Chapter 1211

LAN Qianchen sorted out the previous documents and said to them, "take a ten minute break and continue."

LAN Qianchen gets up and goes out. He goes to the elevator. Although it's only ten minutes, he also wants to go up to accompany Pei Yuehuang.

Pei Yuehuang sits on the sofa and remembers her requirements for the wedding. She is a perfect person, so she decides everything about the wedding.

"Is the meeting over?" Pei Yuehuang looked at the man coming up. She stood up with a smile, reached out and hugged him around the waist, hugging him sweetly.

LAN Qianchen lowered his head and kissed her on the forehead. "Well, I'd like to come up and see you after a ten minute break."

At this time, Xu Min knocked on the door and came in. As soon as she opened the door, she saw a couple hugging in the office.

She quickly shut the door, ah! As an assistant, she was really frightened every time she opened the door.

I'm afraid that I can bump into the two bosses' kiss me if I push away carelessly one day.

Moreover, Xu Min is about to forget how cold Pei Yuehuang was.

Because now her mind is full of Pei Yuehuang's gentle little woman's style and smile.

Is this the magic of love? This makes Xu Min have an impulse to love sweetly.

Xu Min was absent-minded and lost her mind. At a corner, she directly bumped a man. She bumped into each other's chest and her head was buzzing. She just wanted to say, who is so blind! But look up, Qu Hao's face is right in front of him.

Qu Hao is wearing a pair of gold glasses, which belongs to the elegant people in Sven. However, at the moment, Xu Min knows a little. It's clear that looking at the man in Sven, how can he have such a strong chest!

Is he working out? Is his body very hard? Xu Min's pretty face turned cold and red.

"All right!" Qu Hao asked with concern.

"What are you going to do!" Asked Xu Min at him.

"Send information to Mr. LAN." Qu Hao raised the folder in his hand.

"Shh..." Xu Min immediately hissed at him.

"What's the matter?" Qu Hao asked curiously.

"You can't go in now. Pei and LAN are showing their love! Don't disturb him. " Xu Min finished, a pair of big eyes flickering, secretly looking at Qu Hao's face, palpitating, probably also Pei Yuehuang's last words.

She noticed that Qu Hao, who had been working with her all the time, was really handsome. Moreover, he was a serious and responsible person, and his character was speechless.

Qu Hao was also stunned. He smiled. "I'll come back later."

"That Qu Hao, have you made a girlfriend? " Xu Min asked directly, today is stimulated, she wants to love.

Qu Hao turned around with a smile and raised his eyebrows. "What do you want to know about this?"

"Colleagues! Care for each other! " Xu Min still counseled, but her face was red.

Qu Hao is two years older than her, and her mind is more transparent. Looking at her face and her shining eyes, he can't help puckering his lips and seriously saying, "then I'll turn to Mr. Pei and ask if I can allow office romance."

After listening, Xu Min can't help but stay for a few seconds, and some of his reactions can't come back and say, "why do you ask?"

Qu Hao gave her a deep look. "You think of it yourself."

Finish saying, Qu Hao left, Xu Min stood in place half ring, finally, she wanted to understand, but the face is more red.

Is this Qu Hao's suggestion that he wants to associate with her? Xu Min's heart thumped directly, and instantly understood that love is really sweet and full of expectation!

After a while, she saw LAN Qianchen come out first. She couldn't help saying hello, "Mr. LAN, did you go to the meeting?"

"Well!" LAN Qianchen nodded and passed her.

Xu Min hurried to Pei Yuehuang's office, and she reached for the door.

Pei Yuehuang just knew that she had opened the door. She looked up and asked, "what's up?"

"Mr. Pei, I want to ask you, do you allow office romance to happen?" Actually, Xu Min just came in to ask her if she wants tea or coffee.

As soon as Pei Yuehuang listened, her mind was as sharp as hers, so she understood it directly.

"If it's from other departments, I won't allow it, but if it's your relationship with Qu Hao, I'll give you an extra grace and allow you to be together," she said with a smile

Xu Min immediately and shamefully bit the lip, "general manager Pei, how can you see through it at a glance!"

"I know quhao is interesting to you, and you take the chance. Quhao is a good man." Pei Yuehuang encouraged her.

Xu Min immediately and generously nodded, "I'll be sure."

LAN Qianchen steps out of the elevator. There are two minutes left. He is passing through a smoking corridor. He hears a conversation coming from inside.

"It's a pity that Mr. LAN is a son-in-law to the door, because he has a distinguished family background and is very young." "It's a pity. I heard that the old man of Pei's family is very stubborn. It's necessary for Mr. Pei's future husband to go to Pei's family. Otherwise, he doesn't trust to hand over the whole Pei group."

"No, Pei family also hopes that their family industry will not fall into the hands of an outsider."

"Ah! It seems that blue always decided to back in. It's hard for him to think so. "

Blue thousand Chen's eyes slightly startled, on Huang's husband must do door-to-door son-in-law? Why didn't Yuehuang mention this to him?

LAN Qianchen squints. Is Yuehuang deliberately concealing him? Pei Yuehuang's heart at the moment, even if he heard the news, he was not angry.

He is just worried. Why is Yuehuang hiding him? Is it because she is afraid? When she says it, he will be angry? Or will you choose to leave?

Blue thousand Chen to pass by Qu Hao way, "push this meeting to hold tomorrow."

Finish saying, blue thousand Chen press to open elevator, entered again.

Pei Yuehuang is drinking a cup of tea made by Xu min. when she hears the sound of pushing the door, she looks up and sees that LAN Qianchen, who is going to the meeting, is back again. "What's the matter? Is it over so soon? " Pei Yuehuang asked curiously.

"Do you have something to hide from me?" Blue thousand Chen sits to her side, one face serious ask.

Pei Yuehuang can't help being stunned. She blinked and laughed, "is there anything I'm hiding from you? How can I not know? "

"Yue Huang, you can tell me that even if you tell me, I will not object to it, and I will not be angry or leave you." LAN Qianchen thought she was hiding it on purpose.

Pei Yuehuang was really puzzled. She looked at him seriously and said, "what's the matter? You can really answer it. I can't guess."

"I'd like to be your son-in-law." LAN Qianchen answered her directly.

Now, let Pei Yuehuang stay. Where did he suddenly hear about this? She didn't remember mentioning it to him!

"You How do you know about it? " Pei Yuehuang asked.

LAN Qianchen sighs in his heart. Did it really happen?

"Are you afraid to tell me that I will be angry?" LAN Qianchen reaches for her hand.

It's really something peiyuehuang has been struggling with for a long time before, but now, grandpa has figured it out, and she doesn't have any pressure, let alone think about it.

"Yes, my grandfather did hope that my future husband could be a son-in-law, but now he has given up the idea." Pei Yuehuang explained earnestly.

"Why?" LAN Qianchen is a little surprised.

"Because last time I lay down in the hospital, you took good care of me and let my grandfather know that even without this condition, they were very relieved to give me to you." Pei Yuehuang looked at him with a happy smile, "because you successfully let my grandfather put this idea out, so I didn't mention it, because there is no such requirement."

Blue thousand Chen heart warm, Pei family because he cancels this decision, proved that they also completely accepted him as their own person.

"I thought you were lying to me, afraid to tell me!" Blue thousand Chen smiled.

Pei Yuehuang nodded, "yes, my grandfather was very firm. At that time, I didn't dare to approach you, because of this condition, you would be scared away."

LAN Qianchen seriously shakes his head to refute, stares at her, and seriously says, "I won't, even if there is still this condition, I will completely accept that I only want you, only you in my life."

Chapter 1212

In these two days, Bai Xia and Xing Yifan have completely finalized the wedding planning plan. In the next time, Bai Xia just needs to wait to be her beautiful bride.

This morning, Bai Xia and Xing Yifan are going to Xing's house to meet Xing Yutian's children. Last night, they got a call from the little guy. She still remembers coming to their home on Saturday.

Xingzhai.

Xing liehan and Tang Siyu are also relieved to give their daughter to them. Their parents accompany their son to play basketball. They decide to go out for a romantic break.

Since the birth of their daughter, they have rarely left their daughter, alone to relax the time.

Bai Xia led Xing Yutian and waved with his elder brother and sister-in-law behind him, "elder brother and sister-in-law, don't worry about giving it to us! We will take good care of Yutian. "

"Of course, we are very relieved, but we are not assured that it is this little girl." Tang Siyu said, bent down to his daughter and said, "be obedient, you know? No trouble. "

"I know, Mommy!" I can't wait to go to my uncle's house.

Xing Yifan sits in the driver's seat, Bai Xia takes xiaoyutian to sit in the back seat, and has installed a stable children's chair. Bai Xia ties up the little guy's seat belt and starts.

Seeing his younger brother's car away, Xing liehan's arm fell quietly on Tang Siyu's slender waist. Suddenly, he said, "do you want to have another child to play?"

Tang Siyu immediately turned his head and said, "no!"

Xing liehan takes his wife's hand and looks at her with a smile. "OK, if you don't give birth, you won't give birth."

Tang Siyu didn't give birth, but she thought that one son and one daughter would be enough. She held his hand and said, "next, where to play?"

"I'll accompany you wherever you want to go." After Xing liehan finished, he leaned down and said, "but I booked a presidential suite at the Tianzun to Xi hotel. We can go there in the afternoon."

His low and dumb voice line is obviously suggestive. Tang Siyu looks at him speechless.

This man still doesn't change his evil side. But these years, he has been taught to be a man again by his daughter. He has no friends, no private life and almost no social circle. Isn't that a punishment for him?

"Wife..." There was a hint of entreaty in Xing liehan's tone. "How many days have you had in mind?"

These two days, her daughter has been sleeping with them, and Bai Xia is willing to take her daughter with her. As long as she is tired, her daughter will let her sleep perfectly.

But the man around him is in a hurry. It's not easy to send his baby daughter away. His heart begins to float again.

Tang Siyu was made to laugh by his words. She looked up around the man's waist and looked at this handsome face. She was very kind. "OK, I'll go shopping at noon and go back to the hotel in the afternoon."

Xing liehan immediately happily hugged her. "OK, yes, my wife."

Tang Siyu's side face has been kissed by a man and led to his car.

In Xing Yifan's car, Xing Yutian sang songs along the way, which were some new English songs she had learned, the voice of milk and milk, which amused Xing Yifan and Bai Xia, but they had to dare not laugh, otherwise, they would disappoint the little princess.

She must have thought about the lyrics so seriously, and even sang the wrong tune, plus the Chinese and English also randomly switch, so cute that Bai Xia could not help but steal a kiss.

Finally, we arrived at Xing Yifan's villa. The little guy was trapped in the safety chair all the way. He jumped and jumped as soon as he came down. Bai Xia led her to the stage and entered the hall.

"Meow..." There was a little cat's excited voice.

"Hairy." Xing Yutian immediately happily hugs the little white cat who pours at her.

Xing Yifan came in and asked the little guy, "do you want to drink water? What would you like to eat? "

"I want to play with my aunt." Xing Yutian comes over and reaches for Bai Xia's hand.

This can make Xing Yifan sad. He said to Bai Xia, "with you, my uncle will be ignored."

Bai Xia chuckled and led the little guy. "Let's go upstairs. I've prepared some presents for you."

"Well!" Now the little guy only sticks to Bai Xia. Xing Yifan has a look at the time. It's already eleven o'clock. He says to a pair of beautiful people upstairs, "I'll prepare lunch first."

Bai Xia said with a smile, "OK, let's get down later."

"Well! Go! " Xing Yifan's job today is to make lunch and dinner for the two princesses, one big and one small.

Bai Xia brought the little guy into her work room. She bought a lot of paintbrushes. She used them by herself and children's, but she broke the little guy's joy. Her big eyes were rolling. She wanted to draw this one and that one.

Bai Xia looks at the little guy drawing a shape on the drawing board at will. The little guy is still very disappointed with his painting skills, because in front of Bai Xia, she feels that she has done so badly!

"It's OK. Let's change it, shall we?" Bai Xia smiled and stroked her little head. She picked up the pen and began to sketch. She immediately changed her graffiti into a cute kitten."What a wonderful aunt!" The little guy immediately clapped his hands happily and took a kiss on her face.

After Baixia finished painting, she asked her to help paint the color together. The little guy painted it carefully. A cute kitten came out. Beside, Baixia drew some flowers and plants to set off, which was very picturesque.

In the kitchen, Xing Yifan carefully cuts vegetables, washes fresh shrimps and skillfully handles the shrimps line. These are all nutritious meals for the little guy.

On the second floor, Bai Xia and the little guy also played together.

Pei group, one morning, LAN Qianchen went to see the customer, Pei Yuehuang was working in the office, she wrote the email carefully, looked at the time of the bowl watch, she could not help but hold her chin, and found that she had no idea about her work.

Now after a while think blue thousand Chen, after a while think, tomorrow morning just separated ah! Pei Yuehuang is a little helpless and funny. Is she in love? She can't help thinking. LAN Qianchen sees this client. She is always accompanied by several young, beautiful and long legged female assistants. Moreover, those female assistants look uneasy.

In case that any girl stealthily attracts her husband while she is away, just think about it, Pei Yuehuang feels a sense of jealousy brewing in her chest, she gathers her long hair, bites her red lips and gets angry.

I knew long ago that I should not let LAN Qianchen talk about cooperation. This kind of occasion should be her past.

Now, her heart is so small that other women look at blue Qianchen more often, and she thinks those girls' goals are impure.

Pei Yuehuang picked up her mobile phone, and the screen image was the last photo taken by LAN Qianchen. Her red lips curved sweetly and appreciated the photo.

After enjoying it, she took her mobile phone and tried to dial the number of LAN Qianchen to find out where he was.

However, just to get through, she hesitated again. She didn't want to be a woman who would follow her boyfriend at any time. She would give LAN Qianchen enough personal time.

Pei Yuehuang bears it. She holds her chin and flips the email.

The elevator door of the general office is jingling to open. There is only a white shirt with a dark tie, which is perfectly matched with a dark suit, showing a charming body line.

Blue thousand Chen steps out, the long legs are elegant and charming, as if in this period of time, he has stepped into the ranks of men from a big boy, with a calm breath all over his body, and even an ascetic flavor.

But at the same time, he still has a young and handsome face that makes women attractive. In blue Qianchen's hand, holding a bunch of bright roses, men and flowers, it has become a picture that makes people think and move.

He was just about to walk to Pei Yuehuang's office door. Xu Min was about to come out to deliver the documents. She looked at the flowers in LAN Qianchen's hand. She was immediately surprised and wanted to say something.

Blue thousand Chen immediately made a hiss action toward her, his thin lips raised a smile, motioned to Xu Min not to disturb the women inside.

Xu Min immediately understood, hurriedly covered his mouth, and was happy for the boss who was about to receive the flowers.

LAN Qianchen stood at the door. He reached out and knocked, only to hear Pei Yuehuang's voice coming from inside.

She must think that Xu Min, so the voice line is very calm.

The door opened, and blue Qianchen hid the flowers behind him. He stepped in.

Chapter 1213

Pei Yuehuang looked up. When she saw the man coming in, her eyes immediately flashed with child like surprise and excitement. She stood up and asked with a gentle smile, "I'm back."

Blue thousand Chen's back firmly to hide behind the flowers, he hook lips a smile, "to you with a small gift, guess what is."

Gift is a kind of thing for a woman, regardless of size or age. As long as she hears the gift, she immediately feels full of expectation, happy and sweet in her heart. Pei Yuehuang is really happy to smile. She squints her eyes and seriously guesses. However, she really doesn't know what he's sending.

"An opportunity, guess wrong to punish." Blue thousand Chen hook lips to smile some evil spirit.

Pei Yuehuang is secretly happy. OK! She just likes to be punished by him! Then guess wrong on purpose!

After pretending to think hard, Pei Yuehuang replied, "I think it's my favorite key chain."

"Blue thousand Chen chuckles," that is to punish

With that, he held out a bunch of red roses which had just been airlifted from abroad. The dew on them was still fresh.

Pei Yuehuang's eyes immediately gaped, the surprise doubled, rose red? One of her favorite flowers.

"You How do you buy flowers! " Pei Yuehuang was too happy to ask.

Blue thousand Chen hands to her bosom, squinting Mou way, "as long as you like, every day after you send."

"No! I like such a surprise. It's not a surprise to give it every day. " Pei Yuehuang raised her head and said that she liked the little surprise he suddenly sent.

Blue thousand Chen looked at her happy to be like a little girl, leaned over and smelled, eyebrows and eyes were delicate and gentle, which made him think of his punishment.

"Guess wrong, how do you say to punish?" LAN Qianchen asked her in a low voice.

Pei Yuehuang looks at him proudly with her head askew. "You can do whatever you like! I'm willing to lose. "

"Then I will punish you for being around me all my life, happy and happy." Blue thousand Chen side says, buckle at the back of her head spoon at the same time, thin lip was burned on her red lip. Pei Yuehuang nodded, "OK, I'll take the punishment."

Pei Yuehuang holds the flower and sits on the sofa, but he doesn't think it's enough. Blue Qianchen can't help but sit down beside him. He blows up a wisp of ink hair on his forehead and looks at the flower jealously. "I knew I wouldn't buy it."

Pei Yuehuang couldn't help turning to look at him, "why! I love it! "

Blue thousand Chen can't help but lean over, the eye contains envy way, "yes, because you like it too much, so, you only look at it, don't look at me."

Pei Yuehuang, "..."

What's the reason! He is jealous of flowers! Pei Yuehuang can't help comforting her husband. She moves to his side, reaches out her hand and hooks his neck. "Don't worry, you are irreplaceable in my heart."

Blue thousand Chen lowers his head, is about to kiss down, outside the door came a knock, two people can't help but look at each other and smile.

It seems that this kind of thing should be done at home.

Pei Yuehuang replied, "come in."

Xu Min came in with a pile of important documents. Although he saw the two bosses sitting open, Xu Min heard a smell of love in the air, which made her cry secretly. She shouldn't have disturbed the good things of the two bosses just now!

Xu Min's sixth sense is true.

"Mr. Pei, Mr. LAN, I'll put these materials here! I'll go out first. "

With that, Xu Min is trying to escape. Pei Yuehuang can't help but stop her and say, "wait a minute."

"Er! Does Pei always have any orders? "

"I have an important document. I need someone to go to city B for me. In the afternoon, you can book a ticket and go with Qu Hao! "Pei Yuehuang's eyes obviously have some intentional smile.

Xu Min was surprised and pleased, but also blushed with shame. "A piece of information, do you need two people together?"

"Of course! I said it's very important, so Qu Hao is going to be your bodyguard. Besides, the hotel I often stay in, swipe my card and stay in the presidential suite! "

Xu Min's eyes are moving to tears. "Thank you, Mr. Pei."

"I will inform Qu Hao to take good care of you." Pei Yuehuang said with a smile, "book a ticket! First class, come back and pay for everything. "

Xu Min was almost moved to tears by her boss. She went out.

Blue thousand Chen is to hear cat tired, he smiled, "Xu Min and Qu hao?"

"They are interested in each other, but they are short of time to express their love. If I want to arrange so, I hope they can seize the opportunity." Pei Yuehuang said, looking at him, "when I'm with you, I hope all the people around me can make up for the sweetness of love."

LAN Qianchen is also honored to be able to give her such an idea. He holds her shoulder and presses her into his arms. "They will definitely thank you."

"What I can help, I've already helped. It's up to them." Pei Yuehuang is comfortable in his arms. In his arms, it is the most reassuring time for her. Zhao's group and Zhao Dongzheng are dealing with his work. Recently, because of some things, his work is a little difficult, even the capital chain has problems.

His assistant came in with a magazine. At the top of the magazine is a business magazine, which Zhao Dong usually likes to read. Because here, he can better understand the way of success of those successful people.

Zhao Dong is upset at the moment! He needs to be stimulated. He doesn't even read the materials. He picks up the magazine and starts to look at it. However, when he turns to the third page, his eyes immediately open, and he can't believe looking at the man in the picture. His breath is smothering.

"How is he?" Zhao Dong's eyes immediately stare at the photo of blue Qianchen in the magazine, shocked.

After reading the experience of LAN Qianchen and his family, Zhao Dong was immediately nervous.

He knows that LAN Qianchen is not an ordinary man. At least he has some family background. However, he didn't expect that LAN Qianchen would be the second young master of LAN's group and the brother of LAN Qianhao.

And he has always suspected that he is a man relying on his figure and appearance because of his age. At this moment, after reading his achievements, Zhao Dong feels a crisis behind him.

LAN Qianchen turned out to be a lawyer, and he was also the top lawyer who broke the international financial case. Suddenly, Zhao Dong thought that he said something bad to him last time, if LAN Qianchen had a deep hatred in his heart.

So, is he already working on his company? His company has a lot of problems recently. If LAN Qianchen finds out, he will surely go bankrupt.

Last time Pei Yuehuang was also very angry. Zhao Dong could not help biting his teeth. When blue Qianchen and Pei Yuehuang were combined, the strength was not that he could resist.

Zhao Dong certainly has no courage to deal with LAN Qianchen and Pei Yuehuang, but he has a lot of ghost ideas. He thinks that the best way to deal with LAN Qianchen and Pei Yuehuang is.

It should be to let their feelings go wrong. Once Pei Yuehuang hates LAN Qianchen, then Pei Yuehuang's ruthlessness will not make LAN Qianchen feel better.

At that time, he didn't have to worry about the company being dealt with, or he could sit and watch a good show. Zhao Dong's eyes were fixed on the blue Qianchen on the screen. He was really jealous. Such a young man had so many achievements. Moreover, he didn't need to rely on anyone to live to a height that no one else could reach.

Zhao Dong lenghum, the existence of Pei Yuehuang is the same as the goddess. It's not easy for the men around to have a little thought. Moreover, Pei Yuehuang is older than LAN Qianchen and must be very sensitive.

Zhao Dong is biting his teeth, his eyes are full of hatred and calculation.

Can let Pei Yuehuang such woman angry, she does not lack money, does not lack potential, but she certainly lacks the sense of security.

If I let LAN Qianchen pretend to be unfaithful, I don't know how much revenge a woman like Pei Yuehuang will have.

Zhao Dong began to operate with a stomach of bad water. He took a look at the blue thousand Chen in the magazine, and the more he wanted to break up the pair.

After chasing Pei Yuehuang for so long, all his moves were exhausted. Even for her, he spent several years without touching a woman, but in the end, he didn't even have a good eye for her, and the man stabbed him horizontally and kicked him.

Moreover, on the wine table that day, Pei Yuehuang looked at LAN Qianchen, that kind of love, that kind of tenderness, even if he was willing to die for her, could not change a kind of look!

This hatred of taking love also counts on LAN Qianchen. Moreover, he also hates peiyuehuang. He didn't give him a chance. He threatened to warn him last time.

Chapter 1214

At lunch time, Bai Xia led Xing Yutian's little friend downstairs. As soon as he came down the stairs, he smelled a smell of rice. The little guy's eyes brightened, "uncle made delicious rice!"

Bai Xia replied with a smile, "yes! His cooking is very good. "

"Auntie, you must love my uncle!" Xing Yutian said with a smile.

Bai Xia is funny. Does such a small guy know what love is? She seriously bent down to look at the little guy and said, "Oh! How do you know? "

"Because my father loves my mommy very much. He cooks for my mommy every day! He said The little guy couldn't help squinting his big watery eyes, as if thinking about what daddy said.

Bai Xia smiled and waited for the little guy to say it. The little guy's eyes brightened immediately and said with a smile, "my daddy said that if he loves my mommy, he will cook a cup of rice for her."

"A cup? Is it a lifetime? " Bai Xia corrected with a smile.

"Well! My dad said it. " Xing Yutian nodded.

Bai Xia reached out and stroked her little head. "I can see that your father loves your mother very much."

"My uncle will love you all his life," he said, looking up

Bai Xia can't help being moved. She leans down and kisses her little head! Thank you for xiaoyutian's blessing. "

Xing Yifan has cooked four dishes and one soup. She goes to wash her hands with Bai Xia.

"Come on, sit here!" Xing Yifan removes a chair and lets the little guy sit on it.

Bai Xia is passing by Xing Yifan. His healthy arm naturally hugs her waist. Bai Xia can't help but push his hand secretly. Xing Yifan certainly won't let the little guy see it.

It's just that I haven't seen him in the morning. He has itched a little. But now Bai Xia is in front of the little guy, and he has no idea.

"Come on, Yutian eats this. My uncle specially made it for you. There is no pepper!" Xing Yifan put broccoli in her bowl.

The little guy took the spoon, went to the shrimp dish beside him, shook his head and refused, "I don't eat this."

Xing Yifan looked at his niece's fleshy face and coaxed, "we can't eat meat all the time, but we have to eat some vegetables, which are nutritious!"

The little guy shakes his head, but he doesn't want to eat. She doesn't want to eat vegetables, but it's a headache for the Xing family! The little guy prefers meat, so he is also a small body with thick meat.

Because the family has genes, it's not very fat. It's white, tender and tender. Compared with children of the same age, it's a few Jin heavier.

The little guy specializes in eating shrimp. In the nearby bowl, Bai Xia holds a bowl of soup for her and selects two chicken legs for her. The little guy has a good time.

Xing Yifan tried to persuade the little guy to eat some vegetables several times, but Bai Xia came out and let the little guy eat some cabbage. However, she preferred big chicken legs.

Bai Xia is also the first time to have dinner with her children. She thinks it's too cute. And Xing Yutian is a little girl who is slightly fat, with a beautiful little face. She's very popular.

After dinner, Bai Xia led the little guy out of the yard to feed the cat. The little guy happily went to hold the cat several times. However, because the way she held the cat was too rude, the two kittens hid after eating, far away from her little devil.

The little guy is still very happy. It's April Spring. The garden is full of early spring flowers. Butterflies are flying and bees are surging. Xing Yifan takes her with him to catch butterflies. Bai Xia takes photos nearby.

From Xing Yifan's image of patiently taking her children, Bai Xia imagines the picture after they have a baby, which makes her really want to have a baby immediately and grow up with Xing Yifan.

At six o'clock in the evening, Xing Yifan began to cook dinner again. Bai Xia took the little guy upstairs to make crafts. In an instant, it was eight o'clock.

Jiang Lan's phone went into Xing Yifan's cell phone and asked when he would send his granddaughter back.

Xing Yifan promised to send it back immediately.

When Bai Xia tidies up the gifts for the little guy again, the little guy feels that she is going home. She is not happy at once. She sits on the sofa, with her head hanging down, silent.

"Yutian? What's the matter? " Bai Xia is sitting beside the little guy.

"I don't want to go home. I want to stay at your house tonight, OK?" Asked the little guy with a flat mouth.

This Bai Xia really can't make a decision, because her mother-in-law won't be sure if she doesn't know, but she's afraid that she can't take care of her.

At this time, Xing Yifan sat beside the little guy and coaxed, "uncle will pick you up next Saturday."

"No!" The little guy immediately turned his face angrily.

Xing Yifan naturally didn't have to send her back, so he said, "OK, I'll call your parents to see if they want to leave you here."

Listen to can stay, the little guy immediately happily hugged Bai Xia, "I want to sleep with my aunt."

"Good! Then we'll sleep in the guest room together. " Bai Xia also hopes that the little guy can stay.

Xing Yifan is speechless. Is he alone?Xing Yifan comes downstairs with his mobile phone to call brother, and Xing liehan is ready to call him at that end.

"I've just called my mother, so don't send it. I'll come to pick her up with your sister-in-law."

"Brother, are you coming?"

"Well! It's on the way. I'll be at your house in ten minutes. "

"It's just that the little guy won't go back. If you come, maybe she will go back." Xing Yifan breathed a sigh of relief.

Ten minutes later, outside Xing Yifan's villa, a black car drove in. Under the dim lights of the courtyard, Xing liehan's tall and straight figure stepped down. On the passenger seat, Tang Siyu dressed in an elegant skirt, with long hair draped over his shoulder at will, a kind of Goddess style naturally revealed.

As a pianist, she exudes a combination of fashion and art. This clean and elegant demeanor is often beyond the reach of men.

Xing liehan stood beside her body. Her divine aura matched her goddess like temperament, and she had a couple like appearance.

Xing Yifan came out and called out, "brother, sister-in-law, here you are."

"What about Yutian?" Asked Xing lie with a smile.

"Sulking upstairs, she wants to stay tonight."

"I've been bothering you all day. How's that?" Tang Siyu smiles, what is her daughter's character? She is very clear, so she will come to pick her up with her husband in person.

I'm afraid that she's having a good time and doesn't want to go back at night.

Xing liehan smiled at his wife and said, "go and have a look."

When the little guy heard that daddy and Mommy were coming to pick her up, he was really angry. She knew that when daddy and Mommy came, she would not stay.

Bai Xia is still coaxing her. The little guy has a little mouth and can hang a bucket.

Hearing the footsteps coming from the stairs, the little guy jumped up from the sofa and hurriedly got under the side table to hide.

Bai Xia held back the smile and said hello to a couple who were looking back. "Big brother, big sister."

Tang Siyu nodded and smiled, "Xiao Xia, you've worked hard." Then she leaned down and knew that her daughter was hiding under the table. She squatted down and said to the little guy, "Yutian, come out, let's go home!"

"No! I want to sleep with my aunt. I want to live in my uncle's house. " Little guy protested.

Xing liehan sits on the sofa beside the little guy, reaches out and pulls her out. The little guy is in daddy's arms, tears come out immediately, and his little face is tightly buried in his arms.

"Well, you've been playing here for a day, and you've had enough. It's time to go back. Grandparents and brothers are waiting for you!"

"But I want to live here!" The little guy has a flat mouth.

"Aunts and uncles are going to prepare for the wedding. You will disturb them here. Don't you have a small wedding dress, too? If you disturb them, then you can't wear a wedding dress to their wedding. " Xing liehan coaxes patiently.

As soon as the little guy heard it, his eyes panicked. "I want to wear it."

"If you want, let's not disturb our aunts and uncles, and invite them home for dinner next week." Xing liehan reached out to wipe the tears from the corner of the little guy's eyes and kissed her little head lovingly.

The little guy was immediately coaxed. She nodded her head obediently, "OK!"

Xing liehan picks her up and says to Xing Yifan and Bai Xia, "let's go back first."

"OK, slow down." Xing Yifan replied.

Tang Siyu also reached out and stroked the little guy's long hair. She knew that she really had a little lover in her last life, because her husband could coax him every time!

But she cannot coax three words, will be angry by the daughter to rise.

Chapter 1215

At the door, Xing Yifan and Bai xiamu take Xing liehan's car away. Xing Yifan and Bai Xia look at each other. Bai Xia says with a smile, "your eldest brother is very kind to Yutian."

"Of course, my brother's sweetheart!" Xing Yifan said, hugging Bai Xia, "how about we have a daughter?"

Bai Xia nodded, "OK! When will it be born? "

When Xing Yifan saw that she really agreed, he put his arms around her and said, "you are not afraid to have a daughter and compete with you for favor?"

Bai Xia chuckled, "I'm not afraid. I can have a good rest just now. Take care of the children with all your energy."

As a husband, Xing Yifan understood this sentence immediately. He couldn't help kissing her, "I'll let you beg for mercy tonight."

Bai Xia hurriedly turns around and runs back to the hall. Xing Yifan comes in, and the two chase in the corridor like children. Bai Xia runs to the third floor in one breath. Just when he wants to hide in a guest room, the man pushes the door in.

Bai Xia doesn't have to wait for tonight, she pleads for mercy.

In the late night club, Zhao Dong is sitting on the sofa. He doesn't come here to have fun as usual. In front of him, there are a row of girls standing in front of him. They are all the most beautiful girls here.

He stared at the girls carefully one by one, and they were all embarrassed by him.

"Look up, let me have a good look." Zhao Dong's eyes are strict again and again. Finally, he points to one of the tall and slender girls and says, "you come out."

The girl immediately took a step confidently. Compared with the girls here, she has a pure breath and looks the most beautiful.

Zhao Dong stood up, turned around to the girl, nodded contentedly,

it was just her. Although it could not be compared with PEI Yuehuang's goddess temperament, there was a kind of attractive atmosphere in the girl.

He wants to use her to approach LAN Qianchen, and then, by the way, leave some evidence on LAN Qianchen, causing Pei Yuehuang's misunderstanding.

That night, Zhao Dong brought the girl out. He took her to choose some professional uniforms because he wanted to arrange her to approach blue Qianchen.

This girl's name is Yang Tiantian. He will call the person LAN Qianchen met recently and arrange her in.

Zhao Dong has been pursuing peiyuehuang for many years, but he didn't get any benefits. However, he knows something about peiyuehuang, so this time, he can come here with preparation.

Zhao Dong is also in a hurry to finish the task, because his company is more and more difficult to resist, and soon he will cut two projects, which makes him worry that Pei Yuehuang really has to start with his company.

Early morning.

Pei Yuehuang wakes up naturally when she sleeps. Recently, her biological clock is not allowed. Because blue Qianchen makes her lazy, she doesn't have to go to the company in the morning.

Pei Yuehuang woke up at 8:30. After washing, she picked up a long white T-shirt and put it on the back of her head. Her hair was soft and shiny. She had a pure and sweet smell.

But once she made up, she became very powerful.

Blue thousand Chen is making breakfast in the kitchen, a white shirt, black trousers, will show the temperament of this man.

It's Pei Yuehuang who doesn't look enough. She smiles and circles around his waist. Her cheek is lazily pasted on his shoulder. "Why don't you wake me up?"

"I want you to sleep more." LAN Qianchen smiles and turns to kiss in her hair.

"You can't do that. You make me so sleepy. How can I work in the future?" Pei Yuehuang complains.

Blue thousand Chen turns around, a pair of star eyes smile, "have me!"

Pei Yuehuang kissed him on his thin lips with a smile

"Have breakfast! Don't go to the company too early today. "

Pei Yuehuang releases him, takes the milk that blue Qianchen delivers to her in front of her, drinks while coming out.

"Today, I have to meet with people from global exchange to discuss the quarterly plan. Would you like to go with me?" LAN Qianchen comes out with two breakfast.

Pei Yuehuang narrowed her eyes, her mind was exquisite and clear, she smiled, "it's enough to have you, I won't go."

Even if LAN Qianchen doesn't think much about it, she should trust him with the company's important projects. If she goes together, she will show that she is not confident enough?

Therefore, Pei Yuehuang is also carefully maintaining all the places that can protect him.

"Then I'll come back after the conversation and make an appointment for lunch at noon." Blue thousand Chen looks at her tenderly.

Pei Yuehuang nodded, "well, I'll wait for you to come back."

After dinner, two people set out to the company together. LAN Qianchen sent peiyuehuang to the door of the company, and he went to another customer's company alone.

A gray car is following blue Qianchen's sports car. In the gray car, Zhao Dong is under his command.

At the moment, he is reporting, "Mr. Zhao, I've caught up with LAN Qianchen's car. He should go to the headquarters of universal exchange company."

"Good. Keep up." Zhao Dong orders at that end. It's just that Zhao Dong has heard about LAN Qianchen these two days. He is talking business with the boss of global exchange group. At this moment, he is already in the nearby coffee shop, waiting for LAN Qianchen with Yang Tiantian.

Zhao Dong knows that it's impossible to hook LAN Qianchen, so he can only make some misunderstandings, such as taking photos, or letting Yang Tiantian make some scheming, leaving evidence on LAN Qianchen and making Pei Yuehuang misunderstand.

"Sweetie, I'll do as I say in a moment, take out your skills, and carry out our plan well."

"Knowing Mr. Zhao, I will not let you down." Yang Tiantian's hair is long, and she is very confident.

Zhao Dong is also very satisfied with today's Yang Tiantian. He has completely built her into a beautiful and temperament white-collar woman in the company.

Zhao Dong goes to make a phone call. Yang Tiantian can't help picking up the magazine next to her and turns to the third page. Looking at the man she wants to attract today, her heart beats wildly.

Even she is really looking forward to a spark with LAN Qianchen. If she can get his phone number in a collision, she will have a chance in the future.

Yang Tiantian bit her red lips and looked forward to it. She took out a small mirror from the bag beside her and carefully checked her makeup to make sure that she was in the best condition today.

Zhao Dong gets through the phone. He follows LAN Qianchen's sports car. It's almost there. Zhao Dong immediately gets up with Yang Tiantian and heads for the building of global exchange headquarters.

He happened to know a manager here. He said that he could easily enter as a client by looking for the manager.

He took Yang Tiantian to an area where the meeting was held. He sat here and waited. Yang Tiantian stared at the direction of the elevator and waited for blue Qianchen to appear.

In the hall of universal exchange headquarters, LAN Qianchen has arrived. He said the appointment time at the front desk. The front desk lady immediately led him to the direction of the elevator.

Behind him a middle-aged man called Zhao Dong. "Mr. Zhao, LAN Qianchen has been led up by the front desk."

"OK, you wait here. I'll contact you if there's anything." After Zhao Dong hung up the phone, he said to Yang Tiantian on the sofa, "he's up. I'll see you later."

"Don't worry! I'm ready. " Yang Tiantian raised a confident and sweet smile.

Zhao Dong immediately found a less obvious position. He took out his mobile phone, turned on the shooting function, and waited for a while to capture the picture of Yang Tiantian and LAN Qianchen colliding.

Yang Tiantian is biting her red lips. She holds a document, as if waiting for someone to present it to. At this moment, she hears the direction of the elevator door, and there is a jingle.

She immediately stood up, drooping her eyes, as if thinking of something, her eyes Piao to blue thousand Chen alone toward this side.

The receptionist took him off the elevator and went down with it.

Yang Tiantian's heart was beating wildly. She took a deep breath and hit her head in the direction of blue Qianchen.

Blue thousand Chen is looking at the front, looking at the girl who is about to bump into, he immediately goes to the side to hide.

"Ouch..." Hearing only one painful sound, Yang Tiantian's body immediately leans towards blue Qianchen's side.

As a man, LAN Qianchen instinctively reaches for Yang Tiantian's hand and straightens her up.
"Are you OK, miss?"

"I I'm dizzy! " After that, Yang sweetly went to his arms and took a chance to touch the collar of his hand to the blue thousand Chen's collar. At the same time, she pulled down a few deep red hair in blue thousand Chen to play a suit.

LAN Qianchen finds out that the girl is approaching on purpose, and he immediately steps back.
"Miss, if you are not feeling well, go to see a doctor!"

Then he let go and turned away.

Yang Tiantian looked at his tall and charming back, and immediately lost his mind.

But her task has been completed.

Chapter 1216

During the communication between LAN Qianchen and Yang Tiantian, Zhao Dong hid behind a nearby post and snapped a few pictures with her mobile phone. It was Yang Tiantian who deliberately grabbed his shoulder and half hung them in his arms.

Sometimes the static photos can deceive the eyes very much. Once the static photos are presented, they seem to be nothing.

While Zhao Dong watched LAN Qianchen leave, he bowed his head and looked at the photos he had just taken. Zhao Dong was very satisfied and raised his lips. He was a little proud. Of course, he would not only do this thing in front of him. He wanted to play a play, and it was still a play with color.

He is not in a hurry to give these photos to Pei Yuehuang now. He puts away his mobile phone, and Yang Tiantian immediately comes over and whispers, "Mr. Zhao, how am I doing?"

"it's okay. Has perfume and hair been sent to him?"

"Well! Perfume is on his coat, and his hair is in the middle of his suit. If his girlfriend is close, he will find it. Yang Tiantian tells the truth.

"OK, let's go! Let's meet again. " Zhao Dong finished, he took the lead in the direction of the elevator, and Yang Tiantian looked back several times. It was clear that blue Qianchen was not in the corridor, but her heart was still on blue Qianchen.

Just now, when he was near him, her heart beat faster with the sharp masculine smell. The men she met in the wine field were all people who were not afraid of alcohol and tobacco. They smelled of copper, let alone other unpleasant smells.

However, the approach of that moment just now makes Yang Tiantian's desire for men have new expectations immediately.

She is looking forward to Zhao Dong's next chance in her heart. How she wishes this play could be a real one! At the end of the day, LAN Qianchen likes her.

Every woman has the right to practice vision and fantasy. In her own mind, what kind of ideas dare to rush up.

blue thousand Chen sitting at the negotiating table at the moment, in the aroma of some coffee, the assistant assistant passed by, so that he could smell a woman's perfume breath. He could not help but frown. He thought it was the fragrance of the female assistant, but there was no doubt that it was the aroma from his clothes.

Pei Yuehuang finished her regular meeting. When there was no blue Qianchen, she had the arrogance of the female president. She had no reason to show herself. She was tall and slim. Her upper body was a white shirt with simple design and atmosphere. Her lower body was a hip skirt with thin high shoes. Her sharp and cold eyes gave people a kind of pressure when she lifted and swept.

This is the way that LAN Qianchen is not around her. If LAN Qianchen is around, the employees will be blessed to enjoy the other side of her, the gentle little woman. At 11:30 noon, Pei Yuehuang has booked the restaurant. She is waiting for LAN Qianchen to come back.

At 11:50, blue Qianchen came in quickly, and he was also coming back to accompany her for lunch.

Pei Yuehuang looked at him coming back and immediately put his arms around him. "Just call me to let me go down. What are you doing here?"

Blue thousand Chen's eyes gently fall on her face, "just want to accompany you."

Pei Yuehuang happily pasted it into his arms, and sweet Zizi felt his love.

suddenly, Pei Huang's nose caught a smell of perfume which was very strange to her. She could not frown and frown on the blue thousand Chen. She began to smell it carefully.

Blue thousand Chen is made a little nervous by her like this. He thinks that he has something bad smell on his body.

"What's the matter?" Asked LAN Qianchen curiously.

"how can you smell strange perfume, and it's still a perfume for women." Pei Yuehuang looked at him jokingly, "I should not have done something sorry for me on my back!"

LAN Qianchen can't help being teased, "how can I be sorry for you?" Finish saying, he also smelt on the body, this fragrance he all the way pour is to smell from time to time, just vaguely.

"It's probably miso on someone else's clothes." LAN Qianchen explains it carefully.

Pei Yuehuang smelled the fragrance from his suit lapel. She didn't want the smell of strange woman on his body. Of course, she believed him unconditionally, but she didn't like to smell the fragrance when holding him.

"Take off your suit." Pei Yuehuang finished, her slender fingers to unbutton his suit.

Blue thousand Chen is smiling to cooperate with her, Pei Yue Huang takes off after, say toward him, "go wash a hand."

LAN Qianchen smiled and said, "OK, wait for me."

After that, LAN Qianchen turns and pushes the door out. Pei Yuehuang can't help but pick up his suit and smell it again. As expected, it's the smell on the suit. Just as she turns, suddenly, at the inner lining of his suit's skirt, she sees a few threads of hair, just beside his buckle.

Pei Yuehuang can't help secretly regretting. Is she going to lose her hair now? She reached out and took off some of her hair, ready to throw it, in contrast to her white fingers.

The sunshine outside the window is shining on her long hair, which is a little wine red luster. Pei Yuehuang's action is sluggish. She squints her eyes and carefully looks at these three long hair. At a glance, she recognized that it was not her hair color, it was wine red, and she was flax brown. Pei Yuehuang thought she saw it. She immediately picked up a strand of her hair color and made a comparison with the three.

Sure enough, it was a different color. Pei Yuehuang still threw these three hairs into the garbage can, and her expression was a little stunned.

Blue thousand Chen's suit buckle place, why can have different woman's hair? Look at the length. It looks like it was shaved off by the blue Qianchen suit buckle. What kind of action does it take two people to shave off this hair?

Pei Yuehuang is sluggish, behind him, a gentle low call came, "Yuehuang, what are you thinking?"

Pei Yuehuang immediately looked up and smiled, reached out and hugged him tightly, "nothing, let's go to eat!"

blue thousand Chen also smiled to stretch out the hand tightly to embrace her, "later I try not to let the woman do not have the perfume to touch on me."

"Well!" Pei Yuehuang replied, as for hair, she thought, it must be an accident!

She didn't mention it because she didn't need to care about it. She was firm in blue Qianchen's feelings for her, and she was confident that no other woman could take her place in his heart.

In the restaurant, Pei Yuehuang can't help but let go of what she was thinking until she looks at a girl in her early twenties. She has beautiful long hair and radiates the vigor and vitality of a young girl. Moreover, her coquettish voice is waxy and soft. What she wants to eat is ordered by her boyfriend.

Pei Yuehuang's heart couldn't help sighing. Compared with such a young girl, she has no advantage.

Just as she was in a daze, a piece of food came to her plate. She looked up, and blue Qianchen, on the opposite side, smiled and urged, "what's the daze? I haven't had a few bites! "

"I may not have much appetite today. " Pei Yuehuang laughed. "It's just that I'm also losing weight."

"Don't lose weight. Eat well." LAN Qianchen is not persuaded seriously.

At this time, the girl next to her boyfriend went to the bathroom, she held her chin, found blue Qianchen, immediately a pair of eyes secretly stare at blue Qianchen to enjoy.

And there was a trace of yearning in the eyes, clearly a few threads of uneasiness.

This is the right of young girls. If they love each other, they can immediately disobey the rules of love.

LAN Qianchen compared to her boyfriend, on the temperament, appearance and figure, all have to be rolled over ten times, the girl also wants to choose a better boyfriend.

Pei Yuehuang had noticed her. At the moment, she looked at the girl's eyes and peeped at LAN Qianchen. She was holding her chin and looking straight.

She couldn't help being upset. Her eyes stared coldly, warning her not to look around. The girl received her present, some of them didn't take it seriously. She also deliberately lifted her hair and showed her younger figure under her sling.

Pei Yuehuang was angry for a while. Her face was a little tense. She lost another disdainful look.

Chapter 1217

LAN Qianchen has always been concerned about her eating. However, peiyuehuang doesn't eat anymore. She is staring at him with red wine and doesn't know what she is looking at.

LAN Qianchen looks back curiously, only sees a young girl and she look at each other, in that girl's eyes, as if with a kind of malice.

Sharp mind as blue thousand Chen, immediately understand the reasons for their own women's bad mood.

He said gently to Pei Yuehuang on the opposite side, "Yuehuang, have some more."

When Pei Yuehuang heard what he said, she still took the knife and fork and prepared to eat some more.

The girl at the table has a bad nature, and Pei Yuehuang stares at her, which makes the girl seem to be carrying it with her. She sneers at her immediately. She thinks she is young. She shouts to LAN Qianchen sweetly, "little brother, my cell phone is out of power. Do you have a charger?"

LAN Qianchen was just tired of the girl behind him. At this moment, when she called him, LAN Qianchen didn't even return his head and didn't want to pay attention.

"Little brother, do you hear me? I'm calling you! " This girl is really cheeky. She just wants to be angry with PEI Yuehuang.

Blue thousand Chen handsome face is slightly cold, he always gentle put up, eyes such as ice shuttle general sweep called his girl, cold way, "you need to find a waiter on the line."

The girl immediately tooted her mouth and put on a pitiful expression. But when she saw her boyfriend coming from the opposite bathroom, she immediately took back all her expressions and smiled sweetly, waiting for her boyfriend to come out.

Pei Yuehuang saw it. She sneered at it.

The man didn't know her friend was carrying him and wanted to flirt with other men. Pei Yuehuang beckoned to the waiter, "please give me paper and pen."

LAN Qianchen looks at her with some consternation, and doesn't know what she wants.

Pei Yuehuang took the waiter's paper and pen. She wrote a name on it casually, and then wrote a string of numbers casually.

"Qianchen, pick up the bill! We're gone. " Pei Yuehuang said to him.

LAN Qianchen didn't take a few mouthfuls when she saw her. He knew that her mood had been destroyed. He didn't force him to come and ask the waiter to pay the bill. After buying the bill, Pei Yuehuang said to LAN Qianchen, "wait for me at the door!"

"Yuehuang, what are you going to do?" LAN Qianchen asked curiously.

"Go! I'll be out in a minute. " Pei Yuehuang chuckled and did something to make her happy.

LAN Qianchen got up and walked to the door first. When he got up, the girl at the next table noticed his figure secretly. Even though LAN Qianchen was cold, he was really handsome!

Pei Yuehuang looks at the girl to see LAN Qianchen off. She picks up the sticker and gets up. She gracefully steps onto the girl's desk.

She reached for the sticker and put it in the girl's hand. "This is the phone number you asked my friend for in private. He said that you can contact him anytime. He likes bars and nightclubs."

Finish saying, don't wait for this girl to finish saying, Pei Yuehuang lifted her long hair, smiled and praised at the man opposite, "your sister is so lovely! No wonder my friend likes her so much. "

With that, Pei Yuehuang turns around and leaves.

The girl immediately panicked. She looked at the heart-shaped sticker that was written next to her. It was indeed a name and telephone number. The man opposite was not stupid. Just now, he noticed the handsome blue Qianchen at the next table.

Unexpectedly, his girlfriend even carried him on her back, claiming to be his sister, to flirt with other men? You want a phone number? Where does this take his boyfriend?

"I didn't I don't know that woman... " The girl's eyes are flustered. She shakes her head and tries to prove her innocence.

However, in the eyes of men, it's a serious betrayal. The man immediately gets up angrily, "Why are you so cheap, when you're with me, you still want to hook up with other men?" With that, he picked up the wallet on the table to leave.

The girl immediately grabbed him. "Brother chun, I didn't It was the woman who set me up I just asked him to borrow the charger! " The girl was eager to explain, but didn't know that the more explanation, the more confusion.

The man sneers, "you just want to find a better one!"

In front of the glass window outside the dining room, Pei Yuehuang looks around her arm and sneers at the funny scenes inside. She is finally in a good mood.

LAN Qianchen just looked at what she had said in the past and knew what she was going to do. Looking at the man at the table, he angrily asked the girl what she looked like. He smiled and looked at Pei Yuehuang. "Are you happy?"

"Happy." Pei Yuehuang hugs his waist and accompanies him to go out together.

Just sitting in the blue Qianchen sports car, I saw the girl in the restaurant chasing the man out in a hurry.

The man was so angry that she didn't want to talk to her. The girl saw Pei Yuehuang's car window falling down again. She was so angry that she shouted, "don't go..."

Pei Yuehuang, who sits in the sports car gracefully, chuckles. This time, she is the winner.

That girl can only watch them leave, at this time, she suddenly grabbed the sticker in her hand, looked at the phone number on it, she took out her teeth and took out her cell phone to dial through. "Which one!" said the bluff male voice

"You Are you the man in the restaurant just now? "

"I asked you which one!

Listening to the voice, the girl's face turned blue with anger, and her boyfriend drove away from her side, expressionless.

Pei Yuehuang and LAN Qianchen go back to the office. Then an assistant comes. Pei Yuehuang says to the assistant, "take this suit to dry cleaning!"

Then she murmured, "I don't know if I can clean it."

LAN Qianchen is reading the paper on the sofa. Hearing her worried low voice, he looks up with a smile and says, "don't wash it, I'll just throw it away!"

Pei Yuehuang was stunned immediately. "Are you going to throw it away?"

"the perfume on it is too strong. I don't want it. Throw it away!" Blue thousand Chen also dislikes.

"how did this perfume come from? Which girl spilled a bottle of perfume on your body? It's too thick. " Pei Yuehuang sat beside him and asked jokingly.

blue thousand Chen squinted her eyes and thought, "when I was at Universal headquarters today, there was a girl suddenly dizzy, and I helped her. Maybe the perfume on her wrist touched my dress."

"Is that girl beautiful?" Pei Yuehuang asked curiously with her chin on her face.

Blue thousand Chen squints Mou, but some funny way, "I didn't look at her face seriously, I don't know what she looks like."

With that, he turned his head and stared at the woman beside him. "I don't care if other women are beautiful or not with you! In my heart, there are only two kinds of women, one is other women, the other is my wife. "

When Pei Yuehuang heard this, she was sweet inside. Her eyes glanced at the direction of the trash can. Those hairs could not affect her any more.

She sat next to him and put her arms around his neck! I believe you. No matter what happens to the pill, I believe you! "

Blue thousand Chen listens to her this words, he reaches out to take over, kissed on her forehead, "this life, I only want you one."

two people are showing their affection, but they forget an assistant next to them, holding the suit with perfume. Though she wants to be invisible, she can't help it. She hasn't got a specific suit yet.

"Cough!"!.. Mr. Pei, Mr. LAN, what should I do with this suit! " The assistant didn't have the heart to interrupt them.

Pei Yuehuang smiled, "throw it away! By the way, take away the trash can. "

"OK!" The assistant hurried over and left with her suit and trash can.

Pei Yuehuang stood up and swept away her depression. She sat in front of the computer and received an e-invitation, which was an invitation for a quarterly charity party.

"Would you like to accompany me to a dinner party?" Pei Yuehuang sends an invitation to the man on the sofa.

Blue thousand Chen raises a head from the document, answer way without hesitation, "be willing extremely."

"Well, I'll respond. Tomorrow night." Pei Yuehuang said, and went back to each other.

She holds up a cup of coffee and sits beside blue Qianchen. She raises her chin and looks at the man who works hard. She is fascinated.

No wonder those girls outside look at him so much, because he is really good-looking! LAN Qianchen finds out her adoring eyes. He looks up and stares at her with a smile. "Why do you look at me like this?"

Pei Yuehuang said with a smile, "look at the handsome guy, you can decompress! You are my decompression artifact, so I will look at you if I have nothing to do. Will you let me see it? "

LAN Qianchen immediately stooped to her head and kissed her hair. "Of course, only for you to see."

Chapter 1218

Today, Xing Yifan took Bai Xia to the wedding company in the morning to make the final decision. At the same time, tomorrow they will go to the island to determine the venue first, and at the same time, they may have fun there for a few days, because it was originally a resort.

Xing Yifan can't help but make an appointment with them. They just happened to have a tour nearby to relax.

LAN Qianchen was also happy. He asked Pei Yuehuang's opinion and decided to come back after playing on the island for three days.

Bai Xia sat on the sofa and carefully looked at the details. Everything was arranged according to her requirements. She was also very happy. Now she is closer to the time of marriage. She began to look forward to it.

At noon, Xing Yifan will go to his own company. Although he hasn't worked in the company before, Xing liehan will call him to discuss some important matters in the company.

Xing Yifan sent Bai Xia home, and he went to the company.

Bai Xia sits at home and continues her previous cartoon painting. Now, her achievement in this cartoon is also very good. Her editor in chief once advised her to sell film and television copyright, and in the future, some actors will show their stories.

If it is Baixia's other comics, of course, she is willing to make a profit. However, she is reluctant to sell the comics. She is willing to publish them on the Internet, so that more people can feel the sweetness of lovers in the comics. Her purpose is to transmit a positive energy, so that readers can have a more relaxed way to kill them.

She refused. She thought this was her diary with Xing Yifan. She didn't want to show these beautiful things through other actors.

At this moment, Bai Xia also recollects the meeting with Xing Yifan from the beginning of the cartoon. The characters in the cartoon were her mood at that time. Moreover, even the scene was restored. Looking at the cartoon, Bai Xia felt funny and lamented the strange fate. Clearly is a friend of the same person, how to become a lover?

Bai Xia also starts to clean up. Tomorrow she will go to the upper reaches of the island to play. She has to prepare.

Pei Yuehuang and LAN Qianchen stayed in the company about one o'clock today. In the afternoon, they were free. Because there was a private party tonight, Pei Yuehuang and LAN Qianchen had to prepare to attend.

At the moment, in a cafe next to Pei's group, a hurried female assistant sat in the opposite direction of a man.

"Mr. Zhao, what can I do for you?" Only saw this female assistant some flustered asked.

Sitting opposite to the female assistant is Zhao Dong. When he was chasing Pei Yuehuang, he naturally had a lot of moves. So he met several assistants beside Pei Yuehuang. In front of him, he used to collect the most information.

Zhao Dong takes out a gift from the side. It's a famous brand bag. He hands it directly and says, "this is the gift I chose for you. Do you like it or not?"

This female assistant's eyes brightened as soon as she saw it. For her, of course, she liked the hundreds of thousands of bags.

"Mr. Zhao, if you have anything to say, I will tell you as long as I know." Seeing the bag, the assistant gave up the bottom line.

"I want to know the recent news from your general manager Pei and the blue Qianchen. I want to know in detail what they do, where they go and who they meet."

The assistant immediately said, "I don't know much, and you know that Mr. Pei's personal assistant is not me."

"I know, but you can certainly give me some useful information."

"I heard that Pei and LAN are going to a private charity dinner tonight. I don't know which one."

Zhao Dong immediately clenched his lips and smiled. As soon as he inquired about these large-scale banquets in the center of the city, he knew that this was useful news.

"And what else?"

"That's all I know!"

"Well, you can keep an eye on me. If they go there alone, you must tell me. I will deliver the bag later."

"OK! If I have any news, I will let you know as soon as possible. "

Zhao Dong got up and came out. He took a look at the magnificent building of Pei's group, but he was afraid. The market was like a battlefield, without smoke, but it was a crisis step by step.

Once his company is in a state of affairs, many people are staring at him to eat this fat meat. What he fears most is Pei Yuehuang's ambition.

What's more, he mocked LAN Qianchen at the table last time. A woman like Pei Yuehuang, who loves to keep revenge, might really have an idea of his company.

Is there a party tonight? Zhao Dong thought of his plan. Maybe Yang Tiantian could find a chance to get close to LAN Qianchen alone and take a picture. It's better to create a romantic scene where two people meet.

The photo sent to Pei Yuehuang at that time is like a perfect encounter, a dangerous betrayal that LAN Qianchen can't escape.

Zhao Dong dials Yang Tiantian's phone number, and he begins to teach her how to act tonight.

At the moment, in a high-end private customized evening dress shop, LAN Qianchen is waiting for Pei Yuehuang to choose the evening dress. She has a tall body like a model, and every evening dress in it seems to be tailored for her.

Pei Yuehuang went in and tried on five evening dresses she had chosen.

The first set is the leg split tight evening dress she used to like, which covers her perfect body, making every line like God's masterpiece. Plus she has a pair of proud long legs, easy to control the evening dress.

At the moment, LAN Qianchen is drinking tea. Just after a sip of tea, she is frightened by the woman who pushes the door out.

He almost vomited. So he could not vomit even if he was vomiting. He could not swallow. He choked and coughed a few times when he was covering his chest.

When he passed the first breath, it was a very firm woman who came to say, "no! It's not going to work. "

Pei Yuehuang looked at him choking tea and immediately asked with a concerned smile, "are you ok! What's the rush? "

I can't blame LAN Qianchen for drinking too fast! It's just that she choked with fear.

"Go and change it. I can't wear this kind of evening dress any more." Blue thousand Chen stands up, overbearing order.

This surprised the female boss and the waiter who were waiting beside him. They all looked at the young and handsome man and were shocked by his domineering appearance. They thought Pei Yuehuang was also a heroine. Did she need to listen to this opinion?

Pei Yuehuang has a perfect figure, and she used to wear this evening dress, which is very suitable for her mature and charming sexy temperament.

But when Pei Yuehuang chuckled, she obediently said, "OK, I promise you to change it. I will never wear it again."

Finish saying, Pei Yuehuang went in to change, along with, she wore a naked white one word shoulder to come out, must unexpectedly her vision is so good.

Blue thousand Chen blinked, although this evening dress is very conservative hem, but the word shoulder seems to exaggerate, moreover, the word shoulder completely reveals her beautiful clavicle.

"Is there nothing else?" LAN Qianchen asks.

Pei Yuehuang can't see it either. She is very patient and says, "I'll replace it."

Finish saying, she went in again to change, this time, Pei Yuehuang's body is wearing a design chic, but regular light gold evening dress, sleeveless, girdle, also show different mature beauty.

Pei Yuehuang didn't choose this kind of evening dress before, but tonight, she thinks this evening dress is the most suitable for her.

"Pretty?" She made a circle in front of blue Qianchen.

LAN Qianchen nodded and looked at her admiringly! It's very nice. "

The waiters on one side all said in their hearts that they were better looking just now! That just suits peiyuehuang that domineering female president 's strong air field, this partial small woman wind.

Pei Yuehuang said to the owner's wife, "this is it! Swipe the card. "

Pei Yuehuang also mended her makeup in the shop. At the same time, she pulled up a big wave of curly hair. Among the slightly fluffy hair, she buckled a diamond hair clasp. At the ear, there were two strands of curly hair, which outlined her perfect goose face. It was beautiful, generous and elegant.

Two people came out of the dress shop. It was sunset outside the window. Pei Yuehuang was holding blue Qianchen's arm. She was full of expectation for the party tonight.

She wants to do anything with him.

Chapter 1219

At the moment, in a black business car, beside Zhao Dong, Yang Tiantian has been dressed in a tuxedo. She quietly listens to Zhao Dong's plan.

"Your name is already on the invitation list. When you enter, you can call yourself Miss Yang's. your father is a successful businessman who invests in foreign countries. Others will not study you carefully, because they only need to know that you are a daughter of a rich family."

Yang Tiantian nodded nervously, "OK! I will remember. "

"At the banquet, you must remember that if LAN Qianchen and peiyuehuang are together, you must not get close to them or draw peiyuehuang's attention." Zhao Dong reminds me, because he knows that Pei Yuehuang is not easy to provoke.

If you let her know that there are other women near blue thousand Chen, the consequences are a little terrible.

"I know, I will find her to leave, to approach blue thousand Chen."

"You just need to be close to him for more than ten seconds. Pretend to be a perfect encounter. I'll arrange the photographers by your side. Then, take photos and you'll finish the task." Zhao Dong doesn't want this plan to be broken.

Yang Tiantian nodded obediently. Now, she began to wonder what kind of woman LAN Qianchen was. Zhao Dong didn't tell her carefully. She was really jealous and envious of the woman who could be with LAN Qianchen.

It's six o'clock. It's a private charity dinner. It's held in the banquet hall of a five-star hotel. One after another, the guests have already arrived. Blue Qianchen's sports car drives into the entrance position. A boy comes to drive for him to stop. Blue Qianchen rounds the front of the car and reaches out to Pei Yuehuang.

Pei Yuehuang held his arm and stepped out of the car gracefully. It was a kind of temperament of a high-class socialite. It naturally revealed that all the men around her had a bright eye and fell on her. Some of them couldn't move their eyes.

LAN Qianchen noticed that his handsome face was a little cold, warning the men who were staring at him.

Pei Yuehuang noticed that he was jealous. She endured a smile, and her heart leaped sweet.

Pei Yuehuang brings LAN Qianchen to the venue and embraces the host. This is a lady who is keen on charity. She is very happy that Pei Yuehuang can come to the venue to appreciate her face.

This is The lady asked Pei Yuehuang with a smile and looked at the magnificent blue Qianchen.

"He's my husband. Our wedding is in May. You must come to the wedding then, Mrs. Jiang."

"Congratulations, I will be here to bless you. It's a perfect match! Handsome men and beautiful women are enviable! " With that, Mrs. Jiang asked the two of them to enter.

After a while, Yang Tiantian's figure stepped down from the elevator. She took the bag, because she was nervous, she walked with some restrictions. But because she was on the invitation list, she was also welcomed naturally.

As soon as Yang Tiantian entered the arena, she found a corner that didn't attract much attention. Her eyes were looking for LAN Qianchen. Soon, she found the tall and slender figure in the middle of a group of people. Blue Qianchen was dressed in a dark suit, with a good shape. But on his wrist, he was holding a tall and slender figure.

Yang Tiantian's jealousy was aroused just by her back, because she was a little out of place in this occasion. However, the figure of the woman standing in the crowd exuded a calm and confident grace, as if she was born for this occasion.

At this time, Pei Yuehuang turned to greet a friend. This lady is also her long lost elder. They hugged each other for a while.

Yang Tiantian finally saw the appearance of the woman LAN Qianchen liked. Her eyes were slightly gaping. It turned out that there were such elegant and beautiful women in the world.

No matter her temperament or her facial features, she is the one with no choice.

She stands beside blue Qianchen, and shows a kind of little woman's posture without any reason. Birds depend on people.

Yang Tiantian is really jealous!

LAN Qianchen was also introduced by Pei Yuehuang along the way. Some men who had ever had a vision for Pei Yuehuang were lost. They had no chance to think that she was going to marry.

"Yuehuang, good taste! Choose such a handsome husband. " A lady smiled and praised.

Pei Yue replied with a smile, "my eyes are always good."

"Look, your husband is handsome and young! It hurts at first sight. "

Pei Yuehuang was stabbed by this sentence, right! Standing beside her, LAN Qianchen is young and handsome. Although her age is not obvious, she has developed a momentum in business circles for so many years.

This momentum makes her unable to return to the appearance of a girl, so, with blue Qianchen, even if she is also young, it can be seen at a glance that she is older than blue Qianchen.

Blue thousand Chen sensitive to detect her mood, he reached for a natural grasp, "thank you for your praise, Yue Huang is the best woman I have ever met in my life."

Finish saying, blue thousand Chen takes her to leave this madam, Pei Yue Huang purses a lip to smile, know that he is to extricate oneself from encirclement.

When he came to a small place nearby, LAN Qianchen held her waist and comforted her, saying, "that lady was careless just now. Don't worry about it, either."Pei Yuehuang smiled and bent her eyebrows. "I know, I'm trying to adjust my mind."

"I'm only two years younger than you, but in my heart, you are the one I love." Blue thousand Chen's ear muffled.

Pei Yuehuang's mood immediately reached the extreme. She looked up at him slightly. "Then you will spoil me for life."

"How can I do it all my life? I'll keep it for a few lifetimes. " Blue thousand Chen finish saying, smile kiss on her forehead.

Pei Yuehuang also ignored the eyes around her. She padded her toes and kissed him on his thin lips. Blue Qianchen touched her forehead. At this banquet, she isolated a small world belonging to them.

This makes Yang Tiantian, who has been watching them all the time, get some stimulation.

However, she kept her mission in mind and was waiting for an opportunity.

Pei Yuehuang and LAN Qianchen went to the direction of the cafeteria, eating dinner while enjoying the relaxed atmosphere at the party.

Then there will be some time for auction and purchase, and they already have a list of tonight's auctions, with prices ranging from 100000 to 1 million.

"Do you like it?" Blue thousand Chen asks to her.

"I like these earrings very much." Pei Yuehuang points to a pair of diamond earrings. The price starts at 100000 yuan!

"Good! I'll take a picture for you later. "

"More than three hundred thousand."

"It's worth as much as you like." Blue thousand Chen squints Mou, hand in bottom, "although do not have my wife to have money, but your husband I still can afford."

Pei Yuehuang couldn't help but chuckle and look at him with his chin on his back. "Mine is yours, yours is mine. Do you still share each other?"

But as a man, LAN Qianchen doesn't want to use his wife's money. He has to work hard to make more money and make his wife happy in the future.

"Do not divide each other, but give me some face. Although you are super rich, can you spend my money?"

Pei Yuehuang nodded, "OK! Then I'll take these earrings. "

Sometimes, not to spend money is not to love a man's performance, appropriate let him pay some money, but also let his self-esteem to be satisfied.

"OK, my husband will take a picture for you." LAN Qianchen is really motivated.

Pei Yuehuang's dessert on the plate was delicious. She scooped a spoon and handed it to his mouth

LAN Qianchen eats it and nods with satisfaction! It's good. "

"In a moment, you go back to the banquet hall, and I'll go to the bathroom to make up." Pei Yuehuang said to him.

"Good!" Blue thousand Chen also understands the woman's mind, if the makeup has lost, that certainly is one night not happy.

Although his woman is still so beautiful.

Sitting on the table not far away, Yang Tiantian eats alone. When she sees peiyuehuang go to take her bag and go to the bathroom to make up, she immediately thinks to herself that the opportunity finally comes.

She glanced at the man who was waiting to take a picture of them. The man also made a gesture to show that he was ready.

Yang Tiantian immediately pulled her chest, showing some proud color. She got up, turned her back and put the money towards blue Qianchen and followed her.

Chapter 1220

LAN Qianchen went to the direction of the party. He was going to make a phone call and went to the balcony with few people. He didn't find a girl behind him.

Yang Tiantian watched him go to the balcony, and she thought it was an excellent opportunity. There was no better place for her to act.

The photographer behind follows closely, holds the mobile phone, and snaps the moment when Yang Tiantian pretends to meet LAN Qianchen at any time.

Blue thousand Chen just took out the mobile phone, suddenly a slightly whine voice behind her sounded, "yo! What a coincidence, sir! Meet you here. "

Blue thousand Chen listens to this strange female voice, he turns around, squinting one eye, his voice line is slightly cold way, "do we know?"

Yang Tiantian's heart can't help passing through a bit of loss. Hasn't blue Qianchen affected her at all? That day, he saw her clearly!

And she also thinks that she is sweet and has resolution. The man who has seen her will never forget it.

But, blue thousand Chen forgot, blue thousand Chen is right behind this dress exposed woman, really have no influence! Even in the face of such a chat line, he felt repelled.

This kind of banquet, not pan those who are looking for the opportunity to get close to the woman, each purpose is impure.

"Ouch!" Yang Tiantian immediately exclaimed, as soon as she was soft, she leaned against LAN Qianchen. If LAN Qianchen evaded, she would have to fall off.

And LAN Qianchen's cultivation from childhood made him, even if he hated this woman's proximity, politely avoid her embarrassment.

He just used his arm to hold her, but if Yang Tiantian is clever, she should stand straight. However, she suddenly put out her hand and put it around LAN Qianchen's neck.

Blue thousand Chen eyes a cold, immediately untie her arm, pushed her aside, "Miss, please self-respect."

Finish saying, blue thousand Chen turns around, cold leave.

Yang Tiantian's heart is really hurt. Just now, blue Qianchen's actions are like how dirty she is.

Yang Tiantian was so sad that the photographer approached her. "I got it. It's only a few seconds, but I'm good at it."

Yang Tiantian looks at the back of LAN Qianchen, "how can he do this to me? It's just a hug! "

"Miss Yang, you should be clear that his woman is the president of Pei group, and she has more money than our boss."

Yang Tiantian can't help stamping her feet, sighing that heaven is not fair. She has given that woman such beauty, such ability and wealth, as well as men.

And now she has not caught anything. Even if she has some money, she is also a moonlight family.

The man gave the picture to Zhao Dong, who had been waiting for the news. Zhao Dong was very satisfied and asked them to come out quickly. Don't stay any longer.

Yang Tiantian had to leave bitterly.

LAN Qianchen's mood is a little upset, so that's why he doesn't like this occasion very much, because there are too many women here with their goals, and they are disgusted by their ambition to pursue fame and wealth.

Pei Yuehuang came back, and she could see the slender figure in the crowd at a glance, and the men around him. He was like a bright moon.

LAN Qianchen doesn't need to look at it much, as if he knows his woman is behind him. When he turns around, peiyuehuang smiles and hugs her. LAN Qianchen takes her and kisses her.

After a while, the auction began. LAN Qianchen photographed the earrings with 400000 yuan and gave them to Pei Yuehuang. Pei Yuehuang was very happy because she saw the man's all-out efforts, just because she liked one thing.

After the auction, there was a dance. LAN Qianchen invited her to dance together, but in such a busy environment, both of them wanted to go back to their loving home and get along peacefully.

Soon, the two said goodbye to the host's Mrs. Jiang and came out together.

The night outside is beautiful. The moon is hanging high and cool like water. Pei Yuehuang is holding blue Qianchen, bypassing the fountain pool. The boy drives blue Qianchen's car to the side.

"What a beautiful moon tonight! Let's go back to the roof and enjoy the night! " Pei Yuehuang said to him.

"Good! A little more red wine. It's perfect. " Blue thousand Chen is smiling, start car two people return villa.

On the way, Pei Yuehuang didn't have enough to eat. When passing a roasted red office stall, Pei Yuehuang said, "stop, I want to eat roasted red office."

Pei Yuehuang looks at the door of that small shop, but because of the hot business, there are several people in line at the moment. Pei Yuehuang is going to push the door to get off, and he immediately says, "I'll come, you wait for me in the car."

Pei Yuehuang smiles and nods. LAN Qianchen steps to the queue. A few girls waiting for friends are attracted by LAN Qianchen. One of them takes a picture with her mobile phone.

Pei Yuehuang is sitting in the passenger seat, looking at her popular husband. She really doesn't want other women to shoot him, but she can't talk about those girls now.

She can only stand blue Qianchen there, being looked up and down by several girls. The longing and excitement in her eyes are no less than seeing their idols. Blue thousand Chen bought four fragrant red department to come back, Pei Yue Huang love extremely smile, "I sometimes also often let Xu Min come to buy for me."

"You like it. I can buy it for you every day." Blue thousand Chen leans to smile a way.

Pei Yuehuang nodded, "OK! I'll let you know when I want to eat. "

Two people all the way back to the villa, in the direction of the top floor, open a lamp, put on the plate, open a bottle of red wine, while eating the red baking department, while enjoying the moonlight, there are thousands of lights in the distance.

Such time, quiet and full, as if every minute and every second is full of meaning.

At half past eleven, both of them were slightly drunk. They hugged each other and fell asleep together.

In the morning, in Xing Yifan's villa, he has packed the gift box and called LAN Qianchen. They still need a little time. They agreed to meet at the wharf at 11 o'clock.

Bai Xia also hasn't enjoyed the travel time for a long time. Her interest today is very high and very happy. It seems that on that island, she broke all the shackles and could take a vacation together with Xing Yifan, who is in a good mood.

At eleven o'clock, a medium-sized cruise ship is waiting for them. Xing Yifan has just arrived, and LAN Qianchen and Pei Yuehuang are also here. Four people sit in the luxury cabin of the cruise ship and prepare to sail the island. It's a private one, but it's also an open one. But it has been closed and opened to the outside world since a week ago, because it was celebrated by the wedding. The company rented it and was arranging a grand wedding.

The scenery along the way is also very beautiful. Pei Yuehuang and Bai Xia are sitting in the chairs outside, enjoying the scenery of the sea and the sky, chatting with each other. Although the work of the two people is not the same, there are many topics, probably both of them have a kind of resonance of loneliness.

Pei Yuehuang also learned from Bai Xia's mouth that she lost her mother when she was a child, which made her a few years older and immediately full of pity and heartache for her.

Pei Yuehuang's anguish is probably these years. She supports the company alone and loses her freedom and youth in life. Now, she finally catches the tail of youth and finds a man who dotes on her.

LAN Qianchen and Xing Yifan are discussing the game. Sea diving and sea fishing are indispensable.

The time along the way is also very fast. Finally, in the vast sea, I saw an island rising from the sea. It's a very natural scenery, full of sunshine and the smell of the beach. It's just a long way to look at it, and I feel very relaxed.

As soon as the cruise ship arrived at the wharf, the general manager of the resort city met him personally at the wharf. He took his staff with him and showed great respect to the two pairs of guests.

They must have their identity. The wedding company has informed them in advance. There is also a wedding ceremony for a new couple, which will be held on this island!

When Bai Xia got off the ship, Xing Yifan immediately reached out and held it. So did LAN Qianchen. The suitcase was picked up by the waiter and put into the private seaside villa on the other side of their room.

These three days, the beach and scenic area here are contracted by them.

Bai Xia's big clear eyes are excited. She smiles into a curved moon. Xing Yifan is so happy to see her. This trip is really meaningful.

Since it's already one o'clock at noon, I immediately arranged the restaurant to have dinner, and at the same time, I planned how to play next.
