

U. CEO Daddy 1131

Chapter 1131

Pei Yuehuang raised her eyes and looked at the blue thousand Chen who stepped in. She hooked her lips and smiled, "how can blue two young master come to me?"

LAN Qianchen pulls out the chair opposite her and sits down. He looks at her seriously. "I'm here for an interview."

Pei Yuehuang's smile was slightly stiff. With it, she joked, "is Lan Er so idle? Or are you kidding me on purpose? "

"I'm not kidding. I know your legal department is recruiting lawyers. I'm just interested in trying. I'm in a hurry today. I didn't bring you a resume." LAN Qianchen is really not joking.

This time, Pei Yuehuang's smile is really stiff. She also carefully looks at the man opposite, squinting her eyes and asking, "are you really here?"

Blue thousand Chen nodded, answered a sentence very seriously, "really!"

"I can't afford you." Pei Yuehuang held her chin and shook her head.

Blue thousand Chen squints Mou, "I can start from the intern, if you have doubt to my ability, I can prove to you."

Pei Yuehuang stood up and leaned close to him with her arms on her back. "Young master LAN Er, don't make a fool of yourself."

Blue thousand Chen stands up, also holding on to the arm, has narrowed the distance several minutes, his handsome face only has a palm distance from her, his thin lip sex appeal opens the mouth, one by one answer, "I have no nonsense."

Such a close distance makes blue Qianchen's beautiful and invincible face look like an aggressive light, which makes Pei Yuehuang's breath smothering for a few seconds.

Even when she breathed his cool and charming masculine breath, Pei Yuehuang stood up straight at the thought of the kiss he had branded strongly last time. She was afraid that she would get too close, so that the man could see through her mind.

"Do you really want to come to our company?" Pei Yuehuang asked again.

Blue thousand Chen hook lip a smile, "I come to work tomorrow."

Pei Yuehuang couldn't help but hold her forehead. She got up with some headache and went to the direction of the floor to floor window. She still couldn't hide her smile and wanted to repel him at the same time. "Lan Er young master, I'm afraid my salary is not as high as you think."

LAN Qianchen came around and sat down in her comfortable boss's chair, "who says I want your salary? I'll work for you for free. "

Pei Yuehuang understood. He just came here to make a fool of her. She looked seriously. "Qianchen, be your young master! Stop it. "

Blue thousand Chen Jun Yan tiny dismay, at the same time there is a rush of anger, he wring his brow way, "I did not make trouble, in short, tomorrow I will come to work."

With that, LAN Qianchen gets up, and her slender body approaches her. The bright and handsome man makes Pei Yuehuang's heart beat fast.

Pei Yuehuang was standing in front of the floor to floor window. She stepped back quickly and leaned against the window. Blue Qianchen's arm was lazy and blocked her to her chest.

Pei Yuehuang couldn't bear this posture. She breathed a little, and didn't know what the man was going to do.

LAN Qianchen didn't want to do anything, just wanted to be close to her.

In the face of young men, Pei Yuehuang's confidence seems to be half of the discount, even a little scared.

Obviously in front of other men, her aura is not lost, but in front of this three-year-old man, she always seems inexplicably flustered.

"You What are you looking at? " Pei Yuehuang even stuttered.

Blue thousand Chen sees her a few silk embarrassment, he squints Mou to bend up a fair and charming smile, "boss, see you tomorrow."

Finish saying, he pulls an arm, turn around, carefree insert pants bag to walk toward the direction of the door.

Pei Yuehuang slightly stared, and she didn't promise him to come to work from the beginning to the end! After a while, Xu Min came in for the reason of cleaning up the coffee cup. Looking at her boss standing in front of the floor window, she asked with a smile, "Mr. Pei, what can I do for you, Mr. LAN er?"

"He's coming to work in my company." Pei Yuehuang sighed, inexplicably helpless.

"What? He's coming to work? Which department! " Xu Min asked excitedly.

"Legal affairs." Pei Yuehuang looks at the distance, some of her head is big.

"My God! Mr. LAN er must have come for Mr. Pei. " Xu Min said excitedly, trying to wipe the table and laughing, "Mr. Pei, master LAN Er is really persistent to you! For you, I'd like to be a lawyer in your company. "

Pei Yue Huang is very big, listening to Xu Min's words, she turned her head and stared. "You can say a few words, maybe he is just boring, too idle."

Xu Min choked immediately. She didn't dare to go on, because as a woman, she can understand the boss's mood. Being pursued by a three-year-old man, she is not only happy, but also worried. Moreover, her future husband will be burdened.

Pei Yuehuang's eyes are looking out of the window. She doesn't know what she is thinking. Demi is slightly twisting, after Xu Min pushes the door to leave.

Alone in the space, her dark eyebrows are loosened, her red lips are slightly bent up with a smile. Her slender fingers are gently pressed on the red lips, but it is difficult to prevent the smile at the corners of her mouth from becoming more and more pleasant. In the detention center, Niu de and Liu Baoneng are detained together. They are the two chief conspirators and several associated personnel are in another detention room.

"I must make that little bastard pay for it." Niude said to Liu Bao.

"If we didn't have him, we would have gone abroad with money now. How could we squat here? I don't know how many years it will take! ' Liu Baoneng also wanted to kill Xing Yifan.

"I also left a card. There are 10 million cards in the card. Anyway, I'm dead. I have no children and no family to support. Then I'll buy that stinky boy's life for 10 million. Hum!" Niude gnashed his teeth and said, as if only in this way can he vent his anger.

Liu Bao can get together immediately and whisper, "then what do you do?"

"When my little brother comes to visit me, I'll let the wind out. If he finishes that kid, he can come to me and ask for credit. My money is his."

Liu Baoneng thought that Xing Yifan had so easily torn up his dream and let him go to jail. He naturally agreed with Niu De's idea.

"Good! I support you to kill him. What I hate most now is him. Without him, we can have this end?" Liu Bao can excite him.

Niude has the heart to kill people without being stimulated. He has nothing now and faces a long-term trial. He only thinks of a bad breath.

Bai Xia finished her work at home. She got up and went to the balcony to breathe. She thought that the flowers had not been picked up yet. She thought that she would take time to pick up the two little guys tomorrow.

Now it's evening time. The thick clouds in the distance are rolling. The winter night is threatening. Bai Xia suddenly feels empty in his heart.

She went into the hall, picked up her mobile phone and dialed Xing Yifan's number.

"Hello!" The charming voice of Xing Yifan seems to be driving.

"Have you come home? Did you buy any food? "

"Ten minutes to go to the supermarket downstairs."

"I just finished my work. I'll go downstairs to the supermarket with you."

"Good! Put on more clothes. It's cold outside. " Xing Yifan asked.

"I know." Bai Xia said with a smile. She went to the wardrobe and looked at the Red Army green coat. She reached for it and put it on her body. She wrapped her small body and it was warm.

Ten minutes later, Xing Yifan's car drove over from a distance. Xing Yifan stopped by, and Bai Xia opened the door and sat in. Then he drove to the underground parking lot of the supermarket and got off the car. Xing Yifan watched her pick up the coat and asked with a smile, "I'll wear it with you next time."

Bai Xia leans on him, "Hmm! Good! "

At this time, a young man came out with vegetables. He was looking at the bill. When he looked up, he saw Bai Xia coming in. He immediately cried out excitedly, "Bai Xia."

Bai Xia looks up and sees Xie Jinhao, a high school classmate. She smiles and says, "long time no see."

"My God! I always thought you were abroad when you came back to China. " Xie Jinhao's eyes looked at her excitedly, which showed the joy and full of happiness.

"I've been back for a while." Bai Xia smiles.

Xie Jinhao used to be interested in Bai Xia. At this moment, seeing her, I can't help but see the same mood of my first love.

At this time, Bai Xia's shoulders, a bullying arm around, Bai Xia is oppressed by a force, paste to Xing Yifan.

"My dear, your friend?" Xing Yifan 's handsome face posted it.

Xie Jinhao just noticed Bai Xia's countryman. At that time, he was honest. Bai Xia's boyfriend was Gao fushai.

"Yes, my high school classmate." Bai Xia explained with a smile and waved to Xie Jinhao, "goodbye, let's buy some dishes."

Xie Jinhao couldn't help looking back several times, but only saw Bai Xia's figure being held by her boyfriend.

"It seems that I'm not the only one attracting bees and butterflies! How many pursuers do you have in high school? " Xing Yifan is biting his teeth and pressing questions in Bai Xia's ear.

Bai Xia is not guilty at all, because she is pure and white!

"I don't know! Anyway, I only studied in high school. Who knows how many people like me? " Bai Xia said frankly.

There is no pressure to be questioned!

Xing Yifan is a little speechless. Why isn't this atmosphere when he is questioned by her?

"Really? You didn't like a man from the beginning to the end? " Xing Yifan as long as he thinks that if she likes other men, his heart is really not taste!

"I've been in love for at least a dozen times!" Bai Xia replied with a smile.

Some man's handsome face sinks, stares over, "what do you say?"

Bai Xia chuckled, "I draw comics and make plots every day. I don't know how many times I have fallen in love with my cartoon hero. I have to talk with several of them one day! It's very tiring. "

Xing Yifan was directly laughed out of anger and hugged her. "In the future, your comic hero can only be me. Dare to masturbate with other men again." Bai Xia's heart is empty this time, because she is now the leading actor in the cartoon!

Chapter 1132

Dinner was contracted by Xing Yifan. Bai Xia's job is to wait on the sofa, like a spoiled child, and do nothing with her.

Bai Xia didn't do anything, but ran to the kitchen to enjoy his handsome back. Then, when he couldn't help it, he hugged him behind him and kissed him around his waist.

Love a person's mood, is to wish every minute of the next to him, hug, this is most couples love to do things.

Bai Xia can't be free from vulgarity either. Now she can feel that she has been put on the top of her heart by Xing Yifan, which makes her feel strong and secure.

With him, there is no fear of the world.

Bai Xia used to love staying at home, because she didn't feel safe in the world, so she had to be careful when going out, because she had been followed by those men who didn't have good intentions.

She was almost depressed and autistic, but now, her heart is full of sunshine and security, all from Xing Yifan.

Her father couldn't give her love. She got it all from Xing Yifan. So she felt that she was the luckiest person in the world.

In a daze and confusion, she heard the voice on the table. She looked up and saw that Xing Yifan had brought out the dishes. She immediately got up to help and filled two bowls of rice. Xing Yifan untied his apron and washed his hands. Bai Xia did not move his chopsticks and sat there waiting for him.

Xing Yifan couldn't help being funny. Looking at her as cute as a child, he reached out and stroked her head. "It's lovely."

White summer curved lips a smile, "you are good to me I am good, not good to me, then you will see my other side, female tiger."

Xing Yifan chuckled, "well, it seems to be flattering."

After Xing Yifan sat down, he put out his hand to feed the fresh shrimps. Bai Xia ate them shamefully.

Bai Xia was very full for dinner. In the evening, they went out for a walk in the nearby square. Bai Xia liked to drink a milk tea. She went in and packed it. Xing Yifan stood at the door and waited for her.

Handsome very extraordinary posture, so that a group of girls sitting inside can't help looking over, excited to want to chat up.

Xing Yifan's eyes were slightly displeased at the young man's teller. He was just talking to his woman!

Bai Xia often comes here, so she knows the boy and talks about the normal customers.

Bai Xia comes out with the packed milk tea, and Xing Yifan's arms are in his arms. At the same time, he looks back at the teller who saw him and squints his eyes slightly. The light is like ice edge, which makes the teller immediately feel awed and receive his warning.

"What are you looking at!" Bai Xia looks back for a few seconds when she sees him. She asks curiously.

"Nothing!" Xing Yifan's eyes fell again, already gentle.

Where does Bai Xia know that the vinegar King around her is jealous?

"It's good to drink. You can make it up." Bai Xia takes the lead in letting him drink a sip. Xing Yifan takes a sip. Bai Xia holds the straw in his mouth and sucks milk tea sweetly.

At last, the mood of the man on one side turned from Yin to Qing.

Holding hands, walking together in the mall beside the shade forest path, a light formed a romantic Road, surrounded by grass, and music sounded, so lazy time, walking with the favorite people, is really a wonderful enjoyment.

Two people are drinking a cup of milk tea, leisurely step forward.

At 9:30 p.m., two people came home. Bai Xia opened his own door. The man behind him didn't open his house, but was waiting for her to open it.

Bai Xia can't help turning around to look at him. "Do you want to come to my house?"

Xing Yifan narrowed his eyes and said, "who has divided my home with you? Your home is my home, my home is your home. "

Finish saying, the door that Bai Xia just pushed open, the man strides forward of domineering, Bai Xia is behind some cry smile.

Xing Yifan sat down on her sofa, reached out and led her, "come here."

Bai Xia nestles up to him and sits down. His arm comes straight to him. "I want to sleep in your house tonight."

Bai Xia's pretty face immediately blushed. Thinking of what happened in the hotel last night, she was so shy that she wanted to drill a hole in the ground.

Xing Yifan looks at her with such a thin skin. He can't help but want to tease her. "My husband has called, and wants to drive me out?"

Bai Xia doesn't think so, she just needs time, step by step.

"Do you have to?" Bai Xia is biting her lips and wringing her hands to show her inner struggle.

Xing Yifan was stunned. He could not help being upset. Did he force her invisibly? He didn't mean to force her.

"I've endured it for 27 years, and I'm not in a hurry for this moment!" Xing Yifan immediately relaxed and smiled, kissed her on her forehead, "when will our two families meet their parents and take the certificate, we will be together, OK?"

After listening, Bai Xia nodded, "OK!"

Xing Yifan can only sigh, who let him so reluctant to her embarrassment? Suffer from it! The night is more and more deep. LAN Qianchen, who just moved out of his house, has packed up his house. What he should have bought has been bought back. This villa is also designed according to the male style. It is simple, luxurious and introverted. It adopts a cold and hard decoration style, which is very suitable for young men to live in.

Blue Qianchen steps back to the balcony of the top floor. He holds his hands on the railing. From here, he can overlook the brightly lit skyscraper in the center of the city. Under the night, the night scene is beautiful and spectacular, like a city forest of lights.

On the street, the traffic is blazing, showing the bustling scenery at night.

Blue Qianchen's eyes are fixed on the traffic coming in from the outside of the community. He can't help but look at the glittering light pointer on the wristwatch, which has pointed to 10:30 p.m., while Pei Yuehuang's villa is still not lighted.

This means that she is still out at this time, and LAN Qianchen still loves her a little. Even if she is called a strong woman, she really understands and loves her. What a woman needs most is a warm and stable environment, rather than fighting in the Mingli field every day.

LAN Qianchen continues to wait on the balcony. It's almost eleven o'clock. He sees a car heading towards Pei Yuehuang's villa. He decides that she should be back.

LAN Qianchen waited so late to say hello to her. Even if he was a little late, he didn't want to miss the greeting.

Pei Yuehuang's red sports car drove into the garage. She pushed the door open and held the door wearily. She came to the door and pressed the landscape light of the whole villa. She didn't like the darkness. The first thing she did every time she came back was to turn on the exterior view light of the whole villa and the high walls of the yard around her.

Pei Yuehuang has just been liberated from Gaogen shoes. She has changed into a pair of soft and comfortable shoes. She is going to lie down on her sofa. Soon, her doorbell rings.

Pei Yuehuang is shocked. Now, who will come to find her at home? If it's her assistant or something, she'll be informed in advance.

Pei Yuehuang did not go out, but opened the video phone, at the same time, on the screen she saw the man standing at the door, she was stunned for a few seconds.

"Blue thousand Chen?" Pei Yuehuang was surprised.

Blue thousand Chen looks at the direction of her probe, showing a charming smile, "it's me! Open the door. "

"So late, what do you want to do with my family?" Pei Yuehuang asked jokingly.

"Open the door and I'll tell you." Blue thousand Chen makes mysterious way.

Pei Yuehuang was a little tired, but she opened the door. She stood at the door and looked around her arm at the man coming in from the other side of the yard.

"Why don't you go home and sleep at night? What time is it now? " Pei Yuehuang seems to be teaching a younger generation.

"I didn't run around," said LAN Qianchen, picking up his eyebrows

Pei Yuehuang looked at him and didn't admit it. He said, "you don't want to bring up my company again! I thought about it. You'd better not come. "

Pei Yuehuang doesn't want to delay his future, like his ability, what can I do? He can invest in a boss.

"Not in the afternoon? I'm not here to talk about it. " Finish saying, blue thousand Chen arrived in front of her, under the light, blue thousand Chen a handsome face smile some dazzling.

Pei Yuehuang didn't want to chat with him in the corridor either. She stepped into the hall and asked him, "what do you want to talk with me when you come to my house in the evening?"

Chapter 1133

LAN Qianchen suddenly realized a problem. She let him in easily. Didn't she think that he would have bad intentions?

"Should you have some vigilance? If it wasn't for me, you would have been so generous to invite each other in? " LAN Qianchen asked the woman who was holding water in the refrigerator.

Pei Yuehuang couldn't help turning to look at him. "Except you, my assistant, how can I let in? I'm not stupid. "

Listen to her answer, LAN Qianchen can't help but laugh straight. He raised his eyebrows and said, "then don't you worry about me?"

Pei Yuehuang came up to him and handed him a bottle of water. He asked, "should I worry?" Blue thousand Chen suddenly has a kind of idea that is looked down upon by her, he can't help squinting his eyes, the eyes show a touch of evil spirit, "you'd better worry about it."

Pei Yuehuang laughed, "I'm not worried! I was naked in front of you that night, and you didn't do anything to me, did you? "

Blue thousand Chen is annoyed immediately, do not have good airway, "that is because I do not know you, I also do not want to take advantage of you."

Pei Yuehuang can't help holding her chin. She looks like an imperial sister, "Oh! Is it? And now? "

Blue thousand Chen a pair of star eyes stare at her, some children airway, "now not necessarily."

Pei Yuehuang drinks water, and her stomach rumbles. She looks at LAN Qianchen in embarrassment and explains, "I'm hungry."

"You didn't have dinner?" LAN Qianchen asked.

Pei Yuehuang entertains several foreign clients tonight. She has no appetite. She doesn't eat at the dinner table and just talks about her work.

"It's OK. I can stand it until tomorrow." Pei Yuehuang is used to it, because sometimes she is hungry, so she forgets about it.

Blue thousand Chen directly retorts, "you go on like this, stomach can't stand, the child still knows to want to eat when hungry!"! You're such a big man, you don't even have common sense? "

Pei Yuehuang is slightly shocked. Is it his turn to educate her?

"Your family has nothing to eat! I don't want anything out there. " Pei Yuehuang said, stroking her stomach, "forget it, you go back!"

"You don't have it. I have it. Go to my house." LAN Qianchen just filled up the refrigerator.

Pei Yuehuang couldn't help chuckling out, "now you invite me to your house for dinner? I'm not going. "

LAN Qianchen forgot to tell her. He raised his eyebrows and said, "it's not my parents' house, but my house. I forgot to tell you that I moved in."

Pei Yuehuang's smile was sluggish, and she looked at him in amazement, "what? You moved in? "

"You row to the left, building 4!" Blue thousand Chen finish saying, get up a way, "change shoe to my home, I cook a thing to you to eat."

Pei Yuehuang blinked, a little unbelievable, "when did you move in? How to buy a house here! "

"Blue thousand Chen picks eyebrow way," I am happy! Do you have an opinion? "

Pei Yuehuang smiled, "of course, I have no problem. OK, then I'll go to your house to have dinner."

Finish saying, Pei Yuehuang also wants to visit his home, she changed a pair of flat shoes to follow him out.

It's only a few minutes' walk to his door. It's similar to her family's pattern, but the decoration is another style. Pei Yuehuang can't help praising the words, "not bad! It's suitable for young people like you. "

Blue Qianchen, who is changing shoes, looks up and retorts, "you are only three years older than me.

"Three years old is also big." Pei Yuehuang argued.

LAN Qianchen doesn't care about her, let alone about age. He doesn't care.

Pei Yuehuang walked into his hall, sat on the sofa, looked up and around again, and saw LAN Qianchen walking towards the refrigerator.

"What's good in your family?"

"I'll cook noodles for you!" LAN Qianchen thought that she would be so hungry. It's better to have a little warm stomach.

"Good! I really like to eat some light food when I eat more food outside. " Pei Yuehuang is in a good mood suddenly. There is another person who is willing to take care of her stomach in this big evening. It's really a good thing!

She forgot how long she didn't feel the warmth of being taken care of in the middle of the night after she moved out of her home.

The food that LAN Qianchen bought today is very fresh. He takes what needs to be prepared and goes into the kitchen.

Pei Yuehuang looks at the man who enters the kitchen in a daze. In fact, she is so big that she has done everything, but she can't cook. For her, cooking is a waste of time. She doesn't have this leisure and doesn't want to study.

Therefore, she will not take care of herself, plus she does not lack money to go out to eat, but eat more outside, and always miss the feeling of having a good meal at home.

Pei Yuehuang stood up, went to the kitchen door, and watched LAN Qianchen washing vegetables there. She watched curiously.

"How is your cooking?" Pei Yuehuang asked curiously.

"You'll know when you've paid." LAN Qianchen washed the dishes carefully.

Pei Yuehuang looks at his side face, handsome and charming. Wearing casual clothes, he still has some clean temperament of a big boy. She can't help but look a little dazed, is it older, more like young men?

LAN Qianchen turns to look at her. "Do I look good?"

Pei Yuehuang did not expect to peek, but was caught by him. She was not as shy and embarrassed as a little girl. She narrowed her eyes and said with a smile, "it's pretty!"

Blue thousand Chen's thin lips slightly curved, straight up, toward her.

Pei Yuehuang immediately did not know what he was going to do, but watched his tall body press towards her. She hurriedly backed away, her waist against the counter, but LAN Qianchen was still close to her. Her heart beat faster, and even looked forward to it. When he was going to do something for him, LAN Qianchen reached for a small vegetable basket beside her.

Pei Yuehuang's face turned a little red. It turned out that she was blocking him from taking the basket.

"I just take the basket. What do you think I want to do?" LAN Qianchen can't help teasing her.

Pei Yuehuang was a little annoyed and said, "no!"

"You blush."

"How could it be?" Pei Yuehuang doesn't admit it.

"I'm blushing. It's lovely." Blue thousand Chen laughs to tease her.

Pei Yuehuang still touched her face a little shamefully, "then I'll wait for you outside."

LAN Qianchen watched her leave with a smile, and he carefully cooked.

Pei Yuehuang went to the door and the cold wind came over, calming her mind a bit. Just now, she was so embarrassed. Even if he really wanted to do something to her, at that time, her heart didn't revolt, but expected.

What's the matter? Is it true that she is so empty and lonely that she is so cold?

Sometimes, for a man, maybe he will have a sense of achievement when he has reached the peak of his career, but for her, the success of his career is only part of it. In her heart, like all women, she still yearns for a good love and wants a man who loves her, but these years, she has not found it, so she loves herself.

Hearing the sound in the kitchen, Pei Yuehuang couldn't help looking over. Behind the glass window, she saw a busy slender figure. In a trance, her heart seemed to find a temporary stop for her to rest.

Fifteen minutes later, LAN Qianchen brought out two bowls of noodles. The noodles were light and fragrant. There were green vegetables and two beautiful eggs in the bag.

Pei Yuehuang stood at the table and said, "it's really good. It's delicious."

LAN Qianchen hands her chopsticks. "Eat!"

Pei Yuehuang is really hungry. Although she tries to hold on every time, she really falls down with the stomach ache. She doesn't often have it, but it still makes her very uncomfortable when it breaks out.

Pei Yuehuang's entrance to the dough noodles made a sigh of satisfaction, "it's delicious! You are wonderful. "

Blue thousand Chen's heart is directly filled with a trace of satisfaction. With her praise, all he has done is satisfied.

Including buying the villa and waiting for her to arrive so late.

"Do you know? In addition to going home for dinner occasionally, I always eat out in the restaurant. I'm tired of eating too much. " Pei Yuehuang said while lamenting her life.

"You can come to my house later." LAN Qianchen invites her.

Pei Yuehuang's eyes brightened, not with a refusal, but with a surprise, "really? Do you really want to cook it for me every time? "

"Well! You're my boss. What can't I do for you? " Blue thousand Chen hooked lips a smile.

Pei Yuehuang suddenly thought, this is also good, she nodded, "OK, if you really come to work in our company, I will give you three times the high salary, including my food expenses."

LAN Qianchen doesn't want to be treated like this. He shakes his head and says, "I go to your company to work, not for money, but to accumulate experience. I work for you free, and you don't have to pay for food. Every time you come, you can bring back the food."

Pei Yuehuang was shocked. "You really decided to give me a free job?"

LAN Qian Chen nodded seriously, "well, it's free."

"Why do you do that?" Pei Yuehuang doesn't understand.

Blue thousand Chen's eyes straight stare at her, the fundus of the eyes is turning a trace of blazing, "for you."

Pei Yuehuang was eating, and suddenly her heart was moved. She lowered her eyes. There was a trace of moisture in the bottom of her eyes, but she said with a smile, "you are so stupid."

Chapter 1134

When Pei Yuehuang came out of blue Qianchen '.

But now she found that the night scene was really beautiful, but what she missed was not only the night scene, but also the feeling of being taken care of by men.

"I'll take you back." LAN Qianchen said on her side.

"No, I won't get lost on this little road." Pei Yuehuang didn't want him to go again.

Blue thousand Chen hook lip a smile, "you are so beautiful, in case meet bad person how to do?"

Pei Yuehuang was in a good mood immediately. She turned her head and looked at him vaguely. "Do you really think I am beautiful?"

Blue thousand Chen thinks, she is more than beautiful? She was so charming that he fell in love with her.

"Well!" LAN Qianchen nodded seriously.

Pei Yuehuang laughed, "thank you."

After that, she walked out of the yard, and blue Qianchen led her all the way back to her home. He didn't enter her yard.

"Good night." He said in a low voice.

Pei Yuehuang looked at the man who was locked outside through the gate bar. She was pitiful. She smiled and said, "good night!"

"See you tomorrow!" LAN Qianchen said, looking back at her, as if reluctant to leave.

"See you tomorrow." Pei Yuehuang finished, smiled and turned to walk towards her hall.

This scene also indicates that Pei Yuehuang is more agile and free in the face of her feelings. Blue Qianchen has been watching her enter the hall lights, and he turned to go home.

He was also in a good mood. He had a good time tonight. He thought that there was still a lot of time. He was not in a hurry.

As soon as Pei Yuehuang entered the house, she suddenly stepped up the revolving stairs and ran all the way to a balcony on the third floor. Leaning against the railing, she could see the figure of walking in a flash under the starlight. Although there were only a few eyes, it seemed that she had a perfect ending for this wonderful mood tonight.

Pei Yuehuang reaches for her long hair and laughs. How could she do such a childish thing?

But she did, like a young girl.

In the middle of the night, Bai Zhai and ye Jiamei have been sleeping alone for several days. Ye Shize will not come back to see her at all, but he will talk with the children on the phone. On the phone, he comforts the children that they have been busy, and he will ask the assistant to send gifts to make the children happy, but he will not come back.

This makes Ye Jiamei's heart cold. She and Hu Sheng are afraid to make more phone calls now, for fear that her husband might find out something.

Bai Shize now lives in a hotel. These days, he will not only do social work, but also check Ye Jiamei's affairs. He is a little haggard.

Ye Jiamei's incident, in addition to the photos and videos of that day, his staff did not find any more progress, no room opening records, and no call records with Hu Sheng.

However, Bai Shize feels that ye Jiamei in his family must have betrayed him. He is thinking about it now. He may forgive her in the face of two children and continue to live, but now he doesn't want to see ye Jiamei's face.

Ye Jiamei is trying to save her husband's heart, but that doesn't mean that she will let Bai Xia go. She thinks that Bai Xia is ready to fight with her children for family property.

She wants to get rid of her and then get more distribution from baishize.

Ye Jiamei is now in a state of panic. With her children's experience and Bai Xia's existence, it seems to her that there is a sword lying on her back. She would like to be quick after that.

In the middle of the night, the more Ye Jiamei thought about it, the more afraid she was. She took out her new mobile phone and dialed Hu Sheng's number.

Hu Sheng also sleeps beside his wife now. When he hears the phone, he picks it up quickly. His wife complains. He immediately coaxes, "it's work. It's urgent. I'll take it."

"You are called so late every day. What's the matter with you?" Hu Sheng's wife is also annoyed, because she is just an ordinary office worker and very tired every day. Hu Sheng immediately patience coax her a few words, just pick up the cell phone out of the room, find a most quiet study to answer.

"Hello! Melanie! What's the matter? " Hu Sheng is worried to death these days.

"Ah Sheng, I hate Bai Xia. She's the one who's hurting me now. Bai Shize hasn't come home in a few days. Will he not want me? Or what did he find? "

"Don't worry, he can't find out anything about us." Hu Sheng immediately comforted him that he has done a lot of work since he and ye Jiamei had an affair, especially keeping secrets well.

"Is it? Are you sure he can't find it? " Ye Jiamei is in urgent need of assurance.

"I promise." Hu Sheng comforts.

"Bai Xia, that little bitch, wants to compete with our children for family property. Ah Sheng, we can't keep her. We have to let her disappear in the world." Ye Jiamei at that end said like crazy.

"You want her to disappear, Melanie?" Hu Sheng was shocked, but he agreed, because he and his wife didn't have children. He only recognized Ye Jiamei's having those children for him. "Otherwise? Keep her fighting with me? If she holds more evidence, we are really finished. " Ye Jiamei now has a symptom of neurasthenia, because she is going crazy.

"Well, I'll arrange it. It's not urgent. I'll find a reasonable way to keep her away from you."

"I want her to die. Only when she dies can I feel at ease." Ye Jiamei said maliciously.

"Good! I'll get you what you want, but we need to plan, and we need money. " Hu Sheng doesn't have much money now.

"I'll give you the money. I have millions here, all of them for you." Ye Jiamei doesn't care about money at all. If she can get rid of Bai Xia for her now, Hu Sheng will do everything for her.

After all, what ye Jiamei loves most is herself and her children. Hu Sheng doesn't care what kind of dangerous situation she will fall into.

Hu Sheng will certainly do everything for her and her children. He comforted Ye Jiamei for a while, and ye Jiamei hung up.

Early morning.

The villa area is very quiet, with birds singing and flowers fragrance, fresh and fragrant air, and a sense of tranquility in the mountains and forests.

This is also the biggest selling point of this forest villa.

LAN Qianchen got up early and stood in front of the mirror. He was dressed in a dark suit with a clean white shirt inside. He was handsome and charming. He had a very beautiful face, but there was no sense of the current atmosphere of motherhood. Instead, he had a strong masculine atmosphere and boyfriend strength.

If you can be his woman, it must be the one in the palm of your hand. Because in his eyes, often exudes the warm and pet light.

Blue thousand Chen pushes the door to come out, he did not drive, but stood at an intersection, blocking a certain woman at work.

At about eight o'clock, Pei Yuehuang's red sports car came out. Naturally, she saw the man standing at the door. She couldn't help laughing and falling down the window. The car slowly slid down in front of him.

"Why don't you drive?" She squinted.

"It's all about going to your company and driving a car." LAN Qianchen said as she naturally opened her passenger seat and sat in.

Pei Yuehuang was speechless, but she couldn't drive him out of the car. She stepped on the accelerator under her feet, "let's have breakfast first."

"Good!" LAN Qianchen is very happy to accompany her.

After breakfast, I went to the company's underground parking lot, and LAN Qianchen didn't bother her, "I went to your company to report."

"Well, I'll inform the legal department to accept you." Pei Yuehuang nodded.

LAN Qianchen has prepared a nice resume this time, not for her to read, but for the manager of the legal department.

LAN Qianchen arrives at the legal department and reports that the manager of the legal department receives Pei Yuehuang's phone call. Under the instruction of the president, LAN Qianchen has the qualification to handle all businesses.

This is probably the highest treatment.

When the manager looked at LAN Qianchen's age, he wondered if the boss had lost sight of him. How could he let such a young man do legal work? Does he have any experience? However, when he finished reading LAN Qianchen's resume, he had no idea. "Qianchen! This is your private office. There are many difficult lawsuits in our company. I'll send you the information in a moment and see if you can solve them. "

Chapter 1135

"Well, I'll take care of all the lawsuits you can't solve." LAN Qianchen nodded and pushed the door in.

After a while, two assistants came in with piles of materials, and LAN Qianchen didn't dislike them, leaving a male assistant to be his assistant.

However, the arrival of blue Qianchen soon spread in the company, saying that there was a handsome and charming young legal service in the legal service, which excited a group of unmarried white-collar women.

So there is nothing wrong. Outside the office of LAN Qianchen, she will pass by the female staff, all of whom are trying to appreciate him.

Just behind the glass window, take off the blue Qianchen suit, only wear a white silk shirt, carefully look at the materials, undisturbed figure, it's almost like a person.

"How handsome! My God? Where can I get such a nice little fresh meat? "

"Only twenty-six!"

"My God! My girlish heart! "

Xu Min came down several times to deliver the materials. She overheard LAN Qianchen's famous voice in the company. She walked through a tea room holding the materials, and heard several unmarried girls talking excitedly about how to lift him.

After listening, Xu Min can't help humming. You want to flirt too. This is the only prey of the boss!

Xu Min holds the information and knocks on Pei Yuehuang's office door. Pei Yuehuang is signing the document seriously. Xu Min can't help complaining.

"Mr. Pei, young master LAN is famous as soon as he enters the company."

"Oh! What's your name? " Pei Yuehuang's head was not raised.

"Lan Er is so handsome. You know that the unmarried girls in our company are crazy. They are trying to get close to him! I want to hook him up. "

Pei Yuehuang's signature immediately lost her fluency and her previous domineering style, which seemed to fail.

However, her performance is not surprised, "whoever wants to have this ability, go to hook him home!"

Xu Min couldn't help but chuckle and look at her with his chin on his back. "Mr. Pei, aren't you worried? Our company is so beautiful! "

Pei Yuehuang narrowed her eyes and smiled, "what am I worried about?"

Xu Min said quickly, "don't worry, Mr. Pei. Young master LAN Er is here for you. I think he has no other woman's position except you in his heart."

Pei Yuehuang's heart immediately suffused with a trace of sweetness, glanced at her, "you know gossip all day long, hurry to work."

Although is scolding, but Xu Min actually can feel her this sentence, causes Pei always to be very useful! The courage is also big, "yes, I must work hard."

As soon as Xu Min left, Pei Yuehuang lost her spirit for a few seconds. Is LAN Qianchen so popular? Her company is really a lot of beauties, and I don't know if he will like it.

Pei Yuehuang is not so confident. Blue Qianchen's condition can find younger girls. Those young girls who are full of vigor and vitality are more attractive to him than her mature ones!

At the moment, LAN Qianchen has no interest in other things except reading the documents. However, the case at hand is more attractive to him.

Today, at the request of elder brother, Xing Yifan came to the company to sign several documents for him. He also asked him to stay in the company today, and there was a video conference to be held.

Xing Yifan, while working for elder brother, also told his assistant Han Yang to check something for him.

It's the case of Ye Jiamei that Bai xiatuo gave him to check. Han Yang's investigation force is much stronger than Bai Shize's, and it can be found out in all aspects.

Just as Xing Yifan was not in a hurry, he gave Han Yang a few more days, so he could investigate patiently and carefully.

When Xing Yifan came out, Bai Xia was still working at home. At noon, Xing Yifan had a meeting in the afternoon, and Bai Xia took the initiative to come to him for lunch.

Because when Bai Xia went out, she didn't tell him that she was squeezing the subway to come downstairs.

Xing Yifan heard that she was downstairs, and hurriedly came out of the company to meet her.

Bai Xia stands in front of the gate of his company. She looks up and tries to look at the skyscraper, but her neck is broken. She hasn't looked to the end yet.

She didn't expect that the landmark building in city a was his company. Bai Xia seldom walked around in front of such a large company before. Even if she passed by, she would feel a kind of inexplicable oppression, as if she was afraid of something.

Even at the moment, she was extremely uncomfortable standing at the door. Those high-level gold collars who came in and went out couldn't help but look at her for a few eyes, which naturally would not be appreciating her.

At this time, at the entrance of the grand hall, there was a charming body, and the long legs were very powerful. Who was Xing Yifan?

Seeing him, Bai Xia's tense heart string immediately relaxed, and she walked towards him with a smile.

"Why don't you call me when you go out?" Xing Yifan taps her head with some chagrin.

Bai Xia said wrongly, "I just don't want to disturb you! It's convenient for me to squeeze the subway! "

Xing Yifan is more angry after hearing this, "does my woman need to squeeze the subway?" White summer heart sweet Zizi, still have to coax him, "well, don't be angry, I squeeze the subway and not aggrieved."

"No more." After Xing Yifan finished, he took her to the direction of the hall.

Bai Xia can finally visit his company in an aboveboard way. She usually passes by such places, but she doesn't have the courage to look at them more.

"Your company is spectacular. It's too high. I wanted to see the top just now. My neck is sore." Bai Xia said with a smile as soon as he entered the elevator.

Xing Yifan is a little angry. "Won't you stand a little further to see?"

Bai Xiahehe smiles and looks at Xing Yifan today with big eyes. He is dressed in formal clothes, and his abstinence is charming, which makes people want to tear his coat of abstinence!

This guy is very dishonest in the evening, as if he is ready to eat people at any time. "Is my husband very handsome today?" Xing Yifan picks up her eyebrows and catches her expression.

Bai Xia's pretty face is a little hot! Handsome! "

Xing Yifan, with a strong arm, blocked her between her arms and the wall. "My wife is also very beautiful."

Bai Xia was shocked immediately. "There is a monitor in the elevator! Don't do that. "

When Xing Yifan saw that she was so scared, he couldn't help laughing, "what are you afraid of? This is my company."

"That's not good either. I don't want to be appreciated by others as we are intimate." Bai Xia refuses.

Xing Yifan had to listen to Cong's advice. Her slender body leaned aside, biting her thin lips, which was very provocative.

Bai Xia's eyes don't know where to look, because as long as she looks at him, she will show the expression of narcissism, and she doesn't want to make him too proud.

When Bai Xia stepped out of the elevator, she saw the scenery outside the air corridor, which was the height of the cloud, which made her heartstrings immediately tense.

"How tall!" Bai Xia is nervous and excited at the same time. Her little hand can't help grabbing Xing Yifan's sleeve.

Xing Yifan reached for her and felt her fear and deep comfort. "Don't be afraid, it's safe here."

Bai Xia excitedly takes his hand and walks to the window, overlooking the street below.

Xing Yifan then became her safe dependence. Bai Xia tried to look at the street bit by bit. Her fear of heights made her look at the street a few times, so she smiled and backed away. Xing Yifan led her and said, "go to the office and sit down. I've booked the restaurant."

"Well!" Bai Xia nodded and walked in the corridor with extraordinary atmosphere. Suddenly, something occurred to her, "I saw Xing liehan on the rich list last time. Is that your brother?"

When Xing Yifan saw that she would pay attention to this, he nodded, "Hmm! My brother! "

Bai Xia now knows the wealth level of his family, because her brother's name is in the top five on the global rich list.

Entering the office, Xing Yifan asked the assistant to bring tea and coffee, and snacks and fruits to greet her.

Bai Xia's big eyes are looking around. Everything here is novel. Gradually, she dare to see the high-rise scenery again, because from here, she has a more open-minded feeling.

She was looking at it, and an arm came around her waist. She smiled and was held by the man.

"Have you finished your work?"

"Well!" Xing Yifan answered in a low voice and took a sip of the fragrance from her hair. "Come back in the afternoon and go to dinner with you later."

Bai Xiawei's head was sideways, showing a small white neck. Seeing this, the man immediately took the opportunity to burn her thin lips and suck a trace on her neck. "Come on! What a shame. " Bai Xia pushes him. This man likes it all the time.

Xing Yifan chuckled, "what's the shame? It's just to let people know that you have men. "

Bai Xia doesn't like it! "It just makes people think I'm casual!"

Xing Yifan is speechless. "It's a sign of love. Who dares to talk about it?"

Bai Xia smiled and turned to stare at him

Xing Yifan put her in his arms, thin lips close to his ears and said, "I'm only domineering to you. Don't let women enjoy this blessing."

Bai Xia, "..."

Chapter 1136

In the restaurant, the atmosphere was very quiet. Facing the exquisite cuisine, Bai Xia showed a smile of standard food. Every time she went to a snack, her eyes were bright and dark. Xing Yifan on the opposite side couldn't help laughing. "It seems that you are very well nourished! Just give you something delicious. "

Bai Xia took chopsticks, picked up a small piece of sweet and sticky cake and sent it to his mouth. Xing Yifan on the opposite side swallowed his saliva and watched her chew so cute that he really wanted to eat her.

The girl on the opposite side, full of delicious, sweet and greasy breath, permeated all around him, which made every pore of his body be tempted, and the body naturally reacted violently.

After Bai Xia finished eating, he put out his hand and sent it to him. "No, here you are."

Xing Yifan immediately leans over to accept her feeding, and a pair of deep eyes are burning, which makes Bai Xia on the opposite side feel that she immediately has a shy smile on her lips, "don't look at me like this."

Xing Yifan chuckled, "why?"

"Just not." Bai Xia felt that in his eyes, there was a kind of toughness and aggression that made her a little afraid.

Xing Yifan had to take back the heat of his eyes and reached out to take a piece of meat for her. "Eat more meat, you are too thin."

Bai Xia can't help retorting, "I've been fed fat by you recently, OK?"

"Is it? Go back and let me check if I'm really fat. " Xing Yifan immediately smiled vaguely.

White summer again speechless stare at him, childish reply way, "don't you check, weigh to know!"

Xing Yifan is bewildered by her simple loveliness. Can't this girl understand what she said? He wants to hold her.

After a meal, Bai Xia is full, and Xing Yifan is addicted to eyes. Who makes his woman so happy?

After dinner, Bai Xia had no place to go, so he stayed with him in the company, waiting for his meeting in the afternoon.

Xing Yifan continued to ask her assistant to send her all kinds of snacks, and also asked her to drink milk tea of that brand, especially to pack it for her.

Bai Xia was watching a cartoon movie when she saw her assistant come over with a cup of milk tea. "Miss Bai, the second young master asked me to buy it for you."

Bai Xia was stunned and smiled at her gratefully. "It's hard for you."

"Not hard." The female assistant only feels very honored! From her observation, the girl in front of her is the second youngest grandmother of Xing family in the future.

Bai Xia chuckles, reaches for the milk tea, inserts the straw, the familiar taste, with a trace of love sweetness.

Xing Yifan went to the meeting. It was not difficult for him to take over the company's projects with his ability.

At the other end of the city, Pei's building also has a very high company building in this area. At this moment, in the afternoon, Pei Yuehuang is particularly lazy and charming. Standing in front of the floor window, she looks down at the street scenery, but her thoughts are somewhat absent-minded.

She is thinking about LAN Qianchen in the legal department, and she doesn't know if he works here. Is he used to it?

Thinking about it, Pei Yuehuang decides to go there.

Pei Yuehuang came out, and Xu Min immediately followed him outside. "Where are you going, Mr. Pei? Do you want me to be with you? "

"No, I'll go to the next department myself." Pei Yuehuang refuses.

As soon as Xu Min heard it, she knew where she was going. She quickly smiled and said, "OK."

Pei Yuehuang's tall and charming figure stepped into the elevator. Today, she has a set of beige suits, which are set against her white and slim figure. The elegant demeanor of high-heeled shoes shows.

Perhaps in the upper position for a long time, she walked between, unconsciously revealed the gas field is also very powerful.

As soon as her figure stepped out of the elevator, several staff members who were talking about it immediately took a fright and said hello to her, "Mr. Pei, good afternoon."

Pei Yuehuang nodded a little, her steps toward the direction of the legal department, and she specifically told LAN Qianchen an independent office, Pei Yuehuang's eyes one by one looking for the past.

When the staff inside saw her passing by the window, they were all in a state of awe. They immediately hung their heads and did not dare to look around.

Pei Yuehuang seldom goes down to the departments to walk around, and she is like a high queen, who decides all affairs of Pei group.

Pei Yuehuang finally saw LAN Qianchen in an office. He was looking at the materials carefully, but did not find her outside the window.

Pei Yuehuang's eyes narrowed slightly. He saw the man with beautiful side face, clean white shirt and slender body, sitting there like a charming sculpture.

She didn't know what had hit her heart. She was around her arm and couldn't move her eyes for a moment.

LAN Qianchen finally finds out that there is a pair of eyes staring at him out of the window. He turns his head and looks out of the window.

This see, his thin lips hook lips a smile, he gets up to step toward the direction of the door, he opens the door, toward the woman outside the door way, "why not come in?" "I'm just making a routine inspection tour of the company. You're busy!" Pei Yuehuang doesn't want to admit that she came to see him on purpose.

Blue thousand Chen squinted to squint Mou way, "be? I thought you came to see me! "

With that, his handsome face pretended to be disappointed. He leaned against the door and his eyes were deep on her.

Pei Yuehuang coughs softly, "what don't you understand?"

"Yes! I happen to have no one to ask for advice. Is Pei willing to answer for me? " LAN Qianchen asked her.

Pei Yuehuang for the company's business, she naturally has no reason to shirk, she nodded and stepped in from his side.

LAN Qianchen closes the door, meanwhile, he adjusts the shutters nearby, so that people outside can't see everything inside.

Pei Yuehuang's eyes took a look, but she asked jokingly, "why do you close the window?"

"I don't want people around us." "Of course, I have nothing to do with it, but I'm afraid it will damage your reputation."

"What is my reputation?" Pei Yuehuang asked.

"You don't know how terrible the rumors in the company are. What would they say if others thought I came in on your behalf?"

"What do you say?"

"I'll probably say I'm your lover or something, or a bed companion." Blue thousand Chen's eyes looked at her thoughtfully.

Pei Yuehuang's face was dark and hot. She said seriously, "who dares to say anything?"

"In fact, I don't want to be talked about, so in the future, in the company, let's keep a distance!" Blue thousand Chen says instead.

This makes Pei Yuehuang speechless, "don't worry, I won't come to see you if I'm ok."

LAN Qianchen said, sat down, took out a document and said, "I don't understand your company's and Zhisheng group's lawsuit. Can I ask you something?"

Pei Yuehuang sat down and looked at the prosecution document. Her face sank. "This is a bidding a month ago. The other party took my bidding away. I was not convinced, so I decided to sue."

"I have seen that the evidence is insufficient, so your prosecution is invalid." Blue thousand Chen looks at her, can see this woman's share of domineering and unyielding stubbornness.

"How can you find more evidence?" Pei Yuehuang looks at him.

LAN Qianchen thought for a moment and said, "I'll try my best to get this bid back for you. If the other party really does something, it's really unfair to your company."

Pei Yuehuang nodded. "You can do your best. There are many lawsuits in our family every year."

"Love me?" Blue Qianchen holds the document and covers the lower half of her face. She looks at the woman in the opposite direction with deep and charming eyes. Under the thin black hair, she has such pure and harmless eyes that make Pei Yuehuang's heart beat a little bit disordered.

"You are my employee, can I not love you?" Pei Yuehuang quickly replied.

"Oh! It turns out that I am in your heart, and all the employees of your company, is a kind of treatment! I thought I had preferential treatment! " Blue thousand Chen some lost say.

Pei Yuehuang was in a hurry, but still explained, "of course you are different."

LAN Qianchen just picked up his eyebrows and laughed happily.

"I knew my place in your heart was different from other men." Blue thousand Chen says proudly.

Pei Yuehuang was so excited by him that she stood up and said, "OK, I'll see you in the parking lot at 5:30."

"Good!" LAN Qianchen nodded, that is, she came in her car. Naturally, she would also be responsible for sending him home.

Pei Yuehuang pushes out the door. She breathes a little, but her eyes and eyebrows are full of a touch of softness. Blue Qianchen seems to have a kind of magic power on her body, which is disturbed by three words and two words.

Chapter 1137

Pei Yuehuang arrives at a corner. Before she turns around, she hears a few female employees chatting around the corner. Their topic is blue Qianchen.

"I've inquired about it. That handsome guy is LAN Qianchen. He is 26 years old this year. His birthday is next week. If you want to soak him, you'd better take advantage of his birthday."

"When he came, those little ruffians in our office were going crazy. Which one didn't want to take him?"

"How handsome he is! I'm more handsome than the stars I've seen. I'm going to faint with my charming temperament. "

"We just don't know if he has a girlfriend! He wants a girlfriend, and he doesn't know which girl is cheaper. "

"No best."

"If you have a boyfriend, don't argue with me! On his birthday, he is my target. " One girl said.

"Good! You hurry up and don't cheapen the others. "

Pei Yuehuang heard here, her beautiful eyes slightly cold, she stepped out, cold voice, "working time is to let you gossip here?"

Four lazy female staff members turned their heads at the sound of it. At this point, they were scared. How could it be Mr. Pei!

"Mr. Pei, I'm sorry, I'm sorry, we dare not."

"Openly discuss right and wrong behind your back. I don't think you want to do it." Pei Yuehuang's voice was obviously angry.

"We are wrong, Mr. Pei. We will go back to work." Finish saying, hurriedly scared to leave from the side.

Pei Yuehuang watched them leave with cold eyes, but she got a message from their chat just now.

Is LAN Qianchen going to have a birthday this week? What's the number? Pei Yuehuang thought and walked to the direction of the elevator.

When she came, the employee who was waiting for the elevator quickly got out of the way.

On the way back to the office, Pei Yuehuang passed by Xu Min's office door. She said, "go to the personnel department and send me the information of LAN Qianchen."

"OK! Mr. Pei. " Xu Min did not dare to ask more, so she got up and went out to get the information.

Pei Yuehuang went back to her office and couldn't help but gather her long hair. What's wrong with her? Is it too idle? I want to know what month is LAN Qianchen's birthday. At this time, the mobile phone on her desk rang, she went to pick up a look, not from the strings slightly tight, is Grandpa's.

"Hello, Grandpa." Pei Yuehuang picks it up.

"Moon Phoenix! Grandpa is in the hospital. " Old Pei was still breathing, as if he was suffering.

"Grandpa, what's the matter with you?" Pei Yuehuang is in a hurry to ask.

"Grandpa just had chest pain, so he came to the hospital for examination. He said that my heart was aging, and it didn't take long to live! Moon Phoenix! Find my grandson-in-law for me, and let me see my great grandson's birth before I die, and I will be satisfied. "

Pei Yuehuang sighed. In the past two years, grandpa always came here. As long as he was not very comfortable, he had to call her. He just forced her to get married quickly.

"Grandpa, I'll come and see you."

"No, the company is so busy. Your father is here! You know your father's body. We are expecting you to marry and have children. Don't let us down! When did that little blue take home to have a look last time! "

"Grandpa, this kind of thing can't be forced."

"In that case, you should find a suitable one."

"Good! I will try. "

"Send, wait for your news, ouch! My waist! This man is old, it hurts everywhere! "

"Grandpa, you pay attention to your health."

"Well, I didn't see grandson Zeng coming out. I dare not die!" With that, the old man died.

Pei Yuehuang's heart surged with pressure. If she didn't find what she liked, she didn't want to make do with it.

And like Pei Yuehuang sighed.

At this time, Xu Min knocks on the door and comes in. She has the information of LAN Qianchen in her hand.

"Mr. Pei, this is the resume completed by Mr. LAN er."

"Good! You go out! " Pei Yuehuang finished, she reached out and sat down to look carefully.

His words are so beautiful, vigorous and powerful. Pei Yuehuang looks at his birthday this Friday. It seems that those female employees in the company are more active than her!

Inexplicably, thinking that LAN Qianchen was remembered by so many women, she felt uncomfortable, either worried that he was robbed, or didn't like the care and warmth of the female staff.

Pei Yuehuang can't help but smile again. What's wrong with her? What's the idea of such a bully?

Xing group, Bai Xia has been sitting for a while, her eyes are a little sore, she has to stop watching movies, plus drink more milk tea, she wants to go to the bathroom. When Bai Xia came out, she happened to meet the female assistant who was not in the position, which made her a little anxious and didn't know where the washroom was!

Because every corridor here looks so advanced, and it's not like a mall or a supermarket. What kind of sign will be put on it. Bai Xia is so anxious that she has to find it first. She looks at a corridor and thinks that she can find it along the corridor!

As Bai Xia walked, she found that she had come to the direction of the conference hall. Bai Xia stood outside the glass window and looked at the picture inside.

Although she could not hear the voice inside, she could see that the man sitting in the chief position was Xing Yifan.

He sat there, tall and straight, with cold eyes. Even in the conference room, he was full of a terrifying rage.

Bai Xia can't help but be shocked. She sees both sides of Xing Yifan. In front of her, he always smiles charming and has a kind of not serious ruffian charm.

Xing Yifan's eyes suddenly glanced out of the window and saw the girl who was going to leave. He immediately stopped the meeting. He got up and pushed the door straight out.

Bai Xia is scared. How did he come out?

Xing Yifan looked at her with concern. "What's the matter?"

"I'll find the bathroom. " Bai Xia said with some embarrassment.

Xing Yifan wants to laugh, but suppresses. He reaches out and points to the corridor next to him. "Go here."

"Good!" Bai Xia did not dare to look into his eyes, so he left quickly.

Xing Yifan looks at her figure as if fleeing, and returns to the conference hall with a hook on the corner of his mouth. After going to the bathroom, Bai Xia did not dare to walk through his meeting room again. After visiting other places, she went back to her lounge.

In the evening, Bai Xia's mobile phone rang suddenly. She reached out and took a look at the strange number.

She didn't want to answer, but the phone didn't break, so she had to pick it up. "Hello!"

"Xiaoxia, it's me!" The voice of the beautiful leaves came.

Bai Xia's face was immediately cold. "What's the matter?"

"Well, I've had some trouble with your father. Come home for dinner tonight! Let your father come back with you. " Although Ye Jiamei hates Bai Xia, she still wants to use Bai Xia to persuade Bai Shize back.

How could Bai Xia be fooled? She said coldly, "I don't have time. I don't want to care about you and my father. I don't care about it."

Ye Jiamei is naturally angry at that end. She grits her teeth and says, "Bai Xia, your father and I don't like each other. Are you happy?"

"What happened between you?" Bai Xia asked, pretending to be curious.

"You..." Ye Jiamei wants to breathe blood, but she won't expose Bai Xia on the spot, because she wants to pretend that she doesn't know it is she who has told her secret.

"Our relationship is just a little conflict, just a little quarrel between husband and wife." Ye Jiamei said flustered.

"Then I'll hang up." Bai Xia said, and hung up directly.

Ye Jiamei wants to use her? This phone call from ye Jiamei let Bai Xia know the current situation of her and her father. It seems that her father is really angry this time.

Ye Jiamei does things like this. Who can blame for the unclean things?

At that time, her mother's pain, she really hoped that ye Jiamei would also pay off.

Ye Jiamei is sitting at home at the moment. She has tried everything she can to prevent Bai Shize from coming home to see her. She is really in a panic. Even if Bai Shize comes back one day, she will divorce her.

And she's divorced. What about the kids? What if Bai Shize discovers the birth of children? Ye Jiamei has too many concerns.

What makes her angry is that Bai Xia even looks at each other coldly. It seems that she really wants her to divorce Bai Shize, so she is happy.

Chapter 1138

When Bai Xia is sleepy in the lounge, she lies on the sofa beside her, intending to squint. As soon as she falls asleep, the door is gently pushed open, and Xing Yifan steps in.

He looked at the girl sleeping on the sofa, but his heart slightly pulled, making her wait boring!

Xing Yifan looked at the time early, a little more than 4:00, and didn't hurry to leave. He loved that she was lying on her stomach, so she must not sleep well.

Xing Yifan sat to her side, calling her gently, and taking her, "Bai Xia Sleep in my arms. "

Bai Xia just fell asleep. She was sleepy. She heard Xing Yifan's voice. She felt full of security. She lay down in his arms unhurriedly. Looking for a comfortable position, she asked in a dreamy way, "is the meeting over?"

Xing Yifan looked at her as cute as a child and said with a low smile, "after driving, you can sleep! I'll be with you. "

Bai Xia's face is stuck in his arms, and he continues to fall asleep peacefully. His breath is gentle and even.

At this time, the assistant thought they were resting here. She tapped on the door and pushed it in. When she saw a scene on the sofa, she was immediately shocked.

Xing Yifan made a sign to her that she didn't need to come in. The assistant quickly closed the door and left.

Bai Xia was not disturbed. She fell asleep and showed a beautiful face. Xing Yifan bent down and kissed her on the side of her face.

Bai Xia's mouth curved and rubbed against him again, as if protesting not to disturb her.

Xing Yifan had to leave her alone. He picked up his cell phone and turned it on to watch the news for a while.

In the quiet lounge, Bai Xia sleeps heavily and is very relieved.

At about 5:30, Pei group and LAN Qianchen packed the documents he was going to take home for research and put them in his briefcase. He opened the office with his hands. A middle-aged man just

passed by. His eyes immediately looked at LAN Qianchen, with a trace of examination and scrutiny, even a trace of resentment in his gloomy eyes.

LAN Qianchen is a lawyer selected by Pei Yuehuang. He is young and handsome. For these old employees, this is undoubtedly a hindrance. In the future, there will be more opportunities for promotion. Moreover, LAN Qianchen will have a separate office as soon as he comes in, which shows his different general treatment.

And this middle-aged man will be promoted this year. The position of the old lawyer who just left is his promotion position. Now, when LAN Qianchen comes, he feels suspended.

Blue Qianchen keenly finds out the resentful eyes behind him. He just gives a slight sideways look, but doesn't look at who it is. He believes that he will surely cause many old employees to murmur when he comes here.

However, when LAN Qianchen stayed here for a day, he knew that the people here enjoyed a high annual salary but didn't work. Many of the backlog of cases were well documented and could be closed completely, but he didn't deal with them for several months. LAN Qianchen came here to deal with PEI Yuehuang's work. Therefore, he has many opinions on these colleagues.

LAN Qianchen doesn't want to talk about it, because he will deal with it later. This is also the current situation in most companies, which is regarded as a normal situation.

LAN Qianchen reached the underground garage by elevator. She stepped out and saw that there was only a red sports car in the row of cars in the exclusive parking space. The car had started.

LAN Qianchen steps to the front passenger seat, opens the door and sits in. Pei Yuehuang is reading the email on her mobile phone. She looks at the man sitting in and asks, "how is the job?"

"It's easy." Blue thousand Chen squints a smile.

"I won't let you work for me for free." Pei Yuehuang will still give him a high salary.

LAN Qianchen shook his head and said, "no, I'll work for you for free."

"No, I don't want to owe you." Pei Yuehuang didn't want to accept his kindness either.

Blue thousand Chen choked for a while, he had to say, "you give freely! You don't need to give too much. "

Pei Yuehuang smiled, "and the food cost!"

"All right! You look, I don't ask. " Blue thousand Chen finish saying, pillow arm is looking forward, "then we look for a supermarket to buy vegetables!"

"Go to the supermarket at the gate of the community!" Pei Yuehuang finished, the foot of the accelerator, very natural driving forward.

The blue thousand Chen of one side does not look at her from the eyes that dew appreciates, this woman does what, give her a kind of charming feeling.

Pei Yuehuang knows that he is looking at her, and her eyes and eyebrows are also stained with a touch of amorous feelings. Maybe when a woman is appreciated, she can mobilize her whole body's charm!

Pei Yuehuang's car drove into the parking lot of a large supermarket. Two people came down from the car and walked together. Pei Yuehuang has a sense of beauty that can't see her age, just like a work of art that can stand the years. Her appearance makes the men around her look at her and lock her for the first time. Her self-confident woman's demeanor is so dazzling in the crowd.

Even the blue thousand Chen standing beside her seemed willing to be inferior to her, because his eyes were always on her.

"I don't know how to buy vegetables. I haven't cooked any meals. You can decide what to buy later!" Said Pei Yuehuang.LAN Qianchen nodded, "OK, what do you like to eat?"

"I like some vegetables! I'm tired of eating fish and meat outside. "

Blue thousand Chen looks at her figure, clear self-discipline is very good, a little more points are controlled very well.

At this time, there were two girls drinking milk tea nearby. They immediately murmured, "Wow, that man is so handsome!"

Another girl immediately noticed Pei Yuehuang. She couldn't help beating up her friend. "You don't see what kind of beauty his girlfriend is."

At the same time, the voices of these two people are quite loud. Pei Yuehuang hears this, and her red lips raise a smile.

One side of the blue thousand Chen nature also heard, he also laughed, Pei Yuehuang turned his head and bumped into his smiling eyes, pretending not to know to ask, "what are you laughing at?"

"Nothing." Blue thousand Chen also knows the reason to answer.

Two people know the belly is clear, but they are all pretending to be confused, which feels a different sweetness.

Pei Yuehuang actively pushes the shopping cart and follows LAN Qianchen to the dishes area.

Pei Yuehuang is also very fresh about this feeling, because she didn't go to the supermarket very much a few years ago, and everything she used was from the high-end store.

LAN Qianchen picks vegetables in front of her. Pei Yuehuang holds her chin and looks through her eyes. It's also a pleasure to see a handsome and extraordinary man buying vegetables seriously. "Is it really just vegetables?" LAN Qianchen looks at her.

"Well! Just vegetables. "

"Buy a fish! Eating fish will not increase fat. " LAN Qianchen asked her.

Pei Yuehuang nodded, "OK! Listen to you. "

At this time, a lady who was picking vegetables heard it. She couldn't help admiring Pei Yuehuang. "Miss, you are so lucky! Married such a good husband who can cook! "

After hearing this, Pei Yuehuang looked at her aunt in amazement, and looked at LAN Qianchen again. She forced a smile, "we..."

She wanted to explain, but she didn't think it was necessary. She smiled and nodded, "yes, we are very happy."

Aunt sighed again. She took a green vegetable and left. Pei Yuehuang looked at the vegetable on one side. She was embarrassed to see the blue thousand Chen beside her.

LAN Qianchen asked her as he picked out the dishes. "It seems that we stand together and match well. Everyone sees us and thinks we are lovers or husband and wife."

Pei Yuehuang said with a little embarrassment, "young men and women together must not think it's a friend relationship! It's no surprise that there will be such a misunderstanding. "

"You admitted just now."

"What do I admit?" Pei Yuehuang immediately pretends to be stupid.

"Admit I'm your husband." LAN Qianchen put the dishes in the shopping cart, and his bright eyes locked her. He didn't want her to escape from the topic.

"It's just a stranger. I don't need to take the time to explain it too clearly." Pei Yuehuang replied with a smile.

Blue thousand Chen is not from a little annoyed, he continues to go to the aquatic area nearby.

Pei Yuehuang has a momentum that he can't conquer. However, it's only a matter of time. He will take her down sooner or later.

Blue thousand Chen bought a fresh fish again, two people went to checkout direction.

"Use my card! I'll pay for the food. " Pei Yuehuang takes out a card and hands it to LAN Qianchen.

LAN Qianchen holds her hand and card together. "No need."

"We agreed!" Pei Yuehuang insists.

Blue thousand Chen picks a eyebrow to smile, "who says good with you! I forgot. "

"You..." Pei Yuehuang can't help being upset. Can he not be reasonable because he is young?

Still brush blue thousand Chen's card out, Pei Yuehuang once some depressed, back to the car, two people straight to blue thousand Chen's villa.

Chapter 1139

LAN Qianchen brought in the dishes and said to the woman who followed him, "go and change your shoes! I've got slippers for you. "

Pei Yuehuang has been wearing high-heeled shoes all day. She is really tired. After listening, her heart warms up. "Are you specially prepared for me? Or for the women who come to your house later? "

LAN Qianchen directly replied, "it's specially prepared for you."

Pei Yuehuang's heart was warm and sweet again. She opened the shoe cabinet and a pair of pink slippers were very delicate and lovely. She fell in love with her at a glance.

"You have a good eye. How do you know I like pink?"

"Guess." LAN Qianchen walked to the kitchen with a shopping bag.

Pei Yuehuang behind her can't help laughing at herself. "There's a good saying. When a woman likes pink, it means that she's old and begins to refuse to be old."

LAN Qianchen can't help but look at her from the kitchen. "Who dare say I'll beat him when you're old?"

Pei Yuehuang couldn't help chuckling, "OK!" The sweetness of my heart has been rippling.

She got up and went to the side of the water dispenser. She saw that there was no disposable cup, only a blue water blue cup. She thought about it, picked it up and poured water. She went to the sofa while drinking.

Pei Yuehuang sat for a while, feeling that she was waiting for him to cook, and that she was a little upset.

"May I help you?" Pei Yuehuang asked around the kitchen door.

"No, just sit and wait." LAN Qianchen was there with a knife and sliced fish.

Pei Yuehuang can't help but think that there is a kind of special handsome between his rise and fall, which also makes her think a little, who in the end trained such a man to be so warm and doting?

Generally, it's women's credit to cultivate a man like this. Is it his former girlfriend's credit?

Thinking, Pei Yuehuang suddenly felt a little frustrated.

Hearing that there was no sound behind her, LAN Qianchen could not help looking back and saw that she was leaning against the kitchen door with her arms around, a wave of long hair was tied up by her, and several long bangs fell down, like art under the light.

"What a fool!" Blue thousand Chen asks to her.

Pei Yuehuang is a woman who doesn't like to have worries. She will take the initiative to answer and ask for answers when she thinks of any doubts.

"Lan Er young master, I asked you a question, would you like to answer me? You think about it yourself."

"Oh! Say it! " LAN Qianchen's back to her.

"How many girlfriends do you have? Why did the last relationship break up? " Pei Yuehuang asked directly.

LAN Qianchen is cutting vegetables. He turns his head and looks at her inexplicably.

Pei Yuehuang thought that he didn't want to talk about the topic, she immediately made a gesture of surrender, "well, when I didn't ask."

LAN Qianchen turns around to face her, and says seriously, "not that I don't answer you, but that I don't know how to answer you!"

Pei Yuehuang picked Dai Mei and asked, "is this a difficult question for you to answer? Or do you have too many ex girlfriends to remember? "

Blue thousand Chen chuckles, eyes narrowed a few minutes, "do you care about this very much?"

Pei Yuehuang saw that he didn't know how to answer questions, and wanted to hook her mind again, so she had to stop, "well, don't mind, just don't answer."

Finish saying, she prepares to return to sofa to continue to sit, blue thousand Chen actually called her, "wait a moment, I haven't finished saying!"

Pei Yuehuang turns around and looks at him, waiting for him to finish.

The handsome face of blue Qianchen is serious, and the light is shining on his high nose, which makes his whole face deep.

"I haven't been in love! Where's the ex girlfriend from? " Blue thousand Chen answers with a smile.

Pei Yuehuang can't help but circle her arm and look at him with some consternation. She blinked and stared at him with disbelief. "Have you ever been in love? How is this possible? "

A man like him must have been a pursuer and admirer since primary school! And he's 26 years old, how can he have several girlfriends! "What are you talking about! Is it normal that I have to have a few relationships? " Blue thousand Chen silent ask.

"I don't believe it!" Pei Yuehuang picks her eyebrows.

"How can I prove it to you?" LAN Qianchen really wants to dispel her doubts.

Pei Yuehuang immediately shook her head and said, "you don't need to prove it. Anyway, we are just friends!"

"Who said I wanted to be your friend?" Blue thousand Chen refutes directly.

Pei Yuehuang turned to smile and said, "then you still want to chase me?"

"Can't you see I'm after you? I moved next door to you. " LAN Qianchen looks at her speechless.

Pei Yuehuang immediately chuckled, "OK! Then come on. "

Blue thousand Chen's eyes seriously fall on her smile for a few seconds, no good airway, "you don't laugh, I'm serious."

Pei Yuehuang's smile froze for a few seconds, and she took it seriously for a few minutes, "OK, I don't laugh." LAN Qianchen turns around and makes dinner for her willingly.

At half past six, Bai Xia finally fell asleep in Xing group's lounge. She opened her eyes, looked out of the window at the gray and black scene, and immediately sat up from Xing Yifan's arms.

"How long have I slept?"

"Don't worry, you're only sleeping for two hours," Xing Yifan said with a smile

After hearing this, Bai Xia felt guilty. She slept in his arms for two hours? She kneaded one of his arms and asked, "is your arm sour?"

Although Xing Yifan has some sour hands, what is it for her?

"Nothing! You're not fat! " Xing Yifan reached out and rubbed her long hair.

Bai Xia's heart warmed. "Let's go to dinner! It's so late. You must be hungry. "

"What would you like to eat?"

"I'm so full at noon that I can eat anything at night." Bai Xia said.

"Let me take you to porridge!" Xing Yifan gets up, holds her bag in his hand and reaches for her.

Bai Xia combs her long hair with her hand, holds his palm and goes out with him.

Xing Yifan asked his assistant who was not off duty to book a seafood porridge restaurant for him.

The assistant quickly booked a place for him in one of the city's top restaurants.

Xing Yifan takes Bai Xia to the elevator, and the assistant behind him sighs. It seems that Xing's wife is hereditary!

Xing's total strength is to spoil his wife. I don't know how much dog food he fed to a group of single dogs in the company. The second young master is the same. His girlfriend has nothing to say.

In the future, do you think that young master of Xing family will be such a person? If anyone becomes the other half of Xing's family, it's really lucky. He must have saved the galaxy in his last life.

The restaurant is not far away. Bai Xia has a sleep. The whole person is full of spirit. She thinks she can stay up for the next night and finish more work tonight.

Xing Yifan ordered the porridge, and looked at the girl sleeping on the opposite side. The two white and pink cheeks were bright and touching, as if he was full of water, which made him have an impulse to reach out and pinch her little face full of flesh.

"Have you checked Ye Jiamei's affairs?" Bai Xia asked.

"Well! The assistant is checking. It will take a few days. "

"Today, she called me. She wanted me to go home and call my father back. It seems that my father hasn't paid attention to her for several days."

"That's what she deserves. She doesn't know how to behave." Xing Yifan is the most annoying person.

Bai Xia has no sympathy for ye Jiamei. She nods and says, "yes! She deserves it. "

"Don't worry, your father will have an opinion on this matter. Don't think about it." Xing Yifan comforts me.

Bai Xia is holding her chin, and she doesn't know why. She has some sad thoughts.

"What are you thinking?" Xing Yifan looks at her with concern.

Bai Xia muttered to himself, "I wonder if there is a time limit for loving someone. After the time limit, I will not love you."

Xing Yifan was stunned. He said in a low voice, "it depends on people. There is no deadline for someone's love."

For example, his love will not have a period of insurance. If he falls in love, he will be determined to live forever.

Bai Xia chuckled, "Hmm!"

Xing Yifan reaches over, and Bai Xia's hand naturally reaches into his big palm and is held by him.

"Betrayal will never happen to me." Xing Yifan makes a deep promise that even if she doesn't want him one day, he will find a way to let her come back. Bai Xia's eyes twinkled with moving light. She nodded, "it won't happen to me."

Chapter 1140

In the quiet villa, the figure of two meals together, Pei Yuehuang's food is one dish, and the blue Qianchen's face on the opposite side is a little nervous, for fear that her own dish is not suitable for her.

After Pei Yuehuang's compensation, he looked up at the man opposite, smiled and nodded, "it's great, it's delicious."

Then Pei Yuehuang took the two bowls of rice she had just served and sent them to LAN Qianchen. "Come on, have it!"

Blue thousand Chen looks at the rice, can't help but want to laugh, but still obediently picked up and began to eat, Pei Yuehuang's chopsticks have been in the tiger skin green pepper, for her, such a home-made dish is also delicious.

"It's delicious!" Pei Yuehuang is holding a bowl and eating elegantly.

The blue thousand Chen on the opposite side is at last at ease. It seems that it suits her taste.

Pei Yuehuang finished a large bowl of rice. Even if she didn't go to the feast, she still hadn't put down her chopsticks and continued to eat. It seemed that she would sweep all the dishes on her plate before she gave up.

LAN Qianchen's inner satisfaction increased little by little. He thought that she was a goddess of high cold and hard to satisfy. Unexpectedly, several homely dishes captured her.

"If you like it, I'll often cook it for you later." Blue thousand Chen smiles at her.

"Good!" Pei Yuehuang is also very impolite.

Finally, she finished eating, put down her chopsticks and said to LAN Qianchen, "let me wash the dishes!"

"No, take a rest!" LAN Qianchen doesn't want her to do it.

Pei Yuehuang was a little embarrassed and said, "what's the point? I can't help you! "

"Then help me clean up the living room!" LAN Qianchen found a job for her.

Pei Yuehuang took a look. "OK!"

LAN Qianchen tidies up the bowl and enters the kitchen. Peiyuehuang starts to clean up the living room. There is no place for her to clean up. She stands in front of a row of beautiful decorations. She takes out one of the beautiful dolls and looks at it. She is probably a woman. No matter what position she holds, she has an idea about lovely things.

"I like it for you." After that, blue Qianchen came out after wiping his hands, looking at her looking at his animation manual, which he came back from when he traveled around the world. Pei Yuehuang turned around and asked with a smile, "will you give it to me?"

Blue thousand Chen's eyes narrowed, "is some reluctant, therefore, otherwise, you return one thing to me!"

Pei Yuehuang blinked and immediately thought about what she had to give back to him.

"All right! Another day you go to my house and pick out a gift. Anything is OK. " Pei Yuehuang thought so.

Blue thousand Chen but suddenly close to her side, Pei Yuehuang has not yet detected, her forehead on the brand of a soft cool kiss!

She immediately startled, looked up at the man, and blue Qianchen said with a smile, "I have got the gift I want."

A kiss.

Pei Yuehuang's cheek was inexplicably hot. She took the toy in her hand and bent her lips and smiled.

"Do you want to go for a walk?"

"Good!" Pei Yuehuang doesn't want to go home so soon, even though she has a lot of work to do and a lot of contracts to study, but she is thinking, let her have a rest!

It's rare for a person to accompany her so carefully. Why are women so tired? Pei Yuehuang used to work with a string stretched. She put work first. But when she met LAN Qianchen, she was willing to give up her work and enjoy her life.

It seems that there is finally a man in her life who is more important than her job.

When she came out of the villa, Pei Yuehuang didn't know that the night view of the villa she had made was so beautiful. Under the light, the round of bright moon like lights covered a quiet small world. Among the flowers, plants and trees, there was unknown light music, romantic and charming.

It made her think about how much beauty she had missed?

Blue thousand Chen is walking, suddenly his hand comes to the side. When he meets Pei Yuehuang's hand, he does not hesitate to hold it.

Pei Yuehuang's heart pounded twice. She looked at the hand she was holding. She didn't break away, but was held by him.

This is the villa owner's garden, without outsiders, everything is quiet and beautiful.

If two people don't talk, they will lead each other all the way forward and go back from here, which will be a bigger garden. Although there is no one, it is safe.

Pei Yuehuang is wearing a pair of high root single shoes and walking. She is still tired. She says to the man beside her, "let's sit down and have a rest!"

"Does the foot hurt?" LAN Qianchen led her to a chair and sat down.

Pei Yuehuang gasped for breath, took off her shoes and took off her breath. "It's so tired to be a woman! You have to wear these high shoes of suffering. "

Blue thousand Chen cannot help chuckle up, "you can choose not to wear."

Pei Yuehuang, with long hair, replied in a very contradictory way, "but I like high root shoes."

LAN Qianchen looks at her speechless. Pei Yuehuang turned to look at him and asked, "do you have something that you particularly like? "

" now? "

"Well!" Pei Yuehuang nodded.

"You!" Blue thousand Chen's eyes fall on her.

Pei Yuehuang couldn't help being stunned. She laughed. "Now you young people express love in such a direct way?"

LAN Qianchen put out his hand and put his arm around her shoulder. "Yes, direct and domineering!"

Pei Yuehuang was so cuddled by him that she did not sit stably for a while. Her whole upper body leans towards his arms, and blue Qianchen tightly hugs her.

In Pei Yuehuang's breath, the clear masculine breath came in, leaving her head blank for a few seconds. She suddenly found that she fell in love with such breath, full of comfort and security.

She can't help leaning on his arms to rest. She can't help choosing a more comfortable position, lying on this bench, resting her head on his leg, looking up at the starry sky, sighing comfortably, "what a beautiful night sky!"

Blue Qianchen's hand gently combs her long hair, and looks up to enjoy the night sky with her.

Pei Yuehuang looked at her, and suddenly her eyes went up from the lines of the man's clothes, with a beautiful chin radian. At this time, blue Qianchen was also looking at her.

In an instant, a beautiful and charming face occupied Pei Yuehuang's eyes. Every line made her feel moved and even made her feel like catching such a man.

Blue thousand Chen's eyes look at her a pair of Ying Ying water eyes is looking at oneself, he can't help but bend down the head some, let her see more clearly.

But he didn't know what was going on in Pei Yuehuang's heart. When he got closer, Pei Yuehuang breathed slightly, and her hand wrapped around the man's neck like a snake.

She slightly a force, blue thousand Chen's thin lips accurately cover her red lips, two people kiss together.

Pei Yuehuang invited him, but she didn't seem to have much experience, so she had to rely on blue Qianchen to deepen the kiss and make it long and lingering.

A kiss, so that the air around as if lit up, there is a kind of inexplicable fire in the flying, diffuse.

Suddenly, Pei Yuehuang reached out and pushed him gently. Blue Qianchen left her red lips, which was also a mess of breath.

"What's the matter?" LAN Qianchen thinks she hates it.

"Yes There are mosquitoes. " Pei Yuehuang said, sat up and rubbed her way to the leg where she couldn't stand the itch.

Blue thousand Chen suddenly can't suppress, issued a muffled laugh, he reached out to scratch for her.

"Don't laugh, let's go back!" Pei Yuehuang is a little embarrassed. He still laughs at such things.

Blue thousand Chen sees her to want to put on a shoe, he is distressed way, "do not put on, take in the hand, I carry you to go back."

"Eh? It's a little far! " Pei Yuehuang reminds him.

"It's OK. I can carry it." LAN Qianchen finished and leaned down slightly in front of her.

Pei Yuehuang, with her shoes in one hand, leans over his back. LAN Qianchen holds her back firmly and walks towards the way home.

"Lan Er, you are sure you don't have a girlfriend!" Pei Yuehuang asked.

LAN Qianchen is very sure, "no!"

"No!" Pei Yuehuang smiled happily.

"What are you so happy for?" Asked LAN Qianchen curiously.

"So I don't feel guilty about what I just took advantage of you." Pei Yuehuang said with a smile.

LAN Qianchen immediately disagreed, "who said you took advantage of me? I'll take advantage of you. "

"I'm older than you. I take advantage of you."

"Don't be complacent. I'll take it back." Blue thousand Chen lightly hums a sentence.

Pei Yuehuang, who lies on his back, breathes a little bit. If she kisses again tonight, she will be angry.
