

U. CEO Daddy 121

Chapter 121

"Great." Tang Siyu kissed his forehead and held him like this.

After that, Xing liehan came over and took her son away from her arms. Tang Siyu was stunned. His son was close to him. The little guy hugged daddy's neck and asked excitedly, "Daddy, when does the little aunt live in our house?"

"Maybe three days later! However, because she has to make up her lessons, she will probably live in someone else's house most of the time, while she will live in our house on weekends. "

"Why? Where will the little aunt live? "

"It's uncle Wen's house."

"Oh! Is it the handsome uncle who can tutor the little aunt? "

"Yes!" Xing liehan laughs. He received his mother's call only today. Because his sister's academic gap is too big, Wen Liangyao decides to let Xing Yinuo live in Wen's house. He can teach her more time.

The relationship between the Wen family and the Xing family made them feel relieved to give Xing Yinuo to Wen Liangyao for education.

However, there is only one person who does not want to, that is, Xing Yinuo herself. When she heard the news, she protested a lot, but none of them were effective.

Who told her that her study was really bad? It's almost the first year of senior high school, and she's going to be promoted to the second year of senior high school. If she doesn't work harder, it's a problem for her to get into college!

In the parking lot, Tang Siyu leads his son to walk home and asks Xing liehan to drive home. On the way, Tang Siyu and his son talk and laugh.

After Xing liehan parked the car, he waited for their mother and son at the intersection. On the green path hundreds of meters away, he saw a pair of beautiful mother and son figures coming towards him. Xing liehan's heart slightly grasped them, and an invisible pleasure spread in his chest.

"Daddy!" When the little guy was 50 meters away from him, he began to run happily. Maybe the nature of the child is like this!

Tang Siyu watched the little figure of his son run to Xing liehan, watched Xing liehan lift him up again, and the corners of her mouth were also raised involuntarily.

This kind of comfort, probably not even her own check.

All the way into the elevator, I met Tang Yixi's classmates, and their mother sighed again, "Mrs. Tang, you are so happy!" Finish saying, quickly glanced at Xing liehan with his eyes, because this man is so dazzling that many women have no courage to look at him!

Tang Siyu chuckled and didn't say much.

Fortunately, the mother got off the elevator quickly.

"Mommy, why does little Kay's mother call you Mrs. Tang?"

"Because she thinks that your mommy is my wife, and that my family name is Tang. Because my son usually has the same family name as my father, she is called Mrs. Tang."

"Oh! Can I have my father's last name? "

"Xing Yixi's name is not pleasant. Let's call it Tang Yixi." Tang Siyu interrupts his son's idea directly.

Xing liehan is speechless. However, he doesn't care who his son's surname is, as long as he has his son by his side!

"Oh!" The little guy puffed up his cheeks and didn't mention it anymore.

When she got home, Tang Siyu was in a bad mood. After she put her son down, she went back to the room. She didn't do anything, so she sat on the bed and thought about the matter with Tang Yiyi.

Xing liehan saw that she closed the door. He looked at the kitchen and thought about the woman's opinion today. Maybe he should try to cook a meal.

Although he has no experience, cooking is not difficult for him, but when he came back just now, he didn't seem to buy any vegetables.

"Son, let's talk to your mommy. Let's go shopping for food and let her have a rest at home." Said Xing liehan's son.

"Well!" Little guy also wanted to go shopping with Daddy. He opened Tang Siyu's door and said a word.

Tang Siyu agreed and heard the door closed.

She sighed and gathered her long hair. She really shouldn't be tangled in this matter. She didn't do anything wrong. What's bothering her?

As long as she doesn't apologize, what can Qiu Lin's mother and daughter do to her?

Tang Siyu sat in front of the piano and began to practice music with Ye you's new music score. When she was bored, only the beautiful piano sound could make her happy.

Tang Siyu played for half an hour. A doorbell rang outside. She got up to open the door and saw Xing liehan coming back with two bags of vegetables. The little guy also held a watermelon. "Mommy, look at me."

Tang Siyu quickly took over the watermelon and hugged it. It was very heavy. She couldn't help but look at Xing liehan. She had some complaints.

How can I let my son hold such a heavy watermelon?

Xing liehan immediately hooked his lips and smiled, "didn't you say you wanted to practice his physique with satin?"

"What if it breaks?"

"Then buy it again." Xing liehan said as he entered the kitchen.

Behind him, Tang Siyu could not fight against him. Who told him to be rich and inhuman? However, he stroked his son's small head, "the next time you can't hold it, say, don't try to be brave, it's not fun to hit your own little feet."

"Mommy, Daddy told me that I would like to practice Taekwondo. I want to practice very much. Can I go?" "Of course! When you have winter vacation, I will sign you up. "

"Well!" The little guy nodded happily.

Tang Siyu can't help but walk to the kitchen door and see Xing liehan taking out the same dishes. Tang Siyu even bought all the ingredients when he saw him. She was slightly surprised. "Are you going to cook tonight?"

"Aren't you looking forward to it? Then I'll cook it for you. " Xing liehan said with a confident face.

"Are you sure you can cook it?"

"Nothing is difficult in the world, as long as you are willing to work hard."

Of course, Tang Siyu welcomed him to cook. She nodded, "OK! Then I'll give you dinner tonight. If you don't understand, please ask me. "

"Don't worry, there's nothing I can't learn." After Xing liehan finished, he asked her, "give me your iPad."

"What are you going to do?"

"Learn now, do now."

"Er! Well then! " Tang Siyu finished, hurriedly went to find her iPad and handed it to him. Xing Lihan closed the kitchen door and didn't want them to disturb him.

Tang Siyu looks at the back of the door with some worries. The handsome figure is charming. He doubts that he can't buy out in advance tonight.

"Son, what would you like to eat if Mommy ordered something out?" Tang Siyu asks his son in a whisper.

"But I want to eat daddy's cooking!"

"Oh! ok Then we'll wait for your father to cook. " Tang Siyu didn't expect her son to support Xing liehan's work so much, so she had to wait and see.

At the same time, she went on to study the music score. The little guy played with toys and did his homework by himself, and didn't worry about mommy at all.

In the kitchen, a man watched the cooking video on the iPad, while cooking, his long fingers, pens, knives and chopping dishes, as if he were a chef. Xing liehan felt for the first time that cooking was so interesting.

Chapter 122

Especially the mother and son who are looking forward to his meal, he dare not neglect. Somehow, he doesn't want Tang Siyu to look down on him. Even in any way, he wants to be the best man in her eyes.

Maybe Murphy once became the man she could hardly forget. Now, he wants to squeeze this man away from her heart and let him become the man she couldn't replace.

Xing liehan is very confident, because he wants to do things that are not successful.

Tang Siyu is studying the music score. From time to time, she looks up at the figure of the man in the kitchen. She wants to start to have a look several times, but she is afraid that he won't cook. She will embarrass him when she goes, so she has to bear to see what kind of dishes the man is playing in the kitchen.

Don Siyu and so on. She has no mind to do anything, because she is really worried about the Yellow dinner tonight.

It's not that she doesn't have confidence in this man, but in the face of a man who hasn't cooked a meal at all. What else can she expect?

It's just plain that you can't make delicious food!

Because she has been groping for several years to improve her cooking!

"Mommy, you smell it. It smells good!" The little guy suddenly spoke to her.

Tang Siyu can't help but smell the air, and it really has a smell of fragrance. She looks into the kitchen, and she is really hungry, so she is even hungrier when she smells the fragrance.

Wait, wait! Finally, the door of the kitchen opened. The little guy ran over and asked, "Daddy, can you have dinner?"

Xing liehan's white shirt was pulled up, and he came out with two dishes in his hand. Tang Siyu also got up quickly. She saw that, but she could not help but make a dark wow. The man actually made sweet and sour ribs. On a piece of lettuce, a dozen ribs with even flesh and bones were crisp and fragrant, which made people have appetite.

There's also a dish of salt baked shrimp. It's also very beautiful. Eggplant with minced meat and scrambled eggs with tomatoes are my favorite.

"Let's cook these dishes first tonight, and make do with them!" When Xing liehan brought out the dishes, he went into the kitchen and brought out the rice with insulated gloves.

"Here You didn't make it! Are you sure you are cooking for the first time? " Tang Siyu pointed to the dishes on the table, which was really dumb.

"It's the first time, of course. What? Isn't it delicious? "

"Daddy, can't you even hear that? Mommy means, it's just that you play so well! It's delicious at a glance! "

After listening to his son's explanation, Xing liehan took a look at some silly woman in a good mood, "how delicious it is, how about paying for it!"

Tang Siyu takes over a bowl of rice from Xing lie Hansheng. She picks up the chopsticks and picks up the plate of ribs. It's Crispy with meat and sweet with sugar and vinegar, which makes her surprised again.

Damn it, it's better than her! Is it true that men are born with cooking skills?

"Is it delicious?" Xing liehan looks at her and asks.

Tang Siyu pursed his lips and pointed his head fiercely. "Delicious! It's delicious! "

It's not a compliment, it's a fact!

"Daddy! You're great. " The little guy also ate her scrambled eggs with tomatoes happily.

Xing liehan breathed a sigh of relief. Fortunately, he didn't mess up the first time cooking. With a smile on his lips, he said to his son, "eat more if it's delicious."

"Well!" The little guy ate and ate a lot of food. Tang Siyu put a chop in his bowl. The little guy also liked it.

Tang Siyu peels shrimp for him again. This meal tonight is undoubtedly a success.

It seems that she has been worried for nothing. She really belittles this man's ability.

"In the future, if I have time, I will cook for you." Xing liehan also fell in love with cooking.

"Then mommy and I are so happy." The little guy said, looking at Tang Siyu, "Mommy, do you think so?"

If Tang Siyu can't brush her son, she nodded, "yes! Very happy. "

Xing liehan stared at her expression and found that when she said this sentence, it was not flattering to pretend it, and his mouth was smiling again.

He found a way to make her happy! Cook for her!

After dinner, Tang Siyu took the initiative to wash the dishes. She felt that this man could make a dinner for their mother and son. She should do the dishes!

When she went to wash dishes, Xing liehan took the little guy to his room to play.

Tang Siyu washed the bowl and went to take a bath. After taking a bath, she waited for her son to come back. Bored, she picked up a book and looked at it. It was nine o'clock to look up. Tang Siyu had strict requirements for his son's work and rest.

Because it's very difficult to cultivate a child's work and rest time, it must be maintained every night.

Tang Siyu opens the door and enters Xing liehan's room. There are no father and son in the room. However, she hears the sound in the bathroom soon. She thinks that it must be her son taking a bath!

She also hasn't seen her son take a bath for a long time. If she wants to see if his small body is stronger after undressing, she plans to peek at her son. She went to the bathroom door, which was push-pull type, but apparently not defensive, so she opened it. Tang Siyu thought it was her son in the bathtub, however, when she opened the door.

Tang Siyu pushes the door open and looks up. The whole person wants to faint. In the bathtub, Xing lie sits naked. Several strong chest muscles can be seen. The shoulders are perfect. His hands are sitting lazily. A strong long leg is still bent. The whole person exudes a kind of male wild and sexy atmosphere.

Sitting at the other end of him, a small head of Tang Yixi was playing with a boat in the water.

Hearing the sound of pushing the door, the two father and son looked at the door almost at the same time, and saw the woman who was scared to be silly!

My God! This man is in a bathtub with his son?

"Ah..." Tang Siyu's eyes were covered when he realized that he was busy after the rain.

"Mommy, are you here to take a bath?" The little guy giggled.

Xing lie's cold mouth raised a thoughtful smile, and he didn't mind being seen by her at all, because he was quite confident in his body.

"Take a bath, son. It's time for you to go to bed." In the blank of Tang Siyu's mind, he said this sentence quickly, then turned around and walked away quickly.

My God! What did she just see?

Most of Xing liehan's naked body?

Although she didn't see what she shouldn't have seen, she had enough imagination space. Tang Siyu wanted to cry on her face. She was so bold.

Tang Siyu hurriedly returned to her room, but her breathing was disordered. She bit her lips and rubbed her eyes with regret. She went back to the room and waited for her son.

At about 9:15, her door was pushed open, and two men, one big and one small, came in. The little one was wearing a close fitting cartoon Pajama, while the man was wearing a black silk Pajama, not the kind of Nightgown, but the kind of shirt and pants.

Chapter 123

"Xiaoxi, go to bed quickly." Tang Siyu felt that his son had to sleep.

The little guy immediately climbed to the bed with a smile. His hair had dried. Xing Lihan suddenly shut the door. Tang Siyu squinted at him. Xing Lihan knew that her memory was not very good when he saw her defensive eyes.

Just negotiated the terms in the morning, she can't remember in the evening. Is she pretending to lose memory?

"A good month, you will not regret it!" Xing liehan doesn't mind reminding her.

Tang Siyu's head thumped for a while, and then remembered that when he asked him to help lift the ban on praying for coolness in the morning, she promised to sleep with him for a month, and her pretty face immediately turned red.

The little guy immediately heard it. He asked happily, "Daddy, can you sleep here, too?"

"Yes, I can sleep with your mommy for a month. Xiaoxi, if I sleep with three people, it seems to be a bit crowded." Xing liehan hinted to his son.

"No crowding, no crowding. I can sleep a little bit. My son will sleep here. You can sleep in the middle!" Tang Siyu immediately refuted.

"Mommy, it's a bit crowded! Don't push you to the bed. I'd better go back to my own room! You sleep with Daddy. " Little guy also has some eyesight and can't disturb mom and dad to cultivate feelings.

"No, Mommy hasn't slept with you for some time. Mommy wants to sleep with you." Of course, Tang Siyu won't let her son leave. Her son is her umbrella.

"All right!" The little guy immediately lay down happily, and then snuggled into mommy's arms.

"Daddy, you can sleep next to me! There are still a lot of places! "

Xing liehan squints her eyes. Does this woman intentionally leave her son here? However, he has a month, he does not believe that she can hold her son to sleep for a month! He will send his son to his parents' house for two days tomorrow, and see what she can do!

Xing liehan lies down at the other end. Tang Siyu immediately presses the light switch beside him and turns off the light in the room, leaving the room in darkness.

On Tang Siyu's face, the little guy's hand touched it. His son used to touch her face when he was a child. Now when he sleeps with her, he will have such a habit automatically. Tang Siyu is also used to giving his son a sense of security.

The little guy suddenly thought of daddy, so he was sleeping in the middle, touching mommy's face with one hand, touching daddy's face with one hand, and he felt so happy!

Xing liehan leaned sideways. His long palm came to him. It was meant to hug his son. However, the little guy was close to Tang Siyu, and his big palm was immediately placed on the woman's slender waist.

Tang Siyu immediately warned softly, "sleep well!" At the same time, she slapped his claws away with some impoliteness in her hand.

Xing lie is cold in the dark, two twinkling eyes, obviously have a smile in them.

But neither of them did any more actions, which would affect the little guy's sleep.

In the quiet, the breathing of the two people is clear and audible. The little guy in the middle side touches Tang Siyu's face again, and he falls asleep after a while.

It's been quiet for about ten minutes.

"Asleep?" Xing liehan asked softly.

Tang Siyu snorted softly, "can you stop fighting?"

Xing liehan reaches over and grabs the little guy who was in Tang Siyu's arms. The little guy immediately turns over to Xing liehan's side.

Tang Siyu was surprised to see that the man took over his son and thought, is he going to take his son to sleep?

At present, Tang Siyu is not sleepy at all. Her head is still awake. There is a dangerous man lying on the bed. How can she sleep?

She's a big head at the thought of sleeping with him for another month.

However, the thought of doing so helped to pray for coolness, and she could only bear it.

The room is not all dark. In front of the floor window, the curtains are not pulled up. The light moonlight outside the window and the bright night scene in the distance cover the room with a light light.

So, with a little action from the man around her, Tang Siyu can feel that the picture of him sitting in the bathtub just now can't help thinking in her head. Her face is in the dark, becoming hot little by little.

The little guy slept hard enough. Xing liehan suddenly sat up. Tang Siyu watched him in the dark warily. He didn't know what he was going to do.

And just when Tang Siyu thought he was going out or to the bathroom, the man suddenly turned over and came to her side, and his strong chest pressed on her.

Tang Siyu was so scared that he just wanted to open his mouth and shout. With a big palm, he tightly covered her little mouth. The hot breath was spitting in her ear. "Don't make a noise. Do you want my son to see us overlapping?"

Overlapping two words bite very warm.

"What do you want to do?" Tang Siyu pushed his hand angrily and asked in a hoarse voice, didn't he say that he only slept and didn't do anything?

"No! Just want to..." As soon as the man's low words fell and his thin lips were in the dark, he accurately caught her small mouth and sealed it directly. "Well..." Don Siyu's eyes widened. How could this man kiss her?

Hateful! She pushed him with her hand, and the man pushed her little hand over his head with both arms.

It's easy.

The man presses the back of her head and forbids her to avoid his kiss!

Forced her to accept his passionate kiss.

Xing liehan thought of her proud expression when she wiped the straw on the car today. At this moment, it's time for him to revenge. Let this woman know that he and she can share a straw. He doesn't dislike her, and she can't dislike him. That's the idea of bullying.

Tang Siyu's brain is blank, only the man's lips are fresh with a breath of mint, which almost makes her breathless.

Fortunately, this man just kisses her, without any more hateful actions. Otherwise, don Siyu really doesn't mind waking up his son.

Because she didn't want to be violated.

Xing liehan kisses for a few minutes, and his breath is low. Tang Siyu is very angry and asks, "is that enough?"

Because she also felt some inexplicable heat in her body. In addition to this, she also felt that she was not firm in her will, and even had some ideas of hoping that this man would have some actions.

However, she asked, and Xing Lihan gave a deep smile, "not yet!"

Next second, kiss on.

Tang Siyu wants to be crazy. Doesn't this man know that the consequences of going on like this are painful?

With a trace of damned gentleness, on such a early summer night, such a kiss is very uncontrollable.

Xing liehan's body is almost on fire, but he knows that this woman will not give him, and of course, he can't do anything in front of his son's face, otherwise, his image will be destroyed.

Chapter 124

So, what he did was to get over and over again products to compensate her sweet mouth. Originally, he wanted to solve the source of desire. Unexpectedly, it was only that the more and more burning it was. Finally, Xing liehan got off the bed from her in a bit of a mess, and the door pulled away with unstable breath.

Tang Siyu, who was left on the bed, was also short of breath. She clenched her fists and felt as if she had been crawling by ants. A current of crispy hemp flowed gently all over her body, making her hard to calm down.

She knew it was a physiological reaction.

After being kissed by this man, she even has a physiological reaction. It's really a shame. She has no tendency to be abused. How can she feel like this?

Tang Siyu is very upset. Now, she doesn't know when she can sleep.

Xing liehan went straight back to his room and took a cold shower. Suddenly, he found that he asked to stay with him for a month, which was wrong at all. It was a self inflicted sin.

This woman sleeps nearby, he does not touch is impossible! But touch is only limited to kiss, so if he wants to vent, he can only get the consent of this woman.

After Xing liehan took a cold shower, he didn't plan to go to sleep because he was afraid that he would touch her again.

So that night he could only sleep in his bed, and still stayed up until 1:00 in the morning. early morning.

Tang Siyu is awakened by her son's turning over. She opens her eyes, and her son is looking at her with a smile on his face.

"Mommy, you wake up!"

"What time is it?"

"It's half past seven!"

But Tang Siyu is still sleepy because she slept late last night.

"Eh! Where's daddy? Didn't he sleep with us? " The little guy asked curiously.

"He went back to his room last night. There may be work to do! After that, you sleep with me every day! Mommy is holding you to sleep, and the quality of sleep is better! " Don Siyu coaxes the little guy.

"Really? Well, I'll sleep with mommy every day! " Of course, the little guy would like to Hold Mommy's neck, and the little face is misfiring her face.

Tang Siyu has a smile on her lips. With her son, she has a talisman.

Wash it out with the little guy. The little guy is going to see daddy. Tang Siyu asks him not to disturb him. She sends him to school.

Take the little guy to school. Tang Siyu is relieved and walks all the way home. When she gets to the parking lot downstairs, when she turns around, she sees Murphy's car parked by the side. He steps down from the car.

Tang Siyu is shocked immediately. Why is he here?

"You didn't go to work?" She asked quietly.

"I don't think I've seen you for a few days. I know you will send Xiaoxi to school at this time, so I'll come here and wait for you." Mufei's eyes don't cover her beautiful face.

Although it's just a very casual shirt, with a cow skirt, long hair is also casually spread, but the girl is still beautiful to his heart.

"Last night I got a call from my uncle. I heard that you and Yi had another fight, and you called her." Murphy looked at her worried.

Tang Siyu is slightly shocked. Does her father think that she quarreled with Tang Yiyi because of mufei?

Tang Siyu turned his face away. "This is the grudge between Tang Yiyi and me. Don't worry about it."

"Why did you hit her? Is it because of me? She's pissing you off again? " Murphy was really worried because he didn't want to cause her any trouble.

It must be that her position in the Tang family is not as good as that of Tang Yiyi's mother and daughter, for fear that she will be wronged.

"It has nothing to do with you." Tang Siyu shakes his head.

"I haven't had breakfast yet. Let's go to the neighborhood for breakfast!"

"No, I'll cook it at home."

"Why bother! As you said, we can't be lovers. We can also be friends! You won't even give me the chance to be a friend! "

Tang Siyu was about to refuse again, when suddenly a sharp female voice came from behind, "OK! Tang Siyu, you really have the ability to seduce mufei behind my back. "

Tang Siyu was shocked. From behind mufei, Tang Yiyi stepped down from a car. She was surrounded by two of her good sisters. At first sight, they were not good at coming.

Tang Siyu twisted his eyebrows. She hit everything.

"Yiyi, don't say anything. Siyu and I are getting along as friends now." Murphy is a little angry. Tang Yiyi's tone.

Tang Yiyi's eyes couldn't hide his admiration and looked at mufei. "Mufei, don't explain for her. I know that she has been carrying me to contact you, and I know that she has been using means to seduce you! I've seen a lot of women like her

"Don Yiyi, didn't you learn that slap last night?" Tang Siyu snorted coldly.

Tang Yiyi's face turned white immediately and said to mufei, "mufei, you see how savage she is. She slapped me last night. You still like her, such a vicious woman?" "Siyu is definitely not a vicious woman, Yiyi, you have no reason to make trouble, and you are not allowed to look for Siyu's trouble again. Go back!" Murphy was really worried that Tang Yiyi would bully Tang Siyu.

"Mufei, you are still protecting her! Where is she better than me, so that you only have her in your eyes, but not me? " Tang Yiyi was originally here to ask Tang Siyu for trouble, because last night she complained to her father, who didn't pay much attention.

So she decided to bring her sister to Tang Siyu's house to ask for trouble and the price of the slap last night.

But she didn't expect to see Tang Siyu and mufei talking as soon as she arrived here.

She didn't know that Murphy lived here. She thought Murphy came to see her on purpose. The jealousy and anger in her heart became more and more intense.

"Don Yiyi, you can't get the feeling by means. Murphy didn't like you from the beginning. Can you see clearly now?" Tang Siyu snorted coldly.

"Don't be complacent, Tang Siyu. Even if I don't get mufei, I won't let you get him." Tang Yiyi said arrogantly.

Murphy's face sank. He didn't like it very much. If Tang Siyu could accept him now, he would be with her immediately.

"Yiyi, shut up, you have no right to manage my affairs." Murphy scolded coldly with a handsome face.

Tang Siyu really didn't want to waste time arguing with Tang Yiyi. She said to mufei, "go to work! I'm home. "

"I'll take you back." Murphy didn't trust her.

Tang Siyu turns to look at Tang Yiyi. She thinks she can still beat people? In that case, she called the police.

"No, I'm not afraid of her." Tang Siyu finished, she turned to the door of the community, directly locked the door.

Chapter 125

Here, only the owners of the community swipe their cards or password can enter.

Mufei saw Tang Siyu enter the back of the door, and he was relieved. He was going to have a meeting in the morning. Tang Yiyi saw him. Of course, she didn't want him to leave like this. She immediately wanted to pull him up.

Murphy's eyes were cold, and her figure froze. He looked at him definitely, pleading, "Murphy, don't go, shall we have breakfast together?"

"I'm not free!" Murphy finished, got into the car and drove away.

Looking at the beloved man leaving, Tang Yiyi chopped his feet in place, "Tang Siyu, I won't let you go."

"Yi, do you want to go up and find her?"

"Why don't I go up?" Tang Yiyi is not afraid to make a big deal today.

At this time, someone came out. Tang Yiyi ran to open the door and said to the two sisters, "hurry in and repair her for me."

These two girls usually play together depending on Tang Yiyi's financial resources. At this moment, of course, they dare not resist Tang Yiyi's order, so they have to enter the gate together.

In their eyes, Tang Yiyi is the eldest miss of the Tang family, and Tang Siyu has no status at all. If they hit someone soon, they will fight!

Anyway, the account can't be regarded as their head, because they only need to hold Tang Siyu and let Tang Yiyi return several slaps.

Tang Siyu came back home and closed the door. She wondered if Tang Yiyi would come up to find her trouble.

It must be said that Tang Yiyi is not a kind of person who is willing to rest if she doesn't get benefits. Maybe she will come up to find her.

Tang Siyu can't help thinking that Xing liehan is still not at home. However, as long as she doesn't open the door, Tang Yiyi won't hurt her. If it's too much, she will call the police.

Tang Siyu is going to brew a cup of oats to drink. Anyway, she is too lazy to make breakfast alone.

And just after she had finished brewing, her door was suddenly thumping, and Tang Yiyi's voice was faintly heard.

"Don Siyu, open the door. Open the door."

As expected, they came to the door.

Tang Siyu looked at the door with cold face. She couldn't open it. She knocked.

Tang Yiyi knew that she was hiding inside. She could not help taking off her high-rooted shoes from her feet. She hit Tang Siyu's door with the end of the shoe root and shouted, "Tang Siyu, you have a kind of door. If you don't open the door, I will break your door."

Behind the door of the next room, Xing liehan is lying on his sofa squinting his eyes. Last night, he was sleepy when he read the mail, so he simply fell asleep on the sofa. He slept in the early morning. At this moment, he was still sleepy. Unexpectedly, there was annoying knocking sound in his ear, as well as the sharp voice of a woman.

This makes him a pair of good-looking sword eyebrows immediately fidgety tighten, what people disturb his clear dream in the early morning? Xing liehan thought that there was only Tang Siyu's door on this floor except him. He went to the door and opened it angrily.

He stares at the girl who knocks and shouts at the door of Tang Siyu's room and shoots a cold light. Tang Yiyi and her two friends couldn't help looking back at the opposite door. They were shocked at the sight.

In the door behind them, a handsome man in black pajamas was glaring at them with his arms around.

Although this man is very angry, but absolutely does not take the mistake of his beautiful face value.

So sexy, so handsome, so handsome.

Even Tang Yiyi put down his shoes, put them on quickly, and said to Xing lie, "I'm sorry, handsome boy, did it bother you to sleep?"

Xing liehan didn't want to talk at all, because in the face of these women without quality, he just wanted to force them to leave with his eyes.

"Eh! He seems to be Xing liehan... " The girl standing beside Tang Yiyi said with surprise.

Who is Xing liehan? That's a super rich man in the city, a diamond bachelor, the first successor of Xingshi group, and the current president of Xingshi empire. He can't tear all the labels off his body.

Tang Yiyi and another girl take a close look at each other. It's really Xing liehan, the legendary man who makes women crazy.

All of a sudden, the three girls' hearts beat faster. Looking at him, I wish I could show my most beautiful side.

Although Tang Yiyi loves mufei, Xing liehan's charm makes her irresistible, because his identity and beauty value are absolutely not defeated by mufei, or even more outstanding.

Xing liehan looks at the three women who make a pose with their coquettes. He raises his mouth in disgust. "If you quarrel with me again, I will send you to the police station."

"I'm looking for my friend! She doesn't open the door all the time, so I'm sorry to make it louder, it's bothering you. " Tang Yiyi smiles brightly, trying to get his favor.

"Don't let me hear any more." Xing lie cold cold left words, he slammed the door, showing his anger.

The three girls were shocked and looked at each other.

"My God! How can Xing liehan live here? In his capacity, where can't he afford a villa? ""Yes! How can he live here when he is so rich? Is there his girlfriend living in it? "

Tang Yiyi bit her lips. Tang Siyu is sure not to open the door. But there is a man who can't make trouble in the opposite side. How can dad buy her a house? He even made a neighbor with Xing liehan.

Even if she was a miss of the Tang family, she could not provoke Xing liehan.

"Yiyi, forget it today! Don't settle with Tang Siyu. It's not good if you offend Xing liehan. "

"Yes! He's so powerful and powerful. If he really has to send us to the police station, he'll be in trouble. "

Tang Yiyi snorted and glared at Tang Siyu's door angrily. "OK, next time we block her on the road, in short, this slap, I must use ten slaps for revenge."

When Tang Yiyi was about to leave, he had a look at Xing liehan's door. He thought to himself, Xing liehan, a man of the highest quality, had Tang Siyu become a neighbor. With Tang Siyu's ability, what happened to him?

She was really worried about this, but she thought for a second, how could a woman with an illegitimate son make a man like Xing liehan look at her?

He must have disdained it.

However, Tang Yiyi did not know that Xing liehan was now pushing open his door and walked straight into Tang Siyu's home.

Tang Siyu looks at the man who pushes the door in. She is slightly shocked. He is still at home and doesn't go out.

"What? In the face of your sister's provocation, are you going to be a shrinking turtle? " Xing lie asked the woman holding a glass of water on the sofa, and naturally took a bottle of ice water from her fridge to drink.

Tang Siyu snorted, "who said, I just don't want to see her. Besides, I know that I can't beat the three of them with my own strength. Do I have to run out and get beaten? I'm not a fool. "

Chapter 126

Xing liehan's wheezing was even amused by her. She was obviously in the state of shrinking his head, which proved that she was more intelligent.

Tang Siyu glanced at him, "what are you laughing at?"

"Don't comfort yourself, Tang Siyu. When I'm here, you're afraid that you can't beat the three of them?"

"This is Tang Yiyi's family affair. No need for outsiders to join in." Tang Siyu shook his head.

Xing liehan narrowed his eyes, sat opposite her, and looked at her seriously. "If you want to find a way to lean on the mountain, it's right to find me. I can be your safest haven. No one dares to bully you in the future."

Tang Siyu looked up at the serious man in the opposite face, and she also shook her head seriously. She refused clearly, "no, I can deal with my own affairs."

"Are you stupid? Someone can help you, but you have to refuse? "

"You? Let's forget it! Please help me, I will pay more. " Tang Siyu does not think so.

Xing liehan can't help choking. What does this woman mean? Later is to beg others also won 't beg him? Does she want mufei to support her?

He could not help clearing his throat and saying, "what happened to me? Besides, it's hard to find a boyfriend with your son. I can be your man for free. Don't you like it? You can't find a good and handsome man like me with a lantern. " Xing liehan is selling himself.

Tang Siyu looks at his self feeling expression lightly and snorts, "I have no intention of looking for a man in my life. You are so excellent. Let other women enjoy it!"

Xing lie's eyes are slightly shocked. This woman is not going to find a man. Is that serious?

"Why don't you want to find it?" Xing liehan asked curiously.

"Because I'm not interested in men."

"Then you treat women..."

"Where do you want to go? I'm not interested in women either. " Tang Siyu stares at him. This man has a big brain.

"Say why." Xing liehan is biting her thin lips. Does this woman have any prejudice against men?

Speaking of reasons, Tang Siyu really has, and he has an inevitable relationship with the man opposite.

Her eyes swept hard at a man. "Five years ago, that thing made me very disgusted with men. So, thanks to you, I lost interest in men in my whole life. Are you satisfied?"

Xing lie, Han Junyan, looks at her in dismay, trying to remember what he did five years ago to make her hate men so much.

"I really feel sorry for what happened that night five years ago. I mistook you for miss. However, if you want to make up for it, I don't mind Responsible to you. "

Tang Siyu's face was even colder. "I don't need you to be responsible. You can say sorry to me."

"I'm sorry." Xing liehan said directly that he owed her an apology. Up to now, he really blamed himself.

Tang Siyu could hear his apology in his tone, but with the birth of her son, she also gradually relieved. She just never thought that she would meet this man again.

"Well, let's not talk about it any more. We will continue to raise our son together. Besides, you will live your life and I will live my life. We will not interfere with each other. It's better not to do anything like the kiss you gave last night." Tang Siyu calmly reminded him and warned.

On the opposite sofa, the man's face sank for a few seconds. With his squinting eyes, he said, "five years ago that night, couldn't my ability?"

Can't Tang Siyu's pretty face suddenly turn red? This man is physically abnormal and unrestrained. When she comes back to the hotel, her pain is hissing.

"Do you still mention it? Do you want me to hate you to be happy Tang Siyu said angrily, "leave my room. I don't want to see you today."

Xing liehan saw that the anger on her face was not fake. He couldn't help blinking his thick lashes. He couldn't figure out where the girl's anger came from. He was more moody than he was.

However, it's time for him to go to the company. He stood up and said, "if your sister comes to trouble you again, you can call me anytime. When you pick up Xiaoxi in the afternoon, wait for me to come back."

Tang Siyu holds the teacup and doesn't want to talk. However, he would like to come back together to pick up her son. She would, too, because Tang Yiyi doesn't know what will happen, and she doesn't want her son to be hurt.

Xing liehan leaves. Tang Siyu's anger disappears quickly. She feels very tired now.

At noon, there are some dishes in the kitchen that Xing liehan bought yesterday. She can not go out or starve.

Tang Siyu sat in a daze on the balcony until her cell phone rang at noon.

She came in and picked it up. Seeing that it was Susie's, she immediately picked it up in a good mood

"Siyu, do you see a malicious message reprinted on the Internet? Now it's about to bully the screen. I don't know who dug out your baby and insulted you. " The voice of sushi was very anxious. Tang Siyu once listened, do not need to guess also know who did a good job.

Did Tang Yiyi really send her news to the Internet? Tang Siyu said to Suxi, "OK! I'll see first. "

"Do you know what happened?"

"Tang Yiyi should have done it."

"What? It's disgusting that she should dare to do so, to ruin your reputation. "

"I'll have a look and call later!" Tang Siyu also wants to see how Tang Yiyi can defeat her.

Tang Siyu opens the webpage and finds the photos of her concert and the photos of her son's previous piano competition. The title on it is a very striking and huge line of words: "the so-called piano goddess's illegitimate son exploded. It turned out that she was an unmarried and dissolute 'Lord'."

The following line of comments clearly revealed her name, as well as her son's name. The language was terrible. She said that she hid in a foreign country and gave birth to her son. Then she took her son back to China and was abandoned by her lover. She was desperate to perform on the stage. She pretended to be noble, but in fact, her private life was chaotic and dissolute. She also guessed that she had made a third party.

Tang Siyu is crazy to see. Tang Yiyi really insults her. Even if she insults her, even her son's photo has been posted, which makes her furious.

Tang Siyu took a deep breath, and her hand shook a little. She bit her teeth. She thought that this matter must be suppressed first, so that her son could not be insulted. She thought of a person, and she made some self mockery.

Just said that she didn't want him to help, but in a flash, she still had to ask him for help.

Chapter 127

She dialed Xing liehan's phone number.

"Hello!" The voice of Xing liehan was low and quiet, like a meeting.

"Do you have time? Delete some things on the Internet for me. If you find someone to delete them first, I will give you the money. "

"About what?"

"Just search my name, please hurry up." Tang Siyu's voice was full of anxiety and entreaty.

"Good!" Xing liehan answers and hangs up.

In a large conference hall of Xing's group, Xing liehan sat in the chief position. He answered the phone and the whole meeting was quiet.

Xing liehan searches Tang Siyu directly on the Internet, and what comes out is the news that Tang Siyu just saw. Xing liehan clicks on it. After reading the full text, his handsome face is already grim. He hands his cell phone directly to Han Yang, who is sitting beside him. "Within ten minutes, I don't want to see any words of this news. At the same time, I am responsible for publishing this article The reported media disappeared in a day. "

When he spoke, he put his hands on the table and clenched his fists. There was a gnashing anger in the voice line.

A dozen managers have a heart beating. Who made Xing so angry?

"OK! I'll try to deal with it. " Han Yang quickly got up and left the meeting room.

In a high-level club, Tang Yiyi is making a body spa, and two sisters are soaking in a hot spring, enjoying music, red wine and coffee.

"Yiyi, you're so ruthless. Now all the comments and posts on the Internet spit on Tang Siyu, and her saliva is drowning her."

Tang Yiyi listened to the reports of her sisters. She snorted, "this is just the beginning. Later, I will make her famous. I'll see how she can buy and play her piano. There's no one to invite her! She will starve to death with her son! "

"Yes! She eats by fame. If her fame stinks, how can she wash it? "

"Not bad! After that, you can find a man to become her lover. Once you open it to the public, even if she jumps into the Yellow River, she can't wash the name of Xiaosan. Ha ha! It's too much to hate. "

Tang Yiyi's face was full of contentment. What she wanted was that Tang Siyu would become a street mouse and everyone would fight.

This just read the Internet message once, another girl in order to please Tang Yiyi, can not help picking up the phone, "I'll see if the hot search list has been updated, this news has not climbed up."

After that, she searched hot search, and then turned down. Just now, Tang Siyu's name was in the eighth place. She thought that after several minutes of fermentation, this matter must be more heated. How could she know that she turned over the top ten, but there was no Tang Siyu's name? In addition, she searched the Internet for Tang Siyu's name.

"Eh! What's going on? Search Tang Siyu's name, how come there is no report about her? " The girl said in surprise.

Tang Yiyi turned to look at her. "How could it be?" After that, she picked up her mobile phone and followed the search. As expected, the only thing about Tang Siyu's name came out was her pictures and reports at Ye you's concert. The one she sent before had disappeared.

Tang Yiyi immediately twisted Xiumei and breathed, "what's the matter? Can't we find it just now?"

"That must have been paid for."

"How could she have so much money? Buy out the whole network? How much will that cost! "

"Millions must be wanted!"

Tang Yiyi is biting his lips, thinking that Tang Siyu must have no such ability, so who can she ask for? Apart from Murphy's ability to help her, she has no stronger backing. Even her father has no ability to buy it out within ten minutes.

If it was my father, he would have called her for education, so it must be mufei.

Damn it! Tang Siyu even asked for mu Fei.

When Tang Siyu, who was sitting at home, saw the message disappear, she was relieved. Xing liehan's action was faster than she thought.

At this time, Susie's cell phone also called, she picked up, "Hello! Heathy. "

"Did Xing liehan ask someone to delete this message? I can't find it now. "

"Yes, I can only ask him." Tang Siyu sighed.

"I'm sure Xing liehan doesn't want his son to be insulted like this. He must be very angry. I hope Tang Yiyi can stop it."

Tang Siyu's eyes shot out a trace of resentment. "If she dare to do it again, I will not let her go."

"Siyu, what are you going to do?"

"I will tell my father about it. My father is the head of the family. Even if I tear my face, I will not let her go."

"When you are abroad, you haven't maintained the reputation of the eldest miss of the Tang family, which makes Tang Yiyi more arrogant. Siyu, don't forget that you are the eldest miss of the Tang family." Susie is snorting for her at that end.

"Yes! I don't stay there. They always think I'm weak and easy to deceive. " Tang Siyu laughed at himself."But don't worry, Xing liehan will help you."

"He's just an outsider, and I'm not going to turn to him for help."

"Siyu, haven't you forgiven him?" Asked Susie in a low voice over there.

"It's not a matter of forgiveness, how to say? I don't want to have anything to do with anyone. "

"I understand you, Siyu. When you were violated and met with mufei, you have no confidence in your feelings. You can rest assured that I will stand beside you. No matter what happens, I will help you!"

"Well! You are enough. "

"I'll go back for a week's holiday tomorrow. I'll see you tomorrow."

"Well! See you tomorrow. "

Tang Siyu hung up the number, her cell phone immediately entered a phone, she picked up a look, mufei? He must have seen the news, too!

She reached for it. "What's up?"

"Siyu, did Tang Yiyi do it?" Murphy's voice was angry.

"Murphy, leave it alone." Tang Siyu has been in a mess. Her grudge against Tang Yiyi is due to him. She doesn't want him to interfere too much.

"Siyu, she is too much to destroy you and Xiaoxi. Don't worry, I will talk to her."

As soon as Tang Siyu heard this, he immediately called him, "mufei, don't! This is a mess. Can you stop it? "

"Siyu, I'm sorry, it's all because of me! I really want to help you. When I saw this message and was about to be deleted, someone moved faster than me. Have you asked Xing liehan for help Murphy's voice has a trace of helplessness.

Tang Siyu replied, "yes! He's Xiaoxi's father. It's more appropriate for him to delete this message. "

Chapter 128

"Siyu, are you Have a good feeling for him? " Murphy's voice was full of confusion.

"Murphy, it's my personal business. Don't worry about it. I don't want to say that what you can do is to stay away from me." Tang Siyu's voice was not aggressive, but rather pleading.

Murphy took a deep breath at that end. "What else can I do for you? What can I do without hurting you? "

"No, it's not right for you to do anything for me. Goodbye." Tang Siyu said, hang up first.

She thought she could be quiet for a while, and then her cell phone started singing again. She glanced at Xing liehan quickly.

She frowned and reached for it! I see it. Thank you. "

"Who were you talking to just now? Murphy? " That end Xing lie cold sensitive question, guesses extremely accurate.

Tang Siyu thought for almost a second and said, "no! I'm talking to Susie. "

"Is it?" The questioning of Xing liehan.

Tang Siyu is speechless. Why does she want to avoid all the things with mufei in front of him now? She could tell him that she was talking to Murphy.

"Thank you for doing it for me. How much is it?"

"No money! It's just that you're going to let it go? " Xing liehan's voice is full of senleng.

"For the moment! If there is any follow-up, I will deal with it myself. " Tang Siyu still doesn't know what Tang Yiyi wants to do.

"Your sister did it?" Xing liehan almost didn't need to ask, so he was sure.

"It's her! In the afternoon, you pick up Xiaoxi and I'll go home. " Tang Siyu hopes that this matter will be solved at home.

"Are you sure you don't want me to accompany you back?" Xing liehan asks at that end.

Tang Siyu is almost sure to say, "no need. Just take good care of Xiaoxi. This is my family business. I will deal with it myself. You haven't said how much you need to deal with this information!"

"It's just a matter of one sentence. If you want to thank me, remember first, and I'll ask you to repay if you have a chance later." Xing liehan also doesn't want to waste this human relationship, because he knows that if he earns her a human relationship now, he may have a chance to gain benefits in the future.

Don Siyu choked for a while and said, "OK! I remember this friendship and have a chance to thank you later. "

"You're going home alone tonight?"

"Well!"

"All right! Xiaoxi, you don't have to worry. If you can't handle it well, I will help you. "

"I really don't need it." Tang Siyu's refusal was still clear, and said, "I'll hang up first."

She really has to hang up. I don't know why. She used to be used to a very domineering and rude Xing liehan. Now, he said that she would help her. She really has to accept her incompetence. She doesn't want to owe him too much. This man owes too much. She doesn't know how to repay later.

Tang Siyu went into the wardrobe, and she chose a fashionable and fashionable long dress to wear. She, the eldest miss of Tang Group, has not shown her face in her father's company for a long time, so that everyone knows that Tang Yiyi is the only miss of Tang Group.

This is also Qiu Lin's constant use of means to elevate her position as an illegitimate daughter, constantly pushing Tang Yiyi to those famous circles, making friends with those famous rich Taizi, which makes people think that she is the eldest miss of Tang family, while her real eldest miss of Tang is forgotten.

Tang Siyu did not forget that when his mother married his father, his father was still a little-known investor. After his mother married him, he bought a piece of land inherited by his mother's family and invested it in his father Liang, so that he could invest in the industry, gradually built the Tang Group, and then made it bigger.

In the hands of her father, 30% of the stock rights belong to her mother. But when she was young, her mother handed over the stock rights to her father for inheritance. When she grew up, she handed them back to her. Tang Siyu never fought for this matter, but it doesn't mean she forgot.

Because it's her father, she is very relieved to let him hold the equity, but there is still a part of the Tang group that belongs to her!

Tang Siyu goes out, drives her SUV and goes straight to her father's company. It's time for her to show her face.

Tang Group built its own office building a few years ago. Although it is not located in the center of the city, it is also magnificent. The dark blue glass curtain wall is pasted from the bottom to the top. The whole building looks very dignified and dignified. The four characters of Tang Group are shining on the top.

Tang Siyu seldom came to the company. At this moment, she found that the industry in her family is also very strong. She saw the intangible and huge benefits. This is the source of Tang Yiyi's confidence. She has become a real noble and willful daughter. She has money to spend. She makes trouble and acts recklessly with the financial strength of the Tang family.

And she has always been determined to be a good daughter who is smart and safe. She doesn't make trouble for her father, doesn't take the money from her family. She thinks of relying on herself. Even though her father was very rich at that time, she has no idea about money. Although everything her father gave her is the best, she never asked her father for anything. However, Tang Yiyi is different. With Qiu Lin's help, she opens her mouth and reaches for everything she wants.

Now, Tang Siyu doesn't think so either. It's time for her to stand up majestically in this family and take the position of her eldest daughter.

When Tang Siyu's car reached the gate, the security guard stopped her. "What can I do for you, miss?"

"My name is Tang Siyu. I'm looking for my father, Tang Xiong." Tang Siyu smiled, she did not show arrogance, with a proper smile to let bodyguards know her identity.

The bodyguard was stunned for a moment, then smiled respectfully at her and said, "it's Miss Tang. I didn't recognize it for a while. I'm sorry."

Then, she opened the gate to let her in. Tang Siyu's car drove to a row of parking lots. Today, she dressed up deliberately. She changed her ordinary plain clothes. Today, she turned into a real lady. She was dressed elegantly, with high spirits, light makeup on her facial features, and golden elegant high-heeled shoes, which made her whole person exude the dignity of the lady.

Tang Siyu stepped into the lobby step by step. In the reception hall, six front desk ladies were busy answering the phone to deal with the guests. Tang Siyu's figure attracted the guests in the nearby hall to look around, because she was beautiful enough.

"Hello! Who would you like to speak to? " The receptionist rose to receive her.

Tang Siyu laughed at himself. Sure enough, five years later, the people here have changed from one group to another. They don't know who she is anymore.

"My name is Tang Siyu. I come to see my father, Tang Xiong." Tang Siyu's eyes smile.

Six receptionists looked at it together. They only knew Tang Yiyi, the miss of Tang family. But they didn't expect another Miss Tang!

The front desk saw that she was very well dressed and had a different temperament. She asked with a dry smile, "Er! Are you really the daughter of president Tang? "

Chapter 129

"I'm the eldest miss of the Tang family. Do you have any questions?" Tang Siyu asked politely.

"No problem! I'll call to confirm. " The front desk dare not neglect.

"No, I'll call my father myself." Tang Siyu finished, went to the sofa next to her, she took out her cell phone to call her father.

"Siyu, what's the matter?" The voice of Tang Xiong asked gently.

"Dad, I'm in the lobby of the company. I'll send your assistant to pick me up. I want to have lunch with you at noon." Tang Siyu said to him.

"OK, I'll let Xiao Liu down."

After a while, Xiao Liu came to take her into the elevator and went straight to Tang Xiong's office. However, Tang Xiong was still in a meeting. As soon as Tang Siyu entered, Qiu Lin came in with resentment.

"Don Siyu, did you hit my daughter?" Qiu Lin is not polite to Tang Siyu when she carries Tang Xiong on her back.

Tang Siyu sat in her father's office. She stood up and looked at Qiu Lin, who was very angry. She sneered and said, "that's her fight."

"What's wrong with my daughter? It's up to me and your father to teach her a lesson. Why do you beat her?"

"Well, I'm her elder sister, too. Do I have a problem teaching her a lesson?" Tang Siyu raised his eyebrows and asked.

"You..."

"Isn't it? I'm the eldest miss of the Tang family. Don't think I'm not in this family, you'll forget that. " The rain line of Tang Si is cold and sharp.

Qiu Lin's chest immediately tightened. She didn't expect Tang Siyu to become domineering. Isn't she always the image of a good daughter, a soft persimmon?

"Yes, you are the eldest lady. But now the Tang family company is run by your father and me. If you don't play your piano well, what are you doing here?"

"Do you think I can only play the piano? I can do a lot of things, and this company has a stake in my mother. " Tang Siyu makes a cold voice to remind Qiu Lin not to forget her identity.

"What are you here for today? It's not just pretending to be a filial daughter and having dinner with your father! "

"Qiu Lin, I haven't forgiven you for interfering in my parents' marriage. You'd better take care of your daughter. If she dares to provoke me again, I won't let you get better in this family. I will fight for every inch of land." Tang Siyu coldly left this sentence.

Qiu Lin's face immediately changed. Tang Siyu's threat, she really dare not look down on it, because she still has a very important position in Tang Xiong's heart.

"Where did Yi offend you?" Qiu Lin had to ask, because that thing on the Internet only appeared in the morning, but it was deleted in two hours, she had no time to read it.

"Ask your daughter yourself! She'd better not mess with me, or I won't let her go. " Tang Siyu said with a calm face.

At this time, footsteps came from the outside of the door, and Qiu Lin's face expression of competing against the wind immediately turned into a fake fishy smile, "Yo, Siyu! Why is it so angry? I've taught her how to play Yiyi, so don't keep it in mind. "

Tang Siyu listened to the speed of her face change. She had already seen it. She always looked like a good stepmother in front of her father.

There's no bottom line.

At the door of the office, Tang Xiong heard her. He stepped in and saw Tang Siyu standing in front of the sofa, expressionless.

He looked at his daughter. "Siyu, are you here for that last time?"

"Dad, I just want to have dinner with you!" Tang Siyu chuckled and looked at his father's tired face, with a trace of aging.

It's not easy for her father to run the company.

"Siyu, don't mind if I join you!"

"Aunt Qiu, didn't you just say you were busy? Not together. " Tang Siyu said with an unhappy face.

"All right! You father and daughter go! I'm going to visit the jewelry store this afternoon. " When Qiu Lin finished, she left with a resentful look at Tang Siyu.

Tang Xiong is putting the document, but he doesn't see it.

Tang Xiong pressed the inside line and said to his assistant, "put off my lunch party and book me a restaurant with elegant environment. I will have dinner with my daughter."

Tang Siyu came to his father and took the initiative to pinch his shoulder. Tang Xiong immediately relaxed and enjoyed his daughter's filial piety. It's rare that in the past five years, she will be close to his father. He is very happy.

"Dad, next month is mother's day of sacrifice. I want to take Xiaoxi with me."

"Good! Take it! I believe your mother is underground and would like to see her grandson. " Tang Xiong said, turning to look at her and asked, "do you have enough money recently?"

Tang Siyu thought about it. She could ask for it from her father. However, it's not easy to earn every cent when she saw her father so lucky and hard to manage the company. She couldn't bear it. She laughed, "enough! Xiaoxi and I don't spend much! "

"That's because you have a good character since you were a child. You don't like dependence. You can't spend money without restraint, but you can't save too much. If you want to buy something, you have to buy it for him. We are not the ones who can't afford it."After that, he stood up and went to his safe. He took out a card and handed it to her. "Take this card, and I'll ask someone to call you 500000 at the beginning of each month! Count it as the cost of living for your mother and your son. "

"Dad! I really don't need it. " Tang Siyu pushes his hand.

"Take it, Dad's company is making money now, not short of money." Tang Xiong is determined to give it to her.

Tang Siyu had no choice but to go next. Tang Xiong prepared and went to a nearby restaurant with her.

In the restaurant, Tang Siyu told Tang Yiyi why he beat him last time. Tang Xiong was also very angry. He was disappointed with Tang Yiyi's education and character. However, because he was born by himself, Qiu Lin was on the same side to persuade him every time he educated, so that Tang Yiyi's character became coquettish and willful.

Tang Siyu conceals the things in the morning. If her father knows about it, she will ask. She doesn't know how to explain the deletion of the consequences, because it's definitely a big expense, which will lead to Xing liehan.

"According to this matter, I will educate her well in the future! You take Xiaoxi to live a good life. The education of children is the most important. "

"Well! I know. "

At this time, Qiu Lin called Tang Yiyi and asked her to have dinner together, because today, Tang Siyu's words really upset her.

Tang Siyu's warning, in her view, is not to say false, but this time her daughter really annoyed her.

Chapter 130

At the dinner table, Tang Yiyi said what she had done today. Qiu Lin didn't react, so she said angrily, "mufei must have helped her! She asked Murphy to delete it for her, otherwise, would she have this ability? "

Qiu Lin understood why Tang Siyu came to the company so angry today and warned her that her daughter had damaged her reputation! Although she is also in favor of her daughter to make her reputation stink, this is not the time.

"Yiyi, you are not allowed to do this in the future. Do you know that Tang Siyu went to the company today? She never came to the company before, but today, she not only came, but also challenged me to mention her mother's equity. Don't make her angry first. "

"Mom, what are you afraid of? You and dad are husband and wife. Most of the company is yours." Tang Yiyi doesn't think so.

"In a word, to teach Tang Siyu a lesson, there will be many days ahead. Don't worry about this moment, Murphy is also heartless to you. You should forget! You have to look in the long run, there are many better men than him. "

"There are so many! Do I know anything more handsome than Xing liehan? "

Qiu Lin's eyes suddenly brightened, "Xing liehan? Have you met him? "

"I I've seen it. It's strange that he lives opposite Tang Siyu. They are neighbors. It's cruel. " Tang Yiyi is so angry that he can't even eat.

"What? Are you sure it's Xing liehan, the eldest young master of Xing group? "

"Of course! Besides me, my two sisters also recognized him. This man is so handsome, just a little colder than Murphy

Qiu Lin's eyes flashed some calculations, "yes, your future husband must not be inferior to mufei. Xing liehan's appearance and financial resources are higher than mufei's. If you can marry a man like him, you will beat mufei's face."

"Mom, you mean..."

"Find a chance to approach the prince of Xing group and conquer him with your beauty!"

Tang Yiyi is biting her red lips. Although she is still reluctant to leave mufei, Xing liehan is undoubtedly better. After thinking for only a few seconds, she says confidently, "Mom, don't worry! As long as I have the chance to meet him, I will definitely be able to take him, no matter what method I use. "

"Recently, the mayor will hold an important business dinner party, and all the plutocrats in the city will send people to attend. It's mainly that the current CEO of the company, Xing liehan, and other men will be invited. Your father and I also have places. Then I'll take you, my daughter, and see your charm."

"Really? I I'll dress up for it! But what if Murphy is there? "

"You forget the man who is fraternal and unjust! If you become Xing liehan's woman, he doesn't care much about Murphy. " Qiu Lin sneered. Last time her daughter was divorced on the spot, her face was already hanging, and her resentment didn't go away.

"Well! I will take Xing liehan. " Tang Yiyi is in a good mood again, as if she said she would take it.

After eating with her father, Tang Siyu will return to the Tang family for dinner in the evening. Qiu Lin and his wife are most afraid of her position in the Tang family. Even if she is close to her father, it will also put pressure on the mother and daughter.

Tang Siyu spent the afternoon in the coffee shop near the company, and agreed to go home at night with her father. She said that she hurriedly gave Xiao Xi to Suxi for transportation. Although her father had some opinions, he didn't say much.

Tang Siyu is around three o'clock. She calls Xing liehan and tells him to pick up the little guy.

Xing liehan agreed on the phone, but before hanging up, he asked again, "really don't need me to accompany you back?"

Tang Siyu also very clear refused to drop, "no, I will come back earlier."

Tang Siyu hung up the phone and was relieved. She had to go back to Tang's house tonight to make Qiu Lin's mother and daughter feel pressure. Tang Yiyi was used to her own way, but Qiu Lin was a deep-seated person. Tang Siyu didn't make the house bloody. Her father was still the head of the family. She just wanted a quiet life. Don't mess with Tang Yiyi.

At about five o'clock in the afternoon, Tang Siyu and his father called and went back to Tang's house together. Tang Yiyi and Qiu Lin also came back later.

In the hall, Tang Yiyi looks at Tang Siyu who is sitting in the hall and is immediately stunned. Tang Siyu is dressed in an elegant dress, with long hair and soft hair. She has the temperament of a lady in her gentle temperament, which is the temperament that Tang Yiyi hates most.

Tang Siyu is more famous than her. This kind of feeling makes her super unhappy. In human body, temperament is not something that can be practiced, but emanates from the bone!

"What are you doing back here?" Tang Yiyi immediately snorted.

Tang Siyu stared at her coldly. "Do I need to report to you when I go back to my own home?"

"You..." Tang Yiyi was immediately silenced.

Seeing that her husband is not there, Qiu Lin must have been working in the study. She took her daughter's hand and said, "Yiyi, just say a few words. She will come back when she comes back! It's just cooking for one more person. ""Don Yiyi, I'm warning you that you'd better stop something like today!" Tang Siyu goes straight to Tang Yiyi and looks at the warning.

Tang Yiyi is about to go upstairs. She says with a smile around her arm, "why? Are you afraid? "

"What am I afraid of? If you dare, I can delete it. " Tang Siyu's expression of disapproval.

"Where do you come from? Did you find Murphy to delete it for you? Who else can you rely on besides him? " Tang Yiyi said with a sneer.

Tang Siyu raised his mouth. "Who can I depend on?"

Tang Yiyi 's heart was stabbed immediately. Indeed, Tang Siyu had Mu Fei, but she had nothing! This is the opposite of taunting her.

Tang Yiyi's face turned white with rage. He chopped his feet and said, "you..."

Seeing her daughter's quarrel failed, Qiu Lin had to say, "Tang Siyu, why do you bully me when you go home?"

"In the future, don Yiyi will use my room. Please be free. I will use that room." Tang Siyu says.

"What? Then I'm my room! It was mine five years ago. " Tang Yiyi immediately exhaled.

"You stole it from me five years ago. Now, you should give it back to me. My father and I asked for instructions. You are limited to move out your things by tomorrow afternoon. I want to use it." Tang Siyu speaks coldly. She must declare her sovereignty and status in this family.

Qiu Lin also felt a little panic. Is Tang Siyu planning to move back? This is not a good thing.
