurriedly coaxed, "baby, mom will come back, darling, wait for me to go home."

Just as Xing Yifan was about to leave, two people left the door. Xing Yifan sent Xing Yinuo to her bodyguard car and left with two bodyguards.

Xing Yifan watched her car leave. He walked to his car. He just had a rest today. He took a look at the time and drove towards home.

At this time, Bai Xia is drawing a cartoon at home. She needs to update it well, but she doesn't know why. Every time she draws, Xing Yifan's hateful figure is all over her head. Therefore, her hero today is also hateful. On her handsome face and sexy thin lips, she wants to draw two devil's exclusive fangs.

Bai Xia was drawing hard, and she heard the doorbell. She got up immediately and looked out of the door. It was Xing Yifan.

She opened the door and smiled, "back."

Xing Yifan hands the envelope to her, "here you are."

Bai Xia takes over and takes out a look. Isn't it the picture of Xing Yinuo? She said, "my God! You really have it. Thank you. Your sister is so beautiful! "

"Of course, not to see how handsome I am." Xing Yifan grunts.

Bai Xia immediately looked up at his narcissistic expression. She waved, "thanks."

Chapter 1082

Bai Xia holds Xing Yinuo's signed photo, which is kept in her favorite book with excitement. It's rare!

In December, the atmosphere of Christmas began half a month ago, and tomorrow is Christmas Eve. The atmosphere is more and more intense. Looking from the balcony, many shopping malls and parks have made Christmas festive atmosphere. Those neon red colors are also very charming in the night.

White summer heart thought, how to spend Christmas? Would you like to go out for a big meal? But now Bai Xia is back here, and he doesn't contact other friends. Although there are some high

school students who used to play well, after high school, everyone is scattered. Even with the contact information, for several years, there is no common topic.

Therefore, Bai Xia usually also likes people who live at home. At this moment, Xing Yifan's figure jumped out of her mind immediately.

I don't know if he has any programs at Christmas. Maybe someone will accompany him!

Bai Xia is still looking forward to it. However, she needs time and spirit to draw every day.

However, this cartoon and the previous creation are more relaxed. It's Xing Yifan's life and her own life, more like the realistic way of life to draw materials for her.

In the early morning, Bai Xia feels the warmth of the sun, and her mood is also very beautiful. The Christmas songs played downstairs make the atmosphere full-bodied.

Today is Christmas Eve, the air is infected with a kind of atmosphere that wants to make people indulge and play crazily. Even one of Bai Xia's heart is jumping restlessly. She must be a young girl!

Ordinary life is boring enough. It's not easy to have such a festival. She also wants to indulge.

However, she did not know how to arrange.

Xing Yifan received a call from Cheng Liang early in the morning, and he had some eyes on some of the things he was arranged to investigate.

Cheng Liang was also surprised by Xing Yifan's inspection ability. He even suspected Liu Baoneng, who was next to him. Sure enough, he secretly checked the accounts and found that Liu Baoneng had embezzled the company's accounts before.

Cheng Liang has collected Liu Baoneng's misappropriation data for Xing Yifan several times. Xing Yifan has a number of evidences in his hand. Although it is not enough to prosecute, Cheng Liang's hope is still there.

Xing Yifan said to Cheng Liang, "I need to go to Shengde group now."

Cheng Liang immediately stood up worried. "Yifan, you can't go there now. People there want to know that you are my lawyer, and they will certainly be rude to you."

"Oh! Why not? " But Xing Yifan asked.

"Now they are going too far. The other two days, I don't know who poured the red knee on my door. I think they did it." Cheng Liang said angrily.

"Do you suspect that they are warning you?" Xing Yifan asked calmly.

"I think it's their way. I was blind to cooperate with them. Now I've sent my wife and children abroad. I can't let them hurt my family."

"Then be careful yourself." Xing Yifan told him.

"I already have six bodyguards, they should not dare to take me, but you I'm afraid you will be bullied by them in the past. " Cheng Liang is really worried because the identity behind Xing Yifan's lawyer is too noble. He can't afford anything.

"Don't worry, uncle Cheng. I'll come over." Xing Yifan patted him on the shoulder, picked up the car key and got up.

Xing Yifan came out and just got into the car, the car phone connected to his mobile phone rang. He took a look at the name he called and was slightly shocked.

He didn't leave either, but pressed the answer key.

"Hello!" He asked in a low voice.

"I didn't disturb you!" the sweet voice of white summer rang in the quiet carriage

"No! What's the matter? " Xing Yifan is curious.

"It's Christmas Eve. Do you have an appointment tonight? If you don't make an appointment, I'll treat you to a big meal. It's a sign photo you brought to me. " White summer's voice is sweet.

Xing Yifan's thin lips could not help but arouse a smile. He chuckled, "OK! You order the restaurant! I'll be there any time. "

"Then I'll take it!" Bai Xia is also very happy. He didn't make an appointment!

This kind of important festival, if he has other like girl, certainly won't promise to eat with her.

"Well!" Xing Yifan replied.

"I'll leave you alone. I'll see you in the evening." Bai Xia said and then hung up.

Xing Yifan is biting his thin lips lightly. The good mood of the day starts from this phone call.

Xing Yifan's car drove out of the Gate parking lot of Chengliang company and went straight to the defendant company, Shengde group.

Xing Yifan's car stopped at the door, and he came to the security room to show his identity.

The security guard was startled. He called the boss's office.

I can't say that directly.

"Our boss can't say."

"Oh, you tell him that he still has a sum of money to be collected in Chengshi group, which needs to be dealt with by meeting with me." Said Xing Yifan. After thinking about it, the security guard dials up the phone again, and Xing Yifan is allowed to come in at that end. Only if Xing Yifan's front and back are all followed by the security guard, as if to mark him to death.

Xing Yifan sat in an office, and also saw his defendant, the boss of Shengde group, a middle-aged man with arms covered with tattoos, giving off the smell of a city gangster called Niu De.

"You say I still have money to settle accounts in Cheng's group?"

"There is a balance of more than 100000 yuan." Xing Yifan nodded.

"Give it to me now!" Niude quickly reached out his hand and made a gesture asking for help. "It's mine, so hurry up."

Xing Yifan stared at him and said, "before that, please talk about how you defrauded the two billion yuan of Cheng group. Don't you know it's illegal?"

"What the fuck are you talking about! Who did I lie to? It's clearly the project fund that Cheng Liang and I cooperated with. He signed it and gave it to me personally. "

"Then why hasn't your project started yet? Even if it's investment money, you've invested it in your own industrial company. I'm afraid that you have lost the significance of cooperation! " Xing Yifan's dispassionate questioning.

"When the money comes to my account, I have the right to make use of it by myself. This is Cheng Liang's branch. His money is the company's money." Niude dare not look down on this young man. Last time, he sent eight people to teach him a lesson. Instead of teaching him a lesson, he asked him to pay a large amount of medical expenses.

You can't eat rice by stealing chicken.

"Niude, I can tell you clearly that it's only a matter of time before your money is returned to Chengshi group sooner or later." Xing Yifan looks confident.

"I know you're very good. Otherwise, I'll pay you three times the lawyer's fee. How about you working for me?" Niude is also afraid of him. He wants to win him over. What's more, he is really guilty about this matter.

Xing Yifan chuckled, "do you want to buy me?"

"It depends on whether you like it or not." Niude immediately winked at him, "how about that? I can pay three times what he can afford. "

Xing Yifan thought for a moment, "I can't help you."

Niude immediately complacent way, "you even let the best lawyer to sue me, I am not afraid."

"You mean there's no loophole in this?" Xing Yifan raises eyebrows.

"Of course." Niude was so proud that he admitted it.

"Xing Yifan smiled unpredictably," you know that in our conversation just now, you have admitted one thing

"What?" Niude was immediately shocked and reacted. "You..." "You are so insidious and insidious," cried Niu de at once

Xing Yifan got up and said, "OK, this is the end of our conversation."

"You don't want to go." Niu de suddenly got angry.

"What do you want to do?" Xing Yifan squinted.

"You came into my house and wanted to leave!"

"Why can't I leave?"

Niude is a rude man at first sight. He's in a hurry now. He thinks Xing Yifan must hold on to his evidence. He can't let him go. He can only solve the problem in his way.

"You can't go now." And Niude cried out, and according to the inner line, he called up his men.

Soon, four strong men came in from outside. "Boss, what do we need to do?"

Xing Yifan turned to look at the man who was not small and had a fierce face. He frowned. "Teach him a lesson. Don't let this kid go." Niude clenched his teeth.

Xing Yifan came here to test Niu De, but he didn't expect everything to go to his mind. Niu De is an impulsive person. He knew it from the last time he sent someone to teach him a lesson.

Chapter 1083

Xing Yifan was able to work in the legal profession because he wanted to make it difficult for others to peep, and he was keen to catch anything useful to him.

Just like the behavior of Niude now, it will be a powerful piece of evidence in the future.

"I'm just here for a routine inquiry. If you dare to hit someone, I won't be polite." Xing Yifan said calmly.

"I know you can fight, but you can't walk out today unless you decide not to be a lawyer for Cheng Liang right now."

"I'm leaving." Xing Yifan is too lazy to pester.

"Son of a bitch, call me until he can't get out of bed." Niude determined that he had evidence in his hand that was not good for him.

Ten minutes later, something happened in Niude's office. There was a group fight.

At last, Xing Yifan was the only one who walked out of the office calmly, and the office howled miserably.

Xing Yifan got into the car and took a look at the time. It was 3:30 p.m. and Xing Yifan was collecting information. Because the case was perfect, the breakthrough he wanted was Niu De's own flaw.

Now, Xing Yifan can only spit out the evidence he needs.

Today, all Xing Yifan left to Niu de was panic, and he would not be so quiet waiting for the defendant, because his biggest flaw was his heart.

Xing Yifan lit the fire successfully. Niu de covered his swollen half face and shouted angrily, "little bastard, I will never let you go. You wait."

Xing Yifan is naturally waiting for his counterattack. This case will be extradited from his lawyer status to that fraud case.

Bai Xia is waiting for him at home. For his dinner tonight, she also dressed up meticulously. She didn't like to dress up before and didn't know why. Now, when she saw the mirror, she wanted to take a look at it to make sure that she was beautiful enough. Bai Xia doesn't know about this change, but she has explained one thing. She wants to be beautiful in front of Xing Yifan.

At about five o'clock, Bai Xia's phone rang. She looked. Who is Xing Yifan? "Hello." She picked it up quickly.

"I'll wait for you at the gate of the community and set out for dinner together."

"Oh! Good! I'll be right down. " Bai Xia quickly picked up the bag and went out.

At the gate of the community, Xing Yifan's overbearing SUV stopped there, while his swaggering sports car stopped in the underground garage.

Bai Xia opens the door and sits in. Xing Yifan goes out in a formal suit today. His dark shirt and gray suit look like a male model just after shooting a large film.

Bai Xia quickly put his eyes back and smiled, "I ordered the restaurant."

"Cancel!"

"Er!" Bai Xia looks at him.

"I ordered it." Xing Yifan replied that although she asked for it, Xing Yifan didn't think it should be that easy tonight, so he ordered a top-level garden restaurant in a high-end restaurant.

It's a restaurant that no one can book.

"But I did." Bai Xia is very selective.

Xing Yifan, however, has some bullying. "It's too late to cancel now."

Bai Xia had to ask, "where shall we eat?"

"Just follow me." Said Xing Yifan.

"It's too expensive. I can't afford it."

"Please."

"How interesting that is! Besides, the restaurant you invited me to is so expensive. " Bai Xia blinked.

Xing Yifan chuckled and leaned up. "Tell you a way, I can invite you for free."

Bai Xia asked curiously, "what's the way?"

"If you're my girlfriend, I'll treat you to as many meals as I can."

White Xia Zheng Leng for a few seconds, then, seriously asked, "Xing Yifan, do you really like me!"

Xing Yifan's eyes are fixed on the front, "not annoying."

Bai Xia blinked, "that is to say, we are friends!"

"It's said that if you want to chase me back, the success rate is very high." Xing Yifan suggested.

Bai Xia could not help choking for a while, bending her lips and laughing, "no, we are good friends!"

Xing Yifan immediately tightens up her handsome face. Does this woman really have to be a little more proactive? Isn't his hint obvious enough?

"Whatever." Xing Yifan's tone is slightly cold.

But the speed suddenly accelerated. Bai Xia immediately grabbed the seat belt and said, "Xing Yifan, slow down."

Xing Yifan's car seized a road, and had to stop because of the long dragon in front of him.

For a while, the atmosphere was quiet. Xing Yifan opened the song. Bai xiatuo had his cheek. It was difficult to guess both of them.

In fact, as long as it was just now, as long as he said that he liked her, she might really agree to be his girlfriend.

Xing Yifan's car drove up to the downstairs parking lot of a building, and Bai Xia looked at the towering building and said in surprise, "is there a restaurant here?" "Well!" Xing Yifan replied, "follow me in."

Bai Xia really doesn't believe that there are restaurants in this kind of place. Who has to believe that the restaurants will open in this kind of place!

Bai Xia followed him into the elevator and saw Xing Yifan press the number on the top floor. She slightly stared, that is to say, she looked forward to it.

The elevator floor flickers, and then it stops in a short time. It opens with a tinkle. Bai Xia finds that there is a restaurant here, and it's a very senior restaurant for the rich. "Mr. Xing, this way, please."

Bai Xia is shocked. Is he a regular? Why does the waiter recognize him? Xing Yifan usually doesn't come to such a place, but when he made a reservation, he gave his name, which is too loud.

Although many business people don't know the identity of the second young master of the Xing family, they must know if they really serve the top class people.

Bai Xia is a bit reserved. This kind of place can't come with her identity.

As soon as Bai Xia enters the hall, he feels that the atmosphere here is totally different from the general high-end restaurant. Everything here is elegant and luxurious. The romantic mood is flowing in the air. Most of the people here tonight are lovers.

Xing Yifan wants to have a box. In the elegant box, there is candlelight, and the head is not rooftop style, but a huge transparent dome, even the stars in the sky can be seen.

Bai Xia immediately sat on the sofa and looked up at the twinkling stars in the sky.

"It's very expensive here!" Bai Xia can't help asking.

Xing Yifan's dignity is revealed all over his body. At this moment, it is revealed that he seems to be born suitable for those who enjoy all this, unlike Bai Xia, who sits here and is restrained all over.

"Just order! This meal, please. " Xing Yifan finished, put the menu in her hand.

Bai Xia sat on the soft sofa, just opened the menu, saw the price, she was shocked.

"More than ten thousand My God? This Let's change places! " After Bai Xia finished, he wanted to take him away.

However, Xing Yifan's wrist button, white Xia immediately rushed into his arms, Xing Yifan took the menu from her hand, hook lips a smile, "eat here."

"How expensive!" White summer all flesh ache!

"It's my money. What do you care?" After Xing Yifan finished, he sat by and looked at the menu.

Bai Xia knows that he has money, so she has to sit down and try to enjoy it.

After Xing Yifan ordered the dishes, Bai Xia came immediately. She was in a state of mind. She stood in front of the floor window and looked at the scenery downstairs. She was afraid of heights, which made her turn around quickly. But she didn't know that there was a man standing behind her. She was so scared that she stepped back. But she immediately thought that the height behind her was 100 meters. She was in a panic. She put her hand around Xing Yifan's waist, instinctively Want to seek a kind of protection.

Xing Yifan put his hand around her, and Bai Xia immediately struggled, "don't get me wrong, I'm just afraid of heights."

Xing Yifan has a flash of loss, so he has to let go of her. Bai Xia is sitting on the sofa. Apart from being too high, the scenery here is really beautiful.

"After dinner, where are you going?" Bai Xia asked curiously.

Xing Yifan thought about it and said, "maybe I will go to the bar to have fun!"

Bai Xia's eyes brighten a little. She hasn't been to a bar since she was a child!

"Take me with you!"

Xing Yifan said with his eyes narrowed, "it's not suitable for you to go alone."

"I'm not afraid of you."

"That's how you trust me?" Xing Yifan bent his lips and laughed a bit.

Bai Xia was frightened immediately and swallowed the water channel. "Will you be bad to me?"

Xing Yifan's mouth is slightly stiff with a smile, "don't worry! I won't do anything to you, no matter how hungry I am. "

At the same time, he asked curiously, "why? Because I'm ugly? "

Xing Yifan's eyes are locked on her face, which can be said to be the face of the city. He said with unconscionable conscience, "it's good to have self-knowledge. "

Chapter 1084

The dinner was very delicious. Bai Xia wanted to eat it with an open stomach. Xing Yifan was very generous and ordered many meals. In this kind of high-end restaurant, every dish was made with a sense of art. It was elaborately cultivated and the dish was super beautiful. There were several dishes that Bai Xia could not bear to eat.

"What is this?" Bai Xia looked at the small green brown particles and looked up curiously.

Xing Yifan narrowed his eyes and said, "caviar."

Bai Xia swallows saliva immediately, is this the caviar that the rich can taste? It's said that a mouthful of gold, she thought to herself, how much does this mouthful cost?

Xing Yifan watched her staring at caviar, but he didn't eat it. He narrowed his eyes and said, "why don't you eat it?"

"Reluctant to eat." Bai Xia looks up, a pretty face is wrinkling.

Xing Yifan snorted and almost laughed. He was in a good mood and said, "eat it! I can afford it. "

Bai Xia had to take a small spoon, gently scoop a little entrance, with a golden crab ball, it was really delicious.

Bai Xia thought that she was nearly 90% full. Suddenly, the waiter knocked on the door and came in. Her plate was filled with delicious dessert and fruit. Bai Xia was slightly staring.

And?

After the waiter put it down, he scattered some plates and left. Suddenly, the table was full of delicious food.

Looking at the dessert, Bai Xia felt that her stomach could be filled again. She reached for a small cup of cake to eat.

Xing Yifan dines gracefully. His gesture of cutting steak is like a gentleman's aristocrat. Bai Xia looks at him several times, but Xing Yifan is still the prototype of her hero!

She wants to capture the most handsome side of Xing Yifan, so that the leading actor in her cartoon can be vividly displayed.

Bai Xia is eating. Suddenly, she burps politely. In an instant, her pretty face is red under the candlelight. She covers her mouth and puts down the spoon. She can't eat any more.

"Are you full?" The man opposite, even if he heard her, did not laugh at her.

"I'm so full." Bai Xia told each other truthfully, but he was also a little embarrassed. In front of him, it was like a village girl going to the city. When she saw delicious food, she paid for it all the time.

Xing Yifan also put down his knife and fork, holding up a glass of champagne and drinking.

"I'm going to the bar later! Are you sure you want to come with me? " Xing Yifan squints and asks, he actually wants to ask blue Qianchen to come out, but even if she wants to go, he dispels the idea.

Bai Xia is eating too much now. She really doesn't want to go home and live. If she lives at home, she will feel wasted on the romantic Christmas Eve tonight.

"Please, take me to see it!" Bai Xia is rarely accompanied by him. If she wants to go to such an occasion full of red lights, wine and gold, she doesn't do anything, just want to feel the vitality and passion of young people.

As a cartoonist, it's necessary for her to experience life.

Xing Yifan looked at her red lips and asked for help with a lovely expression. He agreed as she wished, "OK! I'll show you. "

"Thank you, Xing Yifan. It's very kind of you. I'm so lucky to make friends like you." Bai Xia immediately praised him.

Xing Yifan can't help glancing at her. He doesn't really like this! friend?

Who wants to be her friend?

To know that a man will be good to a woman, it must be with a certain purpose, and he is no exception, what is a golden bachelor?

It's a pity that the girl is slow to respond. It seems that her EQ is a little in arrears.

He was suddenly curious. What did she draw there all day long? Don't paint something malnourished!

Xing Yifan asks the waiter to check in. When the bill is placed on the table, Bai Xia can't help but lean over and secretly prepare to have a look. But when Xing Yifan picks up the bill, Bai Xia doesn't see it.

The waiter took his card and went out to swipe it. When he came back, he came back with a swipe slip. Xing Yifan picked it up as well.

Bai Xia didn't even have a chance to have a look. She asked curiously, "how much is it!"

Xing Yifan did not answer in silence, and said to her, "after all the meals, what do you care about this?"

Bai Xia had to follow him out. Two people were sitting in the elevator. Bai Xia belched a few more times. She was so ashamed that she didn't want to lift her head.

After I got out, I took Xing Yifan's car and Bai Xia asked, "shall we go to the bar now?"

Xing Yifan took a look at his watch. "It's still early, at least after ten."

Bai Xia is ready to indulge tonight, but after ten o'clock, she is still shocked. What are you going to do next?

"Where shall we go now?" Bai Xia asked curiously, it's only eight now!

"Go for a ride." Xing Yifan opens.

Bai Xia was in a good mood! Where to? "

"Beyond the bay." After Xing Yifan finished, he thought of a place he used to like very much. The scenery there was good at night, but the place was very partial, and there was no one. "If I take you to a place where there is no one, do you believe me?" Xing Yifan's eyes fell on the girl in the passenger seat. Bai Xia blinked his eyes. There was a kind of stimulation and a kind of worry? Where is that? "

"I used to go to a place that was quite remote. There should be no one at this time." Xing Yifan said to her.

Bai Xia's eyes looked at him for several seconds, as if he was sure whether to trust him or not. In fact, Bai Xia believed him unconditionally in her heart. She nodded, "I believe you."

Xing Yifan's eyes are a little more deep and complicated. How could she really believe him? In fact, even he didn't believe in himself. If he really got a place without people, would he have any idea about her.

And how could this girl believe him so easily?

"You can't trust any man so easily except me in the future." Xing Yifan quickly warned.

In fact, in this world, except for my father, the man I most believe in is you

Xing Yifan's eyes were fixed on the front. After a few seconds, he suddenly felt a sense of mission, as if he wanted to stand up to her.

"Well! In a word, you can't believe any man except me and your father. " Xing Yifan gracefully holds the steering wheel and drives into the avenue.

Bai Xia's heart is still a simple person. She has no interpersonal relationship, so she can't learn any complicated thoughts. She likes and dislikes clearly.

In addition to her work, she doesn't need to communicate with others. Besides her editor, even the editor often doesn't meet and communicate online.

Although Bai Xia has a bright and sunny personality, in fact, she suffers from some social phobia, which is a bit contradictory.

Bai Xia opened some windows and enjoyed the cold wind with cold feeling. She even had a good time.

"Be careful with the cold." Xing Yifan reminds me.

"It's OK, I'm still a little hot!" Bai Xia said, feeling the feeling of long hair in the evening wind.

Xing Yifan's car quickly drove to a Bay Avenue. The road pen is straight and smooth. Today is Christmas Eve. The road in the center is called a block, while the road in the outskirts of the city is very smooth.

Bai Xia's mood seems to be flying. She seldom indulges in such a reckless mood. Since she left her mother from childhood, she has a very timid character. Therefore, she has never experienced many things.

She was very grateful to Xing Yifan for giving her such a sense of security and taking her to experience these different lives.

After an hour's drive, xingyifan finally arrived at the bay that xingyifan said, and drove into a cement Avenue. On the road, there were still some tourists watching the sea at night, but xingyifan's car didn't stop, but went all the way inside.

White summer's heart can't help but start beating straight, because the road ahead is so dark! The reeds growing wildly on both sides, as well as the road sections that have been separated from the concrete pavement, seem to be a ghost at any time.

"Are you sure there's any scenery in it?" Bai Xia asked a little flustered.

Xing Yifan narrowed his eyes and said, "what's the matter? Are you scared? "

Bai Xia is suddenly excited. She doesn't want to admit it immediately.. Not at all! I just feel that if I go on like this, I'm afraid there is no way. What can I do if there is no way! "

Chapter 1085

"Don't worry, I'm familiar with this place." Xing Yifan chuckled. He used to like to stay alone. This place is the quietest place he could find. Sometimes, he would sit in the car and read all day.

Bai Xia can't help but have some incomprehension to his hobby. How could he be familiar with such a place! What does he usually come here for?

"Are you sure?" Bai Xia asked.

"Well! Very certain. " Xing Yifan firmly holds the steering wheel and returns to her at the same time.

Bai Xia's hand couldn't help holding the handle on her head, because it was a little bumpy.

After walking for more than 20 minutes, finally, after the car rushed out of the reed forest, a different sea view of Dongtian appeared in Baixia's vision, she couldn't help but wow.

Only saw a round of cold moon hanging on the dark blue sea level, next to the dotted countless stars, the whole color is like a master's ink painting.

"How beautiful!" Bai Xia can't help murmuring.

Xing Yifan's off-road vehicle drove to a flat place, only to see a huge rock reef here, with a very broad vision, and the light breath of sea water in the air was also very fresh.

It's just that Bai Xia can feel it when he pushes the door open. That's the different coldness in the city.

It's really a bit chilly here, but the scenery is so good that she doesn't want to miss it. She tightly holds her coat, goes to the end of the rock reef, and looks at the scenery excitedly, as if it's contracted by them.

"It's beautiful." Bai Xia really wants to sigh, and she also wants to shout.

Xing Yifan looked at her tightly around her arm, as if it was cold. He took off his suit without hesitation, walked behind her, and draped it on her shoulder.

Bai Xia immediately turned around and felt the warm suit draped on her body. She said, "no, I'm not cold. You need to put it on quickly."

Xing Yifan has a dark shirt on him, but his figure is strong as if he can stand the cold.

Bai Xia wants to return the suit to him, but Xing Yifan holds her hand and says, "I'm not cold."

Bai Xia had to dress up first, and looked at him with some heartache. At this time, he only heard Xing Yifan put his hands between his lips and roared loudly.

Bai Xia could not help giggling, but also followed her and shouted with all her strength. This is one of the best ways to vent her inner boredom.

Bai Xia shouted several words in a row. The voice line was a little hoarse, but she was very happy. Looking at such a beautiful night, she really wanted to stay all the time.

Two people also shouted a little tired, Bai Xia was dressed in his suit, she suddenly wanted to try whether he was really cold, her hand actively held Xing Yifan's hand. Fortunately, his palm is very warm, with a dry warmth. Although Bai Xia is wearing his suit, a pair of slender hands are cold. Holding his hand, she is reluctant to let go.

Xing Yifan's eyes immediately fell on her face. Xing Yifan even turned off the lights at this moment, just to avoid damaging the beauty of this moment. At this moment, Bai Xia's face, under the moonlight, exudes a light white luster.

Her eyes are as black as a jewel passing through the water, with little spots. Her features are like the face of a city in the moonlight, which is fascinating.

Bai Xia is looking at the moonlight in the distance and counting the stars. She finds that she has a pair of eyes staring at her. She can't help looking up, and then she bumps into a pair of eyes deeper than the night.

Her breath is slightly smothering. Although the man under the starlight has his black hair disturbed by the cold wind, it is charming and even wild. Bai Xia felt her heart beating like a drum. At the same time, she felt at a loss.

"Why do you look at me like this!" Bai Xia had to ask, because she could read something flowing in Xing Yifan's eyes.

Xing Yifan did not speak at this time. His eyes were just reluctant to move away from her face. From small to large, there were so many women around him. Only she seemed to be a strong sunshine, which shot into his heart and occupied all his thoughts and eyes.

"May I kiss you?" Xing Yifan's voice line is suddenly low and hoarse.

Bai Xia held her breath for a few minutes. At this moment, it seemed that she was really suitable for kissing, but she didn't want to refuse.

She nodded shyly and boldly, and asked simply, "where do you want to kiss?"

Xing Yifan holds her shoulder, squints her eyes, and leans down slightly. His thin lips, however, directly block her pink lips.

Bai Xia's head is slightly blank. In an instant, the red lips are covered with warm thin lips, and her hands unconsciously hug his waist.

This kiss, in such a cold night, appears particularly intimate, hot, Xing Yifan is not shallow compensation, but deep kiss!

In a short time, Bai Xia could only lean in his arms, breathing slightly disorderly, and her face was red, and the red lips were compensated by the man again and again, as if she was reluctant to leave her. Suddenly, as if there were motorcycles coming, Bai Xia was startled. She pushed him away gently. "Xing Yifan, someone is coming." Xing Yifan's eyes were like wild animals, staring at the direction that disturbed his good deeds. As expected, there was a motorcycle coming here, and it seemed that the motorcycle also came here. Finally, the motorcycle stopped beside his car and got down two young men.

Two people probably came here to play, maybe to chat with each other, maybe to do something here.

However, looking at someone already here, these two young people immediately came to be interested.

Because they saw the white summer in the moonlight, which was as beautiful as a fairy. At that time, the white summer really had the beauty of making people commit crimes. Her long hair was draped behind her head, and under the wide suit, it was very delicate.

"Oh! You two are cheating here! " There is a man who laughs loudly.

Although they saw that Xing Yifan was also tall and slender, there must be no problem for them two men to deal with one man.

What's more, at this time, the two men's thoughts are all on Bai Xia's body, and they even want to commit crimes.

Looking at a couple of men and women driving a luxury car, they feel that both money and women can get it tonight.

Bai Xia can't help but rely on Xing Yifan's arms because she is really scared!

"Go away!" Xing Yifan said coldly to the two men.

"Oh! This is not your territory. I love you when I love you. How dare you tell me to leave? " One of the men immediately snorted coldly, looking very angry.

"This is a nice girl tonight. Can you lend it to my brothers for fun?" Another man is salivating white summer, the expression is also very indecent.

Bai Xia immediately hides in his eyes and in Xing Yifan's arms.

Xing Yifan felt her flustered and uneasy, and he said in a low voice, "don't be afraid if you have me."

Bai Xia nodded softly. Xing Yifan took Bai Xia's lead and said, "wait for me in the car."

"What are you going to do?" Bai Xia asked in a low voice.

Xing Yifan just glanced at the corner of his mouth and didn't say anything, because his anger was in his eyes, and he was determined to beat the two men.

The two men thought they were going to get in the car and leave. They immediately reached forward to stop them. "Don't go. We'll play this chick tonight."

Xing Yifan's eyes were as cold as ice. He sneered and said, "I'll play with you first."

With that, he handed the car key to Bai Xia. "You get in first, lock the door."

Bai Xia looks at him worried. "Xing Yifan."

"Believe me." Xing Yifan gently coaxes a sentence. Bai Xia also knows that she is here, which will only distract him.

She picked up the car key and went to the direction of the car. At this time, a man immediately showed a bad smile and tried to stop her. However, before he stopped Bai Xia, he put a long leg on his chest and directly opened him for several meters.

Bai Xia was shocked. She quickly opened the door and sat in. She locked the car first. The man didn't expect to be surmised, so he quickly prepared to fight with another man.

Xing Yifan looks at these two men and doesn't want to be merciful at all. Who dare they disturb his good deeds? How dare you think of Bai Xia?

It's a crime to think about it.

Chapter 1086

Bai Xia is sitting in the front passenger seat. Her heart strings are tightened. She looks at the three men in front of her. Her eyes are firmly on Xing Yifan. How she hopes he is safe!

She wanted to call the police immediately.

When she saw a man attacking Xing Yifan with a fist, she couldn't help saying something. However, when she was surprised, Xing Yifan easily dodged. Even he grabbed the man's arm and punched him hard in the face, which made him scream back.

And another man kicks a leg hard, and Xing Yifan carries it back directly and fiercely. Xing Yifan is in the moonlight, as if he is vicious. Those two men are not his rivals at all.

Bai Xia's worry and fear turned into consternation. Xing Yifan was so fierce?

Those two men are also regretful at the moment, but they still have to continue as men's dignity. However, every time Xing Yifan can't get close to him, he will be more ruthless and fist. In an instant, both men become pig heads.

Bai Xia quickly unlocks the lock and gets out of the car. At this moment, she sees two men who are scared to shrink like tortoises. She wants to laugh and stops. She says to Xing Yifan, "let's go back!"

These two men are half collapsed on the ground. Xing Yifan just wants to do the same, and both of them are scared to hold their heads and beg for mercy. Xing Yifan is too lazy to dirty his hands, because the lesson is enough.

Bai Xia reached for him. "Stop fighting, let's go!"

Xing Yifan just led Bai Xia to get on the bus. After getting on the bus, Xing Yifan's car, when turning around, knocked down their motorcycle very impolitely. They probably couldn't ride back, but they were very angry with these two men. However, facing Xing Yifan, they dare not say anything.

Bai Xia sat in the copilot's seat and finally smiled, "now they know you're good."

Think of last time he hit eight people by himself, so these two people dare to provoke him, afraid that they didn't watch the Yellow calendar when they went out.

"I wish they could find teeth all over the place." Xing Yifan bit his steel teeth, dared to hit his woman's idea, looking for death.

Bai Xia's eyes couldn't help admiring him. "You are so powerful."

Xing Yifan turned to look at her eyes. He could not help but think that maybe god sent two people to set off his bravery! Think about it, it's hard for those two men who have nothing to do to run to the door to find a dozen.

Xing Yifan is in a very good mood. Maybe being adored by a woman she likes is a joy that money can't buy.

"It's ten o'clock back in the city. Do you want to go to the bar?" Xing Yifan asked her.

Bai Xia really didn't want to go home to sleep tonight. She turned her head and asked, "if you still want to take me, of course I will."

"Good! Then go! " Xing Yifan replied.

Even if she wants to go, of course he will take her.

Entering the city, Xing Yifan's car drove to a bar he often went to.

Stop at the door of the bar! Tonight, there are also a lot of guests here. It's very lively. There's a kind of passion and hormone in the air.

This is the paradise for young men and women. Here, it seems to stimulate people's deepest desire and urge to get vent.

Bai Xia swallows her saliva nervously. Bar! She really came for the first time. Even though she used to pass the street at the door, she thought the place was very mysterious.

Now, she even had a chance to come in, just in her random thinking, Xing Yifan's hand immediately held her, to prevent her from being hit.

In the lobby of the bar, the music is strong and full of strong rhythm. It seems that as soon as you come in, you want to shake.

Bai Xia's blood flow is also speeding up. She looks at the girls who are wearing beautiful clothes. They are heavily makeup and sexy. She sits beside the men talking and laughing, very unrestrained.

Bai Xia is just curious. She also looks at the men, all dressed in fine clothes. She becomes the best hunter in the bar, just for hunting.

Bai Xia is led into a position by Xing Yifan. This is the VIP noble position on the second floor. The location is also good. You can see the direction of the dance floor in the hall. Now there are girls with very few clothes. They are dancing in a sexy big dance. They are charming and flirtatious. Bai Xia is embarrassed to see it.

She suddenly looked at the man in the opposite direction and found that Xing Yifan's eyes were not on the girls. He was lighting drinks to the waiter.

Bai Xia can't help thinking. As a man, he is facing such an attractive girl. Does he have any idea? Would he not be moved?

Bai Xia looks at the girls, the light in their eyes. She can't do it even though she is dead. She is full of charm.

Bai Xia found that her biggest interest at the moment was to understand Xing Yifan and think about his mood when facing such an occasion!

What kind of woman does he want? As long as he beckons, let a large number of women throw themselves into arms!

Bai Xia is also strange. At this moment, she doesn't know where the bad taste comes from. Does Xing Yifan often come to this place? There are beauties everywhere. Those beauties are active and enthusiastic. Has he ever had any passion with the girls here?

After Xing Yifan ordered the order, his eyes were cold, and he saw Bai Xia holding his chin on the opposite side, and his eyes were sharp.

Xing Yifan rarely sees her eyes like this, he can't help but squinting his eyes around his arms and looking at her with a smile.

Because the music here is so loud, you must listen to it when chatting.

Bai Xia suddenly stood up, and she went to Xing Yifan's sofa and sat beside him.

Xing Yifan knew that she must have something to ask. He listened attentively.

Bai Xia went directly to his ear and asked, "no, are those dancing girls under your stand beautiful?"

Xing Yifan was slightly shocked, his eyes glanced at the girls on the stage, and soon leaned towards her. "It's no match for you."

Bai Xia was happy after listening, but she felt that Xing Yifan was suspected of flattering her at this time. She narrowed her eyes and immediately approached him again and asked, "do you often come here?"

Xing Yifan's heart and soul were not one Lin, as if he was in a sense of crisis forced by his wife. However, he could not deceive her. He leaned over and said, "usually I would come here with my friends, just to drink."

Bai Xia looks at him with a pair of eyes, obviously he doesn't believe it!

Xing Yifan immediately approached her again. "Really, believe me."

Bai Xia laughed and laughed a little more complicated. "It has nothing to do with me! I will not interfere with you! You don't have to explain it too clearly. "

Xing Yifan really regretted bringing her here. Didn't he find a block for himself?

"You have to believe me." Xing Yifan doesn't care, and continues to say to her.

Bai Xia didn't know where to complain, but she said with a smile, "there are so many beauties there! These girls are so beautiful. "

Which girl in the bar is not well dressed? Not as conservative as she is in the bar! It's a little strange!

Xing Yifan didn't look at other women at all. He reached for Bai Xia and held her in his arms. "It's not beautiful without you."

Bai Xia cackled and struggled to sit up from his arms. She took the bag and sat on the opposite side again. Xing Yifan was slightly depressed.

But what do you say? Too easy to get women, men will not cherish.

White summer also suddenly felt that it was not easy to deliver feelings, even though the man opposite was so handsome, charming, powerful and rich.

Sitting here, Bai Xia looks at the crowd in the bar, which is one of her fun.

Xing Yifan's eyes fell on her small face from time to time, and there was a sense of tension at the bottom of her deep eyes, as if she was afraid of losing a suspicious look to him.

Xing Yifan seldom regrets anything, but bring her to the bar tonight! It must be one of the things he regrets.

It's juice for Baisha, and he's only champagne himself.

Bai Xia is holding juice. Even in this world, her pure and clean breath has not been covered. In Xing Yifan's eyes, she seems to be the most charming girl in this bar.

Chapter 1087

Those gorgeous and sexy women can't compete with her at all.

Xing Yifan felt that his body was particularly hot tonight. The kiss in the Bay made him angry. Here, he felt that all his desires were hooked up by the woman in the opposite direction.

This is not a good thing for him! Because of his heart, his emotions are controlled by a woman.

Where does Bai Xia know that she has such magic power? She didn't know anything. She was only interested in the men and women here. She looked at them, but she didn't envy their lives. Instead, she gave birth to many exclamations.

For example, looking at a middle-aged man's side, surrounded by those sexy active girls, she would be thinking, does the man's wife know? Do his children know that he is here for fun?

Thinking of this, she thought of her father. Maybe her father is the same as this kind of person!

So, this makes Bai Xia feel disgusted. She wants to leave. The bar is not interesting at all.

"Let's go!" Said Xing Yifan of the white Xia Dynasty.

Just as Xing Yifan wanted to leave for a long time, he nodded and accompanied her to get up and leave. When he went downstairs, Bai Xia's hand was tightly held by him. In some crowded walkways, Xing Yifan even held her tightly in his arms and didn't let any man's hand touch her.

Finally came out of the bar. Bai Xia took a deep breath. It was eleven o'clock. She wanted to go back to sleep.

"Let's go home!" Xingyifan road in the white Xia Dynasty.

Two people walk to his car, Xing Yifan takes Bai Xia straight to the direction of the community, and tonight we have a better time.

Bai Xia even fights in the car, because she is tired today.

Two people arrive at the community, one elevator arrives at the door, and Xing Yifan of the white Xia Dynasty says, "good night."

Xing Yifan suddenly felt reluctant to give up. Tonight's events left him with some indecision. He suddenly said in a low voice, "it's no good to be with you for one night?"

Bai Xia can't open her eyes at the moment. "Please have dinner tomorrow."

"No!" Xing Yifan suddenly snorted.

"Then what do you want?" Bai Xia can't understand his mind.

At this time, Xing Yifan came over two steps, put her on the wall, and asked for a hot kiss.

Bai Xia woke up immediately after being kissed, reached out and pushed him away. He was embarrassed and said, "you are crazy. This is the corridor."

Xing Yifan is satisfied with this and wipes his thin lips. "Good night! Remember to think of me. "

Finish saying, he is to take the lead to push a door to go in, Bai Xia embarrassed a few seconds, also push a door to go in, she hurriedly goes to bathe go to bed.

In the bar! In fact, in another box, there are still several people sitting. Among them, LAN Qianchen is a little depressed. On Christmas Eve tonight, he and some well-to-do rich boys come out to drink.

"Why is Xing Yifan missing recently? Where is he?" A brother asked.

Blue thousand Chen doesn't mention to be OK, a mention is a bit annoyed way, "who knows where he muddled, dare feeling is heavy color light friend."

"Ha ha! Do you think Xing Yifan will take sex more seriously than friends? I don't think so! He has no interest in women. "

"Yes! I've known him for so many years, but I haven't seen a woman hold his hand. "

"I hate that he is always surrounded by those beautiful girls, with him, we don't want to show off at all."

make complaints about Xing Yi fan, and the whole box becomes Tucao assembly.

Blue thousand Chen is a bit uninteresting immediately way, "calculate, I left first, still have meeting tomorrow."

"Hello! Qian Chen, is that how to withdraw? It's only twelve! "

LAN Qianchen is still different from them. He and Xing Yifan are the same kind of people. They are only together because they are bored and have the feeling of being classmates.

"Keep drinking. I'll pay for tonight." LAN Qianchen picks up his Khaki coat.

"Hello! That's not enough! "

"Well, we'll be poor and give him the bill tomorrow."

Blue thousand Chen immediately waved a hand, "no problem." Finish saying, he walked toward the direction of the door, left that group of friends to continue to drink.

LAN Qianchen also drank wine. He was slightly drunk, but not very drunk. He picked up his mobile phone and dialed the driver's phone, "I'm out, waiting for me at the door."

"Yes, second young master." The driver answered.

Blue thousand Chen elegant figure steps down, his whole body exudes a kind of warm temperament, even if looks, also belongs to that kind of gentle warm man's breath, is the woman's favorite one.

"Handsome boy, I invite you to drink." A woman found him at once and wanted to keep him.

Blue thousand Chen politely smile, refuse a way, "excuse me, borrow."

"Handsome man, just have a drink! You look great! " The woman was a little drunk and her eyes were lost.

Blue thousand Chen side body passes from her side, that woman looks at him disappointedly. When LAN Qianchen arrived at the door of the bar, he saw that his driver's car was parked at the front door. He walked to the bar, and just then, someone pushed his body, and he immediately stood up and turned around, and saw a woman who rushed from him to the street lamp and vomited wildly.

This woman has big wavy hair, slim and tall, and she also spits up very impolitely.

LAN Qianchen shakes his head. He doesn't like this kind of women who drink at all. What's more, how many of the women who enter here are serious? Although he will come here to spend time, he will never touch any woman here, just want to stay away.

As the woman vomited near his door, he had to make a detour and sit on the other side, just as he got into the car.

But at this time, the side door opened, and the woman who had just vomited also sat up.

She was probably a little tipsy. She said to the driver ahead, "drive."

LAN Qianchen looks at her with some consternation. He squints his eyes and asks, "Miss, did you get on the wrong bus?"

At this time, the long wavy hair was attracted by the woman's sexiness. The face with elegant makeup was facing him, and the woman's eyes were also staring at him, "what do you call me? Miss? "

Only saw this woman's face is delicate, the facial features are charming, but there is a kind of beauty that can't see the age, her eyes even have a sharp meaning.

Blue thousand Chen tiny Zheng, he had to politely way, "you are not on the wrong bus?"

The woman seemed to ignore it. She leaned wearily against the car seat and said, "please take me home!"

"Excuse me, this is a private car." LAN Qianchen had to persuade her to leave because he didn't want to send a drunk woman home.

"I will pay." The woman continues to make a noise, some domineering.

"It's not about paying or not paying. If you want to take a taxi, there's a taxi next to you." LAN Qianchen had to bear to persuade her to get out of the car.

"Five times the price." The woman with long hair and dark eyebrows seems to be suffering. She probably drank too much wine.

The driver in front said to LAN Qianchen, "second young master, do you want the security guard to come and ask her to get off?"

Blue thousand Chen bit thin lip, ask to this woman, "where is your home?"

For the sake of her suffering, plus that she is drunk again, he will do a good job! Otherwise, at the door of the bar, there are corpse collectors everywhere. I don't know what she is going to encounter.

"My family It's just It's just The woman was talking when she fell asleep with her head askew.

"Hello! Don't sleep. Tell me the address! Miss? " LAN Qianchen looks at the woman without any words.

"Second young master, do you want to throw her down?" The driver advised him.

"Forget it. Go to the nearby hotel! She's drunk for fear of danger. " Blue thousand Chen good way.

"There is a five-star hotel near here, please send it there!" The driver doesn't want his young master to do this.

The car immediately drove to the direction of the hotel, and soon arrived. LAN Qianchen pushed the door to get off and said to the driver, "wait here, I'll take her up."

"Do you want to help?" Asked the driver.

LAN Qianchen shook his head. "No need."

Blue thousand Chen finish saying, open the door of backseat, looking at the woman who sleeps not wake up, he did not have the good spirit of frown, he really has no feeling to this kind of drunk woman, even if she looks very beautiful.

Blue thousand Chen is one meter eighty-four, and the woman who helped her down is more than one meter sixty-eight. However, she is very thin and belongs to a woman with a very beautiful appearance. She is still wearing a suit, which makes him a little strange.

LAN Qianchen reaches out and picks her up. He goes to the front door of the hotel. He opens the room and takes the woman into the elevator.

Open the door, blue Qianchen is about to put the sleeping woman on the sofa. Unexpectedly, the woman suddenly vomited out, directly vomited on his chest, and slipped onto the woman's skirt.

LAN Qianchen's warm face is ugly now. Does he owe her today?

Chapter 1088

"Miss, wake up!" Blue thousand Chen calls her immediately, ignore the filth on oneself first, he hopes she can wake up.

But this woman is really drunk and unconscious. Under the light, her face is charming. At the same time, even when she is asleep, it gives a full sense of beauty.

Blue thousand Chen slightly gapes at the eye, the woman in the bar all so high face value now? Look at her makeup is also very elegant, not like that kind of heavy makeup feeling. Through the thin makeup, you can see her very delicate zero pore bottom.

"Miss, I'll take you to the hotel. You're all right!" LAN Qianchen knew that she was drunk and confused, and his words were only subconscious.

LAN Qianchen thinks that for a strange woman, he is kind enough to do this, and he has also vomited filth. He wants to go home and take a bath.

At this time, the sleeping woman suddenly reached out to cover her stomach and murmured, "hard What a pain! "

LAN Qianchen frowned immediately. He put her on the sofa. He reached out and took off his coat. At the same time, he took off his shirt and went to pour water for the woman in his bare upper body.

Blue thousand Chen is also hard to bear the taste she vomited on her body. The strong smell of wine shows that this woman is going to die to drink.

Is there anything she can't think of? Is it lovelorn? Blue thousand Chen holds water to sit to her side, reach out to support her shoulder way, "Miss, drink some water."

The woman can't help but lift her long eyelashes, a pair of drunk and confused eyes look at him, and see his red upper body. She is so determined to stare at him. Blue Qianchen is slightly embarrassed, but at the same time, she twisted her eyebrows and continued, "drink some water."

The woman obediently gathered her lips to drink the water he had fed. She drank several mouthfuls at a draught and finally felt better.

"Handsome boy, do you think I am beautiful? Are you afraid of me? " This woman leans against the sofa, a pair of Royal elder sister Queen's breath, stare at blue thousand Chen, as if he is a civilian.

Blue thousand Chen to drunk woman, except helpless, is speechless.

"You're drunk. I'll go first if you stay here tonight." LAN Qianchen finished, he picked up his shirt and went to the bathroom, intending to rub two away.

The woman on the sofa squints her eyes and stares at the figure of him going to the bathroom. She smiles like a hunter. She stands up and reaches out to take off her suit. Then she sees something

dirty on her chest. She immediately unlocks the button of her shirt and finally takes off the last one on her upper body.

Her lower body is still a buttock skirt, so she has charming long hair, blurred eyes, sexy as a delicacy, she walked towards the bathroom. At the moment, blue Qianchen is washing his shirt. His wristwatch is put aside. He washes it very carefully. He looks like a nice big boy.

When he washed, he felt a pair of eyes staring at him behind him. He looked back slightly surprised, and saw that the drunken woman was leaning on the door with her arms around her, and her eyes were looking at him with a complex smile.

And she only has a black underwear on her The view came directly into his eyes.

Her head was against the doorframe, as if it were not quite stable.

For a few seconds, blue Qianchen's handsome face suddenly blushed. He met such a bold woman for the first time, and he felt a kind of danger. This is really an emotion that should not exist. But at present, the woman stared at him as if she were hungry and thirsty.

"Miss..." LAN Qianchen immediately put down his shirt and turned to say something.

At this time, the woman stepped forward, suddenly the body unsteady toward him.

If LAN Qianchen is a little hard hearted to avoid, she will definitely hit somewhere, plus her blundering appearance. If he doesn't hold her, she must fall down.

Blue thousand Chen also did not have more reaction, only instinctively stretched out a hand, the woman who pounced to embrace a full.

"Miss You Blue thousand Chen slightly stares at her eyes, touches her greasy waist, his hands are so hot that he quickly opens them, while the woman in his arms, however, draws up his red lips, like a hunter.

"Isn't sister pretty, handsome boy?" A woman's eyes are full of charm.

blue thousand Chen can not swallow the slobber water, he smells her body, besides the liquor flavor, also has the trace of high-level perfume's flavor.

His thoughts could not help shaking, he wanted to push her away, but the woman's arm was like a snake around his strong waist, and a face was pasted on his chest. The woman gave a low order, "I want you to accompany me tonight! I'll give you a high price. "

Blue thousand Chen immediately has a kind of speechless choking feeling, dare this woman to treat him as a cowherd?

"I'm sorry, miss. I'm not with anyone." Blue thousand Chen is making a sound, at the same time, also reached out to push away her.

"I'm lonely I really need a company. Will you accompany me? " The woman suddenly spoke in a quiet voice. Under her dark eyebrows, there was a sense of loneliness in her eyes.

Blue thousand Chen pushed her hand momentarily, he lowered his head, but saw the picture of this woman pressing on his chest, he felt a current rush out of his body, which made him stunned. How is that possible? How could he have thought about a woman who was unknown or drunk in a bar?

No, he can't stay any longer. He does it as a good thing.

"Miss, I'm not a cowherd. If you need one, you can find one." Blue thousand Chen positive color makes a sound, also reached out to hold her shoulder, pushed away her some.

The woman looked at him disappointed. "Do you think I'm older than you?"

LAN Qianchen stayed for a few seconds. It has to be said that this woman looks older than him. However, this does not affect that she has a very senior and beautiful face. Although LAN Qianchen has no girlfriend, he is not interested in brotherhood.

"I don't mean that." LAN Qianchen immediately explained.

The woman's eyes stared at him. Blue Qianchen's warm and handsome face seemed to send out a strong temptation to her at the moment, which made her want to spend the night with him regardless of anything.

Even if it's just a one night stand, she also wants to release all her emotions at the moment and recklessly indulge.

LAN Qianchen took the shirt he had wrung dry, and was about to walk over her carefully. However, as soon as he got to the door, his waist was suddenly around, and a pair of jade hands were tightly encircled. The woman tightly pressed his back, murmured and pleaded, "don't go, stay with me, you can let me promise you anything."

LAN Qianchen's body is tight, and he frowns. He is not interested in the woman who comes to the door.

"Miss, I think it's better to contact your family! Do you remember whose number? " LAN Qianchen just wants to set her up and leave.

Just now LAN Qianchen didn't remember that she was holding the bag, so she certainly didn't have a mobile phone.

The woman behind released her hand, suddenly clasped his wrist and pulled him hard to turn around.

Blue thousand Chen turns around, touch a pair of domineering woman drunk eyes, her cheeks are suffused with red tide, believe that any man saw, will be distracted.

Because of her temperament, it's really complicated.

"Am I so bad? You don't even want to sleep me all night? " Asked the woman angrily.

LAN Qianchen really met this kind of active woman for the first time, but she must be drunk. He didn't care about anything, just said seriously, "Miss, please take good care of yourself."

"I want you to sleep on me tonight!" The woman is carrying eyebrow, some command color.

Blue thousand Chen handsome face slightly embarrassed red, so direct words, even he this man dare not say, even some blush.

"Miss You'd better wake up! " LAN Qianchen stops laughing and persuades her.

Just then, the woman stopped at the door and looked up. "I won't let you go."

"You..." LAN Qianchen didn't expect her to be so domineering and unreasonable, which made him angry and funny.

"Do you think I'm not fit enough?" When the woman finished, she went to pull the zipper of her hip skirt, and the zipper fell off.

Blue thousand Chen slightly gapes at the star Mou, finally knows, must leave, otherwise, does not leave again he wants to cause trouble.

Chapter 1089

The woman chuckled and stepped back. Blue Qianchen stepped out and walked into the hall. Suddenly, he ran away quickly towards the door, as if he was in trouble.

"Hello Stop for me. " The woman behind called him drunk. However, LAN Qianchen opened the door, walked out of the room quickly and closed the door quickly.

LAN Qianchen is so big. He meets this kind of thing for the first time. He breathes a sigh. As soon as the elevator door opens, he steps in quickly.

However, standing in the elevator, LAN Qianchen can't help thinking about what kind of career this woman is. She is so hungry and thirsty?

At the same time, he also felt sorry. He was so beautiful, but he didn't respect himself, and didn't know how to cherish himself.

She should be OK! LAN Qianchen worries about her condition, but these are not his worries, because he doesn't have to worry about the life of a stranger.

LAN Qianchen went out of the hotel naked, which surprised the front desk. He was also embarrassed, so he hurried out and sat in the car.

The driver looked at him and was surprised. "What's wrong with you, second young master? Are you all right! "

Second young master is so handsome. Was he bullied by the woman just now?

"Er! I'm all right! Let's go home! " LAN Qianchen quickly said a word, picked up his coat and put it on.

All the way, blue Qianchen's mind was full of the woman's intoxicated appearance, her long and narrow eyes, her red lips, the smile she raised, and the charm she couldn't say.

Blue thousand Chen thinks, can't help but help the forehead, he at this time, why want a woman who won't meet again? Is he too idle?

In the hotel, the woman left by LAN Qianchen is really drunk. She goes to the bed, opens her arms and throws them on the bed, so she falls asleep.

Early morning.

In the five-star hotel, on the white bed, the woman opened her eyes. Last night, her eyes were still intoxicated and blurred. Suddenly, they twinkled. The temperament of her whole face also changed.

From that charm to cool and noble, when she lowered her head and looked at herself with only underwear on her upper body and only underwear on her lower body, she did not shout or panic, she just reached out and rubbed her eyebrows, and the headache brought by the hangover was painful.

She doesn't even remember what happened last night. Her last memory is in the bar! Damn it, who brought her to the hotel?

The woman got out of bed, went to the wardrobe, took out a bathrobe and put it on, went to the phone, reached out and dialed the outside line.

As soon as the phone she dialed rang, the anxious female voice hurried to say, "Hello! Mr. Pei, where are you? are you all right? I didn't find you last night. "

"I'm at the grand hotel not far from the bar. When I come here, I'll bring me a suit."

"Ah! hotel? Mr. Pei, what's the matter with you? Don't scare me! " The assistants at that end were all frightened and crying.

Pei Yuehuang closed her eyes and tried to think about what happened last night. However, her last memory is the moment when she came out of the bar to spit out. How she got to the hotel and how she took off her underwear and underpants. She was completely blank.

Moreover, she believed that the person who sent her to the hotel last night must not be a woman, maybe a man.

She felt as if she had not been invaded. However, although she did not remember what happened, she had some influence on her mood and her inner desire last night.

"Mr. Pei, Mr. Pei, are you still there? Which room number? I'll be right here. "

"Room 2426!" With that, Pei Yuehuang bit her red lips, gathered her long hair, and looked at the room, which had no effect on what happened.

She was in some deep thought around her arm. She had a premonition that she must have done something extraordinary last night. Maybe she was drunk and let a man read it all.

Ten minutes later, her door rang, and her assistant was nearby, because she disappeared. Now the whole family is looking for her.

She opened the door. Her assistant's eyes were red and swollen, and her face was vegetable. Her black eyes and Panda had a match.

"Mr. Pei, Mr. Pei You're going to scare me to death. I went to the bathroom last night. When I came back, you were not in your position. When the bag was still there, the people were gone. I was scared crazy. " Assistant Xu Min holds her and cries like a child.

Pei Yuehuang pushed her away and said calmly, "I'm ok! Have you brought the clothes? "

"Here you are. Do you want to tell master Pei that everyone came out to see you last night?"

Pei Yuehuang frowned. "Tell them I'm ok. Don't mention that I'm in the hotel, just say I'm home."

"Yes! I know. " Xu Min nodded knowingly, thinking, who was her boss spending the night with in the hotel last night! What if it's super ugly!

Pei Yuehuang came to the bed with her clothes. She untied her bathrobe and took out a black shirt from it. She reached knee and wrapped her hip skirt. Her long hair gathered and pulled up at the back of her head. In a moment, it seemed like a long seat superior's momentum was revealed.

Pei Yuehuang, the identity of the CEO of Pei's real estate group, Pei's only female, 29 years old, single and unmarried."Boss, were you OK last night?" Asked Xu Min in a low voice.

Pei Yuehuang's eyes narrowed. Even her makeup overnight didn't affect her beauty. She thought, "check who brought me into this room last night. I want all the information about that person, the most detailed."

"I'm afraid it's difficult to get in touch with the hotel."

"Ask Qu Hao to come here. He knows how to do it. In a word, before 3 p.m., I need all the information about that person." With that, Pei Yuehuang opened the door and stepped out. With her slender and tall posture, there was a sharp and sharp manner.

Twenty two years old, two degree graduate, inheriting the family for ten years, making Pei Group real estate business all over the global market. It is an absolute strong woman.

And she is the fifth single female aristocrat in China. She has strength and beauty, but no one dares to marry her. So far, she is single, which has upset a group of elders behind her. Her grandfather even let out words. As long as the granddaughter likes it, no matter what family background of the man, she accepts it all.

However, who makes his granddaughter so excellent, plus her single strength to now, almost men chat up, she coldly refused.

Like last night's incident, it was her first accident. She had to find out the blank memory.

At the door of the hotel, Pei Yuehuang gets on a black car and flies away.

Bai Xia is busy at home. It's noon unconsciously. Recently, Xing Yifan leaves early and returns late. She has no time to make an appointment with him for breakfast.

However, Xing Yifan's clothes were all taken to the dry cleaner, so he didn't want her to wash them, and Duo Duo was not at home, so she had to nest at home and draw.

What happened in the hotel last night made Bai Xia have some doubts in her heart. She didn't believe Xing Yifan went to the bar. Was it really just drinking?

Wouldn't you look at those beauties more? Or, he didn't think about the idea of hunting for beauty?

Bai Xia is holding her chin, and I don't know where the stuffy block comes from. Today, it's Christmas! She didn't want to go out to play either. At noon, she went downstairs to the supermarket, bought a lot of snacks and came back to watch movies at home.

The atmosphere of Christmas is really rich. Bai Xia wandered around and went home tired.

Xing Yifan is preparing materials because he has a case waiting to be prosecuted. He has fully grasped the last time he was beaten. He has also found out the identity of those gangsters. He is not in a hurry. Step by step, let these people disclose the identity behind the scenes, and then force Cheng Liang to commit fraud.

In the afternoon, Xing Yifan appeared in the police station as a victim, and all the eight gangsters arrived. They looked at each other face to face and looked at the young man sitting next to them. They were all stupid, but in the police station, where were they brave?

This group of people in the police station, very active to tell all the facts, who they are instructed to accept, and how much money to confess.

It is Niu de who instructs. Tomorrow will be his trial.

At two o'clock on time, Qu Hao, Pei Yuehuang's assistant in Pei group's president's office, came in with some complicated expressions and the information he had found. He knocked at the door.

"Come in." The woman sitting in the boss's chair, though slim, is not damaged by her strong breath.

Qu Hao came in, put the information down in front of her, and stood aside hand in hand. "Mr. Pei, the hotel video record last night has been found, you can have a look! All the information about that gentleman has also been found out. "

"You go out." Pei Yuehuang looks at the iPad in front of her. She bites her lips.

Chapter 1090

Qu Hao nods and leaves. Pei Yuehuang reaches for the iPad and finds the place where the video is stored. She stares coldly at the video of the hotel. She appears at 20 am last night.

The man who took her out of the car is a slim young man. He can't be seen clearly in the video, but his temperament is good.

She hung almost all over his body and put her arms around his neck. She was drunk and obviously not drunk.

Looking at herself in the video, Pei Yuehuang tightens her eyebrows. Damn it, is that herself?

There are videos of men opening rooms, elevators and entering rooms in the hotel. The next video is about the man holding a washed shirt and coming out of the door 20 minutes later.

What happened in the twenty minutes? Why did he come out naked? And now she's up in underwear.

Don't say 20 minutes to get along with this man, even if it is two minutes, Pei Yuehuang can't bear it. In these 20 minutes, she is not conscious and loses her mind. What did she do, and how many jokes did this man watch her? Or even her figure.

Think about Pei Yuehuang's idea immediately. She must warn this man that she must forget what happened last night and not mention it to anyone.

After watching the video, Pei Yuehuang picked up the information next to her and opened it. She suddenly saw several photos in it.

In the video, she only knows that she is a young man. She looks good, but she can see the real picture of him. One of her heartstrings is still loose.

This man even looks so handsome, which is the standard of small fresh meat at present. Pei Yuehuang continues to read his information. She is five years younger. Damn it, she let a five-year-old man see it all? Still in front of him, ugly? Some can't bear it!

When Pei Yuehuang saw his identity, she couldn't help but stare a little, the second young master of the blue group? The second son of a jeweler? This is out of her expectation. Seeing all her men, she is not an unknown person.

It turned out to be the second young master of the jewelry family. Pei Yuehuang thought it necessary for her to talk with him about last night alone.

To make sure she didn't make any jokes, or even if she did, she asked the little boy to keep it a secret.

She pressed the inside line. "Get me a car. I'm going out."

The data shows that LAN Qianchen currently works in LAN group, so she can go straight to Lan group to find someone.

LAN Qianchen also has some memories of what happened last night. When he was in the company today, he couldn't help but go to the hotel several times to see if the woman had left!

Or, nothing happened to her! And she looked as if she had a strong desire.

LAN Qianchen can't help it. He doesn't want to meddle. After today's meeting, he still has a lot of work to do.

Around three o'clock, LAN Qianchen is looking at the information. His internal phone rings. He reaches for it and answers, "Hello!"

"Second young master, I have a guest to see you."

"Let him make an appointment first. I don't have time at the moment." LAN Qianchen's work is more important.

"But But he has to see you. " The front desk lady is in a hurry.

"Let him follow the process." Blue thousand Chen is not anxious not Xu of say.

At this time, someone robbed the phone of the receptionist, "Lan Qianchen, I was the woman you brought into the hotel last night. You'd better meet me, or I will sue you."

The cool female voice, with a kind of inexplicable domineering, is very fierce.

LAN Qianchen held the microphone and was stunned for a few seconds. "Are you the woman last night?"

"I'll come up now." That end hung up first.

LAN Qianchen is a little shocked at once. How can this woman find him? And called his name? And that voice just now, is it the voice line of that charming and charming woman last night?

At the front desk of the hall, Pei Yuehuang and her two assistants walked into the elevator and pressed the floor of the general office despite the help of the front desk lady. The two front desk ladies dared not let them go up, so they had to follow closely.

They secretly looked at the woman standing at the head, as a woman, in front of her, really want to sigh not as good as ah! This woman's momentum is very strong. She exudes the breath of a successful woman. Moreover, she looks very beautiful. However, she is like a high and cold goddess and cannot be close.

LAN Qianchen's assistant received a phone call from the front desk and immediately waited at the door of the elevator. When the door of the elevator opened and looked at the woman walking out, they immediately met him. "Hello, miss, what can I do for you to see us, LAN?"

"Private business." Pei Yuehuang's eyes looked around and he chose a direction to go.

"Miss, would you please wait in the lounge first? We blue are always busy. "

"This is Miss Pei Yuehuang, President of Pei's real estate group. Please contact Mr. LAN." Qu Hao quickly explained.

The assistant immediately recognized her in surprise, my God! She is the first lady of Pei family! Last time I read the magazine, I saw her news!"Miss Pei, would you wait a moment?" The assistant still stopped her conscientiously.

Pei Yuehuang looks at the gate of the general office. She turns around and looks at the group of people following her. "I need to deal with my personal affairs. Don't disturb me."

Her voice line shows a kind of inexplicable majesty, which is also the momentum she has accumulated in her work all the year round. She is decisive in killing the enemy.

In an instant, a group of people behind us are determined. They dare not resist. However, LAN Qianchen's assistant suddenly thinks, is there something urgent for Miss Pei to find the second young master?

Pei Yuehuang has arrived at the door. She reaches out and knocks, then pushes the door in.

Blue Qianchen is waiting for her to come up in the office. At the moment, he is sticking to a cup of coffee and standing in front of the floor to floor window, waiting for her. He put his hand in his pocket and looked back, and saw a woman with elegant temperament coming forward.

And that face, not the woman last night, who is it?

Pei Yuehuang's eyes also looked at the boy who was five years younger than her. He had a kind of atmosphere of transition from a big boy to a man. He was clean and charming, which was admittedly pretty and handsome.

LAN Qianchen is also looking at her. She is shocked. It's really a contrast. The ice mountain beauty in front of her is really the woman who let loose last night? He couldn't believe it.

Two pairs of eyes are looking at, guessing, complicated intertwined, finally, Pei Yuehuang exports first.

"Let me introduce myself. My name is Pei Yuehuang. First of all, I want to thank Mr. LAN for sending me to the hotel, but I hope I have the right to know what happened in our room."

The voice is clear, with a hint of command.

Fortunately, LAN Qianchen didn't drink coffee, otherwise, he had to spray it out.

She wants to know what happened in the room last night? Is she sure?

"Miss Pei, are you sure you want to know?" Blue thousand Chen good-looking eyes with a smile.

Pei Yuehuang knew last night that she was so ugly that he would want to laugh when he saw her.

She looked at him calmly. "I was drunk last night, I don't remember anything. When I woke up, I only wore underwear and underpants. Did you take it off for me?"

Blue thousand Chen not by handsome Yan tiny pan red tide, he is busy to open mouth to clear, "is not me! I didn't do anything wrong to you. "

"Then why did you come out naked?" Pei Yuehuang's eyes narrowed and asked, cold eyes light, last night's her, just like two people.

It's hot, cold and blue. He looks at her innocently. "Have you forgotten? You took me off when I carried you in. "

Pei Yuehuang didn't doubt this, because she also saw vomitus on her clothes. She narrowed her eyes and said, "what about then? What did you do to me? "

"I I didn't do anything to you. " Blue thousand Chen now has a kind of, a hundred mouth is speechless chagrin.

"You and I stayed in the room for 20 minutes. I want you to tell me exactly what happened and what we did." Pei Yuehuang asked in an indomitable way.

Blue thousand Chen is tiny to stare at a star Mou, "are you sure to want me to say of one and a half?"

"Nothing to hide." Pei Yuehuang said coldly, she wants to know what happened.
