

U. CEO Daddy 1351

Chapter 1351

Three days later, Ni's adoptive parents booked a flight home, and Meila had to choose to stay. Gu Mingfan owned a downtown apartment and packed it up for Ni and Meila to live together.

Ni chuxue can't tell her and Meila's current situation, so she didn't refuse to her father either, because in the eyes of her father, Meila's family are all great benefactors, and they are grateful all their lives.

Ni chuxue also wants to be taken care of by her parents when she was a child. Even if Meila is a little bit too much, she chooses to accept it silently.

Meila sees her parents go back, and she wants to stay by Ni chuxue's side, which can prevent her and Xiang Baihan's feelings. In Meila's eyes, she hopes to have two results.

First, she can replace Ni chuxue to take over the love of Xiang shanhan. Second, even if she can't get the love of Xiang shanhan, she will destroy Ni chuxue and his feelings. She will never allow Ni chuxue's future to be better than her.

If she is married to Xiang Bohan, it is not only good, but also a winner in life. She has enjoyed a lot of splendor and wealth in her life!

So, how can she allow a person who is inferior to her everywhere to live such a good life?

Xiangzhai.

The autumn weather is very comfortable, and the wedding decided to choose the end of this month.

From now on, there is still half a month to go. Everything is in preparation for victory. Xiang family is not short of money. Money is in place and everything is perfect.

Jiang Xinwei, who is waiting to be the bride to be at home, also put down her work and began to rest. Although she still draws a blank manuscript from time to time, because she now feels inspired, romantic and sweet, which makes her design flexible.

Xiang Qinghao's people have also come back from abroad. He has a handsome cousin, Xiang Weiyu, who is the best man this time.

Jiang Xinwei is free this afternoon. She asked her sister Xu Xinyue to come out for coffee. She has been the first to wait in the coffee shop.

A taxi in the downtown busy road block, sitting in the back seat, mind dazed girl, also not impatient, she leaned on the back seat, through the window looking out of the window of the busy area, she was absent-minded.

At this time, in an off-road vehicle nearby, the window fell down, and a lovely little boy was lying in front of the window bored, about three or four years old, with a small pink face, as if he was not very happy and was blocked here.

Xu Xinyue's eyes fell on the little boy's face and her heart was tightly clenched.

She went abroad four years ago and came back four years later.

There are so many things happened to her in this city. Apart from her family and parents, there is a deep secret in her heart.

She thought that now that child, also should be four years old, must be very lovely! If she could, she would like to see what the child looks like.

But when the idea turned, she had to give up the idea that the child, she was doomed to never see again.

At this time, the long queue finally passed, and the taxi drove to the direction of the coffee shop.

In the apartment, Ni chuxue seldom goes out at home. Mei La goes shopping when she has nothing to do. She comes back with a pile of brand clothes from time to time. It can be said that the money is like running water.

Finally, Myra's own money has been spent. Although she has endured for two days, her nature of shopping mania is still there.

In the evening, after sleeping for a while, she felt no fun and wanted to go out for a long time.

She pushed the door out and saw Ni chuxue, who was reading on the sofa. She bit her lip and came to talk.

"Money? Lend me some money. " Myra asked directly. Although she said "borrow", she basically took it.

Ni chuxue blinked. "How much do you want?"

"How many do you have?"

Ni chuxue sighed a little, "I don't save much money."

"Then give me one hundred thousand!"

Although Ni Chu Xue has been saving these years, up to now, her card is only more than 200000 yuan. Now, Mei La wants to go half way as soon as she opens her mouth.

"What? Don't you want to borrow it? Or reluctant? " Myra saw that she didn't answer, and began to feel a little unhappy around her arm.

"Well, I'll give it to you, and you'll save it. You've got enough clothes." Ni Chu Xue reminds her.

Myra hummed, "you don't have to educate me. I'll make up. You can give it to me later."

Ni chuxue gives her the card. Mei La picks it up and goes out. Ni chuxue sits quietly on the sofa and looks up at the sunset outside the window. In her mind, she misses the thin cold.

These days, she only received one call and several emails from him. Maybe he was too busy!

When will he come back? These days, she only feels that every day is suffering from missing, and her mind is full of him.

At night, Xiang Zhai and Xiang Sinian's mobile phones rang in the study. He picked up his brother's mobile phone and saw that it was his brother's mobile phone. At the same time, he would urge him to come back quickly, because the wedding was about to arrive.

His little uncle can't be absent.

"Hello, Bo Han, how are things going?"

"Big brother, my plane is back tonight." There was a thin cold voice from that end. "Come back when you have dealt with it! Qinghao's wedding is coming. "

"Well, I know."

After hanging up the phone, Xiang Sinian just breathed a sigh of relief, and his mobile phone rang again. He picked it up and looked at it. It was Jack, an assistant beside Bo Han. He thought, is there anything else that needs to be explained?

"Hello, Jack."

"Uncle Xiang, there's something the boss won't let me say, but I think I should tell you in advance." Jack's voice seemed a little anxious and nervous.

"What's the matter? Say something quickly. " Xiang Sinian immediately faced up to it.

"The boss was injured while negotiating with the target."

"What wound? Is it serious? " Xiang Sinian asked in a hurry.

"It's a gunshot wound. At the position of shoulder potassium, the bullet has been taken out. The boss won't let us tell you. I'm afraid you and the old man will worry about it."

Xiang Sinian was shocked. His brother didn't even say such things. He asked quickly, "what does the doctor say?"

"The doctor said that as long as the boss has a month's rest, he can recover. The injury was suffered yesterday. I hope you advise the boss to come back home and have a good rest."

"Well, come back! I'll have someone pick him up. " Xiang Sinian is still not at ease, but he is very at ease with the people around his brother.

Xiang Sinian is not going to tell his father and grandfather about this matter. He immediately went out to find his son. Let the younger generation take charge of this matter!

Xiang Qinghao is also very worried when he hears that Xiaoshu is injured. That is to say, he can't take back Xiangzhai for recuperation. Then Xiang Qinghao decides to arrange a villa for Xiaoshu that is very suitable for recuperation.

This matter, Xiang Sinian left to his son to do, and the wedding was almost ready.

Ni chuxue is in the apartment. She is sleepy reading. She rests on the sofa and hears the sound of her mobile phone.

She reached for her mobile phone, and when she saw the name on the screen, she woke up in surprise.

It's a cold.

Chapter 1352

In the quiet room, Ni Chu Xue clearly heard her heart beating up and down. She pressed the answer key urgently.

Asked eagerly, "are you back?"

In the too quiet room, the man's unique deep magnetic voice came, "well, I'm coming back. Now I'm going back home."

Ni chuxue's heart is finally stable. He is coming back! Back in the city, she could go to his place at any time.

"OK, I'll wait for you to come back." Ni chuxue replied softly.

"I'll be there at most tomorrow morning, and then I'll get in touch with you." In the thin and cold voice line, there seems to be a sense of weariness.

Ni Chu Xue hears it and loves him, "are you tired? You need a good rest. "

"Well, I'll have a good rest and see you tomorrow."

"See you tomorrow." Although Ni chuxue is reluctant to give up, he also hopes that he will have a rest immediately.

Hearing the sound of hanging up the phone at that end, Ni chuxue sighed a little, and there was no drowsiness. She turned on the lights in the room. She came to the mirror in the bathroom and looked at her own eyes in the mirror, which was full of expectation. Her mouth rose happily.

At the same time, she can't help but worry. Myra seems to be angry that she is with Xiang Baohan. Even if she stays at home this time, she just wants to stop them.

How can we get Myra to accept it? Ni chuxue is very distressed. Meila's every relationship, she is far away, she remember once, Meila's ex boyfriend came to her to say a word, Meila resentful warning her.

But now, she has a relationship, but Meila intervenes. She knows that she is a very domineering person, but she has no choice.

In Ni chuxue's simple heart, she loves the thin cold just because she loves him, because he is gentle, warm, full of security, and takes care of her very much. She didn't think of anything else. She didn't dare to think too long. She just wanted to be with him so simply.

But Meila's mind is more focused on the wealth of Xianhan than on his own. Of course, the premise is that Xianhan is particularly excellent.

Ni chuxue doesn't know that Meila's purpose is to prevent her from having a rich future life.

Xiangzhai.

Xiang Qinghao asked people to pack up a villa overnight to provide a thin cold for the wounded. This matter must be concealed from the two old people of Xiang family.

In the early morning, in the first light of dawn, a huge private plane through the clouds and fog, crossing the city smoothly, is about to arrive at the apron of the International Airport.

Xiang Qinghao and his own medical team have been waiting for him. Twenty minutes later, Xiang shanhan came out with the support of his assistant and bodyguard. He was wearing a dark gray coat, but he could not see that his arm was injured, like a nobody.

"Uncle." Xiang Qinghao rushed to call him.

Xiang Pohan looks at several doctors behind him and holds the medicine chest. He makes a big smile and says, "I'm ok. Don't make a fuss."

"No matter what happens, when you get to the villa, you have to check it before I can rest assured." Xiang Qinghao finished and took them out with him.

A villa in the center of the city, which is very noisy and quiet, is about to be cured for several days.

The doctor immediately made a careful wound examination for him, and changed the medicine again. It must have been a gunshot wound. The possibility of infection is very high.

"Uncle, you are at ease here. My father and I will come to see you at any time."

"They say it's time for me to have a rest, and you're preparing for the wedding. Don't run to me." The item is thin and cold, lifting the eyes.

Xiang Qinghao looked at him with a funny smile, "Oh! I've forgotten, my uncle's heart, but I've got a companion! "

"Just know." The cold did not hide his mind.

"Uncle, where is Miss Ni? I'll take her to look after you now." Xiang Qinghao can't wait to get Uncle's sweetheart.

"I'll send someone to pick it up," Xiang thought

"That's OK, uncle. Let's cultivate your feelings here! Grandpa is talking about your family again! "

In Xiang's thin and cold eyes, there is also a flash of expectation. It's too early for this matter. However, he has identified the other half of his life.

Xiang Qinghao went back to report to his father after he told several caregivers.

Where Ni chuxue is today, and where she hasn't been, she stares at her mobile phone from time to time.

Myra stayed in the bar late last night and came back drunk. She is still sleeping!

Ni chuxue is also worried about her. Without her parents around, Meila is like a wild horse out of the fence. Nobody dares to control her. She is worried that she will go crazy every day, and something will happen.

At this time, Ni chuxue's mobile phone suddenly vibrated. She looked at it quickly, and felt happy. Finally, she waited for his call.

"Hello, are you back?" She asked in a very low voice.

"Are you not alone at home?" Asked the thin cold."I live with my sister Myra now. Are you coming to my house?" Ni chuxue asked in surprise.

"Do you have time for me?" The item thin cold asks directly.

Ni chuxue replied softly and firmly, "OK, where are you? I'll be right here. "

"Give me your address and I'll have someone pick you up."

Ni chuxue provides her address. She takes a look at Mei's tightly closed door. She takes out a note and leaves a message to her. She doesn't say who to look for. She just says to come back later.

About twenty minutes later, she received a call from a bodyguard named Bo Han. They arrived. Ni Chu Xue had already waited at the intersection. She went to a black car and the bodyguard opened the door for her.

In a twinkling of an eye, I haven't seen each other for more than ten days. Her heart has already been missing disaster.

She didn't know why she suddenly thought of someone like that. She didn't think about tea or rice. Maybe that's the power of love!

She watched the car drive into a very imposing gate, which is full of luxurious villa area. She thought to herself, does Xiang Baohan live here?

The car is parked in the courtyard of a villa. Ni chuxue steps down and looks at this strange place. She looks forward to the hall.

"Miss Ni, Mr. Xiang is resting on the second floor. Please go up!" The bodyguard said to her.

Ni chuxue's pretty face is a little red. Is he resting? Can she disturb him?

However, can not suppress a want to see his heart, Ni chuxue nodded and walked to the second floor of the stairs.

In the quiet second floor, Ni chuxue can easily see the door of the main bedroom. She gently knocks on the door and pushes it in.

I saw a man sitting on the sofa inside, but on the arm of the man, there was infusion. On his leg, there was a stack of documents. The bright light came in like a quiet picture.

Her heart suddenly tightened. What happened to him?

Chapter 1353

Hearing the sound of pushing the door behind him, Xiang liaohan immediately put down the document in his hand, looked back at the girl standing at the door who had not yet come. His deep eyes suppressed the strong yearning. His voice line was hoarse for a few minutes, "come here."

Ni chuxue almost did not hesitate to walk towards the sofa, standing in front of him, looking at the shirt sleeve he pulled up, showing his strong arm, which was still tied with a needle in the infusion.

"What's the matter with you? Are you hurt? " Ni chuxue's voice line is full of worries.

"It's nothing big, just a little cold." Xiang Baohan finished, looked up at one-third of the unfinished drips. He took a cotton swab directly from the desktop and pulled out the infusion needle very neatly.

"Why don't you fight?" Ni chuxue sits beside him painfully, a pair of small hands immediately help to hold the wound for him, and water Mou is worried about tears.

Xiang Baohan hears the sweet breath of the girl, which makes him feel awe inspiring. He can't care about anything else. His eyes fall on her white jade like face.

"Are you really OK like this?" Ni Chu Xue looks up and bumps into those deep eyes like midnight. The emotion in those eyes is so direct and strong that it's impossible for her to dodge.

His love, like a beam of aggressive light, straight to the heart.

She was stunned. For a moment, she didn't know how to react. She just felt that the handsome man in front of her was slowly approaching.

A gentle kiss fell on her forehead, she blinked, but the smart eyes seemed to lure the man to continue to kiss.

The next kiss is on her thin cicada wing eyelids. Ni Chu Xue's heart is pounding and his head is blank.

She just subconsciously raised her head, and the man slowly fell on her red lips.

A kiss, silent tell two people's thoughts.

However, such a good time was interrupted by a knock on the door. Ni chuxue immediately blushed with shame, and quickly moved to sit aside for fear that anyone who came in would find out.

However, in came an expert doctor in charge of the thin cold infusion. As soon as he came in, he felt that he had come at a bad time and wanted to quit, but he could not.

He could only come and ask Xiang Bo Han, then put away the infusion tools, and return to the quiet world of the two.

Ni Chu Xue's back is facing the mature and handsome man behind him, and his hands are twisted together somehow.

"Scared you?" He asked with a smile.

When Ni chuxue heard his laughter, she was more and more at a loss. She had to shake her head.
"No, tell me if you are hurt."

Xiang Pohan looks at her back. He is always strong, so that he will not show weakness in front of others. But at this moment, he suddenly understands one thing. It may be a good thing to show weakness in front of her.

"Yes, I was shot." The item is thin and cold without concealing.

Sure enough, the girl with her back to him turned around at once, and the whole person came to him again, a pair of watery eyes, worried.

"Where is the injury? Serious? Let me see. " Ni Chu snow frightens a big jump, gunshot wound, where is wound?

Xiang doesn't mind showing her. His long fingers open the buttons of his shirt and directly show the place with gauze on his left shoulder.

Ni Chu Xue's heart is about to be hurt. She gently touches it with her hand. "Does it hurt?"

The item thin cold suddenly reproached oneself, let her so worried, he hooked up the lip to smile,

"this little injury, is nothing."

"How can it be a minor injury? You must pay attention to safety in the future." Ni chuxue suddenly refutes, but is also a little excited.

Finally, a woman began to control him in his world.

"Well, I'll be careful later." Thin cold guarantee.

At this time, Ni chuxue's mobile phone rang, and she quickly took it out of her bag. It was Meila.

She went to the window and picked up, "Hello, sister."

"Where are you going?" Myra asked angrily, "why didn't you prepare breakfast for me?"

"I don't have time today. Go to the restaurant downstairs and have some food! I may come back later. "

Myra is a very sensitive person, she asked directly, "where are you? Are you with Xiang shanhan? Do you secretly see him behind my back? "

"I..." Ni Chu Xue is not good at flurry. She didn't expect to turn this relationship into something furtive.

"Yes, I am with him." Ni chuxue answers her directly.

"Where are you?" Meila asked angrily.

"Sister, can I talk to you when I come back?" Ni Chu Xue doesn't want to reveal. Before Mei LA at that end questions again, she presses her cell phone and breaks it.

Ni chuxue didn't know that when she called, the man's eyes were staring at her all the time, feeling the anxiety of her voice, as if she had any thoughts.

"Didn't your sister go home with your foster parents?" The item thin cold Mi Mou asked. Ni chuxue's beautiful eyes flashed a helpless, she shook her head, "my sister she wants to stay here for a while."

Although she wanted to tell him the truth, how could she open her mouth when her sister was infatuated with him?

In this way, it will make him feel embarrassed!

"You're going back tonight?" Item thin cold pick eyebrow, obviously do not want her to leave.

Ni chuxue heard what he said, and she blinked, "I Do you want me to stay and take care of you? "

"I picked you up, just to let you stay with me and take care of me." Xiang is not going to let her go.

Ni chuxue's heart immediately beats. She naturally wants to stay as long as he needs her.

"Well, I'll stay." Ni chuxue is not willing to leave him, what's more, he is hurt.

At the moment, she did not dare to think how angry Myra was when she was at home.

At noon, a chef prepared a rich lunch. The dining table was placed on the balcony on the second floor. In autumn, it was very romantic and lazy.

The surrounding environment, even the high-end restaurant is not as elegant and quiet.

After lunch, Ni chuxue went downstairs to make coffee for him. Although he was injured, he had to deal with the important work.

He was writing an email when suddenly a string of phone rings. He glanced at Ni chuxue's mobile phone and put it on the sofa.

Xiang Pohan looked at the name above, and wrote two names of his elder sister. It seems that Meila called.

Xiang listened to the bell. He thought a little, reached for his cell phone and pressed the answer key.

However, it was Meila's eager and angry voice, "Ni chuxue, I warn you, don't rob Xiang shanhan. He is the man I like. You can't rob him."

The eyebrows of Xiang's thin and cold sword suddenly twist. What is Meila talking about?

Listening to the silence, Myra warned fiercely, "you'd better tell me the location of your date tonight. I'm coming."

The item thin cold did not think of the sound, he directly pressed to cut off the call, seemed to know Ni chuxue's mind.

Chapter 1354

Ni Chu Xue comes up with a cup of coffee and looks at the man sitting on the sofa, who is contemplating. She is stunned. Does he have any thoughts?

"Coffee is ready, you pay. "Ni chuxue put the coffee in front of him, and then thought of putting down the tray. Her hand was quickly grasped by a big one.

Ni chuxue's heart slightly jumps, she looks at the man incomprehensibly, "what's the matter? Sit down and I'll ask you something. "Xiang's thin and cold eyes are full of tenderness, and there is a trace of heartache for her in the deep.

Ni chuxue had to put down the tray and sit beside him, but in his heart he did not understand, "what do you want to ask me?"

Xiang's thin and cold eyes locked her, and asked softly, "how is your relationship with your sister? "

Ni chuxue blinks, how does he suddenly care about this matter? Naturally, she didn't want to bother him with the things between her sisters. She chuckled and said, "we are OK!!" How can you ask this! "

" you didn't tell me the truth. " Xiang Bo is slightly annoyed. When will she keep it from him?

He didn't know much about Meila. He only knew that she had been pestering her nephew and even wanted to break up his feelings with Jiang Xinwei.

Now, when Myra was on the phone, she suddenly had an idea for him, which was just baffling to him.

Has he ever expressed a little thought to this girl?

Ni chuxue bit his red lips flusterly. I don't know how to take his words. Does he know anything?

Xiang Baihan sighed a little and took a sip of the coffee beside him. "I just answered your phone. It was your sister who called. I already know what you are hiding from me."

Hearing this, Ni chuxue is shocked. Meila can't say what she shouldn't have said! Have you confessed to him?

"What did my sister say?" Ni chuxue wrists his hands nervously and asks tentatively.

When Xiang Pohan saw that she was not willing to tell the truth, he suddenly put out his arm, and Ni chuxue sprang into his arms unprepared. She looked up, and the man tapped on her forehead with some annoyance. "Myra has thoughts on me. When are you going to tell me?"

Ni felt his anger, and she immediately struggled to sit up straight. "Do you know that?"

"I can assure you that I have never thought of your sister, or even hinted that you are the only one in my eyes." Xiang Baohan, on the contrary, declared this to her first.

Ni chuxue knows in her heart that Meila likes him only because of his family and financial resources. Besides, this man doesn't need to make any suggestion, which can make women crazy.

"My sister really adores you, and she knows I like you, so she's a little angry. "Ni chuxue sighed and felt embarrassed.

Xiang Pohan reaches for her delicate chin and makes her look up at him. He seriously teaches, "you can tell her directly that I like you and let her not be delusional."

Ni chuxue's heart is happy. To get his love is her life's luck.

"I'll talk to her. "Ni chuxue nodded.

"Or do I have to say it? " Asked Xiang, thin and cold.

"No, I'll tell you!" Ni chuxue doesn't want him to show up, and she has made up her mind that she won't be upset about it any more. She wants to make it clear to Meila.

This is also for her good.

Meila is in the apartment now, fidgeting. Her head is full of pictures of Ni Chu Xue and Xiang Bo Han. She imagines their sweet looks, as if she never had a chance again.

The more I think about it, the more I feel panic. I imagine that one day in the future, Ni chuxue will become a high-ranking Xiang lady. She will only be jealous in her life.

In the afternoon, Xiang needs to take a nap, because after he was injured, there was more bleeding this time, so he needs to lie down and rest. Ni Chu Xue just wanted to sit on the sofa with him. However, he was pulled to the side of the bed and kept company in his arms.

Ni chuxue's body is slightly stiff, and the nest that dare not move is in his arms. For the first time, she is so close together. How can she not be nervous?

However, the man just hugged her, sideways, so that his injured shoulder was not oppressed, but just wrapped the petite her in his generous embrace.

Ni chuxue closed her eyes and did not dare to look around. She felt a line of sight staring at her head for a long time. Until the oppression disappeared, she quietly opened her eyes.

I saw a man close to his eyes. He closed his eyes and was already keeping his eyes closed.

Ni chuxue's mouth is slightly raised. Taking advantage of this opportunity, he is boldly appreciating him, but he has not seen him so blatantly?

He's really good-looking, and even when he's asleep, he's exuding a fascinating masculine charm. Just looking at it, her eyes suddenly opened like midnight, which scared her to give a light shout, slightly opening her red lips, but the voice was sealed by the man.

How can I really sleep with a thin cold? With her, he would not want to have a good rest, but he would rather give up all the rest time, also want her to accompany him. He didn't dare to go deep into the kiss. Xiang didn't want to scare her away. He had been waiting for her for thirty-two years. If he waited for her for a while, it would not pay.

Finally, Xiang Feihan did not fall asleep, but Ni chuxue, who had a slight blank brain, fell asleep. Unconsciously, in the evening, Ni chuxue had a good sleep, opened her eyes, and found that she was sleeping in his bed. Her face was rosy.

Sitting up, it's sunset time outside the window, and the thin cold is not around.

Where did he go?

Ni chuxue goes over and takes a look at the mobile phone. He sees that the mobile phone is muted by the thin cold. On the top, Meila has made several calls.

There was also a phone call from my father.

She quickly dialed back, Gu Mingfan quickly connected, some worry, "Hello, snow, where are you?"

"Dad, what's up?" Ni chuxue asked.

"Myra has been looking for you. She's worried about you."

Ni Chu snow can't help but, it seems that Meila can't find herself, so she wants to find herself through her father.

"Dad, I'm at Mr. Xiang's house. Don't worry." Ni chuxue has not disclosed her relationship to her father, so she can only call it that first.

"Oh! It was at Mr. Xiang's house! I'm worried about you! You make a phone call and say something to Myra! " Gu Mingfan doesn't know his daughter's situation.

"Yes, I will." Ni chuxue answers.

Gu Mingfan confessed a few more words and then hung up. Ni chuxue had to call Meila back.

"Ni chuxue, you dare to hang up my phone." Myra's shrill, discontented voice came roaring with anger. Ni chuxue's ears all buzz. She had to ask, "is there something urgent for you?" "Urgent? Go home and take care of me immediately. Don't spend the night outside. Do you hear me? "

Chapter 1355

Listening to Meila's shouting, Ni Chu Xue didn't know how to answer her for a while.

"Ni chuxue, don't ruin the reputation of our family. What's the difference between you and being a miss? You don't have a name or a share to sleep with Xiang QingHan. How can we raise our heads in front of Xiang's family in the future? " Myra is there, trying to pull her back, but she has not forgotten to bring up the moral level.

Ni chuxue's pretty face is painted red. There is a kind of embarrassment that makes her brain blank. Although she is not so bad, Meila's words are very hurtful.

"Sister, you misunderstood me. I didn't..." Ni chuxue tries to refute her.

"No? Then you can spend the night when Xiang hanmingmatchmaker is marrying you! Now you come home for me. "

"He's hurt. I can't go back. I'll take care of him." Ni says the reason.

Melanie doesn't care. "He's hurt. Can you take care of him? Isn't he surrounded by a group of people? "

"I..." Ni chuxue can't refute her any more.

However, she didn't know that since she received the phone, there is a long figure standing at the door, squinting and listening to her answer. Jun's face is a little distressed. Although I don't know their sister's conversation, I guess some of it is through the meaning.

In addition, after receiving the phone call from Meila in the afternoon, he knew the situation of Ni chuxue in front of Meila.

Ni Chu Xue is not sure what to do when a low male voice suddenly comes from behind him, "is it your sister's phone? May I have a word with her

Ni chuxue is scared. She looks back and finds the man walking behind her. Her heart is tight. When did he come?

The item thin cold Dynasty Ni early snow reaches for the mobile phone, Ni early snow Zheng for a while, toward the phone that end Mei La way, "elder sister, Mr. Xiang wants to talk with you."

This sudden happy event, let that end of Meila surprise really asked, "really?"

"Yeah! "Ni Chu Xue answered, and then handed the mobile phone to Xiang Bo Han. She was puzzled. What would he talk to his sister about?

Myra couldn't find her gentle self at that end, but she still tried to say hello to the microphone sweetly, "Hi, Mr. Xiang? Hello. "It's me. Is Miss Myra free tomorrow?" He asked the past directly.

This is a flattering sentence for Myra! I usually ask people if they are free. I think it's a date!

"Yes, of course I'm free. What can I do for Mr. Xiang?" The beautiful sound line is full of expectation.

"I'd like to treat you to lunch tomorrow." Xiang Bo sends out an invitation directly.

This sentence made Ni chuxue stand aside stunned for a few seconds. He wanted to invite his elder sister to dinner. For a while, she was a little shocked inside.

"Really? Mr. Xiang didn't cheat me! " Myra was a little unbelievable there.

"I'll send you the address of the restaurant later. I hope you'll arrive on time at noon tomorrow." Let's say that again.

"OK, I'll be there on time. How dare I be late for Mr. Xiang's appointment?" Myra was ecstatic.

"Oh! There's another thing I want to tell you. I need your sister's help here, so I'll leave her here tonight. Don't worry, I'll take care of her. " The item thin cold makes a sound again.

Meila at that end was dizzy with joy. Seeing that it was a cold request, she had to magnanimously say, "OK, let's see you tomorrow!"

"See you tomorrow." Item thin cold finish saying, press the cell phone to break, turn around to pass to the girl behind.

Ni took over the mobile phone, a little puzzled, but at the same time, dare not ask him carefully.

Xiang looked at her seriously. "Tomorrow, I'm going to talk to your sister about us."

Ni chuxue suddenly understood that the reason why he did this was to explain their relationship to Meila.

"No, I can handle my family's business without you." Ni chuxue really doesn't want to pull him out to deal with it, which is harmful to his identity.

Item thin cold doesn't want to let her suffer grievance and hurt again, Mei LA's voice on the phone in the afternoon is obviously strong, it seems that this girl has suffered enough grievance these days.

"I'll go with you tomorrow. Maybe Myra has some misunderstandings. I'll make it clear to her." Xiang Baohan said, and approached some of her, holding her hands gently on her shoulder, low and domineering, "I will not let the person I like, because I am hurt."

Ni Chu Xue's heart is filled with warm current in an instant. It turns out that he did it for her.

Ni chuxue can stay here. After dinner, a doctor came to check for Bo Han and told him to have a good rest.

Ni Chu Xue is waiting in the side hall. She wants to find a suitable opportunity to talk with her adoptive parents! Today, Myra's words hurt her. She really doesn't want to be a person who destroys the family reputation.

And she also has a great trust in Xiang Xianhan. He respects her, loves her and never forces her. Their love is the result of their mutual love, and she is ready to give everything for him.

When Ni chuxue's footsteps left, she got up and tapped on the door in the master bedroom. There was a man's voice inside, "come in."

Ni chuxue looks at the man who has already bathed in a robe. The dark color makes him stand under the crystal light, especially the powerful gas field like the ancient king, which makes her afraid to approach.

"What did the doctor say?" Ni chuxue asked curiously.

"He told me to have an early rest." His eyes are thin and cold, and he looks over deeply.

Ni Chu Xue blinked and said, "well Then you should have a rest earlier. I'll go back to my room. "

The item thin cold not from some funny, she really did not understand his meaning? He refers to rest. Naturally, it's not his own rest. With her, if he can't be around him, how can he have a good rest?

"Do you believe me?" Ask her in a hoarse voice.

Ni Chu Xue just wanted to turn around, immediately turned his head and nodded without hesitation, "well, I believe you."

The item thin cold hooks a lip to smile, "good, now you go to take a bath, tonight come to my here to rest!"

Ni chuxue is scared directly, and her pretty face is also hot, stuttering, "I".. I.. "

" you said you believed me, didn't you say you were flustered? "

Ni Chu Xue blushes, shakes his head and doesn't know what to do.

"Believe me, I just need you to sleep with me, just sleep." Xiang Bo Han said clearly, he is sleeping very badly now, with her, or can solve this problem.

Of course, it may not be solved, which will make him more serious, but he doesn't care, anyway, he thinks it's her in this life.

Chapter 1356

Gently pasted in his arms, Ni Chu Xue did not dare to move any more. When the crystal light on his head suddenly changed into a hazy night, the men around him were also extraordinarily quiet. In the air, a single masculine breath belonged to him, surrounded her silently.

Although the light is very dark, Ni chuxue's pretty face has already turned red to the root of his ears. Even his mind seems to be confused by something, and he is full of thoughts.

In her heart, she longed to be close to him, but there was another kind of girl's reserve that kept her rational.

Xiang's thin and cold eyes have been kept low. His eyes are on the girl's soft hair. The fragrance comes into his breath from time to time, attracting his thoughts.

Items Ni chuxue wants to chat with him, but when he exits, he calls out his uncle's voice, which makes her breathe quickly, and raises her head quickly for fear that he will be angry. Instead of

being angry, Xiang was amused by her lovely appearance. His deep laughter, exuding a strong male charm, in the dark, tantalizing tight.

"Sorry..." Ni chuxue is biting her red lips. She is very embarrassed.

"You can call me anything you want." The item thin cold did not force her.

However, Ni Chu Xue resolutely raised her head and retorted, "no, I don't want to call you uncle anymore! May I call your name? "

Xiang Pohan knows that in her stubborn voice line, she is carefully correcting their relationship.

"Well, call me after that." The item thin cold reached out to dote on of caressed in her head, soft hair makes him really a little fondle!

"Sleep!" The deep male voice seemed to have a kind of restraint.

"Well! You too. " Ni chuxue is probably because her brain has been tense, which makes her really sleepy. Moreover, in his arms, it's really warm and reassuring!

In the dark, the corner of the man's mouth raised a helpless smile. Sure enough, it was him who could not sleep.

I don't know how long it took for the girl in her arms to breathe evenly. She dared to lower her head and kiss in her hair to comfort herself.

But at this moment, there is a person who is excited and can't sleep. Meila never thought that Xiang Baohan would take the initiative to ask her to have dinner. What does that mean?

Excited, Myra has no time to think about the meaning of this. She only thinks about tomorrow's lunch date, what she should wear, what color lipstick she should use, and what kind of shoe bag she should wear.

This makes her wish to go shopping and buy the most satisfied skirt now.

But the night was already deep, she had to force herself to sleep, and strive to use the best state to see the cold.

Early morning.

Ni chuxue turned over like a sleepy kitten. She thought she was sleeping in her bed and wanted to hug a big doll. However, what her arm held was a man's strong waist.

The real natural temperature

In an instant, her whole body wakes up, she opens her eyes and looks into a pair of deep eyes with a smile.

Ni chuxue's face is pink and ruddy with the speed visible to the naked eye. She is shamefully buried in his arms, embracing his waist and trying to take it away.

However, the man's hand is already on her waist, and she will stick it even more with a gentle hug.

"Good morning!" He said hello in a low voice.

"Early..." Ni chuxue blinks and sticks it to his chest little by little. It's so nice.

After getting up, Ni Chu Xue did not dare to see him, and showed the girl's coyness in a very good position.

If you change a girl's way of doing this, you will only feel the affectation. However, Ni chuxue's loveliness is so real and natural, because this girl is simple, like a piece of white paper, free of impurities.

Ni chuxue finished breakfast and played with flowers and plants in the garden. Because there was a rose in full bloom, some of it fell down. She made a small bracket to support the rose branches, so that it could absorb the sunshine and be more delicate.

She was busy, with a shadow behind her.

"Meet your sister at the restaurant with me at noon." The man's voice also comes to mind.

Ni chuxue looks up in surprise. "Do I want to go with you?"

"Why don't you go?" he said

"I'm afraid my sister will get angry."

"You're waiting for me in the restaurant upstairs. After I talked with your sister, I'll go up and have dinner with you." Xiang didn't plan to let her face Meila.

"Good." Ni chuxue nods obediently.

From the direction of the villa all the way to the center of a building, where the top restaurants.

It's still early. Xiang Pohan asks the assistant to contact Meila and ask her to come earlier.

Myra is also going to come earlier. After she's dressed up, she's just going to come. When she gets a call, she's more happy.

It seems that the thin cold must be fighting for time to get along with her more! She can't waste. Xiang Bo Han takes Ni chuxue to a restaurant above, gives her a box according to the row, orders her favorite dessert, and asks her to wait for him. Ni chuxue knows that Meila will be hurt this time, but it's inevitable. Instead of letting her like someone without result, let her understand the situation.

At about eleven o'clock, Xiang's assistant received Meila at the main entrance of the building.

"Miss Myra, our boss is waiting for you in the restaurant upstairs."

"Is he alone?" Meila asked, but she thought about whether Ni chuxue would be there.

"Yes, our boss is alone." The assistant nodded.

Meila immediately bit her red lips and forced herself to be happy. "Please lead the way."

The assistant welcomed Meila into the dining room. Meanwhile, he dialed Xiang Bo Han and told him to go downstairs.

Xiang Pohan gets up from his position and kisses Ni chuxue's hair before leaving. "Wait for me to come back."

"Well!" Ni chuxue bent his lips and nodded.

Meila was arranged into a box, she saw thin cold was not in, but some small disappointment, thought he can't wait for her!

"And your boss?"

"He will come in a minute." The assistant replied with a smile.

Meila sat down with satisfaction under the service of the waiter, holding her chin, patiently waiting for the appearance of the thin cold. Through the champagne on one side, she did not forget to check whether her appearance was proper.

If it wasn't for the assistant to stand by, she would have to mend her lipstick!

After a while, she heard footsteps outside the door. Her heart beat quickly. Seeing a man like thin cold, there was a kind of pressure, a feeling of awe and want to get close.

When the door knocks, the waiter pushes it open, and the thin, cold, slender figure steps in from the door.

Myra was so excited that she immediately stood up. "Mr. Xiang, you are here."

Chapter 1357

The thin, cold and elegant figure sits opposite to Meila. The golden sunlight outside the window seems to have crossed a layer of golden light on his body. The originally dazzling appearance has a king's momentum.

Meila's eyes were almost melting on him, and she found that she should have noticed this man's, Xiang Qinghao's youth at the beginning. In front of this mature man, she seemed to have a little taste.

Once a man like Xiang Pohan falls in love with him, he will surely spoil him as the happiest woman in the world!

How I wish this woman was her!

"Miss Myra, whatever you want to drink or eat, whatever you like!" It's very gentlemanly.

Meila naturally also wanted to take out her elegant posture, greeted the waiters waiting nearby, and said to Xiang shanhan in a coquettish way, "I'm not polite if Mr. Xiang is so generous!"

Xiang Pohan smiled. "I'm here today to talk to miss Myra about something important."

Meila blinked with shame and surprise, wondering if the man in front of her saw her? Want her to be his woman?

She will not refuse.

There must be something about her that attracted him.

"You said, I will promise you anything." Myra hinted at her at once.

"That's what miss Meila said. I'll tell you what I came to see you for."

Myra said to the waiter, "go out first!"

The waiter is also very discerning. He turns around and pushes the door out.

Xiang takes out a card from his suit bag and pushes it to Meila on the table.

Meila looks at the card he sent suddenly and generously. She covers her mouth with surprise. Is it for her?

"Is this for me?" Myra cried excitedly, even thinking about the amount of the card.

"Yes, this card is for Miss Myra. It has two million dollars. I hope you don't mind it."

Myra's heart is going crazy. As expected, she is a super rich man. She gave two million yuan or US dollars as soon as she sold.

"Mr. Xiang I How can I ask for your money? " Myra still has to refuse, to show that she is not a greedy person, although now her brain bag is full of money.

"You're welcome. Take it!" The item thin cold nods, signals her to accept.

Meila's hand, or involuntarily went to take the card, looked at the card, she thought, said so much, she did not know what he came here to find her.

Meila bit her red lips and said, "I will do anything you want me to do. Although you are Xiang Qinghao's uncle, but In my heart, I have already regarded you as an idol, I like you very much And adore you I'm willing to do everything for you. "

His eyes were clear and cool, even a little cold.

"Miss Myra, I think you misunderstood. The purpose of my coming to see you today is to hope you can fulfill my feelings with your sister, Chu Xue. Please don't interfere. The money in this card is a gift for you." The item is thin and cold with serious breath.

Meila holds the card's hand and feels hot instantly. The excitement on her face also solidifies and becomes unbelievable. She swallows her saliva anxiously. "Do you see me for this? This is not a date between us? "

"Miss Meila must be very clear. I like your sister Chu Xue very much. She has even decided to marry her, because your presence has affected her feelings for me. I am very angry about this."

Meila touched the deep and angry eyes on the opposite side. She immediately lowered her head in shame, like a person who made a mistake. Indeed, she was just messing around. She didn't expect that the thin cold would get angry.

"But Where is she worthy of you in the early snow? You are so noble, so rich, and my sister is just an ordinary, ordinary, nothing Meila looked up and asked, her eyes full of unwillingness.

"She has a kind heart, which is enough for me to like her. Besides, there is no distinction between high and low." He corrected her.

Meila's face was reddened. She could not refute her thin and cold words.

Now, she's really dead hearted, even the thin cold has appeared, and between the lines, there is also some warning.

"I..."

"Miss Myra has had enough fun here. I can take you home."

Meila's breath is smothering and her cold is driving her away?

"I don't want to be embarrassed after the first snow, you know, she is already my woman. Have a nice lunch and I will pay the bill." Xiang Pohan said, and got up to leave.

Mei LA's head buzzing, Ni chuxue is already a thin cold woman? They have Now, I can't do without dying.

Xiang Pohan stops at the door and looks back at Mei La, who is unwilling. "From now on, I will not allow anyone to bully Chu Xue. Whoever dares to bully her will pay the price no matter who I am." This sentence has a strong voice.

Meila couldn't help but fight a cold war, and then, a bang to close the door, let her shake for a while, in front of the absolute strength of the man, Meila how dare not?

Because she is a bully.

Meila is like a eggplant in frost. She shrinks listlessly in her position. She is unwilling to accept it any more and has to bear it. Even she knows that she and Ni are going to have different lives.

Meila looks at the card on the table and has to say that Xiang shanhan has given her face. If he knows that she has been maliciously preventing Ni chuxue from being with him, he must be furious.

Meila can only get up with the card. At this time, she doesn't have the courage to see Ni chuxue again. She has been eager to get rid of the foster sister, which is what she wants.

On her way back, Myra booked a flight. She really had to go.

Ni chuxue is in the dining room. Although there is a table of delicious food, she has no appetite. She is in a state of confusion. She doesn't know what Xiang Baohan has talked with her sister.

In a daze, she saw an excellent figure coming this way. She looked at it quickly.

He sat down opposite her with a smile on his lips

"I'll eat it when you come. Where's my sister?"

"If I'm right, she should go back to pack and go abroad."

"Ah! What did you say to my sister? " Ni chuxue asked in surprise.

"Believe me, I didn't hurt her, I just hope she can find her own life and happiness." Xiang Pohan reaches out and holds her hand. "She's your family. I won't hurt your family."

Ni chuxue sips her lips and nods, "thank you!"

The item thin cold hook lips a smile, some things still have to hide, as long as she is at ease on the line.

"Eat! In the afternoon, go pack up your things and start living with me! " Men's words, some can not be refused.

Chapter 1358

In the afternoon, Xiang drove her back to her apartment to collect things. He also came up for tea.

When Ni chuxue came back, he pushed open the door of the guest room and found that Meila's things had been cleared away, leaving a room that had been messed up. Ni chuxue sighed gently.

And a sigh of relief.

Ni chuxue has packed several clothes. She uses a small box to carry her usual belongings. When she comes out, she sees her picture on the wall, with a thin cold ring around her arm. She is enjoying it carefully.

Ni chuxue's pretty face turned red. She thought that she had some pictures with braces when she was a girl. She was so ugly that she immediately diverted his attention.

"I'm ready. We can go."

Xiang Pohan looks around and looks at her with some embarrassment. With a smile on his lips, he understands what she's embarrassed about, what she looked like when she was a girl. It's nothing different from her now. It's more naive and lovely.

"I need to talk to my dad so he doesn't run out when he comes to see me." Ni Chu Xue said.

"Tell him, by the way, about our engagement!" A reminder of the thin cold.

Scare! A girl can be scared by this sentence, she looked at the man in the opposite direction with a stunned face, so fast?

Xiang Bo was shocked to see her, but he was a little annoyed. He used to give orders, so many of the things he decided were usually in the tone of explanation.

His eyes gently came to her side, slightly apologetic and said, "I'm sorry, I scared you. If you need time to think about it, we'll talk about it later."

Hearing this, Ni chuxue's face was rather worried. She put her hand around his neck and said, "no, it's ok now."

Xiang Pohan looks at her lovely appearance and chuckles, "it seems that someone is more anxious than me."

"Where is..." "Ni Chu snow coquettishly glared at him," anyway, you can't dump me now, I depend on you

The smile of Xiang Po Han is deeper. She is the prey that can't escape!

"Go back to the villa and call again!" Xiang Pohan reaches for her suitcase, and Ni chuxue immediately reaches for it. "You're hurt, I'll do it."

"Don't look down on me."

This sentence really makes him want to prove himself! Even if he is injured, he is still strong.

Ni chuxue covers her mouth with a smile, and her suitcase is not too heavy, so she is proved by him.

Xiang Pohan's motorcade all the way back to the villa. Ni chuxue tidies up her room, which is next to his room. Next time, she will live here in peace.

After cleaning up, she took her mobile phone to Tiantai to call her father. Gu Mingfan was surprised to hear her news, but this was what he had been expecting.

His daughter can marry such a capable man as Xiang Bo Han. He is proud to be a father!

"First snow, you like people, dad has no opinion, engagement day is fixed, let us know."

"Well, it's fixed. I'll let you know." Ni chuxue's happy answer.

In the evening, outside Xiang's villa, a black SUV came. It was Xiang Qinghao and Jiang Xinwei who got off the SUV. They came to see Xiang.

Their wedding is getting closer and closer. Everything is ready and they are waiting for the wedding day.

As soon as the two girls met, there were endless topics to talk about. Xiang Bohan and Xiang Qinghao were chatting about their uncle and nephew in the hall.

While the two girls are in the garden, walking and chatting with each other.

Dinner is being prepared.

"Engagement? So fast! That's too grandpa to be happy. " Xiang Qinghao is surprised to hear this news. Finally, his diamond bachelor's uncle is about to end his single career. Congratulations!

"It's also time to give grandpa a confession. After your wedding, make a date to meet our family."

"That's good! Our family is very happy. When my wedding is over, it's yours. " Xiang Qinghao agreed with him very much. After that, he could not help looking at the opposite uncle jokingly.

"Uncle, I always thought that the type you like is the type of strong woman. Unexpectedly, you like the type of white rabbit! As I knew, I should have arranged for the first snow to come to my house earlier, and I won't waste you waiting so long. "

The item thin cold also was amused, "the opportunity is just right, again early, I am afraid that oneself does not go down hand."

Xiang Qinghao snorted, at the same time, he joked to himself, "now, I should call a girl younger than me an aunt."

The item thin cold Ni one eye, "do you still want to call?"

"Of course it must be called! How dare I not call it. "

Two uncles and nephews were joking in the hall. They saw a pair of beautiful girls coming in by the light. As for their age, Ni chuxue is one year younger than Jiang Xinwei!

The two men didn't smile anymore, otherwise, they asked, it's really hard to explain! Just gentle look at their own women, watching them sit to their side.

At this time, dinner was ready. Four people came to the restaurant, enjoying the delicious dinner and chatting about the wedding. The time went deep unconsciously. At about 8:30, Xiang Qinghao takes Jiang Xinwei away. Xiang Qinghao is very familiar with the city and drives Jiang Xinwei home in person.

Of course, on the way, he still had some ideas in his mind.

"The bed in my house tonight has those four suits that you last saw. They are very soft. Would you like to try them?" Xiang Qinghao carefully looks at his fiancée.

Jiang Xinwei put out her hand to cover her lips and chuckled. She turned to look at him with a smile. She was tender and affectionate but didn't answer him immediately.

Xiang Qinghao was embarrassed. He was thinking about the calculation in his heart. The women around him knew it clearly.

"But my parents let me go home and have a rest tonight."

"Naturally, I'll listen to your parents. Let's wait until the night of our wedding!" Xiang Qinghao found his way down the steps. Meanwhile, he operated the steering wheel with one hand, and extended his other hand.

Jiang Xinwei also knows that this period of time is hard for him. Although she is not a chaste and martyr, she has to get a wedding night, but the wedding is going on, and it seems more meaningful to stay until the last night.

"It's another week, can you wait?" Jiang Xinwei is gentle and comforting.

Xiang Qinghao leaned over slightly and said, "do you know the state of the hungry wolf when he finally saw the food?"

Jiang Xinwei is really nervous. She blinks and looks at him.

Xiang Qinghao could not help but hook his lips and smile, "don't worry, my husband will cherish you no matter how hungry he is."

Jiang Xinwei's pretty face is red and hot in the dark. “

Chapter 1359

Out of the window, the starry sky is bright. Ni Chu Xue finishes her dinner. She goes back to the room to clean up. Although it's a very strange room, there is a touch of sweetness in her heart.

It's late in the night, and Ni Chu Xue is dazzled from time to time. When she looks at the time, she finds that it's ten o'clock. She looks towards the door. Half an hour ago, Xiang Bo Han went to the study to deal with the work. At this time, she doesn't know if he is finished.

Tonight.. Will you sleep with him tonight?

Just thinking, as if hearing footsteps coming from the door, she immediately got up to the door. Although she was a little shy, she still opened the door.

Just across the stairs, a man in a dark shirt stepped up lazily.

He looked up at a girl in a white dress. Her heart was throbbing. He walked straight to her door.

"Are you finished? Do you want to go back to your room and go to bed early? " Ni chuxue looks up and asks.

Xiang Pohan holds her hand. "Talk with me."

Finish saying, persistent she went to the hall on the second floor, Ni chuxue sat down, looked at the mature man opposite, her eyes also seemed to be lost a starlight.

Ni chuxue just sat down, the item thin cold then put out a hand, Ni chuxue posture is not very stable to his side.

"Er..." Ni chuxue half lies in his arms, looks up and breathes fast.

Item thin cold low head, kissed on her forehead for a while, low ask, "where do you want to live after marriage?"

Ni Chu Xue blinked, but his brain didn't turn around for a while.

"How about settling down in this country?" He asked again, the breath was lower, so close to her.

Ni chuxue's head seemed to have no way to think, only to be bewitched to answer him, "well, good!"

The man hook lips a smile, the distance is so close, he has no way to get rid of from her charming breath, a kiss, straight down.

From the sofa back to the room, Ni Chu snow a small face has been red, the item thin cold didn't do anything to her, just let her go back to the room early rest. Ni Chu Xue also obediently returned to her room, but where else could she have a rest earlier?

She didn't know what she was thinking in her head at the moment!

As for why Xiang is willing to put her back in the room, because he didn't sleep well last night, and then let her accompany him, his injury may be more serious.

In the morning, Jiang Xinwei asked Xu Xinyue, a good sister, to try Bridesmaid clothes in the wedding dress shop. This time, the bridesmaid clothes are also very beautiful. They are light purple long dress, two shawls streamer, more light and elegant.

"It's beautiful. It's very suitable for your temperament." Jiang Xinwei smiled and hugged her.

"Miss Jiang, Miss Xu, please move to the VIP room for a coffee!" The waiter came to invite.

"Good!" Jiang Xinwei replied with a smile.

"I'll change first." Said Xu Xinyue with a smile.

"Don't change, and don't go out. I think you look good in your clothes. Let's go! Enjoy a cup of coffee! "

Jiang Xinwei leads Xu Xinyue, and Xu Xinyue only nods with a funny smile. Just when they got to the stairs, they saw a waiter coming up to meet a young man. This is a very fashionable and handsome man. He looked up and looked directly at Xu Xinyue, who was dressed in a skirt. He looked straight for a few seconds.

"You are Weiyu! " Jiang Xinwei recognized at a glance that he was the best man for this time.

Xiang Weiyu immediately recovered from Xu Xinyue's body, only to find his future sister-in-law was around. He quickly smiled and said, "Hello, sister-in-law, my brother asked me to try the best man dress."

Finish saying, he already stood in front of two girls very spiritedly, looking at Xu Xinyue beside with great interest, "this is?"

Jiang Xinwei can't help laughing. It seems necessary to let the best man and the best woman get to know each other.

"Her name is Xu Xinyue. She is the bridesmaid and my good sister." Jiang Xinwei said, and said to Xu Xinyue, "this is Qinghao's cousin, Weiyu, who is also the best man this time. Get to know each other well."

"Hello!" Xiang Weiyu seemed to be very active and smiling.

"Hello!" Xu Xinyue smiles and nods.

"We are going to have a cup of coffee. Would you like to come along?" Jiang Xinwei asked.

"Good! I'm coming back all the way. I'm thirsty! I have a lot of time today. I'm not in a hurry. " Xiang Weiyu finished, and the stars flashed over Xu Xinyue's face with a smile.

He didn't know that his cousin's Bridesmaid was such a beautiful girl this time!

Naturally, Xu Xinyue noticed Xiang Weiyu's burning eyes. She kept a very natural smile on her beautiful face, but she didn't show any shame.

In the lounge, while drinking coffee, Xiang Weiyu was obviously interested in Xu Xinyue, which even Jiang Xinwei noticed. She thought to herself, is it going to be a new couple this time?

"Xinyue, I'll go to the bathroom and have a talk with you." Jiang Xinwei thinks Xiang Weiyu is really nice. She has to leave some private time for them. As soon as Jiang Xinwei left, Xu Xinyue seemed more quiet, and Xiang Weiyu was also embarrassed. He was still a big boy in the face of the girl who was moved!

"Are you a native?" Xiang Weiyu asked with a smile.

"Yes, I am a native." Xu Xinyue answers with a smile.

"I've mixed the blood of the Three Kingdoms, but I look like an oriental. My family has always lived abroad, so I seldom come here. This time, I found that it's very suitable for home life."

Xiang Weiyu's body embodies the perfect mixed race handsome appearance, which is also the kind of cheerful personality that girls like very much.

However, another girl may also be attracted to him. Xu Xinyue has a secret, which has become the shackle of her life. Therefore, even if someone loves her, she has no way to respond.

"Then you are welcome to come back and settle down."

"I have this idea. My grandfather also hopes I can come back and settle down. Let's make a friend! I don't have many friends. How about coming out for a cup of coffee? "

Naturally, Xu Xinyue didn't refuse. She nodded and the two exchanged numbers. At this time, Xiang Weiyu's mobile phone rang. He took a look and said, "my mother's phone, I'll take it."

At this time, Jiang Xinwei also came back from the door. Xiang Weiyu went out to answer the phone. She sat beside Xu Xinyue with a smile and pushed her gently. "How was the conversation?"

Xu Xinyue also saw through her sister's mind. She smiled helplessly, "you know I don't have that idea at present."

"There are excellent ones. Why don't you try? You haven't been interested in any boy since I know you. "

Xu Xinyue smiled bitterly. "I just don't have this idea!"

Jiang Xinwei found that although she and she have become good sisters, but still feel that her heart has other thoughts, it belongs to her alone, and it must not be a happy secret. Chapter 1360

From the wedding dress shop, Jiang Xinwei and Xu Xinyue went to visit their senior sister in a nearby high-end clothing shop. She already has a very famous reputation in the clothing industry.

Unconsciously, in the evening, Jiang Xinwei wants to go back to Xiangzhai for dinner, and the two sisters are separated. Xu Xinyue refuses Jiang Xinwei to take her to Xiangzhai so as not to delay her time. She stops a taxi by the side of the road to go home.

Sitting in the taxi, Xu Xinyue's beautiful face unconsciously surged up to a layer of sadness. Under the slim eyelashes, the shining eyes seemed to hide unknown secrets.

The taxi driver is in his early thirties. He rarely pulls such a quiet and beautiful girl. He looks at her from behind from time to time, thinking that this girl will not be emotional frustration!

Xu Xinyue's eyes looked out of the window, as if looking, as if in a daze. Suddenly, she screamed, "stop, I'll get off."

The driver quickly turned the car into a nearby parking lane, and the girl behind immediately took out her mobile phone to pay and pushed the door to get off.

The driver was a little puzzled. Didn't he get to the destination?

Xu Xinyue stands on the street, her eyes are on the building surrounded by high walls, which looks like a fashion building, but inside it is a senior private hospital.

Standing in this familiar place, a lot of the past and the past come up like the tide.

And that was the most painful moment in her life, the pain of childbirth. She was in pain all day and all night here, surrounded by strangers. She still remembered the crying of the child, so loud, people around her, a joy celebration.

And she also remembered that she did not know why, but also shed tears. It was the time when the holy life came to the world, and it was also the time when she said goodbye to the baby in her belly.

At that time, with pain, she looked up at the child secretly. The doctor wrapped it in a soft towel and heard the doctors praising the child's cleanness and beauty.

She only glanced at it in a hurry, and the child was carried away. This life has nothing to do with her.

Although she is only a surrogate tool, she and the child also have deep feelings for the company of the October pregnancy.

Xu Xinyue bit his lips and longed to look at the gate of the guard, imagining whether it was possible to look at the child again, even if it was only a distant look.

It was the child of the eldest young master of the family. The man she had never met in person or talked to. It was funny that he was the father of the child, and her cousin was the mother of the child.

It's said that the eldest young master of Gu's family was unconscious after a car accident five years ago. In order to keep his blood, Gu's family looked for an outstanding girl as a donor, and this person was her cousin, Xu An'an.

And the surrogate is her. She urgently needs money to cure her grandmother's disease, so she signed an agreement. What a funny and confusing thing.

Xu Xinyue was unconscious for half an hour. Finally, she had no chance to wait for the young master who was looking after her family. After she went abroad four years ago, she never heard of the news of looking after her family again. She did not know whether the young master woke up later.

But Xu family, already had no her position, since her parents died, she was driven out, Xu family's everything has nothing to do with her.

She didn't want to see the faces of the mother and daughter again. Now, she has made some achievements in the clothing industry by herself. There is no problem in supporting her grandmother's family.

Xu Xinyue sighed and walked absently to the sidewalk nearby. She didn't see it clearly for a moment. It was green just now, and suddenly it was red. She just stepped out a few steps and heard a word of emergency brake.

"Zizi" of the ground, there is a series of rapid honking horn, scared Xu Xinyue rigidly in place.

I saw a domineering Bentley car which was less than half a meter away from her. She hurried back and looked into the car.

I saw the driver staring at her through the glass, as if there were another pair of eyes staring at her. In the back seat, a man's handsome face was also gloomy.

"You're not scared, are you?" The driver turned and asked nervously.

"It's OK, let's go!" The deep male voice opened his mouth. Across the dark glass in the back seat, the man's eyes swept over the woman who ran into the road. Looking at the flustered face, the man's dark glass eyes suddenly shrank.

At one glance, from this face, he felt a sense of familiarity, but he didn't know where the damn familiarity came from.

The black Bentley drove slowly towards the hospital gate.

Xu Xinyue patted his chest. I dare not be dazed. It was dangerous just now.

Now she doesn't want anything to happen to herself, because she will be the bridesmaid of a good sister soon, and she doesn't want to miss the wedding.

Xu Xinyue stopped another car and drove past a bustling shopping mall. The billboard beside her stood in a forest. She also saw a familiar face from it.

Xu an. She has become a female star in the front line. Xu's family background has made her famous in the entertainment circle. In just a few years, she has been in the front line.

In Xu Xinyue's mind, she still remembers that when she was in the center of the moon, she looked at her tired and weak self with high air, and her face was sarcastic.

"Xu Xinyue, can give birth to a child for me and Gu Chengxiao, that's the blessing of your life."

"In the future, you are not allowed to appear around us, let alone take this matter to invite contributions from your family. You are just a tool."

And she confidently showed off in front of her. In the future, the whole Gu group will be her, because it is her own son who inherits Gu group.

To this point, Xu Xinyue has nothing to do, just feel sad for that child to have such a mother!

At the moment, in the top floor of the hospital, a doctor in his early fifties is in the lounge. Beside him stands a female assistant. She seems to be a little nervous.

The doctor guessed where her nervousness came from, and immediately gave her a look. "Five years, what are you still nervous about?"

"Here comes Mr. Gu. I'm worried..."

"That secret, you have to rot in your stomach. Now, it has been five years. No one knows what happened in those years. Gu's group only needs a successor. As for who is the biological mother, it doesn't matter."

"That kid is really beautiful, just Did you find that between her eyes and eyebrows, she is very similar to that girl? I'm afraid the family will find out. "

"Hum! What are you afraid of? That girl disappeared long ago. How could the family members not find out? Who made the donor's egg useless? You can only use a surrogate. "

The nurse took a deep breath and tried not to think about it.
