

U. CEO Daddy 1101

Chapter 1101

Xing Yifan was very sure, "no! Those love letters are nothing but my sister's snacks and movie tickets. "

"Eh? Do you say Xing Yinuo? My God? I forgot. She's your sister! My God? When can I see my idols Bai Xia immediately becomes a little girl.

Xing Yifan turned his head and shook his head helplessly. "What does she have to adore? You might as well worship me from now on. "

Bai Xia immediately doesn't follow, "just not."

Xing Yifan is speechless about his sister's taking over the limelight.

In the car, Xing Yifan went straight to the breakfast shop he used to go to. Today, Xing Yifan had an important joint hearing. Cheng Liang's business was almost done. Niu de showed his horse's feet, and Liu Baoneng was also in a panic. When he wanted to deal with some evidence of the company, he was caught by Cheng Liang on the spot. In fact, Xing Yifan planned all this.

Now that the case is on the waiting list, Xing Yifan wants to end it years ago.

After breakfast, Bai Xia bought fruit downstairs and went home to work. Her work is also very important. She must have a different sense of achievement, especially now that the comic book has been serially published.

Bai Xia's editor in chief also urges new progress every day. Naturally, Bai Xia spare no effort to draw it, and also records her and Xing Yifan's sweet moments.

LAN's group, LAN Qianchen is holding a regular morning meeting, but when his subordinates are reporting, his thoughts are wandering. In his mind, Pei Yuehuang's figure appears. This brave woman should not really go to the company's meeting!

If she doesn't have a good rest, she will have more trouble in the future.

LAN Qianchen thought about it, and said to the meeting staff, "farewell, and hand in the report to me later."

Then he picked up his cell phone and went to the office. He dialed Pei Yuehuang's number directly.

At the moment, Pei group, an important meeting hall, is holding a very important shareholders' meeting with a dozen shareholders.

While sitting in the chief position, Pei Yuehuang's mobile phone vibrated. In the quiet conference hall, it was still very noisy.

Pei Yuehuang picked up her mobile phone and looked at it. The name on it made her feel slightly shocked. She put out her hand and picked it up in a low voice, "Hello!"

"Are you really in a meeting?" Blue thousand Chen hears her voice in a low voice, add that end quiet extremely environment, knew that she came to the company.

"What's the matter with young master LAN er?" Pei Yuehuang twisted her eyebrows. It's not convenient for her to answer the phone now.

"It seems that my concern last night was all in your ear!" LAN Qianchen said angrily.

"Sorry, I can't answer the phone. Goodbye." Pei Yuehuang pressed it directly and said to the manager who just interrupted, "go on!"

The manager immediately continued to report the financial performance. Pei Yuehuang gave a sharp look at her mobile phone, and her eyes also flashed a touch of softness.

She didn't expect LAN Qianchen to be so thoughtful and call to greet her.

But I don't know. Young master LAN Er, who has been hung up, is now upset! Blue thousand Chen sits in the broad boss chair, the body has turned a circle, a beautiful face like a crown jade, at this moment seems to be the beast that is annoyed.

Dare to hang up?

Come on, what's his business? This woman has nothing to do with him! What's the matter with him? What's more, people don't appreciate it at all.

Blue thousand Chen is biting thin lip, however, still can't stop worrying.

Pei Yuehuang's meeting ended at 11:30. After everyone left, she came out with the help of assistant Xu min.

What she seldom wears today is a pair of flat shoes instead of high ones.

"Mr. Pei, it's too hard for you to work because you've been injured like this." Xu Min said painfully.

"What is the pain?" Pei Yuehuang disagrees.

Xu Min also knows that even if Mr. Pei just went to the hospital and hung the potion overnight, he would appear in the company every two days to process the documents. Why can't the label of the strong woman on her tear off? It is because her words and deeds are full of the strength of men.

"How was your dinner with master LAN Er last night? Is he a very handsome and charming man? Has anything special happened? " Xu Min has been with her for five years. In addition to the relationship between her superiors and subordinates, she also has the feelings of friends and sisters.

Pei Yuehuang's eyes flashed a little complex, her face did not have any expression. "It's just the usual social dinner, nothing special."

Xu Min is also used to talking about men. It's just a indifferent expression. In this way, Pei has to be insulated from men for the rest of his life.

At this time, Qu Hao, another assistant of hers, hurriedly stepped over. "Mr. Pei, just now the front desk called and said that Mr. Zhao's eldest son is here. I'd like to ask you to meet him downstairs."

Pei Yuehuang twisted her eyebrows. This is the eldest son of Zhao family. It's the same photo that Grandpa wanted to introduce to her.

Pei Yuehuang said coldly, "tell the front desk that I don't have time now."

"But I'm afraid I can't stop it." "Don't give him too much face." Pei Yuehuang hums coldly and returns to the office with Xu Min's help.

In the direction of the front desk, a man in a suit and in his early 30s is waiting patiently for the appointment to succeed. However, the front desk lady in front of him answers the phone and says to him, "I'm sorry, Mr. Zhao, but we, Mr. Pei, are very busy today. Maybe we can't spare the time to see you."

Zhao Dong's eyes were heavy, and his eyes were obviously not willing. He came today to persuade Pei Yuehuang to join us in the dinner tonight, because he received a phone call from Pei Laozi, saying that his granddaughter would not join.

Zhao Dong said directly, "I'll go up and find her myself!"

"No, Mr. Zhao, we have rules here. You can't go up without an appointment."

"My relationship with Pei's family should not be concerned about this." Zhao Dong said, and went to the elevator.

"Mr. Zhao..." The front desk stood up, but couldn't stop it, because the identity of Zhao's family was really not something they could stop at the front desk.

Pei Yuehuang is sitting in the office, checking and signing the reports piled up beside her! At this time, Xu Min hurriedly pushed the door in, "Mr. Pei, that Mr. Zhao came up, the front desk can't stop him."

Pei Yuehuang's cold face flashed a thick frown. She raised her eyebrows and said, "then let him come up!"

It seems that some men do not see the coffin without tears.

Soon, Mr. Zhao appeared at the door of the elevator. He pulled his tie confidently. He was in his early thirties. He was smart and handsome. He had a pair of peachblossom eyes.

"Mr. Zhao, you are here. Pei is always waiting for you in the office." Xu Min came forward to receive him.

"OK, I'll go to find Yuehuang myself." Zhao Dong said as he walked toward Pei Yuehuang's office.

Zhao Dong and Pei Yuehuang are not the first people to meet. In the past, at a banquet, he liked to circle Pei Yuehuang, but Pei Yuehuang didn't give him a chance to get close.

Pei Yuehuang's office door knocks and Zhao Dong comes in with a smile. "Yuehuang, are you busy?"

Pei Yuehuang looked up at him from the report and said, "what can I do for you in such a hurry

"I heard from your grandfather that it's a pity that you pushed the dinner tonight. So, Yuehuang, let's have dinner together tonight!" Zhao Dong advised her to sit down in the chair opposite her and lift her legs gracefully.

Pei Yuehuang continues to be busy, as if he didn't hear this sentence. Zhao Dong waits for a while and doesn't see her talking, but he coughs a little awkwardly, "Yuehuang? Moon Phoenix? Are you listening? "

At the moment, a woman who works hard is really sexy and charming to him, and few women have lived up to a man's momentum.

"I'm very busy today. Maybe I don't have time to go. That is to say, my grandfather told it to you for me. You don't have to go there in person." Pei Yuehuang finished, put down a document, and continued to take one in his hand.

"Yue Huang, you know what I mean to you. It hurts my heart that you always refuse me!"

"Zhao Dong, it's better to coax your yingyingyingyanyan than to spend his mind on me." Pei Yuehuang gave him a sharp look from the side of the report.

"Where can I come from! I just like you! Yue Huang, you can't wrong me. I'm sincere to you. " Zhao Dong quickly explained that he was sincere.

Chapter 1102

"Since I saw you at the banquet five years ago, I've been shocked. Your beautiful appearance has taken my soul away. I don't like other women except you, Yuehuang. Stay with me! You know, your grandfather is worried about your marriage, and I promise to go back to your house and be your son-in-law. " Zhao Dong has figured it out.

Pei Yuehuang sneers. Maybe this set can win her grandfather's heart. She thinks that there is a son-in-law who cuts in backwards. In the future, Pei's group will be managed by someone. However, this set is not popular with her.

"Do you think my family will be short of my son-in-law? As long as I want to, there should be a lot of men willing to be son-in-law. "

Zhao Dong immediately panicked, "but, I really like you, we are door-to-door, more suitable."

Pei Yuehuang is really annoyed at the moment. She knows Zhao Dong is a man. As long as he is given time, he can express his love for three days and three nights, and she has been fed up with listening.

Therefore, the most effective way to let him leave and return her peace is one sentence. Pei Yuehuang calmly looked at Zhao Dong on the opposite side, "Mr. Zhao, you'd better not waste each other's time. I have someone I like."

"What? No way. " Zhao Dong knows that she must be lying to him, because Pei Yuehuang's character can't like a person so fast.

Because Pei Yuehuang can't see any other man at all, she has higher eyes than the top, and only a few can match her in the business world, but she has basically been married, only he has to wait for her to be unmarried when she is thirty-two years old, so he thinks he is the most suitable.

Pei Yuehuang smiled for a moment, "why can't it be? I really need someone I like. "

"Who?" Zhao Dong felt that she had to name the man, and he would immediately find out the three generations of the man's ancestor.

Pei Yuehuang suddenly has a young and handsome face in her mind. She is stunned. How could she think of LAN Qianchen at this time?

"Will you leave as soon as I say it? Don't disturb me? " Pei Yuehuang asked.

Zhao Dong immediately nodded, "yes, as long as you say the name of the person you like, I will not disturb you immediately."

"All right! Then listen to him, Mr. Zhao! His identity is no worse than yours. He is LAN Qianchen, the second son of the blue group. " Pei Yuehuang had to use LAN Qianchen as a shield.

Stop Zhao Dong's rotten peach blossom.

"What? The second son of blue jewelry group? Is there a second son in his family? I only know blue Qianhao, the president of blue group. Isn't he just married? " Zhao Dong immediately said that he was very clear about the business people.

Pei Yuehuang had to say, "Lan Qianchen, the second son of LAN."

"He should be smaller than you! I remember LAN Qianhao is only 29 years old this year. How old should his younger brother be? How old is Yue Huang? Do you like the love between brother and sister? " Zhao Dong immediately surprised Yu Lu and reminded Pei Yuehuang that she was not young.

Pei Yuehuang's face is slightly ugly. "What's the matter with brother-in-law love? Is it against the law? "

"Yuehuang, I'd like to remind you that men are realistic now. Men like to find small ones and a big sister as their girlfriend. They will dislike them. Moreover, women age faster than men." Zhao Dong let her face the reality soberly.

Pei Yuehuang bit her red lips, and her face was cold. "Zhao Dong, you don't need to remind me!"

Zhao Dong just found out that it was like touching Pei Yuehuang's scale, which annoyed her. He immediately hit haha, "I'm sorry, I'm sorry, I didn't mean to hit you, but Yuehuang, you know, I've been waiting for you, see you at dinner."

After that, Zhao Dong got up and left. Pei Yuehuang stared at him and went out. Her mind was also a little confused. She regretted taking LAN Qianchen as a shield and pulling a smaller cover than her. Anyone would laugh at it and would not believe it.

Zhao Donggang just sat in his car, then called a series of phone calls, some of them said, "check the information of LAN Qianchen, the second son of LAN's group, I want the most detailed."

A young brat dare to rob the woman he likes.

At the moment, Lan group, LAN Qianchen didn't know that she had been used by Pei Yuehuang.

Pei Yuehuang soon received a call from her grandfather, "Hello! Grandpa. "

"Moon Phoenix! Did Xiao Zhao go to see you? Tonight's dinner, you must come here, or you won't give grandpa face, you know old Zhao is my comrade in arms! We are friends. Don't brush grandpa's face. If you don't come, I don't know where to put my old face. "

"Grandpa! Must we go? " Pei Yuehuang asked.

"Grandpa didn't ask you, so he asked you. Have a meal in the evening." There was a hint of entreaty in Mr. Pei's tone.

"Well then! I will go. " Pei Yuehuang thought, even if bear Zhao Dong, also give grandpa a face! Face is more important than anything.

Put down the phone, Pei Yuehuang gathered a long hair, she breathed a breath, deal with Grandpa's urging marriage, more headache than deal with a lot of work. Do women have to get married? Who says that he must do certain things at a certain age?

Pei Yuehuang has never thought that her life still needs to rely on a man. There is nothing she can't solve. She has caused great trouble, and she can carry it by herself.

On the contrary, if a man comes out, her life will be in a mess.

What's more, she has a lot of married friends around her, who have left. She still has two friends who will complain to her every day, and she doesn't want to touch marriage.

In a word, she would rather live a free and unrestrained life outside the marriage wall. No one cares about her. She can do anything she likes.

Pei Yuehuang looks at her aching feet and thinks that Xiao Min will accompany her tonight. She doesn't want to give Zhao Dong a chance to be courteous.

Pei Yuehuang's head can't help but think about it. I don't know if LAN Qianchen will be angry with the phone that hung up in the morning.

He was kind enough to care for her, and she gave her a cold face.

Pei Yuehuang wants to call back to apologize, but it's not necessary to think about it. There is no intersection between the two people's lives, and there is no need for it in the future.

I believe that this time, after her indifference, the blue second young master should not take the initiative to call her again!

She received the restaurant address from Mr. Pei on her mobile phone. She took a look and kept busy with her work.

LAN Qianchen is sitting in the office. Because of the hang up call in the morning, he is not happy all day.

Maybe he hasn't been so indifferent by a woman. He's a little depressed.

At this time, his assistant pushed the door in, "second young master, the evening game has been decided. You are sure to go!"

"Well!" LAN Qianchen said that he had to come forward when it came to new cooperation projects.

In Zhao Dong's villa, his assistant came in with the collected information. Zhao Dong immediately opened the envelope in a hurry, and quickly pulled out the information inside. What first caught his eyes was a high-definition airport photo, which was secretly taken by the media.

In addition to blue Qianhao in the photo, standing beside him, there is a clean and handsome boy in a white shirt, with thick black hair, who is very handsome. What surprised him is his appearance. What genes are the blue family? How can the two brothers be so handsome that they are envious?

"Are you sure this is LAN Qianchen, the second son of the blue family?" Asked Zhao Dongchao's assistant.

"I'm sure it's the second young master of the blue family. However, he seldom appears in public. This one was obtained by media friends."

Zhao Dong's eyes flashed a little complex. He looked at the big boy in the picture and thought about Pei Yuehuang's gas field like a goddess. These two people couldn't fight with each other!

"However, young master, this picture was taken two years ago, and no recent picture has been obtained."

Zhao Dongxin thought that in two years, it's not necessarily that the blue two young master will change to be mature. Moreover, he looks so handsome. What kind of pursuer does he want? Maybe those beautiful girls are a lot. On the contrary, a strong woman like Pei Yuehuang is not interested in it!

Chapter 1103

He carefully took out the information of LAN Qianchen and looked at it. His resume made him blush again. He was 26 years old. He was three years younger than Yuehuang. How could such a family man be willing to be his son-in-law?

Zhao Dong took a sigh of relief. He took a look at the time of the watch. It seems that he has to dress up well and attend the dinner tonight.

Because he received the phone call from Mr. Pei, Pei Yuehuang would like to come here.

At around five o'clock, Bai Xia has been busy all day and wants to go out for a stroll. Now she is sitting in a milk tea shop and brushing the popular short video. There are many interesting things in it.

She flipped and flipped. Suddenly, in a picture, someone was photographing a group of people who had stepped down. The most striking thing in the picture was walking in the middle. He was carrying a briefcase with sunglasses covering his eyes. The air of high cold could be emitted across the screen.

And this man is not someone else! It's Bai Xia's boyfriend Xing Yifan.

Bai Xia was also shocked by someone who had secretly photographed Xing Yifan. He saw that this person had a series of pictures in a row, exaggerating to write that I wanted all the information of this man in five minutes.

It's only an hour since it was uploaded, and tens of thousands of comments have been made. The following are a group of women shouting. They are so handsome and handsome. As my husband, I want him to say his name. However, no matter who he is, just by virtue of his figure in the picture, they already represent his extraordinary identity.

Bai Xia covered her mouth and almost burst out laughing. What is Xing Yifan's magic power? He became famous on the Internet just after being photographed? However, in the video, he is really handsome and awe inspiring, with an elite demeanor, and a sharp and wise atmosphere.

Looking down on the comments, it's all a group of female fans' fanatical expressions. Bai Xia is biting her lips and secretly enjoying herself. This is my boyfriend. Please keep it down!

For the first time, I felt that I could have such a sense of vanity when I became Xing Yifan's girlfriend.

Bai Xia is looking at it. Her mobile phone suddenly turns. A phone calls in and displays the name on her screen. Who is Xing Yifan?

White summer immediately sweet pick up, "Hello! Where is it? "

"Just finished the work, where are you?" That end Xing Yifan low voice asks.

"I'm in a nearby milk tea shop. Where are you?"

"I'm almost home. I'll go shopping later."

"Good!" Bai Xia is also willing to, because such a peaceful time is the best time for her.

Even if you go out for a big meal, it's not as pleasant as having a busy dinner with two people.

"Ten minutes later, come to the main entrance of the community." Xing Yifan finished and hung up.

Bai Xia picks up the milk tea, carries the small bag and comes out. As soon as she arrives at the gate of the community, she sees Xing Yifan standing there in a handsome and charming formal dress in the video, which is full of an ascetic atmosphere.

Bai Xia is a cartoonist. Looking at such a man, she also has an impulse to pounce.

However, she was worried that she would jump on it, and she would not be able to cope with what would happen.

Xing Yifan squints at her. In the warm sun, Bai Xia is wearing a good Khaki coat and jeans. The cold wind makes her face red. Bai Xia came to him with the hot milk tea in his hand

Xing Yifan, of course, is not cold. He holds his arms and says, "if it's cold, wear more clothes. Don't be gentle or warm."

Bai Xia didn't wear more bottoms to look good, but it was really cold on the street.

"No, would you like a drink?" Bai Xia hands him milk tea. Xing Yifan frowns. He never drinks it.

He drinks tea and pure handmade coffee.

However, looking at what the woman had drunk, he took a sip, and the sweet taste made him feel not difficult to drink, as if he would try to like as long as she liked.

"Is it good to drink?" Bai Xia looks forward to his response like a child.

"Well! Not bad. " Xing Yifan took another drink and gave it back to her.

Bai Xia has a sense of achievement. Two people come to a nearby shopping mall. Bai Xia turns over the video to show him, "look, you're on fire on the Internet."

Xing Yifan took a look and said, "boring."

"But you have a lot of female fans in an instant. If you come out, I'm sure you will be a superstar." Bai Xia laughs at Mimi's teasing way.

Xing Yifan has some bad breath. "If I were a star, I would make scenes with different female stars, including kissing and bed scenes."

Bai Xia immediately became jealous. "That's not good."

Xing Yifan chuckled and watched her jealousy surge up. "Why not?"

"I don't want my boyfriend to kiss a woman goodbye." Bai Xia is very domineering. She is very serious.

Xing Yifan can't see that she has such a bullying side, and he will let her relax.

"Don't worry! I'm not interested in other women except you. " After Xing Yifan finished, he held her in his arms. "When this kind of video appears in the future, I will delete it immediately. Otherwise, my girlfriend will be jealous." Bai Xia smiled, "it's not!"

Xing Yifan's cart is in the back and Bai Xia is in the front. The time of two people is also very leisurely.

Buying food, cooking and enjoying together, this kind of life with time is precious in the world of floating bath.

After settling the account, Xing Yifan took her home hand in hand.

At about 6 p.m., Pei Yuehuang is sitting in the back seat of the car. Xu Min drives her to the restaurant.

Stopping in front of a traffic light, I saw a couple waiting for the green light. They were fighting. The man saw that the wind was strong. He opened his coat and immediately wrapped the girl in his warm arms. The girl was also very sweet. They crossed the road together.

Pei Yuehuang's eyes blinked. What she can't stand now is that someone shows her love in front of her, because that's the taste she can't experience.

In the parking lot on the first floor of the restaurant, Xu Min stopped and helped her up.

After a while, another car stopped on the other side and stepped down the figure of blue Qianchen. He took a look at the wristwatch and walked to the dining room with long legs. A khaki long windbreaker, his suit, a mature atmosphere from a boy to a man, showed.

He waited at the door of the elevator. Soon after the elevator arrived, he pressed the third floor.

He stepped out of the elevator. Xu Min helped Pei Yuehuang to enter the door of the box on his left. The door was closed, and LAN Qianchen entered the box next door.

There are some coincidences in this world. It's just such a coincidence. It doesn't need to be made intentionally. It seems that heaven is making arrangements for them.

In Xing Yifan's apartment, Bai Xia is picking vegetables in the kitchen. Xing Yifan is at Xiami, sharing work and cooperation.

"Ah!" Bai Xia can't help but reach out and cover her eyes. When the vegetable leaves just swung, a drop of water came into her eyes.

Xing Yifan immediately put down the pot in his hand and came, "what's the matter? Let me see. "

"I accidentally dropped a drop of water." Bai Xia still feels very uncomfortable. Her eyes are closed tightly. At the same time, she opens them carefully.

Under the light, her clear and clean eyes are like a clear spring reflecting the handsome face of a man.

Bai Xia blinked and found that she was very happy. However, she saw the man holding her face, but her eyes became dark.

"It's all right!" White summer bent his lips and smiled.

Xing Yifan holds her small face and kisses her directly. Bai Xia still grasps the vegetables with one hand and is wet with the other. Where can I push this man? He can only arrive at the side of the dish washing pool and bully him.

"Don't do that!" Bai Xia has some protests. What do you always kiss her for?

"Who made you tempt me so?" Xing Yifan blames her for being too attractive.

Bai Xia, "..."

She just got some water in her eyes, so where did she provoke him?

When a meal was cooked, Bai Xia didn't know how many times he had been kissed by this man. The man thought that she would stay inside and occupy a place, so he drove her out of the kitchen and waited on the sofa.

In fact, it's just because the smell of lampblack in the kitchen is so strong that he won't let her smell it.

Xing Yifan didn't have any other meaning either. He just couldn't control to show his love for her. Only the things he liked, would he want to possess them all the time.

It's an uncontrollable desire.

Chapter 1104

In the restaurant, in a luxurious box, the decoration looks luxurious everywhere. There are two families sitting here.

Pei's family and Zhao's family, the old men from both sides came, and Zhao Dong's parents and Pei Yuehuang's father attended the banquet together.

But the main purpose of tonight's meal is to introduce young people on both sides to meet each other. One is that the son of the family is about to become a leftover man, and the other is naturally a leftover woman. The elders of both families are very satisfied with their combination.

Zhao Dong naturally tries his best to please Pei Yuehuang, but he doesn't know. His flattery with their family is undoubtedly kidnapping for her, because she doesn't like things and it's useless to force.

"Come on, Yuehuang, eat more. It's not good for a girl to be too thin." Zhao's mother smiled and moved her favorite dish to her.

"Thank you, aunt." Pei Yuehuang nodded politely.

"Yuehuang, the new year is coming soon. Do you want to take a vacation? There is a very suitable island for vacation. If you want to go, I'll arrange it immediately." Zhao Dong suggested.

Pei, the old man on one side, was also very supportive. "Yuehuang, you have been working hard for a year. It's time to go out and walk around. Grandpa also supports you to have a rest."

"I'm busy with new year's events. I still have a lot of unfinished business in my hand. I can't go." Pei Yuehuang's quiet refusal.

"Then let your father come and do it for you. Have fun!" Mr. Pei's idea of marrying his granddaughter is getting stronger and stronger. He hopes that his granddaughter will give birth to a male heir to Pei's family as soon as possible. As long as there is a male heir in the future, he can rest in peace.

"Dad's heart is not good. He can't handle my work well." Pei Yuehuang retorted. "I can carry it. Listen to your grandpa. Go play!" Pei's father also expressed his opinion and hoped that his daughter would get married as soon as possible.

Pei Yuehuang began at the age of 26. She felt that her family was eager to let her marry. Now, three years later, this oppression is only stronger.

"Yuehuang, come to my aunt's house for dinner tomorrow evening. I'll cook your favorite food."

"Yes! Yue Huang, my mother's cooking is very good. Let Grandpa and uncle and aunt come to the scene tomorrow. "

"We must arrive." Old Pei laughed.

"Yuehuang and Xiaodong! It's a perfect match. We really hope to see your good news as soon as possible. "

"Mom, don't worry, I will marry Yuehuang back." Zhao Dong looks confident.

Mr. Pei and his father agreed that he should use his best skill to catch up with their only granddaughter.

"I'll go to the bathroom." Pei Yuehuang can't stand it any more. Seeing this dinner tonight, she may have saved her blind date and let her marry Zhao Dong directly. "Yuehuang, I will accompany you." Zhao Dong immediately got up and wanted to accompany her.

"No more." Pei Yuehuang politely said, opened the door and came out. As soon as she went out, she took a deep breath, as if she needed a breath of oxygen to save herself. Pei Yuehuang's feet have recovered a little, and she can walk slowly. She goes to the bathroom. Her mind is full of the things just now, and her head is a little dizzy and swollen.

In the corridor full of style, a figure just came from the direction of the restroom. Seeing the woman coming under the light, he thought he was delusional.

Blue thousand Chen is slightly gaping at the star Mou, how to meet her? He squinted and fixed his eyes. It was Pei Yuehuang.

She looks like she can walk in her flat shoes.

LAN Qianchen did not look up when he saw her. He obviously didn't find him. He couldn't help but have a little heart to tease her. He walked towards her face to face.

At this time, peiyuehuang is not in the mood to see others. She just wants to go to the bathroom to be quiet. At this time, she is about to bump into someone. She hurried to the side of the road. However, the man blocked her side immediately, which is clearly the rhythm of finding things. She immediately raised her eyes angrily.

Her sharp eyes turned into consternation when she saw the man who stopped her.

"You Why are you here? " Pei Yuehuang stared at him in surprise.

"Why can't I be here?" LAN Qianchen asked jokingly.

Pei Yuehuang can't help but feel funny. This is the restaurant. It's no surprise that he will be here.

"Get out of the way." Pei Yuehuang is really in a hurry.

"Mr. Pei, it's not polite to hang up." Blue thousand Chen encircles the arm, with the height that is half taller than her, slightly bend over to look at her.

Pei Yuehuang knew that she was a little too much for him today, and she smiled, "well, how can I compensate you for the blue second young master's need?"

"Treat me to dinner!" LAN Qianchen asked.

"OK! I'll treat you when I have time. " Pei Yuehuang naturally agrees.

Blue thousand Chen saw her to agree, he just satisfied one side to let, "go!"

Pei Yuehuang suddenly thought of something. Tonight, Grandpa and Zhao's family meant to be forced. Even if they didn't succeed tonight, Grandpa would find a chance for her to get along with Zhao Dong.

Because grandpa is very satisfied with Zhao Dong. In order to put an end to such a meal in the future, she thinks asking LAN Qianchen for a favor should bring immediate results. It's just that she mentioned him to Zhao Dong in her office this afternoon. It should be very persuasive to take him there now!

"Young master LAN Er, wait a moment." Pei Yuehuang calls LAN Qianchen to leave.

LAN Qianchen immediately turned to look at her. "Is there anything else for Pei?"

"Can I help you?" Pei Yuehuang asked earnestly.

"It depends on what's busy." Blue thousand Chen hook lip to smile to ask, under corridor lamp, that handsome face is showing a kind of clean charming breath.

Some men's smile, clearly is the ordinary smile, but, is inadvertently with a warm and pet.

Blue thousand Chen's smile has such magic power.

Pei Yuehuang looks a little shocked. She thinks that the gene of the blue family is really good. She has given birth to such a handsome young master.

"You may have to sacrifice your reputation, but don't worry, just borrow it. Of course, if you don't want it, I won't force it." Pei Yuehuang felt that he would cause some misunderstandings when he went to find his girlfriend. She had to ask for his consent.

"Oh! Let's hear it. " Asked LAN Qianchen with great interest.

"Go to the next balcony." Pei Yuehuang went to the next direction leading to the big balcony.

The balcony is very quiet. Pei Yuehuang is languidly leaning on the railing. Her long thick hair covers her very amorous face. She has a wild atmosphere that men want to conquer.

"I'm dating now, my grandfather and dad are there, and the other side's family. I don't like this man very much and don't want to waste each other's time, so I need someone to help me deal with it." Pei Yuehuang said, looking at blue Qianchen's expression.

LAN Qianchen is so smart, how can she not hear the meaning of her words? Let him stand in her way.

"Let me be your boyfriend?" Blue thousand Chen squints to ask.

"Yes, just show up and prove our relationship in front of my grandfather and my father. I know it's difficult. If you don't want to, I won't force it." Pei Yuehuang looked at him and smiled.

LAN Qianchen looks at the woman under the light. Although he hasn't met the woman he loves, he is surprised to find that the age in his heart is not a problem at all. Just like the woman in front of him, how about being three years older? He still has a kind of feeling for her, but he is not confident. Does she like the love between brother and sister?

"Of course! I believe I will be your perfect boyfriend Blue thousand Chen smiles to pick eyebrow, have self-confidence extremely.

Pei Yuehuang is astonished. Did he agree?

"Do you really want to? I can remind you that in case our affairs get out, it will affect your normal girlfriend in the future. " Pei Yuehuang hopes he can think it over again.

Blue thousand Chen doesn't agree to say, "what are you afraid of? Anyway, I don't think about my girlfriend for five years. Besides, I don't have any loss in spreading gossip with you. It proves that I'm very powerful, doesn't it?"

Pei Yuehuang was a little confused, "what's the power of spreading gossip with me?"

"Because you are recognized as a strong woman, a successful woman, you need a certain amount of courage to pursue." LAN Qianchen answers carefully.

After hearing this, Pei Yuehuang still wanted to laugh. Her eyes flashed a little complicated. She said, "OK! After a period of time, my side stops. You can just dump me. Then you will have more face. "

Chapter 1105

LAN Qianchen immediately twisted his sword brow. "No, I'm under pressure. Let's make use of each other! I don't need my parents to rush me! "

"But if you take a woman who is three years older than you home, will your parents have a problem?" Pei Yuehuang's eyes were playful.

LAN Qianchen thought of his parents' openness. He didn't even have a problem when his eldest brother married Chu Nian. It should be acceptable for him to have a three-year-old girlfriend.

"Don't worry! My parents are very open minded people, of course they don't care. " Blue thousand Chen answers.

This makes Pei Yuehuang's face slightly shocked. How can he say in this tone, as if they are a couple?

Of course, there is another condition in her family, which is the meaning of her grandfather and father. Her future husband can come to take over the company for her.

Like the family background of LAN Qianchen's family, he is the second young master of the blue family, but he will never be so aggrieved!

Pei Yuehuang suddenly smiled bitterly. Where did she want to go? Where come so many ideas? It's so far away.

"Let's go! Maybe I haven't been back for a long time. My grandfather is coming out to find someone. " Pei Yuehuang said to him.

LAN Qianchen followed her into the corridor. Suddenly, what did LAN Qianchen think of? He said to the woman beside him, "do you want to show more intimacy with your arms?"

Pei Yuehuang didn't hesitate either. She reached for his arm, looked up and asked, "if you go in a moment, you may face the problems of my grandfather and my father. You're OK!"

"Don't worry, I can handle it." LAN Qianchen comforts her.

Isn't that her boyfriend? It's a piece of cake.

At the moment, in the box, as Pei Yuehuang has been out for a while, Zhao's wife immediately urges her son, "Xiaodong, go to see Yuehuang! Why haven't you come back? Don't let anything happen. "

Zhao Dong immediately got up. When he wanted to come out, he saw the door opened and Pei Yuehuang came back. But at the same time, she walked in with a young and beautiful man.

When Zhao Dong saw the man's appearance, he immediately opened his eyes with astonishment. Isn't this the second son of the blue family?

Even father Pei and father Pei's expression is quite shocked. Where does granddaughter bring a young man?

"Two grandfathers, Dad, uncles and aunts, I'm so sorry. I shouldn't hide something from you! In fact, I already have a boyfriend. " Pei Yuehuang is very natural. At the same time, she looks up and gives LAN Qianchen a look. People of Zhao family all looked at this scene unprepared and looked at Mr. Pei, as if to ask, what's the matter!

"Yuehuang, you How can you really like a man three years younger than you? " Zhao Dong is excited. He thinks Pei Yuehuang's character is impossible to like smaller than her.

"My relationship with Yuehuang doesn't need an outsider to speculate." Blue thousand Chen's voice line was cold, at the same time, he narrowed his eyes and smiled, and said to the father and son of old Pei on the opposite side, "I came to see Grandpa Pei and uncle Pei with Yuehuang. Hello, Grandpa and uncle."

Pei's granddaughter likes a man three years younger than her?

"Grandpa, Dad, his name is LAN Qianchen. He is the second young master of LAN's jewelry group. Although we are three years apart, we really love each other." Pei Yuehuang said very seriously, this serious, let no one doubt her feelings for LAN Qianchen.

Even blue Qianchen's eyes narrowed, as if he was really loved by her.

"Yuehuang, why didn't you tell us about it earlier?" Mr. Pei reproved him that this meal was originally a blind date with Zhao Dong.

"I'm sorry, my relationship with Qianchen doesn't want to be public for the time being, so I didn't say hello to you in advance."

Zhao family's expression is very rich, even the atmosphere is very stiff. Pei Yuehuang said to LAN Qianchen, "let's go to your box first! Come back later and talk to my grandpa and dad. "

"OK! Then we won't bother. " Blue thousand Chen smiled a sentence, when turning around, his healthy arm naturally held Pei Yuehuang's waist, that feeling, as if the intimacy of extreme.

Zhao's husband and wife immediately looked at each other. It seemed that their son was hopeless. They liked Pei Yuehuang so much because of her ability and family background. Now, they can only say that his son did not have this blessing.

"Brother, come on, let them solve the children's problems by themselves!" Old Pei said hello.

One side of Zhao Dong is hanging his head to mourn the airway, "Yue Huang must not really like him, she can not like a small man of her."

"Yuehuang was a person who didn't play cards according to common sense when she was a child. We really just know that she has someone we like, Xiaodong! Don't be sad, you will meet a better one than my Yuehuang. " Don Pei quickly comforted me.

However, this comfort is of little use to the Zhao family.

At the moment, LAN Qianchen didn't go back to his box, but asked for another box. He and peiyuehuang sat in. They had nothing to eat just now. Now, they can order another table to eat."Now you should die. Your family won't ask you any more. How can you thank me?" As expected, LAN Qianchen is young and quick to respond. Moreover, his kindness is very clear.

Pei Yuehuang smiled for a moment, "you say it! How can I repay you! "

Blue thousand Chen touches her calm and wise eyes, he can't help but be a little flustered, he is biting thin lips to hang down eyes, "you see how to repay!"

"Shall I introduce you to the most beautiful girl in my company?" Pei Yuehuang asked.

Now, LAN Qianchen looks up at her and refuses, "no!"

"It's very beautiful, and it's very capable." Pei Yuehuang is selling.

"Are you beautiful?" Blue thousand Chen takes off the mouth to ask.

Pei Yuehuang was stunned immediately. She chuckled and held her chin. Her eyes drifted away. "Do you think I'm beautiful?"

Blue thousand Chen's eyes stare at her a few seconds, he nods, "quite beautiful."

"Good! Then consider me a sister! I'll take care of you later. " Pei Yuehuang smiled a little complacent.

Blue thousand Chen immediately handsome face a startle, almost think also don't think way, "I just don't want."

"Why? I really want a brother like you. " Pei Yuehuang doesn't know why. Teasing him will give her a sense of achievement.

"Just not." Blue thousand Chen is determined.

Pei Yuehuang didn't want to annoy him either. She looked out of the window at night and said, "it's going to be new year soon. It's so busy!"

LAN Qianchen also looks out of the window. He remembers that his parents and big brother will come back before the new year. They should be soon!

Pei Yuehuang's cell phone rings. She picks up assistant Xu Min's, and she picks up, "Hello, Xiao min."

"Mr. Pei, have you finished? I'm in a bit of a hurry now. Can I leave for half an hour and come back? " Xu Min was very anxious at that end.

Pei Yuehuang consoled and said, "go! I don't need you to take me home tonight. "

"Oh yes, thank you, Mr. Pei." Xu Min is grateful at that end.

Pei Yuehuang hung up the phone and said to the man opposite, "did you drive?"

"Well! It's on. " Blue thousand Chen's eyes also have a smile, "need me to take you home?"

"Of course! I don't want to take my grandpa's and dad's car. It's going to be boring. " Pei Yuehuang laughed.

Now, in the eyes of blue Qianchen, she is also a little girl with troubles.

"Good! It's a pleasure. " Blue Qianchen nodded.

At this time, Pei Yuehuang's mobile phone rang again. She picked up it and saw it was her grandfather,

"Hello, Grandpa."

"Yuehuang, have you left? We are all out. "

"Oh! Grandpa, you go back first! I came out with Qianchen. " Pei Yuehuang says panic, if let Grandpa and father come over, blue thousand Chen will be tortured.

"Good! Let's see when you'll take the blue two back home for dinner, and we'll see each other officially. " In Mr. Pei's tone, he was very approbated of the young blue second young master.

Pei Yuehuang was embarrassed. She immediately took a look at the blue Qianchen opposite, and answered Grandpa, "Oh! well! Grandpa, you let the driver slow down. "

After hanging up the phone, Pei Yuehuang breathed a sigh and said to LAN Qianchen on the opposite side, "my grandpa and they are back."

"Well! I also hope to have a more formal meeting in the future. " Blue Qianchen nodded.

Pei Yuehuang is slightly shocked. Does he want to see her family?

Chapter 1106

From the restaurant, LAN Qianchen sends Pei Yuehuang home. She doesn't need to guide her any more. LAN Qianchen's sense of direction is also very clear. Obviously, he remembers the route of her home by sending her once.

Pei Yuehuang stood at the door and looked at the man getting off. She politely invited, "do you want to go in and have a cup of tea?"

LAN Qianchen shook his head. "No, next time!"

Pei Yuehuang is also tired. If she wants to have a rest earlier, she waves, "drive carefully on the road."

LAN Qianchen saw her push the door into the yard, and he just sat back in the car. In fact, where didn't he want to drink tea? Just looking at her tired face, he didn't want to disturb her.

In Xing Yifan's apartment, it's ten o'clock at the moment. Bai Xia has been staying at Xing Yifan's home watching anime, but instead he is busy working in his study.

Bai Xia looked at the time, got up and picked up his cup on the table, went to the cabinet, took a pot of tea from it, pulled several pieces and put them in, went to the water dispenser, poured boiling water for two minutes, she got up and put them in the study.

Xing Yifan may be busy later tonight, because the case in hand has reached a critical moment.

Looking at the girl who brought in the tea, he had a warm look in his eyes.

"Your tea, I went home, you also early rest." White summer warm voice way.

Xing Yifan watched her turn and was about to leave. His strong arm immediately clasped her fiber wrist and pulled it. Bai Xia's body circled in place and fell into his arms unsteadily. His strong arm was steady.

"Come on! Concentrate on your work. " Bai Xia's pretty face is a little red, and there are still some surprises.

If you pull her suddenly like this, she will fall.

Xing Yifan will naturally hold her. If she is going to fall, he will become her meat pad.

"You haven't said good night." Xing Yifan is casually looking for an excuse to keep her.

Bai Xia couldn't help but smile, "OK, good night, OK!"

"Good night kiss?" Xing Yifan has many requirements.

White summer micro eye, how come so many things! She had to put her head forward to kiss his side face.

The man can see her perfunctory idea. When her tiny red lips come to her, the man's thin lips have already kissed her. Bai Xia's eyes are gaping. This man is so hateful.

A few seconds of kissing is enough to satisfy Xing Yifan. He releases her, and Bai Xia stands with a red face. A pair of water eyes are covered with thin anger. Of course, sweetness is hidden in her heart.

"Then I'll leave and go to bed early." He said in the white summer.

"No breakfast tomorrow morning. I'm going out early." Xing Yifan said to her.

"Well! I'll have some at home. "

"I'll have the restaurant deliver it to you." Xing Yifan doesn't allow her to eat at will.

Bai Xia's heart warmed, "that's good! I'll wait. "

When Bai Xia came back home, he thought he could fall asleep immediately. How could he know that Xing Yifan had pushed her behind, which made her full of his hateful smile, but the more she thought about it, the more she couldn't sleep, and even her body was strangely hot.

White summer a small face reflected the lights outside the window, sweet curved smile.

In the morning, the breakfast of Bai Xia will be delivered at 8:30. The breakfast delivered from the superior restaurant is very rich, but Bai Xia can enjoy it.

Suddenly, a doorbell came from her door. She was shocked. Who is going to find her now? Bai Xia went to the cat's eye and saw Ye Jiamei standing outside.

Bai Xia didn't know what she was doing at her house again. She wanted to see it.

White summer opens the door, leaf beautiful eyes then raised false smile, "small summer, I come to see you."

"What's the matter?" Bai Xia is not welcome.

Ye Jiamei is at home these days. She is also worried about Bai Xia's future marriage, which will make her and her children angry with her.

"Why are you alone at home? Your boyfriend is not here! " Ye Jiamei looks into her room, as if there are traces of her getting along with Xing Yifan.

"He has gone to work. If there is nothing wrong, please leave! I want to work. "

Ye Jiamei is also making preparations. If she can't destroy Bai Xia's marriage, she decides to get along with her.

"Xiaoxia, I know that we used to have many misunderstandings, and I have a lot of problems with you. Now, can we have a quiet chat?" Ye Jiamei's face is full of ingenuity.

Bai Xia hates her more than a little bit? If the person she hates most in the world is the woman in front of her.

"I have nothing to talk to you about. Please go out." Bai Xia clenched his teeth.

"Oh! You're not polite, and you're not cultured, you know? " Ye Jiamei immediately criticized her as an elder.

Bai Xia immediately gritted her teeth angrily. "You are not qualified to judge me. Please leave."

"People like you don't know if your boyfriend can stand you. They are the sons of big families, and you probably don't deserve him." Ye Jiamei hummed and went to the door. Bai Xia got angry for nothing. After she left, she slammed the door.

Ye Jiamei is in the elevator, and her face is gloomy. It seems that it is impossible for her to get along with Bai Xia peacefully. However, what else can destroy her and Xing Yifan's feelings?

Bai Xia was able to work in the room, but now she was all annoyed by Ye Jiamei. She couldn't get down to her heart. Now her mind is full of Ye Jiamei's hateful appearance.

Bai Xia had to pick up her wallet and key to go out. She had to go down for a walk, breathe and come back to work.

Bai Xia didn't drive and walked out of the front door. Just then, Bai Xia saw Ye Jiamei's figure in front of her. She could not help being upset and knew she would come back later.

Save seeing her angry.

Ye Jiamei walked to a black car, and the man in the driver's seat immediately got off the bus to meet her, carefully carried her bag, and naturally took a look at her waist.

Bai Xia stood near the trees and looked at the scene in astonishment. Who was the man? Is it dad's driver? But even if it's dad's driver, how can he give her a bag and hold her waist?

Ye Jiamei seemed to enjoy the service of this man very much. When she sat in the passenger seat, she looked very happy.

The man quickly walked around to the driver's seat and the black car left.

Bai Xia's heart was filled with uncomfortable feelings and felt sick. No matter how, this woman is also her father's stepwife now. How can she be so intimate with other men in public?

Bai Xia didn't read it wrong. Just now, the man hugged Jiamei's waist. She didn't mean to refuse at all.

At this time, Bai Xia saw a taxi with guests getting off at the door. She thought, rushed to the taxi immediately, opened the door and sat in. She said, "master, can you keep up with the black car in front?"

"You chase people!" The driver's uncle saw her tone anxiously, and hurriedly put on the accelerator.

"Yes, can we catch up?"

"Look." The driver immediately demonstrated his excellent driving skills.

Bai Xia's eyes are fixed on the black car, and she doesn't know why she wants to catch up with it, but she feels that the man and ye Jiamei are not easy.

At the moment, ye Jiamei is in a bad mood. The man beside her doesn't care. "Jiamei, what's the matter? That white summer makes you unhappy again? "

Ye Jiamei now has some big heads, and she says angrily, "how can this stinky girl meet such a rich man? I'm afraid that she will marry in the future. Can you show us a good face? Maybe she took the property of the white family by the power of her mother-in-law, then we have nothing. "

The man sitting next to her also couldn't help flashing a flurry on his face, "what can I do?"

"I don't know how to destroy them now!"

The man's eyes suddenly flashed a fierce color, he parked the car aside, ye Jiamei immediately turned to stare at him, "what are you doing parking?"

The man immediately leaned over to hold her hand. "Jiamei, we are not young. I don't want to live such a life without seeing light with you. Every day I just think of you sleeping in a bed with baishize, and I feel sick all over."

"What do you want to do!" Ye Jiamei looks at him nervously at once.

"I want to be with you."

"Are you crazy? If we let Bai Shize know our relationship and children's life experience, we can get nothing. Who can I expect for the rest of my life! Is it up to you? "

"I know, but there's always a way for us to get it." This man seems to be honest face, flashed a cruel, "do I just watch you and the children follow him to old age?"? I don't like it. "

Chapter 1107

"Old Hu, don't mess." Ye Jia is so angry that she holds his hand.

"Now, baishize has so much money in his hand, and so much real estate. It's enough money for us and our children to spend our whole life. In case that Baisha leaves, we will lose a lot."

Ye Jiamei's eyes also flashed a little anxious, and mentioned Bai Shize's money, she was more nervous than anyone else.

"What do you want to say?" Ye Jiamei still doesn't understand the meaning of her lover.

Hu Sheng's eyes flashed over and he made a gesture of wiping his neck. "If we don't do it for two times, we will give Bai Shize this way. All his family wealth must be yours and his son's."

Ye Jiamei immediately opened her eyes and trembled with fear. "Are you crazy? How dare you think that? "

"Do you think Bai Xia is more and more liked by Bai Shize? Is he ashamed of her and her mother? If one day he had a whim of guilt and gave her most of his fortune, we would have no time to regret it. " Hu Sheng is not reconciled now. As a man, his children are called other people's fathers, but his biological father has no qualification to see them. Ye Jiamei gasped, as if frightened, and at the same time, thinking about Hu Sheng's words.

In the car behind her, Bai Xia looks at the car parked on the side of the road. She doesn't walk or see two people get off. She can't help wondering. The driver asks, "do you want to catch up?"

"Master, can you stop? I'll give you the money." Bai xiachao driver's road.

"All right!" The driver is tired too. He wants to drink water.

In the car, ye Jiamei has figured out something, which is not impossible. Now Bai Shize reads Bai Xia's good in front of her every day, and teaches her how to get along with her. Obviously, among the three children, he loves Bai Xia the most.

"Lao Hu, don't be impulsive. Do you have to plan for this kind of thing? I don't want to spend half my life with him. I can't get any benefits. " Ye Jiamei immediately holds Hu Sheng's hand and calmly warns him.

Hu Sheng immediately leans over and kisses her, "all listen to you, but we should think about our future. Bai Shize has so many women outside. I really love you to follow him every day."

When it comes to this, ye Jiamei feels angry because she can't control Bai Shize. Bai Shize's life is romantic, and she doesn't love her at all.

If she didn't have a child with Hu Sheng, and she calculated the time to push the child to be Bai Shize's, and then forced him to marry himself, Bai Shize could not marry her?

This idea is more and more certain. My father is not a safe one. Will ye Jiamei be empty and lonely and cold looking for someone outside? Now the man in the car is most likely her lover.

Bai Xia thought that her father was wearing a green hat. Although she didn't like her father, because he was still playing outside, she had to avenge Ye Jiamei's revenge on her mother.

However, there is no evidence for this matter, and she can't sue her father immediately. It seems that she can only get more receipts in the future.

Ye Jiamei did not have to be merciful to her mother.

The black car in front drove again, but the two people in the car didn't get off. Bai Xia had nothing to do, so he asked the driver to follow the black car all the time.

The black car walked for more than ten minutes and stopped at a nearby position.

Ye Jiamei is really in a bad mood today. In addition, she is far away from home. She wants to sit in a nearby coffee shop with Hu Sheng.

But what she didn't know was that Bai Xia, a taxi driver behind her, was sitting there.

When the door opened, Hu Sheng could not miss the intimate time with Ye Jiamei. He quickly walked around from the driver's seat. He took Ye Jiamei's bag, locked the car, and put his hand on her waist in a hurry and hugged her.

Bai Xia is slightly staring. She immediately takes out her mobile phone and takes some photos of their intimate figure in the coffee shop.

But there was only the back, no front photo. Bai Xia sighed and took a picture of the license plate.

Now, the photo of Ye Jiamei's private meeting man has also been taken. Who is this man? Ye Jiamei is so bold, carrying her father and other men to date so far away.

Bai Xia paid the driver, and she decided to stay here and see if she could get anything more.

In the coffee shop, ye Jiamei and Hu Sheng are like husband and wife. They want a box. They hide here and drink coffee while kissing me.

Finally, ye Jiamei looks at the time, and when she has to go back, she pushes aside Hu Sheng, "OK, next time you have a good room, let's go to the hotel together!"

"I miss you so much. I dream of taking you back now."

Ye Jiamei immediately warned, "you can remember that when we are not fully sure, you'd better not mess around, otherwise, I won't forgive you in this life.""Good! I will listen to you. For the sake of the children and you, I will bear it! " Hu Sheng was obedient at once.

Ye Jiamei was satisfied. Two people came out of the coffee shop. Bai Xia chose the best place. There is a milk tea shop opposite the coffee shop. It's the design of the floor window. Her eyes are fixed on the door of the coffee shop.

Finally, let her wait for ye Jiamei. Hu Sheng still carries her bag and hugs her waist. Although Ye Jiamei looks around with some anxiety, Hu Sheng still hugs her in the car.

Bai Xia made a direct video this time and watched the black car leave. She reviewed the video again. In the video, ye Jiamei and the man are bound to have an intimate relationship.

Bai Xia immediately thought, would you like to send this video to her father? If father saw it, there would be no Ye Jiamei to live a good life.

However, she can't let herself be exposed, otherwise, ye Jiamei will certainly not let her live safely. Although she is not afraid of her, she doesn't want to look at her more.

Bai Xia doesn't plan for the time being. When Xing Yifan comes back in the evening, she will discuss with him. In a word, she must let her father know about it.

On the way home, Bai Xia receives a call from Xing Yifan asking if she wants to pack lunch and deliver it to him. Bai Xia doesn't want him to worry about it, so she says she ate it outside.

"Can you come back earlier in the evening? I have something to discuss with you. " He asked in the white summer.

"Well, I'll try to come back early." Xing Yifan answers in a low voice.

Bai Xia just bought a loaf of bread and went home. Today she has no appetite.

Xing Yifan has collected almost all the information now. There are three days left before the trial of Cheng Liang's case.

At the moment, Xing Yifan writes materials in a coffee shop next to Cheng Liang, and there is a meeting to attend in the afternoon.

Thinking that Bai Xia said on the phone that there was something to discuss with him, he couldn't help guessing what it was. Listening to her tone seemed to be very important.

It seems that he will go back earlier tonight, just thinking that his mobile phone rang, he picked up to see it was his mother's.

"Hello! Mom. "

"Yifan, do you have time in the evening? Go home and have a meal. It's just time to discuss going abroad. Do you think you can spare time? " Jiang Lan said at that end.

Xing Yifan is very sure that he can't go abroad with his family. "Mom, I still have information to write tonight, so I won't go back. I can't leave if I let elder brother and Yi Nuo play with you."

Jiang LAN sighed, "OK! Tomorrow afternoon, you will come to the airport to see us off. We will go there for more than a month this time. "

"Well! I'll see you off. " Xing Yifan said with a smile and a little guilt, "Mom, I'll give you a super good news when you come back."

"What's the good news? Did you catch up with that girl?" Jiang LAN guessed right.

"It is still in a stable state, but when you return home this time, I will take her to see you." Xing Yifan did not deny it.

Jiang LAN immediately rejoiced, "OK! That's a good deal. When we return home, you have to bring my future daughter-in-law back to me. "

Xing Yifan said confidently, "yes, I will take it back to you. “

Chapter 1108

Because ye Jiamei's evidence was secretly photographed, Bai Xia didn't do anything at home. He waited for Xing Yifan to come back and discuss.

At five o'clock in the evening, when the doorbell rings, Bai Xia rushes to the cat's eye. Who is Xing Yifan?

Although he now has fingerprints to enter her home at any time, he doesn't want to come in quietly, which will scare her.

"You're back." Bai Xia opens the door and asks him in.

"What's the matter?" Xing Yifan's eyebrows are shrouded in a worry. On the phone, she doesn't say anything but wait for him to come back.

What is the important thing?

Bai Xia closed the door tightly, went to the sofa and picked up her mobile phone. She opened the video she shot today. "Look, I have this video of Ye Jiamei and other men mixing up."

Xing Yifan picks up the video and looks at it carefully. Ye Jiamei in the video has a very ambiguous man. It's not a proper relationship at first sight.

"This man may be ye Jiamei's lover outside. My father certainly doesn't know." Bai Xia said with some chagrin.

"What are you going to do?" Xing Yifan asked her.

"Of course I want to tell my father! He can't stay in the dark! " Bai Xia is still thinking of her father.

"It's not easy for you to appear in such a thing." Xing Yifan stops one sentence.

"So, I'll ask you for help. Can you think of a way to give this video to my father?" He asked in the white summer.

"I will find a new number to send to him. Even if he calls, I will tell him to help him as a friend. There is no other excessive idea."

"Well! Yes, just let him know. " Bai Xia nodded, in a word, to teach Ye Jiamei a lesson, who let her hurt her mother with cruel means.

"Let's go out for dinner and buy a new card."

"Well! Good. " Bai Xia nodded, and the time with him was always the most relaxed and secure.

Two people went downstairs, sat in Xing Yifan's car, and drove to a prosperous central position nearby. Xing Yifan stopped the car, and Bai Xia felt a cold wind blowing on his face. Today's wind is very strong, as if there were demons.

Xing Yifan immediately came and wrapped her slender figure in his broad coat. Bai Xia tightly hugged his waist and enjoyed his care sweetly. Once in the hall, Xing Yifan rubs her head and combs some messy hair for her. Bai Xia is like a child who takes care of her.

In terms of height, she shortens his head!

Arriving at the restaurant, after ordering the meal and enjoying the quiet atmosphere, Xing Yifan's eyes fell on her little face and called her name, "Bai Xia"

"Well!" Bai Xia looks back at him from the window.

"In a month, I want to show you my family." Xing Yifan also said hello to her in advance.

White summer is excited immediately, also nervous extremely, "really?"

"Give you a month to prepare yourself." Xing Yifan stares at her with a smile.

Bai Xia feels like a month is not enough, but she will be ready for it.

"You said I should be able to do it! " Bai Xia didn't confidently say that although Xing Yifan didn't specifically say his family background, she knew it must be very good.

Xing Yifan chuckled directly, "don't worry, you can take it."

Bai Xia immediately blushed with embarrassment. "You laugh at me."

Xing Yifan looked at her child's annoyed look, he immediately got up and walked to her side, rubbed her head to comfort him, "OK, don't laugh at you."

"Xing Yifan, really, is your family a super rich family? I have read the news of Xing Yinu before, saying that her family background is the rich family, it's your family! " At the moment, Bai Xia is not worried about Xing Yifan's family's wealth, but that she is worried about his family's super wealth and that she doesn't deserve him.

Xing Yifan can't help being serious. When it comes to family background, he doesn't want her to have pressure.

He pulled the chair, sat next to her, took her hand and said, "Bai Xia, don't care about money. As long as I like you, my family will definitely like you."

Bai Xia touched his deep eyes and nodded softly, "Hmm! OK, I'd like to accompany you to see your family. "

Xing Yifan leaned over, clasped the back of her head and kissed her on the forehead.

At the International Airport, at the entrance of the VIP passage, a family came out, a couple of well-dressed couples, and a young couple with sweet hands behind them.

"Dad, mom, big brother..." Blue thousand Chen's figure immediately greets to come over, when seeing blue first read, he laughs to call her, "first read."

Blue thousand Hao immediately beat him, "call again."

"I'm not used to it!" Blue thousand Chen is a little embarrassed, toward blue early read to fill to cry, "sister-in-law."

LAN Chu Nian immediately smiled and leaned on LAN Qianhao's arms and said to him, "Qianhao, don't do this! It's OK for me to read it for the first time! ""That's the rule." LAN Qianhao disagrees.

One side of the blue father blue mother look at each other a smile, eyes are the color of love, these three children are their hearts and muscles!

"We wanted to continue playing, but my parents miss you, so we came back ahead of time." LAN Qianhao patted him on the shoulder. "How about the company?"

"Don't worry! It's absolutely well managed. " LAN Qianchen said, immediately thinking carefully, "but I'm tired these days, elder brother. When you come back, I'll give up."

"You boy, don't let me rest for a few days! That's how I've left the burden? " LAN Qianhao immediately put his hand around his neck and taught him a lesson.

LAN Qianchen was tied around his neck and said to the blue chunian, "chunian, you can take care of your husband! He's going to murder his brother. "

The blue early reads to cover the mouth to smile in one side, one face sees the funny expression.

"Well, how old are you? I thought you were little children! It's not disgraceful to be seen. " Blue mother looks back at them.

Blue thousand Hao just let him go, blue thousand Chen immediately grievance way, "Mom, big brother bully me, tomorrow I will return the company to him."

LAN Qianhao turns around and holds LAN chunian in his arms. "Chunian, don't pay attention to him, I can still play with you for a few days. "

Blue Chu Nian said with a smile, "I've had enough time. I'll have a rest at home recently! "

"Good! Tomorrow, I will invite Muze and Nuan to come out together. I haven't seen you for some time. "

"Well! I heard that it's nearly six months since it's warm. I'm going to be a mummy. "

"Then I'm a godfather." LAN Qianhao was also looking forward to it. At the same time, she leaned in her ear and said, "let's work harder."

LAN Chu read and immediately bashed him with a fist, "keep it down."

Sitting in the car, LAN Qianchen listens to his parents discussing the fun of the trip. He is also very happy. Sometimes, as long as his favorite person lives happily.

"Qianchen, have you met a girl you like in this period of time?" Blue mother can't help but want to hold on to her second son's marriage.

Blue thousand Chen's heart string slightly a stretch, in the mind a touch of mature charming figure flash, he smiled way, "Mom, I am not anxious."

"Not in a hurry? It's almost 27 years old. It's not urgent! " Blue mother thinks it's time to start a family.

The blue family went back to the blue house, talking and laughing all the way. The blue junior and the blue Qianhao went to their villa and lived in a world of two!

In Xing Yifan's villa, Bai Xia follows Ye Jiamei today, which leads to her unfinished work today. As soon as she gets home, she goes into her study and works there.

Xing Yifan took a bath. Now he doesn't want to be alone. As long as he can find a chance to get close to Bai Xia, he won't let it go.

What's more, I don't know if there is a light fragrance in Bai Xia's home, which makes him feel comfortable.

Xing Yifan bought an unused card. He discussed it with Bai Xia and sent it to Bai Shize at noon tomorrow. It won't look too purposeful.

Bai Xia's recent painting style is also very sweet. She constantly sprinkles sugar in the comics, which makes the readers love to nibble, and feel that reading her comics has an impulse to fall in love.

At about eleven o'clock, Bai Xia stretched out and finally finished. She got up and pushed the door out.

The man on the sofa was watching the game. Bai Xia put his arms around his neck from behind him. Xing Yifan immediately raised his head and ordered, "kiss me."

"Why?"

"You left me out." Xing Yifan is looking for reasons at will.

Bai Xia knew that he could not compete with him, so she had to kiss him on his side face as his compensation.

Chapter 1109

Xing Yifan's satisfied clenched lips smiled and reached out to her, "come here! Let me hug. "

Bai Xia sat beside him, took the cup of water he had drunk and took a few sips, nestled in his arms to watch the game with him.

After Bai Xia was pregnant with the fierce football match on TV, Xing Yifan was not interested in everything on TV. At the moment, what interested him was the girl in his arms. Xing Yifan's eyes fell on her small face, which was like an attractive cherry, which made him want to bite it down and wipe it dry.

Bai Xia is really watching the ball game. She feels that the man around her is staring at her. She immediately turns her head and asks, "what are you staring at me for? Is there anything dirty on my face? "

"Yes, don't move." Xing Yifan immediately made a serious voice.

Bai Xia was shocked immediately. There was something dirty. My God! What is it? It's a shame. She wanted to get up and check in the bathroom.

But Xing Yifan held her down. "Don't move. I'll help you."

Bai Xia immediately points the acupoints, motionless, the water eyes twinkle with tension, Xing Yifan's hands touch her small face, warm fingers touch her delicate skin.

Bai Xia blinked, still thinking about the so-called dirty things, is it eyelashes? Or did you just throw ink on your face?

Bai Xia is waiting. Suddenly, she feels a handsome face in front of her eyes. Next second, she is still kissed by a man.

Bai Xia suddenly understood that he had lied to her! Hateful Xing Yifan.

Bai Xia immediately angrily pushed him, "well Liar

Xing Yifan's deep eyes narrowed and smiled. Yes, he couldn't help but bullying her when he looked at her.

Bai Xia's body immediately fell on the sofa, and the man's slender body followed.

Bai Xia is probably angry, so she can't help wriggling a little bit, either hating being kissed by him or regretting not wanting to be kissed by him! Let him know there's a price to pay for cheating her.

Xing Yifan only thought about kissing. How could he know that the woman under him moved so much that he immediately panted heavily and held up his arms and stared at the rosy face in his arms.

"Try again." He gave a hoarse warning.

Bai Xia then found that Xing Yifan's eyes were full of danger. She immediately dared not move and looked at him wrongly with red lips. "Let me get up."

Xing Yifan bit her red lip a little bit, "it's a demon."

Bai Xia was scolded for nothing. She was wronged!

Without Bai xiatui, Xing Yifan got up on his own. He stood up and said to the woman on the sofa, "go to bed early, don't stay up late."

Finish saying, he some awkwardly walked toward the direction of the door, opened the door to leave.

Bai Xia blinked, and then she blushed. What did she know.

In the morning, when Bai Xia got up, he picked up his cell phone and looked at the time, but saw Xing Yifan's message. Breakfast would be delivered around 8:30.

As soon as Bai Xia's heart warmed, she got up and got out of bed to wash. She thought that today's video would be sent to her father's mobile phone, and she didn't know how angry his father would be.

Bai Shize has been focusing on his work recently. He is old and has little fun. Instead, he wants to take another peak in his career and never regret his life.

In the morning, ye Jiamei, as usual, prepared his coat for going out, which she had burned with a iron when she got up in the morning.

When Bai Shize was going out, ye Jiamei did not forget to stick to him for a while. "Goodbye, honey! Slow down! "

Bai Shize nodded to her, and now he also felt satisfied. He had a wife who loved him, three children, and a smooth career. His eldest daughter had to marry into a rich family.

Bai Shize's car drove out of the gate of the courtyard, and the smile on Ye Jiamei's face disappeared. She sighed a little, as if she had sent Bai Shize out of the house every day. The rest of the time belonged to her free life.

She can spend as much money as she can, or date her lover Hu Sheng.

What can't be satisfied with Bai Shize is to be found in his lover.

Now Bai Shize and she have no husband and wife life, but she is ten years younger than Bai Shize! She's only in her early forties, so naturally she won't be lonely.

She picked up her mobile phone and dialed Hu Sheng's phone. It was that she had saved a female name and number. Even Bai Shize could not find it.

"Hello! Jiamei! Has Bai Shize left home? " Hu Sheng is waiting for her news.

"Well! He just left. I put on my make-up. "

"Good! The old place is waiting for you. " Hu Shengxi replied Zizi.

Xing Yifan is sitting in Cheng Liang's lounge at the moment. He takes out the card of last night. After inserting his cell phone, he enters Bai Shize's number and sends the video to him. He does not forget to send several photos before Bai Xia together. At the same time, he sends a sentence: "a friend who does not want to be named can help you. Be assured, there is no purpose."

After sending it, Xing Yifan breaks his cell phone and throws it into the garbage can next to him. At the moment, Bai Shize just arrived at the company. After he took off his coat and hung it up, he planned to make a phone call. He picked up his mobile phone and looked at a message prompted. He could not help but click on the message first.

However, there is a sentence and a video in this message. He is stunned and looks at this inexplicable sentence. He points out the video with some surprise.

In the video, it was shot on a street. There was a couple of men and women in the video very soon. The man didn't know him, but the woman made Bai Shize's pupils tighten a little.

The woman in the picture is his current wife, ye Jiamei. The man hugs her waist, carries her bag and comes out of a coffee shop.

Although it's only a few seconds, this video still ignites Bai Shize's anger. When he works hard to make money, his wife and other men go for coffee? And cuddle, cuddle?

In addition to the video, there are photos, as well as a black car license plate.

Bai Shize's face was livid with rage. He immediately got through Ye Jiamei's number.

At the moment, ye Jiamei has put on her make-up and is going to go out. As soon as she gets on the bus, she hears the phone. She thinks to herself, it must be Hu Sheng. The dead ghost must be in a hurry. But when she picked up her cell phone and looked at it, she was shocked. At this time, Bai Shize's phone called, which really made her a little flustered.

She wondered if he had left any papers at home? If there is something missing, she will call to send it to the company.

Ye Jiamei immediately raised a smile and picked up, "Hello husband, have you lost the information? Do you want me to deliver it? "

"Ye Jiamei, what did you do yesterday? With what wild man That end Bai Shize angrily questioned.

Because he saw Ye Jiamei in the video, wearing the same suit as yesterday.

Ye Jiamei's face immediately changed. She took a big breath. "Honey, what are you talking about! Where am I to have any mischief? I stay at home honestly! "

"Honest? You went for coffee with a man yesterday and hugged in the street. Do you want to cheat me? " Bai Shize breaks through her flustered words directly.

Ye Jiamei's face turned white. Yesterday? Drink coffee? Isn't it her and Hu Sheng?

But how does husband know?

"Shize, listen to my explanation. You must have misunderstood me. That's my classmate! We just met for a coffee on the way. "

"Ye Jiamei, you dare to steal men on my back." Bai Shize growls, he still won't believe her explanation.

"No! Husband, I really don't have, really You believe me. " On the other end of the phone, ye Jiamei directly pretends to cry, pretends to be pitiful.

But her heart has been anxious, did not expect to leave home so far yesterday, they are so careful to steal, also let the husband know, who in the end is behind the charge? "Don't explain. I'll find out about it. When I find out, you can see how I'll deal with you." Bai Shize is not allowed to wear a green hat.

"Husband Husband Ye Jiamei screams two sentences, then Bai Shize hangs up the phone.

She sat in the car and gasped for breath. For her, this matter was very serious. Bai Shize had no feelings for her. If he knew about her and Hu Sheng, she would be swept out of the house.

Chapter 1110

After Bai Shize hung up Ye Jiamei's phone, he went to the nearest assistant.

"Mr. Bai! What can I do for you? "

Bai Shize forwarded the picture of the black car on his mobile phone to his assistant and ordered, "check the license plate of this car for me, everyone, and I want the most auspicious information about this person."

"Yes, I'll check right away." The assistant got up and left.

Bai Shize now angrily beat the table, and ye Jiamei dared to wear a green hat for him.

At the moment, ye Jiamei is scared to take a few breaths in the car. Then she dials Hu Sheng's number in a hurry.

"Hello! Honey, are you here? " Hu Sheng asked happily.

"Lao Hu, we were found. Just now Bai Shize called me and said that I was very intimate with a man in the coffee shop outside yesterday. I don't know who exposed us."

"What? How is this possible? How much does Bai Shize know? " Hu Sheng was also shocked. He and Bai Shize are not of the same level.

"I don't know. Anyway, he began to doubt me. Now I'm going to go to him to explain." Ye Jiamei finished, hung up Hu Sheng's phone, she went straight to baishize's company direction.

For her, it must be explained in any case.

At home, Bai Xia also called Xing Yifan. He sent the video and photos to her father. She also wanted to know how her father would deal with it.

In fact, Bai Xia did this just to revenge Ye Jiamei. In addition, she cheated on her father. She was sorry for her father's discovery. It was also right to let her father know.

In baishize's company, at the moment, baishize is having a meeting. One of his female assistants immediately comes in and reports to him. His wife, ye Jiamei, is waiting for him in the office.

Baishize said coldly, "you let her go back."

Assistant immediately came to let Ye Jiamei go home first, but where dare Ye Jiamei go back? Now her whole heart is in turmoil. She and Hu Sheng have been cheating for nearly 20 years. Now they are discovered, which means that the secrets of her two children will also be discovered. She was terrified.

At about 12 o'clock, Bai Shize returned to the office with a cold face, and ye Jiamei sobbed, "honey, you misunderstood me. I'm not sorry. I'm not sorry I don't know who is wronging me. "

Ye Jiamei cried very pitifully. She felt very innocent.

"Go home and say, do you want me to lose face in the company?" Bai Shize said angrily, "I'll find out about it. You'd better think about how to tell the truth."

With that, Bai Shize left her behind. When he slammed the door shut, ye Jiamei's tears fell freely on her face. The tears still hung on her face, but her eyes were already full of ingenuity.

When Bai Shize got into the car, his assistant immediately handed over a document, "Mr. Bai, check it out, have a look."

Bai Shize angrily opened the information, only to see a picture of a man's ID on the information, next to all his information, a small company for management, but also his wife and children, seven or eight years younger than him, called Hu Sheng.

"You can check Hu Sheng's room opening record for me. All hotels in the city check it. I want to know his room opening record in the past two years." Bai Shize said, as a man, he can't stand it.

"Yes, it may take a while."

"Hum! I'll see how much time it takes. " Bai Shize said angrily.

At this moment, when ye Jiamei leaves the company, she sees Bai Shize's car driving away from the door. She immediately chases him, "Shize Shize, listen to me, listen to me! "

Bai Shize asks the driver not to stop, and leaves quickly. Ye Jiamei immediately pretends to be pitiful and helpless and watches his car leave.

After Bai Shize's car disappeared, ye Jiamei rushed into her car and dialed Hu Sheng.

"Hello!"

"Lao Hu, he is really suspicious, and he is very angry. Will we expose it?"

"Don't worry. Over the years, we haven't opened rooms in some public hotels. Now my brother borrows someone else's ID card to open a room for me every time. Bai Shize can't find out anything." Hu Sheng is comforting at that end.

Ye Jiamei bit her lips, her eyes flashed with anger. Who told Bai Shize about it?

Yesterday, she came out of Baixia's neighborhood and got on Hu Sheng's car. She was only a few kilometers away from her neighborhood, drinking coffee in a coffee shop. Was it her?

Ye Jiamei's face turned blue and white immediately. She thought that it was Bai Xia who followed her. This seemingly innocent girl is now fighting for her everywhere.

"Damn Bai Xia, this little bitch, I won't let you go." Ye Jiamei gnashes her teeth. She doesn't need to doubt anyone else. She almost thinks it's Bai Xia.

But she didn't expect that she was right.

Around 3pm, at the gate of the international airport hall, I saw a group of people step out of the high-grade business car, the Xing family and the Wen family. Xing liehan holds his little princess in his arms. Tang Siyu leads Xing Yixi, who is taller than her. Xing Zhenting also leads his wife. Next to her is a bodyguard pushing two carts of salute.

The people standing next to Wen's family, Wen lichen and Su Xi, are also two children. The eldest son is one and a half years older than Xing Yutian. Su Xi is also envious of Tang Siyu's lovely daughter. When his son is four years old, he refuels to have another daughter, which is a good word. At this time, she is only two and a half years old. In her father's arms, she keeps those two and a half daughters open. It's like Susie's big eyes. Look left and right excitedly!

Wenlichen's father is very competent. He has a bottle in his hand and a little pink schoolbag on his back. He has a dark windbreaker on his upper body, which is obviously masculine. But because of his daughter, he has abandoned all face projects to please her.

Wen Liangyao, like the eldest brother, holds a one-year-old baby in his arms. Xing Yifan dresses up as a little girl with a beautiful hat on his head and sucks at the pacifier.

Xing Yifan steps towards this group of people, and the windbreaker shows a clear and unrestrained temperament. "Second brother, you can come. If you don't come again, our plane will take off." Xing YINUO immediately learned to blame him like a joke.

"Is this not coming?" Xing Yifan chuckled and immediately went to Wen Liangyao's arms. He reached out and hurriedly touched the little niece's tender mouth bag.

"Uncle." Next to him, his big niece called him again. He was busy coming to hold Xing Yutian in his arms, pinched his little face and kissed him happily.

"If you like children, hurry to find a girlfriend to have one." Xing liehan teases his second brother.

"Second brother, mom said that when we come back this time, you will bring your girlfriend back, isn't it true?" Xing YINUO immediately laughs at Mimi's inquiry.

Xing Yifan immediately raised eyebrows confidently. "What? Don't believe your second brother's charm? "

"Believe me, of course I do! You are handsome and invincible. I think God will give me a second sister-in-law soon! Take care of you. " Xing YINUO said proudly.

"Let Liang Yao take care of you first! It's still out of shape! " Xing Yifan retorted.

"Well, how old are you? You'll trip up when you meet. You're not afraid of jokes." Jiang LAN laughed and scolded, but he was happy in his eyes.

"We will wait for your good news!" Tang Siyu took his daughter from his arms and said gently to him.

"Well, sister-in-law, I will give you good news." Xing Yifan, in front of Tang Siyu, is not brave to make mistakes.

Xing liehan immediately took a picture of Xing Yifan. "Yifan, I'll teach you a way to chase girls! The most important thing is to be cheeky, like when I chased your sister-in-law, that's the way. "

Tang Siyu on one side immediately laughed angrily, "yes, I haven't seen anything thicker than your face."

"Of course, with you, what do I have to face?" Xing liehan hugs him, but Tang Siyu is still embarrassed to put his daughter on him.

"Uncle, bring me a beautiful aunt, so that I can have more money for new year's Eve." Xing Yixi did not forget to make a joke.

Xing Yifan came to take a picture of him. "OK, this new year you come back, I'll give you a big one."

"Well! Thank you Xing Yixi laughed happily, a handsome young face, but also some childish.
