

U. CEO Daddy 1121

Chapter 1121

She walked in the lead, charming posture, long legs and steps calmly and confidently, followed by her company's elite team.

The staff who are ready to leave work immediately make way for her and respectfully call out, "Mr. Pei."

Pei Yuehuang nodded and went to her office. Xu Min, her assistant, was waiting for her. "It's half past five, Mr. Pei. We need to go to the dress shop quickly, or we won't be able to catch up with the party."

"Well!" Pei Yuehuang picked up her mobile phone and car key. "Let's go!" At the same time, I'd like to ask you to "bring my contract with song's group by the way, maybe we can have business tonight."

Xu Min immediately smiled, "Mr. Pei, are you going to use the beauty scheme tonight?"

"I might use it if I can." Pei Yuehuang raised her red lips and could achieve such an achievement, which would be difficult to achieve without a little skill and sacrifice.

However, she will keep the bottom line and make clear her goal. If she wants to cross the bottom line, she will immediately stop.

Sometimes, as a beautiful woman, beauty is not a weapon that can be used at will?

"Mr. Pei, the Lawyer Liu from the lawyer's group has changed his job. The temptation he received from the other side is too big to stop him." Xu Min complained.

Pei Yuehuang sneered, "I don't treat him lightly. If he wants to leave, I won't stay. Let the headhunter dig some useful lawyers in."

"Ah! Under the benefit, there is really no human relationship. He is an old employee of your company. "

Pei Yuehuang disagreed. "Come on, I'll hold a meeting next Monday. I'll find a lawyer and ask the headhunter to help me dig it up. As long as I can afford the price, I'm not afraid I can't find the talent."

Pei Yuehuang's tone was confident and domineering. She suddenly stretched out her hand and pulled the back of her head. The long wavy hair at one end and waist immediately softened. The strong woman just now has become a beautiful woman of all kinds.

After death, Xu Min immediately envied, and did not know who could win her domineering boss in the future.

Pei Yuehuang steps into the elevator, which belongs to her exclusive elevator, all the way to the parking lot. Just out, her red limited edition sports car is waiting for her quietly.

Under the light, the line is beautiful like a cheetah, the streamer is colorful, the top matches the level, just like its hostess.

Pei Yuehuang pressed the car lock and said to Xu Min behind him, "see you at the banquet."

"OK! Mr. Pei, you must arrive before 6:30. "

Pei Yuehuang nodded. Her sports car went straight to the dress shop. In the dress shop, she chose a red evening dress to cope with the occasion tonight. Her aura is enough to control this gorgeous color. Her makeup is also exquisite and elegant party makeup.

Long hair doesn't need to be taken care of. It's natural and charming.

"Call me at half past six. I'll sleep for twenty minutes." After Pei Yuehuang finished, she went to sleep in a VIP room.

At about six o'clock, Xing Yifan and Bai Xia came out of Jiang Shan's shop, sat in his car and drove to a seven-star hotel where the banquet was held.

All the roads here are cleared tonight. Only the vehicles entering the banquet can drive in.

Xing Yifan's car drove in, a whole row of vehicles like a luxury car show, some blocking, but the crowd around can enjoy it for free.

Not far behind Xing Yifan, in a white sports car, blue Qianchen sits elegantly. He dials Xing Yifan's number.

Xing Yifan pressed the car to answer.

"I'm behind you." The voice of blue thousand Chen came.

When Xing Yifan saw his car from the rearview mirror, he said with a smile, "I'll see you later."

"Well!" Blue thousand Chen smile should be a sentence.

At this time, blue Qian Chen's phone rang again, he looked at it, it was Ye Xiao, he had to answer, "Hello, Xiao Xiao."

"Qianchen, I have a party tonight. Will you come! If you come, can you invite Yifan? "

"What party?" Blue thousand Chen has a kind of not very good premonition, does Ye Xiao also come? His father is also a rich man in the city. He must be qualified to participate.

"My father took me to Chairman Yang's party."

Blue thousand Chen immediately helped forehead, can this meet? He had to say, "well, then have a good time."

"Will you come?"

"Well, I'll take my brother's place."

"What about Xing Yifan? He won't come. " Ye Xiao's voice is looking forward to it.

"He, I don't know. I didn't contact him." LAN Qianchen said cleverly, maybe there are too many people at the party, and maybe they can't meet them.

"Oh!" At that end, ye Xiao lost a little. "I'll see you later."

In a row of orderly cars, Pei Yuehuang's red sports car is also very eye-catching. With the light colored glass window, there is a hint of elegant woman figure on the driver's seat, which makes the crowd around stare at it.

Xing Yifan stops. He leads Bai Xia to wait for LAN Qianchen at the door. LAN Qianchen also stops the car. He goes to Xing Yifan's side. When Bai Xia's attention is elsewhere, he whispers, "Ye Xiao is here too." Xing Yifan frowns, but he doesn't think so. He doesn't care whether ye Xiaolai comes or not. The last meal in the restaurant, his influence on Ye Xiao has fallen to the bottom.

Entering the banquet hall, Bai Xia obviously held Xing Yifan's arm, because she was really nervous. Even though she imagined the world of the rich, she had never experienced it.

Xing Yifan's eyes are gentle and comforting. "With me, relax."

Bai Xia nodded, and LAN Qianchen felt a little bored, but he was also a rich man growing up. Therefore, on such occasions, he was used to being a regular person. He reached for a glass of juice to Bai Xia, and handed the red wine to Xing Yifan. "You have been to the world of two! Leave me alone, I'll walk around. "

Xing Yifan saw Chairman Yang over there, and he said to Bai Xia, "let's go and say hello. Thousand Chen, do you want to join us?"

LAN Qianchen just walked through the arena, and he didn't have a special way to say hello. "You go, I'll find a place to stay."

Xing Yifan leads Bai Xia to pass first. Before he can pass, Chairman Yang comes with a smile. "Yifan, you are here. I'm worried that your family will go abroad for the new year, so there's no representative coming! You know how much face I have lost without your Xing family! "

Xing Yifan smiled, "Uncle Yang, on behalf of my eldest brother, I'll come to see you and wish you a successful banquet."

"Won't this beautiful lady introduce her?" Chairman Yang looked at Bai Xia and was curious.

"Uncle Yang, introduce my girlfriend Bai Xia." Xing Yifan introduced the voice.

Chairman Yang nodded and said with a smile, "Miss Bai is so beautiful! It's a good match with Yifan! "

"Hello, uncle Yang." Bai Xia also spoke politely.

"Good. You have a good time." Chairman Yang patted Xing Yifan on the shoulder. "When drinking the wedding wine, don't miss calling me. I must drink your wedding wine."

Xing Yifan immediately said with a smile, "of course, you will not be missing."

One side of the white summer, pretty face slightly warm, but some sweet heart.

In the parking lot outside the gate, Pei Yuehuang's car stopped, but she was waiting for someone. Song Cheng, the president of song group, was in his early thirties. He was smart and smart. Tonight, he was even more energetic. He looked at Pei Yuehuang, and his eyes showed his interest in hunting.

"Mr. Pei, you are so gorgeous!"

"You're welcome. President song is also very handsome and dignified! It must be a big night, too. "

"Where and where, if I want to pay attention to it, it must be necessary to have Mr. Pei around me! If you can be my partner, it's hard for me to think about it tonight. " Song city invited.

Pei Yuehuang gathered her long hair for a while, "OK! I'm very honored. "

Song Cheng immediately approached her with his arm. "Then please, Mr. Pei, take me in!"

Pei Yuehuang smiled and held his arm. "Mr. Song, how did you think about your last cooperation?"

"Mr. Pei, I haven't had a drink yet! Two drinks before we talk. " Song city also has a purpose tonight. He has been pursuing Pei Yuehuang for many years. How could he not seize the opportunity to win his heart?

Pei Yuehuang had to press the business button and said with a smile, "OK, let's talk later."

LAN Qianchen finds a quiet corner, leaning against a counter, tasting red wine and looking at the people coming in. He doesn't know what he's looking forward to.

In fact, he didn't know if peiyuehuang would come at all, because on such occasions, all the famous rich people in the city came, and she also had the qualification to be invited.

Is she coming or not?

Blue thousand Chen is squinting Mou, drank a mouthful, cold not Ding, see the figure of a gorgeous red skirt holding a man to come in.

Who is not peiyuehuang? She's here, and she's still there with a man on her arm. Blue thousand Chen's star Mou is tight, the heart is tight by what.

Chapter 1122

Blue thousand Chen figure, like a quiet moonlight, in the corner alone, dark blue suit, so that he took off the boy's childishness, showing the atmosphere of mature men.

At the moment, he has finished drinking the red wine in his glass, and his eyes follow the dazzling and charming figure, as if the light around her is bright.

Pei Yuehuang really has a kind of charming and exquisite aura. She can catch people's hearts when she talks and laughs, which makes people have to pay attention to her.

In addition to Pei's identity as the group president, there are many men who want to flatter her. The men here, the experts in the famous and profitable fields, may not be the women who play with

things. A woman like Pei Yuehuang, who is capable, beautiful and generous, has a sense of conquering achievement.

At the moment, she is like a prey surrounded by a group of wolves in blue Qianchen's eyes, but at the same time, he can feel that the prey also has her own claws.

LAN Qianchen pours the red wine into his mouth, only to find that the wine glass is empty. He puts it aside a little fidgety and reaches for the whole suit. It seems that it's time for him to say hello to the woman.

Blue thousand Chen took a glass of red wine from the side again, a pair of resentful eyes stare at that dazzling and charming figure, he is biting thin lips to walk over.

Pei Yuehuang is talking and laughing with song Cheng. Suddenly, she feels that someone is coming behind her. She thinks it's someone who comes to say hello. She looks back while drinking, but sees a charming figure standing under the light.

Blue thousand Chen is carrying a glass of wine, inserting a side of trouser bag, the vision is complex and secluded stare at her.

Pei Yuehuang was shocked. Unexpectedly, he was also here. Her smile was stiff for a few seconds. She quickly responded and said hello with a smile, "Lan Er young master, long time no see."

"Not long ago, we just met a few days ago. Did you forget?" There is a kind of displeasure in LAN Qianchen's heart. It turns out that she didn't recognize people after using him.

Pei Yuehuang smiles at once. Tonight, she wants to get the order from Song Cheng. She has to deal with him. So, tonight, she really has no time to greet LAN Qianchen.

"Young master LAN Er, are you alone? " Pei Yuehuang also wants to find a girl beside him!

"One person. " Blue thousand Chen squints Mou to answer.

"Then you should find a friend." Pei Yuehuang laughed. At this time, her waist, a hand came to song city. He said to Pei Yuehuang, "Yue Huang, let's go. I'll take you to meet President Liu. Don't you want to see him all the time? There he is. "

Pei Yuehuang's eyes saw another business celebrity she wanted to meet. She turned to look at LAN Qianchen, "Lan Er young master, excuse me."

With that, Pei Yuehuang went to get the wine, and at the same time, he quietly broke the hand of song city.

Blue thousand Chen's eyes stand in the crowd cold, looking at the woman who left, there is a trace of her fragrance in the air, but she and other men go together, even allowing each other to hug her.

Blue thousand Chen's side suddenly approached a girl, "thousand Chen, found you."

It turns out that it's Ye Xiao. She's dressed up with a sense of obsession tonight. She's also bored. So, she knows that LAN Qianchen is here, and she can have a voice.

"Qianchen, what are you looking at?" Ye Xiao waved his hand in front of him.

Blue thousand Chen takes back the look, depressed way, "nothing!"

Not far away, Pei Yuehuang is holding a glass of wine, her eyes are looking at the direction of blue Qianchen, and she sees a sexy and lovely girl beside him, her mood is slightly shocked.

He just said that he came alone, but now he is surrounded by a girl? That girl is about the same age as him. She looks like a good match.

"Mr. Pei, here is a toast to you." That Liu always hands over his glass.

Pei Yuehuang immediately raised her glass to him with a smile, but when she was drinking, she looked at the girl who was talking with LAN Qianchen across the edge of the cup. Even when the girl was turning around, she grabbed his shoulder and went to another place.

Pei Yuehuang's eyes flashed a complex color, which was very bitter. Of course, she did not forget how happy she had been with him in the restaurant last time.

I don't remember that he said he would pretend to be her boyfriend to see his family, but when he had a younger and beautiful girl around, she couldn't get close.

Even if she became famous, sometimes, when her age was there, she lost those young girls.

"Mr. Pei, what are you looking at?" Song Cheng noticed that she was a little absent-minded.

"Nothing, but something." Pei Yuehuang smiles to cover up.

At this moment, in the direction of the restaurant, Xing Yifan takes Bai Xia to enjoy delicious food here.

"Open your mouth!" In Xing Yifan's fork, a piece of steak is handed to Bai Xia.

"I cut myself." Bai Xia is sorry, but these are all guests!

"What? Dislike me? " Xing Yifan squints her eyes and wants her to cooperate.

Bai Xia had to open her mouth and eat it. At the same time, she was a little upset about the way this man showed his love. It really didn't matter the occasion. Xing Yifan was eating. Suddenly, there was another table beside him. Three girls came with their meals. One of the women exclaimed, "God! Xing Yifan! "

This woman's voice is no less than the thrill of seeing a super idol. In an instant, the two girls sitting next to her turned their heads and looked at her immediately, their hearts racing with excitement.

"My God! It's him, really him, or so handsome. "

"More mature, but more charming."

Several girls are talking about Xing Yifan's handsome with their voices down.

They were one of the fanatical female students who pursued Xing Yifan in high school at that time. Xing Yifan is also a school grass level figure they can't replace. Bai Xia hears someone calling Xing

Yifan. She can't help looking at the table beside her. Xing Yifan's eyes also swept over. Although these girls had some changes, he still recognized some familiar faces in high school.

"Hi, Xing Yifan, we are high school students. Do you remember us?" One of the girls greeted him boldly.

"Xing Yifan, long time no see."

"My God! He looked at us. " One girl said excitedly.

The three girls just changed his little girl once again.

Xing Yifan nodded to remember, but only said hello politely.

Bai Xia is stunned. I didn't expect that Xing Yifan's fans could still meet here. How popular was Xing Yifan when he was in high school?

The noble high school that Xing Yifan studied at that time was just a collection of rich and famous children from the whole a city. Therefore, his admirers and pursuers were all rich and thousands of women and so on.

Naturally, the three girls also found Bai Xia, who was dining with Xing Yifan, and thought to themselves, what is her identity and the rich girl of her family? I had the chance to eat with Xing Yifan. It makes them envy and envy!

Xing Yifan in their hearts, that is the existence of high cold like a God, just like in high school, as long as he looks at who more, that female classmate can enjoy a day, as if he was flattered.

But now, even after ten years, his charm is still strong. At that time, everyone was timid. Now, when he came out to the society, he was also courageous.

What's more, these three rich ladies are also confident. Their eyes are like X-rays, looking at Bai Xia from head to foot.

Bai Xia obviously looks smaller than them. They are the same age as Xing Yifan.

Bai Xia was a little uneasy from these three eyes. She put down her spoon and said to Xing Yifan, "I'm full."

Of course, Xing Yifan knew that she was influenced by the three girls on the opposite side. He turned to the three girls and said, "introduce my girlfriend."

Finish saying, his eyes gently fall on the opposite Bai Xia.

Bai Xia is embarrassed for a moment. She feels that those three eyes are about to swallow her.

Xing Yifan stands up, reaches for Bai Xia and leaves.

The three girls stare at each other directly. Xing Yifan has made a girlfriend? What's good about that girl? How can she be worthy of Xing Yifan?

"I don't think so! Besides, I haven't seen her. She must not be a rich girl. "

"Is Xing Yifan blind?"

"It must have been the girl who used some means to seduce him."

The three girls are very unwilling to admit that Bai Xia is Xing Yifan's girlfriend, and they all want to go on.

Chapter 1123

I didn't know how rich Xing's group was before, but when it was mature, I had a concept of money, and then I knew that Xing's family was not comparable to the average rich, which was the family on the list of super rich.

So, if you can get Xing Yifan, it means that you will enjoy endless splendor in the future. Of course, it doesn't matter if you don't have money, but you like Xing Yifan. Bai Xia goes to a quiet place, turns around and stares at the man beside him. "He says, how many girls did you provoke in high school and how many people love you everywhere."

Xing Yifan blinked innocently. "I didn't."

Bai Xia looks at Xing Yifan's handsome face in the light, with noble and cold breath. Although his eyes are gentle and helpless, he is really a man who makes a woman fall.

Bai Xia couldn't help but look at him for a few seconds. She reached out and held his waist firmly. Her face was buried in his arms. She whispered, "Xing Yifan, if one day you meet a girl who is more beautiful and better than me, will you change your mind?"

Bai Xia really has no sense of security. She feels that he is too dazzling for her.

Xing Yifan lowered his head and kissed her in her hair. "Fool, what are you thinking about! How can I change my mind? "

"What if you change your mind?" Bai Xia looked up and asked.

"No, you're the only woman that moves me." Xing Yifan is sure that he has seen many beautiful and excellent girls from home and abroad. However, he found that only this girl stumbled into his world and occupied his heart.

Bai Xia blinked and asked like a child, "really?"

"Well! Really, otherwise, I swear by poison. " Xing Yifan made a low voice.

White summer immediately covered his thin lips, "no, no hair, I believe you."

Xing Yifan hooked his lips and smiled. The thin lips kissed her in the palm of her hand, and Bai Xia pulled out his hand shamefully.

A few girls nearby happened to see this scene. As expected, they thought that Bai Xia seduced Xing Yifan. Where is such a girl worthy of Xing Yifan?

"It's disgusting." Three girls think that at the same time.

"Let's go for a walk at the party and look for Qianchen." Xing Yifan takes her hand and takes her to look around.

Blue thousand Chen's mood is depressed, he is sitting on a sofa drinking smoky wine, and it is not red wine, it is the spirit that just took over.

Ye Xiao is sitting beside him. She doesn't know Xing Yifan is here. She doesn't want to meet those businessmen with her father. She's walking around here. It's boring.

Suddenly, ye Xiao's eyes saw a bright moon like figure coming, and she thought she saw it wrong. She blinked her eyes, and found that it was Xing Yifan.

It was only soon that he found that Xing Yifan was still holding a girl in his hand. Who was not Bai Xia?

Ye Xiao hurriedly shakes the blue thousand Chen nearby, excites, "thousand Chen, Xing Yifan has come."

LAN Qianchen looks up and sees that Xing Yifan has come as expected. He has no choice but to see Xing Yifan himself.

"Brother Yifan." Ye Xiao smiled and came face to face, and her eyes were full of joy and excitement.

Xing Yifan frowned and nodded his head towards her. He saw the direction of blue Qianchen and led Bai Xia.

"Qianchen, how can I drink here alone?" Xing Yifan finds out that his brother is depressed.

Blue thousand Chen thin lips hook once, "the mood is not very good."

"What's the matter?" Xing Yifan cares about patting him.

"Leave me alone. You can play! I want to be quiet. " Blue thousand Chen smiled.

"Don't drive when you're going. I'll ask Uncle yang to find a substitute for you." Xing Yifan is afraid of his drinking and driving.

"Well!" Blue Qianchen nodded.

Ye Xiao stands aside and looks at Bai Xia's evening dress. There is a trace of envy in her heart. Xing Yifan must have bought it for her! Otherwise, how could she afford to wear it?

Bai Xia doesn't like Ye Xiao either. She looks at her.

"Miss Bai, have you often attended such occasions before?" Ye Xiao can't help but want to show off her family background.

Bai Xia shakes her head. "Rarely."

"Is it? I often attend. If you don't understand anything, please ask me. I will help you. " Ye Xiaoming helps, but he shows off.

Bai Xia smiled and said, "thank you. I'm here!"

When Xing Yifan heard that ye Xiao was looking for a sense of existence in front of Bai Xia again, he was directly displeased and said, "Ye Xiao, if you want to show off and find a sense of superiority, go and pick someone else! Don't provoke my woman. "

Ye Xiao's pretty face is red. Nah, Nah, she says, "I I didn't! "

Xing Yifan went to Bai Xia and held out his hand. "Don't disturb us."

This sentence is enough to understand, let Ye Xiao disappear, how ye Xiao used to pursue Xing Yifan, now, she really has a feeling of injury.

Of course, this is also some of the ingredients she suffered from herself. If she is smart, she will not always find superiority in front of Bai Xia."Brother Yifan, how can you do this to me?" Ye Xiao's eyes were red with anger, and his self-esteem was hurt.

Bai Xia is also speechless. If she is Ye Xiao, even if she likes someone else, if she doesn't like herself, she won't bother, let alone find herself guilty. LAN Qianchen comes over and pulls Ye Xiao, "Xiao Xiao, don't disturb them. I'll accompany you tonight."

Xing Yifan takes Bai Xia and leaves.

Ye Xiao looked at their figure, hiding a trace of jealousy and resentment in his eyes. "Thousand Chen, where am I bad, why is there only that woman in the eyes of Yifan elder brother?"

With that, ye Xiao hugged LAN Qianchen sadly and cried on his shoulder. Not far away, peiyuehuang is carrying a glass of wine. She has left Songcheng and come here. She wanted to apologize to LAN Qianchen, because she couldn't get away from her work just now.

However, when she stood in the crowd and saw a pair of men and women embracing each other beside the balcony, her footsteps stopped and her red lips raised a smile of self mockery. It seemed that her idea was redundant, and she should not disturb him at all.

LAN Qianchen turns his back to the direction of the banquet hall. Ye Xiao hugs him and cries bitterly. Maybe Xing Yifan's words just now really hurt her heart.

Blue thousand Chen rigid body, cry for a while by her, he had to comfort way, "OK, Xiao Xiao Xiao, don't cry! There are many excellent men in the world, more than one, you will meet what you like. "

"But I only like him. I have been chasing him for three years abroad. I have paid so much, but he doesn't even look at me." Ye Xiao continues to be aggrieved.

LAN Qianchen can see it most clearly and clearly. Xing Yifan doesn't like her at all. It's just her wishful love. Xing Yifan is also innocent.

LAN Qianchen is not good at persuasion either, so he has to push Ye Xiao away from his arms. "Let's go to eat something?"

"I can't eat it." He said, "I'll find my friend, and I'll find you later."

With that, ye Xiao does not want to take a look at the direction of Xing Yifan and Bai Xia. At the moment, Xing Yifan and Bai Xia are stopped by Chairman Yang's group and chatting.

Blue thousand Chen lightly breathed a sigh, he turned around, looked in the direction of the crowd, saw in the second floor railings, there is a touch of amorous feelings figure is there, her side is still that man, two people are chatting.

Song Cheng just went to the bathroom, and tonight, he wants to take Pei Yuehuang. For some men, women are like collecting stamps. He will not give his heart to anyone, but he wants to collect them and become one of their future achievements. Song Cheng is such an idea. He hopes to get Pei Yuehuang, the capital he will show off to others in the future.

Pei Yuehuang has a project. He is the most suitable cooperation partner, so he thinks that he can bring this goddess like woman into his arms.

Song Cheng's hands are propped on the railings, and Pei Yuehuang is surrounded between the railings and her chest.

"Mr. Pei, you are so beautiful tonight that I am moved." Song Cheng began to talk about love.

LAN Qianchen looks at this scene, and suddenly he has a feeling. He puts down his glass and goes straight to the second floor. He steps up to the second floor and stands behind the song city.

Pei Yuehuang couldn't bear song Cheng's passionate love words. She saw LAN Qianchen standing behind her. She couldn't help but be shocked for a few seconds.

How did he get up?

"Mr. Pei, would you like us to find a room alone to talk about cooperation tonight?" The song city uses the pretended low voice ambiguous hint.

LAN Qianchen listens. He suddenly pulls up song Cheng's hand and pulls out the woman inside.

Song Cheng looks back at the young man who bothers him. He immediately gets angry. "Who are you? You know how to be polite. "

"I'm sorry, it was my friend who was impolite." Pei Yuehuang apologizes.

"Blue thousand Chen sneers a sentence," say what apology? This man is thinking about how to deal with you! He didn't know in his mind what a vicious plan he had. "

Song Cheng was so angry that he immediately waved a fist to LAN Qianchen. Just as they were, compared with the men who soaked in wine every day and in the night, LAN Qianchen's skill against them was very small. LAN Qianchen grabbed his hand and tried to make song Cheng's face change with pain.

"Let go, let go Son of a bitch, I warn you to let go. " Song Cheng finished, one foot will come.

Blue thousand Chen just side body a Dodge, at the same time, put a hand, song city oneself fell a heel to the front.

Pei Yuehuang looks at it, and meimou slightly gasps. She is surprised to see LAN Qianchen's skill and song city, which has been thrown into a dog. She can't suppress the impulse to laugh.

LAN Qianchen reaches out and clasps her. "Follow me."

After that, he led Pei Yuehuang downstairs. Pei Yuehuang's head was blank for a few seconds. She suddenly wanted to accompany him, escape here, escape from the scene. The hypocrisy here, so he led his hand, followed his handsome and slender figure, and fled everywhere.

"Moon Phoenix..." Song Cheng called her there, very angry.

But Pei Yuehuang holds blue Qianchen's hand tightly, and her flowing red skirt is like a warm rose blooming. This scene really fascinated many men, even Xing Yifan, who was not far away, found out. With a smile on his lips, it seems that his good brother found the reason for depression.

Chapter 1124

"Yuehuang, where are you going?" Standing on the second floor of the song city, desperate to disappear at the door of the woman shouted.

However, Pei Yuehuang's figure still disappeared at the door, and song Cheng was so angry that he punched hard on the railing.

At the door of the elevator, Pei Yuehuang panted slightly. She followed the hand of the man who tightly held her hand and looked at his handsome side face. He had a sharp angular side face and white skin. Even though he was very young, Pei Yuehuang felt a kind of man's hard power from his body. The masculine and charming breath on his body made her heart beat.

"Where are we going!" Pei Yuehuang asked him.

LAN Qianchen turns around and looks at her beautiful face. He responds directly, "where do you want to go! I'll take you there! "

"I..." Pei Yuehuang bit her red lips. For a while, she couldn't think where she was going!

"You want to stay here?" Blue thousand Chen squint at Mou to ask, have a kind of displeasure.

"No! I'll go with you. I'll go where you take me! " Pei Yuehuang chuckled, bright and dazzling, with a thrilling beauty.

It's like the light of a diamond.

Blue thousand Chen's breath slightly smothers, this moment, his eyes only her smile, even the elevator door opened, he also ignored.

"Let's go! Go in. " Pei Yuehuang took his hand, stepped into the elevator and pressed the first floor.

In the elevator, the atmosphere suddenly becomes very quiet, even the breath of the other party can be heard, but blue Qianchen's hand is tight, as if afraid that she will shake his hand. Pei Yuehuang gathered her long hair and said to him, "it doesn't matter where you drive your car."

"Good!" LAN Qianchen nodded and led her to his car.

Sitting in the car, Pei Yuehuang said with a smile, "I didn't expect you were good at it."

Blue thousand Chen also is not blow, he sneers a sentence, "just like that bastard just now, I can hit ten alone."

Pei Yuehuang thought of song Cheng's fall, and she couldn't help laughing. "You can really do it."

Blue thousand Chen is controlling steering wheel gracefully at the same time, at the same time turn head not happy way, "why do you become his female companion?"

"I have business relationship with him. I have a project in my hand that needs to be cooperated with him. I can't help it. I can only be aggrieved for the sake of the company and play with him on the occasion!" Pei Yuehuang is also helpless.

Blue thousand Chen's heart slightly tightens, he has checked her information, Pei family is her only daughter, so the burden of inheriting the company naturally falls on her.

It's not easy for her to continue to thrive for her family company.

"In the future, this kind of man seldom contacts with each other, and your Pei family is not short of money. Why do you need to cooperate with this kind of bastard? He is close to you with purpose. He clearly wants to take advantage of you. " LAN Qianchen did not have a good education, as if Pei Yuehuang was a simple girl who did not know what the danger was.

But of course she is not. What kind of man hasn't she met after so many years of business? Knowing that there are tigers in the mountain, she should also go to the tiger mountain. Moreover, she has never done anything to seek development in danger.

Pei Yuehuang chuckled and smiled a little coquettishly. She had a few drinks in the banquet just now, which made her speech and behavior more open than usual.

She sideways, with one hand on her side face and one hand on the front car frame, looking straight at the man driving.

"And you? What is your purpose of approaching me? " Pei Yuehuang asked with a smile.

Blue thousand Chen's eyes slightly tightened, he is biting thin lips, does not answer in front of the eye.

Pei Yuehuang is exactly how old he is. Her mind is mature and deep.

"Thank you for saving my yard tonight, young master LAN er. Stop! I'll take a taxi home. " Pei Yuehuang is going to get off.

Blue Qianchen's car is turning on the turn light, and stops nearby. When Pei Yuehuang is about to open the door, blue Qianchen's arm is so anxious that it clasps her. "You want to go home and I'll give you a ride."

"Don't bother." Pei Yuehuang is about to get out of the car.

But LAN Qianchen was in a hurry. His wrist was tight. He said eagerly, "it's dangerous for you to play taxi like this."

Pei Yuehuang immediately turned her head, propped up her chin, and looked at him vaguely with a charming smile. "Why do you care about me so much? You said that men who are close to me always have all kinds of purposes. I want to know about you. "

Blue thousand Chen a handsome face in dim light, some crimson, he some unnatural twinkle eyes, dare not touch Pei Yuehuang that pair of blurred sexy eyes. "I..." Blue thousand Chen is ashamed.

Maybe if he is facing a woman younger than him, he will not have any pressure. However, the woman sitting beside him is not like those little girls. She has the charm of a mature woman. Her eyes are sharp and deep, as if any careful thinking will be seen through by her.

Pei Yuehuang sighed, "forget it, I won't force you! Goodbye. "

"Wait!" LAN Qianchen calls her.

Pei Yuehuang has pushed out the door. She is standing in front of the door, leaning down, putting her face on her arm lazily. She is waiting. Blue Qian Chen takes a deep breath slightly, his eyes are looking at her eyes, he says directly, "I like you."

This is the expression of red fruit. Pei Yuehuang's eyes are slightly gaping. She chuckles, "what are you kidding me? I'm a bigger woman than you."

LAN Qianchen was a little upset. "How about being big? I don't care. "

Pei Yuehuang suddenly found that she just wanted to make fun of him, but she felt that LAN Qianchen was very serious. She had a sense of guilt, as if she was cheating on his feelings.

And she didn't even think about falling in love with her brother and sister, so she was a bit flustered.

Pei Yuehuang smiled. "I'm sorry, I was just joking. Don't take it seriously."

LAN Qianchen's handsome face is taut. He pushes the door open and gets off the car. He angrily calls out her name, "Pei Yuehuang, who is joking with you?"

Pei Yuehuang looked at the man walking in astonishment, even though he was young, but his strong and domineering breath came to him.

Pei Yuehuang also don't know why, not from step back, this step back, her high root shoes stepped on the skirt..

"Ah..." She exclaimed that LAN Qianchen was very close to her. He immediately stretched out his arm and took a look at her slender waist. Pei Yuehuang instinctively put her arms around his neck. In a moment, she was half lying in his arms.

With long hair hanging down, and delicate and beautiful face under the street lamp, it looks like a picture, with skin like snow, red lips playing back slightly and eyes misty.

Blue thousand Chen hugs her, breath one smothers, his throat rolled slightly, stare at her red lip, make an idea.

Pei Yuehuang seems to see through his ideas. She immediately panicked and took the lead in saying, "no..."

What can't you do? Is he not allowed to kiss?

Blue thousand Chen slants to want to kiss, he bends down, pare thin sexy two lip petals, brand directly to her delicate red lip.

Pei Yuehuang closed her eyes and the warm touch on her red lips made her feel like an electric shock. She had never had a crisp and numb smell that flowed all over her body. She didn't hate it, but also had some expectations.

Sure enough, she sighed for a long time and stood up. She gathered her long hair.

Just then, a girl behind the car called her in surprise, "Mr. Pei! Are you all right! "

Pei Yuehuang's face is reddened. Her assistant Xu Min even follows them. She coughs and says, "I'm ok..."

Blue thousand Chen looks at the woman in front of him, unexpectedly because he kisses, shy as a girl, he hooks a lip to smile, "Pei always talked about how many times to fall in love?"

Pei Yuehuang looks up and stares at him. "Are you OK when you are in danger?"

Blue thousand Chen rings an arm, look at her proudly on one face, "if say between us who seduce who, that also should be you first!"

He meant what happened in the hotel that day, when she took the initiative like a woman who had been thirsty for three hundred years.

Pei Yuehuang's face was directly red by a man who was three years younger than her. She bit her red lips and coughed softly, "thank you, LAN Er young master, tonight. I'll go first."

Finish saying, she walked to Xu Min's car, blue thousand Chen some lost to see her, long finger caresses thin lip, just that kiss, make him aftertaste.

Pei Yuehuang sits in the car and looks at the street lamp. The elegant and slender man has lost some rhythm in her heart. She has never had such a heart beating moment before. She doesn't even know that one day, she will be fascinated by a man three years younger than her.

Chapter 1125

Xu Min's eye-catching hole finds out her mind. She smiles and asks, "Mr. Pei, do you want master LAN Er to take you home?"

"Drive!" Pei Yuehuang said that she was upset.

Xu Min had to start the car and drive away. Pei Yuehuang looked in the rearview mirror. Beside the white sports car behind, blue Qianchen stood there like a model to see him off.

Pei Yuehuang has long hair. Her mind has never been so disordered. These days, she has considered carefully. She doesn't have time to fall in love, or to get married. She doesn't want to play with other people's feelings or spend one's time.

But tonight, she found that she was still hard to control blue Qianchen's heart. When he took her away, when he just kissed her, her mind was totally confused. Maybe let her deal with complex business, she can also light drive familiar, but deal with feelings, she is still a novice.

She doesn't have any love experience, most of the time, she would use the high cold shell to refuse all men's approach.

"Mr. Pei, I kissed you just now! It seems that he likes you very much! " Xu Min wanted to clap. If she hadn't nearly fallen, she wouldn't have appeared. "I don't fit him."

"Why not! Now it's popular to fall in love with brothers and sisters! "

"Is it also popular?" Pei Yuehuang asked herself sarcastically.

Xu Min choked at once. She can't say that. The blue family is not the one who is short of money. How can the parents of the blue family give up their son!

For parents, this is undoubtedly the feeling of digging a piece of heart.

Although the elders of Pei's family were very anxious to urge her to marry, grandpa made it clear to her that the man she was going to marry in the future must promise to be a burden, because the

assets of Pei's family would not be given away to an outsider, which was Pei Yuehuang's indifference to feelings and fear of marriage.

Although she thinks that most men are willing to agree to go in, but those are not what she likes. It's hard to find one that she likes and is willing to go in.

First of all, if she likes this, she can exclude all people. At present, only LAN Qianchen can make her feel moved. But his identity does not allow him to enter the burden. Plus his parents, will they allow him to marry a three-year-old woman?

Pei Yuehuang doesn't like to be rejected. It's like being denied. She has been sitting in the position of a strong woman for too long. She only likes to be affirmed and enjoy the results of victory. She doesn't want to be wronged.

LAN Qianchen sits in the sports car, he doesn't leave immediately, he just can't figure out, why does this woman say to leave, is she so hard-hearted?

In the banquet, it was still bustling, with cups of light, clothes and sideburns, and laughter.

The reason why Xing Yifan hasn't left is that he is waiting for a link to come, the dance. Bai Xia followed him and met all kinds of people. At the same time, he saw the respect and flattery of the rich people for his words, which made Bai Xia depressed. What kind of identity is the family of the man she is holding?

She never asked carefully, and he didn't tell her.

"Next is the ball time. Let's go back to dance together." Xing Yifan said to the girl holding himself.

Bai Xia nodded. With him, she would not be so prim.

"Good! But I don't know how to jump. What if I step on you! " Bai Xia asked with a smile.

Xing Yifan rubbed her little head, "step on it, as long as you have fun."

Bai Xia chuckled and looked up. "I'm reluctant to step on you!"

Xing Yifan took her into her arms, kissed her on the forehead, and saw that she knew how to love him and was satisfied.

Not far away, there are three jealous eyes staring at Bai Xia. These three girls in high school regarded Xing Yifan as a god of men. In their minds, Xing Yifan has always been a synonym for Gao Leng. But now, why does that girl make him laugh so happily?

Is there any magic in her? One of them snorted, "what kind of charm did she give Xing Yifan! Xing Yifan's eyes are on her tonight! "

"Xing Yifan laughs so charming! I didn't see him laugh before. I didn't expect that he would laugh even more

"He didn't laugh because you did! What are you happy about! If I could push away the woman beside him, I would stand beside him and make him happy. "

Just beside the three girls, Ye Xiao is also jealous. She overhears the words of the three girls. She looks at the three girls in surprise.

She didn't expect that Xing Yifan's admirers were all over the place. These three girls were brainless at first sight.

Ye Xiao's mind immediately filled with a plan. She would not provoke Bai Xia, because she would make Xing Yifan hate her, but she really hated Bai Xia. She really wanted to show Bai Xia some color tonight, so as not to let her show her love in front of her on purpose.

In Ye Xiao's eyes, Bai Xia's smile to Xing Yifan is like a demonstration to her. She did it on purpose, so she hated, she resented, and she was more jealous.

"You know Xing Yifan, too!" Ye Xiao deliberately accosted them. The three girls turned around and asked, "do you know him, too?"

"I'm his sister abroad. How about you?"

"We are his high school classmates."

"Oh! So it is! " Ye Xiao laughs. It seems that Xing Yifan's charm came into being when he was in high school. Look at these three girls' infatuation with him, just use it.

"Ah! Miss, do you know the girl beside Xing Yifan? Who is she! " There is a girl who is curious to listen to her.

"Yes! She! How to put it? She is a girl who can't be ordinary any more. However, she is clinging to Xing Yifan. Xing Yifan wants to find a reason to dump her, but she can't

"What? As expected, she is the goblin who seduces Xing Yifan. "

"She is not worthy of Xing Yifan at all. I want to say that none of you is worse than her!"

"Of course, she can't match our family background." All three girls are confident. Even though they are plastic sisters, they still maintain the superficial unity outside.

"There's still so long to go tonight. If anyone of you drives this girl away, you'll have a chance to meet Xing Yifan."

"How to catch up!" There was a girl who immediately wanted to have a try.

"If her dress is broken or dirty, she must have no face to stay, don't you think?"

Three girls look at each other, and at the same time they all come up with an idea, right! As long as the girl's dress is soiled, she must leave ahead of time. It's two hours before the end of the party! By then, Xing Yifan will have no female companion.

"This is simple, isn't it just a glass of red wine?" One of the girls said confidently.

"She's dressed in black. Red wine doesn't get dirty if it's spilled in. It's best! Get a glass of yellow juice, it's dirty and disgraceful! " Ye Xiao gives a better plan.

"Good! Let's choose a mango juice! I'll go to the front desk and get a fresh one, and I'll have some pulp in it. " A girl agreed to do so.

Ye Xiao saw that they were so easily encouraged. She was secretly pleased. She would wait for a good play!

Anyway, even if Xing Yifan is weird, she can't be blamed. Who let Bai Xia get in the way?

The girl came to the counter and asked the waiter to squeeze a cup of mango juice on the spot. She held it in her hand and looked at the sticky pulp inside, and she was very proud.

She went between her sisters, and she looked at the other two. "Who are you going? Pretending to fall on the girl accidentally? "

The other two girls looked at each other immediately and didn't take the initiative.

"What are you so afraid of doing? I'll get a waiter and give him some money! " Rich and easy to handle, as long as you give enough.

The three girls immediately went to discuss with each other. Ye Xiao saw that they really wanted to do it. She couldn't help making fun of it and waiting for a good play!

After a while, after the price negotiation, a waiter accepted their bribe of 100000 yuan and decided to sprinkle the juice on Bai Xia by pretending to be careless.

"Remember, you have to put it on your chest."

"I remember." The waiter takes the money to do the work. He has received the transfer money. He will certainly do it in a brilliant way.

Chapter 1126

The banquet hall is only a few minutes away from the ball time. Bai Xia looks forward to it. She thinks that if the light turns dark for a while, she can dance any way, and no one will laugh at her.

At this time, there was a waiter with a glass of juice. The juice looked very thick, which made the present female guests dislike it. No one went to take it. The waiter soon came to Bai Xia's face. When she was near Bai Xia's side, the male waiter immediately pretended to fall down.

"Ah Be careful. " He also reminded Bai Xia.

But where can Bai Xia react? She only saw that the cup of juice in his tray was so directly upside down, not slanting but directly sprinkling from her chest.

Xing Yifan tried to save it, but he was a little late.

Bai Xia took a breath. She was cold. The sticky mango juice was all on her evening dress.

Xing Yifan's eyes glared angrily at the waiter. "How do you do things?"

After that, he took off his suit and rubbed Bai Xia's chest with his expensive suit fabric. Bai Xia looked down at himself, and then the high-grade fabric stained with these yellow mango juice looked very dazzling.

"I'm sorry, I'm sorry I didn't mean to. I slipped! Sorry The man in uniform pretended to be in a panic.

Xing Yifan's eyes stared at him coldly. At this moment, when he saw the waiter lifting the glass, he took a quick look in one direction, and Xing Yifan was keen to look in that direction.

Not far away, his three high school girls were watching jokes there, and they were all satisfied. However, in Xing Yifan's eyes, they were busy with the same panic and turned their backs.

The cold light in Xing Yifan's eyes flashed, and his anger was strong. It seemed that this was not an accident, and the three girls without brains were deliberately harming Bai Xia.

Bai Xia is now in a panic and embarrassment. Someone looks around her. She reaches out her hand and covers her chest. She says to Xing Yifan, "let's leave!"

Xing Yifan took her in his hand and took a manager of the banquet hall. "Immediately give me a room according to the row, and ask for the best. "

" OK! Master Xing, please follow me. " How dare the manager neglect? Just now he saw that the waiter offended his girlfriend.

Xing Yifan leads Bai Xia to another elevator that leads to the top suite of the hotel. In the banquet hall, three girls look down at Xing Yifan who left. They immediately stamp their feet. "How did he go?"

"He seems to have looked at us just now. Does he know it's us who made it up?"

"No way! We are just watching! "

"Don't worry! The waiter didn't dare to say a word. He collected the money. If he dared to betray us, we would let him pay back the money. "

The loss on Ye Xiao's face was also obvious. He thought that these three women had soiled Bai Xia's dress, and Xing Yifan would let her go. However, Xing Yifan didn't expect to see her go personally.

No, they didn't leave, but went to a room in this hotel. Ye Xiao found that it was a bad thing. Didn't Bai Xia have reason to take off her clothes and seduce Xing Yifan?

Damn it, it's too rushed. Ye Xiao turns around and leaves. She doesn't want to be with these girls. Now the temperature outside is still very cold. Bai Xia is sprinkled all over her body, and the cold is naturally strong. She sneezes a few times in the elevator. The male manager takes them to a row of luxurious presidential suites and opens a room to invite them in. "Master Xing, please tell the front desk if you need anything."

"Well!" Xing Yifan answered and closed the door. He said to Bai Xia, "take a bath."

Bai Xia is now very uncomfortable with the humidity on her body. She rushes to the bathroom without saying a word.

Xing Yifan also went to the bathroom door and leaned against it in case she wanted to call him.

There was a flash of anger in Xing Yifan's eyes. Those women must pay a price and dare to do this to his women.

Bai Xia took off her whole body and stood in front of pengtou. She opened the water directly, and the water on her head fell instantly. She forgot to test the temperature of the water because she was too anxious. Therefore, the water just dropped was still warm and cold.

"Ah..." Bai Xia was drenched with a thrill, and she also made a low cry.

Xing Yifan at the door immediately thought that she fell down, and hurriedly pushed the door open recklessly. He saw the girl in the nearby glass, standing there without anything. When he saw him coming in, he was afraid to shoot to drill the hole.

"Xing Yifan, what are you doing here? Get out of here. " How did Bai Xia know he came in?

Xing Yifan's eyes for a few seconds, breathed and quickly closed the door and retreated.

He forced a smile and clenched his thin lips. Did the girl scream on purpose to let him in?

Bai Xia is now showering under the warm water temperature. A pretty face has turned red. She is all red. My God! This is pure glass! He saw it all.

Bai Xia is going to faint.

Xing Yifan continues to wait at the door of the room. He has a black shirt and slim black trousers. His long legs are strong and straight, and his face is precious and evil. Bai Xia washed it for nearly half an hour. She washed it from head to toe twice. She turned off the water and stepped out. She found that there was only bath towel in the bathroom, while the Nightgown was usually in the closet outside.

Bai Xia wipes her body with a bath towel. She doesn't take care of her wet hair for the time being. She spreads her wet hair behind her head, revealing a small and delicate face of melon seeds.

In the mirror, her white skin is reflected, with a touch of pink in the delicacy. This is washed out, but also shy.

Bai Xia quietly opens the door and wants to find a nightgown to wrap herself up a little, but she doesn't find it. As soon as she sneaks out, she sees a man leaning against the wall next to her.

Xing Yifan's eyes narrowed and looked at the girl who was only wrapped in a bath towel under the light.

"Scared..." Bai Xia is scared. She doesn't have a pair of shoes at her feet. She slips directly.

Xing Yifan quickly leans out her arms. When she looks up slightly, she scoops her slender body into her arms. At the same time, knowing that she is barefoot, she picks her up in the next second.

Bai Xia was so scared that she put her small hand around his neck. Originally, the bath towel was a very easy thing to fall off. After such a toss, the corner of her chest was about to fall off.

Bai Xia finds out that he immediately lowers his head, hands tightly around his chest, and gives an urgent command to a man who lowers his head, "don't look."

Xing Yifan thought of what he should see, he has looked over it, and he has an advantage from small to large, so his memory is very good.

"I'll send you to bed and blow dry your hair, or you'll be ill." After Xing Yifan finished, he took her to the big bed in the master bedroom. When Bai Xia was put down, she immediately got into the quilt, and a long wet hair was held by Xing Yifan. Bai Xia was lying horizontally. Xing Yifan suddenly took out the towel on her body from her quilt and put it under her head to prevent her long wet hair from wetting the edge of the bed.

Bai Xia's pretty face has been brushed again. Now her body is in the quilt and she has nothing to wear. She tightly grabs the quilt edge and swallows her saliva nervously.

"I'll find you a comb and a hair dryer. Don't move." Xing Yifan walked away with a smile.

Even if he lets her move, does she dare to move? Bai Xia looks at the ceiling and feels like crying without tears.

Of course, she didn't know that the juice she had just been sprinkled was totally framed. She just thought that the waiter was really careless.

At the moment, she can only whisper a bad luck.

Xing Yifan comes here with a comb and a hair dryer. Bai Xia still covers the quilt under his neck just now, and his hands are tight.

"Aren't you tired? Take it easy and trust me. You won't take advantage of others' danger. " Xing Yifan opens with a low voice.

Although, he didn't want to be a gentleman for a long time.

Bai Xia didn't believe him either, but since she was seven or eight years old, she took a bath independently. Besides herself, she didn't let the second person see her body. She felt that her body was not good enough. I'm sorry.

Xing Yifan squats down and combs her long hair. The black hair is shining. In the white bath towel, it looks particularly smooth and charming. The girl lying on her back, with a bright forehead and curly and charming eyelashes blinking from time to time, has a lovely smell. The red lips are pink under her nose, and she looks like a frightened kitten at the moment, Some unspeakable sprouts.

Chapter 1127

Yeah! I'm really picking a man to bully her.

Xing Yifan straightened her long hair. When he plugged in the hair dryer, he could not help bending down and kissed her on the forehead.

Bai Xia immediately looked at him shamefully, "you said you can't do anything wrong."

Xing Yifan said with a smile, "is it a mess to be married? Do you have a wrong understanding of the two words in disorder

Xing Yifan's long fingers combed her long hair and began to blow. The silky hair made his fingertips a pleasure. He blew it seriously.

Bai Xia was a little speechless, but she closed her eyes and enjoyed the comfort of his blowing her hair, and his fingers rubbed her scalp from time to time, as if they were massaging her, making her really comfortable and want to sleep.

Wet hair of her, there is a kind of amorous feelings, and when her long hair is charming and flowing, this girl is like an ancient goblin. Under the light, her skin is white, black, pink and extremely clear.

When Xing Yifan put down the hair dryer, his pent up desire broke out. He just bent down and touched her two red lips gently.

Bai Xia is grabbing at the quilt. Where can I push him away when I have time? I can only cooperate obediently and reward him for blowing her hair just now.

Bai Xia thought that he would go away with a kiss. How could he know that the man was addicted to greed? His slender body was pressed up across the quilt.

"Well..." Bai Xia was slightly shocked and stared, but Xing Yifan didn't go too far across the quilt. He just enjoyed the moment.

Under the light, Bai Xia's long hair is spread on the ground, her little head is tilted slightly, and her back head is buckled by a big palm, which makes her unable to escape and bear the man's warm kiss.

Kiss kiss, her hand will naturally relax, involuntarily around the man's neck, do not know whether to let him go, or more.

Until she felt the danger of men across the quilt, Bai Xia was shocked. Xing Yifan let go of her, a pair of ink eyes flickering with the dark tide of desire, tightly coagulated her.

"Xing Yifan How heavy are you! " Bai Xia had to use this reason to push him.

Xing Yifan, "..."

"Get down here and crush me." Bai Xia wants to push him across the quilt.

Xing Yifan breathed heavily, and sat down in front of the bed from her. He said hoarsely, "I'll sleep here tonight. I won't go back."

Bai Xia continued to shrink in the quilt, showing a shy face, pleading, "can we go back?"

Xing Yifan narrowed his eyes, turned his head and asked with a smile, "are you going to go back with the quilt wrapped?"

Bai Xia was embarrassed for a moment. "Can you ask someone to send me a dress?"

Of course Xing Yifan can! But he doesn't want to. Today, there is only one big bed in this room. He won't miss this chance.

"I had a drink today, I can't drive." Xing Yifan made up the reasons.

"Then I have no clothes to wear." Bai Xia is hot now. In front of him, even if there are quilts, she is not ashamed to die.

Xing Yifan went to the wardrobe, took a nightgown and put it in front of the bed

Bai Xia is also embarrassed, but at last, there is more protection. She said to him, "turn your back, OK?"

Xing Yifan had to turn her back. Bai Xia picked up her nightgown and put it on the quilt. She couldn't help but breathe a sigh of relief. She lifted the quilt and grabbed the hem and got out of bed.

"It's a pity that your aunt's evening dress is so beautiful. Send it to dry cleaning tomorrow!" Bai Xia said regretfully.

Xing Yifan narrowed his eyes and said in a low voice, "this matter tonight, someone will come to apologize to you tomorrow."

"Eh? Apologize? Did you say that waiter? He didn't mean it! " Bai Xia also knew that the waiter had fallen down.

"It was my three high school classmates who deliberately let him come over and dirty your dress." Xing Yifan told her the truth.

White summer slightly stared, "what? I didn't provoke them. How could they do that! "

Of course, Bai Xia is still smart to think that she didn't provoke them, but she loves Xing Yifan so much, which is her provocation.

"It must be because I'm your girlfriend, right?" Bai Xia asked him with his head askew.

Xing Yifan leaned down and kissed her little head. "I'm sorry, because I've made you suffer."

Bai Xia thought about it, but chuckled, "no, I'm happy, because they are jealous again, I'm still your girlfriend!"

Xing Yifan looked at her optimist, he was both distressed and gratified, "I will always be your man."

This sentence vaguely makes Bai Xia's pretty face blush. She bites her lips and says, "do we really want to sleep in the hotel tonight?"

Xing Yifan looked at her and said, "are you going to stay away from me for the rest of your life?"

Bai Xia was so ashamed that he could not look at him directly Is Wait a second. ""When?"

"After marriage!"

"Do you mean you can go to bed with a license? Then we'll pick it up tomorrow. " Xing Yifan is domineering.

Bai Xia was shocked. "So fast! You're not going to get to know me again? "

Bai Xia thinks it's too fast. The stage of mutual understanding hasn't passed yet. Do you want to get married? She still can't accept it!

"I know everything about you except your body." Xing Yifan laughed at the evil spirit.

Bai Xia immediately took a look at him and snorted, "I don't know you yet! I think you're a bit lecherous. "

Xing Yifan, "..."

Don't be a man he doesn't know, but his lust is only for her.

"Good! I promise you, even if I sleep in a bed tonight, I won't do anything to you, but tonight, stay in the hotel. " Xing Yifan finished, took out his mobile phone, "I'll make a phone call."

Bai Xia looks at his back towards the balcony. She looks back at the big bed again. She is not only looking forward to it, but also flustered. In fact, she is just too conservative to sleep in the same bed with a man.

Xing Yifan stood on the balcony and dialed a phone. "Check the phone number of the person in charge of Chairman Yang's dinner party for me. I need it right away."

Soon, Xing Yifan's mobile phone heard a message, and the person in charge's phone number was sent.

Xing Yifan did not hesitate to dial through again, that end is a male voice to pick up, "Hello! Hello!"

"Hello, I'm Xing Yifan. I'd like to check the guest list tonight."

"May I ask who you want to check?"

"I'll come down to your security room in a moment. Please come over." Xing Yifan doesn't know the names of the three girls, but he will find out.

Xing Yifan stepped in and said to Bai Xia, "hungry or not, do you want to eat something more? I'll go down and have it sent to you. "

"Where are you going?"

"Do something, you won't be afraid here alone!" Xing Yifan asked.

Bai Xia shakes her head. "Don't be afraid! The scenery here is so beautiful that I can watch it all night. "

Xing Yifan said with a smile, "if you want to like here, you can live here for a year."

Bai Xia hurriedly refused, "no, just enjoy the scenery. I'm tired of living for a year. I'm still comfortable at home."

Xing Yifan can't help but laugh at her theory. He picks up his cell phone and pushes the door to leave.

Bai Xia is holding her chin, thinking who can send her clothes now? Is she going to wear a nightgown tonight? Isn't it embarrassing to see that it's so ungracious and that she's going to sleep badly at night?

However, Xing Yifan was so bad that he could ask someone to send her clothes. He refused, but Bai Xia was helpless.

Xing Yifan comes to the security room at the moment, and points out that he wants the identity information of the three girls directly.

The security captain didn't refuse either. Xing Yifan's identity is enough to let them obey him. Soon, the identity information and phone number of the three women were written down. Xing Yifan took them out, and let them go tonight. I'll apologize tomorrow.

In a word, Xing Yifan won't let Bai Xia suffer for nothing.

Chapter 1128

When Xing Yifan came back, Bai Xia was sitting on the sofa under the warm lamp, with her arms around her. Because she had no clothes to wear and was in a bad mood.

Xing Yifan squinted, smiled and walked to her side, half crouched and stared at her small face. He did not speak, just looked at her.

Bai Xia immediately put out his hand and covered his eyes. He didn't want to be looked at by his deep eyes.

Xing Yifan holds her small hand with a low smile and kisses it on her thin lips. "What's the sulk?"

"Can you ask someone to bring me a suit?" Bai Xia pleaded with him with big eyes.

Xing Yifan, of course, didn't want her to leave tonight. He had to promise again, "OK, I promise I won't touch you tonight. You can put ten thousand hearts into it. If you take the initiative, when I don't say that."

Bai Xia was immediately amused, and the pink fist waved in front of him, "how could it be?"

"Who knows you! What if you're hungry and thirsty enough to attack me?" Xing Yifan raised his lips and smiled, as if he was the one with danger.

Bai Xia smiled angrily again. When he reached out and wanted to hit him, he was held in his arms by a man. Bai Xia pounced on him shamefully. Xing Yifan held her and sat on the sofa.

Bai Xia's smiling eyes touch his charming eyes, and the atmosphere immediately becomes quiet and delicate. Xing Yifan's handsome tonight really wants to provoke women to commit crimes.

In fact, Bai Xia is not afraid to be close to him. She just can't get over her inner difficulties.

"I'll take a bath and go to bed early tonight." Xing Yifan just had some wine smell on his body during the party. He wanted to clean it.

Bai Xia nodded and sat beside him. Xing Yifan's long fingers were unbuttoning his clothes. As he took off his coat directly in front of Bai Xia, his strong muscles appeared in her eyes.

Bai Xia's breath was quickened, her heart beat faster, some of her dared not go to see, but she couldn't help secretly appreciating his back.

Xing Yifan glanced slightly, even if he didn't need to look back, he knew that the woman was appreciating his figure, and his thin lips raised a smile of unknown significance.

Bai Xia watched him walk to the bathroom with long legs, and she immediately murmured a sigh. It's so long tonight. How should I live?

Bai Xia didn't know why she felt hot all over. She got up and went to the balcony outside to blow a cold wind.

Now it's close to the end of the year. When the cold wind blows, she suddenly wakes up, goes back to the hall around her arm and chats up, and closes the sliding door to death.

White summer is full of brain don't know what to do, next door Zila push open, only to see a whole body up and down only wrapped in bath towel of man came out, ink hair still drips water, strong six chest muscles, with the waist and abdomen of the mermaid line, copper skin stuck with a layer of water beads, he flicked the appearance of ink hair, it is silent in sending out seduction breath.

Bai Xia's heart, which had just calmed down, was directly and thumping. She stared at the picture of his bathing. She was imaginative, and immediately had a composition that made people think.

"You What about your clothes? " Bai Xia has a bad feeling that his clothes are not dirty! Did he get wet?

Xing Yifan held up his hair, and his whole face became Wilder. He took a bottle of ice water and unscrewed it. In front of her, the wolf took a drink and asked with a smile, "I lost the bathroom."

"You Then what do you wear to sleep! " Bai Xia felt that he was intentional.

"Just like you! Bathrobes. " After that, Xing Yifan pulled open the wardrobe, found out the robe and put it on. When he tied the belt, the towel around his waist was torn open by him.

Bai Xia's brain has been buzzing for a while. Is that what they are wearing tonight? There's only one bathrobe on two people?

Xing Yifan came over with the water and handed it to her. "Would you like to have a drink? I think you're thirsty. "

Bai Xia heard another meaning of him. She retorted, "I'm not thirsty."

Xing Yifan goes to the phone and dials the front desk for a dinner. Bai Xia is not full.

From the floor to ceiling window, the skyscrapers outside the window are brightly lit. Xing Yifan also sees his own company building. In a group of buildings, it is particularly magnificent. At the top floor, there is a layer of light cloud hovering. The landscape lights are flashing in the fog, especially domineering.

"Come here." Xing Yifan faces Bai Xiadao on the sofa.

Bai Xia stood up and went to his side. Xing Yifan pointed to the tower towering into the cloud across the street. "Guess whose house it is?"

Bai Xia blinked. She only remembered that every time she drove across the street, she would see the building. Every time she raised her back and hurt her neck, she could not see the top. She shook her head. "I don't know. Do you know?"

Xing Yifan naturally chuckled, "my family."

Bai Xia's eyes widened instantly. What family background is he? She didn't know before, but tonight at such a high-end party, he was so young and respected by all parties. She really had no doubt about his family background.

"Really? The tallest building is yours? " Bai Xia did ask, and his heart surged into a complex heart. His family is so rich! This made her feel inferior. Xing Yifan found out, he reached for it, "no matter what family background I am, I will share it with you."

Although Xing Yifan has his own career, he has directly inherited 30% of the shares, which his eldest brother, Xing liehan, took the initiative to allocate to him after he was 18 years old, even though Xing Yifan never asked for the shares of the company.

White Xia lightly depends on in his bosom, "I don't ask for any glory and wealth, as long as this life is peaceful."

Xing Yifan kissed her hair for a while, "I will protect you all my life."

The doorbell rang, and the dinner was delivered. The exquisite and rich dinner was placed on the table top of the French window. Bai Xia and Xing Yifan were wearing nightgowns, which was another kind of fun.

After dinner and half an hour's rest, Bai Xia's routine was very punctual, and she felt sleepy when she was full.

"Yifan, I'll go to bed first." Bai Xia looks at the big bed and wants to lie in it.

Xing Yifan is still watching the ball game. He turns off the TV when he looks at the woman who is going to bed.

"I'll be with you."

Bai Xia was embarrassed and didn't refuse. She first went in and arranged her robe in the quilt, showing only a small face.

Xing Yifan lies on his side. The whole bed is heavy. Bai Xia lies on her side without moving.

Xing Yifan's strong arm was put on from the back of her neck. Bai Xia had to rest on his arm, and for a second, her waist, the man's hand came back.

Bai Xia is pulled by his strength. Suddenly, two people face each other.

Bai Xia blinked nervously, pretending to have a serious expression, "sleep!"

"Well! Sleep! " Xing Yifan is smiling at the bottom of his eyes.

Bai Xia's face is hot. How can she sleep when he holds her like this? She whispered, "don't hold it. We'll sleep separately."

When Xing Yifan turned off the main switch next to his other hand, all the lights went out, leaving only two yellow sleep lights, and the light in the whole room suddenly darkened.

"Just sleep." Xing Yifan's deep voice line can't be refused.

"But if you hold me like this, I can't sleep!" Bai Xia said nothing.

"It seems that you are not sleepy. Do you want me to help you?"

"How can you help me?" Bai Xia thought, does he still have hypnotic function?

"Let's get some exercise." Xing Yifan's voice line seems to stick to his ears.

Bai Xia immediately felt tight. She reached out and pushed him. "No! I can sleep. "

Xing Yifan's laughter was a little under drawn in the dark. At the same time, even if the light was darker, his eyes were bright and threatening.

Bai Xia and he face to face, look in, then some difficult to extricate themselves.

"Xing Yifan, you are honest. Have you ever had another woman except me?" Bai Xia is smart enough to talk about something and calm him down.

This topic will undoubtedly calm Xing Yifan. He immediately looked at him, "of course not!"

"Is it? You have so many pursuers. Are you sure you don't have a heart attack? " Bai Xia continued to ask.

Xing Yifan said in a low voice, "I, Xing Yifan, like people who only actively pursue, so far, only you a woman."

Of course, Bai Xia believed this. She bent her lips and smiled, "ha, it's funny."

Xing Yifan suddenly pinched her pretty buttocks. In a blink of an eye, Bai Xia blushed, "Xing Yifan, what are you doing?"

Chapter 1129

"I want to bully you." Xing Yifan has no good mood.

"You can't mess around, you promised." White summer low cry.

In the dark, I only heard a deep hum, "if you doubt me again, I can't guarantee it."

Bai Xia immediately coaxed him, "no doubt, no doubt! How about going to bed? "

After Bai Xia finished, she turned over and turned her back to him. She also likes to curl up and sleep. Suddenly, the man behind her had to change his posture and go to sleep with her. The two bodies overlapped.

White summer is brewing sleepiness, cold not Ding, feeling dangerous, she hurriedly turned around, a little annoyed way, "how can I sleep like you!"

Xing Yifan said in a mute voice, "I can't blame you."

Bai Xia had to lie flat, a pair of small hands in the quilt, some have no place to put, for fear of accidentally put in the wrong place.

"Then I sleep." Bai Xia continues to close her eyes.

"Bai Xia, I think there's something you should pay attention to. It's for your sake." Xing Yifan's deep voice line was spitting in her ear.

"What!" Bai Xia asked.

"My ability! You are not sure before marriage. You can't regret after marriage. " Xing Yifan said very seriously.

Bai Xia said with a smile, "No."

Xing Yifan continued to coax, "don't you really want to? Free! "

Bai Xia chuckled, "do you still want to charge? How much for a night! "

"Like me, at least at a high price." Xing Yifan said with great confidence.

Bai Xia immediately said seriously, "in that case, let me sell my boyfriend! One night is 100000 yuan. If you make three million yuan in one month, I will make it. "

Next to a man angry handsome face gloomy, "you say another try!"

"Xing Yifan, it's up to you whether I can get rich or not." Bai Xia is not afraid to die.

The next second, the man turns over and educates the woman who is not obedient and intends to sell him.

"Well..." Bai Xia is going to faint. The man said that he even started. Can he make some sense.

A kiss, two people's robes are a bit messy, dangerous atmosphere in the room spread.

When Bai Xia was released, Xing Yifan was lifted out of bed. Before getting out of bed, she did not forget to tuck in her quilt to prevent her from catching cold.

Bai Xia is ashamed to be buried in the quilt. Just now, both of them feel the most intimate one, but Xing Yifan refuses to leave.

Xing Yifan went to the balcony. Bai Xia was dizzy, as if he was suffering from excessive oxygen deficiency. Instead, he felt sleepy and rushed up.

Xing Yifan was standing on the balcony, the cold wind was blowing, but he was hot all over, he thought tonight is not a good sleep.

Just now, he clearly felt that the woman had not pushed him away. If he could, he would have achieved what he wanted tonight.

But he restrained, he did not want to put their most important moment, happened tonight, he wanted to give her enough security, let her take the initiative to deliver.

Instead of forcing her under his semi tough means, she just seemed to lose her mind under his kiss, like a weak person without the right to choose.

When Xing Yifan came back, the room was very quiet. Bai Xia curled up and a small face appeared outside, like a half cooked apple, pink and quiet.

Xing Yifan kissed her. He chose to sleep on the sofa.

Early morning.

When Bai Xia sleeps in a daze, she immediately opens her eyes to think of something. It's bright outside the window. However, Xing Yifan is not around. She can't help but fold her long hair. She forgot how she fell asleep last night.

Just remember after that dangerous kiss, Xing Yifan left, and she fell asleep. Bai Xia closed her eyes, thought of the kiss, thought of the two people facing each other in the most intimate and candid way, and her face rose to a blush.

Just then, there was a clang to open the door. Then Xing Yifan stepped in with a black shirt and trousers, and he still had a clothes bag in his hand.

White summer immediately a happy, "is my clothes?"

Xing Yifan walked to her side, Bai Xia reached for it immediately, but he laughed and lifted it away.

Bai Xia immediately fretted, "give it to me!"

"Unless you promise to do two things." Xing Yifan picked a sword eyebrow slightly, which was a little hateful.

He endured so much last night that he must have asked for some reward.

White summer is biting red lip, have no choice but way, "promise you what?"

"First, ask my husband to listen. Second, give me a kiss." Xing Yifan asked.

Bai Xia looks up at him. He has never called her husband. How can she call her exit. "Do you have to call?"

"Yes!" Xing Yifan nods.

Bai Xia had to hang her eyes. Her two hands were twisted together. She called him with a voice that was too light to be light. "Husband!"

"Speak up." Xing Yifan smiled. Bai Xia raised her head, took a deep breath and said, "honey!"

Xing Yifan was satisfied. He sat in front of her bed and sent one of his faces to her. "Kiss my husband."

Bai Xia can't help reminding him, "I haven't brushed my teeth yet!"

Xing Yifan didn't mind saying, "it's OK! Kiss! My husband doesn't dislike it. "

Bai Xia, "...". She had to kiss him quickly. Xing Yifan just gave her the clothes, "put them on! After breakfast, prepare to accept others' apology. "

"Is that the three girls you had last night?" Bai Xia asked.

"Well!" Xing Yifan nodded. This morning, he asked the three girls to be informed. Although they didn't admit it on the phone, Xing gave them only one sentence. If they didn't apologize, they would be responsible for the consequences.

The three girls were already guilty, and Xing Yifan could not be bothered by their family background. If Xing Yifan wanted to deal with their family because of this incident, it would be more than a loss. Therefore, they all agreed to come to the hotel at 10:00 on time to apologize to Bai Xia.

He said in the white summer, "turn your back."

Xing Yifan turned his back and heard the voice of dressing behind him. Xing Yifan asked with a smile, "is the bra suitable? I chose the size myself. Is it too small? "

Bai Xia is wearing it. His pretty face is getting hot. He has a good eye. His size is just right!

"Not bad!" Bai Xia couldn't help asking, "how do you know?"

"I measured it last night." Xing Yifan tells her proudly.

White summer embarrassed red face to stop him, "don't mention."

Xing Yifan didn't mention it immediately, but it doesn't mean it didn't happen. He was very satisfied last night.

Bai Xia dressed and went downstairs for breakfast together. Now outside the hotel, three girls had hurriedly arrived, but only required an apology at ten. All three girls stood together regretfully at the moment.

"It's a shame to let Xing Yifan know."

"Now, the three of us really let him remember." Another self mocking way.

"It was the girl who instigated us to do harm to his girlfriend. I knew we had asked her to do it. Now, she didn't do anything, but made us lose face."

"Who is that girl! My heart is too bad. "

The three girls now know that they regret it, and they realize that they have been shot.

Bai Xia and Xing Yifan have breakfast in the breakfast restaurant. It's almost ten o'clock. Xing Yifan takes her to a coffee shop and dials a phone, "call those three girls!"

That is Xing liehan's assistant. At the same time, he also serves Xing Yifan. As long as the Xing family's business is done, they will do well.

Soon the three girls got a call and went to a coffee shop to apologize.

Bai Xia thought of last night's event as a plan. She was angry and wanted to hear how the three girls explained it.

Soon, three figures with their heads hanging from the door came in. They went to Bai Xia and Xing Yifan, who were near the window. All three of them were ashamed.

"My girlfriend's surname is Bai. Now you sincerely apologize to her." Xing Yifan opens his mouth to three girls in a cold voice.

The three girls immediately look at Bai Xia with guilt and say, "Miss Bai, I'm sorry, I'm sorry, please forgive us, we were confused for a while, we didn't mean it."

"Yes! What we didn't want to do you harm was to have someone tell us to do it next to you. "

Xing Yifan's cold eyes narrowed. "Who directed you?"

"It's another girl. We don't know her name, but she said it's your sister studying abroad."

Bai Xia looks at Xing Yifan and agrees in his eyes. Ye Xiao also participates in it.

"The girl said that Miss Bai was pestering you and seducing you. She said that Miss Bai didn't deserve you. You wanted to dump her, so we listened to her stories and talked to Miss Bai like that..."

Xing Yifan's face is ugly, and ye Xiao is in his heart, completely thrown into the blacklist.

"Three of you, please, have more brains." Xing Yifan snorted.

"Yes, yes, we have no brains." The three girls immediately joined in and thought Xing Yifan was right.

Bai Xia wanted to laugh, so she had to bear to say to them, "I accept your apology, but my dress is dirty. Please send it to dry cleaning for me!"

Bai Xia's words just came down, Xing Yifan said coldly, "just pay for it. My people will inform you of the dress bill. Let's go!"

The three girls dare not say anything at once. They have to lose money.

Chapter 1130

When Bai Xia and Xing Yifan came out of the hotel, she suddenly wanted to go home to see her father. She didn't know how he dealt with Ye Jiamei's story last time.

"I'll give my father a call," said Xing Yifan

Xing Yifan nodded. "I'll get the car."

Bai Xia took her cell phone and went to the flower bed beside the emperor and called her father.

"Hello! Summer and summer! " The voice of Ye Shize came immediately.

"Dad, are you busy recently?" Bai Xia asks him for help.

"Well, how are you?"

"I'm fine." White summer smile should be a sentence.

"Just tell Dad if you have no money."

"I have money, no more." Bai Xia didn't want to ask for his money.

"Good! I'll invite you to dinner when dad is not busy in two days. I'm a little busy recently. "

"Well, let's get together when you're not busy." Bai Xia heard his father's voice was full of fatigue. It seemed that he was very tired.

After hanging up the phone, Bai Xia is biting her lips, thinking about the matter of Ye Jiamei. She is right.

Xing Yifan's car drove to her side. He looked at the girl who was holding the mobile phone. He said gently, "get in the car!"

Bai Xia opens the front passenger's seat and sits in. She looks up and asks Xing Yifan, "what will he do with Ye Jiamei when you say about my father?"

"I think he will collect more evidence. If there is enough evidence, maybe your father will divorce. Even if he does not divorce, his marriage with your stepmother will be nothing." Xing Yifan said.

Bai Xia blinked. "Did I do something wrong? Shouldn't I send those photos to him?"

"You should change your mind. He is your father. Would you like to see him deceived? Ye Jiamei is spending his money, but she is doing something against your father? "

Bai Xia looked up and asked, "can you check Ye Jiamei for me? I wonder if she and that man are really together. "

"Well, I'll check for you." Xing Yifan comforted her by saying that if more truth would reassure her, he would be willing to investigate.

"Thank you!" Bai Xia is grateful. Xing Yifan gives her a sense of omnipotence, as if he can help her deal with any troubles she has.

"Thank you for what? Isn't it right to work for my future father-in-law? " Xing Yifan chuckled, and the tall off-road vehicle inserted neatly into the car group.

As soon as Bai Xia's heart is warm and sweet, he stops talking.

"It's time for me to go home and work. After a few days, my editor in chief will scold me." White summer speaks.

Xing Yifan looked at it painfully, "don't worry, she scolds you, and I will buy her company back. In the future, if you want to work, you will work. If you don't work, no one will scold you."

Bai Xia was so amused that he chuckled out, "No."

Xing Yifan reached out and rubbed her head. "OK, I'll take you home!"

When he returned to the neighborhood, Xing Yifan parked his car in front of Starbucks. He asked Bai Xia to sit in it and wait. He went in and packed a cup of coffee she liked to drink.

Bai Xia took the coffee he sent and took a sip of it with satisfaction. At the gate of the community, Xing Yifan wanted to go out.

"I don't want to eat out in the evening. Do you want to go home and cook together?" He asked in the white summer.

"Good! I'll come back in the evening. " Xing Yifan replied.

Bai Xia also needs to go back to work. She has no time to go to the supermarket. She nods, "OK! Then I'll wait for you. "

Xing Yifan's SUV soon drove to another road. Today, he is going to the court to finish the case of Cheng Liang.

Cheng Liang's capital is already in the process of being courted. Xing Yifan has made a beautiful turnaround.

At this moment, Niu de and Liu Bao can all be arrested and put to justice, waiting to be dealt with.

Near Pei Yuehuang's villa community, another villa for sale less than a kilometer away from her home, is sold successfully today. The man standing on the top of the villa, with a clean white shirt, casual khaki pants, and a thin sea of Liu between the eyebrows, under the sword eyebrows, his eyes are like stars under the thin night, looking at a direction with a smile on his lips .

"Mr. LAN, if you think about it, please sign here." A man in a suit came to him with a document.

LAN Qianchen just took a quick glance, took over the pen, and signed his name in the column of customer signature.

"Thank you, Mr. LAN. Have a good time here."

LAN Qianchen looks at a place and smiles, "thank you!"

The salesperson left the car and walked leisurely in the villa where he lived with his bag. He was very satisfied with everything here. Of course, he was most satisfied with the people he wanted to see in the community.

LAN Qianchen hopes to move in as soon as possible. Now her family is pregnant. Her parents urge her to move in and take care of her. So LAN Qianchen has reason to move out. LAN Qianchen recently returned the company to his eldest brother for management. He became unemployed, which made him a little bored.

It seems that he should find something to do for himself. LAN Qianchen finds out that Pei Yuehuang's company's lawyer team has changed. A gold lawyer who has worked for her for ten years has been poached and several elite people have been taken away. It seems that her lawyer team needs to fill the vacancy.

LAN Qianchen also wants to do what he is best at. Once he collects his mobile phone, his long legs move towards the direction of the garage.

Pei's group and Pei Yuehuang's daily work make her time tight. She has just signed a dozen documents, including two lawsuits involving the company's business. She reaches for quhao's internal line.

"Are the headhunters here?"

"Mr. Pei, just arrived. Do you want to come up?"

"Come up, please!" Pei Yuehuang replied.

After a while, two professional headhunters came in and called out to the young woman in the boss's chair, "Mr. Pei."

"Please take a seat. I'm sorry to keep you waiting."

"Where, we just arrived. It's an honor for our company to work for Mr. Pei." Facing her, two middle-aged managers dare not look down upon her.

"I believe my assistant has told you something. I need you to find the best lawyer for me to fill the vacancy of our legal team." Pei Yuehuang clings to coffee, stands up and takes a leisurely walk beside her.

She also wants to relax after sitting for a long time.

"Mr. Pei can rest assured that we have several target persons, and now we are looking for them to discuss. If there is any news, we will contact your company as soon as possible."

"You know our company has many lawsuits to deal with every year. I hope you can find the right person for me." Although Pei Yuehuang is young, she has a strong aura, and even a look brings a sense of oppression. "Mr. Pei is assured that we will look for the target according to your requirements."

Pei Yuehuang nodded, and after a few more words, Xu Min sent them down.

Pei Yuehuang was thinking of taking a rest. Suddenly her inner line rang again. She gathered her long hair and picked it up against the desk. "Hello!"

"Mr. Pei, a Mr. LAN wants to see you." The front desk call came in.

"Mr. blue?" Pei Yuehuang squinted her eyes.

"Yes, Mr. LAN Qianchen." The front desk reports the name.

Pei Yuehuang's eyes widened in a moment, and she became nervous like a little girl. "Where is he?"

I only heard that the call was answered by another person, and a clear male voice came, "I'm in your company hall! May I come up? Mr. Pei

Pei Yuehuang bit her lip and couldn't hide her smile. "OK, I only have ten minutes. Come on up!"

"Too mean." LAN Qianchen said a word and hung up.

Pei Yuehuang covers the microphone. She breathes a little. How is this guy coming? Is it idle?

Pei Yuehuang suddenly thought of something. She went back to her position, opened a drawer, and took out a box of air cushion boxes. In the small mirror, she reflected her delicate and flawless makeup. After she was sure that she didn't need makeup, she covered the box and smiled for a while. What's wrong with her?

Isn't that to see blue Qianchen? Does she need to be like a flustered little girl?

Pei Yuehuang put the make-up box back. She immediately picked up a signed report from the side, opened it, and pretended that she was very busy.

After a while, Xu Min excitedly invited LAN Qianchen in.

Blue Qianchen looks at the back of the luxurious and atmospheric work table, and a thin and charming figure sits there. The dark texture shirt shows her temperament, which makes her show a bright and strong female style.
