

U. CEO Daddy 1331

Chapter 1331

Ni chuxue's hot hand is still held by Xiang Baohan. When she responds, a pretty face is painted dark red. She secretly looks at the opposite father and Aunt Chen, thinking that they have not misunderstood anything!

Xiang Pohan looks at her fingers and doesn't burn red. Then he pulls back his hands. He is always sharp. He finds out the silence of a couple opposite. He slightly coughs and says to Ni chuxue, "pay attention next time."

"Well! I'm fine! " Ni chuxue smiles.

"Mr. Xiang, listen to Chu Xue. This time she's back home. Thanks for your care. Thank you so much." Gu Mingfan expressed his gratitude.

"My family and her parents are friends. It's right to take care of her." Respond politely.

In Chen Meizhen's eyes, she looks at the young people in the opposite direction. There are more smiles in her smile. But from Ni's reaction, she feels that she doesn't know that the gentleman around her is interested in her!

Next, Gu Mingfan has a very strong interest in medicine. He asked for a lot of advice from Xiang Baihan, and his donation was huge. This is his contribution to the gradual relocation of his headquarters back home. He wants to express his kindness through Gu Mingfan's charity company.

Gu Mingfan has never met such a large guest. He really appreciates Yujia. What's more, he has found his own daughter.

After dinner, Ni just received a video call from her mother from abroad. In the box, her parents on both sides said hello.

Gu Mingfan's knowledge is very good, and his English is very good, so the two parents communicate with each other across the screen.

Ni chuxue's eyes are red with joy. This is what she wants to see most. Her favorite people get along with Qi.

"First snow, your father and me and Myra, we decided to visit you and take a trip to your country together."

"Really? Mom, when are you coming? " Ni chuxue asked pleasantly.

"We decided to start in these two days, and we miss you very much."

"Well, then come here! I'll pick it up. " Ni chuxue said happily that the camera was rocking and showed the handsome man sitting on the sofa.

Just then, Meila is also in the camera. She just wants to come to see Ni chuxue's biological parents. Unexpectedly, in the flash of the camera, she sees a thin cold.

When Myra was shocked and wanted to be determined again, there was no cold in the camera. Meila thought she must have been delusional. How could Ni Chu Xue be together with Xiang Bo Han?

Xiang Baohan's identity, for her, is an existence of awe. He is Xiang Qinghao's uncle and the most powerful executor of Xiang's group at present.

Meila didn't want to come to see Ni chuxue at first, but her parents had to ask her to come. Just in time, she also hoped to take the opportunity to persuade Ni chuxue to stay in her country and not to come back to her home.

When she learned that her parents were coming, Ni chuxue was very excited. After talking with the couple, Gu Mingfan also knew her daughter's luck, which made her meet such a loving and kind couple in her infancy.

Out of the restaurant, Xiang Pohan and Ni chuxue are going back to the hotel. Gu Mingfan is also distressed when he listens to his daughter's staying in the hotel. He thinks about it and discusses with his wife to clean up a room.

The two sides said goodbye to each other. Gu Mingfan was reluctant to see his daughter get on the thin and cold car.

Looking at the distant figure of the car, Chen Meizhen said with a smile, "Mingfan, the first snow is innocent and lovely, what a lovely child!"

"Yes! Today, I feel like having the most beautiful dream, which makes our world no longer lonely. "

"Thank you. When you knew I had lost my fertility, you were willing to love me and marry me." When Chen Meizhen thinks of the lowest point in her life, it is he who accompanies her. She is grateful for her life.

When Gu Mingfan lost his fiancée and the baby, he went crazy and searched all over the world. At last, his wife came up from the river, and the baby, he thought, was not in the world.

When he was in agony, he met Chen Meizhen who was in a serious car accident. He took her covered in blood and went to the hospital. In that car accident, Chen Meizhen lost her right to be a mother completely. Gu Mingfan accompanied her, encouraged her and supported her to come out in the most difficult time.

Two painful people, supporting each other, find each other's sustenance again, and go together for more than 20 years to today.

It is indeed a couple in need, and Chen Meizhen naturally regards his children as having left.

"Do you see that? Mr. Xiang, I like the first snow very much! "

Gu Mingfan nodded. "It can be seen that it's just the beginning of the snow. I don't know Mr. Xiang's mind."

"If Chu Xue could marry Mr. Xiang, she would be very happy."

"I wish she had this blessing!"

The two husband and wife chatted and walked towards the direction of the car.

While sitting in the car, Ni chuxue is full of joy and expectation, and the parents on both sides meet.

Xiang Bo's face is a little tired. He keeps his eyes closed, but he is tired because he often holds video conferences with foreign companies in the evening recently. Unconsciously, Xiang QingHan fell asleep. When Ni chuxue turned her head to look at him, she saw that Xiang QingHan's side brain was leaning towards her shoulder. She hurriedly sent her thin shoulder to catch his dependence.

With a soft dependence, he sleeps more deeply. The street lamp outside the window, the flashing lamp with light and shadow, shines on the handsome face of this man, which is a little confusing and sexy.

Ni chuxue is careful to breathe, for fear of disturbing him. Even though her shoulders are heavy, she tries to let him rely on her.

So I slept in the hotel all the way. When I stopped, the bodyguard turned around and saw the sleeping boss behind me. They didn't know whether to wake him up or not.

Ni chuxue also loves him a little. Just when she wanted to ask him to go back to the room to rest, the thick and long lashes of the item were lifted. The dark and deep eyes were particularly bright.

Just when he found that he was leaning on Ni chuxue's shoulder, he immediately sat up straight and asked her with concern, "is it pressing you?"

"No!" Ni chuxue curls his lips and smiles. He wakes up with a thin, cold sleep. His mind is slightly trance. He is moved by this sweet smile, as if there is a good feeling in his heart.

At this moment, Xiang has an impulse to embrace her and take over her charming smile.

Ni Chu Xue touched his deep gaze, and the smile began to be a little shy. She got out of the car from the side door and walked around Xuan to the hotel, but the light outside was dazzling.

She ignored a step under the stage, and she just caught it.

"Ah..." She exclaimed.

And the man who is waiting for her in front of her, takes a quick step in an instant, and tightly embraces the girl who is going forward.

Chapter 1332

Under the dim yellow light, Ni chuxue's face was red and fluttering, breathing slightly. The whole upper half of her body was still clinging to the man's strong chest. Her slender hands instinctively hugged his neck, and his two hands were also hugging her waist.

His breath was a little smothering. He didn't expect that the idea he had just had in the car would come true after he got off the bus.

It's the little guy who jumped up to let him hold him. Inexplicably, at this moment, he didn't want to let go or let go.

Ni Chu Xue raises her head, and the beautiful eyes touch a pair of deep eyes. The light in the eyes makes her a little surprised. Because at the moment, the man's eyes are not the eyes of the elder looking at the younger, but the eyes of the man looking at the woman.

However, Ni chuxue was so shy that she let go of his neck and stepped back again and again. "I'm sorry, uncle Xiang. Did he scare you?"

Item thin cold or loosen her, he hook lip chuckle, "later pay attention to the steps, kicking pain?"

"No, it's just a shock." Ni chuxue shows a row of white teeth.

"Go back to your room!" With Xiang Pohan finished, he took the lead in the direction of the elevator.

Ni chuxue follows him behind, and her brain is still blank. The intimate contact just now made her heart beat faster.

And uncle Xiang's eyes just now! Why can't she read it?

Xiang Bo Han knows how frightened she is today. He sent her back to the room, and he also went back to the room. However, he still needed to read the documents, but found that his mind seemed to be occupied by other things. For a while, he didn't focus on his work.

Item thin cold squints Mou, slightly sighed a breath, it seems that some emotions block in the chest, difficult to smooth.

At the moment, in another hotel, after a romantic dinner, Xiang Qinghao brings Jiang Xinwei back. Jiang Xinwei said hello to her parents and stayed in the hotel tonight.

Jiang Shan could have told her cousin and husband about today's proposal, but it's better for her to ask for it from Jiang Xinwei.

In the evening, the soft crystal lights in the hotel gently illuminate this warm and comfortable hotel suite, and the wordless romance flows around.

Jiang Xinwei is really tired today. From morning to the end of the show, she is not relaxed with a string. Now, once Panasonic comes, she is even more tired.

Of course, in the weariness, and mixed with unspeakable happiness, tonight, she saw most, probably is her middle finger on that shining diamond ring!

The diamond ring has become incomparable in beauty, but it represents the meaning and even more important, which means that she will only belong to Xiang Qinghao after that. What Xiang Qinghao bought this time was the diamond ring she brought with her middle finger, because on the ring finger, she still had to wear the ring ring he was going to marry.

Xiang Qinghao sat on the sofa and looked at the girl lying in her arms, holding up a pair of thin fingers and admiring the diamond ring.

He reached over and clasped his fingers with her, and he kissed her gently on the forehead. "Do you like it?"

"Yes, very much." Jiang Xinwei bent her lips and laughed.

Xiang Qinghao can't resist her smile. He points his thin lips at her red lips and kisses her directly.

Jiang Xinwei put her arms around his neck and kissed this deeply.

Hard to separate kiss, Xiang Qinghao gasped in her ear and said, "I wish I could get back our previous memory. I want to know when I moved my heart to you."

This memory, Jiang Xinwei carefully kept in the heart, she comforted, "there will be a day to find it back, don't worry, now we are very happy, isn't it?"

Xiang Qinghao was greedy. "I don't want to lose everything about you."

Jiang Xinwei smiled and snuggled up in his arms. She was too tired. She snuggled up for a while and said, "I'll take a bath."

Xiang Qinghao nodded, "go! It's time for me to take a bath. "

Two people, one in the guest room and the other in the master bedroom, Jiang Xinwei took a bath. She dried a long hair, white silk robe, making her elegant and charming like a princess.

The white color makes her skin look like snow, tender and glossy.

In the next room, Xiang Qinghao has finished washing, probably because of the successful proposal, which made him so excited that he couldn't sleep at all. In his mind, all the girls in the master bedroom.

However, in Xiang Qinghao's heart, he also hopes to be a gentleman. Although Jiang Xinwei now belongs to him, in his heart, he wants to cherish this feeling.

It is the most basic etiquette to love a person.

Jiang Xinwei is also looking forward to the door of the main bedroom. She hopes Xiang Qinghao to come in and accompany her, but she is nervous.

In anticipation and tension, Jiang Xinwei bit red lips, she decided to take the initiative to go back to him.

Anyway, she hopes to spend the night with him.

Xiang Qinghao was on the balcony, using the night wind to blow away the heat inside. He heard a knock on the door. Although it's a little light, he can hear it clearly!

In an instant, his handsome face was covered with a layer of ecstasy. He calmed down and opened the door naturally at the same time.

Open the door, looking at the girl outside, his calm mind, direct a second chaos.

The girl outside the door, wearing a white nightdress, long hair draped, beautiful face, just like a fairy coming down to earth, directly disordered his heart.

"Can't you sleep?" Xiang Qinghao asked in a low voice.

"I think I want to have a bed with you, can I? " Jiang Xinwei's head hung down in shame.

"Of course." Xiang Qinghao wanted to say that he could not get it.

Jiang Xinwei smiles and enters his room. Although it's a guest room, it's still a warm bed. Jiang Xinwei is tired. She sits on his bed and lies on the soft pillow. "It's very comfortable."

Xiang Qinghao chuckled and just wanted to go in and lie down. He heard his phone ring. He picked it up and saw that it was from the other side of the house. "I'll take a call."

"Well!" Jiang Xinwei nodded.

Xiang Qinghao came out of the balcony of the hall with his mobile phone to answer. It was his father's voice.

"Qinghao, the first batch of antidotes has come out, but we are still thinking about further research and want to hear your opinions."

"Dad, I believe you. If you think it's feasible, I'll take it!" Xiang Qinghao has been eager to restore those lost memories.

"We are all in control of the side effects of this medicine. In a few days, your mother and I decided to go back to China first and see how the house you chose is."

"Well, come back! I'm going to tell you a happy event! "

"Oh! What's the good news? "

"I asked Xinwei to marry me. She would marry me."

"Really? Then we have to come back. It's time to see our family. "

Xiang Qinghao and his father talked a few more words. He put down his cell phone and walked to the direction of the guest room. He gently pushed the door open.

Only then discovered that the girl on the bed already hugged the quilt, tired fell asleep, the item Qinghao momentarily some cries and laughs.

A phone call time, she fell asleep? Ah! This is not the right time!

Chapter 1333

In the early morning, Jiang Xinwei comfortably stretched out her waist, with long and clear eyelashes. She opened her eyes bleakly, which was just half opened, making her eyes wide.

Because at the moment, she is nestled in the man's arms and tightly hugged. What her eyes look at is the beautiful collarbone of the man, as well as the solid bronze chest.

Later, Jiang Xinwei thought of last night when she ran to Xiang Qinghao's bed and fell asleep.

Jiang Xinwei still felt extremely ashamed. Besides, she slept so hard last night. Did she offend him? Or is there anything close between them?

Jiang Xinwei is breathing at the moment. It's all the strong hormone breath from the man, which makes her brain a little dizzy and hot. She lingered in the beautiful clavicle of the man for a few seconds, then gently stroked his chest with her hand, feeling the wild body of the man.

She quickly thought of getting up, and at the same time, without waking the man, she went back to her room.

Jiang Xinwei, like a kitten, slipped out of the man's arms. She just sat up and just came to the edge of the bed. Suddenly, at her waist, a man's arm naturally hugged her. In an instant, a force suppressed her. "Er!" She slightly exclaimed, the whole person continued to fall back to the man, even vaguely crawling in his arms.

Her eyes, also touch a pair of bright smiling star eyes, she quickly chat up a smile, "you wake up, am I disturbing you?"

"How can I sleep without you?" Xiang Qinghao chuckles.

Jiang Xinwei also had to not escape, enjoy lying in his arms, back to Yang Qi.

"Did you sleep well last night?" Xiang Qinghao asked in a low voice.

"Well, I slept very well." Jiang Xinwei replied.

"But I didn't sleep well." Xiang Qinghao deliberately caresses her long hair.

Jiang Xinwei is not a person who doesn't understand anything. She can't help chucking, "that's my fault! That is to say, I dare not come to sleep in your bed later. "

Xiang Qinghao immediately hugged her waist and said, "I'm going to be my wife. Don't sleep in the same bed with me. Do you want to sleep in separate beds?"

Jiang Xinwei giggled, naturally willing to join him! Her heart was filled with a sense of sweetness.

"That's not your wife yet!" Jiang Xinwei still has to say something.

However, this sentence, directly to the man gas, he a turn over, the world exchange.

"It seems that I can't bear it." Xiang Qinghao felt that it would take a man's momentum to solve the problem.

Jiang Xinwei immediately blushed with fear and took a pillow to block herself. "Xiang Qinghao, don't do that!"

"Are you afraid? Is it my wife Xiang Qinghao pulls away her pillow, holds her hand, and asks directly.

"Yes, yes." Jiang Xinwei has no guts and laughs to please him.

Xiang Qinghao quickly released her and kissed her on her forehead, "our wedding will be done soon."

Jiang Xinwei also hugged his neck and nodded contentedly, "OK! I'm looking forward to it. "

In the hotel.

Project thin cold to go to Gu Mingfan's company, also sent Ni chuxue together. Ni chuxue cherishes the time with her father very much. When his father is in a meeting, she waits for him in the lounge.

In the conference room, Gu Mingfan sincerely invited Xiang Baohan, "Mr. Xiang, we have a charity private dinner tonight. I wonder if Mr. Xiang has a time to have a lively time together. I will invite Chu Xue to join us."

The item thin cold tiny smile, "I have time."

"That would be great. We are very honored to invite you to participate."

"You're welcome. I'll leave if I have something to do. I'll see you in the banquet hall in the evening."

"OK." Gu Mingfan said, let the assistant deliver an invitation letter to him, item thin cold took over, "I go first."

Xiang needs to catch up with the next meeting. He leaves without greeting Ni chuxue.

Gu Ming also discussed with Ni chuxue. Naturally, Ni chuxue would like to accompany her father to the party.

"Dad, I'm in a hurry this time and I haven't prepared my evening dress."

"There's still time in the afternoon. I'll ask the assistant to accompany you to the dress shop to choose a suit. Tonight, Mr. Xiang will also attend."

"Uncle Xiang will come, too?" Ni chuxue is still very surprised. Unexpectedly, he will be there.

Inexplicably, when she heard the news, there was a hidden expectation in her heart.

She didn't know what to expect.

In the afternoon, Gu Mingfan asked her assistant, Xiao Chen, to take Ni chuxue to a high-end evening dress shop for selection.

Ni chuxue's original temperament, young, lovely and sweet, with a figure of 1.66 meters, is a perfect oriental girl's figure.

The waiter selected five suits for her choice. Ni chuxue didn't choose among the dresses that matched her young temperament in her eyes, but her eyes were more focused on the evening dresses that seemed mature and sexy. The waiter can't say anything, but let her choose. Ni chuxue is picking it up, so she takes a look at a red simple long dress. She has excellent temperament, white as snow, and delicate and pure face. No matter what kind of evening dress she drives, she is very relaxed, but her temperament has changed.

"Miss Ni, this evening dress looks mature. Are you sure you want this one?" A waiter can't help but remind me.

Ni chuxue nodded and said definitely, "yes, I want this set. Can I try it on?"

"Of course."

Ni chuxue goes in and tries on. Two waiters and Xiao Chen are waiting for her. They are surprised by her eyes. She is so pure and lovely. Why should she choose such a mature evening dress?

As for why, it's probably only Ni chuxue who knows for herself. She doesn't want to dress like a child any more. In the eyes of others, she thinks she hasn't grown up yet. She wants to make herself look more mature and temperament.

There is a yearning in her heart. She stands beside Xiang Xianhan at the dinner party, not like his junior, but like a female companion.

When Ni Chu Xue came out, the people present were still amazed. Unexpectedly, with her slightly childish face and wearing this red dress, she was unexpectedly charming and beautiful. "Miss Ni, you are so beautiful." The waiter couldn't help but exclaim.

Ni chuxue smiled and said to the waiter, "could you curl my hair for me? I want to be more mature."

"OK!" Of course, the server is willing to serve her.

Standing in front of the mirror, Ni chuxue is filled with expectation.

Chapter 1334

At 5:30 p.m., Ni chuxue starts from the tuxedo shop and is led by assistant Xiao Chen towards the private banquet hall tonight.

Gu Mingfan and his wife have already been in the past. Tonight, they are all the guests of Gu's charity cooperation. The number of guests is not very large, about 50 people. It's just a business and leisure exchange banquet.

Ni chuxue forgets to take her bag when it's snowing. Xiao Chen contacts the driver to take it for her. She stands in the hall and comes out of a business car behind him. A young man looks at Ni chuxue and Tingyu standing in the hall. He is stunned and almost bumps into a nearby post. Fortunately, his assistant pulls him out quickly For a moment.

The young man was embarrassed for a few seconds. However, even when he passed by Ni chuxue, he turned around and looked at him for several times before leaving.

"Young master Li, that young lady is very beautiful!" Asked the assistant by his side.

"I don't know if she's at the party tonight. I'd like to know her." The young master Li said very directly, his eyes full of desire.

He said to his assistant, "you stay here and show me which floor this lady is going to. I want to find an opportunity to meet her."

"OK!" The assistant immediately waited by the elevator, waiting for his boss to get on the elevator. He pretended to take out his mobile phone and look like he was waiting for someone.

Xiao Chen brings back Ni chuxue's bag. Ni chuxue is also very embarrassed, "please."

"No trouble, Miss Ni, let's go up!" Xiao Chen took her to the meeting hall on the third floor.

At the door of the elevator, they just went in, and the assistant immediately came in, taking his cell phone and peeping at Ni chuxue, thinking to himself, where is this unique thing coming out? It's so beautiful. No wonder the young master doesn't blink.

Xiao Chen is in the elevator and does not forget to tidy up his skirt for Ni chuxue. As soon as the elevator opens, Ni chuxue steps out and the two go towards the banquet.

After that, the assistant quickly picked up his mobile phone to report. It turned out that the beautiful lady was indeed going to the party.

When Ni chuxue walked to the golden gate of the banquet, she was still a little nervous. What she was nervous about was not that there were too many guests in it, but that she was wearing such a dress to see a thin cold. She was a little embarrassed.

Gu Mingfan and Chen Meizhen are greeting the guests, but when the red eye-catching figure suddenly appears outside the door, the bustle in the banquet hall is quiet for a few seconds, all of

them are surprised to see the temperament girl stepping in from the door, elegant like a swan, wearing a red skirt, more moving.

Gu Mingfan moved to his daughter. He reached out and Ni chuxue held his arm. "Dad."

Li Hao, who received the assistant's message, immediately followed him. When he heard that Ni chuxue called Gu Mingfan for his father, he was surprised. It turned out that he was the daughter of chairman gu!

So, his opportunity comes. He is Gu Mingfan's biggest client, and he thinks his family background is the best here. So, Gu Mingfan's daughter, he is sure to catch up.

"Hello, chairman Gu." Li Hao comes forward to say hello.

Gu Mingfan also dare not neglect, smile welcome, "Master Li, long time no see."

"Oh! How come I haven't seen this beautiful lady?" Li Hao's eyes immediately fell on Ni chuxue.

Gu Mingfan will also introduce Ni chuxue's identity tonight, and he will not conceal, "this is my little girl chuxue."

"Hello, Miss Gu. Nice to meet you." Li Hao immediately reached out.

Ni chuxue smiled and shook his hand. "Hello."

"When I see Miss Gu for the first time, I must give you a good toast later."

Ni chuxue is still simple. She smiles, "OK!"

Gu Mingfan can see through Li Hao's mind at a glance. He leads Ni chuxue and says, "chuxue, Aunt Chen is there. Go and say hello."

Ni chuxue nods. Her eyes are looking for someone in the crowd. She just looks around and doesn't see the person she wants to see. She is disappointed.

She stood beside Chen Meizhen, who introduced her warmly to the ladies around, and got a lot of praise.

Ni Chu Xue's mind is not at the party. She looks at the door from time to time. At this moment, just outside the front door of the hotel, a line of three black cars stopped, and the security guard immediately came forward to open the door. However, he was immediately stopped by the bodyguard who quickly stepped down.

The security guard hurriedly backed away. He realized that this was a great man. Ordinary people could not get close to him.

The bodyguard opened the door and stepped down with long legs.

It's cold.

The security guard immediately noticed that the man who stepped out of the car was full of awe and awe. Although he was young, he could not do it with money.

I'm afraid this is the most distinguished guest at the party tonight! During Xiang's steps, he followed six bodyguards behind him. He walked a few steps and gave a slight sign to the one behind him, "you two follow me up, others go back to the bus and wait."

"But Boss. "

"I don't want to be noticed." The voice line of Xiang's thin and cold voice is deep, but it shows the meaning of invincibility.

He went to the elevator, with only two bodyguards left.

In the banquet, Ni chuxue is holding a glass of red wine. The young men beside him are eager to come over and chat with her. However, they dare not go forward at will when they find out that he is Gu Mingfan's daughter without any identity background.

Li Hao is very good at timing. Seeing Ni chuxue, he seems to have a mind. He comes here with a glass of red wine.

"Miss Gu, is it boring alone?" Li Hao asks gently.

Ni chuxue smiled, "I don't follow my father's surname, I follow my mother's surname, my surname is Ni."

"Ni chuxue, what a nice name! Only such a beautiful name can deserve such a beautiful you. "

Ni Chu Xue blinked, and at this time, her big eyes that were full of thoughts all night, when she looked out of the door, the stars twinkled, as if infused with a bright color, beautiful and moving.

Li Hao looks at the smile on her face and the direction in her eyes. He looks back at the door with a frown.

See now, from the door, into a tall man figure, that momentum, elegant and leisurely rolling around all men.

"Excuse me." Ni chuxue can't wait to say hello to her. She doesn't know why. At the moment when she saw the thin cold, how did she get the great happiness that came from her heart.

But it must have something to do with this man.

Xiang's thin and cold eyes also instantly locked the slim figure walking towards him in the crowd. In a red dress, he inexplicably surprised his eyes, confused his heart, and made his eyes never move again.

Chapter 1335

Ni chuxue crossed several guests, and when he was about to get to the front of Xiang QingHan, he suddenly looked down at the ground shamefully, with big eyes flashing, "Uncle Xiang, you are here."

The eyes light of the item thin and cold slightly sinks, astringes the light that wipes too aggressive at the bottom of the eyes, hooks the lip to chuckle, "HMM."

"My father is over there." Ni chuxue's eyes searched for his father, and then he dared to take a sneak look at the man.

Tonight, he is in a dark gray suit. He is tall and straight. He exudes a mature and stable atmosphere of security. However, looking at his face, it is full of beauty and noble spirit.

The arrival of Xiang Bo Han, of course, immediately attracted the agitation of young girls around them. They peeped at the man who suddenly appeared, their eyes were full of surprise and excitement.

In such an occasion, everything is possible.

Ni chuxue was so excited that when she turned around to take him to her father, she almost ran into a waiter who was carrying a wine plate.

Scare!

She was scared to step back, but hit the man's chest, and the long arm of the man naturally grabbed her waist to prevent her from falling.

Ni Chu Xue had a blank in her mind for a moment. At this moment, in the blank, she clearly heard her heartbeat, one by one, like playing a drum.

"Be careful." Ear side, a thin cold low admonishment, took a hand.

"Thank you." Ni Chu Xue bit his red lips and lowered his eyes with shame, leading him to where his father was.

Gu Mingfan has noticed the arrival of Xiang Bo Han, and he immediately warmly welcomed him, "Mr. Xiang, you are here."

"Mr. Gu." The name of the item is thin and cold.

Gu Mingfan immediately introduced the backbone of the company around him to Xiang Baohan, who was elegant and polite. From him, he saw the real noble temperament.

Not far away, there was a pair of envious eyes staring at the man surrounded. Li Hao saw Ni chuxue running to him just now. It seems that tonight he met a fierce enemy.

Li Hao has never been so attracted to a girl. He almost fell in love at first sight. Ni chuxue's smile is enough to fascinate him.

So tonight, he must try to win over Ni chuxue's heart. He can even show his heart to Gu Mingfan. As one of his big clients, Gu Mingfan will not dare to offend him at will.

Moreover, Li Hao thinks he is younger. He is only twenty-seven, and Xiang Pohan looks younger, but he must be several years older.

Ni chuxue is still a beautiful young girl. In her heart, she should be more eager to understand romantic and fashionable people like him.

Gu Mingfan said to Ni chuxue, "chuxue, take Mr. Xiang to eat something!"

Ni chuxue nods and looks at Xiang shanhan. Xiang shanhan's eyes also fall on her face. She is pretty and charming with light make-up. She has a red dress, which makes people feel more amazing.

With Ni chuxue, Xiang QingHan goes to the cafeteria where there are few people. Ni chuxue carries a plate in front of him and selects his favorite food.

Behind her, Xiang QingHan followed her, and they took up their plates and walked to the window together.

Just sitting down, Ni chuxue happily reported, "my parents will arrive tomorrow, I am so happy."

Xiang is also happy for her. "Your parents on both sides can get together."

"Well!" Ni chuxue said, holding his chin, and asked curiously, "Uncle Xiang, when will you go back?"

In this tone, it shows her reluctance.

The item thin cold elegant holds the red wine cup, squints the MOU, the deep asks, "do you want me to leave, or stay?"

This sentence, inexplicably makes Ni chuxue's pretty face slightly warm, but she looks forward to saying, "I hope you can stay a few more days."

"You don't need me now that you have parents." A natural opening for the cold.

I didn't know that Ni Chu Xue was in a hurry after listening. She put down her spoon. "No, uncle Xiang, you helped me so much. I haven't had a chance to repay you yet."

The thin and cold eyes fell on her sincere little face, and he could not help surging up to look forward to it.

"How are you going to repay me?" The item thin cold sound line could not help but sink a few minutes.

For a while, Ni Chu Xue didn't think of how to repay him. She could not help but ponder and look up boldly and ask, "Uncle Xiang, you say, how can I repay you?"

Xiang's eyes are complicated and light flows. At the moment, the girl's simple appearance makes him want to ask for his reward.

However, just because she is so simple, he doesn't want to force her to do things she doesn't want.

"Let's talk about the reward later! I'll stay here, you need me, just call me. "

Ni chuxue's heart surged with gratitude. She nodded, "thank you."

Out of the restaurant, Xiang's cell phone rang. Then he went to a quiet corridor next to him. Ni didn't bother him. She went back to the banquet hall. Ni chuxue's side, suddenly a smile Mimi's voice, "Miss Ni, can I have a drink with you?"

Li Hao takes advantage of the opportunity to approach.

Ni chuxue looks at a glass of red wine that he brings. She smiles and shakes her head. "I'm sorry, I can't drink."

"Then drink juice!" After that, Li Hao immediately changed a glass of juice for her. At the same time, he did not forget to introduce himself. "I'll introduce myself first. My name is Li Hao, who is a client of your father's company. Every year, my company will make a great contribution to charity."

Ni chuxue listened carefully. Thinking that he was his father's client, she was naturally not too rude. She picked up the juice and touched him. "Thank you for your support to my father's company."

"I'm a very caring person, and I'm not stingy in charity. Miss Ni, I hope I can have coffee with you in the future and let you visit my company." In his words, Li Hao reveals the strength of his company.

When Xiang Pohan came out of the corridor, he saw Ni chuxue's side, surrounded by a man with a warm face. From his eyes, his purpose was clear at a glance.

The heart of the item is thin and cold. Ni chuxue is sincere and polite to everyone. He is not familiar with the innocence of the world.

Tonight's her, but he is not alone to feel amazing, as long as it is a man, which does not stay on her for a few more minutes?

Li haozheng exposes his family and intends to capture Ni chuxue's heart with his strong strength. Just when he speaks vigorously, he sees the man who is full of threats to him coming.

He immediately straightened out his chest and decided to let the man know that he was absolutely qualified to fight for Ni chuxue.

Chapter 1336

Ni chuxue doesn't know that Xiang Bo Han is coming to him. At this moment, Li Hao immediately invites Ni chuxue, "Miss Ni, do you have time tomorrow at noon? I'll treat you to coffee and dinner."
"

Ni chuxue is not good at rejecting other people's good intentions all the time. She smiles and thinks how to say it without hurting others. Behind her, a low male voice speaks for her.

"She won't be free tomorrow."

Finish saying, Ni Chu snow has not yet turned back, on her thin cut shoulder, a big palm took over, her shoulder against a broad and strong chest, her heartbeat lost rhythm instantly.

Items Ni chuxue is trying to say something, but as smart as she is, she still finds that Xiang Baohan is helping her to reject Li Hao's invitation, so uncle Xiang swallows this sentence.

Her pretty face is a little red. Does uncle Xiang appear as her boyfriend at the moment? Otherwise, why should he hold her shoulder? It's so ambiguous.

"This gentleman, I ask is Miss Ni, should have nothing to do with you!" Li Hao immediately picked up his eyebrows and said defiantly.

Xiang Pohan smiled. "I can make any decision for her."

Ni chuxue's heart is once again sweet to the explosion. In order to make face for the thin cold, she directly says to Li Hao, "Mr. Li, I'm sorry, I'm not free tomorrow!"

Li Hao was stunned, a little unconvinced voice said, "Miss Ni, it's no good offending me! I will be your father's big client. "

This sentence, but with a hint of threat.

Ni Chu Xue didn't understand the business world. She was really surprised and flustered. She turned to look at the man behind her, squinted her eyes, and said coldly, "I'm here. I don't think it's a pity that Mr. Gu lost your customer."

"You Who do you think you are! " As expected, Li Hao is still young and vigorous. He thinks that he is the one who can call the wind and the rain here. How can he know that he has met a thin cold.

"You don't have to know who I am." After finishing, Xiang Baohan takes Ni's shoulder and leaves.

Li Hao immediately angrily took up a glass of liquor beside him, poured it into his mouth, and watched Ni chuxue's figure as a bird and a human leaning on Xiang shanhan's side. He was really jealous.

Li Hao looks at Gu Mingfan, who greets his guests warmly. He hums and goes to Gu Mingfan at once.

"Have a good time, Master Li?" Gu Mingfan asked with a smile.

"Gu, who is that man! Did he also invest in your company? " Li Hao points at the back of Xiang Po Han.

"Oh! That Mr. Xiang is a friend of my daughter and will also invest in charity in my company. "

"What does he do?"

"He's in medicine."

As soon as Li Hao heard this, he disdained to say, "isn't it just a small business man?"

Gu Mingfan listened, smiled and said seriously, "Master Li, don't underestimate Mr. Xiang's company."

When Li Hao heard this, he became more and more crazy. "Is the scale of his company bigger than mine? Do I have more achievements every year? It's just an empty show. "

Gu Mingfan is helpless, but he can't offend him, but he still hopes that Li Hao knows the meaning of these words.

"I don't fully understand Mr. Xiang. As far as I know, his family is the top medical empire in the world. Mr. Xiang is also the guest of the presidents and royal families of all countries. The total assets of his family should be at the top of the world."

Gu Mingfan saw Li Hao's eyes, constantly widened and twinkled.

"You lied to me!" Even if Li Hao listened, he didn't want to believe that it was true.

"I don't need to lie to you, Master Li, Mr. Xiang is just used to being low-key, so his family background has not been widely spread, and he is still a minority. "

Li Hao breathed a little. He looked in the direction of Xiang QingHan and found that there was a bodyguard around him, as if he was reporting something to him.

Even though he didn't believe in the powerful power of Xiang Xianhan, he was too powerful to be close to just standing in the crowd.

Li Hao looks at Ni chuxue standing beside him. In Ni chuxue's eyes, there is a kind of worship and love for him.

As soon as Li Haocai was moved, he had to let go of it. Because, he finally knew that Xiang Baohan could not be offended, and his arrogance just now, in his eyes, should be like watching a clown's performance!

In an instant, Li Hao had no expectation of the party tonight. He said to Gu Mingfan, "I have a step ahead of time."

With that, he went to the gate in a gray way.

Ni chuxue is standing beside Xiang Baohan. At the moment, he and his bodyguard are talking. She doesn't disturb or make a sound, that is, she quietly looks at Xiang Baohan's simple and clear handling of work.

Unconsciously, she didn't know that looking at this man in her eyes, she had a kind of love. It was a woman's love for men, pure love.

Not far away, Gu Mingfan is touched lightly by his wife, Chen Meizhen. Gu Mingfan immediately follows his wife's direction and looks at his daughter at the moment. Chen Meizhen said with a smile, "it seems that Chu Xue doesn't know that she likes this Mr. Xiang!"

"The first snow is too small, too simple, it should be shy!" Gu Mingfan also showed expectations.

If his daughter's future is entrusted to Xiang shanhan, he really has enough heart.

As soon as the bodyguard left, Xiang Pohan's eyes turned to the girl around him. Ni Chu Xue just looked at the girl in a dazed way, and immediately shyly dropped down to dodge, but the smile on the corner of his mouth was involuntarily raised.

"Uncle Xiang, have you finished your work?"

"Well! Snow, can you promise me something tonight? "

"What?" Ni Chu asked.

"Don't call me uncle. How about my brother?" Item thin cold hook lips a smile, especially look forward to.

Ni chuxue immediately rejoiced, "really? Can I call you that? "

"Or do you think I'm old enough to be your uncle? You can't be your brother. " The item is thin and cold.

"No, no, no, you are very young in my eyes. Of course, you can be my brother." Ni chuxue is busy.

Xiang Pohan reached out and touched her head. "You can call me that in the future."

"As long as you don't think I'm rude."

"Why? I love it. " The neck is thin, cold and deep.

"Xiang brother." Ni chuxue calls him sweetly, and the smile in his eyes is just like the moon on two strings, bright and moving.

The strings of Xiang's cold heart moved, as if relieved. Finally, the pressure of that generation was reduced, and even there was an extra pleasure and relaxation.

Chapter 1337

At the dinner party, Ni chuxue was dressed in a red dress, which was pure and sexy. All the male guests around her paid attention to her. However, all the people present knew that the lady who was in charge of her family had a master of famous flowers.

Therefore, I dare not go forward to provoke easily.

At 8:30 p.m., Ni chuxue heard that Xiang Baohan had to leave first. She couldn't help being worried. She wanted him to stay, or leave with him.

Xiang Pohan has already said hello to Gu Mingfan. When he was leaving, he said to the girl who was nostalgic on his side, "I'll go first. Have a good time."

"Well." No matter how anxious Ni chuxue is, he dare not keep him.

Seeing the figure of Xiang Bo Han and his bodyguard walking towards the gate, Ni Chu Xue wringing a pair of small hands into the corridor, was already distracted.

"Dad, can I leave first?" Ni chuxue asked his father.

Gu Mingfan had seen his daughter's mind for a long time. He nodded and smiled, "of course, first snow, go to catch up with Mr. Xiang!"

Ni chuxue's pretty face is red. How could her father see her idea? However, she didn't care. She reached out and lifted up her skirt and ran towards the door.

He shouldn't have left yet! It should still be downstairs!

Ni chuxue hurriedly pressed the elevator, walked into the elevator, she just took a deep breath, stared at the number of the elevator downstairs, Ni chuxue's heart was constantly accelerating. With a tinkle, the elevator door opens and Ni chuxue's figure picks up the evening dress and runs outside.

It's like the princess who lost her beloved in the middle of the night. She has a red dress, long hair, a full white face, and a pair of watery and anxious eyes.

Finally, Ni chuxue runs across the lobby and sees the man getting ready to get on the bus.

And the man who is going to get on the bus hears the knock of high heels running behind him. He is going to enter the car. He holds the door and looks back at the hall.

Under the shadow of the lamp, the shadow running towards him happily makes his deep eyes take a surprise.

Ni Chu Xue was in a hurry just now. When she saw him suddenly, she began to be a little embarrassed. Her eyes were slightly drooping and her long lashes were flashing, which showed her inner shyness.

"What happened?" Ask with a smile.

"The party is too boring. I want to go to Toutou. Can Xiang give me a ride?" Ni Chu asked, looking up.

He opened the door and made a gesture to her, "get on the bus!"! I'll take you to relax. "

The feeling of being loved by him immediately made Ni chuxue's eyes flash with great happiness. She slightly bent down and sat in the back seat.

Item thin cold from the other side of the car, item thin cold asked an address, black three cars slowly into the night.

Sitting in the car, Ni chuxue is nervous, gradually relaxed, and even began to look forward to it.

Xiang was just going back to the hotel to have a rest. Now, he just wants to accompany the girl and do whatever she wants.

"What a beautiful night this city is!" Ni chuxue sighs.

"In a while, our family will settle down here." The neck is thin, cold and deep.

Ni chuxue's heart also shows a touch of desire, but everything must be decided after his adoptive parents arrive together.

Xiang's team arrived at the bottom of a building. On the top floor of the building, there is a very high-level coffee shop, which can enjoy all the beautiful scenery.

Tonight, Ni chuxue is dressed in a red skirt, a thin and cold dress, walking together in groups, just like a couple.

Sitting in the hanging elevator, Ni chuxue took the transparent elevator for the first time. Her heart was smothering for a while, and her hand instinctively grasped the arm of the man around her.

Item thin cold hang eyes, found her a small face is full of tension, he moved a position in an instant, he used another arm, nature of her around, give her a sense of security.

Ni chuxue's nervous heart, on the contrary, jumped up suddenly because of his movements like this. Where was the tension?

She raised her head and looked at the sexy mandible line of the man. In her eyes, there was a strong joy. With him, she was not afraid for a moment.

The elevator stopped in the corridor at the entrance of the coffee shop on the top floor very steadily. Xiang QingHan led her out and went straight to the direction of the coffee shop.

Ni chuxue's eyes secretly look at the hand he is holding. The warm breath comes from him and fills her heart instantly.

As if there was one thing, she began to be certain and even dare to face her heart.

She seems to like the uncle Xiang.

Can you like him?

Ni chuxue's heart is filled with a kind of worry. In this world, not everyone can like it, but some people, she can't and dare not like it.

The coffee shop is very elegant, full of high-end and top-level enjoyment. It is located near the window, enjoying a cup of coffee and desserts from different countries. In this starry night, and people you like, how romantic and sweet the mood at the moment should be. "Brother Xiang, can I ask about you?" Ni Chu Xue asked him in a relaxed tone with her chin propped up.

"What do you want to know about me?" Xiang's eyes are smiling, obviously very happy to tell her.

"You Do you have a girlfriend? " Ni chuxue asked shyly. After that, she hurriedly found an excuse to say, "just curious to ask You don't have to answer me. "

What a shrewd person Xiang Pohan is, however, right now, he seems to get some response he wants from the simple girl opposite.

People are greedy, when that night, when he began to just want to get a hug from her, now, he began to want to have everything of her.

"I don't have a girlfriend." Xiang Pohan stared at her seriously and answered.

Ni chuxue just asked with a tentative attitude. Unexpectedly, she was shocked by his serious answer, and then she dodged his deep gaze.

"I'm also worried that you'll treat me to coffee and It will make your girlfriend angry! " Ni chuxue's brain is so hot that he doesn't know what he's talking about.

He smiled and took a sip of coffee gracefully. "You can rest assured that no one will be angry with you."

Ni chuxue chuckled to herself and looked out of the window at the side face. It was beautiful and charming, which made the man in the opposite side pull out his heartstrings and ask, "how about you? Would your boyfriend be angry with me for coffee? "

Ni chuxue turned his head in a hurry and hurriedly retorted, "I I didn't have a boyfriend. "

Xiang Pohan is really Lao Jiang, so it's easy to find out all her thoughts.

Chapter 1338

After drinking the coffee, Ni receives a call from her father. They are still at the banquet. Maybe they will be busy till later tonight. Ni decides to go back to his hotel with Xiang Bohan.

At about 10 o'clock in the evening, the whole city is more open, and the night wind is also mixed with some coolness, which makes people feel relaxed.

Ni Chu snow fell down the window and enjoyed the evening wind. At the same time, the wind also mischievously blew up her long hair, which was a bit messy.

In the slight disorder, it seems that her small face is a little more charming, which makes the man who is thinking about work beside him confused several times. The hotel is not far away. Soon, Ni Chu Xue arrives at the room reserved for her, accompanied by Xiang Bo Han. She waves to the man beside her, "Xiang brother, see you tomorrow."

"See you tomorrow." Xiang Pohan smiles and sees her back to her room.

As soon as Ni Chu Xue entered the room, he closed the door gently, leaned back against the door, but smiled on his face. How happy he was today!

At this time, she heard the ring of the video call. She quickly took out her mobile phone, which turned out to be the video of her adoptive parents.

As soon as the video opens, it's khiya sitting in front of the camera, smiling at her. "Snow, have a good time?"

Ni chuxue bent her lips and smiled and nodded, "well, I'm very happy, mom, when will you arrive tomorrow?"

"Good news for you. We'll arrive by private plane tomorrow."

"Really? That's great. I will definitely pick you up. " Ni chuxue is eager for them to come.

"We are looking forward to the past, eh! How can you still stay in the hotel? " When khiya saw the background behind her like a hotel, he asked.

"My father has a party to hold tonight, so I'll go back to the hotel."

"You stay alone in the hotel?" Khiya is still worried about her safety.

"No, I and Xiang Uncle Xiang lives together. He's next door to me. " Ni Chu Xue is still afraid to change her name in front of her mother.

As soon as khiya heard this, the tension on his face relaxed. "I'm relieved that Mr. Xiang is by your side. Do you get along well?"

Ni chuxue felt a little hot on her face across the screen. She nodded shyly! Uncle Xiang takes good care of me. "

"That's good. Mr. Xiang is also a very good person." When khiya finished, her cell phone next to her rang, "snow, I'll take a call."

Ni chuxue thought it was time to close the video. At this time, there was a proud and confident figure sitting in front of the camera. It was Meila.

"Sister. "Ni chuxue immediately said hello.

Mei La rings her arms, and her face doesn't care much. "Ni chuxue, I just came here to warn you that you must not seduce thin cold and don't lose your parents' faces."

"I..." Ni chuxue's eyes were a little flustered.

Myra stared at her sharply. "What's the matter with you? You won't lose face with our family

"I I didn't! " Ni chuxue shakes her head.

"I'll be here tomorrow. Do you have it? I'll know it tomorrow. Remember, Xiang Baohan is Xiang Qinghao's uncle and you and my elder." Myra warns.

"I know." Ni chuxue bit her lips and nodded.

At this time, Myra left the camera, and after a while, khiya came back, and the two mothers and daughters chatted for a while, they waited for tomorrow to come back together.

After the end of the call, Ni chuxue sat on the edge of the bed. She sighed. Meila's words made her immediately return to the foreign country. The respect and inviolable relationship between the family and the family.

In front of her, Xiang Baohan's identity was very tall and full of distance, inviolable. He dared not even like it, but respected it.

This night, Ni Chu snow rarely lost sleep in the middle of the night, but also forced himself to sleep in the past.

The quality of sleep is not very good. When I wake up in the morning, my eyes are obviously red and swollen, but it's better to wash my face because she's young, elastic and white.

Just then, the plane rang in her room.

"Hello!" Ni chuxue picks it up.

"Breakfast together?" There was a man's deep, sweet voice.

Ni chuxue's heart immediately thumped. She smiled and answered, "OK!"

"I'll see you at the door in ten minutes." When Xiang finished, he hung up.

Ni chuxue puts down the phone and has some internal conflicts. Last night, she thought a lot about one thing, which is how to get along with Xiang Baohan in the future.

It's the elder and the younger, or the normal relationship between male and female friends.

In the end, she chose the former.

Ni Chu Xue reached for the beautiful pink lace dress in the wardrobe. When she reached for it, she hesitated for a moment. She took a simple long T-shirt beside her.

Ni chuxue is also awakened by Meila's warning. She had a kind of behavior of trying to win favor in front of the thin cold, though unconscious. But she was also ashamed. Ni Chu Xue put on her clothes and simply arranged her long hair. She opened the door and waited for the cold in advance.

However, as soon as she opened the door, Xiang Baohan was outside. She could not help but cry out, "Uncle Xiang."

The item thin cold is leaning on the metope opposite her door, cold not Ding of hear her suddenly resume of address, he Zheng for a few seconds, "isn't changed mouth?"

Ni Chu Xue bit her lips and said, "I still don't think I can be more senior, so I don't respect you."

The item is thin and cold. He holds his forehead

"All right! Whatever you like. " This is the only way to say.

Although he liked her change of speech last night, today, it seems that everything is back to its original state.

"Uncle Xiang, my parents and your family come here together. Can I pick them up with you?" Ni Chu asked with a look of expectation.

"Of course! They will arrive at about six this evening. They will have dinner together and call on your father and his wife. " The cold has been arranged.

"Well, good!" Ni chuxue nods happily.

Two people together under the restaurant, Ni chuxue did not sleep well last night, there is no appetite in the morning, eating a piece of bread, drinking milk will not go to find food.

The item thin cold looked at her black and white clear eyes, seemed to have a trace of light blood, can't help but heartache way, "did nightmare last night?"

Ni chuxue blinked and shook his head. "No."

"Then why do you lose sleep?" Ask again if the item is thin and cold.

Ni Chu Xue is a Zheng again, "how do you know I have insomnia?"

"Your eyes tell me, are you upset?" The question of Xiang Bo Han's concern.

Ni chuxue immediately lowered her eyes nervously. She was worried about him! She reached out and unconsciously stirred the milk.. I just think too much. "

"What do you think?"

Ni Chu Xue raises her head and looks at the gentle and elegant man opposite. She mumbles red lips, but she dare not tell the truth.

Item thin cold also realizes, oneself ask too deep, he hooks lip a smile, "your girl person's mind, I did not ask randomly."

Chapter 1339

In the afternoon, Xiang Qinghao was contacted by Xiang Baohan and started to pick up his family together.

Xiang Qinghao and Jiang Xinwei are in the sweet period of love. Since Jiang Xinwei's show ended successfully, Jiang Shan has given her a holiday. Now, she can enjoy her love time as she likes.

This time, they are also looking forward to their parents returning home to meet with each other's parents, and then talk about the wedding.

Unconsciously, it was about five o'clock in the evening. Xiang Xianhan and Xiang Qinghao's cars arrived at the airport. Because it was still early, they found a coffee shop to sit down and rest.

Jiang Xinwei and Ni chuxue are no more than two or three years old. In addition, they met at Xiang's house. It's quite a topic of conversation. The two uncles and nephews listen to their girls quietly.

Xiang Qinghao is squinting his eyes, laughing to hear Jiang Xinwei and Ni chuxue talking about their wedding. He has a smile on his lips. When he holds up his coffee to drink, he inadvertently sees the uncle sitting beside the emperor. His eyes seem to be looking at Ni chuxue in the opposite direction for a while.

Xiang Qinghao and Xiang Baohan are also less than four years old. Although they have different generations, men at the same age naturally understand each other's thoughts in a few eyes.

No! Xiang Qinghao's heart made a sound of doubt.

Do you like Ni chuxue on the other side?

Xiang Qinghao from surprise to the next ten minutes, he began to pay close attention to the eyes of his brother-in-law. Sure enough, as long as Ni chuxue laughed happily, the eyes of his brother-in-law also flashed a happy light.

Xiang Qinghao finally understood. It seems that his uncle has a goal to start at last.

It's just that Ni chuxue on the opposite side is two years younger than Jiang Xinwei. My uncle is nine years older than her. Is he really good at it?

"First snow, there are desserts over there. Let's pick out some!" Jiang Xinwei asked Ni chuxue.

Ni chuxue looks back at the dessert shop over there, with expectation in her eyes. She smiles and nods, "Hmm! Good. "

The two girls went to the opposite dessert shop to pick out sweets. Xiang Qinghao finally found a chance. He held up his coffee and looked at his uncle with a smile. The item thin cold not Ding of check to nearby this nephew's eye, his heartstring slightly stretched.

"What are you laughing at?" Item thin cold squint ask.

Xiang Qinghao chuckled, "uncle, do you like Miss Ni, to be honest?"

The handsome face of Xiang Bo Han flashed a flurry, as if his deep thoughts were caught by others, but soon he calmly replied, "I just think she is very cute."

Xiang Qinghao is the first time to see a girl so appreciated by Xiaoshu. He leans close to him.
"Xiaoshu, Miss Ni is smart and lovely. I support you to chase her."

"Nonsense?" In front of his family, he always seemed very indifferent to his feelings and didn't know how to deal with them for a while.

"Uncle, Miss Ni is so beautiful. If you don't take the chance, she will be robbed by other men."
Xiang Qinghao encouraged him.

In his thin and cold eyes, there was a flash of worry. He seemed to be thinking about it.

"I'm interested in her, but this matter, except you know, can't be said to anyone." Xiang Pohan had to admit it in front of the nephew.

Xiang Qinghao stretched out his hand, took his shoulder and said, "don't worry, I will never say anything. If you don't understand anything, ask me, I'm from here."

The item thin cold pats open his hand, "do not need, you have that suit not necessarily to suit me."

Xiang Qinghao immediately nodded and agreed, "that's right."

At this time, two girls came back with some sweets. Xiang Qinghao watched Ni chuxue and was happy for him. Ni chuxue was beautiful and pure, just like unpolluted white paper, which was worth cherishing.

However, he was worried about whether he was a little old for Ni chuxue?

Unconsciously, it's six o'clock. It's time to pick up the plane. At the entrance of the VIP passage, the elders of Xiang's family and his group, as well as several bodyguards, followed by the khiya couple and Myra.

As soon as Meila came out, she saw Xiang Qinghao. She was surprised. At this time, a thin arm came to her. She saw Jiang Xinwei standing beside him. The two men and women were very matched.

Her excitement was immediately quenched by a basin of cold water, and her heart was only disappointed and jealous.

"Grandpa, how are you all the way?" Xiang Qinghao immediately came to help the old man.

Xiang Laozi insists on coming back this time. Maybe after returning home this time, he will live here in peace and never go back again.

"Your grandpa has a very good spirit all the way. Maybe he will go back to China. He has been thinking about it!" Xiang said with a smile.

Ni chuxue said hello to Xiang's family, then went to his parents, reached for his mother, "Dad, mom, I miss you so much."

Khiya hugged her tightly and kissed her in her hair. "We miss you very much, too."

Behind her, Meila can't help humming and laughing silently. She doesn't want this sister at all. If it wasn't for Xiang Qinghao's presence here, she would be too lazy to follow. Meila's eyes, looking at Jiang Xinwei who was greeted by Xiang's family, she finally gave up. Xiang's family recognized Jiang Xinwei so much, and Xiang Qinghao's eyes were full of love.

She never had a chance.

Meila is a little jealous and unwilling. When her eyes inadvertently fall on Xiang Qinghao's tall and straight body, her heart can't help pounding. Xiang Qinghao has always been looking at her, but she ignores that beside Xiang Qinghao, there is a more outstanding and powerful person.

His uncle is thin and cold.

Myra suddenly has a feeling of revenge. She can't marry Xiang Qinghao. Let's see if she can have the fortune to marry his uncle! In the future, he and Jiang Xinwei will call her aunt!

With this idea, Meila suddenly gave up all her fantasies about Xiang Qinghao and transferred to Xiang Xianhan.

Only then did she find that Xiang Qinghao has a mature charm, which is the height that Xiang Qinghao has not reached.

It's silly of her to notice this charming man now.

"Sister." Ni chuxue says hello to her.

Myra looked at her and said, "I'm here with my parents. Otherwise, I don't want to come."

"Myra, pay attention to your words and deeds." Khiya education.

Meila can't help puckering her red lips, but soon, her mood is better. It's because she's here that she has the chance to meet Xiang Baohan in this country!

Usually, where does she get to see him?

Chapter 1340

Xiang Bohan and Xiang Qinghao take Xiang's family back to buy a good house together. When they leave, they take Ni chuxue's family to the hotel by car.

Ni chuxue also received a phone call from her father and arranged a dinner to meet tonight.

Ni Chu Xue is ready to get on the bus, when she sees Meila standing beside her, looking at the distant line of motorcades, she can't help but think that her sister has not given up on Xiang Da Ge yet?

But now Xiang big brother's side, already had Jiang Xinwei elder sister, elder sister feared is did not have the opportunity.

"Sister, let's get in the car!" Ni chuxue leads to Meila.

But how does she know what Myra is thinking at the moment? What she saw was not Xiang Qinghao at all, but Xiang shanhan in one of the cars.

Khiya and Hansen take a car. Ni chuxue and Mei La take a car to the hotel.

Meila looks out of the window at the busy streets. She is still very interested in looking around. Originally, she only stayed in her own country, but did not know the scenery of other countries in the world. In fact, she is more prosperous than she imagined.

Meila thought to herself that the birthplace of Ni chuxue was so prosperous and developed. Moreover, according to her mother, Xiang's family will take root in this country in the future.

This makes Myra immediately fall in love with this country. If she marries Xiang Bo Han in the future, can't she live here?

Meila doesn't know much about Xiang Pohan. She turns to Ni chuxue and thinks that she has been in contact with Xiang Pohan for such a period of time, so she should know more about it.

"First snow, I want to ask you something. You have to answer me honestly." Said Myra in a tone of command.

"Elder sister, you ask! If you don't understand anything, you can ask me. " Ni chuxue is glad Meila asked.

"You and Xiang Pohan have been together for some time. Tell me honestly, what kind of person is he? How do you like him? What hobbies does he have? Does he have a girlfriend? "

Ni Chu Xue was shocked. He thought that his elder sister was going to ask about this country. Unexpectedly, he asked her about something thin and cold.

When Meila saw that she didn't answer herself immediately, she couldn't help feeling angry. "Why don't you answer me?"

"Well Uncle Xiang is a good man. He gets along well. I don't know his hobbies, but he He doesn't have a girlfriend yet. " Ni chuxue tells the truth.

When Myra heard it, she was surprised. "Really? Do you know? He really doesn't have a girlfriend?"

"He He said it himself, it should be true. " Ni Chu Xue bit her red lips. She looked at Meila's happy expression, but she was still puzzled.

"Great, I knew he didn't have a girlfriend." Meila happily raised her red lips, and her eyes caught the light of her prey.

"Sister, what do you want to know about this?" Ni chuxue asked curiously.

Meila suddenly thought of something and turned to Ni chuxue with a warning. "You can't make a cold idea. He's the man I like now."

Ni chuxue was so direct by Mei La, she was shocked. She stared, "sister, do you want to pursue him?"

"What? Can't you? " Myra said confidently.

"No..." Ni chuxue's heart was flustered for no reason, even lost his head.

The chest is a little stuffy and tight.

Meila's face is in the necessary expression, "next time, I will show myself well and let him notice that a man of his age should have needed a woman for a long time."

Ni Chu Xue's eyes, looking out of the window, his thoughts are blank.

When they arrived at the hotel, Gu Mingfan and his wife, who had been waiting for a long time, warmly welcomed the khiya couple. Gu Mingfan was very grateful for the benefactor. They could see their daughter in their lifetime because of their adoption and active treatment of their sick daughter.

In front of the two couples at the same time exchange, chat, behind, Myra's eyes looking around, here is full of fresh.

Ni chuxue looks at two parents. Her eyes are full of joy. Such a scene is something she hopes to happen in her dream.

Xiangzhai, although there are still some places under construction, is ready to move in. Xiangtaiye likes it very much. It brings him back to his time. He has to look around on crutches. The familiar pavilions, small bridges, flowing water and garden like scenery make him excited and gratified.

Xiang Baohan and his parents accompanied him around, while Xiang Qinghao and Jiang Xinwei accompanied other elders of Xiang family in the hall.

This time, Xiang Sinian brought antidote, which was also prepared for Xiang Qinghao to take.

"Qinghao, this antidote, we will keep the range of side effects to a minimum. You can try it."

"Well, I believe in your team, Dad." Xiang Qinghao is also eager to find back those lost memories. Whether it's with his family or his love, he wants a complete memory.

Jiang Xinwei looks over with a little worried eyes. Xiang Qinghao gives her a firm smile. Jiang Xinwei blinks, which means support. Xiang is very satisfied with the house selection. This is the place where he wants to provide for the aged.

The servants of Xiang family began to pack up immediately. Tonight, they will have dinner here. The family will be reunited in China.

In the hotel, Ni chuxue's family members on both sides also talked happily and enjoyed each other. Kexiya also brought back many photos and videos of Ni chuxue when he was a child. Gu Mingfan saw them with tears. Ni chuxue could not help but shed tears. The whole box was full of family excitement and joy.

Meila was bored. She went out to call on the balcony of the hotel.

Unconsciously, it's about nine o'clock. This hotel, which is where Ni chuxue lives, is right next to her.

"In the early snow, isn't Xiang Pohan living here with you?" Khiya asked curiously.

Ni chuxue nodded, "yes, his room is next to mine."

After hearing this, Mei La immediately moved her mind and said to Ni chuxue, "chuxue, I'll share a room with you."

"Well, it's just the time for your sisters to cultivate their feelings," she said with a smile

Ni chuxue also has no opinion, "OK! It happens that my room is also very large. "

After Meila entered the room, she immediately came to the balcony, looked at the next room through the balcony, there was no light, it seems that the thin cold did not come back.

"He'll be back tonight!" Meila asked Ni chuxue, who was cleaning up on the sofa.

Ni Chu Xue didn't respond for a while, and raised his head and asked, "who are you talking about?"

"The item is thin and cold! Will he go back to the hotel tonight? " Asked Myra.

Ni chuxue shakes her head. "I don't know. His family is back, maybe not."

Myra sat on the sofa a little lost. "If only he would come back."
