

## U. CEO Daddy 1091

Chapter 1091

"Anything to drink?" Asked the blue thousand Chen gentleman.

"No, just say it!" Pei Yuehuang folded her legs gracefully.

LAN Qianchen glances at the legs under her skirt. He saw them last night. Although she is slim, she is not careless in the perfect place.

"What are you looking at?" Pei Yuehuang's eyes immediately stare, she is very sharp.

"Blue thousand Chen astringes the spirit of mind, a light cough sits opposite her," then I began to say! When I was out of the bar last night, you vomited beside my car. As soon as I got on the bus, you opened my door and let me take you home! Also said to pay me five times the price, I see you drunk, want to send you home! But if you don't understand your address, you fall asleep. "

Pei Yuehuang tightened her eyebrows. "And then what?"

"Then, I can only send you to the hotel for a night. I open the room and hold you unconscious. As soon as you enter the door, you will be all over me. I woke you up at that time, and you are very drunk. But you did wake up. I saw you woke up, and I took off my shirt and went to the bathroom to wash."

At this point, blue thousand Chen can't help but look at her, and there is some shame in her eyes. Pei Yuehuang saw that he didn't say it, and urged, "go ahead."

When LAN Qianchen saw that she wanted to listen, he had to continue, "I'm washing my shirt, and you're standing at the bathroom door. At the same time You take off your coat and wear only one underwear... "

Pei Yuehuang 's face was rarely crimson. She reached for her long hair and covered her embarrassment. She bit the red lips and said, "what else? I What I said, what I did. "

"I washed my shirt and was going out of the bathroom when you suddenly came to me and hugged me! And said I want to be with you. " Blue thousand Chen a pair of star eyes twinkle, also not very good meaning to see opposite elegant mature woman.

Pei Yuehuang's long hair covered most of her expression, which made him want to see, but he couldn't see clearly, only saw her slender long eyelashes fluttering, as if it was difficult to accept the fact.

"And then?" Pei Yuehuang doesn't lift her head either. Continue to ask.

"You may treat me as a cowherd and say you will give me a lot of money and so on I want to spend the night with you. " To be honest, LAN Qianchen is also a very honest child.

Pei Yuehuang clenched her red lips, which showed that her pretty cheeks were red. Although LAN Qianchen said it seriously, she believed it.

Because last night she had a lot of emotions. After drinking alcohol, she wanted to vent, and she also remembered that last night she really wanted to indulge. However, she didn't expect that after waking up, she would have a mood to kill herself at that time.

Such a mess, even let a little boy to see.

"Have I done anything to you?" Now Pei Yuehuang was worried about her wild hair and what she did to the little boy in front of her.

Blue thousand Chen immediately handsome face pan hot, some embarrassed light cough a sentence, "er You just took off your skirt in front of me later, and I quit your room immediately, that's all. "

Pei Yuehuang's face is hot. However, she is not a casual person. She immediately gathers her long hair and looks up at the handsome man in the opposite side cautiously. "Lan Er young master, can you keep all this secret for me?"

Blue thousand Chen immediately nods, "you rest assured, I won't say."

"I apologize to you. I must have scared you last night. No matter what I say or do, it's not when I'm awake. You can pretend not to remember all this." As for being seen, Pei Yuehuang doesn't care.

"Don't worry, Miss Pei. I promise I won't tell you." LAN Qianchen promised that he was just a little surprised. She would be so different when she was sober and drunk.

"To apologize, I'll treat you to dinner, or I can make up for it." Pei Yuehuang raised her head, and the divine color in her eyes immediately restored her female president's calm and calm.

And, in her tone, that sense of business.

LAN Qianchen didn't want to make up for anything, but he didn't lose anything last night. Instead, he took advantage of her.

"No, I haven't lost anything." Blue thousand Chen smiles, in bright light, his smile has a kind of warm charming feeling.

Pei Yuehuang looks up and can't help but feel dazzling. She looks at the smile of blue thousand Chen sunshine, and only after a few seconds, she looks down. She doesn't know what she is thinking.

If she had told him to accompany her last night, her expression and behavior would have been very informal. Her fame was so ruined in front of the young fresh meat.

"Thank you. I'll treat you to dinner tonight! Place you choose. " Pei Yuehuang looks up, her eyes fixed.

But to her relief, what she met was not a sex wolf, but a charming young gentleman.

LAN Qianchen suddenly felt that she could thank him, and he would not refuse, "OK! It's a meeting. "

"Goodbye." Pei Yuehuang said, and got up to leave.

LAN Qianchen also stood up and politely sent her away. However, the woman in front of her just walked two steps. Suddenly, she turned around and approached him. Blue Qianchen only saw a face

full of fine makeup and aggressive beauty enlarged in his eyes. His heart suddenly smothered and jumped up.

Pei Yuehuang's eyes stared at him with a hint of warning, and his red lips opened, "master LAN Er, can you promise me that no third person will know about this matter?"

Blue thousand Chen Jun Yan tiny Zheng, the nod that assures, "you are at ease, last night's affair, besides you and I, won't have the third person to know."

Pei Yuehuang was satisfied with the red lip. "Good, see you at dinner."

LAN Qianchen looks at Pei Yuehuang who left. His breath just slacks. Fortunately, nothing happened last night. Otherwise, he really doesn't know how to explain all this. Pei Yuehuang Mai comes out, her assistant follows up, in the corridor, walked out the domineering female president's demeanor.

To the next few male staff to see a daze, there is a woman, even men are not as good as themselves.

Maybe it's the woman in front of me! Her eyes have a strong run over all the domineering, cold sharp so that men dare not look straight.

"Mr. Pei, have you met Mr. LAN er? Nothing happened last night! " Assistant Xu Min asked immediately.

Pei Yuehuang stepped into the elevator. Her beautiful face was a little expressionless. "It's OK."

"Mr. Pei, I have told Mr. Pei that you went home last night." Qu Hao, male assistant, speaks.

"Very good!" Pei Yuehuang's heart is relieved. Everything is back to normal. Don't worry about Grandpa.

"Mr. Pei, are you handsome! I've seen an interview with his eldest brother. His family's face value is very high. " Xu Min asked with a smile.

In Pei Yuehuang's mind, blue Qianchen's comfortable and warm face appeared. She could not help but hook her lips and say, "what's the use of being handsome? To me, it's just a little brother. "

Think about it. A man who is three years younger than her is in kindergarten! He was just born, so she had no idea.

"Mr. Pei, do you think about brotherly love in the exam?" Xu Min asked curiously that the boss must be 29 years old. If you go to look for him, where can you find a man who is old, excellent and unmarried? We can only lower the standard. Let's look down.

Pei Yuehuang said with great certainty, "no consideration."

Qu Hao hinted to Xu Min not to say any more. What's Pei's vision? Does she know?

Xu Min had to shut up. When Pei Yuehuang stepped out of the elevator, she thought of something. She didn't say to Xu Min behind her, "book a high-end restaurant tonight. I'm going to invite master LAN er for dinner."

"All right, all right. I'll book the best seats." Xu Min responds quickly. I didn't expect there was a play! Then she needs to help.

It's Christmas tonight. She has to find a very romantic restaurant to let Pei and LAN Er have a wonderful night together.

In fact, think about last night they also had a very wonderful bar! As a woman, she knows women well. In other people's eyes, the boss is as hard to get close to as a goddess. However, in her heart, she still yearns for a man who can give her warmth. She doesn't know whether the blue second young master is her dish or not.

Chapter 1092

Christmas songs have been heard all over the streets. As time goes on, the Christmas atmosphere becomes more and more full-bodied. The fragrance of flowers and romance are floating in the air.

Such a festival, for young men and women, is very meaningful. If there are people who like it, they can buy a bunch of flowers to express their love at this time, or send some valuable gifts through this festival.

And the girl's heart is full of expectations, thinking, will there be a surprise tonight?

Others have expectations, but Bai Xia doesn't. every year, such a festival, she spent alone. It seems that the bustle of others has nothing to do with it.

Bai Xia handed in the draft early today. When she was free in the evening, she also bought a lot of snacks and planned to watch some of her favorite movies again.

It's five o'clock unconsciously. Today, LAN Qianchen is quite unexpected. I didn't expect that the drunken woman came to the door actively last night. Besides, she would like to invite him to dinner tonight.

Just then, LAN Qianchen's mobile phone rang. He picked it up and saw that it was Xing Yifan. He secretly thought, is Xing Yifan alone tonight? So I want to invite him to spend the time together!

Hum! I really don't want to talk to him.

LAN Qianchen reaches for his cell phone and answers, "Hello! What do you want to call me for? "

Xing Yifan at that end couldn't help laughing, "yo! How did you guess it? "

"No! Did I really guess? " LAN Qianchen can't help but be surprised. How can Xing Yifan take the initiative to pursue girls? The sun came out in the West. How beautiful a girl she should be? He took a fancy to her!

"Well! Which store in your family has better jewelry? I want to go and pick a gift. " Xing Yifan is also honest with him, because he doesn't want to go to other jewelry stores, and the Lanjia jewelry store is the largest.

Blue thousand Chen immediately raises eyebrow way, "good! I can tell you, but you have to tell me all about that girl. "

"Check your account!" Xing Yifan joked.

"What? Afraid I'll rob you? "

"You can't take it." Xing Yifan replied confidently.

LAN Qianchen listened to his voice, which was still a bit jealous, and he knew Xing Yifan was serious this time.

"The main store in the center of the city, just a batch of new goods, are all top-notch, the price is a little expensive, within your tolerance, there are several good Christmas styles, the best delivery for girls." LAN Qianchen said to him.

Xing Yifan said with a smile, "what? Good brother, don't give me a discount? "

"Give me my name, 60% off." Blue thousand Chen smiles, but still some damage him, "you still lack money?"

Xing Yifan is naturally joking. He doesn't really want to take advantage of it.

"OK, no discount. Take care of your business." Xing Yifan smiles.

"Don't no, give me your name!" LAN Qianchen naturally doesn't want to do his business. He can do it without loss.

"Well, I'll go to your shop and have a look. What's the schedule tonight?"

"Oh! If you have a date, I won't have one? " LAN Qianchen thought of the person who asked to have dinner today, and his eyes flashed with interest.

"It seems that our young master LAN Er is lucky. Good luck." Finish saying, that end Xing Yi fan to hang.

At the moment, his car is parked in a large flower shop. People come and go in today's flower shop. Every young man who goes in holds a bunch of beautiful flowers. It seems that today's flowers are very good for sale.

Xing Yifan pushes the door to get out of the car and steps in. Several young girls who are tying flowers are very busy. But when they look up at the young man coming in, they all have an impulse to fall in love.

My God! What kind of immortal is this?

Xing Yifan is dressed in formal clothes. His hair is neat and stylish. He is handsome and has a long and charming figure. He is a woman's perfect dream lover.

"Would you like to order flowers, sir?"

"Give me a bunch of roses!" Xing Yifan said that he didn't send any flowers, only knew that girls should like roses!

"How many would you like to bandage? We have the meaning of digital representation here. Would you like to know something about it? " The girl pointed to the flower language and its representative meaning pasted on the wall.

Xing Yifan looks all the way. Naturally, every number represents a beautiful meaning. But he suddenly looks at the number 19, which represents patience and expectation. 1 and 9 represent the highest point of love, which means that there is no more love for you than I do, and there is also the meaning of one end.

Xing Yifan can't help but feel funny. He hooked his lips and said with a smile, "make me nineteen!"

"Yes, sir. Just a moment, please." The waiter immediately chose with a smile.

"I don't know if your lover has his favorite rose color?"

Xing Yifan thought about it and said, I really don't know what color that woman likes. He just saw the matched pictures beside him, and the pink and red colors matched perfectly. He said, "then choose this pair!" "OK!" The waiter immediately went to wrap the flowers for him. At the same time, he also gave him a pink card. "Sir, please write down your words to your lover!"

Xing Yifan gets close to the card and bites his thin lips. He's really embarrassed. What do you write?

Xing Yifan sat on the sofa beside him. He held a pen and stared at the pink card, as if it was more difficult for him to write the words on the card than to write a paper.

What does that woman like to hear him say? Xing Yifan twisted his sword brow and fell into a kind of bitterness, which made several women beside him secretly look at him, as if they saw him, and even this night became so beautiful.

They are all admiring, how lucky it is to be loved by this man!

That girl must be very happy!

Xing Yifan blows his forehead slightly, and finally writes. With strong and forceful handwriting, he writes a sentence on the card, "Bai Xia, today's Day is special, just as lovely as you are."

After writing, Xing Yifan endured a smile, and didn't know what expression the woman would look like after reading it, and whether she would be moved to hug him.

He doesn't know how to write more romantic words. In a word, this woman should know what he wants to express!

Will you be moved to step on the muddleheaded, and then take the initiative to express your love to him?

Xing Yifan thought, and a smile came over her eyes. At this time, the girl came here with a very beautiful bouquet, dotted with stars, with a little dew on the rose, very fresh and attractive.

Xing Yifan paid and came out with the rose in his arms. He opened the passenger seat and put the flower carefully, as if he was afraid of destroying its beauty.

Xing Yifan rushed to the main store of lanzhai in the center of the city. Xing Yifan didn't ask for anything directly. He chose it along the counter and saw a special necklace in a window cabinet.

I see that its pendant is made of two double rings of Perkin, which are intertwined, as if it symbolizes two hearts that are intertwined forever.

"Sir, you have a good eye. This necklace is of great significance. Do you need to show it?"

"Good! Show it to me. " Xing Yifan nodded, and he met at a glance.

Take it out and put it on the black flannelette. Under the light, these two rose gold rings are very delicate and beautiful. The outer ring is inlaid with diamonds, and the inner ring is engraved with love English.

"Sir, the meaning of this necklace is to be together forever. If you give it to your beloved girl, it's just right." The waiter's eyes can't help looking at him excitedly. This man is so handsome!

What kind of woman is worth buying this necklace to fence?

"Good! Wrap it for me. It's a little more beautiful. " Xing Yifan asked directly.

When he came out of the jewelry store at about six o'clock, Xing Yifan didn't contact Bai Xia in advance, so he took these two things and hurried to the community.

Bai Xia is alone on the balcony, overlooking the bright neon red lights in the distance, listening to the busy street direction, she sighs gently.

Suddenly, she thought of Xing Yifan next door. She didn't know what kind of arrangement he had tonight. She said she couldn't make an appointment with many friends to go out and play! Among those friends, will there be any girl he likes?

Bai Xia thought about it. She felt that her chest was a little stuffy. She bit her lips and stopped thinking.

She turned around and went back to the hall, picked up a package of hot strips that had just been opened and took a bite. It was so hot that she was a little addicted. Facing the cartoon on the big TV, she was going to kill it.

At six twenty, Xing Yifan's figure stepped out of the elevator, holding a bunch of flowers in his hand and a gift in his other hand.

He went to the door of Baixia. He hooked his lips and smiled. He reached out and rang the doorbell. At the same time, he hid the flowers and gifts in his hand behind his back.

Chapter 1093

Hearing the doorbell, Bai Xia was stunned for a few seconds. Can't believe that someone came to her at this time?

Who is it? Inexplicably, Bai Xia had a kind of expectation. She hurriedly ran to the door, opened the cat's eyes, and saw that the person standing outside was the one she expected.

Xing Yifan.

Why is he back? He didn't ask a friend to play? Otherwise, this afternoon, he will not not not make a phone call to her.

Bai Xia immediately pressed her chest to stop her heart beating too fast. She opened the door and asked with a small face, "Why are you back? Didn't you go out? "

"I'm going out. Who will accompany you?" Xing Yifan asked, squinting his eyes.

Bai Xia immediately raised her eyebrows. "I don't need company."

Xing Yifan really wanted to knock her on the forehead. He didn't have a good airway. "Oh! No need for me! Thanks to all my meals and invitations, I'll come back to accompany you. Forget it, I'd better go! "

"Hello! Xing Yifan. " Bai Xia doesn't know where he is in a hurry. Call him.

Of course, Xing Yifan didn't really turn around to leave. He secretly looked at her proudly. "Do you want me to accompany you?"

Bai Xia had to nod, very honest way, "yes! I'm bored by myself. "

"If you want me to be with you, I will be with you!" Xing Yifan's tone of voice was reluctant.

Bai Xia's pretty face is a little red. How can she say that she needs his company urgently.

"That What are you hiding in your hand! " Bai Xia looks at him with both hands hidden behind his back. He can't help being curious.

Xing Yifan suddenly smiled maliciously, "guess, if you guess right, you will be rewarded. If you guess wrong, you will be punished."

Bai Xia blinked, "really? Then we'll talk about the prize. "

"A thousand dollars." Xing Yifan said directly.

As expected, Bai Xia's eyes brightened, but he didn't expect to have a thousand yuan prize for guessing! That's a lot more than she makes a day drawing comics! She's only a few hundred yuan a day!

"Good!" Bai Xia immediately challenged, but she didn't ask what was the wrong punishment.

"Then I guess!" Bai Xia thought that when he came back, he must have bought some dishes or something delicious.

"Then can I guess what to eat?" Bai Xia looked up and asked.

Xing Yifan stared at her mysteriously, "whatever."

"Then I guess it's food. As long as it's food, I guess it right!" Bai Xia said.

"Are you sure?" Xing Yifan asked

"Sure, very sure." Bai Xia said confidently.

"Good! Then you will be punished! " With that, Xing Yifan took out two kinds of gifts at the same time.

Bai Xia immediately stared at the flowers in front of her, and there was a jewel like box. She blinked, swallowed her saliva and stammered, "this This is for me? "

Xing Yifan asked, "is there anyone else here?"

White Xia's heart immediately burst out a brilliant fireworks, that is her great happiness, he even sent flowers and gifts to her? Bai Xia put out her hand to cover her red lips, and all the moved tears were coming.

"You How could you give me this! " Bai Xia is still flattered.

Xing Yifan looked at her excited look, and his heart suddenly felt satisfied.

"Do you like it?" His voice line is a little low.

"Well! Yes, I do. " Bai Xia finished and reached for the flower, while the other hand was not free to receive the gift.

It seems that girls really like flowers!

Xing Yifan said to her, "go in!"

Bai Xia enters the room with flowers in her arms. Xing Yifan follows her. She sees only the bright living room, the table top and some snacks bought by Bai Xia. Obviously, she is going to spend the night like this.

Xing Yifan's heart can't help tightening. Is she really willing to be so lonely? He bit his thin lips. "Are you going to spend Christmas like this at home?"

"Oh! Yeah! My father called me today and asked if I could go home for dinner. I didn't go back, so I'm going to spend it like this! " Bai Xia smiled, but didn't feel anything.

However, she did not know that the inner opinions of the man around her were great.

"Go out for dinner later." Xing Yifan gave a low order.

"Eh? So late, where to eat! " Bai Xia asked curiously.

"I'll book the restaurant." After Xing Yifan finished, he handed her the jewel box. "And this one."

Bai Xia reached for it and sat on the sofa. She put the flowers on the table, which she cherished very much. Then she looked at the jewelry box in her hand and asked, "what's in it?"

"Just open it and see." Xing Yifan keeps a sense of mystery.

Bai Xia can't help but experience the joy of opening the gift. Her eyes are charming. She finally opens the box. She reaches out and opens it. She sees a necklace in the heart-shaped box. What she sees at one glance is the two intertwined rings. They are beautiful and exquisite. She just likes them at one glance."How beautiful!" Bai Xia reached for the pendant and asked the man, "what does this mean?"

Xing Yifan sat down beside her, squinting her eyes and asking, "what do you say?"

Bai Xia can't help looking at it. Then, her pretty face suddenly turns red. Does the intertwined ring mean being together?

At this time, she just saw that there was a card on the rose. She took the rose bouquet and took out a pink card from it. She looked at Xing Yifan, and then came to her eyes. She only saw that the line was powerful. She thought, it must have been written by him!

Moreover, the meaning of this sentence, although not direct enough, can also reflect his mind. "Am I special?" Bai Xia asked him with a crooked head.

"Yes, very stupid." Xing Yifan can't help but take a sentence.

Bai Xia immediately stared at him with coquetry, "I can't say I'm good!"

"Good! Very lovely! " Xing Yifan said that she was good.

White summer's mouth corner just then satisfied of hook up, "that certainly."

Bai Xia picked up the roses and counted them. After counting them, she felt puzzled. "How can it be nineteen! Aren't they all double numbers? Like six! Sixteen! Eighteen! "

Xing Yifan got up and said, "I'll go back and change a suit of clothes. You can check it online yourself."

Bai Xia is slightly shocked. Let him tell you what will happen!

Of course, Xing Yifan doesn't want to say it, because the meaning is too much for him to say, which is equivalent to expressing his love.

Xing Yifan went to the door and suddenly thought of something. He turned to the girl who was still silly on the sofa and said, "remember, you guessed wrong just now. I still have punishment!"

Bai Xia had forgotten about it. When he mentioned it, she asked, "what are you going to punish me for?"

"Wait till I come." After Xing Yifan finished, he opened the door and went out.

Bai Xia can't help but think about it. What does this man want to punish her for? But it's a beautiful flower.

She smelled, rose red fragrance is also very rich, and, that beautiful color simply let her love, the first time by men's flowers!

Bai Xia can't help thinking of nineteen roses. That must mean something!

What does it mean?

Bai Xia curiously took the mobile phone and looked it up. When she entered the information to be checked, a window popped up immediately, and she clicked in, only to see the introduction of the number of nineteen on this page.

Bai Xia's head is not only slightly humming, patience and expectation, but also the highest point of love, from one end to death

In a word, the meaning is very good. Bai Xia can't help wondering at this moment. Is this a bunch of flowers he picked up at will, or has he selected a number of flowers himself?

White summer's pretty face can't help a little red, no matter what, a man sent her roses, all on behalf of her love!

Bai Xia chuckles, and she also has some sweetness in her heart. Moreover, with this necklace, it seems to represent something.

Bai Xia is holding up his chin, thinking gloomily, why doesn't he say it? If he confessed, she would have agreed directly.

Do you want her to say it first? But, the girl expresses freely, can be too active a bit? Do boys like active girls?

Bai Xia's mother left early, which made her taboo to love. She always thought that love meant hurt.

Just like a mother loves her father so much, but her father still breaks her heart and makes her loveless.

Bai Xiazheng ponders in his mind. The door opens directly. Xing Yifan changes into a more casual suit, a military green windbreaker, which makes him handsome and has a different flavor.

There are also feelings of big boys.

"I've booked the restaurant. Let's eat out!" Xing Yifan said to her.

Bai Xia was really reluctant to leave her flowers, so she nodded and said, "OK!"

With that, he walked to him and said, "Xing Yifan, thank you for your gift."

Xing Yifan waits for her to come closer. His arms hold her and press her into his chest. Bai Xia raises his head in amazement. On his red lips, a man's domineering kiss falls.

White summer head blank a few seconds, however, the man also kissed a few seconds to let go of her, he low smile way, "this is just the punishment."

Bai Xia regretted immediately. She should have asked clearly just now. However, how could there be a little sweetness in her heart?

Chapter 1094

After going out, the window was already covered by night. Bai Xia sat in Xing Yifan's car, and her pretty face was a little red, which made her forget one thing for a while.

Fasten your seat belt.

Xing Yifan started the car and looked at the woman holding a small face beside him. He didn't know what he was doing. He immediately hooked his thin lips and leaned over.

Bai Xia was frightened, and looked up at him warily. "You still need to kiss! No more. "

Xing Yifan looks at the dark carriage, her expression of shame and annoyance is really cute and weak, which makes him want to be addicted when he bullies.

He immediately reached over, grabbed the seat belt on her side, and silently tied it to her.

Bai Xia's pretty face can be painted. It's red. My God! I'm embarrassed.

Xing Yifan smiled again, and then started the car to go straight to the restaurant he ordered.

LAN Qianchen has been staring at the phone on the desk in LAN's group office for a while. He raised his hand and looked at the time. It's half past six. Why hasn't miss Pei called yet?

Did she forget to invite him to dinner?

And he didn't leave her phone number, so he had to wait for the phone to ring. It's Christmas tonight, and it's very busy outside.

Blue thousand Chen can't help blowing the ink hair on his forehead. His row of broken flowing sea makes his face more like a big boy.

Just then, his assistant knocked on the door and asked, "Lan Er Shao, are you still working?"

"Oh! You go first! I have something else to do." Blue thousand Chen waved.

"Remember to have dinner early," the assistant said

"I will." Blue thousand Chen smiled for a while, listen to the sound of closing the door, he is supporting chin, looking at the mobile phone on the desktop, showing a trace of expectation.

In the conference room of Pei group, a meeting is still going on. Even Xu Min, assistant, is busy with data. When she is free, she takes a look at the schedule tonight. One of them is Pei Yuehuang's dinner.

She immediately got up and walked to the side of the woman in the chief position. She leaned over and whispered, "Mr. Pei, you and Mr. LAN two have a meal. Do you need to push it off?"

Pei Yuehuang frowned, raised her watch and looked at it. It was six forty. She thought, "call him, another day!"

"OK!" Xu Min immediately returned to his position and picked up his mobile phone and left the conference hall.

She dialed the number of blue lips.

But I don't know that when the phone rings, LAN Qianchen is looking at some information. Leng buting's heart beats. He looks at the strange number and quickly reaches for it. "Hello."

"Hello! Hello, is this Mr. LAN Qianchen

"I am."

"Hello, I'm miss Pei Yuehuang's assistant. It's like this, because she needs to have a meeting tonight. She may have dinner later. She means to ask you for dinner another day. I'm very sorry."

LAN Qianchen holds the mobile phone, but unexpectedly, it is pigeoned.

"And when will she finish the meeting?" LAN Qianchen doesn't want to push. He has to wait until this point.

"Er! It's about seven thirty to eight. " Xu Min is only an estimate.

"Then tell her I'll wait for her, and I don't want to have another day." Blue thousand Chen's persistent voice.

"Ah? Do you really have to wait? " That end Xu Min was surprised, this blue two young master unexpectedly so insist?

"I'll wait for her." Blue thousand Chen's voice line is very definite.

"OK! I'll talk to the boss first and call you back later. " Xu Min said, hung up the phone, holding in his hand some secretly happy.

Is it possible that this young master LAN Er is interested in his boss? Otherwise, why so persistent?

Xu Min pushes the door in, and Pei Yuehuang is listening to the report on the performance. Because the report of this quarter has been criticized and missed, now the important managers and shareholders of the whole Pei group are sitting here, why to review, and at the same time, discuss the countermeasures.

Under the light, Pei Yuehuang's slender and charming body sat in the chief. In the large conference hall of more than 30 people, her momentum was not weakened because she was a woman.

On the contrary, when she looks at anyone, that person will feel a sense of panic, because since the female boss took over the company, she used her means and behavior to prove that she was not easy to provoke and offend.

Xu Min still stepped over and leaned over Pei Yuehuang's ear and whispered, "Mr. Pei, I've been on the phone with Mr. LAN Er, but he said we'll have dinner together."

Pei Yuehuang's pretty Demi picked out the young and handsome face of blue Qianchen, and she said in a deep voice, "you let him not wait."

"But I asked him. He said he would not have another day." Xu Min is also a little embarrassed.

Pei Yuehuang pondered for a moment, looked at the wristwatch, some helplessly said, "change the ordering time to eight!"

"OK! Then I'll make sure with young master LAN Er now. " After Xu Min finished, she sat back in her seat and sent a message to LAN Qianchen, "Lan Er, our boss will arrive at the restaurant at eight o'clock. Can you come on time?" "Send me the address." LAN Qianchen's message immediately returned.

Xu Min hurriedly sent the address of the restaurant to the past, and his heart was still fluttering. How could he send a text message to the second master LAN? It was so exciting? But she didn't dare to think.

However, Xu Min secretly took a picture of Pei Yuehuang's meeting and sent it to LAN Qianchen to tell him that the boss was really in the meeting.

LAN Qianchen has just held up his tea cup and is going to have a look at the scenery in front of the floor to ceiling window. When he hears the sound of SMS, he picks up his mobile phone and opens it.

It was in the bright meeting room that a woman sitting at the head of the room came into view. She was dressed in a gray suit and had long hair spread over her chest. Although she didn't see the camera, she could still feel the sharp and powerful breath across the screen.

Blue thousand Chen's heart can't help flicking a bit, he draws up the corner of his mouth and thinks it's very interesting. Thinking about her last night and looking at her now, he has an impulse to laugh.

Maybe this woman will never know what she looked like after she got drunk last night! And he was lucky to be seen.

"Pei Yuehuang." Blue thousand Chen is softly chanting this name, inexplicably feel domineering.

That is to say, for dinner at eight o'clock, LAN Qianchen has more than an hour left. Although he is a little hungry, he is willing to wait.

At the moment, in a romantic restaurant, Bai Xia steps in with Xing Yifan, only to see that the whole restaurant is full of young men and women dating, and the atmosphere exudes a strong atmosphere of love.

Bai Xia followed Xing Yifan with some shame. It happened to be a window seat. Each table was separated, forming a more private space. After Bai Xia sat down, Xing Yifan handed her the menu. "You can order whatever you like."

Bai Xia opens it. She picks out two things she likes and hands them to him. "I'll order them. You can order them!"

Xing Yifan looked over and ordered two more dishes, fruits and desserts.

After the waiter left, a moment later, the waitress smiled and brought a beautiful crystal night light to the dinner plate, with a small dice beside it.

Bai Xia has noticed that other lovers have night lights just now, and she also likes them very much. Is this a special gift from the restaurant for Valentine's day?

"Miss, we have an activity here. Would you like to join us? If you are willing to participate, we will send you a small night light of love immediately. "

The sweet voice of the waiter rang.

Bai Xia looked at the lovely and delicate night light and immediately wanted it. She nodded, "OK! What kind of activity! "

"Yes, we have dice here. See the number of points you throw. We also have corresponding prompts here. As long as you do that, we will send them immediately." Then he handed a small card to Bai Xia.

Bai Xia picked up the card and saw the number of points and hints written on it.

She immediately blushed a little. How could this happen! One or three is to kiss your face for ten seconds, two or four is to hold your face for thirty seconds, and five or six is to express your deep love. Xing Yifan didn't see the content on the card, but he also guessed that it must be an activity set for lovers.

"Miss, will you join us?"

"I Do you have to take part in the activity to deliver it? " Bai Xia asked, biting her lips.

"Yes, we must take part in it." The waiter nodded.

Bai Xia looks at the beautiful little night light in the tray. She really likes it. She wants to plug it in her bed and enjoy the night view of the light at night!

"Is it difficult?" Xing Yifan raised his eyebrows and asked in a low voice.

Chapter 1095

Bai Xia looks at the small night light and the small card. He thinks to himself, spell it! Huo went out to love the little night light.

Besides, Xing Yifan has already surpassed some of his friends, so he is only allowed to kiss her. Isn't she allowed to kiss him?

"Good! I'll take part. " Bai Xia said with a positive face.

"Then please roll the dice!" The waiter gave her the small dice. Bai Xia rubbed the dice in the palm of her hand, secretly blessing that only two or four dice should be chosen, because holding it is the simplest.

She threw it into the crystal bowl, only heard the clear sound, and the dice stopped after a few turns, which was five o'clock.

Bai Xia's eyes immediately gaped, "no, no, I can't come back."

"OK!" The waiter certainly has no problem.

However, I heard a man's opinion, "no, it's as much as it should be, otherwise, I can't ask for a gift."

After that, Xing Yifan takes the dice and holds it in his hand. She won't throw it again.

"Hello, you..." Bai Xia looks at him angrily.

The waiter had to say, "Miss, you say three words to your boyfriend. It should be very simple!"

After Xing Yifan heard it, Junyan immediately became happy and looked the girl in the opposite side with deep eyes, waiting for her confession.

Bai Xia's big eyes blinked nervously. She usually wrote love dramas in a set. But why did she have a stuck brain at this time? She didn't know how to say even three words.

The waiter is waiting for her too. Now she really envies such a handsome and charming boyfriend.

"Forget it, she won't take part." Xing Yifan suddenly threw the dice back into the bowl and said to the waiter, "do you want to be busy?"

"Wait a minute, I'll take part." Bai Xia said quickly.

"They are very busy. They don't have time to wait for you." Xing Yifan reminds me.

Bai Xia immediately took a deep breath and said to Xing Yifan on the opposite side, "Xing Yifan, you are so beautiful, you are so handsome, I I want to be your... " Bai Xia almost wanted to talk about her neighbors.

Finally, Nah, Nah, "be your friend."

The waiter's face was surprised for a few seconds. It turned out that they were not lovers!

Just then, Xing Yifan reached for the little night light and said to the waiter, "do you want to be busy!"

The waiter was busy with something. He smiled and left.

"Give it to me!" Bai Xia immediately reached for the light.

"You can't even say it? Do you want this? " Xing Yifan holds the light in his hand and refuses to give it to her.

"I have confessed!" Bai Xia said that he was a little guilty.

"I'm not satisfied with your confession, so the gift was confiscated." After Xing Yifan finished, she put it in her own position, so that she could not get it.

Bai Xia really likes the night light, so she has to hold her cheek and say, "Hello! How can you do that! That's mine. "

"Give you another chance, just say three things I love to hear, and I will give them back to you." Xing Yifan raised his eyebrows.

"Then what do you like to hear?" Bai Xia asked in bewilderment.

Xing Yifan bit her teeth and locked her eyes. "Tell me again."

"But I can't!" Bai Xia is also very difficult!

"Give you a few minutes to think for yourself." Xing Yifan's requirements are not high. This woman is still a cartoonist. She doesn't even have this emotional cell. How does she have readers?

As soon as Bai Xia listens, he immediately thinks of a sentence, baidu directly! This is simple!  
"Good! Then wait for me. I'll find it. "

Bai Xia takes out her mobile phone and really has to search the Internet for the sentences to express his love. Xing Yifan draws a black line on his forehead. He takes out his mobile phone and edits three sentences and hands them to her, "read them out."

Bai Xia takes his cell phone and looks at the three sentences above. "I like you. I want to be your girlfriend. I want to be with you all the time."

Bai Xia slightly stared at him with a pretty red face. "Are you sure I want to read this?"

"Do you want this?" Xing Yifan picked up the small night light and shook it. At this moment, he hoped that the attraction of the night light would be big enough for the woman to read it.

Bai Xia really liked the little night light. She had to go out, "OK, I'll read it. You can give it to me after reading it!"

"All right!" Xing Yifan is also cheerful.

Bai Xia coughs a little, returns his cell phone to him, then looks at the man opposite, looks into his eyes and says, "Xing Yifan, I like you..." Wheezing.. Once, Bai Xia couldn't help laughing.

"Be serious." Xing Yifan didn't stare at her at once.

Bai Xia had to cover her mouth and look at him with smiling eyes. She continued to read like a textbook, "I want to be your girlfriend, I want to be with you..."

After reading, Bai Xia immediately reached out to him, "take it, and I will do it."

Xing Yifan looks at her in such a careless way. Where does it look like a confession? It's just a joke. Xing Yifan reluctantly hands over the little night light to her, while Bai Xiali holds it in her hand, smiling sweetly, "it's so beautiful!"

Xing Yifan asked with his arms around and eyes narrowed, "did you just express your love from your heart?"

Bai Xia's pretty face was slightly hot, and asked him, "didn't you let me read it?"

Xing Yifan is speechless. At this time, the food comes up. Bai Xia is really hungry.

She put the night light in her bag, and looked at Xing Yifan on the opposite side, as if he would rob her.

Xing Yifan's heart, or some happy, listening to her just now, he took her as if she was in his confession!

"This is delicious. You'll pay for it." Bai Xia's chopsticks pick up a piece of fish and put it in the man's bowl.

This is probably what she thinks is delicious. She will share it with the people she wants to share!

Xing Yifan was slightly shocked. Bai Xia just took back his chopsticks, and he was embarrassed. "If you don't like my saliva, you don't have to eat it."

Xing Yifan can't help ticking his lips and humming, "I've kissed so many times. Do you think I'll hate it?"

Bai Xia immediately looked around in panic for fear of being heard. She was embarrassed and said, "can you keep it down? Don't mention it."

Xing Yifan, on the other side, ate the fish she had brought with great relish.

Bai Xia bent her eyebrows and buried a small face.

Xing Yifan also reached for a piece of meat and put it in her bowl. Bai Xia bit her red lips and laughed. He reached for the mouth and filled it with sweetness.

The restaurant atmosphere tonight is really good, full of romance and passion.

After dinner, two people came down to the restaurant. Both of them were a little full. Xing Yifan suggested going to the neighborhood. Of course, Bai Xia was happy.

Two people along a street full of lights show forward, white summer with a small night light looks, light blue light, very soft.

Bai Xia didn't notice that someone was coming. At this time, a healthy arm grabbed her to the man's side. Bai Xia immediately looked up and saw Xing Yifan's eyes staring at her.

"Thank you." Bai Xia is grateful.

Just then, surrounded by a group of people, Bai Xia was surprised. "What's going on there?"

After that, she pulled Xing Yifan. "Let's go and have a look."

Bai Xia crowded into the crowd and saw a man holding a bunch of roses proposing to a girl. The girl was obviously scared. But the surprise in her eyes showed that she was looking forward to the man's proposal.

There are some young people around. At the moment, everyone can feel the beauty of this love and envy this girl!

Bai Xia also raised a smile, watching the man holding the girl, she immediately clapped her hands with the crowd.

"How romantic!" Bai Xia can't help murmuring.

And the man standing beside her hears it, and can't help but take a look at this way of proposing marriage on the street. Does she feel romantic?

Does she want to propose like this?

When the crowd broke up, Bai Xia and Xing Yifan continued to walk forward. Xing Yifan's eyes recovered from the distant lights and fell on the girl's face.

"Do you think it's romantic to propose like that?"

"Yes! Very romantic! However, at first sight, they are the people who love each other. If they don't love each other, it's useless to propose!" Bai Xia sighed.

Xing Yifan is speechless.

"Xing Yifan, do you have anyone you like?" Bai Xia suddenly walked forward two steps, then walked backward and stared at him.

Xing Yifan looked at her and said in a low voice, "I want to have a woman I like, and I won't be here with you."

That means he didn't.

Bai Xia immediately picked up her eyebrows and asked with a smile, "I'm very aggrieved to accompany you!"

With that, Bai Xia stepped on the stone with her bare feet, and she immediately slipped, "ah!"

She waved her hands forward to grab something. At this time, an arm came out in time, caught her slender waist, and immediately Bai Xia lay in the arms of the man, and the man slightly bent down, with handsome face close to her.

Bai Xia panted a little. Her face was a little pale with fear, and her hand tightly hugged Xing Yifan's neck.

Xing Yifan pasted his ear to her, "no grievance."

Deep and charming.

Chapter 1096

White summer's earlobe immediately rose pink, she also some awkwardly stood up from his bosom, "Well! Then let's go back! "

Xing Yifan looked at the figure that she hurriedly walked forward. He thought about it, and Yang said, "white summer!"

Bai Xia walked a few steps, looked back at him immediately, with some expectation in his eyes, "what?"

Xing Yifan bit his thin lips and said in a loud voice, "you should know that I like you!"

Bai Xia's heart was immediately bumped. She forced a smile and said, "I don't know! Do you like me? "

Xing Yifan's eyes are deeper than that of the night, and his emotions are surging. At this moment, he seems to have nothing hidden, but confessed his mind to her.

"Well!" Xing Yifan stares at her little face and answers.

Night wind or some big, white summer unexpectedly did not hear clearly, she immediately asked again, "what do you say?"

Xing Yifan's face is a little gloomy. Is this woman intentional? Sure enough, he confessed first, which made her very proud, right!

However, Bai Xia is really innocent! It's windy.

Xing Yifan had to step in front of her and hold her slender shoulder with both hands. Her eyes were tightly locked, and there was some chagrin in her eyes. "I say again, I like you. From now on, you are not allowed to like any man except me."

Bai Xia heard clearly. There was a wet smile in her eyes. At last, she waited for his confession. It was so nice. She thought he would not confess!

"Good! I promise you, I don't like other people except you. " Bai Xia nodded her head and looked obedient.

Xing Yifan looks at her and reaches out to clasp the back of her head and prepares for a kiss to fall.

"Not on the street." Bai Xia immediately protested.

"What? Who can control the woman I kiss? " Xing Yifan immediately overbearing voice.

Bai Xia was a little embarrassed and said with a smile, "I'm still not your woman! I just promised to be your girlfriend. "

With that, Bai Xia broke away from him and ran forward with some pride, "you can catch up with me!"

Xing Yifan really didn't want to play this childish trick, but looking at the back running to the front, he carried forward in the wind, beautiful and moving.

He then disregarded any childishness not to be childish, chased her to say again.

Xing Yifan immediately stepped out with long legs and ran to her. Bai Xia was soon overtaken. She lay on Xing Yifan's shoulder and giggled.

Xing Yifan, however, was unwilling to do so. He grabbed the back of her head and burned it on her red lips.

Bai Xia looked around shamefully and saw that no one saw her. Then she was relieved.

At the moment, it's eight o'clock. Xing Yifan leads her and says, "go back!"

"Well!" Finally, Bai Xia can hold his hand openly.

In a high-end restaurant, a lonely figure sat there waiting. LAN Qianchen arrived at the restaurant ahead of time. He thought he could see Pei Yuehuang at once. However, it was ten past eight. She had not arrived yet.

LAN Qianchen is really hungry, but he is waiting patiently.

In the parking lot of the restaurant, a red cross-country vehicle stopped in the parking space, and a slender and tall figure immediately stepped down.

Pei Yuehuang looked at the time on the wristwatch, and the high-heeled shoes immediately stepped up. However, as soon as she arrived at the door, because she walked too fast, her feet were askew, her ankles suddenly hurt, and she took a hiss.

Damn it, is Wei here?

Pei Yuehuang had to turn around and walk into the elevator on the first floor of the restaurant. The restaurant is on the sixth floor, and she is usually a very time minded person. Tonight, she met a traffic jam.

Even if she came ahead of time, she didn't expect the traffic jam. She forgot that it was Christmas. No wonder so many people went out.

In front of LAN Qianchen, the waiter came again and asked, "guest, do you need to order first?"

"No, I'll wait for my friend to come." Said LAN Qianchen.

"OK! I'll give you some more water. " Finish saying, the waiter added a little water for him, in the heart some sympathizes with him, tonight's trip, all are lovers.

Is this handsome girl friend standing up for him?

Blue thousand Chen is looking at the scenery outside the window, cold not Ding heard the direction of the door, there are footsteps.

He immediately raised his eyes and looked at the woman who had just turned a corner. In the light of the light, she immediately put on a graceful and charming posture, forced to bear the pain of her ankle, and also to walk out of the natural pace.

A suit, flax color big wave long hair, make-up delicate, cold eyes, a woman full of air, suddenly become the focus of attention of male guests in the restaurant.

LAN Qianchen finally breathed a sigh of relief, but she finally came.

Pei Yuehuang went to the opposite table of LAN Qianchen, pulled out the chair and sat down, reached for his long hair, apologized to him, "I'm sorry, I'm late! You've been waiting a long time!" "No! I've only just arrived. " Blue thousand Chen smiled, looked at her, because last night's her, and now's her, just like the change of ice fire goddess.

"Order! Whatever you want, I'll treat you today. " Pei Yuehuang beckoned to the waiter.

When the menu was put down, LAN Qianchen picked it up and handed it to her, "you order it first!"

Pei Yuehuang was not polite either. She picked it up and ordered her favorite dishes immediately, because she was very hungry.

She didn't expect LAN Qianchen to be so persistent and wait for her all the time. Otherwise, she would eat in the restaurant next to the company as soon as she left.

"You can see what else to add." Pei Yuehuang handed back the menu.

LAN Qianchen takes a look at it and gives it to the waiter.

When the waiter left, Pei Yuehuang's eyes touched blue Qianchen's eyes on the opposite side. Her face was slightly hot. Now, she seldom blushed in front of men. I don't know why. She blushed a little in front of this man who was younger than her.

Maybe it's the reason why she was drunk last night!

"Young master LAN Er, I apologize again for what I offended you last night." Pei Yuehuang opens his mouth.

"Don't apologize. You didn't offend me last night. I just want to remind Miss Pei to drink less wine in the future." LAN Qianchen is also lucky now. Fortunately, he picked her up. If she wanted to change into another man, she would have let those men swallow her last night!

Pei Yuehuang already knew this. She nodded, "yes, I will try not to drink in the future."

Blue thousand Chen smiled a bit, "the girl is outside, or less wine."

"Lan Er went to that bar! Is it with friends? " Pei Yuehuang also talks along with the topic. In fact, she has been in a high position for a long time and is not good at chatting.

"Yes, I spend my time there with some friends."

"Oh! Fortunately, I didn't cause you any trouble. If you are with your girlfriend, she must have misunderstood you last night. " Pei Yuehuang smiled, meanwhile, the pain in her ankle became more and more obvious.

Blue thousand Chen a pair of clear eyes like stars bottom, passing a trace of stunned, he shook his head way, "I have no girlfriend."

Pei Yuehuang also followed Zheng, and she said, "Oh! I didn't mean anything else. "

She just said that, it is easy to misunderstand that she is asking about his personal love life.

LAN Qianchen reaches out and pours tea for her. "Drink water! I heard from your assistant that you have been in a meeting. Is the company busy? "

Pei Yuehuang took a sip of warm water from the cup. "It's OK." Then she said curiously, "isn't your eldest brother in charge of your family's company? Now you take over? "

The most famous one of blue family is probably blue Qianhao, because he often appears in business parties and many magazines. As the second young master of blue family, blue Qianchen has been abroad for a long time, so he is not well known.

"My eldest brother and sister-in-law accompanied my parents to travel around the world. Now, I am in charge." LAN Qianchen explains.

Pei Yuehuang immediately thought that LAN Qianhao had been married some time ago. It seems that they had gone on their honeymoon.

Pei Yuehuang's heart is on her ankle. It hurt when she sprained just now. Now it's like it's drilling into her bone. She can't help but hissing a little.

The opposite blue thousand Chen immediately heard, he looked up and saw Pei Yuehuang wring her eyebrows, as if she was not feeling well.

"Miss Pei, what's the matter with you?" Blue thousand Chen cares to ask a way, be hungry too much?

Chapter 1097

"Nothing. I sprained my foot when I got off just now." Pei Yuehuang also called for bad luck.

LAN Qianchen immediately got up and said, "show me."

"Eh? No, it's OK. It's not very serious. " Pei Yuehuang is a little embarrassed. Besides, LAN Qianchen is just a reward for her, and she has not thought about further development.

LAN Qianchen looks at her and cries out in pain. It must be very serious. He cares, "after dinner, I will accompany you to the hospital."

"Thank you. I really don't need it." Pei Yuehuang politely refuses.

LAN Qianchen has also collected his mind and mind. He also knows how to be measured. During the time he was waiting, he checked some information about her and got some understanding of her. As the only daughter of Pei's family, she is responsible for her family's company. Now at the age of 29, she is also paying for the company. There is another article that analyzes her emotional life.

It is said that she has no intention of getting married at all, because when she came back from learning hegemony, she inherited the family's company. Her love life is blank. Her ability is not inferior to that of any man. Her personality is strong and cold. If there is no man with enough courage, she dare not approach her at all.

At the moment, LAN Qianchen thinks about it. Maybe that report is right. She is really a strong person.

At this time, the food came up, just two people are hungry, Pei Yuehuang said, "eat it! The taste here is good. I often come here for dinner. "

Blue thousand Chen also has a good taste. Maybe he is hungry, but he still keeps a very elegant way of eating.

Pei Yuehuang's cell phone rang suddenly. Pei Yuehuang saw that it was from her grandfather. Her feet hurt and she couldn't go to the side to pick it up. She had to take it up and sit in the position to pick it up.

"Hello! Grandpa. "

"Moon Phoenix! Have you eaten yet? " That old Pei's voice is concerned.

"Eating."

"And eating! Pay attention to the diet! "

"I know."

"Well, I have a dinner tomorrow. It's just the last time I mentioned that Mr. Zhao's son is here. Come and have a meal together!" Pei is obviously running to find the right image for her.

Pei Yuehuang immediately made a helpless action of reaching for her forehead. She had some roads. "Grandpa, I said I didn't see you."

"Don't be so stubborn. Zhao company wants to know you very much. He is very satisfied with you."

"Grandpa, don't worry. I will never worry about marriage. Grandpa will not talk. I'll eat first. My stomach is hungry." Pei Yuehuang said as she hung up her cell phone.

LAN Qianchen looks up at her carefully. Of course he heard her call just now.

It seems that Miss Pei was forced to meet each other one day!

Pei Yuehuang looks up and touches a pair of clear star eyes. She is embarrassed at once. She smiles, "what are you looking at?"

"Did your grandfather ask you for a blind date?" Asked LAN Qianchen curiously.

"My grandfather is old. He wants me to get married as soon as possible and recruit a new son-in-law." Pei Yuehuang took vegetables and sighed, "even if I'm unfilial, I can't marry anyone."

Blue thousand Chen smiled a bit, "did you not meet to like?"

Pei Yuehuang bit her chopsticks and nodded, "yes, I don't like it, so I don't want to make do with it."

Pei Yuehuang was probably depressed for a long time in this matter. She looked up and said to LAN Qianchen, "Lan Er, as a sister! I also advise you, the future! You have to meet a girl you like to marry. Don't aggrieve yourself. "

LAN Qianchen was stunned, but he replied with a smile, "Well! I know. "

"I'm a few years older than you, but it's also my experience." Pei Yuehuang said, squinting his eyes and looking at him. "If I have a brother as big as you, maybe I don't have to be too busy to talk about feelings."

"Blue thousand Chen light cough a," I also have no less than you

"Three years younger is not small! When I was in kindergarten, you were just born! " Pei Yuehuang joked that she really has a big sister style.

Blue thousand Chen immediately handsome face tiny pan is red, think of last night she said those words to him, how then she did not treat him as younger brother?

Pei Yuehuang can't help but look slightly dazed. Under the light, blue Qianchen's face really has the feeling of an ancient master. It's as warm as jade and handsome as if she was born three points more delicate than a woman.

"Cough..." Pei Yuehuang feels that she has been staring at him for several seconds. She coughs gently to resolve the embarrassment.

"Lan Er young master, come on, I'll give you a toast. Thank you for saving me last night." Pei Yuehuang holds up a glass of champagne.

Blue thousand Chen also reached out to hold a cup to touch with her, he also rejoiced way, "fortunately you get on is my car."

"This is a kind of fate! I must not have been awake then. " Pei Yuehuang has not much memory.

"Well! It should be fate. " Blue thousand Chen hooks a lip to smile, the eye is beating her a suit, that delicate and perfect style under clavicle, he still looked a few last night. Pei Yuehuang's eyes have been sharpened. She sees blue Qianchen's eyes at her clavicle. She has no antipathy in her heart. Instead, she has some unspeakable joy. Does he think she has a good figure?"Young master LAN Er, I hope we all forget about last night." Pei Yuehuang reminds me.

Blue thousand Chen mind tiny Lin, he took back some thoughts, nodded, "I understand, I will not mention last night's matter to anyone."

Pei Yuehuang was also full. She put down her chopsticks and said, "I'm full."

"You only have a little." LAN Qianchen noticed that she didn't even have half a bowl of rice.

"I'm trying to lose weight and keep fit." Probably every woman doesn't think she's thinner.

Blue thousand Chen immediately chuckles, "you still lose weight! You are not fat at all! Your figure is perfect. "

After that, LAN Qianchen is embarrassed. Didn't he take the initiative to say that he appreciated her last night?

Pei Yuehuang heard his praise, or some use, she generous way, "thank you for praise."

"That I didn't mean to see it. " LAN Qianchen tries to explain.

Pei Yuehuang reached out and lifted the long hair on her chest to her back. "I didn't blame you."

"But you really don't need to lose weight. You need to think about your health." Blue thousand Chen reminds a sentence.

Pei Yuehuang squinted. "Do you really think my figure is perfect?"

Blue thousand Chen nods, affirms a way, "right, very good."

"Do you have any thoughts on me last night?" Pei Yuehuang suddenly flirts.

Blue thousand Chen immediately waved, "of course not."

"Oh! If not, it must mean that my figure is not perfect. Otherwise, you won't have no idea! " Pei Yuehuang found that it was very interesting to flirt with him.

Maybe I'm old. Looking at such a beautiful boy, I think it's one time to flirt with him! Otherwise, people can't see her big sister!

Blue thousand Chen this under embarrassed, he is biting thin lip way, "your figure is very good, is any man to see will have the kind of idea, of course I'm no exception. "

Pei Yuehuang was shocked. Unexpectedly, he told the truth. She stopped the topic immediately and talked about it again. It was ambiguous.

"We may meet in the business world in the future. We can make friends." Pei Yuehuang said to him.

"Well! Can I have your personal number, then?" LAN Qianchen summoned courage to ask.

Pei Yuehuang is not an ordinary woman. It takes courage and courage for a man to ask for her phone number.

"Give me your cell phone." Pei Yuehuang didn't refuse, but she was facing the second young master of the blue family. In the future, if she had a chance to cooperate, it would also be a development direction.

Pei Yuehuang reached for her number and handed him her mobile phone. She waved to the waiter to check out.

LAN Qianchen immediately took out the card and said to the waiter, "brush mine."

Pei Yuehuang immediately said, "no, I'll invite you tonight."

"It's the same for everyone." Of course, LAN Qianchen won't accept a girl's treat.

The waiter came over and looked at the two cards in some embarrassment. Pei Yuehuang's voice line showed a kind of arrogance, "brush mine."

The waitress immediately reaches for her card and swipes it, while LAN Qianchen looks at the woman across the street, "next time, I'll invite you!"

Pei Yuehuang is surprised. Does he want to make an appointment with her next time?

"Good! Have an opportunity to make an appointment. " She did not refuse.

The waiter sent the card, Pei Yuehuang stood up, and quickly, her ankle couldn't bear the force, so she quickly sat down again in pain.

Originally swollen ankle, where can wear into high root shoe?

Chapter 1098

Pei Yuehuang is a very strong woman. She doesn't care if her feet still hurt. She just put them into the high root shoes and said to blue Qianchen, "let's go!"

LAN Qianchen looks at her with some worries. Peiyuehuang thinks she can walk. How can she know that just when she gets up and steps down a ladder near the window, she can't stand a sharp pain. There is no place to support her, except for LAN Qianchen.

Therefore, she had no other choice. Her slender arm was directly put on the shoulder of blue Qianchen.

Blue thousand Chen also reacts quickly, looking at her to fall toward oneself, his healthy arm a hug, press her to own embrace to depend on.

Pei Yuehuang breathed a sharp smell of a big boy. Her heart strings swung a little, and the big palms around her waist made her touch a current all over her body, which made her numb for several seconds.

"All right!" A clear voice line rang in her ear.

Also made her return to God, she immediately replied, "nothing!"

After that, she tried to stand straight from his arms. However, she found that her left foot hurt so much that it was difficult to touch the ground. She bit her red lips and felt a bit embarrassed.

Blue thousand Chen looks at her brave appearance, his heart bottom gushes up an idea, he says directly, "offended."

Pei Yuehuang didn't understand what he had offended, so she felt two arms under her knees and arms under her arms, and her whole body rose with lightness, and she was held horizontally by LAN Qianchen.

Pei Yuehuang's beautiful eyes, which are usually cultivated, are slightly gaping at the moment, and even her clear headed head is blank.

Since she took over the company, no man has dared to be presumptuous in front of her, let alone embrace her like this.

LAN Qianchen held her in his arms and walked to the door of the restaurant. There were guests watching him, but he didn't care. Pei Yuehuang felt a little embarrassed and bowed his head in his arms.

In the elevator, LAN Qianchen continues to hold her. Pei Yuehuang's breath is full of his sunshine and clean breath, which makes her head dizzy.

LAN Qianchen, holding her out of the restaurant door, asked her, "I don't think your feet can walk at all. I'll take you to the hospital first, and then take you home."

"Er! Don't bother. I can get my assistant here. " Pei Yuehuang hurried out because she was sorry to bother him.

However, after saying that, she suddenly had a regret. Why didn't she accept his kindness?

Does she really want to reject all the men around her? In fact, this is also her habit, because she is a woman, she wants to show a pair of women do not let men strong.

But refuses all men's help, also manifests her one kind does not lose the man's heart. "I am very busy tonight, let me take it." LAN Qianchen didn't want to throw her away.

Pei Yuehuang's heart strings flicked a little, and she no longer refused, "that's trouble."

"No trouble." Blue thousand Chen is talking between, already held her to his sports car side, a blue sports car matches his temperament very much.

Fashion, youth and vitality.

Pei Yuehuang sat in the passenger seat, and LAN Qianchen immediately sat in. He navigated to a nearby hospital, gracefully holding the steering wheel, and drove out of the restaurant.

Pei Yuehuang's eyes fell on his young and handsome face several times, watching him wearing a watch with dark green color. At his clean cuff, his whole person was full of an attractive texture.

LAN Qianchen probably noticed her look. When he looked in the rearview mirror, he also showed a smile to her by the way.

Pei Yuehuang's heart beat quickly. She saw the warmth and doting light in the eyes of a man three years younger than her.

Pei Yuehuang immediately turned to look out of the window. How long has she been seriously in love with a man? So, just meet a good-looking man casually, are the hearts born rippling?

Besides, this is a man three years younger than her.

Pei Yuehuang bit her red lips and felt a little sadness for herself.

After LAN Qianchen drives the car to the hospital, he goes around the front of the car to the front passenger seat. He opens the door, and Pei Yuehuang gets off the car by holding the car frame. After she stands straight, LAN Qianchen closes the door and locks the car. He sees Pei Yuehuang wearing trousers. He bends down slightly in front of her. "Come on, I will carry you."

Pei Yuehuang is slightly stunned. Do you want him to recite this time?

Looking at the back of this slender and strong man, she swallowed her saliva, as if there was a kind of magic luring her silently on the back of blue Qianchen.

Pei Yuehuang reached up to his back, and suddenly, her two big palms on her hips held up powerfully.

Pei Yuehuang's beautiful eyes flashed a touch of consternation, but on blue Qianchen's back, she also felt a sense of security very quickly.

LAN Qianchen carried her to the gate of the hospital, first sent her to the orthopaedic clinic, and he ran to hang the number for her.

Pei Yuehuang's foot stamp was a little serious. The doctor asked her if she wanted to cast a plaster and she refused. She only asked the doctor to prescribe medicines for bruises. In addition, the doctor said some precautions. Pei Yuehuang decided to go home after she took a medicine in the hospital.

LAN Qianchen is not good at interfering with her decision, although the doctor suggested that she should have plaster.

LAN Qianchen continues to carry her out. After Pei Yuehuang gets into the car, she says to LAN Qianchen, "please take me home."

Then she said the direction of a villa area.

"Is it OK for you to be at home alone?" LAN Qianchen asked worried.

Pei Yuehuang easily raised Demi, "of course, no problem, I can take care of myself."

"Then you can take care of yourself at home these days! Don't go out for a while. "

"No, I have an important meeting tomorrow." Pei Yuehuang said, she slightly chagrined, why to say so much?

Blue thousand Chen drives a car at the same time, turn a head to look at her in astonishment, "you are the boss of the company, can't you take a few days off for yourself?"

Pei Yuehuang didn't want to talk about her life very much. She smiled, "thank you for your concern."

At this time, Pei Yuehuang's mobile phone rang, and she picked up and looked at assistant Xu min.

"Hello! Xiaomin. " Pei Yuehuang picks it up.

"Mr. Pei, I'll send your detailed schedule to your mailbox tomorrow. Do you have anything that needs to be revised?" Xu Min will give her the schedule for tomorrow at about 9 o'clock every day.

Pei Yuehuang also knows that her schedule tomorrow is in the company, occupied by the meeting from morning to afternoon.

"Put off my lunch with the president of Shide group."

"OK!" Xu Min answers.

After Pei Yuehuang hung up the phone, she checked the itinerary with her mobile phone, and the full day was occupied. Even if the temporary visitors could squeeze out the time, it would not exceed half an hour.

In the dark blue light, blue Qianchen frowned and looked at the woman who was reading the mail quietly. He even worried about her, even some inexplicable anger. "Is your work more important than your body?" Blue thousand Chen's grudge asks.

Pei Yuehuang, looking up at him, accepted his cell phone and said, "my body is OK."

"I can't walk normally. Do you think it's ok? You don't have to prove how strong you are. Sometimes it's not good to be brave." LAN Qianchen sees through her strong appearance.

Pei Yuehuang's face is in the dark carriage. Some of it is slightly hot. When is it a little boy's turn to educate her?

"Young master LAN Er, it's not good to be nosy! Pei Yuehuang joked.

Blue thousand Chen immediately choked for a while, he did not expect, care about her is also disliked by her.

At this time, his sports car has already driven into a villa community in the center of the city. Pei Yuehuang points to a Avenue, "this road will arrive in the end."

LAN Qianchen's sports car stopped in front of a single big villa. He pushed the door to get off, and Pei Yuehuang also pushed the door down from the passenger seat. She was holding a bag of medicine in her hand. She barely stood and said to LAN Qianchen, "thank you for sending me home. Goodbye."

Blue thousand Chen suddenly rings an arm to smile to ask, "need I take you home?"

Pei Yuehuang said awkwardly, "no, go back!"

"Let me breathe. You can go in!" Blue thousand Chen's slender body, leaning on his shining sports car, just like a supermodel, exudes a fascinating atmosphere.

Chapter 1099

Pei Yuehuang only feels that he is intentional. He doesn't want to help her, but he wants to see her jokes. She is reluctant to stand now, let alone go home.

In fact, she thought that if he left, she would be able to let herself in, even if she jumped on one foot.

But LAN Qianchen is looking at her here. She is really embarrassed.

"Lan Er young master, I hope you don't mind if there's something wrong with you in my words just now." Pei Yuehuang is a little funny. It seems that the blue second young master is angry with her!

"If you want me to take you in, just say it." LAN Qianchen is waiting for the brave woman to ask for help.

Pei Yuehuang stared at him with her beautiful eyes, trying to stare at other men with her usual high cold momentum.

However, LAN Qianchen seems to be on the line with her. He has a funny smile on his thin lips. "Mr. Pei, I'm very warm-hearted, as long as you talk."

"Don't be naughty, young master LAN er. Hurry up!" Pei Yuehuang doesn't know. Is it so hard for the little boy to deal with now?

Blue thousand Chen slants not to leave, he is putting his hands in the pocket, a pair of perfect expression looks at her, in the eyes is showing his stubborn.

Pei Yuehuang's feet are really tired. She can't hold them for so long. She takes a breath and raises the injured foot. Blue Qianchen can see that she can't stand. He just walked to her and said, "I'll take you in."

Pei Yuehuang's strength seems to have failed in front of this man. She can't help but smile first, "OK! I accept your help. "

LAN Qianchen leaned down again and held her up. Pei Yuehuang hurriedly put her arms around his neck. From her perspective, she could only see the man's beautiful jaw line and the breath of masculinity in his body.

Pei Yuehuang can't help but feel the warmth in her body. Tonight is probably the most time she has been in contact with a man in recent years.

Into the hall of the villa, the whole bright villa, very emotional, full of the atmosphere of female maturity.

Pei Yuehuang sat on the sofa and said to the man who kindly sent her in, "Lan Er, what do you want to drink? Get it in the fridge. "

LAN Qianchen didn't really want to leave so soon. He went to the refrigerator and took a bottle of water out. Now it's 10:30.

"Let's have a rest at home tomorrow!" LAN Qianchen sits opposite her and stares at her.

Pei Yuehuang held back a smile and said calmly, "Lan Er is very concerned about me?"

Compared with her eyes, Pei Yuehuang, who has been working in the mall for seven years, always has the upper hand. Her eyes are concise and sharp, and there is a sense of oppression at the bottom of her eyes.

Blue thousand day star Mou tiny twinkle, he laughs way, "out of the concern of the friend."

"Thank you! It's late. You can go back and have a rest! " Pei Yuehuang said with a smile, with a hint of customer chasing in her tone.

Blue thousand Chen nature is not good to stay again, he takes water to rise way, "that you rest early."

With that, LAN Qianchen stepped out of the door. He walked through the garden and looked at the woman on the sofa through the French windows.

In the warm crystal light, she is sitting like an ice beauty, the whole picture gives a kind of loneliness.

Like the media, she is a woman who enjoys loneliness.

Blue thousand Chen returns to the car, he can't help but heave a breath, as if backlog a stuffy block to spit out at the moment.

He can't help but laugh at himself. Why does he care so much for her? Is it because I almost saw her last night? What do you want to compensate her for?

In the hall, Pei Yuehuang's mood is also a little disordered. At this time, she should think about the meeting tomorrow, but now her mind is full of what happened tonight.

Thinking about it, she can't help holding her forehead and laughing at herself. What's wrong with her? Anyway, there is another problem! LAN Qianchen is a man three years younger than her. Even if she thinks about it, it's not interesting.

In Bai Xia's living room, there is a figure at the moment, and Xing Yifan's lazy chair sits on her sofa to watch the ball game.

Ming Ming's TV is much more expensive than her, and the screen is much bigger. But he still depends on her to watch the ball game and knock the melon seeds she bought.

Looking at the time, Bai Xia stepped out of her study and said to the man on the sofa, "Xing Yifan, it's late."

Does he want to leave?

Xing Yifan turned to look at her and said reluctantly, "what if I say I want to stay?"

Bai Xia's pretty face immediately turned red, and she said seriously, "it's just a confession! It doesn't mean we're going to live together. "

Xing Yifan's eyes frightened her, and he immediately closed his hot eyes, "I still can't sleep!"

"Go back to your room and have a look! I'm going to sleep. " Bai Xia is a little sleepy.

"You sleep with you. I'll keep looking at mine. I won't disturb you." Xing Yifan wants to stay at her house. Finish saying, still very active turn down the volume, enough not to affect her sleep at the bottom of the sound.

Bai Xia is slightly staring. He is here. How can she sleep! Can she sleep?

Though not worried about what he will do, it will affect her.

"Then Let's watch a movie! " Bai Xia also wants to stay with him.

"Good! What do you want to see? It's a good time to watch horror movies. " Xing Yifan proposed.

As soon as Bai Xia heard this, he immediately had some hair on his back I don't want to see it. "

"Then watch the romance!" Xing Yifan proposed.

Bai Xia refused, "I don't want to see it."

"What do you see?"

"Watch cartoons." Bai Xia said.

Xing Yifan is speechless.

"Only children watch cartoons." Xing Yifan can't help raising eyebrows to protest.

Bai Xia sits beside him and picks up the remote control to find the movie animation. Xing Yifan protests, but the protest is invalid.

Bai Xia finds what she loves to see and feels slander again. She reaches out and takes the hot strip just removed in the afternoon.

As soon as he was about to deliver it to his mouth, he heard a low male voice order, "no such food."

Bai Xia immediately looked up at the man beside her. "It's delicious!"

Xing Yifan takes it away from her, and Bai Xia swallows her saliva. She is going to slander her saliva.

"Give it to me! I only eat one. " Bai Xia didn't expect to make a boyfriend. She even has to take care of what she eats.

Xing Yifan had to hand it to her. Bai Xia took one out and threw it directly into the garbage can.

Bai Xia watched painfully and had to solve the slander. Xing Yifan got up and poured her a glass of water and put it at the table.

After eating, Bai Xia felt thirsty. He picked up the water and drank it. Xing Yifan watched the cartoon, but he didn't care.

Because, as long as the women around him accompany him, it's not important to see anything.

Bai Xia watched with relish. At this time, she had an arm on her shoulder. Bai Xia was shocked, but she was pressed by a force to rely on the past in the arms of the men around her. Bai Xia is a little shy, but she still snuggles in. Xing Yifan feels her body like a warm and fragrant nephrite. In this long cold night, it's a kind of torture.

At this time, he wanted to take her into the warm quilt.

Bai Xia looks at it, but her eyelids are heavy. In Xing Yifan's arms, she doesn't feel cold, but she feels sleepy.

"Well! So sleepy. " Bai Xia immediately lies in his arms and mumbles a word. When he closes his eyes, he falls into a dream.

Xing Yifan's healthy arm held her firmly and looked at the woman who was familiar with him like a baby. He burned her red lips with some unhappiness.

He was so hot that she could sleep quietly?

Xing Yifan also can't let her sleep in the living room, although in the air conditioning, there will be cold.

He stretched out his hand to hold her horizontally and walked to her master bedroom. The pink and blue sheets full of girl's breath were soft and wanted to sleep.

Xing Yifan gently puts down the girl in his arms and tucks in the quilt for her. He crouches in front of the bed with his chin lightly on the edge of her bed. He looks at the face that is unprepared for him. His mood is complicated.

Does she really believe him too much? Damn it, in order to be worthy of her trust, he should suppress his full of boiling heat and dare not step beyond the thunder pool.

Xing Yifan leaned down again and kissed her on her red lips. Bai Xia was sleeping. He knew it was him. He just pushed his face and said in a dreamy way, "Xing Yifan Let me sleep. "

Xing Yifan pinched her face again. "Give you some more time. You can't refuse me later."

## Chapter 1100

When it was almost dawn, Bai Xia woke up once. When she saw the soft night light in the room, she couldn't help chuckling. The man turned on her night light.

She cuddled the quilt and continued to sleep, while the quilt in her arms was as comfortable as hugging Xing Yifan.

God knows that in the next room, a man took a cold bath and watched the ball game in the middle of the night before he went to bed.

In the early morning, Bai Xia wakes up. She used to dress casually, and she would not make good use of her beautiful face.

But now, she pays more attention to the daily wear, because she wants to wear it in front of Xing Yifan.

However, she forgot that when Xing Yifan liked her, she didn't like dressing much.

Maybe this is the willfulness of Yan!

Bai Xia comes to Xing Yifan's room. She wants to ask him to have breakfast together. When did she fall asleep last night, she also forgot. She is worried that he hasn't got up yet. Bai Xia thinks about it. Do you want to ring the doorbell? If he hasn't got up, will he wake him up? She can come into his room anyway.

Bai Xia thought, let's sneak in and have a look! Bai Xia reached out and opened the door of his room, walked into his hall, then walked to the man's room like a kitten.

This man has no habit of closing the door when he sleeps. Bai Xia is speechless. She gently lies in the door and looks inside. There is no one in the empty bed?

Bai Xia immediately went to bed, a little shocked, what? Did he get up? Besides, I didn't ask her to have breakfast and left?

It's half past seven tomorrow!

Bai Xia is a little disappointed. At this time, the bathroom door beside her suddenly opens, and Bai Xia immediately rushes past.

I saw a man wearing only bullet underpants come out red. Xing Yifan didn't expect this woman to come here in the morning.

"Ah..." Bai Xia was so scared that she covered her face and turned her back, as if she saw something hot on her eyes.

And the man who just got up in the morning, the picture is naturally not harmonious, Xing Yifan can't help but lift up the corner of his mouth, he naturally reaches for a nightgown beside him and puts it on. "Don't you come here quietly in the morning just to take the opportunity to look at me?" Xing Yifan made a sound of teasing.

White summer pretty face is suffused with red, still cover tight eye, do not have good airway, "just not."

"Satisfied with what you see?" Xing Yifan is surrounded by his arms. He looks wild in the morning.

Bai Xia had to go against him and say, "I'm not satisfied."

Xing Yifan's handsome face was frustrated and even doubted about life. What? This woman is not satisfied? He is very confident.

"I'm not satisfied. Just a glance is not enough." Xing Yifan was a little annoyed with his thin lips. At last, he made up for it by saying, "we have to try." ? "stop stop stop Stop talking about it. " Bai Xia stops at once.

"Say it! What's wrong with running to my room in the morning! " Xing Yifan picked up a cup of tea beside him and drank it.

Bai Xia turned around and looked at the man from the gap of his fingers. When she saw that he had put on his robe, she just let go of her fingers and said angrily, "why don't you wear clothes and shake around?"

Xing Yifan picked up some innocent eyebrows. "What clothes do I need to wear in my family?"

Bai Xia glared at him, "what if there is a guest?"

"There's no one in my room but you." Xing Yifan narrowed his eyes and smiled. His tall body couldn't help but get closer to her. "Now I know the importance of you!"

The blush of Bai Xia's pretty face hasn't disappeared, but when he heard this, he was still sweet inside.

"That's what it's like to be my woman."

"Is it? Does the salary card have to be given to me? " Bai Xia blurted out, only to think of this topic for a while.

Xing Yifan's smile deepened, "OK! I'll give you all my cards. "

This, can let Bai Xia to be anxious, she hurriedly puts a hand way, "calculate calculate, I don't need, I don't care your money."

"Why?"

"I like to lose everything. What if I lose all your cards? I'm under too much pressure. " Bai Xia thought of his balance, the amount close to the ID number, and gave it to her. She didn't dare to touch it. Can she go shopping happily in the future?

"If you want to use money, ask me directly. I'll give you whatever you want." Xing Yifan can't help but get close to her little head and rub it.

Bai Xia is not short of money now. She is not the one who likes famous brand and famous bag. She can use everything!

"Not for now." Bai Xia shakes her head. She has been self-sufficient since she was about 18 years old. Therefore, she spends money from others, which makes her conscience uneasy.

"Wait for me to have breakfast." After that, Xing Yifan went to his cloakroom to change clothes.

In a short time, a dark shirt and trousers were on. He was buttoning his wristwatch out. The handsome and charming appearance made Bai Xia overindulge her eyes. Now, as long as she had no inspiration, she would be inspired if she glanced at this man more often."Xing Yifan, are you dressed like this? Are many girls winking at you outside?" Bai Xia can't help being jealous. Where is this man not the focus of women?

It's not easy to make a handsome boyfriend!

Xing Yifan's eyes fell on her. "Don't worry, you are the only one in my eyes. I have no feelings for other women."

"I Do I have such a charm? " Bai Xia doubts herself.

Xing Yifan also wondered how he liked her? But once you like it, there's no reason to talk about it.

"Probably because you are so stupid, you need me to worry about it! So, taking care of you has become an indispensable thing in my life. " Xing Yifan, a steel straight man, has a unique way of saying love words.

Bai Xia always thinks something is wrong when she listens to him. She stares at him angrily. "Will it kill you to say I'm cute, I'm beautiful and I'm gentle and charming? Give you another chance to reorganize your language. "

Xing Yifan is stunned and laughs at once. He hugs her directly. He looks pretty close. It seems that he is ready to say love words.

"Like is the choice, love is only you."

"Can you speak Chinese?" Bai Xia immediately protested. Did the man have to let her guess?

Xing Yifan clasps the back of her head with a smile and kisses her severely. Because of her loveliness, he can't resist his impulse to kiss her.

Bai Xia's head was badly starved of oxygen until the man let her go. At the same time, he dropped a sentence in her ear: "like is choice, love is not you."

Bai Xia knows that this is the translation of his love words in English. Her heart is filled with happiness.

Xing Yifan kisses her forehead, "OK, have breakfast! Otherwise, I want to eat you. "

Bai Xia can't help but be startled, hurriedly ring bosom vigilant of look at him.

Xing Yifan chuckled and said angrily, "what do you mean? Isn't it a matter of time before we get together? "

Bai Xia immediately bit her lips, without refutation, but the shyness of her pretty face represented that she had not thought about it at all.

Two people came out for breakfast. Just after the elevator arrived at the next floor, she met Du Anqi. She was surprised to look at them and also took the opportunity to look at Xing Yifan. This can make her life complete. Gao Leng, the man who used to be a cool guy, now has a grounding side.

"Bai Xia, have time to make an appointment for coffee." When Duanqi is on the first floor, she gets off the elevator.

"Good!" Bai Xia also smiles and agrees.

Elevator door closed, Xing Yifan slightly twisted his eyebrows and said, "when did you have such a good relationship?"

"Once we met, we started to talk. We were all talking about you." Bai Xia said with pride, "I know a lot about your past."

Xing Yifan said without pressure, "I didn't have a handle in the past."

"I hear you have a lot of love letters! Have you ever secretly accepted someone's love letter? "  
Asked Bai Xia.
