

U. CEO Daddy 131

Chapter 131

"Didn't your father buy you a house outside? Your son's school is far away from here! If you want to stay, I'll clean up the room for you. "

"No way! I want my room! The balcony of that room is big, the sunshine is good, and the scenery is also very good. Don't ask me not to. " Tang Siyu is very firm.

"I will not move!" Tang Yiyi chopped his feet and threw them.

At this time, Tang Xiong just came out of his study and heard this sentence. He said with dignity, "Siyu asked you to move, and you have to move. That was Siyu's room originally."

"Dad! What do you do with such partiality! She just comes back once in a while for a day or two. Wouldn't it be nice for her to stay in the guest room? " Tang Yiyi said regretfully.

Tang Xiong heard today that Tang Siyu might move back. He was also very happy. Her request was to go back to her room, which originally belonged to her.

Tang Xiong looked at Qiu Lin and said, "before the morning after tomorrow, let Yi move to the back room! Siyu needs to be rearranged. "

Qiu Lin's eyes are silly. Her husband is obviously partial to Tang Siyu. She bit her lips and said, "Yiyi, move!"

"I don't, I don't!"

Tang Siyu is too lazy to pay attention to Tang Yiyi's rolling and splashing. She continues to look at her mobile phone. Just then, the servant comes to report, "master, madam, Mr. Mu is here."

"Murphy?" Tang Yiyi's eyes brightened.

"Yes!"

"Here he is?" Tang Yiyi ran out in surprise.

Tang Siyu tightens his eyebrows. What is mufei doing?

Tang Xiong looked at her. "Did you let him come?"

"I didn't!" Tang Siyu shakes her head. How could she ask Mu Fei to come home?

Just then, he saw the figure of mufei coming in, followed by Tang Yiyi. When mufei saw Tang Siyu on the sofa, he was shocked. Obviously, he didn't know that she was also there. With that, his deep eyes flashed a surprise.

"Siyu, are you there?" Murphy's voice can not hide the joy.

Tang Yiyi looks at the couple behind her. Her resentment immediately rises. Is mufei looking for her?

Tang Siyu didn't know mufei was coming.

"What are you doing?" Tang Siyu asked directly.

"I'm looking for my uncle." Murphy replied.

"Mufei! No dinner! Let the servant cook more dishes. " Tang xiongchao gave Qiu Lin an order. Then, his cell phone rang. He took a look. It was obviously inconvenient to answer in public, so he went to the direction of the back garden.

Qiu Lin did not dare to offend Murphy, so she went to the kitchen and gave an order. Murphy went to Tang Siyu's side and sat down, looking at her tenderly, "I'm here for your business!"

"My business?" Tang Siyu frowns.

"I hope that my uncle will have a good control of her dependence and let her stop fighting against you, but I don't know that you are back." Murphy murmured.

Tang Yiyi heard it, and she bit her lips and hummed, "mufei, you really have to defend her everywhere now, don't you?"

"Yiyi, if you blame Siyu for me and do something like today, I will not let you go." Murphy made a direct warning.

"You..."

"Even if Siyu and I are friends, I will protect her to the end and forbid anyone to bully her." Murphy's voice was stronger.

"Thank you!" Tang Siyu said politely.

Mufei thin lips slightly pursed, "you are welcome, I just hope your life will not be disturbed."

Tang Yiyi clenched her teeth in anger. Looking at the two men and women on the sofa, she immediately had an idea of beating them hard in the face!

She thought of Xing liehan, the man who was more handsome, rich and noble than mufei. She thought that if she could seduce him to be her boyfriend at the party, she would be happy to show off in front of this pair of dog men and women.

Tang Yiyi went upstairs alone. On the sofa, Tang Siyu warned Mu Fei, "I will deal with my affairs by myself. If you want to eat here, eat. Don't mention my affairs again."

Murphy had intended to come here, but when he saw her here, it was clear that Tang Siyu had already mentioned it to Tang Xiong, so he planned not to mention it.

"Good! I won't talk about it. If you need me, just look for me. " Murphy didn't want to stress it again.

Today, he was really angry with Tang Yiyi. He was just going to come here. Unexpectedly, he met Tang Siyu. It was a surprise.

Dinner is ready. Tang Yiyi comes down to eat. Mufei and Tang Xiong talk about business. Qiu Lin is quiet. Tang Siyu doesn't eat much. She thinks of her son and wants to go back soon.

After dinner, Tang Siyu wants to go first, and mufei is ready to leave with her. In the parking lot in the yard, Tang Siyu sits in the car and presses the start button. He doesn't know that the car makes a low hissing sound, but it doesn't make a sound.

Tang Siyu thought, it must be an illusion, so, restart.

Still not! Hell, it's fine when I come in the afternoon!

When she opened the door, Murphy stood and watched. He heard her car stop.

"What's the matter? Is the car broken? "

"I don't know! Can you repair a car? " Tang Siyu can only turn to him for help.

"Let me see!" Murphy can't fix it, but you can check it for her.

After the inspection, Murphy thought that there was something wrong with her ignition circuit, and she needed to be pulled to the garage to repair it. Tang Siyu was speechless. She had to get a new car! The shelf life hasn't expired yet!

"Come on, make my car and go back! I'll go back as well. Your car will be repaired tomorrow. " Murphy would love to see her in his car.

"I want a car from my father!" Don Siyu is not going to take his car.

Murphy clasped her hand. "Siyu, do you and I need to see each other like this? Do you want to refuse help from friends? "

Tang Siyu immediately drew his hand back and stepped back. "Don't do that."

"Then take my car back! I promise I'll let you off at the door. It'll never be seen. " Murphy asked for a voice.

Tang Siyu didn't want to go back to see Qiu Lin's face either. Besides, her garage, her father's car, Qiu Lin's car, and even Tang Yiyi's two cars were too lazy to borrow. She thought, "OK! Thank you."

Tang Siyu sits in Murphy's car, and Murphy immediately drives back to the direction of the apartment. On the way, his eyes look at Tang Siyu gently several times, and there are songs they once loved to listen to on the car, as well as a car decoration on his car, which she chose with him.

Tang Siyu regrets taking his car.

"Do you remember this car ornament? You fell in love at the first sight, and I chose it! I keep it all the time and I love it. "

Chapter 132

"You can throw away such an old thing." Tang Siyu said lightly.

"How can I give up throwing it?" Mufei smiled bitterly, "how I want to keep the happy time we used to have! Even an object means a lot to me. "

Tang Siyu bit his lips and looked out of the window. He didn't want to listen to this again. Mufei was tired of seeing her and didn't say anything. He just drove silently.

Xing Zhai, Xing liehan brings the little guy here for dinner at night.

Xing Yifan will leave China tomorrow.

In order to spend the last night with my uncle, I plan to stay when I eat. Xing liehan is naturally happy to see him stay so happily.

"Daddy, come home quickly! Mommy is afraid of the dark at home alone. You have to protect her! " The little guy urges Xing liehan to go home.

Xing liehan also thought that this woman should come back. He waved to the little guy, "OK! That daddy left, tomorrow Grandpa will send you to school

"Well!" The little guy nodded knowingly.

When Xing liehan gets on his black sports car and drives out of xingzhai compound, his speed immediately soars, and the sports car drives away in the night like a ghost.

Murphy is driving Tang Siyu back on the road. He really hopes that this road can be extended infinitely, so that he and she can enjoy the world of two in the car.

Even if she didn't say a word, just sitting beside him, he was very happy in his heart, so his speed was very slow, even if he had a few half cut in cars, he didn't feel unhappy at all, but he kindly stopped to let those people cut in.

Tang Siyu found that he slowed down, and she couldn't say that he must have been sitting in his car. She didn't have to rush these ten minutes.

"Siyu, I don't think you have anything to eat for dinner. Would you like to have something more?" Murphy asked softly at her.

"No, I want to go home! My son is waiting for me at home. " Tang Siyu shakes her head. Even if she is not full, she is ready to go home and cook noodles!

Murphy had to give up. At this moment, they were only ten minutes away from home. From the other direction, Xing liehan's black sports car came back to the apartment. Especially his son's words worried him.

She is afraid of the dark.

The whole floor, she alone, she must be afraid of it!

However, she didn't call him. He must not have arrived home. He wanted to wait for her first.

Tonight, it must be a romantic night, because my son is not at home! And he can make good use of the last condition and sleep in the same bed with her. If you think about it, he will not calm down, as if there is a surprise waiting for him.

He doesn't believe that she will not react when he lies with her. He has absolute confidence in his body.

Murphy's car drove in from the front door of the apartment. Then, at the other end of the street, a black sports car also drove in at the door. It let go quickly with a clang, making the sports car go smoothly as if it had no one.

Murphy's parking space is on the other side, but he plans to send Tang Siyu to the door. When the black sports car behind him is near Murphy's car, Xing liehan on the car recognizes that Murphy often drives a black Rolls Royce and a white sports car.

And the black car in front of him is exactly his. Moreover, his car is blocked in the road section of the parking lot, which just blocks his road. He is trying to urge him politely to get out of the way. Just when he was about to honk, he saw the front passenger's door pushed open.

He immediately stopped pressing. Then he saw Tang Siyu step down gracefully from the front passenger seat in a long dress. After she got down, she carried her bag, bent down and said something to Murphy. Then Murphy's car started and drove out from the other end.

Tang Siyu looks at Murphy's car and leaves. The remaining light in her eyes finds that there is a car coming quickly behind her. She flashes to the side at once. At the same time, she is upset. Who is so incompetent? I know there are people in the community, and they drive so fast in the community?

She turns her head and stares at it. At that moment, she looks stupid. It's Xing liehan's sports car.

Son in the car, too? He took his son out to dinner? In this way, she thought of coming, and Xing liehan backed up and poured into his parking space. He pushed the door and stepped down, as if he didn't see the woman around him. He was ready to leave.

"And Xiaoxi?" Tang Siyu asked.

Xing liehan gave her a cold look. "So you had a private meeting with your old lover, and then you left your son to me?"

"Where is Xiaoxi?" Tang Siyu continued to ask.

"At my parents' house! He sleeps there tonight. " After that, Xing liehan continued to press her with the question just now, "no wonder you said tonight that you don't want me to accompany you back to the Tang family. It turns out that you have already been accompanied."

Tang Siyu twisted his eyebrows. What did he think? However, Xiaoxi is at Xing's house, and she is assured that the family likes him and loves him very much.

Tang Siyu didn't answer. Xing liehan, with the advantage of height, looked down on her today's dress, which was more beautiful than her usual. The long sleeveless dress, the perfect waistband, the small part of the delicate collarbone, the thin arm, seems to have changed the elegant makeup, the whole person looks like sending out the breath of noble celebrity, such a dress, she is not going to date, or to do what?

Xing liehan's heart was not right. At this time, he saw Murphy stop in another parking lot in the shadow of the tree, as if he was coming this way.

Xing lie's cold eyes flashed a bad flash. He suddenly clasped Tang Siyu's arm. Next second, he pushed her to the door of his sports car. Tang Siyu was a little unsteady. The whole person was supported by the door. She stared at the water. "What are you going to do?"

Xing lie's strong body immediately blocked her. He clasped the back of her head in one hand, held her little face in the other hand, and pointed the thin lips at her two red lips, so it was printed.

"You..." Tang Siyu wants to refuse. This man has not given her a chance.

What the hell is Xing liehan doing here to kiss her?

And Murphy was not far away. He saw the car door. His hands were immediately clenched into fists. The astonishment and jealousy in his eyes almost drowned his reason.

Xing liehan and Tang Siyu even kiss here?

It's just that Xing liehan's tall body is covered. He doesn't find it. In fact, Tang Siyu's hands are pushing Xing liehan away. However, under the dim street light, mufei doesn't find it.

Xing liehan doesn't need to look back, but also knows that mufei is not far away. He flashes a sneer at the bottom of his eyes and continues to kiss deeply despite Tang Siyu's struggle.

Chapter 133

Mufei's handsome face flashed a color of injury, and he strode towards the elevator direction. Before entering the elevator, his fist was still a fist on the wall, venting his inner unwillingness.

He knows that don Siyu doesn't love him anymore, but she has always been such a good girl. How can she kiss other men in public?

Is it because she loves Xing liehan so much? Xing liehan has the capital to let women fall in love with him unconditionally, and he is also the father of the child

Therefore, Tang Siyu fell in love with him, as if for granted.

Murphy thought that as long as he waited quietly by her side, his heart would be satisfied, but now, he really can't calm down, he is jealous, he is envious, but he knows that he can't interfere with Tang Siyu's current feelings, and he has no qualification.

In front of the door, Tang Siyu was almost breathless when he was kissed. When Xing liehan let go of her, she could only reluctantly lean against the door to support her body. Otherwise, she would fall to the ground for fear of being soft.

"Hoo..." She panted and tried to get oxygen. Xing liehan's arms were still around her waist to prevent her from falling.

"Xing liehan, have you had enough?" Tang Siyu asked in a hoarse voice.

Xing liehan was still very angry just now. She came back from Murphy's car. Now, after a kiss, his jealousy has disappeared a lot. He hooked his lips and smiled, "not yet!"

"Asshole." Tang Siyu gave a low scolding, and then she went to the direction of Jingling alone.

Xing liehan immediately followed behind him. He thought to himself, when he kissed her just now, mufei must have watched. Good, that's his purpose.

Although let this woman annoy him, but let mufei know, this woman is his.

In the elevator, Tang Siyu looks at the final stop number of the elevator, her brain slightly explodes, 25 floors, where mufei lives.

He went to the parking just now. Did he pass there just now? He saw it?

Tang Siyu knows what it feels like to wake up later. Xing liehan did it on purpose!

She turned her head and clenched her teeth and stared at a man in a good mood

Xing liehan didn't expect to be discovered by her. He narrowed his eyes and said, "who told you to let him accompany you tonight, but refused to let me accompany you?" "It's a punishment for you. "

"Why do you punish me! I'm not one of you. " Tang Siyu feels that this man's thought is really strange.

Xing liehan bit his thin lips and smiled warmly, "you are my son's mother, and this identity is not close enough? This means that our bodies have communicated with each other in negative distance

With that, he clenched his long fingers in one hand, raised his index finger in the other, and inserted several times in the middle.

Tang Siyu's face is red, "hooligan." The elevator door opened and she stepped in.

Behind him, Xing liehan also followed, looking at her red face, he was very interesting to appreciate, "Tang Siyu, you honestly admit that I am your first man, right?"

Don Siyu doesn't want to talk to him. This man is a jerk and has three grades.

"That night, it was your first time, and it was your first kiss, right?" Xing liehan asks carefully.

Tang Siyu snorted, "it's not the first kiss!"

After hearing this, a man's face sank a little, not the first kiss? Who did she give her first kiss to? Damn it, must be Murphy?

The elevator had to open with a clang. Tang Siyu went down first, and Xing liehan followed behind. When she opened the door, she opened it with a big hand. Xing liehan wanted to enter her house.

Tang Siyu looks up and pushes him. "You go back to your room."

Xing liehan strides forward very domineering, "from where is not the same?"

"Not the same."

"It's the same in my eyes. Anyway, we sleep together tonight. Isn't it the same when we come in from my home and yours?"

"Who is sleeping with you?" Cried Tang Siyu.

"Who promised to sleep with me for a month? Isn't it you? Now you want to deny it? " Xing lie looks at her with cold eyes around her arms.

Tang Siyu thought that her son was not at home, which meant that she and he had to sleep in the same bed.

"You You left your son in your house on purpose! I won't sleep with you tonight. " Tang Siyu's heart immediately lights up the danger signal light. It's not safe to sleep with this man.

Xing liehan looks at her in his spare time. "You don't keep your word."

"Yes, I just don't keep my word." Tang Siyu plans to cheat.

"Good! I only need a phone call to stop the killing order of praying for coolness. " Xing liehan said coldly, reaching for his mobile phone, as if he was about to pull out a phone immediately, and block Qi Liang again.

Tang Siyu rushed over in a hurry and robbed his cell phone. "No phone calls!"

"As long as you do what we want, of course I won't fight." Xing liehan wanted to push her into a dilemma. Tang Siyu is twisting a pair of eyebrows. What's the matter? It seems that since meeting this man, she has been eaten to death by him.

"Good! Then promise me not to touch me tonight! If you dare kiss me again Tang Siyu snorted, and the man would not touch her.

"It's hard to avoid physical contact." The eyebrows of Xing lie's cold sword frown slightly.

"No way!" Tang Siyu is not allowed to cross the border.

"It's hard to avoid physical contact." The eyebrows of Xing lie's cold sword frown slightly.

"No way!" Tang Siyu is not allowed to cross the border. If he doesn't hold his position, this man has no bottom line.

Xing liehan's pretty sword eyebrows are twisted into a knot. He doesn't believe that she can guard against crossing the border tonight! He's just waiting for the show.

"Good! I'll take a bath first, and you can do it too! " He gave an order.

Tang Siyu blushed a little. "If I don't take a bath, you don't want to come if you think I'm dirty."

Xing liehan snorted, "even if you don't wash, I will come." Then he went through the door.

Of course, Tang Siyu can take a bath! It's the end of June. She can't stand not taking a bath.

Before Tang Siyu entered the bathroom, she left the door locked, and she took a conservative Pajama to enter the bathroom.

After taking a bath, she came up with a good idea. She moved a quilt, and then she folded it into a line. She put it in the middle of the bed, and the quilt became the dividing line, so she could warn Xing liehan not to cross the boundary.

After Tang Siyu finished, she was a little sweaty. She went to wipe her face and came out. So she heard a knock outside the door. Tang Siyu went to open the door.

One pull away.

She's a fool.

The man outside, surrounded by a bath towel, came.

Chapter 134

"You What are you doing! " Tang Siyu stared and wanted to get angry. Does this man know what respect is?

Xing liehan chuckled, "don't worry, I'm wearing underpants." With that, he pulled the towel wildly, revealing the black bullet underpants.

Tang Siyu is busy, covering his eyes. "Can you put on your pajamas and come back here?"

"Unfortunately, all my pajamas have been dry cleaned." Xing liehan is flustered. Besides, he is not afraid to find a reason.

Tang Siyu saw from a finger seam that he was indeed wearing underpants, but it was still obvious enough. She said with clenched teeth, "I don't believe it!"

"Believe it or not! That's how I sleep tonight. " With that, he pushed open some of her doors and stepped in with a slender body.

Behind him, Tang Siyu's eyes still follow his body, just look at the back, this man's figure is not perfect.

His straight back is full of wild air. Xing liehan seems to know that she is looking at him. He doesn't mind turning.

Tang Siyu's eyes widened again. His hair was still wet. A few drops of water fell mischievously from the tip of his hair to his forehead, then along the proud bridge of the nose, onto the beautiful chin, and Sexy Adam's apple.

Further down, the man's strong chest, and every inch of it exudes the charm of men's abdominal muscles, mermaid line

Damn it, this man's body is perfect for frouls.

"Have you seen enough? Don't worry, you can not only see it, but also touch it. " Xing liehan chuckles. In the quiet room, his voice line is magnetic and pregnant.

Tang Siyu's line of sight turned quickly, but he didn't know why he was in a mess.

"See that quilt? You sleep on the other side. You are not allowed to cross the quilt. " Tang Siyu orders.

Xing liehan looks at the quilt and hums, "I'm so tall, do you think I can't cross it?"

"Try not to cross." Tang Siyu orders.

Xing liehan had to reply vaguely, "then I will try my best." With that, he lay down on his back and arms.

The man lying down, the whole body has more magic general, in the light, sprinkle a layer of golden yellow color, as if God himself painted masterpieces, simply let women want to crime.

Tang Siyu didn't want to look at her for a second, because her heart rate was already disordered.

Time also imperceptibly arrived 9:30, Tang Siyu swallowed throat water channel, "I am hungry, I want to eat something."

Xing Lihan immediately chuckled, "I'll give it to you."

Tang Siyu immediately gave him a serious stare, "you sleep on you."

"It's just that I'm hungry, or I'll have one!"

"Unless you get dressed." Don Siyu can't stand it. In her family, a man who is almost naked is shaking around.

"All right!" Xing liehan can only agree.

When Tang Siyu came into the kitchen to cook noodles, Xing liehan had returned to his room, wearing a black shirt casually on his upper body and casual pants below. The shirt was intentionally buttoned to the fourth button, revealing his chest muscles like tofu.

This man is not giving off temptation all the time tonight.

Tang Siyu quickly cooked the noodles, which were light. She just threw in a few cabbage leaves. She took out the chili sauce she usually bought and just made do with it.

Xing liehan sat opposite to her and didn't dislike it. He took chopsticks and ate them. He took a bite and asked the girl in the opposite direction, "what are you going to do with your sister?"

"Warning handling." Tang Siyu answered.

"That's it? It's too cheap for her. "

"What do you want?" Don Siyu looks up at him.

"If it was me, I would fight her back twice and make her face clean," said Xing

"Let my father's two daughters tear each other off on the Internet and make a fool of themselves?" Tang Siyu doesn't agree. It's the Tang family's face that way.

Xing liehan can't help being speechless. He forgets that this girl is still a filial and obedient daughter. Tang Yiyi is indeed too much, but she wants to protect the family's face first.

"Your father didn't know that I was Xiaoxi's father!" Xing liehan thought to himself, this is a very conspicuous thing, she should tell her family.

Tang Siyu shook his head. "I didn't tell my father. Let's talk about it later."

Xing liehan's face was slightly displeased. "What? Don't think I can handle it? "

"No, I'm afraid my father knew that you beat me up five years ago, and he would cut you with a knife." Tang Siyu sneers.

Xing liehan choked immediately, and Junyan froze for a few seconds, "then how do you plan to introduce me later?"

"Let it be! When they should know, they will. " Tang Siyu didn't demand it.

Xing liehan is eating noodles gloomily. Thinking of what she is doing with mufei today, he still feels bad. "How can you get back in mufei's car? Where's your car? ""In my house, it's broken!"

"Broken? You want to take his car! " Xing liehan hums.

"It's really bad." Don Siyu doesn't like that he always doubts her.

"Good! I'll give you a car tomorrow! How about a sports car? Red or white. " Xing liehan naturally inquired as if he were chatting. He also gathered the noodles at the entrance gracefully.

Tang Siyu eats noodles. She looks at the man opposite. For a while, she shakes her head and refuses, "I don't need it."

Xing liehan was afraid that she would refuse. Unexpectedly, she really didn't want it. However, if she would accept it, it would really lose her personality.

"You think so much. Will my son follow you in the car? I'll send you a car, not for you, but for my son. Come with me to pick up a spare one tomorrow. " Xing liehan orders a voice.

Tang Siyu knows that if she wants it, he will definitely send it, but she doesn't need it.

"No! I'll have the car repaired tomorrow. " Tang Siyu refused again.

As soon as Xing lie's action of eating noodles stopped, he stared at her with cold eyes, "do you mean to fight against me? If Murphy sends it, you will receive it without mercy? And what do I give you, you feel like you're going to die? "

"What did he give me?" Tang Siyu asked, squinting.

"He gave you fruit last time." He didn't forget the last time Murphy came, he brought several bags of fruit to her table.

Don Siyu looked at him speechlessly, "fruit and sports car? Is it comparable? "

"Why not? Isn't it all for you? " Xing liehan's words are reasonable.

Tang Siyu stared at his serious and deep eyes, and she suddenly became proud. She held on to one side of her face, her eyes were dangerous and smiling, and her red lips raised, "Xing liehan, I advise you not to fall in love with me! Otherwise, you will only beg for trouble. "

Chapter 135

This man is the only one who warns others. Where can a woman warn him?

Xing liehan's face sank immediately. "In love with you? You think a lot. "

Tang Siyu immediately smiled more proudly. "Are you sure you don't fall in love with me? Although I'm beautiful, smart and charming, you'd better not fall in love with me, or you'll be offended. "

Everyone has a rebellious heart, and a man like Xing liehan, of course, also has, but this woman warns him like this, and he is just like a devil.

"Are you smart? Well done! Charming? I'm not blind and I don't see it. " Xing liehan is lying with his eyes open.

All right! This woman is only wearing a gray Pajama, with long hair, plain face, also damn beautiful and charming!

Although Tang Siyu was annoyed that he belittled himself, she just grabbed the noble self-esteem of the man and made him hate himself. In this way, she would be safer.

"That's good! Have you finished? I'm going to clean up the dishes! " Tang Siyu said, got up and took half of his bowl away.

"Ah! I haven't finished yet! What are you in a hurry? You have to sleep before you get sleepy! I'll clean it up. " Xing liehan was very depressed. He realized later that this woman was deliberately provoking him, but he was cheated.

"Good! Then take your time! I'm so tired. I went to sleep. " After that, Tang Siyu went back to his room to brush his teeth and go to bed.

Xing liehan came in more than ten minutes later, and he also went back to his room to brush his teeth and come back again. Looking at the slim figure of the girl sleeping on his side, he was full, but he was hungry. He swallowed his saliva and had to lie down next to him.

"Turn off the lights." Tang Si asked for a dull rain.

Xing liehan stretched out his long arm and pressed the switch beside him. Suddenly, the whole room was shrouded in darkness, and all around was quiet. The breathing sounds of the two people were particularly clear.

Tang Siyu didn't sleep at all. Where can she sleep? Xing liehan is sleeping beside her, her nerves are all tensed!

Xing lie lay still for a while, but he turned to his side. His long legs crossed the quilt and kicked Tang Siyu's slender legs. Tang Siyu immediately dodged the electric shock.

Xing liehan has deep eyes, like a falcon in the dark. His eyes are very good. He looks at her lovely dodge. He intentionally stretches his legs over and touches her calves.

Tang Siyu continues to hide in the direction of the edge of the bed. In the dark, Xing lie's cold and sexy corners of his mouth rise up. He wants to see where she can hide and continue to stretch out.

Tang Siyu's little face sprinkled some moonlight. At the moment, she was twisting her eyebrows. Of course, she knew that the man intended it!

And again and again, again and again challenge her, provoke her.

Finally, when the man reached out and put it on her little feet, she turned around angrily and warned him, "you're not finished!"

Xing liehan, a handsome face, is half buried in the quilt, half exposed in the light. The deep outline is like a three-dimensional painting. A pair of deep eyes are particularly bright and charming. He chuckles, "it's not over!"

"If you do that again, I'll go to sleep next door!" Tang Siyu's angry warning.

Xing liehan bit his lip and suddenly threw the quilt in the middle. "I'm not used to this quilt."

"You..." Tang Siyu stares at him.

Xing liehan's whole strong upper body is under her eyes, and the distant city light sprinkles in, the man's body is half hidden and half visible, even more dangerous and charming.

"Sleep like this." After Xing liehan finished, he purposely leaned against her.

Tang Siyu's brain is a little confused because of the sharp masculine smell and the mint fragrance. The taste of this man is charming.

In silence, Tang Siyu lies motionless, listening to the movement behind him.

And Xing liehan didn't sleep either. He stared at her small black head and her still graceful body in pajamas under the light. He could not help recalling the night five years ago, imagining the way she was suffering under her body. His body was a little hot.

"Tang Siyu, if I say I like you, how would you react?" At this moment, Xing liehan wants to express some thoughts in his heart.

"I said, don't fall in love with me."

"What if I fell in love?"

"You won't get my response." Tang Siyu said clearly.

Xing liehan suddenly reached over and pulled her. "Are you sure?"

Tang Siyu, a little stiff, turned to face him. "Go to sleep!"

Xing liehan bit his teeth. "Do you want me to marry another woman and be Xiaoxi's stepmother? Treat you like your stepmother? "

Tang Siyu's brain was stunned, which really shocked her. However, she didn't think it's suitable to talk about this topic now. She pushed him for a moment, "later, later."

"Well, I'll try to find a girl, marry her, and then take Xiaoxi back to my family to raise her." Xing liehan plans to threaten her. "Whoever you like to marry, Xiao Xi, you don't want to take it away." Tang Siyu has a breath in his voice.

When Xing liehan heard this, he suddenly became soft. "You can't live without marriage. I'll live without marriage."

"That's your business! It's nothing to do with me. "

"Good! Unless you promise to meet me, I will never marry. " Some man behind us is discussing.

"You talk a lot. Can you stop disturbing me and go to sleep?" Tang Siyu is a little angry.

Xing liehan doesn't have a good mood to him. Does this woman have a chat cell? However, where is his usual high cold? When I meet this woman, he's almost become a babbler. It's not like him.

Tang Siyu is really sleepy. Her work and rest are more punctual. Moreover, she calculates. It seems that her aunt is coming soon, so before she comes, she is very tired and sleepy.

Tang Siyu fell asleep in a daze, while the man around him was awake. He stared at her back. When he heard her breathing was even and gentle, he realized that she was asleep.

Damn it! He took off only one pair of underpants. How could this woman sleep?

Does his masculinity really appeal to her at all? Xing liehan is so depressed that he wants to beat people, but at the moment, he can do nothing but exhale.

I can only listen to her breathing silently and plan for the future. However, there is one thing he is very firm about. This woman can't have another man except him! Because he would never allow another man to be the father of his son.

Especially that Murphy, because the little guy seems to like him.

Xing liehan thought and felt sleepy. He couldn't help but reach out and pull Tang Siyu to his arms. He was holding a woman who was sleeping soundly. He had to press whatever he thought, but he was infected by her sleepiness.

Chapter 136

He closed his eyes and fell asleep.

Early morning.

Tang Siyu feels a bit wet and sticky She reached out for a touch, then squinted at her newly awakened eyes, blood red things stuck to her hands.

"Ah..." With a low cry, she planned to sit up, only to find that there was a man's arm on her waist, and that under her head was also a man's arm

So Tang Siyu turns his head and kisses the man's side face with red lips

She's so scared, my God! When did she sleep with Xing liehan in such a warm posture?

Wait, the point is that she's here.

"Hello! Let go of me. " Tang Siyu pushed him with his clean hand.

"Sleep with me again." Xing liehan still wants to sleep.

"Sleep on your head. Don't sleep. I'll be there." Tang Siyu was in a hurry for a while, and it was not easy to start.

Xing liehan understood. He opened his deep star eyes. Then he sat up to have a look. Under Tang Siyu's body, on his pajamas, blood was red.

Seeing this for the first time, Xing liehan expressed shock.

"A lot of blood..." Xing liehan feels faint.

"Go back to your room! Don't sleep with me for a week. " Tang Siyu also blushed and blushed awkwardly, which made her want to die.

Tang Siyu took the sanitary sponge and clean clothes and trousers from the drawer and went into the bathroom. At this moment, she also felt very uncomfortable.

Xing liehan looked at the blood on the bed unbelievably. If he didn't know it was her menstrual blood, he would be scared to death. The woman is indeed a wonderful creature.

Xing liehan bit his teeth, lifted the sheet, kneaded it into a ball and threw it on the ground. He took a look at the lower layer and got it. He breathed and lifted the lower layer of mat. He threw it aside. The bottom mattress was still clean.

Tang Siyu came out after washing inside for half an hour, and saw that her bedding had been taken aside, and Xing liehan was gone.

Tang Siyu's stomach hurt badly now. She drank a cup of boiled water to warm her stomach and looked at the soiled sheets. She thought she would wash them by hand! Washing machines are not always clean.

Tang Siyu is getting the sheets into the bathroom. Behind him, Xing liehan comes in wearing clothes and pants. Seeing that she is going to wash them, he immediately turns his eyebrows and says, "don't wash them. Throw them away!"

Tang Siyu said, "what's this? It's clean after washing." Then she turned to him and said, "if you want to dislike it, you can stop sleeping on my bed sheet and go back to your own room."

"Are you sure you want to wash it?" Xing liehan feels that this woman is looking for guilt. Doesn't it mean that she can't touch cold water when she comes here?

"Of course..." Tang Siyu replied that she had been soaking in warm water for several minutes and was going to rub it.

At this time, her arm was clasped and pulled up. She stood up and looked at the man who pulled herself behind her. "What are you doing?"

"Just stay there." Xing liehan orders.

then he saw him squatting down and picking up the bed sheet full of foam, and rubbing it up without losing strength.

At the door, Tang Siyu opened his mouth slightly in shock. Did he wash it for her?

My God! Illusion? This man just wanted to throw away her bed sheet. Now, he does not want to wash it?

"That I'll do it myself! " He'd like to wash it, but she's already upset.

Xing liehan continued to order, "go sit on the sofa and I'll wash it for you."

This time, Tang Siyu felt better to throw away the sheet than to let him wash it.

Because she can't stand the fact that a big man cleans the sheets of her aunt's bed, and this man is Xing liehan.

This is absolutely unacceptable.

However, he was washing it. Besides, he was very serious. Tang Siyu didn't believe it. He had to believe it.

"Well, you can clean the blood and throw it out to the washing machine!"

"Good!" Xing liehan answers.

She sat on the sofa with some indecision, waiting for the man to wash. Ten minutes later, he came out with a bucket and went to the washing machine on her balcony. Tang Siyu immediately followed him. When he put the sheet in, she came to operate.

But Xing liehan went back to the room, and Tang Siyu decided that he had scrubbed the mat for her.

Tang Siyu feels as if he has a bad conscience. Otherwise, invite him to have lunch at noon! Otherwise, it seems that I owe him too much.

Although she didn't ask him to.

But I always feel sorry for him. It's said that it's bad luck for a man to wash this for a woman!

Ten minutes later, Xing liehan came out with the clean mat and dried it on the balcony. With his height, it was very convenient to dry it.

When Tang Siyu saw that he had wet his shirt, she went up and said, "take off your clothes. I'll wash them for you tomorrow."

"I'll go back and change and go out for breakfast together." After Xing liehan finished, he went into his home from that door. Tang Siyu is waiting for him. A few minutes later, he comes here with the car key. Tang Siyu is also wearing casual clothes.

Two people went downstairs all the way to the parking lot, got on Xing liehan's car, and then went straight to a nearby breakfast restaurant. Xing liehan walked in front of him. Before he got to the position, a waitress took the coffee and slipped under his feet. The coffee poured directly on Xing liehan's chest.

Xing liehan immediately pulled his hands away from his clothes and skin, but his eyebrows were still hot. Tang Siyu also grabbed the paper and wiped it for him, while the waitress fell to the ground and cried.

"I'm sorry I'm sorry She tried to hold back her tears and apologized.

Although Xing liehan was very angry, he took a look at her and endured, "forget it!"

Don Siyu asked him, "is it scalded? Do you want to go to the hospital? "

The coffee is new. Of course, it's hot. The temperature is at least about 80 degrees. So, Xing liehan's chest is really red with this splash, but he doesn't have a pit sound. His black shirt has stained the coffee clean, but he can't see it.

"Well, let's eat first." Xing liehan continues to pull his shirt, and Jun Yan suffers from the pain of scalding.

Tang Siyu on one side directly associated with one thing. Today, Xing liehan washed her bed sheets. I don't think it's time to start my luck! Otherwise, why did this coffee spill on him?

At breakfast, Tang Siyu was still very worried about whether he was scalded. She quickly drank a bowl of porridge, only to see Xing liehan's handsome face was always ugly. From time to time, she covered her chest, and the manager of the restaurant also bowed down to him and accompanied him with an apology. The waiter was even frightened to cry.

After breakfast, he went downstairs and sat in the car. Xing liehan's slender hands untied his buttons one by one. He saw that the skin of his strong chest muscles was red. Tang Siyu, who was sitting beside, immediately stared at him, "my God! It must be scalded. Go to the hospital! "

Chapter 137

"I have some scalding medicine at home. Just go home and apply it." Xing liehan thought that instead of letting the nurse daub it on him, he might as well let the woman give him the medicine herself.

Xing liehan is so open chest, driving a sports car back to the direction of the apartment. Tang Siyu's heart is filled with guilt. Is it really related to his washing her bed sheets in the morning?

When the sports car stops in the parking lot, Xing liehan simply takes off his coat and grasps it in his hand. Under the sun, his back is straight and straight. Two pairs of beautiful small wings at his shoulder blades and his lean waist seem to contain a huge and tough force, which makes her see the legendary male dog's waist.

Tang Siyu's face behind him is dark red. Can't this man show his figure too much?

In the elevator, in the originally narrow space, the man exudes the male hormonal breath, which looms around her, making her breathe more, and her head is not clear.

"Ding" a, elevator door open, Xing lie cold walk in front, he opened his door, toward the woman behind, "give me medicine."

"Do you want me to apply the medicine?" Tang Siyu feels that he can go there by himself!

"What? No? " Xing liehan raises a beautiful sword eyebrow.

Thinking that he helped to wash the sheets in the morning, what else did she not like? She shook her head. "No!"

After he entered the room, he took a medicine box to the table on the sofa, opened it, looked at several kinds of ointment from inside, found out two of them and handed them to her, "mix them together."

Tang Siyu leaned over to look for something in the medicine chest. A man who was already sexy was squinting his eyes on the sofa. "What else do you want to look for?"

"Cotton swabs!" Tang Siyu continues to turn.

"Go wash your hands, and paint them with your hands." Xing liehan doesn't mind.

Tang Siyu looked for it, but she didn't find it. She went to the bathroom speechless. After washing one hand, she mixed the two medicines together, put some on his red skin, gently massage them, and let them penetrate into his skin.

Xing lie's cold and deep eyes narrowed tightly, and his eyes were thick as midnight staring at Tang Siyu. Tang Siyu felt it. She painted her carefully. After painting, she glanced at some place of him inadvertently

The shape there is very obvious. Looking at some ferocious color, Tang Siyu draws his hand after finishing painting in a panic.

Xing liehan sees that she has found his body reaction, and he hooks his lips. "This is a normal reaction. If you touch me, I haven't responded yet, am I still a man?"

Don Siyu didn't want to talk about this topic with him. After she packed the ointment, she went to wash her hands. Today, Suxi will come back. She wants to get together with her good sisters.

"In the afternoon, I'll take Xiaoxi and my friends to dinner." Tang Siyu said to him.

"What friend?" Xing liehan came out of the clothes room with a new shirt and pants and asked directly.

"My sister, I will bring him back earlier." Tang Siyu said, silently. Will she take her son out to report to him every day?

"Is Xiaoxi's godmother?" Xing liehan probably has some influence. She is an entertainer in the entertainment circle.

"Well, it's her." Just then, the mobile phone in her bag is singing. Tang Siyu takes a look. It's Sushi who called. She should get off the plane and come back.

She picked it up and walked towards the door.

"Hello! Heathy, are you here? "

"Just got off the plane. I'm so tired. I'm going to have a cup of coffee at the airport. Will you pick me up?"

Tang Siyu remembered that her car had broken down. She didn't go out at the moment. Then she asked the man who came over with Cufflinks behind her. "Excuse me, do you have any spare car? Can you lend me a day? "

Xing liehan went to the cabinet, took out a bunch of car keys and handed them to her, "the car is in the underground garage, go to drive it by yourself."

Tang Siyu once saw that it was his Ferrari last time. He even put it in the underground garage. She took it over and said quickly, "thank you."

She said to Suzy, "OK! I'll meet you at the airport in a minute. "

When Tang Siyu arrived, Su Xi was armed with only one pair of eyes. She was surrounded by her assistant, manager and dozens of fans who recognized her and sent her out in silence.

Su Xi sits in Don Siyu's sports car, she immediately joked and joked, "yo! It's nice to follow Xing liehan! I'm driving a sports car. "

"Don't make any noise. My car broke down in the Tang family last night. I borrowed it from him." Tang Siyu drives steadily. Two beautiful girls are in the car, as if time has become beautiful.

"I'm so tired. I'm finally finished. I'm not going to take the show next. I want to have a rest and take a few advertisements." Sushi stretches lazily. She is a girl who is addicted to acting and independent. She has made 200 million yuan for herself since she started her career. However, she has no idea about money and loves life.

"You! Don't be too tired. It's important for you to have a play in one year! " Tang Siyu advised."Well! You're right. The body is the capital of revolution, no more. " Susie's eyes showed a sense of ease.

The two sisters found a good restaurant and booked a box. They chatted and enjoyed their free time. Tang Siyu talked about the last time Xing liehan killed and prayed for cool. Su Xi was also shocked.

As an artist, she has made great achievements, but was banned because she offended someone who could not offend. This is really cruel for an artist, because she knows how difficult it is to be a public artist.

"Why did Xing liehan do this?" Susie couldn't figure it out.

"I don't know either! He said that he would kill them, and he didn't tell me. I only knew after the event. " Tang Siyu is also a fan.

Su Xi carefully combined with some things, squinting and thinking, "is Xing liehan jealous? He is totally fighting for the cool! It must be because of you. "

Tang Siyu chuckled, "where are you from! What kind of vinegar does he have? "

"He likes you!"

"You think more." At the same time, when she thought about washing the bed sheets this morning, her pretty face turned slightly unnatural red.

She and Susie are friends who talk about everything, but she still dare not tell some secrets.

"Pick up Xiao Xi at night. I haven't seen him for a long time."

In the afternoon, Xing liehan calls in. Tang Siyu and Su Xi have already gone to pick up the little guy. At the school gate, as soon as they get on the bus, the little guy sees the beautiful Ganma and pours into her arms.

"Mummy, I miss you so much." The little guy immediately expressed his missing. Gan Ma is so beautiful and loves him as much as mommy. Maybe as a little man, he has an irresistible attraction to beautiful women!

Sushi looked at his little face growing more and more troubled. Every time he saw it, he would be jealous. Tang Siyu had been guilty five years ago, but it was a gift from heaven to have such a little angel.

"Come on, kiss mummy." Suzy had a delicate side face and let the little one kiss.

The little guy kissed at once. Two pieces of thin, tender and soft made Suxi's heart melt. He held his small head and kissed several more on his side face.

"Well, think about where to eat in the evening!" Tang Siyu asked the little guy, "Xiaoxi, what would you like to eat at night?"

"I want to eat everything!"

"I know a restaurant, it's high-end, but the food is delicious," sushi said

"Good! It's your treat! "

"Well, I'll treat you to me, as your mother and son will eat."

"I can eat very much, I will eat poor you!" The little guy joked with humor.

Sushi hugged him and said with a smile, "let go of your stomach tonight!"

Xing liehan's car goes straight to his home, because he is responsible for taking his sister to Wen's tonight. Xing Yinuo can't live or die, and only his eldest brother can send her there.

At this time, Xing Yinuo is living at home. Her parents and second brother went out to the airport an hour ago. Now they should board and leave. Her next life is not spent in her warm home, but to move to Wenjia.

Although she also likes her uncle and aunt, she feels terrible when she thinks of Wen Liangyao's tutoring her. Her second brother is often impatient with her. Will this stranger be patient with her?

Maybe it's more severe than the head teacher. When she thought of the head teacher's face, she prayed for the end to come soon and let her disappear!

Xing liehan's slender body stepped in, and the servant immediately called him, "master."

"And a promise?"

"The lady is upstairs."

"Has she packed all her things?"

"Clean up, but refuse to go downstairs."

Xing liehan steps upstairs. For the sake of her sister's study, the whole family spits a heart. She is smart and eager to learn in all aspects. In addition to Chinese, English is OK. Mathematics is poor to a certain extent. The whole family doubts whether she was sleeping when she was in mathematics.

However, in this world, there are some people who are not interested in numbers. They can't even listen to them.

Xing Yinuo is just like this. She can do anything but math.

Xing Yinuo heard footsteps coming from the corridor. It was the eldest brother's. her small body on the bed was shaking for a while.

When the door opened, Xing looked at his sister who was sitting on the bed. He sighed, "Yinuo, you should go."

"I'm not leaving. I'm going to live at home alone and let sister Liu serve me three meals a day."

"No, I'm not sure." Xing liehan twisted his sword eyebrows.

"I'll stay at your house, elder brother. How about you tutoring me at night?" Xing Yinuo blinks big eyes. Elder brother is better than outsiders.

Xing liehan looked at her and thought of taking advantage of her spare time and being lazy. He immediately refused mercilessly, "I'm very busy. I don't have this spare time."

"But I don't want to see Wen Liangyao. He will kill me."

Xing liehan didn't know what his sister was thinking all day. He smiled and comforted him. "Where do you want to go? Liang Yao is the most patient and gentle person I have ever met. He will give you a good guidance. "

"I don't believe it." Xing Yinuo's little hands scratched on the quilt, which made him very upset.

"Well, how about I invite you to dinner tonight?"

Xing Yinuo's eyes brightened, "really? Can I have it with Xiao Xi? I miss him so much! "

"Good! I'll get in touch with you. You can quickly pack up your things and put them in my car first. "

"Big brother, do I have to go to Wen's house?" Xing Yinuo's expression on the execution ground.

"Must go." Xing liehan is determined.

Xing Yinuo bit his lip, and had to compromise, "OK! I can stay with you on weekends! "

"Good." Xing liehan dotes on Tao.

Xing Yinuo's packed clothes and schoolbag are beside her. Xing liehan mentions them for her, while she carries her schoolbag on her back, says goodbye to her pink and Blue Princess Room, and goes downstairs.

Xing liehan takes a look at the wristwatch. It's ten past five. At this time, Tang Siyu has gone out with the little guy. He takes out his cell phone and dials up her phone.

On the way to the dining room, Tang Siyu immediately answered by pressing the car phone. In the whole carriage, Xing liehan's sexy voice came, "where is it?"

Su Xi, who is sitting in the back seat, is all heartstrings taut. There is a dark wow. Xing liehan's voice is so beautiful!"On the way to the restaurant, what's the matter?" Tang Siyu asked.

And the little one cried excitedly, "Daddy!"

"Xiaoxi, your aunt wants to eat with you, OK?"

"Good! I want to eat with my aunt. "

"Your restaurant address." This is obviously to ask Tang Siyu.

Tang Siyu thought to himself that Xing liehan should have sent Xing Yinuo to eat with her son. Of course, she didn't have a problem, so she said the address, and then she hung up after a good response.

In the quiet carriage, Tang Siyu asked Suxi behind him, "one more person, the lovely little princess of Xing family."

"Of course I have no problem!" Su Xi laughs. The little princess of Xing family must be very lovely, because the gene of Xing family is too strong.

After hanging up Tang Siyu's phone, Xing liehan wants to make another call. He goes to a place far away from his sister and dials up Wen lichen's phone.

"Liehan, what's the matter?" The voice of Wen lichen came from that end.

"I invite my sister to dinner in the evening. She still rejects Liang Yao. I think it would be better to have dinner together."

"It's just that my parents went out for dinner at night. My brother and I have no place to eat. Let's go!"

Xing liehan replied, "OK! We are going to the restaurant now. Come here as soon as possible! " Finally, the address of the restaurant.

It happened to be a restaurant that Xing liehan and Wen lichen would often go to. They knew the address as soon as they said it.

"Brother, who are you calling?" Behind him, Xing Yinuo asked with a pair of starry eyes.

"Call Xiaoxi. They have already gone to the restaurant. It's your favorite one." Xing liehan looks back and touches her hair.

Xing Yinuo once heard that the ice cream in that family had better be eaten. She immediately swept away her unhappiness and was in a good mood! Let's go now! " Finish saying, it is the hand that holds Xing liehan warmly to walk toward his sports car.

Chapter 139

Xing lie, with a drowning smile and shaking his head, is led by her to the front of the car.

Tang Siyu and Suxi's car is almost to the dining room. Her message to Suxi is that Xing liehan will only bring his sister to have dinner with them. However, the guests who arrive in a moment will certainly frighten them.

Wenzhai.

Wen Li Chen knocked on his brother's door. "Liang Yao, let's eat out."

Very shutter opened, Wen Liangyao's handsome face appeared, a gray T-shirt, simple and elegant, clean temperament.

"Where to eat?" Wen Liangyao asked curiously.

"Just now, liehan called and said that Yinuo didn't like you very much to help her with her studies. He planned to let you go out for dinner and ease her tension." The Xing family's children, in the eyes of Wen lichen, have long been regarded as their own brothers and sisters.

Wen Liangyao raised his lips and smiled, "she's really afraid of me!"

Wen lichen took a look at him. "You are not allowed to bully him."

"How can I bully her?" Wen Liangyao gave elder brother a white look, and said this as if he would be like that little girl. He must have been eight years old.

Wen lichen picked up the car key on the table. "Gone."

Wen Liangyao thought of something interesting. The smile on the corner of his mouth was still on. He was in a good mood when he thought of that naughty and smart girl like an elf.

Tang Siyu and Su Xi asked for a small box and waited for Xing Yinuo, the little princess of Xing family, to come.

At about six o'clock, Xing liehan had just parked his car, and a silver Rolls Royce stopped next to him. Looking at the familiar car, Xing liehan chuckled and didn't expect to come together.

Xing Yinuo is in a daze. Then she sees a familiar figure in the car next to her. She must have a look. Who is Wen Liangyao?

"Brother! Why are they here? " Xing Yinuo immediately asked brother.

"They just didn't have a place to eat, so they were together." Xing lie smiled and comforted, "let you contact Liang Yao more in advance, and he will be more interested in your study."

"I don't want it!" Xing Yinuo's mouth is small.

"Xiaoxi is waiting for you upstairs. Get out of the car quickly." Xing liehan takes out elder brother's majesty and opens the door of the copilot's seat to let her off.

Xing Yinuo thought that Xiao Xi was waiting upstairs. She got out of the car. Beside the three young and charming men, she was very petite. She politely shouted to Wen lichen, "brother Wen."

Wen lichen smiles at her. Xing Yinuo feels a pair of smiling eyes fall on her. She raises her head abruptly. Wen Liangyao puts his hand in his pocket and looks at her with a smile.

He was facing the brilliant sunset. In Xing Yinuo's eyes, the man's smile even made the sunset pale, handsome and warm. Especially under the sword eyebrow, those clean and warm eyes made the heart beat faster.

Xing Yinuo's brain immediately burst out a word, handsome.

Soon, however, she lowered her head, even if she was handsome? She didn't like it when she thought that he would pursue her as hard as the dean in the future.

"Well, stop standing and go up!" Xing liehan said, and wenlichen two elders seem to walk in front, let a pair of younger siblings follow behind.

"Hi, a promise." Wen Liangyao takes the initiative to say hello.

Xing Yinuo takes a quick look at him and lowers his head to look at the toe of his foot, but he doesn't know that Xing liehan is letting a car in front of her. She almost bumps into the back of her elder brother. When she finds out, she is scared and embarrassed. Wen Liangyao looks at her lovely expression in the lake. On one side, he chuckles.

"Don't laugh." Xing Yinuo whispered.

Xing liehan and Wen lichen did not turn back, but led them into the restaurant together. The elevator reached the 18th floor all the way to the door of the restaurant. Xing liehan touched his mobile phone and connected Tang Siyu's mobile phone.

Tang Siyu is waiting for Xing Yinuo to order a meal. When she sees the phone coming, she quickly picks up, "Hello!"

"Where is it?"

"We're in box 3." Tang Siyu answered, hung up and said to his son, "your little aunt is here."

"I'm going to meet her."

"No, your father will send her here. Don't run around." When Tang Siyu stops his son, it must be a restaurant. He doesn't want anything to happen to his son.

Sushi is taking her mobile phone to see her new drama promotion information. At this time, there is a knock outside the door. Then, the sweet voice line of the waiter rings, "please come in."

Su Xi immediately received the mobile phone, and Tang Siyu looked at the door. Xing Yinuo's figure could not wait to enter. Then, Xing liehan, Wen lichen, Wen Liangyao

Su Xi saw Xing liehan's extraordinary figure, another figure like the bright moon. Her brain exploded and her eyes widened

My God! What happened to him?

Wen lichen stepped in. He didn't notice the girl next to Tang Siyu at the beginning. He only narrowed his eyes to make sure that this girl was the female artist who peeped at him last time.

"Here you are, aunt." The little guy ran to Xing Yinuo's side and called her happily. "The box is too small. Change it for us." Xing liehan says to the waiter beside him.

"OK! I'll change you to box eight right away! That's for ten. "

Tang Siyu is also frightened. Xing liehan not only brings his younger sister, but also two brothers of the Wen family.

She turned to look at Susie, looking at her friend's red and embarrassed face, and she knew that she was at a loss.

Wen lichen also came, which she didn't expect.

And just then, a young and happy voice came, "Godfather..."

Tang Yixi got down from his seat and ran to Wen lichen's side. He couldn't wait to introduce him. "Godfather, this is my godmother, the beautiful godmother I told you last time."

Susie wished she could drill a hole in the ground and bury herself.

"Well!" Wen lichen smiled, but his deep and complicated eyes fell coldly on Suzy's face.

Sushi touched his eyes as deep as the sea, and her heart couldn't stop tightening. She couldn't even jump a little more.

When changing the box, Xing liehan and Wen lichen passed first. Xing Yinuo led the little guy, and Wen Liangyao followed him. The two girls in the box looked at each other.

"Heathy, are you ok?"

"I May I not have this meal? " Asked Susie, crying.

"But where are you going to eat! Come on, eat it! "

"I'll eat whatever I like." Suxi really didn't want to eat it, especially at the sight of Wen lichen, which made her directly feel that this man still hated her!

"Then Then I can't force you... " Don Siyu can't embarrass her. She had such a big grudge with Wen lichen before.

Chapter 140

While they were still talking, the door suddenly opened, and Wen lichen's figure stood there, "Miss Tang, Xiao Xi is looking for you!"

Tang Siyu and Su Xi immediately stood up. Su Xi looked at him shamefully and said to Tang Siyu, "I'll go first."

Tang Siyu nodded. Su Xi just arrived at the door, and a cool voice came out, "don't you owe me a meal? Make up for this meal! "

Tang Siyu looks at this pair of men and women. She takes a sympathetic look at her friend. "Hi, I'll go first!"

Susie nodded. At this time, it's better for them to talk about their old grudges alone.

Wen lichen said with a sneer, "what's the matter? Can't afford it? "

Of course, Susie can afford it. She just didn't expect that this man would be so cold to her. She thought for a moment and said, "OK, I will."

Wen lichen turns around and steps back to the box.

Behind her, Susie breathed a little. Of course she asked! Eating with so many people is always easier and more fun than eating with him alone.

In the box, Xing liehan just watched Wen lichen get up and go out. He expected what he was going to do. When he came here, he really forgot that Tang Siyu had dinner with Susi.

"Mommy, you sit here, beside daddy." The little ones are in line.

He sat next to Xing Yinuo, next to Wen Liangyao, and the next two empty positions, of course, were the positions of Godfather and godmother.

The waiter knew that there were only eight of them, so he moved the extra chairs away, leaving only two.

When the door opened, wenlichen's long and straight body took the lead in, followed by Suxi.

"Godfather, godmother, here you are." The little guy cried excitedly.

For a moment, Susie's heart was tense. The names of the parents were added together, as if they were two husband and wife.

"This is your position!" Little guy points.

Wenlichen smiled and watched him sit down. Sushi also sat down. The waiter ordered a meal. Except for the little guy, everyone had a meal book, and wenlichen ordered the first one. Besides, it was the dishes on the list of the most famous dishes, including Golden shark fin, pan fried goose liver, braised blood swallow and nine level Australian fried steak.

One side sushi is also staring at the menu. Every time the man's low string like voice rings, her heart will jump once. This man is going to eat her poor!

Of course, all the people here don't know that this order is from Susi tonight, so they don't feel anything. Xing liehan adds some food that little guy and his sister like, Wen Liangyao also orders what he wants, Tang Siyu orders vegetables, and Susi adds dessert.

After ordering, Tang Siyu's turn is to introduce Su Xi, "Xi Xi, this is Xing liehan! Xiao Xi's father. "

Su Xi immediately smiled and said hello to Xing liehan, "Hello, Mr. Xing."

Xing liehan looks at Tang Siyu's good sister. Although she is in the entertainment circle, her temperament is clean. She is the same as her. He says, "Hello!"

"This is Xing Yinuo, Miss Xing family."

"Hello, elder sister, you are so beautiful! Have I met you somewhere? " Xing Yinuo feels that Suxi is familiar!

"My name is sushi I'm an actor. " Suzy laughed.

"Ah My God? You are sushi Sister sushi I really like that white fox you played! You are so beautiful in it! " With that, Xing Yinuo was so excited that he shook his fist and opened it like a little fan. "I see my idol! Can you sign for me later, sister? I like you. "

On one side, Xing lie's head is a little too big for him. His younger sister's appearance of being a narcissist has lost her family's face!

Susie laughed naturally. "Yes!"

Xing Yinuo continues to be like a little fan sister, staring at Sushi's eyes, shining, and looking at the idol at a close distance.

Tang Siyu pretends that he doesn't know Su Xi and Wen lichen, but Wen lichen certainly doesn't want him and Su Xi to know something so embarrassing.

"Xi Xi, this is the eldest young master of the Wen family. That is the second young master of the Wen family." Tang Siyu's polite introduction.

Su Xi's eyes did not look at Wen lichen, but smiled at Wen Liangyao. "Hello."

"Hello!" Wen Liangyao also likes sushi.

At this time, ice cream was sent in first. Xing Yinuo and the little guy like two ice cream boats liked them very much. Here, only their two children would be fascinated by ice cream.

The food also came up very quickly. Everyone was hungry. Tang Siyu and Su Xi were talking about the food in a low voice. After Tang Siyu paid for the food, they thought it was delicious. It was really expensive.

Xing liehan's eyes and Wen lichen's silent communication several times. Xing liehan thinks Tang Siyu's secret is good. If a good brother is interested, he can consider it.

Wen lichen's eyes were not clear. When he didn't see sushi, it was nothing. But when he saw sushi, he would remind him of his naked appearance. He was chagrined by a woman who looked at sushi. Whether he was still angry or not. Susie also knew that the man would not forgive her easily. She planned to sneak out and settle the bill first. When she was half eaten, she used the excuse to go to the bathroom.

When Su Xi leaves the table to go out, Wen lichen's sword eyebrows slightly twist, gets up and follows him out.

Xing liehan and Tang Siyu are slightly shocked. They both know that they have a grudge. Tang Siyu can't help worrying about his friend secretly. Wen lichen seems to have some disputes with her tonight.

Xing liehan, as a man, has a funny smile on his lips. It seems that this friend has no interest in Su Xi, but he doesn't think so!

Wen Liangyao's eyes are more focused on the two children around him. For him, Xing Yinuo is a child. Although he is 15 years old, he is totally childish.

"Liang Yao, I will entrust you with a promise. Give her a good tutor, especially in mathematics. She has been at the bottom of the school for two semesters."

"Big brother, you just say that I'm learning scum. Anyway, I don't care." Xing Yinuo turned his mouth.

"To put it mildly, I can save your face." Xing liehan has no good airway.

Tang Siyu on one side chuckles. It seems that Xing liehan is more cool and luxurious in the eyes of outsiders. When facing his family, he is still like a worried elder, quite grounded.

At the counter of the restaurant, when sushi found out the card and was about to hand it over to check out, a low male voice stopped him. "Well, this meal doesn't need you to come here."

Susie turned around and wenlichen was behind her. She was surprised for a few seconds. "Didn't you say I asked for it?"

He ordered so many valuable dishes. Isn't it right for her?

"Not this meal, next time!" Wen lichen finished, handed him a black card. As soon as sushi heard it, he immediately said to the waiter, "brush mine, brush mine!"
