

U. CEO Daddy 1421

Chapter 1421

"Xiao Xiao, you see how handsome your son is, just like the hero in the movie." Fu Mei praised it.

The two fathers are also looking at each other's children. As the two sides who know each other's roots and have the same financial resources, they immediately have an idea in common.

Make a family.

"Yanyan, this is my son Mo Zeyang. Get to know him." Xiao Qian introduces with a smile.

Good! The original name is mo Zeyang!

Li Yan raised her head, and her eyes suddenly had a few cunning and narrow colors. She laughed brightly, "Auntie, we met."

"You know each other! How do you know each other? Tell me about it?" Xiao Qian asked curiously.

Li Yan complacently stares at the opposite man, as if to reveal the past history they know.

"We first met on a plane."

"How did you get to know each other on the plane?" Fu Mei is also interested in her face. Does her daughter like others?

"It's a coincidence that our seats are adjacent to each other. We ran into an air current. I accidentally bumped into Mr. Mo's..." Li Yan deliberately hang two ladies' appetite, looking at the opposite man's face more and more tense, she is proud of it!

Mo Zeyang does not doubt that this woman regardless of the thickness of her face, the plane's experience, she can not face, he also!

"Miss Li, can we go out and have a chat?" Mo Zeyang showed a smile, but the tone, some gnashing elements.

"Oh! Mom, I went to the interview just now. Guess who I met? " Li Yan propped up his chin with a funny smile.

"Who is it?"

"It's master Mo!" Li Yan's eyes were a little cold, "master Mo didn't forget what happened just now."

Mo Zeyang did not want to mention this matter in front of his parents. He got up and said, "Miss Li, have a chat outside."

Then he pushed the door and went out.

Li Yan suddenly compensated for the pain and pleasure of a counterattack, she said with a smile, "then I'll go out for a while."

Li Yan finished, also pushed the door out, but she just closed the door, the man in the corridor clasped her arm, pushed open a no one beside the box, pulled her in.

"Hello! What are you talking about? If you have something to say, I'm not familiar with you. " Li Yan angrily broke the man's clamp.

"Say, what will you do to shut up?" Mo Zeyang is surrounded by his arm, with a face of negotiation.

"Now I have to shut up, but it's a little late. I want to tell your parents what you did to me. My interview was ruined by you. It was the only chance for me to enter the ancient dike." Li Yan's anger finally broke out.

"You may not be able to get in on your terms." Mo Zeyang sneered.

Li Yan choked and hummed, "it's my ability that I can't get in. Now, because of you, I don't even have the chance to interview. You say, what should I do about this matter! I have to let your parents know how bad and vicious you are

Mo Zeyang's eyebrows twisted. Today's occasion is not suitable for humiliating her parents. What's more, it can be seen that the relationship between her parents and her parents is still very good.

"Offer your terms." Mo Zeyang said directly.

Li Yan's eyes can be a little proud, he should have been held in her hands one day, it is very happy.

Li Yan looked at him up and down, with a bad smile, as if the man in front of her had been kneaded by her.

Her smile, see in a man's eyes, some obscene, he directly cold eye relative, "if go to bed even if, I will not agree."

Li Yan's smile was stiff, but she stepped back, "where do you want to go? Who wants to go to bed with you?"

"I don't have much patience. You should say the conditions quickly." Mo Zeyang some not Nai, Jun Yan is more irritable.

Damn it, when is this woman going to be proud?

Li Yan of course thought of the conditions, she squinted and said, "Mo Zeyang, you listen well, my condition is, with your relationship, let me enter the ancient dike, ensure that I can go in."

Mo Zeyang's face changed. This woman is really greedy.

"I won't, will you! Then I'll tell you all about the incident on the plane and your sabotage of my interview. Anyway, I'm not afraid of losing face. It depends on your fear. " Li Yan is a screenwriter, so eloquence is good.

Mo Zeyang's face was gloomy and ugly. His face was so precious that he was not as cheeky as she was.

"Are you sure you want to enter the ancient dike?" Mo Zeyang's eyes flashed a sneer.

The woman tried to work under his nose, and he didn't stop her.

"Yes, I want to go in. Do you agree or not?"

"Well, I promise you, I'll go in a moment, and speak well." Mo Zeyang finished, opened the door and went out first.

Li Yan clapped his hands with excitement. God help me. I can see that the female directors of the ancient dike are obedient to him today. With Mo Zeyang's relationship, it is inevitable to enter the ancient dike. Li Yan was excited, but did not have time to think about this man's identity, can let Gu Di's director look at him differently, but she has no time to think about these. Take a deep breath and go back to your parents' box.

When she heard her father talking about the crash, she sat down and listened carefully. "Dad, I didn't mean to. I blame myself. I'm sorry." Li Yan immediately bit his lips to show his attitude.

"We don't blame you. Now, the road breaking is everywhere. It's a good thing if you don't hurt people. The car can be repaired." Xiao Qian comforts a way.

Mo Zeyang is silent and stares at the girl who is wronged in the opposite dress and scoffs at the corners of his mouth. "Remember? When I was a child, my Moze held cigarettes Xiao Qian said.

"Yes, yes, I remember when the smoke was full moon, you took Moze to the house and he was very curious to hold the cigarette!"

The two young people who listened to me looked at each other immediately. In their eyes, they were clearly disgusted.

Li Yan bowed his head, drank tea and vegetables, and listened attentively to his parents' conversation about the previous generation. Mo Zeyang did not interrupt much. There were parents on both sides chatting, and the atmosphere was never cold.

"Does Yanyan have a boyfriend?" Xiao Qian suddenly asked with a smile.

Li Yan raised his head and ran into the opposite man, as if all immediately understood the meaning of the elder's question.

Mo Zeyang slightly squints his eyes, with a warning meaning, obviously hoping that Li Yan's next reply can put out his mother's mind.

"Well, I don't have a boyfriend yet." Li Yan wants to fight against him.

"Really? It's just that I don't have any ink in my house yet!" Xiao Qiao said, while taking a look at her son, and then to the opposite Li Yan, "smoke ah! Do you mind developing with my little Mo?"

Chapter 1422

Li Yan can't help but be startled. Is it really the rhythm of the blind date? She waved her hand, "Auntie, I don't deserve your son, or not."

"I am not worthy of you." Mo Zeyang replied, the tone of ridicule, elders do not understand, Li Yan can understand.

"No, I don't deserve you." Li Yan refuted.

"I think you two are a good match." Xiao Qiao made a voice.

"The children have just met. When they have time, let them make more appointments to walk around." Li Tiansheng was also very satisfied.

"Yes, yes, yes." Mo Rongkai also felt that he was not in a hurry and could take his time.

But they did not find that the children of the two families were facing each other coldly! However, the elders of the two families liked each other's children, but they didn't talk about it. Mo Zeyang held up his tea cup, looked at the girl opposite and shot a trace of resentment.

If she says she has a boyfriend, that's not the case.

Li Yan is only interested in eating vegetables. Anyway, she is secretly happy now. She is going to work in GuDi.

At 8:30, the meal was finished. At the door of the hall, the parents of the two families were reluctant to part with each other and arranged to meet next time.

"Uncle Mo, goodbye aunt Xiao." Li Yan waved and watched with a sweet smile.

The parents on both sides waved and left one after another.

Early in the morning, from today, Xu Xinyue finished her vacation. In the morning, she took a taxi to a busy commercial district in the center of the city. There are many famous brands in the world, including stores and Gaoding clothing stores.

The consumer groups in this area have long been separated from the ordinary people. These high-end customized stores serve the upper class, the urban upstarts, and the people who are extremely pursuing quality and paying attention to taste.

Therefore, the store door design here is fashionable, high-end, gorgeous atmosphere.

Xu Xinyue saw his company's brand logo, very conspicuous hanging in the door of a store, dyina, Dylan.

This is the name of the founder of her company, the century old brand of country D. although it can not be ranked among the top brands, due to its years of operation and fame, it also has a place in the dazzling clothing industry.

The company's strict service tenet, the ultimate pursuit of clothing, the pursuit of innovation, as well as the integration of multi-element materials, make Dylan company serve the crowd, more young upstarts, fashion celebrities and stars love.

The first company that Xu Xinyue served was Dylan. She represented the company on the show. Although she failed to attract Jessica, she also appeared on the stage and was well received.

Xu Xinyue is dressed in a white slim skirt with long hair in the back of her head. She never carelessly treats her work. Even though she was still in a casual and ordinary dress in the vegetable market yesterday, at the moment, she has a special temperament in a fitting and well tailored cream white skirt.

Xu Xinyue pushed the door in and the waiter came forward. "Miss, can I help you?"

"My name is Xu Xinyue. I'm a new designer." Xu Xinyue replied with a smile.

The young and beautiful waiter looked at her with surprise and disbelief. Unexpectedly, the new designer was such a young girl. She immediately changed her expression of worship, "Oh! You are the new designer Xu! "

Xu Xinyue nodded and asked, "is the manager in?"

"On the second floor! You go up

This is a three storey European style western style building area. It covers an area of nearly 300 square meters. On the first floor, it is a very fashionable and atmospheric store. On the second floor, there are VIP reception area, clothing measuring room and window display. On the third floor, it is the daily office area of designers.

Xu Xinyue steps upstairs. Because it is only in the morning, there are no guests coming. The second floor is very quiet. Xu Xinyue sees a woman drinking coffee leisurely in front of the luxurious French window. She is dressed in gray professional clothes and has short wavy hair. Her back gives her a clean and strong air.

"Hello, I'm a new designer here to report." Xu Xinyue said to the woman.

The woman turns around, and the eyes behind her eyes are like a leopard standing on the highland, looking at the intruder in front of her.

"Are you from headquarters? Xu Xinyue, right! I was on the show last time, but it was almost hot. " This woman scrutinizes cautiously, in the eyes, does not have a trace welcome breath.

"Thank you for your comments." Xu Xinyue accepted humbly.

Zheng min'en put down her coffee. She has never been pleasant to new comers. What's more, the store is well managed in her hands. Sending a new person here is undoubtedly mistrust of her.

"We do lack designers here. Our brands are quite popular in China in recent years. However, I hope you are here to help me, not to smash the company's brand."

"In the future, please take care of store manager Zheng." Xu Xinyue smiles at each other.

"Your office is in the innermost room on the third floor, and you have to open up your own customer market. Now we have three designers who are dedicated to high-end customization. All the customers are in their hands. You are a newcomer, so you must start from scratch." For this point, Xu Xinyue is also very stressed, she nodded, "I try to finish my work."

Zheng min'en nods. As the head of the store, she manages all aspects of the store, and all the staff here, including the designers, follow her arrangement.

Xu Xinyue comes to her office, which has all the equipment to complete the whole dress, which is enough for designers to play.

Xu Xinyue also fell in love with this place in a flash. The French windows face the tall buildings opposite. It's a kind of fashionable metropolis. If you can design clothes for your guests, it's also a kind of enjoyment!

Xu Xinyue stayed for a while and came out. When she went down the second floor, she saw that there were three other women sitting on the sofa just now. Zheng min'en said to Xu Xinyue who went downstairs, "come here and introduce you to each other."

Xu Xinyue is a newcomer here, but she is the youngest. All the women sitting here are already 28-9 years old, and she exudes the mature and mature temperament of mature and mature Long Ling.

"This is Anna, Lala, Xiaomei." Zheng min'en introduced the three designers sitting there, and also introduced Xu Xinyue, "this is the new comer, Xu Xinyue."

"You are the one who took part in the art gallery show on behalf of the company last time! Your work is very popular. Welcome to join us. " Xiaomei stands up with a smile and gives a friendly welcome.

Anna and Lala are not welcome. For them, they just have a job grabbing person. The market of the whole city is so big. If there are more people and more tourists, what is welcome?

Chapter 1423

Among the three, Xiaomei has a more cheerful personality and is the best one to get along with.

"Thank you. In the future, please give me more advice."

"You look very small! Are you just out of school? " Anna playfully asked with a smile, this sentence is not praise her young, but unintentionally revealed a trace of light mockery.

Xu Xinyue replied with a smile, "I'm twenty-four this year."

"I have an appointment for morning tea. I'll go first."

"Me too. Last time, Mrs. Li wanted to make a birthday dress on my hand."

Anna and Lala finished, then left with her bag.

Zheng min'en looked at Xiaomei and Xu Xinyue. She said to Xiaomei, "Hello, Xinyue. Introduce us here. What do you don't understand? Teach me."

Xiaomei nodded, "give it to me."

Zheng min'en went downstairs. Xu Xinyue breathed a little, and Xiaomei laughed at her, "is it a little nervous! Don't be nervous. Anna and Lala usually only welcome guests warmly. In the store, they are like this. You can get used to it. "

"It's OK, sister Mei. Thank you." Xu Xinyue thanks.

"Let's go! Let me introduce you to our work area. " Xiaomei takes her upstairs. As a designer here, in addition to the basic salary, she depends on commission. Therefore, the more customers come, the higher the Commission will be.

With the custom-made clothes here, the price of a piece is the lowest tens of thousands or even millions of asking price, and the Commission is quite good.

Xu Xinyue used to be in a foreign company, relatively relaxed, the source of customers are brought by the company, but in China, everything depends on themselves.

Chatting with Xiaomei, Xiaomei teaches her how to tap customers. The best way is to attend some high-end cocktail parties and banquets, and deliver famous brands to introduce herself.

Dylan's brand has been established in the market, and customers will consider it if they need it.

Xu xinyuexinzhi, a designer's success, is step by step, so she will treat her future every step with heart.

Xu Xinyue returned to her office, her mobile phone rang, she picked up a look, it is Li Yan, she picked up with a smile, "Hello, is it still depressed ah!"

Li Yan was in a good mood at that end. "I'll tell you another piece of good news. I've just received a call from GuDi. I've been employed and will report tomorrow."

"Really? What's the matter? " Xu Xinyue couldn't help being happy for her.

"This is someone's compensation to me."

"Who is it?"

"Mo Zeyang, he never expected that my parents' old friends were his parents last night. When I was going to sue his parents for bullying, he offered to compensate himself. Therefore, if I got the chance to work in Guti, I also got his exclusive interview privilege." That end Li Yan happy smile.

Xu Xinyue also didn't expect to turn around. "God is helping you!"

"No! Oh! Do you go to the store? How about the working environment? "

"The environment is very good. I just came here, and I didn't know what to do."

"Come on, you make your business card for me, and I'll send it to you to make your name known."

"Thank you. I'm looking for your help, too."

"You're welcome, good sister. Oh, yes! I heard from my father that there will be a big charity party this Saturday night. He and my mother are all on the invitation list. I'll take you to meet some famous people. You have your business card ready

Xu Xinyue heart moved, "well, I just need such an occasion, smoke, thank you."

"What are you talking about! Make your business card bigger and bigger, and we'll make a name for you. "

"Well." Xu Xinyue said with a smile.

When Xu Xinyue finds Zheng minen, Zheng minen will prepare her own business card, print the company logo, and position the company's senior designer.

Kudi fashion magazine, Li Yan once again sat in front of the director chloa.

"What is the relationship between you and Mo Zeyang?" Chloa asked with interest.

"Oh! Our two families have a close relationship with each other. He is a very good friend of mine. Yesterday, I made him angry, and he deliberately dealt with me. Don't mind. "

"If you are hired, Mo Shao's first interview will be arranged as soon as possible. You are ready. This is the first task for you to enter the company. Don't screw it up."

"Don't worry, I can dig out a lot of his secrets. I'll make a lot of attention." Li Yan confidently smiles.

"It's up to you."

The next afternoon, Xu Xinyue's business card was printed. It was very fashionable and high-end, engraved with her name. It was light and powerful, just like a famous brand she entered the upper class.

Xu Xinyue comes to Zheng min'en's office and asks for something from her.

"Manager Zheng, I have a chance to attend a big charity dinner tonight. I want to borrow the evening dress from the store." Zheng min'en is a little surprised. In her eyes, Xu Xinyue is young and immature. Even if she is talented, she may not have connections.

"Where was the charity dinner? If it's a general occasion, I don't think it's necessary. "

"In Jintang century hotel."

Zheng min'en immediately surprised to see over, "you even got the invitation card to go there tonight?"

"Yes, my friend's parents gave me one."

"Tonight is a gathering of celebrities. All the people present are from the upper class of the city. If you are rich or you are expensive, you should seize the opportunity to attract customers for us." Zheng min'en immediately attached importance to this kind of place, which is not a place you can enter at will.

"Thank you, manager. I will try my best."

"Go and choose an evening dress! Also, we can sponsor your friend's evening dress Zheng min'en immediately saw business opportunities, which is also a good opportunity to be famous.

"Thank you, manager."

Xu Xinyue calls Li Yan. Li Yan is also very happy. She will come before 3:00 in the afternoon.

Xu Xinyue has the opportunity to attend, which is the envy of the other three designers in the store. Besides Xiaomei, the other two are even more jealous.

Where does Xu Xinyue come from? If Xu Xinyue's family background is not bad, it's just because her parents died early. Otherwise, in the eyes of outsiders, she would be the second miss of the Xu family.

But Xu Xinyue has long ignored these, she now has only one goal, to make more money, let aunt and grandmother live a better life.

"Xinyue, can you take me with you?" Anna immediately took her arm in a kiss.

"Yes, take us with you." Lala, too.

Xu Xinyue some embarrassed smile, "I am also invited by friends."

Zheng min'en gently coughed, "don't be hard to please, she can go to good."

Chapter 1424

General Office of Gu's group.

Luo min strides forward in a neat pace and reports to the men's meeting in front of the French window, "Mr. Gu, are you going to attend the charity dinner of chairman Pei tonight?"

"Well." Gu Chengxiao should say something.

"He is a good friend of your father, and Mrs. Gu is also very interested in charity. Your wife is very happy to attend..." Luo min for a while many words, she quickly covered a mouth, "young master to go?"

Gu Chengxiao didn't want to take his son to such an occasion. "I'll send him to my mother's house!"

In fact, Gu Chengxiao didn't like this kind of occasion, but he couldn't refuse. In the past, he would say hello to the organizers, raise money and leave.

The company's philanthropy has been doing well every year.

Gu Chengxiao's mobile phone rings in front of the desktop. He takes a look and picks it up. The voice line becomes relaxed, "Hello!"

"I think you will go to the charity dinner tonight, too." Mo Zeyang's voice came from that end.

"And you?"

"How can I not go?" Mo Ze's voice line is lazy.

"I'll see you at dinner."

"You will come, I feel more interesting, you do not come, I will suffocate."

"Why are you so popular?" Gu Chengxiao teases him, and Mo Zeyang has always been liked by business elders.

"Well, let's see if I've had an affair tonight! oh By the way, don't bring the shepherd here. You can enjoy yourself tonight

"I'm not interested."

After hanging up the phone, Gu Chengxiao holds the mobile phone, and suddenly a delicate goose egg face appears in his mind. His eyes are delicate, gentle and refined.

Gu Chengxiao bit his sexy thin lips. I don't know why recently. After the cloakroom incident, he sometimes thinks of this woman.

Although every time I think about it, I feel a little annoyed, but when my mind is empty, I can't help thinking of her.

What magic does she have? The son thinks she also is just, even he is also possessed in general, nothing will miss her.

Around three o'clock in the afternoon, outside the door of Dylan's shop, Li Yan pushed the door and came in. She was elegant and made the shop assistant receive her quickly.

"I'm looking for Xu Xinyue."

"Oh! Designer Xu's office is on the third floor. "

Li Yan follows the waiter upstairs, and Xu Xinyue is also waiting for her. Seeing her coming, she leads her to the store manager Zheng minen's office.

Of course, Zheng min'en did not dare to neglect it. The family who could get into the charity banquet must be a well-known person in the business community. At present, Miss Li exudes the breath of a high-class lady. At first glance, she is a well-off daughter.

"Thank you very much, Miss Li, for choosing our evening dress for the banquet. We will serve you wholeheartedly."

"Manager Zheng, you are welcome. I like your evening dress very much."

"Xinyue, come and choose together! Tonight, you two will show off our Dylan charm After that, manager Zheng took them to the window cabinet and offered them more than 30 sets of luxury and top-level styles for them to choose from.

Li Yan also really likes it, and she is not too conservative. Therefore, when she stands in a lavender evening dress with split legs, her eyes can't help lighting up. What is love at first sight? It's probably now.

"I want to wear this one, can I?" Li Yan turned to Zheng min'en.

Zheng min'en immediately said to the waiter behind him, "take it down and let Miss Li try it on first."

Finish saying, toward Li flue, "if you are satisfied, wear to the party heartily!"

"Well! Thank you

Xu Xinyue was also thinking about which one she was going to wear. Zheng minen walked behind her, took her arm, and went to a pure white fishtail skirt. She said directly, "Xinyue, wear this one!"

Xu Xinyue was shocked, "manager, I can't control this one."

"How could it be? Believe me, put it on, and you'll be the man of the party "If I have another chance to be ten years younger, I can't wait to wear it," Zheng said with envy

Xu Xinyue couldn't help but look at the designer beside her. She looked back in amazement, "store manager, this is your work."

Zheng minen bent his lips and laughed, "yes! Therefore, I hope it meets the most suitable person, to show its style, happy, put it on

Xu Xinyue suddenly felt that Zheng min'en, although she usually looked severe, was so amazing in her talent. No wonder she was able to serve as the manager of the company's first store in China.

Xu Xinyue nodded. She didn't refuse. As a designer, the happiest thing is to see her own works and shine in the crowd. She only hoped that she would live up to the expectations of the store.

Li Yan's eyes are very good. The purple diamond slice evening dress she selected and the perfect split of her thighs make her slender long legs appear indistinctly, which is just right.

Li Yan stood in front of the mirror and nodded with satisfaction, "just this one!" Xu Xinyue also went in to try it on. Zheng minen was waiting outside the door. When she came out, Zheng minen's eyes lit up directly. Her eyes were right.

Xu Xinyue has the most perfect external conditions to show the charm of one of her most proud works.

"Very good, she is very suitable for your temperament, sweet and elegant, without losing the oriental charm." Zheng min'en said, from the cabinet put forward a small and delicate pearl treasure and handed it to her, "take it

Xu Xinyue standing in front of the mirror, she is a designer, her heart is eager for their own perfection, at the moment in the mirror, as if she had changed a person.

Li Yan smile came to her behind, praise way, "Xinyue, you are too beautiful, I have pressure."

Xu Xinyue looked back with a smile, "standing by your side, I have pressure!"

"You two have different temperament, but you are the same beautiful and moving." Zheng minen was joking.

Li Yan took a look at his watch. "We have to hurry up. We have to leave at 5:30, and we need to put on some light makeup and do a hairstyle."

Zheng min'en asked his men to help.

At the moment, on this street, there is another high-end evening dress customized shop. Xu An'an and Li Jingya are also there. Xu'an has a red sexy evening dress. She has made up and is resting.

"Ann, your father heard that Chengxiao was here tonight, so you should seize the opportunity! Besides, never let other women get close to him. You have to let other women know that he is your future husband

Xu an raised her eyebrows confidently, "Mom, don't worry! I will never let other women get close to him

Li Jingya also believes that her daughter has this self charm. After her elaborate dressing, Xu An'an really has the grace of a goddess.

Chapter 1425

"Your father also expects you to get married quickly. Now his career has little obstacles. If Gu's group helps him, it would be better."

"Mom, I will try my best. Maybe tonight, I will take Gu Chengxiao down." Xu an's eyes, showing a trace of thought.

"Unless someone gets him drunk."

"If you have a chance to drink in a bad place, it's not a bad place for him to drink." Xu an put the words behind, the pressure is particularly low.

Li Jingya immediately understood her daughter's meaning. She said nervously, "you should be more careful. This kind of thing must not be discovered."

"How could I be so stupid? Of course I'll let others do it." Ann Hui will never miss this opportunity tonight.

Li Jingya also supports her daughter in this way. Anyway, Gu Chengxiao will be her husband sooner or later.

Around five o'clock, Li Yan and Xu Xinyue are also ready in Dilan's lounge.

Li Yan's evening dress is suitable for tying a half ball of high horse tail, coupled with a lazy and loose micro roll, revealing her beautiful forehead and two wisps of broken hair that decorate her face.

While Xu Xinyue has a long black hair that is soft and vertical. Her evening dress is originally Oriental beauty. Therefore, her long hair has not been changed and naturally hangs down to the waist, showing a high-level feeling.

Make up is suitable for the dinner party elegant makeup, Li Yan's fairy is lovely, Xu Xinyue's gentle and sweet.

"It's half past five. It's time for us to start." Li Yan said to Xu Xinyue.

The two men came out of the door together with their bags for tonight. A Bentley was waiting outside.

Two people sat in and Zheng min'en watched them.

Sitting in the car, Li Yan happily holding Xu Xinyue's shoulder, "Niu, tonight is so beautiful, maybe you have an affair!"

Xu Xinyue turned to look at her, "I think you are more likely."

Li Yan narrowed her eyes and said, "I am a late marriage family, so I will not let my life romance in love!"

Xu Xinyue propped up his chin, "I just hope to get a few guests tonight."

"Don't worry. I'll send out all your business cards for you. I'll introduce you to everyone."

"Don't exaggerate

"You deserve it."

Li Yan and Xu Xinyue held her shoulder, "it's my blessing that you make such a good friend."

"It's mine too." Li Yan responded with a smile.

At the moment, not far in front of their car, in a black car, Xu An'an is holding a small mirror all the time to check the makeup on her face. She is absolutely not allowed to have a trace of deficiency.

Gu Zhai.

A black car was parked in the yard. Hong Meishan came out with two servants to meet her.

The bodyguard opened the door, a little boy jumped down, behind him, Gu Chengxiao's figure also stepped down.

"Grandma." The little guy immediately pounced on the one who loved him the most.

"My good grandson, grandma will prepare you delicious food tonight." Hong Meishan held him up, as if he were often short of food at his father's house.

"Mom, if it's too late at night, I won't come to pick him up." Gu Chengxiao decided to leave his son here.

The little guy turned around immediately, with big eyes full of water and ordered like a little adult, "Daddy, you should come back early, I will wait for you."

"Grandma will take you and let your father relax." Hong Mei said with a smile.

Gu Chengxiao stroked his son's small head, "OK, I'll try to come back as soon as possible."

"Don't get too close to don't get aunt!" One more word, the little one.

Gu Chengxiao narrowed his eyes, "why?"

The little guy picked a small sword eyebrow, "because I want you and Xinyue sister together."

"Who is sister Xinyue?" Hong Meishan asked curiously. She forgot Xu Xinyue for a moment.

"Just a beautiful sister! I hope daddy will marry her to be my mother The little guy didn't hide his thoughts at all.

Gu Chengxiao's handsome Yan is slightly heavy, the tone is indifferent way, "don't talk nonsense."

The little guy pursed his mouth and had to stop talking.

Hong didn't take her grandson's words seriously. She said with a smile, "go, grandma has prepared new toys for you."

"Mother! I said, "don't buy toys for him." Gu Chengxiao complained behind him.

"My grandson, I don't hurt. Who hurts?" Hong Meishan retorted and went back to the hall with her grandson.

Gu Chengxiao helplessly smiles and shakes, and says to the bodyguard, "let's go!"

As soon as he got into the car, he received a call from Mo Zeyang. He had already set out.

Tonight, an extraordinarily grand charity dinner was held in the huge banquet hall on the second floor of a seven-star hotel. Celebrities at home and abroad were invited to attend. The theme of this charity dinner is "true love is priceless, there is love in the world." In addition, there will be an auction session tonight, and invited people will come to express their love.

Here tonight, celebrities have walked through the red carpet, and the reporters and friends beside them are waiting with long guns and short guns to record every celebrity from all walks of life who have walked the red carpet. And particularly eye-catching, in addition to their identity, of course, there are tonight's grand banquet, especially the attendance of many female stars, eye-catching.

Li Yan's car, queuing in the line for admission, Xu Xinyue can't help being a little nervous. She saw from a distance that all the guests who got off the bus had just entered through a red carpet.

"Are we going to walk on the red carpet later?"

"Yes! Rub the red carpet and experience it. " Li Yan is particularly interested.

Xu Xinyue had to follow her.

At the moment, on the red carpet, Xu an is particularly dazzling in her red dress. She has been used to this kind of occasion which attracts people's attention. She walks with confidence and elegance.

Moreover, she did not forget to stay for more than ten seconds to give the most beautiful angle and let those reporters take two more pictures.

After Xu an enters the arena, shortly after, Li Yan and Xu Xinyue's car is pulled away by the security guards. Li Yan and Xu Xinyue get off one after another, and Li Yan leads Xu Xinyue to the red carpet.

In the evening, under the setting sun, Li Yan and Xu Xinyue passed a layer of silver light, which made the reporters wonder. Who are these two ladies?

Even if they are not familiar with the stars, but also beautiful, they quickly raise the camera, just to capture the beauty of their body when they walk by.

Pure temperament, in the lens of the two faces, beautiful and exquisite, worthy of appreciation.

Finally, two people walking through the red carpet, Xu Xinyue slightly relieved, and Li Yan entered the huge banquet hall.

At the moment, the banquet hall is full of guests, revealing a comfortable and elegant atmosphere, not too luxurious, but relaxing.

Chapter 1426

At the moment, on the red carpet, a long and beautiful figure, step calmly, a black suit, so that he temperament calm, even if the flash around the eye, his deep eyes, also divine color, not affected.

"Gu Chengxiao, you are so handsome. I love you..." Outside the circle, there are women shouting madly.

However, the man did not notice, stepped into the banquet hall, it is now 6:30, guests have arrived.

After Li Yan and Xu Xinyue came in, due to the company and the lack of social intercourse between them, they were in the cafeteria at the moment, holding plates for dinner. "Sure enough, the food is rich." Li Yan said in surprise.

Xu Xinyue chuckled, "dare you to come here for this buffet."

"Of course, not so! We are here to join in the fun. " Li Yan finished and put some sweets on the plate.

In the banquet hall, the cups are light and the people are chatting and laughing. At the moment, in front of chairman Pei and his wife, two young figures are greeting each other.

"Chengxiao, Zeyang, you are all here. We are so happy." Chairman Pei reached out and patted two promising young men.

"You're OK, ma'am Pei, you're warm and warm! I haven't contacted her for some time. "

"My mother is also very concerned about you. You have time to be a guest at home. "Gu Chengxiao replied with a smile.

"Well, we have time. We must go."

"Uncle Pei, auntie, let's not disturb. Let's meet some friends first." With a smile, Mo Zeyang withdrew from the senior circle and pulled Gu Chengxiao out.

Gu Chengxiao said in a funny way, "you still don't like chatting with your elders!"

"No topic. It's embarrassing to stand there." Mo Zeyang reached for two glasses of champagne and handed him one.

Gu Chengxiao two people are ready to look for a seat around and sit down. Suddenly, a sweet female voice comes from the front, "Chengxiao, you are here."

Mo Zeyang looked at the girl dressed up in all kinds of manners and looked at Gu Chengxiao. Gu Chengxiao coughed softly and approached him in a low voice, "she is the mother of Xiaomu."

"You talk." Mo Zeyang smiles and pats Gu Chengxiao on the shoulder, "I'll go to eat first."

Gu Chengxiao is not surprised to see Xu An'an here.

"I come here on behalf of my family. Chengxiao, can I be your partner tonight?" Xu an asked boldly.

Gu Chengxiao squinted for a moment, "I don't need a female companion, I'm going to leave right away."

Xu an an immediately approached some, "then I will accompany you until you leave!"

Gu Chengxiao read in her son's mother, he is not too ruthless, he should be a light, "Um!"

Mo Zeyang actually came to the restaurant. As soon as he took the plate, a female star he once knew came to chat him up. "Zeyang, long time no see. Can we get together?"

Mo Zeyang was also worried about having dinner alone. He nodded, "OK!"

Mo Zeyang took the plate and put the dishes in the delicate self-service plate. His eyes only looked at the dishes. When his clip was holding a plate of Braised Abalone, the other one was also stretched out, and the two people turned into grabbing an abalone.

Mo Zeyang immediately sweeps to the person who grabs vegetables. Similarly, the girl who only wants to clip vegetables also looks back at the tall man behind him.

In an instant, both of them were shocked.

"You

"You

The girl who robbed mozeyang's dish was no one else. It was Li Yan. Because she had paid for a piece of it just now, she decided to clip it again. Seeing that there was only one piece in this plate, she was quick and resolute.

"Only one piece, ladies first. Give it to me." Li Yan finished, sandwiched into the plate, some proud wink at him.

Mo Zeyang's eyes, slightly chagrined at her, just feel the party boring him, in the sight of the woman, suddenly feel interesting.

Li Yan put the abalone back to Xu Xinyue, "eat and see, it's very good-looking, at present, it's such a piece, or I snatched it."

Xu Xinyue was stunned, "who are you robbing?"

Li Yan was about to say that he saw Mo Zeyang carrying his plate and bringing a gorgeous girl to the table beside them.

"Nuo, his, enemy's road is narrow, can meet him anywhere." Li Yan circled his arm and complained.

Xu Xinyue turned around and saw a tall, slender, handsome young man in a light blue suit. She whispered, "this is mo Zeyang in your mouth!"

Mo Zeyang is sitting at the table next to them, and his direction is facing Li Yan.

"Zeyang, what are you busy with recently? Do you have any good resources to introduce to me?" This actress, now a little famous actress, she knows that Mo Zeyang has many resources, and she says and winks at him.

"I'm resting at the moment." Mo Zeyang replied.

"It happens that I'm resting too. I'm free tonight. Do you want me to accompany you?" The actress smiles Mimi's question, the hint in that tone is very obvious. Mo Zeyang's afterglow just ran into Li Yan's ridicule on his face. He was indeed a restless man, and his private life was so chaotic.

"I'm short of a girl tonight. Do you mind if you'll accompany me now?" Mo Zeyang's eyes fell deeply on the face of the actress opposite.

"Of course I will." This actress gets excited directly. She reaches out to touch Mo Zeyang's hand. Mo Zeyang skilfully serves coffee and avoids it. "Zeyang, with our relationship, don't mention tonight's female partner, even if you ask me to do anything, I will promise you." The actress is very bold to continue to hint.

Li Yan and Xu Xinyue look at each other. Xu Xinyue droops her eyes and shakes her head to show her not to meddle.

At this time, Xu Xinyue quickly got up to carry the bag and said, "smoke, I'll go to the bathroom."

Listen to her tone a little anxious, as a woman is very can guess, probably good things suddenly come!

"Go! I'll wait for you to come back. " Xu Xinyue nodded.

Xu Xinyue's figure went to the direction of the bathroom. She was really a good thing in the past two days. She had a feeling just now that she thought she was coming. She had to make sure.

As soon as Xu Xinyue left, Li Yan was inhaling the juice in boredom. Suddenly, she glanced at a person sitting opposite her. When she lifted her eyes, she saw a familiar face. Moreover, she was the male god she had been in love with since childhood.

Lin Xinghao.

With the same school, junior high school she, secretly in love with him who is about to graduate from high school.

"Yanyan, I heard you were back home, but I didn't expect to meet you here!" Lin Xinghao held a glass of red wine and saluted her.

Chapter 1427

In Li Yan's eyes, it's hard to hide a trace of shame and surprise, "Lin Xuechang, I didn't expect that you also came."

Lin Xinghao said with a smile, "I just noticed that you didn't change much from your high school days. On the contrary, you are more and more beautiful and charming. How are you doing abroad these years?" Lin Xinghao is already a successful entrepreneur. He exudes the elegant demeanor of a mature man.

Although not as juvenile as high school, but also mature temperament of elite white-collar demeanor.

Li Yan looks at the opposite from Lin Xinghao for a while, and returns to the feeling of secret love when she was a high school girl. It's a misty beauty.

In her eyes, when she looks at Lin Xinghao, she exudes the coquettish breath from time to time.

Under the light, Li Yan's Lavender evening dress has its own sequins, which makes her shrouded with a mysterious and moving temperament. Coupled with her delicate and small facial features, she has a full sense of fashion.

Lin Xinghao's eyes on the other side were more intense. Unexpectedly, Li Yan, who was fond of him in those years, would grow so beautiful.

Li Yan feels Lin Xinghao's delicate appearance. Even the people at the table beside him feel it. Mo Zeyang leans at her and looks at a woman who looks like a woman eating a mother tiger in front of him. He turns into a kitten in front of another man. Hum!

Mo Zeyang also swept the man opposite her. He was two years older than he was. He looked very temperament.

Mo Zeyang seemed to find a chance to get revenge. He put his arm around his arm and laughed a little bad. He suddenly called to the woman opposite, "Hey, smoke, what a coincidence! You're here

Li Yan is immersed in the beautiful atmosphere of meeting. When she hears this sentence coldly, her beautiful eyes glance at the past and touches the eyes of Mo Zeyang who obviously wants to do something. She squints with direct warning.

"Zeyang, you know each other!" The actress on the opposite side is also jealous. She has noticed two girls around her. Beautiful women are born enemies. "We are close friends. Last week, we were on a blind date." Mo Zeyang hook lips a smile, deliberately said ambiguous relationship.

"Who is on a blind date with you! Don't talk nonsense Li Yan retorted, and then, noticing that Lin Xinghao's eyes were also inquisitive, she quickly bent her lips with a sweet smile and explained, "nothing, I'm not familiar with him."

This sentence, can make a man's heart unhappy, he bit sexy thin lips, clearly will not give up.

The actress next to her is jealous. She doesn't want the woman around her to spoil her and Mo Zeyang's good deeds tonight.

What's more, the women she met didn't go up to see Mo Zeyang? This woman should say that he is not familiar with Mo Zeyang, that's the best.

"Zeyang, let's go to the party over there." The actress holds her chin and asks expectantly.

Mo Zeyang did not move, and said to her, "you want to go, you go first!"

The actress immediately chatted up a smile and said, "well.. People want you to accompany me

"Smoke, do you want to find a quiet place to chat?" Lin Xinghao also felt that there was too much noise around him, so he suggested.

"I'll wait for my friend. I'll see you later." Li Yan thinks that Xu Xinyue has not come back.

"Good! I'll see you then. " When Lin Xinghao got up, the interest in his eyes was also very big.

Mo Zeyang doesn't have to look at it, but he can feel the love breath of the table next door. His eyes just see Li Yan's sweet smile and gaze, and the corner of his mouth teases. Lin Xinghao left, Li Yan prop chin, still there alone excited smile, like a small fan sister.

Suddenly, Lin Xinghao's position just now, another person sat down.

Li Yan raised his head, Mo Zeyang circled his arms, and raised his legs gracefully and charmingly. He directly mocked her, "Li Yan, your eyes are so general!"

Li Yan was a little angry, "Mo Zeyang, that's my friend's position, please leave, and don't destroy my God."

"Oh! You God Mo Zeyang felt more interesting tonight. The last time she threatened him, he finally found a chance to revenge.

Li Yan a pair of beautiful eyes stare at him, purple evening dress, she is like a blooming rose, beautiful and stabbing.

Mo Zeyang stares at her eyes and can't help but skim over the dark awn. For the first time, he feels that the woman is angry and so pleasing to the eyes.

"Don't mess with me." Li Yan warned him.

"Didn't you look great when you threatened me last time? I tell you, I am a revengeer or a revengeer. " Mo Zeyang raised the corners of his mouth and laughed charmingly and dangerously.

Li Yan saw Xu Xinyue coming from the bathroom. She had a bad airway. "My friend is back. You go back to your position."

Mo Zeyang looked back, or obediently back to his position, but it was the envious eyes of the actress beside him, and he gouged out Li Yan's two eyes.

Xu Xinyue's face also seemed to be relieved. As soon as she sat down, Li Yan was concerned and asked, "have you come?"

Xu Xinyue smiles and shakes his head, "no, but, frightens me."

Li Yan immediately excited toward Xu Xinyue in a low voice, "Xinyue, I just saw Lin Xuechang, he is also in." Xu Xinyue immediately understood who she said, and she was surprised for her, "right?"

"He's still handsome, but more mature." Li Yan praised.

Meanwhile, Mo Zeyang's eyes are complex and cold. He holds his coffee and his mouth is full of mockery.

Tonight, she is destined to have no chance with her senior, because he is there, she will not easily fulfill her wish.

"Let's go! Go to the ballroom. " Li Yan was a little annoyed with Mo Zeyang, and she took Xu Xinyue and left.

Mo Zeyang's eyes couldn't help but stare at Li Yan. The actress opposite him immediately said with jealousy, "Mo Shao, I'm your girlfriend tonight!"

"Let's go over there." Mo Zeyang also got up, the actress behind him quickly followed up.

In the banquet hall, beside Gu Chengxiao, Xu an describes himself as his female companion. Gu Chengxiao's identity in the business world makes him surrounded by a group of flattering people. He is not disrespectful and should make fun of all this.

Li Yan and Xu Xinyue come in. Li Yan's eyes are naturally looking for Lin Xinghao. Xu Xinyue pushes her with a smile, "go find your Lin Xuechang! I'll look around. "

Li Yan said with a smile, "then wait for me. I'll find him and find a place to chat."

"Well!" Xu Xinyue nodded.

Li Yan has passed, and Xu Xinyue is still a little out of place for this kind of occasion.

However, her work requires her to come to such a place. She can only be like all the people here, whether they know or not, as long as they look up, they all nod politely.

Chapter 1428

Xu Xinyue did not know, at the moment, her figure in the crowd how eye-catching, fresh like a white lily covered with dew, the body of that inexperienced breath, revealed in her eyes.

She became the target of the men around her.

At the same time, her evening dress, which added a lot of points for her, will make the women around her take a look at the style and beauty of her evening dress.

"Miss, alone? Are you interested in chatting? " A middle-aged man stopped her and chatted up warmly.

Xu Xinyue laughed, "sorry, I'm looking for my friend."

"What's your friend's name? I'll find it for you. I know all the people here." The middle-aged man did not let her go, and the closer he looked, the more beautiful Xu Xinyue was, the more helpless he was.

At this time, the middle-aged man saw a handsome figure coming towards this side. He saw that Xu Xinyue happened to block the man's way, and he knew that the man's road could not be blocked.

Out of kindness, he immediately reached for her waist and motioned for her to give way.

However, Xu Xinyue didn't know that someone was going to pass after her. When the man suddenly put his arms around her waist, she instinctively thought that the man was taking advantage of her and quickly stepped back.

However, she forgot that her evening dress skirt is very long, this retreat, her heel caught the skirt, the moment, the moment of horror.

"Ah..." Xu Xinyue fell back.

The middle-aged man wanted a hero to save the beauty, but his hand was not long enough, so he could only watch Xu Xinyue, and the whole man smashed the noble figure behind her.

As a gentleman, Gu Chengxiao looks at the girl who falls over in a mess. His arm naturally protrudes out. At the moment when he embraces the girl's waist, he is stunned. He is as soft as bone, and can't hold her.

Xu Xinyue thought that she was going to fall on all fours. However, with a strong and steady arm on her waist, she was so grateful that she wanted to cry. She was saved.

Only a few seconds, her upper body on a thick man's chest, she anxiously looked up, want to see the man who saved himself, and the man also drooped his eyes.

In an instant, two pairs of eyes unexpectedly collided together.

Xu Xinyue's breath is smothering and her eyes are wide. My God! It's Gu Chengxiao.

But Gu Chengxiao also did not expect that it would be her, Xu Xinyue, her identity, why did he come to such a place?

Xu Xinyue is seeing the man who is saving himself. She stands up straight from the man's arms the next second. Her brain is still in confusion. A familiar and sharp female voice comes from the side, "Xu Xinyue, how are you?"

Xu An'an is also unexpected. The woman who plays tricks to Gu Chengxiao's arms is Xu Xinyue. At the moment, her eyes are burning with anger. How can there be Xu Xinyue?

Xu Xinyue took a look at Xu an, a man in front of her, and said, "thank you."

"Miss, are you all right! Did you fall? " The middle-aged man immediately went forward to care.

"I'm fine, thank you." Xu Xinyue shakes her head and turns around in some confusion, carrying evening dress to a quiet corner with few people.

Xu An'an's eyes, secretly filled with anger, watched her, Xu Xinyue appeared in the party, so that her mood immediately bad.

Gu Chengxiao slightly clenched the palm of his hand. He couldn't believe the feeling just touched.

Before he saw her face, he would have moved his heart to that cuddle.

What the hell is she doing here? There are plenty of rich men here. Is she here to solicit business?

Looking for a man to take care of her? Or overnight? Inexplicably, the man's handsome Yan flashed a mockery, looking a little gloomy and ugly, his eyes looked again, and saw that the middle-aged man was still with Xu Xinyue's side.

The corner of his mouth sarcastically hooked, went to the opposite group of people in the business circle, Xu an arm around, toward Gu Chengxiao way, "Chengxiao, I'll excuse me for a moment."

Gu Chengxiao side Yan, did not say anything, continue to move forward.

Xu an bit her teeth and went straight to Xu Xinyue's direction. Although Xu Xinyue was shocked, at the moment, facing the entanglement of middle-aged men, she had to say, "sorry, I'm going to find my partner."

The middle-aged man saw that she had a man's mate, and she was so beautiful, could the man's companion be the one he couldn't afford? He had no choice but to leave.

Xu Xinyue just breathed a sigh of relief, her wrist was caught by an impolite hand, an angry voice line called her, "Xu Xinyue, you come with me, I have something to say to you."

Xu Xinyue struggled for a while, "if you have something to say, just say it."

Xu An'an still pulled her to the corner of a deserted balcony beside her. She was surrounded by her arms and looked down at Xu Xinyue like a queen.

"Why did you deliberately fall on Gu Chengxiao just now? That's how you went to the party and seduced him, didn't you?" Xu an's voice questioned, as if she were a criminal.

Xu Xinyue looked at her calmly, "it was just an accident." "You think I don't know what you mean? There are so many male guests. You just fall in front of Gu Chengxiao. This is also an accident? "

"Believe it or not, in short, I'm here for my own business." Xu Xinyue frowned. She was also shocked just now.

"Hum! Xu Xinyue, I warn you that I am Gu Chengxiao's girlfriend tonight. If you dare to make up your mind on him, I will let you know the consequences. " Xu an gnawed his teeth and threatened.

"I'm not interested in him," Xu Xinyue said

Xu an coldly glared at her, "you dare to try to approach him again."

Then she left.

Xu Xinyue also happens to be on the balcony to breathe. She didn't expect to meet Xu An'an here. She didn't know where the smoke was.

Li Yan at the moment naturally in the vicinity of Lin Xinghao, she finally found him, she brought a glass of red wine, Lin Xinghao also saw her.

"Smoke." Lin Xinghao was glad that she came to find herself.

"Schoolmaster, did not disturb you?" Li Yan chuckled.

"Of course not. I've been waiting for you. Let's find a quiet place to talk to." Lin Xinghao finished and said to the waiter, "arrange a quiet rest room for us."

The waiter told him that there were many lounges on the second floor. Li Yan looked up and looked behind him. He couldn't find Xu Xinyue, but Lin Xinghao had already gone to the second floor. Li Yan took out his mobile phone and sent a message to Xu Xinyue.

Suddenly, she took her mobile phone and didn't pay attention to the road. She ran into a hard chest.

"I'm sorry, I'm sorry..." Li Yan looks up and apologizes to this person. However, the apology in her eyes turns into chagrin.

Chapter 1429

"Get out of the way." She was a little impolite toward the man who was deliberately in the way.

Mo Zeyang hook lips a smile, "anxious to go and your old date?"

"It's none of your business." Li Yan bit lips, looked up, saw Lin Xinghao standing on the second floor stairs waiting for her, she was a little angry, "Mo Zeyang, you get out of the way."

"Going to the box alone with a man, are you sure he won't touch you?" Mo Zeyang bent down and asked her.

Li Yan white his one eye, "also only you so dirty idea."

"There's not one woman in the banquet hall that interests me. Oh, no, half of them. That's you." Mo Zeyang around the arm, some of the smile is malicious.

Li Yan sees that Lin Xinghao has been waiting for a long time, so she has to reach out and push the man away. However, as soon as her hand reaches out, Mo Zeyang holds her hand and pulls it. Li Yan bumps into his arms again, vaguely and inexplicably.

"You You're finished. Let go. " Li Yan wants to be mad. Doesn't this man hate her? What are you doing?

"If you dare to go up, I'll call Gutu now and cancel your employment qualification." Mo Zeyang's threatening voice penetrated into her ears.

"You You promised me, or I'll tell your parents about your offence. "

Mo Zeyang laughed evil, a look of not being threatened, "big deal, I was beaten up to fight against the matter, but the opportunity to enter the ancient dike, you are sure to give up?"

"You..." Li Yan's eyes, as expected, flashed a trace of fear.

Mo Zeyang some proud low way, "I now go to tell that man, you are my female companion, cooperate with me."

"I don't want it!" Li Yan struggled.

Mo Zeyang squints, arms have been naturally around her shoulder, with her toward the direction of Lin Xinghao.

Lin Xinghao looked at Li Yan who wanted to chat with him. Suddenly, he was held by a beautiful young man. His heart was disappointed.

"Mr. Lin! I'd like to introduce myself. My name is Mo Zeyang. I'm Yanyan's date tonight. " Mo Zeyang took the initiative to smile.

Lin Xinghao felt that the young man was familiar with him. Hearing his name, his displeasure disappeared. The Mohist school was a big family that could not be provoked. Although this young master Mo was living abroad, the family power behind him should not be underestimated.

"It's the young master of Mohism! Nice to meet you. " Lin Xinghao reached over.

Mo Zeyang did not like to shake hands with people, he said with a smile, "I'm sorry, I don't like shaking hands."

Lin Xinghao takes back his hand. Li Yan on one side is already very angry. This guy makes her secretly fall in love with the senior so embarrassed.

"Smoke, good fortune! Congratulations. " Lin Xinghao directly mistook Li Yan and Mo Zeyang as a pair.

"Schoolmaster, we..." Li Yan tried to explain.

At this time, a big hand directly covered her red lips, Mo Zeyang ignored the girl in his arms to resist, and said to Lin Xinghao, "excuse me for a moment."

Although Lin Xinghao can see that Li Yan still has a good impression on himself, it is obvious that Mo Zeyang is jealous as her male partner.

But anyway, it's wrong to offend Mohist for the sake of a woman.

Li Yan was angry and took a few steps to open the man's hand, and a pair of beautiful eyes glared angrily, "Mo Zeyang, you are too much."

Mo Ze Yang can't help Zheng for a moment, obviously, he really has to make this woman angry.

"It's just a joke. Why are you so angry?" Mo Zeyang raised his eyebrows and didn't feel wrong.

He's just treating people in his own way.

"Joke? Do you like to base your happiness on the sufferings of others? " Li Yan does not intend to forgive him so easily, and also let the schoolmaster mistakenly think that they are a pair, too hateful.

Mo Zeyang also knew that he had gone too far just now. However, he did it and apologized that he would not.

"Mo Zeyang, you are so annoying that I don't want to see you again." Li Yan also knows that he is stirring up, and Lin Xinghao can't recall the past. She bit her teeth and scolded fiercely and turned around.

The scolded man's body was stunned, his deep eyes looked at the figure of the crowd, his eyes flashed a little complex, thin lips opened, "we will see you again."

In the crowd, Gu Chengxiao sticks to a glass of red wine in his hand and gracefully hands it to his lips. His deep eyes look around the whole hall through the edge of the glass, as if he is looking for someone.

However, the eyes swam between, but did not find the girl that had just seen, this makes his eyes slightly narrow, is to attract guests to leave?

Xu an returned to his side and called him with a smile, "Chengxiao, I'm back."

Gu Chengxiao nodded a little, and a few business people took the initiative to chat with them. Gu Chengxiao, as a young man of younger generation, was always respectful and polite to his elders.

Xu Xinyue now secretly hiding in the balcony, curtains behind the luxury Xuan Nao, she looked at the distance of the night, a bit heavy, but also some at a loss. Inexplicably, just now she thought about what happened in Gu Chengxiao's wardrobe last time, which made her feel extremely ridiculous. Up to now, she can't face the kiss. Next to a well-dressed lady, she called in. She said a few words to the other end. Holding her cell phone, she was ready to return to the banquet hall. But she noticed a guest in the corner of the balcony.

She can't help looking back. Under the dim light, a girl is standing there dejectedly. As the host of this evening, Mrs. Pei, who is the host of this evening, she immediately comes over with concern.

"Miss, is there something wrong?"

Hearing a gentle concern, Xu Xinyue looked up quickly. Mrs. Pei's eyes were slightly shocked. The young lady's appearance had the shadow of her youth.

This reminds her that when she was young, her lost daughter would look like her if she grew so big.

"Thank you, madam. I'm fine." Xu Xinyue smiles back at her. Under the light, the lady is rich and elegant. She is clearly from the upper class, but she feels kind and warm.

Mrs. Pei's eyes, looking at Xu Xinyue's face, can't help but feel a touch of sadness in her heart. Seeing Xu Xinyue is like seeing her lost daughter growing up.

This made her want to see her more and comfort her lost daughter.

"What's your name, miss?" Mrs. Pei couldn't help but want to know more about her.

"My name is Xu Xinyue." Xu Xinyue replied with a smile.

"Miss Xu, the banquet hall is busy. Why hide here? Is it that this evening's party is too tasteful

Chapter 1430

"No, I seldom come to this kind of high-end banquet. I'm not used to it." Xu Xinyue told the truth to this gentle lady.

"Don't worry. I'm the organizer of the evening. If you have anything to do, feel free to ask me."

"Are you Mrs. Pei?" Xu Xinyue asked excitedly.

Mrs. Pei laughed and took her hand. "Come on! Let's have a drink together

Xu Xinyue was led out of the balcony by Mrs. Pei and walked into the bright light. Mrs. Pei's eyes were astonished and said, "Miss Xu, this evening dress on you is so beautiful. Was it made in which store?"

"I'm a fashion designer, and this is a high-end customized product in our store."

"What's the name of the store?"

"Dylan international fashion." Xu Xinyue replied.

Mrs. Pei wrote it down carefully, "OK, I'll go to the store when I have time."

"Thank you, ma'am." Xu Xinyue was moved and did not expect that the first guest introduced would be Mrs. Pei.

Xu an in the crowd, a red dress is very eye-catching, but at the moment, her eyes just saw Xu Xinyue and a lady chatting. When she saw the lady, Xu an breathed a little. How could Xu Xinyue and Mrs. Pei chat?

She's clinging to the relationship again! I knew she was disgraced and conspicuous here.

Seeing Gu Chengxiao chatting with her elders, Xu an ignored her, so she had to leave quietly and come towards Mrs. Pei.

Around Mrs. Pei, several wives also gathered around. They all like Xu Xinyue's evening dress very much and are discussing the fashion topics that women like.

And Mrs. Pei generously introduced Xu Xinyue's career, "this Miss Xu is a senior fashion designer. Her company is Dylan international. If sisters want to customize clothes, they can go to her store and sit down, which will not let people down."

"Madam recommended it. Of course we will go and have a look. Miss Xu is really talented. She is so young, and she is already a senior designer." There is a lady's sincere compliment.

When Xu An'an, who happened to pass by, laughed at her mouth. She couldn't help but interrupt with a glass of red wine. "It's because I'm too young, I don't trust you enough! Designers still need the precipitation of age to be more reassuring! "

Xu Xinyue heard the voice behind her. Her heartstrings tightened. What did Xu An'an do?

"It's the big star, Ann! You have some truth in saying this, but Miss Xu's custom-made evening dress is also very brilliant A lady said with a smile.

Xu Xinyue looked at Xu an, and the evil intention in Xu an's eyes flashed. She said to the ladies, "Miss Xu also held a show in our city last time! However, it failed and was judged as worthless by the fashion queen Jessica. I think ladies should be careful and careful to choose, so as not to pay for the clothes they like. "

Xu Xinyue clenched her lips and clenched her fists. Xu An'an really spared no effort to step on her future.

"Miss Xu, you are not right. The definition of fashion in everyone's eyes is different. I believe Miss Xu must have something special." Mrs. Pei did not agree with a retort, obviously in favor of Xu Xinyue.

Xu an immediately chatted up a smile. She did not dare to refute Mrs. Pei's words in public.

"Mrs. Pei, you are right! Maybe! " Ann Hui smiles.

"So, when I'm free, I'll go to Miss Xu's shop." Mrs. Pei's eyes fell on Xu Xinyue's face, but she couldn't help being a little more gentle.

Xu an's eyes flashed a touch of jealousy. Where did Xu Xinyue coax Mrs. Pei so happy? He helped her talk.

At this time, someone came to ask Mrs. Pei to take care of something. Pei was too busy and said, "Miss Xu, I hope you can have a good time tonight."

"Thank you, ma'am." Xu Xinyue answers with a smile.

The other wives also scattered, leaving Xu An'an and Xu Xinyue. But Xu'an suddenly approached and warned in a cold voice, "don't tell others about your relationship with me. I'm afraid I'll be disgraced."

Xu Xinyue has anger in her eyes, stares at her and asks, "Xu An'an, please don't interfere in my affairs, and I will never tell people our relationship."

"Our Xu family is a big family of enterprises. You are a little designer. You can look down on you when you say it. Moreover, this kind of occasion is not suitable for the participation of such a nobody. You'd better leave as soon as possible!"

"Why am I going? Did you give the party? " Xu Xinyue retorted.

"Don't think you can make Mrs. Pei happy and have the face to stay here."

"It's none of your business." Xu Xinyue responded coldly.

Xu an's angry eyes flashed a fierce color, "I'll see."

Xu Xinyue was about to answer, but suddenly saw a slender and handsome figure coming towards this side. She directly stopped her mouth, and her eyes appeared to dodge.

Here comes Gu Chengxiao. But he came to find Xu An'an, which must have nothing to do with her.

Xu An'an also felt that someone came after her. As soon as she looked back, she saw Gu Chengxiao come by herself. She immediately changed her look of enchantment, "Chengxiao, do you want to come to me?"

Gu Chengxiao didn't know what he was doing. He just came over bored. At the moment, what he looked at was not Xu An'an, but the woman in white evening dress.

It's not too much to describe her appearance at the moment, but the thought of her coming here to solicit business made him laugh.

"Chengxiao, what do you think she is doing?" Xu an is sensitive to find that Gu Chengxiao's eyes have been on Xu Xinyue's body.

Gu Chengxiao withdrew his eyes and said to Xu An'an, "I'm going to rest upstairs. You can play alone."

With that, he turned and left. Xu An'an quickly followed, "I'll accompany you."

"No need." Gu Chengxiao slightly side eyes, only use the light, then majestically stopped Xu an an to keep up with the pace.

Xu an can only watch Gu Chengxiao go up, and she stamped her foot secretly. Gu Chengxiao just saw Xu Xinyue?

Xu Xinyue really seduced him without her knowledge.

Xu an's eyes suddenly glared at Xu Xinyue behind her. Xu Xinyue's heart couldn't help thumping. What did Xu An'an misunderstand?

She and the man did not say a word.

And at this time, Li Yan also finally found, she took Xu Xinyue, "Xinyue, I can find you."

Xu Xinyue regardless of Xu an's resentment eyes, pulled Li Yan, "have you found Lin Xuechang?"
