

U. CEO Daddy 1471

Chapter 1471

Xu Xinyue flustered pushed away him, this man left, come back to do?

"You go." Xu Xinyue struggled with his arm, and still wanted him to leave in his heart.

"If I don't go, you can't drive me away." Gu Chengxiao low way, eyes lock her tears, distressed to the bone.

Looking at her such a painful look, his heart is also like a knife stirring general, he brought her such emotions.

Xu Xinyue also realized that this man is angry with himself. He is cheating himself on what he wants to buy a diamond ring for Xu an and what he wants to propose to her. Does he want to see her joke?

"You're an asshole." She reached out and beat him on the chest.

The man immediately took her hand, a deep smile, admitted, "yes, I'm an asshole, don't fight, careful hand pain."

Xu Xinyue was really angry, but the man took a look at her hand, then took out the diamond ring from his pocket and put it into her finger gently, "this is for you, don't take it off."

"I don't want it." Xu Xinyue doesn't want to take it.

"If you don't want to, throw it away!" The man said, pointing to the garbage can nearby, "throw it there."

How can Xu Xinyue throw it? This is 10 million in hand! This man really doesn't take money for money, does he? Xu Xinyue bit his lip and said, "I'll go and return it."

"No, either wear it or throw it, or you can't return it." A man's overbearing command.

At this time, Xu Xinyue feels that there is a car coming out of the house. Is it the elder brother or the father who wants to go out? She busily pulled up the man to hide in the shadow.

Gu Chengxiao immediately with the pressure of her in the shadow of the wall, Xu Xinyue afraid that he will be born, quickly put out his hand to cover his lips, do not allow him to make a sound, Gu Chengxiao but put her hand away, bent down, to lip block her lips, in this shadow, wantonly taste her sweet.

Xu Xinyue wants to cry. Is this man intentional? However, it has to be said that this man's kissing skill is good, her head is blank, even involuntarily embracing his neck, immersed in his deep kiss.

A kiss, make two people pant, Xu Xinyue tightly face buried in his arms, whispered, "you promised me, won't pester me, you don't mean what you say."

"Once I have you, I can't bear to lose again. Xu Xinyue, listen, I want you to be my woman and my wife. I don't care about everything else. I want you." Gu Chengxiao against her forehead, regardless of said.

"You... You don't want to be such a jerk."

"Do you love me, asshole?"

"I..." Xu Xinyue looked up, her eyes clearly said, she loves, loves this bastard.

The man's eyes flashed a smile, "I know your answer"

"I didn't even say that."

"But your eyes said it." The man said, kissing her beautiful eyes, "I like your eyes, very sexy."

Xu Xinyue's face became hot. Sure enough, this man has no skin and no face. He can say anything. Isn't he very cold?

"Go back! It's time for me to go home, too. " Xu Xinyue pushed him.

"Willing to let me go?" But the man raised the corner of his mouth and was unwilling to leave. He wanted to take her to a nearby hotel and make love again.

Xu Xinyue doesn't want her parents to find out. She still pushes him hard, "go quickly, don't make me angry."

Gu Chengxiao is afraid of her, had to raise both hands to do surrender, "OK, I go."

Xu Xinyue's eyes, watching him get on the car, watching his car go away, but her heart, but like empty, she clearly owned him, she regretted, regret these days of indulgence, she should not force himself even have no room to retreat.

When she got home, Mrs. Pei was watching TV in the living room. When she saw her coming back, she gently welcomed her, "how about it? Did you have a good trip? "

"Well, very happy." She laughed and lied to her mother that she was with her female friends, but she was still guilty in her heart.

"You should go out more. I heard that you are very busy recently. Don't strain yourself."

"I see, mom. I'll go upstairs and take a shower. I'll be with you later."

"Well! Go

Xu Xinyue returned to her room and went to the bathroom to take a bath. When she looked at the striking strawberry marks on her back, she sighed. Fortunately, she always told the man not to leave them on her neck. He was obedient and printed so many on her back. After taking a bath, Xu Xinyue quickly came down to chat with her mother. When she got to Lin Junqin, Xu Xinyue immediately said seriously, "Mom, I'm just a friend to him. Don't make us up any more. I'm afraid he will misunderstand me."

"What's the matter? You don't like Junqin? Do you have anyone you like now? " Mrs. Pei asked curiously. It's time for her daughter to get married.

"Well, I haven't yet." Xu Xinyue's subconscious denial.

"It's not urgent. There are many excellent children around my mother. My mother will introduce them to you slowly."

"No, mom. I don't want to get married yet. I just want to develop my career." Xu Xinyue said, anyway, her heart will not accommodate others.

"All right! I won't force you either

This night, Xu Xinyue felt very warm in her mother's arms, which also calmed her heart a lot. This night, she also lost sleep. In the past three days, she was hugged by him to sleep. Suddenly, she didn't have that pair of solid arms to hold her on her waist. She didn't adapt to it.

How is that possible? How can you be so dependent on him?

The next morning, Xu Xinyue went to visit her grandmother and aunt. In the afternoon, she went to the studio. She didn't want to throw away her work. No matter what, a woman needs an independent job.

Xu Xinyue is looking at the customer's demand, suddenly her mobile phone rings, she picked up a look, heartbeat, it is his.

"Hello! What's the matter? " She picked it up.

"I miss you. I want to see you right away. Do you miss me?"

"I don't miss you. I'm working."

"What do I want you to do? Do you have time in the evening? Have dinner together. "

"I go home for dinner in the evening."

"Where is it? In your shop? "

"No!" She was busy denying it.

But her tone soon made the man laugh. The more she denied it, the more she admitted that she was there. However, the end hung up.

Xu Xinyue happened to have something in her hand, so she forgot it. Until her office door was knocked, she answered and came in, and someone came in boldly.

"You..." Xu Xinyue stood up in fright, "Why are you here?"

The man closed the door of the office, straight over, holding her face, is a kiss, although pushed open, but still happy aftertaste of the thin lips.

Xu Xinyue's pretty face turns red. What's the matter with this man? Enthusiasm and initiative make her flustered, feel entangled, still can't get rid of that.

"I tell you! I said, "I won't be responsible." Xu Xinyue said domineering.

"I'm free anyway. How many times do you want to sleep? It's the kind of bag that comes to the door on its own initiative. " Men bully themselves.

Chapter 1472

Xu Xinyue looked at such a shameless man, she looked disgusted and said, "no, I don't want to sleep more for free, can you stop disturbing my work?"

Gu Chengxiao's face sank, and the woman even dared to dislike him. "When I sleep, I have to be responsible. Do you think it's so easy for me to get rid of him?"

Xu Xinyue really had some regrets. She knew that she would not sleep. The man's physical strength was so good that she collapsed. She really didn't want to do this kind of harmful exercise.

"Gu Chengxiao, we agreed. Don't be a rascal." Xu Xinyue said.

Just then, her assistant knocked on the door and said, "sister Xinyue, Xu An'an is here."

"What? What is she doing here? "

"She said she came to pick up the clothes you designed for her last time."

Xu Xinyue remembers the clothes she ordered last time. When she looks at the man beside her, she pulls him up in a panic,

If she wants to send him out, it's no good. In case she meets Xu an, it's over. Suddenly, her eyes look at the curtain beside her. The position behind the curtain is enough for Tibetans.

"If I hurt you, I'll hide myself." Xu Xinyue pointed at the back of the curtain and said.

Gu Chengxiao's face is so ugly that he is a big man hiding in the corner?

"No, unless you kiss me."

"Xu An'an is coming. You are still making trouble. Hurry up and get in." Xu Xinyue is anxious to get angry. What does this man want to do with her?

Gu Chengxiao suddenly embraces her waist and kisses her with thin lips. After a French kiss, she reluctantly goes in. Xu Xinyue's face is hot and her heart is in a mess. Even her body is in a rush of electricity. This man's kiss is really unbearable.

Just when Xu Xinyue saw that he was hiding, the door was suddenly pushed open. Xu an an didn't even bother to knock on the door and came in.

"What about my custom clothes? It can't be that it's not done well! "

"Yes, I'll ask the assistant to bring it to you." Xu Xinyue replied.

Xu an an's eyes stare at the suspicious blush on her face. She has to admit that Xu Xinyue is really beautiful, has temperament, and even has a rich family's aura. Thinking of her sudden noble life experience, she feels jealous from the bottom of her heart.

Xu Xinyue asked the assistant to pick up the clothes. Xu an hummed coldly, "have you seen Gu Chengxiao behind my back recently?"

Xu Xinyue's heart slightly tightens a way, "have no."

"He's my son's father. I don't want you to see him, do you hear me?" Xu an an a face anger way.

"Good! I don't see him Xu Xinyue's answer was straightforward.

But she didn't know what the woman meant when a man behind the curtain clenched his fist? For the sake of a word from Xu an an, she doesn't see him?

Xu Xinyue looked back at the curtain with a guilty heart, thinking that this man must be calm! Don't come out to scare people at this time.

"Guess where Gu Chengxiao and I got?" Xu An'an suddenly showed off with pride.

Xu Xinyue squinted and said coldly, "I'm not interested in understanding."

But she wanted to say, "we've already had the most intimate relationship."

Xu Xinyue's eyes glared at the direction behind the curtain and said, "is that right? Have you ever been to a movie? "

Xu an said more and more vigorously, "of course, he's great."

The man behind the curtain is speechless, and Xu an an even makes up rumors to damage his reputation.

At this point, Xu Xinyue thinks that she has the right to speak more than Xu An'an. She can see at a glance that Xu An'an is deliberately telling a lie. She calmly listens to it and says, "I'm not interested in your business. Don't say it again."

At this time, the assistant took back the clothes. Xu an an looked at the evening dress in front of her. Every one of them was of art level, but she said, "this skirt is so small, do you want me to wear it like this? How can I show off my good figure? "

"And this one, I seem to have said I want to open my back, but you didn't do it for me. Do you think I can't handle it?"

Xu Xinyue looked at her every kind of look, she suddenly sneered, "then cancel the order! I'll pay you the penalty. "

"You..." as soon as Xu an's face changed, if it was Xu Xinyue before, she would be waiting for her joke, but today's Xu Xinyue is supported by the whole Pei family, and she really can't stand it.

"I don't think it's my clothes that don't match you, it's you that don't match my clothes. It's really cheap to let them wear on you." Xu Xinyue sneered.

"Xu Xinyue, you dare to laugh at me." Xu An'an's face turned blue and red.

"Yes, do you want to wear the clothes I designed? Then you don't deserve it. " Xu Xinyue said, toward the assistant, "take away the clothes, take Miss Xu An'an down to get the compensation!"

Xu An'an was very satisfied with these evening dresses. She couldn't help shouting, "wait a minute, I'll just accept these clothes reluctantly."

"I will never wear clothes designed by Xu Xinyue for you in the future." Xu Xinyue was overbearing.

"Xu Xinyue, don't be too arrogant. You are a little designer. What qualifications do you have? I will sue you." Xu an an said angrily“ Please help yourself Xu Xinyue is really not afraid of her accusation, because before Xu An'an had too many unreasonable demands, she lost her due courtesy as a guest, and she has the right to refuse to serve her. Xu An'an was so angry that he left the door. The assistant also said, "sister Xinyue, I just can't get used to this kind of person." When the room was quiet, the man behind the curtain came out. His face was not very good-looking“ I have nothing to do with Xu an. " Gu Chengxiao explains, for fear that this woman will misunderstand“ I said, "I'm not interested." Xu Xinyue pretends not to agree. However, the man was very dissatisfied with her attitude. He held her in his arms and said, "Xu Xinyue, so far, I only have you as a woman, I can swear." Xu Xinyue was suddenly in a hurry and put her hand on his thin lip. "Don't swear, I believe you." The man's eyes flashed a touch of happiness, "so worried about my retribution?" Xu Xinyue

pushed him, "you should go." "We'll have dinner tonight. I'll take Xiaomu with me. " "Not so good! " "Why not? Xiaomu wants to see you more than I do! " Xu Xinyue is biting her lips. She still has a secret that she didn't tell him. Her son was born from her belly. Therefore, she is full of love for this child, as if she were her own " ok You can book a restaurant tonight. " Xu Xinyue can't help but want to see the little guy. Gu Chengxiao left first, Xu Xinyue's heart is complex, what is she and this man? Are you a cannibal? How long can this relationship last? Especially when Xu an knows, she won't give up.

Chapter 1473

In the evening, Xu Xinyue arrived at the restaurant as scheduled, and watched the little guy in the restaurant waving to her. As soon as she sat down, he ran from his position to her arms, hugged her and cried sweetly, "sister Xinyue, you are so beautiful today!"

"Yes?

Xiao Mu is also handsome

Xu Xinyue rubbed his hair with a smile.

The man's eyes watching this scene made him feel the warm picture of mother and son. He hoped that there would be three people in the family in the future.

When eating, Xu Xinyue takes care of the little guy, while Gu Chengxiao takes care of the dishes for them.

This scene was photographed not far away by a net red girl who clocked in. With a kind of show off mood, she posted a message on her personal micro blog.

"How happy! I actually met the boss of Gu's group, a family of three. "

The net red also showed his face, and secretly took a few photos of Xu Xinyue.

This net red is also more famous, driving fans power is also more powerful, just a few minutes after the release, some media smell the heat, but the media spread a news, Gu Chengxiao and Xu an's affair, now, Xu an's dream is broken.

Gu Chengxiao, a young business leader, has a new love. The media are trying to dig out Xu Xinyue's identity and background. Even some media have been waiting at the door of the restaurant for the first time.

But the most eye-catching point of this matter is that Xu an is not from a rich family. So, a hot search immediately rushed up, with a striking title, "first-line actress Xu an is not married to a rich family, President Gu is dating a mysterious new lover." Xu an was angry with Xu Xinyue today, and was very upset when she suddenly received a call from her assistant, asking her to see the hot search. Xu an turned on her mobile phone, Open today's hot search, her eyes widened, what do these media scribble?

As soon as she opened it, she saw the popular microblog reprinted by the media. In the photo, Gu Chengxiao and Xu Xinyue had dinner with their children.

Xu An'an's breath choked, and he gritted his teeth. "Xu Xinyue, you cunt, is going on a date with Gu Chengxiao behind my back?

With my son? "

I'm really mad at her. In this world, when a woman goes out with Gu Chengxiao, she's not so angry, but it's Xu Xinyue. It's an insult to her.

In the restaurant, after eating and drinking, three people come out. Xu Xinyue comes by taxi. At this moment, she also plans to take a taxi home.

"It's dangerous to take a taxi so late. I'll take you home.

"Yes! Sister Xinyue, you send me back to my grandmother's house, you can go on dating

Xu Xinyue said, "I... I didn't date your daddy!"

Gu Chengxiao thinks that his son's proposal is good, and he doesn't want to let this woman go tonight. Last time he said goodbye in the hotel, he was full of her figure. Once some people get involved, they will become addicted. If they don't touch her, he will go crazy sooner or later.

"Take Xiaomu back to my mother's house, and I'll take you home."

Gu Chengxiao said to Xu Xinyue.

Xu Xinyue thought that he would like to see her off, but she refused. The three of them got on the bus and took the little guy back to the house first. Xu Xinyue was embarrassed not to go in. After a while, Gu Chengxiao came out. He opened the door and sat up. Without the little guy, the atmosphere in the carriage suddenly became ambiguous.

"Take me home!"

Xu Xinyue said to him.

"It's still early. Don't you go for a walk?"

Gu Chengxiao looks at her.

Xu Xinyue couldn't look him directly in the eyes, "OK! Find a place where there is no one to relax and eat. "

Gu Chengxiao chuckles. It seems that he is not the only one who is reluctant to give up.

He immediately thought of a good place to take a walk. He drove to a riverside with few people. There was a long viewing corridor, which was brightly lit at night. It was the most suitable place to take a walk.

Xu Xinyue got out of the car and walked into the crowd with him, but they didn't know that there was a black business car following them all the time.

Xu Xinyue walked, a big palm some overbearing pull over, her heart beat faster, in the crowd, and he is so close to the feeling, really some do not adapt.

But the man's hand is very tight, and she can't earn it. She can only walk forward with him. As she walks, she comes to a romantic coffee shop by the river, which is an emotional coffee shop opened on the ship. Many lovers date in it.

"Let's go in and sit down."

Gu Chengxiao leads her way.

Xu Xinyue hasn't said anything yet. The man has already led her in. In the position here, there is only the innermost dark position. Gu Chengxiao is very happy in this corner. The two people order drinks. The tables are far away from each other, and there is a hazy veil in the middle, which is convenient for young lovers to talk about love, and even some close things to do together, Like kissing or something.

Xu Xinyue sits on the sofa, looking at the scenery on the boat. As soon as she raises her eyes, she bumps into a pair of deep and burning eyes on the opposite side. Her heart jumps. I don't know why, Gu Chengxiao's eyes seem to have a kind of power, lighting a fire on her body.

It made her think of the way he looked on the bed, and a sense of crispness ran through her heart.

Gu Chengxiao suddenly gets up and sits on her side, squeezing her against the wall and the window. Xu Xinyue is embarrassed. Now, if she wants to leave, she has to let him go.

"What are you doing here?"

Isn't it crowded? "

Xu Xinyue asked, biting her red lips.

The man supported his elbow and supported his beautiful chin. "It's not crowded. I like to squeeze with you."

Xu Xinyue directly felt the heat from him, burning her, and her hand was played by the man under his knee.

"Don't mess around."

Xu Xinyue's heart is really in a mess, and is melted by the feeling created by this man.

Gu Chengxiao suddenly pinches her chin and forces her to face him, and his kiss just comes over. Xu Xinyue is going to faint. Why is this man so enthusiastic in public?

Gu Chengxiao just no matter what location, what occasion, he just wants to do what he likes.

Gu Chengxiao is not an artist, but his reputation is no less than any artist. He has power, power and beauty. He has already gained a lot of fans, but tonight, how many girls will be broken.

This young and handsome president Gu fell in love, and his love for her was beyond expression. Even in such a public occasion, he was playing intimately. It can be seen how much he liked this girl.

Xu Xinyue refused at first, but this man's kissing skill is superb. Moreover, in this romantic coffee shop, it's very exciting to circle a small space and feel intimate with him.

Finally, Gu Chengxiao takes her out and goes straight to his car. Xu Xinyue's face is already red to the ear.

"Take me home."

"To my house."

The man turned his head and made a domineering noise.

"I don't want to go to your house."

"Then go to the hotel."

"You..." "anyway, I won't let you go tonight."

The man fell again, just like a predator, keeping an eye on her prey.

"Gu Chengxiao, don't push forward!"

"Don't you want to?"

The man suddenly leaned over and said, "I know you want me, too."

Xu Xinyue suddenly found that this man could see through all her thoughts. She did not deny that she had been kissing in the coffee shop on the ship just now. She was so proud that she was in love and dizzy.

"Go to the hotel!"

Xu Xinyue blushed and said, OK! She admits that she is also a visual animal. This man is charming tonight, which she can't refuse.

I just won't refuse.

The man's eyes flashed surprise, like a child who got a gift, so excited, his car immediately drove to a seven star hotel in the center of the city.

Chapter 1474

Xu Xinyue lowered her head all the way. When she handed her ID card to the man, she thought, cheating is no less than this kind of mood.

Mingming also knows that Xu an an has no relationship with him. It's legal and reasonable for him to be unmarried and unmarried.

In the presidential suite, when Xu Xinyue opened the door, the man took her hand and went in. Before she could put the bag in her hand, the whole person was pressed on the door by the man. With a warm kiss and a thick fire, she was about to burn.

"Well..." her bag could only be pitifully thrown to the ground, put her arms around the man's neck and responded positively to him. At this moment, she found that her heart was longing for him. She felt that her normal and serious side had been completely abandoned in front of this man.

This man is worth any woman, abandon shame, regardless of dignity in love with him, and even willing to lose everything for him.

The next second, she was carried to the shoulder by the man and walked towards the big bed. Xu Xinyue chuckled and beat his back angrily, "put me down, Gu Chengxiao..." the next second, she was thrown onto the soft bed impolitely by the man, which almost made her unable to lift it in one breath. But the next second, the heavy body of the man came down again, Directly one breath divided into two pieces to breathe, still not breathing Shun, the man's kiss came again, take away all her thoughts, make her in addition to feel the man's fierce, no other thought.

Xu Xinyue is very speechless. How did she not know this man's warm side before?

I thought he was a ascetic and cold man. Now it seems that the more ascetic he is, the more lustful he is.

Her waist, don't want it tonight.

Downstairs of the hotel, the paparazzi are looking at the results of tonight's battle. It's really very rich. Gu Chengxiao and his girlfriend are afraid that they won't come out tonight.

A night of sparkle with lightning, Xu Xinyue's waist, really want to scrap the state, but also because of this, sleep a tired and satisfied sleep.

The next morning, Xu Xinyue went to bed at ten o'clock. The bed beside her was pressed. The man had just taken a bath, and a beautiful face was pressed down. "Did you sleep well last night?

Have you recovered

Xu Xinyue stares at him immediately, "you are OK to say, how can your physical strength be so abnormal."

"I've repressed my enthusiasm for 27 years, and I've given it to you. Are you still happy?"

The man's deep smile, appears some hateful.

Xu Xinyue immediately felt sweet and asked directly, "so, you have no other woman except me?"

"So you should cherish my rare species."

A man doesn't mind this kind of thing at all. Before he meets her, he is not interested in any woman. After he meets her, he finds that he is not interested, but other women can't mention his interest.

Xu Xinyue chuckled and didn't want to discuss it.

Suddenly, the man asked gently, "what about you?"

Am I your first man? "

Xu Xinyue's breath was slightly short, and her hand blocked under her nightgown. Although the scar was not obvious, it was still there.

"If I say yes, do you believe me?"

Xu Xinyue looked up at him seriously.

"I believe it."

The man nodded, "so, I cherish you."

The expression of deep feeling comes suddenly.

There is a blush on Xu Xinyue's face. Sometimes, she really wants to tell him the truth that Xiaomu was born by her, but it must be a dark history that can't be told. She is afraid to say it, will it change her image in his heart?

Now, when she was with him, she didn't think about the result at all. In case their results were not together, there was no need to let him know.

Xu Xinyue got up and went to the bathroom. Then, he heard a cry of surprise, "Gu Chengxiao, you bastard, how do you want me to meet people and say that I don't kiss my neck..." the man not only kisses me, but also kisses me heavily, planting several strawberry prints.

Gu Chengxiao ha ha a smile, "still have the strength to curse, that has not drained you, today you don't want to go anywhere."

Xu Xinyue shrunk in the bathroom and stopped scolding so as not to offend the man. She didn't have a good life.

At 11:30, Gu Chengxiao took Xu Xinyue to lunch. At the front door of the hotel, the camera in the business car immediately shot with enthusiasm, and also captured the strawberry print on Xu Xinyue's neck with a high-definition camera.

Finally, he photographed the paparazzi in the whole process and started to open. He immediately started to publish from his private account, "the mysterious new love of the president of Gu's group, 12 hours of sweet date in the hotel."

After the release, it was reprinted together with several cooperative media, which became the headlines of entertainment media.

In the dining room.

Xu Xinyue is drinking tea, suddenly her mobile phone came a sound, she picked up a look is office assistant Xiao Wu.

"Hello, Xiao Wu."

"Sister Xinyue, where did you go on a date last night?"

Can we have wedding candy? "

Xu Xinyue said with a smile, "there is no such thing! I don't have a boyfriend yet! I'm single. "

The man on the opposite side stares at me. Does this woman open her eyes and tell lies?

He is such a big boy friend in front of her, she dare to say single.

"Ha ha, sister Xinyue, don't you watch the Internet news?"

Watch your face

Xiao Wu was laughing.

"What news?"

"You don't know! Then take a quick look! The whole process of your date with the president of Gu's group in the hotel has been secretly photographed. Now the whole world knows that you have a boyfriend, and you went to the hotel for a date last night. "

Xu Xinyue's face was red, and she felt the slapping sound on her face. Her face was hot and painful. She quickly hung up the phone and turned on the hot search. She opened the title that had risen to the second heat and fainted directly.

Last night, the pictures of her and Gu Chengxiao were photographed by paparazzi, and all of them were exposed on the Internet.

"Gu Chengxiao, I'm going to find this hot one."

Xu Xinyue anxiously handed his mobile phone to him.

Gu Chengxiao narrowed his eyes and said with a calm smile, "what's the hurry? I didn't make you very ugly! We're aboveboard. Don't be afraid. "

Xu Xinyue has been anxious to jump, and he even appreciated it. She gritted her teeth and said, "this is not the point. I don't want you to know our relationship."

"Our relationship is not shady. Sooner or later, it will be known to others. It's a big deal. It's better for us to get married and sit tight."

Gu Chengxiao opened his mouth seriously.

Xu Xinyue's mobile phone rings again, she answers, "Hello! Xiao Wu

"Sister Xinyue, have you finished your appointment?

Mrs. Li has been waiting for you in the shop for nearly an hour. When are you going back to the shop

Xu Xinyue's head suddenly grew big. She forgot to ask Mrs. Li to come to the store today to talk about custom-made clothes.

"OK, I'll be right over."

Xu Xinyue hung up and said to the man opposite, "can you send me back to the store? I have guests waiting."

"Good."

Gu Chengxiao nodded.

At this moment, the news has long been spread to Xu An'an. When she saw the picture of Gu Chengxiao and Xu Xinyue dating last night, she was jealous and crazy.

In the picture, Gu Chengxiao is the most enthusiastic person. Everyone can see that he loves Xu Xinyue to the core.

"Xu Xinyue, if you rob my man, I will destroy you. I want everyone to know that you are the third party, and you rob the man who should belong to me."

Xu an an stares fiercely, and her mobile phone is about to be broken.

Chapter 1475

Xu an an really can't stand this tone. She guesses that Xu Xinyue may be in her shop, and she doesn't dare to make trouble with the Pei family. She still goes to her shop with a fire.

But before looking for trouble, Xu an decided to disclose a piece of truth to the media. As Gu Chengxiao's son's mother, she no longer wants to bear it. She wants to tell the truth to the whole world. She needs external pressure to force Gu Chengxiao back to her side.

Moreover, she and Xu Xinyue used to be cousins, even if they were not close, but that relationship also had the power to block them from being together.

As an artist, Xu An'an knows how powerful the public opinion is. Even if Gu Chengxiao and Xu Xinyue don't pay attention to it, they will be ridiculed in their future life.

Xu an immediately made an appointment with a media reporter who had a good relationship with her, and added an interview temporarily. Even her agent didn't know that this interview was based on her recent new play, which could lead to the relationship between her and Gu Chengxiao.

When the reporter heard that she was about to burst out, he rushed to meet her with the camera on his shoulder. In the box of a private coffee shop downstairs, an interview began.

"Miss Xu, I heard that you have a five-year-old actor in your new play recently. How do you feel?"

"I feel very good. I like children very much. Children are as lovely as little angels to me. After all, I have had children myself. I have great experience in taking care of children."

"Then share with us what you learned from it?"

The author asked immediately.

With a smile and a gentle face, Xu an said, "today, I take this opportunity to announce a news to you that I have already had a child, who is also five years old."

"What?"

My God? Congratulations to the goddess. Who is the father of your child

She looked up and said, "my son's father is Gu Chengxiao, President of Gu's group. I hope you can bless us."

"Miss Xu, take the liberty to ask. I just saw a piece of news this morning. What's the relationship between Xu Xinyue and you?"

"I also saw that news. Xu Xinyue is my cousin. I am very sad to see that news. As my son's cousin, she has deeply hurt me with such behavior."

Xu an an immediately showed a painful expression, "I feel very painful in my heart, one is my cousin, the other is my son's father, I don't know how to face such a situation."

"Miss Xu, please be strong."

"I will be strong to face all this, thank you."

Xu An'an did not forget to create an image of a strong woman in front of the video. She showed a strong smile and said, "I hope you pay more attention to my new play. I will deal with my love life by myself. Thank you."

At the end of the shooting, Xu An'an was another face. She said to the reporter, "release it to me immediately."

"OK, Miss Xu, I'll release it right away."

Xu an an walked out of the coffee shop and sat in her car. She was waiting for the network storm for a while. Xu Xinyue, I'm waiting for you to be scolded miserably! Ten minutes later, the video was successfully released, and the title was even more eye-catching. "The film queen revealed her son's father's mysterious identity, and shameless Junior was actually her cousin."

This title matches Xu an an's original fame, and immediately rushes to the third place in less than half an hour. It goes up and down with the title of Gu Chengxiao and Xu Xinyue, which makes netizens eat a lot of melons.

Xu Xinyue was sent back to the store by Gu Chengxiao. She was receiving a distinguished guest. Just at this time, her assistant Xiao Wu hurriedly pushed the door in and said in panic in her ear, "sister Xinyue, take a look at the news. You've been scolded."

Xu Xinyue is just about to finish the reception. She smiles, "I'll see later. I'll confirm the order with Mrs. Li first."

Finally, it took ten minutes for Xu Xinyue to see Mrs. Li off. She picked up her mobile phone and sat on the sofa to brush. When she saw the news about Xu an, her head was blank for a few seconds. It was obvious that Xu an began to fight back against her relationship with Gu Chengxiao.

She even revealed Xiaomu and her identity, it seems that she has ignored her own image, bought tragedy on the Internet to revenge her.

Xu Xinyue is not a star, but at the moment, the comments attacking her identity on the Internet are very fierce, and almost any unpleasant words appear in the comments,.

What Xu Xinyue worries most at the moment is what her parents think when they see it. What she fears most is that her parents will be affected.

At this time, Xu Xinyue's mobile phone rings, her heart suddenly pulled up, she picked up a look, is the elder brother Pei Minghao call.

"Hello! Brother

Xu Xinyue picked up some guilty.

"Xinyue, are you and Chengxiao together?"

Pei Minghao's voice was gentle, and he didn't mean to blame at all.

Xu Xinyue decided to admit it boldly. It's at this point. She can't help but admit it. She nodded and said, "yes, brother, I'm with him."

"Don't worry about things on the Internet. I'll take care of them."

Pei Ming Hao will never allow his sister to be attacked.

"Brother, thank you for supporting me and understanding me."

Xu Xinyue said gratefully.

"No matter what you do, you are my favorite sister. My parents and I will support you and stand with you."

Pei Minghao said firmly.

Xu Xinyue's heart was warmed in an instant. Just now, she saw the comments on the Internet. Her heart is cool. Now, with the support of her family, she has the courage to face all the storms. She knows that with Xu An'an, she and Gu Chengxiao will encounter some hardships if they want to be together.

"Thank you, brother."

"Go home early today. Do you need me to pick you up?"

"No, I'll go home myself."

"Good! I deal with things on the Internet first. "

"Well!"

Xu Xinyue hung up the phone, she was a little tired, simply do not go to see things on the network.

Xu An'an's car has been parked outside the store. She comes in with high spirits and asks the clerk at the door, "is Xu Xinyue in?"

"Miss Xu, what can I do for you?"

Ignoring the reception of the shop assistant, Xu an walked to the direction of the stairs on the second floor. Behind her, there was a murmur of discussion, and many people were watching the crowd.

Xu Xinyue's story has been spread in the store for a long time. Now Xu An'an, the principal, comes to the store. How will Xu Xinyue, the third party, end up?

At the moment, there is a car coming here. Halfway through Gu Chengxiao's car, he receives a phone call from his assistant, saying that his son's identity has been exposed on the Internet. He saw the news about Xu An'an. He not only exposed his son, but also regarded Xu Xinyue as a junior, making her a target of abuse on the Internet.

His first thought was not to find Xu An'an's trouble, but he wanted to come to protect her. He knew that she was the one who suffered the most when he saw this news.

Chapter 1476

Xu Xinyue sits on the sofa with a big head and covers her forehead. Xu an's Revenge comes so quickly that she is totally unprepared. Even though Xu an knows Gu Chengxiao doesn't like her, she still stubbornly believes that Gu Chengxiao is her man.

Once Xu Xinyue did not dare to accept Gu Chengxiao, but also thought that he had feelings with Xu An'an. Now, Xu Xinyue is more aware that feelings are not something to be forced on, and Xu An'an can not blindly impose her feelings on Gu Chengxiao.

They all have the right to choose their lover. She has it, and Gu Chengxiao has it. If Xu an wants to vent her anger, she will bear it.

Xu Xinyue is fretting. Suddenly, Xiao Wu's voice comes from outside the door. "Sorry, sister Xinyue is not in the office... Please leave."

"Get out of here!"

An unhappy female voice cheered, followed by Xiao Wu's painful voice, "how can you hit people?"

"Who let you get in my way."

Listening to this voice, Xu Xinyue immediately stood up and Xu An'an came.

"Sister Xinyue, she's not here..." Xiao Wu tried to block it, but Xu an an had already pushed the door of the office open.

Xu Xinyue's eyes and her direct relative, a pair of angry, a pair of calm to, Xu Xinyue toward Xiao Wu way, "Xiao Wu, here to me to deal with, you go out!"

"Sister Xinyue, be careful!"

Xiao Wu said worried and closed the door.

Xu An'an bit his teeth and stared at him like a poisonous snake. "Xu Xinyue, you are so shameless. You dare to seduce my son's father. Do you really think that Xu An'an is such a bully?"

"I think you have misunderstood that Xiaomu is your son, but Gu Chengxiao doesn't belong to anyone. He has the right to choose who to be with. Similarly, I have the right to choose who to be with him."

"Shut up. Gu Chengchao is the father of my son. Do you think I will allow you to be the mother of my son?"

Xu Xinyue, any woman in the world can, but you can't

Xu An'an shrieked, showing her mad mood.

Xu Xinyue calmly looked at her, "why can't I?"

"You just can't, because I hate you, I want you to die, I will never let you become my son's stepmother, when you become my son's mother, you will certainly abuse him every day, beat and scold him, you hate me, you will also spread these resentments on my son."

Xu an an deliberately said something to stimulate her, even if she knew Xu Xinyue would not, she would say it.

Xu Xinyue's heart suddenly clenched, she quickly explained, "Xu An'an, I can promise you, I will never abuse Xiaomu, even if I am not his biological mother, I will take good care of him."

Downstairs, a man's figure came in quickly. Xiao Wu just had a drink of water. He was almost scared to come out. Why did the hero come too?

"Mr. Gu, you are here."

"What about Xinyue?"

"She's in the office, as well as... And Xu An'an is also here. You can go up and fight quickly."

Xiao Wu said to him.

Gu Chengxiao's heart instantly tightened. He stepped up the stairs with long legs and went up the stairs in three steps.

At the moment, Qiao Shiruo's words just fell, which triggered a roar from Xu An'an, "shut up! You think I'll believe it?"

Believe you will be a good mother?

You are all pretending in front of Gu Chengxiao. Don't think I don't know. "

Xu Xinyue really has a headache. She knows that no matter how she explains it, it's impossible for Xu An'an to believe it. She doesn't want to explain at all. There's no need to let her know what kind of person she is.

"Xu an, I know what kind of person I am. I don't need you to question me here."

"Xu Xinyue, I warn you, you'd better stay away from Gu Chengxiao. No matter whether you go to bed or not, I'm not allowed to get married or be my son's stepmother. Otherwise, I'll certainly ruin your reputation."

Xu An'an coldly threatened.

"I'm sorry, it's my own choice whether or not to marry or who to marry. Except my parents can interfere in my marriage, you have no right to interfere in my life."

Xu Xinyue is fed up with the tyranny of Xu An'an. She grew up under her pressure. She didn't know how to resist before. Now, she doesn't want to endure her any more.

"You..." Xu an was gnashing her teeth.

Xu Xinyue couldn't help but approach her step, seriously staring into her eyes and said, "no matter what, whether you believe me or not, I still want to tell you that although Xiaomu is your son, he was born by me. He is a child who shares ten months of heartbeat with me. My generation will love him and take care of him."

They didn't find that the door behind them was pressed, and someone wanted to come in, but for some reason, the man didn't come in immediately.

The man outside the door, the whole person froze, Gu Chengxiao can't believe listening to Xu Xinyue's words just now, dark pupil contraction, his son is she born?

"You are very proud, aren't you?"

How dare you show off this kind of scandal?

You use your stomach to give birth to a baby for me. How mean you are

Xu Xinyue's heart was stabbed. She pursed her lips and laughed, "no, I'm honored to have a lovely child like Xiaomu, and I don't regret having a child for you."

"Shut up, don't make my son look like you. Xiaomu has nothing to do with you. Even if you give birth to him, you are still an outsider."

Xu An'an reminded her with a sharp and mean tone.

Xu Xinyue took a deep breath, "I don't need your reminding. Xiaomu is a sensible and clever child. I like him very much."

"Don't like my child, I don't want you to like him, Xu Xinyue, how far you will go in the future, or I will..." while Xu an was talking, she took advantage of Xu Xinyue's inattention, and she directly raised her hand, intending to slap her in the face.

Xu Xinyue looks at her raised hand. She knows she can't hide it. She instinctively hugs her head. But just when she thinks this slap will come down, she doesn't come down after waiting for a while. She immediately looks up at Xu An'an.

She was surprised to find that Xu an an's arm had been buckled by another powerful big palm. No matter how hard she tried, she couldn't wave it down.

Xu an turned to look at the man who suddenly appeared. She was startled and quickly pulled back her hand. "Chengxiao, you're here. I didn't want to hit her. It's her... She's always angry with me. I can't help it..." after hearing this, Xu Xinyue just wanted to laugh. How is Xu an famous for this play?

"Xu an an, you dare to hit her."

Gu Chengxiao shakes off her hand and gives a warning.

Xu An'an chokes back two steps and looks at Gu Chengxiao in front of Xu Xinyue. She gasps, "Chengxiao, I'm the victim."

Xu Xinyue looked at the man's straight back. She put her hand around him and said to Xu'an, "Xu'an, please see clearly, he is my man."

Chapter 1477

Xu an's heart shrinks violently with anger. She takes a step back. But the next second, she rushes to Gu Chengxiao again and says with tears in her eyes, "Chengxiao, Xiaomu is our child. I'm Xiaomu's biological mother."

Gu Chengxiao stares at her coldly, scolds a way, "you don't deserve to be the mother of Xiaomu at all."

"Xu Xinyue is acting. Do you think she might really love my children?"

If you marry her, she will abuse Xiaomu in the future. I'm the only one who really loves him. "

Xu An'an screamed madly. She was really mad.

Gu Chengxiao's indifferent eyes turned around and became very gentle. "Xiaomu was born to you. Why didn't you tell me all the time?"

Xu Xinyue knew that he heard it outside the door. She bit her lip. "I dare not tell you."

Gu Chengxiao's eyes locked her deeply and said from the bottom of his heart, "you don't know how surprised I am. It turns out that Xiaomu still has this relationship with you. No wonder he likes you so much."

On one side, Xu An'an's eyes widened. Looking at Gu Chengxiao, not only did she not look down on Xu Xinyue, but also thought it was a surprise?

"Chengxiao, but the child is mine! It's me and you. What does it have to do with her? "

Xu An'an complained.

Gu Chengxiao turned his eyes and suddenly became cold. "She was pregnant and gave birth to Xiaomu in October. How could it not matter?

In my heart, she is also Xiaomu's own mother. "

This sentence shocked the two women at the same time. Xu Xinyue's eyes looked at the man around him, and his heart was touched.

Xu An'an is unwilling to stare at Xu Xinyue and says to Gu Chengxiao, "now the whole world knows that Xiaomu is your child and I. if you want to marry her, are you not afraid of other people's gossiping?

She's still the adopted daughter of my aunt and uncle. "

"The only thing I'm afraid of is losing her. Do you think I'll care about worldly eyes?"

Gu Chengxiao doesn't think so. His tone is domineering and rebellious.

Such a man, make Xu an heart, also make her heart broken, she almost want to bite a silver tooth,
"where is she better than me?"

Where on earth can't I compare with her? "

Xu Xinyue's eyes, has been falling on the man's perfect side face, her heart was moved again and again, her tears in her eyes, for nothing else, just for his words just now, she suddenly felt that her whole body was full of courage, why should she care about other people's eyes?

As long as you can be with him, what if you are against the world?

As long as he loves her.

"Don't you understand, Xu an?"

Love can't be forced. Chengxiao doesn't like you, so don't pester him any more. "

Xu Xinyue frowned and said, "I don't want to make it too embarrassing when I read about our relatives."

"Xu Xinyue, do you think I will appreciate you for pretending to be kind and good at this time?"

No, I hate you. I hate you all my life. Xiaomu is my son. I will never give up. I will pester you all my life. When Xiaomu grows up, I will tell him how you bully my biological mother. "

Xu An'an threatened.

Gu Chengxiao had already been bored, he said coldly, "have you finished?"

Then you can go away. "

"Chengxiao, you..." Xu An'an didn't expect to be treated like this.

"With your attitude towards Xinyue, I'm polite enough to treat you like this. In the future, if you dare to make rumors on the Internet, I will never let you go."

Gu Chengxiao finished, opened the door and said to Xu an, "let's go! Don't let me see you again. "

In the end, she was driven out. She stood at the door, listening to the closed door, biting her lips in pain and leaving.

Xu Xinyue was suddenly a little tired, so tired that she sat on the sofa and held her forehead. Gu Chengxiao immediately went to hold her, "what's the matter?"

"Do you think I will hurt Xiaomu?"

After all, Xu an is Xiaomu's biological mother. "

Gu Chengxiao frowned, "but in my heart, you are more like Xiao Mu's mother than Xu an. He not only looks like you, but also likes you very much."

"Maybe I gave birth to him! When I was in my stomach, I said a lot to him, ah... "Xu Xinyue thought that she had done fetal education seriously and talked with the little guy in her stomach. Now, I think it's silly“ Do I really look like Xiaomu? "

Xu Xinyue tilted his head and asked curiously.

What Gu Chengxiao looked as like as two peas in her eyes, and his eyes were very similar to his son, he nodded earnestly. "Like, like a very small animal, why did you give birth to the herding in the past? I want you to tell me seriously."

Xu Xinyue thought about it and recalled it. Once she did not dare to show it to others because it was her black history. Now, she wants to tell the person concerned about it. It's really changeable“ ok I needed a million dollars to operate on my grandmother, and I took the job

"Are you sure you gave birth to Xu An'an and me?

Is it possible that Xiaomu was born to you and me? "

Gu Chengxiao guessed.

Xu Xinyue glared, "is it possible?

It's not very scientific! You were dizzy at that time

Gu Chengxiao couldn't help laughing, "what do you think! I'm talking about whether the doctor is wrong

Xu Xinyue once again fell into memory and said, "I don't know. I was also in a daze. I remember that day, I slept in the hospital bed for a long time, about four or five hours!"

Gu Chengxiao is making a decision in his heart. No matter what, he will give Xiaomu and her a DNA test. Only after the test can he know whether he hopes Xiaomu is their child more than anyone else. In this way, Xu An'an won't have to appear again.

"Are you free tomorrow?

Go with Xiaomu to do DNA and test it. "

"Well, I know it's impossible, but I still want to check it."

Xu Xinyue nodded, she knew that the result would be disappointed, but if he insisted, she would cooperate with him.

On the Internet, all the topics about Xu Xinyue have been cleared, which is Pei Minghao's means. He will never let others abuse his family.

Xu An'an originally wanted to see how miserable Xu Xinyue was, but she didn't want to find one when she went online. She immediately called the media and asked them to buy hot search again to expose the incident.

"Sister An'an, what is the origin of Xu Xinyue? We have spoken from above. We can't let go of any topic about Xu Xinyue in the future."

"What?"

Now it's a free society. Why don't you dare to let it go? "

"It's said to have been warned! I'm sorry! "

That end finished and hung up.

Xu an is so angry that she throws her mobile phone into the co driver's seat. Xu Xinyue now has a strong family background and Gu Chengxiao's thick thigh. The more she thinks about it, the more angry she is. She really wants to find some way to destroy her.

Chapter 1478

Xu Xinyue and Gu Chengxiao leave the store together. Although there are some strange eyes behind, Xu Xinyue doesn't matter.

"I must tell my mother about this. Go back to my mother's house for dinner in the evening."

"Ah?"

Xu Xinyue was immediately frightened.

"This matter is to tell my mother and your family that you gave birth to Xiaomu."

Gu Chengxiao's eyes are full of encouragement.

Xu Xinyue took a deep breath. It seems that she had to tell her family about the birth of Xiaomu.

Gu house.

At the beginning of the Lantern Festival, Mrs. Gu received a call from her son to invite Xu Xinyue home for dinner tonight. She immediately asked her servant to prepare a big dinner. She vaguely felt her son's feelings for Xu Xinyue. It seems that she can't force her son to marry Xu An'an.

Gu Chengxiao's car drove into the gate of Gu's house an hour later. Xu Xinyue got off the car. Gu Chengxiao stretched out his hand and naturally led her to the direction of the hall.

Mrs. Gu is preparing the fruit. She is surprised to see her son leading Xu Xinyue in. She greets them with a gentle face, "Xinyue, you're here, come here, I've prepared the fruit."

"Thank you, auntie."

Xu Xinyue is a little embarrassed. She doesn't know if Mrs. Gu will mind her relationship with Gu Chengxiao.

"It's too late for me to be happy that you can be a guest at home! Chengxiao, greet Xinyue quickly. "

"Mom, I've decided to be with Xinyue."

Gu Chengxiao's voice is very direct.

Mrs. Gu's eyes overflowed with a smile. Her son was so impatient that he didn't prepare for her, so he told her about it.

But fortunately, she found out before, so when she heard the news, she accepted it.

"I can see that you like Xinyue very much. I'm very happy to see you together."

Mrs. Gu said, looking at Xu Xinyue, is already looking at the future daughter-in-law's happy eyes.

Xu Xinyue sat on the sofa in shame, "where's Xiaomu?"

"He's playing LEGO upstairs! The child fell into raptures as soon as he began to play

"Mom, do you know who gave birth to Xiaomu?

"Gu Chengxiao asked his mother.

Mrs. Gu was surprised. She really didn't know about it. At that time, her son didn't wake up and she was too busy. She was afraid that she would leave everything to Xu Jingya after the break. Therefore, she didn't know much about who gave birth to the child.

"It's Xinyue."

Gu Chengxiao announced the answer directly.

Mrs. Gu suddenly looked over, both distressed and shocked, "what?

Is Xinyue your little shepherd

"Yes, it was me. When I needed money, I agreed to my aunt's request."

"Ah! It's really hard for you. You are still a big yellow girl. You gave birth to Xiaomu

Mrs. Gu's eyes were red, and she was grateful and distressed from the bottom of her heart.

Xu Xinyue was not wronged at all. On the contrary, the pregnancy was also a kind of life experience for her.

"Mom, is it possible that Xiaomu is a happy child? I think Xiaomu looks very similar to her, but has nothing in common with Xu An'an."

Gu Chengxiao asked his mother.

Mrs. Gu was surprised, and then she looked at Xu Xinyue carefully. She saw the similarities, "yes! Xinyue and Xiaomu are really similar. No wonder it's because Xinyue gave birth to Xiaomu? "

"Did the hospital cheat in those years?"

"Well, I was totally devoted to you. I didn't take part in that. I knew earlier that I had chosen Xinyue."

Mrs. Gu sighed, thinking that her son had been dizzy for half a year, and that she was guarding such a big family business, and there was no help everywhere, she felt a kind of sadness in her heart.

"I decided to take Xinyue and Xiaomu to check the DNA. No matter what the result is, I want to have a try."

"If those doctors used to cheat, they didn't have the courage to tell me that it's not impossible. Go and have a test tomorrow!"

Mrs. Gu also supports her son in doing so.

"Sister Xinyue, here you are."

On the stairs, a little cute girl in a plaid suit ran down in a hurry and rushed directly into Xu Xinyue's arms. Xu Xinyue hugged him and said, "do you miss me?"

"Yes."

Little guy nodded his head, under the light, and Xu Xinyue's eyebrows are really like seven points.

Gu Chengxiao looked at them and felt that they were just like mother and son. Therefore, he had great expectations for tomorrow's results.

At dinner, the little boy was sensible for the dishes of Xu Xinyue, and at the same time, he looked at Gu Xiao Dao. "Daddy, we have children's Day performances on June 1, can you watch my performance with my sister," everyone else calls daddy mommy together.

"Good! We must go to see your performance. "

Gu Chengxiao promised to come down.

Xu Xinyue also nodded happily, "OK, I will be there."

"Yes! Then I have daddy and Mommy. "

The little guy said excitedly, very proud.

"But can you go to a place with Daddy tomorrow morning?"

"Where?"

"Go to the hospital."

"Do you want an injection?"

"No, just prick your finger. I want to do a DNA test for you and your Xu Xin to see if you have a mother child relationship."

"Really?"

Is sister Xinyue my mommy? "

"All the results will be determined after tomorrow's test."

"Well, I'll go."

The little guy is not afraid of pain.

After dinner, Gu Chengxiao sends Xu Xinyue home. On the way, Xu Xinyue thinks that her parents must also be waiting for her at home. She must go back and explain.

At the door, Gu Chengxiao watched her go home, "go in! I'll pick you up tomorrow morning. "

Xu Xinyue nodded and pushed the door in. In the hall of Pei's family, a couple of Pei's were sitting. Looking at their daughter, they were all worried.

"Xinyue, are you ok?"

"Dad, mom, I'm fine."

"Today, your brother said that Xu An'an made rumors and insulted you on the Internet. We are worried about you!"

"Don't worry about me. I'm going to tell you about it."

Xu Xinyue embraces them and sits on the sofa. She seriously tells us the cause and effect, and even the birth of Xiaomu.

Mrs. Pei has tears in her eyes, excited and distressed. She was the little princess they held in their hands, but she was forced to give birth to a son for her because of her life. This kind of pain is like a knife cutting in their heart.

"Xinyue, mother's baby daughter, mother should not have lost you in those years. It's mother's fault to let you experience such a painful life."

Mrs. Pei hugged her and cried to remorse and regret.

"Don't worry, mom. I'm fine."

Xu Xinyue is busy comforting her mother, listening to her experience is very miserable, but she has never regretted giving birth to Xiaomu.

Pei's father's eyes are particularly self reproach, if only he could find his daughter earlier.

"Did Cheng Xiao decide to be responsible for you?"

Pei's father asked in a deep voice. He was angry about taking care of his family.

Xu Xinyue felt her father's emotion. She quickly turned around and looked at him placidly, "Dad, don't be angry. It has nothing to do with taking care of the family. Without the million yuan in those years, my grandmother couldn't make a heart stent at all. Now, he and I really love each other. It's what you want."

"Chengxiao is a good child. He is also full of disasters. When there was a car accident, his mother was supporting him. Now he has recovered."

Pei Mu sighed.

"It's fate, isn't it! Let me meet him again. I also love Xiaomu. In my eyes, he is my own child. "

Chapter 1479

After listening to their daughter's story, the Pei family have a special feeling for Gu Yimu. Anyway, they treat Gu Yimu as their grandson.

In the evening, Xu Xinyue is lying on the bed, recalling the past in her mind. There are bitterness and sweetness, but she doesn't regret it. Just at this time, video sound comes from her mobile phone.

She reached out and picked it up. It turned out that it was from a man. She reached out and opened the video. As soon as the man at that end appeared, she covered her eyes. "Hey, how come you're not dressed?"

"Why are you ashamed?"

Aren't you familiar with my figure? "

The man bares the upper half of the body, six chest muscles are exposed generously, the sharp shoulder and neck line and clavicle are more silent and sexy.

Xu Xinyue looked at him, ink hair or wet, should be just had a bath, she had to look at him shyly, "how did you not sleep?"

"I can't sleep. I miss you."

Men's thick eyelashes cast fan-shaped shadow, more and more pupil dark blurred.

Xu Xinyue's heart not from crisp for a while, she is also in front of the camera, looking for an angle to take a good-looking look at herself, a set of champagne colored pajamas, long hair is scattered, hair wrapped in a big white face, warm yellow light sprinkles on her face, creating a sense of atmosphere, breath, very beautiful.

"Are you trying to seduce me?"

The man made a low voice.

"No, I'm looking at myself."

"I like everything."

The man chuckled and said he was very satisfied with her.

Xu Xinyue's face is a little red, the man's tone is a little ambiguous, she gathered up a long hair, hair root clear vent, the opposite man can't stop looking, "I want to play with your hair, want to see my body?"

Xu Xinyue face more red, overbearing voice, "no, you can't play off, this is the network, your body only for me to see, not for others to see."

The man's throat rolled out a string of deep laughter, "OK, just for you to see, also for you to use."

Xu Xinyue looked at the time. It was almost twelve o'clock. She said, "sleep! Don't stay up late. You're going to take us to the hospital tomorrow morning! "

"Give me a kiss."

Xu Xinyue across the screen, but also more open, she toward the screen Bo, the end of the man is particularly satisfied with the smile, Xu Xinyue here to hang up the first.

After hanging up the phone, Xu Xinyue lies down. For a moment and a half, she will still be someone's figure. Is this man intentional?

early morning.

Xu Xinyue heard the vibration of the mobile phone, and she picked it up vaguely, "hello."

"I went out with Xiaomu. Did you get up?"

"Eh?"

What time is it? "

"Nine o'clock."

"I overslept. OK, I'll get up right away. Come on!"

Xu Xinyue quickly got up with a handful of long hair. For convenience, she wore the simplest T-shirt with jeans, tied a ball, and her broken hair fell down, which added a bit of girlishness and vitality.

She came to the hall, ate breakfast in a hurry, said hello to her parents and came out. Ten minutes later, a black SUV stopped.

The little guy sat on the children's chair, good-looking and handsome, "sister Xinyue, get on the bus quickly!"

Xu Xinyue immediately opened the door and got on the car. Gu Chengxiao's car went to the hospital under the name of Gu group in the center of the city.

As the largest shareholder, the hospital naturally did not dare to neglect. Even the vice president personally accompanied him. Xu Xinyue and the little guy pricked their fingers. The little guy was very brave and didn't hum.

"When will the results come out?"

Gu Chengxiao asked.

"I'll get them to come up with the results as soon as possible, about half an hour."

"Don't worry. Let's find a place to have lunch first" Xu Xinyue said, maybe she didn't want to let him down too much.

Gu Chengxiao saw that it was time for lunch, so he ordered a nearby restaurant for dinner. Xu Xinyue was a little disappointed. She was a personal experience in those years, so she knew very well that her relationship with xiaomuhe would not become a parent-child relationship.

Just to satisfy Gu Chengxiao's idea.

In the dining room, Xu Xinyue took care of the little guy, carefully peeled shrimp and made shrimp line for him. At this time, a mother at the side table enthusiastically asked, "Miss, how old is your son? He looks so tall!"

Xu Xinyue a Zheng, not easy to explain her, then returned a sentence, "already full of five years old."

"My family is five years old, but not as tall as yours. Your son is so handsome."

The mother looked at Gu Yimu enviously and raised him well.

"Your family is also very handsome!"

Xu Xinyue quickly praised.

"Your son, like you and my son, says that his son looks like his mother. It's true."

The mother took another word.

Xu Xinyue a e, she and the opposite man looked at each other, Gu Chengxiao nodded, "you and Xiaomu really like!"

Xu Xinyue looks at the little guy and thinks, does he have similar genes?

After dinner, it's almost two o'clock. They go back to the hospital to get the results together. When they walk into the elevator, Gu Chengxiao finds out the quiet of the girl beside him. He comforts, "no, it doesn't matter. You and Xiaomu are already mother and son in my eyes."

Xu Xinyue blinked, "I'm ok, let's see the result!"

In the doctor's office, the result has come out. The doctor took a look at Xu Xinyue, and then at the young master of Gu family. He handed the result to Gu Chengxiao, "young master Gu, please have a look. If you have any questions, you can come to me at any time.

"With that, the doctor went out without saying anything. Gu Chengxiao took out the report. His eyes fell directly on the column of the result. The black words in the column said, "the identification result is the blood relationship between the two."

Gu Chengxiao's pupil suddenly opens big, he carefully confirmed again, suddenly broke out laughing, "ha ha!"

Xu Xinyue looks at his ecstatic expression. She reaches for the report in his hand and looks at the result. Instead, she is shocked and aphasia. What's the matter?

How to identify the result is the relationship between mother and child?

Is there a mistake?

At that time, it was clear that Xu An'an was adopted. Why was she a biological mother?

"Did you bribe the doctors here to cheat me with the result?"

Xu Xinyue looks at Gu Chengxiao and asks eagerly.

Gu Chengxiao raised a pair of excited and ecstatic eyes, looking at her, "I didn't, I didn't bribe the doctor to cheat you, this is the real result."

"No way, Xiao Mu is Xu An'an's child. How could it be your child and me?"

Xu Xinyue was stunned.

"Daddy, what are you talking about? Is sister Xinyue my mommy?"

Gu Yimu asked pleasantly.

"Doctor, please come here."

Gu Chengxiao called the doctor.

When the doctor came in, Xu Xinyue rushed over, "doctor, is this appraisal report really right?

Is Xiaomu and I a natural mother child relationship?

Are you mistaken? "

"Miss Xu, you can't be mistaken. You and young master Gu have a mother child relationship."

The doctor was very sure.

Gu Chengxiao already figured it out, his handsome face sank, "the result will not be wrong, so the wrong people are those doctors, they cheat, they use you instead of Xu An'an, gave birth to a child for me."

"It's very possible that if the young lady's egg can't be used during the operation, you can directly exchange it for Miss Xu's, but they didn't tell you."

"What?"

Xu Xinyue was excited and shocked. She turned to look at Gu Yimu beside her. Tears fell like rain. She hugged the little guy tightly and sobbed, "you are my child, you are my son, Xiaomu."

Gu Chengxiao clenched his fists. He was very angry with the doctors who operated on him in those years. This matter was hidden for so long. Why didn't he tell the truth in those years?

"Sister Xinyue, in my eyes, you have always been my mommy!"

Gu Yimu sniffed and wiped her tears.

Gu Chengxiao listens to his son's words, and then thinks that from beginning to end, his son's mother is Xu Xinyue. Xu an is rejected by his son from the beginning. It turns out that in his son's subconscious mind, he recognizes his mother correctly. It's him who is stupid and has never found out. Gu Chengxiao's heart is filled with strong guilt.

If we found out earlier, why did he and she have to go through so many twists and turns?

He married her home long ago.

Xu Xinyue wept with joy. She never thought that God had given her such a big surprise. It turned out that those doctors spent four or five hours in the operation, and they were actually changing eggs. They changed her eggs without her permission.

But anyway, the doctors gave her such a big gift.

"I won't let go of any of those bastard doctors."

Gu Chengxiao gritted his teeth and drank angrily.

Xu Xinyue wiped her tears and stood up. She reached out and held his arm. "Anyway, although they are hateful, I don't hate them now. Without their decision in those years, maybe Xiaomu will be the combination of another woman and you. I didn't have the qualification in those years."

Gu Chengxiao's anger dissipated little by little. Those doctors didn't tell them the truth, but they didn't dare to say it, because Xu an was paid by his mother, and they also did business with the money.

"All right! I can not hold them responsible, but I want them to come forward and make it clear to the Xu family that Xiaomu has nothing to do with them. "

Gu Chengxiao finished and pressed the girl in front of him into his arms. His voice was hoarse and said, "it's my fault. I should have suspected your relationship with Xiaomu. You are so similar."

It was he who ignored it. When he saw Xu Xinyue for the first time, he thought she was like a son. He was so stupid that he didn't do the identification earlier.

"It's not too late. It's just the right time."

With tears in her eyes, Xu Xinyue smiles. The little guy runs over and hugs them. "So, I'm going to call Xinyue sister Mommy!"

"Yes, she is your own mother!"

Gu Chengxiao looks down at his son.

Chapter 1480

Coming out of the hospital, Gu Chengxiao takes Xu Xinyue and his son home to meet his mother. In order to surprise his mother, he doesn't call in advance.

As long as Gu stops the red light, he can't help looking at the mother and son in the back seat from the rear-view mirror. The ecstasy he never had is surging in his heart. God has brought him the biggest surprise.

The son's mother is not Xu An'an, it's her. It's a dream.

Xu Xinyue is in the same mood. She holds the little guy in her arms and tears are rolling around her eyes. Her son, this is her son. Those doctors didn't tell her that.

But if I told her that maybe she couldn't give birth to this child, Xu an an and they would not allow her to give birth to it for a long time. In those years, they just took a fancy to the family property and wanted to give birth to this child. So, heaven seemed to be protecting their mother and son.

Although it was a little late, in Xu Xinyue's heart, I still thank God for letting her know the truth.

During her time abroad, she often thought about this child. Even if she was far away, she could feel the warmth with this child. It turned out that this was her son! Gu house.

Mrs. Gu was chatting with the servant. She was surprised to see three people coming in hand.
"Chengxiao, Xinyue."

"Grandma, grandma, I have good news for you."

The little guy was so happy that he ran to Mrs. Gu's arms.

"What's the good news? Tell Grandma."

"Grandma, you don't want my dad to marry another woman any more, because my real Mommy is by my side."

"What did you say?"

Mrs. Gu was stunned for a moment.

Gu Chengxiao sat down and handed the DNA identification report to his mother, "Mom, those doctors cheated you in those years. The real provider of eggs is not Xu An'an, but Xinyue."

"What?"

Mrs. Gu looked at the report in shock, and looked at Xu Xinyue in disbelief, "Xinyue, how could it be you?"

"It was the doctor who used my eggs while I was in a coma. Auntie, I'm sorry."

Xu Xinyue is sorry, but Mrs. Gu chose Xu An'an.

"Mom, maybe it's the mismatch between Xu an and me. Those doctors use Xinyue for money. Anyway, this is the result I want most."

Gu Chengxiao can't hide his excitement.

Mrs. Gu's good temper was about to come out. She patted the table, "those doctors dare to be so reckless. Anyway, they should tell me, let me know the truth earlier! I won't treat Xinyue badly for so long. "

"Auntie, although I recognize Xiao Mu Xiang a little late, it's OK, as long as the truth is revealed."

Xu Xinyue comforted.

"It turns out that Xiaomu always knew that you were his mother, so when I arranged for Xu An'an, I was not happy. My Xiaomu was really smart."

Mrs. Gu put her arms around her grandson and gave her a kiss.

"Because I know who is good to me."

The little guy nodded his head. Xu An'an just pretended to like him. In fact, she didn't have the feeling that a mother loved a child at all.

"Mom, we need to make this clear to Xu an."

"Yes, it must be made clear."

Mrs. Gu nodded.

"I'll tell you! Xinyue, you are at home with my mother and Xiaomu. I have to deal with this matter immediately. "

Gu Chengxiao didn't want to wait for a moment.

"I want to go with you."

Xu Xinyue stood up, Xu an was too arrogant, and how could she miss the moment of slapping face?

Gu Chengxiao nodded and said to his mother, "Mom, take care of Xiaomu. Let's go to the Xu family."

"Go! We must make it clear. "

Mrs. Gu nodded.

Gu Chengxiao pulls Xu Xinyue out of the car. Sitting in the car, Xu Xinyue is wearing a seat belt. Suddenly an arm around her neck comes over. The next second, her chin is pinched by the bully, and the man kisses her fiercely.

Xu Xinyue blushed directly. How can this man make trouble? There will be servants here at any time.

However, the man's kiss is particularly warm, so that she can not resist, can only respond to him, kiss for a long time, just in her panting in the end, she looked up, looked into a pair of warm eyes, saw the man's strong idea, she immediately waved her hand and said, "stop, you give me stop, I don't want to come with you."

Gu Chengxiao really wants to find a place to love her. Only when he has her completely can he prove that she is his.

"Well, let's go to the Xu family first, and talk about it in the evening."

Gu Chengxiao chuckles and starts the car.

Xu Xinyue stroked his red and swollen lips. He looked at the man's physical strength. She couldn't bear it.

Xu house.

It's been a while since Xu An'an came back. When Li Jingya heard that she was wronged by Xu Xinyue, she was also very angry. Now that Xu Xinyue has a backing, she really doesn't pay attention to them.

"Ann, don't worry! In the future, when Xiaomu is older, you can let him revenge Xu Xinyue for you. After all, you are still Xiaomu's biological mother. "

Li Jingya comforted them that in their hearts, the whole Gu group will be Gu Yimu's in the future.

Gu Yimu is the son of Xu An'an. He is not sensible now. What if he grows up and becomes sensible?

Do you know that you love her?

This is where Xu An'an relies on. No matter how proud Xu Xinyue is, how can she be?

She holds Gu Yimu's own son in her hand. Even if Xu Xinyue marries Gu Chengxiao, she will always worry about her.

Just then, the sound of a car came from outside the door, and the servant walked in quickly and said, "madam, the young man who cares for the family is coming."

"What?

Is Chengxiao here?

Please ask him in. Come on

Li Jingya quickly called.

Thinking, will Gu Chengxiao come to comfort her daughter? In order to, Xu An'an is also a little excited at a loss, quickly close her hair, for fear that her makeup will be spent, she must face Gu Chengxiao with the most perfect side.

However, at this time, she saw that Gu Chengxiao was not the only one who came in outside the door. He was holding a girl, Xu Xinyue, in his hand.

Xu an an's hand, which was pulling out her hair, was stiff, and her mood sank to the end. Li Jingya's enthusiasm also disappeared. She said, "Chengxiao, you're coming. Why are you still taking her?

Don't you know that she just bullied ANN in our family? "

Xu Xinyue chuckled, "I didn't bully her. It's me who has been bullied all the time."

"You?

We used to treat you well. What else do you want? "

"Not bad for me?

You have the face to say it. "

Xu Xinyue is ridiculous.
