

U. CEO Daddy 1451

Chapter 1451

Gu Chengxiao stares at her face, some light way, "congratulations."

Thank you Xu Xinyue is at a loss. She doesn't know why. She always feels uncomfortable in front of him.

"Do you like master Lin?" Gu Chengxiao suddenly asked.

"Eh?" Xu Xinyue suddenly looked up, what did the man say?

"He has a good family background, and he is a good match for you." Gu Chengxiao's tone is not clear.

Xu Xinyue blinked. She quickly responded. She waved her hand, "you misunderstood me. Master Lin and I are just friends. It's not what you think. We are just friends. Really."

"You don't have to explain it to me so clearly." Gu Chengxiao said, from her side across, toward the direction of the men's toilet.

Xu Xinyue's face was stiff, and she stood there, right! Why does she have to explain this to him in such a panic?

People don't want to know, OK! Xu Xinyue sighed, but he didn't know that his back was facing her. He turned his face slightly, and the corner of his mouth seemed to have a smile.

Xu Xinyue puffed out her cheeks. She suddenly thought that she had been entertaining for so long, but she forgot that her grandmother and aunt were upstairs. She was so damned that she quickly went up the second floor from a nearby staircase.

In the box on the second floor, the old lady ate and drank very well, and she had a good appetite. Shaogu accompanied her and ate the delicacies that were difficult to eat. Both of them were very happy.

"Xinyue, have you eaten? Come on, your parents treat us The old lady said.

Xu Xinyue sat beside them, "I'm starving!"

The old lady happily brought vegetables to the bowl for her. Shao Gu asked curiously, "Xinyue, I saw a lot of young talents on the second floor just now. Do you have any eyes?"

Xu Xinyue's pretty face turned red and shook her head, "no!"

"None? I see a lot of good-looking young men. You are not too young. You can consider it. "

"Yes, don't be too choosy. Even if you have a good family background, you can't find a good one in the end. Don't study like your aunt." Said the old lady.

Xu Xinyue took a look at her aunt, for fear that she would be sensitive. Shaogu laughed, "Mom, I'm not as beautiful as Xinyue. I'm not chased by anyone. With Xinyue's appearance, she can choose a lot of her in the future."

Xu Xinyue said with a smile, "I don't have this idea for the moment." While talking, I don't know why Gu Chengxiao's face flooded into her mind. She shook her head and thought that no one could miss him!

Unexpectedly, this man is also very hateful. He and Xu An'an are going to be together. Last time, he took advantage of her in the wardrobe. How could there be such a jerk?

I wish he wouldn't pass on the bad habit to his son. It's not a good example.

After a while, Pei Hua and his wife pushed the door in and looked at her here. Pei Fu said, "I'm still looking for you! Xinyue, it's time for the dance. We have a special arrangement and we need your approval. "

"What's the arrangement?" Xu Xinyue asked curiously.

"Many young people were present this time. Your father and I thought that no one was good for your first dance. They were all relatives and friends. So we decided to draw lots. Do you agree?"

"Do you have to jump?" said Xu Xinyue

"It's the custom of our dinner party. You're the lady of our family. We didn't provide you with an 18-year-old birthday party, so we decided to hold it tonight according to your adult dance. This first dance is a must." Mrs. Pei said very seriously.

Xu Xinyue thought of Lin Junqin mentioning to choose him, but she didn't want to choose, that is, she had to jump, so it was the same with other people! And, inexplicably, she didn't want to be misunderstood by someone.

Just explained that!

"Well! Then draw lots! Anyone will do." Xu Xinyue nodded, which seemed more fun.

"Your father and your brother will put them in the sign for you." Mrs. Pei said happily.

"Good!" Xu Xinyue is also eager to get her father and big brother!

"Let's go down and announce the news. You'll be down in a minute." Pei Hua said.

"Well, good." Xu Xinyue nodded and thought of the lottery. Would all the young single men present draw lots? Then Gu Chengxiao must not be in the range!

As it happens, Xu An'an is here, and she doesn't want to cause misunderstanding.

Downstairs, Pei Hua announced the news directly on the stage, which made the single men present eager to have a try, hoping to have a chance to dance the first dance with Miss Pei.

Lin chin is very happy to hear that he has no arrangement.

Gu Yimu, who was standing beside Huang Meifen, had a bright look in his eyes and asked his grandmother curiously, "grandma, does my father have a chance?"

"Of course your father has no chance! Your father is not single again Huang Meifen said.

"But daddy is not married! Why not give him a chance The little guy said with some displeasure."What? Do you still want your dad to win? " Huang Meifen asked in a funny way.

"Of course, I hope daddy has a chance to dance with sister Xinyue." After that, the little guy thought that Pei Hua was making a note for drawing lots. He thought that Daddy must participate.

The little guy immediately looked around and saw Pei Hua talking to a manager like man. He immediately got up and ran over. Huang Meifen couldn't stop calling.

The little guy walked up to Pei Hua and looked up and said, "Grandpa Pei, can you let my dad join us! He's also a guest, and he's single

Pei Hua can't help laughing, but this cute little guy said that, of course, he would agree to his request. Besides, he was just trying to be happy, and he might not be able to take care of Chengxiao.

"Good! That grandfather wrote in your father's name Pei Hua looks at this little guy, inexplicably feel kind, just like seeing his future grandson.

"Thank you, Grandpa. Don't forget it!" I don't forget to tell you.

"Good. "Pei Hua finished and said to the manager," add another name to it. "

"Good!" The manager immediately told him to write a name and put it in the box for grabbing.

Huang Meifen looked at her grandson and asked curiously, "what do you say to Grandpa Pei?"

"I said let him add daddy's name." The little one is direct.

"That's not very good." Huang Meifen murmured.

"Granny, there's nothing bad about it. Maybe daddy wants it too!" Said the little fellow.

"No! He's not with Ann..." After Huang Meifen finished, she looked up at her son chatting among a group of men, while Xu an came back to her mother and looked at her son bitterly. They were not as intimate as she imagined!

Chapter 1452

Hong Meishan thought for a moment that she chose Xu An'an when her son was in a coma. It is reasonable that her son has no feelings for her. Even if her son wants to live with her in the future, it is also because she has a common son.

She sighed, so, will not let her son miss the happiness of his life? If only for the sake of his son to get married, it would be difficult for him.

Hong Meishan thinks that she is wishful thinking. Xu An'an's conditions are not bad. She thinks that her son will like her, but feelings depend on her feelings.

Gu Chengxiao's eyes wandered around every corner from time to time. He didn't see the figure of today's protagonist Xu Xinyue. He also knew about the draw. So any single man present would have a chance to dance the first dance with this woman.

Qiao Mu Ning is absent-minded to listen to the chat of the elders around him. He must not be in what Pei Hua said just now.

"I wish I could be drawn. How happy I would be if I could dance with Miss Pei." After that, several young men got together to have fun and chat.

"Maybe it's me. Fortunately, I went to school last time. I must be very good at dancing."

"We all have a chance. Miss Pei is still single! Maybe it's the future son-in-law that Mr. Pei is dating her tonight. I don't know who is so lucky to marry Miss Pei. "

Standing next to the man, his face slightly heavy, he swept this group of men looking forward to looking forward to them, looking forward to their extraordinary self-confidence, I do not know why, the heart filled with a stream of displeasure.

However, these men, who have been shot by Gu Chengxiao, feel a chill. They look at the business leaders around them at the same time, and they all raise their glasses.

"Mr. Gu, here's to you."

Gu Chengxiao did not give much face to turn away. The three men immediately looked at me and I looked at you. I felt a little chatty. I didn't know where to offend this young master. Finally, he realized whether their family background was not prominent enough to make this young master despise them.

Gu Chengxiao is depressed, and suddenly he has a small arm in his leg. He looks down at his son and looks up at him with a smile, "Daddy, why are you not happy?"

Gu Chengxiao squatted down, gently finishing his small dress, "who said I'm not happy."

"Daddy, let me tell you something to make you happy! I just asked grandpa Pei to put your name in the box. Maybe you are the one who danced with sister Xinyue

Gu Chengxiao finishing the action of a meal, eyes slightly stare at the son, "my name in that box?"

"Yes! Grandfather Pei promised it himself, and I also saw that uncle wrote your name in it. Are you happy The little guy looked at his father's face.

Gu Chengxiao Xi Nu does not show in the color of looking at him, "have what can be happy?"

"Daddy, you have to have confidence! Do you want uncle Lin to dance with sister Xinyue

Gu Chengxiao's eyes flashed a touch of complexity. At this time, the little guy ran away again. He stood up and looked at the box that had been ready for drawing lots for a while.

The little guy wanted to find Xu Xinyue, but found that she was not in the hall. When he asked, he found that she was upstairs. He said hello to his grandmother and walked upstairs. Hong Meishan asked a waiter to lead him up.

Xu Xinyue chatted with her grandmother and aunt. The door opened and a handsome little figure stepped in.

"Yimu, why are you here? Come in Xu Xinyue waved with a smile.

The little guy sat down beside her and looked at the old lady and Shaoru politely.

"Oh! The child is so beautiful. " Shao mushroom's eyes looked, this look, she suddenly surprised, asked her mother, "Mom, do you think this child is a little like Xinyue when she was a child?"

Xu Xinyue a Zheng, also busy looking at the side of the little guy, want to like her? The old lady's as like as two peas in her memory, she nodded. "Well, like the heart of a child, this eyebrow is almost the same."

"Yes! I feel like it, too Shaogu looks at the little guy curiously.

"Not like it!" Xu Xinyue some flustered said, this little guy is just born by her belly! But the provider is Xu An'an and Gu Chengxiao, so, children like them are right!

"You've been growing up since we were young. Don't we know if you look like it?" Shao Gu retorted.

"I also like Xinyue sister very much. I want her to be my mother." The little guy said with joy in his eyes.

"You are the child who came to our house last time." Shaogu suddenly remembered that he had seen him. At the same time, he also thought of whose child he was. It was Xu an's.

"Yes, he came to our house last time. His name is Gu Yimu." Xu Xinyue said.

Although shaogu doesn't like the people of the Xu family, the child is lovely and beautiful. She likes it at a glance. She reaches out and brings a plate of fruit to him. "Come on, drink the fruit."

The little guy is not polite, picked up a piece of watermelon to eat, while eating said, "Xinyue sister, can you smoke my dad to accompany you to dance the first dance?" Xu Xinyue was stunned and

thought that Gu Chengxiao's name was not in the box. She said with a smile, "your father should not have participated in it."

"He participated. His name is in the box. I begged grandpa Pei to write it in. "

what is Xu Xinyue's hot face? Is Gu Chengxiao here? I don't know why, she has a kind of prayer, do not draw him! Xu an's family is also here. What dance does she dance with him?

But on second thought, with so many people, the chance to get him is very small, so don't worry about it.

Just then, the assistant manager came upstairs and said, "Miss Pei, it's time for the ball. It's time for you to go down."

Xu Xinyue nodded and said to the little guy beside him, "let's go, let's go down!"

The little guy wiped his hand, took Xu Xinyue's hand and went out.

When Xu Xinyue led the little guy downstairs, she was seen by Xu An'an who was not far away. Her face changed instantly. She looked at Xu Xinyue with resentment and jealousy. She was clearly her son, but she was always coaxed to her side. She didn't pay attention to her!

Xu Xinyue stepped down the stairs and said to the little guy, "go to your grandmother! There will be a lot of people for a while. Don't go away. "

"Xinyue elder sister, you must draw my father The little guy waved and went to grandma.

At this time, the host came to the stage and said something very excitedly. Then, it was the time for the first dance partner selection of tonight. This made the atmosphere suddenly fierce, and many young talents wanted to fight for this opportunity.

Lin Junqin is also full of expectation in the crowd.

"Next, let's invite Miss Pei to come on stage and personally select her partner for the first dance tonight."

Chapter 1453

All the guests were excited. The elders hoped that their younger generation would win. Those single young men who had the chance to win the prize secretly prayed that they were the luckiest one.

There are only 20 names in the box, so everyone has a better chance to choose.

Xu Xinyue came to the stage with her evening dress. With her elegant posture and sweet smile under the light, she is the man's favorite. She is pure and sexy, and her family background makes her a princess.

Xu An'an under the stage, a heart is almost jealous to jump out. The girl who was trampled on by her since childhood suddenly has a bright light. How can she face it peacefully?

One side of Lin Jingya is also very bad taste, this next Xu Xinyue and her grandmother that hang people, all want to chicken and dog, this time, their family's sense of superiority is not.

"There's nothing remarkable about it." Xu an clenched her teeth and murmured. Her voice did not dare to be too loud. However, Lin Jingya heard her and looked at her comfortingly, "An'an, don't let others have prestige and destroy their own ambition. You are not inferior to her."

"No man here is better than Chengxiao. I just need Chengxiao, no matter who she hits! "Xu an thinks with pride that Gu Chengxiao will not be on the list anyway. He is a man with sons. Many of his wife groups know that she is his son's mother tonight.

With this aura, Xu Xinyue couldn't catch up.

On the stage, Xu Xinyue was still a little nervous. She was embarrassed to go to the stands. When the host asked the staff to hold the box, she took a deep breath.

"Come on, Miss Pei, please draw out one! See who our lucky partner is. " The host laughs.

Xu Xinyue nodded and reached into the box. She didn't want to stir and extract in it. She grabbed a paper ball on the top layer and handed it to the host.

The host couldn't help adjusting the atmosphere of the scene, holding the paper ball and saying, "do you want to guess who it is? Then we'll be able to get the results soon. "

In the crowd, Gu Chengxiao's eyes are calm and deep. At the moment, his heart is tightening involuntarily. He even comes up with an idea that he hopes to be himself.

He didn't want this woman to be touched by other men, and he didn't want her to dance with other men. At this moment, his heart was struggling strongly.

Lin Junqin's eyes are also full of expectations. He knows that his competition opportunities are greater, because his family and Pei family have a very good relationship. In the future, he will have more opportunities to see Xu Xinyue. No matter who wins the contest tonight, he just dances.

Even Xu Xinyue is anxious to know the answer, but the host will have to mobilize the atmosphere, which makes her a little helpless. Of course, she hopes that the father and the elder brother will be the ones to smoke, so that she will not be embarrassed.

Pei Hua and his wife are also looking forward to it. They all hope it is Lin Junqin, because in their eyes, if they can make a good couple with the Lin family, it will be a happy event.

Lin Junqin grew up watching them grow up. His character is guaranteed.

"All right, I don't want to lose my appetite. If I hang down again, I will be beaten." The host also has self-knowledge. Today's people, he can't afford to provoke.

When he made such a joke, the audience laughed. Everyone was amused and looked forward to the answer in his hand.

In the expectant eyes of the host, he reached out and opened the paper ball in his hand. When he saw the name on it, his pupils widened slightly. Miss Pei's luck was really wrong! How to draw the richest one in the field?

His eyes can not help looking for the answer of the man, sure enough, in front of a group of young men, he is particularly out of the class, crushing people.

"Cough..." The host cleared the mulberry seed and said to Xu Xinyue, "Miss Pei, you can announce the answer yourself! "

with that, she gave the note to her, and Xu Xinyue picked it up and looked at it. Her smile froze in an instant, and her face turned red and hot. She asked the host, "can you draw another one? "

The host was stunned, and then thought that there was no such rule in the rules of the game. He said with a smile, "does Miss Xu really have to change it?"

Xu Xinyue couldn't help feeling that she was aphasia just now. How could she have a hot head on such an occasion? She seemed to lose face when she said this kind of thing. She said with a smile, "forget it, don't change it."

The host was also relieved. If it was really changed, it would be a bad ending. It was clearly just a game. He didn't know why Miss Pei was so serious, and she obviously got the best man! "Well, let's ask Miss Xu to read out the lucky guest!" The host said with a smile.

"Read it Xu Xinyue couldn't say anything.

"It seems that our Miss Pei is a little shy. OK, let me read it for you." The host said with a smile, then picked up the note and read it very loud, "Mr. Gu Chengxiao is the lucky guest to dance the first dance with Miss Pei. Welcome to Mr. Gu Chengxiao and invite our Miss Pei to do the opening dance."

This sentence shocked many people for a moment, but Gu Chengxiao, the protagonist, was frightful and calm. His face did not seem to have any excited color. He just nodded around with a smile, and his slender legs stepped onto the stage. Pei Hua and his wife look at each other. How can they be Chengxiao!

Hong Meishan also doesn't believe it's her son, but the little guy around her makes a loud voice, "Yeah! Come on, daddy

The sound of small milk caused a side look around, but in his eyes, only happy for daddy.

Xu an was so angry that he clenched his fist and directly blew up his lungs. Did these workers not have eyes? Why add Gu Chengxiao's name, don't you know he has a son, and her relationship? She wanted to complain, and the hotel became her blacklist.

Lin Jingya is unfair for her daughter. Won't Gu Chengxiao refuse to dance with Xu Xinyue in the face of her daughter?

On the stage, Xu Xinyue pursed her lips shyly, wringing her hands uneasily. She was already full of emotion in her heart and wanted to die! How can it be him? Anyone can do it. How can I get him?

Can you stop dancing? Can I refuse? Xu An'an will hate her even more.

At this time, a deep male voice sounded, "Miss Pei, please!"

Xu Xinyue looked up, a pair of deep eyes staring at her, a shadow hit his face, so that he did not look happy.

Xu Xinyue did not step forward, whispered to him, "if you don't want to dance with me, I can change someone."

However, the man's eyes flashed a trace of displeasure and chagrin, and snorted, "in front of so many people, where do you want my face to go?"

Xu Xinyue's breath is suffocating, my God! She refused him just now. Is he angry?

"I thought you didn't want to dance with me!" Xu Xinyue retorted in a low voice.

"I don't want to, but in order to give you face, I can't help it!" The man is very reluctant.

"It's better to change people." Xu Xinyue didn't want to embarrass him any more. He was also a little angry.

However, her waist suddenly took a hand, domineering will her to his side, ear voice more overbearing, "now change people, late."

Chapter 1454

Xu Xinyue was so bullied by the man under the table. When she went down the steps, her foot almost tripped over the skirt. She held the man's waist instinctively, and the man easily picked her up and directly held her down two steps.

At the moment, the light has been switched to the dim yellow light of the dance party. In the eyes of outsiders, this situation has not been found. Only the party concerned knows that Xu Xinyue's face is full of heat. How embarrassed!

However, the picture of them embracing each other has already stung some people's eyes. Xu an's jealousy and resentment have to be turned into a real knife and stabbed on Xu Xinyue. Lin Jingya can't believe that Gu Chengxiao will hug other women in front of her daughter, and this woman is still the most unpleasant Xu Xinyue.

Lin Junqin did not expect that he had lost the opportunity. Gu Chengxiao was superior to him in appearance, figure, family background and ability. He was so dazzling that all the young men present tonight were gloomy. Even he admitted to be inferior.

"I'm not very good at dancing." Xu Xinyue in the man's ear to remind a, at the same time way, "just jump at will."

Gu Chengxiao's hand has been on her slender waist, which is half a year higher than her figure. When he drops his eyes, he can look at all her expressions and look at her spirit like pure expression. He bends down some heads, "then follow my steps."

When Xu Xinyue heard this, her feet were in disorder. Her feet were going to fight under her evening dress. Suddenly, her feet seemed to have stepped on something. Anyway, it was not a hard floor.

"Don't step on me." Xu Xinyue's ear from the voice of teeth.

Xu Xinyue's head hummed for a moment. It turned out that they were his shoes! She was ashamed to lower her head, thump, her forehead came to pain, it turned out that her head down, forehead again hit the man's hard chin.

It's a dance with a lot of conditions, and her feet, led by a powerful force, have not yet broken. In the eyes of outsiders, they both dance very naturally.

Xu Xinyue is also gradually keeping up with the rhythm. In music, she works very well with this man. She dances in unison. Sometimes she is hugged by a man and turns around with his hands. She suddenly finds that dancing is so fun!

But she was also surprised at the man's talent in dancing. She didn't expect him to have this ability!

Xu Xinyue finally dares to look up. Under the dim yellow light, the man's deep eyes, as if there is an inexplicable ability to absorb her eyes, trapped in his eyes, two people look at each other, as if into their two people's world, abandon everything around, immersed in their dance.

For a moment, Xu Xinyue even hoped that the song would not stop, and it would go on forever.

As for Gu Chengxiao, her soft waist, sweet breath, blurred eyes and moving red lips all attract him, which makes him fall into a kind of loss, which makes his eyes greedily stare at her and feel all her beauty.

Everything about this woman is so eye-catching tonight that even he is attracted.

Finally, the music entered the end, Xu Xinyue's last rotation, the man's arm naturally around her waist, and Xu Xinyue slightly looked up, while the man slightly bent over, a perfect ending posture, so that two people slightly gasped, close, the breath of ambiguous intertwined.

Xu Xinyue red face, near the eyes of Jun Yan, for a moment forget to breathe like, only the chest that plopping sound, especially clear ears.

For a man, the face reflected in the light is like a dazzling star shining in his cold heart. Even though he knows that he should not be greedy for the light, he still can't control his inner desire and lose his soul for a short time.

Until the applause around, two people realized that it was over. Xu Xinyue half raised his head and wanted to get up. Naturally, he had to force the man. When the man took her up, she instinctively put her hand around his neck.

Everyone thought they were good at dancing. Only the Xu'an family thought that the picture was dazzling. Gu Chengxiao was the future son-in-law of the Xu family. How could they cuddle with other women?

Lin Junqin also realized the change of Xu Xinyue. He felt that Xu Xinyue liked Gu Chengxiao because he liked her.

How can Gu Chengxiao, who is also a man, refuse Xu Xinyue tonight? She's so glamorous.

At the end of the dance, when the two people make their curtain call to the audience, they are like princesses and princesses in fairy tales.

Even Hong Meishan felt incredible. Gu Yimu on the other side was also glad to see him. How he hoped that Daddy could kiss her beautiful sister!

Xu Xinyue returned to her parents. Her face was still hot. Fortunately, the light was dim. Otherwise, she would be flushed. She didn't even dare to see the man opposite.

Gu Chengxiao returned to his son's side, the little guy excitedly pulled his arm, motioned him to squat down. Gu Chengxiao didn't squat down, but picked up his son. The little guy got close to his ear immediately and asked angrily, "Daddy, why don't you please your sister?"

Gu Chengxiao's eyes narrowed for a moment. Where did the thought come from?

The little guy sees the old man ignore oneself, Du Du small mouth, looking at the opposite Xu Xinyue, he seems to go where she is!

Gu Chengxiao's eyes also look at the opposite girl, but at this time a man came to her, it was Lin Junqin. He bent down and said something to her.

Gu Chengxiao's heart tensed for a moment. Is this woman going to promise to dance with Lin Junqin?

Sure enough, Lin Junqin came to invite the dance. Xu Xinyue was already panting. She laughed and shook her head, "master Lin, I want to have a rest."

"Well, I'll wait for you to have a rest." Lin Junqin did not force her.

Xu Xinyue crossed Lin Junqin's shoulder and inadvertently ran into a pair of sharp eyes. Gu Chengxiao was staring at her in the opposite direction. She was ashamed to drop her head.

Why is he staring at her like this? When Xu Xinyue looks up, she finds that Xu an is beside Gu Chengxiao, and her expression is clearly inviting him to dance.

How did Xu An'an miss the opportunity? She looked forward to go to Gu Chengxiao's side, "Chengxiao, can I have a dance?"

Gu Chengxiao naturally refused, "I'm tired, Miss Xu or invite others!"

With that, Gu Chengxiao's eyes were still staring at Xu Xinyue, as if she was afraid that she would promise others. Fortunately, he watched Lin Junqin go away, and the corners of his straight mouth slightly raised a curve.

Chapter 1455

Xu Xinyue watched many people embracing into the dance floor, but she didn't want to dance any more. Just then, a waiter came up to her and said, "Miss Pei, the guests on the second floor asked me to tell you that they are going back."

Xu Xinyue a listen, grandmother and aunt to go back? It happened that she was not interested in the next dance and didn't want to dance with anyone. It was a good opportunity to get out.

Xu Xinyue went to her mother, "Mom, my grandmother is going back, I'll send her off."

"It's still early." Mrs. Pei looked at her watch. It was only about eight o'clock.

"My grandmother likes to go to bed early. Mom, I want to take my grandmother home in person." Xu Xinyue said.

Mrs. Pei took her hand and said, "then I'll let the driver prepare the car. You can come back after you send them. Do you need me to accompany you?"

"No, Ma. Please take care of the guests." Xu Xinyue just wants to hide for a quiet time. When she comes back, the dance is over.

Xu Xinyue went to the second floor. Grandma and aunt were ready to go. Xu Xinyue held her grandmother and said, "grandma, I'll take you back."

"No, just let the driver take us home. You are the main character tonight. How can you leave?" The old lady patted her on the shoulder.

"Yes, Xinyue. I'll take your grandmother home."

At this time, Pei Chenhao came up. He came to see her off. Xu Xinyue helped her grandmother down from the elevator on the second floor of the banquet hall to the lobby on the first floor.

Pei Chenhao dialed the driver's number, "Uncle Liang, have you not arrived yet?"

"Young master, I'm sorry. There is a car in front of my car. I'm looking for the driver now. The driver hasn't left his number. I need the hotel security guard to check it."

"OK, you can contact the other party first, and we will wait for you." Pei Chenhao should a, back to Xu Xinyue way, "good uncle's car is blocked, we wait."

"Good!" Xu Xinyue helped her grandmother to sit down on the sofa beside her.

Ten minutes later, the old lady fell asleep. However, there was no news from Uncle Liang. For a moment, the owner of the car could not be found and could not move.

Just when Pei Chenhao was in a hurry, he looked at the direction of the elevator. He could not help but see a tall and slender figure coming towards this side. His eyes brightened and he rushed to meet him. "Chengxiao, do you want to go back?"

Gu Chengxiao is going to leave. His son is looking back at the house with his mother tonight. He wants to go out and relax.

"Well, what's the matter?" Gu Chengxiao asked.

"Can I trouble you? I have two important guests to take home. My driver's car is blocked and can't be moved out."

Gu Chengxiao of course willing to help, he nodded, "OK, I'll deliver."

Xu Xinyue is talking with her grandmother, so as not to let her old man fall asleep. When she looks up again, she will see another person beside her. Her beautiful eyes are slightly shocked. How could it be him?

Gu Chengxiao saw the girl on the sofa, and his heart was shocked. Was it her family that was to be sent?

"I'm going to drive." Gu Chengxiao finished, and walked out with long legs.

"Xinyue, Chengxiao is just about to leave. I'll ask him to send you off." Pei Chenhao said.

Xu Xinyue could not help but get up shyly and pull the elder brother aside. "Brother, how can I trouble others?"

"I'm sorry. Chengxiao is going to leave. By the way, my grandmother is sleepy." Pei Chenhao also loves the old lady.

Xu Xinyue looked back at her grandmother. She was so sorry that she couldn't do it. She nodded, "that's OK."

"I'll ask Chengxiao to send you back later." Pei Chenhao said, saw a very aggressive off-road vehicle opened, the door opened, Gu Chengxiao stepped down.

Pei Chenhao opens the door of the back seat. Xu Xinyue and shaogu help the old lady go up. Shaogu sits in the back seat and Xu Xinyue sits on the other side. Pei Chenhao tells Gu Chengxiao, "please send my sister back later."

"Good." Gu Chengxiao replied.

The SUV slowly drove out of the hotel gate and headed for the neon street.

In the quiet carriage, the atmosphere is a little stiff. Xu Xinyue can only summon up the courage to chat with this man in order not to embarrass her aunt and grandmother. She said with a smile, "thank you, master Gu. It's really troublesome for you."

"No trouble."

The old lady who had fallen asleep did not know how to wake up and murmured, "Xinyue, did you see any satisfied tonight? Grandma wants to hold her great grandson!"

"Yes! Xinyue, you're not too young. It's time to get married Shaogu also echoed his mother.

In the dark carriage, Xu Xinyue's face flushed at the speed of naked eyes. What does Auntie say!

"Auntie, I haven't planned to talk about boyfriends yet." Xu Xinyue retorted in a low voice.

"Don't pick and choose. If you meet a good one, you will decide. I think the young man in front of you is good." The old lady thought the warm-hearted young man was handsome."Grandma, aren't you sleepy? Go to sleep. There is still some time to get home! " Xu Xinyue quietly coax her grandmother to sleep.

But do not know the man in front, thin lips hook a smile, really want to see the embarrassed look of the woman behind.

As expected, the old lady lost her head as soon as she took the bus. She fell asleep next to her daughter, and Shao Gu was also sleepy. She said to Xu Xinyue, "Xinyue, call me when I get home, and I'll squint for a while."

"Good! You sleep! I'll call you when I get there Xu Xinyue replied.

Listening to the breath of aunt and grandmother, it seemed that they were all asleep. In the carriage, for a moment, it was very quiet. Xu Xinyue said to the man in front of him, "go to Meizi road."

"Sit in front and show the way!" The man opened his mouth in a low voice and pulled over on the side of the road.

Xu Xinyue's pretty face is red, take his co pilot?

She looked dependent on her aunt and grandmother, she pushed the door to get out of the car and changed to the co driver's seat.

Under the dark blue light, the man is dressed in a suit, luxurious and charming. With a deep look, Xu Xinyue only feels that her heart beats faster.

Chapter 1456

Xu Xinyue sat in the front passenger seat, a heart hanging, dare not relax, the rear compartment is quiet, showing that aunt and grandmother are asleep.

She did not know why, in front of other men, she could relax, but in front of him, she could not relax.

There was always a feeling that she couldn't let go. At the moment, her mind was in a mess. She even thought of the feeling that he had kissed her in the closet last time, which made her face heat up.

She thought, why did he kiss her when she was in the room? Is he a scum man? Take advantage of her?

But this man also has no affair, moreover still looks abstinent, does not seem to be too lusty person, but he kisses her for what?

Isn't he going to marry Xu An'an in the future? This is a bit of a jerk!

"Which side?"

Just thinking about it, a deep male voice asked.

Xu Xinyue then looked back at the road. She said, "on the left."

But the man has occupied the right side of the road, she said late, she can not help but embarrassed, "sorry ah! Please drop a head in front of you. "

Oh! At this time, the mind is still wandering, this man is going to be angry!

Gu Chengxiao turns to look at her, what is this woman thinking? Didn't you help him to see the way?

Xu Xinyue bit her lower lip and was embarrassed.

However, the man couldn't help but look at it. I have to say that this woman is sometimes childish like a child and likes to show any emotions on her face.

The man fell a head in front, Xu Xinyue did not dare to leave the house. She quickly pointed out the way and stopped at the gate of grandma's community. She said to the man, "wait a minute. I'll call my aunt and grandmother."

Xu Xinyue wakes shaogu, and the old lady wakes up. Xu Xinyue wants to send them up, but Shao Gu refuses. She is wearing such a luxurious evening dress. Don't stain it.

"It's OK. Go back! We went up. " Shao mushroom mixed with his mother, waved to her, "come back to play when you have time."

"I'll come tomorrow, auntie. Please slow down." Xu Xinyue said to them.

"Well, master Gu, drive slowly." Shao mushroom says to Gu Chengxiao.

Gu Chengxiao sits in the driver's seat and nods to her. Shao Gu is really surprised. He is such a handsome young man. He doesn't know whether Xinyue has a play with him. If he can marry him, it would be nice.

"Xinyue, get on the bus! Don't keep Mr. Gu waiting. " Shao mushroom finished, supporting his mother into the community.

Xu Xinyue has been watching the little aunt and grandmother's figure disappear, she opened the front passenger's door to sit in, and then to the man beside her said, "please take me back to the hotel, thank you."

Gu Chengxiao stepped on the gas pedal, not as fast as when he came, but the speed slowed down a lot, he was not in a hurry.

Without aunt and grandmother, Xu Xinyue found that the atmosphere in the carriage suddenly became tense and suffocating. If she didn't say anything, she would be out of breath. She quickly found a topic and said, "I'm sorry I stepped on you when I was dancing today. You won't blame me!"

"Why did you smoke again when I got my name?" Gu Chengxiao turns his head and stares at her.

Xu Xinyue blinked awkwardly, and instinctively replied, "because I don't think we are suitable, but you and An'an are a pair."

"Who said she and I were a couple?" Gu Chengxiao asked in a cold tone.

"Eh? Aren't you? She is the mother of Xiaomu. Don't you get married Xu Xinyue asked curiously.

"Who said we must get married?" Gu Chengxiao thinks her question is a bit ridiculous. Where did she hear that?

"But don't you want to make a home for Xiaomu?"

"Why do you ask so clearly Gu Chengxiao snorted coldly.

Xu Xinyue immediately choked, bit his lower lip and said, "I just ask, no other meaning."

"If you don't smoke me, who do you want? The young master Lin? " Gu Chengxiao asked again.

Xu Xinyue shook his head directly, "no! I want to get my dad and my big brother. "

Gu Chengxiao is surprised for a while, this woman did not think to draw that young master Lin?

"What do you think of that young master Lin?" Gu Chengxiao's gossiping is a common question.

Xu Xinyue has some strange questions, but naturally answers him, "he is very good! Although I met him for the first time, we met when we were children, and he came to my full moon wine

Xu Xinyue did not find that when she spoke, the man's face around her suddenly became a little gloomy and ugly.

"So you like him very much?" The man snorted.

"Yes! I don't like it. I hate it Xu Xinyue is really strange. Why does this man ask?"

"Then you'd better cover up your former identity, and don't let anyone find out." Gu Chengxiao sneered.

Xu Xinyue was a little confused by his words. She blinked, "what identity am I! Why cover it?" "No one else knows, but I know it." Gu Chengxiao thought of the last picture, his face was a little cold, this woman has a pure face, but her body, has not been innocent.

"What do you know?" On the contrary, Xu Xinyue has to ask after all.

"Do I remember the first time we met?"

"The first time we met?" Xu Xinyue spent his brain thinking, however, the man has continued to say, "can't you remember? Let me help you remember that you were drunk and waited on a group of men in the club, and finally came to me for help and asked me to take you back to the hotel

Xu Xinyue's eyes immediately widened, club? The first time she went back home? Wait a minute. Is he the one she asked for help? Why doesn't she have any memory?

"You? That night, you saved my life? And sent me back to the hotel?" Xu Xinyue is in a trance and has some memories. It turns out that the man is him! Just vaguely remember is a good-looking tall man.

"Yes, I offended you that day, but I can't help it! I want to find a model company to change a group of models. Those people want me to drink, but I can't. thank you for taking me back to the hotel Xu Xinyue is grateful.

"You'd better hide your previous identity, don't let your parents know, or it will hurt their hearts, and how much do you pay for a night?" The man sneered and asked.

Xu Xinyue did not respond at all, "what? What? How much for a night

"Don't pretend. I took you back to the hotel that night. I saw you helped in by two foreign men." Gu Chengxiao doesn't want her to deny her.

Xu Xinyue was stunned for a few seconds. Then she reacted. Her whole brain exploded. Where did this man misunderstand? Do you think she's selling?

Chapter 1457

Xu Xinyue's small face is red, and her brain is buzzing. Where did this man come from? She even thought that her previous job was selling herself in the industry? Even if she is poor and has no money, she can't do such things as selling her body!

Xu Xinyue took a breath and yelled, "stop, pull over."

Gu Chengxiao turned to look at her and saw her staring at him angrily. As soon as he hit the steering wheel, he stopped on the side of the pavement.

As soon as his car stopped steadily, Xu Xinyue's chest fluctuated constantly, which was obviously a manifestation of gas explosion. He glared at him and said, "Gu Chengxiao, which eye of you saw me selling? Make it clear to me. "

Gu Chengxiao narrowed his eyes and proved that, "that night, I saw you helped into the hotel by two foreign men."

Xu Xinyue almost wants to laugh, but she is more angry, this man should miss her so much.

Gu Chengxiao put one hand lazily on the steering wheel and the other on his knee. His eyes locked her deeply. At the moment, he was waiting for something.

Xu Xinyue took a deep breath and said, "OK, let me tell you who the two foreigners are. They are colleagues of my team and designers who participated in the domestic show with me. On that day, our whole team stayed in the hotel. I happened to meet them when I went back to the hotel. They helped me to get in, OK?"

Xu Xinyue's explanation is not enough. She even wants to explain more to this man, but her heart is more disappointed. This man will think of her like this.

Gu Chengxiao's eyes flashed a smile, he pursed his thin lips, "Oh, it's your colleague, then I misunderstood you."

"Apologize to me." Xu Xinyue asked angrily.

"I'm sorry." Gu Chengxiao apologized very actively because he was more happy to hear this explanation from the bottom of his heart. At least she explained it, and she was so serious.

And he believed in her.

"You don't think I'm that kind of person since we realized it! "Xu Xinyue's heart has a kind of collapse. It turns out that she has been in his eyes for such a long time. Damn it, she is really angry!

Gu Chengxiao lightly hooked a corner of the mouth, neither admit nor deny.

"You..." Xu Xinyue was so angry that her face continued to be red, as if she had been looked down upon by others.

"Well, I'll compensate you. No, I'll treat you to a meal and pay for it." Gu Chengxiao takes the initiative to admit his mistake, but his smile is still there.

"You still smile, you still can laugh out, you have no conscience!" When Xu Xinyue saw him smile, she had an impulse to beat him.

But she didn't know why he laughed. He laughed, not because of the incident, but because he knew the truth.

"How do you want me to make up for it?" Gu Chengxiao looks up at her. Under the dim yellow light in the car, she is like a flaming rose, which makes people want to pick it.

Xu Xinyue is angry, but her calm and rational is still there. She looks at this man and touches his eyes that seem to be enchanting. She immediately thinks of Xu An'an. How can she be angry with him and misunderstand her and think of his identity.

"Forget it. You just have to apologize." Xu Xinyue took a breath and asked to have a meal. If Xu An'an knew it would be miserable.

She didn't want to bring a bad reputation to Pei's family just after she returned.

But she didn't know, the smile of the man's eyes closed, and instantly some facial expression changed. Gu Chengxiao bit his thin lip, started the car to drive forward, and the voice line was a little more cold, "send you back to the hotel."

Xu Xinyue found out that she looked at him strangely and asked curiously, "do you still go up?"

"No more." Gu Chengxiao replied lightly.

Xu Xinyue silent down, she looked out of the window of the night, suddenly feel chest has a kind of panting feeling, unspeakable depression.

Is it that after tonight, there will be no chance for them to meet, at least not as close as tonight.

At this time, her mobile phone rang, she picked up a look, turned out to be a strange number, she reached out and said, "Hello, who is it?"

"It's me, Lin Junqin, Xinyue. Have you returned to the hotel?" The voice of Lin Junqin asked.

"Master Lin, it's you! I'm still on my way. " Xu Xinyue was surprised and Lin Junqin called her on his own initiative.

"Then I'll wait for you at the party." In the quiet carriage, Lin Junqin's voice full of expectation was so clear that even the men beside him could hear it.

"Well, good! I came back on the way. "

"Well, I'll have another drink with you." Lin Junqin smiles.

"Good." Xu Xinyue responded politely to him.

After hanging up the phone, Xu Xinyue carefully saved Lin Junqin's phone. The man beside him glanced at her, and unconsciously the accelerator was released. In the direction of going straight, the man suddenly turned a corner and turned to another road.

Xu Xinyue didn't notice the man's detour. Moreover, it was a road that didn't intersect with the hotel. It was the way to Bay Avenue.

Waiting for Xu Xinyue to look at the information for a while, the scenery in front of her has been changed into the sea scene of waves. She was stunned and puzzled and looked at the man beside her, "are you going the wrong way? This is not the way back to the hotel." "Go with me for relaxation." The man spoke lightly.

"Eh?" Xu Xinyue was stunned. How could he not follow her advice!

"What? In a hurry to return to the banquet to see the other man? " Gu Chengxiao bit his teeth to ask.

Xu Xinyue couldn't help looking at him more strangely, "Mr. Gu, what do you mean by that?"

At this time, Gu Chengxiao's car phone rings. On the cool screen, Xu An'an's three words are particularly striking. Xu Xinyue looks at it, and her heart is a little startled. She quickly holds her breath for fear that she will be found out by Xu An'an when she takes another car.

Gu Chengxiao looked at it, reached out to answer, "Hello!"

"Chengxiao, have you left? Why didn't you say hello to me? " Xu an's voice of some bitterness came.

"I have something to do."

"Chengxiao, I have no place to go tonight. Can I stay at your house for a night? "At that end, Xu an asked.

Xu Xinyue immediately turned to look at the man, I do not know why, she wanted to know what he thought.

"You want to come to my house?" The man asked, deep and enchanting.

"Well! Think about it! Would you like me to go? " Xu an looked forward to her face, and even her tone was ambiguous. "As long as you let me go, I'm willing to do anything for you."

Xu Xinyue has aroused a lot of goose bumps for no reason. She looks at the man around her coldly and really hopes not to be in his car.

"What do you want to do for me?" Men still have time to flirt.

Xu Xinyue really wants to get off the bus quickly. He can say anything he likes. Don't let her listen to her. She doesn't see that he is still a provocative expert.

"What do you think? My people are all yours. You can do whatever you want. "Xu an, of course, is also an old hand in love.

I didn't know the atmosphere was in place. The man suddenly replied coldly, "no, I have something to do tonight."

Then he hung up.

Xu Xinyue opened her eyes slightly and turned to look at him. Should this man be so hateful?

However, soon Xu An'an again dials over, but, the man ruthlessly presses breaks to refuse to accept.

"You can find a place to put me out of the car. You can go and date Xu An'an." Xu Xinyue suddenly said, in her heart, thought that is oneself in the way.

But the man squinted at the front of the way, "about what will?"

"You were very enthusiastic just now! I will not disturb you Xu Xinyue bit her lips.

Gu Chengxiao parked his car in a beach parking lot at the bend of the sea. He suddenly turned evil and looked at her like a wild animal. "I have a woman on my car. Why should I look for another woman?"

Xu Xinyue immediately swallowed a saliva, feeling that the man around her was dangerous. She put her arms around her and said, "you What do you want to do? "

"What do you say I want to do in this wilderness?" The man raised the corner of his mouth, a devil's expression.

"You Gu Chengxiao, don't mess with me Xu Xinyue was really flustered. He didn't expect that he was such a person. He didn't explain the kiss in the closet last time!

Gu Chengxiao looked at her a look of panic, interesting appreciation, he suddenly said, "Xu Xinyue, have you ever liked me."

When Xu Xinyue was flustered, she heard the man's serious voice. She was stunned. She raised her head and touched the man's deep and unpredictable face, as well as the eyes as black as midnight. She could not tell whether he was teasing her or serious.

She blinked and didn't know how to answer him for a long time.

"Is this a difficult question to answer?" Gu Chengxiao asked again.

"Why ask this question?" Xu Xinyue did not dare to look directly into his eyes, turned to look out of the window at the seaside, pretending not to be serious.

Behind him came a deep voice from the man, "I want to know."

"Well! I don't hate you because of herding. In addition, you have saved me several times. You are also my Savior. Therefore, I like the rescuers of course. " Xu Xinyue answers this question with some difficulty.

However, where can men be satisfied? This woman deliberately ignored the point, didn't she? Give him a life saver.

"I mean the love of men and women." Gu Chengxiao doesn't mind saying it more clearly. This woman wants to pretend to be stupid, but he won't let him.

Of course Xu Xinyue knows! She is not stupid, she said so, the meaning is very clear, she does not want to answer this meaningless question head-on.

"Gu Chengxiao, take me back to the party." Xu Xinyue turned around and ordered, "you promise my brother will send me back."

Gu Chengxiao was stunned, but the woman still didn't want to say. He started the car angrily and suddenly stepped on the gas pedal.

Xu Xinyue has not responded. Just now she has taken off her seat belt. This foot of accelerator directly makes her forehead bump against the car cover.

"Er..." Xu Xinyue is busy covering his forehead, some angry staring at the man who is not gentle, and hurry to fasten the safety belt.

The man turned his head and glared at her, but continued the speed. Xu Xinyue said angrily, "drive slowly." Although the man is also a little annoyed, but the speed is still down, but the atmosphere in the car is not sure why it is suffocating. There is a kind of suffocating stuffy.

Gu Chengxiao still stops the car on the pavement. He pushes on the lamp and looks at the corner of the girl's red forehead under the light. Before Xu Xinyue can react, he rubs his big palm.

When Xu Xinyue wants to struggle, the man leans over and kisses her cold lips in her hair, as if to apologize for her rudeness.

Xu Xinyue breathes a breath. What does this man want to do? When she turns her head and wants to see it, the man's kiss suddenly quickly and domineering and covers her red lips.

"Well..." This makes Xu Xinyue's eyes wide, and does this man take advantage of her?

Chapter 1458

The kiss made the breath in the car warm up in an instant. When Xu Xinyue pushed him away, her face was red. She put her arms around the window and said, "Gu Chengxiao, you hooligan, who allowed you to kiss me?"

Xu Xinyue gasped, a face helpless and some flustered, this man did not forget his identity? He is the father of Xu An'an's children. He is going to marry Xu'an in the future. What is he doing to provoke her?

Gu Chengxiao was also silly for a few seconds. He didn't expect that he had a hot head and kiss her just now, but he had to say that the taste was as good as last time.

Even the beast that he sleeps in his body is easily called out by her. Damn it, she broke him after so many years of abstinence.

"I'm sorry." Gu Chengxiao apologized. He started the car and drove to the direction of the hotel. The white fiber on the side of the car fell down the window and was in a state of confusion.

The feeling of that kiss just now was only clear to her, as if she felt an electric shock all over her body. It was a strange feeling that she could not express.

But this feeling, she can't tell anyone, can only be buried in the bottom of her heart.

"Don't you like it?" The cold, deep male voice asked.

Xu Xinyue was stunned and realized what he was referring to. She disobeyed her heart and said, "I don't like it. I don't want to kiss you in the future."

Gu Chengxiao's face became gloomy for a moment. In the dark blue atmosphere lamp, it was faintly visible that he was gripping his back teeth and was sulking.

Is this woman suspicious of his kisses?

Xu Xinyue takes a serious look at him. It doesn't matter whether you like it or not. What's important is that she and he will never be able to. Although she is a child of Pei family, she is still Xu an's

cousin in Xu's family. This is an indisputable fact. Therefore, she and Gu Chengxiao are separated by an inseparable relationship.

"Gu Chengxiao, don't do this again." Xu Xinyue said quietly.

Gu Chengxiao frowned and looked at her face, which was not angry. Instead, he saw her inner pain. His eyes were dark, and he understood what her concerns were.

She is Xu an's cousin, so she dare not get close to him. This woman is very sensitive to this.

"My son likes you more than Xu An'an." Gu Chengxiao has no idea.

Xu Xinyue was shocked. She could see that she bit her lips and really wanted to tell him the secret because it was her who gave birth to his son in October!

But she and Xu's mother and daughter signed a confidentiality agreement, so she can't say.

"But Xu An'an has always been the natural mother of a small herdsman, which can't be changed." Xu Xinyue calm voice, this matter, she was also a participant, there is no way to do fake.

Gu Chengxiao is silent. The whole car is quiet. The hotel is not far away. No one talks again.

Finally, at the entrance of the hotel lobby, Gu Chengxiao drove the car up, Xu Xinyue got off the bus, and his car drove into the direction of the street, as if he were an angry man.

Xu Xinyue bit his lip and turned back to the party. It was already 9:30 and 10:00.

When she returned to the banquet, most of the guests were scattered. Lin Junqin was very persistent and waited for her to come back.

"Xinyue, you are back. "

" Well! "Xu Xinyue chuckled.

"Xinyue, we are almost home, and the guests have gone. We are very proud to let you know you tonight." Mrs. Pei said, everyone is praising her daughter, as a parent, can not be proud?

When everyone came to the parking lot, Lin Junqin walked to a sports car and said to Xu Xinyue, "Xinyue, see you at dinner tomorrow."

"Good, see you tomorrow." Xu Xinyue waved to him and sat in his father's car.

"Xinyue, how can you seem to have something on your mind?" Mrs. Pei asked with concern, as if her daughter's eyebrows were shrouded with some feelings of worry.

"Mom, I'm fine." Xu Xinyue smiles and shakes her head. Even if there is something on her mind, it is something that can't be told to anyone.

She didn't want to ruin her parents' reputation. If she really had anything to do with Gu Chengxiao, the Xu family would not give up. At that time, they would certainly destroy her reputation. She did not want to involve her parents and the family.

Therefore, she should be far away from Gu Chengxiao. It's best to have nothing to do with her life.

Recognizing this, Xu Xinyue will also bury everything that happened tonight in the bottom of her heart and never mention it to anyone.

This night, Gu Chengxiao went back to the villa alone and lay on the bed. His eyes looked into the cloakroom. He recalled that she could not escape and let him do whatever he wanted. Even if he did something, she could only let him do it!

In the quiet night, Gu Chengxiao finds that Xu Xinyue's figure is full of his mind. She is like a moonlight tonight, sprinkling into his lonely heart, and has not gone for a long time.

If you change a woman, he may really chase her, but she used to be a member of the Xu family, and she has a sisterhood relationship with Xu An'an. Now the Pei family is holding a baby daughter in the palm of her hand. Even if he wants to, the Pei family will never let her become a stepmother.

Chapter 1459

Early in the morning, Xu Xinyue received a call from Li Yan and asked her to come out for relaxation. Xu Xinyue was also depressed.

Two good sisters were sitting in the tea restaurant at ten o'clock in the morning. Li Yan was going to work in the magazine. What made her very unhappy was that the magazine was still run by Mo Zeyang. She thought that even if he promised to let her work in the magazine, this guy would not make her feel better.

"But you won't even let him know." Xu Xinyue looks at her with a smile.

"He doesn't let me feel better. The more I have to do something to show him, and let him not look down on me, even if he is the prince? I haven't paid attention to him yet

"Don't worry! He can't treat you like that. Think about it. Your parents and his parents are close friends. If he dares to bully you, you will sue him. " Xu Xinyue tries to find a way for her.

"You're right. I'm good at accounting." Li Yan finished and looked at her, "tell me about your affairs. There is no contact during this period of time. How are you doing?"

"Like a roller coaster." After Xu Xinyue finished, he said the latest thing again. Li Yan was shocked to have a big eye. "So you are the daughter of Pei family who has lost 20 years? My God

"I'm also very lucky to recognize my parents in my lifetime, and I'm living with them now."

"Xinyue, that's great. If they know how you're treated in the Xu family, they'll be able to breathe for you." Heart smoke Li Road.

Xu Xinyue shook his head, "no, I don't intend to tell them. In fact, I have nothing to do with the Xu family. I don't need to see them all day long. I don't want to think about the past."

"They want to know that their precious daughter was driven out of the Xu family and bullied on your grandmother's head. They can't bear it."

Xu Xinyue bit her lips and said, "in fact, this is what my grandmother and aunt mean. They don't want me to fight against Xu's family, and they came to my relatives' meeting last night."

"Well! After that, they can't bully you any more. Xu An'an should be angry. Isn't she happy to trample on you? Now see if she can step on you? What if she's a first-line star? If she dares to bully you again, when I enter the magazine, I will use my pen as a knife, and it will be sooner or later that she will be ruined. " Li Yan is a strong character.

Xu Xinyue chuckled. She was lucky to have such a good sister.

Xu's house at the moment.

Indeed, there was a worry. Xu An'an went out early in the morning. Xu Taoyang and Lin Jingya sat in the hall and looked at each other face to face for a long time. Xu Taoyang's eyes flashed a cruel look. "My elder brother's death, absolutely can't let Xu Xinyue find out, otherwise, he will unite the whole Pei family to deal with us, and we will be finished."

"You know it, I know it, and who knows it? Don't worry Lin Jingya doesn't want to scare herself, and they have a backer.

"We An'an is the biological mother of Gu Chengxiao's son. He will not be helpless when he sees us being bullied. "

" what's wrong with An'an? It's not settled yet. Isn't Gu Chengxiao with children? Why are you so frustrated? " Xu Taoyang can't help but get angry. His business is in a bit of a slump now. He always wants to climb to Gu Chengxiao, but his daughter doesn't take him home.

"Don't worry! An'an is also very hard, but Gu Chengxiao's heart doesn't know how. It seems that she always has an idea for Xu Xinyue, a cheap girl. I saw that at the last dance, Xu Xinyue is luring him both openly and secretly. "

"Does Xu Xinyue want to rob An'an? Why should she rob? " Xu Taoyang snorted coldly.

"She is retaliating against us. Now that she has Pei's family as a supporter, she will not pay attention to us any more. Even An'an's future happiness will be taken away by her. Hum! She Xu Xinyue wants to dare to rob Gu Chengxiao. Even if I split my face with Pei family, I will make Xu Xinyue disgraced. How to say, she was our Xu family's child. "

"Yes, if you offend Pei's family, you should let An'an marry into your family." Xu Taoyang thinks so.

At the moment, Xu An'an is in her studio. She thinks about it, and her mind is full of pictures of Gu Chengxiao and Xu Xinyue dancing last night. She has a bad premonition that Gu Chengchao is going to be moved by Xu Xinyue.

No, she will not allow Xu Xinyue to be her son's mother. She is not worthy of it.

She has to find a chance to win Gu Chengxiao, even by some means. She has experienced a love affair between men and women. She does not believe that Gu Chengxiao is still indifferent to her.

Gu group.

Gu Chengxiao is sitting at his desk with a pile of documents in front of him. However, he has no desire to see it. I don't know why his mind is full of a woman's figure, her smile, her shyness, her stubbornness and her watery eyes.

There is no doubt that this woman is Xu Xinyue. The woman who made him sleepless last night, I don't know when, has become the person he yearns for. Before, Gu Chengxiao would have restrained himself, but after last night, he found that he couldn't help it, as if this woman had a kind of magic power, breaking through everything and reaching his heart.

Let him instantly and son, always think of her, how? Is this woman really magical? First to his son, and now to him? Gu Chengxiao shakes his head and feels that this idea is ridiculous. At this moment, he receives a call from Mo Zeyang.

"Hello! "

" have dinner and have a drink tonight. "

"Good! You ask me to Gu Chengxiao asked with a smile.

"Guess at night." Mo Zeyang also smiles.

"In such a childish way?"

"Of course, we used to use it a lot."

"Well! I'll choose a place and make an appointment in the evening. "

Finish saying, Gu Chengchao pressed assistant inside line, "order a restaurant for me, I often go."

"OK, is Qushui OK?"

"Good!" Gu Chengxiao should say, that is a family he loves to go to.

Xu Xinyue accompanied Li Yan until 3:00 p.m. when she received a call from her mother that she would have dinner with the elders of the Lin family tonight. Because their elders didn't come last night, their parents invited them to dinner alone.

"All right, mom. I'll be back now."

"It's OK. I heard Junqin's company is on your side. Please contact him. You two will come and we'll go from home."

Xu xinyuexin wants to go home. Li Yan is ready to go home. The two sisters make an appointment to get together next time.

Xu Qinyue will be able to contact her in the coffee shop for about ten minutes.

Xu Xinyue said with a smile, "don't worry, we don't have to rush there. "

however, within 10 minutes, Lin Junqin really arrived, only a little breathless, apparently running all the way from the parking lot.

"Xinyue, I'm afraid you are in a hurry. Let's go! The restaurant is just around the corner. " Lin Junqin said to her.

Xu Xinyue stood up and Lin Junqin said, "it's a restaurant called Qushui. It's very elegant and tasteful. The food there is delicious."

"Well!"

Chapter 1460

Front door of Qushui restaurant.

A black domineering sports car and a Bentley almost hit each other, because both of them turned to the parking lot. However, the sports car was better than the others, and a charming noise was heard, so it drove to the direction of the parking lot first.

Xu Xinyue, sitting on the Bentley, frowned. Is that man in a hurry to reincarnate? Lin Junqin on one side of the face is not good-looking, which makes him in front of the girls, appears very low like.

Lin Junqin did not want to be outdone and quickly drove to the parking lot, and he stopped next to the sports car. He wanted to see how powerful the people were sitting in the mysterious window.

Xu Xinyue obviously looked at Lin Junqin and became angry. She said with a smile, "well, driving fast doesn't mean good driving skills! Don't get angry. "

Lin Junqin didn't fight for this moment, but he wanted to show his male style.

Xu Xinyue's door is just facing the door of the sports car. She reaches out and pushes the door of the sports car. The door of the sports car is pushed open at the same time. The two doors are so embarrassed that they collide with each other. Xu Xinyue breathes for fear of touching the paint surface.

The man stepped down with long legs, and Jun pulled his body out of the car. Xu Xinyue opened the door awkwardly and saw the man's face clearly. In an instant, her beautiful eyes widened.

How could it be?

He?

Gu Chengxiao?

When Gu Chengxiao closes the door, he glances at Bentley, but he finds the familiar face behind the window. His action of closing the door is stiff. However, his eyes notice the man coming down from the driver's seat.

"Mr. Gu?" Lin Junqin was full of resentment. When he saw the owner of the sports car, he was surprised.

"You eat here, too?" Gu Chengxiao squints his eyes, but he asks the girl who comes down from the co driver's seat.

"Oh! Yeah! My parents have dinner here with uncle and aunt Lin Xu Xinyue some dare not look at his eyes, must have been entangled with him last night.

"I was in a hurry. I'm sorry." Gu Chengxiao looks at Lin Junqin and apologizes for robbing his driveway.

"It's OK. It's OK." Lin Junqin or to this man, there is a disparity in strength, so, lower his head or accept.

"Are you late for your date?" If not, Xu Xinyue asked?

Gu Chengxiao intentionally answered, "of course, you can't let the beauty wait for me."

With that, he locked the car and walked towards the hall. Behind him, Xu Xinyue was filled with a sense of loss, beauty?

He had a date with a woman? No wonder you are in such a hurry!

Suddenly found that Xu Xinyue did not know this man at all. He had money. Naturally, there were women waiting to date him. Like his last night's means, he did not know how many women had used it.

"Xinyue, let's go!" Lin Junqin called to her.

Xu Xinyue followed him into the hall, just in front of the elevator door, waiting for Gu Chengxiao's figure. She bit her lip, deliberately close to Lin Junqin, as if she had deliberately pulled away from him.

Gu Chengxiao, with one hand in his trouser pocket, looks relaxed and lazy. He turns his head and glances at the woman standing next to Lin Junqin. It looks like a obedient little daughter-in-law.

Oh, I turned him down last night. Have you taken a fancy to this boy?

In the end, she cares that he has a child! Which single girl would like to marry a family with a son? Gu Chengxiao's thoughts flashed in his mind. He was not as calm as he was.

"Xinyue, after dinner in the evening, can I take you to a place to relax?"

"Where?" Xu Xinyue asked curiously.

"Electricity! My friend drives it. It's very relaxing there Lin Junqin looked at her with an expectant expression.

Xu Xinyue doesn't like lively, but she doesn't want to refuse. She answers, "OK! It's good to relax after dinner

Gu Chengxiao listened to their arrangement after dinner in his ears. As soon as the elevator arrived, he took the lead to step in and turned around. A pair of cold eyes locked in the face of the woman who came in. Xu Xinyue looked up and ran into his eyes. She naturally looked at him.

"What floor is Mr. Gu?" She asked in a strange way.

"The fourth floor." Gu Chengxiao replied.

Xu Xinyue pressed it for him, and they were on the fifth floor. Qushui is a very famous restaurant. On the fourth floor, there are halls and small boxes, and on the fifth floor are all large boxes.

As soon as the fourth floor arrived, Gu Chengxiao stepped out without saying a word. Xu Xinyue looked at his steps and didn't want the girl to wait for him for a moment! I can't wait.

Xu Xinyue and Lin Junqin walked into the box. The elders on both sides arrived and were chatting about the past. As soon as the elders of the Lin family saw Xu Xinyue, they immediately had an idea in their eyes. Isn't this what their daughter-in-law looks like?

"Come on, sit down, and I'll introduce you."

Xu Xinyue sat beside her mother and politely called, "Hello, uncle and aunt." "Ah! Xinyue, your mother and I are talking about you! It's as beautiful as I thought

Xu Xinyue smiles modestly. She turns her head and touches Lin Junqin's eyes. There is excitement in his eyes and a trace of shame.

Except for Xu Xinyue, all the other people had an idea for today's dinner, that is, to match up the young people, because the two families want them to be together.

Downstairs, Gu Chengxiao, who joined up with Mo Zeyang, was obviously unhappy and ordered wine as soon as he sat down.

"We haven't ordered yet! Just drink! Whether I want to drink it or you want to drink it! " Mo Zeyang is a bit depressed to find him to drink, did not expect him to be more active.

Although the relationship between Lin and Pei's family is not as strong as that of Lin's family, it is not as good as that of Lin's family.

It seems that their two families have plans for a blind date tonight, and that woman is so obedient to the scene, it seems that she has accepted the blind date?

Gu Chengxiao drank a glass of wine, the strong liquor into the throat, but more and more upset.

"Tonight
