

U. CEO Daddy 1441

Chapter 1441

At about 10:30, Pei Chenhao's car arrived. Xu Xinyue helped her grandmother down the stairs. The old lady changed a new dress. She was in good spirits. Shaogu also attached great importance to it and dressed up for going out.

Pei Chenhao drove by himself, chatting about Xu Xinyue's growing up process, but his heart was filled with joy and sorrow. When his sister was born, he was already six years old, and there was still a trace of memory. In his photos, there were many pictures of his baby sister. Now, goodbye, it has been 24 years.

When they arrived at Pei's villa, shaogu and the old lady stood at the door. They were shocked. They didn't expect that Pei's wealth was beyond their imagination!

"I didn't expect that Xinyue is a rich lady. It's really hard to follow us." The old lady wept bitterly.

Xu Xinyue comforted, "grandma, don't think so. It's my blessing to live with you."

Moreover, Xu Xinyue is very grateful to her adoptive parents for bringing her back from abroad. Otherwise, she will sell it to others, and she will never be able to return to her biological parents in her lifetime.

Pei and his wife warmly welcome him out. Mrs. Pei holds out her hand and holds the old lady with special respect. Shaogu takes her mother to visit Pei's house. Xu Xinyue is called to his room by Pei Chenhao and takes out his photo. The picture shows him holding Xu Xinyue at the age of six 24 years ago.

There are also many close-up photos of her when she was a child, bairizhao, and Xu Xinyue's eyes turned red. I didn't expect that she was so cute when she was a child.

"My parents have been thinking about you all the time these years, blaming themselves for their pain. If you can come back, it is the happiest thing in their life." Pei Chenhao said in a low voice.

Xu Xinyue nodded with tears. "The next time, I will accompany them well to make up for the regret of separation in these years."

Pei and his wife chatted with the old lady on the sofa, talking about their dead daughter and son-in-law. When Pei Hua heard Xu Taoyang's name, he was surprised and said, "is Xu Taoyang a happy uncle?"

"Do you know?" Shaogu asked.

"Yes, we have. Because our family often holds charity, we know almost everyone who is well-known in the business world." Pei Hua said.

"Yes! What a coincidence! Xinyue is a child of the Xu family. Ah Hua and I are discussing when to hold a celebration party for Xinyue and tell our relatives and friends about her return to us

Shaogu's face flashed a look of worry. She thought, "Mrs. Pei, in fact, Xinyue was sent to our side to raise her as early as after the death of my sister-in-law. She and the Xu family have become estranged."

Now the Xu family, already did not recognize Xinyue as their family.

Mrs. Pei and her husband looked at each other and understood as soon as they heard it. She only felt sorry for her daughter's fate in the Xu family. She nodded, "OK, let's discuss this matter for the time being."

At noon, the Pei family greets them warmly, and the old lady and shaogu are also very happy. They were originally a helpless family. Now, the enthusiasm of the Pei family makes them feel warm, and Pei Hua and his wife regard them as their own.

"Xiaogu, it's not easy for you. Ah Hua and I have ordered a house for you in a neighborhood. When the house is decorated, you can move to a new house!" Said Mrs. Pei.

Shao mushroom suddenly surprised, "madam, you How can this be? We can't have... "

"Don't mention it. Take it! We have a good family and can afford it for you. You have taken care of Xinyue for us for more than 20 years. How can this kind of kindness be offset by a house? In the future, if there is anything that needs our help, we will certainly help. " Said Mrs. Pei.

Shaogu could not help but red eyes, one side of Xu Xinyue also advised, "aunt, I also hope you and grandma can live in a better place, so take it!"

Shaogu can only nod, the opposite husband and wife said gratefully, "thank you!"

After dinner, Pei Chenhao sent shaogu's mother and daughter back. Xu Xinyue stayed at Pei's home to speak with her parents.

Xu Xinyue has a room that belongs to her, which is very warm and beautiful. This is the room that Mrs. Pei has always left her daughter. She thought that she could live in one day when she came back. Unexpectedly, this wish came true.

In the evening, Mrs. Pei took a bath and pushed the door in. She looked at Xu Xinyue, who was sorting inside. She felt sad. She reached out and hugged her and wanted to reflect on the feeling of holding her in her arms when she was a child.

"Mom's heart is really happy and sour. I wish I could find you back earlier."

"Mom, I've come back. I'm back to you. Don't be sad." Xu Xinyue hugged her and comforted her.

Mrs. Pei wiped her tears and said, "well, I'm just so happy." She took her and sat down and said, "Xinyue, your father and I have decided to hold a party for you, so that all our relatives and friends can know you and let you officially return to our family. What do you think?"

"You decide, and I'd love to meet your relatives and friends."

"Good! That's it! This Saturday we are ready to introduce you to them at the party. I want them to know that my precious daughter is back Mrs. Pei put her hand around the hair in her ear, gentle and doting. Xu Xinyue nodded, "well, OK, I'll listen to you."

"I heard you were wronged in the Xu family."

"No injustice."

"Is it allowed for us to invite people from the Xu family to join us this time?" Asked Mrs. Pei.

Xu Xinyue thought for a moment, how to say, Xu family is also her home, she nodded, "good! I also have an uncle and aunt, and a cousin. "

"I know, Mr. and Mrs. Xu Taoyang and your cousin Xu An'an. I met your cousin at the party last time. How are your feelings?"

Xu Xinyue didn't want to worry about her mother. She pursed her lips and said, "it's a little distant."

In fact, Xu Xinyue doesn't stop her parents from inviting Xu family, because they are so arrogant that they always think that she and her grandmother's family are easy to bully. Now, she wants to show them that Xu Xinyue also has a supporter behind her. In the future, they will dare to bully her grandmother, and the Pei family is the backer.

After a while, Pei Hua also came in. He looked at his wife holding his daughter all the time. He said with a smile, "I can't bear to let go."

"Of course, this is my baby." Mrs. Pei holds Xu Xinyue and calls the name she always called when she was a child.

Pei Hua also sat down, Xu Xinyue put his head on his shoulder, Pei Hua also put his arm around her shoulder, "dad still remembers how you were born when you were a child, and that was the favorite child in our family."

Xu Xinyue relies on her parents and is extremely happy.

Chapter 1442

The Pei family immediately set about the banquet, and they wanted to organize it wantonly, introducing Xu Xinyue to all the relatives and friends in the upper class, and formally recognizing her identity as Miss Pei's.

The next afternoon, Lin Jingya received a call from her husband Xu Taoyang.

"Our family has been invited?" Lin Jingya is a little surprised. She didn't expect that Pei family valued their family so much.

"Yes! We have to give face, but the whole family must go there. You can ask ANN to spare that day's time Xu said.

"I know. I'll tell her." Lin Jingya hung up her husband's phone and turned to call her daughter.

"Mom, can I help you?" Xu an asks at that end.

"Ann, are you free this Saturday? Our family received an invitation from the Pei family to attend a private dinner hosted by their family

"Private dinner? Are we all going? "

"Yes! Your father just called us specially. Mr. Pei invited all of us to be present. Can we not give this face? "

"It seems that dad is getting more and more important in the business world." Xu an said with pride.

"No! Your father's business is getting bigger and bigger. Who dares not take him seriously? You'll leave with us then. " Lin Jingya is also proud of her husband's achievements, which also means her future status in the upper class wife circle.

This time, she must choose a good evening dress. However, every banquet is a lady's competition. She can neither lose nor lose.

Xu An'an is talking about advertising cooperation in her studio at the moment. After answering her mother's phone call, she immediately thinks that Gu Chengxiao will be invited to the Pei family's banquet, as if Gu's and Pei's are still in a family relationship.

Xu an thought of the last banquet, because Xu Xinyue fell into the water and let Gu Chengxiao leave early. Without Xu Xinyue, there would be no eye-catching people. She must dress up and become the most dazzling person in the audience.

Sure enough, Gu Chengxiao, who was in the company meeting, received a telephone invitation from Pei Hua himself. He stood in the corridor with his mobile phone and answered respectfully, "Hello, uncle Pei."

"Chengxiao! Are you free this Saturday? My family is going to hold a party, so you have to make time for it

"Good! I will be there. " How can Gu Chengxiao not appreciate it? Pei Hua is a close friend of his father, and Mrs. Pei is also a classmate of her mother. The two families have a good family relationship since their grandfathers.

"Chengxiao! Let your mother come together, lively, long time no see her, your aunt all miss her! I won't call. You can take a message for her

"Good! I'll come with my mom. " Gu Chengxiao promised that his mother would love this occasion.

Gu Chengxiao calls his mother. Hong Meishan will go naturally. She also decides to take Gu Yimu to play in the past.

"Mom, this kind of occasion is not suitable to take the little shepherd, he is still young." Gu Chengxiao suggested.

"It's OK. Xiaomu is so good. You should take him out to see and see. Besides, you don't know how cute Xiaoxiao is." Hong Meishan decided to take it with her.

Gu Chengxiao can't resist his mother. It seems that he can only bring his son to attend. However, even if it is a private banquet, there is no commercial activity. It's a purely fun party. It doesn't matter if he takes his son.

Pei house, Xu Xinyue also let her mother invite a good sister Li Yan, she will not tell her for the time being, then give her a surprise.

Although Mrs. Pei knows that Xu Xinyue is a designer, she still decides to prepare more evening dresses for her at this banquet, because she will use them in various occasions in the future.

"Xinyue, my mother knows that the dress in your shop is also very beautiful, but this time she has to give you some dresses. You can go out with her in the afternoon and have a try."

Xu Xinyue naturally listened to her mother. She pursed her lips and said, "OK, let your eyes choose for me."

Mrs. Pei's eyes were sour. Looking at the beautiful little skirt in the street shop since childhood, she thought of her lost daughter. If she didn't lose her, she would buy her beautiful pink and tender clothes to see her wear. It must be very beautiful. Now, God finally makes her wish come true.

"Let's go. Mom will take you to pick." Mrs. Pei took her hand and went out. The driver was waiting outside.

"Mom, I also want to buy some clothes for my aunt and grandmother."

"That's for sure. You can choose for them! Pick it up and send it." Mrs. Pei nodded.

There are many world-class high-end brand customization stores in the city center. Mrs. Pei takes Xu Xinyue into a shop. As a designer, Xu Xinyue naturally knows the existence of this top brand. A dress here is worth thousands of dollars.

"Here you are, Mrs. Pei." The store manager came to meet her in person. Looking at the young girl beside her, she said with a smile, "is this?"

Pei's gentle eyes fell on the girl beside her, "this is my daughter's pleasure."

"It turned out to be Miss Pei." Zhao shop manager secretly exclaimed, did not expect Mrs. Pei should have a daughter so big.

"Xinyue, let's go up to the second floor. The dress on the second floor is more beautiful." "This way, madam." Zhao immediately welcomed them upstairs.

Xu Xinyue's heart secretly marvels at the display dress here. As expected, the quality is extraordinary and the design is perfect.

When Mrs. Pei went up to the second floor, she saw the dress displayed by the models in the central cabinet. Her eyes lit up. It was a pure white diamond evening dress. From the waist to the bottom of the skirt, there were bright diamonds as bright as stars on the soft net. The half sleeve design, the floor dragging skirt, pure and dreamy, seemed to fall into the earthly galaxy.

Xu Xinyue's eyes are also slightly gaping, good beautiful design, simple but full of advanced sense.

"That's it! Xinyue, on dinner day, you can wear it to meet our relatives and friends Mrs. Pei recognized it at a glance.

"Mom, this dress is too expensive." Xu Xinyue murmured.

"You are worth it. If you can, mom would like to hold the whole world in front of you. What you want, mom and dad will satisfy you." Mrs. Pei said to the store manager, "try it on for my daughter."

"Good! Madam, you have a good taste. This is the only one we have just arrived at the store. It is very suitable for Miss Pei's pure and elegant temperament. " Zhao shop manager praise way.

"Mom wants you to be the most beautiful person in the audience." Mrs. Pei took her and said.

"Mom." Xu Xinyue eyes slightly wet, this strong maternal love around her heart, this is the warmth of her mother.

"Pick again and see if you like it." Mrs. Pei said gently.

The manager of Zhao asked Xu Xinyue to try on the dress. Xu Xinyue changed it into a standard figure, as if it was tailored for her. The white evening dress was worn on her body and combined with her temperament.

Chapter 1443

Although Xu Xinyue in the mirror has no make-up, her eyes are like water, her shoulders are cut, her waist is bound, her skin is as pure and pure as an angel falling into the world.

"It's so beautiful. It's just tailor-made for Miss Pei." Zhao shop manager exclamation praise, wear this evening dress, can't control casually, must temperament pure person, can wear its elegant.

"Beautiful as expected." Mrs. Pei was particularly satisfied, and said to the store manager, "OK, this is it! I'll stay in your store and iron it for me. I'll pick it up on Saturday morning

"Good!" The manager nodded.

Mrs. Pei took Xu Xinyue and selected several sets. Around three o'clock, Mrs. Pei took her to a nearby tea restaurant for afternoon tea.

Not long after Mrs. Pei Xu Xinyue left, a mother and daughter came out of another customized shop not far away. Lin Jingya and her daughter Xu An'an were also choosing dresses.

Xu an is also very careful about the dress selection. It's rare to have a banquet with Gu Chengxiao. How can she not dress well? And want to be brilliant at the party, in addition to their own temperament, it must be a unique dress.

"Mom, go to that store." Xu An'an points to the magnificent storefront Road opposite.

Lin Jingya nodded, two people on the nanny car, the car soon stopped at the door of the shop, Zhao shop manager welcomed them.

"Hello, Miss Xu."

"My mother and I came to pick out an evening dress. Have you got a new one?" Asked Xu.

"There are many new models. Miss Xu can choose them slowly."

"I can't see the one on the first floor, but let's look at the one on the second floor." In recent years, Xu An'an is also a front-line player in the entertainment industry. Therefore, she is a regular customer in all luxury stores.

"Please." The store manager of Zhao didn't dare to slow down.

This is just on the second floor, two waiters are putting the white evening dress that Xu Xinyue tried on just now in front of the French window, ready to be ironed and stored.

Xu an's eyes can be seen at a glance. Her eyes are bright. The evening dress she has been looking for is this one.

"Manager Zhao, I want this one." Xu An'an said, his eyes showing a startling color.

"I'm sorry, Miss Xu. You're a little late. A lady has already made a decision just now."

"What? I'm a frequent visitor here. I have the right of first choice! I'll take this evening dress. Can I raise the price? " Xu an asked anxiously.

"I'm sorry, but that lady is also a frequent visitor here." Zhao shop manager shook his head and said sorry.

Xu an bit his lips, staring at the evening dress, and felt that the evening dress around him was eclipsed in front of it.

"Why can't I come earlier? Do you have the same model? " Xu an bit his lips in chagrin, and put on this evening dress, which will surely amaze the audience.

"Miss Xu, you know that our evening dresses are limited edition, and few of them are of the same style. This is our only one. We don't have many good evening dresses. Please choose one!"

Xu an can only reluctantly look away, and finally picked a champagne evening dress here. Just now that white evening dress is as pure as a virgin, she is still very upset that she can't have it.

But she chose this one is also good, even with a hint of sexy atmosphere, Lin Jingya also picked a set she likes, Xu an still some not give up, want to go to other stores to find the same style, but none of them meet her requirements.

Lin Jingya is also a pity for her, but her daughter looks good in everything she wears.

In the evening, Xu Xinyue went back to her aunt's home with her clothes. Shao Gu never attended a dinner party in her life, let alone wore an evening dress. She was excited and expectant, and the evening dress selected by Xu Xinyue was also very suitable for her.

"Little aunt, do you like it?"

"I can't walk in this way. It's so beautiful." Shao mushroom in front of the mirror, looking around.

One side of the old lady also changed into new clothes, silk fabric of a set of elderly, so that she was very comfortable.

"It's expensive! It's very expensive. It costs hundreds of yuan. " The old lady is of the previous generation, and the clothes of several hundred yuan are very expensive for her.

Xu Xinyue dare not tell her that she is nearly 5000 years old.

"Yes, it's only 300 yuan, grandma. You look good in it." Xu Xinyue said with a smile.

Shaogu could see that it was less than 300, but she did not say that her mother seldom wore such beautiful clothes.

"Xinyue, we are all blessed by you." Shao mushroom pulled her to sit down. "Because of you, we can enjoy such a blessing."

"No, because of your dedicated support, I am today." Xu Xinyue did not dare to forget this nurturing kindness. Although she and her grandmother had no money, their love was priceless.

They taught her how to be a person since childhood. Even though they are poor, their quality is noble.

Gu Zhai.

The little guy's mood is not very good recently. Hong Meishan can't help but be surprised. What's your mind when you are young!

"Xiaomu, what's the matter to tell Grandma, do you miss your mother?" Hong Meishan guessed."Grandma, is that Aunt Xu really my mother? Did she give birth to me? " Asked the little fellow, looking up.

Hong Meishan is stunned. She can't explain surrogacy to her very well. It must have happened that her son didn't wake up when she was dizzy. She was very grateful that Xu an could provide an egg for her to give birth to an heir.

She said with a smile, "Yimu, anyway, you were born with your mother and your father. They are all your closest people."

He nodded his head and said, "Oh!"

"Yimu, do you want your mother to live with you? As long as you like, she can move to live with you and take care of you. "

in Gu Yimu's mind, however, he remembered another smiling face. How he hoped that it was this beautiful sister who would live with him!

"Just now your mother called. This time we will have a party together, and she will be there. You can cultivate your feelings."

"If she is my mother, then I would like to live with her." The little guy said wisely.

"Yimu, in this world, only your mother can love you wholeheartedly. Therefore, you must love your mother and not hurt her heart. Do you know that?" Hong Meishan advised.

The little guy nodded, "well, I see."

Then he will forget the beautiful sister and accept his mother.

Hong Meishan is also distressed by the fact that her grandson didn't have a mother when she was a child. In fact, she wanted to take over Xu An'an at that time. However, her son always rejected him. She had to let him and Xu An'an have a child without his permission when he was in a coma.

Now that the children are getting older, the son has to consider accepting Xu An'an for the sake of their grandchildren's mental health.

It's something she'd love to see.

Chapter 1444

Time passed quickly. Xu Xinyue and her parents were together. In a flash, it was Saturday. These two days, Pei Hua and Pei Chenhao had been working on the banquet. The number of people attending the banquet was close to Pei's family, and there were about 100 people present.

In the morning, Pei Hua takes shaogu's mother and daughter for dinner. In the afternoon, he takes a rest at Pei's house, waiting for the banquet in the evening.

Shaoru and the old lady were very excited, and they were also touched by Xu Xinyue's light. They could attend such a grand banquet in their lifetime. It's true that they all have face.

In the afternoon, Xu Xinyue's evening dress was sent to us, and a special makeup artist and stylist came together to take care of Xu Xinyue's make-up and hair style. At about four o'clock, the girl in the mirror was already a noble princess. Her white evening dress was set against her skin and her facial features were exquisite and picturesque.

Xu Xinyue's beauty is gentle, no aggression, a pair of water eyes, lift eyes will let people fall.

Shaoru and the old lady were eating snacks and drinking tea in the hall. However, when they looked up, they saw a dazzling figure on the ivory white stairs and stepped down gracefully.

Their eyes are wide open, can't believe to look at the girl downstairs, this is really the joy they brought up from childhood? It's like a beautiful princess coming out of the movie.

Mrs. Pei and her husband also looked at each other. They had been looking forward to this scene for many years, and finally their daughter came back.

Pei HaoChen said with a smile, "when my sister gets married in the future, you can't give up your parents."

"I'm not willing to let her get married!" Mrs. Pei felt that she could say something.

If you don't meet a good man, Mrs. Pei doesn't want to. She hasn't had enough love for her daughter. How can others bully her?

One side of Shao Gu's heart is gratified. Finally, there is a supporter to let Xinyue not be wronged. Otherwise, in the face of the Xu family's people, their mother and daughter will not be able to protect her.

Xu Xinyue some embarrassed walked down, "Dad, mom, grandmother."

"Little sister, you're going to surprise the audience tonight." Pei Chenhao said with a smile.

Xu Xinyue pursed her lips and said, "brother, don't laugh at me. I'm nervous!"

"There's nothing to be nervous about. All the friends coming tonight are mom and dad's friends. They must want to know you very much."

"Xinyue is small. The whole street says she is beautiful." Said the old lady.

Mrs. Pei is also proud and grateful for the loving life that mother and daughter have given their daughter since childhood. Sometimes, it is not important to be poor, but the family is harmonious and full of love.

"When Xinyue was born, the nurse took it out and said that she was the most beautiful child born that day." Pei Hua also said with a smile.

This makes Xu Xinyue sit by her mother's side, like a coquettish child.

"Well, it's more than four o'clock. Let's go to the hotel first." Pei Chenhao said.

Several drivers of the Pei family sent them to the hotel. Mrs. Pei took Xu Xinyue in a car with her. It was just that they could not see enough.

"Mom, are there many people tonight?"

"About a hundred guests. Don't worry. Mom and dad want to announce that you're back."

Xu Xinyue nodded, "yes." She's just a little nervous. She's the main character tonight. She hasn't been a leading role yet.

At the moment, Xu Zhai.

Xu An'an heard that Gu Chengxiao's family will attend, not to mention how happy they are, and her son will also be taken out. Under this circumstance, everyone will know that Gu Chengxiao's son is her child and the future successor of Gu's group.

Xu an's team has also helped her to dress up for the evening. Although she can't get the evening dress that she is most satisfied with, the evening dress on her body can also show her advantages. Her full upper body is a place for men to enjoy.

"Mom, let's start early! I want to meet Chengxiao Yimu soon. " Xu An'an Chaolin Jingya road.

Lin Jingya also wants to hurry over and chat with her parents. She calls the driver and asks him to prepare the car immediately.

Xu Taoyang is from his company, two mother and daughter on the car, Xu an is full of expectations.

"It's strange. Didn't Pei family just hold a charity party some time ago? Why do you have a private party so soon

"Mom, it's nothing strange. Pei's family is a well-known business family all over the country. I'm happy to see Chengxiao through this banquet." Said Xu.

"Of course, I'm also happy that the Pei family is really strong." Lin Jingya said with jealousy on her face.

Gu's group, Gu Chengxiao is still in the company, he also took his son.

The little guy is playing with the iPad, waiting for daddy to finish his work.

At this time, Gu Chengxiao's mobile phone rang, it was Huang Meifen who urged it.

"Chengxiao, are you finished? Don't be late for the party tonight

"Mom, you go first. I have some business here. I'll bring Yimu here later."

"Well, you should step up a little bit. I'll go first." Huang Meifen can't wait to talk to her old colleagues. "Daddy, we'll be late." The little guy looked up.

"I'll say hello, daddy has something important to deal with." Gu Chengxiao didn't think of it. Suddenly, there was a problem with a project, which delayed his time.

"Oh! Daddy, take your time! I'm not in a hurry. " The little guy thought that he could take advantage of his father's busy time to see the iPad more.

Gu Chengxiao saw through the little guy's heart and shook his head with a smile, "raise your head high."

The little guy immediately raised his head to see, for fear that Daddy would not give him what he looked like, like a villain.

In the banquet hall, Xu Xinyue is in the lounge on the second floor. Instead of introducing her immediately, Pei's husband and wife want to introduce their daughter solemnly after all the guests arrive.

At this time, the guests all arrive on time. Xu An'an comes to look for Gu Chengxiao, but she only sees her future mother-in-law Huang Meifen chatting with Mrs. Pei.

She came over with a smile and said, "Mrs. Pei, auntie."

"Ann, you are here." Huang Meifen happily held her hand, "Xiaoyue, Nuo, this is the mother of Yimu, An'an, whom I just mentioned."

"It's Miss Xu! Good, I just heard the story of you and Chengxiao! You are the one who can give birth to such a lovely child as Yimu Mrs. Pei said with a smile.

Xu an was surprised. It seems that the future mother-in-law has already admitted that she is a daughter-in-law. Otherwise, she would not mention it to everyone.

"Auntie, what about Chengxiao and Yimu? Have they not come yet? " Xu an asked.

"Chengxiao just called. He'll come in a few minutes, maybe a little later."

Xu an's face flashed with disappointment. She thought she could meet him earlier!

Chapter 1445

Sitting in the lounge on the second floor, Xu Xinyue is looking forward to seeing the guests for a while. At the same time, she can't help feeling a little nervous. What kind of guests will come?

At the moment, all the guests arrived on time. Tonight is a private banquet, with no commercial activities. The guests are more free and comfortable, chatting and chatting with familiar people.

There was a peaceful atmosphere in the banquet hall, but we were curious. What is the theme of the banquet held by Pei's family tonight? It's not like chatting about time! Everyone is looking forward to it and guessing about it.

Pei's family is covered with mystery, and there is no wind to show.

Xu an is sitting on the leisure sofa with a glass of red wine. She looks forward to the direction of the gate. She hopes Gu Chengxiao and her son can appear immediately. After tonight, everyone will know that Gu Chengxiao's son was born with her.

At the moment, from Gu's group towards the hotel, a black car came. A father and son sat in the back seat of the car. The little guy was sitting in the safety seat. His face was not in line with his age, as if full of thoughts.

Gu Chengxiao several times looked at the son this pair of small adult's expression, unable to control the corner of his mouth to rise, he asked, "son, what are you thinking?"

"I'm thinking of my beautiful sister, if only she hadn't gone abroad!" The little guy suddenly said something.

Gu Chengxiao is a little surprised. How can my son suddenly think of this woman again?

"Don't think about it. They have gone abroad." Gu Chengxiao calmly replied, of course, he can't let his son know that this woman is still in China, even in this city.

The little guy turned his head and asked curiously, "can I see her again?"

"No" Gu Chengxiao said very much.

The little guy puffed up his cheeks and felt unhappy, but he thought that when he grew up, he could still go to her! If only the beautiful sister had not been married at that time.

Gu Chengxiao thought that the people her mother had mentioned about Xu's family would also arrive tonight. Even if her son had taken her, someone would naturally ask who his son's mother was. If Xu An'an was there, his mother might introduce her generously.

This makes Gu Chengxiao a little big headed. He doesn't want his mother to publicize it, but he is not ready to live with Xu An'an. "Mr. Qiao, here we are." The bodyguard in front said that the car stopped smoothly at the lobby door of a hotel.

The security guard opens the back door for them. Gu Chengxiao takes the lead to step down. With his charming posture and dignity in the light, he reaches out and takes out a miniature version of himself.

The little guy took daddy's hand, did not participate in the party's excitement, calm like a small adult, no stage fright.

"There will be a lot of people in a moment. Don't run around and be polite." Gu Chengxiao reminds his son.

"I see. I won't disgrace you." The little guy said confidently.

Gu Chengxiao raised a smile from the corner of his mouth. He was worthy of being a son taught by himself. He was already a bit like him.

At the gate of the banquet hall, a pair of excellent and handsome father and son soon appeared, which made all the guests in the hall look sideways. Isn't this the president of Gu's group? And the fact that he had a son also shocked some people who didn't know it.

I didn't expect that Mr. Gu, who has a fortune of 100 billion, has a son. Is he married? Which woman is so lucky to marry him?

Xu an stood up excitedly and quickly put down his red wine cup to meet him.

"Chengxiao, Xiaomu, you are here."

Hong Meishan also smiles, looks at her late son and asks, "are you finished with your work?"

"Well! It's done. "

"The little shepherd should be hungry! Come on, grandma will take you to eat delicious food later
Hong Meishan bent down and picked up the little guy.

Xu an takes a look at Gu Yimu, but more of her eyes are on Gu Chengxiao. Gu Chengxiao finds out that her eyes are gloomy.

Xu an looked at his handsome face coldness, her smile also some stiff up, "Chengxiao, what's the matter with you?"

"You should care about the shepherd, not me." Gu Chengxiao coolly opens his mouth and crosses over from her side to the direction of Pei Hua's husband and wife.

Xu an slightly gaped. She turned her head and looked at Gu Yimu. Of course, she did not know that in Gu Chengxiao's heart, the son was the most important thing. If she wanted to live with him, the focus was on his son, not on him, and ignored his son.

Xu An'an has never been a mother. She doesn't know how much a man thinks about children, but she just shows her desire from the bottom of her heart, that is, all her eyes are on Gu Chengxiao.

"Chengxiao, you're here. I thought you couldn't catch up." Pei Hua reached out and patted him on the shoulder.

"Even if Chengxiao has come, let's start!" Mrs. Pei looked at her husband and said.

"Well, let's announce the banquet! But before the banquet begins, we should introduce a person solemnly. " Pei Hua Road.Gu Chengxiao's sword eyebrow slightly picks, curiously way, "did Uncle Pei invite an important guest tonight?"

"No, it's not a guest, but our daughter, who has been lost for many years, has been found and is to be introduced to you tonight." Pei Hua said excitedly.

Gu Chengxiao Jun Yan also flashed a surprise, sincere way, "congratulations on uncle and aunt."

Pei Hua and his wife smile at each other. Pei Hua steps onto the stage. He clears his throat, and the whole hall is quiet. Everyone looks at him.

Pei Hua looked at the arrival of all his closest relatives and friends, and he gave a happy smile, "thank you for your time to come to Pei's dinner party. I believe many people are speculating about the purpose of this dinner. Now, I can tell you that many friends know that I lost my little daughter more than 20 years ago, and we have been searching for it in these years Finally, God opened her eyes and pitied our husband and wife's pain of losing their daughter and gave us our lovely little daughter back

At this point, Pei Hua's eyes were moist and she tried to hold back tears. Listening to the thunderous applause from the audience,

Hong Meishan had just known the news, so she was not surprised. She reached out and hugged her good sister.

Xu Taoyang's husband and wife are also surprised. They are invited to his family, which shows that the Pei family thinks highly of them. He looks at everyone's blessing gratefully.

Mrs. Pei under the stage is also secretly wiping tears. It is difficult to express her mood at this moment.

Xu an was absent-minded in the crowd. She dressed up to attend. But Gu Chengxiao didn't even look at her. She couldn't guess what this man was thinking.

Pei Chenhao, who is on the second floor, looks at his father coming onto the stage. He smiles happily and turns to open the door of the rest room behind him. In the rest room, Xu Xinyue is accompanied by his aunt and grandmother.

"Xinyue, my father has already introduced you. Come on!" Pei Chenhao reached for her.

Chapter 1446

"Grandma, auntie, you go down together!" Xu Xinyue said.

"Xinyue, your grandmother and I are not suitable for this kind of occasion, you go down quickly! We'll come down later. " Shaogu said gently.

Xu Xinyue can see, also understand Xiaoyue and grandmother's idea, they just come to see her.

"Xinyue, the protagonist tonight is you, aunt Shao and grandma Xu. I'll ask my parents to invite them for a moment." Pei Chenhao said with a smile.

"Go! Xinyue, let's meet you tonight. " Shao Wu waves at her.

Xu Xinyue nodded. She stood up and put on the white evening dress. She put her hand on her big brother's arm. Pei Chenhao was handsome and charming tonight, dressed in a gray suit, mature and elegant. He and Xu Xinyue had some mutual respect. Pei's gene is very good, the girl is beautiful, and the boy is naturally handsome.

Under the stage, Pei Hua's voice came, "it's my honor to invite you all to gather here tonight, and welcome my little girl home. I hope you will take care of and take good care of her in the future."

Gu Chengxiao also heard his mother mention this matter. This is the pain of Pei family's elders all their life. Now, they can find their daughter and build a complete family. It is a great joy.

Xu an has no sense of expectation for this miss Pei. What she wants more is Gu Chengxiao's eyes. She quietly walks to Gu Chengxiao's side and stands side by side with him. At the moment, Gu Chengxiao is holding his son in his arms, and the little guy is looking forward to it.

"Next, I ask my son to lead my daughter down to meet you." When Pei Hua finished, he looked at a splendid Ivory staircase next to him. Under several crystal chandeliers, a pair of people went down arm in arm.

When they slowly step up and down the steps, the girl around Pei Chenhao becomes the attention of the whole audience. Only a lot of breathing sounds are heard. It turns out that the Miss Pei has just found is as beautiful as a princess!

I saw that girl, a gorgeous white evening dress, holding the princess's hair, a porcelain white goose egg face, like a picture of the stars falling into the earth, beautiful people sigh, amazing.

"Beautiful sister." A young surprise voice big exhaled sound, Gu Yimu eyes sharp see clearly, excited small mouth are open, like a little flower crazy like looking at the girl downstairs.

"How could it be? How could it be her? " Xu an murmured in shock. Her eyes were full of shock, jealousy, and even couldn't believe it. She couldn't accept that Pei's daughter, who had been exiled from abroad, could be Xu Xinyue.

This must be a mistake. How could Xu Xinyue be the daughter of Pei family? Pei family must have been cheated by her.

But she did not find that the man around her fixed eyes on the girl downstairs, pupil tightening, like an earthquake occurred in his pupil.

And his heart is set off a wave, Gu Chengxiao how also did not expect, Pei's daughter unexpectedly is her?

"That dress..." When Xu Xinyue stepped down, she was fascinated by the soft light in her eyes. It was the diamond on Xu Xinyue's evening dress, which gave out moonlight like halo, covering her, making her skin as pure as snow.

Xu an's heart jerked. Jealousy made her look ferocious. Her beautiful face was twisted. The hostess of the evening dress she saw was Xu Xinyue?

How? Xu an clenched her lips and looked at her mother, but Lin Jingya was in the same mood as her. She couldn't believe it.

Xu Taoyang's eyes are much deeper. It turns out that the children brought back by the elder brother and sister-in-law when they went abroad were not their own, but they picked them up?

And so coincidentally, is Pei's lost daughter? That is to say, the Pei family dare to recognize her. It must have been verified by DNA. It turns out that this is the reason why the Pei family invited them to attend, not because they valued them, but because Xu Xinyue.

Xu an in jealousy and envy, she finally know to pay attention to the expression of the man around her, this look, she is about to mad.

Because the father and son's eyes are all on Xu Xinyue. Gu Chengxiao has not looked at her directly since she appeared. However, he has been looking at Xu Xinyue for a long time without blinking. The surprise of Gu Yimu's eyes seems to be stronger than that of her mother.

Does he like Xu Xinyue? No, no, Gu Chengxiao is her and her son is her. She screams madly in the bottom of her heart.

"Daddy, you lied to me, didn't you! Pretty sister didn't go abroad at all. " Finally, the little guy's reaction came.

"Who said that? She said it herself. She was in China only because she was the daughter of grandfather Pei who was invited back." Gu Chengxiao is not willing to admit cheating his son.

"Daddy, beautiful sister is so beautiful!" I'm young. I'm very aesthetic.

Although Gu Chengxiao admits that Xu Xinyue is beautiful, what does it have to do with him? This woman used to be two foreign men at night, which he will never forget.

So, even if she looks pure, she can't erase the fact that she used to go to a hotel with a man.

Women are the best liars. In the future, he will teach his son to understand this truth. Xu Xinyue in all the eyes, she tried to maintain a graceful and dignified smile, but when her eyes hit a pair of eyes, she almost stepped on a wrong step, fortunately, the big brother around her tightly held her.

Xu Xinyue's heart shocked several, how to Gu Chengxiao also in? But when she saw clearly that he was still holding the little guy in his arms, Xu Xinyue's mouth curved with a smile. She dropped her eyes and gently lifted her dress. When she looked up at this man, she looked down and laughed, which almost made all the young men in the scene fall.

Even Gu Chengxiao was no exception. He coughed slightly and looked away.

Xu An'an is like being punctured, and witnessing the beauty of Xu Xinyue here, his heart is just like being pinched tightly by a big hand.

Xu Xinyue just nervous heart, when seeing that pair of father and son, more nervous a few minutes.

"Pretty sister." A childish voice cried out with joy.

Xu Xinyue looks at the little guy with a sweet smile and waves at him.

The little guy is very happy, and Xu An'an looks at the interaction between her son and Xu Xinyue. She is the real mother of her son. What is Xu Xinyue?

"This is the little girl. Her name is Xinyue. "Pei Hua's face fondly introduced.

"How beautiful! "

" yes! Pei's genes are good. When Mrs. Pei was young, she was also a great beauty! "

" no! How many rich men have broken through the door. "

" I don't know if my eldest brother's family has a chance to marry Pei's family. "

"I still want to be a matchmaker for my son."

These sounds made a man feel harsh, his eyes fixed on the two ladies, eyes squint, as if unhappy.

Chapter 1447

Xu Xinyue, introduced by her parents, nods to these guests and praises her all the time, which makes her a little embarrassed.

"Xinyue, I didn't expect you were the daughter of brother Pei. It's fate!" Xu Taoyang immediately took the initiative to meet and speak.

"Uncle." Xu Xinyue called to Xu Taoyang. Facing this uncle who has not been seen for a long time, Xu Xinyue is also very strange.

"As soon as my elder brother goes, we are all very concerned about Xinyue. I treat her as if I have already done so!" Xu Taoyang said hypocritically.

"Yes! Xinyue is a member of the Xu family. Of course, we have to take care of it in many ways. " Lin Jingya also answers from the side, eyes full of gentle smile, a change of the usual color.

Xu Xinyue's heart was shocked, but it was not good to refute their husband and wife in front of their parents. Her uncle ignored her, and her aunt humiliated her last time at her grandmother's house. She kept all these in mind because they not only disputed her, but also scolded her grandmother and aunt.

"Thank you, brother Taoyang. Thank you for your care for Xinyue these years." Pei Hua and his wife are grateful.

"Where, where, Xinyue grew up in our Xu family, of course, is also our Xu family's people, in the future we can walk around more!" Xu Taoyang does not forget to pull the strings.

"Certainly." Pei Hua nodded and did not dare to forget the kindness of the Xu family.

Xu Xinyue's heart is like a stone. Some of her heart is blocked. However, due to the face of her parents, she is not good at exposing these old things in public. She has a smile on her face. Fortunately, her parents took her to talk with another couple.

Lin Jingya's eyes behind her jealously stare at her back. Xu Xinyue turns into a miss of Pei family. She knows how she has treated her.

In the future, I don't know whether Xu Xinyue will take advantage of the opportunity to retaliate. Therefore, she still needs to do a good job in surface work.

At this time, Xu An'an suddenly took her arm and whispered to her, "Mom, look at Chengxiao's eyes. Is he interested in Xu Xinyue?"

With her daughter's eyes, Lin Jingya finds that Gu Chengxiao, who is chatting with others, drinks with one hand in his hand. However, her deep eyes wander, and finally fall on Xu Xinyue. Lin Jingya's heart is shocked, which is not a good thing.

Besides, tonight's Xu Xinyue is beautiful and moving. All the young men present are attracted to her. She doesn't care about the young master's heart, but Gu Chengxiao can't. He is the man his daughter loves.

"An'an, hold Xiaomu and talk to him. Don't let him always be attracted by Xu Xinyue." Lin Jingya whispered.

Xu an thought of her son. She looked up to Gu Yimu and found him sitting on the sofa opposite. Hong Meishan and several aunts were talking around him. Xu An'an quickly raised a smile and walked over.

"Xiaomu, mummy wants to talk to you." Xu an squatted down with a smile and said hello to Hong Meishan, "Auntie, can I take Xiaomu to Chengxiao?"

Hong Meishan nodded with a smile, "of course, go ahead."

At this time, the next lady asked curiously, "this is?"

"I am Yimu's mother." Xu an replied very proud.

"It's like a star! I've seen your film. It's very good. "

"Yes, her name is Xu An'an. She is Yimu's own mother."

"Then why are they not married yet?" Another lady asked curiously, naturally referring to Gu Chengxiao and Xu An'an.

For this, Hong Meishan did not hide, "they are still in contact, if one day set a date, will invite you."

Xu an's heart can't help but bloom. Sure enough, her son is her trump card. No matter how beautiful Xu Xinyue is tonight, she can't stop her identity as a daughter-in-law.

"Xiaomu, shall we talk to your father?" Xu asked with a smile.

Who knows the little guy is not in the state at all, because his eyes and his father's eyes are the same, follow Xu Xinyue turn! Holding a bottle of milk in his hand, he stared at Xu Xinyue's figure like a little flower maniac.

Xu an looked along the direction of his son's gaze, and his chest suddenly burst out. The man his son was staring at was Xu Xinyue.

"Xiao Mu, look at Mommy." Xu an some overbearing hand to block his line of sight, not allow him to see.

Gu Yimu found Xu an beside him. He blinked his big black eyes and asked politely and strangely, "aunt Xu, what's the matter?"

"Xiao Mu, would you like to go with me to your father's side?" Xu an asked with a smile.

"Sorry, aunt Xu. I'm going to say hello to sister Xinyue." Gu Yimu said, small body immediately rushed out of their middle, toward Xu Xinyue run.

Hong Meishan was also stunned and said to Xu An'an, "An'an, don't be angry. Maybe it's that Xiaomu and you still have some strangeness. It's better to get along with each other more in the future."

"Well, I won't be angry." Xu an suppressed his inner feelings and pretended to be generous.

At the moment, Xu Xinyue is introducing her husband and wife. Suddenly, there is a pendant on her leg. She lowers her head and looks at the little guy holding her thigh. She bends up a smile and reaches out to pick him up. The five-year-old is still a little heavy."Sister Xinyue, you didn't go abroad! I thought you were gone! I miss you so much. " The little guy expresses his missing feelings.

Xu Xinyue was stunned, busy circle this flustered, "yes, I originally planned to go abroad, but before I left, I found my father and mother, so I don't intend to leave for the moment."

"Are you not going Gu Yimu asked in surprise.

Xu Xinyue thought of what she promised Gu Chengxiao last time. She had to cheat the little guy to go abroad. But now, she really doesn't want to cheat. She thinks about it and nods and smiles, "yes, I won't go. I will stay in China and develop."

"Yes The little guy cheered and raised his short arm.

Not far away, a man's eyes are fixed on the woman interacting with his son. Looking at his son's excited look, he probably guessed what they were talking about.

Xu An'an stood not far away, staring at Xu Xinyue with resentment on her face. It seemed that it was time for her to warn her. No matter whose daughter she was, she was not allowed to rob her son and man.

Hong Meishan saw through Xu an's mind. In order not to let her think more, she used to hold Gu Yimu, who was entangled with Xu Xinyue, and said with a light smile, "Xiao Mu, how beautiful the skirt of sister Xinyue is! Don't make it dirty

When the little guy heard this, he quickly went back to his grandmother's arms. Xu Xinyue said with a smile, "it's OK. Yimu is very good."

At this time, Xu an an came over with a smile on her face, took Xu Xinyue and said, "Xinyue, go, I have a few words to say to you."

Xu Xinyue felt that Xu an forced her to walk toward the balcony direction, she had to follow her past.

Balcony direction very few people, even if there are guests, see them come in, all smile away, give them convenience.

"What can I do for you?" Xu Xinyue opened Xu an's palm and asked.

Chapter 1448

"Xu Xinyue, listen to me. I don't care whose daughter you are. You'd better stay away from Gu Chengxiao." Xu an changed his face directly, full of warning.

Xu Xinyue's eyes clear and firm looking at her, "I want to leave who far away, do not need you to remind me, you have no qualification to remind me, you still have to take care of yourself!"

Xu Xinyue's eyes have told Xu An'an that she is no longer that weak and easy to deceive.

"You..." Xu an choked. As expected, Xu Xinyue was hard tempered with the support of Pei family.

"Aren't you afraid I'll tell you about my surrogacy? When the time comes, how can you, Miss Pei, get married? Who dares to marry you Xu an immediately threatened.

Xu Xinyue didn't expect that she would be so vicious that she even uncovered her past. Even her aunt and grandmother were hiding this matter. If her parents knew, they would love her once.

"Well, I won't be close to Gu Chengxiao. You can rest assured." Xu Xinyue said lightly, "if you dare to expose my past, you should also think about the consequences. Can you offend the whole Pei family?"

Xu an's heart was really scared, but she still snorted, "you'd better do what you say and stay away from my Chengxiao."

Xu Xinyue did not speak, but turned around, but when walking into the bright hall, the light sprinkled into her eyes, seemed to have a trace of trance. She sighed softly, and she did not know why, but felt a little uncomfortable in the bottom of her heart.

What it was, she had not yet figured out.

But Xu an, who was behind her, looked at her back with resentment. It seems that there is only one way to overcome Xu Xinyue's popularity in the future. That is to marry into Gu's family and become Gu Chengxiao's wife. At that time, Xu Xinyue is the daughter of the Pei family, and the Gu family will also be higher.

Xu Xinyue stood under the crystal lamp. She looked up and couldn't help looking for the figure of the man. Under the light, he and several male guests stood there, tall and elegant, which made women yearn for perfection.

Xu Xinyue flustered drooping eyes, what is she thinking?

"Come on, Xinyue. There are still a few guests who have not been introduced!" Mrs. Pei came to hold her, and her husband took her, and went to the gang where Gu Chengxiao was.

Xu Xinyue's heart beat could not help but accelerate. When her brain was blank, she had already stood beside Gu Chengxiao. Gu Chengxiao turned around and her deep eyes fell on her face. Xu Xinyue was in a panic and could only cover her heart with a slightly strange and alienated look.

"Chengxiao, this is our daughter Xinyue. Get to know her." Pei Hua warmly introduced.

Xu Xinyue felt a sharp look swept over her. She bit her lower lip, and on top of her head, a polite male voice said hello to her.

"Hello, Miss Pei."

Simple and clear sound line.

Xu Xinyue looked up and touched a pair of deep and complicated eyes. She nodded, "Hello, Mr. Gu."

Pei Hua a Zheng, "Xinyue, do you know Chengxiao?"

"Only in magazines." Xu Xinyue said flustered.

"Miss Xu's memory is not very good! We saw each other not long ago. " Gu Chengxiao exposes her lies.

Xu Xinyue immediately blushed and coughed, "is that right? I forgot. "

Pei Hua laughs. Mrs. Pei is a dark pity. Gu Chengxiao is the best young man she has ever met. If her daughter can marry him, it would be wonderful! It's a pity that they have no predestination. Chengxiao even has a son, and his mother is Xu An'an. They are cousins!

At this time, several guests came to discuss with Pei Hua and his wife. There were only two people left by the pillar, face to face. Gu Chengxiao was staring at the girl with a beautiful face under the light, and his mind was complicated.

"Isn't Miss Xu going abroad?" Gu Chengxiao squints and asks.

Xu Xinyue nodded, "yes, I stay in China to develop. Mr. Gu won't mind!"

Gu Chengxiao originally wanted to cheat his son, but his son can't cheat him. What else can he care about? He just wanted his son to stop pestering her.

At this time, there was a lady dressed up in jewels and came over, holding Xu Xinyue warmly and asking, "Xinyue, aunt, tell you something, do you have a boyfriend?"

Xu Xinyue was suddenly asked this, nothing in mind to prepare, she directly replied, "I don't have a boyfriend yet."

"That's great. I have a nephew who is very good and has a good family background. Do you have time some other day and I'd like to introduce you?" This lady is very interested. It's a great pleasure to be able to get married with Pei family!

"Well I... " Xu Xinyue is in trouble. She doesn't want to offend this lady, but she doesn't know how to refuse.

One side of a man to see all this in the eyes, heart some chagrin, this woman does not know how to refuse?

"Xinyue, give our nephew a chance! He didn't come today. If he comes, he will like you at a glance."
"

" Auntie, I... "

"Auntie, sister Xinyue has a boyfriend. "Suddenly, a young voice came loud. The aunt looked down and a handsome little boy was talking with his head up.

"To pasture?" Xu Xinyue was also shocked.

"Sister Xinyue, don't you like the person I introduced to you?" Asked the little fellow aloud.

"I..."

Xu Xinyue didn't know how to answer, so she saw the little guy winking at her, obviously helping her out of trouble. Xu Xinyue said with a smile, "yes, I like the brother you introduced last time." With that, she said to the lady, "I'm sorry, aunt. I have someone I like."

On hearing this, the lady was a little disappointed, but she could not force her. She nodded and said, "well, I can only regret for my nephew."

As soon as the lady left, the little guy giggled and said, "sister Xinyue, it would be nice if you said that you like my father next time. Other people would not dare to introduce other men to you. How easy it is! "

Xu Xinyue's face turned red because Gu Chengxiao was right behind her! He must have seen it all!

"Yimu, don't talk nonsense. "Xu Xinyue squatted down and hissed at him.

"Daddy, why don't you help Xinyue sister? Can she bear to see her married by another man?" The little guy is a little annoyed and asks his father.

Gu Chengxiao leaned down and fished out the little guy, "no one will treat you as dumb if you don't speak. Speak less. "

the little guy immediately grabbed his head and didn't dare to talk nonsense. Xu Xinyue helped him to speak," Mr. Gu, don't scold Yimu. He doesn't understand anything. His words are just for fun. "

GU Chengxiao narrowed his eyes and said," if my son says anything, Miss Xu should not put it in his heart. "

"I won't take it to heart." Xu Xinyue curled her lips and laughed, indicating that she didn't want to.

But a man's face is not very good-looking, toward the son deep training way, "still dare to say nonsense?"

The little guy flattened his mouth, "but I just want to be happy with my sister and Dad! "

although the voice was small, a man and a woman nearby heard it. In a moment, two people looked at each other, and their eyes crossed, as if there was a light and fire collision. One looked flustered and the other frowned and pondered.

Chapter 1449

Xu Xinyue came back to her parents. She felt a little lost in her heart. She didn't know where she came from. At this time, a good male voice came from behind.

"Uncle and aunt, congratulations on finding Xinyue sister."

When Pei Hua and his wife turned around, they saw a young man standing behind him. He was only twenty-seven years old. He was already the boss of a listed company. With his own strength, he was young and promising.

"Junqin, why didn't you see you just now?" Pei Hua asked in surprise.

"I just arrived, and I heard the good news that you found your sister." Lin Junqin's eyes, deep look to the side of Xu Xinyue, blink a few times, some can not move away.

Xu Xinyue was seen by him a little shyly and hung his head. Pei Hua on one side hastily and excitedly introduced, "Xinyue, this is my good friend's son. When your mother and I saw the older child since childhood, you can call him Junqin brother!"

"Hello, brother Junqin." Xu Xinyue said hello with ease.

"I have pictures of you when you were a child! I didn't expect you to be a big girl in a twinkling. " Lin Junqin said with a smile.

At this time, Mrs. Lin came forward with a smile and said, "Xiaoyue, do you still remember? When you were happy, I went to drink the full moon wine with Junqin in my arms. Two little guys put them on the same bed and took several pictures

"Yes, of course. Junqin wanted to go to Xinyue at that time."

At this time, Pei Hua said, "Xinyue, Junqin has just arrived. Take him to the buffet to have something to eat. You two young people have a good chat."

Xu Xinyue nodded, "OK!"

Lin Junqin also nodded with pleasure. He looked at the girl beside him with a gentle smile, and the two walked towards the cafeteria together.

Pei Hua and Mrs. Lin looked at their backs. Mrs. Lin sighed, "it's a perfect match! Xiaoyue, would Xinyue like to come to our house

Mrs. Lin couldn't help but want to book a daughter-in-law. Pei Hua and his wife looked at each other and said, "we can't do this. Let's have a look at Xinyue! If she likes Junqin, we'd love to see it

Mrs. Lin is also very happy, she hopes her son can refuel, can bring back to her this generous daughter-in-law.

Just as they were talking, there was a man with a very complicated look. Gu Chengxiao originally wanted to come over and toast, but he didn't know that he heard this. His eyes were fixed on a pair of people heading for the cafeteria. They were a perfect match.

"Uncle, auntie, I'd like to propose a toast to you." Gu Chengxiao raises a glass to Pei Hua and his wife.

"Chengxiao, I heard that the young lady of the Xu family is Yimu's mother. When are you going to have a wedding reception! Don't forget to invite us. " Pei Hua asked with a smile.

Gu Chengxiao's face was slightly stiff. He said with a smile, "Miss Xu and I are just friends."

"But I listen to your mother's meaning, hope you and Miss Xu married, give the child a complete family, this is conducive to the growth of the child. "Said Mrs. Pei.

Gu Chengxiao still said with a smile, "at present, I live well with Xiaomu. Thank you for your attention."

At this time, Mrs. Lin just reached out and patted Mrs. Pei on the shoulder. "Xiaoyue, I have something to go first. I'll leave Junqin here with Xinyue, and I'll be home together tomorrow evening."

"Well, see you tomorrow." Mrs. Pei finished and warmly sent her to the door. The two ladies chatted while walking, but they were very warm.

Gu Chengxiao took a look at the little guy around his mother, who was surrounded by several aunts and thought, will he be hungry? Would you like to have something to eat?

"How beautiful! Your family gene is very good. Look at this little face, he must be a handsome man in the future

"Like his father, his father was very beautiful and handsome when he was a child."

Looking at her grandson being praised, Hong Mei Shan is very proud and happy in her heart. She is only pitiful for the little guy. He has been pinched for several times, but he is not angry. She is so cooperative that these aunts appreciate her.

"Mom, I'll take Xiao Mu to eat something." Gu Chengxiao said.

"Daddy." The little guy saw Daddy as if he was seeing a savior, and quickly hugged his thigh, "Daddy, I want to eat."

"Well, let's go! Daddy will take you" Gu Chengxiao reached out and held his son in the direction of the cafeteria, but he knew whether his son was hungry or not. He just wanted to find an excuse to go to the cafeteria.

"Daddy, am I like you when you were a child?" The little guy asked curiously.

"Like." Gu Chengxiao nodded. His son was like him.

"Who else am I like besides you?" The little guy couldn't help asking.

Qiao Muning's mind immediately filled with a sweet face, the son's eyebrows are very much like that woman, but she clearly and son have no blood relationship, even if there is, it is beyond three generations.

"You're just like me." Gu Chengxiao said in a low voice. As soon as he entered the cafeteria, he saw a pair of men and women dining in front of the French windows not far away. The two people talked happily, as if there were endless topics to talk about. The little guy saw it and quickly pointed out, "Daddy, you can see that Xinyue sister is here too!"

"Well!" Gu Chengxiao should say something.

"She's talking to Uncle Bide! Is that uncle her boyfriend" The little guy asked with a worried face.

"I don't know." Gu Chengxiao looked away from the couple.

"Daddy, let me down." The little guy struggled, Gu Chengxiao reached out to put him down, the next second, the little guy went straight to Xu Xinyue's direction.

"Xiaomu." Gu Chengxiao low call a, but still can't stop the small figure of the son galloping, Xu Xinyue saw the little guy, immediately happy to greet him in the past!

The little guy sat by Xu Xinyue's side, as if she were a child.

"Sister Xinyue, I'm hungry, can I eat with you?" Gu Yimu asked politely.

"Of course you can." Xu Xinyue smiles and nods, and at the same time looks up at the tall and straight figure not far away, thinking, he won't mind!

"Children, whose children are you?" Lin Junqin asked curiously.

"My name is Gu Yimu." The little guy introduced himself, and at the same time, he also looked at his uncle, thinking, Daddy met a strong enemy! This uncle is also very handsome.

"He is Gu Chengxiao's child." Xu Xinyue explained.

"Oh! It's family oriented. " Lin Junqin looked at the little guy interestingly, "I know your father."

"Sister Xinyue, I'm hungry. I want to eat this." The little guy points out a cake.

Xu Xinyue personally stretched out a spoon to feed him. The little guy ate happily. Then, he raised a small eyebrow toward his father, as if to show off his treatment.

Little guy's mouth stained with some cream, Xu Xinyue quickly take paper to him gently wipe.

Gu Chengxiao is on another table. He is facing his son and Xu Xinyue. Looking at the gentle and careful woman, his heart suddenly moves, as if the son and her are together, just like a mother and son.

Chapter 1450

Gu Chengxiao looks at the opposite table. Suddenly, he is unhappy. Maybe his son is sitting next to Xu Xinyue, and Lin Junqin and Xu Xinyue are laughing and joking. This picture makes people think that they are three members of a family.

But his son even forgot his father, sitting there eating very happy, Xu Xinyue from time to time to give him food, take care of very thoughtful.

Gu Chengxiao is faced with the delicious food in front of him. He leans on the chair lazily, his eyes narrow and his expression indifferently stares at the table in front of the window.

When Xu Xinyue finished feeding the little guy, she felt that she was staring at her. She looked up and Gu Chengxiao was staring at this side on the table five or six meters away from her. Her pretty face turned red. Did he feel that he had robbed his son?

"Yimu, you see your father eating there alone. Do you want to accompany him?" Xu Xinyue can't bear to see Gu Chengxiao alone.

Gu Yimu raised his small face and asked, "sister Xinyue, would you like to accompany my father? He is very poor on his own

Xu Xinyue's face was embarrassed for a moment, and Lin Junqin on the opposite side also looked over, and was a little stunned.

"I'll chat with Uncle Lin. you can go." Xu Xinyue said to him.

However, at this time, there was a figure sitting opposite Gu Chengxiao. It was Xu an who came to visit. She did not expect Gu Chengxiao to eat alone here, which was a good opportunity for her to get close to him.

"Chengxiao, why are you alone! I'll be with you. " Xu an sat down shyly and asked, "where is the animal husbandry?"

Gu Chengxiao didn't answer her. Instead, he chuckled his lips and said, "OK! I happen to be bored by myself. "

Xu an's eyes immediately filled with happiness. It's rare for Gu Chengxiao to take the initiative to invite her to do something. She got up quickly and said, "I'll get something to eat."

When Xu an takes things from the pastry area, Xu Xinyue also knows that Xu An'an is coming. She gently looks at Yimu and says, "Yimu, do you want to go to your father's place?"

"I want to be with you." Gu Yimu shook his head.

At this time, Xu an turned around. She saw Gu Yimu with sharp eyes, but he sat in Xu Xinyue's position. Her heart immediately filled with anger. Why did her son sit beside Xu Xinyue.

Xu an came directly with the plate. She pressed down her anger and pretended to smile, "Yimu, come, have dinner with mommy and daddy."

"I eat with sister Xinyue." Although Gu Yimu didn't recognize her, he still showed great respect and courtesy to her.

"Yimu, you are not good! You don't listen to Mommy?" Xu an's expression immediately became a little angry.

When Xu An'an tried to force Gu Yimu up, a deep male voice said, "let Yimu be here! We'll just eat."

Gu Chengxiao doesn't know when she is behind her. Xu An'an is still unhappy. She stares at Xu Xinyue, as if she is directing her son to disown her.

Xu Xinyue raised her eyes, inadvertently and Gu Chengxiao's eyes collided with each other. She looked at each other for a few seconds, and she hung her head in confusion.

"Ah..." Xu an made a tender voice and pretended not to move steadily. He leaned on Gu Chengxiao's side directly. Gu Chengxiao's hand naturally hugged her, so as not to fall down and make a fool of herself.

Even though she is now the mother of her son's identity, Xu Xinyue's eyes raised, looking at Gu Chengxiao's strong arm holding Xu an, there was a trace of tension in the heart, which made her feel a little uncomfortable.

Xu an didn't expect Gu Chengxiao to take the initiative to hold her. She leaned in his arms and helped him to her position.

"Yimu, go and see your mother!" Xu Xinyue said to the little guy beside him.

Gu Yimu got up obediently and went to Xu An'an's table. Xu An'an just sat down and watched the little guy come. She was stunned. She didn't know why she wanted the little guy to be there for Xu Xinyue and not to disturb her and Gu Chengxiao's world.

Although Cheng xiao'an is only interested in her son in the future, she can't rely on her to grow up.

"Yimu, why are you back? Do you want to go to grandma?" Xu An'an immediately wanted to persuade him to leave.

But do not know opposite Gu Chengxiao's face a heavy, he saw through Xu an's mind, he reached out to his son and said, "to mu, come to me."

The little guy sat down beside his father, Gu Chengxiao put a bowl of porridge in front of him, "drink porridge."

The little guy sat drinking porridge obediently, and Xu an, who was opposite, said in a coquettish voice, "Chengxiao, my foot sprained for a while, and it hurt a little."

"I'll have you sent to the hospital." Gu Chengxiao's eyes are cold and sharp.

"No, no, I'll just have a rest. There's no need to go to the hospital." Xu an quickly waved her hand, but she pretended. How could she waste such a good time?

In front of the window, Xu xinyuexin ate the food on the plate. She raised her eyes and looked at a family of three on the opposite table. Her heart filled with envy. She envied that Xu An'an had been selected by the family and had such a lovely son with Gu Chengxiao. And this child, or she was born, in fact, a lot of times, she looked at Gu Yimu as if she were looking at her own child, kind and loving.

She wants to connect with the little guy, as long as she knows that he grows up safely and healthily.

"Xinyue Xinyue... "

The call from the other side made her recover. She looked at Lin Junqin and said, "Er, what are you talking about?"

Lin Junqin asked with a curious smile, "what are you thinking? I've called you a few times for being so absorbed. "

"Well, nothing. I'm sorry." Xu Xinyue looks at him with some apologies.

"It's OK. There's a dance tonight. I don't know if I'm lucky enough to dance the first dance with you." Lin Junqin looked forward.

Xu Xinyue blinked, "I don't know how to jump."

"It's OK. I can teach you."

"Can we talk about it later? I'll go to the bathroom. " Xu Xinyue got up and said.

"Good!" Lin Junqin nods. He is still looking forward to the first dance for a while. Xu Xinyue will invite him.

Xu Xinyue goes to the bathroom. Tonight she is the main character. Many guests greet her along the way. Although she doesn't know her, she responds with a smile and politeness.

Xu Xinyue came out of the bathroom. She was immersed in her own mind. At a corner, she bumped into someone without prevention. The man was very tall. Her face was so straight into his chest.

She covered her nose and stepped back. "I'm sorry, I'm sorry..."

"It hurts?" There was a deep male voice over his head.

Xu Xinyue suddenly raised his head, Gu Chengxiao squinted at her, white fiber if white, bright, straight nose some red, she quickly shook her head, "No."
