

U. CEO Daddy 1401

Chapter 1401

Xu Xinyue also didn't expect to meet the kid at the airport. She smiled and explained, "I'll pick up my friend."

"Daddy and I are here to pick up Godfather." The little guy's big black eyes are full of surprises.

Xu Xinyue and the little guy looked at each other with a smile, but the face of a man around him was extremely ugly, especially the picture of his son holding her waist and kissing him.

He would like to bring his son back, but this woman looks pure and beautiful, but her real career is shameful to him.

"Xiaomu, come here." Gu Chengxiao gave a low order.

The little guy didn't respond, but scared Xu Xinyue. She quickly pulled the little guy's hand away from her, because she felt that Gu Chengxiao was very disgusted with her contact with the little guy.

"Xiaomu, go to pick up your Godfather! I'm going to pick up my good friend, too. " Xu Xinyue said gently to the little guy.

The little guy nodded, some reluctant to leave heart Xu Yue, back to his father's side, at this time, Gu Chengxiao's bodyguard said, "less ink out."

Gu Chengxiao picked up the little guy and went towards the entrance. The little guy turned around several times and couldn't bear to look at Xu Xinyue.

Xu Xinyue looks at him with a smile and waves.

At this time, Xu Xinyue looked at the stream of people coming out, and immediately saw his good sister Li Yan.

"Smoke, here." Xu Xinyue waves to Liyan.

It's a coincidence that the little guy's godfather is this handsome guy named Mo Zeyang. When he saw the little guy, he immediately put down all the salutes in his hand and reached for him.

"Xiaomu, do you want to be a father?" Mo Zeyang's hand can't help flicking on the little guy's delicate face.

The little guy smiled and hugged his neck. "I want to play with my father."

"There are too many people. Hurry up!" Gu Chengchao murmured.

Mo Zeyang picked up the little guy and said, "go home. My godfather has brought you a gift.

The little guy's eyes looked right and left as if he was looking for someone.

"Who are you looking for?"

"I'm looking for sister Xinyue!" The little guy said, too many people, he did not find.

At this moment, Xu Xinyue and Li Yan have pushed the box towards the door.

"Do you feel that people around you are staring at me? What are they looking at?" Li Yan asked Xu Xinyue.

Xu Xinyue also felt as if there were many people looking at them. When she turned her head, she felt what was sticking to Liyan's back. She looked at it immediately and pulled it off for her angrily. "Who pushed this on your back?"

Li Yan looked at the words on it and was very angry. "It must be those two crazy women, hateful, making fun of me like this."

"What's the matter? You're annoying?" Asked Xu Xinyue.

"Unfortunately, I'll tell you later." Li Yan is speechless.

Xu Xinyue can only sympathize with her best friend.

Xu Xinyue inadvertently raised her eyes and saw Gu Yimu's little friend sitting in the arms of a man in black clothes and black pants, accompanied by Gu Chengxiao, two handsome figures, regardless.

These two men fully prove that one sentence, birds of a feather flock together.

Li Yan can't wait to have a big meal. "We eat out in the evening. I'll go home after dinner."

"What's the matter? Don't go home first? "

"I'm embarrassed to say that I was fired. I once threatened to come back. Now, I have no face to see my parents except for my clothes. "Li Yan said with some frustration.

"Well, you're better than me."

"Your show is so great. Why didn't Jessica watch it?"

"It's a long story. I'll talk to you later."

Two sisters got into a taxi, and a line of three black cars left. For dinner, Xu Xinyue asked Li Yan to eat in a good restaurant, and they talked about recent events.

"What? How can Xu an trample on you in front of Jessica Li Yan was so angry that he wanted to scold.

"I thought if I didn't provoke her, we would be safe. Who knew she would do this to me?" Xu Xinyue is also upset. Her recent contact with Xu an made her know that she and Xu family are enemies.

Xu Xinyue didn't tell Li Yan about the surrogacy in that year, so she didn't mention the little guy for the time being.

However, Xu's family has repeatedly warned against telling anyone about it.

Li Yan also talked about her own experience of being fired. It's a miserable word to describe. In addition to the unhappiness on the plane, she will die of depression.

"Do you know that man?"

"He's just a little handsome. Who knows him? This man is very cold. On the plane, he doesn't talk all the way, he is listening to music and sleeping. Moreover, I offended him, apologized several times, and he didn't care about me. How do you say this man is like this! " Li Yan is a little depressed.

"Then how did you offend him?" Asked Xu Xinyue curiously. Li Yan's pretty face was quietly hot, and she bit her lips awkwardly. "When I went to the bathroom, I suddenly met a strong airflow. I had a hard time getting back to my position. Before I sat in, I felt the whole plane was descending. I was scared to my legs. I knelt down on the passage and reached out to hold his legs Return... "

Xu Xinyue blinked. "What else?"

"I'm afraid! You know when a man is afraid, he will find something to hold. Besides, my head is buried in his leg. "

"It's not the place I want to be!" Xu Xinyue snorted and laughed.

Looking at the face of a good sister under the light, Xu Xinyue thought that he was right.

"At that time, I was scared to death. I couldn't care so much." Li Yan looks miserable. "Because of this, I was seen by two crazy women nearby, thinking that I was deliberately taking advantage of him at this time. You say, who wants to take advantage of him?"

Of course, Xu Xinyue knew that Li Yan had no such thoughts. She sighed, "how many twists and turns have you come back this time!"

"No!" Li Yan is smoking juice and gnashing his teeth.

"Did you send in your resume?"

"I'll throw it after two days off! I can't be idle. "

"Well, just a few more days off, I should go to the store to report."

The two sisters chatted and had dinner at the same time. The atmosphere was relaxed and relieved each other's pressure.

Later, the two stopped their cars to go home.

In another high-end hotel, Mo Zeyang is also saying goodbye to the little guy. "Xiaomu, please be obedient when you get the gift back."

"Well, father, have a good rest." The little guy nodded his head wisely.

"You said that beautiful sister, I'd like to see you another day, to see what kind of person makes you so worried."

"Good! When I have time, I'll introduce my beautiful sister to you. " The little guy smiled and nodded.

At this time, Mo Zeyang looked up to Gu Chengxiao on the opposite side and said, "see you tomorrow! I'll go back to have a rest first. This time, the family business is big enough for me. "

"Well! Go to bed early. "

Chapter 1402

The little guy was led to the car by the bodyguard and sat in the safety seat.

"It seems that Xiaomu has begun to think about finding his stepmother." Mo Zeyang asked with a smile, "have you seen that girl?"

"I will not let Xiaomu see her again." Gu Chengxiao's voice reveals a trace of disrespect.

"What's the matter? Not for you? "

"It's not about looks, it's about character." Gu Chengxiao concluded.

Mo Zeyang asked again, "what about her own mother?"

"No sense." Gu Chengxiao opens his mouth.

"So you're going to stay with the shepherd for a lifetime and not touch women?" Mo Zeyang jokingly said.

"And you?" Gu Chengxiao asked.

Mo Zeyang laughed freely and freely. He put his hair together with a handsome face. "I'm not in a hurry now. It's early!"

The two good brothers said goodbye to each other and went back to their respective houses.

Before the little guy got home, he fell asleep in the safety chair. He slept soundly. His mouth was watering.

Gu Chengxiao takes his son back to bed, takes the hot towel, wipes his face for him, the little guy pours his mouth, turns over and goes to sleep.

Gu Chengxiao leaned down, kissed him on his small head, got up and went to the study.

In the morning, Xu Xinyue accompanies her aunt to come out to see the house. When she hears that there is a real estate opening recently, she thinks she can get a good house. Xu Xinyue also hopes that she and grandma can have their own house as soon as possible.

At noon, I got a call from Li Yan. She wanted to ask her out to chat in the afternoon and kill time. Xu Xinyue agreed.

The house.

Gu Yimu is very quiet and clever today. He doesn't pester daddy to play ball or run around in the morning. He hides in his room and counts money.

He emptied out the money in his piggy bank. Now he sat on the small bed, counting hundreds of yuan bills one by one.

When the little guy thought of Xu Xinyue's humble house, he was so distressed! Sister Xinyue said that she must work hard to make money to buy a new house, so the little guy decided to support her.

Take out his lucky money and bonus money to help Xu Xinyue buy a house.

Gu Chengxiao saw the little guy go upstairs after breakfast. It's more than 10 o'clock now. He can't see him go downstairs. He's a little strange about what the little guy is doing.

He must be only four years old. In case of falling, he still needs to master his son's movements all the time.

Gu Chengxiao's slender body, leisurely step upstairs, towards his son's children's room.

The children's room is next to his master bedroom. Gu Chengxiao comes to the door and knocks politely.

"Xiaomu, is it inside?"

The little guy who is counting money in bed immediately pulls up the quilt in a panic and hides what he is doing.

He jumped out of bed and hugged daddy in one leg.

"Daddy, I'm here."

Gu Chengxiao squatted down and asked curiously, "what are you doing in the room?"

"I'm looking for something, daddy. Do you want to play with me? "

Gu Chengxiao stroked his little head and stood up. With his height, his eyes fell on the little guy's untidy quilt. The place where the quilt was not pressed showed the corner of a hundred yuan bill, and the place where the quilt was bulged. It was clearly his money can.

My son was hiding here, counting his money? When did such a small guy start to need money?

Isn't his money unused all the time?

Gu Chengxiao quietly leads his son out. He will not ask about this matter, but he will pay attention to where his son's money will be used.

You can also master and understand your son's money concept from childhood.

Gu Chengxiao takes his son downstairs to play ball.

I like playing football with my dad best. In the sun at noon, I sweat a lot, but I have a good time.

At 11:00 noon, the cook and assistant of Gu Chengxiao Huo servant arrived. They didn't come every day, but as long as Gu Chengxiao's father and son were at home, they would prepare the ingredients and come to make lunch for the father and son.

After playing the ball, Gu Chengxiao wiped his son's face and allowed him to go back to his room to rest.

Gu Chengxiao came to the study and thought that his son was counting his money now. He really wondered where his son's money would go.

What toys does he like? Are you going to pay for it? Or something else?

Gu Chengxiao could not have imagined that his son would take all his money to support Xu Xinyue to buy a house.

At the moment, the little guy has counted all the money. He has 26000 yuan, a thick stack. He takes the wristband and wraps it neatly. Then, he takes the paper and wraps it outside.

Then, he took out a gift bag and put it in it. The little guy picked up a letter paper and began to write.

Elder sister, this money is used to help you buy a house! You must accept, love your little shepherd, and please your sister. The simple but sincere words were finished. The little guy folded them and put them in the gift box, then sealed them with adhesive tape. The little guy also knew that money was not exposed.

This is what daddy often taught him, so, this money, he packaged like a gift, no one can guess that it is cash.

The little guy wrote Xu Xinyue's phone on a sticker and stuck it on the outside of the present, which he would ask the chef uncle to take out later.

Now daddy doesn't allow him to go out, so he can only be taken out. Moreover, he believes that the chef uncle will help him to send a gift.

However, this matter, can't let daddy know.

The little guy went downstairs first. Looking at his uncle and two men who were still cleaning the kitchen, he ran to the study again. He knocked on the door and pushed it open. Looking at the man who was working inside, he smiled, "Daddy, are you working?"

"Well! Do you want me to play with you? " Gu Chengxiao stops his percussion and looks at his son gently.

"I'll play by myself, Dad, you work hard! I won't bother you. " With that, the little guy closed the door wisely.

Gu Chengxiao looks at the closed door of Li Luo's son and falls into a little deep thought. His son is a little abnormal. He immediately thinks about the matter that his son takes out the money in the piggy bank. He stood up and stepped out of the study. He stepped softly and heard his son's voice in the hall, "Uncle Mike, you can do me a favor! Give me a present. "

"Who is the young master going to give it to?"

"No, there's a phone number on it. You can find her by calling her number. Please send it to her!"
The little guy said seriously.

When Mike saw it was a beautiful little gift, he reached out and took it. "OK! I will deliver it to your friend. "

Chapter 1403

"Thank you uncle Mike. It's very kind of you." The little guy said sweetly.

Gu Chengxiao stood at the corner of the corridor and frowned. Who is the gift for his son? What kind of gift is it? Is it the money in his piggy bank?

Gu Chengxiao didn't show up immediately. He went back to the office, stood in front of the floor to floor window, watched Mike's car drive out of the garden. He reached for Mike's number. "Hello, Mr. Gu. Do you have any attachment?" Mike will answer the phone at once.

"Did my son ask you to take a present?"

"Yes! Young master ordered me to take it out. Do you need to check it? "

"No, wait for a moment at the gate of the community. My assistant will pass by and ask him to take the gift back to me."

"OK! Do you need to tell young master? "

"No, he asked. You said it was delivered." Gu Chengxiao also didn't want to hurt his son's heart. Before he knew the situation clearly, he saved face for his son. Mike waited at the entrance of the community for more than ten minutes, and saw Hershey's car coming. Mike handed the gift to Hershey, and Hershey took it and drove towards the house.

The little guy is alone in the toy room at the moment. He thinks that he can help Xu Xinyue, so he feels happy and satisfied.

Waiting for Xu Xinyue's praise.

But he didn't know that the gift he had carefully prepared to send was stopped by his father halfway. At this moment, he was taken by Hershey and sent back to the study of Gu's house.

He Shuai hands the gift to Gu Chengxiao himself. Gu Chengxiao takes it in his hand and weighs it. It should be cash, and it should be all the cash that his son has saved since he was a director.

Gu Chengxiao takes the blade to cover several layers of tape on it, picks up the bag and pours it out. There was only a piece of cash wrapped in paper and a pink letter paper. He reached for it.

The above sentence, the moment makes his handsome face iron green, the brow of the blue tendons gas faint floating.

Damn it, that woman even instigated her son to send her money? Cheat her son out of all the cash to buy her a house?

Now, he finally understood that the woman was close to her son's purpose, and was interested in his money.

He who wants to deceive his son's ignorance and his money.

Thinking of her serving two men for money overnight, I don't wronged her at all.

Gu Chengxiao looked at his son's money. For a while, he was angry and helpless. The son he taught was so gullible?

Give money to an outsider easily?

What means did that woman use to coax her son to give her money?

It seems that he must keep a good eye on this woman, lest she use other means to cheat his son.

"Boss, will you give him the present?" He Shuai asked curiously.

Gu Chengxiao crooned, "no, you are not allowed to do this in front of Xiaomu."

"Yes." Hershey nodded.

However, Gu Chengxiao knows that when his son remembers Xu Xinyue's phone number, he will definitely ask Xu Xinyue tonight or tomorrow.

Therefore, for the sake of their father son relationship, it is necessary for him to find Xu Xinyue again and warn her that if he dare to cheat his son's money by such means, he will make her pay the price.

"I'll watch Xiaomu at home for me. I'll go out." Gu Chengxiao finished saying, took the gift together to come out, glanced at the number above, the vision coldly stepped out of the study.

In addition to his work, Hershey's next duty is to look after children.

Underground garage, a gray sports car is surging out, the low wild roar shows its superior performance, as well as the price.

Usually, Gu Chengxiao takes cars as the main way to travel. Only when he travels alone, can he use sports cars instead of walking.

It's 2:30 at noon. Xu Xinyue has an appointment with Li Yan at 3:00. She is ready to go out.

At the sisters' party, she still dressed up a little. The washed long hair hung down in the back of her head, with a beautiful oval face and elegant makeup, a white dress with a shoulder designed by herself, charming and elegant.

Xu Xinyue went out in a beautiful mood. She took a taxi and was going to the downtown commercial street.

As soon as she got on the bus, her cell phone rang. She thought it was Li Yan urging her. She picked it up and looked at it. It was a strange number. She picked it up without thinking, "Hello!"

"I'm Gu Chengxiao. Let's meet. Now." In the last two words, some of them are gnashing their teeth and have voice lines.

Xu Xinyue was shocked by the acupoint. She blinked and asked, "are you Gu Chengxiao? What can I do for you? "

"Where are you."

"I'm on the taxi." Xu Xinyue answers honestly.

"Get out of the car immediately. Give me the seat. I'll come to see you." Gu Chengxiao orders to hang up.

Xu Xinyue is stunned again. This man's bullying makes her speechless. But, thinking that he is Gu Yimu's father, is it because of the little guy's business that he is eager to find her? Xu Xinyue had to find a conspicuous place to get out of the car. After getting out of the car, she gave the cell phone number she had just called. She waited for him with her arm around the street lamp pole.

Why did he suddenly look for her? Where did she offend him?

Xu Xinyue doesn't really understand.

She was waiting for Gu Chengxiao in the shade of the nearby trees, watching her wristwatch.

In fact, she didn't want to meet him. He was going to be Xu an's husband. It was not polite for them to meet. Moreover, if they were discovered by Xu an, their mother and daughter would come to the door.

So, I'll see you later. If you have anything to say, please finish it quickly! She doesn't want to spend another second with this man.

Twenty minutes later, Xu Xinyue is a little tired. She has to go on a date with Li Yan!

Is depressed, far away to hear a roar of the car like the street, Xu Xinyue looked up.

Only in the sun, a gray sports car came here. She had a premonition that it was Gu Chengxiao's car.

Sure enough, the sports car stopped on the street in front of her and the window fell down. Who is Gu Chengxiao?

"Mr. Gu..." Xu Xinyue bent down to say hello to him.

"Get in the car." Gu Chengxiao looks at her with cold eyes.

"What can I do for you! I have something else to do in a moment. " Xu Xinyue doesn't want to get on the bus.

Gu Chengxiao didn't want to get out of the car either. He gave her a cold look and continued to order, "get in the car."

Xu Xinyue saw that his car was parked nearby, and there were still some traffic jams. A car in the back honked and urged, so she had to open the door and sit in the sports car.

Gu Chengxiao started the car without saying a word and drove in a direction. Xu Xinyue immediately fastened his seat belt. This man drives very fast.

"Where shall we go, Mr. Gu?" Xu Xinyue asked the man in surprise.

Chapter 1404

But see him squint tightly Mou, only be absorbed in driving, not did not answer her.

Xu Xinyue can't help panicking. No matter what, the man who is going to be Xu an's husband must stay away.

"Mr. Gu If you don't, I'll have to get out of the car. " Xu Xinyue can't help getting angry.

Gu Chengxiao's car is going to the corner of the park at the moment. It's a rare place to be quiet.

Gu Chengxiao's car braked and stopped. He said to the woman in the passenger seat, "get off with me."

Xu Xinyue can't wait to push the door open. Standing beside her, she sees the man get off the car and brings a gift bag in her hand.

Xu Xinyue breathes. Is this man going to give her a gift?

"Mr. Gu We are not familiar with Don't give me a present... " Xu Xinyue had refused to speak before the man explained what he had said.

Gu Chengxiao listened to her funny words, his thin lips raised a sarcastic color, "I'm not going to give you a gift."

Xu Xinyue's face is embarrassed. She looks at the pink gift bag in his hand, blinks and waits for his voice.

Gu Chengxiao looks at the woman in front of her eyes. Under the mottled sunlight, her face is clear and clean, her eyebrows and eyes are soft and beautiful, like the moonlight on the water, full and moving.

Xu Xinyue looked at him and looked at herself. She only felt her face warm and confused.

Her long eyelashes were flickering, some of them were afraid to look at his sharp eyes. Gu Chengxiao looked at her and pretended to be shy. He hummed in his heart. No wonder she attracted so many people and pretended to be poor and weak, but he picked it up with his hands.

"See for yourself! Then give me an explanation. " Gu Chengxiao hands the present to her.

Xu Xinyue is stunned. She reaches for the gift and it has been torn open. She takes it out. It's a heavy thing wrapped in paper. Then, a piece of paper comes out and falls on the ground.

Xu Xinyue squats down to pick it up, looking at the handwriting on it. Obviously, it's the handwriting of a child. It's crooked and twisted, but it's recognizable.

When Xu Xinyue looked at it, he was shocked. Is this from Gu Yimu?

Xu Xinyue looks at the square package in his hand again. Is it cash?

"That's what you want to get close to my son? Get him to like it, and then pretend to be poor in front of him and ask him to send you money? " Gu Chengxiao's handsome face, I don't know when, has been cold and terrifying.

Xu Xinyue's heart seemed to be stabbed by his words. She raised her head and firmly retorted, "I didn't ask Xiaomu for money. Your son is very lovely, and I like it very much, but I just want to like him, never suggesting that he should send me money."

Gu Chengxiao snorted coldly, "my son is only four years old, which is the age to cheat."

"I didn't really Please believe me and give the money back to your son! Tell him, I thank him for his intention to help me. " Xu Xinyue's heart is bitter, and at the same time, he is moved. The little guy has such a mind for her. It can be seen that he really likes her.

This also made Xu Xinyue happy. When he was born in October, he was so fond of him that he deserved to suffer a lot.

Gu Chengxiao's cold eyes narrowed slightly, chewing the truth in her words. Did she really want her son's money, or did she make such a pretentious refusal because he found out?

If he didn't find out and her son's money was sent to her, would she really accept it?

"Mr. Gu, I never want to cheat your son. I don't have any bad thoughts. I just want him to grow up healthy and safe." Xu Xinyue speaks sincerely.

With that, she handed the gift to him, and Gu Chengxiao reached for it, but instead of receiving it, he clasped it with a big hand, clasped her slender wrist, and pulled her close to him.

Xu Xinyue's body leaned in front of him, her breath tightened, and the handsome features of the man seemed to have a kind of frightening magic power, which made her dare not look directly at him.

"What are you going to do, Mr. Gu?" Xu Xinyue's head is back. She can only look up to him when she has lowered most of her head.

"I am at home this afternoon. You return the present in person, and tell my son that you are going to go abroad for a long journey and will not return home in five years." Gu Chengxiao gives a low command.

Xu Xinyue's beautiful eyes slightly gaped, "why should I say this?"

"Because, I want to put an end to my son's idea of seeing you again. Although I don't know why my son likes you so much, I won't allow you to meet again, OK?" Gu Chengxiao stared at her with warning, coldly opened his mouth.

At the bottom of Xu Xinyue's heart, there was a sudden sadness. She broke his hand and took a step back. "OK, I'll do what you say. I'll give a gift to Xiaomu, and I'll say good to him. I won't see him again in the future."

Gu Chengxiao glanced at her with a little satisfaction. "I'll send you the address. Remember to come to my house before five."

"Good! I'll be there. " Xu Xinyue took the gift and bit his red lips.

Gu Chengxiao narrowed his eyes, looked at her clear eyes, as if covered with light sadness, how? Let her leave her son, does she still have what not to give up? He really didn't believe that a strange woman and a strange child would have such deep feelings in such a short time, so all her love for her son should be pretended.

Gu Chengxiao turns around and walks to the driver's seat of his sports car. Xu Xinyue holds the gift and stands in the same place. Suddenly, a man on a bicycle comes quickly. He presses the bell to let Xu Xinyue, who is in the way, get out of the way.

However, Xu Xinyue is immersed in his sad thoughts. Maybe Gu Chengxiao can't understand her feelings with Xiaomu at first sight. However, she really had to conceive her son in October before she was born.

Thinking about it, Xu Xinyue's eyes turned red and tears twitched.

The man on the bike thought she would get out of the way when she heard the bell. He stepped on it twice and rushed towards her more fiercely.

The man who was about to open the door, noticed the man riding the bicycle and the woman who had no movement. Within a few meters, she was about to be hit. Damn it, is there something wrong with this woman's ears?

Speaking later and then quickly, Gu Chengxiao's cold eyes sank, and several steps reached Xu Xinyue's side. When his bicycle hit him, he grabbed the woman who did not know the danger.

Xu Xinyue only felt a buzz in her brain, and bumped into the strong man's chest. A sharp masculine smell enveloped her. She suddenly raised her head, and the man, too, bowed his head angrily.

In an instant, the distance between the two faces is only half the distance between the palms. The breath is intertwined and the eyes are striking.

The man is sending out angry eyes, the girl is panicking but the eyes with tears are quietly looking at each other.

Chapter 1405

Seeing the tears in her eyes, the man's eyes suddenly shocked, and she cried? Why are you crying?

Gu Chengxiao takes the lead in regaining his mind. Some of his disgusted hands loosen their grip on her shoulder. He says coldly, "don't you want to die?"

Xu Xinyue took a breath and hurriedly retreated three steps away from him. She took a look at the man who was swearing and swearing. Only then did she return to him and save her. She looked down at the man in front of her and said, "thank you."

However, the man has bypassed the front of the car, opened the driver's seat door of the sports car, sat in, the smooth line of the body in the sun, shining, elegant left.

Xu Xinyue raised the gift in his hand and sighed. He was moved and helpless. He murmured, "little guy, how can you send money to me?"

Naturally, Xu Xinyue didn't know. She casually said that she was trying to save money to buy a house, which would make the little guy remember in his mind and reach out for help.

Xu Xinyue took the gift and stopped a car to go towards the city center. Li Yan has arrived.

Xu Xinyue put the gift into her backpack and sat in the car. She looked at the little guy's handwriting repeatedly. She felt that the crooked words were full of love.

Her eyes were wet again.

Li Yan waited for her in the afternoon tea restaurant for a while. She asked curiously, "is there a traffic jam?"

"No, I've just been put off." Xu Xinyue sat down and looked at Li Yan's pale skin and dark eyes. She asked, "did you lose sleep last night?"

Li Yan gathered her long, curly hair and said, "I just think about my future work. Ah!"

"All right! Relax, let's come out, it's just relaxing! " Xu Xinyue patted her on the shoulder.

"I submitted my resume on a whim last night. Which magazine company do you think it is?"

Xu Xinyue thought about it and shook his head. "I don't know much about the domestic companies. Tell me!"

"Guti magazine."

Xu Xinyue immediately rejoiced for her. This is a high-end magazine that gathers fashion, beauty, stars and luxury goods from all over the world. It is also a global fashion magazine chain.

"Really? Good luck. You'll be able to get in. "

Li Yan is also looking forward to the expression, "look at life! I want to go in, too. It's my dream job. "

"You must be able to believe in yourself." Xu Xinyue comforted.

At this time, there was a message coming from her mobile phone. She picked it up and saw that there was a string of addresses on it, and the phone number was unknown.

But Xu Xinyue knew that this was Gu Chengxiao's phone number. She took a look at the watch secretly, and unconsciously it was more than four.

"Smoke and smoke, I'll go to a place later and make another appointment."

"Good! It's time for me to go back. My parents prepared delicious food tonight. I wanted you to come with me. " Li Yan said to her.

"Unfortunately, I have something to do." Xu Xinyue also wants to go! She and Li Yan are close as sisters, and her family also like her very much.

"It's OK, next time! Where are you going? I'll see you off. "

"No, I'm not familiar with the place I want to go." Xu Xinyue won't bother her.

Two good sisters came out, Li Yan walked to a red BMW car, Xu Xinyue waved to her, smiled and watched her.

"See you next time." Li Yan dropped down the window and said something.

"Good! Slow down. " Xu Xinyue asked.

Li Yan lights her head, and the car slowly drives out of the parking lot. Xu Xinyue also stops a taxi and gives the driver a look at the address. The driver reminds her that she may not be able to enter the villa community!

Xu Xinyue doesn't mind either. Anyway, she will return the gift to Gu Yimu today anyway. In addition, in front of Gu Chengxiao, she will never meet Gu Yimu in the future.

Xu an is sitting in a luxury car in a high-end fashion brand customization shop. She holds a small mirror and arranges her clothes. She just received the good news from her mother. Today, Hong Meishan looks at the clothes in this customization shop. Xu an is going to have a chance encounter.

I hope we can enter Gu Chengxiao's villa and have a dinner through Hong Meishan's relationship tonight.

Xu an pushes the door to get out of the car. She takes her bag and leaves her assistant outside. She moves forward gracefully.

She looked around and heard someone talking on the second floor. One of the female voices, Hong Meishan's, was listening to her and the other. She went downstairs while chatting.

"Miss Xu, who are you going to show your clothes to?" The waiter came forward enthusiastically.

Xu an didn't answer first. When she heard Hong Meishan's voice behind her, she pretended to be very filial. "I want to customize my mother with an autumn section."

After Xu an finished, she turned around and saw Hong Meishan. She immediately said, "Auntie, are you here?"

Hong Meishan saw her just now and heard that she was going to make autumn clothes for her mother. She couldn't help thinking that she was a filial child. "Ann, you are there, too!"

"Yes! I'll make some autumn clothes for my mother. It's a coincidence that you're here, auntie. "

"Last time, I heard that you and Chengxiao took Xiaomu to dinner together."

"Yes, I want to see Xiaomu so much. I wish I could be with him all the time." "Xu an a face longed for a way," dream is thinking

"What? Hasn't Chengxiao invited you to his house yet? " Hongmeishan asked in surprise.

Xu an immediately borrows this sentence and pleads with Hong Meishan, "Auntie, I want to see Xiaomu tonight. I wonder if you can take me to Chengxiao's villa for dinner!"

Hong Meishan has not seen her grandson for two days. With her cold temper, she will not ask Xu an for an appointment. However, her grandson is still unfamiliar with her biological mother and needs time to get along with her. When she meets Xu an, she agrees, "OK! Let's go to Chengxiao's villa for dinner tonight! "

"Well, thank you, aunt." Xu an's eyes were red with excitement. "Then I have to prepare some gifts for Xiaomu. By the way, I'll buy some clothes for him! From his birth to now, as a mother, I should always do something for him. "

Hong Meishan nodded, "there is a good shop near here. Let's go shopping!"

"Good! I'm so happy to go shopping with my aunt. " Xu an reaches for Hong Meishan.

Hongmeishan naturally asked her to come out with her arm in her arm and go back to her son's house to buy some clothes.

First, she asked her servants to go to the supermarket to buy good food. Tonight, she would like to have a lively dinner.

Sitting in the back seat, Xu Xinyue watched out of the window from the bustling downtown area. The car drove to a straight and spacious Avenue. The surrounding greening was very primitive, as if in the green forest.

"Miss, your friend lives here! This is the most wealthy villa in our city! "

Chapter 1406

"I just came to deliver." Xu Xinyue replied.

"It's amazing to know the people who live here!"

Xu Xinyue smiled and did not answer, but in his mind, Gu Chengxiao's expressionless face appeared. How about knowing him? It's not a world, it's not a level of people, and there won't be any intersection.

"It's almost here, miss. My car can't get in!"

"Nothing! I'll see if you can wait for me outside the community gate for half an hour and I'll pay you. " Xu Xinyue said to the boss that it's hard to take a taxi here.

"Good! All right! " The driver also needs a rest. He doesn't need to drive and counts money. How can he not do it!

Sure enough, the taxi can't drive in. After Xu Xinyue made a strict and detailed registration at the door, the bodyguard drove a sightseeing car to take her to Gu Chengxiao's villa.

Sitting on the sightseeing bus, Xu Xinyue also enjoyed the rich people's living area. It is clear that the flowing picture is general, elegant gardens can be seen everywhere, and there is a huge clear artificial lake wetland park.

At the moment, in the center of the city, Xu an accompanied Hong Meishan to the direction of the villa.

She made a phone call first, but Gu Chengxiao didn't answer, but Hong Meishan knew that her son must be playing outside with his grandson, so she knew that his son usually took his grandson at home at night.

Xu an was worried and asked, "aunt, is Chengxiao and Xiaomu not at home?"

"Don't worry! They are at home. It must be Chengxiao who accompanies Xiaomu to play in the yard. They didn't hear the phone. " Hongmeishan expected it.

Xu an could not help sighing, "I wish I could play with Xiaomu."

"It'll be over soon. You can accompany Xiaomu tonight." Hong Meishan patted her on the shoulder.

Xu an nodded, but also attracted her, and her son's father!

At this moment, Gu Chengxiao, indeed, accompanied his son to play football outside the yard, and changed into a man in a casual dark gray sportswear, which is particularly handsome at home.

The little guy was kicking a ball when he heard a doorbell ringing in the direction of the gate. He immediately said curiously, "Daddy, there are guests coming."

Gu Chengxiao thought that at this time, there was only one person who would come to his house, the woman he ordered.

Xu Xinyue stood outside the door, but the security guard didn't leave. She obviously needed Gu Chengxiao's approval before she could leave the security guard's sight.

The security of the community here is not so strict.

Gu Chengxiao asked the little guy to play on the grass first. He went to have a look. The little guy played the ball obediently.

Gu Chengxiao's long figure appeared at the door, next to a painted golden iron door. Xu Xinyue stood in the sun and said to him, "Mr. Gu, I'm here. Please open the door."

Gu Chengxiao opened the door and the security guard said respectfully, "Mr. Gu, your guests have arrived."

"Thank you." Gu Chengxiao politely said to the security guard, looking coldly at Xu Xinyue, "come in."

Xu Xinyue frowns. Why does this man treat others politely, as if he is hostile to her?

"Where is Xiaomu?" Xu Xinyue asked directly. She was going to come and return the present and leave.

"Follow me." Gu Chengxiao glanced at her and led her to the grassland.

On the green grass, which is as flat as a football field, the little guy is playing with the ball. He can't help but see daddy coming back. What's more, to his surprise, behind him comes a warm and familiar figure.

"Please sister." The little guy immediately threw the ball and rushed to Xu Xinyue.

Gu Chengxiao looks at his son who is running towards the woman behind him even with a few clangs. His jealousy ignites in an instant. This guy doesn't rush to him so recklessly.

How can he be happy to see the woman behind him?

"Be careful and run slowly." Xu Xinyue was frightened several times in a row for fear that the little guy running to himself would fall down.

She squatted down to meet the little guy. She thought he was just coming, but she didn't think he was running to her arms.

Realizing this, she quickly opened her arms, and the little guy put his arms around her neck, and made a loud noise. Before Xu Xinyue could react, she was kissed by the little guy's soft little thin cold on her face.

This is really sweet from the face to the heart. Xu Xinyue has special feelings for the little guy, so her feelings are unknown to outsiders. Gu Chengxiao put his hand in his pocket and looked at his son as a rogue. His sword eyebrows were tightened directly, warning, "Gu Yimu, pay attention."

The little guy put his arm around Xu Xinyue's neck and called out, "sister Xinyue, did you come to see me specially?"

"Yes, I'm here to see you. At the same time, I'm here to return your gift." After Xu Xinyue finished, he took off his backpack and handed back the gift he had given him from inside. "No, give it back to you. Don't give me such a valuable gift later. I can't afford it!" Xu Xinyue finished, involuntarily reached out and gently stroked the little guy's tender face. The little guy looked at the returned gift, a pair of big watery eyes immediately shrouded in loss, he handed the gift to her again, "this is my special gift for you, you must accept it."

"I can't accept it. Thank you. I've got it, but I won't accept it." Xu Xinyue continued, "besides, I will go abroad soon. I may not come back for a long time, so you should take good care of yourself."

When the little guy heard this, he immediately hugged her neck. "Can we still meet?"

"I may not see you again." Xu Xinyue said heartily, her remaining light glanced at the man's eyes beside her, and kept staring at her sharply.

She thought, if she said that, would he be satisfied?

"I don't want to let my sister go," she said

"My sister is going to work. I can't help it. I have to leave." After Xu Xinyue finished, she stood up and planned to leave.

Although it's cruel, her relationship with the little guy is over.

From his birth to now, she has been satisfied to see him.

However, the little guy suddenly opened his arms and tightly hugged one of her legs. The little face pressed against her leg and shouted, "I don't want you, I don't want you to leave. Would you like to stay! How about working in my dad's company! "

Xu Xinyue's heart wrenched and looked at the little guy who was reluctant to leave. She was moved and shocked in her heart. Was it because she was the one who gave birth to this feeling?

Chapter 1407

Gu Chengxiao watched his son pester Xu Xinyue coldly. His son didn't even recognize his mother. Instead, he pestered this strange girl so much. What's the matter?

"Gu Yimu, let go." Gu Chengxiao said to him with a deep voice.

Xu Xinyue saw that the man around her was angry. She was afraid that she would hurt the little guy. She quickly squatted down and comforted him again, persuading him, "OK, Xiaomu, elder sister really has to go."

The little guy let go of Xu Xinyue, turned around and pleaded with Daddy behind him, "Daddy, can you give sister Xinyue a job, please?"

"My company doesn't hire people." Gu Chengxiao's cold refusal.

Xu Xinyue turned around and had to take advantage of the fact that the little guy didn't hold her leg and left quickly. Just a few steps away, she heard a whoop behind her. Gu Yimu's little friend cried heartily and ran after her.

In this picture, Gu Yimu's children run like children abandoned by their mothers, who are pitifully chasing after them.

Gu Chengxiao is really fed up with his son, but he is separated from a strange woman. Does he need to make such a difference between life and death? Is it humiliating to lose?

Xu Xinyue just walked for more than ten meters. When she heard the little guy coming up behind her, her tears came up. She finally turned around and saw that the little guy with tears was holding her legs again.

"Don't go, I don't want to please my sister..." The little guy sobs and refuses to let go.

Xu Xinyue quickly wiped his tears and looked at Gu Chengxiao. She didn't want the child to be so sad, but she really didn't know what to do.

She can't bear to leave without being cruel.

Gu Chengxiao was just about to come, when he heard that there seemed to be a car coming in outside the door. No one else had the right to enter his home except his mother's car.

So, at the moment, the sound of cars coming into the yard outside is his mother's car.

Gu Chengxiao's face changed a little. He held Xu Xinyue's son all the time and said, "take her in to hide, don't let your Grandma see her."

The little fellow listened, wiped a tear, curiously asked, "why!"

"Do as I say." After Gu Chengxiao finished, he said to Xu Xinyue, "you can't appear in front of my family and hide."

Xu Xinyue also didn't expect that, so coincidentally, his family came, without Gu Chengxiao's warning, she knew that her identity could never come.

If Xu an knew that she had come to Gu Chengxiao's house, it would be another disaster.

Xu Xinyue led the little guy and asked in a flurried way, "Xiaomu, take me to hide quickly."

The little guy immediately nodded his head wisely, and was very happy. "Please come with me, sister. Let's go in the back door."

Xu Xinyue hurriedly ran to the other side of the grass with the little guy. That's the direction of the back door. Gu Chengxiao watched them go by. He gave a little breath and didn't know that his mother would come tonight.

Gu Chengxiao stepped towards the direction of the yard parking lot. When he walked out of a row of bamboo paths, he could not help but see a woman standing beside his mother getting off the car.

Xu an is here, too.

Gu Chengxiao's handsome face tightened a few minutes, but his mother didn't even notice him to bring Xu's family over?

However, Gu Chengxiao has been in the yard. Maybe he didn't receive his mother's call.

Xu an hears the footsteps coming from the path beside her. She turns her head in surprise and sees a handsome and elegant figure coming towards her under the setting sun. Her heart is pounding hard to control.

What a handsome man!

Hongmeishan looked at her son and said with a smile, "look who I have brought here. Ann wants to have dinner with Xiaomu."

Then, in another car outside, her servant came in with the ingredients for dinner.

"Chengxiao, you don't mind if I come!" Xu an looks at Chengxiao carefully.

Hongmeishan saw that she was afraid that her son would not be happy. She smiled and comforted her! Of course, Chengxiao doesn't mind. "

Gu Chengxiao wants to mind. In front of his mother, he can't show it. Even if he comes, he can't rush others.

It's just that they didn't come by chance, because tonight, there must be someone in his villa.

Xu Xinyue was also depressed. He thought that he could go back after giving the gift. But now, she can't go away.

When she and the little guy came to the balcony on the second floor, the little guy stood on the balcony and looked at the people coming in the direction of the parking lot. He was a little unhappy and said, "how is she coming?"

Xu Xinyue has been hiding behind the wall. When she hears the little guy's complaint, she can't help but look at it quietly. Her heart is shaking. What, Xu an is coming?

Only Xu an's side, is Gu Chengxiao's mother, three people together to the direction of the hall.

"Xiaomu, is there a special place to hide? Can you take me to hide? Don't let your grandmother and your mother see me. " Xu Xinyue pleaded to the little guy in a low voice. The little guy thought for a moment and laughed, "I know there is a place. Come with me!"

Xu Xinyue is also relieved to follow the little guy up to the third floor, and then, the little guy pushed open a door, Xu Xinyue looked at it anxiously, eh! It's like a bedroom!

Moreover, the bedroom is large and luxurious, like a master bedroom.

"Whose room is this!" Asked Xu Xinyue in a low voice.

"Come with me, sister." The little guy didn't answer her, but took her with him, pushed open a sliding door beside him, and said to her, "sister, you are hiding here. No one will find you."

Xu Xinyue steps in and stares at me. This This is a men's cloakroom.

Moreover, the glass cabinet in the middle is full of expensive wristwatches and luxury accessories.

"What is this place!" Xu Xinyue asked the little guy.

"This is my dad's bedroom," he said with a smug smile

"Er?" Xu Xinyue only feels breathing. Is this Gu Chengxiao's master bedroom? How can a little guy bring her here!

"Is there any other place besides here? I can't hide here. " Asked Xu Xinyue in a low voice.

The little guy shook his head. "It's not safe anywhere else! Only here is the safest place for my father to change clothes. No one will easily come in and disturb me. "

Xu Xinyue has a point, but she is hiding in the men's cloakroom. What's the matter!

"Sister, don't worry. I will never tell my grandma and aunt Xu that you are in my house."

Chapter 1408

"Well! Well, please keep it a secret. If they know about it, I will be in great trouble. " Xu Xinyue whispered.

"Don't worry! I will protect you. " The little guy patted his chest and talked like a man.

Xu Xinyue's anxious heart was immediately moved by this sentence. She smiled and nodded, "thank you, Xiaomu!"

"Don't worry. I'll go down first. If I can't be found, my grandma will be in a hurry." Finish saying, the little fellow admonishes a way, "elder sister, do not run about!"! Be sure to hide here! "

"Well, I'm not going anywhere." Xu Xinyue promises.

The little guy left happily.

And by the stairs downstairs, Gu Chengxiao's fist was clenched in secret. Where did the little guy hide the woman?

Now Xu an is here too. If this woman shows her face, she will be in some trouble. He did not want his mother to misunderstand him. He had an affair with other women.

At this time, he saw the little guy step down the stairs with a happy face, and he immediately looked for the past.

The little guy smiled and made an OK gesture to show that he had hidden the man.

Gu Chengxiao immediately held the little guy in his arms and asked in a low voice, "where are you hiding?"

"Don't tell you." The little guy said goodbye with a small face.

Gu Chengxiao did not have a good mood to include his face. At this time, Hong Meishan looked at his grandson and came over happily. "My dear grandson, give grandma a hug."

"Grandma." The little guy immediately jumped from daddy's arms to Grandma's.

After Hong Meishan, Xu an also came over excitedly. "Xiaomu, do you remember who I am?"

The little guy shook his head deliberately. "I don't remember."

"Xiaomu, why don't you remember? She's your mommy! " Hongmeishan tries to cultivate the feelings between her grandson and Xu an.

The little guy puffed up his cheeks and said he didn't want to admit that the woman in front of him was his mother.

"Xiaomu, your family is so beautiful. Can you show me around?" Xu an tries to get close to her son.

The little guy thought that Xu Xinyue was upstairs. He shook his head and said, "I want to play in the hall."

"Well, let's play in the hall!" Xu an doesn't ask for it.

Gu Chengxiao is now thinking about where his son hid the woman? There are many rooms on the second floor, the third floor and the fourth floor. Even if the little guy can't hide well, the woman should also hide well consciously.

"Grandma, can you accompany me to the garden?" The little guy pesters Hong Meishan, and he doesn't want his grandmother to find Xu Xinyue.

"Good! Grandma is going to play with you. Let's go with Ann! " Hong Meishan calls Xu an up.

Xu an looks back at Gu Chengxiao. "Chengxiao, do you want to come with me?"

"I need to work." Gu Chengxiao refused lightly.

Although Xu an was disappointed, he didn't show his disappointment. He bent his lips and smiled! We are with the little shepherd. "

The little guy leads Hong Meishan and Xu an to the garden. Gu Chengxiao wants to go upstairs to find Xu Xinyue, but thinks it's unnecessary. As long as she hides well.

At this moment, Xu Xinyue is hiding in the cloakroom full of the smell of male hormones. He has no reason to sweat. Although the air conditioner is on here, it's cool, but it's the place where Gu Chengxiao usually changes clothes! Think about it, I feel a little red faced.

But she also dare not run around, in case Xu an also patronizes in the villa? If I run into her, I'll be in real trouble.

At that time, how can she explain her appearance in Gu Chengxiao's villa?

Originally she suspected that she was seducing this man. Although there was no such thing at all, Xu an's mother and daughter believed it.

Therefore, she must hide well and never let Xu an and Mrs. Gu find out. Otherwise, her reputation is not guaranteed, even Gu Chengxiao's reputation will be affected.

Two very skilled servants are preparing dinner in the kitchen.

The little guy is playing football outside. Xu an, who is wearing high-heeled shoes, can only watch and can't participate. Hong Meishan, however, looks at him fondly for fear of his grandson falling down.

Gu Yimu is also very smart. He knows that as long as he is in the yard, grandma and Xu an will accompany him, so he just needs to attract their attention.

Gu Chengxiao goes back to his study. Before eating, he has to be busy with some work. Because after supper, he can only coax his son to work again. Now, his working hours are squeezed out little by little. Most of his time is still occupied by his son.

Gu Chengxiao could have lived with his mother and sister, but because his mother doted on his son excessively, he worried about living with his mother. Sooner or later, his son would be spoiled into a conceited character, so he insisted that he didn't live with his mother.

The setting sun disappeared in the distance, the sunset was covered by darkness, and the night gradually fell into the whole city. Xu Xinyue hid in the cloakroom. Fortunately, there are several automatic spotlights that won't make her fall into the dark, and she didn't dare to open the side curtain without permission.

She sat on the sofa next to her and sighed several times, but she couldn't get rid of her present situation.

Just wait.

Wait for Mrs Gu and Xu an to leave.

She thought they would leave after dinner!

At this time, her mobile phone rang, and she took out a second to pick it up. It turned out that the taxi driver was tired of waiting. Xu Xinyue quickly promised to send him a fee to wait for the bus and let him leave first.

Because she didn't know when she was going to hide here.

Two skilled maids have been preparing a rich dinner. In less than half an hour, the flavor of the dishes has come out of the kitchen.

Several dishes have been put on the table, and the little guy is sweating too. Hong Meishan takes him to the wash basin and tries to wipe the towel for him.

Xu an didn't go. She sat on the sofa and looked at Gu Chengxiao's villa carefully. It was very luxurious and even warm. For the sake of children, she saw some small toys stacked on the cabinet from time to time.

In Xu an's heart, how eager she is to become the hostess here one day, imagining that there are servants cooking dinner in the kitchen, while she plays with her children in the yard, Gu Chengxiao is dealing with work, and then the family has a happy dinner.

This is the life she dreams of.

And she will.

The little guy took Hong Meishan's hand, and his big eyes flashed some sly light, but he wanted to make a bad smile!

Little guy won't let Xu xinyuebai hide in daddy's cloakroom. He must create opportunities for them to get along.

Chapter 1409

Gu Chengxiao went downstairs from his study on the second floor, and Hong Meishan said to him, "come down and chat with An'an!"

Xu an also showed a smile of expectation, and Gu Chengxiao stepped downstairs, looking at his son, "wash your hands and eat."

"I've washed my hands, daddy. I'm hungry. I'm thirsty, too. I want soup." The little guy said eagerly.

How can Hong Meishan make her grandson hungry! Quickly went to the kitchen and took out his bowl, filled him with a bowl of thick chicken soup, while blowing towards the little guy.

"Come on, have some soup. Tonight's soup is very sweet, very delicious and nutritious." When Hong Meishan finished, she was going to feed him.

Gu Chengxiao coughed softly and said to his mother, "Mom, you put it on the table, he will drink it himself."

"It's a little hot. It will burn." As a grandmother, Hong Meishan is an unconditional favorite grandson.

Sometimes, it became a kind of doting, she didn't find out.

But Gu Chengxiao didn't want to raise a spoiled child. He still said strictly, "Mom, let him drink by himself! Don't feed

When Hong Meishan heard this, she could only listen to her son, who advised her not to spoil her grandson too much more than once.

Xu an is also surprised. Gu Chengxiao is so strict with their son! However, she could not interfere. She could only pity and sympathize with her son.

"Auntie, let me drink with Xiaomu!" After Xu an finished speaking, she sat down at the table and did not feed, but she would accompany her.

Hongmeishan nodded, but the little guy was not happy. He said to Gu Chengxiao, "Daddy is with me."

Gu Chengxiao is a little speechless. His son asks for more.

Hongmeishan had to say hello to Xu'an, "Ann, come on, have a table! Let Chengxiao take care of Xiaomu. "

Xu an naturally wanted to take care of her together. She smiled and said, "Auntie, I want to accompany Xiaomu."

Hongmeishan replied, and she went to the kitchen to help.

Gu Chengxiao is sitting beside his son. He looks at the little guy skillfully using the spoon, and his mouth is puffing his cheeks and blowing the soup.

"Xiaomu, drink slowly and don't burn it." Xu an gently admonished.

When she was outside the delivery room and saw her son in a hurry, she never had a chance to see him again. These years, she wanted to recognize him very much, but she did not dare to recognize him.

Until the mother told her that when the child was old, she would definitely need a mother. Compared with those women outside, the family would not let her, the biological mother, not look for it. So, let her bear to wait. She did not expect that the mother's words would come true.

She finally waited for her home phone call and her qualification as a mother. In recent years, she has also been striving to become famous and protect her own reputation. All hype and gossip have been eliminated before hongmeishan recognizes her.

Now, as long as Gu Chengxiao and her son recognize her, she doesn't have to worry about other things. It's only a matter of time before she becomes a young grandmother.

After a few drinks, he pretends to be very filial. He scoops up a full soup, blows it, and feeds it to Gu Chengxiao. "Daddy, you can also feed it!"

In the face of his son's filial action, Gu Chengxiao will not refuse. When he is ready to bend down, the spoon of the little guy suddenly shakes. The spoon of soup is not fed to him, but sprinkled on his chest. "Daddy! Sorry The little guy apologized.

Gu Chengxiao can't blame his son either. It's understandable that he didn't hold his small hand firmly.

One side of the Xu an but busy care over, "have you scalded?"

"Nothing!" Gu Chengxiao said as he got up and said to his son, "Daddy, go to change clothes."

"Well, daddy, I'm sorry!" Said the little guy with a look of remorse.

Gu Chengxiao reached out and stroked his little head, "Daddy didn't blame you! Have a good soup."
"

"Well! I'll drink it all. " The little guy nodded his head obediently and wisely.

Hongmeishan comes here. Seeing Xu an wiping the oil stains on the table and on the ground, she wonders, "what's the matter?"

"Nothing, just now Xiaomu accidentally spilled the soup on Chengxiao's clothes, but also spilled some on the ground. I wiped it clean." Xu an has a virtuous expression.

Although Hong Meishan loves her son, she loves her little grandson even more. When she is so young, she has to drink soup by herself. She has known for a long time and let her feed her.

"Come on, go to the table with grandma and have a drink! Grandma watched you drink. "
Hongmeishan said to the little guy.

The little guy nodded. Anyway, he has successfully created opportunities for Xu Xinyue. Daddy and she will meet in the cloakroom in surprise!

"I'll go to the bathroom." Xu an got up and said a word. Her eyes, however, turned to Gu Chengxiao, who was upstairs, with some ideas in her eyes.

Gu Chengxiao goes to change clothes. If she doesn't break in, will something interesting happen?

Moreover, she thought, Gu Chengxiao is devoted to taking care of his son. He has never had a woman, and maybe he would like a woman to appear in his life. Xu an's heart is calculating, thinking about secretly going upstairs for a while, and entering his master bedroom for the reason of caring about him. In such a place, will men be wilder?

Xu Anyan still knows how to catch a man's heart.

Xu Xinyue is sitting on the sofa. At this moment, she is really hungry. However, she can only bear it. She keeps looking at the time. It's only about seven o'clock. Maybe she will stay here for two hours!

What if they want to stay? Is she going to stay in Gu Chengxiao's cloakroom for another night?

Wait, in case Gu Chengxiao and Xu an come in and play intimate things, what can she do?

No, no, no, she didn't want to see the scene! Even if it's not watching, it's not listening.

Xu Xinyue's wild thoughts are surging up. Suddenly, she seems to hear the door sound, and so on. Is it an illusion?

In the master bedroom, Gu Chengxiao took off his clothes and went to the bathroom.

Standing on the washstand in the bathroom, he took a towel and tried to wipe the oil stains on his skin.

He is a very clean man, so naturally he can't bear the oil stains on his body. Gu Chengxiao's red upper body shows the perfect bronze color in the mirror reflection, and the six strong abdominal muscles that have been trained show the wild beauty of men.

The golden ratio of his body is perfect.

After Gu Chengxiao wiped and tried, he came out and walked towards the direction of the cloakroom naturally. The advanced carpet absorbed his foot sound perfectly.

In the cloakroom, Xu Xinyue thought she had heard the wrong thing for a while because of the sound insulation effect.

Chapter 1410

The little guy said that this is the safest place. She believed that this place is very safe!

Xu an, who pretends to go to the bathroom from the stairs, has already gone up the stairs to the third floor. She thinks Gu Chengxiao's master bedroom must be set up on the third floor.

Moreover, her sense of direction is very accurate. At one glance, she found the door of the main bedroom. At the door, she stretched out her hand and pulled her lapel, and then pulled her long hair, trying to make herself very sexy and charming, so she decided to knock on the door.

When she knocked on the door, Gu Chengxiao had opened the sliding door of the cloakroom.

Almost at the same time, Xu an, who knocked twice, pushed the door handle open and pushed it in.

At the same time, Gu Chengxiao stepped into the cloakroom and startled the girl who was curled up on the sofa.

Xu Xinyue opened her mouth in fear and looked at the man coming in naked. Her first thought was to scream.

However, Gu Chengxiao was at the door, and he heard Xu an's voice pushing the door in faster.

"Chengxiao Are you there? "

Gu Chengxiao had almost no consideration. He pulled up the door of the cloakroom behind him, closed it tightly and left the inner lock.

But Xu Xinyue, who was in a tense state, didn't hear Xu an's voice. She only saw the man's upper body naked, and she still closed the door and locked it.

It's just a rogue in essence.

The scream in her throat was ready to cry out, and the man's eyes had been staring at her. Just after her red lips opened, he had reached out to cover them.

He rushed over, but Xu Xinyue was frightened to retreat. So, the man covered her lips and fell on the sofa together.

In the posture of heaven and earth overlapping.

Xu Xinyue's call did not come out, the red lips had been tightly covered by the man, and the smell of aggression all over the man also came.

This makes Xu Xinyue want to struggle at once. He hears the voice of Xu an outside the door, "Chengxiao, are you in there?"

Gu Chengxiao's eyes are cold and warning, staring at the woman under him, and Xu Xinyue finally understands why the man rushed to cover his mouth.

Because Xu an is outside, my God! How could this happen?

"Chengxiao, are you changing clothes?" Xu an's voice outside the door is soft and charming. When a man listens to it, he will have crisp bones.

This time, without the man covering his mouth, Xu Xinyue tightly closed his mouth. Even she forgot that she was under the pressure of this man.

She wanted to hold her breath more and more, but because of the tension, her chest was undulating. Originally, the man was clinging to her, and found that she was panting like this.

In an instant, the man's dark eyes narrowed tightly, and the bottom of his eyes seemed to turn out a trace of Yunnan black color. What's the strength of this woman's breath?

It's not that Xu Xinyue wants to breathe, but at this moment, she is really nervous to the extreme.

At the same time, I am ashamed to the extreme.

Xu an is right outside the door, and her body is still pressing her future husband and covering her mouth. What's that?

"Chengxiao, do you need me to come in?" Xu an asked again, not to die to leave.

Gu Chengxiao, facing the direction of the door, replied coldly and low, "no need, go down!"

"I'll wait for you outside." Xu an didn't want to leave. She had to take this opportunity.

In Gu Chengxiao's eyes, there were clearly a few threads of chagrin, and he found that the girl he held down was so soft that he was extremely comfortable, even in the breath, her hair was fragrant.

Gu Chengxiao can let go of Xu Xinyue, because without him covering her mouth, she will never make a sound.

But what to do? He suddenly felt very interesting, especially looking at the girl with flustered face under him. His clear and watery eyes were like stars in the night sky.

There was also the red glow on her face, and the red lips still covered by him. The softness touched the palm of his hand, which made him have an impulse to roll.

Xu Xinyue doesn't want to be taken advantage of by this man. Even if she doesn't make a sound, she will struggle to leave the predicament.

She motioned with her eyes to the man on her body to get up, but the corner of the man's mouth went to arouse a funny smile, and did not move.

Xu Xinyue had to struggle in his arms. In this struggle, the luster of the man's eyes became darker. He attached a low voice to her ear and warned, "don't move."

Xu Xinyue did not dare to move at once, but blushed to her earlobe. She closed her eyes and did not open her face. She was a little daughter-in-law who was oppressed but could not resist.

Looking straight at the smile on the corner of the man's mouth, it becomes more and more interesting. This woman is still a little cute now!

At this time, he forgot all about her career and just wanted to tease her.

Xu an doesn't leave at the door. She is going to wait for Gu Chengxiao to change clothes. Gu Chengxiao saw that the girl under him closed his eyes for a while, so he had to loosen her mouth and sit up. Then, when she didn't exist, he went to the nearby sports money cabinet and took down a T-shirt with his slender hand and put it up at will. Xu Xinyue also hurriedly stands up from the sofa, she lightly came to the dead corner of the man's cabinet to hide.

Gu Chengxiao turned his head to stare at her, looked at her long hair scattered, and looked like a little white rabbit panicking. He could not help but look twice.

"Get out of here." Xu Xinyue immediately made a sign to him. How long does this man want to stay?

I wonder if Xu an is waiting for him outside the door?

Gu Chengxiao is shocked. This woman even dare to wink at him. Who gives her such courage?

Gu Chengxiao suddenly wants to continue to play tricks on her. He puts her in the dead corner of the wardrobe as soon as he supports his hands.

Sure enough, this action of his startled the girl's instinctive reaction, like Xu Xinyue of the frightened bird. He hurriedly put his hands around his chest and stared at him with warning.

In the past five years, Gu Chengxiao, as the top group of people in the world's food chain, has never been interested in a woman like this. But tonight, he looks like he's possessed of something. He wants to tease her. It's fun! For the first time, that's the idea.

Especially at the moment, she is like a trapped little beast, helpless and hooked, which well aroused his bullying heart.

He raised his thin lips, and the handsome face approached her slightly.

Xu Xinyue is going crazy. Is this man taking advantage of others' danger? Ming knows that she is absolutely afraid to make a noise, and he even has to do such a bastard thing?

Damn it, isn't this man going to marry Xu an soon? How can he be such a rascal!
