

U. CEO Daddy 1431

Chapter 1431

Li Yan a face bitter force, "come here, I tell you about it!"

When Li Yan finished what she had just done, Xu Xinyue really sympathized with her. Li Yan thought of important things and said to her, "Xinyue, I've just seen my mother's classmates. I'll go over and chat for a while, and then I'll send you a business card."

"Well, thank you." Xu Xinyue looked at her gratefully.

In the banquet hall, Xu an felt bored. She didn't have Gu Chengxiao around. Even though there were many admiring eyes around her, she had no idea. She was chatting with a female artist who had signed a contract with her studio.

Xu an's eyes are full of some kind of unwilling and jealousy. Originally, she is the person Gu Chengxiao should pay attention to tonight. She may be happy here, just like an invisible stab in her heart.

Just looking at Gu Chengxiao just now is enough to make her jealous. Moreover, the evening dress on Xu Xinyue's body has perfectly outlined her figure. Many men around her are paying attention to her.

Xu an has an idea that she wants to make a fool of herself. She suddenly thinks that going out from here is the swimming pool. If she is allowed to fall into the water and get wet, see what face she has left here.

When Xu An'an thought that Xu Xinyue was introducing her brand just now, a sneer flashed in her eyes. She didn't have to do some things herself. She said to Zhou Meng, "Meng Meng, did you say you wanted to be the second girl in my next play last time?"

"Sister Ann, can you give me this chance? I really want to be on the show. " Zhou Meng asked excitedly.

"I can recommend you, but now you have to do me a favor. I can only recommend you if you help me."

"Sister Ann, I'm willing to help you with anything." Zhou Meng is desperate for the top position.

Xu An'an pointed to Xu Xinyue, who was not far away, pulled by a lady and chatted. "That woman, a fashion designer, is called Xu Xinyue. Now, I want you to find a way to lead her to the other side of the pool, and then, when she is not paying attention, push her down."

Zhou Meng was shocked. However, she is not a soft hearted person who can make it to this day. As long as she can achieve her goal, she dares to take any risks.

"How can I lead her through?" Zhou Meng looked at the woman who was shining all over her body. As a beautiful girl, she was naturally jealous of a woman who was more beautiful than herself.

"As long as you go over and tell her that you appreciate her design and want to talk to her alone, she will go with you." Xu an's advice in a low voice.

Zhou Meng hooked her lips and said, "sister An'an, you can wait to see a good play."

Seeing her success, Xu an asks Zhou Meng to do things for her. She looks around her arms and looks waiting to see the play.

At this time, there were people preparing to speak on the podium. Almost all the guests rushed to the podium. At this time, there was no one at the swimming pool.

Zhou Meng's eyes fixed on Xu Xinyue and walked towards her.

Xu Xinyue feels that someone is approaching. She turns her head and looks like a young and fashionable girl.

"You are Xu Xinyue designer! Hello, I'm very interested in your design. Can I have a chat? " Zhou Meng took the initiative to step forward.

She is a good person to introduce her! Of course. "

"It's too noisy here. Let's go to the swimming pool and have a chat! Be quiet over there. " Zhou Meng said to her.

Xu Xinyue didn't doubt anything else. She nodded and followed Zhou Meng from the next corridor to the swimming pool.

Xu an watched Zhou Meng successfully lead Xu Xinyue to the other side of the swimming pool. She was waiting to see a drowned Xu Xinyue!

As soon as Zhou Meng entered the swimming pool, she was keen to find the camera cameras around her. She deliberately stood in a position to avoid all the cameras, and Xu Xinyue was standing beside her.

"Miss Xu, are you writing this evening dress? It's beautiful. " Zhou Meng reached for her shoulder and pretended to look at her evening dress in amazement. "This is the work of our store manager. If you are interested, you can go to the store some other day." Xu Xinyue did not dare to take credit, but she welcomed the guests.

In the direction of the stairs on the second floor, Gu Chengxiao's slender body stepped down gracefully. Just then, his mobile phone rang. He picked it up and saw that it was his son.

At this moment, the whole banquet hall and the host are all making speeches, and the sound of the microphone is echoing in the whole banquet hall.

Gu Chengxiao frowned, while answering his son's phone, from the side of the corridor, toward the direction of the swimming pool.

"Hello

"When will you be back, daddy?" The little guy's voice is boring.

"Daddy, I'll be back in a little while."

"Can I have an ice cream?"

"Just one, no more." Gu Chengxiao replied that he knew his son would eat this in his mother's house.

Right next to the swimming pool, Xu Xinyue didn't realize that she was facing the pool. At this moment, Zhou Meng suddenly exclaimed, "what's in the water?" Xu Xinyue was also startled and turned to look at the pool, but she didn't notice that Zhou Meng's eyes were cruel. She reached out and pushed Xu Xinyue's back without hesitation.

Xu Xinyue had been facing the pool, she did not even have the opportunity to turn back, the body was pushed by the force of the water.

"Ah..." She was in the water in time to cry out.

Zhou Meng quickly runs away from the side, regardless of Xu Xinyue's life or death in the water.

"Save Help..." When Xu Xinyue sank, he asked for help.

Originally she did not know the nature of water, in the depth of nearly two meters, she had to struggle more and more sink.

Gu Chengxiao was listening to his son. He also heard the sound of water and a cry for help. He immediately hung up his son's phone and stepped out of the corridor with his mobile phone in his hand.

In the pool, the water was in chaos, as if someone had fallen into it.

Gu Chengren's suit is still strong. He's in the water quickly.

In the bright light, Gu Chengxiao's vision clearly unfolded in the water. However, when he saw the girl who was weak and struggling to sink, he was shocked for several seconds.

How is she?

Xu Xinyue's long hair scattered around her pale face, but she closed her red lips and eyes, but there was no hope of survival.

Looking at the girl lying almost flat on the bottom of the water, Gu Chengxiao quickly swam to her side, and her healthy arm took her waist. Xu Xinyue seemed to feel that someone was saving her. Her instinct of survival made her actively entangle her. Moreover, her red lips even vomited a few bubbles. Obviously, the last breath in her chest would disappear.

Chapter 1432

Gu Chengxiao was entangled by her. He could not take her to the surface of the water for a moment. Seeing that she was about to choke on water, he hardly thought about it. His thin lips immediately approached her and sealed her red lips, which were still fresh and dripping in the water, and breathed to her.

However, for a woman who is trying to need oxygen, even the way of passing gas leads to her crazy adsorption response.

The light of Gu Chengxiao's eyes suddenly darkened. On his lips, he felt a woman's enthusiasm and initiative. His neck was held tightly by a woman, and even his people were entangled by her.

How much sense can a man expect from a man whose head is already extremely sure of oxygen? Of course, he was desperate to snatch oxygen from his mouth.

However, a man can not be more sober, his eyes narrower and tighter, shining like obsidian in the water.

Gu Chengxiao put on her long legs, lifted her slender body and floated towards the water.

And the girl who breathed the air, or inadvertently choked a few, however, when she opened her eyes, saw the person who saved her.

"Ah She was startled again and almost slipped down from the man's side.

Gu Chengxiao pulled her into his arms. He put his arm around her waist and snorted, "do you think I like saving you? If you don't behave, you will sink. "

Xu Xinyue pale face, inexplicably red up, just under the water, although her brain a blank.

But she did kiss him.

Gu Chengxiao took her to the shallow water steps of the swimming pool, and he directly held her up.

Both of them were soaked through.

Xu Xinyue even spit a few saliva, is also enough to choke, she sat on the ground, pure white evening dress, after drenched, some transparent up, outline her body line, more and more obvious.

Gu Chengxiao has wet hair. His face is as beautiful as a jade carving. Even though he is wet, it does not damage his male charm, and even has a kind of sexy flavor.

Gu Chengxiao's cold eyes look at the woman falling into the water and her chest. The ups and downs appear indistinct. If you don't want a man to see it, you must think about it.

He picked up the suit he had just taken off casually and threw it into her arms. "Put it on and leave."

Xu Xinyue really needs a dress to cover her upper body, because it is too transparent in the water.

"Thank you." Xu Xinyue hugged his suit and looked up with gratitude.

Gu Chengxiao glanced at her, picked up the mobile phone and told his driver that he would leave immediately.

Because he was wet through, too.

Xu Xinyue put on his suit and thought of the girl who pushed her into the water just now. Why did she do it? By whom?

It's not like that she's the next actress to guess who she is.

Xu Xinyue bit her teeth. Is Xu an going to kill her?

Xu Xinyue was dressed in Gu Chengxiao's suit. Her petite body just covered her thigh. When she came, she saw a waiter. The waiter saw that she accidentally fell into the water and wanted to help her.

And Xu Xinyue only asked her to find a girl in a purple evening dress called Li Yan. She was going to leave immediately. The waiter went to find the woman with purple evening dress, but there were not many women in the purple evening dress. The waiter quickly found Li Yan and took her over here.

Xu an has been waiting for Gu Chengxiao to appear. When she looks left and right, she doesn't see Gu Chengxiao, but she sees a figure coming out from the direction of the swimming pool.

Xu Xinyue.

She was wet to the skin, but she was wearing a man's suit.

Xu Xinyue also saw her, her eyes, shot a touch of anger, and even if Xu an was recognized by her, she did not have a trace of uneasiness.

However, Xu an found that Xu Xinyue was wearing a suit. The pocket towel in the suit pocket was of royal blue stripe, which was very familiar.

An idea flashed, Xu an's eyes widened, she immediately angry to Xu Xinyue.

"Who gave you this suit?" She inquired in a questioning tone.

Li Yan also came over, looking at Xu Xinyue all wet, she was distressed to hold her shoulder and said, "Xinyue, what's the matter with you? What happened? "

"I'm fine! I want to go back. " Xu Xinyue faces Li flue.

But Xu an put out a hand to stop, some impatient asked, "whose is this suit on you, is it Gu Chengxiao for you?"

Xu Xinyue suddenly did not want to let her feel better, "yes, he saved me, are you satisfied?"

With that, he waved Xu an's hand and walked toward the gate with the help of Li Yan.

Xu an's breath is suffocating. Gu Chengxiao saves Xu Xinyue from falling into the water?

Why him? Why is Xu Xinyue so lucky? Did Gu Chengxiao save her?

No, even if Gu Chengxiao saved her, why give her a suit?

Li Yan accompanied Xu Xinyue on the car, can't wait to know what happened.

"Xinyue, tell me how you fell into the pool." Xu Xinyue bit his lips, flashing anger in his eyes, "I was pushed down."

"Who did it? Is it related to your Xu An'an? We have to sue them for murder. It's too much."

Xu Xinyue thinks carefully that the girl's real motive should not be to kill her, but to want her to fall into the water and make a fool of herself. However, she did not know that what she fell into was a deep water area, about two meters deep. Without Gu Chengxiao to save her life, she would have drowned.

Xu Xinyue thinks of the gentle and kind Mrs. Pei. Tonight is a charity dinner hosted by their husband and wife. If the police come to investigate the case, tomorrow's headlines must be related to them.

Although she will never forgive Xu an for what she has done, she does not want to add trouble to Mrs. Pei.

"Forget it. I'm lucky. I'll be careful in the future." Xu Xinyue bit her lips.

Li Yan looked at her heartily and saw the suit on her body and asked, "whose suit did you say it was just now?"

"Gu Chengxiao."

"Gu Chengxiao? The current president of Gu's group? He saved you? " Li Yan was shocked for a few seconds, but the reputation of Gu's group empire was too loud.

"Well, I'll find him in two days." Xu Xinyue lowered her head, looked at the suit tightly wrapped in her body, and thought of Gu Chengxiao, who also saved herself and was drenched, felt a little gratitude in her heart.

It's a saving grace.

Back to Dylan clothing store, although Zheng minen saw her back wet all over, but fortunately, the evening dress was not damaged, just wet.

"Manager Zheng, don't blame Xinyue! We've already sent out the business cards, and we've made your store famous tonight. "

Chapter 1433

"Thank you, Miss Li. Of course I won't blame her." Zheng min'en smiles.

Xu Xinyue, who changed her clothes, still preferred her own comfortable ordinary clothes and the feeling of wearing evening dress. It was too solemn.

"Store manager, I'll take the clothes to the dry cleaner tomorrow."

"Forget it, my own design. I'll do it myself." Zheng min'en glanced at the black suit next to him and said, "this is your friend's! You have to take this to the dry cleaner. "

"Thank you, manager."

Li Yan and Li Yan came out of the store, and it was not too late at the moment. Xu Xinyue sent her suit to a dry cleaning shop nearby, and Li Yan sent her back.

Gu Zhai.

Gu Chengxiao took a bath. He was still wearing a bathrobe. As soon as he got out of the bathroom, he saw his bed. The little guy was lying there, holding two small arms waiting for him. "Daddy, how did you get all wet?" The little guy listened with great curiosity.

Gu Chengxiao glared at him, "save people."

"Help someone! Is it a pretty little sister The little one blinked and asked again.

Gu Chengxiao rubbed his hands with his ink hair, and with a slight pause, in his mind, he saw the figure of the woman who had been fished out of the water, and the breath crossing kiss in the water.

"Just someone I don't know."

The little guy stubbornly pursued the way, "is it miss elder sister?"

Gu Chengxiao did not have a good airway, "is it, what do you care so much about?"

"If it's a little sister, you can save her, but don't fall in love with her!" The little guy turned over and pedaled his legs in mid air.

Gu Chengxiao some funny looking at his son like a small adult tube his appearance, he hummed, "why can't I fall in love with others?"

The little guy turned over, lifted his chin and looked at him, "Daddy, can you go after Xinyue sister! Will you make her your wife

Gu Chengxiao's pupil eye slightly shrinks, when he stares at the son that Invincible lovely small face, innocent eyebrow eye, actually has five cent that woman's appearance.

Is it really the result of the inheritance of the Xu family? His son is not like Xu An'an, but like Xu'an's cousin.

Gu Chengxiao stopped his son from having such an idea and said directly, "I don't like her."

"Please! You go after her! Sister Xinyue is so beautiful and gentle that you will like her The little guy pleaded.

Gu Chengxiao sat down beside him, stretched out his hand and knocked on his small head. "Don't meddle in the affairs of adults

The little guy covered his little head, which was hurt by knocking, "hum, smelly daddy, I won't sleep with you tonight, I'm going to sleep with grandma."

Finish saying, the small body of the air on the bed, wearing slippers, miso left.

Gu Chengxiao wants to be angry and amused by his son's lovely appearance.

Tonight he was soaked to the skin and had no intention of going back to his villa. Instead, he spent the night at his mother's house.

Gu Chengxiao is lying on the bed with his arms on his pillow. His deep eyes fall on the ceiling. The soft crystal light makes him think about the scene in the swimming pool.

He closed his eyes, lips, as if there is a woman that desperately sucking on him.. Just a dozen seconds of memory, he felt hot all over his body. He opened his eyes and sat up slightly panting.

As mature as he is, he naturally doesn't want to escape some facts. Yes, that woman has affected him in all aspects.

Damn it!

A low mantra, Gu Chengxiao pushed the door out, came to the side hall, poured a glass of red wine, not sleepy for the moment.

However, at the moment, there is another person who is not sleepy, obviously so tired, can lie on the bed, Xu Xinyue looks at the light outside the window, tosses and turns.

In my mind, it's all about being pushed into the water by the pool tonight and saved.

In particular, she couldn't figure out why he didn't pick him up directly, but he even breathed gas to her in the water?

So that she in the brain hypoxia situation, take the initiative to him, but also from his mouth desperately grab breath.

It's going to be crazy! Xu Xinyue hugs her head, and a sense of shyness has never been seen before.

In the morning.

Xu Xinyue was woken up by the alarm clock. She took a look at the time. She got up and washed quickly. Looking at some red eyes, she sighed. Last night, she should not have thought so much about insomnia.

Xu Xinyue came to the studio. Although there was no business, she would not be depressed. She took out her picture book and drew according to her own inspiration and creativity.

In the future, we can also give our guests more choices.

At about ten o'clock, a red sports car stopped at the door. The woman who stepped down from the car was domineering. She wore a tight colored skirt, dark glasses to cover her eyes, and flaming red lips, showing her unusual identity.

There was also a bodyguard car behind her. The bodyguard quickly came to open the way for her, while her assistant pushed the door of Dylan store to welcome her in.

Xu An'an stepped in, put the sunglasses on the thick hair and asked the waiter, "is Xu Xinyue there?" "Designer Xu's studio is on the third floor. Miss, please."

Xu an arrogant strides toward the direction of the stairs, and the waiter behind him reacts and cries in an excited voice.

"My God! It's Xu an'an-big star! "

Xu an heard that, but she was used to it, because she was now well-known, should be so sought after.

When Xu An'an comes up, she is led to the door of Xu Xinyue's office.

Xu Xinyue heard the knock on the door and raised her voice, "come in."

The waiter pushed the door and said with a smile, "designer Xu, you have guests."

Xu Xinyue is stunned, so soon there are guests? However, when she was ready to welcome the guests, she saw a face that she did not want to see in her eyes.

Xu An'an.

Xu an threw the door behind her and looked at Xu Xinyue coldly around her arm! I used to work here, but I'm just a tailor with a nice name

Xu an taunted and sat down on the sofa.

Xu Xinyue frowned, "if you come to trouble me, please go out."

"Do you have any rules to drive away customers? When you open the door to do business, all visitors are guests. Xu Xinyue, do you dare to rush me? " Xu an an a pair, I am the customer, I am God's arrogant appearance.

Xu Xinyue sat on the seat, taking a deep breath to suppress his emotions, "go ahead! What are you doing here? "

"First, I'll give back the suit you put on me last night, and I'll give it back to Chengxiao. Second, I'll order some clothes in your hands, which must satisfy me." Xu an's eyes, flashing a few silk play Ni.

Even if Xu Xinyue is short of guests, she doesn't need Xu an's kind-hearted guests. She knows that Xu's real purpose is to make trouble for her.

Chapter 1434

Clothing is a kind of thing. If you don't do business sincerely, it will attract endless criticism.

Xu Xinyue doesn't know how to change Gu Chengxiao's suit. Even if Xu an an takes the initiative to get it, she is also willing to.

"His suit is in the dry cleaner's next door. You can take it in the afternoon. As for the clothes you want to order from me, forget it!" Xu Xinyue doesn't want to do her business.

"Xu Xinyue, although your clothes are not very good, but as your cousin, I should also praise! Let's see! You give me ten pieces of ready-made clothes for me to choose, and the price will be calculated according to you. "

Xu Xinyue chewed his lips and thought, staring at her, "the person who pushed me into the water last night, was it you who pushed me into the water?"

In Xu an's eyes, there is no trace of guilty, "then you have to thank me well. Without my arrangement, can you get Gu Chengxiao's help? Can you get the clothes he gave you? Of course, you don't want to think about it. It's just Chengxiao's act of acting bravely. Don't think he has any other ideas about you. "

Xu Xinyue's inner anger really broke out. She almost drowned last night, and Xu An'an had time to talk sarcasm here.

"I'm very grateful that he saved me, but your behavior is not worthy of being a human being. You will have retribution." Xu Xinyue gritted her teeth and swore.

Xu an sneered at her lips and said, "but you can't deny that you can't match my life. As a small designer, you are only worthy to be trampled on by me in this life. What's more, I have a son, and I have the huge backing of Gu's group. In the future, I'm Mrs. Gu, and I'll be with you all my life Tut Tut, you can't turn over in your life. "

"How do you know I can't turn over?" Xu Xinyue asked with some hatred.

"Because I'm here one day, you can't turn over." Xu an smiles triumphantly.

Xu Xinyue doesn't want to argue with her for these things. She doesn't want to be rich and rich. She just has to live a peaceful life with her family.

"Now, do you regret that you gave birth to the successor of Gu's group in my surrogacy?" Xu An'an wants to stimulate her and not make her feel better.

Xu Xinyue's heartstrings are stunned. She looks at Xu an's face. Her heart suddenly softens. No, she doesn't regret the surrogacy, even if the child is Xu An'an.

"I hope you can set a good example for your son, a good mother, and don't educate him with your bad water." Xu Xinyue's words are sincere advice.

As soon as Xu an's face changed, he immediately hummed coldly, "I will educate my son later. Do you still need to teach me?"

Xu Xinyue didn't want to entangle with her at all. She went to the door and opened the door, "please go back! You can send someone to pick up that suit in the afternoon. I don't want to do your business. "

"Good! I'm going to go to your store manager and say that you drive away the guests. Besides, I will have an interview soon. Do you think I should disclose your hospitality in the interview? " Xu an threatened.

Xu Xinyue took a breath and was about to endure to the limit.

"Well, I'll give you ten ready to wear drafts in a week. You can choose when it's time." Xu Xinyue still put up with it.

She can't damage the reputation of the company and the brand.

"If you're wise, I'll come by one week later and give me the cleaning list for my suit, and I'll get it." Now, Xu An'an doesn't want Xu Xinyue to touch Chengxiao.

Xu Xinyue found out the list and handed it to her. Xu An'an picked it up and left.

Xu Xinyue supported her forehead and fell into some feeble mood.

Xu Xinyue came out of the store. At noon, she ate alone in the nearby restaurant. When she came back, she passed the dry cleaner's, and the suit was still there. The boss specially checked her.

Xu Xinyue told her that someone would come to pick it up in the afternoon and she would come out.

At 4:30 in the afternoon, a business car came up and a young girl came down from the car. She took the clothes list and took the suit away. In the business car, Xu an holds her suit in her arms, lowers her head and sniffs the fragrance of the freshener. She misuses her face.

As if through this suit, feel Gu Chengxiao's gentleness, as if in his arms.

"Sister An'an, will you go directly to Gu's group now?"

"Well! Go right there. " Xu an can't wait to send it. Moreover, at this time, she may be able to ask Gu Chengxiao to have dinner together.

Xu an was not willing to let go of the suit in her arms all the way. Until she got off the car, she handed the suit to her assistant. She made up her makeup and walked into the door of Gu's group.

She was blindfolded by sunglasses. Her eye-catching figure, coupled with her feigned lofty figure, attracted the attention of the people around her. When someone recognized her, she still caused a stir.

Ann Hui is waiting at the front desk. Her assistant explains the reason to the front desk.

"Miss Xu is here to return Mr. Gu Chengxiao's suit. Please allow her to go up."

The front desk looks at the high-end suit, plus Xu an's status as a first-line star in the entertainment industry, the front desk still dare not block it. She called the general office to pass a message that Gu Chengxiao's assistant Luo min knew Xu an's identity.

"Miss Xu, please come up."

The front desk did not dare to neglect immediately, facing Xu An'an and heading for the elevator. Xu an'an looked at the front desk, she was extremely cold to ignore, until the elevator rings, her mouth just picked up a happy smile.

Luo Min has reported to Gu Chengxiao. Gu Chengxiao hears that Xu An'an is coming. Junyan is still a little displeased. She comes uninvited.

Luo min came to receive Xu An'an. She made a gesture of invitation, "Miss Xu, please follow me. Mr. Gu is in the office."

Xu An'an nodded and took Gu Chengxiao's suit in her hand. As she walked behind Luo min, she quietly pulled her skirt and pulled it down to reveal her more proud place.

Luo min knocked, opened the door of the office, and said to the man inside, "Mr. Gu, Miss Xu is here."

Xu an's expectant eyes flowed in the spacious office. On the sofa behind the desk, Gu Chengxiao's slender figure was sitting lazily reading documents. He was wearing a white silk shirt with slim trousers. His wrist was loosely pulled up, and his noble atmosphere was naturally revealed.

There is also a kind of unspeakable sexiness.

For Xu An'an, everything about this man is based on her aesthetic view, and there is hardly any place that is not charming.

"Chengxiao, are you busy?" "I'm here to return your suit."

Chapter 1435

Gu Chengxiao's eyes, raised from the document, looked at the suit on her wrist. He twisted his eyebrows and asked casually, "Why are you here?"

Xu an stabbed herself in the heart, and she explained with a smile, "Oh! I happened to go to my cousin's shop to order clothes. She asked me to bring this suit back to you. She must have come to you in her capacity. It's not suitable to come to you. "

Gu Chengxiao light hook a corner of the mouth, "put this!"

After that, he turned over a page of the document and thought, "did she say anything else?"

Xu an's hands on the suit are stiff. He looks at the man beside him. He seems to be careless. But why does his inquiry make her feel that he seems to care about Xu Xinyue?

"She said thank you for saving her, Chengxiao. I'm also very grateful to you for saving my cousin." Xu an pretended to be a sister.

Gu Chengxiao took a look at the suit, and his expression was slightly complicated and unpredictable.

"Chengxiao, are you free at night? I want to have a meal with Yimu. I haven't seen him for a few days. I miss him very much Xu an asked eagerly.

Gu Chengxiao put the documents together, cold eyes to Xu An'an, "I'm busy these two days, another day!"

"Then Can I take the shepherd out to relax? " Xu an didn't give up asking again. How much she hoped to quickly establish a mother son relationship with her son. As long as her son liked her, Gu Chengxiao would marry her even if he didn't have any feelings for her now.

Gu Chengxiao had a more important dinner party tonight, so his son stayed at his mother's house. He thought about Xu an's proposal for a few seconds, then nodded, "I have something to do in the evening. You can go to my mother's house to see Xiao Mu. If you want to take him out, tell me."

Xu an can't help but be overjoyed immediately. He answers softly, "don't worry! I will take good care of Xiaomu. Do you have any social activities in the evening? Don't drink too much

Xu an cares about him in the role of a wife. Gu Chengxiao looks at his watch and says, "I have a meeting to hold."

It's obvious that Xu An'an left on his own. He's very happy to have the chance to see his son tonight.

Xu an looked at him with adoration in his eyes and said obediently, "OK, I won't disturb you."

Xu an walked to the door and couldn't help but look back at the man at the table. The ascetic and cold temperament of Xu An'an is like a woman's life.

And often such a cold temperament of men, if fall in love with a girl, will become his life! And she, trying to become the most dazzling existence in his eyes.

As soon as Xu an left, Gu Chengxiao didn't have any documents to read. He pressed the inside line and asked Luo min to send in a cup of coffee.

When he got up, he saw the suit lying next to him. He couldn't help thinking about the girl in the suit last night.

I think of her snatching his breath in the water. I think of her drenched and helpless.

Gu Chengxiao let his mind wander for a while. After he felt it, his sword eyebrow twisted. How could he always think about her?

Not to mention that she is the son's first cousin, but also the blood relationship of nearly three generations. So, even if he really wants a woman, he shouldn't miss her.

Xu An'an came out of Gu's group. She immediately called her mother and told her that she could go to Gu's house for dinner tonight and be close to her son.

Zhou Jingya immediately on the phone, let her buy more toys to coax sun happy, no matter how expensive they are.

"Mom, I'll see if I can find a chance to be alone with my son so that I can cajole him and see if I can live in his house."

"Yes, it's best to coax children. You have to take advantage of the opportunity." Zhou Jingya didn't take Gu Yimu's intelligence quotient in his eyes at all. He only thought that he was a four-year-old boy who didn't know anything.

Xu an found two assistants, dressed up and went out to buy toys.

At about four o'clock in the afternoon, Xu Xinyue was sitting in her office, coloring her two new drawings. Suddenly, her landline rang.

"Hello

"Xinyue, come to the reception room on the second floor. You've got a guest. Hurry up." Zheng min'en's voice was exhilarated.

Xu Xinyue was also stunned for a few seconds. Did she have a guest at her door so soon? She quickly adjusted her professional dress, picked up her mobile phone and pushed the door out.

Xu Xinyue is also an old staff member. She adjusted herself and went into the VIP reception room.

The two ladies sitting on the sofa were drinking tea and chatting. Xu Xinyue was excited. It turned out that it was Mrs. Pei and her friend.

"Hello, Mrs. Pei." Xu Xinyue happily walked to the sofa.

Mrs. Pei looked up, saw her, and also said with a smile, "my good sister and I used to go shopping nearby. I remember that your store is also on this street. Come and have a look."

"I feel very much that you have come to visit." Xu Xinyue is also grateful for her support in her work.

Mrs. Pei said with a smile, "I'm not here to visit. I want to customize some clothes on your hand. Autumn is coming soon. I want to prepare them in advance." One side of Zheng Min en also secretly surprised, did not expect, Xu Xinyue immediately have business door.

"Madam, please believe in our brand. We have a very professional standard in setting up this area." Zheng minen did not forget to take the opportunity to praise his own brand.

The lady next to me also said with a smile, "I like your clothes very much, and I trust designer Xu very much. I also went to see the last show. The whole thing is great, especially the final appearance of designer Xu, which is also amazing!"

Xu Xinyue modest smile, "I will try my best to design better works."

"Miss Xu, if you have time, let's have a chat today." Mrs. Pei wanted to place an order in her hands immediately.

"Our designers have time all the time, the guests are the first." Zheng minen said with a smile.

Xu Xinyue nodded with a smile, "OK, I'll go to the office to get the record book and come down immediately."

"In that case, I'll go to Miss Xu's office and talk about it." Mrs. Pei got up and said.

"I'll wait for you here. I'll read magazines." Said her friend.

"Well, you can sit down." After Mrs. Pei finished, Xu Xinyue opened the door and motioned respectfully to her.

Mrs. Pei's eyes, looking at Xu Xinyue's beautiful face full of collagen, which is similar to her own eyebrows and eyes, and her clear eyes are full of vitality and firmness, which makes her see her own youth.

Moreover, Mrs. Pei has always had a knot in her heart that is difficult to dissipate, that is, she never gives up looking for her daughter who was born and lost.

Chapter 1436

Xu Xinyue quickly came to the reception room with her notebook. Mrs. Pei waited for her patiently. She quickly sat down opposite her and said with a smile, "madam, let's start! Do you have any special requirements for the dress? "

"I've just looked through your new series and I'm very interested." Mrs. Pei picked up the customized magazine and turned to the new style. It was a collection of flowers at her age. It was classic and elegant, with a rich temperament.

Xu Xinyue didn't expect that she decided the style so soon. She pursed her lips and said, "OK, Mrs. Pei, I'll take your measurements later."

Mrs. Pei's eyes have been falling on the girl's face. Her every move and every move touched her an idea. Although this idea is impractical, she really has a kind of intuition. Xu Xinyue gives her a kind of kindness from the heart.

"Come on, ma'am. This way, please." Xu Xinyue invited her to her studio, and Mrs. Pei's bag followed her.

Xu Xinyue is very professional with a ruler, measuring for Mrs. Pei. She gets closer and closer. Her beautiful and delicate facial features are in front of her. Mrs. Pei's heart surges with excitement.

She couldn't help but ask, "Miss Xu, you are so beautiful, you must be like your mother!"

Xu Xinyue replied with a smile, "everyone says I'm not like my mother."

Mrs. Pei turned around in surprise, "why?"

"I don't know, my grandmother said, I don't look like my mom, I don't like my dad, I don't know who I look like." Xu Xinyue said her grandmother's original words, which is also the thing that grandma has been lamenting in front of her, so she took it out to make fun of it.

But she didn't know how much surprise she was to the lady in front of her, which seemed to be proved step by step in her conjecture.

"Is it? What do your parents do Mrs. Pei continued to inquire.

Xu Xinyue laughed. "My parents died very early, and I don't know much about them. I grew up with my grandmother and aunt."

After hearing this, Mrs. Pei was shocked and apologized, "I'm sorry, what I said reminds you of your sad memories. I just feel that I'm predestined with you, very kind."

Xu Xinyue laughed and shook her head, "it's OK! My wife also gives me a sense of intimacy, just like my elders

"Is it? Do you feel the same way? " Mrs. Pei's eyes were red with excitement. She missed her lost daughter so much that she hoped that the child in front of her was her lost daughter.

"Yes, at the first sight of you, I feel like I want to be close." Xu Xinyue is standing behind her and measuring her shoulder. She doesn't find Mrs. Pei's reddish eyes, but naturally speaks out her own thoughts.

Mrs. Pei suddenly had an idea. Although she was very bold and abrupt, she wanted to do this, and wanted to make sure whether the child was related to her or not. In terms of modern scientific medicine, a DNA test would tell.

After measuring her body, Mrs. Pei asked for several styles in succession. She ordered four sets of dresses in Xu Xinyue's hand, which cost a lot. Xu Xinyue was very surprised.

"Are you sure you want to order so much at one time, madam? Would you like to think about it again? " Xu Xinyue seriously asked, she does not want her impulse consumption, although she looks very rich.

Mrs. Pei smiles and shakes her head. "I think about it very clearly, but I have a request. Please allow me."

"Good! You said

"Well, a friend of mine has recently had an operation, and may need to donate blood. I want to see if Miss Xu's blood type match does not match. If so, can I help her during her operation." Mrs. Pei asked.

Xu Xinyue heard that it was a matter of saving people. She nodded, "of course, it's good to save people. I'm willing to help."

"In the afternoon, Miss Xu and I went to have a blood draw and let the hospital prepare a case. When it is really necessary, please come here again. You can rest assured that you can donate blood under the condition of your good health."

Xu Xinyue nodded quickly, "OK! I'll go with you in a moment. I'll go back to the office and get my bag. "

Mrs. Pei's heart is at ease, is not her daughter, a DNA test is not the most clear? Although it's ridiculous to say, it's just because you imagine her when she was young.

However, the loss of her daughter has made her feel guilty all her life. Even if there is any tiny possibility, she will not give up. Xu Xinyue is the first person she wants to be close to so many years.

Soon, Xu Xinyue came with her bag. Mrs. Pei took her out of the door with her. Her driver was waiting for them.

Mrs. Pei said to the driver in front of her, "go to the hospital."

The driver immediately understood that he started the car and drove to the private hospital where Mrs. Pei usually went.

"What's wrong with your friend, madam? Is it serious? "

"It's not serious! It's just a small operation. You may need to donate blood. It's really troublesome for you to go there. "

"No trouble, no trouble, no help!" Xu Xinyue waved her hand and said with a smile. Moreover, Mrs. Pei ordered four sets of dresses at one time in her hand, which is worth more than 3 million yuan. She doesn't know how grateful she should be! It's just a matter of donating blood. For her, the reward is too light.

Mrs. Pei's heart is very excited at the moment. She thinks that if this child is really her daughter, how wonderful!

When the hospital arrives, if Bai Xian opens the door and gets out of the car, she looks up. It's not like the public hospital she usually goes to. It's very tall and modern. It's like a scientific research laboratory.

"This is a private hospital. Come with me!" Mrs. Pei walked ahead with a smile and led Xu Xinyue to the fifth floor. In an office on the fifth floor, there was a female doctor in her early 40s. Mrs. Pei asked Xu Xinyue to sit outside the door for a while. She went in.

Soon, Xu Xinyue was also called in. The female doctor inquired about some things professionally. Then, she said to the assistant on the side, "take Miss Xu to have a blood test."

Mrs. Pei comforted Xu Xinyue and said, "nothing, just draw a little blood and do a blood type screening first."

"OK." Xu Xinyue nodded and went out with the assistant.

The female doctor looked at Mrs. Pei on the opposite side and said gently, "don't worry, madam! I'll tell you. I'll find out. "

"Do you think that child was like me

"Quite like it." The woman doctor thought seriously.

"She's very much like me when I was young." Mrs. Pei sighed and laughed. She got up and went to the direction of the blood drawing room.

Xu Xinyue just finished drawing. She signed it according to Mian. Mrs. Pei quickly said, "let you suffer."

"Little things don't hurt." Xu Xinyue pursed her lips and laughed. Mrs. Pei said to the driver, "Lao Liu, send Miss Xu back to the store."

"No, I can take a taxi." Xu Xinyue didn't want to trouble her.

"Go! I happen to have a routine check-up. It will take two hours. In a moment, Lao Liu will come back to pick me up, so that you don't have to take a taxi. " Said Mrs. Pei.

Xu Xinyue nodded, "OK! Then I'll go back first. If you need me, please call me at any time

Mrs. Pei gently patted her on the shoulder, "go on!"

Xu Xinyue stepped into the elevator. Behind Mrs. Pei, the female doctor just came up to her, "madam, you can also draw blood! I'll send it to you for a parent-child comparison. "

"Good!" Mrs. Pei nodded.

Chapter 1437

Mrs. Pei, in a hurry to get the results, she sat in the office and waited right. This little bit of time has become very long for her.

Finally, a nurse came in with a report.

"Dr. Lin, the results come out." Dr. Lin quickly took a look at the matter, and then, she was surprised to see Mrs. Pei.

Mrs. Pei hasn't seen the result yet, but she has understood something by looking at Dr. Lin's smile.

"Come on, show me."

Dr. Lin quickly took the report to her, Mrs. Pei looked directly at the following results, the results show that. The blood group of her and Xu Xinyue was more than 99.9%. It was determined as a mother daughter relationship.

"My God, she's really my daughter." Mrs. Pei was so surprised that tears welled up in her eyes.

He has been looking for more than 20 years, but God has given her such a surprise. How can she not be overjoyed?

"Congratulations, ma'am, you finally found your daughter!" Forestry doctors bless.

"Yes, yes, I finally found her, my dear daughter." Mrs. Pei took the report and said in tears.

At the moment, Xu Xinyue has returned to the office, and the store manager will come soon. She is very pleased with her performance today!

"Xinyue, you are really amazing. When you come to the store, you have already received millions of orders.".

"I don't know why the lady ordered so much at once." The lady who is happy is not willing to consume much.

"That lady is not short of money at first sight. She must like our new tricks." The store manager comforted her.

"Then I'll get to work." Xu Xinyue thought, never let the guests down!

When the store manager left, Xu Xinyue looked out of the window. She was a little distracted. She thought about the suit. And last night in the swimming pool, when the man saved himself, he felt that he was going to suffocate. He gave her oxygen!

Thinking of thinking, she quickly closed her eyes and threw away the thoughts in her mind. What was she thinking? Gu Chengxiao is the father of Xu An'an's children.

Oh, crazy, crazy, or hurry to think about the design of clothes!

Here in the hospital, Mrs. Pei was excited and wanted to start the mother daughter meeting.

At that time, she accidentally lost her, now let her out for 20 years, she is distressed! The child who should have grown up around her, has she suffered?

Mrs. Pei picked up her mobile phone, dialed the driver's phone, and asked him to wait for her at the door.

"Go back to Miss Xu's shop." Mrs. Pei, his driver said.

Half an hour later, Mrs. Pei returned to the store again, and the store manager rushed to receive her in person.

What else can I do for you, madam?

"I want to talk to Miss Xu. Is she in the store "?

"Yes, she's in her office. I'll show you up."

"No, I'll go up myself. You're busy! "

Xu Xinyue thought about a design drawing with her head in her arms. Suddenly, her door knocked.

"Come in"

when the door opened, Mrs. Pei came in with her bag. Just as she stepped in, Mrs. Pei's eyes turned red. Looking at the girl sitting in front of the desk in the office, her heart was like a knife. This is the child she has been looking for for 20 years!

"Madame, why are you here? Have you left anything behind

Xu Xinyue quickly got up to meet her!

"I... I lost my child!" Mrs. Pei directly sobbed. She didn't know how to recognize the child. After all, she owed her too much.

"Madame, where is your child? What's the matter with your child? "Xu Xinyue, seeing her sad expression, asked quickly.

"My child, my child, she is right in front of me, Xinyue, you are my child." Mrs. Pei hugged her.

Xu Xinyue was shocked by Mrs. Pei's arms and cried bitterly. Her face was covered with a circle. Did madam get any stimulation? How could she be mistaken for her daughter?

"Madame, are you mistaken? I'm not your daughter. " Xu Xinyue tries to explain.

"No, you are my daughter." Mrs. Pei said in a hurry, while explaining, "I asked you to take blood this afternoon, not because my friend needs to donate blood, but because I think you are very similar to the child I lost when I was a child. Therefore, I deliberately lied to you. "

Xu Xinyue looked at her in shock," madam, why did you cheat me? "

"Because I want to do a paternity test with you. I wanted to try to see if you are my daughter. In fact, you are the child I lost 20 years ago."

Xu Xinyue listened to these things in disbelief. How could it be possible? She has mom and Dad! How can you be someone else's child?

"Madame, are you mistaken! "

What suddenly occurred to Mrs. Pei? Take out a piece of paper from the bag. "Even if I make a mistake, but this result is not wrong, you are my daughter, Xinyue, you are my mother's daughter." Xu Xinyue looked at the paper that Mrs. Pei handed over. She reached out and took it. She looked down carefully. She finally fell into the column of the result. After reading it, she was shocked.

How? What's the matter? She's really a mother daughter relationship with the lady in front of her?

"But... What did she want to explain.

"My child, when you were taken away, you were only three months old. Maybe it was the traffickers who sold you to your adoptive father and mother. You said that you were not like your parents. You were not born by them at all. The reason why I thought you were my daughter was that you looked too much like me when you were young."

Xu Xinyue was so shocked that she couldn't speak. Looking at the lady in front of her, she really had a kind feeling. Was she really the daughter of the lady?

Such a surprise, too sudden, also too unexpected, simply unbearable.

"Child, I'm sorry, it's my mother's fault. I lost you before. Now, can you still be my daughter? "

Mrs. Pei asked carefully, for fear that she would hate her and lose her!

Xu Xinyue is also a brain blank, how can her guests suddenly become her mother?

"It doesn't matter if you don't want to recognize me. I'm sorry for you, but now I just want to make it up to you." Mrs. Pei did not expect her to recognize her immediately!

Xu Xinyue's eyes are red, how can she not recognize it? She believed that even if she was lost, it was not intentional.

"I... of course I recognize you." Xu Xinyue finally understood why she was not like her mother and father. Originally, she was not born by her mother.

Mrs. Pei hugged her again excitedly, "my child, I finally found you. "

Chapter 1438

Mrs. Pei pulled her to the sofa excitedly and looked at her daughter carefully. "My child, you have suffered these years. How are you doing? Have you been wronged? "

Xu Xinyue laughed and shook her head. "Don't worry, I'm doing well."

"May I ask, how did your parents die?" Mrs. Pei asked as gently as she could.

Xu Xinyue's face was filled with sadness and sighed, "when I was very young, they died in a car accident. Later, I was sent to my grandmother's home to raise me, but I had a very happy time."

Mrs. Pei touched her face with heartache, remorse and guilt and said, "it's mom's fault. You should have grown up by her side. Back then..." Mrs. Pei's voice, choked up, touched the pain of that year, still heartbroken.

"How did I lose it?" Xu Xinyue asked curiously.

Mrs. Pei's nose was sour. "When you were taken out to play by the nanny, in a park, several people suddenly rushed up and robbed you. Mom and Dad were not with you, and the babysitter couldn't get you back. From then on, we tried every means to find you. This has been 20 years."

"Hateful human traffickers." Xu Xinyue clenched her fists, although she had a lot to do with her life experience. There was not much complaint, because although she was sold, she also met her foster parents and grandparents who loved her very much.

"I will take you home tonight. Your father and brother will be very happy and excited to see you."

"I have a brother?" Xu Xinyue was surprised.

"Yes, you have a brother up there, three years older than you." Mrs. Pei is gentle.

Xu Xinyue's heart is also full of longing for relatives. She wants to know what her father and brother look like.

After talking for so long, Mrs. Pei suddenly thought that she had not heard her daughter calling her mother. How eager she was to hear her mother in her heart!

"Xinyue, can you call me mom?"

Xu Xinyue's heart is full of expectation, but she is a little shy. Her nose is slightly sour and her eyes are a little red. She gently calls out, "Mom."

Mrs. Pei's heart is excited and satisfied, which is a wish for more than 20 years.

General Office of Gu's group.

A tall and straight posture, leaning in front of the French window, the man's deep eyes, overlooking the distance.

At this time, his eyes inadvertently fell on the sofa that suit, his mind flooded with a pure and charming face.

Thinking about, the man's face showed a touch of chagrin, when began, this woman unexpectedly let him always inadvertently think of, for him, think of this woman is meaningless.

At this time, his mother picked up his cell phone, took a look at his desk, rang

"Chengxiao, come home for dinner tonight! Bring me the shepherd. " At that end came Mrs. Gu's voice.

Gu Chengxiao thought about his schedule this evening, but he didn't know why. He wanted to relax.

"Mom, I'll bring the shepherd here. I have something to do tonight."

"Well, bring him here." Mrs. Gu wants to see her grandson every day.

After hanging up the phone, Gu Chengxiao thought about it, picked up his mobile phone and dialed another string of numbers.

"What's the matter?" The clear male voice rang out.

"Do you want to go to the bar at night?"

"Oh! When did President Gu indulge in this way? " Mo Zeyang joked.

"Come or not?" Gu Chengxiao asked directly.

"Of course, it's your treat. How can I not come?" Mo Zeyang readily agreed.

Hang up the phone, the man sat on the sofa, emotional inexplicable, never had such a restless feeling.

His eyes fell again on the suit beside him, thinking of the identity of the woman, she is not an absolute stranger, she is Xu an's cousin, will also be the son's nominal aunt.

In the luxurious apartment, Xu an is sitting on the sofa in a daze. Thinking of the fall in the water last night, Xu Xinyue is actually cheaper. If she knows that Gu Chengxiao is the one who saves people, she would rather fall into the water by herself.

Once or twice, Xu Xinyue appears beside Gu Chengxiao, which has made her very disgusted. She does not believe that Xu Xinyue has no idea. As long as a man like Gu Chengxiao gets on, his whole life will change. Therefore, Xu Xinyue must be in a hurry to change her poor identity.

There is a sneer on Xu an's mouth. Gu Chengxiao can only be her. Other women don't want to think about it, because only she is qualified to be the mother of Gu Chengxiao's children.

The child, but half of her blood.

And Xu Xinyue what identity, dare to argue with her, she is not worthy.

In the evening.

Xu Xinyue dialed my aunt's phone. Tell her that she won't go home for dinner this evening, and Xu Xinyue has no intention to tell her aunt and grandmother about their marriage.

After all, she had just learned about her life experience, and there was a dream feeling. Mrs. Pei took her home, and tonight she will bring a surprise to her family, a big surprise.

In the car, Xu Xinyue's hand was tightly held by Mrs. Pei. She did not let go for a moment, as if her daughter would leave her again.

Her eyes, has been looking at the side of Xu Xinyue, to her children, really how to see also not enough.

Pei house.

Located in the downtown high-grade residential area, a huge single family villa, in the evening sun, solemn and domineering.

Xu Xinyue sat in the car and looked at the villa in front of her. The whole person was shocked. What kind of family background did her parents have?

Mrs. Pei took her hand and said gently, "let's go home! In the future, this is your home. "

Xu Xinyue's heart is both excited and strange. After all, the family she has never seen lives in.

In the courtyard, two servants came face to face and said, "madam, you are back. Is this your guest?"

"No, she's my daughter. She's the second girl in the family." Mrs. Pei introduced it excitedly.

Two servants look at Xu Xinyue in amazement. My God, did the lady's daughter find it back? Looking at and the wife 70% of the similar girl, don't think, probably miss.

Mrs. Pei led Xu Xinyue into the hall. She said to the servant, "hurry to the study and call the master down, and the eldest young master asks him to come back quickly."

Xu Xinyue stood in the hall, looking at the luxurious decoration, she could see that her family was rich. She looked up to the second floor and imagined what her father looked like.

The servant went upstairs in a hurry. After a while, there was a sound of footsteps coming from upstairs. Xu Xinyue was still nervous. Mrs. Pei hugged her and gently comforted her, "don't be afraid. It's your father."

At the entrance on the second floor, an elegant figure stepped down anxiously. His eyes saw the girl beside his wife. He couldn't believe it. He was more excited and said incoherently, "Xiaoyue, this child

Mrs. Pei was so excited that she nodded to her husband, "yes, this is our daughter."

Mr. Pei's eyes were red. He looked at the girl in front of him as if he had seen his wife's appearance when he was young. He was ecstatic.

His daughter found it?

Looking at her father in front of her, Xu Xinyue is warm and handsome, just like the father she imagined when she came.

Chapter 1439

Pei Hua looks at Xu Xinyue and is excited to see his daughter. He can't believe that there will be one day to see his daughter in this life.

Mrs. Pei on one side told him about the process of today's marriage. It was as if heaven was pitying their husband and wife. The world was so big that in the vast sea of people, God arranged for their mother and daughter to meet and return their daughter to them.

Xu Xinyue's heart is also very excited, she did not expect her life experience so tortuous, like a dream, let her re into the arms of her biological parents, can return to their side.

"Boy, come and tell Dad how you lived from childhood to adulthood." Pei Hua holds her hand excitedly and pulls her to the sofa to sit down. Mrs. Pei wipes her tears and is full of joy.

Xu Xinyue tells the story of her childhood and growing up. She is a person who reports good news but not bad news. For her, her childhood is very happy, and her growth path is also full of people who love her very much.

Xu Xinyue mentioned a little about the things in the Xu family, because after the death of her adoptive parents, the family was no longer her home. She was already an outsider. In her heart, she regarded herself as the daughter of her little aunt.

After listening to her story, the two husband and wife are also very happy, at least they did not experience the ordeal or abuse as they imagined. When they were carried away, their hearts were full of pain, fear, fear, fear of their beloved baby, suffering in the world. Now, hearing Xu Xinyue's growth experience is their greatest joy.

Just at this time, the sound of the car coming out of the window, Mrs. Pei excitedly said, "it's your brother back."

Xu Xinyue is also very excited and looks at the door of the hall. After a while, a slender figure stepped in, only to see a tall and handsome man, with a mature breath all over his body, mature and steady!

Pei Chenhao received a call from the servant and asked him to go home quickly. He didn't know what had happened, but he looked at the young girl sitting between his parents on the sofa. He was shocked for several seconds.

Why does this girl have a sense of déjà vu?

"Chen Hao, come here quickly. Guess who she is?" Mrs. Pei asked her son excitedly.

Pei Chenhao looked at the girl on the sofa. He felt that the girl gave him a kind of cordial feeling.

Xu Xinyue is also looking at this brother who has never met, and is excited in her heart.

"Chen Hao, come here and meet your sister." Pei Hua announced the answer directly.

"Sister..." Chen Hao was pleased to make a voice, looking at the girl on the sofa, can't believe that lost 24 years of sister found!

A family of four, sitting around on the sofa, inquired about Xu Xinyue's affairs over the years. For them, Xu Xinyue's appearance is a kind of redemption and a treasure.

At about nine o'clock in the evening, Xu Xinyue plans to go back to his aunt's house and tell him about it this evening.

Pei Chenhao drives the car, and Pei Hua's husband and wife accompany Xu Xinyue back to her grandmother's home.

When their car stopped at the door of an old community, they got off together and saw that their daughter's residence was such an old place, their hearts filled with remorse and guilt.

Xu Xinyue knocked on the door of her aunt's house. It was Shaoxing mushroom that opened the door. When she saw three people standing beside Xu Xinyue, her face was startled.

"Xinyue, they are..."

"Auntie, let's go in and say. "Xu Xinyue came in to meet her father, mother and brother.

Shaogu also smiles and asks them to come in. She looks up and down at the three people who are dressed in noble and extraordinary temperament, and guesses who they are.

Pei Hua three people into the hall, into the eye is a very simple hall, put some simple furniture, the living room is very small, they come in appears particularly crowded!

Xu Xinyue looked at her aunt and whispered, "is grandma asleep?"

"Sleep. Is there anything important?"

Xu Xinyue didn't want to disturb her grandmother's sleep. She took her aunt's arm to the table and sat down with the three opposite.

"Auntie, there are some things I want to tell you. In fact, I am not the child of my parents. I am adopted by them." Xu Xinyue said this amazing fact.

Shaogu was shocked, "what do you say? How could that be possible? You are my sister's child

Mrs. Pei couldn't wait to open her mouth and said, "Miss Shao, excuse me, I'd like to introduce myself. I am Xinyue's own mother. They are her father and brother. "

Shaoxing mushroom a face can't believe, she looked at Mrs. Pei's face and Xu Xinyue unexpectedly very similar, even, Xu Xinyue and the opposite of the family three have a certain acquaintance.

"Auntie, it's true. They are my father, mother and brother." Xu Xinyue said seriously!

"Xinyue and I just had DNA authentication this afternoon, and we confirmed that Xinyue was our lost daughter. At that time, she was less than three months old and was stolen from us by human traffickers. Now, we have finally found her!"

Shaogu was shocked. She didn't expect that her sister and brother-in-law's children were adopted. They never told them about it, and because of the sudden death, they had no chance to say it. But

looking at a family of three, gorgeous and full of rich breath, she couldn't help but be happy for Xu. If she was really their child, it would be a good thing, but it would be a hard-working child!

"It's a great joy. Xinyue can come back to you. I'm happy for her." Shaogu said sincerely.

"Auntie, no matter whose children I am, you are all my relatives and relatives in my life. I will never forget the kindness of your upbringing in this life." Xu Xinyue became red eyed. Although she recognized her parents, she was afraid that she would lose her to her aunt and grandmother.

"Miss Shao, although Xinyue is our child, she was brought up by you. We will never forget your great kindness in our life. In the future, we will thank you very much." Pei Hua said.

Shaoxing mushroom is also happy, did not expect Xinyue to be a lady of a rich family, she does not ask for any return, just hope that she can come to accompany them from time to time like now!

Mrs. Pei saw her worry, "Miss Shao, please don't worry. We won't take Xinyue away. She is our child and your child."

Shao mushroom eyes red, she looked to Xu Xinyue, "my aunt is really happy for you, but also difficult for you and your parents separated for so many years."

"Auntie, no matter where I am, I will always come back to you and take care of you and grandma all my life." Xu Xinyue couldn't help but cry.

"Good boy, don't cry. How happy it is to have a kiss! "

the Pei family on the opposite side were moved and distressed.

Mrs. Pei wiped her tears too!

Chapter 1440

Around 11 o'clock, the Pei family came out of shaogu's home. They hoped their daughter would go home immediately. However, they also understood that shaogu's home was also her daughter's home.

"Xinyue, let's go back first. We'll take your grandmother and aunt together for dinner tomorrow afternoon. We'll have a good chat." Said Mrs. Pei.

"Yes, I will." Xu Xinyue said excitedly.

Watching her family leave, Xu Xinyue suppressed tears for so long, and shaogu put out her arms and hugged her, "Xinyue, good child, don't cry, how happy it is to be able to find your own parents."

"Auntie, do you know why I was adopted?" Xu Xinyue asked in a choked voice.

Shaoxing mushroom recalled what happened at that time. She sighed, "I remember when my sister married her brother-in-law, she wanted to have a child immediately, but she was not pregnant for three years. Her sister tried her best to see a lot of doctors, and your grandmother invited a goddess."

Shaoxing mushroom thought for a while, and thought that this niece was indeed a foster! But I didn't think much about it at that time. Now I think about it. My sister's pregnancy and delivery in October were both abroad. When they returned home, the child would be nearly four months old.

It turns out that they went abroad on purpose to adopt children.

"Auntie, do you remember something?" Xu Xinyue looked at her aunt and asked.

Shaoxing mushroom nodded, "you should be my sister and brother-in-law from abroad to foster back, perhaps at that time after the traffickers robbed you, was sent abroad, by chance, my sister-in-law and brother-in-law need a child, will foster you."

Xu Xinyue sighs, thinking of the feelings that her foster parents treat her as if she had already given up, she still regards them as their own.

"It's a pity that they left too early. Otherwise, they will be happy for you at this time."

This night, Xu Xinyue was too excited to sleep. In her life, there were three more people related to her by blood. She even wanted to know what relatives she had in Pei's family?

In Gu Chengxiao's villa.

He Shuai drove Gu Chengxiao back from the bar. He drank some wine, but his mind was clear. He Shuai opened the door and said, "Mr. Gu, do you want to take you back?"

"No, go back!" Gu Chengxiao waved his hand and walked to the hall. At the moment, it was zero morning, and the little guy should have gone to sleep.

Just now, in the bar, the little guy called and asked him to sleep first. He promised that he would go to bed first. Li Fen, the nanny who came over from the house, came down from the upstairs. "Young master, you are back. The young master is asleep in your room."

"Good! Go and have a rest Gu Chengxiao steps upstairs, toward the direction of the master bedroom.

Under the dim yellow wall lamp, Gu Yimu's children, who are wrapped up in quilts on the big bed, sleep soundly. Gu Chengxiao sits on the edge of the bed, looking at his son gently and dotingly.

Looking at it, I don't know whether it's because of drinking wine or how. How can the little guy's facial features look more like Xu Xinyue? Even if the gene is inherited across generations, it can't be like her cousin!

Even without a trace of his mother Xu An'an, Gu Chengxiao's heart is a little annoyed, but looking at the little guy's face, it is more and more like.

The little guy who was sleeping suddenly waved two small arms, as if he was pulling someone, and his mouth was still dreaming, "er Beautiful sister Don't go Don't leave me

Gu Chengxiao is stunned and reaches out to hold his son's hand and press it down to avoid waking up.

The little guy turned over and went back to sleep. He could still hear him murmuring, "beautiful sister "

did Gu Chengxiao tighten his eyebrows because he told Xu Xinyue to panic about going abroad, so that his son could have such a dream?

What's good about that woman? My son doesn't even recognize her own mother. Do you have to like her? Gu Chengxiao took a breath, and a bright face appeared clearly in his mind.

When his eyes fell on the direction of the cloakroom, he suddenly felt a dryness in his abdomen. What happened in the cloakroom that day was still fresh in his memory.

Damned, also said that the son, even he himself seems to be under the curse of this woman like, from time to time think of her.

If the son really needs a mother, it can only be Xu An'an, but the blood relationship is there. Moreover, even if he doesn't marry Xu An'an, he can't get close to Xu Xinyue. Otherwise, how can he explain to the Xu family?

Gu Chengxiao lowers his head and kisses him in his son's hair. He gets up to take a bath in the bathroom. He doesn't want to sleep with his son in the smell of wine.

Gu Chengxiao took a bath and went to bed. The little guy who was sleeping felt him. He lifted a small head from the quilt, with a short hair like a hair exploding kitten. He was lying in his arms and hugging him happily, "Daddy, you are back."

"Well! Sleep Gu Chengxiao reached out and stroked his little head.

"Daddy, I dreamed of my beautiful sister. I told her not to go abroad." The little guy said with a soft voice.

"She has gone abroad." Gu Chengxiao some cruel said.

"When can I see her again? Is she related to Aunt Xu?" Asked the little fellow, looking up."Aunt Xu? She is your own mother Gu Chengxiao corrected his son.

"But my mother in my heart is like a beautiful sister." The little one said frankly.

Gu Chengxiao looked at his son lying in his arms, blinking a pair of big eyes. He squinted and asked, "why do you like her so much?"

"I just like her." The little guy raised his head and said, there's no reason.

In the morning.

When Xu Xinyue got up and came out of the hall, she saw her grandmother sitting on the sofa, not knowing what she was thinking.

"Grandmother, what's wrong with you?" Xu Xinyue crouched in front of her.

The old lady sighed heavily and patted her on the shoulder. "Xinyue, your little aunt told me that you were a child of our family, but I didn't expect that you were the child of someone else's family. I heard that your biological parents were rich people, but they let you suffer with us."

"Grandma, what are you talking about! Can accompany in you and the young aunt's side, I where has what bitter Xu Xinyue knew that she was an old man. She thought a lot. She held her hand and said, "grandma, no matter who I am, I am your granddaughter in this life."

The old lady's eyes were red and her cloudy fundus showed excitement and joy.

At this time, Xu Xinyue's mobile phone rang, she picked up to answer, "Hello!"

"Xinyue, I'm my brother. Now I'm going to pick you up and have lunch at home." The voice of Pei Chenhao came.

"Well, let's get ready." Xu Xinyue chuckled, hung up the phone, and said to her grandmother, "grandma, my brother has come to pick us up. I'll go to my parents' home for dinner this afternoon."

"Good! I want to see them too The old lady said happily.

Xu Xinyue calls shaogu, and Shaoxing mushroom will come back earlier.
